REC #1 HATONN

MON., JAN. 1, 1996 10:58 A.M. YEAR 9, DAY 138

MON., JAN. 1, 1996

HAPPY NEW YEAR!??

Ah, yes indeed, the day has dawned, the hangovers throbbing and the Rose Parade was an outdone event with a frog for a Grand Marshall. The two winningest floats were of Halloween Grinches celebrating the change of the Occult Weirdo Satanic Witchcraft year with ugly black gargoyles and other black things and the other a 50-foot (or so) folding “transformer” ROBOT. I hope all of you noted the immediate CHANGE in the viewers as these things came rolling by! Kermit the Frog was really quite acceptable for it came from honoring the late Jim Henson who did in fact produce a wondrous world of dreams for children, the theme of the Parade.

EARTH QUAKES

For you readers who do not take tapes it should be recorded that there was an earthquake as we had assembled to have a meeting yesterday. You should further know that it did not exceed 4.0 in magnitude and all the after-shocks were smaller. The portion of the Garlock Fault that runs through the edge of our shield was immediately stabilized and I don’t believe there was even a broken vase. I have not inspected everything but you should now know that this was a stabilizing shock and you have to realize the intent of such a burst of energy which was INTENDED to take out the full San Andreas. The Garlock fault is the triggering fault of preference for the San Andreas. I simply warn all of you to be alert to the intent to have damage done unto you. It was really stupid to pull the plug where they attempted to do so. We have a shield WHICH HELD VERY WELL and that should put you nice people, in my pocket, at ease. It is not necessarily the magnitude of the initial bump but rather the duration of vibration or motion which determines the damages following an initial shock.

I am, however, continually amazed at you ones who have access to our meetings and don’t bother to be either on time or come at all. You all then want to be “caught up” and I fail to have a lot of patience in the “catching up”. For instance, how am I to visit with Gene D. when he is asked not to attend because he has been exposed to illness? ALL OF YOU HAVE BEEN EXPOSED TO ILLNESS—AND HE HAS DONE SOMETHING ABOUT HIS EXPOSURE! I cannot ask Dharma to write every day and, in addition, have meetings on the whim and simply at the convenience of ones who don’t bother to make it to our meetings. I find some of the more diligent attendees come from a very long distance from this place. I note, however, that more and more of young people don’t bother to come—but do not catch up later, either. How can you be informed for contact with public callers in your business arenas if you don’t go where the information is offered? Some even want to run businesses, which encompass my products and thus need my instructions. Do you not feel it your responsibility to know what you are doing? If I seem cross it is because I am cross.

I am finding that I am having to do scientific things and writings because Soltec is unable to get the attention of ones who were to receive these things. I note that far more attention is being given to past expressions in game playing than to our current needs. Soltec may well be a geologist so that all you may think you have to do is report shake-ups. NO, NO, and NO! He is offering you the very basics of frequency and motion for your use in calculating secure locations, foundation for expectation and that which is easily converted to model and then working apparatus. To consider resolution of vapor material may be interesting; it is NOT of value.

I, further, have NO PATIENCE with illness “take-off”. I prefer you simply say you want to work on something else, or simply miss a meeting, or whatever. You who are here and get sick—it is YOUR FAULT and there should be no great expectation of attention. Yes, you will get sick—but, no, you do not have any REASON to take longer than mere hours to heal. No, it is not all in your mind! Further, IF YOU ALLOW YOUR CHILDREN TO GET SICK—I HOLD YOU RESPONSIBLE. There is NO reason for anyone with access to what we offer, to get sick or refuse to get well! NONE! If you choose otherwise—it is your personal decision and choice. If you can take a drink of wine you can most certainly take the time to add GaiaCol to it. The same with smoking ANYTHING. If you have time to light a cigarette—YOU HAVE TIME TO TAKE A SWIG OF GAIACOL AND GIVE ONE TO YOUR CHILD.

I have great patience while ones sort their personal lives—but I am rapidly running out of all consideration for those who choose to NEVER SORT OUT THEIR PERSONAL LIVES AND HEAL THEMSELVES OF WHATEVER IS WRONG WITH THEM. IF IT IS MENTAL CONFUSION—THEN GET INFORMATION AND COME WHERE YOU CAN OBTAIN WHAT YOU NEED!

Most important, however, is that you either know what to say about ME and/or keep your mouths shut. I have gotten reputations from every George, John, Mary and Bo when they KNOW NOT ONE THING ABOUT THAT WHICH THEY SPEAK! Worse, however, right within ones who have personal public contact the WRONG information is flowing like syrup. I have no objection to ones who work without knowledge of other than product—but opinions flow from ones who don’t know EITHER. If you must give uninformed information then I remind you: IT COMES FROM YOUR OWN OPINION AND NOT FROM MINE.

LAND CLAIMS

PLEASE: Nobody in this location has any knowledge of anything to do with LAND CLAIMS, farm claims, damage claims or any other “claims” as made by anyone in Nevada or New Mexico. We have even been dumped by Mr. Newby from receiving any information from the *New Republic*.

We ARE running in *CONTACT* the disclaimer declaration of David Newby and Rex Weeks, [See Appendix] although it is of no value as laid forth. I suggest that they go before a Notary Public and two witnesses for signaturing AND, add a paragraph at the ending of their declaration that “the above declaration and information is true to our knowledge and witness UNDER PENALTY OF PERJURY.” Without factual witness as accepted in a court of law AND a “penalty of perjury” statement—the whole thing has no legal value AT ALL. I further suggest, Rex, since you are the most honorable one of the group, that you shorten the statement down, get it certified and run a disclaimer thr ee weeks in a row in a valid newspaper; in this instance, I suggest both Las Vegas and your locally distributed paper.

Now for Ronn Jackson. I suggest you, Ronn, make a declaration as well and list your contacts BY NAME from the, as declared and described, “Treasury”. I suggest you clear self in a public declaration as well—if you are innocent of charges and claims. Further, I suggest that you run your declaration in the local paper as well, under penalty of perjury signature. I would also suggest Betty draw up her declaration, as well, and run it also and separately. Most important, however, is that you do something to protect BETTY for, now that you have officially married her, SHE BECOMES RESPONSIBLE FOR HALF YOUR DEBTS, REAL OR DECLARED! **EVEN IF NOT CRIMINALLY IMPLICATED.** What would I suggest in this instance? DISSOLUTION OF THE CONTRACT WITH HER—LEGAL DIVORCE. Why? Because she doesn’t have to be married to you legally to be married to you within the heart—and without the legal binding, she is not responsible for anything tossed against the “Mister”. I believe that in the State of Nevada there is a six-month-period of time for consideration of legal ANNULMENT by application and petition.

What is my next suggestion? That you get with the program of GOD, friend, for the alternative is going to eat you alive. When you follow the New World Order Pipers, friends, they are going to simply DESTROY you and their big “boots are gonna’ walk all over you!”

I suggest, in addition, that IF your word was worthy of ANYTHING you ever said—you get busy with your obligations and consider keeping your mind clear enough to function sharply and honestly. If you have access to funding, I suggest you get on with honoring your commitments because, at this moment—YOU HAVE BEEN HAD and are going DOWN! YOU DO NOT HAVE ANY BUDDIES OR LOYAL ANYTHINGS ON “THAT” SIDE OF ANY OPERATION—DON’T NOW AND NEVER DID! IT IS A VERY “SMALL” LEADER WHO WILL LET HIS FAITHFUL PEOPLE TAKE THE FALL “FOR” HIM! WHAT IS TRUTH AND WHAT IS LIE NO LONGER HAS MEANING FOR THE MORE RECENT INVOLVEMENTS ARE ENOUGH TO WIPE OUT THE WORK OF HONORABLE INTENTIONS. YOU, RONN, HAD GREAT POTENTIAL AND THIS IS WHY THE GRAND EFFORTS TO NOW DESTROY EVERYTHING YOU COULD HAVE ACCOMPLISHED—BY YOUR OWN WEAKNESS AND INVOLVEMENTS. IT IS TIME YOU TAKE PROTECTION OF YOUR PEOPLE AND ANNOUNCE AND PUBLICLY DISCLOSE THE REAL CULPRITS FOR IT BECOMES YOUR ONLY HONORABLE POSITION.

Others have PAID dearly to allow you a big mouth in ability to threaten and draw attention. Those who have honored you and trusted you in the face of every negative thing are NOW TOTALLY BANKRUPT, and more: now face criminal involvement with something they actually know nothing about. Making contracts with the Devil will usually accomplish this—a total loss of every decent thing ever imagined—to the one who made the contract and sold his soul. Is it too late to recover? No, it is never “too late” with God as long as there is breath within—but I believe that you will NEVER recover the honor and integrity of that thing called “ego” status and never from the ones you have hurt. You must see by now that the ADVERSARY will not ACTUALLY give you a place on the platform with the Big Boys; they will simply snuff you out by the worst means possible—discredit! You have no loyal “friends” so it might well behoove you to look around and if you CAN do something to rectify this—DO IT.

Your really BIG mistake was in not believing that I am who I say I am and thinking you had a smooth old road to the bank through our people—but, no deal. I am NOT playing in your big deal games—BUT I DO EXPECT CONTRACTS AND AGREEMENTS KEPT AND CONSEQUENCES OF NOT DOING SO ARE NOT OVER-EXAGGERATED IN THE LEAST TINY DETAIL.

The point is to totally discredit you so that nothing you do ever again will even be worthy of second notice, Ronn. If you have files as claimed and information as claimed and can do ANYTHING as claimed—NOW IS THE TIME!! You are now center stage to go down as the worst traitor, including Benedict Arnold, ever in the United States of America. There aren't any "attorneys" as you have stated so I suggest you get "in pro per" and do your legal declarations and take care of your responsibility to Betty while you can still handle it for yourself for I don't know anyone willing to give you a hand—NOW. When you try to make a fool of GOD and HIS people, you err, son. Not even your colleagues in crime will appreciate you but will scorn and denounce you. You don't have anyone on your side now—SAVE POSSIBLY, ME!

What do I think about "Grandma" in all this? I think that I told her early on that she was totally controlled and infiltrated by HER ENEMIES! I think that this is a very, very sad day, indeed! I also remind you that when you INVITE GOD AND HOSTS OUT OF YOUR BUSINESS AND PROTECTION OF YOURSELVES—YOU DON'T DO VERY WELL **FOR THEY MOVE RIGHT OUT!** THE LIPS ARE BETRAYORS OF INTENT AND INTENT THAT FLOPS AROUND WITH THE GOLD-CERTIFICATES AND PHYSICAL, ARE A TOTAL RELEASE FROM PROTECTION OF HIGHER CAUSE. WE TREAD NOT WHERE UNINVITED.

SO, WHY DO I OFFER THESE SUGGESTIONS FOR PROTECTION? BECAUSE, FRANKLY, OF BETTY AND REX. THE REST OF YOU MAY WELL REST IN YOUR CHOSEN BEDS AS YOU HAVE MADE THEM. BY THE WAY, ***THIS DOES NOT ARBITRARILY BREAK EVEN ONE CONTRACT OR AGREEMENT TO EITHER GOD OR THIS WONDROUS NATION.***

In ALL things, GOD KEEPS HIS PROMISES! It is worthy to remember as much.

Let us leave this now for it has been long since you, scribe, have had ten minutes to yourself. I thank you and I do appreciate your willingness to remain "on call" for these are treacherous times into which we now move. The battle heats because there is now less than half a decade for the New World Order, through intent at all costs—to be IN POWER AND OPERATIVE! Since it is the adversarial plan I can't suggest that they will change their thrust but, rather, will simply move forward more quickly with your destruction and controlled environment.

I can wish our people JOY; I find that "happiness" is a rather elusive "thing" which actually has little meaning any longer as sequence unfolds—for as a civilization you are grossly UNHAPPY. May you make good choices for these days of passage, for within one is glory and within the other is DARK illusion.

I bear the lamp that you might see and KNOW. I AM THAT YOU MIGHT BE!

Come, please, and walk with us for, as the Angels attend, we can carry you if need be—or at the least, take your hand and walk WITH you, for we aren't DRAGGING anyone along.

How many will come with us? Enough!

CHAPTER 1

REC #1 HATONN

SAT., DEC. 16, 1995 7:51 A.M. YEAR 9, DAY 122

SAT., DEC. 16, 1995

HOLOCAUST IN LA-LA-LAND

Since I am rather stuck with writing more on the Nazi-Jewish vs. Khazarian Zionist problems I find I have no alternative save to acknowledge what is thought to have happened, by most sleepy people who are “too much in love to say goodnight”. It seems to be the words to a long-ago song but then, too, this all happened a very long time ago and yet grows in intensity every time it is written about by the “revisionists”.

REVISIONISTS

No, I do not accept the definition of “revisionist” as presented by the “orthodox” Holocaust speakers or presenters. The indication is that recent writers who QUESTION FACTS are called, in nasty, dark, and terrible threats, “revisionists”. NO! **A REVISIONIST is one who incorrectly presents what happened—FIRST.** Therefore the “revisionists” of the Concentration Camps called “Death Camps” as presented by such as the Anti-Defamation League of B’nai B’rith (A British-Intelligence Organization), The Jewish Press Association, lawyer Alan Dershowitz, etc., are liars at best and total revisionists at any defining. Do “they” have a purpose other than TRUTH? Yes indeed, the taking of the United States of America and all of America as the Israeli HOMELAND and political, financial and working control of global physical directions and ownership. The POINT is to bring about the NEW WORLD ORDER OF ZIONISM. This is not necessarily the SAME type of purely EVIL intent of control of drug trade, domination by total Force, or necessarily to simply own for the sake of control, all the wealth of human expression. They accomplish the SAME THING through cooperation and merging of intent but you now come to the time of the CLASH OF THE EONS AS THE DRAGONS BATTLE FOR ULTIMATE VICTORY OVER THE OTHER. YOU SEE, AT SOME POINT AN ULTIMATE DICTATOR MUST EMERGE FOR THEREIN IS THE WAY THAT SATANIC ADVERSARIES MUST BREAK THE SOULS OF MANKIND.

This ultimate victory will be achieved through very harsh and unbelievably cruel ways from collapse of your economy and then collapse of your very governmental system which means no welfare, no social security, no anything except chaos. Politicians do not continue to SERVE if their paychecks of wealth are stopped. The politicians are pawns used by the Elite Banksters and Drug Lords to CONTROL you-the-people through their criminal and non-judicial control of the systems of Republican Government. This is to speak of a REPUBLIC, not the Republican Party. George Bush was/is a Republican—but in actual life practice he is very high in the world listing of the Evil Empire of purely Satanical Maniacal operations. He sold his soul long ago—NOW HE IS GIVING AWAY **YOURS**.

I DO NOT DENY HORRORS!

I myself am called a “revisionist” and a denier of a “holocaust” in Germany. NO, I am not either. I simply say that logistics and NUMBERS do not add up to the outrageous claims of “only Jews”, 6 million Jews and other such foolish accounting stories. What about the other people who died in that terrible war of the Banksters? THE JEWS FINANCED THE VERY WAR IN WHICH THEY ALSO SUPPOSEDLY WERE MURDERED. SOMETHING IS AWFULLY WRONG IN HISTORICAL OUTLAY. However, on the other hand the very purpose is to cause a world to think a given race, creed, or color is under direct oppression to gain world sympathy so that the masses walk into the SAME TRAPS. IF YOU HAVE STOLEN GREAT PROPERTY AND MURDERED THOUSANDS OF A GIVEN RACE OF PEOPLE—AND **YOU** HAVE TAKEN THEIR NAME IN ADDITION, WOULDN’T YOU WANT TO CLEAR OUT THE WITNESSES? Stop your silly games and face the consequences of your narrow blinders. To be against thieves and murderers does not mean you are against ALL OF ANY RACE, CREED OR COLOR.

Do I blame an Alan Dershowitz for his attitude about a Jewish Homeland in the United States? No, he thinks he is winning “Brownie Points” for doing his part to accomplish the arrival and completion of the Talmudic *Protocols of Zion*. To HIM, this is success and power. YOU TOO ARE WHAT YOU WERE/ARE TAUGHT TO BE AND BRAIN-WASHED IS WHAT YOU AS A SOCIETY HAVE BECOME—DUMBED DOWN TO SUIT THE TELEVISION VIEW OF PERSON AND FAMILY LIFE, WITHOUT MORAL RESPONSIBILITY, SILLY AND TOTALLY STUPID AND, QUITE FRANKLY, ABSOLUTELY INSULTING AND DEGRADING PORTRAYAL OF IDIOTS AND MORONS AS YOUR “TYPICAL” SIT-COM. THAT is planned to be THAT WAY!

So, what do I plan to do about it? Not much! I plan to keep offering you background as I can do so and eventually get around to telling you HOW IT IS IN THE UNIVERSE AND HOW COSMIC ORDER FUNCTIONS—BUT OTHER THAN INFORMATION AS OFFERED TO CAUSE YOU TO LOOK AT FACTS INSTEAD OF GARBAGE, I WILL DO NOTHING. I DO NOT HAVE RIGHT NOR DESIRE TO FIX YOUR WORLD—THAT IS **YOUR JOB**. If you enjoy your circumstances then why should I change your attitude? God does not force or coerce but no longer will he sit by while the criminals rip-off HIS PEOPLE without note or action. And again, only “information” will be offered and the how-to of action by legal means—never through force through violence. Lie, cheat and/or STEAL against GOD and HOSTS and their workers, and every time possible, the hand will be played which exposes such actions. The repercussions will be as quick and severe as is possible under YOUR LAWS. To steal from someone and then make it appear to be “their fault” is deplorable and unacceptable. It does not matter whether or not it is the bank, the government OR THE NEIGHBOR who steals your money and your very lives—it is WRONG, AND ALL THE ARGUING ABOUT IT IN THE WORLD WILL NOT MAKE IT RIGHT! AND ALSO, SAYING A “THING” WILL NOT MAKE ONE IOTA OF DIFFERENCE WHEN THERE IS PROOF OF ACTIONS TAKEN OTHERWISE. ALL THE LYING BOUND TOGETHER WILL NEVER MAKE A TRUTH! You may lie and never be uncovered but that does not change the “evil” for the lie is still the lie and it does not become TRUTH no matter how many people “vote it in”.

Oh, indeed, in the world the “arm and hammer” are coming down and you sleepy people do not even recognize your enemy and by not recognizing your enemy—YOU CANNOT KNOW YOUR FRIENDS.

In line with our trust and as a journalistic press we offer only those things which have merit in both integrity

and press—I can’t do more for your confirmations, readers. I present, the other journalists “present”. And YOU must make decisions and draw conclusions built on that information. If you think the original author of any material is nuts or bigoted, fine, just stay aboard until you read the backup information. HIDING TRUTH DOES NOT MAKE A LIE INTO TRUTH.

With this in mind we will offer some backup information to go along with our last offering of *One World Church Order*.

ONE WORLD CHURCH ORDER, PART 2

by Calvin A. Buehrer

[QUOTING:]

SHOCKING AUSCHWITZ TESTIMONY

From *SPOTLIGHT*, By P. Samuel Foner, January, 11, 1993.

The director of Auschwitz has been filmed on videotape (David Cole’s video is on VHS for \$49; available from Liberty Library, 300 Independence Ave. SE, Washington, D.C. 20003.) admitting that the so-called gas chamber there was **constructed AFTER the war**.

In a dramatic and unprecedented filmed interview, Dr. Franciszek Piper, senior curator and director of archives at the Auschwitz State Museum, admits on camera that “Krema I”, the alleged “homicidal gas chamber” shown off to hundreds of thousands of tourists every year at the Auschwitz main camp, **IS, IN FACT, A RECONSTRUCTION, FABRICATED AFTER THE WAR BY THE SOVIET UNION—apparently on the direct orders of dictator Josef Stalin.**

What Piper said in effect—and on camera—was that the explosive *Leuchter Report* was correct: No homicidal gassings took place in the buildings designated “homicidal gas chambers” at Auschwitz. (*The Leuchter Report*, \$20, from IHR, P.O. Box 2739, Newport Beach, CA 92650.)

Ironically, for someone to even suggest such a thing could bring a jail sentence in more than one country—including enlightened nations like France, Canada and Germany. (Just ask Ernst Zundel. But more about him later.)

“FACTS” ARE LIES

With this admission by none other than the responsible head of the Auschwitz State Museum, one of the most sacred “facts” of history has been destroyed. It is the major historical “fact” on which the foreign and domestic policies of all of the Western nations since World War II are based.

It is the basis for the \$100 billion in foreign aid the United States has poured into the state of Israel since its inception in 1948—amounting to \$16,500 for every man, woman and child in the Jewish state and billions more paid by (West) Germany in “reparations”—not to mention the constructing of Israel’s national telephone, electrical and rail systems, gifts of the German people. It is the basis for the \$10 billion

“loan” (read “gift”) made to Israel for housing immigrants in occupied territories, while Americans sleep on streets and businesses are bankrupted by the thousands.

Germany is paying “reparations”—and the United States is making major contributions—to atone for the “gassing at Auschwitz” and elsewhere. If the “homicidal gas chambers” were postwar creations, in which no one was gassed regardless of race, creed, color or country of national origin, then these “reparations” were unnecessary, and were based on fraud.

The videotape on which Piper makes his revelations was taken in mid-1992 by a young Jewish investigator, David Cole. It has just been released, on January 1, 1993, although Cole announced his project at the 11th International Revisionist Conference at Irvine, California last October.

Cole’s production follows 12 years of intensive investigation by dozens of historians, journalists and scientists who have tried to get to the bottom of what really happened at Auschwitz.

In 1979, the Institute for Historical Review (IHR) was founded which coordinated these investigations in an effort to “bring history into accord with the facts”. Since then the IHR has published dozens of papers and books, none of which has ever been refuted, concerning various aspects of the “holocaust”. **[H: But they have been threatened, bombed, shot and generally terrorized. Proof has it that at the least the Jewish Defense League was behind the more terroristic actions.]**

A major aspect that has been investigated concerns the gas chamber theory, and the biggest and the busiest gas chamber was supposedly at Auschwitz.

The activities of the IHR have been so controversial that on the night of July 4, 1984, after two years of harassment and vandalism, it was burnt to the ground by Israeli agents. Miraculously it was able to continue operations after some months of inactivity.

INSTRUCTED FROM YOUTH

Like most Americans, since his youth Cole had been instructed in the “irrefutable fact” that homicidal gassings had taken place at Auschwitz. The number of those so executed—also declared irrefutable—was 4.1 million.

Then came the *Leuchter Report* in 1988. This was followed by a “re-evaluation” of the total deaths at Auschwitz (down to 1.1 million). As a budding historian—and a Jew—Cole was intrigued.

Previous to 1992, anyone who publicly doubted the 4.1 million “gassing” deaths at Auschwitz was labeled an anti-Semite, neo-Nazi skinhead (at the very least). Quietly, because of revisionist findings, the official figure was lowered to 1.1 million. No mention of that missing 3 million.

In 1988, Ernst Zundel was put on trial in Canada for “publishing false news”. He sold a book which

questioned the legitimacy of the Auschwitz gas chamber. **[H: There are several journals which are confiscated at the Canadian border for using exactly this type of article as offered HERE. It is called hate literature and is simply confiscated. This would seem to be a bit more serious than just controlling the stories allowed in a FREE press??!]**

Helping with the defense were internationally known historians including Robert Faurisson, David Irving and Mark Weber.

Zundel went looking for an expert on executions, particularly gassings. He found Leuchter, who specializes in the design and fabrication of execution hardware used in prisons throughout the United States. Leuchter was commissioned to visit Poland and conduct a scientific examination of the so-called homicidal gas chambers.

On February 25, 1988, Leuchter left for Poland together with his wife Carolyn, his draftsman Howard Miller, cinematographer Jurgen Neumann and Polish interpreter Theodore Rudolph. They returned on March 3. Then he wrote his controversial report.

pict. jewish symbols 6,000,000
in stars of david

NO GAS CHAMBERS

His conclusions were clear: The evidence was overwhelming that there were no execution gas chambers at Auschwitz, Birkenau and Majdanek and that the alleged gas chambers at these sites could not have been, then or now, utilized or seriously considered to function as execution gas chambers.

In the words of Dr. Wilhelm Staglich, another internationally known historian, “The extermination thesis stands or falls with the allegation that Auschwitz was a ‘death factory’.”

Leuchter says:

The purpose [of the investigation and subsequent report] does not include a determination of any numbers of persons who died or were killed by means other than gassing or as to whether an actual Holocaust occurred. It, further, is not the intent of this author to redefine Holocaust in historical terms, but simply to supply scientific evidence and information obtained at the actual sites and to render an opinion based on all available scientific, engineering and quantitative data as to the purpose and usages of the alleged execution gas chambers and crematory facilities at the investigated locations.

With this in mind, Cole took his video equipment to Auschwitz [in 1992] and interviewed official personnel there. Piper was the most important of these interviewees. Following his comment that the “homicidal gas chambers” were fabrications, Piper reveals, on camera, how walls were knocked down, holes made in the ceiling and “Zyklon B induction chimneys” installed on the roof so that the building could be exhibited to tourists from all over the world as a proof of the “final solution”.

And Piper doesn’t stop there. He describes other “proofs” of the “final solution”, which are also

“reconstructions”. He discusses the routine use of Zyklon B to delouse buildings and the personal effects of internees, and he admits, on camera, that the *Leuchter Report*’s findings concerning Zyklon B residues in the alleged gas chambers at Auschwitz are right. **[H: Please recall that your now Pope of the Roman Catholic Church before becoming this impressive personage—did in fact, SELL ZYKLON B GAS TO THE CONCENTRATION CAMPS.]**

PARADOXICAL BELIEFS

He then, paradoxically, affirms his belief, not only in homicidal “gassing chambers”, but also in the “human soap” tales and the stories about “human skin” lampshades, both of which allegations which long ago have been totally debunked. **[H: How can you question the “soap” story? Well, look at the pictures of the bodies shown to you. Number one: there wouldn’t be bodies of any kind to show you if the bodies were consumed in such manner. Two: it requires FAT to make soap—and the conditions of the bodies they also show you have so little fat as to be worthless as soap base.”]**

And the revelations go on. In the video, you tour Auschwitz with Cole and hear him being told that the main camp “gas chamber” (Krema I) is in its “original state”. You will see the undaunted Cole ask so many questions about the obviously ridiculous nature of this “gas chamber” that the guide feels it necessary to call her supervisor over to answer the young historian.

Cole says:

When I went to Europe in the autumn of 1992 to conduct my own investigation of the sites of the alleged “gassings” of Jews during World War II, two ideas were paramount in my mind.

The first was that the trip be recorded on videotape so that, rather than bringing back a bunch of colorful anecdotes to bore my friends, I would bring back an objective record of what I found. What I expected to be the great learning experience for me could be one for others too. My discoveries could become your discoveries. Hopefully, I would ask the questions that you would ask if you were to make the journey yourself.

The second idea was that I would go as a Jew. No two peoples have been affected more by the Holocaust than the Germans and the Jews. We know how difficult it has been for Germans themselves to expose the deceptions of the Holocaust Lobby. Germans are forbidden by law, in their own country, **to state publicly that they do not believe in the orthodox gas chamber stories; forbidden from discussing THEIR OWN HISTORY.**

Jewish organizations have decided that they must have a monopoly on the Holocaust issue. I reasoned that if I went to Auschwitz as a Jew rather than as a “revisionist”, that I would have a better chance to cut through the misinformation and lies that so distort what really happened in the German camps during the war.

Perhaps, I thought, if I were to approach the Auschwitz officials as a Jew, my pointed questions, tactfully put, would be interpreted not as the debunking questions of a revisionist, but rather the sincere questions of a righteous Jew wanting

to get the real facts to answer those back home who say there were no gas chambers.

(I remember at one point, standing in Krema I, telling the supervisor of tour guides at Auschwitz that “You must tell me the whole truth so that when I get back home I can speak with authority against those who say ‘all this’ never happened.”) So, donning my yarmulke, and not letting anybody in Poland know where my sympathies were, I began my journey.

The Cole videotape PROVES that the people who run the Auschwitz State Museum had made a practice of fabricating “proofs” of homicidal gassings. Keep in mind that, over the years, millions of tourists have been told that Krema I is in its original state, while the officials knew that this “original state” is a lie.

The political, religious, financial and historical ramifications of this Auschwitz cannot be measured. Coupled with the Leuchter Report, the Cole videotape proves that what every Western government has taught since World War II is a lie. It proves that what televangelists such as Jerry Falwell and Pat Robertson HAVE BEEN TELLING THEIR FLOCKS IS SIMPLY NOT TRUE.

No one, regardless of race, creed, color or country of national origin, was gassed to death in any building so designated at Auschwitz. And without “homicidal gas chambers” at Auschwitz, where is the reasoning for the special treatment afforded the secular state of Israel?

[END OF QUOTING]

Now let us just add onto this writing a writing by your Professor of Law at the Harvard law School, JTA, Alan Dershowitz.

[QUOTING:]

ANOTHER CRACKPOT IDEA

by Alan Dershowitz

Cambridge, Mass. February 14, 1992

A crackpot named Bradley Smith claims that the Holocaust never happened, that there was no Nazi “policy to exterminate the Jewish people” and that the gas chambers were “life-saving ... fumigation” rooms.

Every legitimate historian [**H: If JEWISH, THAT IS!**] knows that millions of Jews—infants, grandmothers, men and women—were ingathered from throughout Nazi-controlled Europe and systematically murdered as part of Hitler’s genocidal final solution.

Entire Jewish communities and villages were exterminated by machine gun squads, mobile gas vans and large gas chambers.

Many members of my own family were slaughtered in Poland. When I visited Auschwitz-Birkenau, I saw the names of my relatives on the list of those gassed and cremated.

I know survivors—like Nobel Prize-winner Elie Wiesel—who experienced the death camps first hand. I have spoken to American soldiers who liberated death camps at the end of the war.

Despite the incontrovertible evidence of the Holocaust—the Nazis themselves documented many of the killings—there are cruel bigots who are trying to persuade naive people that the Holocaust is a “myth” perpetuated by Jews “promulgating anti-German hate propaganda”. **[H: The FACTS are that hardly anyone has disclaimed that there was a “holocaust” but simply that it is NOT AS PRESENTED as to DEATH CAMPS. If you can’t hold truth in one thing—truth in all things becomes hidden and accepted as a total lie once the first lies are proven to be lies. If one person was murdered—it is a “holocaust” and to lie simply brings disgrace and lack of honor to the ones who died for any reason. The TRUTH here is terrible enough to carry its own sorrow—why lie when the truth is already so terrible? Because of MONEY! The worst pictures shown of inmates in the Concentration Camps—WERE OF PEOPLE IN THE EISENHOWER DEATH CAMPS FOLLOWING THE ACTUAL WAR! GO READ *OTHER LOSSES*.]**

By the use of this double-speak—accusing the victims of employing hate propaganda—Bradley Smith and his ilk have been trying to turn an incontestable historical fact into a “debatable issue”.

The Holocaust deniers realize that they cannot “win” the debate during this century. They envision a two-step process: the first is to make the truth of the Holocaust a “debatable” issue; the second is to “win” the debate in the next century, when the victims and perpetrators of the Holocaust will all be dead.

As part of this process, Smith has tried to buy full-page advertisements in college newspapers (“Printing Holocaust denier’s work arouses anger at U of I”, *Chicago Jewish Star*, Jan. 31). These ads call for “open debate” on whether the Holocaust occurred. **[H: And what in tarnation is wrong with open debate????]**

Invoking currently vogueish language about “campus thought police” and “political correctness”, Smith says that students should be “encouraged to investigate the Holocaust story the same way they are encouraged to investigate every other historical event.” **[H: Please keep an eye open to your TV and movie schedules now that you are to the Christmas Season—the airwaves will be blanketed with such as *Shindler’s List* and other well-known FICTION tales. There was no effort to deny that *Shindler’s List* was a movie made from FICTIONAL MATERIAL, and yet it is required viewing in schools across the globe and is featured as one of the greatest “true stories” ever told or made into a motion picture. NO, it is a movie script of total fabrication—BY THE ADMISSION OF THE MAKERS OF THE PICTURE.]**

I agree with that formulation. The Holocaust should be studied in the same way that “every other historical event” is studied.

American slavery is studied, but no one “debates” whether there were slaves, because that is not a

debatable issue. **[H: No? Come on, Mr. Dershowitz, YOU got into the debate about Farrakhan's revealing that THE JEWS WERE THE ORIGINAL SLAVE SELLERS AND STILL ARE! Facts prove that Jewish slave-traders and British-Israeli runners were the bearers of slavery and owners of the World Drug (opium) Trade.]**

The detention of Japanese-Americans during World War II is studied, but there is no debate about whether this historical event occurred, because it is not debatable.

pict. moshiah awareness bliz

Who killed President Kennedy is debatable, but not whether Kennedy is still alive, as some tabloids have occasionally claimed.

The occurrence or non-occurrence of a universally accepted historical event does not become a legitimate issue for academic debate just because some crackpot says it is debatable. An initial burden of persuasions must be satisfied before a ludicrous idea is given the imprimatur of reasonable debatability.

Holocaust denial has not come close to meeting the preliminary burden.

In addition to its demonstrable falsehood, Holocaust denial is cruelly hurtful to survivors. Just imagine how a man like Elie Wiesel must feel when he hears a call for “open debate” about whether his family was murdered by the Nazis.

For these reasons, many college newspapers turned down Smith's dirty money and refused to run his nasty ad. In doing so, they followed their policy of being selective in the advertising they will accept. Many refuse ads for phone sex, quack medical cures or racist, sexist or homophobic views. **[H: Now somebody like YOU tell me what is so terrible about requesting a *debate* on any issue?? A “debate” is simply a discussion on facts regarding a subject or topic of any kind. Don't you debate AIDS, politicians, sex practices and preventive “safe-sex” and myriads of OTHER topics? What is THIS whining and moaning and “disgust” about? I think it becomes obvious WHAT IT IS ABOUT!]**

Some college newspapers ran the ad. The most questionable decision was made by the Rutgers *Targum*, which turned down the ad but then ran it as an “opinion” column—for free. **[H: A JEWISH ENTITY.]**

The *New York Times* **[H: A Jewish entity.]** praised this approach, arguing that the “editors thus transformed revulsion into education”. **[H: Note the use of “revulsion” and “education”—no mention of TRUTH OR LIES, or search for information in historical facts.]**

Will the *New York Times* now run ads that are rejected for their dishonest and offensiveness as op-ed articles? If so, it can expect an influx of ad applications from **advocates of racist, sexist, homophobic and anti-Semitic views that are the common fare of such bigoted rags as the SPOTLIGHT and**

Race and Truth, but that are not regarded as worthy of editorial coverage by the mainstream press.

Private newspapers have a First Amendment right to publish or decline anything. **[H: And I suggest you not forget it, Mr. Dershowitz.] ONLY THE GOVERNMENT MAY NOT CENSOR BECAUSE OF THE CONTENT OF EXPRESSION.**

Our government has never tried to censor Smith's garbage, nor should it. **[H: Oh BARF, BARF!]**

Recently, Smith invited me (Dershowitz) to debate whether the Holocaust occurred. He knows he cannot win, but he would like to be able to say that Alan Dershowitz regards the issue as worthy of debate.

I have written him that I will debate the Holocaust, but only as part of a series on the following subjects:

- (1) Slavery did not exist in America;
- (2) Elvis Presley is still alive; and
- (3) The earth is flat.

That is the company of crackpot "ideas" into which Holocaust denial comfortably fits.

[H: In other words, Mr. Alan Dershowitz fits the mold of his colleagues in hate and denouncement of free citizen discourse, freedom of the press and speech and insults the man while not DARING TO TAKE ON THE SUBJECT DUE TO HIS BLITHERING AND INSIPID LACK OF NERVE. THIS PROVES THAT THE MAN IN POINT IS LESS THAN A COWARD AND RUNS AND HIDES BEHIND HIS SERPENT BUDDIES WHO PROFFER THE LIES IN THE FIRST PLACE. ALAN DERSHOWITZ IS THE PERSON WHO FIRST DARED ANNOUNCE THAT THE U.S. IS THE ISRAELI HOMELAND! THE REST IS UP TO YOU, READERS. The facts are that Alan Dershowitz is such a coward that he wouldn't take on any debate at all on the subject because he knows he would end up being the mop to clean the floor.

