12/30/90 HATONN

TODAY'S WATCH

Salu. May we hold uppermost our Holy mission--in God's service toward balance and truth. Hatonn.

As you ponder points this day, let me ask that you consider some three aspects which may SEEM as nothing. However, as your administration pushes for power and control, you might overlook them in the confusion.

MORE RESERVES CALLED

Are you impressed that the "honor guard" marines are called up and being sent to Saudi Arabia--"the first time since 1906 such a thing has been done"? You aren't even in war; why would Bush and the Pentagon do such a thing? Why do you think the Military "Society" is a "PENTAGON"? You had better pay some closer attention. Do you think that those precision marching Marines are going to go save the cause in the Middle East? This is all hype and hoopla so that you blind lambs will miss the important points. You, further, do it during the Holiday Season so that ones are forced into patriotic frenzy to live with what you are allowing and know not how to stop.

You are dangerously close, now, to having a mandatory call for Executive Emergency Orders. While the attention is focused on distrac-

tors, more reserves have been called and will leave for Saudi Arabia within a couple of days. It is truly coming quickly for, even if there is no war, the mere calling up into active service, these reserves, will lock you into unending Executive Orders for Mr. Bush can leave the peace-keeping forces in action and the powers he will have assumed will require a full act of Congress to UNDO! This is where he is headed; he doesn't care about the war--JUST THE THREAT OF WAR. How could it be that this "wimpy man", as you ones called him, (just as you do DANGEROUS DAN Quayle) could prove so lethal? Because you-the-people had to be unsuspecting of that which was intended to come down on you--you are thusly into the trap before you realize that Mr. Bush is in no manner a "wimp". Neither will Quayle be. Quayle is just a "pretty face" now--but, if necessary, he can be programmed into as great a tyrant. You do not need a powerful PERSON in these slots because the one in the slot does NOT run the country! The shadow government rules the country and they come from the commissions, organizations and adviser categories whom most of you do not even know labels or titles.

Quayle becomes "perfect" for his job--now or later--for he has no opinion of his own and will do the party-line without thought or conscience. You stand on the very edge with one foot already into the

abyss. Mr. Bush is trying to get the job of power control prior to the Congress convening next week. You see, he has the advantage for this is the way Congress works: The Congress convenes and then takes another recess before calling to sessions for the regular session. This allows Bush and his cohorts to glean the information they need prior to session and make last minute changes or speed-up to the plans. If, in the interim for instance, you have a major incident (as you will), the President can invoke Emergency Regulations at any rate--and you are trapped, for they have you covered in several differing aspects. Mr. Bush can call Emergency Regulations and Executive Orders actions on the Economic Emergency front, he can call up another couple of thousand reserves and the same is MANDATORY on the "national defense" front--and/or war incidents that call to total alert or involvement on any number of fronts in the Middle East--including the actions between Israel and Palestine (they are setting it up right now--this day).

TAXES

"No new taxes?" Oh dear friends--this is primary, number one reason for setting the deadline date for war at January 15th. There will be an incredible "sur-tax" and it will be based on 1990's earnings and it will be too late for you sitting

ducks to do a single thing about it! This is why all industries are struggling along to hold employees until the first of the year--so that you can't claim loss or unemployment or any other defense to save your money, no matter how badly you may need it for your own survival.

I would hope that the ones in my close circle will act on Monday. I realize that it is New Year's Eve--**BUT IT IS YOUR LAST OPPORTUNITY TO COME INTO ANY TYPE OF SHELTER FROM PRIOR ARRANGEMENTS!** George, I know not how to stress this firmly enough for those who sit on their funds. It would be better to transfer them to an Institute or business investment and then recover the funds later than to simply sit and wait--for I promise you this: the government will find the "middle man"--who pays the bills--(and now can't) and they (government) will have enough power, in fact, to go for the ones who still have ANY money at all!

Get all accounts **OVERDRAWN** and into security before midnight Monday, if you do nothing else all the whole day! Get the funds **MOVING!** Check into "purchasing" services, commodities from all corporations in which you would be doing business--**NOW!** There is no sum too small! Move it out--savings will ultimately be confiscated.

JAPAN

Japanese lawmakers have denied further support to the Middle East and now Kaifu is in his last struggle to rally further support for the U.S. The Japanese parliament is beyond "angry" because not only has Japan been placed in an awkward position but the cost of their fuel has risen astronomically when

they had no problem at all prior to Mr. Bush's insane move. The world is with Mr. Bush's U.S.? **NO, THEY ARE NOT!** You have now run every nation in the world into incredible extra debt and expense and made the cost of oil so high in the nations that the countries must go into further debt to the World Bank (Banker's Cartel Trilateral Commission) just to keep the countries functioning in any basic manner what-so-ever. Now you plan to pull them into economic destruction by way of **WAR!** Can you not see how the plan has and is working to the evil perfection? Plus, if pushed into war, you get rid of the only defense you have, as a nation--your military commands. **SATAN PLAYS A WICKED HAND OF POKER, DEAR ONES! AND FURTHER, THERE WILL BE NO MERCY--HE WILL PICK UP THE CHIPS AND CASH THEM IN AND YOU WILL PAY FOR THE CHIPS IN ADDITION TO ALL THE EXPENSES INVOLVED IN HOLDING THE "GAME".** **DOOMY/GLOOMY Hatonn?** Yes, indeed--I have pleaded with you for two years to wake up and smell the coffee and burning toast and you throw rocks, guns and knives at the "alarm clock". Will I say "I told you so"? Probably! But I would far rather you open your eyes and then we can stand together and say, "Look, **WE DID IT! WE SAVED OUR CONSTITUTION AND OUR NATION!**" In the process of doing this for self in this nation--you can pull the whole of the world back into security!

I suggest, Oberli and GG, that you consider setting up another resource or two with fiscal year ends in Spring or whenever--then move all funds out and into their safety net within the next very short period of weeks. The important thing is to get funding out of the confiscation situation and then move it out and into various operations of full and legal service

prior to announcement of sur-tax. Gold held as collateral against notes will be the last confiscated for it will be considered collateral and therefore will not be considered personal property! Ponder this point carefully--**AND QUICKLY (LIKE WITHIN THE NEXT HALF HOUR!)**. It is not too late to make calls this day and tomorrow if you begin to act instantly! If you ones cannot turn into the helping of your brothers **NOW--then WHEN?** Will you wait for action until the horses are gone, stolen and/or shot?

By the ending of 1991, dearly beloved, ones will be pathetically wallowing in self-pity and blaming you that **THEY** did not know! So be it--be gentle and firm and always remind every **ONE** that it is never **TOO LATE--UNTO THE TWELFTH HOUR!** Do not allow the wasting of your time for you have none to spare.

What do I suggest for immediate action--like today? If ones are in "trusts", CD's etc, they might consider making "revokable" exchanges on Monday and then as quickly as possible take care of dissolving the "public" resources which are there for the confiscation as with treasure maps **AT THE VERY EARLIEST POSSIBLE MOMENT FOR DOING BUSINESS.**

The administration will act immediately upon calling into play, the regulations. So, you who have tarried--prepare for a mere few hours before action is taken--**IT IS FOR THIS MOVE BY ADMINISTRATION THAT THE FRACAS IN THE MIDDLE EAST BEARS NO CURRENT, SEEMINGLY, POSSIBILITY OF SETTLEMENT! YOU ARE IN THE NET LIKE FISH AND FEW WILL "GET AWAY"!**

Won't this place our people in jeopardy? They are already shot at; why do you concern yourself?

But, in fact--NO, it won't because there will never be the slightest illegal or immoral act from this place! This is WHY all the lessons in so many myriad of subject matter and instructions for the proper functioning of the various plans to assist you in taking actions best suited for the best manner of getting through this mess. No, you will not go without the passage--but this way, some can at least MAKE THE PASSAGE.

I repeat--on the FIRST DAY OF JANUARY--ALL your savings, bank accounts and gleanings from the past which have already been taxed--CAN BE TAXED AGAIN--AN WILL BE!

Further attention: You can tell by the additional insane spending and give-aways--the incredible expenditures, that the Fed's have absolutely no intent of ever having a monetary system--again--which functions as anything you have ever known. If they can't pull off total destruction through one route they will use alternative plans. They have a backup plan for wiping out all currency and that must follow collapse in total to be effective.

I WOULD CONSIDER THIS THE ELEVENTH HOUR CALL, FRIENDS--FOR THE NOOSE PULLING IS AT HAND AND SATAN HAS HIS HANDS ON THE OPEN CONTROLS! How many will listen? Few! How many will act? Fewer! But, precious brothers, you will have fulfilled your service in honor. So be it.

WHAT OF THE ROYAL KUWAITI SABAH'S?

In closing this current events portion, please consider another point being thrust at you--in behalf of those poor, suffering, displaced Kuwaiti Royalty living in the most luxurious facilities in the Middle East--and, that is VERY luxurious

indeed! What does the Emir say? "We are able to continue to live in this luxury because we prepared! We took the money OUT OF KUWAIT AND TRANSFERRED IT OUT OF THE COUNTRY!" That should tell you ALL YOU NEED TO KNOW!

Close this portion please. Take if off the equipment and turn it over to Oberli and after you monitor it please return to the board for we need to respond to "New Zealand". I have a lot to say in regards to New Zealand and our precious friends down under. The Naval facilities are still intact and have been fully functional since the Falkland's catastrophe. The ships within the installation were removed and lost to the Cosmo-spheres but they have had all these interim years to rebuild and have done so. I shall respond to the inquiries for the questions come with such helpless inability to "be heard". Truth is going to start "falling" all over mankind--very shortly, we shall simply have to take the sequence as best we can until man begins to see for there shall never be force involved--that is the way of God.

Hatonn to stand-by. Saalome'

PLEIADES CONNECTIONS AND OTHER THINGS

I can't turn to Cosmic connections without continuing to inform you of that which is REALLY going on on your own planet. Why? Because the two subjects are so integrated and intermeshed that there is no actual way for separation. One cannot be discussed without need of the information borne by the other.

MISLEADING B-S!

I ask that you use wisdom because the misinformation and sedatives will pour forth as never before as

ones defend the lies they have already projected, the false speakers who have led them down the "primrose" path and the egos are unable to bear "being incorrect". YOU will have to become the discerning receiver! Example? OK:

Received by Dean S.

QUOTE:

Dean S. of Thornton, CO has received information from another channel that indicates Russia is controlling our weather, causing the extreme cold, and that the Russians are planning an attack against America. Could you provide any insight into the validity of this information?

REPLY:

Good morning, we are Andomus. We will attempt to respond to your inquiry.

We hesitate to say any entity is incorrect in the information they receive, however, for any channel, the present one included, there is always the chance of the information being distorted or not fully understood, therefore, it is always wise to evaluate any information carefully, logically, and intuitively as well.

With respect to the ability of the Russians to control the weather, we do not find that technology present upon Earth as yet. While the capability exists for it to be done, humans have not yet acquired the expertise of how to do it. Logically, your test of whether it is true or not would be to evaluate the weather in Russia. If they have the ability to control weather, would their own climate not be warm and balmy, with sufficient rainfall to generate untold bushels of wheat, beets, corn, and other necessary staples? Instead, you find the Russians are experiencing cold nearly as extreme as your own. The Rus-

sian economy can barely withstand such cold. Given that, would they not reduce their own suffering had they the ability to do so?

With respect to the probability of an attack upon the United States by Russians, let us again examine the facts from a logical viewpoint. Russia has extended the olive branch of peace to the United States. Was this done as a guise to throw Americans off their guard? Or was it a realization by Russian management that they could ill afford a war with the United States and it would be better to extend hands of peace toward the United States in an effort to assure that America would not attack THEM? The latter case is, in fact, true.

Internal turmoil within Russia, at present is so great, due to the attempt by Gorbachev to change the various States within Russia into capitalism rather than communism, that there are questions as to whether HE will survive. People are literally starving due to inefficiencies throughout the country, as well as a select few attempting to become wealthy over this conversion. Times with Russia at large, are most trying. You will see many thousands starve to death this winter simply because distribution of food is not being done properly. You will see much internal strife within Russia, but we do not, at present, see that internal strife spilling over into an attack on any other nation, most especially, America.

People will indeed push themselves to war within Russia, but it will be a war for distribution of the necessities of life rather than a war of aggression against any other nation. You cannot ask hungry people to attack a nation thousands of miles away when the needs are so great within your own back yard.

We hope this provides the insight you desired. Our blessings upon you this day, as all others. Peace

be with you.

Thank you very much. Do you have any other information for me this morning?

No, we know you are preparing for your departure, therefore, we will leave you to the many tasks you have to perform.

OK, thank you very much.

END QUOTE

I am Gyeorgos Ceres Hatonn in total service unto the Lighted Source of Creation--with one intent: to bring TRUTH as commanded by God within The Creation. By the way, one of the many labels for God-the-Deity, in your languages--is ATON. Guess what!!! I serve ONLY TRUTH, THE WORD AND THE LIFE!

WHO MIGHT THIS "WE" BE? ANDOMUS? I THINK NOT! I DO FIND THE ENERGY PROJECTING AS MUCH--I DO NOT FIND IT LISTED IN THE BOOK OF LIGHTED SERVANTS.

This scribe is NOT A "CHANNEL" as you ones have turned into the utilization of the term, so I suggest that the "channel" is not distorting the information nor does the "channel" misunderstand--she understands not at all! The information is MINE--and let there be no misunderstanding of this matter.

The Russians have complete ability to control storm systems and atmospheric flow currents. So does the U.S. if you could only get out into space with your toys. However, the Russians keep you out of the space in which to play your games effectively. You do have input but it is limited by the inability to function from far enough out in your atmosphere to facilitate control.

Why would the Russians wish to

control their own weather to make it balmy and warm? They function very well in that which they have and at some point the hope is to utilize YOURS. You think they need this to grow more wheat, staples, etc.? Come now--you who claim to be Andomus--the Russians have abundance of food rotting in the fields for lack of harvest hands refusing to pick it up. Grain is wasted by the multiple of tons in the fields for lack of harvest--where have you been, Andomus???? In addition, it is not the "cold" the Russian economy cannot stand, as you have worded the advice. Would they reduce their own suffering? No--the Elite who would control your planet do not concern with relieving suffering--they increase suffering so that the helpless come into slavery and total ability to control. The point is to reduce world population and some frozen bodies only help in their cause, pull world sympathy and glean more for the Elitists.

Extend hands of peace across the oceans to the U.S.? Please, one of you here, make sure the cartoon is included in this portion for it speaks untold truth! (See last page) Wherein Andomus' speaker says "The latter case is, in fact, true," IT IS NOT TRUE AND I SHALL BE MOST HAPPY TO CONFRONT THIS ANDOMUS (WHOEVER "THEY" ARE) PERSONALLY--THROUGH "THEIR" "CHANNEL".

The reference to internal turmoil within Russia is correct--the "reason for the turmoil" is total fabrication and foolish speculation and if you see no "spilling over into an attack on any other nation, most especially, America", you are indeed deceiving of your precious receiver and audience who depend upon your truth. Does Russia want war? No! Most certainly not--they would prefer to take the world without conflict--BUT THEY CONTROL SPACE AND WAR IS NOT THE POINT IN

ATTENTION--WAR IS SIMPLY NOT THEIR PRIORITY AT THIS TIME! IN FACT, IT WILL BE BECAUSE OF THIS POWER-STICK THAT YOU MAY SQUEAK BY WITHOUT A CONFLAGRATION, IF AT ALL. DO YOU ACTUALLY BELIEVE MR. GORBACHEV SENT AN AMBASSADOR TO MR. BUSH DAY BEFORE YESTERDAY TO DELIVER LOVE NOTES AND ROSES?

Now for the most ludicrous and truthful statement of the above quotation. You simply have the nations confused. Yes there will be turmoil and revolution attempts within Russia. But surely you jest about foreign conflict. In the U.S. you have over 3 million homeless people--hungry and unable to find work or shelter and yet, YOU SEND YOUR PEOPLE "TO ATTACK A NATION THOUSANDS OF MILES AWAY WHEN THE NEEDS ARE SO GREAT WITHIN YOUR OWN BACK YARD."!!!! So be it and selah!

The above is exactly the type of misinformation and distraction of which I so frequently speak. Why do these ones not ever test me in truth of personal contact? Because you ones accept the BS and go back to sleep within the lies. Believe that which you will--but the awakening into TRUTH is upon you and it is this type of sedative which will get you destroyed. The entire document is one of that which the Earth-bound human desires the scenario to be--NOT THAT WHICH IS! You readers believe whichever you wish--it makes no difference to Hatonn other than that I am sent forth to assist as many of you humans as will accept our presence--I ASSURE YOU--YOU WILL FINALLY COME INTO SEEING HATONN--YOU WILL NEVER COME INTO SEEING ANDOMUS!

POINT OF CLUES INTO THAT

TRUTH: NOT ONLY DID "ANDOMUS" ("WE") NOT IDENTIFY SELF--BUT MORE IMPORTANT--THE "CHANNEL" DID NOT INQUIRE! SO BE IT! "'We' hesitate to say any entity is incorrect in the information they receive..." How dare you come with information without daring to confront, test and SAY RIGHT OUT FRONT AND AT THE TOP OF YOUR LUNGS--YOU ARE INCORRECT--IF, IN FACT, THE POINT IS ACTUALLY INCORRECT? You know very well my projections are totally correct and in truth and you mislead your blind followers by your insidious facade of authority.

Oh, but Hatonn--you offend! I CERTAINLY DO HOPE SO!

WHILE I AM AT IT

Here is another one: This from one Prof. Dr. J.A. Carpentier de Gourdon. And if you believe that, you are already misled.

QUOTE:

Dear Ms. Stevens:

We are responding to your message and catalogue of publications that we received earlier this year, entitled "Red Alert" and introducing writings credited to certain Extraterrestrial Entities which carry Egyptian or Samskritic names.

(Editor's note: we have reproduced the letter accurately without attempting corrections.)

We wished to tell you that we have for years written and lectured in academic forums on the subject of Extraterrestrial visitors in the past and present whom we have been given to watch in various, well documented circumstances during our ten years of stay in India--whose ancient history is replete with symbolism related to the presence of these-outer-space beings.

The Maharajas of India, who quests we were on numerous occasions, claim-descent from those alien cosmonauts and maintain traditional-genealogies that go back all the way to "the Sun" (Moon or Stars), thousands of years in the past.

We would like to present all this information to you if you would take the trouble to come and visit us at our Boulder-Headquarters--where thousands of records and archives--document our Mission of Service to Mankind pursued throughout the world since over forty-five years, at the highest levels-of government and academia. Our collaboration could be extremely-beneficial-mutually....but you must strive to make your communications more balanced and credible, because we are sure you must be aware of the considerable skepticism-aroused by your allegations that Jesus Christ and Judas Iskarioth--among other extra-terrestrials--are radioing--information about what really happened to them. That sort of "New Age" mythology--does not attract-serious thinkers and students of the so-called "UFO" issue and casts doubts (on the reliability of your inspiration). It is also highly-questionable that the "Commander in chief of the Earth Project-transition, Intergalactic-Federation-Fleet etc...etc..." is so concerned about defending the U.S. Constitution against encroachments--by internationalists--who are working to unify the world,--since the latter goal should be highly favored by the Extra-terrestrials. The struggle against: "One World Order"--in this country mostly interests some rather-benighted-fundamentalists--who misinterpret the message of "the Gospel" and confuse nationalism--with Christianity. These issues shouldn't concern those genuinely interested--in working in unison with our Extra-terrestrial-Initiators and it is critical--to your effectiveness--that you should eliminate from your writings--all these

things-that detract from the real message.

We are engaged in a work-arrived at the paroxysm of its development-and alone able to denounce all the errors of-Rights against Rights-which divide all and everything.

We look forward to your response and encourage you to come and peruse our thousands of documents, of which the enclosed papers are only a very small sample. Together we can coordinate our action and establish a common program of action and publication.

As we already mentioned, during our ten years of stay in India we lectured on all aspects of knowledge and particularly on the subject of Extra-terrestrials in over sixty universities, including the five national Institutes of technology.

With best regards, Yours Sincerely, J.H. Carpentier de Gourdon.

END QUOTING

I do wish we had time and space available to publish the rest of the informative, clarified and simplified gleanings from all those thousands of documents so allow me to print just a few paragraphs from the attachments. Please know that the material was both double and single underlined and therefore we cannot take the time to do justice to the material as to "stressing" of intent as they have done:

QUOTE:

END QUOTING FOR I SIMPLY CANNOT STAND TO GO ON FOR FOUR FULL PAGES, OF THE THOUSANDS, OF ENLIGHTENING INFORMATION.

I am confident that we are all most appreciative of the good Professor Doctor for this amazing bit of clear and specific thought on this subject—whatever it might have been or will ever be! If there is anything needed in this world it is this kind of concise, succinct explanation of life and truth! But while you dally with the speculation of ulterior motives regarding a space commander suggesting you save your Constitution—I suggest you **SAVE YOUR CONSTITUTION FIRST AND THEN ATTEND THE GOOD DOCTOR'S CLEAR AND CONCISE METHOD OF ATTAINING PERFECTION AND INTERRELATION WITH EXTRA-TERRESTRIALS!**

Well, Dharma, we are out of time before I get to the important information for you ones this day.

CONSCIENTIOUS OBJECTORS

For ones of you who ask about this information—we have some! Contact America West—for referral (we aren't really in the "business") or go straight to Rev. Albert G. Cohen, 696 S. Madison Avenue, Pasadena, CA 91106 (818) 796-

2951, and I suggest you act promptly because if you act "out of proper sequence" you will be "stuck". Mr. Cohen will refer you to CCCO-Western Region, PO Box 42249, San Francisco, CA 94142 (415) 474-3002 (10am-4pm).

More urgent and important information comes to us from another valued resource regarding the Constitutional Convention and Fact Sheet regarding same. Please either reprint it herein or forward with Express.

We are out of time for this sitting. Thank you.

By Hatonn

This Journal continues the practice of keeping you updated on major world events while giving you much other information about many topics.

You can learn the truth about the origins of humans upon this planet, our purposes here and why the truth has been hidden from us.

We have help to overcome all of our major difficulties IF we will return to living under the Laws of Creation and God.

Many other topics are covered,

such as types of dwellings best for our use from now on (patterned after Pleiadian dwellings). - Future Revelations and Earth changes - The Constitution of the United Nations Industrial Development Organization under which Pres. Bush is operating our country instead of the Constitution of the United States - What **TRUE** love is - Spacecraft -Types of metal used in them - About 666 and its significance - How the planet Venus got into our solar system and details about its surface (not as some have told us) - The danger of certain comets in our past and immediate future - The truth about robotoids

as our world leaders and MUCH, MUCH MORE.

CONSTITUTIONAL CONVENTION FACT SHEET

THREE STATES HAVE RESCINDED

1. FLORIDA, ALABAMA AND LOUISIANA have rescinded their calls for a Constitutional Convention. This leaves the U.S. 5 states away from the required 34.

CONVENTION TRIED IN 1976

2. A NEW CONSTITUTION called a Constitution for the Newstates of America was financed by the Rockefeller Foundation and published in 1974. Nelson Rockefeller, then president of the U.S. Senate, engineered the introduction of HCR 28 calling for an unlimited convention in 1976. Public opposition defeated this effort and convention backers went back to the states promoting a limited convention which we are facing now.

THE NEWSTATES CONSTITUTION'S ASSAULT ON THE BILL OF RIGHTS

3. GUNS - Article I - B Sec. 8 states "bearing of arms shall be confined to the police, members of the armed forces, and those licensed under law."
4. RELIGION - Article I - A Sec. 8 states "The practice of religion shall be privileged" Religious freedom would no longer be a right.
5. JURY TRIAL - Article VIII states that the judge decides if there is to be a jury.
6. SPEECH - Article I - A Sec. 1 states "Freedom of expression shall not be abridged except in declared emergency."

OTHER DANGERS

7. FARMS - Rexford Tugwell, the lead author of the Newstates Constitution said that private ownership of farms had not proved good for society.
8. DEPRESSION - Sen. Nancy Kassebaum's Committee on the Constitutional System says, they want to wait until the U.S. is in a 1929 type depression to call a convention because only then would the public accept the radical changes they want, so by passing another convention call or by not rescinding and moving them another state away from their goal we are encouraging them to force a depression on us.
9. SCHOOLS - Article I - A Sec. 11 says that free education would only be for those that pass appropriate tests.
10. ENTIRELY NEW CONSTITUTION PROMOTED - Henry Hazlitt an advisor to Jim Davidson's National Taxpayer's Union has called for an "entirely new constitution" in his book A New Constitution Now.
11. Sen. Nancy Kassebaum's group, The Committee on the Constitutional System is on record as wanting to use a convention to change the U.S. to a PARLIAMENTARY GOVERNMENT.

THE END OF THE STATE LEGISLATURES

12. STATES TO BE ABOLISHED - Under a GSA plan the 50 states will be abolished as specified in Article 2 of the Newstates Constitution and absorbed into 10 new states.

NO NEED FOR A BALANCED BUDGET AMENDMENT

13. GRAMM-RUDMAN - When this push for a balanced budget amendment started in the 1970's we did not have Gramm-Rudman.
14. GOVERNMENT WASTE - The Grace Commission Report identified enough government waste to more than eliminate the federal deficit.
15. LOOPHOLES - All balanced budget amendments proposed by Congress have been designed to be bypassed in case of emergencies such as war.
16. THE 10th AMENDMENT prohibits the federal government from being involved in anything not specified by the constitution and if even partially enforced would prove to be the desired balanced budget amendment.
17. LAWS IGNORED- Some argue that a constitutional amendment is needed because a law can be ignored. They miss the fact that the existence of foreign aid requires that the 10th Amendment be ignored.
18. LAWS REPEALED - Some argue that a constitutional amendment is need because a law can be repealed. Prohibition was a constitutional amendment and it was repealed.

CONGRESS HAS NO OPTION AFTER THE 34TH CALL

19. NO OPTION - Some argue that the states must pressure Congress into passing it's own amendment by making the 34th call. But Article V reads Congress "shall call" a convention when two-thirds of the states petition.

LIMITED CONVENTION NOT LIKELY

20. THE AMERICAN BAR ASSOCIATION Con Con study states "neither the language nor the history of Article V reveals an intention to prohibit another general convention."
21. A FARCE - Senator Orin Hatch told Congress that a convention limited to one amendment would be "a farce."
22. PACKAGE OF AMENDMENTS - The Committee on the Constitutional System stated in a press conference that it has a package of amendments ready if an unlimited convention should be held.
23. COMPETITION - There are a number of issues for which states have called for a convention. Their backers will all want to get in on the balanced budget convention if it is held.

STATE LEGISLATURES CAN BE BYPASSED

24. RATIFICATION - Article V gives Congress the power to bypass the state legislatures in favor of state ratifying conventions.

CON CON STRATEGY OUTLINE

11/28/89

1. Monitor the States by telephone

- * a. Recruit a 6-man national monitoring team
- b. Construct the state status chart for 1990
- c. Recruit 6-man monitoring teams for each state beginning with Kentucky and Virginia
- d. Telephone each state twice weekly
- e. Check opening and closing dates of session. Monitor for calling of special sessions
- f. Check each House to see if any Con Con resolution has been introduced
- g. Check to see if governor has to sign resolutions
- h. Check if hearings are planned or have been announced
- i. Check bill status
- * j. Get committed head count
- * k. Get floor head count
- * l. Order rosters for House and Senate
- * m. Order committee rosters for House and Senate
- n. Order House and Senate rules
- o. Order state constitution
- p. Order copies of resolutions
- q. Order roll calls
- r. Order witness lists
- s. Order testimony

2. Lobbying

- a. Mail lobbying materials to legislators homes
- b. Follow up mailing with phone calls
- c. Use petitions if necessary
- d. Lobby leadership of both houses
- e. Lobby sponsors and cosponsors of Con Con calls
- f. Lobby in person particularly at time of hearings. At least one member of the 6 man team should be in the state capital
- * g. Recruit sponsors and cosponsors for resolutions to rescind in both houses. Check with the clerk to see if there is a form of resolution or memorial that can be used to rescind Con Con calls but does not have to be signed by the governor
- h. Lobby those legislators as indicated by the head count
- i. Testify at hearings
- j. Lobby governor if necessary

3. Petitioning

- a. Door to door distribution of petitions is our most powerful weapon but it is also the most expensive and is not always needed
Petitioning was the difference in Florida, the first state to rescind
Petitioning was not used in Alabama, the second state to rescind
- b. A head count and lobbying should precede petitioning and may be enough
- c. If the head count is close, limit petitioning to swing votes
- d. The use of petitioning depends on the availability of funding for printing

4. Testify at hearings

- a. You will be provided with material tailored to your state from which to testify
- b. Be able to deliver the bulk of your testimony without reading verbatim
- c. Dress in business attire
- d. If possible coordinate testimony with other witnesses
- e. Be prepared to answer questions from legislators
- f. Leave a written copy of your testimony with the committee if you choose
- g. Distribute materials on committees desks before hearings if you choose
- h. Recruit members if the speakers bureau or experts from headquarters to testify

5. Organize telephone chains to

- * a. Make head counts
- b. Lobby
- * c. Call political talk shows

Those participating in head counts and lobbying must be available during business hours

6. Media

- * a. Send letters to the editors of local print media
- * b. Use the phone chain to support each others statements on political call in shows
- c. Give your views on public access TV

7. Work with other groups that support our stand on the Con Con

- a. Some of these groups are Eagle Forum, American Legion, VFW, AARP, AFL-CIO, Common Cause, ACLU and a number of church groups including the church of Scientology which is very effective
- b. Canvas the chapters for members who belong to these groups
- c. Contact these groups to make sure they know when hearings are scheduled and coordinate your testimony.
- d. Remember that in general conservative groups are for a balanced budget Con Con and liberal groups are against it. In Connecticut the National Organization for Women was handing out Phyllis Schaly's Con Con letter

8. Funding

This plan is designed so that each team member can fund his own operation except for petitions; the more expensive literature and possibly phone bills of the national monitoring team

Possible sources of funding are:

- a. Coordinator solicit contributions from business men and professionals
- b. Chapter level people can ask for donations as follow up after petitioning businessmen
- c. Chapter members can sell retail items such as candy or items manufactured by other members
- d. Coordinators should receive, record, distribute and account to headquarters for all funds generated

*Foundations of the whole strategy

JANUARY 1991 VOLUME VI NUMBER 11

1/1/90 HATONN

TODAY'S WATCH

Hatonn present and in service. We will first look at some "what if's" and "do you suppose?".

We are ridiculed, threatened and spat upon for saying that there is great control (from Earthman) of "natural" events. I am going to later have some rather eye-opening material which shall undoubtedly get us into deeper controversy. I would ask, however, that before YOU pick up a stone to throw, that you look carefully and thoughtfully at circumstances before your noses.

GORBY/JAPAN--AND EARTHQUAKES?

What could they possibly have in common? Lots! Japan and the Soviet Union have recently been having great and in-depth negotiations for exchange of opportunities for yen. Joint ventures, etc. This is perceived to weaken the position of Mr. Bush's administration, the Banking Cartel and "Western" strongholds. The U.S. has warned Japan to cease and desist--or else! What or else? Well, the U.S., UN and/or anything else has nothing to compare with that which the Soviet Union can control. And they just placed their shake, rattle and roll where their mouth is.

Mr. Gorbachev told the Japanese, "Not to worry!" about the U.S.

threats and rumblings against peace and actual world prosperity--the Soviets simply proved beyond a shadow of a doubt that they have "bigger guns".

The Soviets positioned five--count them--five Cosmospheres over Japan in an around Tokyo and each one simply gave a nice light beam blast to some little teetery fault lines. The biggest was only around a bit above five points--but the point was made--right on the stopwatch signal for demonstration. Now, *isn't it remarkable that there will now be a very high business meeting and conference between Mr. Kaifu and Mr. Gorbachev???? Further, after all these years, there is also to be a meeting between Mr. Gorbachev and the South Korean leader over business matters and the pulling down of the dividing fence.*

STORMS/FLOODS AND OTHER NITTY GRITTY

Isn't it, further, strange that another dastardly Siberian storm front was headed directly for California--Mr. Gorbachev sent a "love note" to Mr. Bush, and suddenly the storm stalled out as far as precipitation in major amounts? The storm stalled, then headed with much lessened force toward inland states.

What about Pennsylvania, Ohio and Indiana? Total disaster areas, I believe! Still more water on the

way, I believe. I remind you people--THE SOVIET UNION DOES NOT WANT A NUCLEAR WAR!!! Who pays? YOU--THE-PEOPLE!

However, Mr. Bush is between a rock and a very hard place. To pull off "National Emergency" status and gain control through "Executive Order" he MUST keep this thing going and have a national emergency great enough to precipitate merit for the regulations to take effect. It can now happen through economic emergency and/or war or emergency threat of war--either domestically or overseas. ONLY CONGRESS HAS ABILITY TO STALL THE THING AND THEY SHOW NO INDICATION OF BEING ABLE TO DO SO. IT REQUIRES THEY STAY IN SESSION THIS WEEK AND TAKE ACTION TO BLOCK THIS ADMINISTRATION HEAD, BUSH, AND HIS ADVISERS. WHAT WILL THEY DO? PROBABLY NOTHING FOR YOU HAVE ELECTED REPRESENTATIVES OF YOUR STATES WHO HAVEN'T THE SLIGHTEST IDEA REGARDING THE CONTENTS OF THE CONSTITUTION AND/OR EXECUTIVE ORDERS.

