Let Us Get Our Priorities Straight

Who's Trying to Save What & Whom — Precisely

A comprehensive and realistic survey of the situation as it exists to date by carefully sorting out the pretenders, the friends and the enemies of the White Race.

By Ben Klassen, P. M.

Throughout history — individuals, groups, organizations, religions — have been trying to “save” others of like categories from the dire consequences of something they deem inherently evil. Some of these crusades have been sensible and urgent, some have been fanatically unreal, and some have been plain idiotic, depending on the viewpoint of the observer. Some of these campaigns to save somebody from something have been of long duration (thousands of years) some of only recent origin, some of temporary and frivolous nature.

Since we ourselves are engaged in a holy war to save the White Race from mongrelization and extinction, it behooves us to take a clearer look at what some other groups and individuals are doing, have been doing, and will be doing. We want to more clearly delineate those who might be our allies. We also want to expose more clearly those who are obviously our out-and-out enemies, but have not been recognized as such by most of our White Racial Comrades.

One other matter I want to clarify. Since we of the Church Of The Creator have been so carelessly classified and categorized with several previously existing organizations, we again want to make it abundantly clear that we are a comprehensive and far reaching racial religion that is dedicated to the survival, expansion and advancement of the White Race, and the White Race alone. As such we are unique and none other exists today, as far as we know, ever before in history.

So let us look at history and examine precisely WHO has been trying to save WHOM and WHAT precisely, and let us start with the Egyptians, who in their own way were eager

beavers and fanatically engaged in trying to save something, and what they did has grossly affected us to this day.

THE ANCIENT EGYPTIAN CIVILIZATION

As I have reviewed in the articles on Egypt in RACIAL LOYALTY Nos. 11 and 12, the entire Egyptian civilization, the first really White civilization, was overwhelmingly dominated by religion. Furthermore, their religious beliefs were wholly based on FICTITIOUS CONCEPTS, rooted in superstition, gullibility and hocus-pocus. Intelligent and advanced as the Egyptians were, they nevertheless were as superstitious and gullible as any primitive barbarian.

But they were much more than that. They were highly ingenious and inventive, especially in the realm of the supernatural. In fact, it is the Ancient Egyptians who deserve credit for mostly all the **fictitious concepts** on whose sleazy foundations later were built the so-called major religions of today. These religions include primarily Judaism, Christianity, Mohammedanism, Buddhism, Mormonism, and what have you.

What were these major innovations and concepts of the spook world that were invented by these ancient religionists? They were numerous, major and far-reaching. They include: (a) The idea of the human “soul” as being separate and apart from the mind as such. (b) The idea of immortality of the human soul, and a life in the “hereafter”. (c) The idea of reward and punishment for acts committed in this life, to be meted out in the “next” life. (d) The idea of heaven and hell. Although vague in Egyptian times, they laid the

foundations for the monsters the Christians developed in later times. (e) The idea that “gods” with supernatural powers could, and did, control our lives and mete out punishment and rewards, not only in the “hereafter”, but also in the earthly life of each person. (f) The idea of placating, appeasing, pleasing, praying and kowtowing to these imaginary gods. (Not necessarily original with the Egyptians, but they expanded it into a major production). (g) The idea of building huge temples in honor of these imaginary gods, in order to please, placate, and honor them. (h) The idea of tombs, sarcophagi, etc. for the soul. This led to gross excesses, such as building huge pyramids. (i) Complex rituals of worship. Again, this too was not exactly original with the Egyptians, but the dimensions to which they pushed this idea became the framework for the later and present day religions.

(j) The widespread practice of circumcision. The Egyptians were the first major civilization to practice this barbaric mutilation of the human body as part of their religious ritual. (k) The idea of tithing, that is extracting goods and money from religious victims for the benefit of the priesthood, a practice that has been greatly improved upon by modern religions, especially the sophisticated electronic evangelists of today, the super con-artists of all time. (l) The idea of religious hymns was already spawned by the Egyptians. (m) The idea of baptism, cleansing the “soul” by ablution with water. (n) The idea of one god (Akhnaton). (o) There are a number of other hocus-pocus religious ideas, customs and terms for which we are indebted to the Egyptians, not the least of which is the oft repeated, but meaningless word, “Amen”, deriv-

ing from praise of their god Amen-Ra.

Perhaps I am spending a little more time on the Egyptians than I should, but when we contemplate the tremendous burden of religious debris they have dumped on succeeding generations, and especially those living today, I believe it is highly important to understand where much of it originated.

Now let us answer the question: **WHAT were the Egyptians trying to save?**

The answer is they were trying to **save their "souls"** and provide for a comfortable immortality — a fanaticism pursued even more fervently by the Christians thousands of years later. They also had a few lesser goals on the side. One was to overcome "time", and in the building of their huge pyramids they have at least partly been more successful than any other people. But they also wanted to extend and glorify their "earthly" name (ego), and in this, too, they succeeded better than most.

THE JEWS.

It is one of the most fateful accidents of history that the parasitic Jews were spawned out of the religious milieu of the Egyptian culture. **Certainly this accidental development has proved to be one of the most catastrophic events in the development of the White Race and one which in the present era may well prove to be the death knell of Nature's Finest.** It is the holy vow of the Church Of The Creator to see to it that this will not happen.

In any case, the Jews being a parasitic race, were also an egocentric race. Everything they learned they utilized for their own advantage — and they learned plenty from the Egyptians. They learned: (a) That religious hocus-pocus is a powerful means of controlling and directing people's minds. (b) That people's actions follow their innermost motivations, and once you have control of their minds their actions can be controlled to follow any direction their manipulators wish.

They then set about turning these ideas into reality and went to work converting religion per se into a powerful racial tool — A RACIAL RELIGION. They further copied from the Egyptians: (c) The idea of monotheism (Akhnaton) (d)

Building temples for their gods. (e) The idea of immortality. (f) The idea of the soul. (g) Life in the hereafter. (h) Rituals of worship. (i) Circumcision for members of their tribe. (j) Religious fanaticism, this however, always in the direction of loyalty towards their tribe.

What is it the Jews are trying to save? They have one of the clearest and most sensible goals of any existing religion in history — **the survival and expansion of their race to the point where all other races have been mongrelized, lost their identity and utterly destroyed, only to be enslaved into the toils of their Jewish master.** They fanatically pursue their goals with a zeal as no other race ever has — **to enslave and dominate the rest of mankind and to accrue unto themselves all the gold, silver and other assets on the face of the earth. Their goals are clear, they are vicious, and they make a lot of sense — for the Jews.**

What do we Creators have in common with the Jews? Absolutely nothing, and everything. The Jews are our most vicious and bitter foes. It is our desire to wipe Judaism from the face of the earth. **DELEND A EST JUDAICA!** is our battle cry! But we have learned just about everything from the Jews about how to build a racial religion for the survival, expansion and advancement of the White Race.

One major difference between us and the Jews is this: Whereas the Jews have throughout their history been a parasitic minority living on the backs of productive White civilizations, we Creators are just the opposite. We White Creators are the most productive, creative species on the face of the earth. **We need no Jews, no mud races, no slaves, for our welfare and the sooner we get all the parasites off our back, the sooner every White Man can live like a king.** Nor do we plan to stay a minority. Whereas we have no desire to dominate or enslave anybody, we want to expand the White Race until we crowd out the mud races and inherit the earth — all of it — for the White Race.

THE GREEKS

The inherent characteristic of the Greeks was their love of beauty, culture, and their innate intelligence. Their limited goals were to save their own city states from

neighboring city states, and because of such limited political and racial vision they warred on each other endlessly in such fratricidal bloodletting as the Peloponnesian wars, and thereby destroyed themselves. It was this fratricidal infighting and their failure to realize the Divine Seed they possessed, that led to their political downfall and the mongrelization of their excellent gene pool.

What do we Creators share with the Greeks? Well, we also pursue the goals of culture, beauty, art and intelligence, but that is all. We are aware of one great bonus the Greeks were not — **how to protect our gene pool** and advance it ever higher and onward to levels the Greeks never even dreamed of.

A logical mind is in close touch with reality. Insanity is characterized by living in a world of fantasy.

THE ROMANS

Like the Greeks, the Romans started with excellent racial stock, but oriented in a somewhat different direction. Whereas the Greeks were highly innovative, and gifted in the arts and in culture, the Romans were more pragmatic. They were great warriors, organizers and law givers, and as a result they not only conquered the Greeks but all of the then known and worthwhile world around the Mediterranean. Because they were such excellent conquerors they soon had slaves by the millions to do their menial labor for them and this proved to be their downfall. Because they took in all the conquered peoples of the era, they also took in a lot of mud genes and bastardized their once noble race.

What was their main passion? To save Rome — the Empire. This they did for a thousand years but they lost their precious genes in the meantime because they lacked a racial religion. As a result, the collapse of Rome was one of the greatest tragedies in history.

What do we Creators have in common with the Romans? A great deal, really. Our love for law and order, the desire to build, and the desire for empire building, as well

as many other noble traits. **Had the Romans only realized the preciousness of their inherent genes and the value of a racial religion!**

THE CHRISTIANS

Whereas the Judaic religion was spawned out of the hocus-pocus welter of Egyptian religions, Christianity in turn was a planned, deliberate outgrowth of Judaism. **Without the Jews the White Race would never have had the scourge of Christianity inflicted upon it.** I have already elaborated on this subject in NATURE'S ETERNAL RELIGION (Christ's Existence Not Substantiated By Historical Evidence) and several other places in my writings.