I also suggest you carefully read the information with the accompanying picture regarding Moshiaic Awareness. See what you think about your new Homeland leaders.]

[END OF QUOTING]

We are out of space so please let us leave this here. I want you to also take note that we have not singled out tacky or ill-begotten pictures and illustrations—THEY COME RIGHT OUT OF JEWISH MATERIAL, PAPERS AND LITERATURE. If you are Jewish in assumption of the term, then I think you should THINK carefully on possibilities that YOU may NOT ACTUALLY be Jewish at all as presented in Torahianist presentation. "Jew" as a word, remember, was coined by the Khazarians who took over the Judean RELIGION and decided to call themselves "Jews", in about year 1765 A.D. The "Jews" of Biblical acceptance may well base their religion on the *Torah* and Biblical logic. However, the so-called self-styled "Jews" took the name and took the Talmudic Instructions and proclaim Zionism as their ULTIMATE GOAL. Most affiliates have no lineage from Hebrew Judeanism AT ALL. Certainly they do not come from the line of Shem (Shemites or Semites) so by their own proclamation: they are NOT SEMITES so how could there be ANTI-SEMITISM even related to their population? YOU ARE PEOPLE OF

THE LIE AND IT CAN KILL YOU AND BURY YOUR NATION. You are already enslaved to a bunch of commercial overlords in politician's clothing who have united AGAINST YOU-THE-PEOPLE through a United Nations-run NEW WORLD ORDER and ONE WORLD CHURCH ORDER. Think carefully about this today for tomorrow will surely be too late.

May we all ask for guidance as we internally debate possibilities and look HONESTLY at facts presented and see the logic and reason rather than the star-struck fantasy of second-hand immorality and sick games thrust upon you. You are a dying species, human of earth Shan. Perhaps it is as well!?!
Salu.

CHAPTER 2

REC #1 HATONN

SUN., DEC. 17, 1995 7:18 A.M. YEAR 9, DAY 123

SUN., DEC. 17, 1995

QUALITY, TRUTH, AND HONESTY

How and when can you demand excellence, quality, and truth? ALWAYS!

What do I mean here? I mean that there is never a time unless there is “discounting” of a product for lesser value or you purchase “as is” or whatever might be a REASON that a price or expectation might be lesser and for that reason the purchase price is lesser. At the least, if there is a flaw or expectation of lesser than perfect value, you, the one receiving, must speak out.

How can I example? In pondering the past couple of days let me see if I can find some little thing that might qualify as a focus. Ah yes, on the yesterday a lovely appearing floral arrangement arrived for Dharma and E.J. This came from friends who live a great distance, Bill and Germain. Every arrangement ever sent from them has been exceptionally beautiful and last year’s pink (yes, a distinctively different) poinsettia lived and remained beautiful for almost the full year. It had special “twigs” with a tiny “cardinal” or two, a lovely bow with pine cones and sparkles—it was strikingly beautiful.

Yesterday came the same “ordered” arrangement only, guess what, there were a couple of poinsettia plants of great beauty, with greens and a little bow tucked away behind some foliage, also “stuck” in the basket with no visible way to water. On the surface the arrangement was beautiful and certainly there could be no big scene made about it. But, this morning came the shocker: part of the flowers were totally wilted and dead and the ribbon had fallen off, having been “tucked” (not affixed to an appropriate pinning) into the pot almost as a second thought—to hide a blank place in the floral balance.

FLORISTS KNOW POINSETTIAS CANNOT BE USED FOR CUT FLOWERS—BUT LOW AND BEHOLD, IN THE EMPTY SPACES WERE TUCKED “OBVIOUSLY CUT” STEMS OF POINSETTIAS. Without the fullness of the now wilted blossoms, the arrangement is not worthy of the cost to the sender. So, now we have the problem—what might be the solution? Dharma has an obligation to call, or ask another to bring this to the attention of the florist who had the arrangement delivered. The people who ordered the arrangement have NO WAY to know and the people using the lesser product KNOW that this is not acceptable so it becomes a DUTY of the receiver to attend the matter or, at the least, find out what or why this happened. Certainly an artificial blossom or two could solve the problem—but did the sender of the gift desire an artificial arrangement or pay for and expect a beautiful arrangement of live plants to last through the holidays? If this were an intended artificial arrangement and a blossom fell, you could tuck it in with a touch of glue and perfect the appearance again. This cannot be repaired for it was deliberately set up to deceive as you can see the CUT on the stem of wilted plant. No, it is not acceptable and it is the receiver’s responsibility in this circumstance to make sure the florist “fixes” the flowers. A call

on monday should do it for no business person wants this kind of thing happening—or they should tell the customer any circumstances which may have caused employees to take such shortcuts for there are MANY this time of the year in the hustle and bustle of party arrangements for an evening of needed decorations. This is NOT the circumstance here and to leave this unattended is not worthy to the ones sending the gift. This is shoddy carelessness and COVER UP and is not acceptable business.

This is not a serious matter but we needed an example and this is an excellent and available example. What happens next in these instances is that people stop going to that florist and perchance the owner of the shop never knows WHY. This can be corrected but when a surgeon removes the WRONG FOOT as recently was shown in the news, and had to then amputate the “correct” gangrenous foot, the man was left with NO FEET!

Could you, for instance, have known that George Green would take \$350,000 in cash and hide it? Yes, for all the signs of sleight-of-hand dealings were on everything the man and his wife touched. When the floral arrangement is delivered and you are told these are beautiful flowers, only they are the new invisible hybrid flowers—for goodness sakes, can’t you “giving” people stop the nonsense and SEE the empty basket? The basket itself might well be a worthy offering, but not if someone has paid for and ordered the basket filled with “something” which the dealer has promised but not supplied.

Yes, indeed, I feel even more strongly about those who sell you colloidal silver with lemon-yellow food colored water or Casio watches of the cheapest variety with a “Tesla” label affixed so you THINK you are getting a “frequency” item. THIS IS FRAUD! Of course one is worse than the other FOR THE RECEIVER—THE PROVIDER KNEW EXACTLY WHAT KIND OF CHEAP RIP-OFF HE WAS PROVIDING TO THE PERSON SUCKERED.

When you allow yourself to be a party to any cover-up of shoddy product—you become as guilty as the perpetrator. When you steal from another—you are offering a shoddy product and lies will not change it. It doesn’t matter about a flower or two—except that someone deliberately used the wrong materials and this RUINS THE FLORIST’S BUSINESS IF ALLOWED TO GO ON UNREPORTED.

If a colloid of silver has no colloid particulate of silver—it is worse than useless—it is downright criminal in intent.

Moreover, if someone takes, without permission, ANYTHING, it is criminal intent! No matter what the needs assumed might be. If you need food—then ASK for food, do not steal another’s property and sell it for your own gain. When you take something and then cause ANOTHER to appear to be the culprit, the “wrong” is compounded.

Some people are spending this holiday season in great sorrow because they got caught in their nasty little secret games and they pout and shout about how mistreated they are. NO, GOOD FRIENDS, DO NOT LISTEN TO THE WHINING AND CRYING, FOR RESPONSIBILITY MUST COME BACK TO THE PERPETRATORS LEST YOU LOSE ALL BALANCE AND MORALITY IN YOUR WORLD.

This is the same for a President who has lied and thieved and cheated his way through his office, to one who has taken the secret candy bar from the check-out counter of the discount store. If a man will steal a candy bar belonging to another—he is quite capable of stealing a tractor.

People say to Dharma, “Ask Commander to give us a quick pick-up and spiritual catch-all for the Holidays, please.” She becomes bewildered when I then bring you this type of lesson! But THIS IS the lesson you must LEARN—not the pious lies about flying visible angels and magic toys appearing. When, by the way, the magically appearing toys are considered—the magic is usually a theft of some kind even if no more than in the heart. I take no merit in an “unfortunate” childhood where Mommy and Daddy were too strict or whatever the garbage usually is. When you are “grown” and continue to blame ANYTHING else for your actions—you NEED HELP with your soul. If you are having a bad time answering for your indiscretions—so be it for you have earned it—JUSTLY. Believe me, the ones who are cleared of blame wrongfully placed on them—MUST RECOGNIZE THE RELIEF AND JOY OF HAVING TRUTH PREVAIL AND THE RESPONSIBLE PARTIES TO THE CRIME RECOGNIZED—EVEN IF REPAYMENT IS NOT FORTHCOMING, FOR A MAN ONLY HAS HIS GOOD NAME AND REPUTATION—OR HIS BAD ONE!

WHEN ARE YOU GRATEFUL?

All of us have reasons to be grateful. The word usually means that we have received something. Often the thought of gratitude is that warm feeling you get when someone is generous and sharing. We are particularly grateful when we get unexpected gifts from those who owe us NOTHING. Within a family, we expect such acts of love because we are close to one another, especially at the Holiday Season of exchange and gifting.

But gratitude must not come from just being a receiver. Gratitude is warmest when it accompanies the JOY of being able to give without expectation of anything in return. We then find it isn’t ever enough to simply feel grateful. We have a need to then express our gratitude by showing kindness and service to everyone around us.

Gratitude is the greatest of all heart-openers. When it enters the heart, love pours out. For every kindness we receive, gratitude inspires a hundred acts of giving. Our problem then becomes one of limitation and balance as we then try to express in equal measure, and beyond, that which is given or expected. And above all things—kind and loving words are the most enduring. Even a gift given in love simply reminds the receiver of the kindness of the other’s heart each time it is seen or used.

You must not, however, be ONLY grateful for the joy for we have no right to ask, when sorrow comes, “Why did this happen to me?”—unless we ask the same question for every JOY that comes our way. Please note that in every instance—GOD SENDS JOY, EVEN IN CREATION. MAN SENDS AND PROJECTS SORROW FROM HIS DEALINGS AND USE OF CREATION.

Dear ones, the price of dishonesty is SELF-DESTRUCTION and each must be allowed his own path.

When you see a wrong being committed by one against another, you have obligation to attend it. And when, as the old wise saying goes: “*When with grief you see your brother stray, Or in a night of error lose his way, Direct his wandering and restore the day. Leave to avenging Heaven his stubborn will, For O, remember, he is your brother still.*” However, after offering the way to right a wrong and you are spat upon—for goodness sakes, get the heck out of the line of spittle and stop the “wishing” that it were

different. You MUST DEAL responsibly with WHAT IS, not with what you wish would be. When you have no seed for the planting because a thief stole your seed-grain, it is WRONG to require no accounting. If it be only YOUR empty belly, then you can make other decisions, but when it is not JUST YOURS which is taken, you have OBLIGATION TO ATTEND, WITH JUSTICE, THE CIRCUMSTANCE—AND THE THIEF. THE NEXT ONES IN LINE TO RECEIVE NO GRAIN FOR THEIR TUMMIES SHOULD BE THE ***ONES WHO HELP TO COVER FOR AND ASSIST THE THIEF!*** WHEN YOU LEARN THAT WHEN ONE CHOOSES TO DAMAGE ANOTHER—HE DAMAGES ***ALL***, WE MAY BECOME WORTHY OF TRUST FROM ***GOD***. BECAUSE OF THIS VERY ATTITUDE, THE WORLD IS ALL BUT LOST.

NATIONAL BUDGETS AND NASTY POLITICIANS

Again today you have a government in chaos—and WHO are the ones being hurt? Right: YOU-the-citizens. No politician goes without salary; no interest goes unpaid—only the direct SERVICES to you-the-citizens are shut down for “show and tell”. This time they didn’t DARE cut the welfare lest they be tarred, feathered, and railed out of Washington. What a bunch of silly children you citizens are considered to be. I guess since the game works, then you may well fit the assumption.

But don’t you see, citizens, that this budget “thing” and all these games and wars are coming at your most vulnerable time? Can’t you see the handwriting scratching across your walls and across the sky? The Elite control-mongers are not hurt through these little deeds—YOU ARE!

We are told that Washington D.C. is aquiver over the filings of the Ronn Jackson six with the U.S. Supreme Court. No, the filings didn’t even make it past the junior CLERK who sent it back with a very reasonable notation that the action was inappropriate as to “jurisdiction”. CONSTITUTIONALLY, THE CLERK IS CORRECT! Do you actually think the government thugs are STUPID? No, they are shrewd, cunning, and out to take the world and all justice from any judicial system. Complaints are made to me for suggesting that simply grammar errors are noted—WELL, THEY ARE NOTED AND “CRACKPOT” CLASSIFICATIONS ARE HANDED DOWN ABOUT THE ERROR-MAKERS. ***I HAVE NOT SAID IT IS “RIGHT”; I HAVE ONLY SAID IT IS SO.***

I can tell you right here and now that there is no one anywhere who more wishes that Mr. Jackson would get his job done—than myself. People are being hurt all over the map because of his failure of keeping one’s promises and words of commitment. If he could, however, do so—don’t we all think that he would—if for nothing more than “saving face”? We each look only at OUR PROBLEM and fail to realize that the problems of one are the PROBLEMS OF ALL. Further, as one deceives any one about another—the WHOLE is deceived.

IF I TELL YOU TRUTH, FRIEND, DOES THAT MAKE ME LESS YOUR FRIEND??? If your lamp is empty as go some of the tales of miracles and you FIND a jug of stored oil of which you knew nothing and you fill your lamp—is it less a “miracle” than to have lamps burning on NOTHING? Ah, take care in your answer—for one is a “mysterious miracle” while the other is a “mystical miracle” and will be a LIE conjured to look like an act of God in miracle-ism. I would remind you, however, even about the lamp: if you have no flame or wick—you have NO LIGHT!

You must come to KNOW that if you want light from a lamp you must have a container which is capable of holding fuel, a wick to draw the fuel and above all things, a flame to ignite the gas given off by the fuel from the wick! When any of these THINGS are not present—you have no LIGHT from THAT lamp! And THAT, dear ones, is simplified PHYSICS.

How many of YOU go forth and say, “God will provide” while you ignore all return to God? NO, what you mean is that “someone” will provide who has care enough to do so for my needs. So, you will find provisions, say, from a government will simply enslave you—while you assume God is on the trail of your wants—FOR NOTHING IN RETURN. Nope, doesn’t work that way—GOD RETURNS, WITH INTEREST, THAT WHICH YOU OFFER HIM IN INPUT. GOD recognizes your actions as reflections of YOUR INTENT. If you, for instance, have the most elaborate Christmas lights on your property, does it make you greater in Christmas TRUTH than the neighbor with few? No, it means you have more Christmas lights, nothing more and nothing less. Your personal REASONS for having more may well tell a great depth of information about YOU. And, if you have a lot because you enjoy it—IT IS WONDERFUL INDEED. Check out your reasons for doing what you do and you will gain great and wise understanding.

The same thing holds true with hopping about to visit those you never visit otherwise, simply because you are in or on Holiday. Perhaps they would as soon you not consider yourself so important as to consider you other than as a pain in the proverbial—extra bedroom. Friendship, visits, and visual beauty are to be shared EQUALLY—or the results are not what YOU might believe when only thinking of SELF. Is a drop-in guest as welcome when you are trying to get off to work or on your own visitation, as when you have nothing else PLANNED? Consider this for IT CERTAINLY DOES make a difference. Do you use visitation as an excuse or a handy reference and cheap overnight? Do you notice how many MORE family and friend visitors you get if you live next door to Disneyland versus out in the middle of a remote field where the wind blows incessantly?

Now, sit for a moment and consider your own actions. Do you DO THINGS because you think someone else will “think something” about your doing or not doing—or because you know that what you do is appropriate and worthy of YOUR time and attention? How about the accepting of commitments which later end up on someone else’s plate and you go do your own thing?? How many husbands invite guests and simply cause a wife to have to attend the visitors while the husband and invitor goes about HIS BUSINESS, when the wife has her own, now plus his, things to attend?

EVERY ACTION MUST BE CONSIDERED—EVERY ONE. How hard is it for you to simply say “No Thank You”? It is important to our mission that you answer this question—for our job is 24 hours a day, 365 days a year—without consideration of holidays or week-ends. Do you cause untold problems through your inability to accept this truth? Some have agreed to do no more than go visit everybody—my crew agreed to NOT DO THAT. Is this too much to ask or give—the answer is IMPORTANT. Do you do a thing because you REALLY WANT TO or just because it is ritual and tradition? This becomes even MORE important.

Ah, but you say, I must GO “SOMEWHERE” to meet a business colleague, a mate, a—you name it. Would it not be better to meet, especially a mate, doing what it is you DO? In that way you recognize mutual truth and interests and are not left to later find you HAVE NOTHING IN COMMON UPON

WHICH TO BUILD A BUSINESS OR LOVE RELATIONSHIP. Do you see that EACH INSTANCE AND/OR THING is received or given ACCORDING TO YOUR PERCEPTION?

Am I reprimanding or pinching toes? I hope not but the facts are that you are only the center of YOUR points of interest. When you demand to be the point of everyone else's point of interest—you err greatly. This action and perception becomes egotistical and ego-based demands upon others with their own ego-demands. Until you can assume RESPONSIBILITY and consideration at all times, of another's rights and focus—you aren't going to get on too well for the self-centeredness will soon bore and tire the OTHER. But now I ask you, if you do not receive balanced return from your input into another—how long can you function in proper blossom? Should you? Of course not for it destroys, ultimately, you, the other and all who must interface with you. Man likes to consider this a complicated state of affairs—no, it is as simple as the most basic ego, id growth or lack of it. Your inner KNOWING will tell you quite clearly exactly what you think about things. Whether or not you act on that knowing is your business, but you KNOW when a thing or relationship is not quite right for all inclusive. Love is blind? No, love can be most foolish in one's need to have another but the image is rarely factual in fundamental truth. Love is allowing and can, as with God, be ABSOLUTE—but it places more “conditions” upon SELF than all other emotions and activities. Usually the requirements then are shoved off onto another—to meet your own perceptions and needs. And through it all GOD ALLOWS you to blunder, hurt self and others, and never changes HIS “conditions” or HIS “absolute” giving in His LOVE.

Some will say in great self-wisdom that God created the adversary and that means that God also created Evil. So, this being so, what do you think YOU should do with Evil? I would suggest that you use it for the lessons you can learn and the growth which is presented through the correct and wise use of the circumstances which present evil actions into and within self and your circle of experience. You most certainly can be with an evil man without becoming the evil man. These are THE fundamental lessons of TRUTH IN JOURNEY. When you see error in your own actions against another it behooves you to get right rapidly with rectification of the error lest the one you injured move to return the favor for, when the actions include many, action must be taken and, if it be against YOU, so be it.

Now let us take up “confusion” for just a minute. You usually are NOT “confused”, actually, but rather you are failing to see FACTS while getting “opinions” from every Tom, Dick and Harry around you. YOU KNOW TRUTH and you KNOW WHAT IS RIGHT AND WRONG and a big TALK game is exactly that—a cop-out for extending the time of choosing for self and measuring the personal gains from either side. A “confusing” circumstance can only be “confused” if you fail to get answers even if you don't like the truth of the facts as presented in the answer. If a man's actions are WRONG—he has invited the JUDGEMENT upon himself for those actions. Unless YOU condone such dishonesty—why would you continue to defend and be the FOOL? GOD EXPECTS YOU TO STAND FORTH AS A PILLAR OF TRUTH—NOT A WISHY-WASHY FOOL OF THE CON-MAN'S GAME! And YES, it IS easy for the soul KNOWS TRUTH and will not abide long with the side of EVIL WRONG-DOERS. If you do not wish to be counted with the Devil's band then it is better to be away from within that BAND. This does not mean that you have to toss grenades at the Devil or his BAND but neither do you accuse your brother who has taken a righteous stand against the wrong-doer because you have no backbone. Ones, further, in responsible positions—have to make CHOICES and ACT ON THEM. YOU may well consider that YOU don't have to do so and so you drift. If so, you have made a serious error in your decision for you HAVE MADE A CHOICE, after all.

You will look back over your actions and, strangely, you will find that the times you acted in TRUTH, JUSTICE and LOVE are the outstanding moments of your life. When you take a stand for the rightness of an individual when others are putting him down unrighteously—you know within that you did the “right thing” and there is nothing which surpasses the “right thing” when you could have just done NOTHING and saved further confrontations. With each revelation you must be prepared, however, to confront whatever might come from the truth in presentation. Just as when the lamp is finally lighted in a dark room—the bugs and roaches run for the shadows but you know they are there and all the lying about it will not make it otherwise. In other words, readers and friends, YOU MUST BE PREPARED FOR THE SHINING OF THE LIGHT—for it reveals all the hidden places of the secret evils taking place in your physical expression but the very learning prepares you for beyond the physical when you will find that only TRUTH is acceptable.

In my opinion, about the worst deed of man is when he thieves, cheats or lies and then CASTS THE BLAME UPON ANOTHER! This is the lowest action of the base ego of human man. Pity the man who acts thusly and have compassion for those who must endure with him—until they wait too long and CHOOSE HIS WAYS AS THEIR OWN and then turn away from them as well for they have made their choice to the adversary and cover-up. I give little of either to such choices for God ALWAYS gives the alternative of TRUTH or, at the least, A RETURN TO TRUTH. If a man acts in error of informed knowledge, he can correct his course through informed learning. When he chooses to prolong or continue in the wrong path deliberately—he has chosen his consequences as well.

I believe that this is enough and if you choose to do so, we can devote part of our meeting today to this topic which, surely enough, does of its own volition become THE FOCUS of this particular holiday season. Right or Wrong stand alone as opposing emotions and actions and YOU must confront which you choose to accept or create.

May you always be willing to WALK and THINK in the LIGHT OF TRUTH—lest you be confused into a wrong passage.

Salu and blessings rest upon the beings of the righteous for the unrighteous must require their own confrontation and contradictions.

CHAPTER 3

REC #1 HATONN

MON., DEC. 18, 1995 8:02 A.M. YEAR 9, DAY 124

MON., DEC. 18, 1995

STICKING TO A SUBJECT

I don't stick to one sole subject because the SOUL is impacted by all the myriads of things happening within our UNIVERSE. Souls are housed in bodies—physical on Earth Shan and it would seem logical to me that we must answer questions about all things—not just one topic of interest.

The IDEA of Christmas and a worshipping of the idea of a Christ-child being born somewhere on the globe is wondrous indeed. The facts ARE that EVERY CHILD BORN *is a CHRIST-CHILD*. People, and the life they have, cause a decision or billions of decisions to DIRECT a child's pathway. It must be recognized that a LEADER of MEN must likewise be MAN. You have spiritual guidance but a leader must be one who can, from his own human experience, become the leader (teacher) of those of his own kind in their natural state of presentation or manifestation. For instance, a mouse will not usually be found leading a pack of cats—although a pack of cats may well be following the mice. Therefore, IF you are going to follow a HIGHER calling to soul truth and ideal life-freedom, you have to have, at the least, contact with ones who KNOW TRUTH.

In this recognition and for the masses to recognize which path leads to GOD, say, you must come to know their teachings and what it is they pursue or “follow” as guidelines. This holds true for the Baptist religion groups as it does for the Catholics of Rome or the Jews of Jerusalem. What is not easy to comprehend is the wide diversity of beliefs taught and mandated through doctrines which would, on the surface, teach the same thing. No, this is not so AT ALL.

“Christian”, as you can see from everything about you, has become an isolation of worship of a MAN called “Jesus”. He, this man in point, was not even named Jesus. His name was Emanuel (read that same *Bible* you hold aloft as your guide source). Does that make his label wrong? Yes. Paul (Saul of Tarsus—Jesus' enemy) named Emanuel, Jesus, in Greece after having left the Holy Lands. NO *BIBLE* EXISTED THEN AND NONE EXISTED IN COMPILED FORM UNTIL OVER 300 YEARS (3 CENTURIES) AFTER JESUS' LIFE-EXPRESSION IN MORTAL FORM. Then the “Gospels” were gathered from MANY written accounts and put into a volume called the *New Testament*. There is NOTHING of Jesus' or Emanuel's WRITINGS within the book for Jesus WROTE NOTHING. His was a teaching as are the Ancient's method of teaching—a handing down of stories and parables for and to others who scribed whatever was placed into the accounting scrolls and records. So, Oral Teachings can be set to print but only through the traditional speakings can the tales be remembered. The original receivers, to hold the tales in accuracy, had to form stories in their own minds which would allow them recall of facts, i.e., the Higher entities would be recalled as birds and the lower life forms as lesser animals or reptiles and fish—even insects. In this manner of picturing (visions) a story can be retained for eternity. This is now recog-

nized as being “the” Oral Tradition. It works UNTIL man comes along and literalizes the WORDS and fits his own definition to words which cause a term to no longer have original meaning. The more clever and shrewd of the “operators” of mind-warp can now lay claim to having changed every meaningful word on the globe.

It is assumed that I hate the beings who do not believe in God and/or Christed teachings. NO, I DO NOT. The concept of ANTI-Christ realizations thrust into a physical expression of MAN’s demands in attempt at CONTROL (not leadership) of other men, I loath and detest, but I do not hate. People who demand this kind of leadership and thrust the only ability to function into the way of enslavement, are against the Freedom and Wondrous Order of MAN’s inheritance—to be like God in his ability to grow, function AND CREATE.

We can look at Satan himself, call him what you wish for he, too, is an IDEAL IDEA of EVIL leadership. I do not hate such an ENTITY if he exists—I DEPLORE AND DESPISE THE EVIL WHICH IS CONJURED AND PERFORMED, IN ACTION, BY HIS SO-CALLED FOLLOWERS (hidden or openly). Negative aspects in any “name” are unsuitable both in concept and/or action. If someone steals it is not RIGHT for either a Christian or a Satanist—but is applauded openly by one believer and not by the other. The facts are it is CLAIMED to be deplored by BOTH only to find it quite suitable if the thief steals from someone ELSE and not you. There ARE MORE CROOKS at the pulpits of your Christian Churches than in any other leadership and thieving position (both mind and assets of human presentation) than all the other places put together.

You have even been sucked into believing that Judeo-Christian is some type of “theology” suitable to hovering under the same cloak of Zionism. No, it hovers there but is a usurpation of the Christ teachings by infiltration through MAN’S deliberate assumption of and written rules for domination and how to gain that domination for that physical aspect of mankind while pulling mankind into a trap of physical bondage. If that is what you want to do with your eternal soul, fine with me. God neither forces nor coerces—He allows. As a matter of FACT, you are not desired among our cosmic places UNTIL YOU LEARN THE DIFFERENCE AND *LIVE* THE DIFFERENCE.

Perhaps we are no different from anyone of human form moving about on your place. I can’t, say, stop a man like Rod Ence from taking that which is someone else’s property. However, when he takes that which is MINE, he has gone too far in my realm of allowances. I want the property back for the use for which it was acquired in the first place. If the money was intended for use by Joe Blow and it was taken for the SECRET AND HIDDEN purpose of anyone, including Rod Ence—it is wrong but I can’t help it. I CAN HELP IT if it is stolen from ME. Can you see the difference? Further, if it is stolen from anything working in my behalf—it is MY problem and, still, I will do nothing—BUT I CERTAINLY INSIST THAT THE ONES WHO ARE RESPONSIBLE—TAKE ACTION AND BRING THE THIEF TO TASK ABOUT IT. Don’t “I” care about that man’s soul? NO, that man made his choice and HIS SOUL IS HIS BUSINESS—not mine. He had access to every word of written and spoken teaching as have the ones from whom he thieved so it is ONLY his own choice at issue here, not the man himself—but his actions. He has had ample opportunity to speak for himself, make things RIGHT with all and he chooses to further push and damage, sell the very equipment in point and ship it away from its rightful location. He does it in shrouded darkness, houses it on public rights easements (literally called ABANDONMENT) and then utilizes others to help cover his deeds while calling the rightful owner—an Evil Cult. No, the nearest thing

to a “cult” person is the one calling the names for no one else functions or even so much as “thinks” as a “cult”, much the less, an occult cult.

If an entity’s intents and teachings are open and above reproach they enjoy all publicity and recitation. It is the deep dark aspects which are covered, hopefully by unlawful laws, in order to keep truth of intent from being known. I bring TRUTH and it is unfortunate that those who act in unlawful and evil ways have to face the people they deceive, for them, for if truth is known they will surely fall. Even in the compromised courts—they cannot prevail forever with their wrongful actions.

My intention in writing about any focus is to provide information and public display of what is already public—somewhere and in your own time of experience. Then, any reading party can make decisions for self regarding appropriate thoughts or actions. This requires that there is FREEDOM to present information for consideration, FREEDOM to receive and read the information from ALL RESOURCES, and FREEDOM to openly choose whatever. If man wishes to bury himself in occult ritualism and negative intent resulting in destruction to himself—SO BE IT! I am here to SAVE NOTHING. I am here so that you can CHOOSE IN KNOWLEDGE, your direction of journey and intent and purpose of expression. If you cannot have that FREEDOM to gain facts on either or both sides of an argument—how can you make informed decisions? You STATE one GOAL as being your intent while you live out actions in the direct opposite. You, nor anyone, can HAVE BOTH! You cannot walk in two opposing directions at the same moment! This is WHY you cannot have a “Judeo-Christian” religion which teaches GODLY GOODNESS. Why? Because one is the epitome of goodness and the other the epitome of wrongness. Judeo does not mean *Torah* or Creator Goodly God direction; it is TALMUDIC law OF MAN (Elders of the Zionist *Protocols*) and NEVER can the twain meet because they are total opposites in both meaning and presentation. So if a Christian becomes a Judeo-Christian—HE HAS JUST REVERSED HIS DIRECTION AS “CLAIMED”.

Is it alright for YOU to do that? OF COURSE! It is not alright with ME for ME to do it. I certainly will not interfere with your choices—but why do you feel compelled to interfere with MINE? IF BLACK IS BLACK—WHY TRY TO CONVINCE ME THAT IT IS WHITE? Your perceptions are none of my business but my OBLIGATION is to tell you what you seemingly do not know if you wish to hear. If not, get away from me and “leave me to my own chosen” direction—even if it be in ignorance. I offer—YOU TAKE OR RECEIVE. You offer argument in favor of evil actions being “unconditional love” and I will receive none of it. I offer the same privilege to you so why do you go forth and DEMAND to change all the other people’s mind to fit your opinions or perceptions??

Further, I expect ANY BUSINESS associated with my presence, seen or unseen to function in absolute correctness according to both the laws of God and of man. If YOU are uninformed it is no interest to me that you didn’t bother to learn TRUTH and FACTS and the very laws you try to later bend and break. You are shown tools to help you make it through in honor and with integrity. YOU BREAK THE LAWS—***YOU SHALL FACE THE CONSEQUENCES.***

You can sum it up in example, i.e., you go forth and demand that you not have to have a driver’s license (which I consider to be a legitimate thing for record keeping and causing drivers to, at the least, know on which side of the road to drive a lethal weapon) and get stopped, your vehicle taken and yourself put at great annoyance and expense. You CHOSE to exit the “system” YOURSELF, and now, you are in

trouble. What do YOU do then? You cry out and ask others to SUPPORT you and contribute to YOUR PLIGHT when they have done nothing to damage you. Why don't RICH men go for the gusto? Hopefully because they are too smart and use the system at the same time it is claimed to want to regain the system to primitive times. You cannot do without your driver's license if you use any FEDERAL (recognized) system—even a zip code or a Social Security check. You simply *"can't have one without the other..."* So, why not, with integrity of your own intent—change the system RIGHTFULLY? Why not? Because man must first change his MIND-SET and KNOW FACTUAL INFORMATION.

You have great self-appointed people going about denouncing the presidency and the Feds, et al. Fine, but they are all acting within the Constitutional Laws (as they have changed them to read). When this is accomplished all the bellowing in the world won't do anything! Neither, unfortunately, will setting selves up as a committee of one or six or twenty and writing your threats and thoughts to the very ones who have control over those laws. Right or Wrong—the application and announcements will be “tossed” along with you, out on your ear. If you are REALLY dangerous, you will be tossed quite helplessly AWAY!

If you have a leader who makes great threats and brags about abilities and capabilities—check it out. If the promises are NOT KEPT is this person better than any politician making broken promises and lying to you? No, you now have ding-bats on both sides of your belfry or turret (whichever suits the actions taking place).

Do you have my permission to follow “ding-bats”? YOU DON'T NEED MY PERMISSION TO DO ANYTHING EXCEPT USE ME.

Mr. Newby, for instance (Ronn Jackson's lackey), called to “cut you off our FAX network” and “information stream”. Oh? Well, only relief flowed for *CONTACT* has trouble keeping the Fax clear to receive from its resources, journalists and public access and can't afford the atrocious expenses of paper, on-line, and ink cartridges. If the information is so inferior as to be able to not stand inspection, so be it. Nothing will go forth in *CONTACT* without inspection and comment. Readers are then able to depend on information and make their own decisions without joining an army or something equally as dangerous.

Do I think Ronn Jackson's New Republic can work? NO! Not as structured for it is quite visibly **UNCONSTITUTIONAL** for actual structure as a REPUBLIC. Can't I help them structure it? NO! We are told to butt out of their business (which indicates it is not YOUR business, only THEIRS) and they want NO comment on what might be problems and take personally every statement which disagrees with their idea of how THEY WANT A REPUBLIC TO RUN—and it is a form of Dictatorship/Monarchical system with different names now presented, nothing more. If the writers of filed documents cannot stand inspection—then I shouldn't think a free nation would want their leadership. This is not to insult anyone or group—it is simply the way it shakes out of the shaker machine. How do you know it has no foundation? Because of the THREATS which accompany the information AND the promises BROKEN all along the way. HONEST MEN DO NOT INTENTIONALLY MAKE PROMISES THAT ARE NOT KEPT AND THEY CERTAINLY DO MAKE REASONABLE AND ACCURATE ACCOUNTING AS TO WHY THE PROMISES ARE NOT MET—ALL ALONG THE WAY. THE PROMISES DO NOT CONTINUE IN SUCH VISIBLE UNTRUTHS AS IS SHOWN FROM THE NEW REPUBLIC. And NO, I certainly DO NOT allow withdrawal of those commitments made and not yet presented. I would dearly like to see strength and new government by the people flow from THAT SOURCE—I simply have

not been shown that it can or would be BETTER than that which you have destroying you now.

If they THINK this is the correct way to form a government and overthrow the old—they err and are most certainly “thinking” from where Mr. Jackson’s and Grandma’s “sun don’t shine” for, even if every word and deed is correct—it is not RIGHT.

I have had friends INVEST in that project and THEY HAVE LOST GREATLY and no, I cannot suggest it be taken further. They may write anything they wish about US—but somehow, you know what, they took from us so what is their problem. Does this mean that we are good enough to “take from” but unworthy of making comments about their actions and materials which they try to keep in total secret? I TOLD THEM RIGHT OFF THAT THEY HAD SOME REAL SERIOUS DESTROYERS WORKING WITH THEM AND IT IS COMING FORTH TO BE EXACTLY THAT WAY. THESE LAND CLAIMS AND FARM CLAIMS ARE GOING TO PUT A LOT OF VERY GOOD PEOPLE INTO PRISON. Rightly so? NO, but nonetheless, SO. And so what happens? Back to you-the-people to gather around and send funds to defend the ignorant people who are under attack. The actions were NEVER to get you freedom or money back—it was to line the pockets of a few who I reckon as being quite self-centered and potentially dangerous. Right to do something doesn’t mean you can do it.

In exchange for the group in New Mexico and Nevada removing us from their exchange of information list, I suggest that *CONTACT* stop all information flow to them except as agreed upon and paid subscriptions. They obviously are our FIRST readers of any edition and ONLY read portions they can complain about so we can ease their pain by not further bothering them with our problems or perceptions. I am removing myself from the protector status but I DO NOT RELIEVE ANYONE OF RECOGNIZED PROMISES, CONTRACTS OR COMMITMENTS FOR PROJECT ASSISTANCE FUNDING. ONE THING HAS **NOTHING TO DO WITH THE OTHER**. COMMITMENTS ARE MADE BETWEEN US, ME, *CONTACT*, AND MULTITUDES OF INDUSTRIAL VENTURES. WE HAVE NO COMMITMENT TO ANYTHING OR ANYONE *ELSE*. WE HAVE KEPT OUR COMMITMENTS TO THAT PARTICULAR PARTY AND MR. NEWBY’S “KISS-OFF” MEANS **NOTHING TO US REGARDING ANYTHING!** I would wish that Rex would take a second look at his position. All are welcome to their choices but some are being more badly hurt than are some others in very earthly physical ways.

