

The Zionist New World Order

by Clint Robinson (June 16, 2009)

The time is urgent White Patriots! There is no other choice, the time is now, we either break free or we submit to what the Zionist New World Order has in store for us. However, submission to tyranny is not an option that any true patriot can accept. The time to resist is NOW!! Tomorrow may be too late.

Let us get one thing straight. Zionism is more than just a plan to establish "a homeland for the Jews". It goes far beyond that. It is a plan for world domination and the conquest of all the world's resources, including oil.

If we would transform our ideal picture of the [Aryan] People's State into a reality we shall have to keep independent of the forces that now control public life and seek for new forces that will be ready and capable of taking up the fight for such an ideal. For a fight it will have to be, since the first objective will not be to build up the idea of the People's State but rather to wipe out the Jewish [controlled] State which is now in existence.

-- Adolf Hitler, *Mein Kampf*, Vol. 2, Ch. 5 (Murphey translation)

[For] winning back the independence of a nation [...] it will suffice if a small remnant, no matter how small, of this nation and State will exist, provided it possesses the necessary independence to become not only the vehicle of the common spirit of the whole [Aryan] people but also to prepare the way for the military fight to reconquer the nation's liberty.

--Adolf Hitler, *Mein Kampf* Vol.2 Ch.13 (Murphey translation)

Global Zionism

To many, Zionism is the program to establish a national homeland for the Jewish people. According to Wikipedia:

Zionism is a political movement and ideology that supports a homeland for the Jewish People in the Land of Israel, where the Jewish nation originated over 3200 years ago and where Jewish kingdoms and self-governing states existed up to the 2nd century. While Zionism is based in part upon religious tradition linking the Jewish people to the Land of Israel, the modern movement was originally secular, beginning largely as a response to rampant antisemitism in Europe and many parts of the Muslim world during the 19th Century. After a number of advances and setbacks, and after the Holocaust had destroyed Jewish society in Europe, the Zionist movement culminated in the establishment of the State of Israel in 1948. [Link](#)

But, we must ask, is it more? Is Zionism merely a desire among the Jewish people to live like other nations in their own homeland within secure borders OR is it something else?

One World Government

[O]ur kingdom [the one-world state dominated by Jews] will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any GOYIM [non-Jews] who oppose us by deed or word. ([The Protocols of Zion](#), 5:1)

Our [the Jews'] international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rules the relations of their subjects among themselves. ([The Protocols of Zion](#), 2:1)

In January 1962, David Ben-Gurion, the first Prime Minister of Israel gave an interview to *Look* magazine in which he stated:

All continents will become united in a world alliance, at whose disposal will be an international police force. All armies will be abolished, and there will be no more wars. In Jerusalem, the United Nations (a truly United Nations) will build a shrine of the Prophets to serve the federated union of all continents; **this will be the scene of the Supreme Court of Mankind, to settle all controversies among the federated continents** [emphasis added], as prophesied by Isaiah. ([Look magazine, Jan. 1962](#))

A similar view was expressed in the Temple Mount Faithful organization newsletter (undated):

The real "United Nations Organization" will be the Kingdom of G-d which will soon be

established in Jerusalem, based on the holy laws of G-d. The Temple will again be the heart, soul and focus of Israel and the nations. Mashiach ben David will come and will be the king of Israel and the world. He will come to Jerusalem and rule from there and establish the Kingdom of G-d over all the world. Jerusalem instead of New York will be the center of the this godly "United Nations Organization" and a new era of justice, spiritual holiness, a real law based on the word of G-d in the Torah and a real peace will open and will be established in Jerusalem exactly as Isaiah prophesied: "The word that Isaiah the son of Amoz saw concerning Judah and Jerusalem. And it shall come to pass in the last days, that the mountain of the Lord's house shall be established on the top of the mountains, and shall be exalted above the hills; and all nations shall flow to it. And many people shall go and say, Come, and let us go up to the mountain of the Lord, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths; for from Zion shall go forth Torah, and the word of the Lord from Jerusalem. And he shall judge among the nations, and shall decide for many people; and they shall beat their swords into plowshares, and their spears into pruning hooks; nation shall not lift up sword against nation, nor shall they learn war any more. O house of Jacob, come, and let us walk in the light of the Lord." (Isaiah 2:1-5) [Link](#)

Who or what the Jews are referring to when they write 'G-d' is [open to conjecture](#). Nevertheless, those Christians who think the Jews are referring to God, the Creator of the Universe, when they write 'G-d' should bear in mind what Jesus said when addressing the Jews:

You belong to your father, the devil, and you want to carry out your father's desire. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies. ([John 8:44](#))

In his book *On the Jews and Their Lies*, Martin Luther stated:

Therefore be on your guard against the Jews, knowing that wherever they have their synagogues, nothing is found but a den of devils in which sheer self-glory, conceit, lies, blasphemy, and defaming of God and men are practiced most maliciously...

On the wall facing the United Nations building in New York is the famous Isaiah prophecy of the biblically projected Millennium (Isaiah 2:1-5): "And he shall judge among the nations, and shall decide for many people; and they shall beat their swords into plowshares, and their spears into pruning hooks; nation shall not lift up sword against nation, nor shall they learn war any more." A bronze sculpture created by Soviet artist Evgeny Vuchetich and presented to the United Nations in December 1959 by the Government of the USSR, shows the beating of the swords into plowshares. (following page)

Who is being referred to as 'he' in the statement '**he** shall judge among the nations'? Well meaning Christians would interpret that as referring to Jesus Christ after his 'Second Coming'. Jews, on the other hand, understand the 'he' to refer to their future world tyrant. As it said in the above quote from the Temple Mount Faithful newsletter, 'he' is “Mashiach ben David [who] will come and will be the king of Israel and the world”. We will have more to say about the **Jewish World Tyrant** later.

Judeo-Liberalism

From the 1930s until recently Western countries have seen the gradual development of Judeo-Liberalism. The first noticeable manifestation of this political current was during the Roosevelt administration, though some might argue that it goes back as far as Woodrow Wilson. It was he, after all, who handed over the American banking system to a group of monopolistic Jews in the form of the Federal Reserve. However, no president before Roosevelt had such an embodiment of Jewish power in his administration in terms of both numbers and real power. His immediate Jewish entourage consisted of Felix Frankfurter (Dictator of the New Deal), Henry Morgenthau (international banker), Louis Brandeis ("Father" of the New Deal), and Bernard Baruch ("Unofficial President" of the "Invisible Government"). Roosevelt was himself descended from Dutch Jews and his wife Eleanor was as close to being a card carrying communist without actually having the card. She was also one of the driving forces behind the establishment of the United Nations Organization.

The 'Alien Star' – Roosevelt's Supreme Council
[View larger image](#)

Further developments came during the 1960s. The Civil Rights Act of 1964 furthered the aims of the American Communist Party whose stated goal since around 1903 was to overturn the American social system through the advancement of the Negro and the eventual blending of the White with the Negro to produce an easily manipulated mulatto population. The Communist Party called this the "subtle victory".

In the Congressional Record, published by the United States Government Printing Office, Proceedings of the House, 1957, page 8559, you will find the documentation of the Communist plan for using the Negroes to achieve a Communist victory in America. In column one, on page 8559, you will find the following:

"Israel Cohen, a leading Communist in England, in his *A Racial Program For the Twentieth Century*, wrote:

'We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mold them to the program of the Communist Party. In America, we will aim for **subtle victory**. While inflaming the Negro minority against the whites, we will instill into the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America into our hands.'

There you have the Jewish-Communist program in a nutshell - the USE of the backward, childish and savage Negro race to destroy the White Race, which stands between the Jews and their mad goal of world domination from Israel.

([White Power](#), p. 138 by George Lincoln Rockwell [emphasis added])

A closely related group, The Frankfurt School, left Germany when it became apparent that Jews had worn out their welcome there. The arrival of the Frankfurt School on American shores after Adolf Hitler's rise to power in Germany was like allowing a destructive virus into the body politic. The phenomenon we now know as Political Correctness was their invention. University after University was subverted with their poison and eventually society at large as the newly minted boobs (to borrow one of R.P. Oliver's expressions) obtained their diplomas and emerged.

What failed in Germany during the 1930s thanks to Hitler succeeded in North America in the 1960s with another major outbreak of sickness in the 1990s and carrying through to the present. Hitler did not call it Political Correctness. He called it by its real name, Marxism!

In reality what distinguished Karl Marx from the millions who were affected in the same way was that, in a world already in a state of gradual decomposition, he used his keen powers of prognosis to detect the essential poisons, so as to extract them and concentrate them, with the art of a necromancer, in a solution which would bring about the rapid destruction of the independent nations on the globe.

-- Adolf Hitler, [Mein Kampf](#), Vol. 2, Ch. 1 (Murphey translation)

The Jewish doctrine of Marxism rejects the aristocratic principle of Nature and replaces the eternal privilege of power and strength by the mass of numbers and their dead weight. Thus it denies the value of personality in man, contests the significance of nationality and race, and thereby withdraws from humanity the premise of its existence and its culture. As a foundation of the universe, this doctrine would bring about the end of any order intellectually conceivable to man. And as, in this greatest of all recognizable organisms, the result of an application of such a law could only be chaos, on earth it could only be destruction for the inhabitants of this planet.

-- Adolf Hitler, [Mein Kampf](#), Vol. 1, Ch. 2 (Manheim translation)

Jews have historically favored a liberal social agenda because it produced a society more comfortable to them. Multiculturalism is a good example. When you are an historically despised minority it is better to surround yourself with other minorities, even (especially) if they are all squabbling amongst themselves. As David Duke said, "In a divided land the most cohesive group will rule". The Jews are nothing if not cohesive. Though egotistic materialists and parasitic by nature, they are able to unite and exert a collective force whenever and wherever their interests are deemed to be affected. They have historically advanced their own interests by promoting universal causes which just happen to benefit them as a mere by-product. The watchwords of the French revolution provide a good example: Liberty, Equality, Fraternity. The Jewish advancement of liberal causes has left them in control of a political class in most Western "democracies" and transcending nearly all political parties. So successful have they been that they even have been able to frame the parameters of most political debate, in some countries by force of law.

With the collapse of the Soviet bloc a bit of the luster wore off the Communist ideal of a workers' paradise. The Marxist workers' paradise was a mirage at best and a highly destructive delusion at worst. A letter to Karl Marx from the rabbi Baruch Levy was printed in a Jewish paper in Paris stating that Communism was, after all, merely a way to transfer all the wealth of the world into Jewish hands and so fulfill the [Talmud](#).

The Jewish people as a whole will be its own Messiah [until the arrival of The Jewish World Tyrant – ed.]. It will attain **world dominion** by the dissolution of other races, by the abolition of frontiers, the annihilation of monarchy, and by the establishment of a **world republic** in which the Jews will everywhere exercise the privilege of citizenship. In this **new world order** the Children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the **world republic** will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property, and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time is come the Jews will have all the property of the whole world in their hands. (Baruch Levy, Letter to Karl Marx, *La Revue de Paris*, p. 54, June 1, 1928)[emphasis added]

Rabbi Reichhorn delivered a speech in Prague in 1869 over the tomb of the Grand Rabbi Simeon Ben-Ihuda where he stated:

For centuries the Sons of Israel have been despised and persecuted, but they have fought bravely to prepare the way for victory. Now they are approaching their aim. They already dominate the economic life of the damned Christians; their influence is just as great in politics and in moral fields. At the wished for hour, fixed in advance, we shall let loose the Revolution, which by ruining all classes of Christians will definitely enslave Christendom to us. Thus will be accomplished the promise of God made to his people. (*Libre Parole*, November 1933, and *La Vielle France*, March 10, 1921)

Winston Churchill wrote an article in The Sunday Herald where he discussed the conflict within Jewish circles between Bolshevism and Zionism. He stated:

And it may well be that this same astounding race may at the present time be in the actual process of producing another system of morals and philosophy, as malevolent as Christianity was benevolent, which, if not arrested would shatter irretrievably all that Christianity has rendered possible. It would almost seem as if the gospel of Christ and the gospel of Antichrist were destined to originate among the same people; and that this mystic and mysterious race had been chosen for the supreme manifestations, both of the divine and the diabolical...

This movement among the Jews is not new. From the days of Spartacus- Weishaupt to those of Karl Marx, and down to Trotsky (Russia), Bela Kun (Hungary), Rosa Luxembourg (Germany), and Emma Goldman (United States), this world-wide conspiracy for the overthrow of civilisation and for the reconstitution of society on the basis of arrested development, of envious malevolence, and impossible equality, has been steadily growing. It played, as a modern writer, Mrs. Webster, has so ably shown, a definitely recognisable part in the tragedy of the French Revolution. It has been the mainspring of every subversive movement during the Nineteenth Century; and now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America have gripped the Russian people by the hair of their heads and have become practically the undisputed masters of that enormous empire...

There is no need to exaggerate the part played in the creation of Bolshevism and in the actual bringing about of the Russian Revolution by these international and for the most part atheistical Jews. It is certainly a very great one; it probably outweighs all others. With the notable exception of Lenin, the majority of the leading figures are Jews. Moreover, the principal inspiration and driving power comes from the Jewish leaders.

Churchill goes on to recommend to the Jews of the world to follow the course of Zionism rather than Bolshevism:

Zionism has already become a factor in the political convulsions of Russia, as a powerful competing influence in Bolshevist circles with the international communistic system. Nothing could be more significant than the fury with which Trotsky has attacked the Zionists generally, and Dr. Weissmann in particular. The cruel penetration of his mind leaves him in no doubt that his schemes of a **world-wide communistic State under Jewish domination** are directly thwarted and hindered by this new ideal, which directs the energies and the hopes of Jews in every land towards a simpler, a truer, and a far more attainable goal. The struggle which is now beginning between the Zionist and Bolshevist Jews is little less than a struggle for the soul of the Jewish people. (*Illustrated Sunday Herald*, February 8, 1920, page 5)

ZIONISM versus BOLSHEVISM.

A STRUGGLE FOR THE SOUL OF THE JEWISH PEOPLE.

By the Rt. Hon. WINSTON S. CHURCHILL.

SOME people like Jews and some do not; but no thoughtful man can doubt the fact that they are beyond all question the most formidable and the most remarkable race which has ever appeared in the world.

Disraeli, the Jew Prime Minister of England, and Leader of the Conservative Party, who was always true to his race and proud of his origin, said in a well-known oration: "The Lord deals with the nations as the nations deal with the Jews." Certainly when we look at the miserable state of Russia, where of all countries in the world the Jews were the most cruelly treated, and contrast it with the fortunes of our own country, which seems to have been so providentially protected and the racial perils of these times, we must admit that nothing that has since happened in the history of the world has fulfilled the truth of Disraeli's confident prediction.

Good and Bad Jews.

The conflict between good and evil which presents unendingly in the history of man manifests itself in an intensity as in the Jewish race. The dual nature of mankind is

Mr. Churchill inspecting his old regiment, the 6th Hussars, at Aldershot last week.

people, most of whom are themselves soldiers from the revolutionary regions. It is common, therefore, especially amongst the Jews, and driving ever strongly-marked Jewish movements which leads directly away from these fatal associations. And it is here that Zionism has such a deep significance for the whole world at the present time.

A Home for the Jews.

Zionism offers the first option in the political conceptions of the Jewish race. In contrast to international communism, it presents to the Jew a national idea of a commanding character. It has fallen to the British Government, as the result of the conquest of Palestine, to have the opportunity and the responsibility of answering for the Jewish race all over the world a home and a centre of national life. The statesmanship and historic sense of Mr. Balfour were prompt to seize this opportunity. Declarations have been made which have correctly decided the policy of Great Britain. The very energies of Dr. Weizmann, the leader, for practical purposes, of the Zionist people, backed by many of the most prominent British Jews, and supported by the full

Churchill perhaps did not realize that ideologies to Jews are like the many arms of Vishnu. They all emanate from the same place with the same goal, the desire for a **New World Order based on Jewish domination – a one-world state under Jew control!** Apparent conflicts among Jews are more about tactics than disputes about ultimate goals. Zionism and Communism are but two arms of the same beast – Jewish world domination!

Open Borders and Third World Immigration into White Homelands

Peoples which bastardize themselves, or let themselves be bastardized, sin against the will of eternal Providence, and when their ruin is encompassed by a stronger enemy it is not an injustice done to them, but only the restoration of justice. If a people no longer wants to respect the Nature-given qualities of its being which root in its blood, it has no further right to complain over the loss of its earthly existence.

-- Adolf Hitler, *Mein Kampf*, Vol. 1, Ch. 11 (Manheim translation)

Through such things as 'multiculturalism' and 'diversity' the Jew seeks the racial destruction of the host population through the mixing of the White and colored races leading to a racial mishmash of mulattoes and the lowering of the racial quality of the highest peoples. The Jew promotes the displacement and replacement of the intelligentsia of the host population through hiring quotas and affirmative action in order that the Jew can more easily dominate.

Jews fear living in a culture where they are the only minority group. That limits their advancement into influential positions since they are naturally viewed with suspicion in such a circumstance (and rightly so!) Consequently, Jews have favored open borders and open immigration with few restrictions on national origin. This is true of the USA, Canada, and most, if not all formerly White countries. In 1948 the former director of The American Jewish Congress stated:

Jewish survival can only take place within the framework of a progressive and expanding democratic society, which through its institutions and public policies gives expression to the concept of cultural pluralism. [Link](#)

In the USA, the immigration floodgates were opened with passage of the Immigration and Nationality Act of 1965 (which became law in 1968). About the law Edward Kennedy said:

First, our cities will not be flooded with a million immigrants annually. Under the proposed bill, the present level of immigration remains substantially the same.... Secondly, **the ethnic mix of this country will not be upset**.... Contrary to the charges in some quarters, [the bill] will not inundate America with immigrants from any one country or area, or the most populated and deprived nations of Africa and Asia.... In the final analysis, the ethnic pattern of immigration under the proposed measure is not expected to change as sharply as the critics seem to think....[emphasis added] [Link](#)

The passage of time has shown his words to be those of either a self-deluded fool or a traitor. The first option would seem to be excluded given his electoral success.

Here are some of the Jews Behind The Immigration and Nationality Act of 1965:

1. Senator Jacob Javits (NY)
2. Congressman Emanuel Celler (NY)

3. Leo Pfeffer (Former President of American Jewish Congress (AJC))

4. Norman Podhoretz (Writer and Member of The Council of Foreign Relations) [Link](#)

Jewish organizations such as the American Jewish Congress, The Jewish Federation, the ACLU, and the B'nai B'rith, (there is no end to their organizations), filed briefs in support of open immigration before the Senate Subcommittee in the early sixties leading up to the passing of the 1965 law.

THE 1965 OPEN IMMIGRATION LAW IS PRESENTLY fulfilling the aims of the Jewish conspiracy as seen in its effects. The U.S. Census Bureau projects that by the year 2050, European-derived peoples will no longer be a majority of the population of America due to the massive influx of immigrants since the signing of the bill in 1965.

[Link](#)

Most of these immigrants come from Third World Nations whose race, customs, religions, and culture are far removed from anything remotely resembling those of the founding settler peoples who were predominantly White and Christian with a strong sense of honor, integrity and self-reliance. Within the context of a Jewish-dominated 'multicultural America', these immigrants are encouraged by the Jews to retain their own languages, customs, and religions - all the while as racial mixing and the breeding of mulattoes proceeds apace. The same is true in Canada, Australia, Europe and most, if not all, White homelands.

The Transition to Judeo-Fascism

In any State in which there is a bad organization of authority, an impersonality of laws and of the rulers who have lost their personality amid the flood of rights ever multiplying out of liberalism, I find a new right - to attack by the right of the strong, and to scatter to the winds all existing forces of order and regulation, to reconstruct all institutions and to become the sovereign lord of those who have left to us the rights of their power by laying them down voluntarily in their liberalism. ([The Protocols of Zion](#),1:14)

(Ex-)President George W Bush and (former) head of Dept. of Homeland Security Michael Chertoff (Jew)

The administrators, whom we shall choose from among the public, with strict regard to their capacities for servile obedience [to the Jews], will not be persons trained in the arts of government, and will therefore easily become pawns in our game in the hands of men of learning and genius who will be their advisers, specialists bred and reared from early childhood to rule the affairs of the whole world. ([The Protocols of Zion](#) 2:2)

Leo Strauss was the godfather of the American neo-conservative movement. He was a Jew and described himself as a former Trotskyite ... (recall the many arms of Vishnu). Many of the 'shining lights' of the neo-conservative movement have been his students and actively pursue his political vision. Among them are Bush luminaries such as Paul Wolfowitz, Alan Keyes, William Bennett, William Kristol, Allan Bloom, and John Podhoretz among others. His political philosophy views the world in terms of rulers (Jews and their helpers) and the ruled (non-Jews) and it does not give any emphasis to "government by consent of the governed" contained in the American constitution. It can readily be referred to as Judeo-Fascism. It is no wonder that G.W. Bush can refer to the constitution as a "scrap of paper". The Straussian political philosophy grants favorable status to deception by government in its administration of the governed.

It is characteristic of the neo-conservatives that they pursue Zionist interests as though they were the same as American interests. Weapons of Mass Destruction was the reason given to a gullible public to support a war (against Iraq in March, 2003) whose real reason was to enhance the security of the state of Israel (Zionism: another arm of Vishnu) and, as a side benefit, to steal the Iraqis' oil and turn it over to Israel via a pipeline from Mosel to Haifa. A third reason might have been related to Saddam Hussein's threat to begin selling oil for euros. The real crisis was not Iraqi Weapons of Mass Destruction but neo-con Weapons of Mass Deception.