Briefly the story as it can be pieced together is this: When Rome dominated the world in the first century C. E., (Common Era) they assimilated, among many other territories, the minor Judaic kingdom in Palestine, whose capital was Jerusalem. As always, although militarily conquered, the Jews were rebellious against authority. In order to subdue them and lay waste to their cities, Emperor Vespasian sent General Titus to Judea to quell the rebellion. With a few legions he laid siege to Jerusalem and in less than two years he conquered and leveled Jerusalem to the ground.

That should have been the end of the Jews as the destruction of Carthage was the end of the Carthaginians. But it was not. The Jews were a tenacious tribe, thanks to the virulence and cohesiveness of their racial religion, Judaism. They planned revenge, and the destruction of the Romans. (See Creative Credo No. 43 "Confessions Of A Jew", in the WHITE MAN'S BIBLE)

The Jews took a deadly course of action for which the Romans were completely defenseless and unprepared, and which even while the poison was being administered to them, they never understood. Even to this day the overwhelming majority of the White Race fails to understand it, although the evidence is laid out before them, loud and clear.

The Jews now put into play the tenaciousness of their Judaic religion — they put into full practice their trump cards — **polarization and dispersion.** (See RACIAL LOYALTY No. 13)

The Jews utilized their tremendous accumulation of religious

(Continued on Page 3)

knowledge and psychological expertise. They went to work on the brains of the Romans. They transformed the dauntless world-conquering Roman warriors into whimpering, peace-loving wimps. The tool they used was Christianity.

Instrumental in this brilliant idea was a Jew by the name of Saul of Tarsus, who later became the Christians' St. Paul. In order to put this piece of chicanery together he dredged up the teachings of a little known and dying religious sect around the Dead Sea. They were known as the Essenes, and they were a Jewish sect, completely out of the mainstream of Judaism.

From their suicidal teachings ("sell all thou hast", "love your enemies", "turn the other cheek"), he concocted a deadly religion to feed to the Romans. The whole Jewish network soon threw themselves into the battle with a frenzy seldom before witnessed in history. What they accomplished next through the power of their religious zeal is, and remains, one of the most astounding events in history.

The peoples of the Roman Empire (who by now were a mere shadow of the original Roman stock) became obsessed with this new religion. As their minds became more and more drugged with this anti-nature, anti-life doctrine, the Empire slowly sank, civilization disintegrated, and an ominous dark pall settled over Europe for the next thousand years.

The Dark Ages set in.

The Jews had triumphed with their **B-bomb (brain-bomb)**. Their triumph over the White Race prevails to this day, more ominously than ever. **The B-bomb is still ticking.** What is it the Christians are trying to save? Why, souls! All kinds of souls! All kinds of souls — White, brown and black, from the fiery pit of hell. And who concocted this horrible booby-trap? Why, the sweet loving (Jewish) god who at the same time is supposedly making a big to-do that he is trying to save us all from that same fiery pit.

What a crock of nonsense! Nobody has even seen, heard, felt or smelt a god, or spook, or a soul. Talk about **fictitious concepts!** The Egyptians invented them, the Jews capitalized on them, and the stupid Christians swallowed the poisoned bait. (Read again "Fictitious Concepts" in Racial Loyalty issue No. 7.)

What do we Creators have in common with the Christians? Not much, except that about half of the Christians of the world are White, and most White people, unfortunately, are still quasi-Christians.

NATIONAL SOCIALISM

When we speak of the Nazis, I think it is extremely important that we differentiate between the Nazi era of Adolf Hitler in Germany, and the neo-Nazi groups that have spawned here in America. **They are not the same.**

First the Hitler era. Since I reviewed fairly thoroughly "Germany, Adolf Hitler and National Socialism" in Racial Loyalty issue No. 14 and this issue, it is not necessary for me to do so again. I will simply state what their goals were. Basically the thrust of Hitler's movement was to (a) save Germany from Jewish communism (b) tear up the Versailles Treaty and recover territories lost by Germany to surrounding countries (France, Poland, Czechoslovakia, etc.), (c) break the back of Jewish money-manipulators (d) expand German hegemony and territory eastward into the fertile lands of Russia and Eastern Europe. There is more, but basically this sums it up. The main idea was pan-Germanism (Deutschland uber Alles!) and vigorous German expansion, at the expense of many other White nations such as the French, Poles, Czechs, Slavs, Rumanians, Russians and others.

National Socialism was the first mighty breakthrough for the White Race, but it was not the total answer. CREATIVITY IS.

We now come to the helter skelter of neo-Nazi groups in America that have sprung up since George Lincoln Rockwell revived the neo-Nazi movement in 1958. We could also cite the Silver Shirts of the 1930's, but they were actually a different breed, spawned and supported directly out of Germany, and died out when Germany lost the war.

What is it the neo-Nazis in America are trying to save?

Well, there is no one clear

answer. They are at best a mixed breed, with motives as diverse and confused as are their members. **Some are out-and-out plants organized by the Jews themselves so that the ADL can point with alarm to their own dues paying members about the horrible threat of nascent neo-Nazism.** This drives the Jews wild and they will quickly cough up millions to help swell the war chest of the ADL. It works beautifully.

Then there are the Hollywood type of Nazis, who, like the Civil War buffs, love to parade in Nazi uniforms, arm bands and all, and throw the stiff-arm salute repeatedly. Basically they are shallow individuals indulging themselves on an ego trip. I have met quite a few of them and find most of them are as confused as a little boy who has just lost his chewing gum on the floor of a chicken pen.

Then there are the more serious type that want to emulate the brilliant success of Hitler in the 1930's and believe they can transpose those same procedures onto the American scene of the 1980's. Their main success seems to pigeon hole itself into glorifying Adolf Hitler, (nothing wrong with that) but not in really having a ghost of a chance of actually building a meaningful movement in America to do the job that needs to be done. Why? Because they don't have a grasp on reality and only a superficial understanding of the situation. Among other things, they don't seem to understand at all (a) that Hitler was a phenomena, a genius of unbounded energy, and the success of the movement was more due to the personality of this great unusual man than the philosophy he espoused, and (b) his program was tailor made for the situation in Germany during the 1920's, but not geared to the America of the 1980's, and (c) were a young, vibrant Hitler alive in America today he would, I am sure, take an altogether different approach. (d) None of the personalities on the scene in America today are even comparable to the genius of Hitler. (e) **That because 13 million Americans fought against the Nazis in WWII, the Nazi image is anathema to the average American, many of whose relatives were killed in that war. Not only is the Nazi image of no help, but thanks to the massive Jewish propaganda barrage over the past 50 years it is a tremendous bar-**

rier towards a feasible solution to the Jewish scourge.

So what are the Nazi groups trying to save? It is a confused picture. Most of them are merely on an ego trip, hoping they will become a MODERN DAY INCARNATION OF ADOLF HITLER.

Most of the various splinter groups are feuding amongst themselves and are as hostile to each other as they are to the Jews. Most of them have no clear philosophy of any kind, no goals, take a wimpy stand on Christianity, and no program whatsoever on how to achieve the goals they don't have.

Some advance specious arguments such as "when the race war starts and there is blood flowing in the streets, then all these groups will unite!" Really? How are they going to do that? (Read again "Make Hay While The Sun Shines" in Racial Loyalty issue No. 13). Their vague answer to that: "Hitler did it." That just isn't so. Hitler did not unite with, or merge, the thousands of political groups that were spawned in Germany after WWI. In fact, in his book Hitler definitely denounces the merging of organizations as weakening and/or destroying the original organizations. **What Hitler did was convert and absorb the individual members of other groups into one solid Nazi Party. In short, he polarized the individuals into one mighty movement under his leadership,** and he did not do it while anarchy ran rampant and blood flowed in the streets. He did it under fairly civilized and orderly conditions. I repeat — let us do likewise and unite under the banner of a racial religion — the most powerful idea we have to work with, now or ever.

So what are the neo-Nazis trying to save? It varies from group to group. But the main thing they have in common is they are trying to save their own hubris (Webster defines hubris as overwhelming personal ego).

THE ODINISTS

Like the Civil War buffs and the Hollywood Nazis, the Odinists in a way are playing games with an era that has slipped away into the distant past and can never be revived again, any more than you can revive a dead horse, though you may try to awaken it with a massive blast of dynamite.

PRIORITIES

(Continued from Page 3)

Though small, the members of the revived Odinist movement are intellectually a cut above the neo-Nazis, and their racial goals are sensible, although they have little or nothing to do with Odin, Thor or Wodin. Basically they use these Norse mythologies as a sort of backdrop, a Mythos, as Alfred Rosenberg would describe, to cling to as a point of departure.