What do I believe? I believe that when and if he can do so, Ronn Jackson will meet his commitments and, until that is possible, he won’t. What is so difficult about that observation? He certainly does NOT have to believe anything regarding myself or any projects to which I might affiliate—agreements had to do with neither. I would expect the SAME from Chase Manhattan Bank or Joe Blow. I did not form a relationship with Mr. Jackson because he wanted to build a government—I accepted a proposal and public commitment of funding for projects OF MY CHOOSING. He SAID he could, he CAN, and yes, I certainly expect him to do so. I didn’t ask him to change his mind about anything, especially his SOUL or considered “Overworld”. I gave him PROOF of my presence and participation so he doesn’t even have the drawbacks or problems of accepting my presence OR INTENT. Neither do the ones who “handle” Mr. Jackson and when he gets “straight” with those guys, we can get on with our business. As long as he plays games for his own benefit and positioning—he isn’t going to get anywhere except deeper in the mire of both debt and failure. It simply is the way the ADVERSARY works. GOD BUILDS AND CREATES—THE ENEMY OF GOD TEARS DOWN, PULLS DOWN, AND DESTROYS!

Will more good patriots bite the dust over these actions taking place in such groups as the appointed self-styled government, supreme court and legislators? Yes. Will they turn to us to bail them out? Yes. Will we? NO. All I want is for Mr. Jackson to meet his commitments which were made to international audiences who depend on those promises to survive a time of great tribulation. Ours is not a need to build governments—ours is to BUILD life-sustaining industry. We have no intention of further sustaining proclaimed ENEMIES. Do what you will for those actions are your choices and since we assume Mr. Newby is the controller of the “New Republic” we have to assume as well that he speaks for all. I find that unfortunate because it epitomizes the problems in play. If indeed Mr. Jackson has 33 million “followers”, they don’t need the likes of us misfits. If, further, Mr. Jackson can’t get his team some funding from the brief-case of his lawyer who is carrying about (Mr. Jackson stated) millions of dollars in cash, then how can WE be expected to support, further, any cause. We have nothing so the expectation is lacking thoughtful wisdom. Jackson claims to have the ear(s) of the strongest group of men the world has ever KNOWN so it is most certainly HIS TURN TO PERFORM!

Does this mean I am nasty and hateful and hurtful? I hope not for a MAN is only as good as his word in action. We have “performed” our agreements, so is it wrong to expect the other party to perform his or theirs? Is not over two years of waiting patiently, and with considerable aid in the meanwhile, not long enough when we were told it would only be about three days to fruition of the agreements? I have NEVER been told otherwise than to expect FULL payment of agreements—right through last week! I am not being hard on Mr. Jackson or his friends and colleagues on the supreme court or legislature—I am personally assured by Mr. Jackson that he is meeting his obligations as we spoke and he continues to claim as much. Am I not to trust him? Why? If a man claims to have sound and truthful WORDS then who am I to discount that man’s promises? The promises made go into perpetuity and universal status, either kept in action or broken—who am I to judge another? I JUDGE no one but I do take “care” in observing actions.

I prefer to never be an opponent to anyone because I can be a pretty imposing opponent for I know exactly in whose service I remain—ONLY GOD’S! That requires no further explanation for it also means that I will only act within the laws of GOD and will always also work within the LAWS as presented by Man in Man’s place. I don’t need to break Man’s laws to accomplish BOTH. Mr. Jackson simply does not YET have his directions sorted correctly. I have time but I’m not so sure about that as to his status.

What about one such as Mr. Newby as you say, “Wasn’t he on your team?” No, he NEVER was on my team—he was on his OWN presumed team and became, I assume, Mr. Jackson’s team leader. Did I priorly KNOW Mr. Newby? Yes indeed, and he didn’t like my ideas much better then than now. I wish him well but no, I don’t support a lot of the things he has done or plans to do. It is fine; he is welcome to his journey and may he find peace and joy in that journey—but I witness neither thus far. I see a lot of pride in presentation of HIS and other’s opinions but inability to accept possibilities and, certainly, no counter-ideas. I object to the USE of any of my friends for any purposes. If ones discern that they wish to contribute to that or any other cause, please do so—but do not say any of us told you to do so.

Is my “opinion” damaging to Mr. Newby? My opinion goes out in *CONTACT*, it is claimed with great gnashing of teeth and flailing about of persons. *CONTACT* has less than some 1300 subscribers. Mr. Jackson claims 33 million. How could we possibly damage anyone? Over there with Mr. Jackson they act as if we run the world or something. No indeedy, if we did it would be greatly different than what you now find. We have NO WISH to RUN anything or ANYONE, but we WILL RESPOND TO ANY

AND ALL ONES—AS ACCURATELY AND SUCCINCTLY AS IS POSSIBLE IN ALL CIRCUMSTANCES. If that response is accepted as anything other than response—it is none of my or “our” business. They expect us to run their material in OUR PAPER without any comment—IT WON’T HAPPEN! They set themselves up for being labeled subversive and worse—we are not. We can run their material when and if there is available space—just like we do every other journalistic information but NEVER WITHOUT EDITORIAL CLARIFICATION AS TO BOTH SOURCE, OPINION AS TO PRESENTATION, AND NEVER TO GAIN SHUT-DOWN OF OUR INFORMATION FACILITY—**NEVER. IF THIS CAUSES ONES TO TURN AWAY AND RUN OFF IN A SNIT—FINE, FOR THE DISTANCING AT THEIR DEMAND CAN ONLY HELP US SURVIVE A BIT LONGER IN FREEDOM OF PRESENTATION. FURTHER, LET IT HERE BE KNOWN THAT IF OUR PRIOR INFORMATION IS TAINTED IN REPRINTING—WE SHALL NOT KEEP SILENT. WE HAVE NO INTENTION NOR DESIRE TO OVERTHROW ANYTHING, USURP ANY FREEDOMS OF CHOICE OR OTHERWISE—AND WE WILL NOT SIT STILL WHILE OUR WORK IS MISREPRESENTED—EVER!!**

NEITHER I NOR MY PEOPLE ARE HERE TO SUBVERT OR “SAVE” ANYTHING—WE ARE HERE ABOUT OUR “FATHER’S” BUSINESS—PERIOD!

Please hold these thoughts uppermost in your minds as we share and move along our individual and unified way for no MAN SHALL USURP THE TRUTH OF GOD—AND LIVE. This DOES NOT mean that I shall, nor shall any person I recognize as friend, hurt, damage or force any other entity any time, any way, anywhere. I do expect commitments to be satisfied, kept, and serviced. I hold respect for my enemies for I have no enemies—only opponents! You can have your dirtied and miserable world for your own destruction as you have destroyed it—IF THAT IS WHAT YOU CHOOSE. I stand by for those who wish it OTHERWISE!

I hope this offers UNDERSTANDING of position. Thank you and good morning.

CHAPTER 4

REC #1 HATONN

TUE., DEC. 19, 1995 7:40 A.M. YEAR 9, DAY 125

TUE., DEC. 19, 1995

NO—I ASK YOU?

As we walk through the storms of life WE change—not the order of the Universe. I think the most positive and wondrous expression of, let us example Ekkers, is how very little they have changed through all the trials and tribulations that could be thrown at them through these years since they first began their journey with Christed pathway into the “unknown”. Until 1987, they, like most of you, pondered the wish to “do something” but had no real direction.

I have marveled at a system which would so totally wipe-out the Christian principle of goodness and ministry. How is it that every evangelical minister/preacher can “speak for God” and “Christ”, but Ekkers cannot do so without being called “cult” and “con-men”? They asked for NOTHING, in exchange for EVERYTHING passing their way; they gave back far more than they received and yet, still, in a court of law the judges have ruled with the thieves and liars. Is it only they who are out of step somehow? No, it is the public intent to destroy the Christ concept.

Doris and EJ are both ordained ministers for over a decade and yet they do not even claim to hold church services in order to NOT represent a wrong or biased stance. For sharing they do not even ask *donations* to insure that no one think them to be paid entertainers of some kind.

Even the Jewish Rabbis present that they have word from God, and ministers all over the globe claim messages and inspiration from God and Christ—or Buddha or Mohammed or Muhammad. What is this? What is it that a tiny band of lawyers and thieves can have the ear of the Associated Press and all over the globe print lies about these two, while you who walk our pathway, hoping to bring some semblance of goodness and TRUTH into a world, are all labeled rip-offs (even with the “program” in question being claimed by the very parties who thieved). Well, this is life in its RAW form and it shows how very far a man will go to both cover his crime and keep his secret stolen prize. You are then discounted and punished for being responsible and bringing back the property to you who own it.

Then, the pain begins in reality as ones who share the thief’s corner claim that “your God is certainly not their God” while you try to set things to RIGHT. “No, surely not,” would be my most wise observation—HE certainly is NOT. Creator God has not changed; the Christed teacher is not changed—but the THIEF has lied, cheated and stolen and hides behind the “*assumption*” of “your God being something negative and dark to even question their trickery”. No, thank you, for I know that somewhere in the legal system are judges and jurors who understand and RECOGNIZE TRUTH.

Well, some of the culprits are confronting that wall of realization that their lies and thefts are not acceptable

and the court becomes the focus of total corruption, laughter, and the bench becomes the God of triteness and joke as they continue to rule with the lawyers who are in bed with the client who was the criminal in the first place. It is so that mankind was once basically GOOD and the laws were made for the “good guy” to win, at least occasionally. It seems long and hard and in no wise can two elderly people retrieve that which has been taken through these various methods of subterfuge—but when it’s ALL over, readers, TRUTH WILL PREVAIL.

GOD is not some buffoon for the USE of any group or party. GOD is that which is greater than the weakness of mankind, Creator of that which allows experience and the finest of expressions in art, music, and above all, thought. THIS is what our messages are about—GOD AND TRUTH WITHIN GOODNESS. Doris writes through what? Some might call it communications with Higher Beings; some call it inspiration; others call it example in print and always it represents TRUTH **with confirmation and backup of documentation, example and, again, always, TRUTH.** They, she and E.J., have continued to act in Truth in spite of the lies built and stored and ruled against them even though they never had opportunity to speak—after eight years there still has been no legal opportunity to speak or present a case, not even share this message of their own journey. Ah, but the Jewish lawyer who represents EVERYONE against them presents that which she writes which can be taken from context and is furnished to the court to somehow suggest she is an ANTI-SEMITIC or some other dastardly person. The point is that the Ekkers went to purchase their home as directed by the Savings and Loan and there was NO SALE—PERIOD. What difference does it make what Doris writes in a tiny, unrecognized paper? Does this mean that if George Washington wrote something and also tried to buy, as suggested, his home in which the prior owner was in foreclosure—that he is a dastardly person or a court manipulator simply because he struggles to retain the only thing in the world that he “HAD”? What is this? Surely it cannot be “justice”! Beyond all else that it MAY be—IT CANNOT BE JUSTICE.

What do we teach? Honor and integrity above all things in this experiencing world of social interchange, and truth in all intercourse and presentation. When did the “good guy” start losing every battle for even the most tiny things such as shelter, a bit of property for a farm or garden, and his very soul?

What exactly does this terrible grandmother write about? Ah, good question, for by definition God is thrust into the role of an extraterrestrial as are the Hosts and Angels—for surely they are afforded no place on your hard terra-firma. And yet the very essence of God is becoming “land-locked” as IS YOUR SOUL. We write TRUTH and it brings painful realization to all who read it for they KNOW it is truth and that, above all, is that which a politician must hide. Each and all are but political pawns on a stage waiting to be unseated in their own brush with untruth and social cult activities. Ah indeed, the American Bar Association is the biggest CULT outside the American Medical Association. This is a PRIVATE club that snags unsuspecting victims and makes them into mandatory cult members. Cult means “group”, so what is the big deal? Worse, however, is that the ABA, BY DEFINITION, is an occult cult by its very Secret Society of Silence, where a lawyer can take the vow of all vows, the Kol Nidre which MANDATES HE LIE and negate all vows before and after the “Jewish” Day of Atonement, and it is not only accepted but DEMANDED. What possible chance could simple people have in that kind of a knotted scene?

Do these people not believe in God? What they believe is none of my business, nor another’s. But they have sworn to uphold truth and right—IS THAT NOT ENOUGH? They vow an oath to protect and honor truth and goodness against the liars and thieves and false accusers. Therein is the sorrow in that it is

no longer JUSTICE which is offered but the rule of thumb becomes, through the lawyer tactics and antics, lies and false proclamations backed up by some judges to protect the guilty, that of putting down justice and claiming victory through lies and injustice. Law is no longer ruling because a thing is right or wrong but on the past indiscretions of other judges' opinions which become law. People, legislatures are for making laws—judges can only INTERPRET law so that JUSTICE can be always brought into being. But no, now a judge rules in a case and, whether right or wrong, THAT becomes the law and it is not right.

SEEKING THIS ELUSIVE GOD

It seems somehow that mankind goes forth in an incorrect assumption that somehow GOD needs you. It is not for God's benefit that you should seek God, readers—it is for your benefit!

No motivation to seek God? Well, it would seem to me that, in my humble opinion, that which is projected in prophecy by ALL the religions—and even the geologists—is that you are coming against hard times. This alone might well be motivation for your seeking of God and Truth. The dangers which are fast approaching are in the form of storms of tremendous size. Tremors will rock the Earth; volcanic eruptions will become common-place. Tidal waves will be of enormous size. The sky will stand still, or so it will appear. The stars will be moved about in the heavens, or so it will appear. The Sun will seem to “rise” from a new direction. No, it will because your own shift will cause this perception. The magnetic pole has already shifted and is continuing to wobble. This is physics, readers, not mystical rantings of an insane mind—this is PHYSICS.

Do ALL the judges and lawyers think this to be good and correct behavior, that justice is denied the “little person”? No, but if a thing interferes and takes “from them” they become “gods” and manipulate the game so that THEY do not lose. And yet, they can only WIN if they pursue justice else they have no soul joy upon which to base their own soul journey. No, the facts are that the lies presented, the out-of-context presentations, the outright conjured stories—allow a thing to continue until all are maimed or broken, crushed or cursed. So, the question in the Ekker case in point—is: WHO ALL IS INVOLVED IN THE SAVINGS AND LOAN SCAM GAME? IT SEEMS THAT, INVOLVED IN THE S&L, INVOLVED WITH EKKERS' PROPERTY, CAME THE FOLLOW-ON OF CLOSURE, RTC TAKEOVER, COMPLETE THEFT BY THE BIG BOYS OF THE PROPERTY AND THEN COVER-UP ON A MAJOR SCALE. THIS INVOLVEMENT INCLUDES SOME OF THE VERY ELITE LEGAL FIRMS AND SOME OF THE JUDGES. TRUTH MIGHT BE BAD FOR THEIR PAST BEHAVIORS AND ONGOING GAME. Therefore, would it not be better for THEM if they settled? Yes, but not for the cute little bunny-hopper attorney who recites the Kol Nidre every morning and represents one of HIS OWN CLIENTS to the DISADVANTAGE OF HIS OTHER ONE. So, everyone in opposition is in the same bed doing you-know-what to each other as partners in CRIME. The assumption is that as long as you produce false witnesses, overwhelm the court in piles and piles of files and paperwork—you can win 'em all. It appears that that is so. Mr. Horn, (opposition lawyer) is known to file a paper in triplicate, or more—with only slight changes on the top couple of pages so that a six-inch file becomes a foot-and-a-half of documents to be read by the judge. In addition, he will present them 20 minutes prior to court. Therefore, a case is NEVER heard as the clients all run out of funds, the fat cats are fatter and JUSTICE is totally forgotten—by everyone except the victims.

As to the happenings on the globe, it is not the end of the world but it IS the end of this era and of the world

AS YOU KNOW IT TO BE OR HAVE KNOWN IT TO BE. There will be new beginnings and new land—if you don't allow the “Big Boys” to blow away the globe itself—you have already TILTED it. The people who make it through this time will take a new stance and a new viewpoint. The world WILL become based, as a societal structuring, on more freedom and justice as it is realized that the systems of current presentations are accepted as being unjust and ineffectual for all but the few Elite and greedy controllers. Readers, the regeneration of land and of souls will happen WITH OR WITHOUT you. **The only way to prepare is in your heart and within your mind.** Physical expression, however, needs physical gear. We have no wish to FIGHT a system—we simply wish to do a bit of industry to fill some NEEDS and store a modicum of food for selves. We will offer anything that we have to any who share for good business MUST BE THE BASIS of civilization's survival. Is this EVIL teaching? Does this presentation actually seem Satanic or Christian as you might expect to find a teacher or guide? There is NOTHING else in our books or paper! This IS OUR BELIEF AND STRUGGLE. All else is presentation of that which is historically documented. We never waiver from this stance—never. We ask a return to FREEDOM FOR ALL based on fairness and goodness—is that not that upon which was claimed for your nation as a WHOLE in the beginning? We do not become evil because the evil pronounce themselves “good” and us “evil”. THE COURT JUDGES MUST BEGIN TO SEE BEYOND THE LIES OF THE PRATTING LAWYERS FOR IT REQUIRES THAT ALL CITIZENS SEE THAT THE JUDGES ARE NOT ALL FOOLS AND IDIOTS—BUT PAWNS OF THE LAWYERS' ANTICS.

BACK TO LIFE IN GENERAL

The seeking of truth and knowledge from the ONE GOD is your only HOPE. There is hope everywhere. All it takes to acquire this hope is to listen and SEE. By prayer seek the Love and Hope which are found in God by whatever reverent title you might affix. The wish is NOT to alarm you unduly, but I wish to inform you of that which is recognized as will be. The ALARM is ringing NOW. Will YOU shut it off and dream longer while your house burns with you in it or will you awaken, leave your cot and move outside where life can be sustained?

Why do the politicians call upon God in public and pronounce that they will do all manner of GOOD THINGS? Because they KNOW it sells! To YOU it sells for this is that which mankind is crazed to regain. But THEY DON'T PRODUCE what is promised—DO THEY? They promise and lie and you laugh and are only slightly annoyed with your, “Well, we knew they wouldn't do it anyway.” So be it for while your attitude is of this restricted limitation—why SHOULD the one in gain stop his game?

Friends, this is the only message ever brought by the Godly teachers and messengers. Simply this: That you be able to glimpse of how it is so that you can recognize the need for reclaiming what you KNOW is TRUTH. All teachers come and share stories and parables so that you might understand the nature of the SPIRITUAL realm in which YOU CAN exist even in the human physical form.

All the discussions and arguments over interpretations of this *Bible* or that *Bible* are futile, silly and absurd. There is right and there is wrong and each individual person is born with that knowledge within. That which you hide in your secret actions and places is usually WRONG. Ponder it, for that which is projected in goodness in the LIGHT OF DAY FOR ALL TO KNOW IS THAT OF WHICH YOU ARE PROUD AND WANT OTHERS TO SEE AND KNOW.

There is only one way to find the One God for HE is the projection of SOUL within each of us which will one day be again ONE WITH that wondrous whole of Creator. Therefore, you must find Him within—through that heart perception and through your mind attached to that soul in perfect affiliation. This GOD CREATOR is not Man nor Woman to quarrel about. “He” is a simple language use of term referring to “species”.

God will not barge into your space. He requires that there be an invitation to return to communication and communion which you and He HAD IN THE BEGINNING. IF YOU HAD SOUL—YOU COMMUNED WITH GOD! All God asks is your sincerity and desire of connections for He forces not. You are offered freedom of will in all things—and HE “allows” you to express in goodness or wrongness. God is not of force nor of coercion—He is absolute in love and allowance, forgiveness and redemption. He has ALL MANNERS OF CONDITIONS upon His participation—and they are only a tiny few and ALL of them boil down to truth, honor, integrity and LOVE.

GOD does not ask “worship”; GOD abhors “worship”—HE **COMMANDS** RESPECT AND REVERENCE.

These words are for all people, all nations, and ALL RELIGIONS. What we write and present from this station is a global warning and not simply a national or a religious matter. You have lost your way as a civilization and you are about to self-destruct. You have manufactured technology and ability to manipulate everything from weather to life-forms. The problem is that these manufactured life-forms can grow to destroy all LIFE-FORMS. EVERY person will be affected by the coming events. The predictions of events are of such a magnitude as to be unbelievable. Not one solitary person on Earth will remain unaffected by the coming changes. This is fact whether you are judge, lawyer, preacher, teacher, adult, child, juror or simple gutter-snipe. You, further, will be totally manipulated and controlled even in your living within society as corruption collapses your system of daily living. The changes of natural happenings will be great and already are of unheard of proportions.

You must look beneath and beyond that which is shown to you from controlled sources and you must look globally to be able to see the pattern of events. Recognition of strange things happening is now showing daily the permutation and shifts into negative and painful damage and insults upon the being.

You are now reaching a point of being unable to avoid these messages and even your government and politicians will have to recognize the truth FOR THE PEOPLE WILL COME TO DEMAND ANSWERS. Happenings will become so large that censorship will not be able to hide TRUTH. The culprits will uncover themselves so would it not be better to come back to JUSTICE in practice and TRUTH in honor NOW than wait until the people RISE UP AGAINST YOU FOR YOUR WRONGDOING?

GOD IS ALL LOVE. You and every being in the universe are surrounded in His Great Love. The love of which I speak now is so wonderful and so unwavering that you cannot imagine how great it is. There is NO PRICE on that love for it is Absolute. However, God places “conditions” upon your actions and your own mental attitudes in order to commune in wonder and beauty in the truth, LIGHT, and association of HIS peace and dwelling place.

I would also leave a thought with you regarding your assumption of goodness about self. You are not very

good if you are not better than your best friends imagine you to be. Think about this very carefully. How does your best friend **ACTUALLY** perceive you to be? Do you radiate goodness or deviant behavior? Are you open in goodness or shrewd in hiding truth? Do you always do unto others as **YOU DESIRE AND DEMAND THEY SERVE UNTO YOU**? Do **YOU** steal, even a tiny portion, from even your so-called **FRIEND**? **FRIENDSHIP** in truth is the greatest relationship of **ALL RELATIONSHIPS**. Do you honor it entirely or are you simply unworthy of being called “friend” as you act as a thief and user? What possible crime against a friend can be justified or found worthy of even excuses? Then, after the act of injustice do you turn about and blame the other for your misdeeds? This is sorely against goodness and justice. When you wrong a friend—you **WRONG GOD** and those wrongs fester in the heart and soul until the being is lost in torment. Can you not make error and then confront in truth that error or lapse of justice and reason? How often do you place a bad light on those you once called friend, guide, teacher or leader? If you even think it in the heart in full intent—you have committed the wrong unto **GOD**. What **WILL** you sacrifice of eternal peace and joy for a moment of perceived “treasure” for self in a fleeting fantasy? The moment the “crime” is committed there can no longer be any peace, joy or truth in your existence until it is set to correction. Worse for the ego in point—there is never again trust, reverence **OR RESPECT** from those who trusted you, loved you, and called you Mother/Father, Sister/Brother, or even within a business coalition. When you err and then proceed to cover, hide and falsely accuse another for your misdeeds and worsen the action—you have nailed the lid upon your coffin of trust for never again can a fellow-man trust you with even his most tiny thing.

I have but **ONE** truth, **ONE** message. It cannot be restricted to **ONE** man, one teacher or one “religion” for religion is the most **BINDING** of all shackles, thanks to man’s doctrines and dogmas.

The longer we experience in seeming passage of “time”, the more wonder and joy increases when you see the power of the words of **TRUTH** from the great teachers and masters, and the one you called Christed spoke and said, “I have called you friends.” These words mean trust, love, joy, truth and honor by their very speaking and meaning. They move the human heart and warm the soul. That one word “friend” breaks down each barrier of reserve and we have goodness in **HIS** presence. It can also greatly and **TOTALLY DECEIVE** if offered in insincerity or within a lie.

GOD NEVER BETRAYS, HOWEVER, SO OUR HEARTS CAN REACH OUT AND MOVE OUT IN LOVE TO MEET HIS LOVE. IF ALL WE PERCEIVE FAILS OUR EXPECTATIONS—HIS FRIENDSHIP AND LOVE SHALL NEVER LOSE A BREATH OF TOTAL REALITY. Perhaps you might study your goals and consider the **HIGHEST GOAL** you can achieve and consider that **ALL ELSE** leads to **THAT HIGHEST GOAL**. You will find that your recognition of failure or success, loss or gain as perceived in any circumstance, has **ONLY PASSING MEANING**.

And, beloved readers, when all is said and done—**CREATOR WINS THE ULTIMATE VICTORY**. Why? Because **HE IS** Creator. All else is but passing experience and illusion built only by the **PERCEPTIONS** of conscious physical expression which, at best, is only a passing experience of **MEMORY**. Will your memories bring great **JOY** as they are brought again before you for judgement of actions and destination of soul self? I wonder! I can promise you **THIS: They will be there to confront you in total detail.**

When you, also, are brought before the court of law in controversial position, when **TRUTH** and goodness

are the very foundation and presentation of your “position”, you have nothing to fear for no matter what the “verdict” you will have KNOWN TRUTH AND FACT AS DOES GOD OF LIGHT and in that knowing can you find joy—and all the rest is but passing recognition of your own stance of TRUTH. Moreover, you will see and understand why and how “it had to be as it is” for no other way could the lessons be learned, the messages have meaning, OR light shown upon that which happens behind and beneath the visible stage as well as the SORTING of those whose base intent is ego-centered upon self and getting away with something false or belonging to another. But, you see, readers, EVERYTHING belongs to CREATOR GOD and thus when you steal from even the self—you ARE STEALING FROM GOD—and in that realization you CAN NEVER FREE SELF IN THE NOW, NOR IN THE ETERNAL.

There IS an “ETERNAL life for soul” so whether or not you wish to “believe” it has no bearing on the factual truth of the actuality of that reality.

Your physical journey in ability to choose and act is THE basis of that placement of expressing SOUL throughout the universal infinity of beingness. Where would you rate self on a scale of one to ten in “righteousness”? Then where would you place yourself in a “heavenly” location in GOD’s kingdom of reality? Would you want to sit way back on the back row so HE doesn’t notice your presence or will you be on the front row asking Him to trust and accept you for His most priceless and hazardous duty?

Do you TRUST GOD enough to live honorably and within RIGHT? Are you willing to LIVE for Truth and God or are you just willing to claim willingness to die for some “cause”? Intent tells all and God sees INTENT. Actions but prove intent and most often that course of action is not seen by mankind. However, the outer actions WILL REFLECT that which you ARE no matter how it be hidden from another’s eyes or knowledge. The actions and intentions of actions are burned forever into the soul of the being and thus upon the heart of God.

You can build your world WITHOUT the open recognition of GOD OF LIGHTED TRUTH/CREATOR but you only LIE to self and to all others you touch. You can claim that “you thought” about God and “that this or that is OK with YOUR God” but that too is a lie lest you would not COVER OR HIDE YOUR ACTIONS AND YOU WOULD NOT PROTEST SO LOUDLY IN YOUR EFFORTS TO FORCE YOUR OPINIONS OFF ONTO OTHERS.

GOD IS AND ALL THE DRUTHERS IN YOUR PERCEPTION WILL NOT CHANGE ONE IOTA, ONE ATOM, ONE ION OF THAT TRUTH. May you be given to actually walk within God’s Love for within that LOVE you are safe, secure, and will not stray from the pathway for once to really KNOW God is to LIVE God. To PRETEND TO KNOW GOD is a silly and bogus game of hide and seek which destroys, ultimately, SELF. You can BLAME every other being or circumstance for your downfall—but the truth will always prove it to be of your OWN DOING. You can continue into infinity to blame the revealer of truth about YOUR LIE but it will only further reflect your ill-deeds and bring greater focus and dishonor upon you as you remain in THAT LIE and conjure MORE LIES to cover self. You will then BECOME THE LIE and it will be your own responsibility for there is nothing worse than to become YOUR OWN LIE—for awakening is not worth the time you spend to conjure more shackles upon self. If you become “victims” of another’s lies, you can choose to get out of the lie and support TRUTH or you can remain within it—all choices are up to you. The ones CAUGHT WITHIN TRUTH WILL ALWAYS BE WITHIN TRUTH—NO MATTER WHAT THE CIRCUMSTANCES.

I feel need to restate something that I believe to be great wisdom: *To be dishonest is self-destruction*—for the lies will surely one day rise up to destroy for the TRUTH will surely “out”.

In a case such as Dharma faces over a period of many years which seems to have only grown in problems and lies—there is also the reverse of that coin: there have been eight years now for TRUTH to be PROVEN IN ACTION AND VISIBLE INTENT. Would unworthy people not run and hide? Would Dharma, if she be so blatantly evil as claimed, stay and write now over 160 volumes and continue, even at loss to self, to defend the property of others as well from those who thieved and ran and lied and cheated? TRUTH FACES RESPONSIBILITY; IT DOES NOT TAKE MORE AND MORE—AND RUN WHILE DUMPING THE LOAD ONTO OTHERS FOR LOSS.

Will not TRUTH in these instances prevail regardless of that which the perpetrators of the criminal actions might thrust upon the waves of expression OR what the courts might pronounce from amidst the fourteen boxes of files and cases? TRUTH to bring focus and honor MUST PREVAIL FROM BENEATH ANY LIE WHICH CAN BE THRUST AGAINST IT—AND THE PEOPLE WHO BEAR THAT TRUTH MUST SUSTAIN AGAINST THE BARRAGE SO THAT IT BE KNOWN.

TRUTH stands totally valid and alone and in those many boxes. The PROOF of the lies will rise to destroy the liars—sooner or later. “Time” itself has now been long enough to trap the liars in their own traps. Truth has not changed one iota; the lies have compounded and it is all there in the myriad of files and cases for each has truth and each has lies—and the lies will surface in all their myriad tales while truth retains its dignity, and always repeats itself in quality and accuracy.

George Green has just been pronounced a “discredited” party in the Supreme Court of Nevada—that means that every court in the world will have to look at his DISCREDITING OF HIMSELF THROUGH HIS OWN CONTRADICTORY LIES—AND ANY OTHER LAWYER OR JUDGE WHO LISTENS TO HIS TESTIMONY WILL HAVE TO ALSO DISCREDIT HIM. Have a good day, precious FRIENDS, and use well the ammunition GOD affords us for, in asking HIS infinite wisdom and accepting HIS WAY, you SHALL eventually PREVAIL for TRUTH PREVAILS WHEN THE GARBAGE IS PEELED AWAY.

I believe that the most wondrous help to you nice people within the side and cause of TRUTH will be if the opposition is foolish enough to use this man as their basis of proof of their case against you. He has lied in EVERY court where he has presented himself and has caused his LAWYERS to support his lies and lie themselves—BEFORE THE HIGHEST BENCHES IN YOUR STATE(s). He lied to the Federal Bankruptcy court as did his lawyer, Horton. George Abbott has not only lied but has stolen from his own client. He has lied and damaged the very people he sucked into this LIE. And, furthermore, enough time and actions have come about to allow pronouncement of TRUTH upon the actions of all. Through it all, beloved ones, it was INDIVIDUAL CHOICES. When will you blessed ones stop feeling sorrow at the consequences which come against the thieves, cheats and liars? Until you can rejoice in the overcoming of evil intent and actions—you shall never allow GOD HIS GLORY. This is truly at its highest level of confrontation—a struggle of GOOD and EVIL. Your world is steeped in evil which is simply the pulling away in intent and focus of that which is Godly in GOODNESS, no more and no less. This is simplicity in action and perception—a thing is either good or wrong and each action is a choice of individual option. Weep if you must for the loss of the being who does his evil and especially is caught in the lies. But I ask

you to consider WHY?? Should you not rejoice and revel in GOODNESS PREVAILING? WHY DO YOU PUT DOWN GOD? Why would you waste a moment or a tear on a wicked, robotic and evil person? This is a prime time for allowing the “dead” to bury “the dead” and rejoice in the TRUTH in LIFE! BE GLAD IN THE DAY WHEN TRUTH PREVAILS AND ALL TURN EVER AWAY FROM THE EVIL CAUSE OR BEING. “Forgiveness” has no consideration in such confrontation—for FORGIVENESS is not in question one way or another. Better to forgive self for any failures at standing responsibly always in truth and information than to give either pity or compassion—for the wicked caught in their own dirty tricks.

Look to the ones who would testify on the side of truth and then perceive the ones the liars have available. Check it out and I believe the facts will show themselves—in the favor of truth, honor and integrity. When the LIGHT OF TRUTH is shown full-blast upon the evil pretenders they will melt within the glorious ray revealing the lies. Have we, in truth, not patience enough to await the unfolding? Do we trust so little in our God Truth as to expect failure? Evil shall not, in the ending, prevail—truth shall!

Thank you for attending this message and may it be well used and perhaps even within the **circles of law** wherein the lies about our writings are sprinkled about so UNWISELY. They have allowed us some 150 additional volumes to support our truth and intent and that was terribly foolish of them for now you have 160 journals and thousands of hours of tapes to PROVE your INTEGRITY, INTENT AND CASE!

I ask that someone please set the Supreme Court hearing of Green’s/Horton’s to print so that it can be entered as documentation into all records. The verdict makes no difference here for the only result at any reckoning would be an OPEN HEARING BEFORE A JURY! And should that happen, the opposition WILL RUE THE DAY HE WAS BORN for they will destroy THEMSELVES along with the judges who originally ruled with them. The PEOPLE are fed up and “mad as hell” and they don’t plan to take it very much longer and that is none of our doing. We ask and teach nothing more than what is offered above and in that recognition God shall guide and protect us.

Good morning and thank you for sharing a while with us as we walk along this journey. Salu.

CHAPTER 5

REC #1 HATONN

WED., DEC. 20, 1995 7:11 A.M. YEAR 9, DAY 126

WED., DEC. 20, 1995

IMMINENT HAPPENINGS

Years seem to slip by unnoticed and perhaps you can begin to see why “imminent” has certainly come to be recognized here as by the word’s second definition, “forthcoming”.

We have our laugh for the day when the question comes up around these parts and I am asked “when” something is going to happen. If I tell you, then it doesn’t happen and you are off on another doubt snit. “Imminent” to us, out away from and disattached from land mass (yours), only recognizes the next sequence of events for we have no restrictions as to “time” continuum.

‘TIME’ IN PHYSICAL EXPRESSION

“TIME” is the one most manipulative of the “Dark Side” brain-train and mind-warp tools known and utilized. If you can cause a person to lose his sense of time—you have brought the person into total control for he has no way or relative “thing” against which to balance himself. The facts are such that, if you are busy and productive, the hours, days and years move by so quickly that you only have holidays and “events” by which to realize that “time” is passing. Coincidences become remarkable in this world of ordinary things and cause you to look back to something that happened before and find that your first encounter might well be counted in years past.

Example? In 1990 two books arrived on our desk-top FROM PARIS, FRANCE. They did not come on the same day but within mere days of each other as is recalled. The sender offered both from “over-there”. Both are tremendously IMPORTANT books. One is entitled *White Book, Vol. I, Aleksei Romanoff* and the other *DAN, A Man Without Youth*, by Dan Roman. Both are so extremely important in documentation of events and places that I am compelled to mention them again to you. I am asked by the Author and Publisher of *DAN* to please review the book in the paper. I will be most happy to do that again for it has been since 1990 that we wrote about this man and his story. You cannot hide in the U.S. or anywhere else for there is no where to run and no place to hide and it now becomes your problem if a problem exists anywhere.