Greater Israel

In his Complete Diaries, Vol. II. p. 711, Theodore Herzl, the founder of Zionism, says that the area of the Jewish State stretches: “From the Brook of Egypt to the Euphrates.”

Rabbi Fischmann, member of the Jewish Agency for Palestine, declared in his testimony to the U.N. Special Committee of Enquiry on 9 July 1947: “The Promised Land extends from the River of Egypt up to the Euphrates, it includes parts of Syria and Lebanon.”

The 'Blood for Oil' Pipeline

Prior to the 1948 creation of The Zionist Entity in Palestine ("Israel") by the United Nations and World Jewry, an oil pipeline was built by the Iraqi Petroleum Company in 1931 from Mosul in Iraq to Haifa in Palestine. Its route is entirely within the territories of present day Iraq, Jordan, and Israel except with a short section going through Syria. It was a mere eight inches in diameter, small by today's standards, and fell into disuse as a result of the ongoing instability in the region due to the presence of The Zionist Entity. However, the route still exists and could be used to build a much larger pipeline. The original pipeline is still used for water in Jordan and for jet fuel in Israel.

The following story appeared in the Turkish paper Zaman on Sept. 2, 2003.

Mosul-Haifa Oil Pipeline Will Turn Region Upside Down

The reconstruction of the Musul (Mosul)- Hayfa (Haifa) oil pipeline, starting from Iraq, passing through Jordan and stretching to Israel came up on the agenda with the U.S. occupation of Iraq. According to the Israeli Haaretz daily report, which appeared in [Turkish] newspapers yesterday [Sept. 1,2003], "The U.S. Defense Department (Pentagon) has suggested Haifa as an alternative to Yumurtaalik in the exportation of oil from the Kerkuk (Kirkuk) terminal." [Link | Haaretz article \(Aug. 25, 2003\)](#)

The following map shows the location of Iraqi oilfields as well as refining and transport infrastructure. It does not show the old Mosul-Haifa pipeline because it is not currently in use.

This map shows the location of permanent US military bases along the route of the 'Blood for Oil' pipeline. They are labeled H1, H2, H3, H3, H4 and H5. The bases H1, H2, and H 3 are American bases in Iraq while H4 and H5 are in Jordan. 'H' presumably stands for Haifa.

The war against Iraq, launched in March, 2003, was carried out under the guise of pre-empting a threat from weapons of mass destruction (WMDs) supposedly being developed by Saddam Hussein, then dictator of Iraq. Some commentators, on the left, said it was only to get control of Iraq's vast oil wealth. Other commentators, on the right, said the war was about getting rid of a security threat to Israel. The left called it a War for Oil and the right called it a War for Israel. It turns out they were both correct!

The War against Iraq was to eliminate Saddam Hussein and the Baath Party as a threat to the Zionist Dream of Greater Israel AND to put one of the world's largest oil fields, perhaps THE largest, firmly under the control of Israel and Zionist interests worldwide!

The Zionist plan to gain control of the Kirkuk oilfield involves a three prong strategy:

- Gaining effective control of the Kurdish region and turning it into a satellite of Israel
- Separate the Kurdish north from the rest of Iraq
- Provide a means of transport for exporting the oil which avoids southern Iraq and the Persian Gulf (the 'Blood for Oil' pipeline)

Zionist control of the Kurdish region

The light brown region in the map on the previous page shows part of the Kurdish inhabited region. Kurds live in Iraq, Iran, Syria, and Turkey. They have been striving for an independent homeland which has led them into conflict with both Turkey and the former Iraq government under Saddam Hussein.

Notice that the Kurdish region of Iraq approximately coincides with the Kirkuk oil Field in Northern Iraq.

The Kurds have a heavy Jewish population ([Link](#) | [Link](#)) and their leader is a Jew ([Link](#)).

The Jewish Telegraph Agency reported on April 11, 2003:

To the world's surprise, it turns out that one of the Kurds' top leaders is actually Jewish and that, as a result, the nascent Kurdish country will forge a close alliance with Israel, **giving the Jewish state another toehold in the Middle East and access to the oil riches of the Iraqi north** [emphasis added]. [Link](#)

Massoud Barzani, [Jewish billionaire](#) and leader of the Kurds

Reuters reported on Feb. 21, 1999 that Israel had supplied military support to the Kurds:

According to Eliezer Tsafir (former senior Mossad official), Israel had military advisers in 1963-1975 at the headquarters of Mustafa Barzani [father of Massoud Barzani], trained and supplied the Kurdish units with fire arms, field and anti-aircraft artillery. [Link](#)

Seymour Hersh reported in *The New Yorker*, 21 June 2004:

Israeli intelligence and military operatives are now quietly at work in Kurdistan, providing training for Kurdish commando units and, most important in Israel's view, running covert operations inside Kurdish areas of Iran and Syria. Israel feels particularly threatened by Iran, whose position in the region has been strengthened by the war. The Israeli operatives include members of the Mossad, Israel's clandestine foreign-intelligence service, who work undercover in Kurdistan as businessmen and, in some cases, do not carry Israeli passports. [Link](#)

And, according to French military intelligence:

[A]t the beginning of 2004, about 1,200 agents from Mossad or from Israeli military intelligence were operating in Kurdistan. Their mission: to get Kurdish commando groups on their feet that would be strong enough to counter the Shiite militias in southern Iraq, the latter more or less manipulated by Tehran... [Link](#)

Separating the Kurdish north from the rest of Iraq

The Egyptian online weekly *Al-Ahram* stated quite clearly that the Kurds are striving for independence and complete control of the Kirkuk oil region:

Iraqi politicians who are in the process of framing the future of their country find it convenient to stick their heads in the sand whenever the Kurdish crisis comes up. It is about time the truth is spelled out: the Kurds are not interested in being part of Iraq. Every move they have made so far is geared towards independence. Between now and a bold declaration of the state of Kurdistan there is precious time to create facts on the ground maximising the chances for a viable state. The crown jewel of this endeavour will be the annexation of Kirkuk. Failure to deal with this murky situation from the outset will surely be to the detriment of a unified Iraq.

The Kurdish approach to the problem of the oil-rich northern Iraqi city of Kirkuk has been carefully plotted. The Kurds spare no effort to change the demographics of the city. This process involves the re-settlement of Kurds by the tens of thousands and, at the same time, driving out the Arab population at gunpoint. Kurdish officials bluntly declare that they do not want Arabs in their territories. This plot will guarantee the annexation of Kirkuk under the federal arrangement that will give any city the option to join any province it chooses by a majority vote. The 30 January elections provided a clear example of this kind of fraud that went on with impunity. (10 - 16 March 2005 Issue No. 733) [Link](#)

The *Washington Post*, an organ of Zionist propaganda, reported on August 1, 2005 that for many

Kurds in [the] Iraqi North, autonomy is just a means to an end and that they have a ‘high expectation’ of independence:

The demands from Kurdistan for independence and for immediate action on broader territorial claims are shaping much of the debate in Baghdad as Shiite Arabs, Sunni Arabs, Kurds, who mostly practice the Sunni version of Islam, and other groups draft the country’s post-Saddam Hussein constitution.

Kurds have led the drive for a federal system for Iraq — one that would leave Kurdistan within Iraq’s borders, but preserve much of the de facto autonomy Kurds gained under U.S. protection after the 1991 Persian Gulf War. Sunni Arabs say the federal system could lead to the breakup of Iraq. [Link](#)

Universal Wars (World Wars)

The despotism of Capital, which is entirely in our [the Jews'] hands, reaches out to it a straw that the State, willy-nilly, must take hold of: if not - it goes to the bottom.

([The Protocols of Zion](#) 1:8)

We must be in a position to respond to every act of opposition by war with the neighbors of that country which dares to oppose us [The Jews]: but if these neighbors should also venture to stand collectively together against us [The Jews], **then we must offer resistance by a universal war [World War]**. [emphasis added]

([The Protocols of Zion](#) 7:3)

There are many who believe that WWII began on September 1, 1939, the day hostilities broke out between Germany and Poland, or that it began on September 3, 1939, the day Britain and France declared war on Germany. However, the real date for its beginning was March 24, 1933. It is true that no shots were fired that day and no bombs were dropped. However, World Jewry declared war on Germany on that day and from that moment onward worked tirelessly to bring about the death and mayhem that we now know as World War II. Why did World Jewry declare war on Germany? The simple and also truthful answer is because Adolf Hitler was taking a stand against the evil twins of World Jewry: Despotic Capitalism and International Communism.

Daily Express, March 24, 1933

In a speech at the Zeughaus in Berlin on Mar. 16, 1941, Adolf Hitler stated:

They [The Jews] were the elements whose goal that time was to rob the German nation of the most primitive right of life, who in the years of the Versailles Dictate raised as the dogma of the **new world order** political enslavement and economic impotence, and now are opposed to the revival of our people with the same hatred with which they once pursued the Second Reich. [...]

The fact that the American General Wood, before the investigation committee of the

American Senate, testified that as early as 1936 Churchill told him Germany was getting too strong again and must be destroyed in a new war established firmly in history the real responsibility for present developments. [...]

England and France alone wanted war - not so much the people as a thin stratum of political and financial leadership behind which, [...] **stood international Jewry and its world conspiracies of democracy [so-called] and Freemasonry.**[emphasis added]

In *Churchill's War (Vol.1)*, the historian David Irving describes how Churchill, short on funds and essentially bankrupt, came under the control of wealthy Jews. The Board of Deputies of British Jews founded an organization called FOCUS set up to incite war against Germany and Churchill was one of its main financial beneficiaries. Churchill became the point man in the effort to portray National-Socialist Germany as a direct threat against Britain. When war eventually broke out Chamberlain stated that 'America and **the world Jews** had forced England into the war.' Churchill stated that the basis of the Anti-Nazi Council, later called the FOCUS '[was] of course Jewish resentment [against Germany]' (David Irving, *Churchill's War (Vol.1)*, p. 58).

Soon after the Nazis seized power, shadowy groups had evolved in Britain and America, united by the aim of restoring the status quo in Germany. These now jointly and severally approached Mr Churchill.

Their intervention came not a moment too soon for him. By the end of 1935 he had intimidating debts. No amount of writing dismantled his overdraft. It gnawed at his mind and distracted him from his work. He needed all the financial aid he could get.

The president of the Anglo-Jewish Association, Leonard Montefiore, had begun sending him literature on the plight of the German Jews. But it was the Anti-Nazi Council, later known as the FOCUS, that would ensure Churchill's political and financial survival.
(David Irving, *Churchill's War (Vol.1)*, p. 58).

It was ultimately the South African millionaire Sir Henry Strakosch who agreed to pay off Churchill's extensive debts. Sir Henry Strakosch, the gold mining millionaire and chairman of Union Corporation Ltd., was a Jew born in Moravia, Czechoslovakia. (David Irving, *Churchill's War (Vol.1)*, p. 112).

The A.N.C. (Focus) had its roots in New York. The driving force in the founding of the FOCUS was local New York attorney Samuel Untermeyer (Jew). Its funding came primarily from the Board of Deputies of British Jews:

Funds had been arranged two days earlier at a private dinner in North London, hosted by the Board of Deputies of British Jews. Its vice-

president Sir Robert Waley-Cohen, chairman of British Shell, was a charismatic Zionist extrovert who would become, in the words of his authorised biographer Robert Henriques, the 'veritable dynamic force of FOCUS.' At a dinner on July 22 at his home, Caen Wood Towers, he launched the initial secret £ 50,000 fund for the FOCUS. His associates signed immediate cheques for £ 25,000 and pledged the rest.

It was a colossal sum for such an organisation to butter around in 1936 – five times the annual budget of the British Council. Personally administered by Waley-Cohen, the fund was used to procure journalists like Times leader-writer Captain Colin Coote – who published for the FOCUS a series of 'Vigilance' pamphlets – and for widespread slushing operations coordinated by H. T. Montague Bell. (David Irving, [*Churchill's War \(Vol.1\)*](#), p. 64).

The FOCUS made contact with Churchill in April, 1936. Around the same time Churchill began developing contacts with the Soviet Union, in spite of the fact that he had previously denounced Bolshevism and had declared that the Jews had 'gripped the Russian people by the hair of their heads and [had] become practically the undisputed masters of that enormous empire...' (previously quoted).

Hitler had stated repeatedly in Mein Kampf and elsewhere that he did not want war with Britain but rather sought an alliance between the Third Reich and the British Empire which might eventually include the United States.

Hitler stated that Germany could not rebuild its economy on the basis of a currency backed by gold because it did not have any. Germany was forced into making the remarkable discovery that a nation's currency could be based on the productive capability of its workers. In National-Socialist Germany, money was regarded as a receipt for goods produced or services rendered. Such receipts could be passed along and used as currency. In fact they WERE currency and enabled the economic restoration of Germany from the economic chaos of the post-war years and the Great Depression.

We were not foolish enough to try to make a currency coverage of gold of which we had none, but for every mark that was issued we required the equivalent of a mark's worth of work done or goods produced. . . .we laugh at the time our national financiers held the view that the value of a currency is regulated by the gold and securities lying in the vaults of a state bank. -Adolf Hitler, 1937 (CC Veith, *Citadels of Chaos*, Meador, 1949.)

And it proved sound. It worked. In less than ten years Germany became easily the most powerful state in Europe. It worked so magically and magnificently that it sounded the death knell of the entire (Zionist) Jewish money system. **World Jewry knew that they had to destroy Hitler's system, by whatever means might prove necessary, or their own would necessarily die. And if it died, with it must die their dream and their hope of making themselves masters of the world.** The primary issue over which World War II was fought was to determine which money system was to survive. At bottom it was not a

war between Germany and the so-called allies. Primarily it was war to the death between Germany and the International Money Power. --William Gayley Simpson, *Which Way Western Man* (p.642)

Whenever you hear words like “X the new Hitler”, where X is the latest individual or country to take a stand against the Jew, you can know with 99% certainty that whoever speaks those words is an agent of Zion and is promoting a war on behalf of Jewish world domination.

George Lincoln Rockwell provided an historical perspective on Hitler and World War II in which he compares that war to the Alamo in which a few brave Americans held off a numerically superior Mexican force long enough for effective resistance to be mounted against the Mexican invasion. Though they were defeated and died they made possible a future victory.

In 1932, when the conspirators managed to get Franklin Roosevelt and his Jewish gang into the White House, they planned an open takeover for their Communist world revolution.

America had been lied to, primed with a terrible depression, and sold the Roosevelt bill-of- goods. It would have been a cinch.

But the monkey wrench in their machinery of world revolution was Germany, which was the key to the control of Europe. Unless Germany could be seized, or at least rendered powerless (as it now has been), world Communist victory would be impossible.

At the last moment, a strong man arose and seized the initiative from the scheming Jews. Adolf Hitler managed to win back to sanity and honor so many millions of good German people that the weak government was forced to give Hitler legal power, by the will of the people.

Adolf Hitler fought the Alamo of the White Race. He held off the colored forces of racial suicide, the forces of Communism, the forces of arrogant Zionism, and the forces of international money-manipulation long enough for a few men like myself to wipe the Jewish cobwebs out of our brains and start the long battle to awaken our people and free them from the menacing spectre of Jewish and colored world tyranny.

Hitler purchased, with his own life and the lives of millions of young German men, the precious time for us to be able to wake up and organize to resist the Jews and Negroes, just as Crockett and his men purchased with their lives the time for General Sam Houston to organize to resist the Mexicans.

Zionist Control of the Media

THE PRESS, WHICH, WITH A FEW EXCEPTIONS THAT MAY BE DISREGARDED, IS ALREADY ENTIRELY IN OUR [the Jews'] HANDS. ([The Protocols of Zion](#) 7:5)

NOT A SINGLE ANNOUNCEMENT WILL REACH THE PUBLIC WITHOUT OUR [the Jews'] CONTROL. Even now this is already being attained by us inasmuch as all news items are received by a few agencies, in whose offices they are focused from all parts of the world. These agencies will then be already entirely ours and will give publicity only to what we [the Jews] dictate to them. ([The Protocols of Zion](#) 12:4)

If already now we [Jews] have contrived to possess ourselves of the minds of the GOY [non-Jew] communities to such an extent the they all come near looking upon the events of the world through the colored glasses of those spectacles we are setting astride their noses...

([The Protocols of Zion](#) 12:5)

Jews own or control a disproportionate amount of the news and entertainment media in the world! That includes newspapers, TV networks, film studios and distribution, cable systems, publishing houses, news wire companies, music studios and distribution, Internet companies, and telecommunication companies. Such control gives Jews the capacity to influence public opinion on almost any issue. Government broadcasting companies such as the Canadian Broadcasting Corporation (CBC) and the British Broadcasting Corporation (BBC) have Jews throughout their respective organizations from Jews at the top down to the production level.

THERE IS NO GREATER POWER in the world today than that wielded by the manipulators of public opinion in America. No king or pope of old, no conquering general or high priest ever disposed of a power even remotely approaching that of the few dozen men who control America's mass media of news and entertainment.

Their power is not distant and impersonal; it reaches into every home in America, and it works its will during nearly every waking hour. It is the power that shapes and molds the mind of virtually every citizen, young or old, rich or poor, simple or sophisticated.

The mass media form for us our image of the world and then tell us what to think about that image. Essentially everything we know—or think we know—about events outside our own neighborhood or circle of acquaintances comes to us via our daily newspaper, our weekly news magazine, our radio, or our television. ([Who Rules America?](#))

Zionism and Despotic Capitalism

All the wheels of the machinery of all States go by the force of the engine, which is in our [the Jews'] hands, and that engine of the machinery of States is - Gold. The science of political economy invented by our learned elders has for long past been giving royal prestige to capital.

Capital, [...], must be free to establish a monopoly of industry and trade: this is already being put in execution by an unseen hand in all quarters of the world. This freedom will give political force to those engaged in industry, and that will help to oppress the people. ([*The Protocols of Zion*](#), 5:6-7)

The first precept of success in making government loans lies in “creating a demand”, that is, by taking part in the creation of financial panics, depressions, famines, wars and revolutions. The overwhelming success of the Rothschilds lay in their willingness to do what had to be done. (Eustace Mullins, [*THE WORLD ORDER, A Study in the Hegemony of Parasitism*](#) , 1985, Ezra Pound Institute of Civilization)

We [the Jews] appear on the scene as alleged saviours of the worker from this oppression when we propose to him to enter the ranks of our fighting forces - Socialists, Anarchists, Communists - to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our SOCIAL MASONRY. The aristocracy, which enjoyed by law the labor of the workers, was interested in seeing that the workers were well fed, healthy, and strong. We are interested in just the opposite - in the diminution, the KILLING OUT OF THE GOYIM [non-Jews]. ([*The Protocols of Zion*](#), 3:7)

Though the fact that the Jew Capitalists are the London Money Power, a grand Imperialism of Capital, has never been thought of before, yet thoughtful observers have noticed the rapid rise of the Jews into astonishing wealth. (L . B . WOOLFOLK, [*The Great Red Dragon: The London Money Power*](#), 1890)

In the above cited work, Woolfolk discusses how many of the big names of American capitalism controlled very little wealth on their own but were rather front men for the London Money Power, dominated by the House of Rothschild. He refers to the London Money Power as The Rothschild Syndicate.

Even in the beginning of this second era of the growth of the Money Power, it realized immense profits—profits so great as enabled the Money Kings to loan the money necessary on both sides to sustain the immense armaments of the wars of the French revolution . They let the British government and the powers warring against France have all the money they required ; and they supplied to Napoleon and his allies the loans necessary for his campaigns.

At that time, for the convenience of the Money Kings, the great house of Rothschild was

established . The rise of the house of Rothschild has always been shrouded in the mystery that veils all the operations of the Money Power . The house took immense contracts on both sides ; and made to both sides immense loans . Where the money came from has always been a mystery . The common explanation given of it is wholly inadequate to account for the sudden rise of the house of Rothschild into such enormous wealth . The only way to account for it is to suppose that the Rothschild family was chosen by the Jew Money Kings as the head and fiscal agency of a grand Jewish syndicate formed at that time, to concentrate under one management the money of the Jew capitalists. ([*The Great Red Dragon*](#), p. 11-12.)

Concerning their promotion of monopoly capitalism, Woolfolk, **writing in 1890**, states:

It is manifest that the Standard Oil Company is not an American corporation . The method and the extent of its operations show that it is an enterprise of the Money Kings [The Rothschild Syndicate] . For the Standard Oil Company is operating in Russia as largely as in the United States . It owns hundreds of millions of acres of Russian oil lands, and is supplying the neighboring markets from those oil wells, just as it is supplying the American markets from the oil wells of Pennsylvania . The Standard Oil Company, like all the monopolies of the Money Kings, is world-wide in its operations . Unlimited capital behind it enables it to construct facilities for carrying on its business,—a grand pipe line from the oil wells to the seaboard—grand refineries tank cars for transportation of refined oil,these and other things gave it such advantages as enabled it to put down all competition and maintain a monopoly of the business . It evidently aims to secure a monopoly of the oil trade for centuries to come. ([*The Great Red Dragon*](#), p. 41.)

Free Enterprise is based on the idea of private property and the right to use that property as one sees fit. Within a State governed by the right to private property a person can spend his/her entire income or save a portion of it. That person can then use the accumulated savings to start a business. That business can then succeed or fail depending on the skill of the business owner. Sometimes businesses were started from the sale of inherited property or other assets. That was for the most part the way the Free Enterprise system worked until the beginning of the last century. The capital was owned by the business owner in the form of buildings, land, machinery, and sometimes patents on the products produced. A very good example of this was Henry Ford who built up a large and successful business from scratch. He was the classic self-made man. Capital was generated internally by the growing business. Sometimes bank loans were involved but it was still the internal generation of capital within the business itself that was used to repay the loans.