But why must they use such cluttered window dressing as a necessary prop? True, the Vikings were great fighters and excellent physical specimens, but intellectually they were on a level with Hagar the Horrible in the Comic Strips. Mostly they were highly illiterate and most of what we know about their mythologies were conveyed to us by the more literate Christians of a later date. In any case, **the Vikings understood nothing of the more powerful mind-bending tactics of the more cunning Jews, and were no match for them at any time.**

In consequence they succumbed to the more sinister and seductive Christian lure and today their descendants — the Danes, Swedes and Norwegians, are the most submissive Jew-loving wimps on the face of the earth. Christianity and other Jewish propaganda has done its job well.

So what would convince anyone that an insipid set of Mother Goose myths could and will reverse a situation from an era that has passed on and is now as dead as a door nail? **The answer is — nothing.** We believe that the Odinists, good people that they are, should dump this unnecessary garbage and join with us in a full fledged racial religion that covers the complete spectrum, but is not bogged down with a mass of ballast that can only be an insult to any White Man's intelligence.

What are the Odinists trying to save? Here we have to differentiate between the Odinist of the ancient Vikings and that of the small modern group with their revived version. The original Odinists were plainly indulging in unadulterated superstition playing religious games with their own concocted gods and myths, as had so many other peoples before them — The Egyptians, the Greeks, the Romans, and even hundreds of mud races. Even in that category the quality of the Viking myths were several cuts below that of the more erudite and civilized Greeks and Romans.

The revived and revamped modern day Odinists have somewhat different goals that can be delineated into two incompatible and unrelated categories. One, to vicariously re-live the trappings of a by-gone era, which, if it were to be really duplicated would be pretty miserable, and secondly, to revive a "mythos" upon which to build an "aryan" religion and be able to point to it with pride and say "this is a White Man's religion, not a Judeo-Christian religion". Although even in this category their modern day version has many gaps and is incomplete, we Creators share these goals with Odinists. In rejecting Jewish Christianity the Odinists have already gone a long way towards our position. **We therefore suggest that they stop playing games, join with us all the way in a real White Man's religion that has the Total Program, the Final Solution, the Ultimate Creed.**

THE PATRIOTS

We now come to the group in America that is probably the largest, the most amorphous, and also the most disorganized and the most confused.

Since this category includes so many groups that it is impossible to list, I will go straight to the common denominator and ask the rhetorical question: **What are they trying to save? And the noble sounding answer is "We are trying to save the country".**

When asked: **From whom?** Their answers become extremely fuzzy. From the bureaucrats, from the Democrats, from the Republicans, from Carter, from Reagan, from the politicians, from the C.F.R., from the Bilderbergers, from the Trilateralists, from the "internationalists", from the "insiders", from the communists, from the Zionists, from the Dual Loyalists, from the U. N., from special interests, from the bankers, from ourselves (even!). Depending on whom you ask, you can come up with a whole plethora of different answers — but strangely they all have one other thing in common — **they will never put their finger on the real culprit — the Jewish powerhouse.**

When asked a second meaningful question, namely **for whom are they trying to save the country**, they act as if they had never given that a thought. Why the people, of course, is their bland answer. When this line of questioning is pursued further — **Would you fight and lay down your life to save this country so it**

could be populated with wall-to-wall niggers and other mud peoples, and run by the Jews? Would you try to "save the country" although its government, press and whole power establishment was intensely hostile to the White Race, and had, in fact, a series of aggressive programs in force aimed at mongrelizing and/or committing genocide on the White Race? Would you fight for a government and country whose loyalty was overwhelmingly for the bandit state of Israel and everything Jewish, but extremely hostile to the White Race? **Would you again fight a war for a government and country that joined hands with the Russian communists in 1941, and fought a war that killed millions of our best White men, only to save the necks of the Jewish monster?**

The bottom line about saving the White Race really adds up to this: How much do you care?

At this point the Patriot becomes extremely alarmed, agitated, confused, and even hostile? They start mumbling incoherent phrases programmed into their unthinking minds by the Jewish propaganda mill. Automatically they mumble something about racists, Nazis, bigots, and they don't want to get into "it".

Well, nuff said. I have covered this subject more fully in Chapter 2 (Part II) of NATURE'S ETERNAL RELIGION, "Your Loyalty — a Sacred Trust", and also several chapters in the WHITE MAN'S BIBLE, namely Creative Credo Nos. 17, 18, 21, 29, 32 and several others.

What do we Creators have in common with the Patriots? Well, quite a lot — mostly in the fact that the majority of our good White friends belong to this confused and helpless lot. It is also in this group that most of our potential members now lie dormant, in great need of both awakening and education.

However, I must make clear the distinction between "patriot" individuals and "patriotic" organizations, and post a warning. Most of the organizations that appeal to the average American's patriotism are Jew spawned, are designed to distract, confuse and relieve the average White American of his money — especially his money. In short, most of them are Jewish

rackets, surprisingly many based in the Jew capital of the world — Washington, D. C. Most such come in well sounding appeals such as "Help save the Panama Canal". (Now who but a rogue wouldn't want to help save the Panama Canal for America?) They come equipped with neatly printed, self-addressed, postage paid envelopes, and of course the standard fare, the card which says "I enclose \$5.00 - \$25.00 - \$100.00 - 500.00 - 1000.00". They have it down to a science, and it works beautifully.

THE CONSTITUTIONALISTS.

Closely allied to the Patriots, but better read, and intellectually a few cuts above the average American Patriot are the Constitutionalists, although they have much the same attitude. They are for saving the Constitution, for God, flag and country. The main difference is they want to do it in a specific way, by "enforcing" the Constitution.

When asked the rhetorical question — Who do you expect will enforce the Constitution as you want it enforced? The answer is: the government!

It is a useless hassle to point out the obvious to them: The government is Public Enemy No.1, hostile as hell to the White Race and hell-bent on the total destruction of the White Race and every value we hold dear. "Our" American government is totally in the hands of our mortal enemy the Jews, who are using the Constitution to rob, loot and destroy the best and most productive element of the polyglot American melting pot — the White worker.

To try to reason with the Jewish powerhouse, to explain constitutional niceties, to "convince" them they should change their ways, is pure insanity. The Jews are fully aware of what they are doing, although the White Man is not, and nothing, but nothing, is going to "persuade" them to change their course — except raw, massive power.

In order to generate such a power base the White Man has to build his own massive movement and brutally smash the Jewish establishment to smithereens. **Only a massive White steamroller movement can do this, and before we can do so we have to get our priorities straight.** This, of course, is what Creativity is all about and I will have more to say about this in the conclusion of this article.

(Continued on Page 5)

THE CHRISTIAN WHITE RACISTS

This group is really a breed apart and needs special mention from that of the Patriots and the Christians. In this category we can list The Christian Vanguard, The Thunderbolt, The National States Rights Party (which claim they are now UN-connected from each other). The various Klans also fit into this category, although loosely. There are a few dozen other small groups that also espouse the cause of Christianity and White racism.

This whole string of groups, too, is highly amorphous and a completely mixed bag of tricks. Without examining each one in detail the common characteristic or goal of all these groups is they are presumably trying to save your soul from the fiery pit and the White Race at the same time. This, of course, is a highly contradictory goal and self-defeating. It is like trying to win the Indy 500, but you make sure that every time you push down on the accelerator with one foot, you push down even harder on the brakes with the other. (Read again "Self-imposed Handicaps" in Racial Loyalty issue No. 6) That is one hell of a way to win a race, and, of course, you never do.

The biggest harm these groups do is confuse the hell out of the average White racist by pounding away at the term "White Christian" over and over and over, until like the Pavlovian dog, the victim begins to think that the two terms are synonymous, when, in fact, we have shown throughout this and dozens of other articles that Christianity is poison to the White Race, was a major cause of the disintegration of the Roman race and the fall of its Empire, and was spawned by the Jews for that very purpose in the first place.

One other immense value these Pro-White anti-Jewish Christians have to the Jewish cause is this: **It provides a feasible argument against clarifying the Jewish-Christian-White Race dilemma.** Protagonists for Christianity can point to the fact that Christianity can't be a Jewish hoax because Christians like (the above mentioned) are strongly anti-Jewish. Sounds reasonable.

But the dominant fact is the overwhelming majority of Christians like the National Council of Churches, the World Council of Churches, the Moral Majority and

the Jerry Falwell Crowd, Billy Graham, the Catholic Church, are all strongly PRO-Jewish, PRO-Israel, PRO-race-mixing and ANTI-White. These groups represent more than 99 per cent of the White Christians of the world, and **the comparative handful of ANTI-Jewish Christians do nothing more than confuse the issue by providing a credible argument for not exposing the Jewish nature and origins of Christianity.**

The end result most of these groups accomplish is similar to that of the Birch Society and that is as its members see one defeat after another, the enticements of throwing in the towel and thinking more and more of the blandishments of the next world in heaven become stronger and stronger. In this way one good White Racial fighter after another is neutralized and finally becomes a total victim of that Jewish mind scrambler. He becomes a "devoted", "dedicated" Christian and lets the real world (and his race) go to hell — into the hell of the Jews.

THE POPULISTS

Recently, especially under the auspices of the The Spotlight out of Washington, the Populist Party has received some mediocre prominence and publicity (nothing in comparison to, for example, what that little talentless mongrel, Michael Jackson has been showered with). Since The Spotlight has a relatively large circulation for a paper that (overtly) professes to be ANTI-Jewish (Well, at least ANTI-Israel) this phenomena deserves some attention.

What does the Populist Party stand for?