Dan Roman was a freedom fighter in the Romanian mountains and was sentenced to several punishments by the Communist regime, including a death penalty. He served almost two decades in various prisons and forced labor camps in Romania. Now, readers, please do not overlook for one moment WHO WERE THE COMMUNISTS! Don’t just tell me they were Russians for that is NOT so. Hardly any of the “Communists” were actually Russian. They became the Soviet Union—not the Russians. Even the USSR was referred to as Soviet Russia. Did it fall? Actually? No, it was simply time to move on and the U.S.

was, is and has been taken by the SAME people as headed the Soviet Communist take-over in 1917.

Dan escaped from Romania after failing several times. He finally made it through the strings of wire, mine fields, and guard dogs and swam the Danube River with a border guard's slug in his leg. Dan Roman is a Doctor of Science in civil engineering, an active member of the New York Academy of Sciences, the National Society of Professional Engineers, the American Society of Civil Engineers, and other scientific and technical associations and societies. He is a leader in the National-Peasant Party, the largest Romanian Party before the Bolshevik occupation.

He now resides in the United States, pursuing his goal of informing *the Western population about Communism*. Perhaps Mr. Martin or Dr. Young can "locate" this man and gain a personal interview. I can assure all of you that it will remain in your minds FOREVER, perhaps as a nightmare of reality. The book itself is exceptional in presentation, speaking of love, the Freedom Fighters' Struggle, the 200,000 imported hangmen, genocide, unexpected occurrences, terror, anti-Christian hatred, fascinating fellowship, the Hidden Hand and the Christian Holocaust, just to name a few topics. And, you need to look at that last TOPIC very, very carefully—for you are next and in "Imminent" danger.

Yesterday when the book came it was, this time, from the SONS OF LIBERTY BOOKS, **P.O. Box 449, Arabi, LA 70032**, asking a review. I don't want to wait to "review" the book as we did so in 1990 and it would help greatly if our staff can dig it out of the pre-indexed files. However, I need no review to recommend this book for the top of your "get" list.

The regular price of this book (hard bound, over 400 pages) is \$20.00—BUT—if you readers will mention CONTACT you will receive it for \$10.00 post paid. Yes indeed this book is THAT important! I place this book, in line of importance, right up there with Cathy O'Brien's tale of two minds.

It is rather interesting to note that the *White Book* is a volume from which we have offered much in the past as we have spoken of the regime and murder (or the pretense of same) of the Romanoffs. Certainly Aleksei lived to write about the taking of a WORLD. This time, instead of from Paris, France one book came from Iowa and the other from Louisiana, U.S.A. so, readers, word CAN get around without international press (papers) and/or media coverage—IF WE DILIGENTLY SEE TO IT. THE PLANS ARE THE SAME FOR THE WORLD AS LAID FORTH IN THE WRITINGS OF ONES WHO KNOW! ONLY LOCATIONS ARE IN DIFFERENCE, RIGHT DOWN TO POLITICAL CONCENTRATION CAMPS. These camps, if you are a reader, you know, are scattered now, all over the U.S.A., Canada and Mexico. They have long been in use in other places in the "New" World.

In the mail we also get a bunch of personal inquiries each day and as we move along through the holiday season I will try to spend a day or so in responding to those inquiries as they are surely worthy of more than "noting". I am especially focused on a person who questions, greatly, happenings at Vandenberg A.F.B.

I have to remind him, and all of you, that it is NOT SIMPLE to just whisk you away to Cydonia or Mars and have you live long on Earth to tell about it. I feel very close to this person and would remind him that the reason he is so INTERESTED in these particular places is THAT HE HAS ALREADY BEEN THERE! I do find humor in our connections, however, for he is reticent about our even mentioning his name—for security reasons, but on the second page he proclaims that if we would allow these quick travels he would

inform the world. No, we need LIVE bodies, not a bunch of dead ones. GOD PROCLAIMED THAT PATIENCE IS A VIRTUE—and one which almost ALL OF US—LACK.

In the meanwhile and in our impatience, we must LEARN, LEARN, and LEARN—all we can. Let us offer some more “articles” as presented by Calvin Buehrer about the One World Church Order.

You may well wonder why there is so much “reprinted” material in these writings, well, it is because we are listed as Hate-Mongers, Domestic Terrorists and Bigoted Anti-Semites otherwise. If we offer you information from the Jewish journals, papers and magazines—the label CANNOT apply, readers. You don’t need “revelation”, you need confirmation. If, for instance, we speak of *TIME*’s presentation regarding Rabbi Schneerson being the next Messiah—we are simply passing on the word. I have no pick with any race or color of person and I don’t want to allow my “creed” to interfere with good JOURNALISM.

ONE WORLD CHURCH ORDER, PART 3

by Calvin A. Buehrer

[QUOTING:]

EXPECTING THE MESSIAH

An ultra-Orthodox sect says the Redeemer is due to arrive any day now—and he might be an American.

TIME, March 23, 1992. By **Lisa Beyer** Kfar Habad.

Israeli Jews like to tell an old fable of a Russian Jew who goes to his rabbi in search of a job. The rabbi instructs the man to stand at the village gate each morning and wait there to greet the Messiah when he comes. For this, the rabbi offers the man a ruble a month. “The pay is so low,” the man complains. “Yes,” says the rabbi, “but the job security is excellent.”

That mythological gatekeeper would be scanning the want ads today, according to a group of ultra-Orthodox Jews. Israeli members of the large and powerful Hasidic movement Habad are convinced that at any moment [**H: Undoubtedly, “imminently”.**], the Redeemer will arrive in Jerusalem. In a burst of fervor, they have erected yellow billboards across Israel, instructing passersby to PREPARE FOR THE COMING OF THE MESSIAH. Bumper stickers carry the same message, as do electrified signs atop Habad cars. A full-page ad announcing “The Time for Your Redemption Has Arrived” has run in the *New York Times*, and Habad speakers have been crisscrossing the U.S. to deliver their message. And who might the Messiah be? Easy, say Israel’s Habadniks: their leader Rabbi Menachem Mendel Schneerson, 89, of Brooklyn, N.Y. [**H: Well, readers, I guess Jesus is “out”, along with Buddha, Muhammad, etc.**]

Utter blasphemy is what many other religious Jews say. Critics of Habad, which is also known as the Lubavitch movement, after the Belarussian village of its founding, are both angry and worried. Eliezer Schach, one of Israel’s leading ultra-Orthodox rabbis, has publicly called Schneerson “insane”, and “infidel” and “a false Messiah”. The local papers carried Schach’s outrageous charge that Schneerson’s

followers are “eaters of *trayf*”, food such as pork that is forbidden to Jews. Other detractors fret that Habad’s Messianic passion will provoke a schism in Judaism or lead to mass disillusionment, driving believers from the fold. Says philosopher Rabbi David Hartman: “The outpouring of Messianic fervor is always a very disturbing development.” **[H: Ah, but notice something: These are not called “anti-Semitic” OR “cult”. But by pure DEFINITION they ARE BOTH. How so? They are “traditional” Hebrew lineage followers—and NOT KHAZARIAN ZIONISTS WHO CALL THEMSELVES “JEWS” BUT ARE NOT!]**

Within Habad, a well-financed organization with 30,000 followers in Brooklyn and at least 100,000 worldwide, the expectation of the Messiah’s coming has been building since Schneerson in the past few years began exhorting his disciples more and more to actively prepare for the day. The crumbling of the Iron Curtain and the Soviet Union’s demise, explains Habad spokesman Rabbi Yehuda Krinsky, “lead one to think that these extraordinary, shattering events are a precursor to something even more cataclysmic.”

Anticipation sharpened after the gulf war, whose impact on Israel Schneerson supposedly predicted. Before the fighting began, the Lubavitcher rebbe, or spiritual leader, declared that Israel would be the “safest place in the world”. Actually, 74 Israelis died, all but six of them from heart problems caused by the terror of 39 Iraqi Scud-missile attacks. Still, the loss of so few lives seemed to many Lubavitchers the result of divine Providence.

Last month the rebbe gave permission to one of his flock to begin building a house for him in Kfar Habad, the movement’s village in Israel. Schneerson has never set foot in the Jewish state, and his followers believe he will do so only at the moment of Redemption. The ground breaking was seen as a sign that the time is near. “The Messiah will come any day,” declared Moshe Kruger, standing on the plot for Schneerson’s house.

It is not an official tenet of Habad’s belief that Schneerson is the Messiah, but many of his followers say outright that he is, and some have petitioned him to “reveal” himself. The rebbe has on a few occasions denied that he is the Redeemer but has done little to discourage speculation.

Two weeks ago, Schneerson received a vote of confidence from renowned Talmudic scholar Rabbi Adin Steinsaltz. Though a Lubavitcher himself, Steinsaltz has a reputation for sober erudition, so it caused a small stir among the non-Habad Orthodox when he said Schneerson was “the most likely person on the scene now” to become the Messiah.

Steinsaltz, who points out that Messianic expectation is a fundamental tenet of the Jewish faith, believes that each generation produces a candidate and that ordinary people can speed his coming by creating an atmosphere for Redemption. Other scholars reject Habad’s active campaigning for the event. Followers of Rabbi Schach, a longtime rival of Schneerson’s, believe the arrival of the Messiah is God’s business, not man’s. “When he comes, he comes,” says Avaraham Ravitz, a member of the Knesset. “It’s crazy to force the Messiah to come by selling him like Coca-Cola, with jingles and stickers and billboards.”

Habad’s critics also say the group may be creating the conditions for large-scale spiritual disillusionment. “If you convince people that the Messiah is coming and he doesn’t,” says Ammon Levy, author of

a book on the ultra-Orthodox, “a whole generation may lose its faith.”

Concern that Schneerson might disappoint his devotees was heightened earlier this month when the rebbe suffered a mild stroke. But even the leader’s death would not disprove his Messianic potential, argues Steinsaltz, who believes the Redeemer will be mortal, someone who will eventually die and have successors. In the meantime, the rebbe’s adherents are praying he will recover in time to bring a happy denouement to the drama they have been so eagerly anticipating. (Reporting by Hannah Bloch/Brooklyn).

[END OF QUOTING]

And then, from the January 8, 1993, *Chicago Jewish Star*:

[QUOTING:]

A MESSAGE HEARD,
BUT NOT VERY WELL UNDERSTOOD

by Douglas Davis, Foreign Affairs Correspondent, *C.J.S.*

LONDON—While more than 400 activists of Hamas, the Palestinian fundamentalist movement, currently occupy the no man’s land between Israel and Lebanon, the media attention focussed on them has naturally generated curiosity about the movement’s ideology.

Surprisingly, there is still much confusion about Hamas’ attitude towards Israel.

That the message from Hamas has been largely misunderstood in the West—or missed altogether—is not the fault of the movement itself.

For example, last month when it kidnapped and killed an Israeli border policeman, Sergeant-major Nissim Toledano, it gave a clear statement of its goals and the means by which it plans to achieve them.

Some observers portrayed the Toledano murder as an expression “Palestinian despair at the slow pace of the Middle East peace process.” Others believed it was intended as “a protest against the Israeli occupation of the West Bank and Gaza Strip”.

Both of these views, however, are incorrect.

Hamas, like its Hezbolah cousin in Lebanon and their joint sponsor in Iran, is opposed not only to the peace process but to the very existence of Israel—in any shape or form.

The fact that the serviceman was kidnapped from Lod, a town in the center of Israel, rather than from the West Bank or Gaza Strip, delivered a deliberate message: that Hamas rejects any distinctions between territory occupied by Israel before the 1967 Six Day War and territory occupied since that war.

This point is enunciated in Article 13 of the Charter of Allah, the platform of Hamas: “So-called peaceful solutions to the Palestinian problem are all contrary to the beliefs of the Islamic Resistance Move-

ment, because renouncing any part of Palestine means renouncing part of the religion....

“There is no solution to the Palestinian problem except by jihad [holy war]. The initiatives, proposals and international conferences are merely a waste of time, an exercise in futility.”

Article 15 states: “When our enemies usurp Islamic lands, jihad becomes a binding duty on all Moslems. In order to confront the usurpation of Palestine by the Jews, there is no escape from the banner of Jihad.”

In addition to its uncompromising rejection of any political accommodation with Israel, Hamas places religion above nationalism (it therefore rejects the PLO notion of a “secular, democratic state”) and it is virulently anti-Semitic.

Article 22 of its Charter asserts that Jews not only provided the inspiration for the United Nations as a means of achieving world domination, but also created such organizations as the Freemasons, and the Lions and the Rotary clubs “to destroy societies and fulfill Zionist interests”.

It is not possible to accurately quantify the strength of Hamas, an acronym for *Harakat Mugawama Islamiya* (The Islamic Resistance Movement), but the organization, which was founded by Sheikh Ahmed Yassin in the mid-80s, is believed to command the support of a majority of Palestinians in the Gaza Strip and up to 40 percent in the West Bank.

The Charter of Allah, the publicly proclaimed platform of Hamas, contains 36 Articles. The following are among its central points:

- * Hamas is committed to jihad [holy war] against the Jews of Palestine until the victory of Allah is achieved.

- * The land must be cleansed of the impurity and viciousness of its tyrannical occupiers.

- * Moslems have a sacred obligation to fight against Jews and to kill them wherever they are found.

- * It is the personal religious duty of each individual Moslem to wage jihad in order to redeem the land.

- * The land of Palestine is a holy Islamic trust until the end of days and is not subject to negotiations.

- * Negotiations leading to a peaceful settlement are **illegitimate because sovereignty of Palestine is a RELIGIOUS OBLIGATION.**

- * The goal is the establishment of an Islamic state in which the Koran is the constitution and Allah is the ultimate leader.

- * Death in the cause of Allah is the most sublime aspiration in striving to achieve this goal.

- * The stated PLO objective of a secular state in Palestine is unacceptable because it would be

essentially anti-Islamic.

*** The Jews have taken over the international media and the world's financial centers.**

*** The Jews have fomented revolutions and wars, and they provided the inspiration for Capitalism, Communism and Zionism.**

*** The Jews created the United Nations, the Freemasons, as well as the Rotary and Lions clubs to subvert the international order.**

*** *The real motives of the Jews are contained in the Protocols of the Elders of Zion [a notorious Czarist forgery]. [H: Remember something very important readers, to be a forgery of a document—there MUST BE AN ORIGINAL FROM WHICH IT WAS FORGED!]***

[END OF QUOTING]

Can we possibly be given to think that an inborn structure based on religious fervor will be wiped away in a couple of weeks of “agreements” by changed-out robots who are mind-warped to play ANY GAME SO INSTRUCTED? It becomes apparent that the very moving into Palestine in the first place as a Jewish Homeland set forth by the United Nations was done to insure that there would be jihad! This remains intact in Israel to continue the confrontation for long since has the United States of America been set forth, and the announcements made, that it is the New Homeland of the Jews. Interestingly enough, however, the Jews in point are not even “Jewish”. FPThey ARE the Czarist Zionists (Khazars). So a world has been in the process of being made the FOOLS—AGAIN.

[QUOTING:]

Chicago Jewish Star (C.J.S.), Feb. 5-18, 1993.

NEW AMERICAN ZIONIST GROUP BEGUN

by Larry Yudelson

NEW YORK, Feb. 1 (JTA)—Simcha Dinitz, chairman of the executives of the Jewish Agency and the World Zionist Organization, hailed the formation of the new American Zionist Movement, which was officially voted into existence in Miami this weekend.

Seymore Reicht, a past chairman of the Conference of Presidents of **Major American Jewish Organizations** and **president emeritus of B’nai B’rith International**, was elected president of the new body.

Addressing 350 delegates attending the first American Zionist Congress since the founding of the Jewish state, Dinitz referred to the formation of the new group as “the birth of a new Zionism in America, a momentous occasion that will focus American Jewish attention of the urgency of participating in the upbuilding of Israel.”

The American Zionist Movement has replaced the American Zionist Federation and enlarged its scope.

The Federation, and now the Movement, represented American Zionism by virtue of being an umbrella grouping of the American Zionist organizations such as Hadassah, the Zionist Organization of America, and the Association of Reform Zionists of America.

[H: Can you see the subtle way in which the term “Jewish” was converted and replaced by “Zionist”? Readers, **THEY** did this—not me, not **YOU**; this is the choice of the people in control of the movement and I repeat—it has almost **NOTHING** to do with “Jewish” as you think of “Jewish”. A good example of this type of manipulation is to consider a man who considers himself to be democratic but is a Republican Party advocate—but because he is a democratic idealist—**HE IS KNOWN AS A DEMOCRAT!** Or to better put the “religious” aspect in perspective, say, a man is a **CHRIST-ian** and therefore automatically becomes recognized as a Roman Catholic. These people are shrewd and the most damaged by these escapades and delusions—are those who are actually of Hebrew Judean heritage. One Jew has **NOTHING** to do with the other—except as being used as a doorway into the very halls of their own destruction.]

[END OF QUOTING]

Next, since anything without **SEX** is not likely to get much attention:

You will note that the next article is about a self-proclaimed Zionist businessman, Reuben Sturman. I think you will find it interesting.

[QUOTING:]

Wall Street Journal, May 8, **1985**, By Gregory Stricharchuk, Staff Reporter:

SELLING SKIN

‘Porn King’ Expands His Empire With Aid Of Businessman’s Skills.

Cleveland’s Reuben Sturman Adapts Quickly as Mores and Technology Change.

ELUDING THE OBSCENITY LAWS.

CLEVELAND—The Visual Adventures store at the suburban Midway Mall here sits amid restaurants and shoe stores and rents cassettes of recent movies like “Trading Places” and “Terminator”. But a set of swinging doors leads to a room where the titles are decidedly different. “Corrupt Desires” and “From Russia With Lust” are among the tamer ones.

A few years back, sex films like these would have been found only in tacky “adult” bookstores in rundown parts of big cities. But “It’s now strictly a middle-class and upper-middle-class business,” says

Reuben Sturman, one of the owners of Visual Adventures. **About 80% of the country's 30,000 to 40,000 video stores stock X-rated movies, he says. [H: Count the years—it has been ten since this was written. You now have WORSE on the on-line network for your babies to tap into with their tiny fingers on a keyboard.]**

He should know. From a Cleveland warehouse, Mr. Sturman operates what is “the nation’s, and possibly the world’s, largest pornography distribution network”, an Ohio governor’s crime task force said in 1982. The Federal Bureau of Investigation reached much the same conclusion in a report drawn up five years earlier. Law-enforcement officials refer to Mr. Sturman as *the porn-king, the major power in an industry whose yearly sales they estimate at least \$4 billion*. **[H: Remember, now OVER TEN YEARS LATER....]**

The structure of his business today reflects the sweeping changes in American mores and social values that have occurred in the past two decades. The legal definition of obscene material has steadily narrowed and Mr. Sturman has fended off repeated efforts by state and federal authorities to put him out of business.

But his success also has to do with technological change. The videocassette recorder revolutionized the business by making it easy to watch X-rated movies at home. Mr. Sturman was early to see and exploit home video’s effects on his industry, much as an earlier set of entrepreneurs exploited the automobile’s impact on such things as retailing and real estate.

MARKET SEGMENTS

That isn’t the only element Mr. Sturman’s story has in common with those of more conventional businessmen. He tailors his products to individual markets, sending “soft-core” films to the conservative Midwest and harder versions of the same movies to the coasts. And he built his business with so-called vertical integration; companies he is involved with produce X-rated films, books, magazines and a line of sexual paraphernalia, and they distribute them both through wholesale warehouses and retail stores. **[H: Please don’t neglect to refer to persons included in this business in *Trans Formation of America*, by Cathy O’Brien.]**

The Sturman stores are similar in layout and look as if they are franchised, and they offer wide selections at low prices, says George Nasser II, who with a brother runs two book and video stores in Indiana offering “adult” fare. For the brothers, “It’s like a small independent grocer trying to compete against Kroger’s,” he says.

Mr. Sturman’s ability has won some grudging praise. “Mr. Sturman obviously has great business acumen,” Judge Maurice B. Cohill said in federal court in Pittsburgh after fining him \$200,000 for interstate shipment of obscene materials. “I would think that he would wish to give serious consideration to entering some other field of endeavor.”

Less surprising, perhaps, is a compliment from the publisher of *Hustler* magazine, Larry Flynt. “When you think of pornography,” Mr. Flynt notes, “you think of a sleazy character operating out of a back room. But Reuben is a businessman. He’s conservative and doesn’t push issues like I do.”

SATISFIED CUSTOMER

Mr. Sturman, who is 60 years old, shuns publicity. "I detest flamboyant people," he says. A fitness buff, he leads a noontime calisthenics class at a Cleveland YMCA, [**H: Well, of course; where else better to get customers?**] which displays a plaque thanking him. Now divorced, with his three children grown, he lives in a stately home in suburban Shaker Heights, where he says he occasionally looks at X-rated movies on his VCR "like anybody else, if I find them interesting".

Mr. Sturman says he is in "the adult business". In a recent interview he left the room to confer with his lawyer when asked to name the companies he owns. "I'm an executive of the various businesses that I'm in," he said after returning. "Basically I'm in the video business."

He has reason to be circumspect. Police in England have for years had a warrant for his arrest on charges of illegally **importing pornography**. Late this month his major company, Sovereign News Co., is scheduled to go on trial in Louisville, Ky., on federal charges of distributing obscene materials. And the Justice Department's organized Crime Strike Force has been trying for years to build a tax-evasion case against Mr. Sturman, although he strongly denies that he has any link with organized crime.

Mr. Sturman, the son of Russian immigrants, studied business at Cleveland's Case Western Reserve University in the 1940s and went into the comic-book business, initially peddling the comics from the trunk of his car. In the early 1950s he graduated to girlie magazines and established a string of distribution warehouses he called news agencies, displaying a penchant for regal names: Noble News Co., Crown News, Imperial News, Majestic News, Castle News and Sovereign.

Soon he expanded from magazine to peep shows, grainy films shown on coin-operated equipment in private booths in "adult" bookstores. He began making the booths and later started a company that built the vending machines for them. By the mid-1970s Mr. Sturman had gained control of three Los Angeles companies that produced and distributed the two-minute films shown in the booths. **The FBI's 1977 report on pornography concluded that "Sturman has accomplished almost a total takeover" of the peep-show business.**

He tightened his grip further through the mistakes of competitors such as Michael Thevis of Atlanta, who once controlled porno distribution in the South but was convicted of conspiring to murder an underling who had turned informer. Mr. Sturman took over most of the network when Mr. Thevis went to prison in 1979.

Law enforcement officials say Mr. Sturman's warehouse network provides a ready market for the films he finances and also makes him the preferred distributor for independent producers. If makers of adult movies, most of whom work in California, "want to go East, they have to go through Sturman", says Sgt. Donald Smith of the Los Angeles police. "By going through him they get (distribution) in all 50 states."

TWO ANGLES

Adult movies are usually filmed simultaneously from at least two angles. One camera angle yields a hard-core version of the screen action, while another gives less-explicit footage. Both get the same title, but "Milwaukee doesn't get the same version as Los Angeles," notes Robert Dolan, whose Cleveland company edited films for Mr. Sturman before the two had a falling out a few years ago.

The soft-core versions also are frequently marketed as videocassettes. Porno films were first put on cassettes about 1977, a year before regular movies were. X-rated videocassettes now tie with self-help videos as the second most popular, according to a study by R.H. Brushkin Associates of New Brunswick, N.J. (Children's movies come in first.)

In search of wider audiences, makers of porno films are taking them beyond peep shows artistically. "You get more story line, humor and music," Mr. Sturman says. "You get everything that any major studio would offer in a similar movie."

And you can get it in perfectly respectable places like the Midway Mall in Elyria, Ohio, 30 miles west of Cleveland. From the outside, the Visual Adventures shop there might pass for a drugstore. Inside, it is carpeted and well-lighted. The walls of the main room are lined with 4,000 cassette boxes. In a side showroom, which is off-limits to people under 18, are about 800 adult-film titles. The room draws mostly male shoppers but occasionally women or couples, too.

DOC JOHNSON

Mr. Sturman has opened 20 Visual Adventures stores in the Midwest since starting the chain in 1981. "We plan to open about 10 more stores a year," he says.

Although the videos bring in the big money, **Mr. Sturman also profits from his Doc Johnson's line of vibrators, massage oils and other sexual paraphernalia.** "Its strength is that it's sold by Sturman's agencies **throughout the U.S. and Europe,**" says Fred Malorrus, the president of a Los Angeles-based competitor called Ben Wa International Inc. "It's got a near-monopoly on distribution."

While building his business, Mr. Sturman has also built a string of victories over law-enforcement officials. In 1977, Cleveland police bashed down the door of the Sovereign News warehouse and seized magazines, books and films. Mr. Sturman, Sovereign and some Sovereign employees were charged with pandering obscenity and engaging in organized crime.

But Sovereign charged in federal court that the search, based on Ohio obscenity law, was illegal, and a federal judge barred use of the statute until its constitutionality could be determined. The tactic won Mr. Sturman a lot of time, and eventually all charges were dropped except a misdemeanor against Sovereign, to which it pleaded no contest.

FROSTING FUN

In 1978, Mr. Sturman held off federal authorities as well. FBI agents working with a Fort Worth, Texas, bookstore ordered from Sovereign films such as one called "Cake Orgy", in which marshmallow pies played a leading role. The Justice Department brought Mr. Sturman and several Sovereign employees to trial on charges of interstate shipment of obscene materials.

Material can be found obscene, the Supreme Court said 12 years ago, only if it lacks serious artistic, political or scientific value and if the average person, applying contemporary adult community standards, finds that the work, as a whole, appeals to prurient interests and depicts sex or excretion in a patently

offensive way.

The lawyer Mr. Sturman retained to fight the indictment, Harold Price Fahringer of New York, pursued a trial strategy of showing the material to the jurors to get them used to it and let the shock wear off, to “desensitize” them, as he puts it. The jury eventually found that though the materials **were** “morbid, shameful, lewd, etc.” they “don’t excite a morbid or shameful interest in sex in the average person.”

In 1980 Mr. Sturman was one of 46 people indicted as a result of a Miami-based FBI investigation code-named Mi-Porn. But the case against him and many of the others fell apart when a key FBI undercover agent was fired from the bureau for shoplifting.

ANOTHER INQUIRY

Now the major threat to Mr. Sturman’s business is the Justice Department’s seven-year-old effort to build a tax-evasion case against him. In an affidavit filed in federal court in Cleveland, David Bauer, a lawyer for the department’s Organized Crime Strike Force, said the investigation was “initiated to look into allegations that Sturman was skimming vast amounts of money from his pornography operations...”

In addition, Mr. Bauer’s affidavit said, “It was suspected that the foreign bank accounts were being used to conceal profits and to launder funds from Sturman’s hundreds of interlocking corporations and partnerships. It was further believed that many of the corporations and accounts were held in fictitious or nominee names...”

The 1982 Ohio governor’s crime task force said Mr. Sturman “doesn’t appear to have actual membership in any organized-crime family, but he does maintain close contact with members of New Jersey’s De Cavalcante family and New York’s Gambino family.” **[H: He is a KNOWN and well-recognized member of the Mishpucka (Israel’s crime syndicate) and a major contributor and fund raiser for Israel.]**

Two men from those families, Robert DeBernardo and Ettore Zappi, were identified by a report of the California Bureau of Organized Crime and Criminal Intelligence as top underworld porno figures, whose influence “is believed to be exerted on California pornographers through Reuben Sturman of Cleveland.” Mr. DeBernardo operates Star Distributing Ltd. of New York, another major distributor of adult materials.

Mr. Sturman vigorously denies all allegations that he is tied to the mob. “There’s never been a shred of evidence that I’m involved in organized crime,” he declares. “I don’t pay for the right to do business, nor is anyone paying me.”

The Justice Department’s investigation has made some headway, if not against Mr. Sturman. Last November Sturman associate Allan I. Goelman pleaded guilty to income-tax evasion and was fined \$10,000. Another Sturman associate, Edward Seltzer, was convicted by a federal jury in Akron, Ohio, last month of having lied to a grand jury hearing evidence in the matter. A third associate of Mr. Sturman, Ronald A. Braverman, is awaiting trial on similar charges, having pleaded innocent.

But there has been no indictment of Mr. Sturman in the tax-evasion investigation. He won’t

discuss the matter, except to say, *“I do share my money with the IRS. If there’s a profit, the IRS gets a fair share.”*

[END QUOTING OF PART 3]

I suppose that no matter how much or how little we refer to these topics it remains hard to attach your nice Jewish neighbor or businessman into such as the above group or category. I wonder?? What about such as a Jewish Zionist Judge such as Jason Brent who through the Mensa Society publication advocates the depopulation program of the *Protocols* and writes in that publication that “it has to be faced that the old, infirm and stupid” will have to be dispatched (killed). This is a little politician-appointed municipal court ex-judge in Mojave, Kern County, California. He now continues to practice in Bakersfield as an Attorney. When asked how he was now doing in private practice, he replied, “Very well, I am getting people off that I sent up!” Funny? Perhaps! It is NOT funny to people like the Ekkers who have been the brunt of his vendetta to destroy them personally. This too may well come back around to haunt the man for in his passion to destroy THEM, he has destroyed court records and will one day soon have to undoubtedly account for some of those actions where he also threatened to bulldoze property adjacent to Ekkers to “GET” them. So be it for this is the Attorney who Rod Ence/Enz now threatens to use against people here from whom he took funds, farm equipment and has now shipped it across many State lines.

Guess what! The Ekkers can’t wait because it now becomes a LEGAL issue and has nothing to do with THEM personally although it is claimed to be a trick that will DESTROY THE EKKERS! My, how our “friends” change when they are caught in crime. It figures, doesn’t it? Well, bring him on because this time, readers, the FACTS are presented right up front and the shoes are firmly ON THE OTHER FEET and a LOT of people, including judges, didn’t like Jason’s solution to their old age problem! He is considered to be an idiot buffoon except by his “old buddy” cronies in questionable actions. At some point, however, the LAW must be noted, even if only cursorily. I wonder how many Chicken Littles there will be when the sky actually falls? I would guess that even Jason Brent would not be crazy enough to involve himself in this case, which will make Rod Ence/Enz even more foolishly indisposed. He has already tried the “Green” approach so we just WAIT for after this morning it could pretty much move out of any hands other than the law. The Institute and at least TWO other corporations have to account for the missing property and funds. Do you see how it pays to not try to fool Mother Nature or beat the LAW—especially within incorporation structures? Do things honorably and legally and you are fine. This also, take note—PROTECTS OTHERS WHO ARE ACTING WITH INTEGRITY AND HONOR. And, moreover, it appears there is no end to the simpletons who will steal from God Himself.

Thank you and good morning. Salu.

CHAPTER 6

REC #1 HATONN

THU., DEC. 21, 1995 7:19 A.M. YEAR 9, DAY 127

THU., DEC. 21, 1995

WHEN THE HEART AND SOUL WEEP JUST GET THE CRYING TOWEL

In the shadow of the lily there may be nothing noted because of the beauty of the blossom—but life is there surrounding all things and therefore, there IS beauty, sorrow—all the things which offer life expression.

As the hurts pile up and the heart is battered I must attend these things and today is Dharma's and E.J.'s turn for a bit of support. However, to take the time in our writing schedule we must discuss it here in this manner THAT ALL MIGHT SEE AND LEARN.

LAWYERS IN ACTION

There was a lawyer who has worked with the Ekkers for a very long time and is now in France, where to he has changed his residence. When there was trouble with US&P with Green, this Mr. Tips acquired another supposedly more talented legal counsel [re: copyright law] so that Ekkers then got to PAY two lawyers rather than the one. But they were both paid. This second barrister was named Bruce Methven. He came to court without any preparation save some old court rulings which were totally irrelevant, had not even seen the books in question, nor knew ANYTHING ABOUT THE CLIENTS. Most of you know the rest of the story from getting a contempt charge against the Ekkers for Green's indiscretion of selling "prohibited" books to then leaving and turning his professional "talents" (??) to Green and helping US&P. He never got a release [conflict of interest] or any of the dandy things which are the LAW. After being fired through direct letters AND through Mr. Tips, he continued to send bills. The Bar Association had a telephone "arbitration" "hearing" where they assigned a judgment in favor of the lawyer (surprise). The interest has continued to grow and now the bill exceeds \$7,000.

Ekkers have also been continually nagged about payment to Mr. Tips AFTER he no longer represents them for services rendered, or something, to the new attorney, Mr. Gross. The outstanding balance on that bill as of now is over \$4,000. So, Ekkers have been putting aside Social Security sums to save to be able to pay Mr. Tips when he arrives in the U.S. this week. Fine so far? NO, not really and any of you who think this next can't be done in America—had better think again. Mr. Tips requires a check for his services and therefore a bank account has to be utilized—so guess what, the Ekkers' only bank ACCOUNT (in a Sanwa bank) WAS SEIZED AND STRIPPED BY THE METHVEN LAW FIRM, WITHOUT WARNING, WITHOUT PRIOR NOTICE—IN FACT PAPERWORK ARRIVED DELIBERATELY AFTER THE FACT.

Now readers, what kind of people would do such a thing? Obviously lawyers and, I fear, ANY lawyers.

These are old people with NOTHING but social security, have no recourse, three days before Christmas, which WIPES OUT CHRISTMAS OF ANY KIND, and the law firm thinks it clever and funny.

The next fun and games came also on the yesterday when finally the Institute had to have a meeting and ask the Sheriff to please speak with Rod Ence/Enz to ask him to return the KNOWN items of his storage which are not his. He in turn threatened to have everyone in jail, including himself, before he would so much as speak about it. The Sheriff told him that it looked serious to him and he could very well end up arrested and jailed. Rod thought and said that would be “just fine”. Where and when does responsibility stop and when is it unworthy to proceed? Ah, the CHOICES which confront us are most often PAINFUL as we try to do that which is right. So what do you do? You balance as best you can.

I suggest in the order of return of funds, Mr. Tips now has to wait and, moreover, there will no longer BE A BANK ACCOUNT! The more painful thing is that the rent is not paid, the food not yet purchased and now THERE IS NOTHING. Perhaps, Dharma said, the lawyers need it worse than us. Perhaps Mr. Tips can retrieve his funds from Mr. Methven? At any rate, this is the way it HAS TO BE for when the cup is empty it must be refilled if there is to be drink.

Mr. Ence/Enz told the Sheriff that he wouldn't give back ANYTHING until his “stuff” was returned to him. It is not known what “stuff” he refers to other than perhaps some scaffolding cross bars, which have no value at any rate without the portion that he already has, so I'm sure that is no problem. He has had access to ANYTHING and did indeed refuse a walk-through to determine what was his, etc. No one wants his things nor to see him in jail. Why do people react in this manner? GUILT. It is a childish and typical tantrum approach to being confronted with TRUTH. The side-events which really are painful are the things that are thrust off on OTHERS.

THE POINT, READERS, IS TO CONSIDER ALL THINGS IN PROPER PERSPECTIVE AND OBJECTIVE VIEW AS WOULD A JUDGE AND JURY IN OPEN HONESTY AND MAKE PERSONAL EFFORTS TO RETURN ANYTHING THAT IS ACTUALLY THE OTHER PARTY'S. THEN, WHEN THERE IS NO BALANCE GAINED, YOU HAVE TO ACT IF “YOU” ARE IN A RESPONSIBLE POSITION—WHETHER OR NOT YOU LIKE IT. IS THEFT FROM THE INSTITUTE A SOLITARY DAMAGE—OR DO YOU WHO SERVE AS DECISION-MAKERS FAIL TO CONSIDER THE LOSS TO ALL?

In this instance, Mr. Ence/Enz had blown the motor on the tractor and the people from whom he purchased it are going to now be stuck with great cost and loss to themselves, plus having to move it back to Idaho or Utah or wherever. Obviously all the repair input into the equipment is also lost and now GONE. If a man is on welfare then there is little or no backup so what do you do? Ah, the \$64,000 question, for to let him win the theft game is condoning his actions and yet to press his family into the position of his abuse is likewise non-constructive.

Get the Advisory Board together and decide on the next step. Perhaps it is too late to get return or rectify damages but perhaps the other items needed might be retrieved. You must make documentation with proper authorities in order to cover the corporations involved and the accounting records must be accurate for future tax purposes. When we cut off our noses to spite our faces we usually have to spend the rest of our time without a nose.