The Stock Exchange changed much of this. Businesses are often started in the same way as small efforts on the part of enterprising individuals. At some point, in order to compete successfully through economy of scale, businesses require additional capital which cannot be generated internally or secured through loans. They are then faced with the choice of going to a capital source for assistance such as venture capital or the Stock Exchange. In either case, the business is surrendering at least part of its control to the venture capitalists or Stock Exchange and exposes

the previously privately owned business to speculative pressures. Stock Exchange capital puts land and industry on a speculative basis.

If a company makes an initial public offering (IPO) and becomes listed on the exchange that company is surrendering at least part of the control to the eventual shareholders in the company. The original owners can decide to purchase a controlling share of the company and preserve ownership but its activities must henceforth be in line with the rules for publicly traded companies. In many jurisdictions it is mandatory for a publicly traded company to maximize shareholder value above all other considerations. This is viewed as a means to protect shareholders' investments but it has implications.

A man like Henry Ford could take into account the well being of his employees. He could give them a Christmas bonus if he felt like it. That would not be possible if his company had been (at that time) publicly traded and operating under the current rules. It would have reduced shareholder value. It would even be against the law. For someone who works for a publicly traded company and has the impression that he is working for an insatiably greedy entity, he is! It is required by law. It is called maximizing shareholder value. If a publicly traded company seems to be operating against the best interest of its workers and the nation as a whole, it is! It is called maximizing shareholder value. If a company is sending jobs overseas or employing cheap labor at home in the form of illiterate (often illegal) immigrants it is often just maximizing shareholder value.

International Stock Exchange capitalism is the driving force (at least on the economic level) behind globalism and the destruction of national economies. One of the not-too-often mentioned topics that Hitler discusses in *Mein Kampf* is the question of Stock Exchange Capitalism versus Free Enterprise. He foresaw the advent of globalism latent in International Stock Exchange capitalism. He saw that Marxist agitation against capitalism was merely a disguise to cover its attack against the national economy.

Scarcely has the new class grown out of the general economic shift than the Jew, clearly and distinctly, realizes that it can open the way for his own further advancement. First, he used the bourgeoisie as a battering-ram against the feudal world, then the worker against the bourgeois world. If formerly he knew how to swindle his way to civil rights in the shadow of the bourgeoisie, now he hopes to find the road to his own domination in the worker's struggle for existence.

From now on the worker has no other task but to fight for the future of the Jewish people. Unconsciously he is harnessed to the service of the power which he thinks he is combating. He is seemingly allowed to attack capital, and this is the easiest way of making him fight for it. In this the Jew keeps up an outcry against international capital and in truth he means the national economy which must be demolished in order that the international stock exchange can triumph over its dead body.

-- Adolf Hitler, *Mein Kampf*, Vol. 1, Ch. 11 (Manheim translation)

The Judeo-Masonic Plutocracy

GENTILE masonry blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people an unknown mystery. ([The Protocols of Zion](#), 4:2)

To strengthen his political position [the Jew] tries to tear down the racial and civil barriers which for a time continues to restrain him at every step. To this end he fights with all the tenacity innate in him for religious tolerance and in Freemasonry, which has succumbed to him completely, [in which] he has an excellent instrument with which to fight for his aims and put them across. The governing circles and the higher strata of the political and economic bourgeoisie are brought into his nets by the strings of Freemasonry, and never need to suspect what is happening.

- Adolf Hitler, [Mein Kampf](#), Vol. 1, Ch. 11 (Manheim translation)

The origin of Freemasonry is quite controversial. In the Middle Ages in Europe, stone masons were organized in guilds and had the rights to travel from region to region because their skills were in such demand. They eventually established lodges where they would stay until their work in that area was finished and then move on. Such lodges became centers of social activity - mens' clubs, so to speak. Masons who actually worked in stone later came to be known as operative masons. Men who were not operative masons envied their social clubs and wanted to join. Thus began the formation of lodges consisting of speculative masons, or Freemasons, lodge members who were not actually part of the profession of stone cutting and setting.

According to Wikipedia:

Freemasonry is a fraternal organization that arose from obscure origins (theorized to be anywhere from the time of the building of King Solomon's Temple to the mid-1600s). Freemasonry now exists in various forms all over the world, and has millions of members. The various forms all share moral and metaphysical ideals, which include, in most cases, a constitutional declaration of belief in a Supreme Being....

Freemasonry uses the metaphors of operative stonemasons' tools and implements, against the allegorical backdrop of the building of King Solomon's Temple, to convey what is most generally defined as "a system of morality veiled in allegory and illustrated by symbols." [Link](#)

Freemasons were very influential in early America. Among the signers of the Declaration of Independence were nine confirmed Masons and a number of others whose membership is conjectural.

The confirmed masons were:

William Ellery (RI), Benjamin Franklin (PA), John Hancock (MA), Joseph Hewes (NC), William Hooper (NC), Robert Treat Paine (MA), Richard Stockton (NJ), George Walton (GA), William Whipple (NH). [Link](#)

Though many people believe that America was founded as a Christian country, available evidence strongly suggests that it was founded as a Masonic republic. The architecture of Washington, DC would support that contention.

The development of Freemasonry in Europe and elsewhere is closely related to the history of the Jews in Western Europe. The Jews were expelled from England in 1290 AD by Edward I. Many of them took refuge in Holland. The Jews were also expelled from Spain in 1492 by Queen Isabella. Many of those also went to Holland.

Those who went to Holland were eventually followed by many Marranos, Spanish Jews who had converted to Catholicism under duress:

In Amsterdam, the Marranos did not arrive until around 1590, some 11 years after the Union of Utrecht (1579) and the birth of the United Provinces of the Netherlands as a Protestant state. Here, too, they had to wait until 1615 before Jewish settlement was officially authorized, but the Marranos in Amsterdam differed from those in other Protestant countries in that they openly practiced Judaism almost from the moment of their arrival. Thanks to the Marranos, Amsterdam became one of the greatest Jewish centers in the world in the 17th century; ...Amsterdam even became known as "the Dutch Jerusalem." ([Link](#))

England endured a civil war in three stages between 1641 and 1652. The outcome was Oliver Cromwell as Lord Protector of an English republic. Under the guidance of Oliver Cromwell a relationship was attempted with Dutch Jews:

The commercial policy which led to the Navigation Act in October 1651, made Oliver Cromwell desirous of attracting the rich Jews of Amsterdam to London so that they might

transfer their important trade interests with the Spanish Main from Holland to England. The mission of Oliver St John to Amsterdam, though failing to establish a coalition between English and Dutch commercial interests as an alternative to the Navigation Act, had negotiated with Menasseh Ben Israel and the Amsterdam community. A pass was granted to Menasseh to enter England, but he was unable to use it because of the war between England and Holland, which lasted from 1652 to 1654. [Link](#)

The Jews of Holland (previously Spain) had a long history in Babylon/Persia. They had been expelled from Palestine in 586 BC and went into exile in Babylon. Most remained there even when after a few decades they were allowed to return to Palestine. The Jews in Babylon/Persia had their own community organization of which the leaders were descendants of king David.

Following the conquest of Judah by Babylon, and the exile of its population, the Babylonian Exilarchate was established. The highest official of Babylonian Jewry was the exilarch (Reish Galuta, "Head of the Captivity"). Those who held the position traced their ancestry to the House of David in the male line. The position holder was regarded as a **king-in-waiting**. [emphasis added] ([Link](#)). [The final exilarch fell from power in 1040 AD. ([Link](#))]

It was in Babylon that the Talmud, the written form of the oral tradition of the Jewish sages was written (there was also a Palestinian Talmud but it has much less authority within Judaism). Also in Babylon there developed a mysticism over many centuries derived from many sources (Jewish, Egyptian, Greek, Babylonian, etc) and which incorporates astrology, sacred geometry, and numerology ultimately distilled into written form in the [Cabbala](#). Jews left Babylon/Persia in significant numbers between the 11th and 14th centuries and migrated through North Africa, many of them eventually reaching Spain.

When the Jews arrived in Spain they brought with them not only their Talmudic and Cabbalistic beliefs but also the Davidic bloodline. In 1492 they were given a choice to either leave Spain or convert to Catholicism. Among the converts (Marranos) who stayed were some who began the Alumbrado sect to preserve and practice their beliefs secretly.

In 1492, the Alumbrado (The Enlightened) movement was founded by Spanish Marranos (baptised Jews who secretly kept their Talmudic faith) and a similar organisation was founded in France in 1623 – "Guerients" who changed their name to Illuminati in 1722. (Jüri Lina, *Under the Sign of the Scorpion*, 2002, p. 18)

The Spanish Inquisition was in large measure an attempt to suppress the Alumbrado sect. Many fled Spain and sought refuge in France, Holland, and Germany. When Jews re-entered England during Cromwell's rule as Lord Protector, at least some of them were almost certainly members of the Alumbrado sect. They began re-entering England around 1655. So, England had enjoyed freedom from Jews for 365 years - a year of years. During that time England enjoyed the Golden Age of the Renaissance during the Elizabethan Era.

Toward the middle of the seventeenth century a considerable number of Marrano

merchants settled in London and formed there a secret congregation, at the head of which was Antonio Fernandez Carvajal. They conducted a large business with the Levant, East and West Indies, Canary Islands, and Brazil, and above all with the Netherlands, Spain, and Portugal. They formed an important link in the network of trade spread especially throughout the Spanish and Portuguese world by the Marranos or secret Jews. [Link](#)

Within 60 years the first Masonic lodges were beginning to appear in Britain. Initially no Judaic influence was evident. However, within another 50 years the influence became clear.

Coat of Arms 1.

This coat of arms shows the various symbols of Freemasonry, the set square and compass in the middle and bottom, the hand holding the trowel at the top and the three towers understood to be the products of the craft. This is the coat of arms of the original form of speculative masonry (Freemasonry). It was the coat of arms of The London Company of Masons and was adopted as the coat of arms of the original Grand Lodge.

Coat of Arms 2.

The second coat of arms (previous page, [Link](#)) shows a much stronger Judaic influence. We still see the tools of the craft, the set square and compass at the bottom but no longer in the middle. Instead we see four creatures. There is a lion, an ox (or bull), a man, and an eagle. These are usually taken to represent the four creatures prominent in the book of Ezekiel of the Hebrew Bible. We also see the Ark of the Covenant at the top, an important symbol from the Hebrew Bible. The two creatures at the left and right are cherubim, half man and half calf but with wings instead of arms. We also see two smaller versions of the same guarding the Ark. In some versions of this coat of arms there is also Hebrew writing above the Ark and sometimes also at the bottom. The prominence of the four creatures of Ezekiel suggests that the book of Ezekiel had taken on paramount importance in this branch of Freemasonry. The main theme of that book is the restoration of the Davidic monarchy and the building of the third temple. It should be noted that **Ezekiel predicts a dynasty of kings (descendants of king David) who will preside over a (presumably) world-wide theocracy.**

Eventually the two branches of British Freemasonry merged and formed the United Grand Lodge which adopted the coat of arms similar to that shown below ([Link](#)). The lions around the edge of the crest were requested by King George V to represent the British royal family. The motto at the bottom means “listen, watch, and remain silent”.

Coat of Arms 3.

When Jews re-entered Britain following 1655 they married their daughters into British noble families. The offspring would then be Jews (having Jewish mothers) but have British names, customs, contacts and upbringing. They would be part of the British nobility. Membership in Masonic lodges contributed to their upward mobility.

The Role of Freemasonry in The Zionist New World Order

Masonic Square and Compass Symbol

The GOYIM [non-Jews] are a flock of sheep, and we [Jews] are their wolves. And you know what happens when the wolves get hold of the flock?There is another reason also why they will close their eyes: for we shall keep promising them to give back all the liberties we have taken away as soon as we have quelled the enemies of peace and tamed all partiesIt is not worth to say anything about how long a time they will be kept waiting for this return of their libertiesFor what purpose then have we invented this whole policy and insinuated it into the minds of the GOY without giving them any chance to examine its underlying meaning? For what, indeed, if not in order to obtain in a roundabout way what is for our scattered tribe unattainable by the direct road? **It is this which has served as the basis for our organization of SECRET MASONRY WHICH IS NOT KNOWN TO, AND AIMS WHICH ARE NOT EVEN SO MUCH AS SUSPECTED BY, THESE "GOY" CATTLE, ATTRACTED BY US INTO THE "SHOW" ARMY OF MASONIC LODGES IN ORDER TO THROW DUST IN THE EYES OF THEIR FELLOWS.**([The Protocols of Zion](#), 11:4-9)

GENTILE masonry blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people an unknown mystery. ([The Protocols of Zion](#), 4:2)

([The Protocols of Zion](#), 3:7)

In 1776, the same year that the US Declaration of Independence was signed, the Illuminati was being formed in Europe as a Jewish plan to infiltrate Masonic lodges and direct them down the path of Jew-Bolshevik revolution and social upheaval.

In 1743 a goldsmith named Amschel Moses Bauer opened a coin shop in Frankfurt, Germany. He hung above his door a sign depicting a Roman eagle on a red shield. The shop became known as the Red Shield firm. The German word for 'red shield' is Rothschild.

Amschel Bauer had a son, Mayer Amschel Bauer. At a very early age Mayer showed that he possessed immense intellectual ability, and his father spent much of his time teaching him everything he could about the money lending business and in the basic dynamics of finance. A few years after his father's death in 1755, Mayer went to work in Hannover as a clerk, in a bank, owned by the Oppenheims. While in the employ of the Oppenheims, he was introduced to a General von Estorff for whom he ran errands. Mayer's superior ability was quickly recognized and his advancement within the firm was swift. He was awarded a junior partnership. Von Estorff would later provide the yet-to-be formed House of Rothschild an entrée into to the palace of Prince William.

His success allowed him the means to return to Frankfurt and to purchase the business his father had established in 1743. The big Red Shield was still displayed over the door. Recognizing the true significance of the Red Shield (his father had adopted it as his emblem from the Red Flag which was the emblem of the revolutionary minded Jews in Eastern Europe), Mayer Amschel Bauer changed his name to Rothschild (red shield). It was at this point that the House of Rothschild came into being. [Link](#)

Mayer Rothschild realized that loaning money to governments was much more profitable than loaning it to individuals. The loans were bigger and the collateral was the country itself and the tax base of its citizens.

Mayer had five sons: Amschel, Salomon, Nathan, Karl and Jakob. Mayer devoted himself for the rest of his life to instructing his sons in the techniques of finance. As the sons grew older Mayer sent them to the major capitals of Europe to open branch offices of the Rothschild banking business with Amschel in Frankfurt, Salomon in Vienna, Nathan in London, Karl in Naples, and Jakob in Paris. Nathan established close ties between the House of Rothschild and the Bank of England.

In the year 1776, Adam Weishaupt began the Illuminati sect. He was a former Jesuit who had left the Catholic Church. In reality, he was a Jew and a descendant of Spanish Marranos (Jews who pretended to be Catholics). Weishaupt was supported in his endeavors by Mayer Amschel Bauer who changed his name to Red Shield (Rothschild).

It was Mayer Amschel Rothschild who convinced Weishaupt to wholly accept the Frankist Cabbalist doctrine and who afterwards financed the Illuminati. Rothschild had given Weishaupt the task of re- establishing the old Alumbrado [Illuminist] movement for the [Spanish] Cabbalist

Jews. [Rothschild and Weishaupt were particularly interested in drawing Spanish Jews, expelled from Spain in 1492, into their circle because they had knowledge of the Davidic bloodline throughout a sojourn in what had been Babylon lasting over twenty centuries from the 6th century BC to the 14th century AD. - ed.]

Jakob Frank (actually Leibowicz) was born in 1726, in Polish Galicia. He officially converted to Catholicism but this was just camouflage. Jakob Frank was jailed in 1760 for continuing to teach the Cabbala (Zohar) and for practicing secret Jewish rituals. In 1773, the Russians attacked the region of Poland where Frank was held prisoner. He was released and moved to Offenbach (near Frankfurt am Main) in Germany where he began to lead a luxurious and wild life. His deeds were evil, his personality nefarious. This information comes from Professor Gershom G. Scholem's books "Cabbala" (New York and Scarborough 1974), Sabbatai Zevi" (New Jersey, 1973) and "The Messianic Idea in Judaism"(New York, 1971).

Jakob Frank summed up his doctrine in his book "The Words of the Lord". He asserted that the creator God was not the same as the one who had revealed himself to the Israelites. He believed God was evil. Frank proclaimed himself as the true Messiah [in spite of his non-Davidic ancestry – ed.]. He vowed not to tell the truth, rejected every moral law, and declared that the only way to a new society was through the total destruction of the present civilization. Murder, rape, incest and the drinking of blood were perfectly acceptable actions and necessary rituals. (Jüri Lina, *Under the Sign of the Scorpion*, 2002, p. 19-20)

The Illuminati sect had as its goal the infiltration of Masonic lodges for the purpose of directing them along revolutionary paths but, most of all, along paths favored by Rothschild. **The ultimate goal was world conquest through the power of Jewish gold!**

Adam Weishaupt was born February 6, 1748 at Ingolstadt, Bavaria. Weishaupt, born a Jew, was educated by the Jesuits who converted him to Catholicism. He purportedly developed an intense hatred for the Jesuits. Although he became a Catholic priest, his faith had been shaken by the Jesuits and he became an atheist. Weishaupt was an ardent student of French philosopher Voltaire (1694-1778). Voltaire, a revolutionary who held liberal religious views, had written in a letter to King Frederick II, ("the Great"):

"Lastly, when the whole body of the Church should be sufficiently weakened and infidelity strong enough, the final blow (is) to be dealt by the sword of open, relentless persecution. A reign of terror (is) to be spread over the whole earth, and...continue while any Christian should be found obstinate enough to adhere to Christianity."

It is believed that, as a result of Voltaire's writings, Weishaupt formulated his ideas concerning the destruction of the Church. In 1775, when summoned by the House of Rothschild, he immediately defected and, at the behest of Mayer, began to organize the Illuminati. The 1st chapter of the order started in his home town of Ingolstadt. [Link](#)

In 1785, Mayer moved his entire family to a five story dwelling he shared with the Schiff family. In 1865 The Schiffs' not-yet-born grandson Jacob would move to New York and in 1917 become the mastermind behind the funding of the Bolshevik Revolution. This action would successfully instate communism as a major world movement, which was, (and still is), a basic tenet of the Illuminati and their collectivist agenda [...]. From this point on the Rothschilds and the Schiffs would play a central role in the rest of European financial history, and subsequently

that of the United States and the world. [Link](#)

The Illuminati founded by Rothschild and Weishaupt can be regarded as the secret masonry within Freemasonry referred to in the [The Protocols of Zion](#) 11:7. The Illuminati sect was banned in Bavaria in 1784. The House of Rothschild, however, continued to grow in wealth and power. The Illuminati eventually resurfaced under various disguises. One such was The Sons of the Covenant (B'nai B'rith) established in New York in 1843. Soviet archives (opened in the 1990s) have revealed that the B'nai B'rith was supreme over all Masonic lodges in Russia and was behind the Bolshevik Revolutions in 1905 (which failed) and in 1917 (which succeeded). The Soviet commissars, mostly Jews, were responsible for the torture and deaths of millions of White ethnic Russians and Ukrainians during the first few decades of the Soviet regime.

[T]he October 1917 Revolution (really a just a well-organized, well-carried out Jewish coup) was dominated by Jewish agitators (a documented fact) but so was the 1905 Revolution[...]. We also learn from the grand old man [Alexander Solzhenitsyn] the awe-inspiring extent of the Jewish domination of the Soviet Union during its first two decades of existence, including its ruthless and murderous internal security system: Tcheka, OGPU, NKGB, and NKVD. A Russian in the hands of the Tcheka, etc. was almost certain to be in the hands of Jewish torturers and executioners. The litany of Jewish crimes committed against the long-suffering Russians (and other Slavic peoples: Ukrainians and Belarussians) and coldly listed by the author is simply nauseating and one should approach both volumes on an empty stomach. (Review of Alexander Solzhenitsyn's *Two Hundred Years Together* by Friedrich Braun. [Link](#))

Trotsky (Jew), People's Commissar for Foreign Affairs,
People's Commissar of War, and Politburo member

A Masonic conference was held in 1910 in Copenhagen where the agenda was to discuss how to turn Europe into a communist state (Franz Weissin, *Der Weg zum Sozialismus / The Way to Socialism*, Munich, 1930, p. 9.). Lenin and Trotsky were both in attendance. Lenin was a Freemason of the 31st degree (Grand Inspecteur Inquisiteur Commandeur) and a member of the lodge Art et Travail in Switzerland and France. (Oleg Platonov, *Russia's Crown of Thorns: The Secret History of Freemasonry*, Moscow, 2000, part II, p. 417.) Leiba Bronstein (Trotsky) became a Freemason in 1897 and later a high-ranking Illuminatus through his friend Alexander Parvus. **Trotsky also maintained contacts with B'nai B'rith. Jacob Schiff, chairman of the**

banking house Kuhn, Loeb & Co. and a minion of the Rothschilds, took care of the contacts between the “revolutionary movement in Russia” and B’nai B’rith. (Gerald B. Winrod, *Adam Weishaupt - A Human Devil*, p. 47.) Trotsky became a member of B’Nai Brith in New York in 1917. (Yuri Begunov, *Secret Forces in the History of Russia*, St. Petersburg, 1995, pp. 138-139)

Trotsky reached the conclusion that the true purpose of freemasonry was to eliminate the national states and their cultures and to introduce a Judaised world state. This is also stated in “The Secret Initiation into the 33rd Degree”: “Freemasonry is nothing more and nothing less than revolution in action; continuous conspiracy.” Bronstein [Trotsky] became a convinced internationalist who [...] learned that the Jewish people were their own collective Messiah and would reach dominion over all peoples through the mixing of the other races and elimination of national boundaries. An international republic was to be created, where the Jews would be the ruling element, since no others would be able to understand and control the masses. (Jüri Lina, *Under the Sign of the Scorpion*, 2002, p. 133)

It has been claimed that Lenin was the brain of the revolution and Trotsky the soul. What a monstrous soul! He wrought immense havoc on Russia in order to subdue its inhabitants. While the Trotskyists claimed that their teacher never wove any intrigues, we can by the aid of documents and his own quotes confirm that Trotsky was a particularly nasty Sadist who destroyed everything of value and finally became a simple idiot, a cunning demagogue and an unfortunate criminal who died horribly.