Well, basically it is supposed to be the People's Party and represent the will of the people (aren't all Political Parties made up out of people, and stand for, by, of, behind, and in front of the people?) It is supposed to represent Americanism — to go back to the good old times, and plethora of old time goodies, including stick candy with red, white and blue stripes on it.

Let us go back a little into the history of the Populist Party.

The Populist Party was founded as an agrarian political party in February, 1892, in St. Louis, Mo. It represented in general three groups: (a) Western farmers, (b) Southern farmers who through the Farmers Alliances had sought to, but failed, to capture the Democratic Party, and (c)

representatives of several labor and reform groups. At their first convention in July 4, 1892, in Omaha, they adopted a platform of the graduated income tax (we have it now, do we ever!) direct election of U. S. Senators (we have that now also), free coinage of gold and silver in a ratio of 16 to 1, and other reforms relating to land, currency and transportation.

By 1896 the party was captured by William Jennings Byran and it soon committed suicide, hobbling along until 1908, when it became defunct.

A revival of this same party today is as archaic as trying to revive the Odinit gods, or the Klan of the 1880's or the Nazi Party of the 1930's. They do not fit the massive job at hand. They do not address the overwhelming issue staring us in the face — the racial issue. **They only fiddle around the fringes, but never come to grips with the nitty gritty — Christianity, the Jews, the explosion of the mud races.**

Unfortunately, at this time the average White Man's mind is too cluttered with superficial trash to be able to grasp the full ramifications and magnitude of the idea we Creators are expounding. But we will get to them all, sooner or later.

Besides the obviously blatant inadequacy of the Populist Party and its platform to do the massive job that needs to be done, it has inherent in it that basic weakness characteristic of all democracies — it is based on mob psychology. History has taught us — or should have by now — that no great heroic thought or act ever emerges from the mob. On the contrary, only the lowest, basest demands come out of any mob. It always sinks to the lowest denominator, namely — how can I get a free ride at the public trough. As Hitler has pointed out — all great ideas emerge out of the minds of great individual personalities — great leaders.

The Populist Party runs exactly counter to the Leadership Principle

and instead seeks to cater to the wishes of the mob for its direction. Since the mob, collectively, never really knows what it wants and at best has a multi-polyglot mind that is usually confused beyond belief, you can be sure the Jews will quickly take control, if they didn't instigate the whole scam in the first place.

I predict that the Populist Party will go the way of its earlier counterpart around the turn of the century, and as did George Wallace's American Independent Party, namely, belly up.

So what is the Populist Party trying to save? Well, presumably the country, for the people. But which of the polyglot mess of people that inhabit this country, they don't say. Basically, the Populist Party is only The Spotlight, and The Spotlight is Willis Carto. So what is Willis Carto trying to save? Well, looking at his record and that of The Spotlight, it seems to me that Willis Carto is trying to save his own hubris and his own little empire at any cost — for Willis Carto.

The Spotlight is riding a tricky little tightrope and has tried to play both sides, which ever pays best, and sells the most books and papers. Willis Carto has written a glowing endorsement as the FORWARD to Nietzsche's "Anti-Christ" which his publishing house, Noon-tide Press, puts out. At the same time he will publish equally glowing reports about what a great Christian is the movie actor, Ty Hardin, and isn't it wonderful. When a fairly innocuous article about the Odinites and the Creativity movement brought down the wrath of the Christians on his neck with numerous cancellations, he again hastily retreated to publishing long installments by Christian pastors about the wonderful complexities of Christianity.

He admitted frankly that the Christians are the mainstay of his paper and he cannot afford to offend them, no matter how deluded they may be.

Is Carto going to help save the White Race? For years I thought he might. He claims to print what the "controlled press" is afraid to print and will suppress. **But when it comes to Jews directly, or the Christianity hoax, he evidently is as cowardly as the rest of them, and if he "must" cater to the Christians, then, The Spotlight is as controlled as is the Jewish press.** They never at-

tack the Jews as such, but fritter around the edges with such terms as the Dual Loyalists, the Zionists, and other silly terms.

Can we look to the Populist Party and Willis Carto for guidance? I don't think so. After being snookered by experts, I am beginning to have an intuitive sixth sense about such people, and my sixth sense tells me that The Spotlight and Willis Carto will go the way of William Buckley and his National Review, Robert Welch and his Birch Society, George Wallace and American Independent Party. (Since I was chairman of the American Independent Party for Florida in its hayday, I believe I am speaking from experience about that betrayal). That route is to raise the hopes of the victims, to take the people's money, sell them down the river, thoroughly neutralize them, and continue to play ball with the Jews. Business as usual.

In the meantime a lot of good White people will pour a lot of their time, money and energy down the rathole, emerge sadder but wiser, and probably be permanently neutralized. We Creators want no part of it. Personally I learned my lesson from the Wallace fracas. Never again.

THE INTELLECTUALS

There is one other group, minor in impact, that are ideologically on our side, but do little to further our movement. These are **the armchair strategists**, the intellectuals, who write all kinds of erudite books, booklets and articles, but really do little if anything to help the cause.

I will take only one case in point because this fine old gentleman, who is now in his 90's, illustrates what many others do less brilliantly than he has.

William Gayley Simpson, over a period of forty years wrote the material for his masterpiece: "Which Way Western Man?" I read the book several years ago and think it is great, but also have several criticisms regarding its content, such as the long drawn out dissertation about his infatuation with Christianity and his gradual disillusionment. Also I believe the obsession with Nietzsche is far longer than serves any purpose.

Nevertheless, and be that as it may, my main point is this: After the wealth of information he brilliantly displays about the Jews,

money, the White Race, and other vital subjects that concern the survival of the White Race, he comes to the dour conclusion that there really isn't much hope that we will be able to pull out of our dilemma before it's too late, and anyway he knows of no solution. He admits he has no answer.

The book ends just the way the title begins, saying namely, I don't have the answer, only the question.

This kind of approach always aggravates the hell out of me. If you are an expert and you give me a long drawn out diagnosis, but have no solution, why did you waste a lot of my time telling me (again) about the problem? (Read again "The Flat Tire Syndrome" in Racial Loyalty issue No. 1)

We Creators are not interested in hearing a rehash of the problem for the hundredth time, no matter how intellectual, how cleverly it might be rephrased. Nor are we interested in witnessing a brilliant display of some writer's intricate knowledge of past details, if in all this there is no answer toward solving the problem that overwhelms all other issues, and that is — the survival, expansion and advancement of the White Race.

In one way such intellectual armchair strategists do a great deal of harm, other than taking the White Man's money and wasting his time in rehashing the same old problem, and that damage is this: The average yokel, who does not consider himself an expert by any means, upon reading such "expert" analysis, is greatly depressed and discouraged. He comes to the logical conclusion that if such a knowledgeable expert has no answer, has no solution, and thinks there is no hope, how can he be expected to know what to do? He concludes that it is hopeless and throws in the towel.

CONCLUSION

There are, of course, thousands of other groups that I have not mentioned that are organized to save something. There is the Greenpeace group that are fanatically and actively out to save baby seals. There is the Audubon Society that has tens of thousands of members that are concerned about the environment in general and birds in particular. There are even more specialized groups that are spending real money and energy trying to save the remaining 50 Whooping Cranes. There is the NAACP and dozens of similar organizations that are trying to

save niggers.

The list is endless. The bottom line on mostly all of them, in one way or another, is — it is the White Man's time and money that goes into practically all these endeavors. This spans the entire spectrum, all the way from saving ephemeral "souls" to saving Whooping Cranes. We say this: The birds are for the birds, the niggers are for the niggers, the Jews are for the Jews, and are they ever! What about the White Race? Who is for them?

The question that screams to high heaven is that if the White Man can become so involved and concerned about saving every meaningless trifle on the face of the earth, **why is he so lethargic, dead on his feet, yes, even ashamed, to save the most precious value on the face of the earth that is dying out (actually being murdered), namely the White Race itself?**

Doesn't the White Race know about the Jew? He should. Henry Ford spelled out the Jewish problem back in 1921-22 when he published the "International Jew". He was not the first and by no means the last. But that was 60 some years ago — spanning three generations — and writers about the Jewish problem have repeatedly been doing just that — endlessly rehashing the problem, but never spelling out a meaningful solution. I ask all these intellectuals (and I am not now referring to Mr. Wm. G. Simpson), how long do you want to keep rehashing the problem without a solution to the problem? **How long do you want to pontificate without doing something meaningful to solve the problem?** Three generations? Five? Until the problem has liquidated itself with the extinction of Nature's Finest?

There is an overwhelming answer to the problem and the Church Of The Creator has it. We have spelled out the solution loud and clear. **One of the biggest roadblocks to the intellectuals in helping to put into action a meaningful solution that already exists is the hubris of these intellectual experts in themselves. They are extremely obtuse and intransigent in accepting what is obvious: Implementing a White racial religion.** Yes, hubris. They didn't think of it first, therefore, ignore it, torpedo it, even if it means the death of the White Race itself.

History speaks loud and clear, especially the history of the Jews, and the message is this: **The White Race needs, the White Race must have a racial religion of its own, and the**

most massive roadblock standing in the way is Jewish Christianity. It is there. It was placed there to obstruct, confuse, and fragment the mind of the White Race so that it could never realize its own great potential. It is therefore obvious we must dump this Jewish mind-scrambler and replace it with Creativity — a comprehensive, meaningful, racial religion of our own.