Rod has told his Nevada agent, back in September/October, that he was going to DUMP Challenge Met corporation. No, I don't think so—he can't. He can abandon his charge but his actions will more quickly catch up with him than in any other method of action for he has to confront his indiscretions on a level of LAW that he thinks he doesn't have to face with his prior friends.

Nobody told any of you that being RESPONSIBLE would be an easy task or a “lovable” job. Perhaps you who have already tried to reason might ask someone without direct input to speak with Rod—perhaps Wally L. or Nora, Jack T. & Sandy, or (???). Perhaps Theresa has the ear of Sandy. She should look at ALL THE FACTS and the Sheriff's input and speak to Sandy E. if Rod will not listen. It is time for EACH OF YOU FENCE-SITTERS TO CONSIDER YOUR RESPONSIBILITY AS MADE TO GOD. IF YOU CANNOT RISE BEYOND THE MOMENT OF INSECURITY OF *SELF* WHEN THE FACTS ARE CUT AND DRIED—WHY THINK YOU THAT GOD WILL CONTINUE TO PROVIDE SERVICE AND SAFETY TO YOU? PONDER THE POSSIBILITIES HERE. IT IS CHOICE TIME IN MANY THINGS AND, OF COURSE, THE CHOICES WILL BE OVER THE MOST CONFUSING AND PONDEROUS ISSUES!! GOD DOES NOT PUT WIMPS AND WILLY-NILLIES INTO HIS MOST IMPORTANT POSITIONS. AND, ONE PARTY HAS NO RIGHT TO BRING DAMAGE OR LOSS TO ANOTHER THROUGH LIES AND SECRET DEALINGS WHILE USING ANOTHER'S PROPERTY WITH WHICH TO “DEAL”.

Since Ekkers seem to be THE HATE FOCUS I suggest E.J. and Doris simply have nothing to do with the case from this point on so that the issues can be considered otherwise. E.J. and Doris are NOT THE ISSUE AT ALL, ANYWAY; I AM THE ISSUE AND I DO NOT COMPROMISE TRUTH OR RESPONSIBILITY AND YOU CANNOT RUN OR HIDE YOUR ACTIONS FROM ME. IT IS EASY TO FOOL THE EKKERS—but NOT ABOUT GOD OR TRUTH! Further, Rod Ence/Enz can shout “cult” and drag every silly nit-wit taunting into the very halls of injustice and it will not change one iota of the truth of what has happened here.

Others who are “confused” and fear to speak out because we would note them in the paper, I suggest you think about THAT carefully for we DO NOT HAVE BIG SECRETS OR HIDDEN AGENDAS, AND IF YOU DO, IT IS WORTHY OF CONSIDERATION. IF YOU THREATEN ANOTHER BY YOUR ACTIONS OR YOUR GRAND, BUT IGNORANT, OPINIONS, I SUGGEST YOU LOOK CAREFULLY AT SELF AND THE THOUGHTS YOU PONDER TO “GET EVEN” WITH “”” ASSUMED””” LOVED ONES! YOU HAVE NOTHING TO GET EVEN “ABOUT”, SO WHAT IS WITHIN YOU THAT CLINGS TO EVIL INSTEAD OF LIGHT? PERHAPS YOU HAD BEST FIND OUT BECAUSE THE WORLD WILL NOT ATTEND YOUR ILLNESS BUT FINALLY WILL LEAVE YOU TO STRANGLE IN YOUR OWN UNDOING.

Yes indeed, there are some here with problems so buried in pain that they need help and when that becomes too big a burden in your daily passage—I will help you, but YOU will ask, for there is no way to FORCE help. Some would go to Mark Philips for help—WHY? Do you suspect you have problems as a Monarch mind-warp? EVERYBODY has problems and EVERYBODY has problems with abuse and misuse as children—for there are MANY ways of abusing a child and some of you who think you do NOT, are NOW abusing them. Likewish THEY learn to better ABUSE *YOU*. In EVERY instance you get reflected back to you your own image so, if it be unpleasant—look again!

Now please, consider MY PLACE here in this mess—do I teach truth and ask responsibility and then turn

and allow others of the Adversary's troops to stomp and destroy you who take responsibility and act in integrity? Well, I'll tell you right now that I will no longer tolerate allowing the problems and thieves who take from me to just go their way without note and with great GAIN from their thefts and transgressions. Forgiveness has NOTHING to do with it for intent was not on an instant's notice—it always builds like the storm-clouds and the energy brightness turns black as those storm clouds and actions become more and more dark. If you WON'T see it, it is your problem. I SEE IT AND WILL NOT IGNORE IT.

As to the bank account, Dharma, perhaps you and E.J. should consider saving enough to pay the rest of the false debt and allow Mr. Tips to wait longer for this will be a monthly occasion by the Methven firm to harass you. I think enough has been accomplished to cause you to harken-up and that it is NOT a nice world out there. People, this is what we are about—getting somehow through this not-nice world that abets, aids and supports the thieves and liars and puts DOWN the citizens until they are sucked dry.

Brent, please pay attention for Rod, on tape, was threatening YOU PERSONALLY! He knows exactly how to hurt YOU and it isn't through the bank balance. Every individual must look at what takes place before you, who won't even look at evidence but listens to everything and everyone on the OTHER side. Why? WHY? People who are really CONFUSED find answers in factual outlay, not gossip or prattling. Why do people REFUSE to look and see? Ah, the question of the ages and one which is certainly not unfamiliar to ME.

In every instance we will find ones who are reaching out in all the wrong directions and places and are also looking for solace and security in all the “wrong faces”. You who are caught in this must face it squarely and stand strong when you KNOW you stand in rightness for “giving in” only brings more insecurity and hate for the one who waivers. Respect is gained only through right stance and accepted responsibility, and LOVE is only built on RESPECT. When a child is at risk (and all at risk are children inside) there must be the adult response IN RESPONSIBLE POSITION of others within the circle of interactions. EVERY instance of confusion or delusion—has MANY participants. If the parent is sick within and allows, the respect goes from all around the circumstances. To simply “give in” for a moment of peace from the shouting—does nothing save create the very action of MORE screaming and shouting and, finally, the battle is lost and ALL ARE LOSERS.

But how do you KNOW? **YOU KNOW!!** Don't tell me that you don't know for you lie and, above all else, probably to self. I KNOW WHAT IS RIGHT AND WRONGDOERS KNOW THEY ARE WRONG—THIS IS NOT A POINT OF “I'D RATHER BE A PRINCESS OR A PRINCE AT THE DRESS-UP BALL”. WE SPEAK OF WRONG AND DELIBERATELY INCORRECT ACTIONS. People KNOW when they do wrong and then compound their wrong actions with more. It is not something that sort of slips up on you for when a person in rightness realizes he has erred, he fixes it, repairs it, returns whatever he inadvertently took and thus and so—he does not compound the issue through threats and, finally, some stupid false act of some kind of martyrdom he can claim as a silly focus in hopes it makes him look good and he can claim he has somehow paid his debt—at least to society so the TRUTH and FACTS are lost in the show-and-tell.

I must also share with you readers that these messages are pointed directly at my scribe for it is how SHE responds that allows us to have direct discourse. It is hard to be the focus of the whirlwind when she hardly leaves her corner except to speak for me. The pressures are constantly like the sword over the

neck as to how to continue in a life of bashing AND not let it surface as to my output. The facts are that these are as much HER TESTINGS as anyone's.

I can promise you this, readers: it IS hard, but for every difficult notation—you people are the wind beneath our wings and never a hurt comes that YOU OUT THERE don't instantly heal—with your words and thoughts and actions. We COULD NOT go on without you for you heal the rents in our very souls and the body becomes extraneous. If our souls remain WHOLE, all else becomes superfluous and only a class-lesson, in application, along the way. It is when you fail to participate in the solving of your test-questions and problems that you LOSE—BIG.

Rod himself said to me in a meeting one day, "I guess we need these lessons." Answer: **"You're getting them!"** His was flippant input to distract those present—I MEANT MY RESPONSE!

People constantly want to play "getcha" games with me and I find that OK, but unfortunately quite unfair and mismatched. I can see further and beyond you who would show me up for a false something or other. Sorry, my task is too great to allow the Adversarial gamers to win at silly nonsense. I enjoy humor and nonsense as much or more than the next person—but I serve God and God is going to win and that means that as Cohan (teacher) I WILL ALSO WIN. In contempt and evil practices, no matter how small, everyone involved (which is everyone and everything) LOSES. There is no JOY in disciplining a wayward child or teaching a baby that he must not put his fingers in a light socket. But it IS the responsibility of the teacher and parent to make sure he LEARNS lest he electrocute himself. One cannot be given gifts for hurting another—or the hurts get bigger and bigger and bigger. A parent is frightened of his child and lacks the initiative for whatever personal reason, and fails to get control of wrong behavior—and the child is lost surely but so, too, are the parents and other children within the circle.

Parenting is the most difficult and challenging test of all tests to human species for it encompasses all senses and responsibilities—AND YOU ARE MINE! My love is unlimited to each of you and that means my responsibility is unto each and all of YOU and I will not step aside when I see you bringing damage and critical harm unto yourselves. The consequences of your actions will be met for I will meet them—WITH YOU but not FOR YOU. You who think I am not "real"—fine. I would suggest, however, that you consider that very carefully for when you kiss-off me and mine—I leave you to your consequences. And when you take those who reside with you in thought or being, they are welcome to the same lessons. I don't have to DO anything save leave you to yourself. And indeed I will WARN you that the train is approaching when you are on the tracks with it—but no, I won't snatch you away from your chosen intent. You readers and people simply DO NOT understand the presence of GOD in that you somehow think yourselves a pawn in HIS game. No, you are pawns in YOUR OWN GAME. GOD IS CONSTANT—YOU ARE THE WAVERING PENDULUM.

I liken our people, any people, to, let us say, a battalion in the army. If one of the troopers steals some of the rations so that none can eat for the final five days of a skirmish in the field—and sells them and then cuts out of the team—what have you? Well, that is what happens in society from the party who takes (shop lifts) something from the market to the grand-theft bank-robber—YOU ALL PAY FOR THE LOSS. What if, in addition, someone else takes all the ammunition and you must go before the opposing army without help or shield? Is that OK because he didn't like the Colonel in charge? What are you doing, people? Is this game just to choose up your DRUTHERS? Do YOU have the right to take from your

neighbor because you think others will protect you in your unrighteousness? This is WHAT TRUTH IS ABOUT—not the silly sounds coming from tongue and lips.

I need to be elsewhere this morning so could we please interrupt this. Since Wally G. will be here this afternoon I think it would simplify things if we just had a brief meeting in the meeting room. Anyone who wishes to attend will be most welcome as we need to discuss motion pictures and other topics which can't be handled too well by correspondence. Perhaps we simply need to refuel from time to time in a bit more closely related atmosphere.

I don't wish to be "hard", precious loves of my being, but I WILL meet my responsibilities head on and trust and hope that you are as you offered to be, strong. I can carry you if need be—but I will not sink with you JUST TO KEEP YOU COMPANY. There are too many entities depending on US to do our JOB. Salu.

CHAPTER 7

REC #1 HATONN

SAT., DEC. 23, 1995 7:54 A.M. YEAR 9, DAY 129

SAT., DEC. 23, 1995

IN OUR WRITINGS

In our writings we write of many things from mice and men to churches and brothels. Why? Because, hidden within the unstable makeup by greedy men, the terms become almost interchangeable. Men have become as foolish as laboratory mice and rats and PROSTITUTION of self and souls is more prevalent in most churches than in the brothels. This is indeed a sad state of affairs. Is the acceptance of this state of affairs the prevailing wish of mankind? NO! NO INDEED! Only a tiny few set the controlling factors upon the masses and, because you as a species are NOT base, crude, or soul-less energy forms—you have let the adversary take the day. You can take it back—when you want to.

Words and meanings are twisted to suit the Puppet-Master's plan and you forget what to call a given feeling, i.e., what means pity or friendship or compassion and on and on? When you can sort these feelings from the reality of LIFE expression as cast upon you, you CAN gain control of both you as the puppets AND the Puppet-Masters FOR THEY ONLY HAVE DEFENSE OF "THINGS" AND MIND-CONTROL. IF YOUR HEART INTENT AND MIND-SET IS WITHIN GOD—THE ENEMY CANNOT TOUCH YOU. Oh, the old bad boy will try to "getcha" at every turn—but he cannot do so. THAT is the PROMISE of GOD!

Compassion is that which allows feelings to make allowances so that wisdom can be introduced into all actions and thoughts. Then, in taking up the potential of pity and friendship, you must also shift gears in thought recognition. Pity and friendship are passions incompatible with each other—exactly like military-intelligence or Judeo-Christian. These are meanings of total opposite definition. Friendship is made up of esteem and pleasure; pity is composed of sorrow and contempt. Make sure YOU know that which you are expressing for if you pretend to unconditionally love those who wrong others, you JOIN with those adversaries. There must be CONDITIONS placed on those with whom you share your intended JOURNEY. If YOU have no "conditions" which are unacceptable to your total love response—you have JOINED your enemy and he will "eat your lunch"! You, above all, MUST realize the enemy of LIFE will twist word meanings and, unless you look beyond the words into the TRUTH, you shall surely perish with the enemy. When you HIDE from TRUTH you are denying LIFE.

May you walk your way each day as if there is new snow and every act, every step, will form the patterns SEEN. You can clearly see in the new snow wherein a puppy romped or a bloody body has been dragged. Check carefully to see what imprints you leave in the new snow of God's landscape.

As we speak of churches you must simply retain your objective outlook and KNOW that there is good, bad and total indifference in all things. Select that which is positive and put the other aside and do not be

a part of that which is negative or truthless. You do not have to become the object to experience the object—any object, thought, action or idea. However, if you run with the pack and act with the pack—you will, right or wrong, be accepted as being “one of the pack”. Actions determine the discernment AND THE JUDGMENT for words from a liar’s mouth mean only misperceivable intentions.

I am both amused and saddened as rumors are strewn about that Rod Ence/Enz is saying that E.J. (Ekker) is being irrational, making terrible mistakes and has totally emotionally “lost it”. Any one who knows E.J. KNOWS the lie at expression for E.J. is not even impressed by the likes of a Rod Ence/Enz. As Rod’s eyes bug out and he blows and grows red with hate—E.J. just looks at him straight in the eye and there is no mistaking the point being made. What silly and foolish games a cornered mouse makes as he roars and screeches, pretending to be a man—which, until he matures, can never be for, as long as the child prevails, the MAN is quite hidden and squashed.

The most remarkable thing we witness in these days of holiday is the absolute and total desire by Rod Ence/Enz for someone to put him in jail so he can squawk, and wail and act the martyr in his foolish and deceitful mind. But the ones being hurt are the family and himself—for nobody else gives a hoot about his silly games except to be embarrassed for having represented or pleaded for his lies to be heard. Once the realization is “lies” then the focus is even more dreadful as the newly deceived are more hurt than the ones originally hurt.

We don’t even want these painful people to leave our valley—for we need the constant reminder of how hard it is to keep in truth and integrity with the gamesmen of our journey. If these will deceive YOU, they WILL DECEIVE all who come their way and, finally, NO ONE will either befriend or accept them.

I would note here that Ed and Marilyn M. have made it possible to get a tractor which is top-of-the-line through a friend in Hemet attached to the fabrication research program of the Institute into MOLDED cement and fabrication products for housing. E.J., Charles, Dave, etc., were able to close that “operation” down and retrieve a big “lift”, bonding equipment, presses for forming metal and thus and so as the person in charge is no longer a part of our work. We are grateful to Tom H. who made this acquisition possible and for bringing his price for the tractor and disk arrangement into a totally ridiculously low price so it could be available. The disk alone is worth more than the cost of the entire package. The disk is so large and heavy that it has to be blowtorch cut into at least three pieces simply to get it moved. This ‘nother tractor is, as of yesterday, at the farm and the rest will be forthcoming. Almost all of the other equipment is relocated also so our hearts are grateful this day. Our gratitude to the ones who made this possible is beyond our ability to express in any kind of language.

Rod took and then shipped off our plows and other planting equipment but we can work one step at a time and the neighbors have offered to do the plowing and planting as necessary until we can get on our feet and replace some of the items. With this new disk we can, if necessary, give up the separate plowing for the disk is so heavy as to have to be run with the hydraulic lift in operation or it buries to its axles. This gives us option of depth of our land-mulching and will allow for dry ground disking. The tractor is “four wheel drive” with two huge round feet on all four corners allowing HEAVY duty use—anywhere. It is for SERIOUS farm tilling and, finally, we ARE SERIOUS.

Rod also sold or got rid of the landowner’s disk so it is up to Mr. Turner what he wants to do about THAT.

Rod Ence/Enz would have you believe he is the aggrieved party which only includes his indiscretions with the farm and Ekker-Ekker Phoenix, according to instructions from Green and “crew”. No, he took the landowner’s property also, and that, readers, is totally beyond reference to the local hated “catchers” of his acts. Perhaps Mr. Turner can “reason” with the angry man on a more objective basis.

I also recommend to you local participants in the escapades at hand that you not believe a word Rod’s cohorts say—they are deceivers and it appears, likewise, liars from onset. They will plant lies to glean information. Who needs the games? We will supply all the information FREE. We don’t need games and tricks to find the rotten apples—they project their rot in every direction from the central core. By the way, the LAST thing desired in a community of apple-growers are rotten apples! Ponder it.

Why don’t they go away? They can’t, for they have made too many outlandish promises and big-talk. They perceive that they will stay and be TOP DOGS. Will they? Who cares? They will never be more than tiny annoying pups in whatever position they hope to attain. Evil intent cannot remain long in the presence of the Light of Truth. You can, as suggested, see them put Rod in charge of all the farming in the valley—but they will simply have worse results than the PROVEN failure shown. **NONE OF THEM WANT TO WORK AND THEREIN LIES THE SECRET OF THE FAILURE’S SURETY—**”every-one” can’t be THE supervisor, for somebody has to do the job! And, ones who don’t WORK, don’t get successful jobs accomplished except through deviant and immoral means. **TALK IS JUST AN EXPENSIVE COMMODITY WAITING TO EXPLODE AGAINST THE TALKERS. ACTIONS IN SUCCESSFUL REPRESENTATION AND PRESENTATION ARE THE REFLECTIONS OF SUCCESS. IT IS QUITE EASY TO “CHECK IT OUT”.**

There is no joy above that of joy in the heart—so let the deceivers continue in their misery of “getcha” and hold to that joy in TRUTH within our hearts and souls. This is the greatest punishment a Man can be offered—for his enemy to be able to rejoice in truth and flick his silly prattlings and threats away like the chaff from the gleaning floor. Don’t play into their stupid games and let them rot within their own comrades and kind. If those attached to such energies can see no further than the moment in the lies—then let them go their way—**YOU DO NOT NEED GO WITH THEM.** Neither GOD, nor I, will forsake you or turn from you but we cannot help it if you turn from us for it is your right and your choice. We go nowhere “else” so if one is to go—consider your trip plans carefully!

As you move through the holiday season, rejoice in that which is beautiful, fun and joyful. You do not need become the adversary to live in the world and hold truth in the LIGHT of living. You do not need to become the drunken slob in the gutter to partake of the wine. Those choices are YOURS. *You do not need to become the trash can in order to toss your trash into it. Ponder it!*

Now as we turn to other subjects please be aware of the night-time movement of heavy military equipment about your nations. There is MASSIVE movement of HEAVY DUTY equipment in every direction—AND NO, it is not, E.J., a “shortcut to Bosnia”. You simply do not go through the Mojave Desert to get military equipment overseas—so, it is coming from “somewhere” with its new color-coding. You have to, also, understand the U.N. white-and-blue against the NATO military paint jobs. When you move military “drab” about—you are in combat readiness and seizure mode. Check out the HOLDING FACILITIES for new action. Why would guard towers be readied at facilities with computer capability and “seeing eyes” of incredible accuracy right now as security fences, razor wire and other concentration camp prepa-

rations are being made? Also for your consideration: With prison overcrowding and needs growing for more facilities—are FACILITIES being updated and revamped with NO INTENTION OF HOUSING PRISONERS FROM THE OTHER OVERCROWDED PRISON FACILITIES? There is a prime example right outside Lancaster, CA. It is near an airport and next door to a NASA-type industrial complex. How many of you right under the shadow of it, noticed? The least visible facilities of THAT FACILITY are underground and it is fully intentional that YOU NOT SEE OR KNOW.

Friends, if YOU want to be on the “domestic terrorist” listing—go right ahead—but leave us out of your games. WE DO NOT FOR WE DO NOT IN ANY WAY PLAY IN SUCH TRICKS AND COY GAMES WHICH SET US UP FOR A TENURE IN YOUR CONCENTRATION CAMPS. We have no intent nor wish to participate in any kind of armed rebellion, revolution, subversion or overthrow of ANYTHING. If you can’t change your direction by changing your direction and building—I can promise you that destruction will simply merit you greater destruction.

In the line of using “parables” to point out possibilities, I want to offer you a bit of a story from *Spotlight* dealing with “Swiss bank accounts” and Cray computer operators. Just when you think things are hopeless, or safe, whichever grabs you, SURPRISE!

Why do I choose excerpts from THIS particular article? If the shoes fit—I suggest you get on with wearing them and start running in the right direction immediately. If it is to simply protect any investments you might have, so be it. If it is enlightening, so be it. If it is simply boring to you, so be it.

The tale is supposedly about the Vince Foster Swiss accounts—but I have no interest in that. I note the application of Super-computers, intrigue and management through networks. It does seem that some \$2.73 million—was wire-transferred out of Foster’s accounts, by skilled computer hackers just prior to Foster’s death.

“...According to James R. Norman: ‘For months, a small cadre of CIA **computer hackers known as the Fifth Column, armed with a Cray super computer, had been monitoring....accounts.**’” It seems they are able to locate accounts and track the flow of money from and to various locations and then remove it by computer to their own special locations. In Foster’s case, as in most cases, the tracking finds the flow from Israeli government accounts as regards political figures and it was that Foster’s name showed up on the Mossad files. The trackers could then snoop through any system and find out all they needed, or need, to know. Does it strike anyone as odd that all the conferences regarding Israel with ANYONE take place in the U.S.A.?

Many high-level U.S. political figures have had their accounts raided and since the money is illegitimate and feloniously gained, it is hardly ever reported. Just from political figures alone there has been a “loss” (or gain if you will) of well over \$3 BILLION within just a recent short period of “hacking”.

Indeed, it seems to be time that commitments made to ME are kept, good buddies. I run low on patience—Mr. Jackson. You are not indispensable to EITHER SIDE! I would guess that when and if you get the “pecking order” in full-view and acceptance, you will have more success. I sincerely hope someone on the other side calls to explain this to you—carefully. It is unwise to make commitments and promises to either the Devil or the Angels which you do not keep!

By the way, it is noted that Mr. Newby runs your rowboat? How interesting. Whatever is your intent and whoever “you” might be—I hope you understand that loss of credibility is loss of help. Oh, it is sure that I will get out of Mr. Newby’s way—but no thank you as to moving out of Mr. Jackson’s FACE. You do not send your trained lackeys to do your dirty work, no matter WHO YOU ARE! You want to get militias on stand-by for immediate action? You go right ahead but this time our people won’t be visiting or even writing to you. Wisdom or foolishness is in the intent of the “doer” and within the perception of the beholder; remember it most carefully.

THEIR OWN WORDS

If you are trying to make points about a given topic it is not sufficient to simply talk ABOUT the issues in focus. It is better to offer the very words, explanations, signs of action, intent, and presentation of those INVOLVED in any given set of circumstances. In this context we will, every time possible, offer a sect’s, group’s, own outlay of information FOR YOU to study. If we write on the topic of Jews, for instance, the best understanding should come from their own papers and selected rabbis and speakers. With this in mind I ask that the computer be cleared of this writing so Editors are not delayed and then we will move directly into the subject, *Discovering the Torah*, from articles written in the *Chicago Jewish Star*. It is part of *ONE WORLD CHURCH ORDER* to which we will refer to as Part 4.

ONE WORLD ORDER CHURCH, PART 4

by Calvin Buehrer

[QUOTING:]

DISCOVERING TORAH

Chicago Jewish Star, May 7, 1993.

INEQUALITY AND EQUALITY IN JUDAISM

By Rabbi Shloime Gestetner. (Rabbi Gestetner is the Director of Chabad of the Old City, Jerusalem.)

A distraught young man came to a rabbi with a strange request.

“Rabbi, I want to become a kohen!” he announced.

“I’m sorry,” came the reply, “but that is not in my jurisdiction.”

“Rabbi, please,” the man pleaded. “I’ll make a \$1,000 donation to the synagogue!”

But the rabbi could only answer, once again, that he could not do so.

In desperation, the man asked: “How about a \$10,000 donation?”

“Tell me, young man,” the rabbi finally said, “Why exactly do you want to become a kohen?”

“It’s simple,” he answered. “My grandfather was a kohen. My father was a kohen. And I want to be a kohen, too!”

Who is a kohen? From a genealogical viewpoint, Kohanim are descendants of Aaron. This week’s *Torah* portion opens with a detailed account of the law pertaining to the kohanim. **It is their duty to “separate themselves” and consecrate their lives to the service in the Temple in Jerusalem** (Maimonides, *Klei Hamikdash* 4:1).

All other Jews are Levites or Israelites, and have different roles within Jewish societies. In today’s egalitarian mood, any concept of a hierarchy—such as this one in Judaism, in which the kohen occupies the pinnacle spiritual position—would be deemed elitist.

Why, after all, cannot all Jews occupy an equal place in the service of Ha-Shem?

Surely in the eyes of G-d [**H: Don’t change this spelling for this IS the way of referring to the entity in point, i.e., “G-d”.**] all people are equal because they are created in the image of G-d.

Surely people are equally endowed with a divine soul. The mystic sees that whatever surface differences we may possess, on the inside people share a common gift.

It is, however, the unique spiritual qualities of the kohen which differentiate him from the Levite or Israelite.

The ancient texts talk of the kohen having a predominantly *chesed*-motivated soul (one in which *kindness* plays a major role). The Levite, these sources say, is more of the *gevura*-type, characterized by a severe nature.

It is not that a kohen is superior to a Levite, but that each has a different mission related to the soul’s disposition.

Judaism does not believe in castes. But it does respect different functions and destinies.

Men and women are different, Jews and Christians and Moslems are different.

The point is that one does not become another. **Judaism, for example, does not say that in order for the Christian or the Moslem to gain eternal salvation they must convert to Judaism.**

No, we must recognize differences, tolerate and respect them, and glory in the qualities that make us what we are.

What was the mission of the kohen? Through their service to G-d they were able to attain a high holiness level. And because of that, they had to go from the Temple and teach the ways of G-d to the general populace (see e.g. *Tosefta Sota* 7:8).

In other words, in a microcosm, the kohen assumed the responsibility of all Jews in the world.

Every human—Jew and non-Jew—yearns for the messianic time when “there will be no war”. Each of us needs to work to bring society closer to the realization of that dream.

Elie Wiesel, the Pulitzer prize winning author, describes this mission statement.

He relates that once, while conversing with the president of an African nation, he heard how Jews supposedly control the world, the banking system, and the media.

“We do not, and have not, controlled the world at all,” Mr. Wiesel said.

“We’ve played quite a small role in the world up TO NOW. But this is something that I wish the world WOULD allow us to do.

“I don’t want to control the whole world,” he continued. “What I ask is that you give us the world for just one generation, and let us show you what we can teach it and its children.

“I promise,” he concluded, “we will give the world back in a better condition than when we received it.”

[H: And so it came to pass in the land of the Shan that the world was delivered into the hands of the ones who asked for but one generation—and they took more, and more and more. Now that it is time to return the world to GOD, the promises, as usual when made falsely, are broken. And so it goes!]

August 27, 1993, Rabbi Shloime Gestetner in the *Chicago Jewish Star* regarding “Discovering Torah”.

REMEMBERING AMALEK: WHEN INJUSTICE IS FORGOTTEN

This week’s *parsha* continues with Moses’ final words of rebuke and advice as he passes the mantle of leadership of the Jewish people to Joshua.

The Israelites, poised to enter the Land of Israel, are readying themselves for the impending challenges which lie ahead for any nation-building people: economic development, social welfare, national defense.

With so many enemy nations surrounding the Land, it was very possible that a devastating war was not far in the offing. Thus Moses highlights the commandments dealing with “when you go out” to war (Hebrew, *kitetze*).

These laws pay special heed to wartime behavior and motivations. Perhaps in part because of these laws, Jews have never been known as a warrior nation.

Though each of three Jewish sovereign states, including the present State of Israel, has been forged with the blood of soldiers and civilians, the Jews developed not a culture of war but one of learning and moral pursuit.

In fact, even the great Jewish leader King David, who successfully defeated many of Israel's enemies in legitimate wars, [H: **"Legitimate" "wars" (???)**] was not permitted by G-d to build the First Temple "because his hands were covered in blood." [H: **Now you have added a second CONTRADICTION.**]

Ki Tetze. "When you go out" to war.

The *Torah* acknowledges that there are times when war is necessary. In contrast to the comparatively idyllic sojourn in the wilderness, Moses understands that sovereignty means that the Jews must now live within the natural order: evil exists, and those enemies who seek to destroy you must be repelled.

The theme of war continues in the closing portion of the *parsha*.

"Remember what Amalek did to you on the way, how he encountered you on the way and cut down weaklings trailing behind you while you were faint and exhausted... you are to erase the memory of Amalek from beneath the heavens. Do not forget." (*Deut. 25:17-19*)

What exactly does this *mitzvah* mean?

Is the *Torah* telling us to be vengeful, to hold a grudge? Just because a former generation harmed the Jewish people in the desert, does that mean we must wipe out the descendants of these evil-doers today?

(Today the *mitzvah* is not applicable because it is incumbent on the King. In addition, there is no discernible nation of Amalek since the time that "Sennacherib came and dispersed all the nations of the world" [*Talmud Berachot, 28a*]). [H: **How is this for getting AROUND a moral issue?**]

In fact, what the *mitzvah* to remember Amalek means is that there is no statute of limitations on justice. Of all people throughout history, the Jews have put the highest premium on collective memory—who we are, where we've been, and where we're going.

In addition, the Jews understand that their role in the world is vital—namely, to stand witness that absolute truth exists, and that good and evil are concepts which cannot be altered by fiat or hand-vote. [H: **And thus the birthing of the Kol Nidre.**]

Therefore, when we remember Amalek and take action against Amalek, we are not behaving like uncivilized brutes. On the contrary: to remember that evil exists and to fight against evil when it is unpopular to do so, is a Biblical injunction, which is the root difference between humans and the rest of the animal kingdom.

The *Torah* tells us that it does not matter how long ago the injustice was done. If it happened, we are responsible to eradicate it.

Today, especially in light of the Demjanjuk **debacle**, we see that nearly all Western governments—including Israel's—are **reluctant to pursue known Nazi war criminals**. There is a "let bygones be bygones" attitude which has seized public opinion, as if it is almost immoral to prosecute these old men

who “are no threat to anybody”. **[H: Never mind that they had the WRONG MAN!]**

This lack of commitment to prosecute crimes and destroy evil, when it is not politically expedient, is the foundation for corruption and the unraveling of the moral fabric of society.

“Do not forget” is a moral injunction. [H: Truly, even if there was nothing to remember.]

“Go out to war” may be a moral imperative. [H: Moral? Oh my...!]

[H: And now let us move to:]

November 19, 1993, *The Chicago Jewish Star*.

“Discovering Torah”

By Rabbi Shloime Gestetner:

JACOB’S LIFE: A PARADIGM
OF THE JEW IN EXILE

As the congregation prayed on one solemn Yom Kippur, a sigh and painful cry escaped the mouth of one of the worshippers.

“What is it about these prayers that make you cry?” asked a fellow worshipper.

“Why, don’t you see?” the man responded. “The whole tragedy of human life is described here. As it says, ‘What is man? His origin is dust and he returns to dust.’”

“You call that a tragedy?” the other man responded. “If it had said that man was made out of gold and turns into dust, *that* would indeed be a tragedy.

“But if a person’s origin is dust and one returns to dust—and in the interim one has the opportunity to make a *L’chayim*—why, that is not a tragedy. I see that as PURE PROFIT!”

Existential *angst* is part of the fabric of the human experience. Amidst friends, luxury and unprecedented entertainment opportunities, it is still possible today to experience loneliness and spiritual disillusionment.

Ya’yetze Ya’akov: “And Jacob departed from Beersheva and went towards Hebron” (*Genesis 28:10*).

Jacob flees his revengeful brother who threatens to kill him. He leaves Israel (Beer Sheba) to survive and journeys to Haran to find a wife.

Jacob stands as a paradigm of the Jew in exile. He is geographically, emotionally and spiritually alone. Furthermore, Jacob suffers. Tragedies continue to challenge him at every turn: Esau’s threats, Laban’s deceit, the untimely death of his beloved wife Rachel, and the devastating kidnapping of Joseph.

Yet with faith and tenacity Jacob survives and flourishes, building a spiritual fortress which can stand up to the adverse spiritual conditions. Within an amoral society and Laban's world of fast talk and quick deals, Jacob raises righteous children, the beginnings of a holy nation.

Va-yifga b'makom (v. 11). "He encountered the place, and spent the night there because the sun had set."

This encounter, according to the *Talmud*, denotes prayer (*Berachot* 26b). In fact, the *Talmud* continues, Abraham instituted the morning prayer and Jacob instituted the evening prayer.

"Because the sun had set" refers to the darkness and loneliness that a person encounters in life. There was darkness in Jacob's life. He was in danger, he was alone, the future was uncertain. He cried out to G-d, it was the "evening service," the prayers of the afflicted. (*Psalms 102:1*).

Even when one is in spiritual turmoil and lonely in spirit, there is prayer. The evening prayer is one of hope, faith and trust in G-d.

Furthermore, Jacob perceived a future of trauma. He saw the "sun setting", the destruction of the Temple that will be built in that very place and the subsequent exile (*Bereshit Rabbah* 68:9). Prayer is vital—but not enough.

He took from the stones of the place (v. 11). In kabbalistic literature this means that he gathered the sparks of G-dliness that were latent within the mundane and ordinary. He began the process of creating a temple, a place of holiness.

Suddenly Jacob realizes that "This is none other than the abode of G-d and this is the gate of Heaven" (v. 17). The efforts of an individual can effect a dramatic change, for in fact Heaven and Earth are close (see *Bereshit Rabbah* 69), for we don't seek the nullification of matter but rather the sublimation of matter. It is not cessation of society, but its betterment.

What is required is a new arrangement (the symbolism of the stones), changes that transform a disorderly world into an orderly one. Like the magnetization of iron, all an individual does is place a particular substance in a certain position and induce motion. The innate force in the substance—the atoms and the molecular structure of its reality—arrange themselves in a new order (magnetization).

"And he took the stone" (v. 18), that is, a singular stone. The stones he had collected earlier (v. 11) had coalesced into one stone (see *Talmud Hulin* 91b). The new arrangement is one of unity, holiness and peace.

The struggling soul finds peace, a temple is being formed. It is for this reason that Jews are obsessed with the Messiah (as one can see from the traditional daily prayer book). The purpose of Judaism is to bring about A NEW WORLD ORDER where unity and holiness will be once again apparent.

[H: Please, just one more from *Discovering Torah*.]

August 5, 1994, Rabbi Shloime Gestetner, *Torah* Columnist.

JERUSALEM AND
THE NATURE OF HOLINESS

“THE WORLD IS LIKE A HUMAN EYE. The white of the eye is the ocean surrounding the world. The iris is this continent, the pupil is Jerusalem, and the image in the pupil is the Holy Temple.” (*Derech Eretz Zutah* 9)

The “image in the pupil” burns deeply in the Jewish heart and soul. Indeed, there is a long historical/religious connection to Jerusalem and the Holy Temple.

Various Midrashic texts connect this auspicious site to historic biblical events: the place from which earth was gathered to create Adam; the dramatic events of the *akedah*, where Abraham was prepared to sacrifice his beloved son Isaac; the very place where Jacob experienced the prophetic dream of angels ascending and descending the ladder.