Trotsky was without doubt the cruellest and most dangerous “revolutionary” in the world, who ordered literally millions of Russians to be shot. He took children as hostages and, if necessary, ordered them murdered. It was Trotsky who released criminals from the prisons and thereby also terrorised the people. Trotsky was a hard, cold devil, as the Swedish historian Peter Englund (once an active Trotskyist) characterised him. (*Expressen*, 21st of August 1990.) He had so much satanic evil in him that everything we learned about the inquisition of the Middle Ages pales in comparison. The brutal Trotsky successfully developed the violent traditions of the Jacobins. (Jüri Lina, *Under the Sign of the Scorpion*, 2002, p. 175)

The B’nai Brith was directly responsible for the overthrow of Czar Nicholas II and the subsequent decades of mass murder (the “second phase”) which followed:

In the archives of the State Department there is a document, No.861.00/5339, which reveals how Jacob Schiff, who was a very influential person within the Masonic organisation B’nai B’rith, and his companions Felix Warburg, Otto Kahn, Mortimer Schiff, Isaac Seligman and others had made plans as early as 1916 to overthrow the Russian Tsar. In April 1917 Jacob Schiff himself officially confirmed that it was through his financial aid to the revolutionaries that the Tsar had been forced to abdicate, whereupon a Masonic government came into power (Gary Allen, *None Dare Call it Conspiracy*, 1971). At the same time, Alexander Kerensky received one million dollars

from Jacob Schiff. (*Encyclopedia of Jewish Knowledge*, article “Schiff, New York, 1938.) In the spring of 1917, Jacob Schiff began to finance Leon Trotsky to implement “the second phase of the revolution”, according to Dr Antony C. Sutton. Colonel Edward M. House, a powerful Illuminatus in America, saw to it that President Woodrow Wilson quickly had an American passport issued for Trotsky, so that he could go back to Russia and continue the “revolution”.

In New York, on the 27th of March 1917, the 37-year-old Trotsky, with his family and 275 international terrorists and adventurers embarked on the ship Kristianiajord bound for Europe to complete the “revolution” in Russia. Various criminals, Jewish-American communists and brokers from Wall Street also accompanied them. (Jüri Lina, *Under the Sign of the Scorpion*, 2002, p. 148)

The B’nai Brith made sure the Jewish ‘revolutionaries’ were well trained for the work of mass murder that lay ahead of them:

Parvus and Trotsky were given plenty of aid from the United States, where the Jewish millionaire Jacob Schiff even in 1890 organised and financed training for Jewish “revolutionaries” from Russia. It was B’nai B’rith (Sons of the Covenant), the Jewish Masonic organisation, that planned the instruction for those training courses. The same order also played an active role in the so-called revolution in 1905. (*The Ugly Truth About the ADL*, Washington, 1992, p. 27.)

Writing in 1924 about the Jewish rulers of Communist Russia, Adolf Hitler stated in *Mein Kampf*:

It must never be forgotten that the present rulers of Russia are blood-stained criminals, that here we have the dregs of humanity which, favoured by the circumstances of a tragic moment, overran a great State, degraded and extirpated [*abwürgte und ausrottete*; i.e. slaughtered and wiped out] millions of educated people out of sheer blood-lust, and that now for nearly ten years they have ruled with such a savage tyranny as was never known before. It must not be forgotten that these rulers belong to a people in whom the most bestial cruelty is allied with a capacity for artful mendacity and believes itself to-day more than ever called to impose its sanguinary despotism on the rest of the world. It must not be forgotten that the international Jew, who is to-day the absolute master of Russia, [...looks upon Germany...] as a State condemned to the same doom as Russia.
-- Adolf Hitler, *Mein Kampf*, Vol. 2, Ch. 14 (Murphey translation)

The B'nai B'rith was also behind the Young Turk Revolution in Turkey which led to the Armenian genocide during [WWI](#).

[Emmanuel Carasso](#), lawyer and Jewish Italian B'nai B'rith official, was a founder of the 'Young Turks'

One of the founders of the Young Turks (Committee for Union and Progress) was a Jewish Italian B'nai B'rith official named Emmanuel Carasso who set up the Young Turk secret society in the 1890s in Salonika (now in Greece but then a city in the Ottoman Empire). Most of the Young "Turks" were in fact Jews and this was a well known fact. The Jews used Freemasonry as a tool.

In conformity with the Jewish plans revealed in *The Protocols of the Learned Elders of Zion* in 1905, Jewish leaders met in Masonic lodges in Salonika, Italy, Paris and Vienna, and plotted a coup d'état against the Sultan of Turkey Abdul Hamid II. Jews and crypto-Jewish Dönme of the Committee for Union and Progress took control of the Turkish Empire in 1909. They had several goals. Their primary objective was to establish a segregated "Jewish State" in Palestine. They also sought to instigate World War I, to slaughter entire Christian populations, and to destroy the Turkish Empire and supplant Islamic religion and culture with a soulless and cultureless society [communism] engineered by Jewish positivists in Vienna, Paris, Italy and Salonika . ([Link](#), p. 4)

The so-called "Young Turk Revolution" was actually a Jewish takeover, not a revolution, and was similar to the "Bolshevik Revolution" that would later take place in Russia in 1917, and involved some of the same key Jewish players.

Both so-called "revolutions" were planned, funded and carried out by Jews and crypto-Jews*. Both Jewish takeovers fulfilled ancient Jewish prophecies, which call upon Jews to discredit and destroy Gentile government, religion and culture; to kill off the Gentile intelligentsia; and to establish a segregated Jewish State from Egypt to Iraq [Greater Israel], from which the Jews are to rule the World with a World Government led by a Jewish King in Jerusalem (Genesis 15:18-21; 17:8. Exodus 34:11, 24. Deuteronomy 1:7-8; 6:10-11; 11:24-28. Joshua 1:3-4).

([Link](#), p. 58)

*Jews often engage in a form of biological mimicry. In order to infiltrate a host population and conceal their identities while remaining Jews, they have their daughters marry male members of the host population. The offspring are Jews since the mother is a Jew (a Jew is someone with a Jewish mother). However, the offspring have the name, manners, appearance, and sometimes the religion of the father thus enabling them to advance as Jews within the host population while remaining less obvious as Jews. Sometimes Jews convert to the religion of the majority out of convenience or necessity. Such was the case with the Marranos of Spain and the Dönme within the Ottoman Empire.

The 'Illuminati' evolved over the course of centuries (from 586 BC onwards) within the Jewish community in Babylon/Persia. It was brewed in the vat of [Talmudic](#) and [Cabbalistic](#) beliefs. Its leader was the head of Jewry in Babylon/Peria, was known as the [Exilarch](#), and was at all times over the centuries the patriarch of the House of David, being in direct descent along the male line from King David through his son Solomon. The Exilarchate had already established a 'branch office' in southern France by 759 AD with [Makhir of Narbonne](#) as “prince” and client of Charlemagne. A document from 1161 AD states:

Then King Charles sent to the King of Baghdad [Caliph] requesting that he dispatch one of his Jews of the seed of royalty of the House of David. He hearkened and sent him one from there, a magnate and sage, Rabbi Makhir by name. ([Link](#))

“The Makhir family enjoyed for centuries many privileges and that its members bore the title of '[nasi](#)' (prince).” ([Link](#))

When Jews migrated out of Babylon/Persia between the 10th and 14th centuries many found their way to Spain via North Africa. In Spain they were able to live openly as Jews until 1492 when an edict of expulsion was issued. Any Jews wishing to remain were required to convert to Catholicism. They became known as Marranos. Among the Marranos a sect was formed, the Alumbrados (illuminated ones), to maintain their Jewish traditions secretly. The Spanish Inquisition was established in large part to suppress the Alumbrado sect. Many fled Spain and found their way to France, Holland, Germany, and eventually England.

In 1776 Mayer Amschel Bauer (Rothschild) and Adam Weishaupt set about to reorganize and revitalize the Alumbrado sect, giving it the equivalent Latin name, the Illuminati. During the early part of the century the Alumbrado had been actively involved in the development of Freemasonry, giving it its decidedly Jewish character and ritual. That made it very easy for the revitalized Alumbrado/Illuminati established by Rothschild and Weishaupt to infiltrate Freemasonic lodges and become the 'secret masonry within freemasonry'. There is little doubt that the Alumbrado had in their possession complete genealogies of the Davidic line of succession and that it became a matter of priority to the Illuminati to collect and preserve that material, investigating it 'to the last stratum'.

The Illuminati was banned in Bavaria in 1784 but managed to survive by going underground and taking refuge in Masonic lodges where they were already fully established. In France they morphed into the Jacobins who planned and carried out the French revolution. By the mid 19th century, the Illuminati had re-established itself under the guise of Communist, Zionist, and Anarchist groups as well as front organizations such as the B'nai Brith. At all times the Illuminist organizations and front groups have been under the financial patronage of the Rothschild Syndicate.

At present the Illuminati is still the 'secret Masonry within Freemasonry' but also operates through numerous foundations, think tanks, institutes, and planning groups that establish government policies throughout the Western world - all under the guidance and control of the Jewish financial oligarchy centered in London, England - the Rothschild Syndicate.

Zionist Control of America

What we have to get at is that there should be in all the States of the world, besides ourselves [the Jews], only the masses of the proletariat, a few [b]illionaires devoted to our interests, police and soldiers. ([The Protocols of Zion](#), 7:1)

The real menace of our republic is this invisible government which like a giant octopus sprawls its slimy length over City, State, and nation... It seizes in its long and powerful tentacles our executive officers, our legislative bodies, our schools, our courts, our newspapers, and every agency created for the public protection...(from a speech in 1922 by John Francis Hylan, mayor of New York City. [Link](#))

In the years leading up to WWII, Jewish power in America was an intensely controversial subject. Prominent Americans were vocal critics of what was variously called the 'money power', the 'money trust', and other such euphemisms. Some, such as Henry Ford, challenged the Jew power directly. They all recognized not only the threat posed by Jew control of the financial system but Jew control of the culture and the nation's politics.

The election of JFK (John F. Kennedy) in 1960 brought into The White House a man whose father had been an open critic of Jewish power in America, Joseph P Kennedy.

Joe Kennedy

Joseph Patrick “Joe” Kennedy, Sr. (September 6, 1888 – November 18, 1969), was a prominent United States businessman and political figure, the father of President John F. Kennedy and Senators Robert F. Kennedy and Ted Kennedy. He was a leading member of the Democratic Party and of the Irish Catholic community. He served briefly as the US Ambassador to England at the start of World War II. When Fortune magazine published its first list of the richest people in the United States in 1957 it placed him in the \$200-400 million band, meaning that it estimated him to be between the ninth and sixteenth richest person in the United States at that time. [Wikipedia article](#)

Joe Kennedy’s WWII background

Joe Kennedy was an admirer of Adolf Hitler and National-Socialism and, furthermore, he was ‘anti-Semitic’ possibly due to his conflicts with Jews, notably Meyer Lansky, during the bootlegging prohibition days.

On June 13, 1938, Kennedy met with Herbert von Dirksen, the German ambassador in London, who claimed in Berlin that Kennedy had told him that “it was not so much the fact that we want to get rid of the Jews that was so harmful to us, but rather the loud clamor with which we accompanied this purpose. [Kennedy] himself fully understood our Jewish policy.” Kennedy’s main concern with such violent acts against German Jews as Kristallnacht was that they

generated bad publicity in the West for the Nazi regime, a concern he communicated in a letter to Charles Lindbergh. ([Link](#))

Joe Kennedy had extensive correspondence with Lady Astor, wife of Waldorf Astor. As Edward Renehan notes:

As fiercely anti-Communist as they were anti-Semitic, Kennedy and Astor looked upon Adolf Hitler as a welcome solution to both of these “world problems” (Nancy’s phrase)... Kennedy replied that he expected the “Jew media” in the United States to become a problem, that “Jewish pundits in New York and Los Angeles” were already making noises contrived to “set a match to the fuse of the world.” (Kennedy and the Jews, Renehan quoted in [Link](#))

After serving as US ambassador to Britain, Joe Kennedy returned to the US to oppose FDR’s (Franklin D. Roosevelt’s) plans to get America into the war. After returning to the US, Joe Kennedy had a meeting at the White House with FDR and backed off. What occurred in that meeting has been a subject of speculation ever since. (*Final Judgment*, p.26, Michael Collins Piper)

Joe Kennedy’s Meeting with DeWest Hooker

DeWest Hooker was one of three people to whom George Lincoln Rockwell’s book [*This Time the World*](#) is dedicated. Rockwell states that Hooker was the “nearest thing to a Nazi since the Bund” (p.97)

In 1956 Joe Kennedy and DeWest Hooker had a meeting in Palm Beach, Florida. At that meeting Hooker presented Kennedy with the idea of starting up a television network that would be beyond the control of Jews. He needed Kennedy’s financial support. According to Hooker,

Joe admitted that when he was ambassador to England that he had been pro-Hitler. However, in Kennedy’s words, ‘we’ lost the war. By ‘we’ he didn’t mean the United States. When Kennedy said ‘we’ he meant the non-Jews. Joe Kennedy believed it was the Jews who had won World War II.

I’ve done everything I can to fight the Jewish power over this country. I tried to stop World War II but I failed. I’ve made all the money I need and now **I’m passing everything I’ve learned on to my sons** [emphasis added]. I don’t go with the ‘loser’. I’ve joined the ‘winners’. I’m going to work with the Jews. I’m teaching my boys the whole score and they’re going to work with the Jews. I’m going to make Jack [JFK’s nickname] the first Irish Catholic president of the United States and if it means working with the Jews, so be it. I’m in sympathy with what you are doing Hooker but I’m not going to do anything that will ruin Jack’s chances of becoming president. (Interview with DeWest Hooker on January 20, 1992, quoted in *Final Judgment* pp. 29-30 by Michael Collins Piper)

Joe Kennedy chose to invest his money in the political careers of his sons. Was he preparing a stealth campaign to mitigate the effects of the Jewish victory in WWII? How are we to interpret his words, “I’m passing everything I’ve learned on to my sons” and “I’m teaching my boys the whole score and they’re going to work with the Jews” and “I’m in sympathy with what you are doing, Hooker”? Had Joe Kennedy changed his political stripes or only his tactics?

Was John F Kennedy sympathetic to National-Socialism?

John Fitzgerald Kennedy

In his inaugural speech JFK proclaimed those now famous words: “My fellow Americans, ask not what your country can do for you, ask what you can do for your country!” In a racially homogeneous country (which America was not) such a declaration could conceivably summarize succinctly the distilled essence of National-Socialism. Recall that America in 1960 was around 90% White and that Blacks, though citizens, for the most part did not vote and in many places did not have the right to vote.

Those who have seen the movie *JFK* ought to be familiar with the contention that JFK was a liberal and “soft on communism”. That was the line promoted by the movie: that he was killed by a group of right-wing extremists because he was “soft on communism” and wanted to weaken the power of the military-industrial complex and who (i.e. the “right-wing extremists”) set up Lee Harvey Oswald to take the fall and have communists blamed for killing a popular president. However, many people are not aware that the movie was produced (i.e. financed) by Arnon Milchan who has strong connections to Zionist interests. [Link](#)

JFK's three projects that led him into conflict with the Jews

- He wanted to weaken, if not outrightly destroy, the power of organized crime
- He wanted to reduce the power of, and perhaps eliminate, the Federal Reserve
- He wanted to prevent Israel from acquiring nuclear weapons

JFK opposes organized crime

Meyer Lansky (Jew), Chairman of the Board of organized crime in 1963

Most people are not aware that organized crime has been mostly Jewish at the top from its beginning. The news and entertainment media presents the 'Mafia' as being Italian and mostly Sicilian. That may be true to a degree but the Syndicate (sometimes called the Commission) was originated by Jews and has been Jewish from the beginning. The Commission started under the direction of Meyer Lansky (Jew) using 'Lucky' Luciano as the go-between between The Syndicate and the various Italian crime families. However, the real beginning of organized crime in America occurred with Arnold Rothstein (Jew) who 'allegedly' fixed the 1919 World Series of Baseball.

[Arnold Rothstein] stands as the spiritual father of American organized crime.

He was known by many nicknames - Mr. Big, the Big Bankroll, the Brain, the Man Uptown, the Fixer. All were accolades to his importance in the world of crime, to his connections with the underworld and the underworld of police, judges and politicians. Although he operated strictly in the background, Rothstein may well have been the most important criminal of his era. At various times he financed the criminal activities - in fact, usually masterminded them - of the likes of Waxey Gordon [Jew], Dutch Schultz [Jew] and Legs Diamond. He was the early tutor of Lucky Luciano, Meyer Lansky [Jew], Frank Costello and Johnny Torrio.

Rothstein became known to all as the man who had influence everywhere and could fix anything. He could clear virtually any illegitimate activity through his political and police contacts. During Prohibition, a later study showed, Rothstein intervened in literally thousands of bootlegging cases that went to court. Of a total of 6,902 liquor-related Rothstein-era cases, 400 never even came to trial while another 6,074 ended in dismissal. ([Link](#))

Lansky, who eventually took complete control of the Crime Syndicate in America, was Rothstein's protege. In 1963, Meyer Lansky (Jew) was the Chairman of the Board of organized crime. He and Lucky Luciano set up the organized crime "Commission" of which Lansky became the sole controller after Luciano's death in January, 1962. Meyer Lansky based his operation in Havana Cuba and was kicked out by Castro when the latter came to power. Lansky moved his base to the Bahamas but wanted back into Cuba. He was very "dissatisfied" with Kennedy when he failed to provide air support for the Bay of Pigs invasion. The Bronfmans (Canadian Jews) were involved with the Lansky crime syndicate importing illegal liquor into the US from Canada during prohibition and afterwards switched to importing narcotics. They had an arrangement whereby they shipped opium from Vietnam to France where it was refined into heroin for import into the US. As a result of that business arrangement Lansky developed contacts in the French underworld, including French intelligence. Lansky and Bronfman were, of course, bothered by the fact that Kennedy wanted to pull out of Vietnam which would mean the loss of their source of opium.

Lansky and Bronfman were both avid Zionists. Bronfman went on to become the head of the Canadian Jewish Congress and one of Lansky's subordinates, Mickey Cohen (Jew), was running guns to Israel while he was managing Lansky's operation in Los Angeles. Bronfman and Lansky had both developed an animosity toward Joe Kennedy (JFK's father) because of a turf dispute during prohibition.

Robert F Kennedy, the brother of the president, was attorney general and launched an all-out war against organized crime during his time as attorney general.

Robert F. Kennedy was the first attorney general of the United States to make a serious attack on the Mafia and organized crime. Many hold he was also the last one. As Harry J. Anslinger, former U.S. Commissioner of Narcotics, put it:

"Many former attorney generals . . . would let loose a blast against the underworld and then settle back in their chairs and let it go at that. They seemed to think they had performed their duty merely by calling attention to the problem. Not so with Bob. He followed through. He knew the identity of all the big racketeers in any given district, and in private conference with enforcement officials throughout the country he would go down the line, name by name, and ask what progress had been made." ([Link](#))

The Bay of Pigs Invasion

The 1961 Bay of Pigs Invasion was an unsuccessful attempted invasion by armed Cuban exiles in southwest Cuba, planned and funded by the United States, in an attempt to overthrow the government of Fidel Castro. This action accelerated a rapid deterioration in Cuban-American relations, which was further worsened by the Cuban Missile Crisis the following year. ([Link](#))

The invasion turned into a fiasco:

Through their secret intelligence, as well as loose talk in Miami, the Cuban security apparatus knew the invasion was coming. More than 100,000 Cubans suspected to be security threats or “politically unreliable” were rounded up and arrested throughout the island by the political police in anticipation of the invasion.

President Kennedy wanted the operation to look as if the Cuban exiles could have planned it, so that his administration could claim “plausible deniability” and avoid responsibility for the invasion as a U.S. operation.

President Kennedy, despite the CIA’s objections, moved the landing site to the Bay of Pigs area. CIA Chief of Operations, Richard Bissell, had chosen [the old colonial city of Trinidad] wisely [...], but the President, upholding plausible deniability, insisted it be moved. The cancellation of the air strikes, the change of the landing site, and ultimately, the lack of U.S. air cover and support during the invasion, sealed the fate of the mission and the lives of many of the men of the invasion force. ([Link](#))

The failure of the Bay of Pigs invasion and Kennedy’s half-hearted support of it left several groups “disappointed” with Kennedy on the matter. These groups were the CIA, the Cuban exiles, and organized crime. The CIA was annoyed because all their planning had been misdirected by Kennedy for the above stated reason of ‘plausible deniability’. The Cuban exiles, who desperately wanted to return home, were annoyed for obvious reasons. And, organized crime under Meyer Lansky wanted to recover the Cuba that had been so lucrative for them.