"Oh yes, you tell me--...there was just a legal ruling that only Congress can declare war!" So be it--and ever thus has it been. This is the BEST NEWS BUSH HAS HAD--there are and have not been

any intentions what-so-ever of DECLARING WAR. This is WHY you-the-people who serve, pay and die have not experienced a "declared war" since World War II. If you can control the whole of the world action through Executive Orders, without question or interference (placing all documents, plans and assumptions under "national security" secrecy bonds) you can rule the world, chelas--AND, you-the-people!

LET US LOOK AT RHETORIC

The first statement regarding the Middle East and sending of U.S. troops was to "...stop FURTHER aggression", "insure freedom" and protect "innocent people". Well, there are no longer any "innocent people" in danger, there is now NO "freedom" in the area, thanks to your intervention AND there never was "further aggression" by anyone except the U.S.

PRESIDENT OF THE UN FROM YEMEN SPEAKS OUT

This man has spilled the whole pot of rotted beans! He expects the most horrendous experience of the world immediately ahead. He said that in voting against the UN RESOLUTION--HE FORFEITED ALL AID TO YEMEN.

He has verified over and over again--before the voting and constantly after--*Mr. Baker went to every representative of every nation on the security council and said all foreign aid and loans would be withdrawn from the various countries who voted against the resolution regarding the January 15th deadline.*

Well, who cares? The facts speak for themselves if you bother to learn the facts: the major operating International Organizations in Yemen are the United Nations, the International Monetary Fund--World Bank, World Health Orga-

nization and the Arab League.

Look farther back to historical background and you will find Great Britain rears her head again and again. You see, South Yemen only gained independence FROM GREAT BRITAIN in 1967 and in 1979 signed a 20 year peace treaty WITH THE USSR that still allows the stationing of Soviet troops in Yemen.

This becomes important historical data for only this year, on May 22, 1990, did North and South Yemen become formally united--and guess who they chose as the "more democratic" of the two allies, the USSR or Great Britain?

Dear ones, you fought a revolution against Great Britain--what in the world goes on in your heads? Now Britain OWNS more property and business in the U.S. than ANY OTHER FOREIGN COUNTRY!

SWING ACROSS THE MILES TO THE PHILIPPINES

America, this year within a few months, your contract for Clark Air Force Base in the Philippines expires. Guess what! The negotiations are to simply move the entire installation to Singapore! I remind you--this places a major military installation very near to the ideal base in China from whence first attack aircraft would have been launched against Russia in 1982. This is also a center for Banking operations which surpass just about all creative banking operations in the world. It functions on the "dollar" so will move with whatever is conjured up for the Americans or any dollar based economy. Now, dear ones, Singapore was a BRITISH colony until 1959 when it became autonomous within the Commonwealth. On Sept. 16, 1963, it joined with Malaya, Sarawak and Sabah to form the Federation of Malaysia. That didn't work out too well and tensions between Malaysians, domi-

nant in the federation, and ethnic Chinese, dominant in Singapore, led to an agreement under which Singapore became a separate nation Aug. 9, 1965. Singapore is one of the world's largest ports. Standards of living are high and international banking has blossomed like the proverbial lotus with the largest money laundering operations in the world, shifting through Canada, Hong Kong, etc., etc. Just thought you might want to keep one eye on this sleight-of-hand.

Well, know that all is in good hands-- you can trust "All-the-States"; the contract expires in September and your wondrous Danny Quayle has things well in hand with constant trips to and through Singapore just making all kinds of wondrous "deals". The WORLD doesn't like you very much, America!

SET KUWAIT AND IRAQ "FREE"

I constantly monitor the rhetoric about how awful Hussein is--threatening to blow up and burn everything around in Saudi Arabia and Israel, etc.

Well, could the rhetoric possibly run both ways? Could it be possible he spouts off in retaliation to that which you have presented unto him?

As far back as the middle of November, 1990, it was announced, and has been repeated in different ways ever since--the last great statement has come from Bush and Baker--that the attack against Iraq would be a surprise, overwhelming and would not be another Vietnam. AND--*"Assurances' are made and delivered that, following the order to attack, would follow a 'scorched earth' destruction of Iraq."* U.S. top officials have already delivered the message to Saddam.

IF SO, WHAT OF AMERICA?

Safe in America? Not according to reliable sources in Washington's halls of fame. Even if nothing else occurs, it is expected that there will be terrorist attacks in America. Funny thing about those attacks, however, they are primed to begin to occur IF A THRUST FOR WAR, LAGS!?! So--precious sleepy-heads, it is now uncovered--the Mossad plans to instigate "incidents" around about the U.S. with Iraqi tags and labels left to be found by your investigators. So be it.

TERRORISTS CAN'T GET IN, WE HAVE SECURITY

You have NOTHING! The agents, for one, are already within your country--waiting. There are prearranged signals. Further, there ARE Arab terrorists who are likewise awaiting a signal which will give them action notice -- the moment of U.S. attack.

I assure you that the Arabs, Iraqis, etc., would have NO problem finding volunteers for suicide missions, if necessary--BUT, nice for them--they are not needed. A briefcase or similar piece of luggage, containing powerful bombs set to explode hours later, could easily be left anywhere in any public facility--try the Rose Bowl, Cotton Bowl, etc. Wouldn't New Year's day be a lovely day for annihilation? These are things you ones must begin to think about for that war will not be limited, this time, to foreign soil--and you have sent your military defense away while you have nothing but police who can't bring the drug-war into any semblance of order. The perpetrator simply can leave off the case with bomb ticking away (silently through use of electronics), get on a bus, plane or train and be on a nice ride out of town before the fact. Or, just get on the other side of the community and wait to watch the fireworks.

If such a mission is under way, friends, it will be impossible to stop. And this comes from your FBI/CIA top level echelons. They report, "It is just too easy to enter this country from Mexico, Canada or simply off the coasts. The agents may have forged or genuine papers. Or they could enter the same way an estimated 5,000 Mexicans come in EVERY DAY." I didn't say it so don't blast me. This comes from your highest hierarchy of intelligence agencies.

They continue--"It will be a big bang, perhaps lots of them, if that turns out to be the scenario."

The truth of the matter is, friends, that in the event Mr. Bush pushes an attack, there will likely result a wave of terror strikes and sabotage in the U.S. unlike anything the country has experienced and more vicious than anything to date in Europe. Mr. Bush is fully aware and for this reason, when an attack is ordered, his entire staff and family will already be in safety in a nice, luxurious survival location--"just in case", it is reported, "so that the country does not have to worry about continuity of government". How thoughtful!

I BET YOU DIDN'T KNOW THIS, EITHER

On top of the half trillion dollar, and growing, S & L bail-out, Saudi/Iraqi pay-for, Insurance bail-out, Bank bail-out, bankruptcy and other odds and ends for you-the people to attend. There is another one that you might have missed in all the distraction: *you Americans are going to be forced to cough up another \$2 BILLION. This is to cover losses INCURRED BY AN ITALIAN BANK ON U.S. TAX-PAYER-GUARANTEED LOANS TO IRAQ!*

Funny thing about that money to Iraq. It seems that most of it, supposedly for agriculture and AP-PROVED TOTALLY BY THE

U.S. GOVERNMENT, is believed to have financed the move into Kuwait by Iraq--further, your own Rep. Henry Gonzalez of Texas, chairman of the House Banking Committee, claims the U.S. knew it!

Good-old-boy, Attorney General Richard Thornburgh, has tried to halt the House committee investigation of the matter--claiming "NATIONAL SECURITY CONCERNS".

Iraq has not repaid any of the \$2 BILLION of the GUARANTEED funds, and there certainly is little likelihood that it will, considering the current state of U.S.-Iraqi relations. Thus, the Commodity Credit Corp. (get this "Corporation" status), a "federal???" agency, MUST repay it to the bank, Banca Lavoro. Another quaint point, Banca Lavoro is just a small operation but, astoundingly, Italy is second in foreign banking activity in the United States and has strong connections to none other than the Vatican. Further, Italy, alone, has over \$500 BILLION in other U.S. guaranteed loans. Happy New Year, World!

CAN YOU MAKE A DIFFERENCE?

I have been sent a "*Christmas Message*" written by one, Donald McAlvaney, Editor *THE MCALVANEY INTELLIGENCE ADVISOR*.

Mr. McAlvaney notes in his message that he receives letters from people who threaten, hate and are simply miserable. He ponders, as do we--WHY? WHY READ THE MATERIAL AND CONTINUE TO DO SO, IF IT IS SO VILE AND UPSETTING? As I tell all who come into contact with our work--*If you don't like it, believe it or conceive the truth of it--throw it out! Funny thing--no one throws it out! Might that make its*

own statement for truth?

Mr. McAlvaney then shares some thoughts with his readers and, thusly, has the message been brought to me—in gratitude and thanks unto the brotherhood who are not yet recognized from the Cosmos, but who travel with the Master Teacher, God. We are now returned into your space to prepare, awaken and announce the arrival.

The following statement bears some errors of fact but all things being "memory" and "mythology" of necessity—it suffices for the concept is that which is important. **ONE SOLITARY LIFE CAN AND WILL AGAIN, CHANGE HISTORY:**

"We are celebrating the birthday of the most famous and successful man who has ever lived. His teachings are followed by hundreds of millions of people. He was born in an obscure village, the child of a peasant woman. Until He was 30, He worked in a carpenter shop, and then for three years He was an itinerant preacher. He wrote no books. He held no office. He never owned a home. He was never in a big city. He never travelled 200 miles from the place where He was born. He never did any of the things that usually accompany greatness. The authorities condemned His teachings. His friends deserted Him. One betrayed Him to his enemies for a paltry sum. One denied Him. He went through the mockery of a trial. He was nailed upon a cross between two thieves. While He was dying, His executioners gambled for the only piece of property He owned on earth: His coat. When He was dead He was taken down and laid in a borrowed grave.

"Nineteen centuries have come

and gone, yet today He is the crowning glory of the human race, the adored leader of hundreds of millions of the earth's inhabitants. All the armies that ever marched and all the navies that were ever built and all the parliaments that ever sat and all the rulers that ever reigned - put together - have not affected the life of man upon this earth so profoundly as that **ONE SOLITARY LIFE!**"

Thank you. You see, readers, it matters not if ones rattle their tongues and waggle their lips and argue over whether or not it was this way or that way--WHAT IF IT IS ONLY A TOTAL MYTH OF PARABLE AND FABRICATION? ALL THE MORE IMPORTANT FOR THEN YOU MUST FACE THE TRUTH--EVEN THE MYTH OF TRUTH IS THAT WHICH SHALL PREVAIL!

HE IS ALREADY COME WITHIN YOUR SPACES

Is this good man upon your place??? No--He is within your spaces for the time of his re-manifestation is at hand but not finished. I would remind you, however, that according to the Ancient teachings--HE would return in your year of counting, 1989--HE DID!

What else did the Ancient Ones say?

"We will once again see the way to continue a new dream. We will be given the road map back to the stars and we will see the star people come out of the illusion of their two-legged form and into their actual Great Sleeper-Dreamer form. And so you will see some very, very powerful, totally enlightened masters in 1989 and that's the year of the second coming of the Christ spoken of in the Book of Revelation and

it will be the awakening of a new circle, a new design of energy movement for humanity. Christ means a circle. So the second coming of the sacred circle is all enlightened humans dancing as one consciousness."

Now, perhaps you can better understand why the writing of these some 25 Journals of Truth within such a short time. And what did these wondrous Ancient prophets project about your cycle of 1990?

"A powerful year and it's really hard to speak about it. I am a great dreamer but I don't know if I dream THAT LARGE.

"WE WILL SEE A REAL SHIFT IN PLANETARY CONSCIOUSNESS. Many of the enemies of the humans shall begin to drop away. In 1990 you will see the Twelve Sacred Driver Wheels of each of the Eight Great Powers stored and put together to create the figure 8 of the sign of infinity. And 1990 will begin through the Feathered Serpent Medicine Wheels those groups of seventeen Great Sleeper Dreamers. The first migration to the next world will begin, leaving behind on this planet another world of enlightened humanity to join the many already on other planets throughout our universe." (Hatonn: Are you paying attention little sleeper-dreamers?) "When you speak of this migration to other planets, you are speaking of the creation of a new race? Another dream, another dance, another series of dances in another dream in another world.

"What is the difference between this world and the new creation? It is those that go on

ahead that are the pathfinders. There are always the pioneers, there are always the people that choose to do it the hard way in a sense. In other words, they're totally willing to sacrifice and to step out on the path of total unknown simply because it's a pleasure to make it known."

(Hatonn: And to prepare the way according to commission and be prepared to confront that which may come against them in order that the brotherhood of higher universal man might again find Truth and Light. I salute you, brothers of my own! Those of you who are of the feathered tribes of identification, it is the time of the flight wings for the fledglings of the seven clans of the seven stars. I bow in salute unto you who were sent forth and are now doing of your work without wavering from the path of truth in the presentation thereof. Please forgive me, you of the other tasks--but I would touch my scribe for she asks little and she is my hands and mouth and I am grateful.)

AND WHAT OF 1991?

The Ancient Ones will smile and twinkle and tease---

"It will be time of very hard work. It will be a terrible time in perception and yet all the while the glory of the Great Spirit will be in the planting of the seeds of Truth and Light in preparation for the great harvest. It will be a time of great visions danced into manifestation. It is a time of greatness, of terribleness and of transformation. It is a time of finding Truth in the rubble of and ravages of those who did not know how to dance the sacred dances. It is a time when the brothers from the ancestors will again come and make themselves known and bring Truth of the ancient

"how it was" and bring instructions in Truth of the transition and the migrations. It is the time when the Winged Wheels will again make known their presence, bearing the great teachers and wise elders of our tribes. It is the time of the gathering together of the Eagles and the oral truths shall be set to the birch that all can remember--it is the time of remembering for the people of the two-legged creation have forgotten." AHO!

WE ARE COME

It seems a nice day, this the first of this twelfth of your annual cycle to announce that we are here. When will we set foot upon your manifestation called Terra? When the sequence is in properness--when the Father pronounces it time! Not even the returning "Son" Sananda of the Christed stature is given to know the exact time and moment. But we are here! We are as close as your breath and as close as your thought and our brothers and sisters walk among you as they go about the work of bearing truth of our arrival.

Where did YOU believe HE would step again upon the lands of Earth? Surprise!! Surprise!! It was always known by the Ancient tribes that HE would come again unto the meeting corners of the tribal pathways where the earth vibrates with the wondrous drums of eternity--where the path is grounded within the Mother--and so shall it be. Amen.

I suggest all of you who proclaim that your brothers from space come in the service of the Devil be in reconsideration. Evil is already upon your place and control your species--WE COME FORTH ONLY IN SERVICE UNTO GOD AND THE CREATION AND YOU HAVE BEEN MADE THE DUPES OF THE DECEIVERS.

Blessed are you, within this tiny valley of radiance--blessed indeed! Behold, for upon this place shall HE come forth as from the clouds on "silver wings", in the time of properness according to the law. Who will be in attendance to greet HIM?

May we ask for strength and peace to see the journey through the time of chaos and into the radiance of HIS TRUTH. Selah.

Hatonn to clear, I bid you a greeting of good spirits in our work and promise that the journey through this year shall not be shabby or boring. Saalome'

4/9/90 GRANDFATHER

TUNKASHILA (GRANDFATHER) SPEAKS

Grandfather to speak with you, Little Sparrow, that you might be in the remembering and the sharing of the long forgotten and remembered songs. I AM THE SONG and I am come to give you the weavings of your walk upon this place and speak of the migrations and the lessons of my pale son whom I send again. I come to speak of Tejas Shapé and the hill that sings as the wind and of my sacred hidden truths kept within the bosom of your Mother for your day of remembering.

The Great Cycle has come and this cycle of that which you call a year will see the return of the Sacred Driver Wheels of the Great Powers stored and put together to create the sign of infinity. This is the time of the Feathered Serpent Medicine Wheels and the Great Sleeper Dreamers. The first migration to the next world will begin, leaving behind on your planet remnants of enlightened humanity to join the many already on other planets throughout your universe.

This land known as Tejas Shapé, the Valley of Radiance, of abun-

dant acorns, winds and clear sweet waters shall again come into the attention of my Bird Peoples for it has been caused to lie sleeping in protection of its ancient treasures.

It is the time of remembering of creation that you will again recognize the returning of the Bird Tribes. You are the Bird Tribes, the Solar Clan, the Children of the Stars. You are the source of all nativity, the way that spirit creativity comes into form in your world and in all higher worlds. Individuated. Intelligent. In spirit-being form, you are the tangible influence of an allpowerful Creator interfacing with a material world.

I honor the Shoshone and Piute who have not forgotten this place of light and the other unnamed tribes who spirit the land. All of our relations are remembered.

The buffalo and the medicine wheel are honored as shared by the Sioux as the source of life survival and the skull of the buffalo for it represents the traditional and the spiritual life. The Medicine wheel represents the sacred hoop and the four directions. Always joined within are the four eagle feathers which represent the social and spiritual significance of the number "four" in the Sioux life. Within the medicine wheel are the four virtues to always be remembered; Wisdom - "Woksape", Bravery - "Woohitika", Fortitude - "Wowacintanka" and Generosity - "Wacantognaka". Let it further be remembered that there is nothing greater -- nothing lesser. Great lessons shall be in the coming forth from my Red Eagle, "Wamblisha", who labels himself in this time of counting as Little Crow, for the time is soon for the great remembering.

Releasing your identities in the burst of joy that translates them into light, you flew outward from your source stars, riding waves of

light across the sea of space until you reached your world. Each of you came from a different star. Yet your being is the source of every star. And in that Being you are one.

In the early days, your work was to catalyze biological activity in the oceans of the world and to oversee the growth and development of incarnate creatures. You did this both when clothed in physical form and when remaining luminous beings of pure light.

The forms you assumed early in those ages were of human shape, though lighter than the bodies you wear today. The drawback of materialization, however, was that it took much of your energy and attention to maintain the bodies in which you were dressed. Then was given unto you your spirits for it was necessary to create physical bodies that were self-sufficient, physical bodies that would have physical identities to care for them--egos, designed to work intimately with you, both in the maintenance of your human projections and in your continuing work of creation upon the physical plane.

We communicated this message unto you, "We are your spirits." It was our presence here in this place that has called you up out of the soil. You were unfinished, incomplete; you are still not all that you can be. Some of what you now embody represents development in the right direction, but some of what you now think of as yourself is in actuality part of what one day will become "afterbirth". The emphasis must now be realized that the value of your bodies are as dwelling places for the Great Spirit, your minds and hearts will remain open to communion with us. In time, that communion will flow into blending and both you and we will know ourselves as one upon the physical plane. In union, we will know completion.

One specific star of all the myriad stars you see twinkling in your night sky sends its spirit to earth to incarnate in your individual human form. Your ego is designed to help that spirit to remain creatively incarnate here. Until you have bonded with the star consciousness, you remain unfinished.

Your race is soon to experience widespread awakenings, or as some will see it, a massive descent of beings from the stars.

We are the dreams of the Great Spirit, the true dreams, the clear dreams, the pure dreams, never tainted by fear, never touched by any motivation other than the motivation of love; and yet, we are the dreams, nevertheless. Thoughts, disincarnate beings drifting formless through a universe that has placed the highest value on form, living in the consciousness of a Creator whose desire is to take form in the very creature that will result from our bonding with you.

It is time to regain the rejected aspect of your spiritual intelligence--to reunite with your own wholeness and you must again come into contact with us in the absence of fear. The Great Day of Purification has begun, a short but essential cycle of division that will gather those who promote fear and violence and separate them from this season of the world as chaff is separated from wheat at threshing.

The timetable recorded in stone for the Awakened Ones is now recovered from moss, fern, lizard and leaf. In it are chiseled the dates of the Great Day of Purification, dates that now correspond to that which you call years--between recognized labels of 1987 to 2011.

You are the love of the Creator embodied in human form. Through the power of your love, you create. You are sent in the service of universal art to create

beauty, balance and to enjoy all that has been created. The evocation of beauty and the description of truth: this is your purpose. The purpose of life! The very purpose of the universe.

In its own way, each species decides how it can best serve this purpose, once it understands it. The buffalo looks around and notices what is going on in prairie time and prairie space and designs a life to describe truth and to animate beauty as buffalos understand it. Whales describe time and space in their own unique forms, the caribou embody their understanding and so on through the ages and expressions.

Throughout the galaxies, throughout the stars, all of the angelic races notice this purpose of life and decide how they can best serve. All form an idea of the wholeness of manifest life.

It is time now to join in your dancing circles and gather your tribes for the cycle is full. It is the time of the return of the Pale One who came forth to tell you of the times to come upon your lands. Tlazoma, Esecotal, Great Kate Zahl, Mahnt-Azoma, Quetzal Coatl, The Quiet Healer, The Mighty One Who Has No Image, Dawn-Light, Dawn-God, Chee Zoos—the one who went alone to His Father to look beyond the Third Cycle.

Let us look further: Wako-Naga, Wahkan of the Dakotah/Lakotah and even deeper into the Plumed Serpent of the Puans which is derived from the plume which symbolizes wind and the serpent which is the symbol of water.

What of Teohashati?—(Tehachapi, Tejas Shapé)—Teo means God and Ti means city. Meaning as with Teotihuacan, "The City of the God, Wahcan".

There are sacred mounds in that placement where the crossroads

centered for the trading people of peace where the four corners of traveling meet. There is great history of the Black Tortoise Fire-worshipping Turtle and Serpent people invading from the south. This place of Tejas Shapé is a sacred place where the dreams will again be danced into awakening.

Let us speak of the dancing of My Tribes. The foolish peer at the dancers and hear the music and chide and giggle for it is the most complicated music in creation. It makes a statement in half and quarter tones and complicated changing rhythms. The musicians are honored indeed.

The authentic dances are more kept to the sacred locations and every August the dancers gather in New Mexico. There are usually thirty-six tribes attending the festival from as far distant as the Dakotas. The Sioux are particularly colorful with their almost priceless ancient costumes of white beaded buckskin and the long eagle feather head-dress of the Full-Chief.

The dances are different than the ones in the typical pow-wow dances for the pow-wow dancers are usually imitating the victory dance after a war-party-return. The thanksgiving dances are beautiful and the other dances are prayers for rain, abundant crops, or prayers to the spirit of hunted animals before a hunt.

Then you must note the wondrous Katchinas, especially of the Hopi. The Katchinas are from outer space and visited the Pueblos in silver sky ships which landed on the nearby Francisco Peaks near the Hopi villages, bearing gifts and dancing for the people. The most graceful of all dances is the lovely Eagle Dance, while the hoop-dance, showing great skill on the part of the solo dancer, is usually a wedding dance.

The Navaho have a group dance with high-pitched chanting in half and quarter tones which echo unto the heavens. And there is a most amazing dance, the Navaho Fire-Dance. Then there is the Crow Dance, usually performed by children and is fun and delightful; but I could continue on and on for these are my blessed people and I begin to remember and ramble greatly.

I will speak of calendars and telling of time and then leave you for your ponderings. The time of attention is come and for the recognition of truth within my tribes.

Before the time of the Prophet called the Pale One and used by him, was a method of time reckoning used from north-most North America to the south of South America and is centrally based on Venus. Sometimes its numbers are known only, and Venus referred to as "The Star Boys" or "Twin-Star God" showing a degeneration of ancient knowledge—it is this ancient truth which shall now come again.

Venus, being the second planet from the Sun and Earth the third, swings around its internal orbit making thirteen revolutions to eight revolutions of the Earth. Thus among all Indian tribes the Earth-number is eight, and the number of the Morning and Evening Star (depending on time of year viewed) is thirteen. Eight thirteens then would bring the planets into their original position. This would be a full cycle, or one hundred and four years. A half cycle would be fifty two years. Upon this most American Indian reckoning is based. However, it is often checked by other reckoning. The Mayans have four inter-revolving calendars. They were well acquainted with the weight and measurement of the earth, the swing of the sun from Capricorn to Cancer and back, the Precession of

the Equinoxes and the fact that your Sun is moving through space, carrying your family of planets along. They believed the Sun is circumnavigating a Central Fire located in the Heavens near the Pleiades which they called Mya. This is the same central sun called Aton, the one light.

The ancient calendars have now ended, beloved children of my tribes. It is now in the closing time of your new counting numbered year three. The ancient countings ended in the mid-time of August, in your year 1987. The time of the coming again of the Sacred Circle is at hand and it is the time to see the star people come out of the illusion of their two-legged form and into their actual Great Sleeper-Dreamer form.

Look up my native children, unto the heavens and unto the Choo ho kan for you are descendants of the inhabitants of Pleiades. You of the Hopi and Navajo as well as others of my people count with a system based on a 260 day "Sacred Round", or minor cycle, and a 365 day year, a major cycle which equaled a period between the mid-night culminations of the Pleiades. Remember that any day calculated on these cycles repeats itself in 52 years--18,980 days. When the Pleiades are directly overhead at night then it is time to extinguish the nation's fires and rekindle from a sacred fire produced by your holy men. You can remember to count from the Hopi who light the new fire every 52 years.

Then remember the Creeks who came to Earth from the stars in spirit form to become flesh and blood. Remember the "green corn dance" where the medicine man takes seven ears of corn from seven fields of the seven clans to insure a healthy harvest. Your ancient home is often called the dancers because of the legend of the dancing children, come forth through the Onondaga. The

Navajo named the sparkling suns the Dilyehe. The Iroquois believe the twinkling orbs represent seven young people who guard the holy seed.

The Hohokam, or those who vanished, returned to Pleiades and thus and so. These stars were the home of your ancestors so hear me well. It is time for the legends to awaken for you all have your sacred dances.

Enjoy the gathering together for the energies will sing in the winds as the hosts of the heavens bless again the Bird Tribes who are now returning to fulfill the great mission. The little Sun Eagle is now returned and the lotus is ready to open.

AN EXTREMELY URGENT MESSAGE!

Beginning in 1989 highly evolved beings from the star system known as the Pleiades have been disseminating information via short wave frequencies to a receiver terminal in the United States. In these communiques a vast amount of knowledge has been revealed which affect us all, such as the Gulf Crisis, the economy, AIDS, earthquakes, and many other topics which the Pleiadians feel need to be made known in EXTREME URGENCY TO THE AMERICAN PUBLIC.

1/4/91 HATONN

TODAY'S WATCH

Dharma, Hatonn present in the Light of Radiance. As we communed in the small hours of your morning, there was intent and not simply to keep you awake from 4:00 A.M. As your nation moves ever closer to a conflict which can cause damage beyond your wildest imaginings, I must speak out again--about that which is hidden and yet boils in final conclusion of an epic adventure.

You who have already forgotten past Journals might well go back and review them--especially those which regard Russia's intent.

Russia now tosses the term "Peace" about as if there was never a disagreement between you and them. Not so, precious world citizens, not so. In "communistic" language, "peace" means the absence of any resistance against "communism". With the seemingly absence now, of the so-called "cold-war", you are under the impression there is no war between you and Russia--NOT SO! They have you exactly where they want you--like dutiful lambs in the holding pen.

Where is Russian argument these days while you dig in deeper and deeper in the Middle East? Do you actually believe that if Russia and you were still in that "cold-war" that you would be taking the same stance you blindly take this day??? Would you not be facing the big guns of the Soviet Union in open nose-to-nose, weapon-for-weapon to bring this conflict to an

instant stop? No, they are silently supplying your enemy so that they don't have to finish the plan that they are working to perfection. How can you know that this is true? Because of the training foisted off on the communists and the plan to completely control the minds and actions--without necessity of active involvement in actual war--of the free world nations, most especially the Americans.

By the way, chelas, your government again lies to you this morning in counting of unemployed citizens. They tell you the unemployed picture is not as grim as expected and all will be well--but, the 8,000 layoffs from Citycorp and 21,000 employees from Sears and, and, and--goes into effect NOW. Do you realize that this is more people out of work in just these two instances, in the smaller towns across America. Worse, as the disasters come upon you one after another--there is no backup disaster funding remaining in the Federal budget nor in the State budgets of most states. Insurance companies are in deep yogurt already and (listen to the non-news) are not paying off the waiting insured along your Ohio River, etc. These ones sit without jobs, destroyed homes and no money. And still, the government continues the distraction of a war in the Middle East with no help available for you back home. The continued game of "cock of the walk" is totally obscene!

Dharma, we shall simply have to begin writing on an additional Journal and pick up volume two of Pleiades Connections as we can do so. Quirks and quarks will still be

around long after humanity is gone so we must take action where action is mandatory in priority.

Why NOW? Because the Russians have gone quiet and that is deadly. You ones do not understand the workings of the communistic direct path to world domination and you must.

Wherein reference of other commentators on this subject have utilized the word "Christianity", I shall instead use the term GOD or Godly. This is because your nation was NOT founded on "ONE NATION UNDER CHRISTIANITY" it was founded on "ONE NATION UNDER GOD!" Of course I realize that you ones aloofly shout at me that the terms are synonymous--but they are NOT. The very superior tone of the statement detracts from the point in question.

RUSSIAN TEXTBOOK ON MIND-CONTROL (PSYCHOPOLITICS)

There is a small booklet making its feeble way into the trash heaps and stolen by the communists to maintain secrecy. It is all but impossible to come upon the document but, interestingly enough, Oberli and Dharma have had a copy of the document since 1985--having received it from Gil Boyne--who also has a publishing company (which shall remain unnamed in this particular writing).

There is another copy now on its way into the desktop entropy of my scribe from one of the most daring authors of your day--Lt. Col. Gordon "Jack" Mohr. I prefer to uti-

lize the material immediately for every day's delay is now costly indeed. If you cannot see the facts of your conflicts then you have no notion as to where and how to rebut. I would hope that we now have enough readers to listen up.

What you are about to read is simply a English language paraphrase of a Red Communist "textbook" used both in Russia and extensively in America to train Communist agents in the art of deceiving non-communists with words and false precepts. I would say that it most certainly has worked very well indeed.

This spells out methods which secret communists use to "alter the loyalties" of citizens and then use those citizens, *especially those in government positions*, to take control of the nation. It describes these ingenious and effective methods of "mind-control", called "psychiatry" and "psychology", which are promoted as forms of "mental healing". Needless to say, the "Red Bears to the North" do not want Godly Americans to know these are false sciences by which they gain control of the minds of the people.

You are going to find that it is even worse than presented unto you for as we go along I shall be speaking of Robotoids of DNA/RNA/Genetic duplication. To shock you a bit, what I am about to present to you was first brought forth by a very disenchanted communist and the man was "taken out" and the books "taken-up". This was in 1950 and the man was dead by the early 70's. Attempts have been made, since, to give warning to the American people for the thrust is directed, firstly, at the Americans--but you have denied it and turned away from the truth as you would from any and all truth that would require appropriate actions. You have watched as your country has been consumed by the Elite and your Constitution granting "freedom" is totally rewritten and destroyed.

You have heard of the "art" of mind-control--I believe you call it "mental-adjustment" or "brain-washing", etc. You perceive it to

only take place, however, with soldiers in the midst of war and especially as they are imprisoned by their enemies. Not so--nothing can compare to the slow intentional usurpation of the minds of the citizenry of the world. Whole nations have been captured by these so-called Communists who are not even truly "communistic" by definition. They care not what you call them--all the better if you DO NOT CALL THEM COMMUNISTS. The point is that you can subvert the minds of entire masses of people and basically put them to sleep while programming the mind.

The objective is to gain control of the media and thereby directly control the visions and thought patterns, desires and morals of the entire populace. I would say that that has occurred and--funny thing about that approach--it has been accomplished THROUGH THE UTILIZATION OF THE ZIONISTS! You see, it is all the better if you can cause your enemy to destroy himself while you take control. Well, America and World, you have not listened to the decades of warnings and here you are today--at Armageddon and denying that, also.

The same method of mind-control used on you-the-Americans and Europeans is THE IDENTICAL PROCESS USED BY THOSE RED CHINESE TO CAPTURE THAT NATION OF 400 MILLION PEOPLE. Just as with any other confrontation which must have confrontation if it is to be reversed--the TRUTH MUST BE LAID FORTH. You must come into truth of how it is done. *If you understand the technique of "brainwashing" you cannot be "brainwashed" unless changes by surgical or chemical means have altered the actual brain. Even in those cases the truth can reverse the thought processes. "Knowledge of brain-washing gives vaccination against it."* The word of truth is your weapon and books are your tools--or, any other way you can get the information into self. Psychiatry and psychology, in this instance of tampering with your minds, are the two weapons we will speak of herein.

Basically, I do not wish to limit

this concept to a communistic approach--it ACTUALLY is simply the Elite approach to world control and domination--but you will find in every instance--it is what you label "ANTI-CHRIST" or "atheistic" maneuvers easily thrust upon "allowing" and "forgiving" indoctrinated "Christians". Since, however, the document in point delineates "communism" then I shall not make issue--for you must learn to recognize intent in generalization and not pick at nits. It is your very survival at stake and you must come to recognize your enemy for they indeed camouflage themselves most effectively--usually behind the facade of being "Christ-like", "democratic" and "under God". The mark of the beast himself. I suggest you readers get this information spread about as rapidly as you can because only TRUTH shall give you freedom and only that allowance will bring your beloved families and friends home.

The Master Teacher told His followers, "The servant is not greater than his lord. If they have persecuted Me, which they did, *they will also persecute you.*" They have, and they are. He also said, "In the world ye believers in God shall have tribulation: but he of good cheer; I have overcome the world." (By truth and knowledge of immortality and by recognition of MINE ENEMIES!)