After we have reviewed a number of flimsy and trifling causes the White Man has been chasing and on which he has been wasting his time, money and energy, we pose the rhetorical question: **What is the Church Of The Creator trying to save?**

The answer is loud, clear and unequivocal. **We are striving for the survival, expansion and advancement of the White Race.**

ZEALOUSNESS
*in the promotion of
the White Race is no
vice; APATHY in its
defense is no virtue.*

In so saying, I am only too well aware that enemies of our Church and of the White Race are going to drag out their well-rehearsed bag of tricks to destroy us. Especially I expect them to **dump on us the old Jewish and Christian ploy of ACCUSE THE ACCUSER**, and accuse me of a hubris of my own.

To them I say this: you can dredge up all the slanderous names in your lexicon and do so twenty-four hours a day, seven days a week — **it will not deter our movement one bit. Yes, we are determined to see it through — whatever it takes. Yes, we are proud of our religion, the first real racial religion the White Race has ever had. And yes, we are mighty proud to be White, and we have the most valid reasons in the world for all the above as to why we should.**

But personal hubris, if any, on my part is a minor item in the whole determination. I am not a public person. I have no desire to be in the limelight, and I don't care about publicity. The fact is, I am a loner and enjoy my privacy. **I would just as soon some dynamic young promoter half my age took over the leader-**

Germany, Adolf Hitler and National Socialism

Second Installment and Conclusion

(We ended last month's installment with the conclusion that under no circumstances should the White Man despair of victory over the rapacious Jew, just because W. W. II was lost. Under a number of circumstances even that could have ended in victory for the White Race.)

Or had that miserable drunken Jewish stooge, Winston Churchill, suffered a demise for any one of a number of reasons during the Battle of Britain, the will of the British people might have collapsed and with it the war efforts of the enemies of the German people and their fight for freedom.

Or perhaps if the first winter after the Germans invaded Russia in 1941 had not come so unfortunately early and been so tremendously severe, the Germans might have conquered Russia in the first year. Having collapsed Russian resistance, they might have been able to organize the vast natural resources of that country and provided a wide and powerful base that the rest of the world would then not have been able to crush under any circumstances.

for all "humanity", if we can then still call it that.

So we ask all good White Racial Comrades to join with us. After three generations of fiddling, it is time we quit rehashing the problem and **get to work implementing the solution.** We say to the intellectuals, to the pseudo-experts, quit spinning your wheels and wet nursing your little hubris. You can stop searching. Save the White Race. The answer is staring you in the face. There is a hell of a lot more than your individual little hubris at stake. Our own great race — Nature's Finest — is now on the chopping block and we need action, not endless pontification.

So join with us. **Build your own Church Of The Creator organization in your area,** but let's get our act together.

Remember — the bottom line as to whether or not we save our own race is this: **How much do you really care? Only you can answer that question.**

Or some other technical invention might have come forth on the side of the Germans, such as the V-2 rockets, that would have given the Germans an early advantage and lead in the war and decided victory in their favor.

In any case, it is safe to assume that victory could have just as easily come on the side of the White Man fighting for his freedom and turned against the worldwide Jewish conspiracy. The fact is, it almost did, and the last thing in the world the White Race must not fall heir to is the idea that the victory of the Jewish international conspiracy is inevitable. It is our manifest destiny to become supreme throughout the world. We must forever keep this uppermost in our mind with an indomitable determination and an unquenchable passion. The complete victory of the White Man is paramount to his survival. For the White Man was never created to become a slave to a parasitic race that was never even capable of founding a culture.

Today we have overwhelming evidence from the Jews themselves as to what a major threat they view Hitler's racial philosophy. Nearly 40 years after Hitler's death, it is hardly possible to pick up a newspaper without seeing some snide, disparaging lies about Hitler in print. We can hardly turn on a T.V. set, but somehow, somewhere, an innuendo, an insulting remark is dropped, a hit-and-run attack is made on Hitler. As in their attack on the Romans, the Jews persistently and forever keep attacking and discrediting that which is best in the White Race. As a result, even today, Adolf Hitler and the Romans rate more abuse and slander from the Jewish smear apparatus than any other targets.

There are, however, some shortcomings in the Nazi philosophy and Hitler's program that we should also recognize and learn our lessons from.

One of the basic weaknesses of Hitler's program was that it was founded almost completely on the narrow base of the supremacy of the German race rather than the all-inclusive supremacy of the White Race. History quite clearly

shows that the British nation had the will, the energy and the genius to build the British Empire, an empire which encompassed approximately one quarter of the surface of the earth. We also know that the French nation produced a great outburst of energy and military success under the leadership of Napoleon. It is also abundantly clear that great geniuses were produced in the field of painting by such nations as Holland, France, Italy, England, Belgium and others. In the field of music we have great opera geniuses in Italy such as Verdi, Puccini, Mascagni and many others. In the field of science there are a great many White geniuses who have contributed to the field of chemistry, physics, mathematics, inventions and technology from the ranks of the White Man from many nations. In the field of discovery we have men like Columbus, Captain James Cook and hundreds of others.

In any case, without belaboring the issue, it is abundantly clear that the base should be broad enough to include all the White people in general. While Hitler's appeal was basically directed towards the German people, however, in all fairness to Adolf Hitler, we believe that it was his intention to work for the salvation of the White people as a whole, but unfortunately, in order to get an organized fighting base constructed, he had to first of all organize the German people. He did do this on a partisan basis which rallied the German people and depicted the British and the French as their past and future enemies. Whether it could have been done in a different way in the short time that he had to prevent the complete subjugation of Germany to the clutches of bolshevism, today we can only speculate. In any case it is deplorable that the heart and soul of the National Socialist philosophy was based on a narrow foundation primarily encompassing only the German people and espousing Pan-Germanism.

Ideologically, we, of the Church of The Creator, part company with National Socialism at this point. We espouse Racial Socialism, not National Socialism.

ship, the publicity, the glory, if any, and the awesome burden. I have said so publicly and repeatedly. (See the "Search for the Great Promoter" in R. L. issue No. 10). And as soon as we find him that is what will be done. (Fortunately, we are already in contact with some encouraging prospects.)

Be that as it may, slander or no slander, **I am determined that the Creativity movement will go on and expand until it embraces all of the White world.** We are going to see to it that it does, whatever it takes, whatever the costs. I am doing it not because of any hubris on my part, but because the ramifications of the success or failure of the movement are awesome, **and the job has to be done.**

Never in history has a more real, more meaningful, more important, more portentous cause been set forth than that to which we, the Church Of The Creator have committed our lives, our liberty, our honor and our fortunes. In so doing, I must remind every White Racial Comrade, not only our own lives and fortunes are at stake, but those of our children, our grandchildren and hundreds, yes, thousands of future generations of the White Race yet unborn.

The stakes are high, and we have the answer. Yes, you're damn right, we have the answer, hubris or no hubris. **Never in the history of the White Race has a full blown racial (or any other kind of) religion appeared on the scene that is as complete, as comprehensive, that has the solutions to practically every major problem that today confronts an angry, seething world in utter chaos.** We have the complete framework of solutions to the racial problems, the economic problems, the health problems, the farm problems, the educational problems, the religious problems, the environmental problems — all of them are inherent in our creed. **We have the TOTAL PROGRAM, the FINAL SOLUTION, the ULTIMATE CREED.** Whatever bits and pieces need to be supplemented within that framework are minor, but the program itself encompasses all aspects of life on this Planet Earth — our only home now and forever.

If CREATIVITY succeeds — and it will — it will be a universal blessing not only for the White Race, but for that whole entity we now call humanity. If we fail, this Planet Earth will become a living hell

The Three Basic Books of Creativity

NATURE'S ETERNAL RELIGION

508 Pages, 49 Chapters

by Ben Klassen, P. M.
Published in 1973

This book for the first time in history sets forth the fundamentals of a basic RACIAL RELIGION for the Survival, Expansion and Advancement of the White Race. It is based on the External Laws of Nature, the Experience of History, Logic and Common Sense.

It exposes the whole panorama of the dastardly worldwide Jewish conspiracy, aimed at the genocide and extermination of the White Race. It lists the five Jewish books that have had devastating influence on the thinking and course of the White Man's history.

Best of all, it not only sounds the alarm, but blueprints a specific plan and program of how to extricate the White Race from its present predicament. It presents a EUGENICS program for the future of the White Race to uplift it to the glorious heights of the Superman and beyond.