JFK opposes(?) The Federal Reserve

When JFK assumed the presidency he was asked how he would approach his new job. He answered that he “would enforce the constitution”. Under the US Constitution, it is the Congress of the United States which has the power to issue currency: “The Congress shall have Power [...] To coin Money, [and] regulate the Value thereof,[...]” [Article I, Section 8, Clause 5](#)

On June 4, 1963, less than 6 months before he was assassinated, JFK issued Executive Order No. 11110 which stated in part:

The authority vested in the President by paragraph (b) of section 43 of the Act of May

12,1933, as amended (31 U.S.C.821(b)), **to issue silver certificates against any silver bullion, silver, or standard silver dollars in the Treasury not then held for redemption of any outstanding silver certificates, to prescribe the denomination of such silver certificates, and to coin standard silver dollars and subsidiary silver currency for their redemption ...[emphasis added]**

This executive order authorized the creation of 'Silver Certificates' backed up by silver and redeemable for silver dollars, as opposed to 'Federal Reserve Notes' not redeemable for anything except other Federal Reserve notes.

The top is a silver certificate issued in 1957 (before Kennedy) and states 'one silver dollar payable to the bearer on demand'. The lower is a federal reserve note which only states that it is 'legal tender for all debts public and private'.

JFK did not live long enough to write his memoirs so we can only speculate about his motives. However, Executive Order No. 11110 must be seen as at least a dent in the power of The Federal Reserve and at most an indicator of things to come had he lived and had a second term in office..

The Federal Reserve

The Federal Reserve is a strange creature being neither an agency of the US federal government nor a totally private entity. It is rather a hybrid of public and private, being a banking cartel with the government as a partner in the cartel.

It came into existence amid public outcry about the power of the 'money trust', that group of powerful banks mostly centered in New York. Through clever manipulation of public opinion the

‘money trust’ was able to convey the impression that they were strongly opposed to the creation of the Federal Reserve and by that means were able to get the public behind its creation. In reality, it was the ‘money trust’ that had conjured the Federal Reserve into existence in the first place. [Link](#)

FOREIGN BANKERS (MOSTLY JEWS) OWN MAJORITY OF FEDERAL RESERVE

The ‘money trust’ as it was known at the time, was but an arm of the Rothschild banking family centered in London.

[T]he most powerful men in the United States [who created the Federal Reserve] were themselves answerable to another power, a foreign power, and a power which had been steadfastly seeking to extend its control over the young republic of the United States since its very inception. This power was the financial power of England, centered in the London Branch of the House of Rothschild. The fact was that in 1910, the United States was for all practical purposes being ruled from England, and so it is today [1952]. The ten largest bank holding companies in the United States are firmly in the hands of certain banking houses, all of which have branches in London. They are J.P. Morgan Company, Brown Brothers Harriman, Warburg, Kuhn Loeb and J. Henry Schroder. All of them maintain close relationships with the House of Rothschild, principally through the Rothschild control of international money markets through its manipulation of the price of gold. Each day, the world price of gold is set in the London office of N.M. Rothschild and Company. (Eustace Mullins, [SECRETS of the Federal Reserve](#), 1952, p. 83)

Thomas Jefferson issued this warning to the American nation:

If the American people ever allow private banks to control the issuance of their currency, first by inflation and then by deflation, the banks and corporations that will grow up around them will deprive the people of all their property until their children will wake up homeless on the continent their fathers conquered. JFK opposes Israeli plans to develop a nuclear weapon

David Ben-Gurion, first Prime Minister of Israel

Jim Garrison, during his investigation of the JFK murder, discovered that the assassination had been planned at Permindex, a Mossad front in Italy. Louis Bloomfield (Jew) was chairman of Permindex and a Bronfman (Canadian Jew) subordinate.

Israel was attempting to develop a nuclear weapon which Kennedy strongly opposed. The conflict between Kennedy and Ben-Gurion was so intense that Ben-Gurion resigned as Prime Minister of Israel declaring that Kennedy's obstruction was putting at risk Israel's very existence.

Meyer Lansky, ardent Zionist and Chairman of the Board of organized crime in 1963, had his own grievances against Kennedy. However, it is unlikely that Lansky would ever have ordered a hit against Kennedy on his own initiative. But with the political, legal, and media cover provided by pro-Zionist factions in the US and elsewhere as well as technical assistance from the Mossad it became more plausible. During WWII, Lansky had been instrumental in recruiting mobsters into US intelligence. Those ties were further strengthened after Castro took control of Cuba. There was also an Israel-first faction within the CIA even in the early 1960s. That faction has, unfortunately, grown to become what appears to be the dominant faction today.

Once the order had been given all the various pro-Zionist factions went into action. The details can be found in *Final Judgment* by Michael Collins Piper (American Free Press, Washington, DC, 2005). The shooters were likely members of the French-Corsican mob with whom Lansky had developed ties because of the heroin traffic. But who ultimately gave the order?

Prime Minister David Ben-Gurion ruled Israel from its inception in 1948 until he resigned on June 16, 1963. In the months leading up to his resignation, he was in a war of words and war of conflicting policy over Israel's desire to have its own nuclear arsenal.

In the days leading up to Ben-Gurion's resignation from office, he and JFK had been involved in an unpublicized, contentious debate over the possibility of Israel getting nuclear capabilities. Their disagreement eventually escalated into a full-fledged war of words that was virtually ignored in the press. Ethan Bronner wrote about this secret battle between JFK and Ben-Gurion years later in a New York Times article on October 31, 1998, calling it a "fiercely hidden subject." In fact, the Kennedy/Ben-Gurion conversations are still classified by the United States Government. Maybe this is the case because Ben-Gurion's rage and frustration became so intense - and his power so great within Israel - that Piper [in *Final Judgment*] contends it was at the center of the conspiracy to kill John Kennedy. [Link](#)

Avener Cohen, in *Israel and the Bomb*, stresses,

No American president was more concerned with the danger of nuclear proliferation than John Fitzgerald Kennedy. He was convinced that the spread of nuclear weapons would make the world more dangerous and undermine U.S. interests. [...] The only example Kennedy used to make this point was Israel. [Link](#)

Ben-Gurion had an intense hatred for Joe Kennedy, JFK's father, because of the older Kennedy's 'anti-Semitism' and support for Hitler in WWII. (Final Judgment, p. 49) That hatred may have made it a lot easier to hate JFK and transfer an intense policy dispute into an intense personal hatred.

The Assassination of John F Kennedy

JFK motorcade photo, Dallas Nov. 22, 1963

To some, it might seem preposterous that the government of Israel would ever order the assassination of an American president. However, an American Jewish publication wrote:

Israel need not apologize for the assassination or destruction of those who seek to destroy it. The first order of business for any country is the protection of its people. (Washington Jewish Week, October 9, 1997 [Link](#))

According to Piper in *Final Judgment*:

By 1963, John F. Kennedy was not only at war with Israel and the Meyer Lansky Organized Crime Syndicate, but he was also at war with their close ally in the international intelligence underworld — the CIA [largely because of the Pay of Pigs fiasco]. That was a deadly combination[!]

The CIA and Israel had forged a close-working strategic alliance in the previous decade. Their joint enterprises around the globe tied the CIA and Israel together inextricably. Israel's interests — and the CIA's interests — were often one and the same, perhaps too often. Likewise with the Meyer Lansky Crime network. (*Final Judgment*, p. 95)

But who ultimately gave the order? It had to have been the top Jew in the world. Neither Bronfman nor Lansky would have undertaken such an operation without his order or at least his approval. Nor would any Prime Minister of Israel give such an order without his approval. That man was Nahum Goldmann. At the time of JFK's assassination he was head of both The World Jewish Congress and The World Zionist Organization.

Nahum Goldmann, head of both The World Jewish Congress and The World Zionist Organization in 1963

The assassination of John F Kennedy was a hostile takeover of the US government with the intent that America's foreign policy be aligned with the interests of Global Zionism and the state of Israel !!

The Warren Commission set up by Lyndon Johnson, Kennedy's successor, put the blame on Lee Harvey Oswald for Kennedy's assassination. However, as the evidence shows, he could not have fired the fatal head shot that killed JFK.

The exact role played by Oswald may never be known. Was he part of an assassination team or was he part of a team attempting to simulate an assassination (to whip up support for another invasion of Cuba?) Did the real assassins hijack the simulation and turn it into a real assassination leaving Oswald as the patsy? **A patsy is exactly what he claimed himself to be** in what was likely his last public utterance.

The House of Rockefeller

David Rockefeller

What we have to get at is that there should be in all the States of the world, besides ourselves [the Jews], only the masses of the proletariat, a few [b]illionaires devoted to our interests, police and soldiers. ([The Protocols of Zion](#), 7:1)

Some even believe we are part of a secret cabal working against the best interests of the United States, characterizing my family and me as 'internationalists' and of conspiring with others around the world to build a more integrated global political and economic structure-one world, if you will. If that's the charge, I stand guilty, and I am proud of it.
--David Rockefeller (Founder of the Trilateral Commission), *Memoirs*, 2002

The real menace of our republic is this invisible government which like a giant octopus sprawls its slimy length over City, State, and nation... It seizes in its long and powerful tentacles our executive officers, our legislative bodies, our schools, our courts, our newspapers, and every agency created for the public protection..."

To depart from mere generalizations, let me say that at the head of this octopus are the Rockefeller-Standard Oil interest and a small group of powerful banking houses generally referred to as the international bankers. The little coterie of powerful international bankers virtually run the United States government for their own selfish purposes. (from a speech in 1922 by John Francis Hylan, mayor of New York City. [Link](#))

From the time that the United States of America achieved independence in 1776, Great Britain has been involved in an effort, first by open warfare, and then by stealth to reduce the young Republic back to colonial status. The open warfare tactic resulted in the War of 1812-1814 which

achieved a stalemate but was nevertheless a victory for the Republic in that it preserved its independent status. From that time onward the strategy has been by stealth, through the financial system.

Zionist Occupation Government (ZOG)

By 1885 the House of Rothschild had reached a point of world control,

and its London policy group, the Royal Institute of International Affairs, as the policy makers for what has essentially been since 1900, re-established colonial government in the United States. The colonial, or occupation, government, functions primarily through the Council on Foreign Relations, but only as the subsidiary of RIIA and through the Rockefeller Foundation which controls government functions, the educational establishments, the media, the religions and the state legislatures.

In exposing 'the Rockefellers' as **agents of a foreign power** [emphasis added], which is not merely a foreign power, but a genuine world government, we must realize that this is not merely a group dedicated to making money, but a group which is committed to maintaining the power of a colonial form of government over the American people. Thus the ancient calumny of John D. Rockefeller as a man obsessed by greed [...] obscures the fact that from the day the Rothschilds began to finance his march towards a total oil monopoly in the United States from their coffers at the National City Bank of Cleveland, Rockefeller was never an independent power, nor does any department of the Rockefeller Syndicate operate as an independent power. (*Murder by Injection*, by Eustace Mullins, ch 10, quoted at [Link](#))

The Council on Foreign Relations

According to Wikipedia:

The Council on Foreign Relations (CFR) is an influential and independent, nonpartisan foreign policy membership organization founded in 1921 [...]. Through its membership, meetings, and studies, it has been called the most powerful agent of United States foreign policy outside the State Department. [It] comes close to being an organ of [...] the Power Elite – a group of men, similar in interest and outlook, shaping events from invulnerable positions behind the scenes.[...]Over time [...] the locus of power shifted inexorably to the Rockefeller family. [Link](#)

According to one commentator on the CFR:

If one group is effectively in control of national governments and multinational corporations; promotes world government through control of media, foundation grants, and education; and controls and guides the issues of the day; then they control most options available. The Council on Foreign Relations (CFR), and the financial powers

behind it, have done all these things, and promote the "New World Order", as they have for over seventy years.

The CFR is the promotional arm of the Ruling Elite in the United States of America. Most influential politicians, academics and media personalities are members, and it uses its influence to infiltrate the New World Order into American life. Its' "experts" write scholarly pieces to be used in decision making, the academics expound on the wisdom of a united world, and the media members disseminate the message. [Link](#)

David Rockefeller and the Bilderberg Group

According to Wikipedia:

A lifelong globalist, due to the strong influence of his father, [David Rockefeller] had at an early age further spread his connections when he was invited to attend the inaugural elitist Bilderberg Group meetings, starting with the Holland gathering in 1954. He has been a consistent attendee through the decades and has been a member of the "steering committee", which determines the invitation list for the upcoming annual meetings. These have frequently included prominent national figures who have gone on to be elected as political leaders of their respective countries including Bill Clinton who first attended in 1991. The Nixon White House

Richard Milhous Nixon

According to Wikipedia:

Richard Milhous Nixon (January 9, 1913 – April 22, 1994) was the thirty-seventh President of the United States, and was the only U.S. President to resign the office. Elected twice to the presidency, he served from 1969 to 1974. He was also the thirty-sixth Vice President of the United States, serving in the administration of Dwight D. Eisenhower (1953–1961). During the Second World War, he served as a Navy lieutenant commander in the Pacific, before being elected to the Congress, and later serving as Vice President. After an unsuccessful presidential run in 1960, Nixon was elected in 1968.

[Link](#)

One day in the 1940s, Richard Nixon answered an ad in a California paper, an ad looking for someone to run for the US Congress. This ad was placed by Prescott Bush, father of president George H. W. Bush (41) and grandfather of president George W. Bush (43). [Link](#). There are those who assert that Prescott Bush had been a supporter of Hitler. If so, it was one of the few things he did right though likely for the wrong reasons.

Nevertheless, according to Wikipedia:

In 1931, [Prescott] Bush became a founding partner of Brown Brothers Harriman & Co. that was created through the 1931 merger of Brown Brothers & Co., a merchant bank founded in Philadelphia, Pennsylvania in 1818 with Harriman Brothers & Co., established in New York City in 1927, and A. Harriman & Co. [Link](#)

The Brown Brothers Harriman & Co bank was an affiliate of the Rothschild-Rockefeller banking cartel. [Link](#)

After his defeat in the California election as governor in 1962, Nixon worked for John Mitchell, Nelson Rockefeller's personal attorney. Nixon lived rent-free in an apartment owned by Nelson Rockefeller. From then until 1972 Richard Nixon was operating under the 'guidance' of Nelson Rockefeller, his nominal subordinate and eventual Vice President under Gerald Ford following the resignation of Nixon.

Watergate was a coup d'etat !!

That the fall of Richard Nixon was a deliberate take-down becomes obvious when we consider that when the Nixon tapes were subpoenaed by the US Supreme Court, they knew exactly the time frames and corresponding tapes to request. Only someone on the inside could have provided that information.

In 2005 there was a stage managed media event where the identity of 'Deep Throat' was revealed. That man was supposedly Mark Felt. But, the revelation of Mark Felt as Deep Throat was to deflect attention from the real Deep Throat and, more importantly, the real reasons for the Nixon take-down. The real Deep Throat was more likely Alexander Haig, the Rockefeller protege. [Link](#)

Woodward and Bernstein (of All the President's Men fame) worked for The Washington Post, instrumental in the take-down. The family of Eugene Meyer (Jew) owns The Washington Post. [Link](#)

According to Webster Tarpley and Anton Chaitkin (*The Unauthorized Biography of George Bush*):

The reason the Watergate scandal escalated into the overthrow of Nixon has to do with the international monetary crisis of those years, and with Nixon's inability to manage the collapse of the Bretton Woods system and the US dollar in a way satisfactory to the Anglo-American financial elite...

Broadly speaking, **Watergate was a coup d'etat which was instrumental in laying the basis for the specific new type of authoritarian-totalitarian regime which now rules the United States.** The purpose of the coup was to rearrange the dominant institutions of the US government so as to enhance their ability to carry out policies agreeable to the increasingly urgent dictates of the British-dominated [i.e.Rothschild-dominated] Morgan-Rockefeller-Mellon-Harriman financier faction. [Link](#)

By 1972, Nixon was becoming unmanageable for the Rothschild-Rockefeller cartel. The Nixon White House tapes revealed the following conversation Richard Nixon had with Billy Graham concerning the Jewish stranglehold on the American mass media:

BG: This stranglehold has got to be broken or the country's going down the drain.
RN: You believe that?

BG: Yes, sir.

RN: Oh, boy. So do I. I can't ever say that, but I believe it.

BG: No, but if you get elected a second time, then we might be able to do something.

[Link](#)

By the time of that conversation with Rev Billy Graham, Nixon had become aware of at least some of the machinations of the Jews. Very likely he had become aware much earlier but thought he could successfully out maneuver them. Various reports have surfaced that Nixon discussed with Billy Graham that 'Satanic Jews' were 'out to get him'. Nixon critics attribute such comments to paranoia and/or 'anti-Semitism'. Paranoia or not, anti-Semitism or not, there were forces in play determined to bring Nixon down.

That Watergate was indeed a coup d'etat carried out by the media and 'political elite' has been emphasized by Pat Buchanan:

Watergate was indeed a coup. It was the overthrow of an elected president by a media and political elite he had routed in a 49-state landslide the like of which America had never seen. In taking Nixon down, that elite was not motivated by any love of law or the Constitution. It was driven by hatred.

The media and political establishment hated Nixon for his lead role in nailing Alger Hiss as a Soviet spy and in blistering its New Deal heroes as witless dupes of Joseph Stalin. It hated Nixon because he rallied the nation against them, when he called on the "Great Silent Majority" to stand with him for peace with honor in Vietnam, and turned Vice President Agnew loose on them to the delight of a nation that had come to detest media arrogance and bias. And it hated Nixon because he seemed, with the mining of Haiphong and bombing of Hanoi, to have won a war they said could not -- and should not -- be won.

The 9-11 Terrorist Attacks

IT IS FROM US [the Jews] THAT THE ALL-ENGULFING TERROR PROCEEDS.
([The Protocols of Zion](#), 9:4)

Our countersign is - Force and Make-believe [terror and propaganda]. Only force conquers in political affairs, especially if it be concealed in the talents essential to statesmen. Violence must be the principle, and cunning and make-believe the rule for governments which do not want to lay down their crowns at the feet of agents of some new power. This evil is the one and only means to attain the end, the good. Therefore we must not stop at bribery, deceit and treachery when they should serve towards the attainment of our end.
([The Protocols of Zion](#), 1:23)

We shall create an intensified centralization of government in order to grip in our hands all the forces of the community. We shall regulate mechanically all the actions of the political life of our subjects by new laws. These laws will withdraw one by one all the indulgences and liberties which have been permitted by the GOYIM [non-Jews], and our [rule] will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any GOYIM who oppose us by deed or word.
([The Protocols of Zion](#), 5:1)

The controlled media released a video tape of Osama Bin Laden allegedly confessing to the 9-11 attack. Anyone who has viewed the tape can see that it is clearly not him, in spite of its deliberately dark and grainy features. This is what Osama Bin Laden actually said about his role in the 9-11 attacks:

I have already said that I am not involved in the 11 September attacks in the United States. As a Muslim, I try my best to avoid telling a lie. I had no knowledge of these attacks, nor do I consider the killing of innocent women, children and other humans as an appreciable act...Whoever committed the act of 11 September are not the friends of the American people. I have already said that we are against the American system, not against its people,

whereas in these attacks, the common American people have been killed...The United States should try to trace the perpetrators of these attacks within itself...those who are working for some other system; persons who want to make the present century as a century of conflict between Islam and Christianity so that their own civilization, nation, country, or ideology could survive...Is it not that there exists a government within the government in the United States? That secret government must be asked as to who carried out the attacks....This system is totally in control [by] the American-Jews, whose first priority is Israel, not the United States. It is clear that the American people are themselves the slaves of the Jews and are forced to live according to the principles and laws laid by them. So, the punishment should reach Israel. [Link](#)

The "Official Story" about the events of 9/11 claims that American Airlines flight 77 hit the pentagon.

Artist's conception of American Airlines flight 77 in relation to Pentagon

The pentagon, however, shows no traces of such an aircraft having hit it.

Pentagon damage after being struck by 'aircraft'

[View Larger Image](#)

Compare it to the damage done to Milosevic's home, known to be hit by a cruise missile:

According to Lt. Col. Karen U. Kwiatkowski, PhD, U.S. Air Force (ret), a witness at the scene of the Pentagon on Sept. 11, 2001:

There was a dearth of visible debris on the relatively unmarked [Pentagon] lawn, where I stood only minutes after the impact. Beyond this strange absence of airliner debris, there was no sign of the kind of damage to the Pentagon structure one would expect from the impact of a large airliner. This visible evidence or lack thereof may also have been apparent to the secretary of defense [Donald Rumsfeld], [who in an unfortunate slip of the tongue referred to the aircraft that slammed into the Pentagon as a "missile"](#).

... I saw nothing of significance at the point of impact - no airplane metal or cargo debris was blowing on the lawn in front of the damaged building as smoke billowed from within the Pentagon. ... all of us staring at the Pentagon that morning were indeed looking for such debris, but what we expected to see was not evident.

The same is true with regard to the kind of damage we expected. ... But I did not see this kind of damage. Rather, the facade had a rather small hole, no larger than 20 feet in diameter. Although this facade later collapsed, it remained standing for 30 or 40 minutes, with the roof line remaining relatively straight.

The scene, in short, was not what I would have expected from a strike by a large jetliner. It was, however, exactly what one would expect if a missile had struck the Pentagon. [Link](#)

For many people, this is the starting point for 9/11 skepticism. But, if flight 77 did not hit the pentagon and something else did, such as a cruise missile, then what happened to flight 77? The 9/11 commission report states .."A squadron of NORAD fighter planes that was scrambled was sent east over the Atlantic Ocean and was 150 miles from Washington, D.C., when the third plane struck the Pentagon". ([9/11 Commission Report](#), page 45)

A possible explanation is that flight 77 continued on its course over the Atlantic Ocean and was shot down by the NORAD fighters.