IMPORTANT--SO LISTEN UP, BELOVED LAMBS

The age is drawing to a close. The "Red Bear to the North"--"Gog and Magog", is spewing forth its last desperate attempt to destroy the concept of Godliness--*through pronouncing themselves "Christian", "changed", etc., etc. And they work hand in hand with the leaders of the nations in turmoil and takeover--just as in America. The smiles, dear ones, are not of friendship--they are the smiles of completion and victory.*

I can only ask that--as you read along--you look around you at America today and at the world today and SEE what is before you. First I will print a speech made by one, Laventia Beria, the Jewish head of the Soviet Secret Police, as

he confidently predicted the Communists would eventually "have dominion over the minds and bodies of every important person" in America and then would bring about the "quiet" conquest. This speech was made in 1936. May God have mercy upon you and your lands.

You who project your Bible in effort to thwart this Truth and discount and destroy these writers of Truth--pay close attention to this:

"The wicked plotteth against the just and gnasheth upon him with his words through his teeth."

"Yea, and all that will live godly in Christ shall suffer persecution from the wicked."

"Through covetousness (desire for gain) shall they, the wicked, with feigned and deceitful words make merchandise of you and sell or betray you of God for money."

"For man deceivers, non-Godly, are entered into the world, who confess not that Christ is come in the flesh. This is a deceiver of believers and an Antichrist."

So be it, you who continue to deny and cast stones upon our people--for we are come as the Hosts with God to be in the reclaiming of His Kingdom and bear witness of TRUTH!

I suggest that you pay close attention to this material as it is outlaid. KEEP IN MIND THAT IT WAS PRESENTED WELL OVER HALF A CENTURY AGO--AND I BELIEVE MY POINT WILL BE MADE!

ADDRESS BY
LAVENTIA BERIA

This was presented in lecture to hand-picked AMERICAN STUDENTS who were sent to Moscow for indoctrination.

QUOTE: (Dharma, to conserve space, do not indent quotes.)

American students at the Lenin University, I welcome your attendance at these classes on Psy-

chopolitics.

Psychopolitics is an important if less known division of Geo-politics. It is less known because it must necessarily deal with highly educated personnel, the very top strata of "mental healing".

By psychopolitics our chief goals are effectively carried forward. To produce a maximum of chaos in the culture of the enemy is our first most important step. Our fruits are grown in chaos, distrust, economic depression and scientific turmoil. At last a weary populace can seek peace only in our offered Communist State, at last only Communism can resolve the problems of the masses.

A psychopolitician must work hard to produce the maximum chaos in the fields of "mental healing". He must recruit and use all the agencies and facilities of "mental healing". He must labor to increase the personnel and facilities of "mental healing" until at last the entire field of mental science is entirely dominated by Communist principles and desires.

To achieve these goals the psychopolitician must crush every "home-grown" variety of mental healing in America. Actual teachings of James, Eddy and Pentecostal Bible faith healers amongst your misguided people must be swept aside. They must be discredited, defamed, arrested, stamped upon even by their own government until there is no credit in them and only Communist-oriented "healing" remains. You must work until every teacher of psychology unknowingly or knowingly teaches only Communist doctrine under the guise of "psychology." You must labor until every doctor and psychiatrist is either a psychopolitician or an unwitting assistant to our aims.

You must labor until we have dominion over the minds and bodies of every important person in your nation. You must achieve such disrepute for the state of insanity and such authority over its pronouncement that not one statesman so labeled could again be given credence by his people. You must work until suicide arising

from mental imbalance is common and calls forth no general investigation or remark.

With the institutions for the insane you have in your country prisons which can hold a million persons and can hold them without civil-rights or any hope of freedom. And upon these people can be practiced shock and surgery so that never again will they draw a sane breath. You must make these treatments common and accepted. And you must sweep aside any treatment or any group of persons seeking to treat by effective means.

You must dominate as respected men the fields of psychiatry and psychology. You must dominate the hospitals and universities. You must carry forward the myth that only a European doctor is competent in the field of insanity and thus excuse amongst you the high incidence of foreign birth and training. If and when we seize Vienna you shall have then a common ground of meeting and can come and take your instructions as worshippers of Freud along with other psychiatrists.

Psychopolitics is a solemn charge. With it you can erase our enemies as insects. You can cripple the efficiency of leaders by striking insanity into their families through the use of drugs. You can wipe them away with testimony as to their insanity. By our technologies you can even bring about insanity itself when they seem too resistive.

You can change their loyalties by psychopolitics. Given a short time with a psychopolitician you can alter forever the loyalty of a soldier in our hands or a statesman or a leader in his own country, or you can destroy his mind.

However, you labor under certain dangers. It may happen that remedies for our "treatments" may be discovered. It may occur that public hue and cry may arise against "mental healing". It may thus occur that all mental healing might be placed in the hands of ministers and be taken out of the hands of our psychologists and psychiatrists. But the Capitalistic thirst for control, Capitalistic inhumanity and a general public ter-

ror of insanity can be brought to guard against these things. But should they occur, should independent researchers actually discover means to undo psychopolitical procedures, you must not rest, you must not eat or sleep, you must not stint one tiniest bit of available money to campaign against it, discredit it, strike it down and render it void. For by an effective means all our actions and researches could be undone. Our thrust must be utilized in conjunction with those of the mandates put forth by the Zionist men-of-wisdom.

In a Capitalistic state you are aided on all sides by the corruption of the philosophy of man and the times. You will discover that everything will aid you in your campaign to seize, control and use all "mental healing" to spread our doctrine and rid us of our enemies within their own borders--send out your sons and daughters to fill the rolls of physicians and lawyers, business leaders and put them into the top positions of the governments so that control will be total but without early recognition by the citizens.

Use the courts, use the judges, use the Constitution of the country, use its medical societies and its laws to further our ends. Do not stint in your labor in this direction. And when you have succeeded you will discover that you can now effect your own legislation at will and you can, by careful organization of healing societies, by constant campaign about the terrors of society, by pretense as to your effectiveness, make your Capitalist himself, by his own appropriations, finance a large portion of the quiet Communist conquest of the nation.

By psychopolitics create chaos. Leave a nation virtually leaderless or mentally impaired. Kill our enemies, replace them with our programmed stand-ins and bring to Earth, through this method--through Communism, the greatest peace Man has ever known.

Thank you.

END QUOTE

Note: Again I remind you that, in

the Aesopian language of Communism, "Peace" means all cessation of hostility against Communism.

Dharma, allow us a break now but I ask that you only take a very short respite for I want this out "last week" unto our beloved awakening brothers.

PSYCHOPOLITICS: HISTORY AND DEFINITION

Gen. 2:7--"The Lord God formed man of the dust (elements) of the ground, and breathed into his nostrils the breath of life, and man became a living soul." Keep this in mind as we move along here for one of the major thrusts of Psychopolitics is to cause you to believe you are but animals and cause you to act as same.

QUOTE:

Although punishment for its own sake may not be entirely without recompense, it is, nevertheless, true that the end and goal of all punishment is the indoctrination of the person being punished with an idea, whether that idea be one of restraint or obedience.

In that any ruler has, from time beyond memory, needed the obedience of his subjects in order to accomplish his ends, he has thus resorted to punishment. This is true of every tribe and state in the history of Man. Today, Russian culture has evolved more certain and definite methods of aligning and securing the loyalties of persons and populaces, and of enforcing obedience upon them. This modern outgrowth of old practice is called Psychopolitics.

The stupidity and narrowness of nations not blessed with Russian reasoning has caused them to rely upon practices which are, today, too ancient and out-moded for the rapid and heroic pace of our time. And in view of the tremendous advance of Russian Culture in the field of mental technologies, begun with the glorious work of Pavlov and carried forward so ably by later Russians, it would be strange that an art and science would not

evolve totally devoted to the aligning of loyalties and extracting the obedience of individuals and multitudes.

Thus we see that the psychopolitical procedures are a natural outgrowth of practices as old as man, practices which are current in every group of men throughout the world. Thus, in psychopolitical procedures there is no ethical problem, since it is obvious and evident that Man is always coerced against his will to the greater good of the State, whether by economic gains or indoctrination into the wishes and desires of the State.

(Hatonn: and here it comes!) Basically, Man is an animal. He is an animal which has been given a civilized veneer. Man is a collective animal, grouped together for his own protection before the threat of the environment. Those who so group and control him must then have in their possession specialized techniques to direct the vagaries and energies of the animal Man toward greater efficiency in the accomplishment of the goals of the State.

Psychopolitics, in one form or another, have long been used in Russia, but the subject is all but unknown outside the borders of our nation, save only where we have carefully transplanted our information and where it is used for the greater good of the nation.

The definition of Psychopolitics follows:

Psychopolitics is the art and science of asserting and maintaining dominion over the thoughts and loyalties of individuals, officers, bureaus, and masses, and the effecting of the conquest of enemy nations through "mental healing".

The subject of Psychopolitics breaks down into several categories, each a natural and logical proceeding from the last. Its first subject is the constitution and anatomy of Man, himself, as a political organism. The next is an examination of Man as an economic organism, as this might be

controlled by his desires. The next is classification of State goals for the individual and masses. The next is an examination of loyalties. The next is the general subject of obedience. The next is the anatomy of the stimulus-response mechanisms of Man. The next is the subjects of shock and endurance. The next is categories of experience. The next is the catalyzing and aligning of experience. The next is the use of drugs. The next is the use of implantation. The next is the general application of Psychopolitics within Russia. The next is the organization and use of counter-Psychopolitics. The next is the use of Psychopolitics in the conquest of foreign nations. The next is psychopolitical organizations outside Russia, their composition and activity. The next is the creation of slave philosophy in an hostile nation. The next is countering anti-psychopolitical activities abroad, and the final one, the destiny of psychopolitical rule in a scientific age. To this might be added many subcategories, such as the nullification of modern weapons by psychopolitical activity.

The strength and power of Psychopolitics cannot be overestimated, particularly when used in a nation decayed by pseudo-intellectualism, where exploitation of the masses combines readily with psychopolitical actions, and particularly where the greed of Capitalistic or Monarchical regimes has already brought about an overwhelming incidence of neurosis which can be employed as the groundwork for psychopolitical action and a psychopolitical corps.

It is part of your mission, student, to prevent psychopolitical activity to the detriment of the Russian State, just as it is your mission to carry forward in our nation and outside it, if you are so assigned, the missions and goals of Psychopolitics. No agent of Russia could be even remotely effective without a thorough grounding in Psychopolitics and so you carry forward with you a Russian trust to use well what you are learning here.

(Hatonn: One of the most astute students of this method of world

control migrated to your country right out of the KGB--Henry Kissinger! This same man is responsible for the base foundation-planning for all of your foreign involvements throughout the globe!)

THE CONSTITUTION OF MAN AS A POLITICAL ORGANISM

Man is already a colonial aggregation of cells, and to consider him an individual would be an error. Colonies of cells have gathered together as one organ or another of the body, and then these organs have, themselves, gathered together to form the whole. Thus we see that man, himself, is already a political organism, even if we do not consider a mass of men.

Like the "individual" man, the State is a collection of aggregations. The political entities within the State must, all of them, co-operate for the greater good of the State lest the State itself fall asunder and die, for with the disaffection of any single distrust we discover an example set for other districts, and we discover, at length, the entire State falling. This is the danger of revolution.

Look at Earth. We see here one entire organism. The organism of Earth is an individual organism. Earth has as its organs the various races and nations of men. Where one of these is permitted to remain disaffected, Earth itself is threatened with death. The threatened rebellion of one country, no matter how small, against the total organism of Earth, would find Earth sick, and the cultural state of man to suffer in consequence. **Thus, the putrescent illness of Capitalist States, spreading their pus and bacteria into the healthy countries of the world would not do otherwise than bring about the death of Earth, unless these ill organisms are brought into loyalty and obedience and made to function for the greater good of the world-wide State.**

As the average individual is incapable, in an unformed and uncultured state, as witness the barbarians of the jungle, so must he be trained into a co-ordination of his organic functions by exercise,

education, and work toward specific goals. We particularly and specifically note that the individual must be directed from without to accomplish his exercise, education, and work. He must be made to realize this, for only then can he be made to function efficiently in the role assigned to him.

The tenets of rugged individualism, personal determinism, self-will, imagination, and personal creativeness are alike in the masses antipathetic to the good of the Greater State. These willful and unaligned forces are no more than illnesses which will bring about disaffection, disunity, and at length the collapse of the group to which the individual is attached.

The constitution of Man lends itself easily and thoroughly to certain and positive regulation from without of all of its function, including those of thinkingness, obedience, and loyalty, and these things must be controlled if a greater State is to ensue.

While it may seem desirable to the surgeon to amputate one or another limb or organ in order to save the remainder, it must be pointed out that this expediency is not entirely possible of accomplishment where one considers entire nations. A body deprived of organs can be observed to be lessened in its effectiveness. The world deprived of the workers now enslaved by the insane and nonsensical idiocies of the Capitalists and Monarches of Earth, would, if removed, create a certain disability in the world-wide State. Just as we see the victor forced to rehabilitate the population of a conquered country at the end of war, thus any effort to depopulate a disaffected portion of the world might have some consequence. However, let us consider the inroad of virus and bacteria hostile to the organism, and we see that unless we can conquer the germ, the organ or organism which it is attacking will, itself, suffer.

In any State we have certain individuals who operate in the role of the virus and germ, and these, attacking the population or any group within the population, produce, by their self-willed greed,

a sickness in the organ, which then generally spreads to the whole.

The constitution of Man as an individual body, or the constitution of a State or a portion of the State as a political organism are analogous. **It is the mission of Psychopolitics first to align the obedience and goals of the group, and then maintain their alignment by the eradication of the effectiveness of the persons and personalities which might swerve the group toward disaffection.** In our own nation, where things are better managed and where reason reigns above all else, it is not difficult to eradicate the self-willed bacteria which might attack one of our political entities. But in the field of conquest, in nations less enlightened, where the Russian State does not yet have power, it is not as feasible to remove the entire self-willed individual. **Psychopolitics makes it possible to remove that part of his personality which, in itself, is making havoc with the person's own constitution as well as the group with which the person is connected.**

If the animal man were permitted to continue undisturbed by counter-revolutionary propaganda, if he were left to work under the well-planned management of the State, we would discover little sickness amongst Man, and we would discover no sickness in the State. But where the individual is troubled by conflicting propaganda, where he is made the effect of revolutionary activities, where he is permitted to think thoughts critical of the State itself, where he is permitted to question of those in whose natural charge he falls, we would discover his constitution to suffer. So certain is this principle that when one finds a sick individual, could one search deeply enough, he would discover a mis-aligned loyalty and an interrupted obedience to the person's group unit.

(Hatonn: If you readers aren't yet in a state of shock--I am grossly disappointed. And remember, this has been taught, retaught and practiced in your country as well as in Russia for well over a century when the Protocols of the Zionist Men of Wisdom was set as guidelines--and that, brothers, is almost

from the beginning of your civilization. If you can't see that in every category, the enemy has been totally successful thus far.)

There are those who foolishly have embarked upon some spiritual Alice-in-Wonderland voyage into what they call the "subconscious" or the "unconscious" mind, and who, under the guise of "psychotherapy" would seek to make well the disaffection of body organs, but it is to be noted that their results are singularly lacking in success. There is no strength in such an approach. When hypnotism was first invented in Russia it was observed that all that was necessary was to command the unresisting individual to be well in order, many times, to accomplish that fact. The limitation of hypnotism was that many subjects were not susceptible to its uses, and thus hypnotism has had to be improved upon in order to increase the suggestibility of individuals who would not otherwise be reached. Thus, any nation has had the experience of growing well again, as a whole organism, when placing sufficient force in play against a disaffected group. Just as in hypnotism any organ can be commanded into greater loyalty and obedience, so can any political group be commanded in loyalty and obedience should sufficient force be employed. However, force often brings about destruction and it is occasionally not feasible to use broad mass force to accomplish the ends in view. Thus, it is necessary to align the individual against his desire not to conform.

Just as it is a recognized truth that Man must conform to his environment, so it is a recognized truth, and will become more so as the years proceed, that even the body of Man can be commanded into health.

The constitution of Man renders itself peculiarly adapted to re-alignment of loyalties. Where these loyalties are indigestible to the constitution of the individual itself, such as loyalties to the 'petit bourgeoisie,' the Capitalist, to anti-Russian ideas, we find the individual body peculiarly susceptible to sickness, and thus we can clearly understand the epidemics,

illnesses, mass-neuroses, tumults and confusions of the United States and other capitalist countries. Here we find the worker improperly and incorrectly loyal, and thus we find the worker ill. To save him and establish him correctly and properly upon his goal toward a greater State, it is an overpowering necessity to make it possible for him to grant his loyalties in a correct direction. In that his loyalties are served and his obedience cravenly demanded by persons antipathetic to his general good, and in that these persons are few, even in a Capitalist nation, the goal and direction of Psychopolitics is clearly understood. To benefit the worker in such a plight, it is necessary to eradicate, by general propaganda, by other means, and by his own co-operation, and self-willedness of perverted leaders. It is necessary, as well, to indoctrinate the educated strata into the tenets and principles of co-operation with the environment, and thus to insure to the worker less-warped leadership, less craven doctrine, and more co-operation with the ideas and ideals of the Communist State.

The technologies of Psychopolitics are directed to this end.

MAN AS AN ECONOMIC ORGANISM

(Hatonn: Please note that it is and has always been perfectly alright for the Communist leaders to live in luxurious villas, with hordes of servants and the most sumptuous food. It is only bad for the proletariat. This has become a matter-of-fact existence in your "free" country also--you set up your "rulers" in the finest limousines and homes and choose them from the already wealthy elite. Please note that only ones from the Trilateralists ever get Peace Prizes, etc. Funny thing--Mr. Gorbachev was "best dressed man of the year", in addition. Does this strike any of you as possibly "strange" in a time of total economic chaos in Russia--do you have even the slightest idea how and where this man lives? I thought not!)

Man is subject to certain desires and needs which are as natural to his beingness as they are to that of any other animal. Man, however,

has the peculiarity of exaggerating some of these beyond the bounds of reason. This is obvious through the growth of leisure classes, pseudo-intellectual groups, the 'petit bourgeoisie,' Capitalism, and other ills.

It has been said, with truth, that one tenth of a man's life is concerned with politics and nine-tenths with economics. Without food, the individual dies. Without clothing, he freezes. Without houses and weapons, he is prey to the starving wolves. The acquisition of sufficient items to answer these necessities of food, clothing, and shelter, in reason, is the natural right of a member of an enlightened State. An excess of such items brings about unrest and disquiet. The presence of luxury items and materials, and the artificial creation and whetting of appetites, as in Capitalist advertising, are certain to accentuate the less-desirable characteristics of Man.

The individual is an economic organism, in that he requires a certain amount of food, a certain amount of water, and must hold within himself a certain amount of heat in order to live. When he has more food than he can eat, more clothing than he needs to protect him, he then enters upon a certain idleness which dulls his wits and awareness, and makes him prey to difficulties which, in a less toxic state, he would have foreseen and avoided. Thus, we have a glut being a menace to the individual.

It is no less different in a group. Where the group acquires too much, its awareness of its own fellows and of the environment is accordingly reduced, and the effectiveness the group in general is lost.

The maintaining of balance between gluttony and need is the province of Economics proper, and is the fit subject and concern of the Communist State.

Desire and want are a state of mind. Individuals can be educated into desiring and wanting more than they can ever possibly obtain, and such individuals are unhappy. Most of the self-willed characteristics of the Capitalists

come entirely from greed. He exploits the worker far beyond any necessity on his own part, as a Capitalist, to need.

In a nation where economic balances are not controlled, the appetite of the individual is unduly whetted by enchanting and fanciful persuasions to desire, and a type of insanity ensues, where each individual is persuaded to possess more than he can use, and to possess it even at the expense of his fellows.

There is, in economic balances, the other side. Too great and too long privation can bring about unhealthy desires, which, in themselves, accumulate if left action, more than the individual can use. Poverty, itself, as carefully cultivated in Capitalist States, can bring about an imbalance of acquisition. Just as a vacuum will pull into it masses, in a country where enforced privation upon the masses is permitted, and where desire is artificially whetted, need turns to greed, and one easily discovers in such states exploitation of the many for the benefit of the few.

If one, by the technologies of Psychopolitics, were to dull this excessive greed in the few who possess it, the worker would be freed to seek a more natural balance.

Here we have two extremes. Either one of them are an insanity. If we wish to create an insanity we need only glut or deprive an individual at long length beyond the ability to withstand and we have a mental imbalance. A simple example of this is the alternation of too low with too high pressures in a chamber, an excellent psychopolitical procedure. The rapidly varied pressure brings about a chaos wherein the individual will cannot act and where other wills then, perforce, assume control.

Essentially, in an entire country, one must remove the greedy by whatever means and must then create and continue a semi-privation in the masses in order to command and utterly control the nation.

A continuous hope for prosperity must be indoctrinated in to the masses with many dreams and vi-

sions of glut of commodity and this hope must be counter-played against the actuality of privation and the continuous threat of loss of all economic factors in case of disloyalty to the State in order to suppress the individual wills of the masses.

(Hatonn: Go back and read that please and see if it doesn't fit with today's terror tactics and factual, fall of the economy, job losses, property losses, etc.)

In a nation under conquest such as America, our slow and stealthy approach need take advantage only of the cycles of booms and depressions inherent in Capitalistic nations in order to assert of more and more strong control over individual wills. A boom is as advantageous as a depression for our ends for during prosperity our propaganda lines must only continue to point up the wealth the period is delivering to the selected few to divorce their control of the state. During a depression one must only point out that it ensued as a result of the avarice of a few and the general political incompetence of the national leaders.

The handling of economic propaganda is not properly the sphere of psychopolitics but the psychopolitician must understand economic measures and Communist goals connected with them.

The masses must at last come to believe that only excessive taxation of the rich can relieve them of the "burdensome leisure class" and can thus be brought to accept such a thing as income tax, a Marxist principle smoothly slid into Capitalistic framework in 1909 in the United States. This even though the basic law of the United States forbade it and even though Communism at that time had been active only a few years in America. Such success as the Income Tax law, had it been followed thoroughly, could have brought the United States and not Russia into the world scene as the first Communist nation. But the virility and good sense of the Russian peoples won. It may not be that the United States will become entirely Communist until

past the middle of the century but when it does it will be because of our superior understanding of economics and of psychopolitics.

The Communist agent skilled in economics has as his task the suborning of tax agencies and their personnel to create the maximum disturbance and chaos and the passing of laws adapted to our purposes and to him we must leave this task. (Hatonn: I believe I need make no further comment regarding this. Even the Russians knew your Income Tax law was illegal and Constitutionally unlawful. They further knew that you would pull your own noose upon you with a welfare state which would run out of both tax money and welfare funds--and collapse is all that remains to occur.) The psychopolitical operator plays a distinctly different role in this drama.

The rich, the skilled in finance, the well-informed in government are particular and individual targets for the psychopolitician. His is the role of taking off the board those individuals who would halt or corrupt Communist economic programs. Thus every rich man, every statesman, every person well informed and capable in government must have brought to his side as a trusted confidant a psychopolitical operator.

The families of these persons are often deranged from idleness and glut and this fact must be played upon, even created. The normal health and wildness of a rich man's son must be twisted and perverted and explained into neurosis and then, assisted by a timely administration of drugs or violence, turned into criminality or insanity. This brings at once some one in "mental healing" into confidential contact with the family and from this point on the very most must then be made of that contact.

Communism could best succeed if at the side of every rich or influential man there could be placed a psycho-political operator, and undoubted authority in the field of "mental healing", who could then by his advice or through the medium of a wife or daughter by

his guided opinions direct the optimum policy to embroil or upset the economic policies of the country and when the time comes to do away forever with the rich or influential man, to administer the proper drug or treatment to bring about his complete demise in an institution as a patient or dead as a suicide.

Planted beside a country's powerful persons the psychopolitical operator can also guide other policies to the betterment of our battle.

The Capitalist does not know the definition of war. He thinks of war as attack with force performed by soldiers and machines. He does not know that a more effective if somewhat longer war can be fought with bread or, in our case, with drugs and the wisdom of our art. The Capitalist has never won a war in truth. The psychopolitician is having little trouble winning this one.

Dharma, close here, chela. I ask that this segment go forth in conjunction with Number One writing of this morning. I do not want more than the equivalent of one Express shipped at a given time for I ask that each portion be studied prior to moving on to the next segment. We will next take up the subject of goals--*State goals for the individual and masses!* I move to stand-by.

Hatonn to clear, please.

Dear Friends:

We are very pleased to announce that George Green, publisher of the Phoenix Journals, will be a guest speaker at the Global Sciences Conference that is being held in Orlando, Florida on January 31 through February 3, 1991. George will be speaking on the very latest information from the extra-terrestrials concerning our nation and planetary situation. There will be a workshop scheduled with George where specific details will be carefully outlined. All in attendance will be both shocked and fascinated. For details: CALL 303/452-9300.

TODAY'S WATCH

PSYCHOPOLITICS:

Strange label? Strange term? Get familiar with it, World. This is the method through which it has been determined that the Russians would gain control of your world. The first "brain-control and change" would be the American United States. I will get around to what it is and how it works (and has been all but perfected upon you-the-people). However, I wish to continue with your Pleiades Connections and Cosmic "codes" before doing so--for A.L.L. are necessary parts of the puzzle if there is to be understanding.

It is far beyond a simple "desire" of the Russians to control and experiment--this comes in textbook form and the entire political-enforcement system is required to be totally functional in application--it has worked!!

Russian attitudes and mandates? Let me pronounce the "Summary" as laid forth in the mandates.

QUOTE:

In this time of unlimited weapons (1976), and in national antagonisms where atomic war with Capitalistic powers is possible, Psychopolitics must act efficiently as

never before.

Any and all programs of Psychopolitics must be increased to aid and abet the activities of other Communist agents throughout the nation in question.

The failure of Psychopolitics might well bring about the atomic bombing of the Motherland (Russia).

If Psychopolitics succeeds in its mission throughout the Capitalistic nations of the world, there will never be an atomic war, *for Russia will have subjugated all of her enemies.*

Communism has already spread across one-sixth of the inhabited world. Marxist Doctrines have already penetrated the remainder. An extension of the Communist social order is everywhere victorious. *The spread of Communism has never been by force of battle, but by conquest of the mind.* In Psychopolitics we have refined this conquest to its last degree.

The psychopolitical operative must succeed, for his success means a world of Peace. His failure might well mean the destruction of the civilized portions of Earth by atomic power in the hands of Capital-

istic madmen.

The end thoroughly justifies the means. The degradation of populaces is less inhuman than their destruction by atomic fission, for to be an animal who lives only once, any life is sweeter than death.

The end (of war) is the control of a conquered people. If a person can be conquered in the absence of war, the end of war will have been achieved without the destruction of war. A worthy goal.

The psychopolitician has his reward in the nearly unlimited control of populaces, in the uninhibited exercise of passion, and the glory of Communist conquest over the stupidity of the enemies of the People.

END QUOTING

The above "means" means exactly that--any means is deemed acceptable to achieve the aims of control. This includes dominant use of robotoids, frequency beams--ANYTHING that brings a nation of citizens under the control of mental stupor. So be it.

HOW CAN YOU TRUST OUR WORK?

Because the facts of truth are coming forth from unexpected and

unrecognized sources. "They" simply did not know where to attack and change. As ones have come into service unto the Master and the space brotherhood--direct and unrelenting attack was put in motion through myriads of ways to *insure* ego takeover and commitment failure to higher resources. It happens all the time. Dharma happened to get in under the silence of unexpected resource and got on your own leader's "hit list" first! Do you see that it is too late to stop this word? Too much has flowed forth in quantity which cannot be suppressed without spreading it even more quickly. If this one is touched--then she will simply stop of the direct receiving so that truth is not tarnished in its directness from Source.

Oh yes, they have her located and under constant bombardment with everything they can throw at her and the publishers, etc. *However, the entire area is under shielding and personal mental impact is most unlikely.*

When I tell you that the Russians DO NOT WANT AN ATOMIC WAR, I most certainly mean it. And, it becomes more and more obvious that, in the event of a Middle East all-out war, there will be atomic weapons brought into play. YOU TEETER ON THE TOTTERING EDGE OF DISASTER. BUT, THE SHOW IS NOT OVER UNTIL (NOT WHEN THE "FAT LADY SINGS", BUT RATHER) GOD WINS! Hold that trump card ever next thine heart-place!

CONGRESS IN SESSION

Congress has dealt your President of War a nasty blow--thank all of you who have witnessed unto your Congressmen. It is still probable that Bush will work it so he can call Executive Orders but it gets harder and harder--because Congress has voted to "stay in session without the usual recess this

January`to monitor the Arab conflict". That is terrible news for the Bush war plans so **KEEP UP THE BARRAGE, CITIZENS, FOR YOU ARE BEING HEARD!** You don't have to longer ask, "What can I do?"--just make loud noises unto your Congressmen--constantly. Call the 800 number in Washington--call your Congressmen--write and wire your Congressmen!! The WORD shall be that which will set you free and bring home your children, parents and spouses.

Take'one thing at a time--IF YOU CAN RE-ESTABLISH YOUR CONSTITUTION, AMERICA--YOU CAN WIN THE REST OF THE BATTLE! IF YOU LOSE IT--YOU ARE SIMPLY SACRIFICIAL PAWNS IN THE ULTIMATE BATTLE BETWEEN THE ELITE WOULD-BE WORLD MASTERS. GOD CAN ULTIMATELY REVERSE THE MENTAL BARRAGE WITH TRUTH--BUT THE BODIES MUST SURVIVE TO ALLOW FOR SAME TO HAVE OPPORTUNITY TO OCCUR. PLEASE, GIVE LIFE IN TRUTH A CHANCE BEFORE YOU BLOW AWAY YOUR PLANET AND YOUR SPECIES!

WHAT IS THE RHODE ISLAND BANK MESS?

Two things: Firstly, the closed banks and Credit Unions are those that are *privately insured*. It is a dual effort to scare the public from continuing to utilize Credit Unions which are not FDIC insured which will put out of commission a large majority of the Credit Unions which have functioned in honest properness and bring the depositors back into the fold of the "banks". Secondly, it will point out the institutions who have used unwise investments within the institutions of service to groups and who are insured through private sources. It basically is a call to announce the possible failure of Credit Union resources as well as the banks who

are borderline to failure, at best.

In a positive note, however, it also points out that the Insurance Industry is IN SERIOUS TROUBLE! THERE SIMPLY ARE NOT INSURANCE FUNDS TO COVER THAT WHICH IS INSURED! THIS INDICATES A HEAVY, HEAVY DEFICIT IN THE INSURANCE COMPANIES AND THEREFORE "WORTHLESS" INSURANCE. **YOU ARE IN ECONOMIC COLLAPSE WITH THE PIECES GRADUALLY FALLING AROUND YOU--FOR THE INTEGRITY OF THE STRUCTURE IS GONE AND THE ENTIRE SYSTEM HAS LONG SINCE HAD NOTHING OF FOUNDATION UPON WHICH TO STAND! SO BE IT.**

GENERAL OBSERVATIONS

Watch most closely that which is coming forth from both sides of the Iraq issue. You are being warned CONSTANTLY of probable terrorist activities beyond the imagined if you pursue this war.

Note, that Mr. Bush has let it "slip"--if the war does not happen, the One World Order is all but a dead issue. However, the UN councils are made up of countries totally bought and sold (owned) by the International Monetary Fund and the World Bank--(these are owned and controlled in total by the U.S. and Great Britain. The threats to take away aid and funds by the World Bank if the representatives to the UN do not vote in the ordered mandates of these two countries means exactly that--BLACKMAIL BY WITHHOLDING ASSISTANCE. THIS IS THE SAME PLAN OF ATTACK UPON YOU--THE-PEOPLE!

Do not allow yourselves to lose sight of the point of the whole game by being caught up in the distractors!

This document is a continuation of the transcription of a document (textbook) utilized in Russia for Mind-Control--specifically directed at the United States of America. This is done through a scientific method of brain-washing called PSYCHOPOLITICS.

If you believe the entire world has gone "mad", you are very close to correct for that, indeed, is the goal of Communism. The methods have been incredibly effective and you stand at the brink of annihilation as a free people, under ANTI-CHRIST, with liberty and justice for none. The plan is synchronous with the Global Plan 2000 for total take-over of the planet.

QUOTE:

STATE GOALS FOR THE INDIVIDUAL AND MASSES

Just as we would discover an individual to be ill, whose organs, each one, had a different goal from the rest, so we discover the individuals and the State to be ill where goals are not rigorously codified and enforced.

There are those who, in less enlightened times, gave Man to believe that goals should be personally sought and held, and that, indeed, Man's entire impulse toward higher things stemmed from Freedom. We must remember that the same peoples who embraced this philosophy also continued in Man the myth of spiritual existence. (Hatonn: This was their first attack against immortality and God/Christ teachings.)

All goals proceed from duress. Life is a continuous escape. Without force and threat there can be no striving. Without pain there can be no desire to escape from pain. Without the threat of punishment there can be no gain. Without duress and command there can be

no alignment of bodily functions. Without rigorous and forthright control, there can be no accomplished goals for the State.

Goals of the State should be formulated by the State for the obedience and concurrence of the individuals within that State. A State without goals so formulated is a sick State. A State without the power and forthright wish to enforce its goals is a sick State.

When an order is issued by the Communist State, and is not obeyed, a sickness will be discovered to ensue. Where obedience fails, the masses suffer.

State goals depend upon loyalty and obedience for their accomplishment. When one discovers a State goal to be interpreted, one discovers inevitably that there has been an interposition of self-willedness, of greed, of idleness, or of rugged individualism and self-centered initiative. The interruption of a State goal will be discovered as having been interrupted by a person whose disloyalty and disobedience is the direct result of his own mis-alignment with life.