CREATIVITY UNIQUE

(Continued from Page 12)

3. Whereas Hitler never tackled the issue of Jewish Christianity, and, in fact, sometimes even mildly identified with it, **we confront Christianity head-on, expose its treacherous and deceitful nature, and its Jewish origin.**

4. Hitler left us a burdensome legacy that still lingers on in the minds of many of his admirers, and that is that the Jewish problem must be solved **as a political problem. We Creators say: not so, it is a religious problem that can only be solved by replacing Jewish Christianity with a powerful racial religion for the White Race. In CREATIVITY we have it.**

5. Whereas the Nazi movement took a harsh and hostile stance toward many of its White neighbors — the French, the Poles, the Czechs, etc.,

A Friendly Word from Your Editor

In publishing this paper we have a multitude of purposes in mind, but there are two that predominate:

1. To inform and encourage our existing members and supporters to build the White Racial movement known as CREATIVITY, and,

2. To act as an effective flyer for mass distribution to our White Racial Comrades who have never heard of us before.

Of these two, we are placing major emphasis on the second objective. This paper is designed basically for the purpose of alerting and recruiting new members to our Cause. Whereas, not every White Racial Comrade may at present be receptive to our Cause, nevertheless there are millions out there who are receptive, who are fervently looking for a solution for which we have the answer — the real answer. There are millions out there who have never heard of CREATIVITY or of The WHITE MAN'S BIBLE or any of our other publications. It is our beholden duty to reach those millions and the best way to do so is to distribute copies of RACIAL LOYALTY. It is one of the most constructive actions you can take.

Order 100 copies of either this issue, or any combination of issues. Distribute them to your friends, your relatives or anyone who is inclined to be receptive. Distribute them to places such as, laundromats, airports, colleges, shopping centers etc. You'll be doing yourself and your White Racial Comrades the biggest favor of a lifetime.

Do it now! Order 100 copies for \$15.00 or 50 copies for only \$8.50.

Remember, the future of the White Race now hangs by a thread. If you do not take action, who will? A mere 10 million White Man's Bibles in the hands of our White Racial Comrades would see us well on the road to victory, which is an extremely small price to pay in comparison to the billions of dollars the Jews loot from us each year. We have to get these first 10 million Bibles out, and the paper which you now hold in your hand is the most effective vehicle with which to do the job. **We can do it. Your sacrifice and dedication are the keys to victory. Become a mini-distribution center for our material, including RACIAL LOYALTY.**

CREATIVITY, on the other hand, seeks to embrace and unite all the White peoples of the world.

6. Whereas Hitler formed a military alliance with one of the more powerful mud races, namely the Japanese, to help kill White peoples, to us CREATORS this is **sheer treason and must never happen again.**

7. Whereas the "mythos" of the Nazi movement was the smart, goose-stepping Nazi Storm Trooper, the capable Prussian Generals of the German General Staff, and the era of Frederick the Great, we Creators instead point with pride to the **Winning Of The West** and prefer the American "**Manifest Destiny**" as our "**mythos**" for the Winning Of The World.

8. We shun the "personality cult" approach to the overwhelming problem that confronts us and rely instead on **logic and common sense; on the experience of history; and on the Eternal Laws of Nature** as the broad and solid base upon which to build our powerful religious movement.

HITLER*(Continued from Page 7)*

We believe that nationalism is a divisive idea among the White people of the world, not a unifying force. Like religion, it has been used to split the White peoples of the world for centuries, with wars and destruction ensuing. Not only have the French fought the English and the English and French fought the Germans, etc., but during the war between Austria and Prussia even Germans killed Germans, all under the guise of nationalism.

We therefore reject National Socialism and replace it with Racial Socialism. We are not particularly concerned whether a White Man is an Englishman, a German, a Frenchman or a Norwegian. Our common tie is race, not nationality. The Jew for centuries has been completely indifferent as to whether one of their own was of American, English, or German nationality. The common bond is their race and their blood. Their strength has largely been due to this inbred Racial Loyalty.

Nor are we concerned as to whether a White Man is Nordic, Aryan, Alpine or Mediterranean. This, too, is divisive and would exclude many of our good White brothers. We therefore speak of the White Race and never of Aryan, Caucasian, etc.

We, too, must think along lines of Racial Loyalty to the White Race. We must never again be caught in the web of nationalism as a divisive wedge used to instigate wars between members of the White Race.

For this reason we base our entire creed on Racial Socialism, not National Socialism. This difference is of Major significance. In a following chapter we explore this idea further.

We Creators consider Adolf Hitler the greatest leader the White Race has ever had and the greatest White Man that ever lived.

The second criticism I have of Adolf Hitler and his program is that it was founded on a political base rather than going all the way and building it on a religious base. Hitler really never came to grips with the problem of Christianity, instead, tolerating it and trying to co-

exist side by side with it. While Hitler tried to live and let live as far as the Christian religions were concerned, they in turn fought him tooth and nail. The Catholic church, from its worldwide headquarters in Rome, collaborated with the Jews and with the communists and did everything possible to undermine and stymie the German people's fight for freedom against the worldwide Jewish conspiracy. The Protestant church was no less aggressive and fanatic in their campaign to crush this great racial outburst. Even in Germany itself the Catholic and Protestant churches fought Hitler every inch of the way and used their moral and spiritual influence in dividing the people and setting them against their government. Even during the critical war period the church leaders in Germany committed untold acts of treason against their own people and their government when the latter were engaged in a life and death struggle.

It is overwhelmingly evident that a religion that teaches that the Jews are God's chosen people, that they have a sweetheart arrangement with the Lord, that they are untouchable because the Lord said, "I will curse them that curse thee, and I will bless them that bless thee," is completely untenable with a philosophy of White Racial Supremacy. I therefore believe that Hitler did only part of the job by tackling it from a political and military basis rather than founding a completely new religion that encompassed and united the whole White Race of the world in opposition to the colored races.

Also the fact that he formed an alliance with the Japanese Empire, an empire of the yellow race, is something that undermines the whole concept of White Racial Supremacy.

Again, in fairness to Hitler, perhaps under the pressure of time and expediency, he had no other choice. Perhaps, once he had won the war, and was in firmer control of the resources and the means to carry out further revolutionary changes, he would have come to grips with the churches and their deceitful and hypocritical undermining of the White Race. Perhaps he would have, but at that stage and under those circumstances he was not able to do so.

He did organize the Hitler Youth and inculcate into them a completely new philosophy, namely the philosophy of "Blood, Soil and Honor". Certainly the youth being indoctrinated in the new racial ideas was not encouraged to go to church. In fact, the timing of most of these meetings conflicted

with those which they might have spent in church. The priests and pastors were violently jealous of the appeal the philosophy of the Nazi party made upon the youth and that they were losing the youth to the Nazi party. Had Hitler won the war, and having had more time, I believe it would have undoubtedly resulted in the demise of the Christian churches and the eventual replacement of that suicidal philosophy with a new and a vigorous racial ideology based on the survival and supremacy of the White Race.

Be that as it may, I am firmly convinced that the survival of the Christian religion and the survival of the White Race are incompatible. Either Christianity will survive long enough to destroy the White Race, in which case Christianity will be destroyed along with it, or the White Race will come to its senses, will shake itself free from the suicidal clutches of the Christian philosophy, and found its own religion based upon the purity and supremacy of its great racial destiny.

I first read Hitler's "Mein Kampf" in the original German when I was 20 years old. I have reread it many times in the English version. Whereas I believe it is one of the great books of all time, I do not believe that it is by any means the complete answer to the problem of America, today, in the 1980's. It has many deficiencies. Some of these are: (a) It is based on a political rather than a religious approach. (b) It emphasizes Pan-Germanism, rather than the White Race as a whole. (c) It does not come to grips with Jewish Christianity, a most crucial omission. I have already mentioned these in my review of National Socialism. There are, however, several other factors that make it completely inadequate as a program for the White Race of America today.

In the first place, the book was written in 1924, a good 60 years ago, in a defeated, war-torn Germany, a country in a much different situation than America today. Whereas the cause of the German's problems at that time was the same cause as that of our problems today — namely the International Jew — nevertheless, our situation is vastly different. Whereas Germany in the 1920's was desperately poor and starving, we in America in the 1980's are, superficially at least, enjoying the greatest affluence in the history of mankind. Whereas Germany was a defeated nation saddled with the monstrous Versailles Treaty, this has little or

no meaning to the average American of today. Yet in a large portion of his book, Hitler is hammering away at the evils of the Versailles Treaty. Hunger and unemployment were rampant in Germany in the twenties.

Today, in America these issues are irrelevant to the average American worker, nor does he even know what the Versailles Treaty was all about. We therefore find that to the average American MEIN KAMPF is not only hard to understand, but also hard to read, and does not strike fire.

Once we get the Jews, muds and other parasites off our backs, every White Man can live like a king and every White Woman like a queen.

Our problems are vastly different. Whereas, outside of the Jews in their midst, the Germans were racially of one kind. In America the rising tide of niggers is a frightening and ominous reality that every American is aware of. However, with the Jews, liberals and communists cranking out race-mixing propaganda by the carload, the average White American is terribly confused about the solution.

Then there are many other issues — Vietnam, school busing, welfare to the niggers, crime on the streets, and a host of others that plague the average American today that were different from the German Weimar Republic of the twenties, which is the basis of Hitler's book.

Without going into further detail, for the above reasons and others, I feel it is not the correct solution to look towards Nazism as the American program to save the White Race. We need a more comprehensive, far-reaching ideology that is imbedded not only in politics, but in our very religion itself, one that can embrace all the White people of the world, far and beyond the Germans. Furthermore, with the stigma the Jew has placed on the Swastika and Nazism as such, it is a formidable (and unnecessary) obstacle to walk up to the door of a prospective member of

BRICKBATS & BOUQUETS

Dear Mr. Klassen:

Your letter was inspiring and I am glad you took time to write, because I know how busy you must be!