However, there is conflicting evidence that something as large as an airliner DID hit the Pentagon. The pole debris likely could not have been made by something as small as a cruise missile. Several light poles were knocked down as shown in the following photo:

Downed pole at Pentagon

The likely path of pole debris is given in this photo ([Link](#)):

Yellow dots indicate downed light poles. ([View larger image](#))

Immediately following the impact at the Pentagon, federal agents began seizing the video security tapes at business establishments nearby. One wonders why, if the tapes support the Official Story, the contents are not released to the public and thereby dispel all notions of a missile having struck the Pentagon. To this writer's knowledge, such tapes have not yet been released. There is the further issue of the lack of debris. The path of whatever hit the Pentagon, shown in the above photo, is at something less than a ninety degree angle with respect to the wall at the point of impact. This would increase the likelihood of debris external to the building. However, such debris is minimal or absent.

The Collapsing Towers

Why did the WTC towers collapse? At no time in history, apart from 9-11, have steel frame buildings collapsed because of fire. However, Towers 1,2, and 7 all allegedly collapsed due to fire. WTC 7 was not even hit by an airplane. However, the towers were in all likelihood brought down by controlled demolition.

The following photo shows evidence of a shaped charge used on the steel column. It is clear that the photo was not long after the collapse because a fireman is still in the photo and there is still smoke rising from the debris.

Column showing evidence of a shaped charge having been applied

The following photo shows a squib, characteristic of controlled demolition of buildings:

CNN reported WTC 7 was about to collapse:

This indicates they were reading from a script prepared in advance. Unfortunately for the scriptwriters, the BBC crew jumped the gun and gave the game away. [According to Britain's Channel 5 news coverage on that day, the 9/11 collapse "cover story" originated with the WTC website.](#)

The Dancing Israelis

Evidence linking these Israelis to 9/11 is classified. I cannot tell you about evidence that has been gathered. It's classified information.

--US official quoted in Carl Cameron's Fox News report on the [Israeli spy ring and its connections to 9-11](#). [View Carl Cameron report \(Part 1\)](#) | [Part 2](#) | [Part 3](#) | [Part 4](#).

'Dancing' Israelis back home being interviewed

Several Israelis were arrested in sight of the WTC Towers,. They were held for a time and then released and deported back to Israel by Michael Chertoff (Jew) who then headed the criminal division of the Department of Justice and who was, until recently, head of the Department of Homeland Security. The Israelis went on a talk show back in Israel and stated that **their role had been to document the event**. That certainly implies foreknowledge!.

From the very morning aircraft smashed into the World Trade Center (WTC) and the Pentagon, news reports have indicated Israeli intelligence being involved in the events of 9/11 - and the planting of "false flags" to blame Arab terrorists and mold public opinion to support the pre-planned "war on terror."

Shortly after the destruction of the twin towers, radio news reports described five "Middle Eastern men" being arrested in New Jersey after having been seen videotaping and celebrating the explosive "collapses" of the WTC.

These men, from a phony moving company in Weehawken, N.J., turned out to be agents of Israeli military intelligence, Mossad. Furthermore, their "moving van" tested positive for explosives.

Dominic Suter, the Israeli owner of Urban Moving Systems, the phony "moving company," fled in haste, or was allowed to escape, to Israel before FBI agents could

interrogate him. The Israeli agents were later returned to Israel on minor visa violations.
[Link](#)

The attacks against the World Trade Center were part of a larger pattern. Numerous other suspicious Israelis using moving companies as cover were arrested in the months that followed 9-11, 2001. Among these groups, one had plans to blow up the Mexican parliament:

On October 10, 2001, CNN made a brief mention of a foiled terrorist bomb plot in the Mexican Parliament building. They promised to bring any further developments of this story to their viewers, but the incident was never heard of again in America. But the story appeared in bold headlines on the front page of the major Mexican newspapers and was also posted on the official website of the Mexican Justice Department. Two terror suspects were apprehended in the Mexican Chamber of Deputies. Caught red-handed, they had in their possession a high powered gun, nine hand grenades, and C-4 plastic explosives (great stuff for demolishing buildings!) Within days, this blockbuster story not only disappeared from the Mexican press, but the Israelis were quietly released and deported!

The story in El Diario de Mexico went on to reveal that the Zionist terrorists had fake Pakistani passports on them. Can you say "false flag operation?" The probable motive of this particular botched terrorist operation was to involve oil rich Mexico in the "War on Terrorism". (The War on Israel's enemies would be a more accurate description). Mexico is no military power, but the psychological trauma of an "Arab" attack on Mexico would surely have induced Mexico to provide unlimited cheap oil to her American "protector". With cheap oil flowing to America at low prices from Mexico, the US could better afford to break off relations with the oil rich Arab states in general and Saudi Arabia in particular. That's why the planners chose 15 Saudi identities to steal for the 9-11 operation.

[Link](#)

The Israelis even attempted to create a fake Al-Qaeda cell in Israel:

In December, 2002, Ariel Sharon made the amazing claim that Al-Qaeda agents were operating inside of Israel. But when Palestinian authorities apprehended the suspects, they turned out to be Palestinian traitors impersonating Al-Qaeda agents for the MOSSAD! From the Sydney Morning Herald of Australia:

"Palestinian security forces have arrested a group of Palestinians for collaborating with Israel and posing as operatives of Osama bin Laden's al-Qaeda terrorist network, a senior official said yesterday. ..The arrests come two days after Israeli Prime Minister Ariel Sharon charged al-Qaeda militants were operating in Gaza and in Lebanon.

It was considered a surprise because the Gaza Strip is virtually sealed off by Israeli troops. The hardline Israeli leader also charged other members of the terror group were cooperating with Lebanon's Shi'ite militia Hizbollah". [Link](#)

Consider the following scenario. Let the reader judge the degree to which it makes sense.

Al Qaeda, under the leadership of Bin Laden, makes the decision to strike America in the manner described in the Official Story. Al Qaeda, however, is infiltrated with Mossad agents. That would not be difficult since Al Qaeda recruited foreign fighters and Arab speaking Israelis could easily pass as Arabs. (Al Qaeda had benefited from arms supplied by the CIA through the Pakistani ISI. [Operation Cyclone](#), set up by the CIA in the 1980s, had as its purpose assistance to the Mujahideen in their fight against the Soviets in Afghanistan. The degree of CIA involvement with Bin Laden's Al Qaeda has been argued [both for and against](#).) Mossad's purpose in infiltrating Al Qaeda may have been to keep track of them and/or direct/misdirect their activities. That Israel had foreknowledge of the 9-11 attack is [well documented](#) and the infiltration of Al Qaeda by the Mossad would explain that foreknowledge. Mossad then makes the decision to let the attack happen knowing that it will be “good” for Israel by turning Israel's enemies into America's enemies in the so-called War on Terror. As the Al Qaeda operatives arrive in America they are unknowingly tracked by Mossad agents who facilitate them in whatever way they can. According to later German reports in 2002 in Der Siegel:

a whole horde of Israeli counter-terror investigators, posing as students, [followed] the trails of Arab terrorists and their cells in the United States ... In the town of Hollywood, Florida, they [identified] ... Atta and Marwan Alshehhi as possible terrorists. Agents [were living] in the vicinity of the apartment of the two seemingly normal flight school students, observing them around the clock. ([Link](#))

[Supposedly, around April of 2001, the Israeli agents were discovered and deported, terminating the investigation. ([Link](#)) However, 80 additional agents were apprehended between June and December 2001 ([Link](#)) and even more were uncovered since. ([Link](#)) **If their purpose had been merely to observe and perhaps to warn they would not have tried to blow up the George Washington Bridge on 9-11. ([Link](#), [Link](#))**

Meanwhile, Mossad agents (or other Zionists) begin the process of wiring the WTC buildings for demolition knowing that will maximize the loss of life and hence maximize the rage against Israel's enemies. Mossad agents begin making plans to destroy other New York landmarks such as the George Washington bridge (which failed). Mossad operatives, who have infiltrated all levels of the US government, endeavor to ensure that any NORAD or USAF response will be stymied and thus enable the attacks to have maximum impact. Zionist sympathizers within the US government operate under the same guidelines. (See [Link](#), [Link](#))

With the loss of life far in excess of what was expected due to the buildings collapsing, Bin Laden disclaims all involvement or at least claims he did not know the buildings would fall down (depending on whether certain tapes are legitimate or not).

From the Frying Pan into the Fire – The 'Subtle Victory'

We [the Jews] appear on the scene as alleged saviors of the worker from [the] oppression [of poverty] when we propose to him to enter the ranks of our fighting forces - Socialists, Anarchists, Communists - to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our SOCIAL MASONRY .

(The Protocols of Zion, 2:7)

[The Jew] kowtowed to the worker, hypocritically pretended to feel pity for him and his lot, and even to be indignant at the misery and poverty which the worker had to endure. That is the way in which the Jew endeavored to gain the confidence of the working class. He showed himself eager to study their various hardships, whether real or imaginary, and strove to awaken a yearning on the part of the workers to change the conditions under which they lived.

--Adolf Hitler, *Mein Kampf*, Vol.1 Ch.11

When the American Communist Party began its activities in the USA around the beginning of the 20th Century it soon realized that overthrow of the government was not in the cards. America was, in general, too prosperous and the workers too content, even during hard times, for such a tactic to succeed. Instead, the Party opted for a gradual process of infiltration within and agitation without to gain power and influence. The infiltration was to be within government, media, labor, and educational institutions. The agitation was to be on the streets through strikes and demonstrations. When The Frankfurt School (consisting mainly of Jews) arrived on American shores after the rise of Adolf Hitler to power in Germany, it promoted the ideas of Marxist social revolution which had to precede any future take over of the government. The Frankfurt School adapted itself well to the American Communist Party's policy of infiltration and agitation.

Saul Alinsky was a Marxist radical who rose to prominence in the 1960s. According to Wikipedia, He was "born in Chicago in 1909 to Russian Jewish immigrant parents, the only surviving son of Benjamin Alinsky's second marriage to Sarah Tannenbaum Alinsky." [Link](#)

In the 1930s, Alinsky organized the Back of the Yards [\[Link\]](#) neighborhood in Chicago. He went on to found the Industrial Areas Foundation [\[Link\]](#) while organizing the Woodlawn neighborhood, which trained organizers and assisted in the founding of community organizations around the country. In *Rules for Radicals* [\[Link\]](#) (his final work, published in 1971 one year before his death), he addressed the 1960s generation of radicals, outlining his

views on organizing for mass power. In the first chapter, opening paragraph of the book Alinsky writes, 'What follows is for those who want to change the world from what it is to what they believe it should be. The Prince was written by Machiavelli for the Haves on how to hold power. Rules for Radicals is written for the Have-Nots on how to take it away'.

Alinsky's teachings influenced Barack Obama in his early career as a community organizer on the far South Side of Chicago. [[Link](#) [Link](#)]. Working for Gerald Kellman's Developing Communities Project, Obama learned and taught Alinsky's methods for community organizing.

Leading up to the inauguration (Jan 20, 2009), Barak Obama has been surrounding himself with powerful Zionist Jews and a few billionaires devoted to their interests. To many Obama represents a new age of 'international cooperation' leading, as one Canadian commentator expressed it, to a new form of world governance. Already there are those in Washington promoting the idea of a world reserve currency and a world reserve bank – something like the US Federal Reserve but on a global scale. Such a move may be preceded by regional central banks - one for North America, one for Asia – modeled on the European Central Bank. Regional blocs would then provide the pathway to world government.

There is little doubt that in Obama the Financial Oligarchy sees a grand opportunity to promote its agenda.

In late 2006, George Soros, the British empire/Wall Street [and Jewish] gatekeeper of the Left, vetted Senator Barack Obama's potential Presidential candidacy on behalf of financier oligarchs [headed by the Rothschild Syndicate]. Soros then introduced Obama to a selected financier group, and Obama soon afterwards announced he would seek the White House.

Soros's involvement with Obama's brief national political career had begun two years earlier with Soros fundraising for Obama's campaign for U.S. senate, and continued through the 2007 Presidential campaign launch with huge fundraising operations by Soros and his circle. [Link](#)

Obama speaking at a Soros gathering. Soros is the figure circled in red.

There is the dark possibility of a Communist State complete with all its potential horrors arising from the rubble of a collapsed financial system. **Communism, consisting of a slave state of docile workers toiling for a small self-declared elite, is the ultimate goal of the financial oligarchs!**

Obama has declared that he favors the formation of a 'national security force' funded as well as the US military. Such a force could very well take on the same role as that of the Cheka (later the KGB) in the early Soviet Union – that of suppressing dissent – especially targeted against pro-White groups opposed to Jew-Marxist control. Such a 'national security force' might then pave the way for the suppression and confiscation of any privately owned firearms capable of being a threat to the growing tyranny.

What exactly are Obama's communist credentials? As already stated, Obama was influenced in his early career as a 'community organizer' by the Marxist Saul Alinsky. The Alinsky Method uses stealth and deception. From the Renew America website:

Frank Chapman, a member of the U.S. Peace Council Executive Committee [a Red front group], wrote what could be called a gloating letter to the *People's Weekly World* right after Obama's victory this year in the Iowa Democrat Party caucuses. Therein, he said the following:

Obama's victory was more than a progressive move: It was a dialectical leap ushering in a qualitatively new era of struggle. Marx once compared [the] revolutionary new era of struggle with the work of the mole, who sometimes burrows so far beneath the ground that he leaves no trace of his movement on the surface. This is the old revolutionary 'mole,' not only showing his traces on the surface but also breaking through. [Link](#)

Alinsky's son, L. Davis Alinsky, credits Barak Obama for learning his lessons well. According to Canada Free Press, "Indeed, Alinsky Jr. who credits his late father for the success of last week's [as of Sept 2, 2008] Democratic National Convention, may have done something that Obama's detractors couldn't: blown the cover on the presidential hopeful's communist leanings." [Link](#)

Recall what was previously quoted about the 'subtle victory':

We must realize that our [Communist] Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mold them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro minority against the whites, we will instill into the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America into our hands. (from the Congressional Record, published by the United States Government Printing Office, Proceedings of the House, 1957, page 8559 quoted in [White Power](#), p. 138 by George Lincoln Rockwell)

The 'New' Europe

There remains a small space to cross and the whole long path we have trodden is ready now to close its cycle of the Symbolic Snake, by which we symbolize our people. When this ring closes [i.e. the Jews “return” to Palestine], all the States of Europe will be locked in its coil as in a powerful vice. ([The Protocols of Zion](#), 3:1)

In 1946, just a year after the defeat of the Third Reich and just two years before the creation of the State of Israel, Winston Churchill called for the creation of the United States of Europe and the creation of a Council of Europe:

We must build a kind of United States of Europe. [...]

The structure of the United States of Europe will be such as to make the material strength of a single State less important. [...]

I was very glad to read in the newspapers a few days ago that my friend President Truman had expressed his interest and sympathy with this great design. [...]

There is no reason why a regional organisation of Europe Should in any way conflict with the world organisation of the United Nations. On the contrary, I believe that the larger synthesis can only survive if it is founded upon broad natural groupings. There is already a natural grouping in the western hemisphere. We British have our own commonwealth of nations. These do not weaken, on the contrary they strengthen, the world organisation. **They are in fact its main support.** [emphasis added]

And why should there not be a European group, which could give a sense of enlarged patriotism and common citizenship to the distracted peoples of this mighty continent? And why should it not take its rightful place with other great groupings and help to shape the honourable destiny of man? [Link](#)

The people of France and the Netherlands voted against a proposed Constitution for a European Federal Superstate in referendums in 2005. Nevertheless, moving forward on most of the major provisions of the constitution has been happening anyway, by stealth, so to speak. In place of the Constitution, a Treaty is being proposed instead. Such a Treaty would not require referenda to be

implemented. In other words, the people who rejected the federal superstate in 2005 will have no say about the implementation of the new Treaty.

According to British MP Daniel Hannan, who conducted research into this back door implementation for the London Telegraph:

Formal ratification by all 25 [now 27] states is regarded in Brussels as a technicality. To all intents and purposes, the EU is carrying on as though the constitution were already in force. Most of the institutions that it would have authorized are either up and running already, or in the process of being established. [Link](#)

Furthermore,

Senior British Cabinet sources have warned that the European globalists including [former British Prime Minister] Blair and Merkel are pushing hard for Brussels to be given a **full-time unelected president** [emphasis added], who would serve a five year term and speak as the voice of Europe on the world stage.

In their important history of the EU, *The Great Deception*, British authors Christopher Booker and Richard North, concluded that the 27 member nations now entangled in the union have ceded their sovereignty in a carefully planned stealth operation. They grudgingly credit European globalists with accomplishing "a slow-motion coup d'état: the most spectacular coup d'état in history."

In addition, dissidents and outcasts such as Vladimir Bukovksy have warned that an elite plan has long existed whereby the EU would be hijacked and transformed into a Soviet style Socialist Superstate that would eliminate the individual nation state's power and create a governing body with no accountability or direct representation. [Link](#)

As noted previously, Despotic Capitalism is on friendly terms with Communism. It was capital flowing in from the West that financed the industrialization of the Soviet Union. The Revolution of 1917 was itself financed by Western bankers out of New York. The old 'clash' between Capitalism (thesis) and Communism (antithesis) as a clash of ideologies was never truly genuine. The international banking elite was always playing both sides to their own benefit. Nevertheless, the 'clash' of ideologies is slowly evolving into a merger of the two (synthesis). This will create what is potentially the most tyrannical entity the world has ever known - The Grand Synthesis of Social Marxism in the service of and driven on by Despotic Capitalism! The Grand Synthesis is proceeding apace in Europe. As stated previously, **Communism is an ideology that promotes a slave state of docile workers toiling for a small self-declared elite. It is the ultimate goal of the Jewish financial oligarchy!**

Judaism – The Religion of The 'Chosen' Parasite

Judaism is the politics of a parasitic race under the guise of a religion (from the film [The Eternal Jew](#) from 50:00 to 56:54)

Therefore we [the Jews] must not stop at bribery, deceit and treachery when they should serve towards the attainment of our end. In politics one must know how to seize the property of others without hesitation if by it we secure submission and sovereignty. ([The Protocols of Zion](#), 1:23)

For centuries the Sons of Israel have been despised and persecuted, but they have fought bravely [i.e. cunningly and cruelly] to prepare the way for victory. Now they are approaching their aim. They already dominate the economic life of the damned Christians; their influence is just as great in politics and in moral fields. At the wished for hour, fixed in advance, we shall let loose the Revolution, which by ruining all classes of Christians will definitely enslave Christendom to us. Thus will be accomplished the promise of God made to his people.

(Rabbi Reichhorn in a speech in Prague in 1869 over the tomb of the Grand Rabbi Simeon Ben-Ihuda, *Libre Parole*, November 1933, and *La Vielle France*, March 10, 1921)

The religion of a people expresses its highest hopes and ideals - its *national soul* so to speak. Regardless of one's view of Christianity, it should be noted that its holiest days celebrate life (Christmas – the birth of the Christ child, Easter – the resurrection of Christ) or reconciliation to God (Good Friday). The holiest days in Judaism, however, celebrate the mass slaughter of their enemies (Passover, Purim, Hanukkah).

Today's Jews are the descendants of itinerant extortionists and vagrants. The word for vagrants in Akkad, the language of (old) Babylon, is *khabiru*, and so the desert 'refugees' are referred to on cuneiform tablets of that time. **The word *khabiru*, after going through linguistic metamorphosis over time, became the word *hebrew*!**

In chapter 6 of *White Power*, George Lincoln Rockwell describes the parasitic nature of the Jew:

Among forms of life, [there is a] way of life [that] is called "parasitism" - taking a living from a host without working. There are many animals and plants with exactly the same characteristic: tape worms, ivy, suckerfish, etc.

In order to be a successful parasite, a plant or animal must find a way to get its food and protection from its host over an extended period of time, which usually means that it must find a way of anesthetizing its host to what it is doing; it must do its stealing of food and shelter in some relatively painless way so that, at first, the host is not aware of the robbery going on, and tolerates the sucking up of its own nourishment.

You can't FEEL a tapeworm. You just miss your food. You get weaker and weaker and finally die, as the worm sucks up all the nourishment.

And there's the paradox of the parasite: the more successful he is, the quicker he kills off his host, and therefore the quicker the parasite dies himself!

This is precisely what an overdose of Jews does to a nation (and to the Jews).

After sufficient time, although you still may not FEEL a tape worm, you know for damned sure that SOMETHING is wrong, and you begin to search desperately for the source of the agony. Sooner or later, when you realize the worm is in there eating out your insides, you physic him out with the utmost ruthlessness, and pleasure at his passing.

The endless anti-Jewish "pogroms" of history have been the purging of a deadly tapeworm in the agonized bodies of the people attacked by Jewish parasites.

And always, the spores of the worm passed out by one people quickly find their way into the bodies of new and unsuspecting host peoples to begin the same old act of growing and eating out the host once again.

In case it seems too incredible and vile to the reader that there should be HUMAN parasites, let me present, from the works of the Jews themselves, their OWN official description of the process.

The earliest and most complete record of Jewish methods can be found in almost any home in America, right under the noses of the non-Jews, who have actually been taught to worship the very parasites that are eating them alive.

In the Old Testament, we can read the story of a typical Jewish operation in any nation they invade. Jews almost always come to a new nation as hapless "refugees", or prisoners and slaves (having had "difficulties" with their previous hosts).