It is not always necessary to remove the individual. It is possible to remove his self-willed tendencies to the improvement of the goals and gains of the whole. The technologies of Psychopolitics are graduated upon the scale which starts somewhat above the removal of the individual himself, upward toward the removal only of those tendencies which bring about his lack of co-operation.

It is not enough for the State to have goals. These goals, once put forward, depend for their completion upon the loyalty and obedience of the workers. These, engaged for the most part, in hard labors, have little time for idle speculation, which is good. But, above them, unfortunately, there must be fore-

men of one or another position, any one of whom might have sufficient idleness and lack of physical occupation to cause some disaffecting independency in his conduct and behavior.

Psychopolitics remedies this tendency toward disaffection when it exceeds the common persuasions of the immediate superiors of the person in question.

EXAMINATION OF LOYALTIES

If loyalty is so important in the economic and social structure, it is necessary to examine it further as itself.

In the field of Psychopolitics, loyalty means simply 'alignment'. It means, more fully, alignment with the goals of the Communist State. Disloyalty means entirely misalignment, and more broadly, misalignment with the goals of the Communist State.

When we consider that goals of the Communist State are to the best possible benefit of the masses, we can see that disloyalty, as a term, can embrace Democratic alignment. Loyalty to persons not communistically indoctrinated would be quite plainly, a misalignment.

The cure of disloyalty is entirely contained in the principles of alignment. All that it is necessary to do, where disloyalty is encountered, is to align the purposes of the individual toward the goals of Communism, and it will be discovered that a great many circumstances hitherto distasteful in his existence will cease to exist.

The technologies of Psychopolitics adequately demonstrate the workability of this.

While it is not borne out that electric shock has any therapeutic value, so far as making the indi-

vidual more sane, it is adequately brought out that its punishment value will create in the patient a greater co-operative attitude. Brain surgery has no statistical data to recommend it beyond its removal of the individual personality from amongst the paths of organs which were not permitted to co-operate. These two Russian developments have never pretended to alter the state of sanity. They are only effective and workable in introducing an adequate punishment mechanism to the personality to make it cease and desist from its courses and egotistical direction of the anatomy itself. It is the violence of the electric shock and the surgery which is useful in subduing the recalcitrant personality, which is all that stands in the road of the masses or the State. It is occasionally to be discovered that the removal of the preventing personality by shock and surgery then permits the regrowth and re-establishment of organs which have been rebelled against by that personality. In that a well-regulated state is composed of organisms, not personalities, the use of electric shock and brain surgery in Psychopolitics is clearly demonstrated.

The changing of loyalty consists, in its primary step, of the eradication of existing loyalties. This can be done in one of two ways. First, by demonstrating that previously existing loyalties have brought about perilous physical circumstances, such as imprisonment, lack of recognition, duress, or privation, and second, by eradicating the personality itself.

The first is accomplished by a steady and continuous indoctrination of the individual in the belief that his previous loyalties have been granted to an unworthy source. One of the primary instances in this is creating circumstances which apparently derive from the target of his loyalties, so as to rebuff the individual. As part of this there is the creation of a

state of mind in the individual, by actually placing him under duress, and then furnishing him with false evidence to demonstrate that the target of his previous loyalties is, itself, the cause of his duress. Another portion of this same method consists of defaming or degrading the individual whose loyalties or government, to such a degree that this target, at length, actually does hold the individual in disrepute, and so does rebuff him and serve to convince him that his loyalties have been misplaced. These are the milder methods, but have proven extremely effective. The greatest drawback in their practice is that they require time and concentration, the manufacture of false evidence, and a psychopolitical operator's time.

In moments of expediency, of which there are many, the personality itself can be rearranged by shock, surgery, duress, privation, and in particular, that best of psychopolitical techniques, implantation, with the technologies of neo-hypnotism. Such duress must have in its first part a defamation of the loyalties, and in its second, the implantation of new loyalties. A good and experienced psychopolitical operator, working under the most favorable circumstances, can, by the use of psychopolitical technologies, alter the loyalties of an individual so deftly that his own companions will not suspect that they have changed. This, however, requires considerably more finesse than is usually necessary to the situation. Mass neo-hypnotism can accomplish more or less the same results when guided by an experienced psychopolitical operator. An end goal in such a procedure would be the alteration of the loyalties of an entire nation in a short period of time by mass neo-hypnotism, a thing which has been effectively accomplished among the less-useable states of Russia.

It is adequately demonstrated that

loyalty is entirely lacking in that mythical commodity known as 'spiritual quality'. (Hatonn: Many would like to take exception to this statement in believing it to be a demonstrable lie; fundamental "Christians" have always been known for their loyalty and patriotism---NOT SO--as can be seen in the total lack of truly Godly behavior and/or staid Christian doctrines according to the Laws (Commandments) of God. Further in this very day you act in America as non-patriots in your efforts to be "patriotic". You have massive military invasion of a land across the world from your country and citizenry, to gain back land and property for a Royal Monarch who, in fact, holds black slaves--totally against the very fiber of your Constitution and projections of "freedom and liberty for ALL".)

Loyalty is entirely a thing of dependence, economic or mental, and can be changed by the crudest implementations. Observation of workers in their factories or fields demonstrates that they easily grant loyalty to a foreman or a woman, and then as easily abandon it and substitute another individual, revulsing, at the same time, toward the person to whom loyalty was primarily granted. The queasy insecurity of the masses in Capitalistic nations finds this more common than in an enlightened State such as Russia. In Capitalistic states, dependencies are so craven, wants and privations are so exaggerated, that loyalty is entirely without ethical foundation and exists only in the realm of dependency, duress, or demand.

It is fortunate that Communism so truly approaches an ideal state of mind, for this brings a certain easiness into any changing of loyalties, since all other philosophies extant and practiced on Earth today are degraded and debased, compared to Communism. It is then with a certain security that a psychopolitical operator functions, for he

knows that he can change the loyalty of an individual to a more ideal level by reason alone, and only expediency makes it necessary to employ the various shifts of psychopolitical technology. Any man who cannot be persuaded into Communist rationale is, of course, to be regarded as somewhat less than sane, and it is, therefore completely justified to use the techniques of insanity upon the non-Communist.

In order to change loyalty it is necessary to establish first the existing loyalties of the individual. The task is made very simple in view of the fact that Capitalistic and Fascistic nations have no great security in the loyalty of their subjects. And it may be found that the loyalties of the subjects, as we call any person against whom psychopolitical technology is to be exerted, are already too faint to require eradication. It is generally only necessary to persuade with the rationale and overwhelming reasonability of Communism to have the person grant his loyalty to the Russian State. However, regulated only by the importance of the subject, no great amount of time should be expended upon the individual, but emotional duress, or electric shock, or brain surgery should be resorted to, should Communist propaganda persuasion fail. In a case of a very important person, it may be necessary to utilize the more delicate technologies of Psychopolitics so as to place the person himself, and his associates, in ignorance of the operation. In this case a simple implantation is used, with a maximum duress and command value. Only the most skilled psychopolitical operator should be employed on such a project, as in this case of the very important person, for a bungling might disclose the tampering with his mental processes. It is much more highly recommended, if there is any doubt whatever about the success of an operation against an important person, to select out as a psychopolitical target persons in

his vicinity in whom he is emotionally involved. His wife or children normally furnish the best targets, and these can be operated against without restraint. In securing the loyalty of a very important person one must place at his side a constant pleader who enters a sexual or familial chord into the situation on the side of Communism. It may not be necessary to make a Communist out of the wife, or the children, or one of the children, but it might prove efficacious to do so. In most instances, however, this is not possible. By the use of various drugs, it is, in this modern age, and well within the realm of psychopolitical reality, entirely too easy to bring about a state of severe neurosis or insanity in the wife or children, and thus pass them, with full consent of the important person, and the government in which he exists, or the bureau in which he is operating, into the hands of a psychopolitical operator, who then in his own laboratory, without restraint or fear of investigation or censor, can, with electric shock, surgery, sexual attack, drugs, or other useful means, degrade or entirely alter the personality of a family member, and create in that person a psychopolitical slave subject who, when, on command or signal, will perform outrageous actions, thus discrediting the important person, or will demand, on a more delicate level, that certain measures be taken by the important person, which measures are, of course, dictated by the psychopolitical operator.

(Hatonn: Have you not constantly wondered how it is that often children of important people are totally discrediting to their parents? It is one way that Bush is kept in total control! It is a very common occurrence.)

Usually when the party has no real interest in the activities or decisions of the important person, but merely wishes to remove him from

effective action, the attention of the psychopolitical operator need not be so intense, and the person need only be passed into the hands of some unwitting mental practitioner, who taught as he is by psychopolitical operators, will bring about sufficient embarrassment.

When the loyalty of an individual cannot be swerved, and where the opinion, weight, or effectiveness of the individual stands firmly in the road of Communist goals, it is usually best to occasion a mild neurosis in the person by any available means, and then, having carefully given him a history of mental imbalance, to see to it that he disposes of himself by suicide, or by bringing about his demise in such a way as to resemble suicide. Psychopolitical operators have handled such situations skillfully tens of thousands of times within and without Russia. (Hatonn: I am sure that any astute reader can name a dozen right off without hardly thinking about it.)

Please take a short break, Dharma. Hatonn to standby.

CONTINUATION OF RUSSIAN TEXTBOOK ON PSYCHOPOLITICS

It is a firm principle of Psychopolitics that the person to be destroyed must be involved at first or second hand in the stigma of insanity, (Hatonn: i.e. B.G. proclaiming that these Journals, etc., come from the "mad ravings of an insane mind!") and must have been placed in contact with psychopolitical operators or persons trained by them, with a maximum amount of tumult and publicity. The stigma of insanity is properly placed at the door of such persons' reputations and is held there firmly by bringing about irrational acts, either on his own part or in his vicinity. Such an activity can be classified as a partial destruction of align-

ment, and if this destruction is carried forward to its furthest extent the mis-alignment on the subject of all loyalties can be considered to be complete, and alignment on new loyalties can be embarked upon safely.

(Hatonn: Or this can be accomplished by irrational acts by the persons wishing to discredit truth and the truth-bringers, i.e. Bill Cooper announcing to the world through the Billy Goodman talk show in Las Vegas that "The Phoenix Journals are the biggest hoax ever perpetrated against mankind!" In further efforting to make his case he insisted that some 50 pages of his own work had been directly plagiarized (from a 26 page document) by this scribe and Commander Hatonn. He did not, fortunately for himself and his friends who joined in the "show and tell" episode, denounce Commander Hatonn as being non-existent! The point was to discredit the writer and publisher so that their work would go unread. Didn't happen, did it? Truth will always find its "out" and I believe that it is NOT the Journals which are now in disrespect as being untruth!!!)

By bringing about insanity or suicide *(Hatonn: This has not been an effective approach to Dharma and/or Oberli but in direct anticipation of involvement, their son was conditioned and did commit suicide!)* on the part of the wife of an important political personage, a sufficient mis-alignment has been instigated to change his attitude. And this, carried forward firmly, or assisted by psychopolitical implantation can begin the rebuilding of his loyalties, but now slanted in a more proper and fitting direction.

Another reason for the alignment of psychopolitical activities with the mis-alignment of insanity is that insanity, itself, is a despised and disgraced state, and anything connected with it is lightly viewed.

Thus, a psychopolitical operator, working in the vicinity of an insane person, can refute and disprove any accusations made against him by demonstrating that the family itself is tainted with mental imbalance. This is surprisingly effective in Capitalistic countries where insanity is so thoroughly feared that no one would dream of investigating any circumstances in its vicinity. Psychopolitical propaganda works constantly and must work constantly to increase and build up this aura of mystery surrounding insanity, and must emphasize the horribleness and hopelessness of insanity in order to excuse non-therapeutic actions taken against the insane. Particularly in Capitalistic countries, an insane person has no rights under the law. No person who is insane may hold property. No person who is insane may testify. Thus, we have an excellent road along which we can travel toward our certain goal and destiny.

Entirely by bringing about public conviction that the sanity of a person is in question, it is possible to discount and eradicate all of the goals and activities of that person. By demonstrating the insanity of a group, or even a government, it is possible, then, to cause its people to disavow it. By magnifying the general human reaction to insanity, through keeping the subject of insanity, itself, forever before the public eye, and then, by utilizing this reaction by causing a revulsion on the part of a populace against its leader or leaders, it is possible to stop any government or movement.

It is important to know that the entire subject of loyalty is thus as easily handled as it is. One of the first and foremost missions of the psychopolitician is to make an attack upon Communism and insanity synonymous. It should become the definition of insanity, of the paranoid variety, that "A paranoid believes he is being attacked by Communists." Thus,

at once the support of the individual so attacking Communism will fall away and wither. *(Hatonn: note that anti-Communists are labeled as "right-wing extremists," "paranoid," etc.)*

Instead of executing national leaders, suicide for them should be arranged under circumstances which question their demise. In this way we can select out all opposition to the Communist extension into the social orders of the world, and render populaces who would oppose us leaderless, and bring about a state of chaos or mis-alignment into which we can thrust, with great simplicity, the clear and forceful doctrines of Communism.

The cleverness of our attack in this field of Psychopolitics is adequate to avoid the understanding of the layman and the usual stupid official, and by operating entirely under the banner of authority, with the oft-repeated statement that the principles of psychotherapy are too devious for common understanding, an entire revolution can be effected without the suspicion of a populace until it is an accomplished fact.

As insanity is the maximum mis-alignment, it can be grasped to be the maximum weapon in severance of loyalties to leaders and old social orders. Thus, it is of the utmost importance that psychopolitical operatives infiltrate the healing arts of a nation marked for conquest, and bring from that quarter continuous pressure against the population and the government until at last the conquest is effected. This is the subject and goal of Psychopolitics, itself.

In rearranging loyalties we must have a command of their values. In the animal the first loyalty is to himself. This is destroyed by demonstrating errors to him, showing him that he does not remember, cannot act or does not trust himself. The second loyalty

is to his family unit, his parents and brothers and sisters. This is destroyed by making a family unit economically non-dependent, by lessening the value of marriage, by making an easiness of divorce and by raising the children wherever possible by the State. The next loyalty is to his friends and local environment. This is destroyed by lowering his trust and bringing about reportings upon him allegedly by his fellows or the town or village authorities. (*Hatonn: This has also been publicly foisted off upon my scribe with the municipal court Judge mis-ruling and continued insulting words and behaviors by Santa Barbara Savings and Loan Association. This is fully intended to turn the entire of the village against the "old couple" involved.*) The next is to the State and this, for the purposes of Communism, is the only loyalty which should exist once the state is founded as a Communist State. To destroy loyalty to the State all manner of forbiddings for youth must be put into effect so as to disenfranchise them as members of the Capitalist state and, by promises of a better lot under Communism, to gain their loyalty to a Communist movement.

Denying a Capitalist country easy access to courts, bringing about and supporting propaganda to destroy the home, creating and continuous juvenile delinquency, forcing upon the state all manner of practices to divorce the child from it will in the end create the chaos necessary to Communism.

Under the saccharine guise of assistance to them, rigorous child labor laws are the best means to deny the child any right in the society. By refusing to let him earn, by forcing him into unwanted dependence upon a grudging parent, by making certain in other channels that the parent is never in other than economic stress, the child can be driven in his teens into revolt. Delinquency will en-

sue.

(*Hatonn: You may as well quit holding your breath as you read, for yes, it gets worse as the nail is struck upon its head over and over and over right before your eyes!*)

By making readily available drugs of various kinds, by giving the teen-ager alcohol, by praising his wildness, by stimulating him with sex literature and advertising to him or her practices as taught at the Sexpol, the psychopolitical operator can create the necessary attitude of chaos, idleness and worthlessness into which can then be cast the solution which will give the teen-ager complete freedom everywhere -- Communism.

Should it be possible to continue conscription beyond any reasonable time by promoting unpopular wars and other means the draft can always stand as a further barrier to the progress of youth in life, destroying any immediate hope to participate in his nation's civil life.

By these means the patriotism of youth for their Capitalistic flag can be dulled to a point where they are no longer dangerous as soldiers. While this might require many decades to effect, Capitalism's short term view will never envision the lengths across which we can plan.

If we could effectively kill the national pride and patriotism of just one generation we will have won that country. Therefore, there must be continual propaganda abroad to undermine the loyalty of the citizens in general and the teen-ager in particular. (*Hatonn: This was effectively perfected by the Vietnam War and since, the citizens of the United States, for instance, have been unable to find true purpose in any actions of the U.S. administration. There is not the slightest notion by*

the military as to why they are REALLY IN SAUDI ARABIA--BUT IT CERTAINLY IS NOT PATRIOTIC NEED FOR PROTECTION OF FREEDOM OF THE UNITED STATES.)

The role of the psychopolitical operator in this is very strong. He can, from his position as an authority on the mind, advise all manner of destructive measures. He can teach the lack of control of his child at home. He can instruct, in an optimum situation, the entire nation in how to handle children -- and instruct them so that the children, given no control, given no real home, can run wildly about with no responsibility for their nation or for themselves.

The mis-alignment of the loyalty of youth to a Capitalistic nation sets the proper stage for a realignment of their loyalties with Communism. Creating a greed for drugs, sexual misbehavior and uncontrolled freedom and presenting this to them as a benefit of Communism will with ease bring about our alignment.

In the case of strong leaders amongst youthful groups, a psychopolitical operator can work in many ways to use or discard that leadership. If it is to be used, the character of the girl or boy must be altered carefully into criminal channels and a control by blackmail or other means must be maintained. But where the leadership is not susceptible, where it resists all persuasions and might become dangerous to our Cause, no pains must be spared to direct the attention of the authorities to that person and to harass him in one way or another until he can come into the hands of juvenile authorities. When this has been effected it can be hoped that a psychopolitical operator, by reason of child-advisor status, can, in the security of the jail and cloaked by processes of law, destroy the sanity of that person. Particularly brilliant scholars,

athletes and youth group leaders must be handled in either one of these two ways.

In the matter of guiding the activities of juvenile courts, the psychopolitical operator entertains here one of his easier tasks. A Capitalistic nation is so filled with injustice in general that a little more passes without comment. In juvenile courts there are always persons with strange appetites whether these be judges or policemen or women. If such do not exist they can be created. By making available to them young girls or boys in the "security" of the jail or the detention home and by appearing with flash cameras or witnesses one becomes equipped with a whip adequate to direct all the future decisions of that person when these are needed.

The handling of youth cases by courts should be led further and further away from law and further and further into "mental problems" until the entire nation thinks of "mental problems" instead of criminals. (*Hatonn: Note that the heavy, heavy thrust in the courts is to convince you that criminals are NOT RESPONSIBLE FOR THEIR CRIMES! i.e., "...he had a bad, abusive childhood", "...he was deprived as a child", "...he is mentally unbalanced" and on and on ad nauseam.*) This places vacancies everywhere in the courts, in the offices of district attorneys, on police staffs which could then be filled with psychopolitical operators and these become then the judges of the land by their influence and into their hands comes the total control of the criminal, without whose help a revolution cannot ever be accomplished.

By stressing this authority over the problems of youth and adults in courts one day the demand for psychopolitical operators could become such that even the armed services will use "authorities on the

mind" to work their various justices and when this occurs the armed forces of the nation then enter into our hands as solidly as if we commanded them ourselves. With the slight bonus of having thus a skilled interrogator near every technician or handler of secret war apparatus, the country, in event of revolution, as did Germany in 1918 and 1919, will find itself immobilized by its own Army and Navy fully and entirely in Communist hands.

Thus the subject of loyalties and their re-alignment is, in fact, the subject of non-armed conquest of an enemy.

Dharma, allow us closure at this point, please. I want to take up the subject of "obedience" in this textbook presentation and it is a mouthful to chew because you will see it unfolding before your eyes--how you have been suckered into allowing one who "takes charge" through power to require obedience and receive of it. To this very extent, you have given up your rights to Constitutional freedom into the hands of would-be dictators and world controllers.

Is this information a bit provoking to your minds? Is it perhaps shocking? I certainly do hope so for you are all but "had" as you smile and salute all the way to the chop-block!

Good evening.

Hatonn to clear.

TODAY'S WATCH

Hatonn. Good morning.

We will only write for a short while this morning for there is need for you to be away from this location; there are also other things which need attention.

Please take note of the "flap" regarding news reporters in the Middle East ("physical fitness", censorship by the military, etc). This goes along with that which we are writing--this is to insure total control of all news. You will be told that the news will be censored and controlled to keep the enemy off guard. No, it is to disallow your parents and loved ones and objective governmental officials to know truth.

By the way--Botulism and Anthrax are deadly diseases and there are no effective vaccines for either. At best, there are some very dangerous "partial" vaccines--still in research and which I would not utilize on any animal which would be mine enemy. Again, you are lied to. The same one, from your great halls of wisdom and national research, has announced this--"Sandy", as CNN's Larry King fondly calls his regular visitor on this enlightening "show and

tell" (that which is intended for you to swallow whole). When confronted, *he also ADMITTED that "innocent" microbes were introduced into the subway system of New York as an experiment. It was estimated that 500,000 people were directly introduced to the microbes and almost 400,000 came down with the "infection". He added with a smile, "But it was totally harmless microbes."* **HOW COULD IT BE HARMLESS IF, IN FACT, YOU COULD DETERMINE THAT ALMOST 400,000 (ACTUALLY, THE COUNT WAS GENERALIZED AT 367,000) CAME DOWN WITH SYMPTOMS WHICH COULD BE IDENTIFIED? I WARN YOU PEOPLE, IF YOU DO NOT STOP THIS SORT OF THING--YOUR SELECTIVE POPULATIONS WILL BE WIPED OUT BEFORE YOUR EYES, ALONG WITH YOU!**

What of the meeting of Iraq and the U.S. in Geneva? You are told a great deal about facts, if you pay attention. Bush continues to say "no-deal" of any kind. But, the meeting is arranged for on the brink of deadline and, further, in neutral territory. **YOU ARE MAKING HEADWAY, PEOPLE OF THE WORLD--ESPECIALLY THE RUSSIAN WORLD OF CONTROLLING POWER. BE**

GRATEFUL FOR WHAT-EVER WE CAN GAIN IN "TIME" WITHOUT BLOWING YOUR WORLD AWAY. Watch the sleight-of-hand: the administration--with Kissinger now on TV with his monotone, emotionless, robotic voice of a computer, projecting the next move--that of economic disaster in the face of stalled-out war. **The need is to pull down America very soon so that the other controlling factors can come into play and be totally operational by year 2000. I believe you can see from that which we are presenting here regarding psychopolitical sweeping of the world--America in specifics--the plan has alternative measures and ALL are functional. They only needed one generation to pull you down, America--and they got it! The plan is to sacrifice all of your current youthful generation. It is up to you of the prior generation to get this thing of freedom back on track for your children, nation and God. The youth are caught in the jaws of control and chaos and have nothing to which to relate--YOU WILL DO IT, OR IT WILL NOT BE DONE.**

Please, Dharma, back to the laying forth of the Russian plan and textbook mandates for world dominion through the mind: **PSYCHOPOLITICS; MIND-CONTROL.** We will

begin this portion speaking about "OBEDIENCE": **TOTAL OBEDIENCE THROUGH FORCE.** You have many examples throughout history and, now, even beautiful America is ruled by police force established unlawfully, unconstitutionally, and through the Elite--by the acts of violence and fear. Harken back to history: Alexander the Great, Napoleon, Hitler, Stalin, and Mao Tse-tung--all ruled in this manner. Dear Desiree', I dare say you would not have enjoyed a relationship, of any type at all, with Alexander, per your distractor and deceiver projectors! He was simply not a nice person!

THE GENERAL SUBJECT OF OBEDIENCE

Again note that I will Quote from the document as written. My comments will be in parens, in italics.

QUOTE:

Obedience is the result of force.

Everywhere we look in the history of Earth we discover that obedience to new rulers has come about entirely through the demonstration on the part of those rulers of greater force than was to be discovered in the old ruler. A population overridden, conquered by war, is obedient to its conqueror. It is obedient to its conqueror because its conqueror has exhibited more force.

Concurrent with force is brutality, for there are human considerations involved which also represent force. **The most barbaric, unrestrained, brutal use of force, if carried far enough, invokes obedience.** **Savage force, sufficiently long displayed toward any individual, will bring about his concurrence with any principle or**

order.

Force is the antithesis of humanizing actions. It is so synonymous in the human mind with savageness, lawlessness, brutality, and barbarism, that it is only necessary to display an inhuman attitude toward people, to be granted by those people the possession of force.

Any organization which has the spirit and courage to display inhumanity, savageness, brutality, and an uncompromising lack of humanity, will be obeyed. Such a use of force is, itself, the essential ingredient of greatness. We have to hand no less an example than our great Communist Leaders, who, in moments of duress and trial, when faced by Czarist rule, continued over the heads of an enslaved populace, yet displayed sufficient courage never to stay their hands in the execution of the conversion of the Russian State to Communist rule.

If you would have obedience you must have no compromise with humanity. If you would have obedience you must make it clearly understood that you have no mercy. Man is an animal. He understands, in the final analysis, only those things which a brute understands.

As an example of this, we find an individual refusing to obey and being struck. His refusal to obey is now less vociferous. He is struck again, and his resistance is lessened once more. He is hammered and pounded again and again, until, at length, his only thought is direct and implicit obedience to that person from whom the force has emanated. This is a proven principle. It is proven because it is the main principle Man, the animal, has used since his earliest beginnings. It is the only

principle which has been effective, the only principle which has brought about a wide and continued belief. **For it is to our benefit that an individual who is struck again, and again, and again from a certain source, will, at length, hypnotically believe anything he is told by the source of the blows.**

The stupidity of Western civilizations is best demonstrated by the fact that they believe hypnotism is a thing of the mind, of attention, and a desire for unconsciousness. **This is not true. Only when a person has been beaten, punished, and mercilessly hammered, can hypnotism upon him be guaranteed in its effectiveness.** (*Hatonn: Note that torture of P.O.W.'s is NOT for the purpose of gaining information but, rather, for total indoctrination!*)

It is stated by Western authorities on hypnosis that only some twenty percent of the people are susceptible to hypnotism. This statement is very **UNTRUE**. Given enough repetition and/or punishment, **ALL** of the people in any time and place are susceptible to hypnotism. **In other words, by adding force, hypnotism is made uniformly effective.** Where unconsciousness could not be induced by simple concentration upon the hypnotist, **unconsciousness CAN BE INDUCED by drugs, by blows, by electric shock, and by other means.** And where unconsciousness cannot be induced so as to make an implantation or an hypnotic command effective, it is only necessary to **amputate the functioning portions of the animal Man's brain to render him null and void and no longer a menace.** Thus we find that hypnotism is entirely effective.

The mechanisms of hypnotism demonstrate clearly that people can be made to believe in certain conditions, and even in their environment or in politics, by the administration of force. Thus, it is necessary for a psychopolitician to be an expert in the administration of forces. Thus, he can bring about implicit obedience, not only on the part of individual members of the populace, but on the entire populace itself and its government. He need only take unto himself a sufficiently savage role, a sufficiently uncompromising inhuman attitude, and he will be obeyed and believed. *(Hatonn: For this reason, a good hypnotherapist in working with a client MUST have discipline and often REQUIRE the subconscious mind respond with truth. If the practitioner simply gets more emotional and sympathetic, strokes the hand in agreement, etc., the mind continues to be reinforced with the negative input already in command. In other words--truth must be confronted in order to change of the behavior structure. It matters not to the subconscious mind what the instructions are, it will function and cause function of the individual to continue with the dominant and structured input available until such time as new instructions are given and accepted which override the prior commands.)*

The subject of hypnotism is a subject of belief. What can people be made to believe? They CAN be made to believe anything which is administered to them with sufficient repetition, brutality and force. The obedience of a populace is as good as they will believe.

Despicable religions, such as Christianity, knew this. They knew that if enough faith could be brought into being a

populace could be enslaved by the Christian mockeries of humanity and mercy, and thus could be disarmed. But one need not count upon this act of faith to bring about a broad belief. One must only exhibit enough force, enough inhumanity, enough brutality and savageness to create implicit belief and therefore and thereby implicit obedience. As Communism is a matter of belief, its study is a study of force. *(Hatonn: Note that as ones are brought into the shelter of the "Church", gradually the Laws of God have been broken in total by a "voting-in" and "modernization" and "allowance" of all the negative and moral values. You can SEE that the actions are both destructive and incorrect and yet the BELIEF IS ENGENDERED THROUGH THE PRESSURE AND FORCE OF THE TEACHERS, PREACHERS AND COUNCILS WHO CHANGE THE LAWS BY HUMAN CONTROL FACTORS.)*

The earliest Russian psychiatrists, pioneering this science of psychiatry, understood thoroughly that hypnosis is induced by acute fear. They discovered it could also be induced by shock of an emotional nature, and also be extreme privation, as well as by blows and drugs.

In order to induce a high state of hypnogy (hypnosis) in an individual, a group, or a population, an element of terror must always be present on the part of those who would govern. The psychiatrist is aptly suited to this role, for his brutalities are committed in the name of science and are inexplicably complex, and entirely out of view of the human understanding. A sufficient popular terror of the psychiatrist will, in itself, bring about insanity on the part of many individuals. A

psychopolitical operative, then, can, entirely cloaked with authority, commence and continue a campaign of propaganda, describing various "treatments" which are administered to the insane. A psychopolitical operative, must at all times insist that these treatments are therapeutic and necessary. He can, in all of his literature and his books, list large number of pretended cures by these means. But these "cures" need not actually produce any recovery from a state of disturbance. As long as the psychopolitical operative or his dupes are the only authorities as to the difference between sanity and insanity, their word as to the therapeutic value of such treatment will be the final word. No layman would dare adventure to place judgment upon the state of sanity of an individual whom the psychiatrist has already declared insane. The individual, himself, is unable to complain, and his family, as will be covered later, is already discredited by the occurrence of insanity in their midst. There must be no other adjudicators of insanity; otherwise it could be disclosed that the brutalities practiced in the name of treatment are not therapeutic.

A psychopolitical operative has no interest in "therapeutic means" or "cures". The greater number of insane in the country where he is operating, the larger number of the populace will come under his view, and the greater will become his facilities. Because the problem is apparently mounting into uncontrollable heights, he can more and more operate in an atmosphere of emergency, which again excuses his use of such treatments as electric shock, the pre-frontal lobotomy, trans-orbital leucotomy, and

other operations long-since practiced in Russia on political prisoners. (Hatonn: Do you believe the tremendous increase in "insanity" just happened? I suggest you go back and very carefully reread the Journals dealing with the Conspiracy, Global Plan 2000 and all Eustace Mullins' material. In J.E. Hoover's iron law FBI days, forceful incarceration and "mental adaptation" or life-long incarceration in the institution was "the" *modus operandi*!

It is to the interest of the psychopolitical operative that the possibility of curing the insane be outlawed and ruled out at all times. For the sake of obedience on the part of the population and their general reaction, a level of brutality must, at all costs, be maintained. Only in this way can the absolute judgment of the psychopolitical operative as to the sanity or insanity of public figures be maintained in complete belief. Using sufficient brutality upon their patients, the public at large will come to believe utterly anything they say about their patients. Furthermore, and much more important, the field of the mind must be sufficiently dominated by the psychopolitical operative, so that wherever tenets of the mind are taught they will be hypnotically believed. The psychopolitical operative, having under his control all psychology classes in an area, can thus bring about a complete reformation of the future leaders of a country in their educational processes, and so prepare them for Communism (Hatonn: and/or "New Age" inaction, thought "beingness" and "allowing").

To be obeyed, one must be believed. If one is sufficiently believed, one will unquestioningly be obeyed. (Hatonn: If you ones do not see this in ac-

tion right out of "THE LIPS" then I fear for our ever reaching stability again upon this earth. You-the-People are being pushed to the limits of that which you will accept! And, brothers, you go beyond the controllers wildest hopes.)

When he is fortunate enough to obtain into his hands anyone near to a political or important figure, this factor of obedience becomes very important. A certain amount of fear or terror must be engendered in the person under treatment so that this person will then take immediate orders, completely and unquestioningly, from the psychopolitical operative, and so be able to influence the actions of that person who is to be reached.

Bringing about this state of mind on the part of a populace and its leaders--that a psychopolitical operative must, at all times, be believed--could eventually be attended by very good fortune. It is not too much to hope that psychopolitical operatives would then, in a country such as the United States, become the most intimate advisors to political figures, even to the point of advising the entirety of a political party as to its actions in an election.

The long view is the important view. Belief is engendered by a certain amount of fear and terror from an authoritative level, and this will be followed by obedience.

The general propaganda which would best serve Psychopolitics would be continual insistence that certain authoritative levels of healing deemed this or that the correct treatment of insanity. These treatments must always include a certain amount of brutality. Propaganda should

continue and stress the rising incidence of insanity in a country. The entire field of human behavior, for the benefit of the country, can, at length, be broadened into abnormal behavior.

Thus, anyone indulging in any eccentricity, particularly the eccentricity of combatting psychopolitics, could be silenced by the authoritative opinion on the part of a psychopolitical operative that he was acting in an abnormal fashion. This, with some good fortune, could bring the person into the hands of the psychopolitical operative so as to forever more disable him, or to swerve his loyalties by pain-drug hypnotism.

On the subject of obedience itself, the most optimum obedience is unthinking obedience. The command given must be obeyed without any rationalizing on the part of the subject. The command must, therefore, be implanted below the thinking processes of the subject to be influenced, and must react upon him in such a way as to bring no mental alertness on his part.