After telling my family about your generous contribution of books, they were very delighted and give you their thanks, along with mine.

Enclosed are some articles that have been published recently in San Diego County Newspapers. What happened, was some White Students felt they should reach more White students so they legally distributed over 50,000 pieces of literature on the school campuses. Not only in San Diego County did this take place, but all through California. The group responsible is the "White Student Union" led by Greg Withrow in Sacramento. I am a part of this group, along with other groups. I do as much as I can to help them all out. For instance, I word process my Dad's "White American Resistance" paper, and hopefully in the future, I will word process the White Student Union's small paper. I really enjoy what I do.

I will try to put an article for your paper together, most likely about the Youth of today. I would also like you to keep me up to date on your "The School For Gifted Boys" because I am very interested in it, along with another friend.

Respectfully,
John Metzger
California

Dear Church Of The Creator:

I am a close personal friend of Thomas Metzger. I am 16 and John and I (Tom's son) wanted to request information about your school opening up in the summer. We both think it is an excellent idea and wish there were more of them. We are also glad to hear there are more White Youths like ourselves that want to devote their lives to this cause and the survival of the White Race. We also would like to give our thanks to the people who contribute to your paper RACIAL LOYALTY. It very much attracts our attention. We are working hard down here and I imagine you people are doing the same.

Keep up the good work!

Your friend always,
Tim Bendlin

Dear Pontifex:

Thank you for the 12 copies of Salubrious Living and the extra copies of your flyer. I have enclosed \$50 for the books and as a donation to your movement, if I require any further material from you I won't hesitate in ordering direct from you.

I hope you White Racial Comrades in the U.S.A. are making headway in educating the people against the Jews. It was good to hear the National Front did well in France in the European elections, I hope this may be a beginning.

Sincerely yours,
M. Crisp
England

Dear Pontifex:

I have just finished reading your book "The White Man's Bible". Fascinating, ABSOLUTELY fascinating. I'm now on page 83 of Nature's Eternal Religion".

Everett Weibert introduced me to your books. At first I told Everett that I wouldn't get to read your books right away because I'm so backed-up in my other reading. However, I quickly picked up "The White Man's Bible" on my way out the door one day, and, since then, I haven't been able to stop reading your material.

I would appreciate your help in the following matter: I'm looking for an employer who knows what we are talking about: White Racial Superiority, the Jew Communist Social Security System, the Jew Communist Federal Reserve System, the ROBBERY (EUPHEMISM TAX) Rebellion.

In applying for jobs, I try to educate future employers to the fact that none of us should ever have gotten that Jew Communists people-control number (euphemism Social Security Number) in the first place. They don't know what I'm talking about, they aren't interested in learning, they allow themselves to be afraid of the lousy PUBLIC DOLERS who write and enforce these so-called laws, they allow themselves to be afraid of losing everything they have (VERY understandable), they will not allow themselves to learn and fight against all this Jew Communism.

If the businessmen of America would wake up and take action, this

Being a fighter for the survival, expansion and advancement of the White Race and doing battle against the Jewish establishment is not the most rewarding occupation in the world. On the contrary, there is no financial remuneration, no widespread recognition or thanks, no job security, and in fact very little security of life, limb, or liberty. However, one of the finest rewards and more satisfying gratifications is to receive the support, loyalty and recognition of fine young people, such as the two young men whose letters we are publishing on the opposite side of this page. If nothing else, such support in itself makes it all worth while and bodes well for the future of the White Race. These young fellows are doing something, and they are doing something meaningful.

With their letters I also received a number of news clippings expressing the reaction and outrage of the Jewish press in the San Diego area. Here are some samples of that reaction.

"Schools get racist Propaganda leaflets," "Holocaust propaganda stirs pupil's closer look;" and another one, "High School students get racist propaganda".

The leaflets were distributed by young White Racial Comrades belonging to the White Students Union and by the affiliated W. A. R., White American Resistance group. The leaflets went to Point Loma, Grossmont, Monte Vista, El Cajon Valley, El Capitan, Santana and Helix High School. They were timed to coincide with "Multi-culture week," a Jewish pseudonym for blatant glorification of race-mixing, when great love is expressed for the muds and hatred for the Whites.

The import of the news articles was two-fold: (a) tie any such activity to the Klan and to the Nazis, two factions whose names the news media have designed to automatically arouse the Pavlovian dog reaction of hatred and loathing, and (b) of course, nobody paid much attention to the leaflets.

It is this claim that is obviously contradictory and self-defeating — if nobody paid any attention, why all the blatant scare headlines? And the answer is obvious: the students receiving them paid plenty of attention, and it is scaring the hell out of the Jews, niggers and other muds.

All of which goes to show what I have said repeatedly — aroused and organized the White Race is ten times more powerful than all the Jews, niggers and muds combined.

So let us get our act together. I say to these young White Racial Comrades: more (White) power to you for a job well done!

whole Jew Conspiracy would come to a shrieking halt immediately.

If you know any employers in the Buffalo, N. Y. area who are fighters against the Jew Conspiracy (not the spineless, jellyfish, conformists employers that I keep running into), will you please let me know who they are so that I may contact them. Thank you.

Prejudiced and Proud of it,

School for 'gifted white boys' now being constructed in Mulberry

by Kim Kimmins

The key to stopping the white race's "downhill toboggan slide to chaos, anarchy and oblivion," lies in "build(ing) a framework within which gifted (children) can fully develop their latent genius," according to Ben Klassen, pontifex maximus of the Church of the Creator headquartered in southern Macon County.

With the concept of "building a whiter and brighter world," Klassen has started construction of "The Creativity School for Gifted Boys" across a field from another building the calls "The World Center." The newest structure, which should be completed this summer, will accommodate 24 boys for two-week sessions of indoctrination and physical exercise in a summer camp setting.

"Our most precious asset is our own white racial genes and the cream of the crop is that one or two percent of the gifted, both boys and girls, at the top of the intelligence ladder," said Klassen, who came into public view locally in May, 1982, when **The Franklin Press** ran a front page story about The Church of the

Creator. "Only an aroused, united white race fanatically polarized around a racial religion can stop (our enemies). To build such a powerful organization, we need them by the thousands."

The school will be a single-story "T"-shaped structure. It is being funded, in part, through members' contributions, although Klassen admitted to being the major financier of the project. The youngsters who are enrolled will be required to pay a fee, stated the school's founder.

"About half the time would be utilized to acquaint these young geniuses with the goals and doctrines of 'Creativity,'" Klassen said, "and how they could best serve their own race in various capacities of leadership."

Pinpointing the most impressionable age at between 10 and 12 years, Klassen detailed the school's purpose: "We want to make these young...minds aware of the value of their race, instill in them racial loyalty, and start them on the road to studying the basic 'bibles' of our religion. We want them furthermore to become aware of the fact that their first duty lies with their race, to inculcate

racial loyalty and a sense of responsibility."

Indeed, racial loyalty is paramount to the "Creativity" movement. It is also the title of the monthly newsletter authored by Klassen which is "dedicated to the survival, expansion and advancement of the white race."

Two years ago the 66-year-old retired real estate developer from South Florida began building his "Creativity" center for national dissemination of books, pamphlets and brochures spelling out Klassen's "total program, the Final Solution, the Ultimate Creed." He is the author of "The White Man's Bible," "Nature's Eternal Religion," and "Salubrious Living."

Adamant in his claim that Creativity is "not a re-tread of Hitler's Nazi movement," Klassen also insists that "Creators are not Neo-Nazis," nor is his philosophy similar to, or affiliated with, any of the Klans.

"It is not a White Supremacy group," states Klassen. "Creativity" deplores and denounces the stupid slave philosophy, because history has proven that, in the end, such policy is highly destructive to the white race itself."

Our minimum goal is to get the Jews off our backs and wrest control of the white man's destiny back into our own capable hands. From there on out, the sky is the limit."

Klassen states he was born in the remote Mennonite settlement of Rudnerweide in the southern Ukraine, during "a chaotic battle...raging between the Bolshevik revolutionaries and fragments of the White Army of Russia."

The soft-spoken, moustached man says his Mennonite ancestors were "an industrious, hard-working group of people, practicing racial loyalty and always close to the soil."

However, problems arose due to the Mennonites' "avowal of pacifism."

"The business of 'turn the other cheek,' 'love your enemies,' 'thou shalt not kill' had made them shun military service and this, in turn, had caused many other countries to drive them out. One such country was Prussia where my ancestors had settled and were expelled in the 18th century because they refused to bear arms," Klassen said.

Pacifism is not a characteristic of the Mennonite

descendant, who complains that he is hounded by the Jewish Anti-Defamation League.

"One reason I left South Florida was because it is becoming an explosive situation with all the Jews, and the (blacks), the Haitians and other mud races," Klassen said. "I predict that a racial war will break out there before the turn of the century."

Klassen says that he has been unjustly criticized in the press, which has painted him to be an unlikely savior of the white race, a racist and even a "crackpot."

His excoriation of the press is not only based on "slanted writing done by irresponsible reporters," but on Klassen's personal belief that the news media is largely controlled by Jews.