So it was in ancient Egypt. A Jew named Joseph was out tending sheep. His brothers were at first going to kill him for his "coat-of-many-colors" and threw him into a pit. (Genesis, 37) But then some Midianite slave traders happened along and we learn in verses 26 and 27 that these Jews decided it was wasteful just to kill their brother, when they could SELL him for a profit.

So his own Jewish brothers sold Joseph as a slave for twenty pieces of silver, and Joseph wound up an Egyptian slave.

In Genesis 39:6, we find Joseph doing such a good job of running an Egyptian household as a slave that the master makes him the "overseer." In verse 6, the Jewish slave has become so indispensable to the Egyptian master that Joseph is made the boss of the entire Egyptian household. But Joseph gets in difficulty with the Egyptian's wife. She claims he tried to rape her.

Joseph claims, innocently, that she tried to rape him. (Gen. 39: 12)

Joseph is tossed into prison, where he repeats the pattern: he becomes so invaluable to the prison administration with his clever business suggestions that he becomes boss of the prison!! (Gen. 39:22)

In this choice spot, he becomes a confidant of Pharaoh's butler, who is in jail. Joseph cleverly interprets dreams for him.

Pharaoh later reinstates his butler, and has a dream he can't interpret. The butler suggests Joseph. Pharaoh has Joseph brought before him, and tells Joseph about seven fat beeves, and seven thin ones. The wily Jew tells Pharaoh this means Egypt will have seven years of plenty and seven years of famine. (For centuries, in the Nile valley, there were huge floods and then periods of drought, so that "lean years" were absolutely certain to follow "fat" years, and vice versa.)

But young Pharaoh is so impressed with Joseph that he asks Joseph what to do about it. The clever Hebrew replies that Pharaoh must find a man smart enough to gather up huge stores of Egyptian grain during the next seven years. "Surprisingly" enough, Pharaoh picks Joseph as that man, and, in Chapter 41, verse 30 of Genesis, Pharaoh turns all Egypt over to his new Jewish "friend." Joseph becomes the "Bernard Baruch" of Egypt, with Pharaoh ordering, "Without thee no man shall lift up his hand or foot in all the land of Egypt." Joseph duly gathers up and stores the grain produced by Egyptian labor, in vast amounts. When Egypt is drought-stricken, and the Egyptians are starving for food, Joseph begins to sell their own grain back to the Egyptians. (Gen. 41:56)

The same rotten Jews who sold Joseph into slavery now come over from Canaan to buy some Egyptian grain. Joseph, who is selling the grain to the Egyptians, gives grain to his fellow Jews. In fact, he gives the Jews a double order of grain on their second trip, and Egyptian gold in the bags to boot! (Gen. 44:1) Then he kicks all the Egyptians out of his office, and tells his Jewish brothers to bring all the Jews over to live free off Egyptian grain. (Gen. 45: 1, 10, 11) Meanwhile, Joseph is selling back their own grain to the Egyptian farmers who produced it. The king is tickled to death, as the treasury bulges. So Joseph tells the king his brothers and families are on the way, and the king promises Joseph that the Jews will live on "the fat of the land". (Gen. 45:18)

From the money being paid by the Egyptian farmers to buy their own grain back, Joseph gives all the Jews wagons, equipment, furniture, and doles out 300 pieces of Egyptian silver to all these Jews! (Gen. 45:16, 22)

Next, Genesis 46 describes how a whole ARMY of Jews moves into Egypt, with who "begat" who and all the children and "children's' children," etc. Joseph tells his fellow Jews to lie to the king that they are not shepherds (which he knows might aggravate the king). Instead, the Jews all get free Egyptian cattle and land, the best in Egypt. Gen. 46:34) Not one of these Jews has done a lick of work to produce the wealth they are grabbing. (A familiar parasitic pattern) Genesis 47, verse 14 reveals that Joseph, Egypt's

Jewish boss, has "gathered up all the money" of the Egyptians, selling them grain. As a result, in verse 15, we discover that the "money of Egypt fails !"

A depression?

The starving Egyptians plead with Joseph to let them have a little grain because their money is all gone. Joseph tells them, in typical hockshop, Jewish style, that they still have their cattle! So the Jew takes the Egyptian farmers' cattle! (Gen. 47:16)

The next year, the starving Egyptians again beg for grain. But the Jewish keeper of the granaries (filled by Egyptian work) tells them that they will have to give up their land, too! To survive, the people have to give this Jew their land in the name of the Pharaoh (verse 20). Joseph then puts them all into "concentration areas" - cities, taking them off their own land! (Verse 21) When the Egyptians are finally reduced to utter despair, starving, without their money, without their land and without their cattle, Joseph puts them back on their own land as SHARE-CROPPERS, at 20% profit! (Verse 24)

Understandably, since Joseph is running the affairs of the Egyptians, the Egyptians are poor, working like slaves and hungry. But, meanwhile, the hordes of Jews he has brought in are getting "rich and fat" (verse 27) living off the "fat of the land" - WITHOUT WORK!

Sound familiar?

After 80 years of this process, the Jews have almost everything and the Egyptians are all slaving for the Jews! (The story doesn't mention what the Egyptians think of the arrangement, but it isn't hard to imagine.)

In the Jews' own book of Exodus, we next find Joseph dying, and the Egyptians trying to find some way of getting the Jews off their backs. In Exodus I, there are some verses worth repeating whole: "7. And the children of Israel were fruitful, and increased abundantly, and multiplied, and waxed exceedingly mighty, and the land was filled with them. "8. Now there rose up a king who knew not Joseph. (An 'anti-semite,' no doubt.) "9. And he said unto his people 'Behold, the people of the children of Israel are more and mightier than we! (Take a look at New York City, Los Angeles, etc.!) "10. 'Come on, let us deal wisely with them, lest they multiply, lest it come to pass, that, when there falleth out any war, they join also unto our enemies..' " (As traitors, spies) (Remember the Rosenbergs, Sobels, Greenglasses, Golds, Moskowitz's, Silvermasters, etc., etc., etc., who "joined also unto our (Communist) enemies?")

Observe here the classic pattern.

The Jew arrives in rags and tatters and terrible misery because of the actions of his own people. (Not Gentiles, but his own Jewish brothers sold Joseph into slavery.)

The host people are relatively easy-going, and soon recognize the undeniable clever

business manipulations of the Jew. (Joseph becomes boss of the household where he was a slave.) The Jew begins to push. (Joseph is accused of getting "fresh" with the wife of his master, who sends him to jail.) In spite of adversity however (jail), the Jew prospers because of the same old Jewish ability to manage and manipulate. (Joseph becomes boss of the jail.) Using his wits, the Jew reaches the highest positions of Power. (Joseph becomes the "executive officer" under Pharaoh, and actually runs Egypt). Abusing every leverage of the high office of power, the Jew begins to gather up not just money and power, but all the money and all the power that he turns over to more and more Jews. He becomes so greedy and rapacious that he smashes the whole economy. (Joseph grabs up so much money from the Egyptians that "money fails.")

In the following "depression" the Jew gathers up all the material wealth and the land. (Joseph did exactly this, giving his fellow Jews the "fat of the land.") Once the Jew owns and controls everything, he proceeds to make financial slaves out of the native population. (Joseph sent the farmers back to their own land as sharecroppers, producing 20% profit!)

Inevitably, this process produces such a horror of Jewish power and wealth and such misery for the native population, that the host people become "anti-semites" and the Jews begin to look around for another country to which they can flee. THEY BECOME SPIES, etc. (The king of Egypt warns his people that the Jews are more powerful than the Egyptians in their own land, and that the Jews are likely to be traitors. He first tries to make the Jews work as slaves.)

The next and last step is for the native population to try to hold the Jews back somehow. (The king orders infanticide for all newborn male Jews.) When these less radical methods won't work, the native populations rise up and either kill the Jews or drive them out. (Moses led the Jews out of Egypt only yards ahead of the king's armies.) That Jewish pattern was established in writing more than four thousand years ago - by the Jews themselves. You can check every word of it in any Bible!

Once it is understood that the Jews have inherited a most peculiar trait - parasitism - a trait found in no other people, no matter how primitive, it will be easier to understand why they are what they are, and why they act as they do[!]

And the need to try to keep his hosts anesthetized - unaware of the source of the misery caused by Jewish parasitism - has forced the Jew to develop a whole flock of secondary characteristics which are often more soundly hated than the parasitism which is the basic cause of the trouble.

The first of these characteristics is his ability to lie. Almost every great man, from Christ to Schopenhauer, has damned these people as LIARS, "the great masters of the lie," and a hundred other ways of saying the same thing. Hitler says a Jew tells the truth only to be able to tell a greater lie later.

Once they adopted the parasitic way of life, the early tribes of Jews were forced to

rationalize that such inhuman injustice and criminal bloodsucking was "ordained" by God. The whole Old Testament abounds with their ringing statements of how they will "put their feet on the necks of all other people," how they will have in their greedy hands all the gold and wealth of the earth and make slaves of all other people -- the dream of human tape worms!
(George Lincoln Rockwell, [*White Power*](#) p.89-98)

The book of Deuteronomy is considered by Jews to be one of their sacred books and is included in the Torah (the books of Moses). In that book we find the highest ideal of the chosen 'parasite' is to commit mass murder and plunder what others have created and built. The 'chosen' parasite is incapable of creating his own cities and houses 'full of good things' but must take from others. The Jew arrives on the scene to steal, kill, and destroy:

Yahweh your God will bring you into the land which he swore to your forefathers Abraham, Isaac, and Jacob that he would give you, a land of great and fine cities which you did not build, houses full of good things which you did not provide, rock-hewn cisterns which you did not hew and vineyards and olive groves which you did not plant. (Deuteronomy 6:10,11)

When Yahweh your God brings you into the land which you are entering to occupy and drives out many nations before you – Hittites, Girgashites, Amorites, Canaanites, Perizzites, Hivites, and Jebusites, seven nations more numerous and powerful than you – when Yahweh your God delivers them into your power and you defeat them, you must put them to death. (Deuteronomy 7:1,2)

In case the meaning was lost on the reader it is repeated that mass murder and plunder are high on the agenda of Yahweh, the God of the Jews:

When you advance on a city to attack it, make an offer of peace. If the city accepts the offer and opens the gate to you, then all the people in it shall be put to forced labor and shall serve you. If it does not make peace with you but offers battle, you shall besiege it, and Yahweh your God will deliver it into your hands. You shall put all its males to the sword, but you may take the women, the dependents, and the cattle for yourselves, and plunder everything else in the city. [...] this is what you shall do to cities at a great distance. [...] In the cities of these nations whose land Yahweh your God is giving you as a patrimony, you shall not leave any creature alive. You shall annihilate them - Hittites, Amorites, Canaanites, Perizzites, Hivites, and Jebusites...(Deuteronomy 20:10-18)

Most civilized people, including many pious Christians, would consider such genocidal ideas as the ravings of a lunatic who was fit only for an asylum if they occurred anywhere but in the Bible. However, such is the expression of the *national soul* of the Jewish people. There was very little that occurred in the murderous regime of the Soviet Union under Jew-Bolshevik control that was contrary to the spirit of Deuteronomy.

In the 1500's, Martin Luther, who was the preeminent theologian of his day, wrote:

For the Jews [...] look upon God as a poor cobbler equipped with only a left last for making shoes. This is to say that he is to kill and exterminate all of us Goyim through their Messiah, so that they can lay their hands on the land, the goods, and the government of the whole world. And now a storm breaks over us with curses, defamation, and derision that cannot be expressed with words. They wish that sword and war, distress and every misfortune may overtake us accursed Goyim. They vent their curses on us openly every Saturday in their synagogues and daily in their homes. They teach, urge, and train their children from infancy to remain the bitter, virulent, and wrathful enemies of the Christians [and all non-Jews]. ([Link](#) p.264)

Thomas Paine wrote in 1793 in *The Age of Reason*:

Could we permit ourselves to suppose that the Almighty would distinguish any nation of people by the name of his chosen people, we must suppose that people to have been an example to all the rest of the world of the purest piety and humanity, and not such a nation of ruffians and cut-throats as the ancient Jews were, -- a people who, corrupted by and copying after such monsters and impostors [pretending to be 'men of God'] as Moses and Aaron, Joshua, Samuel, and David, had distinguished themselves above all others on the face of the known earth for barbarity and wickedness. If we will not stubbornly shut our eyes and steel our hearts it is impossible not to see, in spite of all that long-established superstition imposes upon the mind, that the flattering appellation of his chosen people is no other than a LIE which the priests and leaders of the Jews had invented to cover the baseness of their own characters; and which Christian priests sometimes as corrupt, and often as cruel, have professed to believe.

(Thomas Paine, [The Age of Reason](#), line 4489 - 4503)

According to the Hebrew Bible, the Jewish Talmud, and the Jewish Cabbalah, Jews are the God-given masters of the World and non-Jews must serve them as their slaves (or be killed) and submit to laws which emanate from Jerusalem (In the Hebrew Bible: Genesis 25:23; 27:38-41. Exodus 19:5-6. Numbers 24:17-20; 33:50-56. Deuteronomy 6:10-11; 7:2, 6; 11:24-25; 28:10. Psalm 2:1-12; 18:40-50; 72:8-11; 110:1-7. Isaiah 11; 40:23; 42:1; 49:7, 23; 60:10-12; 61:9; 65; 66. Jeremiah 3:17; 10:10; 23:5-8. Ezekiel 39:17-18. Obadiah. Micah 17:16-17. Zephaniah 2:11. Zechariah 8:23; 14. In the Jewish Talmud: Sanhedrin 20b; 56a-60b; 88b; 97a-99b; 105a. Shabbath 32b. Sukkah 52a-b. Erubin 21b. Rosh Hashanah 17a. In the Jewish Cabbalah: Zohar I, 47a; II, 219b; III, page 19b, 43a, 282a).

The Jews have always believed that the Kings, Queens, Princes and Princesses of the Gentiles, in other words, all Gentile leaders, are destined to be the Jews' obedient slaves [**Shabboz Goy**]. Jewish religious writings teach the Jews to destroy all Gentile government. Jews consider themselves to be God's divine presence on Earth, and the righteous rulers who must subvert all Gentile rule, then enslave the Gentiles, judge them and finally exterminate them (Isaiah 11; 40:23; 42:1; 49:7, 23; 60:10-12; 65; Ezekiel 39:17-18. Zephaniah 2:11).

Predicting the Future

Predicting the future can be very difficult for the simple reason that it hasn't happened yet! There are many examples in history where people have attempted and failed. There are very few ways to predict the future. One of them is by blueprint. Suppose a house is being built and you have the blueprint. This would enable you to predict, for example, that the house would have a two-car garage, a gabled roof, a double door, a fire place in the living room, etc. As long as the builders adhered to the blue print, you would be in a position to predict with unfailing accuracy the shape and features of the house. Furthermore, if the house were 90% complete and all aspects of it were in accord with the blueprint then you could with unfailing certainty (or, for the skeptic 99.9% certainty) know how the rest would proceed.

Let us apply this same reasoning to [*The Protocols of Zion*](#), that book so hated by the Jews. Here is what Adolf Hitler said about it:

To what an extent the whole existence of this people [the Jews] is based on a continuous lie is shown incomparably by the *Protocols of the Wise Men of Zion*, so infinitely hated by the Jews. They are based on a forgery, the *Frankfurter Zeitung* moans and screams once every week: the best proof that they are authentic. What many Jews may do unconsciously is here consciously exposed. And that is what matters. It is completely indifferent from what Jewish brain these disclosures originate; **the important thing is that with positively terrifying certainty they reveal the nature and activity of the Jewish people and expose their inner contexts as well as their ultimate final aims.** The best criticism applied to them, however, is reality. Anyone who examines the historical development of the last hundred years from the standpoint of this book will at once understand the screaming of the Jewish press. For once this book has become the common property of a people, the Jewish menace may be considered as broken.
--Adolf Hitler, [*Mein Kampf*](#), Vol.1 Ch.11

Here is what George Lincoln Rockwell said about it:

Sixty years later [as of 1965], not one word has failed of fulfillment exactly as set forth in *The Protocols*. if they are "forged", then it was done by a genius who knew exactly what the Jews of the world would do for sixty years, with not partial, but perfect accuracy. ***The Protocols alone, of all knowledge on this earth, give one the power to predict successfully historical events, as I have been able to do since studying them. A theory which enables scientific, calculated prediction is not the mark of a fraud, but always the mark of a realistic theory.***

Henry Ford Sr. said of *The Protocols*, thirty years ago [as of 1965], that they were being ruthlessly fulfilled, which was enough proof for him of their genuineness. Adolf Hitler ten years later said the same thing. Any man who takes the trouble to read these astounding documents will find the same thing. If they were not written by a Jew, they were written with devilish accuracy about the Jews. They enabled humanity, for the first time, to understand what before seemed impossible chaos. All the chaos, the mad 'art', the Communism, the moral filth, the control of the press and entertainment, the development of world wars, the insane setting of labor against capital and vice versa -- all these things become calculated elements of a steadily-progressing plan by a nation or race, masquerading throughout the world as a 'religion' in order to accomplish this awful work of destruction under the cover of 'religious tolerance'.
--George Lincoln Rockwell, [*This Time the World*](#) p.66

Any intelligent person, upon reading [*The Protocols of Zion*](#), can see they are being followed nearly to the letter. They provide a step-by-step blueprint of how the Jewish financial oligarchy intends to establish world dominion for the Jews and slave status for the rest of humanity. Their plans would have long ago been thwarted had the intellectual elite in the White countries of the world been aware and taken the appropriate counter measures. This actually occurred in Germany during the 1930s where not only the intellectual elite was aware but the general populace as well. Such a development could have put an end to the threat but the Jews were able to beat the war drums around the world and have National-Socialist Germany destroyed.

Why has there been so little opposition since? It is true that there have been voices raised and the heroic efforts of George Lincoln Rockwell, R.P. Oliver, and Dr William L. Pierce should be mentioned in this context. But for the most part they were voices in the wilderness. Each in his own way tried to wake our people up to the dangers. They were able to reach a small minority but were unable to achieve mass appeal. Why? We might mention seventy years of pro-Jewish and anti-White propaganda in the news and entertainment media owned and/or controlled almost exclusively by Jews. However, if the entire population consisted of rational, intelligent, and independently minded people they would have long since seen through it all.

That brings us to a crucial aspect of the blueprint or Master Plan of the Jewish financial oligarchs - *mind control*. The phrase 'mind control' might evoke images of people in hypnotic or drug induced zombie-like states. It need not be so extreme, however. As Dr. Pierce observed, peer pressure (or peer acceptance) is sufficient to control 90% of the population. Most people go with the flow in terms of fashion, behavior, ideas, and beliefs. Even the most independent of personalities is reluctant to stand alone in his opinions regardless of what the rest of the world thinks. There are very few Galileos among us who would stake life, limb, and reputation for an idea in opposition to the official version of things.

Despite its present hegemony, the World Order of parasitism realizes that it is always subject to being dislodged, which, in effect, would mean its destruction. Therefore, it is necessary to control not only the channels of communication of the host, but his very thought processes as well; to maintain constant vigilance that the host does not develop any concept of the danger of his situation, or any power to throw off the parasite. Therefore, the parasite carefully instructs the host that he exists only because of the "benign" presence of the parasite – that he owes everything to the presence of the parasite, his religion, his social order, his monetary system, and his educational system. The parasite deliberately inculcates in the host the fear that if the parasite happens to be dislodged, the host will lose all these things, and be left with nothing. (Eustace Mullins, [*THE WORLD ORDER, A Study in the Hegemony of Parasitism*](#) , 1985, Ezra Pound Institute of Civilization, p. 276)

One of those persistent ideas that the vast majority is reluctant to question is the idea of human equality. During the time of the so-called Enlightenment of the 17th century, human beings were viewed as *tabula rasa* (blank slates), an idea which originated with John Locke. From the time of birth onward all that the person would become was viewed as entirely due to environment – the writing on the blank slate. The *tabula rasa* idea was formulated in opposition to the rationalist school which believed we have innate ideas at birth. *Tabula rasa* lent itself to the idea of human equality. If we are all zeros at birth then we are all equal as zeros. *Tabula rasa* also lent itself to an ideology in opposition to the divine right of kings. If we are all equal as zeros at birth then none among those zeros has the right to rule over other zeros. The notion of *Tabula rasa* is one reason the founding fathers of the United States adopted the language about all men being created equal. In retrospect, it is perhaps unfortunate that the phrase "all men are created equal" appears in the Declaration of Independence since it has been used as

a debt instrument by Negro activists claiming equality with Whites. The phrase is attributed to Thomas Jefferson. As R. P. Oliver has pointed out, Jefferson was no fool and did not intend that phrase to have the meaning ascribed to it since agitation began for the abolition of slavery in the 19th century and which has been repeated *ad nauseum* ever since.

[Jefferson] was not a moron, and cannot have meant anything so absurd as is sometimes supposed. What he meant was that all Englishmen should be equal before the law. He was reacting against the class structure of English society and an aristocracy, of which the greater part had been created by kings and ennobled parvenus, often for the most discreditable services, so that socially and morally worthless individuals were given special privileges because they were descended from men who had, rightly or wrongly, been elevated to the peerage. Jefferson recognized, of course, the biological inequality of all men: "There is a **natural aristocracy** among men. The grounds for this are virtue* and talents...There is also an artificial aristocracy, founded on wealth and birth, without either virtue or talents; for *with* these, it would belong in the first class." [emphasis added](*In Jefferson's time "virtue" still retained its proper meaning, denoting *manly* excellence, including courage and integrity as shown by both moral and intellectual honesty. It is sad that so useful a word has been perverted by the gabble of Christian propagandists. [footnote in original])(Revilo P. Oliver, [Who's for Democracy?](#))

In the 17th century almost nothing was known about genetics from a scientific point of view. Livestock breeders had been practicing genetic principles for centuries without being aware of the underlying science. They operated on a totally pragmatic level. They certainly would not have endorsed the idea that all livestock are created equal. Otherwise what would be the point of selective breeding? Modern genetics makes clear that every living organism has a genetic definition and bears the genetic legacy of its ancestors. All living things have a genetic endowment and seldom are they equal.