The “image in the pupil” describes a relationship: between G-d and the individual, between the celestial and the corporeal; a place where “Heaven and Earth” meet.

The Temple (and all Jerusalem) is described not as good or beautiful, but as holy. What is the nature of holiness? What makes a particular place holy?

Let us search for an answer in the original text.

In this week’s *Torah* portion Moses refers to the site of the Temple: “There will be a place in which G-d your L-rd will choose to cause His name to dwell. It is there that you will bring... your offerings” (*Deut. 12:11*; see also *12:5-6*).

Why is the “place” not referred to by a name, such as Mount Moriah, Talpiot, or even Jerusalem? Why does the verse highlight the fact that “G-d will choose”?

Perhaps the key to the elusive nature of our holy city can be found in the unique process of “choice”.

On the human level when we make a choice, it is influenced by a great variety of factors, like choosing an entrée from a menu. The qualities of the chosen thing (taste, price, etc.) together with various elements of your “external” self (your upbringing, your personality, your past experiences) all conspire to *compel* the outcome of your choice. Although a choice was made, it cannot be defined as true free choice.

However there is a “choice” where there are no identifiable factors, conscious or otherwise, that influence your totally arbitrary decision. The two objects or factors are equal, the choice is super-rational—the uninhibited expression of one’s quintessential self.

This type of “choice” is what the above verse emphasizes.

That particular mountain was not chosen because of its unique spiritual qualities or its rich religious history; rather it is described as any old “place”. It was simply “chosen”, period.

Beyond any rationale, the choice was an expression of the free, uninhibited Divine Will. A relationship was created; the “place” was imbued with holiness.

This metaphysical concept has *halachic* (legal) ramifications, as Maimonides notes in his *Yad HaChazakah*.

“Why do I say that the original consecration sanctified the *Bet Hamikdash* and Jerusalem for all future times? Because the sanctity of the *Bet Hamikdash* and of Jerusalem stems from the Divine Presence and the Divine Presence can never be nullified” (*Hilchot Bet HaBechir’ah* 6:16).

The word “holy” (*kodesh*) comes from the root word “to be separate”. It implies apartness, an entity which is beyond our grasp.

Only G-d, who is infinite, immeasurably remote and transcendent, can be called “holy”. By *Choosing* a “place”, a relationship with the Infinite Essence is created, disseminating holiness in the world.

The holiness is manifested in a series of concentric circles, extending farther into space and becoming fainter as they recede—from the Holy of Holies to the Temple itself, to the Holy City of Jerusalem to all of the Holy Land, and then beyond.

When living in the “palace of the King”, there are greater expectations and also privileges. However, wherever Jews pray it is towards the site of the Holy of Holies, the “place which the L-rd your G-d has chosen”.

Every single one of us, wherever we may live, carry the obligation of Jerusalem. “If I will not remember thee, O Jerusalem...” No! We surely will.

[END QUOTING OF PART 4]

Please, as we move along with *ONE WORLD CHURCH ORDER*, note that some of the dates, names and places are not CURRENT. That is because with the assembly of information you can only have “current reference” to the date of the compilation of the original material for all else becomes “forecast” or “fortune telling”. Please remember that this material came only in February, 1995 so some information will seem old and out of date. Please don’t ask me to change anything for if Mr. Buehrer wishes to “update” his writings to include all of 1995, that is HIS PREROGATIVE, not ours.

As an outlay of activities are brought into a volume you will find the material will span several to many years. All show a pattern of evolvement and action. I am a bit picked-upon for offering this material during the Christmas Season. Readers, it is first the time of celebration of the Jews with the several days of tradition which to suit needs is now recognized as Chanukah. It is never tradition or customs with which I take exception—it is the MISUSE of these things which bring negative aspect to otherwise goodly inten-

tions. As with all religions, readers, EACH HAS BEEN CASTRATED OF TRUTH TO SUIT THE NEEDS OF THOSE **IN POWER**.

It is, however, quite remarkable that there should be need to MAKE LAWS AGAINST RESEARCH AND SPEECH TO **COVER THE DARK SECRETS AND ANY TEACHING**. When a law is made that an “observation” or factual research revealing “differences” in what is projected against what is historical and valid truth, it becomes indeed suspect as to propriety or validity of that which is demanded to be used, and yet is quite false. Why is there need to fabricate history? Ah indeed! There is always shame and lies in a “fabricated” story—especially HIS-STORY. Be very careful lest you become so dumbfounded, confounded and unfounded as to miss the point of the “changes” to control you. If a man declares the sky to be purple and makes a LAW that restricts you in calling it “blue”, then you may understand the importance, for after a while of enforcement of that man’s law, you will forget and the lie of “purple” will prevail in the minds of all but the oral traditions. Three generations later all will have forgotten that the sky was blue as it is accepted as being purple. Perhaps a more vivid example would be to make the sky green but the change would not be so subtle as to fool you slowly into acceptance. You can do anything you want to do with “language” and “words” while wiping out all truth in the processing.

Please note that, as in the above writings, when you remove the “circle” or “whole” which is “+” (plus) in, for instance the spelling of G-d or L-rd, you have only remaining the absence of the whole and have produced the “-” (minus), or absence of the Divinity of the Whole. Translations mean EVERYTHING. Go forth and hide in the arguments, but note the TEACHINGS and then look at the words and see what is present. If your eyes be brown, for me to call them blue is merely stupid or it means I am quite blind as to color. I restrict neither stupidity or blindness as each will move according to his own direction—just please do not expect ME to follow the foolish leader off the cliff’s edge—especially if the cliff is some greater than two-feet in depth. You can soundly break your neck in a 6-inch stumble. Or, try “one word” which is misused, misstated or MISUNDERSTOOD.

People must respond to “meaning” in TRUTH and stop the gagging over language in concept and interpretation for “actions speak far louder than words”. It is quite amusing, in fact, to stand next to a man and watch him moving out your equipment while he tells you he “isn’t” and shouts such as “cult” at any present. Even “I” was under the impression that by definition a “cult” must have two or more participants (???). If indeed we constitute a “cult” it is surely the most tiny little group on the face of the Earth, with no members at all! And, further, if the name-caller claims to have been a member of the cult, so be it—for surely it was a cult of only ONE—HIM. Here there was rumored a cult started with followers of George Green and much has been written about same. Perhaps there is still that cult as we keep running into members. Calling a man whose name is Joe, “Tom”, does not a “Tom” make! When you people LEARN as much you will not have nearly so much heart-burn over the name-calling. If, however, Tom introduces himself to me as “Joe”, I shall surely call him Joe—and still FACTS are not changed one iota. GOD, HOSTS OR ANGELS NEVER, EVER CHANGE ONE IOTA REGARDLESS OF WHAT YOU CHOOSE TO CALL THEM—AND NEITHER DO THE EVIL ENERGIES WHO CALL THEMSELVES BY THE SACRED NAMES. IF YOU CALL YOURSELF “CHRISTIAN” AND THEN LIE—YOU DEGRADE THE SELF-USE OF THE TERM—NOT EITHER CHRIST OR THE LABEL, for YOU have chosen the terms, not the facts.

It is sad that you must come in need to RE-learn the lessons of TRUTH as offered by the great messengers, for it is so difficult to catch up to the thieves and liars and move past them into valid presence. If you walk

a crooked line for too long you become more crooked and confused than the line itself. When this happens, all of the gold, silver and diamonds in the Universe cannot set you to straight—only TRUTH can accomplish the task. How do you walk today? How do ‘T’ walk today? I don’t—I soar with Eagles and Angels! And, my wish? That you too gain your wings. Salu.

CHAPTER 8

REC #1 HATONN

SUN., DEC. 24, 1995 11:10 A.M. YEAR 9, DAY 130

SUN., DEC. 24, 1995

IN THE YEAR OF...

AS THE SEALS ARE OPENED AND THE TRUTH OF THESE DAYS ARE LAID FORTH UPON THE ALTARS OF MANKIND, THE SOULS BEAR FORTH THE BEAUTY OF THE LIGHT WHILE THE ONES WHO HAVE CHOSEN THEIR PATHWAY INTO THE SHADOWS WEEP AND WAIL. THERE SHALL A COME A SILENCE UPON THE LANDS AND THEN SHALL THE TRUMPET SOUND AND ALL SHALL KNOW THAT IT IS THE TIME OF THE COMING OF THE FATHER AND THE SON AND THE MOTHER, IN PERFECTION.

What mean I of the opened seals upon the altars of mankind? Ah, indeed, it means that the truth shall be spread open before man and across those things which man has worshipped; yea, even unto the evil places and deeds shall the truth of man's journey be laid bare for ALL to see and hear—**and know**.

Man seeks his way among the thistles and obstacles strewn along his paths and roadways while he has become blind and deaf to that which is truth, goodly, moral and just. He has turned to join with and within the entrapments of his distractions and has fallen as he has become crushed by those things of human physical sensing until he has no way to see or hear truth, except as a lonely, screaming need for peace and joy within his broken being. But soul waits in impatience, longing for benediction of God that it might find rest within its oneness within the perfection of its birthing. No PHYSICAL "thing" fills the need, the void, of that which IS Man for man is not of the physical but of the essence of etheric coalescence wherein naught but the body is physical. If a body be broken and lost, the soul has no need to bind itself to the broken body, but to rise with the Angels unto the heights of the eagles and on into the universal Cosmos with its own.

Sometimes, precious lambs, it comes that there is a need of the body to be suppressed that the soul can find its freedom and that it might assume its rightful place as a leader of mankind, a torch of hope to others who wallow in distraction and perception of being crippled rather than handicapped in a binding of flesh and broken things physical. Sometimes the body has be stilled that the soul can hear GOD our Creator, calling out to us to "get up from thine cot and FOLLOW ME!" If you are NOT stilled enough to listen, how can ye hope to hear YOUR call? Will YOU miss your purpose in journey because you could not silence self—AND HEAR? Can you who do not walk, but could do so, fail to heed the summons? Can you not hold high your lamp, rise to your feet (never mind if there are none) and light the way for your brother that he might see that "handicapped" is not "crippled"? To be "crippled" is a perception of the mind for a totally infirmed person can be quite whole and certainly "UNCrippled" by whatever might be his circumstances. I would ask you about the definition of "paralyzed", as a for instance. We have no etheric meaning to the word for we have no need of functioning OR non-functioning BODIES, and yet we are

whole and valid—why can you not rise beyond that which is PERCEPTION and into the reality of LIVING? There are none so DEAD as those who walk and breathe and live in a state of brain-dead existence while there is not even “handicap” to consider. Mankind is the limitation of CRIPPLED. Mankind is a species at the brink of “mind”-loss and when the mind is so enslaved as to find no alternative—the soul withers and passes.

How do you know when the time is upon a civilization and its days are numbered as the sheets of the calendars? By the SIGNS which are always present. *Revelation* is not a tale of prophesy—it is a tale of MEMORY. The signs are always the same, the sequence identical, for Evil never has to change the play. For the evil works every time without change. YOU MUST CHANGE THE PLAY SCRIPT OR IT SHALL NOT BE CHANGED. And indeed, YOU ARE THE ONE WHO CAN AND MUST DO IT!

As we write and the visions flow past like the flickering of a motion picture film, a great sadness overflows the scribe for, indeed, WE SEE that which shall come and hiding the eyes helps not for the vision and truth is burned into the very soul of infinite being. The SOUL sees beyond that which is the moment and into the very soul of living matter as it is transmuted and translated and all things known upon the lands are changed and hardly any living thing remains in that which WAS. Ah, but beyond this vision is the wonder of rebirth on the other and distant side of the curtain which has blocked the view of our experiencing physical beings.

You of LIFE shall be given the ability to look back and see the journey into the infinite passages, but the dead and dying will lay before your eyes as the terrible thing it became before its own passing. From out of the very bowels of the Earth shall the weeping rise to blight the very last breaths of death of that which WAS. And our people will turn and move ever upward into the LIGHTED passage-ways of our Guardians sent to see us through this passage of death into LIFE.

This day is Christmas Eve and this by definition means the eve before Christ Day. Is it? Will the morrow be a day of Christ or a day of Satan (Santa)? Or, may we look ever forward and recognize that we are truly on the EVE of CHRIST’S DAY? I take no note of religion or named messengers or teachers, masters or students—I speak of the LAW OF GOD which MAN HAS FORGOTTEN or refused as he sought his own re-creation in the things of passing physical presence.

You take your so-called Holy Books, and then, in lack of understanding, you search for a seer to opinion his edicts upon you for you do not comprehend meaning—but then, neither does he understand and babbles his speakings as a sentence upon you.

Have you, actually, any real understanding of your “timing of sequence” in your own play? Are you entering the era of the seals? The bowls of Angels? The four horsemen? Or, have you bound Satan once and now he is loosed for his final thrust and rule over the Earth? Are you to the end or the beginning of your tribulation? Will the millennium bring a return of and to God or do you move into the PLAN of the Beast? Well, everything else the beast tells you is false and a total lie—so it would appear to me that perhaps we should consider alternatives along about now.

If your assumption is according to the PLAN of the Beast, you would be given to assume the Beast will come into total power according to his own Plan 2000. HOWEVER, think again, for if he is reaching the end of his 1000 years of total rule upon the planet, having been allowed a “second” chance out of the pit—

perchance can there be HOPE for a movement beyond the next “migration” and into a time of healing and rebirthing within the Light of Creator/Creation? The last century in your counting has been about as out-of-control and negative as you can get without totally destroying your very life-structures. Did the trumpet sound heard about the world in your year of counting, 1987, be the first or the LAST? If you are “prepared”, does it matter which it was or would be? If you responded to the call you are now prepared of SOUL for that recognition and have only to serve and await the interesting things which shall come to pass around you. There will be some pretty sensational things going on to write home about, chelas—IF, you don’t miss the boat.

There is no “race” or “people of any group” who are culprits which have brought a planet to her knees—it is out of the very bowels of evil that usurpers and so-called illumined ones have risen in conspiracy against God’s people. These puppet-masters have come from every “so-called” race and formed a creed which negates GOD CREATOR and thus is Anti-CHRIST for the term “Christ” is not a label for A man—but a state of being within the knowing and being of God (goodness).

I have been petitioned to share some spiritual “hope” with you who read our speakings and writings but what I find is that I must have something from your own species to share with you or you fail to trust enough to HEAR and SEE.

I can, and have done so, go through the *Revelation* and question and answer for hours upon end only to have the SAME inquiries raised again from the same inquiring minds. Therefore, as I see presentations with which I concur, I like to share THEM so that it does not appear I am a psychic nit-wit or some other dastardly ghost running around scaring your pants off you.

I am constantly accused of being nothing but a “fear-monger” and that I fail to give positive motivation and on and on as ones chastise me for my indiscretions and incapacibilities ACCORDING TO THEIR OWN LEARNED WISDOM. I am amused to note that these “teachers” and would-be “instructors” have not solved the problems of your world or your species but can most certainly redirect their “druthers” onto me for utilization AFTER I have failed to act upon some idiot foolishness of someone who claims some type of leadership position to which no one save self appointed him/her. If you simply replace one slave-master with another of the same ilk (which is obviously going to happen by the definition of the term) you have worsened your position. There are no MORAL wars and there are no HOLY wars—WARS ARE OF EVIL INTENT AND CONTENT. Therefore the “offended” lash out in excuses and explanations when in actuality I have no cause to be offended nor do I heed “excuses” when the real reason (lack of understanding) would be sufficient to explain foolish outcry. I see a world in downhill snowballing, sliding into destruction and you would have me attend somebody’s injured ego-trap? No thank you. I am not in the business of selling papers or books or anything. I AM SENT TO TELL YOU THE TRUTH, BLOW THOSE HORNS AND SOUND THOSE ALARMS, AND THEN OFFER SOME HELPFUL DIRECTIONS—NO MORE AND NO LESS. AND IF WE NEVER ACQUIRE EVEN ONE MORE READER, SO BE IT. I always respect and revere your opinions, perceptions and gladly accept all input—but the “wishes” of the unknowing are not my responsibility to tag along behind. My responsibility is to BRING YOU TRUTH. I have the credentials and the qualifications to KNOW and therefore, since you have made a nasty mess of a perfect place—I shall not honor your prattlings for I KNOW MY MISSION, MY STATUS AND STATURE AND WHO I AM. I NOTE THAT YOU DO NOT KNOW ANY OF THESE.

What interests me? YOU. You in truth consumes me. You as MAN have been the target of great conspiracies to “gether” souls, friends, and through the conspiracies of men who have been able to fool you and manipulate you, you have fallen into their traps wherein you now become so entangled you cannot free selves without Divine intervention and direction. Those who first thought themselves so illumined as to run the world called themselves exactly that, Illuminati.

Thousands of historical and valid information papers have been handed down to you of the NOW, but still the argument goes on and the demands for your death as souled beings is demanded on the altar of the Evil Cartel. Worse yet, the very religions which were claimed to offer truth and freedom feed you on lies and false teachings. So you seep deeper into the mire of the bog-pits.

CONSPIRACIES

How can you deny a global conspiracy of evil conspirators when these have been the historical facts of all time on your planet? Saying a thing is not so does not make it not so—it only reflects the prattlings of a fool when it exists and is covered by lies and false shams infested with the parasites and bloodsuckers of life itself. I suggest you heed the *LAST TRUMPET* and take a look at possibilities on this Christmastime experience. We ALL know you are in the final changes of something pretty big and every which way you turn on your dangling string you are told what to do, how to do it, who really owns it, and thus and so. If there are TAXES attached to ANYTHING—you own it not—you are but a renter of it. THAT, readers, IS THROUGH *CONSPIRACY* of the controllers against YOU-THE-PEOPLE.

I believe we can probably agree that you are somewhere about the time of the prophecy regarding the seals and their meaningful experiences so let us take up along about that sixth seal and focus on the possibilities of meanings.

I am asked to NOT offer information about this next resource so I will offer this directly as written as that is the request of the writers. I don’t believe I will need make much commentary for I find a pretty good picture having emerged from the puzzle as put together herein.

[QUOTING:]

“For if the trumpet give an uncertain sound, who shall prepare himself to the battle?” 1 Cor. 14:8.

BREAKING THE CHOKE HOLD OF ILLUMINISM

“And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood; And the stars of heaven fell unto the Earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind. And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places. And the kings of the Earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; And said to the mountains and rocks, Fall on us, and hide us from

the face of Him that sitteth on the throne, and from the wrath of the Lamb: For the great day of HIS wrath is come; and who shall be able to stand?" Revelation 6:12-17.

We will focus on and examine the current strangle or choke-hold that the Masterminds of the Great Conspiracy of the Illuminati have on the people of the United States and the rest of the world. We are nearing the end of 1995 and approaching the election year of 1996. We are only four years from the turn of the decade, century and millennium. (Do not confuse this with the millennial doctrine.) Thus, the odometer of time will be turning over a one, ten, one-hundred and one-thousand. The occultic conspirators, new agers and one world advocates believe that the "Age of Aquarius" will then begin and will take until the year 2004 to be firmly in place. I have come to believe that we who are now alive are the last generation, and that the coming of our Saviour is at hand. **[H: I must interject here that there is no "Saviour" coming to SAVE you as such. Your "rescuers" might well be coming but only SELF can SAVE SELF as assumed by this terminology. The observation about the "last generation" is valid consideration and so too is the return of HIGHER beings, including the perfection of God's Hosts and the return of HIMSELF. I am going to use the words of the author here but I assure you that such terms as Saviour as in "Jesus" are not correct. "Christ" is the consciousness here in meaning. And remember that, before Saul named Emmanuel "Jesus", his name was Esu Emmanuel so all the use of the label does not make it so in actuality. My reason for using this material is its written observations about the "times" at hand. Whether you believe in Podunk or Jesus or Emmanuel or Buddha or whoever, THE recognized energy of Christed God shall again be coming among you so, please, let us let go of such bindings as creeds, colors and races.]**

This 20th century has been one that has twice seen the entire world at war. Earthquakes are increasing with intensity and frequency. Government and society have been universally debauched, and all organized "Christianity" has become or is rapidly **becoming Antichrist**. Violence and immorality has filled our streets and our cities have become war zones. The Justice Department has become the "Just-us" Department with total disregard for what is right. Yes, something has a deadly choke-hold on this nation of the United States, and yet there is no cry for help to the only one who **CAN HELP**.

As we now examine this strangle-hold by the force of the Illuminati, we must always bear in mind that the choke hold will soon be broken by the Lord Christ. Our Christ has a divine schedule, and soon He will arrive precisely on schedule, and that will be a day of weeping, wailing and gnashing of teeth.

THE CHOKE HOLD OF THE NEW WORLD ORDER

...I am highly sensitive to what the conspirators are doing because I WAS so much a part of their world. We must attack the enemy with the full power of prayer and then shine the floodlight on what is being done in the dark conspiratorial chambers of the Illuminati!

There are many Illuminati-controlled front men in our country today on radio talk shows and in other forms of media that are knocking themselves out trying to convince people that there is no conspiracy. Here let it be noted that Rush Limbaugh is one such man. Limbaugh insinuates that only the "kooks" believe there is a conspiracy. Limbaugh mentions many of the problems in our nation but never exposes

who or what is doing the choking as our strangling nation gasps for breath. **[H: It would be good for you to remember that Rush Limbaugh “sounds” real good but he was a paid prattler for the Republicans to the tune of \$8 million dollars to push Gingrich et al. He also has traveled and gained instruction from his handlers in Israel so, please, listen with discernment. That however, must be done in and with all information spouters—including this one we feature and myself. You must JUDGE actions and words—never mind the source. The best teachers are the most Evil of those among you for they are so very good at what they do! Ponder it.]**

Is there a conspiracy? Consider the following quotes: *“There is a power somewhere so organized, so subtle, so watchful, so interlocked, so complete, so pervasive, that they better not speak above their breath when they speak in condemnation of it”* (The late President Woodrow Wilson). **[H: And boy, he, if anyone, SHOULD know!]** *“The Individual is handicapped by coming face to face with a conspiracy so monstrous he cannot believe it exists.”* (The late FBI director J. Edgar Hoover, whom the media later branded as a sex pervert, because he dared expose the conspiracy.) **[H: No, this is not accurate—he WAS a sex-pervert! And he was a PART OF the conspiracy.]** *“Every effort has been made by the Federal Reserve Board to conceal its powers, but the truth is... the Federal Reserve System has usurped the government. It controls everything here (Congress) and it controls all our foreign relations. It makes and breaks governments at will.”* (The late and murdered Congressman Louis T. McFadden, ex-Chairman of the House Committee on Banking and Currency). *“And the Lord said unto me, A conspiracy is found among the men of Judah, and among the inhabitants of Jerusalem”* (Almighty God in [Jeremiah 11:9](#)).

[H: How is that for pinpointing the problem and the problem-makers? Interestingly enough, however, it doesn’t take Almighty God to recognize the situation.]

Yes! There is a conspiracy and the agenda of this cabal is intensely evil. The Illuminati-controlled government has numerous covens of witches and astrologers advising them, just as the kings and emperors of Babylon, Greece and Rome, as had all of the ancient empires. A simple examination of the timing of planned events reveals that the whole scheduled agenda runs on astrology. A current example is the threat by President Clinton of shutting down the government and sending 800,000 workers on furlough, because the government will run out of money on the 13th day of November, which is also **exactly 39 days** (three 13s) before the witches’ high sabat of the winter solstice. Whenever this happens, the interest rate rises. Again, this is perfect satanic timing on the part of the Clinton Administration.

[H: Please pay attention to the above. It would seem that these things came to pass but I would note that there is one thing to throw you for a loss—a tiny, tiny break in the interest rate. It was a signal—not a good news tid-bit. You have to realize that the ones who KNOW and write about these things put the adversarial conspirators at a great loss as to what to do to avoid being caught in TRUTH. You are witnessing the stupidity of government in idiot-actions as we write here this minute. I cannot see how anyone can miss it for it is glaring as the script written across the very sky.]

THE CHOKE-HOLD OF
UN ONE-WORLDISM

While our nation is floundering in bankruptcy, the Clinton Administration continues to force the UN One-World plan upon an uninformed public. The UN plan (which is the Zionist Plan 2000) is one of divide and conquer, which is why they are pushing the “diversity” doctrine. Our “public” schools have become brain laundering facilities, where indoctrination has replaced education, and the zeal to succeed has been replaced with energy for rebellion against law and order. Schools throughout our nation are graduating students who cannot read their own diploma. It reminds me of the movie classic *THE WIZARD OF OZ* [H: Please read Cathy O’Brien’s *Trance Formation of America to understand just HOW MUCH LIKE THE WIZARD OF OZ THIS REALLY IS!*], when the wizard said to the scarecrow, “I can’t give you a brain, but I can give you a diploma.” It was the Communist Vladimir Lenin who said, “Give me your four-year-olds and in a generation I will build a socialist state.” Here let it be noted that the Federal Government runs a program called Operation Head Start, which was originally intended for four-year-olds. Lenin also said, “*Destroy the family and society will collapse.*” The governmental schools are very craftily accomplishing Lenin’s plan under the umbrella of the UN “Right of the Child Program”. Children are being taught the proper use of the condom, and of course, they cannot apply what they have learned without having sex. At this point, I must note that a number of years ago I pointed out and warned about the dangers of condoms. When I published that newsletter, I stated that the pores found in latex condoms are large enough for the AIDS virus to get through. Some thought this to be incredible, but now, the University of Wisconsin has handed out fliers to its students which read, “A 5 micron hole, found in some latex condoms, is 50 times larger than the HIV virus. The virus can easily get through.” (1) The false safety of these sex devices is spreading the plague of AIDS, creating an epidemic of astounding proportions.

Another UN plot is the governmental requirement in some areas for sensitivity training, or, as it is sometimes called, “Diversity Class”. According to a March 31st, 1995, *New York Times* article, Representative Frank R. Wold, a Republican from Virginia, held a hearing to investigate charges that the Department of Transportation had sponsored training programs in which “men were groped, women sobbed for hours, and Blacks and Whites were urged to exchange epithets.” The article went on to say, “Among the many bizarre instances documented by staff doing the investigation were requirements that employees stare at lighted candles for hours, be physically tied to co-workers for hours, be required to strip down to their underwear in front of co-workers and reveal deep-seated problems, and list vulgar terms for women and minorities.” (2) This is a classic example of how the Clinton Administration thinks and operates. We must remember that such idiocy comes from the evil chambers of the United Nations Beast which is a many-headed hydra monster that is now flexing its muscles on the East River in the city of “forbidden fruit” known as the “**Big Apple**”.

A WORLD TAX? GOD FORBID!

Recently I was in New York City as the United Nations was preparing to celebrate its 50th anniversary. The spirit of evil there was stifling, and the reason why is becoming more obvious every passing day. At the anniversary celebration, President Clinton said, “We need to say yes to a brave, ambitious new agenda... most of all, yes to the dream of the United Nations.” What Clinton was referring to by the words “ambitious new agenda” is the plan issued by the U.N. Commission on Global Governance to impose Global taxes on American citizens and citizens throughout the world. The title of the U.N. report outlining this big new tax is, *Our Global Neighborhood*. The taxes would be imposed on all multinational corporations, which would raise the prices of **everything** purchased. Other things that would be taxed would be

fishing and airline tickets. (3) The Clinton Administration wants to go even further by imposing global taxes on energy and currency transactions. (4) How heinously evil is this plan? If currency transactions are globally taxed, it will raid the pension funds and mutual funds and will especially hit the elderly very, very hard. (5) It is a sad fact that in 1995, 4 billion dollars of U.S. taxpayer money flowed into the U.N. Furthermore, Clinton is using our own U.S. defense budget to pay for the U.N. peacekeeping missions. These so-called missions require that U.S. military personnel change into the U.N. uniform and subordinate themselves to foreign military leaders. Here let it be noted that Spec. Michael New, a U.S. Army medic, is scheduled for a court-martial and is being threatened with a dishonorable discharge and jail time, because he has refused to put on the U.N. uniform. (6) Spec. New said that putting on that uniform would be violation of his oath to uphold the *Constitution of the United States*, and for that he is now threatened.

Referring back to the document mentioned before, Our Global Neighborhood, we find the following written on page 344. “A start must be made in establishing schemes of global financing of global purposes, including charges for the use of global resources such as flight lanes, sea lanes, and ocean fishing areas and the collection of global revenues agreed globally and implemented by treaty. An international tax on foreign currency transactions should be explored as one option, as should the creation of an international corporate tax base among multinational companies. It is time for the evolution of a consensus on the concept of global taxation for servicing the needs of the global neighborhood.” (7) Here let it be noted that the projected income from such a global tax is estimated to be 1.5 trillion dollars per year, which is slightly more than the annual budget of the entire U.S. Government. One can only wonder if someday the Internal Revenue Service will give way to a Global Revenue Service. People everywhere should write to their Congressmen and demand that the U.S. get out of the U.N. and the U.N. be hurled out of the U.S. The U.S. should not be paying the salaries of U.N. officials, who receive 40% more in salary than U.S. officials.

The question remains, why don't people come fully awake and take action against such heinous activities by the masterminds of the Illuminati's Great Conspiracy? Perhaps we can find the answer in the words of well-known but deceased head of state. Consider the following: “*The people gaze fascinated at one or two superficialities, such as possessions and income and rank and other outworn conceptions. As long as these are kept intact, they are quite satisfied. But in the meantime they have entered a new relation; a powerful social force has caught them up.*” These were the words of Adolf Hitler. We know that through prayer and faithful service to the Almighty, we can make a difference and cause havoc with the Illuminati plans....

[END OF QUOTING]

May I suggest we close this writing now as it is time to participate with family in the festivities of the day. Please, readers, as you think on these things may you always realize that GOD is as near as your intact MIND. This means, by its very statement, that if you allow your mind to warp or fragment—so too shall you lose your attachment to that foundation of all Creation, our Creator. May my gift to you at this time of remembering goodness and sharing, be that of lighting just one little brain-cell into understanding and recognition of the beast at your door.

Salu. God blesses you in your journey unto truth and in the hollow of HIS hand shall He hold us unto HIM. I bow unto HIS wisdom and seek always, HIS GRACE and He rewards me with the Universe without

limitation and without hesitation in His giving and regiving **THAT I MAY BE**. And in the realization of that miracle of **LIFE**—so too can you become!

CHAPTER 9

REC #1 HATONN

MON., DEC. 25, 1995 8:06 A.M. YEAR 9, DAY 131

MON., DEC. 25, 1995

“...ON CHRISTMAS DAY IN THE MORNING...”

On this memorial day celebration throughout the world there is more intense joy, and/or pain, than on any other day of the calendar year. Not even the celebration of the crucifixion, and ascension of an accepted Christ (or a Jesus) accompanying the even earlier celebration of Easter, fills the cup of sweet wine or bitterness that accompanies Christmas.

IT IS AN IDEA

All in one package Christmas recognizes hope, remorse, happiness, agony, ecstasy, disappointment, a few moments of satisfaction and fulfillment, a loss, a gain.... Every “feeling” of emotion is intensified and, within that area of “hope” in the listing of expectation, people even paddle off to churches and synagogues (there is no difference) and give some attention to that which is higher than themselves in either hope of growth or in the Satanic ritual, a prayer for further control and affliction.

In WHICH rests truth? Neither and both. For again the PROOF is in the individual intent of EACH—not each religion, but rather, each individual.

CLEARING DARK ENERGIES

Could “I” go within a Satanic church and clear out all the “dark energies”? Indeed, and so can you—but what have you gained? The individuals in attendance will only hate you and form revenge parties against you. Your own worshipped Master-Teacher did as much and after 2000 years YOU ARE STILL CRUCIFYING HIM—ON THE CROSS OF PAIN. In the Catholic Church you will ALWAYS FIND THE MAN ON THE CROSS IN DEATH AND BLEEDING TO BE THE CENTERPIECE. THIS SHOULD BE YOUR CLUE TO TRUTH. In every religion the “CROSS” is the major symbolic ritual tool.

Does it never occur to you as a species that UNTIL YOU REMOVE THE HOPE OF THE WORLD FROM THAT CROSS YOU CAN HAVE NO FREEDOM OR *LIFE*?

WHY HAVE THE HOSTS COME?

Why have, indeed, the Hosts come? ***TO TAKE OUR BROTHER OFF THE CROSS IN YOUR RITUALISTIC SLAUGHTER RITUALS.*** When you see a crucifix—you see the death and detention of GOODNESS affixed to a cross of agony and pain WHICH REPRESENTS YOU-THE-PEOPLE!! It is not your salvation represented there but your sure march to DEATH.

So what is the gift-giving all about? It, the gifts, represent the tokens and coffin offerings to the DEAD! It is the exchange of THINGS which cement you to the physical and disallow you to attain that which is Spiritually beyond the moment of physical expression.

Do I expect you to GIVE UP these ideals of sharing (which undoubtedly YOU bear) and ideas of a Christ birthing into a world of evil? No, because YOU DON'T KNOW THE TRUTH! Until you know truth, why should you, or why COULD you, change that which has been taught for millions of ages?

You try to bring light and hope through strings of Christmas lights and tinsels, glitter and blitz of drink and feasting. You share TOYS instead of TRUTH—but the soul feels better for the moment of giving and receiving. It is a human enjoyment in expression within family and friends and for a brief moment, even between enemies. For just a little while you can PRETEND that wishes are good and hope abides. In war there is often a Christmas truce. Are you kidding me or yourself? What that says is, “I won’t kill you today for that would be ugly! I shall wait and kill you tomorrow.” Is THAT not even more ugly? In other words, I shall give you a toy today, feed you and lull you to sleep, and kill you later when you don’t expect it. (Or perhaps you do expect it; it matters not.)

ONES EXPECT OF ME

So what? And so, what...? What do ones want and expect from me? Well, at a wondrous holiday season, certainly NOT the TRUTH. You want me to somehow bounty-up your motivation to share some order of bettering your own circumstances, falling in behind that which is not excellence to give the builders of the non-excellent presentation good fuzzy and warm feelings of tidings of great joy. No thank you—those may be YOUR wishes, not mine! **TO DO SOMETHING WRONG IS MOST CERTAINLY NOT BETTER THAN DOING NOTHING!** Further, to ask ME to sanction and bless the incorrect attitude is not going to happen, readers. I will bless your intent of goodness—I will NOT bless your foolish presentations and actions. My job is to bring life and light in Truth—not to bless your incorrect presumptions and assumptions.

I am not a little E.T. hopping about touching finger-tips and healing your scratches. I am head of the Hosts of God Creator come to set the stage for the return of GOD TO HIS PEOPLE! **IF YOU DON'T LIKE IT, READERS, I CANNOT HELP IT FOR IT IS YOUR PROBLEM AND NOT MY OWN.**

“Oh, but I don’t like Ekker-Ekker Dharma Phoenix, rattle, prattle, fiddle and faddle...!” you say? Well, that is none of their, or MY, business either. YOU will not be counted in the body of God, I would assume, or you would not separate yourself OUT and away from TRUTH while moving into your world of cover-up and hidden actions. Don’t you just wish those actions would remain hidden? Well, the time is upon your lands when the SEVENTH SEAL IS BROKEN, people, and TRUTH IS GOING TO BECOME KNOWN! **YOU will be in the ACCOUNTING and that which YOU DO UNTO MY PEOPLE WILL BE PLACED ON THE GIANT SCREENS FOR ALL TO SEE AND KNOW.**

Even the corrupted courts of (sic) sick law may very well RULE against truth and justice but the act will not make a whit of difference in the STANDING OF TRUTH. So, are you in big trouble? YES INDEED—BIG TROUBLE. GOD HAS MADE HIS PROMISES UNTO HIS PEOPLE—

AND GOD KEEPS HIS PROMISES—EVERY ONE!

SEVENS (7777777) VS. SIXES (666)

What means all the seven “things” as in *Revelation* visions? Simply that there is Godliness in the “7s” of meaningful signs and clues to “timing”, seasons and HOMELAND! You numerologists are hung up on “9” being Godly and “6” being Ungodly. So be it, but seven is the number which means the most in knowing circumstances. “8” is the sign of infinity or it simply means that $7 + 1 = 8$. I don’t have a lot of patience with your counting or your interpretations but there are great truths in the correct use of such “ac-countings”.