"The news media applaud (black) people like Martin Luther King who stand up and say they're going to do this or that for their people," Klassen said. "But if a white man stands up and says the same thing, he's called a racist, bigot, or Nazi. The press attacks you. They're two-faced and completely out-of-line with fair play and reality."

The following article appeared in the **Atlanta Constitution**, July 17, 1984.

Sect minister dies after being bitten by snake at church

By Ron Taylor

CARTERSVILLE, GA. — The members of Wade Chapel Church here believe, quite literally, in the biblical passage "take up the serpent."

It is a belief that has cost the lives of at least two members during the past six years.

Richard Barrett, a 50-year old house painter and a minister with the fundamentalist sect, died

Sunday night after he refused treatment for a rattlesnake bite on his left arm. He was bitten during a snake-handling service at the church Sunday afternoon.

Members of the church consider handling poisonous serpents a test of their faith. If they are bitten, they believe it is God's decision whether they live or die.

A woman who identified herself as Barrett's sister-in-law said Barrett was bitten around 4

p.m. at the small, white frame church off Georgia Highway 61. She said Barrett was taken to a house near the church to rest and he seemed to be feeling all right, sitting on the side of the bed at one point, until around 9 p.m., when the poison apparently took hold and killed him.

Sheriff's deputies and an ambulance were called to the house, but Barrett refused treatment.

"I'm glad they came," said the sister-in-law, who refused to give her name, "because that way they knew he really didn't want treatment."

"What can you do?" said Bartow County Sheriff Don Thurman. "A man gets bit by a rattlesnake and refuses treatment. It's his right — freedom of religion."

Leaders of the church refused to discuss Barrett's death.

Though sect members have sustained rattlesnake bites with less serious results, several people have died in the past decade after being bitten by a snake.

Wayne Thornton, a meat cutter in a Cartersville grocery store, died Oct. 14, 1978, 20 minutes after a rattlesnake struck in a vein on his forearm. The snake belonged to its 33-year-old victim.

Thornton is buried in a small graveyard beside the Wade Chapel Church where Barrett was to be buried Tuesday.

Two years earlier, Ben Barbee, 52, of Tennessee, died after a snake-bite in a Bartow County church.

More recently, a 32-year-old Kentucky man died in September 1982 from the bite of a 59-inch rattlesnake at a fundamentalist church there. It was the third time

Claude Amos had been bitten in several years.

The church here, which is part of a national sect, was founded by the late Luther Wade, for whom the chapel is named.

Deputy Billy Worthington said Barrett told deputies who answered the call, "I put myself in the hands of the Lord. He'll take care of me." Worthington said Barrett died with 10 to 15 members of the congregation gathered at his bedside.

HITLER*(Continued from Page 9)*

the Church of the Creator, flashing a Nazi armband. You will be shut out before you even start. How much more receptive would be their welcome if instead you talked to them as representing the interests of their own race, the White Race.

I therefore conclude that whereas: Hitler has made a tremendous contribution to the White Race; has shown that a government with a racial base is a great advantage over a polyglot democracy; has exposed the international Jewish network on a worldwide basis; has shown the superiority of the Leadership Principle; nevertheless that neither MEIN KAMPF nor National Socialism are, per se, more than a partial solution for the problems of America today, and the White Race of the world as a whole.

We therefore need, and now have, a more comprehensive creed, one that embraces the total White Race, is predicated on a racial-religious base, and is brought up to date to fit the situation in today's foremost bastion of potential White Power — America.

In any case, we must now build where this great leader left off. We must do it now. We have been given an extra reprieve, and because of the sacrifices and the supreme efforts of this great leader and the German people, we have more time in which to accomplish our goal. In the intervening time, what with the churches having turned completely liberal and having debauched and degraded themselves with race-mixing and joining hands with Jewish communism, we now have an excellent opportunity to destroy both these suicidal Jewish philosophies, and build a new religion for the White Race. We can thank Adolf Hitler for the extra time that we have been granted.

On the whole, there are many things that we can be tremendously grateful for to this the greatest of all leaders of the White Race. He has given us great inspiration and great hope that this Jewish pestilence can be destroyed. He has alerted the whole world to the fact that there is a Jewish menace and that communism is basically a Jewish creation. He has shown the world that the White Race, too, can unite on the basis of racial bonds and once they have done so, that they can fight like wildcats in defense of their race, their country and their honor. Hitler has shown

the world and history the integral value of race itself and that race is the basis of all progress, culture and civilization. He has shown the world the tremendous superiority of the Leadership Principle over the Jewish democratic process. He has demonstrated its superiority not only in times of war but also in the tremendous progress that a bankrupt Germany made during six short years of peace. This remarkable record was clearly demonstrated under the leadership of a White Man, in control of the destiny of a White nation, employing the superior Leadership Principle.

He has shown the way to superior organization in the very form of government itself that is a model for future White governments to emulate. He has forged ahead and given new direction in the field of the arts and culture.

Hitler's National Socialist regime can be regarded as the first real government based on racial principles that the White Race has ever had. Most people are completely confused about Mussolini's Fascist movement and Hitler's Nazi movement. They equate them as being the same, but this is not true.

*The time to get
our act together is
Now. It is NOW or
NEVER.*

Both of them were based on the Leadership Principle, and both brought their countries out of the quagmire of Jewish communism. But the significant difference was this: whereas Mussolini's Fascism regarded the STATE as being the prime consideration, Hitler said that RACE was everything, and the state was merely a vessel for guarding and advancing the best interests of the race. This is a tremendously important difference and for this reason I regard Hitler's Germany as having the first truly racial government the White Race has ever had.

In summary we can say that Adolf Hitler has bought us at least 50 years of time in which to overcome the worldwide Jewish network. Without his great struggle, undoubtedly the whole world would now be in the iron grip of Jewish tyranny to the same extent that it is now in Soviet Russia. He has made the whole White Race proud of the heroic leadership he gave the

German people and the inspiration he imbued them with in their heroic struggle for freedom. He founded a new philosophy which was based on the value of race in a way which it had never before been presented and to an extent which it never before had been promoted. He gave the White Race tremendous encouragement that the Jewish conspiracy can be broken, and will be broken. For these reasons and many others, we can say without reservations that Adolf Hitler was the greatest leader the White Race has ever had, and the greatest White Man that ever lived.

On April 30th at 3:00 P.M. Adolf Hitler was killed in action while defending Berlin from the Mongolian hordes from the East. Contrary to the enemy version, he did not commit suicide, nor did he escape to another country. On May 1, 1945, the German radio broadcast the following message: "From the Fuehrer's headquarters, it is reported that our leader, Adolf Hitler, was killed in action this afternoon fighting in the line of duty to his last breath for Germany, against communism...". He did not die in vain. He and millions of heroic Germans died fighting for our cause in order that the White Race might survive before the diabolic Jewish onslaught.

Today, more than a quarter of a century later, the spirit of Hitler is more alive and flourishing in the hearts of millions of militant White racial comrades than ever before in history. With the crimes of the Jews and the niggers becoming more outrageous every day, the White people are fed up and they are ready to fight. They are looking for a leader to take command in the coming battle. From this greatest of White Men we have received the direction and the inspiration. He spoke these inspiring words:

"When human hearts break and human souls despair, then from the twilight of the past the great conquerors of distress and care, of disgrace and misery, of spiritual slavery and physical compulsion, look down on them and hold out their eternal hands to despairing mortals! Woe to the people that is ashamed to take them!"

Hitler has indicated that he and his people have done their part and the fight will now have to be taken up in the heart of America from here on out. He is holding out his hand to us now, encouraging us onward.

Let us ourselves now take up the fight where he left off — and vow to finish it!

CREATIVITY UNIQUE

*Not A Rehash of
the Nazi Philosophy*

On this and several preceding pages we conclude our analysis of the eventful episode in history created by that great genius, Adolf Hitler. **He now belongs to the ages and history will never again see another man like him. He was unique and the Nazi era he created in Germany was unique** and it, too, now belongs to history.

Adolf Hitler made a tremendous breakthrough for the White Race, but unfortunately **he did not break the back of the Jewish monster**. On the contrary, the Jews emerged victorious from the ashes of a defeated Germany. **When WWII ended, the Jews were ten times more powerful than before that holocaust began**. Now, forty years later they have further consolidated that power and tightened their death grip on the world, and on the White Race. It remains up to us, the present generation, to break that stranglehold. Nobody else will do it for us.

We CREATORS have learned much from the Nazi experience and the mistakes made in dealing with this Jewish monster. We have come up with a completely different approach and use the same weapons the Jews have used so successfully for over 3500 years, **namely the power of religion**.

In Issue No. 4 of Racial Loyalty I list eight Fundamental Differences between CREATIVITY and the Nazi movement. Having examined the Nazi era in this issue, I believe it would be useful to briefly recapitulate those differences. They are as follows:

1. Whereas the concern of Hitler and the Nazi movement was to **save Germany** from the enemies that surrounded her, **the overwhelming goal of the Church Of The Creator is the survival, expansion and advancement of the White Race**.

2. Hitler himself stated that the Nazi movement was a **political movement** exclusively for the Germans and not for export. CREATIVITY is, in contrast, a **RELIGIOUS movement designed for global proportions to embrace all the White peoples of this Planet Earth**.