In spite of the obvious facts from livestock breeding and modern genetics the false idea of *tabula rasa* carries on. Adherence to the idea of human equality has taken on the dubious distinction of being like a religion. Anyone who questions it is viewed as a Galileo among flat-earth adherents. Just as there are different breeds of dogs with varying physical and behavioral characteristics, so also there are different breeds of humans. The different breeds of humans are called races. Such notions are viewed as blasphemy by the human equality religionists. It is part of the Master Plan that false ideas be inculcated in the youth of our nations:

We have fooled, bemused, and corrupted the youth of the Goyim [non-Jews] by rearing them in principles and theories [human equality, Marxism, liberalism, etc.] which are known to us to be false although it is in those they have been inculcated. ([The Protocols of Zion](#), 9:10)

The heroic attempts of men like George Lincoln Rockwell, R.P. Oliver, and Dr William L. Pierce to draw attention to the destructive plans of the nation-wreckers did not achieve mass appeal because a racist interpretation of social, economic, and political reality is no longer allowed a hearing by the modern day flat-earth (human equality) adherents. To address the racial group behavior of Jews, Negroes or any other group (except perhaps Whites) is viewed as 'racist' and therefore taboo and blasphemous in the eyes of the human equality religionists.

The Master Plan also encourages a superficial approach to life and its issues in order that the Goyim not understand what is happening at the social, economic, and political level nor the goals and ultimate intentions of the Jewish financial oligarchy. (see *Protocols* 10:1)

So, based on [*The Protocols of Zion*](#), what are the Jews ultimate aims? *The Protocols* answers this very succinctly:

What we have to get at is that there should be in all the States of the world, besides ourselves, only the masses of the proletariat, a few [b]illionaires devoted to our interests, police and soldiers. ([*The Protocols of Zion*](#), 7:1) (See also [*THE WORLD ORDER, A Study in the Hegemony of Parasitism*](#) by Eustace Mullins, 1985, Ezra Pound Institute of Civilization)

They envision a one-world state governed by Jews with their Jewish World Tyrant in control whom they refer to as the 'KING-DESPOT OF THE BLOOD OF ZION' and whom, *The Protocols* states, the Jews are "PREPARING FOR THE WORLD". ([*The Protocols of Zion*](#), 3:15)

And,

[O]ur [the Jews'] kingdom will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any GOYIM [non-Jews] who oppose us by deed or word. ([*The Protocols of Zion*](#), 5:1)

The mad goal of the Illuminati, or its present-day equivalent, is to replicate the kingdom of Solomon (biblical son of David) in the modern world in the person of its *King Despot* to whom the nations of the world will subordinate their sovereignty.

The recognition of our despot ... will come when the peoples, utterly wearied by the irregularities and incompetence - **a matter which we shall arrange for** - of their rulers, will clamor: "Away with them and give us one king over all the earth who will unite us and annihilate the causes of disorders - frontiers, nationalities, religions, State debts - who will give us peace and quiet which we cannot find under our rulers and representatives." ([*The Protocols of Zion*](#), 10:18)(emphasis added)

The only religion that will be tolerated will be Judaism. The only world view that will be tolerated will be the Jewish world view. Some high ranking non-Jews will collaborate, acting as **Shabboz Goy** (non-Jew helpers of the Jew) to keep the non-Jew proletarian slave class subdued. An extensive police state (police and soldiers) will exist to keep the proletarian slave class in constant fear and submission. All collective power except that of the Jews, especially *The Elders*, will be eliminated.

At present Masonic lodges provide much of the Shabboz Goy police and judges to pave the way for the World Communist State and the advent of the Jewish World Tyrant:

AMONG THE MEMBERS OF THESE LODGES WILL BE ALMOST ALL THE AGENTS OF INTERNATIONAL AND NATIONAL POLICE since their service is for us irreplaceable in the respect that the police is in a position [...] to use its own particular measures with the insubordinate ...([*The Protocols of Zion*](#), 15:4)

In the most important and fundamental affairs and questions, JUDGES DECIDE AS WE DICTATE TO THEM, see matters in the light wherewith we enfold them for the

administration of the GOYIM, of course, through persons who are our tools though we do not appear to have anything in common with them - by newspaper opinion or by other means Even senators and the higher administration accept our counsels.
([The Protocols of Zion](#), 15:10)

When the plans of *The Elders* reach fulfillment Masonic lodges will be eliminated:

Every kind of new institution of anything like a secret society will also be punished with death; those of them which are now in existence, are known to us, serve us and have served us, we shall disband and send into exile to continents far removed from Europe. IN THIS WAY WE SHALL PROCEED WITH THOSE "GOY" MASONS WHO KNOW TOO MUCH; such of these as we may for some reason spare will be kept in constant fear of exile. We shall promulgate a law making all former members of secret societies liable to exile from Europe as the center of rule. ([The Protocols of Zion](#), 15:1)

For the more troublesome Freemasons, a worse fate is possible:

WE EXECUTE MASONS IN SUCH WISE THAT NONE SAVE THE BROTHERHOOD [of the Illuminati] CAN EVER HAVE A SUSPICION OF IT, NOT EVEN THE VICTIMS THEMSELVES OF OUR DEATH SENTENCE, THEY ALL DIE WHEN REQUIRED AS IF FROM A NORMAL KIND OF ILLNESS ([The Protocols of Zion](#), 15:9)

From *The Protocols* we can deduce that the parasitic social hierarchy of the Zionist New World Order (World Communist State) is intended as follows:

Revalo P. Oliver describes this arrangement as follows:

There are two essentials [for this scheme to work], viz.: (1) a mass of undifferentiated human livestock, sufficiently intelligent to be trained to perform routine and often complicated tasks, but too stupid to take thought for their own future; and (2) a small caste of highly intelligent planners, preferably of an entirely different race, who will direct the livestock and, with the aid

of overseers [Shabboz Goy] who need be but little more intelligent than the overseen, make sure that the livestock work hard and breed properly and do not have unsocial thoughts. The owners must be so superior to the owned that the latter will not regard themselves as of the same species. The owners must be hedged about with a quasi-divinity, and their chief, therefore, must be represented as an incarnate god. (Revalo P. Oliver, [*History and Biology*](#), 1963)

How will this be combated? How can it be combated? It is clear that any resistance to such a tyranny cannot depend on a population whose minds have been rotted out by Jewish propaganda and Jewish values nor can it depend on a racially mixed mish-mash population of 'livestock'. An effective resistance will only come from a relatively small but highly committed minority of OUR people who remember what it means to be White and who will be hard as steel but adaptable enough to adjust to any and all circumstances.

[For] winning back the independence of a nation [...] it will suffice if a small remnant, no matter how small, of this nation and State will exist, provided it possesses the necessary independence to become not only the vehicle of the common spirit of the whole [Aryan] people but also to prepare the way for the military fight to reconquer the nation's liberty.

--Adolf Hitler, [*Mein Kampf*](#) Vol.2 Ch.13 (Murphey translation)

Who are the Elders of Zion?

In the previous chapter we stated that the Elders of Zion were (are) Illuminati Jews. We would now like to elaborate somewhat on that theme.

The Illuminati was suppressed in Bavaria in 1785. Around the time of its suppression, documents were seized by the Bavarian state authorities some of which were published in 1787 (the front cover is shown above, [Link](#)). After its suppression the Illuminati, in all likelihood, took refuge in Masonic lodges:

GENTILE masonry blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people an unknown mystery. ([The Protocols of Zion](#), 4:2)

We have no intention of endorsing Freemasonry. However, we should note that the difference between the Illuminati and "pure" Freemasonry (devoid of Illuminist influence) would be analogous to the difference between the American Revolution and the French Revolution...or

between the American Revolution and the Bolshevik Revolution in Russia. The former, once completed, resulted in a peaceful transition to constitutional government. The latter two cited resulted in year upon year of rampant blood-lust with an attempt to exterminate the best and brightest among the Aryan people of the countries affected (France and Russia). We should also note that George Washington (a Freemason) was aware of the Illuminati and was deeply committed to restricting their influence in America.

Identifying the Elders of Zion depends upon whether the organizational structure of the Illuminati was preserved after the suppression in 1785. We can state with some confidence that it was since the Illuminati was already well embedded within European Freemasonry, due to the Alumbrados within Masonic lodges, at the time of suppression and could easily have found safe haven there. **It was likely absorbed within the Alumbrados and was able to become the 'secret Masonry within Freemasonry' with its own organizational structure intact.**

Prior to the suppression, there were three levels within the Illuminati, each level being subdivided into four sub-levels. When we include all the sub-levels that gives a total of twelve altogether. Of primary interest in the inquiry of the identity of the Elders of Zion are the top four levels. These are Rex, Magus, Princeps, and Presbyter:

108

		Vorbereitungsaussch.	
I. Klasse Hauptklasse	1.	Noviziat.	
		Minervalis.	
		Illuminatus minor.	
		Einweihung eines Magistrats.	
II. Klasse Beymännerey.			(a. Lehrling.
		Symbolische	(A. Ritualbuch, b. Gezell.
			(c. Meister.
			(B. Constitutionsbuch.
III. Klasse Mythenk.			(A. Illum. maj. oder Schots
	2.	Schottische.	tischer Noviz.
			(B. Illum. dir. oder Schots
			tischer Ritter.
	1. Kleine.		A. Presbyter.
			B. Princeps.
2. Große.		A. Magus.	} noch nicht gemacht.
		B. Rex.	

In the above chart, lower to higher rank reads from top to bottom. The term 'Rex' means 'king' in Latin. So, at the highest rank is the Illuminatus Rex or king of the Illuminati. Immediately subordinate to him are those at the level of Magus (commonly called *wise man**), presumably those adept in the "occult" arts of the Cabbala. Analogous to the Rex but at the next level down in rank would be the Princeps (or prince). Subordinate to the Princeps are those at the level of Presbyter (commonly called *elder*). The world, or at least Europe, was divided by the Illuminati into provinces. Presumably the Princeps (or princes) would exercise the same authority over a province as the Rex (or king) would exercise overall.

The highest rank, Illuminatus Rex, presents us with a problem. Was that position occupied or vacant? Viewing the question in context, it is our claim that the goals of the Illuminati have been the following:

- To re-establish the Jewish [Exilarchate](#) in Europe in the person of a descendant of Biblical King David through the male line of Solomon (Son of King David)
- To initiate the destruction of Western civilization and eliminate the best and brightest of Aryans within Europe and elsewhere (the French and Russian Revolutions provide sufficient examples)
- To establish a **Jewish ruling class** throughout the world subordinate to the Exilarch
- To proclaim, at the appropriate time, the Exilarch (Illuminatus Rex = *King Despot of the Blood of Zion*) as Rex Mundi (King of the World = Jewish Moshiach = Jewish World Tyrant)

At the time the Protocols were written it is clear that the search was on for the "rightful" Exilarch.

I pass now to the method of confirming the dynastic roots of King David to the last strata of the earth. This confirmation will first and foremost be included in that which to this day has rested the force of conservatism by our learned elders of the conduct of the affairs of the world, in the directing of the education of thought of all humanity. ([Protocols of Zion](#), 24:1,2)

This shows that the Elders were holding back ("the force of conservatism") on their program while they undertook to "confirm the dynastic roots of king David" and also that, once confirmed, they would launch a massive propaganda campaign directing the education of humanity towards him. This strongly suggests that either the office of Illuminatus Rex was vacant or it was being occupied by some "seat warmer".

Do we currently see such a propaganda campaign? We may cite the Dan Brown phenomenon. Briefly stated, [Dan Brown's](#) novels (specifically [The Da Vinci Code](#)), which seem to rely heavily on the research of Baigent, Leigh, and Lincoln ([Holy Blood, Holy Grail](#)) and concerning which an intellectual property battle was fought in the courts, suggest that Jesus produced one or more offspring, that they or at least one of their descendants found their way to France and founded a royal dynasty (Holy Grail = Sang Royal = Holy Blood). That royal dynasty, the [Merovingians](#), was overthrown by the [Carolingians](#) but since then has been protected by various secret societies. All of that excites extreme skepticism, however. One must believe in a chain of unlikely events to believe it. First, one must believe that Jesus produced one or more children (unlikely). Second,

one must believe at least one of his descendants found his way to France (possible). Third, one must believe a further descendant established a royal dynasty (unlikely). Fourth, one must believe that a secret society was formed with the sole purpose of watching out for that bloodline (possible but unlikely). The secret society claimed in [Holy Blood, Holy Grail](#) to be the [protective society](#) watching over the [Merovingian dynasty](#) turned out to be a fabrication (i.e. a hoax). However, one thing the Dan Brown phenomenon has accomplished was to direct the attention of the public along a line of thought about secret bloodlines and their relation to the Biblical King David - and THAT perhaps was the point!

It has been alleged that the Merovingian dynasty, rather than being descendants of Jesus (which is admittedly preposterous), were actually descendants of Rabbi Makhir, the (possible) Exilarch in Narbonne referred to earlier (p. 40) and who “took the name Theodoric [not to be confused with Theodoric the Great = Dietrich von Bern], married Alda, the aunt of Charlemagne, and was appointed 'King of the Jews' in the region of the Languedoc, with his capital the city of Narbonne.” ([Link](#), [Link](#)) [A word of caution – due to the pseudo-historical nature of the book [Holy Blood, Holy Grail](#), all claims regarding the origin of the Merovingian dynasty derived from unproven or discredited sources should be taken with a grain of salt].

We also see a propaganda campaign by the [Chabad Lubavitch](#) to promote [Noahide Law](#) among non-Jews in preparation for the coming of their Moshiach (Jewish World Tyrant). Noahide Law was proclaimed as [Education Day, U.S.A.](#) (cf. *Protocols* 24:2, 'directing of the education of thought of all humanity') by President George H. W. Bush on March 20, 1991 in honor of Rabbi Menachem M. Schneerson who, when alive, was prominent in the proclamation of the soon arrival of their Moshiach. Schneerson himself was [proclaimed as Moshiach](#) by some. Schneerson traced his descent from [Judah Loew](#), the “Maharal of Prague”, who in turn was traditionally regarded as [descended from an Exilarch](#). In spite of the fact that Schneerson died in 1994, some still regard him as the Moshiach who will come back to life and finish his tasks.

Returning to the original question about the *Elders of Zion* (or *Wise Men of Zion* or *Learned Elders of Zion*, depending on the language of translation), we can give the following answer: they are the Presbyters or Magi (plural of Magus) of the Alumbrados/Illuminati, the ***secret Masonry within Freemasonry***. Unfortunately, we are unable to give their names. The original members of the Bavarian Illuminati used classical names as code names (for example, Spartacus = Weishaupt) and with sufficient research we could possibly deduce who some of them were. To ascertain the identity of their modern counterparts would be orders of magnitude more difficult.

The *Protocols of the Elders of Zion* would then be the secret protocols intended for those at the Presbyter or Magus level of the Alumbrados/Illuminati and not meant for anyone outside that circle.

*In the [Christmas story within the New Testament of the Bible](#), *magi* is translated as *wise men* in some translations and left as *magi* in others. A [magus](#) in ancient Babylon was an adept in astrology and the “occult” arts.

The Jewish World Tyrant

[O]ur kingdom will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any GOYIM [non-Jews] who oppose us by deed or word. ([The Protocols of Zion](#), 5:1)

When the King of Israel sets upon his sacred head the crown offered him by Europe he will become patriarch of the world. ([The Protocols of Zion](#), 15:23)

Our race is the Master Race. We are divine gods on this planet. We are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement. Our destiny is to rule over the inferior races. **Our earthly kingdom will be ruled by our leader with a rod of iron.** The masses will lick our feet and serve us as our slaves.
--Menachem Begin (Prime Minister of Israel, 1977-1983) in a speech to the Israeli Knesset in 1982. [Link](#)

Now begins the great last revolution. In gaining political power the Jew casts off the few cloaks that he still wears. The democratic people's Jew becomes the blood-Jew and tyrant over peoples. In a few years he tries to exterminate the national intelligentsia and by robbing the peoples of their natural intellectual leadership makes them ripe for the slave's lot of permanent subjugation.

-- Adolf Hitler, [Mein Kampf](#), Vol.1 Ch.11

A 'unified' Europe will be the base of operations for the Jews' dominion over all the peoples of the world. The Grand Synthesis of Social Marxism in the service of and driven on by Despotic Capitalism will be the means by which the Financial Oligarchy will extend its tyrannical control throughout the world. *The Protocols* foresees a single Jew, a latter-day Trotsky, in control and calling the shots on behalf of *The Elders*.

The Talmudic writers of [The Protocols of Zion](#) had in mind not only a monarchy for Israel (after the closing of the Symbolic Snake) but also that monarch would rule the entire world, from a 'united' Europe! Nor do they have in mind a time of well being for the peoples of the world. **The Protocols are but a political and economic plan of action to bring about the fulfillment of the Talmud.**

Concerning that time in the future when a Jewish tyrant will rule over the entire world the Talmud says, "Thus Israel should hope for the redemption, because it will be a day of light to them: but why should the Gentiles, seeing that for them it will be a day of darkness [i.e. despair and hopelessness]?" ([Sanhedrin 98b footnote 40](#))

Whether the Jewish World Tyrant will appear in the person of a literal monarch as *King Despot of the Blood of Zion* or not, it is clear there is a zeal among Jews, both religious and non-religious, for a Messianic era of Jewish world domination. The *King Despot* may not in fact be a literal king but it is clear he is to have world dictatorial power as tyrant over a World Communist State.

Such a condition will lead to a conflict of unprecedented proportions, as predicted by Hitler:

Only a bourgeois simpleton could imagine that Bolshevism can be tamed. In his superficial way of thinking he does not suspect that here we are dealing with a phenomenon that is due to an urge of the blood: namely, the aspiration of the Jewish people to become the despots of the world. That aspiration is quite as natural as the impulse of the Anglo-Saxon to sit in the seats of rulership all over the earth. And as the Anglo-Saxon chooses his own way of reaching those ends and fights for them with his characteristic weapons, so also does the Jew. The Jew wriggles his way in among the body of the nations and bores them hollow from inside. The weapons with which he works are lies and calumny, poisonous infection and disintegration, until he has ruined his hated adversary. In Russian Bolshevism we ought to recognize the kind of attempt which is being made by the Jew in the twentieth century to secure dominion over the world. In other epochs he worked towards the same goal but with different, though at bottom similar, means. The kind of effort which the Jew puts forth springs from the deepest roots in the nature of his being. A people does not of itself renounce the impulse to increase its stock and power. Only external circumstances or senile impotence can force them to renounce this urge. In the same way the Jew will never spontaneously give up his march towards the goal of world dictatorship or repress his external urge. He can be thrown back on his road only by forces that are exterior to him, for his instinct towards world domination will die out only with himself. The impotence of nations and their extinction through senility can come only when their blood has remained no longer pure. And the Jewish people preserve the purity of their blood better than any other nation on earth. Therefore the Jew follows his destined road until he is opposed by a force superior to him. And then a desperate struggle takes place to send back to Lucifer him who would assault the heavens.

([Mein Kampf](#) Vol. 2 Ch. 14)

Postscript

The analysis given here of the Illuminati and the New World Order differs from that of some other writers. Some critics of the Illuminati and the New World Order attempt to deflect attention away from the Jews in effect saying that their Jewishness is incidental to their involvement in the Illuminati sect or its modern equivalent. Our analysis shows that the Illuminati sect was in fact a revival by Rothschild and Weishaupt of the Alumbrado sect begun in Spain after the expulsion of the Jews from Spain in 1492 and the conversion to Catholicism of those who remained. The Alumbrado sect had begun in an attempt to preserve Talmudic and especially Cabbalistic teaching among those Jews who had remained in Spain and had outwardly converted to Catholicism. Cabbalistic Jews had brought their beliefs with them to Spain when they were expelled from what had been Babylon in the 14th century. Members of the house of David had been leaders in the Jewish community over the twenty centuries the Jews were in Babylon/Persia from the 6th century BC to the 14th century AD. That community not only brought its beliefs to Spain but also brought the Davidic bloodline from which will arise, according to [The Protocols of Zion](#), the *King Despot of the Blood of Zion*. The mad goal of the Illuminati, or its present-day equivalent, is to replicate the kingdom of Solomon (biblical son of David) in the modern world in the person of its *King Despot* to whom the nations of the world will subordinate their sovereignty. Our analysis indicates that the movement towards the Zionist New World Order (World Communist State) is essentially driven by zeal among Jews, both religious and non-religious, for a Messianic era of Jewish world domination. This remains so whether the Shabboz Goy (useful idiot) Freemasons at its fringes recognize it or not and whether some of its critics recognize it or not.

One final comment: If any people should bear the title of *God's Chosen People* it ought to be the White race. It is the White race which brought to the world the gift of civilization. We only have to look at the manifold blessings that White people have brought to the world in science, mathematics, engineering, medicine, architecture, agriculture, law, ethics, art, music, literature, and philosophy. Only a race of culture creators, given free creative bent, could make such accomplishments possible. If any race can be said to have the Law of God written on its heart, expressed through its idealism and culture creativity, it is the White race and not some Semitic tribe which claims the title of *God's Chosen People*.