It is in the interest of Psychopolitics that a population be told that an hypnotized person will not do anything against his actual will, will not commit immoral acts, and will not act so as to endanger himself. While this may be true of light, parlour hypnotism and general welfare therapy, it certainly is not true of commands implanted with the use of electric shock, drugs, or heavy punishment wherein the entire structure of thought processes are altered permanently. (Hatonn: An excellent example of this point is G. Gordon Liddy, of Watergate fame and now a recognized speaker, writer and talk-show participant. This man is totally indoctrinated into extremes and

mindless actions--without compassion or ability to recognize immorality.)

It is counted upon completely that this will be discredited to the general public by psychopolitical operatives, for if it were to generally be known that individuals would obey commands harmful to themselves, and would commit immoral acts while under the influence of deep hypnotic commands, the actions of many people, working unknowingly in favor of Communism, would be too well understood. People acting under deep hypnotic commands should be acting apparently of their own volition and out of their own convictions.

The entire subject of psychopolitical hypnosis, Psychopolitics in general, depends for its defense upon continuous protest from authoritative sources that such things are not possible. And, should anyone unmask a psychopolitical operative, he should at once declare the whole thing a physical impossibility, and use his authoritative position to discount any accusation. Should any writings of Psychopolitics come to view, it is only necessary to brand them a hoax and laugh them out of countenance. Thus, psychopolitical activities are easy to defend.

When psychopolitical activities have reached a certain peak, from there on it is almost impossible to undo them, for the population is already under the duress of obedience to the psychopolitical operatives and their dupes. The ingredient of obedience is important, for the complete belief in the psychopolitical operative renders his statement cancelling any challenge about psychopolitical operations irrefutable. The optimum

circumstances would be to occupy every position which would be consulted by officials on any question or suspicion arising on the subject of Psychopolitics. Thus, a psychiatric advisor should be placed near to hand in every government operation. As all suspicions would then be referred to him, no action would ever be taken, and the goal of Communism could be realized in that nation.

Psychopolitics depends, from the viewpoint of the layman, upon its fantastic aspects. These are its best defense, but above all these defenses is implicit obedience on the part of officials and the general public, because of the character of the psychopolitical operative in the field of healing.

END QUOTING

I request that this portion be closed at this point. I would like, further, to respond to the queries regarding the term "Communism". That term was chosen for it connotes that which a moral man would like to achieve--balance, charity, all for all, etc. It is only a label given to this particular movement for global control to further fool the masses of humanity. There is nothing of true communistic intent in any manner and perhaps this where the public awakening must begin! The PRINCE OF DARKNESS AND DECEIT has pulled it off again and again right before your eyes! You-the-citizens of the world have become mesmerized into dullness and stupefaction and know not that which has come upon you. WAKE UP! I certainly care not whether you believe me real or figment--THE TRUTH LIES IN PHYSICAL/MENTAL DISPLAY BEFORE YOU! IT SHOULD NOT REQUIRE

ONE OF GOD'S HOSTS TO POINT IT OUT UNTO YOU, BUT SO BE IT! WHATEVER IS REQUIRED WILL BE GIVEN FORTH--IN LOVE AND ALLOWANCE OF CHOICES. I WOULD HOPE THAT THE LIGHTED CHOICES SHALL BE TURNED UNTO TRUTH AND GOD. SALU.

PSYCHOPOLITICS--MIND-CONTROL
(RUSSIAN TEXTBOOK)

CONTINUED:

Let us immediately move on to the Russian textbook, PSYCHOPOLITICS (MIND-CONTROL): I realize that the flood of objections is flowing back. How could this be true? No, you must have "just written" this material, etc., etc., etc. No, dear friends, it was written first as a portion of the Protocols of the Zionist Men of Wisdom. Remember, that the Zionists--as they are represented today--came out of Russia. They were the Russian Khazars! As the protocols became taught and active within the more modern setting, the mandates became taught under the guise of "Communism". This textbook is still utilized daily and is the operating manual of the Soviet government and KGB. It has been structured appropriately and is the guiding handbook for the Mossad of Israeli origin. It has now been rewritten into the handbook of the collective "intelligence agencies" which appear to be separate but are actually working in coalition: the KGB, CIA, Mossad and your FBI. There are others,

i.e., Chinese, etc., but we have not the time nor I, the inclination to cover it all for we would be all month on the subject.

Suffice it to say the material is currently utilized EVERY day! This IS the plan of mind-control of the masses!

ANATOMY OF STIMULUS-RESPONSE MECHANISMS OF MAN

QUOTE:

Man is a stimulus-response animal. His entire reasoning capabilities, even his ethics and morals, depend upon stimulus-response machinery. This has long been demonstrated by such Russians as Pavlov, and the principles have long been used in handling the recalcitrant, in training children, and in bringing about a state of optimum behavior on the part of a population.

Having no independent will of his own, Man is easily handled by stimulus-response mechanisms. It is only necessary to install a stimulus into the mental anatomy of Man to have that stimulus reactivate and respond any time an exterior command source calls it into being.

The mechanisms of stimulus response are easily understood. The body takes pictures of every action in the environment around an individual. When the environment includes brutality, terror, shock, and other such activities, the mental image picture gained contains in itself all the ingredients of the environment. If the individual, himself, was injured during that moment, the injury, itself, will re-manifest when called upon to respond by an exterior command source.

As an example of this, if an

individual is beaten, and is told during the entirety of the beating that he must obey certain officials, he will, in the future, feel the beginnings of the pain the moment he begins to disobey. The installed pain, itself, reacts as a policeman, for the experience of the individual demonstrates to him that he cannot combat, and will receive pain from, certain officials.

The mind can become very complex in its stimulus responses. As easily demonstrated in hypnotism, an entire chain of commands, having to do with a great many complex actions, can be beaten, shocked, or terrorized into a mind, and will lie there dormant until called into view by some similarity of the circumstances of the environment to the incident of punishment.

The stimulus we call the "incident of punishment" where the response mechanism need only contain some small part of the stimulus to call into view the mental image picture, and cause it to exert against the body, the pain sequence. So long as the individual obeys the picture, or follows the commands of the stimulus implantation, he is free from pain.

The behavior of children is regulated in this fashion in every civilized country. The father, finding himself unable to bring about immediate obedience and training on the part of his child, resorts to physical violence, and after administering punishment of a physical nature to the child on several occasions, is gratified to experience complete obedience on the part of the child each time the father speaks. **In that parents are wont to be lenient with their children, they seldom administer sufficient punishment to**

bring about entirely optimum obedience. The ability of the organism to withstand punishment is very great. **Complete and implicit response can be gained only by stimuli sufficiently brutal to actually injure the organism.**

The Kossack method of breaking wild horses is a useful example. The horse will not restrain itself or take any of its rider's commands. The rider, wishing to break it, mounts, and takes a flask of strong Vodka, and smashes it between the horse's ears. The horse, struck to its knees, its eyes filled with alcohol, mistaking the dampness for blood, instantly and thereafter gives its attention to the rider and never needs further breaking. Difficulty in breaking horses is only occasioned when light punishments are administered. There is some mawkish sentimentality about "breaking the spirit", but what is desired here is an obedient horse, and sufficient brutality brings about an obedient horse.

The stimulus-response mechanisms of the body are such that the pain and the command subdivide so as to counter each other. The mental image picture of the punishment will not become effective upon the individual unless the command content is disobeyed. It is pointed out in many early Russian writings that this is a survival mechanism. It has already been well and thoroughly used in the survival of Communism.

It is only necessary to deliver into the organism a sufficient stimulus to gain an adequate response.

So long as the organism obeys the stimulus whenever it is restimulated in the future, it does not suffer from the pain of the stimulus. But should it dis-

obey the command content of the stimulus, the stimulus reacts to punish the individual. Thus, we have an optimum circumstance, and one of the basic principles of Psychopolitics. A sufficiently installed stimulus will thereafter remain as a police mechanism within the individual to cause him to follow the commands and directions given to him. Should he fail to follow these commands and directions, the stimulus mechanism will go into action. As the commands are there with the moment of duress, the commands themselves need never be repeated, and if the individual were to depart thousands of miles away from the psychopolitical operative, he will still obey the psychopolitical operative, or, himself, become extremely ill and in agony. These principles, built from the earliest days of Pavlov, by constant and continuous Russian development, have, at last, become of enormous use to us in our conquest. For less modern and well-informed countries of Earth, lacking this mechanism, failing to understand it, and coaxed into somnolence by our own psychopolitical operatives, who discount and disclaim it, cannot avoid succumbing to it.

The body is less able to resist a stimulus if it has insufficient food and is weary. Therefore, it is necessary to administer all such stimuli to individuals when their ability to resist has been reduced by privation and exhaustion. Refusal to let them sleep over many days, denying them adequate food, then brings about an optimum state for the receipt of a stimulus. If the person is then given an electrical shock and is told while the shock is in action that he must obey and do certain things, he has no choice but to do them, or to re-experience, because of his mental image picture of it, the

electric shock. This highly scientific and intensely workable mechanism cannot be over-estimated in the practice of psychopolitics.

Drugging the individual produces an artificial exhaustion, and if he is drugged, or shocked and beaten and given a string of commands, his loyalties, themselves, can be definitely rearranged. This is P.D.H., or Pain-Drug Hypnosis.

(Hatonn: Please note that in 1969, it was stated in an issue of "TODAY'S EDUCATION", the National Education Association predicted complete control of Americans, by educators, by 1980. It should also be noted that the entire educational system is based on the premise of destruction of any "true" education. This has been the focus for many decades and has finally been accomplished and was, surely, an accomplished fact--even if not recognized--by 1980. There is actual chaos in your schools and a wash of misinformation or, actually, false information in every field of study. You might think, "Well, in the grades, etc." No, it began its influential destruction in the universities--beginning in the U.S. with Yale. This is because of the fact that THE ORDER had its most potent thrust at Yale with the Skull and Bones Society, etc. The price of the destruction was made available in funding from the foundations, such as Ford, Rockefeller, etc. Hard to believe? Of course! I shall, however, give you a blow-by-blow of how the Order controls education after we finish the reproducing of this document so that there is a basis of communication regarding the issue.)

Exercises in bringing about insanity seizures at will, simply

by demonstrating a signal to persons upon whom pain-drug hypnosis has been used, and exercises in making the seizures come about through talking to certain persons in certain places and times should also be used.

Brain surgery, as developed in Russia, should also be practiced by the psychopolitical operative in training, to give him full confidence in 1) the crudeness with which it can be done, 2) the certainty of erasure of the stimulus-response mechanism itself, 3) the production of imbecility, idiocy, and dis-coordination on the part of the patient, and 4) the small amount of comment which casualties in brain surgery occasion. *(Hatonn: This is called pre-frontal lobotomy.)*

Exercises in sexual attack on patients should be practiced by the psychopolitical operative to demonstrate the inability of the patient under pain-drug hypnosis to recall the attack, while indoctrinating a lust for further sexual activity on the part of the patient.

Sex, in all animals, is a powerful motivator, and is no less so in the animal Man, and the occasioning of sexual liaison between females of a target family and indicated males, under the control of the psychopolitical operative, must be demonstrated to be possible with complete security for the psychopolitical operative, thus giving into his hands an excellent weapon for the breaking down of familial relations and consequent public disgraces for the psychopolitical target.

(Hatonn: This occurs randomly and constantly in your mental institutions and hospitals for the mentally retarded. The staff

actually passes out condoms in these facilities--and the occasions of pregnancy are rampant. This actually occurs in the majority of cases of psychiatric encounters. Do you now begin to see the programming which is starting to impact your children even at pre-school? "Safe-sex" in gradeschool is taught and condoms are provided more and more widespread, free, in your junior and senior high schools. Can not you not see the results of all of the programmings exactly as laid forth in this "how-to" book utilized by the "master destroyers"?)

Just as a dog can be trained, so can a man be trained. Just as a horse can be trained, so can a man be trained. Sexual lust, masochism, and any other desirable perversion can be induced by pain-drug hypnosis and the benefit of Psychopolitics.

The changes of loyalties, allegiances, and sources of command can be occasioned easily by psychopolitical technologies, and these should be practiced and understood by the psychopolitical operative before he begins to tamper with psychopolitical targets of magnitude.

The actual simplicity of the subject of pain-drug hypnosis, the use of electric shock, drugs, insanity-producing injections, and other materials, should be masked entirely by technical nomenclature, the protest of benefit to the patient, by an authoritarian pose and position, and by carefully cultivating governmental positions in the country to be conquered.

Although the psychopolitical operative working in universities where he can direct the curricula of psychology classes is often tempted to teach some of the principles of Psychopolitics to

the susceptible students in the psychology classes, he must be **thoroughly enjoined to limit his information in psychology classes to the transmittal of the tenets of Communism under the guise of psychology, and must limit his activities in bringing about a state of mind on the part of the students where they will accept Communism tenets as those of their own action and as modern scientific principles.** The psychological operative must not, at any time educate students fully in stimulus-response mechanisms, and must not impart to them, save those who will become his fellow-workers, the exact principles of Psychopolitics. It is not necessary to do so, **and is dangerous.**

(Hatonn: Reread that last sentence several times. Knowledge is the weapon against this thrust. Stay balanced within the laws and Truth of God and Creation and KNOW THAT THIS IS THE MODE OF ATTACK. THIS IS THE ONLY WAY TO WITHSTAND THIS PROCESS OF ALTERING THE MINDS OF THE POPULACE.)

PSYCHOPOLITICS--MIND- CONTROL (RUSSIAN TEXTBOOK)

CONTINUED:

DEGRADATION, SHOCK AND ENDURANCE

Degradation and conquest are companions.

In order to be conquered, a nation must be degraded, either by acts of war, by being overrun, by being forced into humiliating treaties of peace, or by the treatment of her populace under the armies of the conqueror. However, degradation can be accomplished much more insidiously and much more effectively by consistent and continual defamation.

Defamation is the best and foremost weapon of Psychopolitics on the broad field. Continual and constant degradation of national leaders, national institutions, national practices, and national heroes must be systematically carried out, but this is the chief function of Communist Party Members, in general, not the psychopolitician.

The realm of defamation and degradation, of the psychopoliti-

cian, is Man himself. By attacking the character and morals of Man himself, and by bringing about, through contamination of youth, a general degraded feeling, command of the populace is facilitated to a very marked degree.

There is a curve of degradation which leads downward to a point where the endurance of an individual is almost at end and any sudden action toward him will place him in a state of shock. Similarly, a soldier held prisoner can be abused, denied, defamed, and degraded until the slightest motion on the part of his captors will cause him to flinch. Similarly, the slightest word on the part of his captors will cause him to obey, or vary his loyalties and beliefs. (*Hatonn: This is what you referred to as simply "brain-washing" during the Korean War, etc. We are now accused of brain-washing you-the people with these Journals--Oh, how I would wish so! However, I think you might rather call us the Clorox II Clan or the Didi-7; you not only have been washing your brains in the incorrect water but you have now ruined them with the wrong soap and softener and the stains are all but set to the destruction of the minds you wear!!*)

Given sufficient degradation, a

prisoner can be caused to murder his fellow countrymen in the same stockade. Experiments on German prisoners demonstrated that only after seventy days of filthy food, little sleep, and nearly untenable quarters, that the least motion toward the prisoner would bring about a state of shock beyond his endurance threshold, and would cause him to hypnotically receive anything said to him. Thus, it is possible, in an entire stockade of prisoners, to the number of thousands, to bring about a state of complete servile obedience, and without the labor of personally addressing each one, to pervert their loyalties and implant in them adequate commands to insure their future conduct, even when released to their own people.

By lowering the endurance of a person, a group, or a nation, and by constant degradation and defamation, it is possible to induce, thus, a state of shock which will receive adequately any command given.

The first thing to be degraded in any nation is the state of Man, himself. Nations which have high ethical tone are difficult to conquer. Their loyalties are hard to shake, their allegiance to their leaders is fanatical, and what they usually call their spiritual integrity cannot be violated by

duress. It is not efficient to attack a nation in such a frame of mind. It is the basic purpose of Psychopolitics to reduce that state of mind to a point where it can be ordered and enslaved. Thus, the first target is Man, himself. He must be degraded from a spiritual being to an animalistic reaction pattern. He must think of himself as an animal, capable only of animalistic reactions. He must no longer think of himself, or of his fellows, as capable of "spiritual endurance", or nobility.

The best approach toward degradation in its first stages is the propaganda of "scientific approach" to Man. Man must be consistently demonstrated to be a mechanism without individuality, and it must be brought into the belief that every individual within it who rebels in any way, shape, or form against efforts and activities to enslave the whole, must be considered to be a deranged person whose eccentricities are neurotic or insane, and who must have at once the treatment of a psychopolitician.

An optimum condition in such a program of degradation would address itself to the military forces of the nation, and bring them rapidly away from any other belief than that the disobedient one must be subjected to "mental treatment". An enslavement of a population can fail ONLY if these rebellious individuals are left to exert their individual influences upon their fellow citizens, sparking them into rebellion, calling into account their nobilities and freedoms. Unless these restless individuals are stamped out and given into the hands of psychopolitical operatives early in the conquest, there will be nothing but trouble as the con-

quest continues.

The officials of the government, students, readers, partakers of entertainment, must all be indoctrinated, by whatever means, into the complete belief that the restless, the ambitious, the natural leaders, are suffering from environmental maladjustments, which can only be healed by recourse to psychopolitical operatives in the guise of mental healers.

By thus degrading the general belief in the status of Man it is relatively simple, with co-operation from the economic salients being driven into the country, to drive citizens apart, one from another, to bring about a question of the wisdom of their own government, and to cause them to actively beg for enslavement.

The educational programs of Psychopolitics must, at every hand, seek out the levels of youth who will become the leaders in the country's future, and educate them into the belief of the animalistic nature of Man. This must be made fashionable. They must be taught to frown upon ideas, upon individual endeavor. They must be taught, above all things, that the salvation of Man is to be found only by his adjusting thoroughly to this environment.

This educational program in the field of Psychopolitics can best be followed by bringing about a compulsory training in some subject such as psychology or other mental practice, and ascertaining that each broad program of psychopolitical training be supervised by a psychiatrist who is a trained psychopolitical operative.

As it seems in foreign nations that the church is the most ennobling influence, each and

every branch and activity of each and every church, must, one way or another, be discredited. Religion must become unfashionable by demonstrating broadly, through psychopolitical indoctrination, that the soul is non-existent, and that Man is an animal. The lying mechanisms of Christianity lead men to foolishly brave deeds. By teaching them that there is a life hereafter, the liability of courageous acts, while living, is thus lessened. The liability of any act must be markedly increased if a populace is to be obedient. Thus, there must be no standing belief in the church, and the power of the church must be denied at every hand.

The psychopolitical operative, in his program of degradation, should at all times bring into question any family which is deeply religious (*Hatonn: I believe that surely you can see this being demonstrated in all of the schools now--and further, a deliberate lessening of any allowance of religious practice in the public schools. You are told it is separation of "Church and State"--no, it is a separation of mind from balanced direction by removing all higher resources of esteem and recognition of Higher Source.*) and, should any neurosis or insanity be occasioned in that family, to blame and hold responsible their religious connections for the neurotic or psychotic condition. Religion must be made synonymous with neurosis and psychosis. People who are deeply religious would be less and less held responsible for their own sanity, and should more and more be relegated to the ministrations of psychopolitical operatives.

By perverting the institutions of a nation and bringing about a general degradation, by

interfering with the economics of a nation to the degree that privation and depression come about, only minor shocks will be necessary to produce, on the populace as a whole, an obedient reaction or an hysteria. Thus, the mere threat of war, the mere threat of aviation bombings, could cause the population to sue instantly for peace. It is a long and arduous road for the psychopolitical operative to achieve this state of mind on the part of a whole nation, but no more than twenty or thirty years should be necessary in the entire program, having at hand, as we do, weapons with which to accomplish the goal. (HATONN: GO RIGHT BACK AND REREAD THIS LAST SENTENCE!!!)

CONDUCT UNDER FIRE

****DHARMA, STOP! COMPUTER IS TAMPERED AND WILL NOW EAT YOUR DOCUMENT--START A NEW PROGRAM!****

CONDUCT UNDER FIRE

The psychopolitician may well find himself under attack as an individual or a member of a group. He may be attacked as a Communist, through some leak in the organization, he may be attacked for malpractice. He may be attacked by the families of people whom he has injured. In all cases his conduct of the situation should be calm and aloof. He should have behind him the authority of many years of training, and he should have participated fully in the building of defenses in the field of insanity which give him the only statement as to the conditions of the mind.

If he has not done his work well, hostile feeling groups may

expose an individual psychopolitician. These may call into question the efficacy of psychiatric treatment such as shock, drugs, and brain surgery. Therefore, the psychopolitical operative must have to hand innumerable documents which assert enormously encouraging figures on the subject of recovery by reason of shock, brain surgery, drugs, and general treatment. Not one of these cases cited need be real, but they should be documented and printed in such a fashion as to form excellent court evidence.

More importantly, he should rule into scorn, by reason of his authority, the sanity of the person attacking him, and if the psychopolitical archives of the country are adequate many defamatory data can be unearthed and presented as rebuttal.

Should anyone attempt to expose psychotherapy as a psychopolitical activity, the best defense is calling into question the sanity of the attacker. The next best defense is authority. The next best defense a validation of psychiatric practices in terms of long and impressive figures. The next best defense is the actual removal of the attacker by giving him, or them, treatment sufficient to bring about a period of insanity for the duration of the trial. This, more than anything else, would discredit them, but it is dangerous to practice this, in the extreme.

Psychopolitics should avoid murder and violence, unless it is done in the safety of the institution, on persons who have been proven to be insane. Where institution deaths appear to be unnecessary, or to rise in "unreasonable number", political capital might be made of this by city officials or legislatures. If the psychopolitical operative

has, himself, or if his group has done a thorough job, defamatory data concerning the person, or connections, of the would-be attacker should be on file, should be documented, and should be used in such a way as to discourage the inquiry.

After a period of indoctrination, a country will expect insanity to be met by psychopolitical violence. Psychopolitical activities should become the only recognized treatment for insanity. Indeed, this can be extended to such a length that it could be made illegal for electric shock and brain surgery to be omitted in the treatment of a patient.

In order to defend psychopolitical activities, a great complexity should be made of psychiatric, psychoanalytical, and psychological technology. Any hearing should be burdened by terminology too difficult to be transcribed easily. A great deal should be made out of such terms as schizophrenia, paranoia, and other relatively undefinable states.

Psychopolitical tests need not necessarily be in agreement, one to another, where they are available to the public. Various types of insanity should be characterized by difficult terms. The actual state should be made obscure, but by this verbiage it can be built into the court or investigating mind that a scientific approach exists and that it is too complex for him to understand. It is not to be imagined that a judge or a committee of investigation should inquire too deeply into the subject of insanity, since they, themselves, part of the indoctrinated masses, are already intimidated if the psychopolitical activity has caused itself to be well-documented in terms of horror in magazines.

In case of a hearing or trial, the

terribleness of insanity itself, its threat to society, should be exaggerated until the court of committee believes that the psychopolitical operative is vitally necessary in his post and should not be harassed for the activities of persons who are irrational.

An immediate attack upon the sanity of the attacker before any possible hearing can take place is the very best defense. It should become well-known that "only the insane attack psychiatrists". The by-word should be built into the society that paranoia is a condition "in which the individual believes he is being attacked by Communists". It will be found that this defense is effective.

Part of the effective defenses should include the entire lack in the society of any real psychotherapy. This must be systematically stamped out, since a real psychotherapy might possibly uncover the results of psychopolitical activities.

Jurisprudence, in a Capitalistic nation, is of such clumsiness that cases are invariably tried in their newspapers. We have handled these things much better in Russia, and have uniformly brought people to trial with full confessions already arrived at (being implanted) before the trial took place.

Should any whisper, or pamphlet, against psychopolitical activities be published, it should be laughed into scorn, branded an immediate hoax, and its perpetrator or publisher should be, at the first opportunity, branded as insane, and by the use of drugs the insanity should be confirmed.

THE USE OF PSYCHOPOLITICS IN SPREADING COMMUNISM

Reactionary nations are of such a composition that they attack a word without understanding of it. As the conquest of a nation by Communism depends upon imbuing its population with communistic tenets, it is NOT NECESSARY THAT THE TERM "COMMUNISM" BE APPLIED AT FIRST to the educative measures employed.

As an example, in the United States we have been able to alter the works of William James, and others, into a more acceptable pattern, and to place the tenets of Karl Marx, Pavlov, Lamarck, and the data of Dialectic materialism into the textbooks of psychology, to such a degree that anyone thoroughly studying psychology becomes at once a candidate to accept the reasonableness of Communism.

As every chair of psychology in the United States is occupied by persons in our connection, or who can be influenced by persons in our connection, the consistent employment of such texts is guaranteed. They are given the authoritative ring, and they are carefully taught.

Constant pressure in the legislatures of the United States can bring about legislation to the effect that every student attending a high school or university must have classes in psychology.

Educating broadly the educated strata of the populace into the tenets of Communism is thus rendered relatively easy, and when the choice is given them whether to continue in a Capitalistic or a Communistic condition, they will see, suddenly, in Communism, much more reasonability than in Capitalism, which will now be of

our own definition.

THE RECRUITING OF PSYCHOPOLITICAL DUPES

The psychopolitical dupe is a well-trained individual who serves in complete obedience the psychopolitical operative.

In that nearly all persons in training are expected to undergo a certain amount of treatment in any field of the mind, it is not too difficult to persuade persons in the field of mental healing to subject themselves to mild or minor drugs or shock. If this can be done, a psychological dupe on the basis of pain-drug hypnosis can immediately result.

Recruitment into the ranks of "mental healing" can best be done by carefully bringing to it only those healing students who are, to some slight degree, already depraved, or who have been "treated" by psychopolitical operatives.

Recruitment is effected by making the field of mental healing very attractive, financially, and sexually.

The amount of promiscuity which can be induced in mental patients can work definitely to the advantage of the psychopolitical recruiting agent. The dupe can thus be induced into many lurid sexual contacts, and these, properly witnessed, can thereafter be used as blackmail material to assist any failure of pain-drug hypnosis in causing him to execute orders.

The promise of unlimited sexual opportunities, the promise of complete 'dominion' over the bodies and minds of helpless patients, the promise of complete lawlessness without detection, can thus attract to "mental healing" many desirable recruits who will willingly fall in line

with psychopolitical activities.

In that the psychopolitician has under his control the insane of the nation, most of them have criminal tendencies, and as he can, as his movement goes forward, recruit for his ranks the criminals themselves, he has unlimited number of human beings to employ on whatever project he may see fit. In that the insane will execute destructive projects without question, if given the proper amount of punishment and implantation, the degradation of the country's youth, the defamation of its leaders, the suborning of its courts becomes childishly easy.

The psychopolitician has the advantage of naming as a delusory symptom any attempt on the part of a patient to expose commands.

The psychopolitician should carefully adhere to institutions and should eschew private practice whenever possible, since this gives him the greatest number of human beings to control to the use of Communism. When he does act in private practice, it should be only in contact with the families of the wealthy and the officials of the country.

THE SMASHING OF RELIGIOUS GROUPS

You must know that until recent times the complete subject of mental derangement, whether so light as simple worry or so heavy as insanity, was the sphere of activity of the church and only the church.

Traditionally in civilized nations and barbaric ones the priesthood alone had in complete charge the mental condition of the citizen. As a matter of great concern to the psychopolitician this tendency still exists in every

public in the Western World and scientific inroads into this sphere have occurred only in official and never in public quarters.

The magnificent tool welded for us by Wundt would be a nothing if it were not for official insistence in civilized countries that "scientific practices" be applied to the problem of the mind. Without this official insistence or even if it relapsed for a moment, the masses would grasp stupidity for the priest, the minister, the clergy when mental condition came in question. Today in Europe and America "scientific practices" in the field of the mind would not last moments if not enforced entirely by officialdom.

It must be carefully hidden that the incidence of insanity has increased only since these "scientific practices" were applied. Great remarks must be made of the "the pace of modern living" (Hatonn: Please keep in mind that in this textbook "modern times" is referring to some fifty years past. Can you picture that which has been accomplished from the compounding of these projections "as if" and in accepted teachings for another four and a half decades? You are in it up to your eyes and the head is already underwater--where it counts the most, i.e., the ability to stay alive. I suspect there should be swimming lessons given along here somewhere and we have already done so and, therefore, perhaps you can utilize the life-rings already given to you in the Journals, etc.) and other myths as the cause of the increased neurosis in the world. It is nothing to us what causes it if anything does. It is everything to us that no evidence of any kind shall be tolerated afoot to permit the public tendency toward the church its

way. If given their heads, if left to themselves to decide, independent of officialdom, where they would place their deranged loved ones the public would choose religious sanitariums and would avoid as if plagued places where "scientific practices" prevail.

Given any slightest encouragement, public support would swing on an instant all mental healing into the hands of the churches. And there are Churches waiting to receive it, clever churches. That terrible monster the Roman Catholic Church still dominates mental healing heavily throughout the Christian world and their well schooled priests are always at work to turn the public their way. Among Fundamentalist and Pentecostal groups healing campaigns are conducted, which, because of their results, win many to the cult of Christianity. In the field of pure healing the Church of Christ Science of Boston, Massachusetts excels in commanding the public favor and operates many sanitariums. All these must be swept aside. They must be ridiculed and defamed and every cure they advertise must be asserted as a hoax. A full fifth of a psychopolitician's time should be devoted to smashing these threats. Just as in Russia we had to destroy, after many, many years of the most arduous work, the Church, so we must destroy all faiths in nations marked for conquest.

Insanity must be made to hound the footsteps of every priest and practitioner. His best results must be turned to gibbering insanities no matter what means we have to use.

You need not care what effect you have upon the public. The effect you care about is the one upon officials. You must re-

cruit every agency of the nation marked for slaughter into a foaming hatred of religion. You must suborn district attorneys and judges into an intense belief as fervent as an ancient faith in God that Christian practice which might devote itself to mental healing is vicious, bad, insanity-causing, publicly hated and intolerable.

You must suborn and recruit any medical healing organization into collusion in this campaign. You must appeal to their avarice and even their humanity to invite their cooperation in smashing all religious healing and thus, to our end, care of the insane. You must see that such societies have only qualified Communist-indoctrinees as their advisors in this matter. For you can use such societies. They are stupid and stampede easily. Their cloak and degrees can be used quite well to mask any operation we care to have masked. We must make them partners in our endeavor so that they will never be able to crawl from beneath our thumb and discredit us.

We have battled in America since the century's turn to bring to nothing any and all Christian influences and we are succeeding. While we today seem to be kind to the Christian remember we have yet to influence the "Christian world" to our ends. When that is done we shall have an end of them everywhere. You may see them here in Russia as trained apes. They do not know their tether is long only until the apes in other lands have become unwary.

You must work until "religion" is synonymous with "insanity". You must work until the officials of city, county and state governments will not think twice before they pounce upon religious groups as public ene-

mies.

Remember, all lands are governed by the few and only pretend to consult with the many. It is no different in America. The petty official, the maker of laws alike can be made to believe the worst. It is not necessary to convince the masses. It is only necessary to work incessantly upon the official, using personal defamations, wild lies, false evidence and constant propaganda to make him fight for you against the church or against any practitioner.

Like the official the bona-fide medical healer also believes the worst if it can be shown to him as dangerous competition. And like the Christian, should he seek to take from us any right we have gained, we shall finish him as well.

We must be like the vine upon the tree. We use the tree to climb and then, strangling it, grow into power on the nourishment of the flesh.

We must strike from our path any opposition. We must use for our tools any authority that comes to hand. And then at last, the decades sped, we can dispense with all authority save our own and triumph in the greater glory of the Party.

PROPOSALS WHICH MUST BE AVOIDED!

If the Communistic connections of an psychopolitician should become disclosed, it should be attributed to his own carelessness, and he should, himself, be immediately branded as eccentric within his own profession.

Authors of literature which seek to demonstrate the picture of a society under complete mental control and duress should be helped toward infamy or suicide

to discredit their works.

Any legislation liberalizing any healing practice should be immediately fought and defeated. All healing practices should gravitate entirely to authoritative levels, and no other opinions should be admitted, as these might lead to exposure.

Movements to improve youth should be invaded and corrupted, as this might interrupt campaigns to produce in youth delinquency, addiction, drunkenness, and sexual promiscuity.

Communist workers in the field of newspapers and radio should be protected wherever possible by striking out of action, through Psychopolitics, any persons consistently attacking them. These, in their turn, should be persuaded to give every possible publicity to the benefits of psychopolitical activities under the heading of "science".

No healing group devoted to the mind must be allowed to exist within the borders of Russia or its satellites. Only well-vouched-for psychopolitical operatives can be continued in their practice, and this, only for the benefit of the government or against enemy prisoners.

Any effort to exclude psychiatrists or psychologists from the armed services must be fought.

Any inquest into the "suicide" or sudden mental derangement of any political leader in a nation must be conducted only by psychopolitical operatives or their dupes, whether Psychopolitics is responsible or not.

Death and violence against persons attacking Communism in a nation should be eschewed as forbidden. Violent activity against such persons might bring

about their martyrdom. Defamation, and the accusation of insanity, alone should be employed if at all possible, and they should be brought at last under the ministrations of psychopolitical operatives, such as psychiatrists and controlled psychologists.

SUMMARY

(Editorial Note from Gordon "Jack" Mohr, Lt. Col. U.S. Army, Ret. dated January 1976: "—The only revision is in the summary, which was added after the atom bomb had been dropped in Japan at the end of World War II.—")

In this time of unlimited weapons, and in national antagonisms where atomic war with Capitalistic powers is possible, Psychopolitics must act efficiently as never before.

Any and all programs of Psychopolitics must be increased to aid and abet the activities of other Communist agents throughout the nation in question.