There is, however, even greater meaning in the fact that the six is beneath the seven and all things higher. No matter how the “chips fall” or the “cookie crumbles” GOD CREATOR SOURCE WILL PREVAIL **OVER THE LESSER ENERGIES OF EVIL** (whose ritualistic symbol is ^{^^^}, or, 666). ^{^^^} is a symbol of Sananda’s alpha and omega. You have no way on your typesetter to present the pattern correctly—but this suffices. CHRIST IS THE “ROOF” AND THE “FOUNDATION”. THREE (6s) may very well ADD UP TO “NINE”—BUT NEVER WILL IT ADD UP TO **GOD**.

Now, you who are going to tinker with this further—you better check “out-there” wherever, and look for something which represents SEVEN and get with the program and stop prattling about “little gray aliens” and turn unto the TRUTH of lineage of GOD’S troopers on duty. If YOU are found within the tribes of God’s enemy troops in participation and intention—we will consider you to be AMONG THEM—**LITERALLY!**

BY THE WAY, ABOUT THOSE “INDIANS”

First let us have a clear meaning for I DO NOT mean Indians from India. I speak of the lineage of the ANCIENT ONES! OUR ANCESTORS, now presented as aboriginal PEOPLE. THEY are the PEOPLE, literally. They are the basis of HUMAN people! They always were and shall always be and your “druthers” will make not one iota of difference in that FACT.

They have borne the truth in their oral traditional teachings since the BEGINNING. And, good buddies, it will sustain in the ENDING of that which you recognize as the ongoing cycle changes. YOU ARE TO THE BIG MIGRATION, CHILDREN, AND I WONDER HOW MANY OF YOU HAVE YOUR BAGS PACKED?

The “indians” are not about hugging trees and kissing frogs; they are degraded and distracted EXACTLY LIKE EVERYONE ELSE. THE BURDEN, THEREFORE, OF TRUTH—**FALLS UPON THE BACKS OF THE WILLING TRUTHBRINGERS**. Please don’t give me garbage about “Paganism” and worshiping of MANY false idols among the Indians. WHAT DO YOU CHRISTIANS (OR ATHEISTS) WORSHIP? NO, IT IS **NOT CREATOR**. YOU WORSHIP THAT WHICH IS “CREATED” AND TRY YOUR BEST TO GET A CORNER ON THE MARKET OF THOSE CREATED ITEMS WHICH HOLD YOUR PERCEPTION OF VALUE.

While Dharma sighs in resignation of one more wall of flak to be strewn in her path after this message, Little Crow flaps his big white Eagle wings and smiles and recites to himself that “we are finally getting somewhere”! So, soon now, he will polish up his feather quill (pen) and sign his book and offer you truth in his

type of presentation about LIFE—*THE SACRED HILL WITHIN*.

When US&P banned Dharma's writings called *THE SACRED SPIRIT WITHIN*, dedicated to Little Crow—IT WAS THE SIGN—OF THE SEVENTH BOOK (SEAL), AND HAS FAR GREATER MEANING THAN ANY OF YOU "OTHER" READERS WILL EVER COME TO KNOW! The banning of the books on LIGHT were the final physical important sign of the end of the play and the velvet curtain falling shortly upon this eon of experience. So, is Dharma hurt? Only her feelings!! She can rest in the acknowledgement that she has filled one of the most IMPORTANT roles on the face of your STAGE at any time—ANYWHERE. But she doesn't for she has absolutely NO way to relate to such things. DOES LITTLE CROW KNOW? YES! Little Crow White Eagle HAS ALWAYS KNOWN! He is my son, my father, my brother and, above all, HE IS MY FRIEND. I can give no higher honor to any MAN OR SOUL. He has attended my scribe and my hands, my speaker and my love, he is the wind that blows her sails when the masts are broken and the rents are gaping. There needs to be no call except through the thoughts, and when all of you come to KNOW this truth, you shall be FREE! Remember that "freedom" is but a thought as is every "thing" manifest or etheric. We are the blessed THOUGHT of our CREATOR to whom I offer reverence and RESPECT—I do not *worship*.

WHAT'S IN A NAME?

I am always amused at the tiny little things which intrigue you as in "numbers", "words", star signs, etc. So what might mean "dharma"? You pull a lady named "Doris" to a frazzled and tattered being by your slings and arrows while others mend the rents and rips and keep the sails billowed. But I wonder, what is in a word? Well, "dharma" simply means something to the effect of "bringer of life truth"—so it is but an identification of her task as our scribe. Her name, alone, has meaning far beyond that which parents attached to a tiny babe who was never secure or rooted. Doris Eloise was her penned birth name, given to simply identify. But let us consider the "THOUGHT" behind the presentation. Doris is "Dorian female" all tangled up with the SEVEN sea children of the Universal Sea. Eloise is a name which represents Ella which is "come in", "come forth", welcome, etc., in Greek. There is also a term used for a life-boat, dory, which is also a "clue" which means the bringing forth of that which will "save your life"—or your everloving ass-ettes. So you end up with "welcome aboard the life-boat". Interesting? I suppose so. I can assure you of one thing: "Dharma" doesn't think it interesting because she has NO wish AT ALL to be anybody's life-boat as she claims her own is quite sunk and riddled with holes. So we, with our great long hands, encircle her and pull her from the mist over and over again, breathe truth and, literally, life again into the body that we might move on into the LIGHT of realization. She does not have to deal with your perceptions—only her own. You have long ago lost the truth in meaning of your teachers. We don't come forth to light stages for entertainment of "readings" for individuals who refuse to accept their own responsibility. Ah, but there is personal recognition and attachment?? YES INDEED!! WE ARE ALL IN THIS LIFE-BOAT PRAYING TO MAKE SHORE AND SAFETY.

The more seals opened and broken, the more Angel-bowls emptied upon the lands, and the louder the trumpet blasts become—the more we have to patch the dory-holes. But, once TRUTH IS LOOSED UPON THE LANDS—THE WAR IS WON—AND ONLY THE DYING IS LEFT TO DO FOR THE LIVING ARE ALREADY AT PEACE AND IN SAFETY. (You just don't know what "safety" represents.)

DO YOU WANT MORE
GAME PLAYING AND COUNTING?

Alright, let us look at recent events and consider prophecy and calculations. Whether or not you can ACTUALLY consider these “real” signs is not at issue for the EVIL EMPIRE ALWAYS BUILDS ON THEIR OWN NOTIONS OF SIGNS SO THAT THEIR GUARDS AND TROOPS WILL KNOW WHAT IS HAPPENING AND WHEN IT MUST HAPPEN.

So, let us first consider the prophecy and the bowls of “God’s Anger”.

[Quoting, *Revelation 16*:]

From the temple I heard a voice shout to the seven angels, “Go and empty the seven bowls of God’s anger on the Earth.”

The first angel emptied his bowl on the Earth. At once ugly and painful sores broke out on everyone who had the mark of the beast and worshiped the idol.

The second angel emptied his bowl on the sea. Right away the sea turned into blood like that of a dead person, and every living thing in the sea died.

The third angel emptied his bowl into the rivers and streams. At once they turned to blood. Then I heard the angel, who has power over water, say,

“You have always been,
and you always will be the holy God.
You had the right to judge in this way.
They poured out the blood of your people
and your prophets.
So you gave them blood to drink,
as they deserve!”

After this, I heard the altar shout,
“Yes, Lord God All-Powerful,
your judgments are honest and fair.”

The fourth angel emptied his bowl on the Sun, and it began to scorch people like fire. Everyone was scorched by its great heat, and all of them cursed the name of God who had power over these terrible troubles. But no one turned to God and praised him.

The fifth angel emptied his bowl on the throne of the beast. At once darkness covered its kingdom, and its people began biting their tongues in pain. And because of their painful sores, they cursed the God who rules in heaven. But still they did not stop doing evil things.

The sixth angel emptied his bowl on the great **Euphrates River, and it completely dried up to make a road for the kings from the east. An evil spirit that looked like a frog came out of the**

mouth of the dragon. One also came out of the mouth of the beast, and another out of the mouth of the false prophet. These evil spirits had the power to work miracles. They went to every king on Earth, to bring them together for a war against God All-Powerful. But that will be the day of God's great victory.

Remember that Christ [**H: Note the use of the word Christ—not “Jesus”.**] says, “*When I come, it will surprise you like a thief! But God will bless you, IF YOU ARE AWAKE AND READY. Then you won't have to walk around naked and be ashamed.*”

Those armies came together in a place that in Hebrew is called Armageddon.

As soon as the seventh angel emptied his bowl in the air, a loud voice from the throne in the temple shouted, “It's done!” There were flashes of lightning, roars of thunder and the worst earthquake in all history. The great city of Babylon split into three parts, and the cities of other nations fell. So God made Babylon drink from the wine cup that was filled with his anger. Every island ran away, and the mountains disappeared. Hailstones, weighing about a hundred pounds each, fell from the sky on people. Finally, the people cursed God, because the hail was so terrible.

Then, one of the seven angels who had emptied the bowls came over and said to me, “Come on! I will show you how God will punish that shameless prostitute who sits on many oceans. Every king on Earth has slept with her, and her shameless ways are like wine that has made everyone on Earth drunk.”

With the help of the Spirit, the angel took me into the desert, where I saw a woman sitting on a red beast. The beast was covered with names that were an insult to God, and it had seven heads and ten horns. The woman was dressed in purple and scarlet robes, and she wore jewelry made of gold, precious stones, and pearls. In her hand she held a gold cup filled with the filthy and nasty things she had done. On her forehead a mysterious name was written:

I AM THE GREAT CITY OF BABYLON,
THE MOTHER OF EVERY IMMORAL
AND FILTHY THING ON EARTH

I could tell that the woman was drunk on the blood of God's people WHO HAD GIVEN THEIR LIVES FOR “*JESUS*”. [**H: Right here is where to PAY ATTENTION FOR THIS DID NOT SAY “CHRIST”. IT SAYS “JESUS” AND THEREIN IS THE GREATEST LESSON IN TRUTH THAT YOU WILLEVER KNOW.**] This *surprising* sight amazed me, and the angel said:

Why are you so amazed? I will explain the mystery about this woman and about the beast she is sitting on, with its seven heads and ten horns. The beast you saw is one that used to be and no longer is. It will come back from the deep pit, but only to be destroyed. Everyone on Earth whose names were not written in the book of LIFE before the time of creation will be amazed! They will see this beast that used to be and no longer is, but will be once more.

Anyone with wisdom can figure this out. The seven heads that the woman is sitting on stand for seven hills. These heads are also seven kings. Five of the kings are dead. One is ruling now,

and the other one has not yet come. But when he does, he will rule for only a little while.

You also saw a beast that used to be and no longer is. The beast is one of the seven kings who will return as the eighth king, but only to be destroyed.

The ten horns that you saw are ten more kings, who have not yet come into power, and they will rule with the beast for only a short time. They all think alike and will give their power and authority to the beast. These kings will go to war against the “Lamb”. But He will defeat them, because he is Lord over all lords and King over all kings. His followers are chosen and special and faithful.

The oceans that you saw the prostitute sitting on are crowds of people from all races and languages. The ten horns and the beast will start hating the shameless woman. They will strip off her clothes and leave her naked. Then they will eat her flesh and throw the rest of her body into a fire. God is the one who made these kings all think alike and decide to give their power over to the beast. And they will do this UNTIL WHAT GOD HAS SAID COMES TRUE.

THE WOMAN YOU SAW IS THE GREAT CITY THAT RULES OVER ALL KINGS ON EARTH.

[END OF QUOTING]

I would suggest that you readers go read Chapter 18 of *Revelation*, in addition to what we have shared here for I don't want to take the time to write, HERE this morning, further on this focus.

I would, in fact, like to pull your attention back to yesterday's writing and continue with the topic of:

INTRIGUE IN THE MIDDLE EAST!

[QUOTING:]

[H: Never mind from “where”, just realize it is very good observation on the part of the author.]

On November 4th, 1995 Israeli Prime Minister Yitzhak Rabin was shot **three** times and killed as the gunman fired from only 5 feet away. The news media everywhere stated that the killer was acting alone, but from the time of the event, Mrs. Rabin said it was a conspiracy. The conspirators wanted this man out of the way, because his plans were interfering with activities that are planned for the Middle East in the near future. There is no doubt that the execution was planned with occult timing, because it took place exactly 13 days from the October eclipse of the Sun and 33 days prior to the December full Moon. In ancient occult teaching, an eclipse of the Sun indicates the death of a world leader. Since the number 33 is the number most sacred to Freemasonry, it is obvious that the Council of 33 or Grand Masters, issued the directives of the plot. Here let it be noted that Freemasonry is based on *TALMUDIC JUDAISM*, and the essence of Masonic *doctrine* is the building of the Temple at Jerusalem.

Another interesting fact about this assassination is that no one seems to know how the killer passed the extremely tight security. As questions were asked about the security problems, the Israeli Security Chief suddenly resigned. **On Thursday, November 9th, U.S. Attorney General JANET RENO offered**

the full cooperation and services of the FBI [H: PAY ATTENTION!!] to help with the case. Aside from the fact that this is *none of the FBI's business*, it is certain that if “General Reno”, as she likes to be called, gets into the picture, the truth will certainly be on the scaffold. There are big plans for the Middle East, for it is over that land that the staged and false second coming of Christ is planned. Here let it be noted that there have been many Space Shuttle flights recently, and the most recent one at the writing of this letter (Nov. 11th) left Earth on the day before the **October eclipse of the Sun and returned the day AFTER the assassination of Rabin.** Now, another Shuttle was scheduled originally to depart on November 10th, exactly 33 days after the October full Moon. This flight was, however, delayed. Suffice it to say that there are strange goings-on in space, and I do not know how far the Almighty will let them go. If these stellar activities continue, this Earth is in for the greatest deception of all time.

[H: Let us consider what is EXPECTED and what might be THE SIGN OFFERED IN THE SKY AS A RETURN OF (???)? It is accepted that the sign for Christians will most certainly be the IMAGE of JESUS. Other accepted “Christs” will also be depicted according to religions. THIS IS HOW YOU KNOW THE MESSAGES ARE FALSE—FOR THE IMAGE WILL BE SUITABLE TO “PEOPLE”, NOT TRUTH. BY THE WAY, GOD WILL LET THIS GO ON UNTIL THE PROPHECIES ARE FULFILLED—PERIOD. THE SORTING IS NOT OVER UNTIL IT IS OVER. BY THE WAY, IT WILL BE EXACTLY AS IT WILL BE (GREAT WORDS FROM LITTLE CROW!).]

BIG BROTHER IS WATCHING YOU!

The words “Big Brother is watching you” were taken from George Orwell’s book *1984*. We should also listen to another profound statement by Orwell as follows, “*The people could be made to accept the most flagrant violations of reality, because they never fully grasped the enormity of what was demanded of them, and were not sufficiently **interested in public events to notice what was happening.***” We are living in a time when privacy is almost non-existent, and this condition is part of the choke-hold that Illuminism maintains on the unsuspecting and apathetic people. Here let it be noted that the symbol of the Illuminati **has always been the single eye at the top of a pyramid.** This eye was called the “*Eye of Horus*” by the ancient Egyptians, because Horus was supposed to be the all-seeing son of the Sun God. The eye was also called the “Utchat” and was used to symbolize wealth and prosperity in ancient Egypt. We know that this same symbol has appeared on the United States dollar bill since the administration of Franklin Roosevelt. The “all seeing eye” was intended to intimidate people and leave the impression that there was no place to hide from the power of the eye. The evidence that the technologies and recent innovations of the Illuminati scientists are now watching us is **everywhere.** I have in front of me an article from the *Milwaukee Journal-Sentinel* newspaper with headlines that say, “**Big Bus Driver is Watching**”. The article tells how the 7.9-million-dollar Smart-Track system watches every city bus from space and pinpoints the locations of all units at ALL times. In addition to being able to monitor people, buses, and cars for that matter, the conspirators also seem to have the capability to control the functioning of some vehicles. Numerous reports have been made of incidents where automobiles suddenly stopped running. One such incident was on Monday, July 18th, 1994, on Interstate 15 in **Utah.** Cars along the highway suddenly stopped running and would not start. The only cars that would run were models made **PRIOR TO 1984.** After about one hour, all the vehicles started to run again.

In addition to watching us as we travel, the conspirators are also watching our spending and other

money transactions. The latest credit and debit cards being tested in certain locations project the image of the users' face on the monitor screen at the point-of-purchase terminals. Thus, your photograph is in the magnetic strip on the back of your card, and your image is projected through the computer system. More of such things are happening all of the time, and without a doubt we are at the end of the world—AS WE KNOW IT.

[END OF QUOTING]

Yes indeed I know that you of GOD want to hear more and more and more truth but the fingers are weary. Too much to chew at one period of feeding is hard on the total DIGESTION. Therefore, we must always remember that our wish is not our DEMAND to cram anything down another's throat. GOD IS SORTING AND PERCHANCE GOD DOES NOT SEE UNCLE "JOE" AS YOU MAY "WISH" HIM TO BE. WE OFFER; WE EXTEND OUR LOVE AND OUR HANDS; WE SHALL DO NO MORE THAN THAT WHICH GOD PRESENTS AS OUR ASSIGNMENT, RESPONSIBILITY AND ACCOUNTABILITY. WE JUDGE NOT BUT WE LAY FORTH GOD'S "**CONDITIONS**" ACCORDING TO OUR OBLIGATION.

May you have a truthful "CHRIST"mas and not just a Merry X-mas! The "mysteries" are being opened before you—and you will find no "mystical mysticism or *magic*" within our presentations for we come OF LIFE and not of the walking DEAD. The way will be made known to you if you choose to see and hear—AS ACCORDING TO THE **PROMISE OF GOD**. Nobody is going to DRAG YOU ALONG TO ANYWHERE—SAFETY OR OTHERWISE. We are the WAYSHOWERS—not the bonded burden-bearers.

YOU may go on any pathway you prefer—but if you expect to go on OURS, you are going to **MEET THE CONDITIONS** as we set them. The avenues to heaven or hell are yours to choose so I suggest you carefully ponder (maybe even THINK) on these words and thoughts offered here. Physical perception of TIME is running out!

Salu, and may CHRIST rest HIS hand upon your being this Christmas season instead of the sticky fingers of Satan Claws!

And who might I be? I AM CALLED 'ATON'! *Who are you?*

CHAPTER 10

REC #1 HATONN

TUE., DEC. 26-27, 1995 7:39 A.M. YEAR 9, DAY 133

TUE-WED., DEC. 26-27, 1995

“ ’T WAS THE DAY AFTER CHRISTMAS
AND ALL THROUGH...”

Now we have one more example worthy of “parable” use. Perhaps it becomes more and more apparent why parables are so acceptable—for they present examples of “points” in story-telling format.

What do YOU do on the day after Christmas? You have had the warm-fuzzies, hugs and gifts and it has lately become that most who can do so go forth into the shops and get those “marked-down” items which are and were actually “sometimes” needed. Please, readers, this is observation and not in any way discipline or disagreement. I enjoy your celebrations of light and joy, giving and regiving, feasting and gathering—for this is what abundant expression is all about. I can’t say that I particularly enjoy even the, “I told you it was like this,” of my own attitude as the PRICES are juggled, the gains and losses calculated to the last farthing and thus and so. However, some merchants have only the holidays, and especially Christmas, to foundation a living. Regardless of what will be told to you, this year will have been a bad year and thousands of small merchants will leave business in loss while the monster-absorbers will merge and go on monopolizing the rest of the market. No, again, I do not, certainly, pick on the wholesale stores for therein lies the secret to merchandizing and allowing the MOST people to “have”. These are simply the way things ARE and in that realization we stop fighting and see what WE CAN DO to both survive and prosper within such an environment—and remain in total integrity. Then, in the mergings and the closures, MORE and MORE people will be without jobs and next year’s expectations will be greater loss.

What of the hearth circle in your own immediate homes? Is there joy as you now witness and hold the things which before Christmas you poked, shook and guessed about? Certainly TODAY it is easier to fill your own wishes if wise gifters gave you what you really wanted—a bit of funds to find that “thing” you wanted. Again, herein lies every bit as wondrous a gift as the before sampling of “I don’t know what to get”. For children who already “get everything” I consider it good backup sense to have that little “extra” to get batteries, parts, cologne for the beautiful container and on and on. So, readers, do not put me into a category of being a wet-blanket on your holiday spirit for I am in no-wise such.

It may well be that the credit cards are most useful as we move along for even though they get too stuffed and “loaded” and explode on you in backfire, EACH YEAR THAT PASSES PUTS THE BANKERS AT GREATER RISK OF HAVING ALL THAT INVESTMENT FALL APART LIKE AN ATOM BOMB. They know as much and suck you in a bit deeper for every loss they have later is a write-off and the seemingly big losses will in actuality not amount to anything—except more CONTROL BY THEM OVER YOU. However, when there is a judgement against you in any way—the loaner can capture your very bank-account assets just as did the lawyers against Ekkers last Thursday and everything you had for

LIVING EXPENSES is gone in one WHOOSH and scribble of a pen. The ADVERSARY of life is out to get ALL PROPERTY. ***ALL PROPERTY!!*** THIS INCLUDES YOU ALONG WITH YOUR ***SOUL***.

The point I would like to make here is that we go right on going on—the day after as well as the day before, and use it to our best advantage. Regardless of what you have been told—God doesn’t take a “*seventh*” day OFF. Neither does the opposing Satan. If, however, Satan can get YOU to consider taking days “off” and call it God’s wishes that you do so—look at what hay he can bundle, of yours, in those days you are “taking off”!

And perhaps a bigger point to share is in the humor corner. Let us say you take your credit-card (CC) skis, go in your CC car with family, take your new CC snuggies and go to a wondrous CC resort. Fine so far? Ah indeed, and you swoosh and swish down the beautiful mountains with the boulders buried on smooth and icy slopes and STILL SO FAR SO GOOD. It is a “good life” you will say and, “God is wonderful,” you will shout to the trees and the wind. And BANG!!, into a tree and bust your body. Ah, but this time perchance it is not a broken nose—it is a broken neck! “Why did God do this to me?” the next wailing screech and moan will be. Now you have to consider HOW to get disability covered, “Workman’s Compensation” from an employer to cover your vacation sports (usually a paid vacation or a CC few days off) and the cycle spins wildly out of control—AGAIN.

I am not even “picking” at you about these “things”; I just wonder when, if ever, you will look upon GOD correctly? GOD IS ABUNDANCE AND IT SHOULD BE THAT YOU HAVE ABUNDANCE—but be most careful how you TREAT that abundance or those losses—for YOU HAVE PHYSICAL RESPONSIBILITY FOR BOTH. A good rule of thumb is that GOD OFFERS AND GIVES ABUNDANCE—SATAN ***TAKES IT***. ***YOU MAKE THE CHOICES!*** In a split second of “time” all can be taken or lives changed or snuffed-out and then NOTHING is present but sorrow. It is especially painful when a family is burned alive/dead(?) because a Christmas tree in the living room explodes into flame, which represented the joy of a wondrous Season. (If, in addition to saving live trees, is it not reason enough to save lives, to get an artificial tree?) For this above carelessness we also ask God how HE “could allow such a thing”?! GOD ALLOWS EVERYTHING—YOU DO THE CHOOSING! And here I repeat:

GOD ALLOWS EVERYTHING!! —

SATAN TEMPTS AND TAKES

With whom (which) do you take your stand and place?

I am ready, willing and able to carry you if necessary—IF YOU SIMPLY “CATCH UP”.

PROPHECY

Since prophecy only SEEMS to have to do with the Churches of your land I want you to note that the topics of Biblical outlay are NOT mostly about God and/or the churches but about things happening, things which will happen and a scribed hand-me-down of what to expect. All topics are greatly misunderstood and mistranslated: some by accident, most by intentional change.

There is a book which I have asked Mr. Moorhead to please make available through Phoenix Source Distributors to you readers. It is not because of more “accuracy” that I ask it be available but because it is one more volume representative of your so-called *Holy Bible*. The book itself bears a lot of comment regarding content but I believe it has the best outlay of *REVELATION* of any version that I have noted. Is IT correct? It is “as correct” as any other “version” and certainly it is far easier to interpret. No versions of prophesy are “correct” or are they “incorrect” for they are representative of a person’s (one man’s) VISION of that which would come to pass in a time beyond his experience. To literalize the *Bible* is proven, right here, to be a gross error. For a Church Doctrine to demand that you believe EVERY WORD of “a book” (any book) is fraud upon your mind and requires that you, to become a “member”, must also become a non-thinking liar. YOU cannot have John’s vision—ONLY JOHN CAN HAVE HIS VISION.

THE PROMISE is offered as a copyrighted book, 1995, as a Contemporary English Version “of God’s words in your words.” I assume that from what I have read it is more “in your words” than in truth and understanding but it suffices for my needs as we speak of Church and CHANGE and the cycle ending times.

I believe we can offer you a copy of this book, shortly, at as good a price as you can get elsewhere so please be patient a few days until arrangements can be made. I have a way of dropping little land-mines along my writing path which cause the people trying to arrange for my requests some amount of anxiety and stress as everything to do must be attempted at the same instant in most cases. I apologize to them and beg patience of you readers. You can, of course, go get the book but I would appreciate it if you would wait and get it from Phoenix Source because every bit of help gleaned allows printing of journals. Thank you.

HOPI PROPHECY

A little short version of a Hopi prophecy for 1996 is offered here to remind you that somebody in white robes didn’t just dump a load on the back of John in *Revelation*.

Even this is mistranslated and colored up to suit the “White-eyes” who rewrote it to fit the New Age concept and beat the old unconscious to death. There is NO UNconscious! There is sub-conscious and supra-conscious and SLEEP. If the term “unconscious” appears it does not mean “unconscious” so right off we have errors and omissions but “Oh....well!”

1996

“The second migration to the new world will occur leaving behind on Grandmother (Lakota:”uncikunshi”) Earth (maka sitomni) those who are choosing to continue to hold the power on this planet within the space of all the Sacred Twelve. (And just guess, please, who those “holders” might be!?)

“All of these people who choose to remain after the second migration will begin to establish this planet & use the collective unconscious (THOUGHT FORM) to hold the power of this space in harmony with the Great Circle of Twelve, all the planets, and there is a whole lot I don’t even know. There is more that I am not supposed to talk about yet.”

The PROMISE is that if you hold the unci kunshi together we will help you rebuild in respect and ORDER of LIFE, not the political “New World Order”. If you choose to allow the blowing-up and dissolution of the form of Earth into gas-form, we will encapsulate you so that the order of your solar system is maintained and impact is minimal upon the rest of the Galactic systems. But, you don’t like this? Salu, for this is how it will be and your likes or dislikes will have NOTHING to do with it beyond “how” it will take shape or end *the age*.

DEPOPULATION

I know that you would “rather not” read so much about “depopulation” as is being presented by Mr. Martin—but this is offered only “through” this routing for YOUR information. It is known and RECOGNIZED that if the predominant THOUGHT-FORM of a “remaining” population is that of enslavement and total Puppet-Master control, then the remaining days are totally limited and numbered as to a realization of a physical capability of survival. It has happened to every other planet in your orbiting circle. It behooves you to keep enough souled and THINKING beings alive on your planet to maintain strength of thought-form high enough to sustain LIFE. However, IT IS UP TO YOU! We can take our people off the orb and in that recognition you also have ultimate “say” in your own personal predicament—for we take into security of our placement only those who MEET THE CONDITIONS LAID FORTH AS THE LAWS OF GOD CREATOR FOR ALL OTHERS ARE CATEGORIZED AS DESTROYERS—OF TRUTH. Why? If you abide in the lie, foster the lie, further the lie then you shall be left IN THE LIE. Since God does not abide in or within THE LIE, HE shall take leave to return to the places of TRUTH. HE WILL LEAVE THE LIE AND LIARS TO THEIR REWARD—WHICH IS THE ABSENCE OF GOD OF LIGHT. THAT MEANS IN DARKNESS WITHOUT THE PRESENCE OF GOD **WHICH IS THE DEFINITION OF HELL!**

The old concept of Hell-fire and brimstone comes from the recognition of the FACT that, if left out of control, the evil-mongers will set the world afire and those who “miss the boat” will surely be left landlocked!

I know that you “sometimes” readers or new readers don’t like my method of presentation and have questions upon questions. I’m sorry, readers, I will not take time to go back and entertain arguments or to restructure, for you, the contents of thousands of pages of information. YOU will have to do your own homework and pick up the past issues, journals, etc. We can’t even afford to print the last 50 journals which wait on the shelf—and those are your tickets to information HOME. So be it for if mankind wants his instructions and his routings, he will see to it that we can get these volumes before you. Our people are weary and buried in work while funds are stolen, sidetracked and legal plagues are pushed off on us. And still, they manage to get the words to print. If you don’t want the truth badly enough to get it to press and out, we can’t help it further.

The support of the faithful few is so incredible as to sustain us through every step of our work and way—but they are not even SUPPOSED to do it all for YOU. These faithful truth-sharers have already PROVEN their connections with us in these days and that is quite sufficient FOR THEM—for what YOU DO IS UP TO YOU ALONE.

A NOTE ABOUT FOCUS

I will comment here about something that is an example so don't read more into it than belongs there, but I daily receive input from ones who have read three or four papers, or three months of papers and want personal instructions and personal input. This is natural, normal and expected. However, what we could do when we had twenty readers and now that we have a world audience are two different things. We cannot walk each individual through the maze of questions and answers which have to be experienced at best—left unanswered at least. There is so little information left unanswered if you have read all our presentation as to amaze you. As we now write on topics and gather from other authors we find that four or five years ago we covered the topic in point. Therefore, we CANNOT take time and space to go over and over and over already presented information.

We do try to get to spending some writing just responding to inquiries but it has to be where we can cover many questions and offer, to all, the responses. If you want PERSONAL, one to one responses, then YOU must learn to listen and HEAR. Dharma has the limitation, not me and yet I, too, have to attend my Father's business and cannot attend each individual's ponderings and wonderings or even the wanderings. You would not expect this from a University Professor so, please, do not demand it from us simply because we serve God.

I already have complaints about our presentation of *ONE WORLD CHURCH ORDER* along with objections about wasting time going back to (all the way back) to 1991 to lay foundations for information today. Readers, stop and look what you do! This particular person gives me lessons on how to present EVERYTHING and then ends up saying we simply plagiarize everything anyway. I make no effort to give you fantasies and la-la-land revelation—THERE IS NOTHING NEW AS YOU DEMAND. TRUTH LIES IN THAT WHICH IS ALREADY PRESENT AND KNOWN—ALL YOU NEED IS TO GATHER IT TOGETHER AND GET INFORMED. What does please me is that this person must be our most attentive reader for he seems to know everything, know better how to handle the information, and is always almost 180 degrees from whatever we offer. I suggest that if he just keeps up his study of what we offer he will become very informed and begin to share instead of tear down everything we do.

SWAMPED WITH HOW TO DOERS

We are also swamped with “how to’s”. We are told every way in order to sell more papers, more journals, more, more, and more. And, it usually entails softening the message, motivation of people through easier language, less forthrightness and tugging instead of pushing. No thank you. You either want truth or you WANT more lies. I may push you—I will not drag you—anywhere. Neither will I sanction (bless) someone's work JUST BECAUSE there are good INTENTIONS. I do NOT feel that to do something WRONG is better than doing nothing at all. And, further, you who get in a big snit because I simply say a thing will not work as offered, may do that which you will. I note that the usual reaction is to “cut us off”—as if somehow your sole ideas made us or will break us. I suggest that you simply KNOW you are incorrect in the first place and don't wish to have any further input about the matters you cover. I also note that only ONE in a group has to decide same and ALL THE OTHERS INVOLVED also cut the lines—even if they were OUR LINES IN THE FIRST PLACE. WHEN PEOPLE PUT PLUGS IN THEIR EARS TO PREVENT SOUND FROM ENTERING—SO BE IT FOR IT BECOMES SIMPLY ONE LESS THING FOR OUR TEAM TO ATTEND. I FIND FOR ONES WHO HAVE RECEIVED, BEEN ACTUALLY GIVEN FREEDOM THROUGH OUR READERS AND THUS, OUR TEAM, TO BE TOLD TO “STICK IT WHERE THE SUN DON'T SHINE” IS BOTH DEGRADING AND

UNFORTUNATE, FOR THOSE WHO OFFER THE EPITHETS IN SUCH MANNER ARE QUITE POSSIBLY UNWORTHY OF ANY ATTENTION AT ALL. IT DOES NOT, HOWEVER, RELIEVE THEM OF THE RESPONSIBILITY OF ***MEETING THEIR AGREEMENTS AND COMMITMENTS***. THE BIG “*KISS-OFF*” IS NOT USUALLY THE WISEST THING OR ACTION A PEOPLE CAN DO TO ANYONE WITH WHOM THEY DISAGREE—IF THEY OFFER THE KISS-OFF TO AVOID PAYMENT OF COMMITMENTS! IT ACTUALLY IRRITATES THE CONTRACTEE QUITE CONSIDERABLY. TO FOLLOW THE WRONG “PIPER” JUST BECAUSE HE BLOWS HIS HORN THE LOUDEST IS NOT USUALLY THE WISEST TUNE TO WHICH TO MARCH!

I need to now move back to the ongoing “Saggy” of conspiracy in the world which marches you right off the cliff and into a New World Church Order. It may seem less than relevant at first glimpse but that is only because we are unable to carry the thoughts through without interruptions. I can’t even begin to try to catch up or leave off with explanation of status other than to say, for instance, the following will be:

ONE WORLD CHURCH ORDER, PART 5

by Calvin Buehrer

[H: The following article(s) regards Robert Maxwell and at first glance may seem to have no connection with the topic in title. It does, so please read along as it is a part of the coalescence of the New World Order.]

MAXWELL ONLY TIP OF ICEBERG

Questions Raised At UN Headquarters

Spotlight, Nov. 18, 1991, by: Martin Mann and Lawrence Wilmot.

The mysterious “termination” of international media magnate Robert Maxwell a week after he was identified to the world as an Israeli secret agent in a new book by investigative reporter Seymour Hersh is only the first of several blockbuster scandals expected to erupt from a closer examination into his origins and activities, diplomatic and intelligence sources say.

Hersh did not just cite Maxwell, a billionaire jet-set celebrity, as a deep-cover asset of the Mossad, Israel’s secret service. In his book, *The Samson Option*, Hersh charges Maxwell used his position as owner of major British and U.S. **news organizations** to set up the terrorist kidnapping of Mordechai Vanunu, an Israeli nuclear whistle-blower.

Maxwell denied the accusations, but despite a brewing financial crisis he left his London office a day later and set out to sea, the lone passenger aboard his princely personal yacht. On the night of November 5, Maxwell vanished from his ship; next morning, his nude body was found by Spanish fishermen, floating in the Atlantic surf.

On the evening of November 6, the coroner at Las Palmas, in the Canary Islands, announced a “preliminary finding” after examining the press lord’s corpse. Maxwell had apparently died from “natural causes”—that is, a “massive heart attack”.

If so, how did he plunge into the ocean? Maxwell’s family and close associates “doubt, in fact they dismiss the conclusions of the Spanish official”, reported *Spotlight*’s special correspondent Alistair Faulkner by telephone from Las Palmas. “An extensive investigation has been launched to find out just exactly what—or who—killed the controversial megapublisher, whose properties included the *New York Daily News*.”

In the consensus of senior diplomatic observers at UN headquarters in New York, the Maxwell scandal also raises a new round of questions about Maxwell’s origins and singular rise to power and influence.

Far from being solidly structured, the media empire controlled by Maxwell foundered in a sea of debt, according to reports, of \$3.8 billion worth of bank loans and promissory notes.

“Hersh’s book charges this global media mogul ended up as an Israeli informer,” said Anthony Thayer, a London bond trader who monitors the finances of publishing corporations. “But the real question may be: How did this mystery financier begin his career?”