The failure of Psychopolitics might well bring about the atomic bombing of the Motherland. (Russia).

If Psychopolitics succeeds in its mission throughout the Capitalistic nations of the world, there will never be an atomic war, for Russia will have subjugated all of her enemies (GO BACK AND READ THE LAST SENTENCE AGAIN AND AGAIN AND AGAIN.)

Communism has already spread across one-sixth of the inhabited world. Marxist Doctrines have already penetrated the remainder. An extension of the Communist social order is everywhere victorious. The spread of Communism has never been by

force of battle, but by conquest of the mind. In Psychopolitics we have refined this conquest to its last degree.

The psychopolitical operative must succeed, for his success means a world of Peace. His failure might well mean the destruction of the civilized portions of Earth by atomic power in the hands of Capitalistic madmen.

The end thoroughly justifies the means. The degradation of populaces is less inhuman than their destruction by atomic fission, for to an animal who lives only once, any life is sweeter than death.

The end of war is the control of a conquered people. If a people can be conquered in the absence of war, the end of war will have been achieved without the destruction of war. A worthy goal.

The psychopolitician has his reward in the nearly unlimited control of populaces, in the uninhibited exercise of passion, and the glory of Communist conquest over the stupidity of the enemies of the People.

THE END
END OF QUOTING

Let us close this document. Please, I plead with you to very carefully study the contents several times. The approach has been incredibly successful for you have become PEOPLE OF THE LIE and fight unto your death for the right to continue in your own demise. I simply ask that you look at your plight with an open mind for blindness is swept away in the wash of truth.

In service, I come as a brother, that I and my companions might help you find the way back into light and truth. May God have

mercy and gift ye ones with light. Saalome'

To clear, please. Good evening.

"SIGN THAT PARCHMENT"

In a rare old book, owned by the late A.P. Warrington of the Theosophical Society, is an account of a speech made by an unknown Patriot at the time of the signing of the Declaration of Independence.

A group of men gathered in the old State House in Philadelphia on July 4, 1776, preparatory to signing the Declaration. Among them were Thomas Jefferson, Benjamin Franklin, John Hancock and John Adams. It was late in the afternoon and they had not signed the Declaration. These men realized that they were faced with the death penalty for high treason if the Revolutionary War failed. They talked of death be scaffold, axes and the gibbet. Naturally, they were reluctant to sign the document, and their courage seemed to wane.

Suddenly a strong voice sounded from the balcony. A man was speaking to the group of men.

"They may stretch our necks on all the gibbets in the land, they may turn every rock into a scaffold, every tree into a gallows, every home into a grave, and yet the words of that parchment can never die! They may pour blood on a thousand scaffolds, and yet from every drop of blood that dyes the axe, a new champion of Freedom will spring into birth! You cannot blot out the words of God written on that parchment

there. The works of God may perish, His words, never!

"The words of the Declaration will live in the world long after our bones are dust. To the mechanic in his workshop they will speak hope, to the slave in the mines, Freedom, but to the coward kings, these will speak tones of warning they cannot choose but hear.

"Sign that parchment! Sign! if in the next moment the gibbet's rope is about your neck! Sign! by all your hopes in life or death, as men, as husbands, as fathers, brothers! or be accursed forever. Sign! not only for yourselves but for all ages, for that parchment will be the textbook of Freedom, the Bible of the rights of men forever.

"Nay, do not start and whisper with surprise. It is true - your own hearts witness it! God proclaims it. Look at this strange band of exiles and outcasts, suddenly transformed into a people, a handful of men, weak in arms but Mighty in God-like faith. Look at your recent achievements - your Bunker Hill, your Lexington, and then tell me, if you can, that God has not given America to be free!

"I beg you to sign that parchment for the sake of these millions whose very breath is now hushed in intense expectations as they look up to you for the awful words. YOU ARE FREE!

"Were my soul trembling on the verge of eternity, were this hand freezing to death, were this voice choking in the last struggle, I would still, with the last gasp of that voice, implore you to remember this truth - God has given America to be Free!"

The unknown speaker sank exhausted in his chair. The men, fortified with his enthusiasm, rushed forward. John Hancock was the first to snatch up the quill and pen his name. He had hardly finished before the quill was grasped by another, and then another, and yet another. Finally, it was done.

They turned to thank the man for his inspiring words, but he was not there, and unfortunately no one knew who he was or where to find him.

TODAY'S WATCH

Yes, our ships are most difficult to miss seeing this day and yet, most will not see them! Times are extremely serious in your world--it is simply the time of "madness", chelas--a time through which we must pass. Almost any subject I choose upon which to write seems indeed mundane.

Saddam says that if this conflict continues it will be the worst war, throughout the world, that the world will have ever known. I suggest you hear him, world! That is exactly that which is meant by his words--you have been led by the foolish into the jaws of Hell.

CANCELLATION OF THE SOVIET/U.S. SUMMIT

This news should tell it all. The summit is off! Why do you think that might be, chelas? Your government administration is pushing you into doom if you do not stop this terrible thing come upon you--you cannot win and the world might well be devastated. Mr. Bush says the cancellation is because of the Middle East Conflict and your (U.S.) objection to the way Mr. Gorbachev is handling the East Block Republics of the Soviet Union. NO, NO, AND NO! YOU HAVE BEEN **WARNED!**

To the children of God, I can only give one bit of hope and peace: In Isaiah 54:17: "No weapon that is formed

against you (Israel) shall prosper. . . Now remember very clearly and succinctly the definition of Israel. Israel means: The chosen of God! It is not a place on a geographical map. That is what the Zionists who took the portion of land for their own chose to call it as they harkened back into the historical memories. In other words, it was a term the world would blindly purchase.

But, you had better listen up to this quotation for it is indeed most important: Revelation 6:4: "And there went out another *horse that was RED*: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another; and there was given unto him a great sword."

IS THERE HELP FOR YOUR SO-CALLED "CHRISTIAN" COUNTRIES?

Well, if you believe there is truth in that which you wave about in proclaiming of truth--the Bible--you will find that it says therein that there is help. God tells you, in Second Chronicles, 7:14: "If MY (God's) people, which are called by MY name, will humble themselves and pray, and seek my face, and turn from their wicked ways; THEN WILL I HEAR FROM HEAVEN, AND WILL FORGIVE THEIR SINS, AND WILL HEAL THEIR LAND." However, listen up, try Isaiah again, 59:1 & 2--for God will not even listen to your prayers until you get into a right relationship with Him. In verse 1, you are

told that He is still the "God of old," that same God who did miracles for your forefathers. He has not lost His power, my friends, nor His ability to hear your prayers. But verse 2 tells you why He will not even listen to you most of the time: "But your iniquities have separated between you and your God, and your sins have hid His face from you *that he will not hear.*" There is one hope for you, especially in the Western northern continent of America (including that which you call Canada). And that is for her Godly people to repent of their waywardness, stubbornness, and selfishness and seek the face of God and plead for forgiveness. If you are willing to do this, then He has said He will forgive, and Heal. Are you going to quit your headlong drive and striving to do your own thing at the cost of everything in the world?--and turn again unto God and the Law?--or do you prefer the prospect of slavery and death at the hands of the "anti-christs"? The outcome remains up to you.

SICK OF THE SUBJECT?

So be it, to you who are too weary and bored with the subject of Truth to go on. There are your brethren who are pleading for every tid-bit of information which gives them the power to know the enemy--for only in knowing your enemy can you prevail against that enemy.

I want to remind you of one of the most important statements made by any man on your earth: In 1973, Soviet President Brezhnev boasted: "Our

aim is to gain control of the two great treasure houses on which the West depends. . . the energy of the Persian Gulf and the minerals of Central and Southern Africa." And so shall it come to pass. I further remind you that, as you take on Saddam Hussein, you are biting the foot of the Big Bear to the North.

SPETSNAZ

You are not going to like that which we write this day but it is past time that you focus on that which is REALLY out to get you. When you cause the bear to leave his cave in the midst of his winter sleep—you have one angry bear!

SPETSNAZ is an action, an infiltration of special groups. The point is to have them in place in America and Western Europe, ready to strike on instant command. I suggest you all go back and read carefully, every word, over and over again regarding enemies infiltrating through Mexico and Canada, etc. I cannot continue to repeat and repeat for you ones who haven't done your homework.

While the nations of your "Free World" (the so-called "Godly 'israel' nations") have been lulled into a false sense of security by the "glasnost" of Soviet Premier Gorbachev and his lovely wife, one of the most deadly organizations of super-warriors and terrorists of a state is being trained and deployed throughout the Free West for the purpose of "smashing you with clenched fist", when you have succumbed to their peace overtures.

I do not intend to isolate every act of violence in these current weeks and comment for it is the overall picture from which you ones must recognize the overall danger. This group, these specially trained warriors, have a mission to spread this terror everywhere, causing chaos and total confusion. They operate during the time of "cold war" or low-intensity conflicts through the world, during the time most of you consider the world to be basically at peace.

There are some 200 of these teams already in place in your country of the U.S.A., armed with, among other things, "nuclear backpack" weapons. These are "low-intensity" nuclear bombs of about 2 kt strength. They could not destroy a large city such as New York or Los Angeles, but might cause 5,000 casualties. In addition, the F.B.I. acknowledged, in 1983, that they knew of the presence of more than 100,000 enemy agents in the U.S. But, as one F.B.I. official stated: "We cannot touch them under American law, until they make an overt move against our government or people." This, of course, is another of the lies of lies: you have witnessed that the American government, right in recent months, has taken militant action against Patriots whom they proclaim, without justice or trial, are dangerous to their totalitarian plans.

There are many different labels for these special groups. The official name of the specialized Soviet task force is SPETSALNAYA NAZ-NACHENUYA, or "Special Purpose Forces." The nickname is SPETSNAZ!

ALL OVER THE MAP

SPETSNAZ was extremely active in 1968, for instance, and were the ones who seized the Prague Airport and other key facilities in the capitol city, paving the way for the communist invasion of that country (Czechoslovakia) in 1968. This is the force which is so hated and feared and which will be first utilized to bring the rebellions into control in the U.S.S.R. Do not be fooled by what appears to be "freedom" sweeping those nations. This is a presentation of power beyond which you cannot fathom. It appears all well and good. No--the economies and resources of these nations are in chaos and there isn't enough money in the free world to shore them up and if you could, what then? There are no jobs and to supply jobs you are robbing your own nation of industry to move to the cheap labor areas and calling it freedom and free trade. You in the previously free and wealthy

world are at the door of total collapse. Dear ones, this very day the news is filled with the take over of the Bank of New England and you are told it will constitute the biggest bail-out to date. The house of cards is falling apart.

At any rate, back to the subject of labels. It is good to hear the titles of the groups for you will then be more informed when you are told of them--at this time you have no inkling about that which is projected. In Czechoslovakia, they were called "Reydiviki"--remember?

In Afghanistan these terrorists were a joint operation of KGB/SPETSNAZ units, which stormed the national palace in Kabul and gunned down President Amin and his family, prior to the Soviet takeover in 1979. Are you under the erroneous understanding that the hostilities are over in Afghanistan? (sic, sic)

Now, how about a little James Bond"ing": In Sweden, this group of mysterious, under-water combat swimmers prowled all around the Swedish naval bases and strategic harbors and even entered the main channel of Stockholm with their little mini subs, equipped with tractor treads, and moved up to within a mile of the royal palace. These mini subs were launched from Soviet subs well inside the International water boundaries. A similar operation took place near Norway's major naval base at Bergen, far up the Hardanger Fjord.

In Britain, these Soviet terrorists are well-known to the anti-terrorist investigators of Scotland Yard, who know them as a secret detachment of potential saboteurs and assassins who are located somewhere near the Royal Air Force Base called Greenham Common. This is the base where U.S. military personnel man the silos containing ground-launched cruise missiles.

Now the painful part for you Westerners. This sinister Soviet force has remained virtually unknown to you--UNTIL the defection of a very high ranking Soviet officer and he spilled a

bit of information in a book called INSIDE SOVIET MILITARY INTELLIGENCE. I would, however, warn you that much, much disinformation has come forth from these sources in a very intentional and intense manner. You must read with discernment. Suffice it to say that there is enough truth to cause you to immediately be at attention.

I have told you that there are more KGB agents in the CIA than there are Western agents. Well, there is another group through the Soviet Military Intelligence, called, GRU, which has a terrorist "strike force" made up of approximately 30,000 men and women. *The purpose of these forces? To burrow into an unsuspecting nation during peacetime and prepare to launch attacks in sudden surprise just as was done at Pearl Harbor--JUST PRIOR TO A SOVIET ALL-OUT BLITZ-KRIEG.*

Their ultimate objective is to neutralize the nuclear potential of an enemy by striking at personnel who control a country's nuclear force. Since only a few nations have this massive capability, this means that their major objective outside Europe is, of course, the United States. In your country, they would strike at command, control, and communication networks, starting with the President, Vice-President, Secretary of State, Secretary of Defense, as well as major military leaders and key congressional leaders. The idea is to neutralize the leadership of the target nation, especially those who could authorize a retaliatory nuclear attack.

You can see now why it is so perfectly drawn and acted-out for the Soviets at this present time--for all your major trained forces have been removed from NATO bases as well as any defensive troop capability in the United States itself.

Their secondary objective would be against your country's military and civilian communication networks. Your technology has become so centralized that the assault on and the destruction of a few computer centers

would effectively neutralize much of your radio, TV, and microwave communications.

As any military person knows, when your communications are knocked out, you are in very serious trouble. This would reduce the ability of your air, naval and ground forces to meet a Soviet attack--IF INDEED, there were any of those forces and/or equipment left to do so.

Listen to your own top mouths who speak also through their "lips": U.S. Deputy Asst. Secretary of Defense Noel Koch said, "Their job is to destroy a nation's infrastructure and kill key people. They are an important part of the Soviet Union's peacetime operations and, during war, would pose a grave danger to strategic disruption of NATO and the United States itself." And this was long before all your defense was shipped off to the Middle East. Do you think they all know something more than you-the-people? I would guess a whole bunch but, as I lay it out for you, my own scribe comes under attack from you very ones who say--"Why didn't you tell us before now?"

The Soviet authorities who control SPETSNAZ have the cream of the crop from among the young Soviet men and women who make up the Soviet military. In addition, the Soviet athletes who compete for the Soviet Union in the Olympic games are considered as a pool for SPETSNAZ recruits. Suvorov stated that some of the best Soviet Olympic athletes are SPETSNAZ commandos.

While participating in international sporting events, they have the opportunity to hone their deadly skills in marksmanship, martial arts, boxing and other lethal sports, while they become acquainted with a variety of cultures and nations in which they compete, and in which they may later operate.

The recruit is given a strict test of loyalty and must sign an oath swearing him to absolute secrecy about his unit

and the very existence of SPETSNAZ. If this oath is broken, it means the death penalty--no if's, and's or but's.

The new recruit has usually had at least two years of military training. Initial training is carried out at the Special Forces Faculty of the Ryazan Airborne School and the Reconnaissance Faculty of the Higher Combined Arms School in Kiev. Officers receive special training from the Military Diplomatic Academy of the Soviet Army in Moscow.

SPETSNAZ training is brutal and effective. It must be, in order to produce brutal terrorists who will not hesitate to carry out any order given by their superiors. One of their training bases is at Zheltyye Vady, in the Ukraine. This is adjacent to a concentration camp for political prisoners. The camp inmates provide "living training aids" for the martial arts. The SPETSNAZ commandos can punch, gouge, and maim to their "heart's content". It gives the trainees a "taste for blood", and is much more realistic than punching a sandbag which cannot bleed. AND JUST WHO ARE THE MENTORS OF THIS LOVELY GROUP OF JOLLY KILLERS? THE WORLD ZIONIST NETWORK.

These special force troops enjoy better food, better housing, better pay, quicker promotions, longer leaves, foreign travel and earlier retirement than regular troops so there is always a steady stream of eager volunteers.

Typical training may involve being dropped in a wilderness area for days or weeks, without any survival gear, including a bed roll. When assigned to a mission, they are issued the best equipment available, usually a Kalashnikov light automatic rifle (AK-74) with 300 rounds of 5.45 caliber ammunition; a bayonet which doubles as a saw and wire cutter; a P-6 silenced pistol; six grenades with grenade launcher; and a bizarre knife which can propel its lethal blade a full 30 to 35 feet.

The things which distinguish the

SPETSNAZ from other Special Purpose forces in the Free World, is that to them "Peacetime is wartime". As he/she infiltrates the West, they become a sleeper agent. One of their missions is to contact and maintain liaison with domestic terrorists in the nation where they operate.

These domestic terrorists are supplied, trained, and even included in the SPETSNAZ operations. They are an internal and strategic link in the International Terrorist Network. Any observant, intelligent person should see the danger posed by the vast number of illegal aliens who are now flooding America's borders. In 1987, just along the Texas border, over 34 different nationalities were apprehended, most of them white, most of them coming from Eastern European WARSAW PACT nations. Many of these young men spoke excellent English, carried U.S. Social Security cards, and many had documents showing that they had served in the U.S. Armed Forces. Many were armed and carried large sums of money. Well, you can bet your last large or small bit of money that these were connected to this natty group called SPETSNAZ.

CONNECTIONS

These SPETSNAZ force units are linked to domestic terrorists and have been evident in such terrorist organizations as the Communist Combat Cells of Belgium; The Red Army Faction of West Germany; Direct Action of France; the Red Brigades of Italy; the Revolutionary Cells of West Germany; and the Spanish Basque-ETA.

Before the current conflict and stripping of your NATO bases, the NATO facilities were the prime targets--such as petroleum and gas pipelines, oil storage tanks, computer centers and key military and civilian personnel. These, by the way, are the same targets SPETSNAZ would attack prior to a Soviet attack in Europe. If domestic terrorists whittle down the assets of the Free World prior to a Soviet attack, so much the better.

INTERNATIONAL TERRORIST NETWORK

The Soviets and their mentors, the World Zionist network, use their terrorist networks to intimidate and destabilize the West, as well as to soften up a target country. The KGB, the GRU, the Israeli MOSSAD, all orchestrate this network, with six nations as major participants: Libya, Syria, Iran, North Korea, Cuba and Nicaragua. In these nations there are 110 known terrorist groups from which many splinter groups emerge. There are some 66 terrorist training bases in the Middle East (i.e. 18 in Libya; 20 in Iran; 12 in Syria and 8-10 in Lebanon--these are ones which are known and recognized--there are others which remain undetected). Twelve terrorists training camps have recently been pinpointed IN MEXICO, FUNDED BY THE COLUMBIAN DRUG MONEY. If a terrorist shows real promise, he or she is sent to a "finishing school" in the USSR. From there, they are sent on bombing, hijacking, kidnapping, or assassinations, all over the Free World. Thousands of these terrorists have infiltrated the Free World, probably nowhere as much so as in the United States, where it is known that thousands have crossed that good old Mexican border. Many of those terrorists are given sanctuary by the Sanctuary Church Movement. Well, it is called "cutting your own throat" but you are surely caught between a rock and a hard place as you effort to serve compassionately. YES, YOUR GOVERNMENT DOES KNOW ABOUT THIS--THIS IS WHY WE ARE BRINGING THIS TRUTH UNTO YOU!!!!

There are several countries which are top-of-the-line surrogate countries utilized by the Soviets: Cuba, Libya, North Korea, Vietnam and so on.

You might be indeed alert for if there is a rash of SPETSNAZ activities in the U.S., or in Europe; it will likely signal a Soviet offensive. It will begin with assassinations, of which you have already had quite a few.

TARGETS

In prior writings I have already laid forth the targets which will be immediately sabotaged. Nuclear facilities would be assaulted and neutralized by demolitions teams, probably in conjunction with domestic terrorists. Could it be possible, do you think, that SPETSNAZ units in the U.S. will provide the equipment and know-how to blow the bridges across the Mississippi River? We have already told you that the saboteurs are already infiltrated and in place. Your government, further, knows that this is a part of the attack plan and that hundreds of thousands of aliens have been put in those positions along the river from New Orleans to Chicago.

They would also attack waterworks, sewage systems, introduce biologic organisms, hit power sources, pipelines, transformers, key transportation facilities and key communication centers--the vital nerve centers of your nation. SPETSNAZ units are TRAINED TO OPERATE WITH A HIGH DEGREE OF INDEPENDENCE AND CREATIVE INNOVATION.

HOW MANY ARE THERE? LOTS!!

Each Soviet military district has its own SPETSNAZ brigade. These are usually composed of 100 teams of between 5 to 12 members each. A typical unit member would be from 18 to 20 years old, led by slightly older officers in command. They are considered so highly reliable that they are the only Soviet military units who do not have a political officer. Each SPETSNAZ soldier is his own commissar.

Because the soldiers are young, the training is extremely strenuous, and includes underwater combat swimming, high altitude-low opening parachute jumps and high altitude-high opening jumps, as well as infiltrations, sabotage, clandestine communications and martial arts. He is trained to be a killer in every way imaginable. The most important part of his training is

in the language, culture and folkways of the country where he will be assigned. This is something that even American diplomats do not receive and can be seen in the low standard of your foreign policy statesmanship. If you think the prior writings have been a bit gruesome regarding "Brain-Washing" of Americans by Psychopolitics--"YOU AIN'T SEEN NUTHIN' YET" compared to the total mind-control of the youngsters in these special forces--they are the tools to take the world and it is a deadly serious job which these children accept now as a challenging game. They are the true Rambo's of the world and thoroughly indoctrinated by the Mossad--there is nothing too evil to be avoided.

TRAINING

SPETSNAZ training is capped by live exercises with a very realistic tour of duty in one of the world's combat areas with live "games"--such as shooting down helicopters and assassinating the people (such as Americans) abroad.

Now, something that will, and should, absolutely turn you livid--Britain and THE UNITED STATES have taken this threat so seriously as to include anti-SPETSNAZ training in their war plans.

Now, shudder again as you revel in this new-found chummy "no more cold-war"--WATCH WHAT IS GOING ON UNDER YOUR NOSES AND YOU WILL SEE THE SUBTLE CLUES.

Watch for an increase in the number of Soviet embassy personnel and freeing up of visiting regulations.

Check out the more youthful, athletic personnel replacing the older, paunchy diplomats.

There will be a marked increase in the number of TRADE DELEGATES, athletes and cultural exchanges with the Soviet Union.

A big opening of travel and tourism exchanges with the Soviet Union with

apparent openness never before experienced in the Soviet Union.

You won't notice but there already is an increased number of Soviet fishing boats off your shores and an increase in the time they stay near sensitive areas.

Note strangers buying or renting real estate, homes and apartments near strategic locations.

Look at outside agitators infiltrating local peace groups and anti-nuclear protest movements. SPETSNAZ female agents have greatly infiltrated women's protest groups near the U.S. Air Force bases in Britain.

Well, as with all bad lawn weeds--the big crab-grass king has spread out his "little-brother" organizations which duplicate the mission during the time of war. They are in Poland, Bulgaria, Germany, Hungary, Czechoslovakia, Romania, Vietnam, North Korea and you will always find top MOSSAD trainers at work.

Bad news--one of your most worrisome and "officially" neglected (overlooked intentionally) areas of potential terrorism concerns what is referred to as SOUTHCOM--the Southern Military Command, which encompasses the vast areas south of your borders with Mexico. Here Cuba's version of the SPETSNAZ, the TROPAS ESPECIALES (Special Troops) are extremely active. These were kept under the watchful eye of Ft. Hood as a special assignment--but, what now? You have emptied Ft. Hood and sent most of your tanks to Israel and the rest are now on their way to the Saudi desert.

These TROPAS ESPECIALES operated under the direct command of the Cuban DGI (the General Intelligence Directorate), which is, in turn, controlled by the Soviet KGB. The TROPAS have had extensive and impressive combat experience in wars on the African continent where they have been used as mercenaries by the Soviets.

MISSION OF THE TROPAS

Their mission is similar to their Soviet counterpart: to train and equip terrorists groups all over the Western Hemisphere, including the United States. To date, these terrorists in the U.S. have remained mostly underground.

While the U.S. government has concentrated their attacks against Christian patriots who are anxious to see your country return to Constitutional standards, including the re-establishment of the Monroe Doctrine, they have been negligent of the much larger danger from the south. Instead of stopping, or at least slowing down this enemy activity, a liberal Congress has added to this danger by unbelievably stupid immigration policies which have allowed foreign agents almost complete freedom to operate within your shores. These have teamed up with drug operators from Columbia, Peru, Bolivia and Cambodia. There is much evidence available that involvement in this drug business is protected by high government officials who are becoming rich in the process. Again, I recommend Col. Bo Gritz' taped message on the Cambodian situation. I believe it is labeled TREASON PROS-PERS.

Mexico is the big prize as far as the TROPAS ESPECIALES is concerned and you must know that they have been imminently successful in their infiltration of that troubled country and, thusly, into yours.

Look for a moment at that which was called the MONIMBO PLAN, which is a joint Cuban-Sandinista plot known to American Intelligence agents. It is for the purpose of takeover of Mexico by native terrorists and left wing forces. Panic would result in some 20 million Mexicans pushing across the U.S. Border--and with them--?? What better way to infiltrate a few thousand TROPAS agents into the beloved U.S.? This action was in full planning and upstart in late '88 and it has been moved into higher and higher action constantly ever since.

The F.B.I. knows that Cuba-trained DGI agents infiltrated the U.S. during the Mariel boatlift in 1979. They also know that thousands of enemy agents have crossed the U.S. border since that time. But in spite of this, there has been very little public or official discussion of this most serious problem and it is seldom even mentioned by the media--how could this be? Oh yes, it could--intentional indeed!! It has been known by your government that there are thousands of Soviet and North Korean advisors in Mexico and have been for years. Your State Department deliberately refuses to acknowledge this for political reasons--and further--all documentation is kept hidden under "national security" lockup.

If you write your Congressman, especially if he serves on any special commissions, he will answer you with goo so thick it could mire a tank. He will acknowledge the "ridiculous rumors", claim investigation and announce that, "To date, we have no evidence to substantiate any such activities."

Brothers, this is a biggy-lie if ever there were any. The State Department has been given ample evidence, including photographs, substantiating a huge Soviet and North Korean presence in Mexico and the locations of at least twelve terrorist camps.

Dear ones, it is just this kind of treasonous activity on the part of your State Department which has brought America to defeat in at least two wars, and which is deliberately undermining the safety of your country.

The U.S. Government has refused to disclose any of that which is taking place along the border with Mexico and continues to simply push for "free trade". You KNOW your border is not being defended for there are no bases active with which defense could take place. It is known that while this threat to your safety continues, your armed forces are interfering in an area where you have no business whatsoever, the Persian Gulf.

IS THIS THE TOP-LEVEL PLAN TO

INVOLVE AMERICA IN A WAR IN WHICH THE ENEMY KNOWS HE WILL BE SUCCESSFUL? AMERICA? IS IT ALREADY OVER? THERE IS NO WAY IN WHICH IT COULD BE MUCH MORE SERIOUS, AMERICA! God be with you for that which is about to come upon you.

In total love and compassion for you, my brethren, I move to stand-by.

I am,

Gyeorgos Ceres Hatonn, Commander
UFF-IGFC

To clear please, good-evening.

1/8/91 HATONN

TODAY'S WATCH

Love and Peace be with you of that troubled place. Hatonn present and I shall do a bit of "shocking" myself. I have received a "batch" of mail from Saudi Arabia--each letter more insulting and obscene than the one before. I have, further, been challenged by this fine, upstanding and literate group of your country's "best" to "publish this in your letter!" This challenge, of course, being placed on the envelope. Noting that the mail is censored--going in, and certain one's mail being censored coming out, I assume the government literary overseers have passed the contents as to Federal, State and Local laws.

I assume that the expression is some sort of "art form" or perhaps a simple demonstration of the high educational standards of graduate students in your educational system. I must assume this to be fact for the same language is demonstrated in various forms of spelling throughout each piece of correspondence--I would suggest, however, that there is a very limited vocabulary. I do not wish to offend any of the fine young men who wrote; however, I tend to believe that the subscribers to this Express would object if I printed them all--thus, showing favoritism. I ask that you publish (a

copy, exactly as is) right at the start of this document! For you with tender ears and eyes--perhaps you may need to get someone else, stronger and more versed in the language of "America's finest" to read it to you. I appreciate the relevant information regarding my being a comedian and entertaining all your fine and lonely troops with my humor which throws them into "fits of laughter". I shall endeavor to keep up the good work--*while hoping that they can continue to keep up their lives long enough to continue to be able to do anything, much the less, laugh! These young men, of course, do not sign their names--a total identification as to the level of their bravery!*

Next, will you bear with me while I copy another letter from another soldier in Saudi Arabia as well as comments from a columnist of the *Chicago Tribune* who has found that in the hundreds of contacts he has with the public, HE FINDS THAT WELL OVER 90% OF THESE ARE AGAINST WHAT IS HAPPENING IN THE MIDDLE EAST AND INQUIRE WHAT TO DO TO STOP THIS MADNESS!! Let me quote from an interview with a very high ranking Saudi official when asked "...why haven't your young men been rushing to enlist and defend their land?" Well, he talked about the practice of using incredible oil wealth to hire foreigners to do the jobs that wealthy Arabs find *distasteful*. So he continued with a laugh, "...we just let our our 'white slaves' do our fighting for us."

Oh, you think I made this up? Try the *Wall Street Journal* for source! "Slaves" is a bit much--try "Hired guns!"

Now, from a 22 year old soldier in Saudi Arabia, *"At this moment, my unit is stationed about 120 miles from the border of Kuwait. Before I get into this message, I need to establish a couple of things for the benefit of the 'thought police'"*

"I am not a commie or any other sort of radical, anti-establishment revolu-

tionary. I love my country and believe in the ideals of the Constitution. I'm not a conscientious objector. Being in a combat unit, I will go to war when it comes time and do my job to the best of my ability.

"One of those reasons I'm writing is to thank those members of Congress who are saying: 'Hold on, Mr. President.' And to thank you for raising questions about this situation in your column.

"From the newspapers we receive, compiled by the military, the views and morale of the troops are given the rosy treatment.

"But any visit we've had from the press has been preceded by an order from our superiors. They tell us, 'If asked a question by the civilian visitors, refer them to the public affairs officer who accompanies any press group.'

"I can think of only two reasons why they don't want us to speak for ourselves, 1: To prevent disclosure of classified information. Is that something us peons are privy to? Hah! or 2: Fear that somebody might express a damaging public opinion that basically Mr. Bush is out of line and out of control.

"The truth is, our morale is not as high as they would have you think. We don't know why we're here. We're left in limbo by the absence of rotation and the freezing of all discharges and retirements. And the general consensus in this unit is that the professional army is going to lose many soldiers due to disenchantment after this is all over.

"Make no mistake, this is not from one disgruntled soldier. This is gathered from the daily grumblings of many soldiers. Why are we here???" Obviously, for his protection his name shall not be printed in this public print. This letter was also received by Mike Royko of the Chicago Tribune.

I suggest that this information is true--

having been given confirmation by the list of restrictions handed down to the press core itself. The intent is to KEEP YOU VICTIMS OF THE LIES AND THE WAR PLANNED TO KILL OFF SOME 20-50,000 OF YOUR YOUNGSTERS (ACCEPTABLE LOSSES AS IT IS CLASSIFIED). 3M HAS ALREADY SHIPPED 50,000 BODY BAGS AND IS MAKING MORE. GUESS WHAT? 250,000 COFFINS ARE BEING READIED! THAT IS TWO HUNDRED AND FIFTY THOUSAND!

By the way, we were asked by the large group writing the wondrous fan letters--"---where did you get my address and name?" FROM YOU FAMILIES AND FRIENDS WHO CARE ENOUGH TO SEND THE VERY BEST! Our publisher has deliberately refrained from sending unsolicited, unsubscribed to, information to Saudi Arabia. The troops in the field have little they can do about their situation and we have not wanted to bring further distress, although truth is the only tool they CAN HAVE! We bless and thank every single one who has cared enough to allow these citizens to know truth of their situation. IT IS, HOWEVER, UP TO YOU AT HOME TO STOP THIS NIGHTMARE!

TODAY'S WATCH IN SPECIFICS

Take note of that which is put forth from Congress leaks. "It is doubtful that Congress will 'buck' the President but any support will be marginal at best. However, it has been made clear: 'The President will ignore and disregard any actions by Congress in opposition to his plan.'" If you, as citizens, can simply sit and "listen" to this--I must ask, "Where is your head?"

Angry at the distasteful letters from the young men who have written? Oh no, we weep for them. They are but babes, terrified out of their minds if they give proper thought to their plight. They gather together and share the truth and what have they left to do?

They conjure up jokes and give each other courage in an attempt to out-vulgar each other and then, "We'll show that S.O.B.!" Angry? NO--it is truly heartrending and I want to reach out and "fix it" for them and I can't! BUT YOU CAN!!! We are constantly given love and queried about, "How can your people dare to risk everything and just continue on in the face of such dangers to their lives?" Dharma says, "Two-thousand years ago I think I might have just stood there and let them crucify my friend--I KNOW that I denied his truth--at least three times, but I know within, I denied it more than that. This time I shall take my stand by HIS SIDE and if possible, I shall spare HIS." As for the publisher, and the others who continue in the front of the army--they simply say, "It's for me also--and it is the job I came to do! and, we will do it!" Further, it is most comforting as the word goes forth to find that there are wondrous ones already out there having been almost ready to quit the pursuit save the message arrived and confirmed their task. "Ones of God shall rise up as on the wings of Eagles and no evil shall prevail against them!" Ponder it! THE PHOENIX HAS RETURNED!! SO BE IT AND SELAH!

NEWS HEADLINES--MORE CONFIRMATION OF THIS TRUTH

As we move along and I tell you things, it may appear you are getting them "late", however, please allow for mailing time - - -! Look what came through on the "fax" yesterday from Jan. 7th at a Prudential-Bache "daily update" "ticker" machine:

852: AP--ISRAELI TROOPS SHELL SHIITE MOSLEM VILLAGES IN E. LEBANON (and further, ADMIT TO AT LEAST 21 SUCH RECENT MISSIONS).

847: IRAN REPORTEDLY HAS MODERN SOVIET ANTI-AIRC MISSILES

837: ISRAEL DENIES PLEDGE TO WARN U S BEFORE

LAUNCHING A RETALIATORY STRIKE AGAINST IRAQ

1123: AP--ISRAELI PLAN WOULD REMOVE 60,000 PALESTINIANS FROM JOBS

And the notation from the man who sent us this documentation: "There is no doubt that Israel's Plan is moving ahead!"

A MEETING TOMORROW?

WHY? Your President has already told the world that there is NOTHING going to make any difference! How can this one man speak for a world of citizens about to perish? How can you call this "quest for freedom"?

NOW FOR SPACE-MEN AND UFO's

Want a little "proof"? In Southern California recently (in about November), there was public inquiry about the strange craft over Southern California--spheres, triangle shapes, etc. This was so evident and so intense in the sightings that there was mandatory response. Here is what you were publicly told: "...it is only newly designed aircraft being tested . . ." "...the A-12 Stealth Attack Craft". Funny thing about that plane--NOT EVEN ONE HAS BEEN COMPLETED, MUCH LESS, FLOWN! THE PROGRAM IS NOW BEING DROPPED DUE TO OVER-RUNS AND FLAWS AND LACK OF FINISHED PRODUCTION, THE ITEM STILL BEING ON THE DRAWING BOARD!! This, from your own Secretary of Defense who urged abandonment of the project, which has now been approved. Not only does that mean there are NO such craft, but also you shall have another several thousand unemployed engineers, etc., immediately.

Who was "up there"? Well, WE were up there and there were some Russian Cosmospheres up there, and thus and so. It is a critical time for your nation and your world--you are just about to "self-destruct".

MARIE, IN COLORADO

This is also for all of you precious ones who write with support and trust in the truth which we are commissioned to bring. To all of you who find pain in the response of your loved ones and friends--**THEY DID NOT LISTEN TO THE MASTER EITHER! SO BE IT!** As truth is borne out in living, breathing color, ones will begin to see and hear. Do not be distressed at those which will not hear or see for when the time is proper the Teacher not only appears--but moreover, is **HEARD AND SEEN! FIRST, THE STUDENT MUST BE READY FOR THE RECEIVING--AND SO SHALL IT COME.**

Dharma, there are other things for you this day so let us close this and perhaps fit it with the prior writing to finish an Express. It is necessary that the readers get all sides of this issue for a picture is worth a thousand words--ponder it!

Hatonn to stand-by. Go in safety and peace for preparations must continue. We simply cannot know how it will go in the next few hours and days, but this day it looks bleak indeed. We must simply move on for we shall pass through this veil of shadows lest we miss the radiance at the other side. Salu.

1/12/91 HATONN

TODAY'S WATCH

Hatonn present. I make apologies for my own distractions but it was necessary that I attend many things in these past three days, in your government and elsewhere. I trust all of you were attentive to all the presentations so that you can now analyze that which has occurred, or in the least, understand that which I give forth for your consideration.

Let us not tarry, for you are indeed short of time. Things are not as they obviously appear to the majority of you Earth children. It is far more serious than you perceive and I am not pleased to be the one to point the hidden ramifications into your notice.

I will herein acknowledge correspondence from Dr. Arthur Robinson (**FIGHTING CHANCE**). Perhaps, since it is a short letter, I shall ask that you retype it herein and then we can discuss the matter.

Dear Sirs: (Jan. 8, 1991)

This note is to thank you for sending me the copies of your Phoenix Journal Express--especially the informative November 1990 issue--and for your favorable comments about our work on behalf of American civil defense.

I am sorry to say that America's security is now deteriorating

at an increasing rate. With most of our military forces being withdrawn from their defensive positions and shipped to the Middle East, we are increasingly without protection. A catastrophe in the Arabian desert would leave us very vulnerable.

Without civil defense, without strategic defense, and without sensible strategic caution in the deployment of our conventional forces, America is now at a very great risk of destruction.

Sincerely yours, Arthur B. Robinson

There is good news and there is bad news; well, actually there is bad news and there is worse news and I know not which to give you first.

Let us begin with the Congressional resolution to allow the President to go to war. It is as well that the resolution passed for if it had not, Bush and Cheney would have invoked Executive Order and National Emergency and there would not even have been a semblance of Constitutional facade.

If you ones of the citizenry could listen to the debate, I find it incredible that you could still stand with the administration. However, keeping in mind, dear ones, that there was never a real question as to whether or not there would be a supporting vote--there had to be for three quarters of your Congress is *controlled* by the Zionist factor.

At least as it stands this afternoon after the resolution--it will require more attention to that which they pull off under your noses without notice, and it did call attention to the fact that you had a Constitution. It is truly not utilized any more and will be less so in the ensuing weeks. There WILL be an Executive Order and the establishment of a "national emergency" on the grounds of the reserve troops who will be retained longer than the 180 days allowed at present. That maneuver will allow the calling up of a million additional reserves and keep the ones already called up, for two years.

In the process, remember the Executive Orders as we laid them out for you, there is only need to declare ONE state of emergency and all Executive Orders are activated!

POINTS TO PONDER

Will you have a war? How else can you so quickly get rid of half a million prime Americans? It is now public knowledge--look it up--that one factory in the fabricating business has had all domestic manufacturing stopped while they make 75,000 additional body bags to be shipped immediately to Saudi Arabia, and that is only one of the several companies doing the same. Next, by executive mandate through the Pentagon, or vice-versa, all transportation, food allotments and medical attention is, henceforth, immediately on priority notice of distribution and use in favor of military priority. (By the way, these

things have been in place for well over ten days.) Also, there is a mandate that *there will be a ceasing of all military funerals, bodies will be "warehoused" and mass services will be handled appropriately.* (This, dear ones, is so that you will never know just how many perish in this little dispute.)

NUCLEAR CAPABILITY

Number one: Iraq doesn't need nuclear capability; for you have given them the Air/Fuel weapons, the bacteriological capability and the chemical capabilities. Yes, I said YOU! Next point--*they DO have nuclear capability--poised and ready--right from Russia with love!* However, you, the United States of America, also gave them that particular capability.

In August (after the Iraq invasion of Kuwait and your troops were in the Saudi Desert) a Cray super-computer was sent through an Iraqi front organization through Brazil TO Iraq and it had been approved for shipment *BY your Department of Commerce--known by the Secretary of Commerce.* So, you might ask--"...what goes on here?" Exactly what you see! What is factual has nothing to do with that which you "think". Please recall that the super-computer is a necessary item for the perfection of delivery, etc., of nuclear weapons. You have already supplied Israel with capability, also.

SO SOMETHING LOOKS STRANGE ABOUT THIS WHOLE THING?

It is! And herein I shall give you a few more thoughts to consider--I don't ask that you make a decision as to whether or not I am correct, for I am correct--I just ask that you consider them carefully so that, as you realize the truth of it, you will be prepared for the "far-out" truth of "how" it has come down upon you as a "free world". Almost nothing is as you think it to be.

You think that your nation would surely not send off your

prime youth--the ones who volunteered for the military to go to college and make something of their lives? OOPS! Think again! There are almost NO ELITE "establishment" relatives, or otherwise, in the military. What you have now and--please, don't go crazy when I lay this out for you--is beyond your imagining. We need you to be thinking, clear-headed and viable citizens.

Your nation has been deliberately stripped of any viable defense capability. And further, the troops in the Saudi Arabian desert are not considered prime, "America's finest"! They are the very ones both the Elite and the enemy want to get rid of--the citizens seeking education and the minority groups. I'm sorry, precious ones, it is the planned annihilation of over half a million of your citizens--mostly males.

WHO!?! The Russians/Khazars. Why do you think Gorbachev REALLY called Bush yesterday? To make sure everything is right on track! Does Mr. Bush realize this? He would not be able to think about it one way or another for who you "think" is George Bush, is not.

The "Anti-Christ" is in the final stages of setting up the perfection of the "plan" to take it all and all of the puppet-masters are taking places and you of the world citizens are the puppet/pawns.

DO YOU STOP AND PLAY DEAD?

Not unless you want to end up that way! You stay on that hotline to your Congress and responsible parties until you can no longer stand--it is the only prayer for survival that you have remaining.

How do you check out my truth? Consider: No one in favor of this force by war has any consideration of how to occupy and insure anything in Kuwait. No one outside the pushers give any consideration of the expense

involved in the pushing of this "thing". You have one-track robots pushing you over the cliff and even your fingernails won't hold!

You think Hussein was watching CNN to see if he should worry a bit more? Yes, he was and at the same time you might well watch what he was doing while he was watching! He has collected every head-leader of the meanest, dirtiest and most evil terrorists into Baghdad! *They are NOT bluffing! They have terrorists in every strategic location within Europe and the United States and it is going to be ugly if they utilize their bombs and terror tactics. One of the first things to go, for instance, are municipal water supplies to your major cities such as Los Angeles, etc.*

After the 15th it will not be safe to even enter an airport. Will they actually do anything? The "probabilities" are affirmative. Since the point is NOT Iraq, Kuwait, nor the oil--I suggest more probability of yes than no.

Do you have time now? I honestly cannot predict with clarity. I do ask my ones to get balanced preparations. Then as we can acquire some property elsewhere in this particular location--shift supplies. If ever this group needed a bit of support for land acquisition--it is now. I cannot have our connection severed and the first place wherein the enemy will come is to this dwelling and confiscate the food storage when things get tight. The fact that they have had to forego any preparations, of which to speak, will not deter the ones who will believe otherwise. At this point there have been no funds for preparations so it is a moot issue--but if all of you are waiting--NOW IS THE TIME!

It is also the time to do something with your assets lest they be worthless soon. To pay for this little desert jaunt is going to be a heavy load and the government will confiscate everything they can find.

I can also guarantee you that this war will NOT be another Vietnam!

New World Order? No--One World Control! There will be no "order" in this new world. The picture doesn't look too good from this vantage point if you are in search of world peace and constructive world unity!

By the way--you who think you can play all sorts of games with the IRS following the ruling of the Supreme Court of which we spoke day before yesterday--let us clarify a bit. The Law doesn't make it illegal to harass you or to take your property. Do not be foolish in your gamesmanship. Further, the one whose case brought attention of the Supreme Court is now going to have to go through additional harassment and trials within the unlawful injustice system to *prove* he didn't file because he "*really believed the income tax to be unconstitutional.*" Be very, very careful as to what you do and how you do it! The one with the gun still sets the rules and until final decision--they CAN confiscate all of your property--they simply can't "incarcerate" you until they can prove you "didn't 'really' believe the income tax law to be Constitutionally unlawful." So what do you do? What have you gained? Get yourself into a hole! Get everything out of your name and "have nothing" to confiscate. Utilize those wondrous Nevada Corporations and be **LAWFULLY AND LEGALLY CREATIVE!**

Then get your monetary assets into a contributions situation and out of your accounts through purchase of gold (through the organization) which then utilizes the gold for collateral against the "note". Is it perfect? As perfect as you will find--there aren't going to be perfect anything any more--ever!

Well, "Harummph, Hatonn--how do we know we can trust you? Why should anyone believe you? You are just a fear-monger!" So be it--show me

where I have been wrong thus far???? I care not whether you take action, or wait or never do so. I am obliged to share with you that which is truth--that, and that alone, is my commission, my commitment and my JOB! I serve GOD ALMIGHTY, ALL SOURCE. *I am come to stand with God's lighted children--against that which you call Anti-Christ. I have no input nor pressure as to that which anyone thinks or does--I am a bringer of truth and a forerunner to the return of God upon your place. What YOU do is your business and for that you will answer only to self and God. I bring truth to all who will hear but specifically, unto those who have awaited my instructions. If you personally find no interest nor believe in that which we present--toss it out! But be very careful, lest ye be incorrect in your assumptions.*

I ask that you remember some of your own words from that book which you call the Bible. And, while doing so--please note that in three days of deliberation about the reasons for blowing up half the world--there was not mention of God's truth or way! You have come a long, long way, beloved ones--a long, long way and it is away from God. Furthermore, harken to the sound of truth for "Whosoever heareth the sound of the trumpet, and taketh not warning; if the sword come, and take him away, his blood shall be upon his own head." (Ezekiel 33:3)

RED DAWN UPON YOU?

Yes, and I suggest that any and all of you go rent a movie, made in 1984 and watch it with new vision--RED DAWN.

I am going to remind you of some facts which I have already given you once before but bear attention right now. To emphasize the importance of the information and how far the Elite will go to keep it from you--the one Congressman who had the most information about the Soviet buildup to your south was

killed when the whole Korean KAL flight 007 was shot down near the Kurile Islands by Soviet fighter planes. This man was Lawrence McDonald. Immediately after McDonald made statements and gave proof of the Mexico/Soviet plans, he was killed--along with a whole bunch of innocent travelers. Why? *Because he was going to expose some traitors in Congress!* Many Congressmen have died equally strangely when they have attempted to uncover the cover-ups. There are two who were taken out just as they were revealing information: Senator Henry Jackson and John Ashbrook. Jackson died mysteriously the day following the KAL 007 crash. He had just warned Congress about the danger of a revolution in Mexico. The U.S. State Department refused to comment on his remarks. Jackson went on to say that the North and South American arm of the Soviet KGB was quartered in Mexico City and said that he could confirm a major Communist buildup in Central America. And so he died! *There has been a MAJOR, serious Communist military buildup going on in Mexico for at least the past 14 years!!*

Intelligence reports offer the facts which are then labeled "top-secret; national security" and hidden away. It is KNOWN that Russia has been preparing a massive military move against the U.S. coming up through your southern border. Could it be that God's chosen ones (Israelis), as spoken of in your Bible, might well mean YOU? You who claim to be God's chosen nation and people? You might wish to read Ezekiel 38-39 and consider the little Red Cloud Over America!

To allow this maneuver to be successful, it must be preceded by pre-positioning of Soviet infiltration and placement of military machines and equipment in strategic locations and placement of proper personnel who would "drive for free borders and open trade". It is all in place, America.

You have already been told prior to now--some five years ago as a fact, what to look for, for this is NOT NEW NEWS! The first thing we told you to watch for was a diversionary tactic in the Middle East, or Persian Gulf. The full intent was, and is, to lure America's military might, including the Reserves and National Guard, into a conflict ON FOREIGN SOIL. That would leave your country vulnerable from an attack from within and from an invasion from the north and south without ability for recourse.

RETALIATION

Oh, you think you would retaliate with a nuclear strike? Against whom? You are under the delusion that Russia is your long-lost brother. You have had the very leaders of your nation in total cahoots with the PLAN. And as for Congress sending retaliation--they just showed you what they will do for Mr. Bush!

Russia has been preparing for a nuclear attack since 1962, while the U.S. has done absolutely nothing. Russia, however, does NOT want a nuclear war in the Middle East! They prefer to have no nuclear exchange at all but are certainly prepared if the need arises. Thanks to your leadership it probably will not be necessary--in America.

American Bolsheviks, etc., therefore, have scheduled a first-strike against Russia over and over and over and haven't been able to pull it off! Now, Russia has done exactly what she always claimed she would do--get you from within!

"But Russia is our new friend, she wouldn't do such a thing...!" Wouldn't she? "If they have prepared for it, they likely plan to use it," don't they?

SOME ITEMS OF INTEREST

As far back as 1972 there was an all-out introduction into Mexico of Russian military ma-

teriel. In 1976, a convoy of Russian ships loaded with tanks, armored personnel carriers, fighter planes and special technicians entered Mexico from the southern tip of Baja California.

At that time, armed peasant uprisings had paralyzed farm activity and was used as the proverbial "smoke screen" for the movement of large amounts of military equipment.

While the peasants were taking over 106,000 acres in the valleys north of Culican, Sinaloa Province, the military equipment was unloaded and delivered to flat-bed railway cars of the Chihuahua-Pacific Railway Company for dispersion along the Texas border opposite El Paso, Presidio, Del Rio, Eagle Pass and Laredo.

Trains from the Pacific Railroad were loaded and moved north to major dispersal points in the Nogales (Arizona) area and Tijuana and Mexicali, with San Diego as a major target.

Shortly before this, the Mexican Government had announced that its Army Engineers were to construct 1100 earth-packed airplane runways in the northern states of Sonora, Chihuahua and Coahuila. These strips can be easily disguised so that they cannot be spotted from a satellite. The World Bank approved a loan of \$25 million for this project--so you nice American taxpayers footed the bill--as usual. I believe you recall Lenin's statement of some 50 years ago: "The Capitalists will sell us the rope with which we will hang them."

About the same time, in June 1976, the Gulf of Baja California was closed to outsiders--or at least most outsiders--this did not include Russians and North Koreans. By 1986 a crackdown came disallowing Americans traveling in Mexico to bring their CB radios across the border. At the same time, the Soviets were given mosaic maps of the Rio Grande River area. This is verified because the newspapers widely published the

interesting and friendly gesture--the source of the maps were "courtesy" of the International Boundary and Water Commission. These maps show complete details concerning the lay of the land and, of course, all river-crossing sites. At the same time, a new seven-lane concrete bridge was completed at Laredo, Texas, one of the major crossing points, capable of holding a Russian 60-ton heavy tank.

Then a most interesting thing happened--a crisis was created in the area near Laredo--a new form of "germ warfare"--the instilling of terror of "rabid dogs". It was a wonderful diversionary maneuver while "peasants" seized huge acreages in Sonora and Sinaloa, along with rich farming land along the Pacific coastal Highway 15. These areas were all close to the mouth of the Bay of Baja California. By the end of November, a fishing pact had been signed between Mexico and the Soviets, allowing the Russians to fish in Mexican waters while American fishermen had to stay at least 200 miles offshore.

Some of the northern-bound trains carrying military equipment had to pass near the city of Torreon in Coahuila, so the Mexican police created a distraction by driving 4,000 squatters off land near the railway.

By this time word was received that the Mexican Railroad system, consisting of five major railroads, had been merged. By the end of the year, Soviets tanks had been massed just south of Laredo, Texas. This is proven by pictures as I have previously told you--as have many other daring authors who have obviously played to deafened ears and blinded eyes. Well, the writing is on the wall in front of you, America, and I know of no easy way to tell you these facts.

Dharma, close this so Oberli can have this portion with which to work.

OIL AND OTHER GOOD THINGS

We must look at the sequence of events for this to have confirmation for your senses to comprehend. Let me just outline, again, the things which were transpiring across your borders.

In January 1977, the *HOUSTON CHRONICLE* ran a small news item stating that Mexican authorities had joined in a "bi-national" campaign against an outbreak of rabies and that the Mexican military were in the process of rounding up some 20,000 dogs.

By this time, the ban of travelers with CB radios had been lifted since the military equipment was already in place. Then followed a big "THING" over drugs and 1100 men were sent into the border area to search for drugs, the Mexican government reported. How interesting this count--one man for each of the 1100 runways which had been constructed. Hmmm!

Intelligence leaks confirmed that it was KNOWN that the Soviets moved in heavy equipment moving transports, capable of handling the Soviet heavy tanks. A transport of this capability can also carry up to 65 metric tons of supplies and ammunition. It was at about this time that Mexican authorities announced the discovery of a *huge oil field*, which is some seven to ten times larger than Prudhoe Bay in Alaska--100 billion barrels of oil. This was to make Mexico economically "healthy", or so it was said. Strange thing--this find was in the same areas where there were known caches of Soviet heavy weapons--like, in five regularly spaced intervals just south of the U.S. border from East to West.

It is also interesting to note that the Mexican oil boom was centered around Villa Hermosa, where the States of Tabasco and Chiapas meet. It is at the lower curve of the Gulf of Mexico.

This has been Mexico's major oil producing area since the beginning of this century. But they never had gotten more than 60,000 barrels per day from that area. Now suddenly (???), they were producing 1,075 million barrels per day, plus 1.5 billion cubic feet of gas.

But what happened to all that economy fixing? Mexico never got on her feet economically. Instead, the economic situation became worse and worse, until they are now at national bankruptcy. Well, of course it was politically managed--through intentional mismanagement.

Another strange thing about these locations--a major highway leads from each of these four major oil finds along the U.S. border, which just happen to coincide with the four major arms caches. From these four points, U.S. highways branch out into the interior of the United States--making it a nice smooth convenience for bringing in military equipment.

Most of you who have heard the story before will remember that an informer in the Del Rio, Texas area made his living taking out hunting parties during the deer season. In the fall of 1984, what he called the "good Mexicans" had moved at least 200 miles north from the border and he was forced to go into Old Mexico to get camp help. Since he is part Indian and speaks fluent Spanish, plus six Indian dialects, they think of him as one of them.

Each night after the "gringo" hunters bedded, the Mexicans would gather around the fire to drink and tell stories. The major subject was the large number of foreigners--not Americans--who had appeared just south of the border. They were contacting young Mexicans, offering large sums of money, \$1,000 U.S., for them to cross the border and join with underground forces along the Mississippi River from New Orleans to St. Louis and then Chicago. Their mission would be to blow the

bridges across the Mississippi with supplies which would be furnished by the underground and then spread out along the river, raising hell wherever possible.

What would happen to you if truck and rail traffic, say from the west to the east were halted? Most of the food products bound for the east coast come through Omaha, Nebraska, then cross the Mississippi via bridges at Cairo, Illinois and St. Louis, Missouri. If this traffic were to be halted, within two weeks you would see food riots in the eastern cities, as the super market shelves would be bare. What better way to begin the conflict than with this type of internal trouble? And what of those out-of-work farm laborers? A great majority are migrant workers and at this particular time have been so badly treated that they will do whatever is necessary to sustain family and home. In California's citrus belt it is immediately devastating for the crops are frozen.

NOW CONSIDER THE TRUTH OF THE SITUATION

The so-called oil field workers are not, of course. A Russian tank division consists of 9,815 officers and enlisted men, equipped with T-64/72 tanks. This division is divided into three tank regiments, with supporting regiments and battalions. I believe you might guess, by now, who all those supposedly "workers" actually are and why there is no visible increased oil "production". Most of you still fail to realize that the politicians and media continually give you disinformation--the world fuel crises have all been enormous deceptions. There has never been an oil shortage and you are faced with a tremendous glut right now! So you have periodically been caught up in a "shortage" to cover what was actually taking place, such as requiring higher prices for shipping through increased diesel for your trucking industry and even more important, it was a means of decep-

tion by the Internationalists to cover up military moves. The big oil discovery in Mexico was a major, major deception used to cover Soviet activity south of the border. Once something has been pronounced in the news, everyone goes back to sleep and if the subject comes up again--it is just "assumed" that - - -, etc. ANYTHING could be taking place in the house or apartment next door and you wouldn't know the difference. You have now been trained to trust no one, alienate from your neighbors and community, and actually tattle on your neighbors through hot lines, etc. You, as individuals have effectively been "isolated" and divided--therefore, united you could stand--so you have been divided!

SALT MINES

Well, you might note that it is not easy to store such equipment and therefore, "Hatonn, you are nuts!" No, for located throughout Mexico are incredibly huge salt mines, the most massive in the world. These are easily used for storage of massive amounts of military equipment. "No way" you say? In your own state of New York there is a salt mine near the town of Restof. It is 1068 feet underground and covers over 5,000 acres. Workers, descending to the working level by elevator, must then take a 30 minute jeep ride to reach the working sites five miles away. The ceiling is a uniform 11 feet high, supported by rock pillars and the temperature remains a uniform 63 degrees summer and winter. Where do you think the term "...get back to the salt mine" comes from?

In Mexico, near Matamoros, there is a far larger dome. It is just south of the southern point of Texas. Little military activity has been sighted around this area. But only fifty miles further south, near San Fernando, there is intense activity of a military nature. A 48" oil pipeline has been under construction for a long time leading from the huge Cactus Petroleum plant and ending in San Fer-

nando--conveniently! Just to the east of San Fernando is the Laguna Madre Bay which enters into the Gulf of Mexico. One branch of this pipeline goes to this area. There is reason to believe that work, supposedly being done on this pipeline, is nothing more than the digging of a ship channel for use in future unloading of amphibious ships. These would be able to drop off heavy Soviet armor which would be stored in the huge San Fernando salt dome for future use.

This channel would be around 16 feet in depth to accommodate the Soviet Alligator class landing ships which carry 1500 tons of cargo. It is rather doubtful that the Soviets would take the chance of one of these ships running aground in the shallow Laguna Madre Bay and being seen by American fishermen who frequent that area. However, the Soviets have two other smaller landing craft which would be suitable for that job. One is the MP-4 landing ship with bow doors and ramps and with a draft of less than 9 feet. The other is the POLNOCNY class Medium Landing ship with a draft of about 7 feet. Both are quite capable of carrying Soviet heavy tanks and armored vehicles.

In many of those "so-called" petroleum producing areas of Mexico, one can see what appears to be oil drilling derricks. They are not always drilling for oil, dear ones. Some are very busily creating the huge underground salt caverns, similar to the Bryon Salt Dome near Freeport, Texas, where the U.S. is storing emergency gasoline supplies--oh, didn't you know that?

GOOD HELPERS

It was indeed easy for the Soviets who appeared to be oil exploration crews, ostensibly to assist the Mexican oil industry, to survey the salt domes for storage of equipment and plan the storage facilities. It is NOT a secret from your government, dear ones--*it is known that the*

military equipment is there. It is also known where it is stored. One day there were 200 Soviet tanks counted on the ground--the next day -- whoof, nothing! This was in one of those handy areas just 50 miles south of the border.

MEXICAN WAR AGAINST AMERICA?

"Now, you are really off your nut, Hatonn!" Hold on, little doubters. There were plans well laid for war against the U.S.--in the diplomatic mill for many years. As far back as 1980, Pres. Echeverria was accusing the U.S. of plotting to seize parts of Mexico in order to exploit the region's oil and uranium deposits--and you know what? They were right!

It is a known fact that the American military has made numerous excursions into Mexico, probably for reconnaissance purposes. The same has been true of Soviet forces who have been seen as far as 20 miles north of the border. Why has the media never covered this news? Want something more outrageous? Your military has moved a good portion of those "troops" who "think" they are in the Saudi desert, right down to Mexico! Free trade with Mexico? Not the way it is presented to you good citizens.

How can you conjure up a war? Easy--just like "they" do everything else behind your backs. One plan had been made by Soviet/Mexican officials in which a great deal of economic pressure would be directed against the northern Mexican States, which would bring these already distressed people to the brink of rebellion. Then elements of the Mexican Government would discover a plot in which these States would attempt to secede from Mexico and join the United States. Far fetched as this may seem, it would be picked up by the Mexican press and the world liberal press who would begin a vast campaign against American imperialism. This would set the stage for the

planned invasion of the U.S. Of course, the U.S. would be in the role of the "bad guy with the black hat".

GENEROUS UNCLE SAM

The Mexican military has been undergoing a modernization program for some time now and recently, YOU have been providing them with some of your most sophisticated weapons--paid for by a loan which will never be repaid. They have also used their "petro dollars" to purchase modern equipment from France, West Germany and of course, your staunch allies, the Israelis.

The Soviets have openly had military advisors in Mexico for many years, with a large contingent openly taking residency in mid-summer of 1985. Shortly after that a whole brigade of some 3500 Shiite Moslems (who are known as the "suicide boys") arrived, after six months in the Afghanistan combat zone.

Large numbers of North Korean troops moved into the Baja California area and they boasted that they would be in San Diego before the end of 1986 and you know what--they were! At the same time, in 1985, over 40,000 Mongolian troops moved into the Yucatan area.

PEASANT LAND INVASIONS

All the while the build-up was first under way in a massive manner, the peasants of the area didn't know what to do about all the foreigners. Therefore, several large peasant land invasions in Mexico occurred in which large groups of armed peasants took over thousands of acres of land and set up camps which they said was to "keep alien peasants OUT".

In one such invasion the principal cities in 11 Mexican States were virtually shut down, power was turned off and stores and factories closed. Tanks and armored personnel carriers, camouflaged to look like tractors lined the roads and were

moved under cover of darkness. The following morning all was somehow vanished.

At that time, Americans in the border towns of Nogales, Laredo, etc., knew there were thousands of soldiers in the area. On maneuvers, they were told.

COULD THE RUSSIANS INVADE THE U.S.?

Let us look at the long-standing capabilities AND the neutralizing of the border defense installations which you have, such as Ft. Hood--which is now a ghost place.

What is KNOWN? Take a deep, deep breath for you aren't going to be able to breathe for a while after we look at some facts. *"THEY" have a tremendous invasion force of some 2-million men! Complete with landing barges and equipment--in the coastal areas of Siberia; maintained, rotated and raring to go! (YOUR entire armed force is less than a million.) Their strategy calls for an airborne strike against the Alaska pipeline and for that they have at least five specially trained airborne battalions which have been ear-marked for this purpose. It is also known by your government that while your administration has been playing "hands and toadies" with the Chinese Reds, following the same fatal path you took with the Soviets in 1945, at least eight divisions of Chinese engineers have been supporting the Soviet force.*

In recent years, the Soviet Union has continued to enlarge its military force, building up a force which is capable of intervention in greatly distant areas. I care not what your administration, State Department and military tell you--your leaders know that you, the people of the U.S., are their number one target. After all, it cannot be a surprise--they have told you over and over and over again.

Now what have your "Christian churches" been telling you?

Could it have been that some misconceptions have been set forth? Herein, I suppose, to get Dharma off the hook, I will just do some quoting--(plagiarism I 'hope' they call it and let her off the hit-list):

QUOTE:

The ultra-Zionist Baptist evangelist Jack Van Impe, in his book ISRAEL'S FINAL HOLOCAUST, states in Chapter 12: "Russia will invade Israel at a time when war is not expected." Knowing the situation in the Middle East, this seems to be extremely unlikely, since Israeli actions have brought about a condition where peace is impossible.

Van Impe goes on to say on P.134-- "The weight of prophetic scholarship has gone with the conclusion that Russia is the chief aggressor...in their end time war with Israel." This part is true. The Bible does say that Russia will be the aggressor and that Israel will be their target. The problem comes in defining who Israel is. By no stretch of Scriptural definition, can the little nation of the Jews be called Israel, since they are "those who say they are Jews and are not..." (Revelation 2:9). (Hatonn: please pay attention here and, in addition, I will again give you the Webster's dictionary definition of israel: a people chosen by God. You must remember something important: The Israel as you refer to it, is Palestine.) The true israel nations are the primarily white nations of what you refer to as Christendom, which any intelligent person will recognize as the target of the Zionist-Communist hordes. By no stretch of the most vivid imagination, does Ezekiel; 38-39 describe the Israelis or the Jewish nation.

Russia, according to the Scriptural account of Ezekiel 38-39 will "GO UP to a land of unwalled villages, where the people dwell in peace, to take a spoil of cattle and goods..." This certainly does not describe the Jewish country in Palestine.

Any fifth-grader knows that if you "go up" from Moscow, you don't land in Tel Aviv or Jerusalem. You continue over the North Pole into the heartland of North America. The Soviets wouldn't get much of a spoil of cattle from the Israelis, since their cattle herds are less than in most counties in the U.S. Certainly the people of Palestine do not dwell in peace in cities having neither bars or gates. Most of the Israeli cities are armed camps. Of course Van Impe and others of his ilk say that, at this time, the Jews will have a peace treaty with their enemies. Seems very unlikely!

END QUOTING

I do not wish to make further comment for I do not wish to get into dispute with any evangelist but I do suggest you take this very seriously into your thoughts.

Back to Russian capabilities for such an attack upon the U.S. Dear ones, the Soviets have at least seven airborne divisions of some 7500 men each. These units are strong in anti-armor and anti-aircraft capability and have a tremendous amount of firepower.

In addition, they have their regular motorized rifle regiments known as MRB's. These units are transported to the battle field via fixed wing aircraft. As far back as 1985 the Soviets had 110 of these units, plus at least 50 tank divisions.

They have several aircraft which can move these men and their equipment. The AN-12, a medium transport plane powered with four turbo-prop engines which can carry up to 20 tons of cargo or 80 armed paratroopers. It has a range of some 2160 nautical miles.

They have one plane, the AN-22 which has a payload of 80 tons, a cruising range of 2,650 nautical miles at a speed of 600 kpm. They have a relatively new jet plane, the 11-76/CANDID, which can carry 120 paratroop-

ers, a payload of 70 tons, with a range of 3,000 nautical miles and a cruising speed of just under 500 mph. The Soviets have about 1700 of these craft.

Precious ones, the above does not even touch on the Cosmo-spheres and stealth capabilities of the Soviets--these two items alone can take the world!

SO WHAT, NOW THAT YOU'RE SCARED OUT OF YOUR WITS?

Well, you can stop blaming and taunting and flubbing about. Do you have time to prepare? I don't know!!! You would have if you had listened--now, I can only work on "possibilities" and "probabilities" for it can be on Tuesday or two years from Tuesday or, or, or But I tell you this, war is coming to your country in one way or another and it is past due! I can only urge you, again, to make preparations for times of scarcity and probable deprivations. You should personally prepare as best you can for yourself and your loved ones' survival.