“After World War II, he was just another European exile, with deeper ethnic and emotional ties to Israel than to the London business world, in which he soon became a rising star. Who set him up in business? Who launched him on his road to power? These are the real questions. **[H: These same questions should be asked about Rupert Murdoch!]**

At least one senior UN diplomat with expert knowledge of Middle Eastern intelligence operations voiced a similar view.

HIDDEN SPONSORS

“Hersh may be [scrutinizing] Maxwell through the wrong end of this telescope. **We must look into the possibility that Maxwell was launched in bigtime publishing by hidden sponsors loyal to Israel, and that he came to the end of his road—to a sudden and mysterious death—when he found his relationship with the Mossad too burdensome and attempted to break loose from Israel’s secret service.**”

What is known about Maxwell’s origins lends credence to the view that he was an Israeli partisan from the beginning. Maxwell, whose **real name is HOCH**, was born in a small village in Czecho-Slovakia. He served with British forces in World War II during the **occupation of Germany**. **He reportedly gained favor with his officers by looting German houses and bestowing his loot upon his superiors.**

He was decorated by the British for “bravery”, but the act for which he was commended was to gun down an unarmed mayor of a German town who was trying to arrange a surrender, according to a British source who knew Maxwell during this period.

At the end of the war, the Irgun Zvi Leumi—to which Maxwell was attached and which was to later become the Mossad after the founding of Israel—followed Allied combat troops into Germany, seizing German scientific research into physics, chemistry, aeronautics, astronomy and other technical areas. They also scooped up German research into more arcane areas such as archeology, history, anthropology and other inquiries into **human origins, especially **those related to race and ethnicity**.**

The former information was converted into cash, the latter was buried, never to be seen again.

AN ISRAELI “FIRST”

Interestingly, Israel is the first nation in history to have an intelligence service before it had an actual country. Its military and intelligence units were active worldwide years before the founding of Israel as part of the international Zionist movement.

Hoch, later Maxwell, founded Oxford Pergamon Press, which translated and published the **stolen** German scientific data. This was the basis of Maxwell’s fortune and the beginning of his publishing empire.

Similar questions have been raised privately about other controversial media moguls, among them Rupert Murdoch, one of Maxwell’s principal rivals, rumored to have linked—perhaps even initiated—his career with Israeli interests.

Moreover, just before his death, Maxwell made a startling move that signaled a rebuff to Israeli intelligence: He fired foreign editor Nicholas Davies, a senior associate, after evidence emerged linking this veteran British journalist to covert Mossad arms deals. Maxwell, a brash and arrogant man, was becoming increasingly hard to handle by his Mossad controllers, as this action evidences.

“Maxwell’s death may turn out to be just another episode demonstrating Israel’s willingness to take what Hersh calls the Samson option—to turn to murder and destruction, singly or genocidally, when it feels challenged,” warned the seasoned UN diplomat who, like other highly placed sources, asked not to be named. “This scandal has barely begun. There is more to come.”

[END QUOTING OF PART 5]

And certainly there IS a lot more to come. Thank you and good morning.

Since it is through press and media that the world receives the information desired for consumption—it is worthy of every minute spent showing you the STRUCTURING of this CONTROLLED STATE OF INFORMATION PRESENTATION. It is through the control of information that all things are brought about into new concepts and “order”. It all goes right back to the *Protocols* as laid forth by the Elders of the New World Order Zionists.

CHAPTER 11

REC #1 HATONN

THU., DEC. 28, 1995 7:56 A.M. YEAR 9, DAY 134

THU., DEC. 28, 1995

DISASTER IN FLU'S CLOTHING

OK, readers, "IT" is under way. The "flu" that turns into meningitis is on the prowl. It is so contagious that the patients with the diagnosed illness are being denied hospital stay or are being discharged (not shifted) as quickly as it is identified.

This was an intentional "invasion" set up for the Christmas Holiday season when people would be frantically running about to visit, share, infect, cross-infect, etc. The disease is particularly severe in the newly delivered mothers and pregnant. Physicians are finding a lack of response of the illness to antibiotics and even now to Vancomycin which was the LAST antibiotic HOPE. The organisms are now global in distribution and you can expect "colds" to become severe and disabling.

I have no patience for any of our people who become sick with this bastardized disease because you should have been taking your "stuff". Further, I would suppose that all our people have a reserve supply of colloids to counter the invaders at the doorway. If, however, you are sick and are treated without positive results, get onto colloids in heavy intake immediately. This organism is sent forth to sensitize the public in general and if you make it through THIS assault—the next one will be worse.

Onset is rapid, symptoms become severe with high fevers and SEVERE headaches. DO NOT PLAY WITH THIS AS IT IS A COCCUS CROSSED WITH A GENETICALLY ALTERED VIRUS AND WILL BE TOTALLY DEVASTATING. This will be a type of RETRO-virus which will move within other cells to preserve itself much like the HIV so it is imperative to rid the body early on or the person becomes a "carrier" and the illness will pop up when it pleases ever-after. It is extremely contagious and, if you have been exposed to ANYONE with acute symptoms or who, after being close to you, has come down with acute symptoms—take a heavy course of colloids and plenty of Gaiandriana to insure the viability of your IMMUNE SYSTEM. **People, the antibiotics are in their final stages of phasing out as any help at all in controlling the combinant microbes involved here.**

This is an ALERT and WARNING—THAT THIS IS SERIOUS TROUBLE ON THE MOVE.

I ask that we get a goodly supply of backup colloids and Gaias ready because I fear that most of the regularly prepared silver colloid will quickly be of no more value than the antibiotics. We will offer what we have but obviously we cannot supply the world in need. We won't even make an effort to do so. This is why the regular people who support us will have first run on the products—for we are not out to SAVE anything.

HOLIDAY SYNDROME

This particular microbe HYBRID is made to flourish in the compromised environment of alcohol users and smokers as the virus utilizes both the by-products of alcohol breakdown in the liver and tobacco processing ingredients in body break-down of those products. This of course is why the series of symptoms will become known as the “Holiday Syndrome”. It was set for and released to coincide with the “Holiday Season” to insure its ability to spread widely and take hold and mutate in order to hold on and incubate or become an indwelling viral-TYPE microbe.

Most people will get through this initial assault but will be subsequently at serious risk. This microbe will also seek out and become luggaged within parasites to avoid the direct assault of any treatment modality. Again, I cannot know what all is at stake here or even exactly what is introduced into the larger populations—but this is the beginning of the END for antibiotic-treatable disease. Each break-out will be greater and deadlier than its antecedent. The microbe WILL MUTATE with each HOST.

ENLIGHTENED PANIC ATTACK

If you consider that I bring and teach FEAR—now is the time to assume that I certainly MEAN TO OFFER EXACTLY THAT. **If you are not scared to near-death and are lacking all forms of panic—YOU DO NOT UNDERSTAND YOUR CIRCUMSTANCES!!** Even in this early form the symptoms will linger for a very long time and recur at random. Use your head and treat yourself WELL with rest and good fluid intake and TAKE YOUR AVAILABLE TOOLS FOR GOOD HEALTH. DO NOT PLAY GAMES WITH THE BABIES—GET THEIR COLLOIDS AND OTHER GAIAS INTO THEM WHETHER THEY LIKE IT OR NOT—THEIR VERY LIVES DEPEND ON PARENTAL INTELLIGENCE NOW. I DON’T CARE IF YOU LIKE ME OR HATE ME—**YOU ARE RESPONSIBLE FOR THEIR LIVES, PARENTS, AND NOW IS THE TIME TO ATTEND THEM FOR THEY ARE AT THE GREATEST RISK WHEN OUT AMONG INFECTORS.**

Now is the time to get a spray bottle of silver colloid [*GaiaCol*] and USE IT UP THE NOSE AND FREQUENTLY WASH OUT THE MOUTH WITH IT AND ALWAYS BEFORE BEING IN A CROWD OR MEETING SOMEONE YOU KNOW TO BE, OR HAS BEEN, ILL. **KEEP THOSE HANDS CLEAN WITH A GERMICIDAL SOAP OR CLEANSER, AND THEN APPLY COLLOIDS AND/OR OXYSOL AND LET DRY.**

The good part is that with THIS spread the microbe does not remain viable on surfaces exposed to air for a very long period of time. I suggest a wipe-off of drinking glasses rims and, if you can do so, use disposable cups and simply burn in the fireplace. Wipe off areas of contamination frequently with a bit of spray-on colloid or dampen a paper-towel and wipe.

Other cleansing procedures are to simply apply commercial grade hydrogen peroxide as a decontaminant—and add [35%] food-grade hydrogen peroxide to drinking water. I also suggest that dishes, and foods which are washed and especially uncooked, be immersed in a hydrogen peroxide bath. The microbes might not last long but they are made to adhere tenaciously to surfaces and since they come with flu and cold symptoms—the hands are always contaminated from the mouth, nose, etc.

Supply your family members with items, give them a written outline and then, so be it, for I can't have Dharma, E.J., etc., out treating or mingling with the sick lest we have no contact with me. It is time for parents and people to get RESPONSIBLE. I am not interested in your "druthers" or your lazy habits—take care of your children for God is not going to do so FOR YOU. We offer the "way"—you will do it or it will not be done!

I ask that Brent please put the above onto the Telephone Hotline. I am not in the product business—but I am into the responsibility of telling you how it IS. What YOU do is none of my business!

We are NOT in the business of medicine. We may offer you a "treat" but **we will NOT GIVE YOU A TREATMENT!** You do whatever you want about yourselves but it most certainly is NOW TIME TO ATTEND THE POSSIBILITIES OF RIGHT NOW! THE FULL "PLAN" IS FOR YOU TO AGAIN CROSS-CONTAMINATE ON NEW YEAR'S AS YOU PARTY AND MINGLE since, for most, the thought of staying home and attending yourselves quietly and in protection is unacceptable—so, good luck.

LIMITED RESOURCES

All of you must also understand that there is no way we can just give the "stuff" away for it is expensive to make and funds are simply not available to cover it and stay open at all. Now it comes back to cause us to face the damaging FACTS from those who used, abused and thieved from us for we are LIMITED in ability to produce in quantity large enough to serve the needs of the "whole" but we will pour back into product all that we receive in purchases.

No, other places DO NOT have what we have and, in addition, I must have you understand the ongoing need of Gaiandriana to get the other things, i.e., colloids, into those cells within your bodies.

I realize that a lot of you assume that because you know me and I know you that protection will somehow just rub off onto you. NO IT WILL NOT! I CAN ONLY SUGGEST AND OFFER, NO LESS AND CERTAINLY I HAVE NO WISH OR RIGHT TO DO MORE.

THERE IS NO WAY IN YOUR LANGUAGE TO EVEN BEGIN TO TELL YOU HOW SERIOUS A THING IS COME UPON YOU! Moreover, it is structured to not cause early panic and be buried in distractions while it takes a firm hold on you. YOU ARE WARNED—AGAIN—WHICH IS ALL THAT I CAN DO.

I WILL NOT ALLOW MY PEOPLE TO CONFRONT REGULATORS FOR YOUR FOOLISH ACTIONS SHOULD YOU CHOOSE TO UNWISELY ADVERTISE OR TOUT ANYTHING WE OFFER. SO, I REPEAT: WE ARE NOT IN THE BUSINESS OF MEDICINES, DRUGS, CURES, TREATMENTS OR LEGAL QUESTIONABILITY ON ANY OF THE ABOVE. We have some products available which may help you have a better feeling of well-being and provide some enhancement of better health. We do not "advertise" anything other than this. These products have been researched and found by others to be a positive addition and are totally natural in every way and totally harmonious and compatible with any and all "medications" as medically prescribed. Silver colloid was the medical treatment of choice for infections prior to the presentation of the modern antibiotics. It does not build allow-

ance for “resistance” EXCEPT THAT THE CURRENT VIRUSES AND BACTERIA ARE UPGRADED IN STRENGTH DUE TO THEIR GENETIC STRUCTURING WHICH REQUIRES A HIGHER “FREQUENCY” THAN IS FOUND IN THE ORDINARY PRODUCTION PROCEDURES OF COLLOIDALIZING SILVER.

Readers and listeners: Please, we are not interested in serving even the greater “masses”. We would wish we could do that but we cannot so please take care in your own advertising. We will try to serve any who ask but we do have some limitations until we can upscale (which is a rather measured capability for us). By this caution, I mean that we have no intention of high-profile advertising in major media or press. Nobody else has what we offer or ability to make what we have and we intend it to remain exactly that way. Salu.

CHAPTER 12

REC #1 HATONN

FRI., DEC. 29, 1995 12:11 P.M. YEAR 9, DAY 135

FRI., DEC. 29, 1995

EASY TO ANSWER QUESTION

I am asked if I couldn't just stick with one subject long enough to not confuse the readers? No, I can't! One-topic books are just that—books. We write JOURNALS with daily entries and we speak on whatever is in priority for the day. Sometimes we begin a writing project only to find that another topic is more urgent in presentation. At this moment, for instance, if I am not going to write on the diseases now killing you by design, I am going to continue to cover *The One World Church Order*. Why? Because it is time you ones realize that your RELIGIOUS dogmas are going to lose a LOT of people to the LIE.

I realize that you may well think the tales of Robert Maxwell don't have anything to do with this One World Church Order—BUT ALAS, IT DOES!

The purpose of the paper and journals is to get the word, our word, out TO YOU—not vice versa. We are wondrously delighted to get your input and that which you feel needs sharing on a wide scale. Just, however, to write to blast us or tell us how to do our mission, especially MY mission, is somewhat beyond our expectations of anyone. I don't tell you how to do your job and yet I find it interesting that we get marketers who somehow think our major thrust is to get papers out at all cost—even to truth. No thank you. We need communications and ongoing status reports for our “flock” and certainly fledglings are welcome aboard but we aren't in competition with the *New York Times* or any other paper. There will come a day when the numbers may well reflect otherwise but, frankly, I'm not even interested in “saving” anybody who wants nothing to do with us, our work or our products. Dr. Young may well feel differently [no!], but then, if so, he can use his own authority to compile the paper. The journals are my decision as to writing and, since I can see both ends of YOUR ROAD, it might behoove you would-be journalistic professors to reconsider your thrust. If you are so great at this job (my job) why is everything in such a confounding mess around your world? Mine is totally orderly, righteous and functional in its own perfection.

With this in mind I will move right along with more on Robert Maxwell, et al:

ONE WORLD CHURCH ORDER, PART 6

by Calvin Buehrer

[QUOTING:]

MAXWELL FAMILY DOUBTS REPORT ON HOW HE DIED, PROBES YACHT'S CREW

CHICAGO TRIBUNE, Nov. 7, 1991.

LAS PALMAS, Canary Islands—Robert Maxwell, the British publisher whose body was found in the Atlantic Ocean Tuesday, apparently died before he fell into the sea from his yacht, a Spanish judge in charge of investigating the case said Wednesday.

An autopsy begun Wednesday was to continue Thursday, but private investigators and members of the Maxwell family already have raised strong doubts about the conclusion by Spanish authorities that the publisher suffered a heart attack and fell overboard.

The family has ordered an investigation into the background of the yacht's 13-member crew. Besides the crew, Maxwell was the only passenger, the family said.

"To put it plainly, we need to know whether someone tried to do him harm," said a close associate of the Maxwell family. He said that in the mind of Maxwell's sons and business associates, there are many things that arouse suspicion.

According to Campbell Livingstone, the British vice consul in Las Palmas, some of Maxwell's organs will be sent to Seville in mainland Spain and to London for further tests.

Although investigations involving an autopsy can take as much as nine days in Spain, the family has asked for the release of Maxwell's body before the beginning of the weekend. They have said they hope to bury Maxwell Sunday in Jerusalem.

Meanwhile, a former Israeli intelligence officer contended Wednesday that Maxwell laundered millions of dollars from secret weapons sales to Iran, despite an international arms embargo against Tehran.

The arms sales, from East bloc countries between 1984 and 1987, were approved by Israeli Prime Minister Yitzhak Shamir and then Vice President George Bush, Ari Ben-Menashe said in an interview in Sydney, Australia, with Reuters.

A spokesman for Shamir denied the charge, telling reporters in Jerusalem: "It's absolute nonsense."

Ben-Menashe served for more than 10 years in the External Relations Department of the Israeli Defense Force, according to investigative journalist Seymour Hersh.

Hersh used Ben-Menashe as a prime source in his new book, *The Samson Option*.

Hersh says in the book that Maxwell was linked to the Israeli intelligence service, Mossad.

Maxwell was preparing a libel suit against the allegations before his death.

Ben-Menashe said Maxwell was "especially involved in the arms sales from the Eastern Bloc to Iran, which we brokered. There were arms sales from Poland, Yugoslavia, North Korea, Vietnam—the pe-

riphery of the Soviet Union because the Soviet Union was selling them to the Iraqis.

“He would get a commission. I mean he was not only doing it for his own love of country.”

Ben-Menashe said Maxwell handled the money side of the deals, while he arranged the transfer of weapons.

“We bought hundreds of thousands of percussion [artillery] shells from the East bloc,” Ben-Menashe said.

Ben-Menashe said Maxwell’s link to the White House was the late Sen. John Tower (R-Texas), a close friend of Bush who had direct access to Shamir. The Israeli intelligence community carried out the deals that were authorized by the United States, he said.

Hersh has said since Maxwell’s death that he has more information that he may release.

Speaking to reporters before delivering a lecture Wednesday at the University of Chicago, Hersh said this information was gathered to bolster his case against the anticipated Maxwell libel suit over *The Samson Option*.

Hersh would not describe the information, but later during a question-and-answer portion of his lecture, Hersh said of Maxwell:

“There’s bad stuff there. Stuff he’s done on behalf of **Israel that couldn’t withstand public scrutiny.**”

He said the information would “simply be more kicking” and “bloody him up”, adding that in light of Maxwell’s death, “I’m thinking about bagging it.”

[SUSPEND QUOTING]

I suggest we now change our focus to other involved parties who help decide the fate and “One World” strategies spinning out of Israeli connections.

[CONTINUE QUOTING:]

TOP SPOOK PATRON OF ALLY

Spotlight Feb. 1, 1993, Warren Hough:

President Clinton’s pick for CIA director has brought delight to Israel and its supporters in the United States.

NEW YORK—The choice of R. James Woolsey Jr. as the nation’s new spymaster is the Clinton team’s “private signal” to reassure Israel it will not lose any of the backroom influence or political clout gained

during the Reagan-Bush years, highly placed UN observers say.

Woolsey, **a former Rhodes scholar and Yale law graduate who served as one of Henry Kissinger's national security aides in the 1970-72 Nixon White House**, is slated to become director of central intelligence—that is, head of the CIA and coordinator of the national security bureaucracy—in the incoming Democratic administration.

Senior Middle Eastern diplomats, who have long regarded Woolsey as an asset of the Mossad, Israel's secret service, made no attempt to hide their surprise and concern over his nomination for such a sensitive and strategic post.

But younger UN policy analysts dismissed such reservations as old fashioned.

“Woolsey represents a new generation of national security managers who, far from hiding their links to Israel, **use them to further their careers**,” said Dr. Waldemar Iten, a Swiss public affairs aide at the world forum's headquarters.

In fact, Woolsey is the first “belt-way insider” to take charge of the CIA after making “big money” in Washington as a registered foreign agent—serving the notoriously corrupt governments of Guatemala and Venezuela, among others—these sources noted.

INNER CIRCLE

The new CIA chief joined the inner circle of Washington dual loyalists while working with Richard Perle and Stephen Bryen as a Senate staffer in the early 1970s, sources said.

In 1973 the Center for Strategic and International Studies (CSIS), a secretive Washington think tank where leading Israeli strategists such as Edward Luttwak, Michael Ledeen and Walter Laqueur set the agenda, offered Woolsey a fellowship.

Although Woolsey's current official biography has been “**sanitized**” to omit all references to his CSIS connection, sources familiar with the period say it was a “formative” relationship.

“At CSIS, Woolsey participated in a program of secret war games designed to rehearse joint U.S.-Israeli armed action against various Islamic nations,” said a gulf defense expert known for his pro-U.S. views. “These exercises provided the conceptual framework for the military adventures of the Reagan and Bush regimes: the ‘strikes’ against Libya and Iran, the barbaric bombing of Iraq and so forth.”

Woolsey also served on the board of the Jewish Institute for National Security Affairs, a pro-Israeli think tank *cum* advocacy group whose sole purpose was to deepen the “strategic relationship” between the United States and Israel, with all of the benefits flowing to Israel.

After Woolsey joined the dual loyalist network that came to dominate the Washington national security bureaucracy in the late 1970s and early 1980s, his career soared. He served as under secretary of the Navy during the final stage of the Carter Administration, then turned to making what one source called “his first millions” as a well-connected lawyer-lobbyist.

When the Iran-Contra scandal erupted in 1986, Woolsey was retained as the chief legal counsel of Michael Ledeen, a former CSIS policy strategist who had emerged as one of several Israeli links in that conspiracy. It is, in part, evidence of Woolsey's rise as a Washington deal-maker that Ledeen got off scot free in the affair, these sources say.

"Woolsey served the Mossad well there, that's certain," said a congressional investigator. "Is he equally well qualified to serve as the keeper of America's secrets? All we know for now is that the Clinton transition team seems to think so."

[SUSPEND QUOTING]

We will now take a good hard look, again, at media manipulations.

This article was reprinted with permission by Joseph Sorbran but there is no further source reference.

[CONTINUE QUOTING:]

MEDIA BLANKET MALEDICTIONS
MANIPULATE PUBLIC OPINION

August 23, 1993

Now and then you read something in the morning paper that really wakes you up. If you're feeling groggy today, try this sentence:

"All Islamic fundamentalists are potential terrorists."

That sentence, italics and all, is from a column by **Eric Breindel of the *New York Post*, a charming man personally but a raging Zionist in print.** He derides "the guardians of Political Correctness" who would forbid such generalizations about all members of a given religious group: "Any effort to address the problem [of terrorism] requires recognizing this decidedly un-PC reality."

TO INFLAME AMERICAN OPINION

Like many partisans of Israel, Mr. Breindel frequently tries to inflame American opinion against Arabs and Moslems, and he often favors U.S. military action against Arab and Moslem countries. But I think he would resent the kind of sweeping statement he makes if, say, it were rephrased thus: "All American Jews who support Israel are potential traitors."

Are these two statements true? Well, yes, in the sense that it would be true to say: "All Methodists are potential murderers." When you put the word "potential" into a sentence, you approach tautology. "All Turks are potential chess players." "All Swedes are potential Swedenborgians." You can play this game forever. **[H: Note the presentation which so well shows the tactics of the Zionists in action.]**

FILL IN THE BLANKS

But when you fill in the blanks with the name of one ethnic or religious **[H: Yes indeed, Zionism is a religion!]** group together with a crime, the tautology isn't a game anymore. It may be literally true all Methodists are potential murderers, because all human beings are potential murderers. But to single out the Methodists for mention is to imply Methodists are especially suspect.

Many of the world's 750 million Moslems might be described as fundamentalists. But very few of them commit crimes, let alone terrorist acts. Mr. Breindel is encouraging hysteria. [H: And at the least, HATE.]

While he mocks the Politically Correct, Mr. Breindel is an enforcer of what might be called the **Semitically Correct**. **Three years ago he was one of many who accused Pat Buchanan of "anti-Semitism" for observing that Israel's "Amen Corner" in this country was "beating the drums" for war with Iraq.** That observation was obviously true—which is exactly why Mr. Buchanan was charged with anti-Semitism rather than, say, lying. He was recognizing, so to speak, a decidedly Semitically Incorrect reality.

Contrary to his detractors' claims, Mr. Buchanan wasn't even talking about "all" Jews. He was talking about the *Zionist apparat* in this country, which includes many non-Jews; a notable example being our former UN ambassador, Jeane Kirkpatrick, who, when our interests clash with Israel's, "always blames America First" (to borrow her own phrase about the Democrats in 1984).

On the other hand, many Jews have nothing to do with the Amen Corner, and some are Semitically Incorrect—not because they are hostile to their fellow Jews, but because they **reject Zionism**.

SQUELCHING DEBATE

When it comes to SQUELCHING open debate and punishing dissent, the notorious guardians of the Politically Correct have nothing on the guardians of the Semitically Correct. That is why you hear so little public criticism of Israel. On no other topic do so many journalists talk one way in private and another way in public—or simply keep a prudent public silence.

On most topics you can speak your mind without risking a campaign to damage or wreck your career. But criticize Israel—point out its laws restricting the rights of Christians, or its record of betraying this contry—and your employers and editors start getting calls for your head.

TERROR SPREAD

The Politically Correct prevails on certain college campuses. But the Semitically Correct prevails in the news media. I don't want to exaggerate the terror it spreads; the *Zionist apparat* is not so powerful that nobody ever takes the risk of piping up. But there is a certain risk, just enough to keep journalists wary and guarded in what they say about "our only reliable ally in the Middle East".

The essence of charges of political heresy, as opposed to mere error, is that a heresy isn't necessarily an error. It is a view that offends important interests. If it happens to be true, that only makes it worse, and

more necessary to suppress and punish.

In these matters, truth is no defense. It can be the worst offense of all.

[H: Please go back and read those last two paragraphs AGAIN.]

[SUSPEND QUOTING]

The next is so ONGOING as to be noted that you don't even know how the investigations are coming, what happened to files in question, who is on the listings (we are!) and what in the world are the FBI, POLICE and the ADL (Anti-Defamation League) doing in cahoots anyway? *SPOTLIGHT* has an ongoing battle with the ADL. These little British-Israeli B'nai B'rith "aliens" have done about everything they can to pull down people associated with *Spotlight*. It will be one of the saddest days in American History if you allow such a thing to happen.

[CONTINUE QUOTING:]

FBI RAIDS ADL

The FBI and local police raided ADL offices on the West Coast in search of stolen classified police files. What they found is creating a sensation out West but is not being reported elsewhere in the country.

Spotlight, Feb. 8, 1993:

Offices of the Anti-Defamation League of B'nai B'rith (ADL) in San Francisco and Los Angeles were raided by police and FBI on December 10 and were found to contain illegally obtained classified police intelligence files on Arab-American groups and others suspected of being opposed to U.S. support of Israel.

The ADL, an illegally unregistered agent for a foreign government, bought the information from a San Francisco police inspector, Tom Gerard, who has since fled the country to a remote island in the Philippines, with which the United States has no extradition treaty. Gerard is being investigated by the FBI and the San Francisco Police Department (SFPD) for selling police intelligence data to agents of the Mossad, Israel's secret service.

Gerard had been conducting investigations of Arab-American groups suspected of links to terrorist groups in the Middle East as well as other presumed "enemies" of Israel. He culled information from national law enforcement data banks as well as through conducting his own surveillance and investigations.

Gerard, 50, is a veteran police officer who interrupted his law enforcement career in the mid-1980s to work for the CIA as a bomb expert in El Salvador. Upon his return in 1985 he joined an SFPD intelligence unit that has since been disbanded.

SUSPICION AROUSED

His commanding officer, Capt. John Willet, began to suspect he was selling information to the **MOSSAD**. Willet tipped off the FBI and began his own investigation. Gerard then fled to the Philippines and informed the SFPD by mail that he had “retired”.

The district attorney obtained search warrants for Gerard’s abandoned houseboat and ADL offices in San Francisco and Los Angeles.

During the investigation, it was revealed one of Gerard’s sources was a paid informant of the ADL known as Roy Bullock. Bullock has for years spent time circulating among Arab-American groups and others critical of the close U.S. relationship with Israel, gathering information and relaying it to the ADL, which passed it along to the **Mossad**.

ANOTHER ISRAELI HERO

Gerard’s case is big news in Israel, where it is receiving front-page treatment. Gerard is regarded as a “hero”, much as U.S. naval intelligence officer Jonathan Jay Pollard, currently serving a life sentence in federal prison for espionage, was accorded that status for stealing American defense secrets and selling them to the Mossad.

According to *Haaretz*, a prominent Israeli daily newspaper, Israeli Prime Minister Yitzhak Rabin declared: “This [Gerard] is a hero and he’s been going after these people, and is a patriot who wants to save lives.”

Gerard had traveled to Israel in 1991 on an ADL-sponsored “law enforcement mission”, an all-expenses-paid trip in which Gerard was introduced to Israeli police and intelligence officials. Gerard told a friend that while he was there he helped in the airlift of Ethiopian Jews from Addis Ababa to Israel.

“We want the ADL to come clean,” said Christine Botah of the Arab-American Democratic Club of San Francisco. “What is an organization that is supposed to be advocating human rights doing collecting information on another group?”

Although details of the story are making front-page headlines in California papers and in Israel, it is not being reported in the Midwest or on the East Coast.

[SUSPEND QUOTING]

So, with the above in mind I think you need the input of facts and some personal comments by the Editor of *Spotlight* which will shed some more light onto operations of the Israeli Intelligence agency (Mossad) and, even if you don’t realize it the Mossad is fully entangled with the U.S. CIA, FBI, British Intelligence and the Soviet KGB. This means that the ADL is nothing but a spoke in the wheel of these INTELLIGENCE OPERATIONS.

[CONTINUE QUOTING:]

Just saying a thing doesn’t make it so. You need proof to back up what you’re saying,

particularly if people don't want to believe it. We've been saying for years that the Anti-Defamation League of B'nai B'rith (ADL) is an unregistered agent of a foreign government—Israel—operating illegally in the United States in violation of the Foreign Agents Registration Act. And we've offered plenty of proof, but our warnings have gone unheeded, and the ADL has been allowed to continue its subversion and illegal activities because the politicians are SO FEARFUL OF THE ISRAEL LOBBY.

But now, as you can see in our lead story on page 1 (above), the FBI has raided the ADL's offices in California and discovered stolen, classified police intelligence files in the group's computers and file cabinets. The surprise to us is that so many people are surprised. The Israelis themselves are not; they're already proclaiming the San Francisco police inspector who stole the data and relayed it to the Mossad and the ADL a "hero". We're not surprised, because we've been documenting the ADL's illegal activities for years. But the Establishment media—those outlets that have chosen to report it, at least—certainly appear to be startled.

No, saying a thing doesn't make it so. So we offered hard evidence, proof that has never been challenged or successfully denied.

[SUSPEND QUOTING]

Is it yet becoming clear to you who are the Zionists? They are a CONVENIENT grouping of those who you think to be "Jewish" Hebrews. No, there are as many non-Jewish, and perhaps far more, persons involved in Zionism than are the Hebrew *Torah* followers. Zionism also fits into the Zion element called the Mormon Church. These are basically people drawn from the masses to bring the Elite into One World Order CONTROL. Israel is ZIONIST. *It is NOT a "Jewish Homeland"* and the most surprised "Jewish people" were the ones who went there thinking it to be home. NO, and moreover, the U.S. is NOW considered the "Zionist Homeland of the Jews". You will note that ongoing CURRENT talks about settling disputes, rearranging lands in the Middle East, etc., ARE TAKING PLACE IN THE UNITED STATES OF AMERICA—NOT THE MIDDLE EAST.

Some of the most dedicated ZIONISTS come directly from your Pentecostal Evangelical CIRCLES and you blink twice and can't figure what they are talking about with their "Judeo-Christian" nonsense. And what do you do? You pour more money for a communications system of international hookup which is currently being established in both the Soviet bloc areas AND ISRAEL. This is right from your TBN religious network. Jerry Falwell shouts to all: "I am a Zionist and proud of it!" So be it, these are the "Jesus" distractors who toss "Christ" around like a hot potato while all the while leaning toward the rebuilding of the Temple in Jerusalem, the coming Rapture (which isn't) and they are leading you right down the PRIMROSE PATH to total loss of self, soul, freedom and nation.]

We will pull this writing to a close right after we speak of another very important high-level politician, Martin Indyk.

MARTIN INDYK
NATIONAL SECURITY COUNCIL

June 7, 1993, *Spotlight*:

[CONTINUE QUOTING:]

WAR CLOUDS GATHERING

With hardly a mention in the Establishment media, soul, soul, American foreign policy in the Middle East has taken a radical turn toward interventionism and warmongering. **A dual-loyalist member of the National Security Council (NSC), Martin Indyk, has seized control of policy for the region and embarked on a course sure to bring about war with Iran and Iraq. That is because he has called for nothing less than their destruction.**

What's more, Indyk has been an American himself for only a few months, having been naturalized at the time of the Clinton inauguration. An Australian by birth, he became an ISRAELI CITIZEN in his youth and decided to become an American ONLY WHEN it looked as if he had a good chance of snaring a top policy position with the Clinton Administration.

Before he became a government policymaker, he directed a Washington "think tank" on the Middle East, which was nothing but a COVER FOR THE ISRAEL LOBBY to disseminate propaganda on behalf of that foreign country. In fact, the outfit was spun off from the American Israel Public Affairs Committee, the official Israel lobby. Few Americans have even heard of him, yet he has committed the country to a campaign that will result in WAR in the Middle East. Apparently, the government wants him to remain semianonymous. The White House and the NSC will not even release a picture of him.

....Clinton's policy in the Middle East makes no pretense of fairness or evenhandedness.

It simply declares that Israel WILL HAVE ITS WAY IN THE REGION, and all those who oppose it will be destroyed. This doctrine, that America has an abiding interest in Israel's welfare—indeed, that Israel's interests should be placed ahead of America's—is the source of all that's wrong with U.S. policy in the region and elsewhere on the globe. With the nuclear weapons already in the region, in the hands of Israel, and those on the way in Iran and Iraq, the specter of nuclear holocaust, thought to have disappeared with the collapse of the Soviet Union, has once again reared its fearsome head....

[END OF QUOTING AND END OF PART 6]

I would like to leave you with a thought about "nuclear" ongoing interests. You have had another "test" in the Pacific—you know, one of those that is destroying your Pacific Ocean and pushing the Pacific tectonic plates into major rotation. Things are heating up, readers, and certainly the plan is to kill you one way or another. Those "French" tests are interesting in that France has the very least to do with any of them. The computer runs are hooked up to British Intelligence and U.S. Intelligence at White Sands. The data is moving through your computers before France even has any report or collection. In conjunction with this major thrust against the plate rotations and the magnetic confusion by the pulse grid system (GWEN and HAARP, among others), you are teetering on the brink of major loss of planetary stability. The magnetic

pole is in almost constant wobble like a dying top as it tosses and twitches as it wobbles to a stop. You have all but destroyed the magnetic gyroscopic free-spin.

Politically you are in total disarray and if you think those are natural storms, floods, etc., in Bosnia which are hampering your troops from settling in with toasty toedies before a fireplace—THINK AGAIN. You are meeting far bigger manipulators than are in Washington D.C.

I marvel at your gullible acceptance of any thing and every thing pushed off on you. NOTICE: THE U.N. PULLED OUT AND NATO **COMBAT TROOPS** (YOURS) MOVED INTO THE FRAY. AND, HUNDREDS UPON HUNDREDS OF FULLY-LOADED MILITARY EQUIPMENT NOW IN COMBAT COLORS are being shifted all over the U.S. What happened to the good old WHITE U.N. “PEACE” training troopers and equipment?

Most of you aren’t even taking note that you ARE WITHOUT A GOVERNMENT. Worse yet, the dangerous ones are STILL IN WASHINGTON WAGING WAR AGAINST YOU-THE-PEOPLE.

BY THE WAY, FRIENDS, WHAT ARE YOU HEARING FROM YOUR NEW REPUBLIC IN NEW MEXICO? WE WERE TAKEN OFF THEIR MAILING LIST BECAUSE MR. NEWBY DIDN’T LIKE BEING CHALLENGED ON HIS POSSIBILITIES. SO BE IT. ISN’T THAT THE WAY OF ALL GOVERNMENTS? RAISE A QUESTION AND YOU’RE “OUT”! WELL, NO, MR. JACKSON—I **CERTAINLY HAVE NOT FORGOTTEN OUR AGREEMENTS SO IT APPEARS YOU ARE STILL THE ONLY ONE WHO IS FNOT PRODUCING**. This latter notation is because people still ask me about the *New Republic* and my Mother told me that, if I couldn’t say something “nice”, to say “nothing at all”. Good day.

APPENDIX

AFFIDAVITS OF REX WEEKS AND DAVID NEWBY