Noah built a survival barge and stored it with food for a flood he knew was coming. And what about Joseph? He hoarded the excess food from the good years, preparing for the lean ones. He didn't sell Egypt's corn to the Communists and give all the wheat away along with the butter and dried milk. Noah's personal effort and that of his family saved them--there will be no government welfare to bail you out, beloved brothers. It is simply intelligent to PREPARE--for there are always natural disasters, if not war, from which you can suffer greatly in non-preparation.

Many of you "good" Christian people say "you lack faith" when you make such a preparation and that, "God will take care of you." Just how does this work? I believe my Cosmic education must be lacking somehow or another. MOST of these good people do work, although a great number do not,

and have a "job" with which to provide for their family. They do not say from day to day that, "God will provide so I need do nothing." Most of you place great locks on your doors to keep evil men out. You purchase fire and life insurance policies and keep a first-aid kit somewhere around in case of an accident. Does that mean you have no faith in God? Come now, stop the ridiculousness.

Seems to me that one most quoted by you ones, Paul the Apostle said, "If any provide not for his own and especially for those of his own house (his kindred), he hath denied the faith, and is worse than an infidel."

You have been warned and warned--there are some difficult days ahead no matter how you look at the circumstances. Too much is in chaos to get through without some drastic changes in your lives--even if there would be no war from any front. And now, beloved ones, HE has sent us of the Hosts, to warn you again--that the trumpet has sounded. He has again, in His mercy, given warning. I petition you to give heed.

Perhaps some in great "wisdom" have told you that you don't have to worry about these times because Jesus will come back and "rapture" you out of this mess before it gets that bad. Dear friends, you have been taken in by a false teaching which comes from the pits of hell and which makes cowards out of potential bearers of truth.

The Master Wayshower told His disciples about the time in which you are now experiencing. He said it would be so bad that men's hearts would fail them for fear of the things which were happening, (Luke 21:26). He told about Christians suffering persecution--words of hope in vs. 28, when He says: "When these things (wars, famines, pestilences, earthquakes, persecutions, etc.) begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh."

This says nothing about a RAPTURE. Your blessed truth is His return on the silver wings, dear ones. Keep watching the Heavens from whence will come your deliverance!

You have been given direct instructions and commands as to your actions during this time. "Occupy" until I come!" You do not "occupy" when you hide in a comfortable, air-conditioned spiritual hole, blindfolded while praying for Him to "rapture" you out of the mess you are responsible for creating. Occupation is an active, front line, military duty! It means having stamina to stand and put your life on the line, if necessary, as you face the evil which will surely come in its time.

You are surrounded by every danger set upon you and it is a time of terrible confusion and chaos and unfolding tales to be faced as through the nightmare. It need not be without a light for guidance nor despair--get as prepared as you can and get yourself set on a straight course with God--for with GOD--ALL IS! If nothing evil nor discontent befalls you--what have you lost? At the least, you will have gained those goods at a time which can give you some feeling of security and comfort while abundance is available. And then, if only for a day you are without power and it be cold, your extra blanket will keep you in warmth. So be it.

God walks and awaits all who will take of His hand and come with Him. We have prepared a place for you and we know the pathway home. God bless and keep you as we move together through these days--for those who come with Him, shall not be left to walk alone! Salu

Hatonn to stand aside. Dharma, we shall write again on the morrow for man must have more input on this subject. It is too large to hold and yet, it must be faced. Good night, chelas. Know that I appreciate you ones so very much and I cherish you as my very self. Saalome!

1/13/91 HATONN/ATON

TODAY'S WATCH

God sits with us this day as we unfold mysteries at which to look and find reason. Reason does not necessarily mean **right reason**, it **simply means "reason"**.

Invasion of America? Not if you move quietly and do not resist once the New Constitution and New-States are being implemented and become operational. I must outlay that which has been, and is, unfolding around you--for it has already been accomplished and tested. The Order will now take total control and perchance you ones will not realize an instant anything--you who sit at home.

TROOPS IN SAUDI ARABIA

They will either be kept there for a very long time or they will be annihilated. The military personnel had to be gotten away and into distant foreign territory so that no "coups" could take place--no military resistance to the full take-over of your government and your nations.

Then why the massive buildup of Russia and her allies in the U.S.-adjacent countries? For occupation, dear ones. There will be tanks and armed personnel in every town to insure consistent non-rebellion and furthermore, YOU will supply your own police force to assist and do the dirty work of confiscation and putting down demonstrations.

LITHUANIA TODAY

It is important that you look closely at Lithuania this day for it is YOUR reflection. The iron fist of Russia has come down on her in her new "freedom" which never was. There are tanks in the streets and death everywhere along with 10,000 Russian troops. The same is happening to Romania this day! And what does your "free world" U.N. say? Hardly a thing. Mr. Bush says nothing other than sic Hus-

sein and I am ready to take him out--for freedom and human rights.

"NATO is 'monitoring'" (whatever that means) for you have stripped all NATO capability and sent the troops and equipment to the Saudi Desert.

What do your own government people say? "We are watching this very closely." By this length of lapsed time, in Iraq--you had sanctions against Saddam and troops on the way.

Dear ones, you-the-fish are CAUGHT! The prison masters are only going to have to wait for you to stop flopping about. If you flop too hard and try to get off the line, they will simply use force and kill great masses of you. If you go as the sheep as you have thus far, you will probably have some time to adjust to the slavery. The preference is selective killing of the considered "undesirable" elements of the minorities and mal-adjusted and diseased. The resistance ability has been removed to foreign soil--*far, far greater numbers than you can imagine--you have empty bases in the U.S.* Your land has been stripped except for the crews which will help establish the occupying personnel when the time comes for force. The hope and expectation is that there will be no requirement for force.

You-the-people were just put through a major test and you willingly allowed the government the license to kill every man and woman in your military forces. You just voted out your Constitution and all rights as citizens. You just voted that your Administration can now act solely as a dictatorship and you have no recourse. You did it with warning beforehand and still you allowed it.

WHY IS DHARMA STILL ALIVE?

Because it is assumed (and proven) that God's truth is no danger to them--yet. You deny and denounce and vote away

your freedom--why should the enemy be concerned?

Now, they do not attack because they actually desire that someone tell you how it is so that they don't have the burden of "proving" it to you and messing up their plan of orderly take-over. You were tested to see how blind you are as a people--**and they found all but total blindness!** You had an opportunity to act in behalf of the saving of your own babies and you voted to kill them! What else does your enemy need to know? And, today, it is all but finished!

In the mess going on in your government and elsewhere--WHO is brought into attention on the news? Not your House Leader, not your Senate Leader, but rather--Kissinger, Eagleburger and Scowcroft!!!!!! Each going on their respective missions to implement the New Order.

WHAT HAPPENS NEXT?

It requires no fortune teller nor space commander. It will go as has every other nation who has fallen to the Anti-Christ. All means of freedom will now be either slowly or, possibly, immediately and rapidly removed from you. The banks for private accounts will probably be closed shortly and funds mostly confiscated so that you-the-people cannot function. Food will be placed on more short supply and you will be "without" even bare minimum subsistence. There will be more and more terrorism in the cities to cause chaos and great numbers of people will be killed and/or incarcerated. Mostly killed for there is no suitable way to care for dissenters.

When things are really chaotic the police and new military will move on the cities in force to get rid of the gangs and opposition of all sorts--thousands more of your youth will be slain. The guns will be confiscated. I remind all of you who think you will save yours--if you withhold weapons, dear ones, they will

simply kill you. In the take-over of a nation the size of the United States, there will be no mercy.

The government you perceive to be YOURS--is not! It has been put in place intentionally for this day and this action. Your government, in majority, are joint-venturers in the Global 2000 Plan of World Control!

Oh, well, England will come to the aid of us little brothers. No--she is a major, major part of the play itself.

DOOM AND GLOOM?

I see not how it could get more doomy or gloomy!! All of you who have "things" in abundance and live "high" on luxuries, I suggest you trade that Mercedes for an old half-ton pickup for the "rich" will be sitting ducks for the picking and plucking by your own people.

I suggest, further, that if you have available money for investment or if you can get your hands on some--get rid of it. Give it away if necessary but get it away from yourself for it will represent your death notice. The plan is to confiscate everything.

"Well, but what about you, Hatonn?" "What about those plans you have been telling us about?" What about them? Even your enemy needs a place to start again. Your own enemy will help you build if he thinks it will benefit his cause. Even to the motion picture complex. Out of the chaos will come the next step--the settling of the masses and, furthermore, he will be happy to spread only good dreams and promises for he will be wallowing in his newly found ego power and will wish to feed you off peace and charity and dreams of that which he can now prevent you from fulfilling. He will not wish to longer feed you on violence and resistance but rather on things which quiet you for his purpose will change from intentional chaos to orderly control.

"Well, will he wipe out your people, Hatonn?" Probably the pressure will begin to be relieved on my people for your enemy perceives this as no longer any danger to his plan. He further considers that you will better lay-down and play dead awaiting "rapture" and "salvation" for you aren't going to have many other choices given you.

Will the writings continue? Of course--for a while and then, it is hard to predict. The message given is that which we were commissioned to bring--TRUTH. Soon, the battle changes in the prize--the battle will be openly for your souls! Strange things now begin to happen, dear ones--Dharma, for instance, came to scribe these Truths. Our commission is and was to bring the WORD and prepare for God's return by putting the word to print and dispersing it. The rest is up to you as a people and as individuals--what will you do? If you do no more than you have done with it thus far--it appears to be very little. God did not say there would be great billions of ones to go with him--HE SAID THERE WOULD BE FEW! And so shall there be. He has shown you that great masses would gather and move in unison and then all but a few would turn to the left unto the physical promises of darkness and only a few would turn unto the lighted right. And so shall it be.

You ones thought you would have to give up your worldly goods to death and passing into "wherever" you go after death of the physical? Well, you are now going to witness and experience giving them up before--right before your physical eyes. I would suppose that you who do not heed my words will cling to the false promises and horde of thine wealth and luxury and lose your lives--and your ticket home to God. That, dear ones, is each individual choice to make. Selah!

NATURAL PHENOMENON

There are many ways your enemy now has to bring you to your knees and lower. He truly does not need fire a shot at you. He can cause great earth upheavals which will take thousands from your cities in death and destruction. He can insure your crops do not grow nor mature--or be infested with insects and your populace devastated with famine and disease. There are far more effective ways to break the backs of nations than to shoot them for even the Elite do not intend to live without the slaves, dear ones.

What you have witnessed in the worst of the oppressed nations of your globe will now be visited upon YOU. You have just signed the death paper and now you await the crucifixion in the coming days. I suggest you all go forth and re-read the Bible prophecies for you have just fulfilled the major requirement to Armageddon and death of a nation. As a nation you were God's chosen and you have sold it, along with her wondrously beautiful and pure soul--to the evil slave-master. My very being is steeped in agony this day at that which my unseeing brethren have brought to fruition and still, you do not comprehend but only become angry at the writer and deny the Truth. Well, beloved ones--it is upon you and YOU WILL SEE! God offers HIS hand--my suggestion is that you take it! *It is a black day in history--black indeed!*

Dharma, go chela, for the path is hard and you ones have served without reward or ability to tend of your own needs--I request that you go forth and do that which you can and know--*Ye who have not abandoned God shall not be abandoned by God, but you must trust HIS way and relentlessly continue as presented in possibilities unto you--in wisdom and courage. The pain of the day is upon the masses, not upon the true-believers and "knowers" in true service unto*

God and the total "truth". Our ones will make no loud anything nor effort to force anyone nor anything--for it is not the way of God. The greatest lies of all are the lies put forth through your "churches"--I suggest you do not cross them now. Our mission was and is to bring Truth and man shall do that which he will, with it.

We shall be most quiet lest what happens upon this land becomes blamed in total upon the Cosmic brotherhood. We will be ever present and ever watchful so you of our own must not despair nor feel abandoned--we must give them no quarter in allowing the blaming of God for this plight set forth by Man.

May the light be given to shine upon you and our beloved ones. May mercy be given unto those who are about to meet their own action's consequences for it is the justice and way of the cycles in the planting and the harvest for that which has been cast forth shall surely return. Salu.

Allow the heart to be heavy and weep if it eases the sorrow--but ye ones must not fall into the stupor of inaction to wallow in the self-pity of the moment. It is THE time of meeting of your commitments and obligations unto God lest ye end your days in the sorrow of self-punishment for your lack of standing within your commitment--having failed God and Brother. I suggest each and ALL of you take careful stock of status and stature this day for these are FINAL decisions, dear ones, and you have come face to face with the sorting. It is up to you which direction you go but the point of no return has all but been reached. If you have been given into a job which you have abandoned to any measure--move aside for your place must be vacated for the placement of another. Do not delude yourselves, especially our workers--the path is demanding, the instructions clear and succinct and the discipline hard. You must make

your choices. And, you must make them without coercion.

If you are in the position of pulling another from the path and into some ego world of indecision or personal graft--I suggest you think most carefully regarding the consequences of those actions for you are about to be reaping the reward of that action. I care not which way you go for I am to allow your choices. I have given you that which is the Law and you will make or break of it--I shall no longer even "urge". Go within unto the counsel of God and make your decisions--do not come to Hattonn to pick the bones of pros and cons--you have had your lessons--IT IS YOUR CHOICE. Dharma, for instance, has "pull" only for herself! She can petition and petition on behalf of another--BUT--so be it, 'tis the petition of the "self" which is attended. I shall hear no more of "I can't" for it means "I WILL NOT" and I can tarry no longer in the tending of the babes who cannot mature in Truth. So be it and Selah. For the Truth is the word and the word is given and so shall it be.

I move to the side that you may ponder these things and that which is about to come upon you. I and my hosts stand ever at ready and ever at the moment's response. The time is at hand!

I AM ATON--LET US SEE WHO MIGHT YOU BE! GOOD DAY!

1/14/91 ATON

TODAY'S WATCH

Aton would please speak this day, for my people are in great trouble and poised for destruction.

It is recognized that in these final days of Kali there would be terrible things which Man would do against Man but it is painful, indeed, to watch the wondrous creations of beauty and gifted with wisdom, unused, act as cocks trained to battle. You

will note, however, that the "cocks in charge" DO NOT do of the dying--if some of you would relate yourselves unto the beasts.

You were warned, lo, the eons ago and the words have come unto this day--regarding the rulers in politics, religion and even the people themselves--"For when they say, Peace and Safety; then sudden destruction cometh upon them...and they shall not escape." (1 Thess: 5:3, 4)

And, how quickly Man forgets--if he knows at all--those events which change the course of nations and planets. Precious children of myself, when this leader calls for "terrorism against the West", he means exactly *that!* The whole of the people of the Arab nations now call for "Jihad"--holy war, the moment the United States makes one aggressive move. They further tell you they will settle the Palestinian situation while they are "at it". They also mean exactly "that". They have weapons of which you have no idea, at their immediate disposal.

PEACE, PEACE--THEY CLAIMED

What of these ones who proclaimed peace and wondrous co-existence? Where did they go? They were never present! "They are liars from the beginning." You have listened to the lies and accepted them as truth for you have not attempted to learn Truth or to teach unto your children, Truth.

Have you forgotten the bombing by terrorists of the Marine barracks in Lebanon? This one act killed several hundreds of your Marines--and nothing was done. This was well known in the planning by those who call themselves my Israeli and are not even Jews. The "Israeli (of Palestine) Mossad knew about this plan half a month, at least, before it took place and never warned any person. Who are your enemies? The intent, which apparently worked very

well, was to blame the Arabs. Or, wouldst you speak of the bombing of the "bar" in Germany a few years back, in your counting, that gave Reagan opportunity to attack Kaddafi's headquarters in Libya? The terrorist act was NOT done by the Libyans, it was done by the Mossad and the Israeli "intelligence" told you it was Arabs. So you perpetrated an "act of war" against a sovereign nation and unto this day you tout it as a wondrous move to quiet a "madman". Who might be "mad"?

Men YOU respected, such as Woodrow Wilson and Winston Churchill, conspired together for the sinking of a passenger ship named the LUSITANIA, with the loss of hundreds of lives, to get the U.S. involved in World War I.

Worse, children, your "Day of Infamy", Dec. 7, 1941, when the Japanese bombed your naval base at Pearl Harbor, was *after* Roosevelt had deliberately driven them into a state of desperation. The attack was expected and your leaders, including the President, kept this attack a *secret* until it was too late for any to take action to defend your fleet or your men. You must confront yourselves as to the facts: the Pacific fleet was in that vulnerable position--*on direct orders from the Commander-in-Chief himself--when he knew Japan would attack!*

Now you have come forth to be witness to the most heinous act of all--George Bush and his "advisers" at the leadership of one Henry Kissinger and cronies of the Council on Foreign Relations and some of the Trilateral Commission--now plan to destroy your entire prime military placed in the Saudi desert. Who will "start" this conflagration? The Israeli of Palestine MOSSAD! It will then be blamed on the Iraqis. If this does not happen, it will be simply because within the next 24 hours Iraq acts more quickly and/or Russia demands cessation of this "madness". Russia has other plans for world domina-

tion and desires to achieve it without radiation problems to the territories she plans to conquer. You are on the eve of Armageddon and as in the days of Jerusalem 2000 years past--Man simply places "bets" upon these events which are forthcoming. The Hosts of Heaven weep for you--the-blinded lambs.

The New World Order is a directly birthed conception of evil itself. Will there be this heinous war tomorrow, the 15th of January, 1991? It matters very little, children, for it will be in the coming sooner than later in any event for the time is at hand for the closing of the noose upon your necks who dwell in the delusion of "freedom" perception. All trouble-makers will begin to be eliminated for the PLAN is effective and projected to be fully operational by year 2000.

You ask, "Why don't YOU do something? We pray and pray that YOU do something!" Why would I DO SOMETHING? What is it that you would have me do? Would you have ME undo that which you have been setting forth for over five millennia? Remember--"...from the beginning"! Would that indicate that you have been at this game, working toward this day for all time as perceived by yourselves in physical illusion? Moreover, you have just *proven* that you do not desire it to be changed--only given into your hands of winning! Nay, corruption has destroyed that which was my beauteous creation and a nation set forth to give freedom and prosperity to a world--a LAMP unto humanity, and you have destroyed it! You have allowed the thieves and murderers into my blessed sanctuaries and evil has taken control of the very essence of your beings. Nay--YE SHALL CLEAN OF THINE NESTS OR YE SHALL GO DOWN WITH THE BEAST FOR YE WERE GIVEN CHOICE AND FREEDOM TO EXPERIENCE AND YE HAVE ILL-CHOSEN! I know that which abides within the heart of each for it, in purity, is a reflection of my being.

if it be evil, selfish and greedy, it shows like a blot of blackness and your world is indeed black this day.

INTENT

Nay, I shall not be in the telling of you how the scenario will move--for you already are in the knowing. It can be long in the playing if intervention comes at this 12th hour--in this place of the Arabian oil fields. If not--it shall come upon the morrow. Either way, it matters not, for the wheels of intent are in motion for the other aggressions planned to be brought upon my wondrous creation and it shall be played according to Truth--**THE SORTING WILL TAKE OF ITS OWN COURSE. My people shall not again be martyrs! But it means that you of mine, must not turn away from ME nor from the Truth lest you be left by the way. Some of my blessed ones of closeness unto you who present these words, have chosen carelessly indeed!!!! He who places ANY before his God and Truth--chooses indeed badly and the consequences shall come as the wave sent forth from that one. If ye have not the faith to remain true--then ye were never true nor did you "believe".**

WHY ON EARTH WOULD RUSSIA DO THIS?

First, let us continue to unravel the intent of the Middle East and how this has unfolded so that there is no misunderstanding of intent nor actions. The ultimate intent is World Control, of course, but the event by event comings unto this point are worthy of note.

Who would benefit most from the U.S. attack which would most surely follow? First, the International Oil Barons, in the form, specifically, of EXXON and British Petroleum; and, of course, your unstable allies, the Israelis who want to get rid of this Saddam in any manner possible. Even now, you have witnessed the total control of your Congress by these "allies" who have now gained control of

three-quarters of your Houses of Leadership. You have just voted for the death of more than a million of your military troops. Oh, yes, I speak fact--you have over a million of your military personnel in that foreign land and some in the deserts of Mexico "thinking" they, too, are in the Saudi desert. They have been cleared from your nation so that there can be no resistance to that which the Government Administration has planned for you, now.

Who would be the "fall guy" in the war that follows? The U.S., just as they have been in every war started by the Internationalists beginning before World War I. It would be your children who perish by the hundreds of thousands in heinous manners beyond the thought of the ordinary human entity. It would be your American children who would come home to suffer the remainder of their lives as cripples. It would be your mothers and fathers, wives and babies who would grieve for their dead loved ones. Once again, you--the people, blinded by the lies, would come out losing, with nothing to show but death, suffering and unpayable debt--and further enslavement to International interests.

Iraq attacked Kuwait with the willing collusion of your own President Bush--but, they were only to take the northern portion with the debated oil field and the little island a bit off shore. They misunderstood the rules and the signals and marched right through to reclaim all of their stolen property. You see, even that was "expected" as misinterpretation by those soldiers. The sanctions were already printed and approved and actions were instantly taken from your Administration. Instantly Bush came to the immediate rescue of the International Oil Barons, who have been his close friends for decades and are brothers in his same clubs of evil intent.

But why would Russia become involved at all in this flare-up, if

they intend to gain World Control by other means? Because they do not wish a Middle East nuclear war and **they are the world's largest supplier of oil and they stand to gain more than anyone else, with the exception of EXXON and British Petroleum. Remember--the Soviets are in terrible financial circumstances.**

Nothing changes herein, this all just cements the final merger between the evil brotherhoods. George Bush was put into office for the sole purpose of being the puppet to bring into the light, the New World Order.

CAN YOU NOT SEE?

It is as obvious as the words before your eyes--that the actions in Lithuania are to give you example of that which will come if you--the people act against the chosen actions of your enslavers. They do not even bother to effort at "fooling" you to any great extent--**FOR YOU HAVE VOTED AWAY YOUR POWER!!!**

Is there anything left to "shock" you? There is nothing of "shock value" any longer. You have been trained on violence, bloodshed and horror until it permeates your very souls. **YOU WANT THIS WAR!! YOU CANNOT "WAIT" FOR THIS WAR AND ALL ITS DEATH AND HORROR!**

Well, months ago, Mr. Bush signed an Intelligence "finding" ordering the CIA to destabilize Iraq and get rid of Saddam--or so the paper read! No, that is not quite accurate--there was no intent to get rid of Saddam. The Administration and World Coalition need Saddam Hussein to make sure the actions are carried out. But let us consider consequences of such an order--just suppose the president of Russia put forth such an order on George Bush? What do you suppose you would do? It is a moot point indeed.

It is not up to ME to bring survival unto America. It is up to the good people of America to

bring this to pass. I shall await and witness and I will choose their delusions and bring their fears upon them; because when I called, none did answer; when I spoke they did not hear; but they did evil before mine eyes, and chose that in which I delighted not--then nor now. I bless not evil and the veil cannot hide that which I can see from any vantage for ye reflect back unto me in exactness of detail that which ye are--and ye are your "thoughts" and intent--I hear not thine foolish words flooding from twixt your lips which lie.

To my faithful and true, I hear and respond. I am omnipotent and omnipresent--*I am incarnate within you and hear and heed your call--even unto the smallest feather of the most tiny creature within Creation. If my power be revealed, it shall be revealed through YOU on Earth as it IS in the Heaven. I shall give unto you that which you need to sustain you--but you will gather of it and take it into your places for use--with responsibility each for self and other and NONE expecting another to carry of thine load nor stock for thine larder--nor to dig of safety caves for your placement. You will unify to assist one the other--but none shall wait for another to serve his own needs. In these things you will first need look into your own transgressions and tend of them--and your time grows indeed short--perhaps to the very ending in this day. Heed your own errors and listen up to that which you say and do. Do you betray your brethren by calling attention unto my places and to my workers? Do you respond to queries with information which shall pull crowds and hordes upon my few? Do you suggest that you will move into underground places where you will have food stored--where--upon you leave open the path to the thieving and over-running of my safety places?*

Do YOU give of others false hopes and plans from the basis of that which is not yours to

give forth? In this place, for example, we have no "group", no "cult"--none more responsible than another. I have always given you the facts that, in this place, each is responsible--not just the one or two. All is available unto you--BUT YOU WILL DO THE GLEANING--EACH!

Ye ask that you not be lead into the temptations of flesh! I lead you only into the halls of Wisdom and Truth--YOU choose to continue to look upon the things of flesh with envy and greed--even unto your brethren upon whom you depend for your very daily bread. Oh, I shall recognize Truth--be sure and in knowledge of this point--I MOST CERTAINLY SHALL RECOGNIZE OF THE TRUTH ABIDING WITHIN EACH. You also pray that "yours is the kingdom within me" but ye mean it not! But I tell you now--it is so, and I come again to reclaim that which is Mine. If ye have given it into evil it shall remain with evil for no evil shall come again into MY holy places for Mine is to know unto infinity of that which shall be.

HOW LONG WILL THIS LAST?

If ye be in balance with Truth, Wisdom and that which is given in instructions, if ye have taken that action which is given as instructions unto you--what difference does it make? Would you await the last blast to change of your path? It may well be that only a tiny few shall journey unto my highest places for the intent of the many is "only to make it through the doorway at the last moment". I think not! So be it.

You who are my children and remain faithful and true, as you walk through the Valley of Shadows--I am ever with you. You must not be faint of heart and you must remain true in thine intent--I care not that which ye speak, deny nor present. I desire living entities who can take action through the physical passage for ye have

manifested upon a placement which is coalesced into that which is the physical and therein must the play be brought unto conclusion. I suggest ye tend of your perceptions most carefully for that which ye perceive will be that which will be achieved.

Who will hear these words? Perhaps millions! Who will believe them? Only a tiny handful of faithful ones. The rest who claim to "believe" do not "believe upon Me nor upon Truth but still cling to the lies of rapture and absolution by the blood of my most beloved creations" and so shall it be unto the ending for so it is written and Man will follow that which is given unto his physical consciousness.

Dharma, I touch you child, for I sit with you at this moment in passing and see that you feel failure--again! I see that you perceive you have not done "enough", that somehow you should have done more. Precious ones, ye cannot do for another--you can only do of that which is YOURS TO DO! Ye ones have done well and I am well pleased. You perceive that ones come and go and are pulled away from that "which they believe" to move with another away from the path or seek to find "it" elsewhere--nay, THEY NEVER WERE IN THE TRUE BELIEVING! For truth of believing is that which IS and is not of the indecision of "perhaps" or "maybe" or "a little bit"--you either believe or you do not. Consciousness keeps the illusion changing and the doubts flying about--but I see beneath that facade and within the intent--most would find the intent to be only "wishful thinking" and "security seeking"--not "belief".

I can give you another example of the other "side of the coin". Dharma often thinks she actually believes not! No, within there is only belief in total fullness--how can you tell? Here she sits day after grinding day--in my service while often the heart is faint and the body weary and the being in sorrow--

BUT THE SOUL IS AT PEACE! It is the *perfection of soul intent* which I see and have compassion for that which is the conscious confusion of the moment. Man in his physical state is given into fear for all things are given unto his senses to cause this "thing". These are the labors of Man--to overcome and even until the final passage shall the human aspect be given into bits of terror at the unknown details and expectation of pain upon the physical being. Do you think that I do not understand the weakness of the flesh?

But what do ye do? In your fear of that passage you turn away completely as if you "think" ye shall not face of it at any rate--ALL Men pass through the veil of physical expression--would it not show more wisdom to move with the light into the Light? It remains your choice. I await. I want no false grovelling or beseeching to "save thine assets"--I await your acknowledgment of truth and the vision of wisdom to come within thine perceptions.

How many of your babies and loved ones are YOU sending into their transition without teaching and sharing truth? How many? These lessons shall be learned, dear ones--here or there, they shall be learned before you return into the oneness of the holy places.

To those of mine who have remained faithful and true--let us rejoice in the passage for the glory of the experience is also at hand and ye shall rise above and pass through the veil of the sorrows which ye shall perceive for it is thusly MY PROMISE. YE SHALL NOT BE GIVEN BEYOND THAT WHICH YE CAN CARRY. TARRY WITH ME THAT WE CAN COME INTO UNITY THAT YOU FEEL NOT ALONE AS WE STEP UPON THE PATH OF THAT WHICH AWAITS. I GIVE YOU THE BLESSINGS AND JOY OF THE GRADUATION, YE WHO WILL STAND WITH ME IN THE LIGHT. SALU!

I AM ATON AND I COME TO BRING YOU HOME AND SHOW THE WAY THROUGH THE PATH OF THAT WHICH HAS BECOME DARKENED. WHETHER IT BE MOMENTS OR DAYS OR EONS--I WALK EVER WITH THEE.

I AM

1/13/91 SANANDA

I am here, Thomas, and I know you are not feeling well. We must communicate, at any rate, for the hour grows short. I Am Sananda and I come in Radiance and in service unto God.

Your nation's elected representatives have made a most grave and grievous error in their decision to support the President for now he has Carte Blanche to do what he will. The region in the Middle East and the Gulf is tense indeed...many will be lost. Ones will soon come to realize the error of putting such power into the hands of the President under the guise of United Nations, but it shall be too late and the cost will be dear in the lives that are needlessly wasted...yet such is the nature of The Plan. Ones of our crew are to be fully supplied in all respects and at full alert throughout the days immediately before you. Once the bombs and bloodshed begins in the Gulf all attention will be drawn away from the home shores...this is when they shall strike. Your nation will be in shock and will know not what to do to rid itself of the intruder...much bloodshed, death, chaos...The warnings have gone forth, the prophecies have long painted clearly the pictures which you now see before your very eyes. Yet still, who among the masses pays attention? Who cares? Who will march to the drum beats as the Intruder sweeps across your land?

Will America fall? Will America rise again? Who will stand to prevent such terror on the land? Will the awakening happen rapidly enough for man to take individual responsibility to

turn the tide before the final bell? It remains to be seen...

Who will turn unto God and The Laws to once against restore balance to the land? Who will petition for God's hand to intervene? Will He? Must the prewritten script play itself out to fulfill the prophecies you yourselves have come to expect?

How many will die? You ones must remember that The Plan is the destruction of two thirds (minimum) of your global population...and this war is just the beginning of the chaos that shall reign upon Terra. Return unto God, beloved, return unto balance under The Laws. Therein is shelter from the storm...find safe harbor within the Lighted wings of Tunkan-shila. Follow where we lead for we know well the way and the pathway shall take many unexpected turns. Hold unto the light that you may see that which is before you. Turn your head not to the side or behind thee for therein is destruction. The way is before thee and it shall be well lighted...we may not force man to walk that pathway; we may only bring him the instructions and the map.

Shortly there shall be an onslaught of activity through America West as the awakening ones come to realize the severity and reality of the situation. More and more radio programs will have George return as they see The Plan unfolding as he has previously outlined. The demand for the books of truth shall increase and increase and increase.

I have told you before, concern yourself not as ones leave this placement. Has it not been said that ones will come and ones will go? Do not take such matters to heart for there is not time for such. Keep your eyes ever on the goal.

Let us bring this to a close for this time. It is important that we maintain the clarity of receivership and the frequency of that connection. The days be-

fore your nation are dark indeed and we must have immediate response if such is needed, regardless of how you are feeling personally. Do you understand? (Yes.)

Walk in peace though the world is in conflict. Salu.

I Am Sananda

1/14/91 SANANDA

Peace and blessings Thomas, Sananda present to respond in radiance briefly to your call.

These next several days shall be days which our ground crew must be most attentive to, for the forces of evil are rallying around the world for the soon to be unleashed display of power, death and destruction. You who have heeded well the instructions shall be somewhat insulated, yet the chaos shall furl around you. Even within your own circle ones will still pull away. This task before you ones is not for the faint hearted but for the courageously heartful. Now is the time to be most attentive to all duties and functions that the ones who would further cast stones upon the TRUTH not be given further ammunition to fuel their cause.

Israel shall soon strike, perhaps this very day. It shall shock and stun the world, for did you yourself not hear the news broadcast on CNN news that said from an Israeli spokesman, "If Israel responds to Iraq it is not concerned with the welfare of American support personnel?" They may even broadcast the truth of it for all the world to see, for all the world to hear, yet few see, fewer still hear. They have done their job very well and sleep has been too intoxicating to release for most of your precious world. Well the price for sleep shall be high indeed and the body count shall be without number.

Tend that which you are able to tend. Offer hope and direction and instruction to those who seek counsel of you. Follow the

instructions we bring and the journey will be completed. How many join us remains to be seen.

OUR NEWEST JOURNAL

PLEIADES CONNECTION,
RETURN OF THE PHOENIX
By Hatonn

This Journal continues the practice of keeping you updated on major world events while giving you much other information about many topics.

You can learn the truth about the origins of humans upon this planet, our purposes here and why the truth has been hidden from us.

We have help to overcome all of our major difficulties IF we will return to living under the Laws of Creation and God.

Many other topics are covered, such as types of dwellings best for our use from now on (patterned after Pleiadian dwellings). - Future Revelations and Earth changes - The Constitution of the United Nations Industrial Development Organization under which Pres. Bush is operating our country instead of the Constitution of the United States - What TRUE love is - Spacecraft - Types of metal used in them - About 666 and its significance - How the planet Venus got into our solar system and details about its surface (not as some have told us) - The danger of certain comets in our past and immediate future - The truth about robotoids as our world leaders and MUCH, MUCH MORE.

1/15/91 HATONN

TODAY'S WATCH

Hatonn present to discuss these confusing events so that clarity is your strength. You do not understand these things going on about you for the plan has been orchestrated to the tiniest details--the maze ever more difficult to find safe passage. I cannot "force" you to act nor in all instances will actions bring positive consequences--but Truth is what IS is mandatory, lest you be tossed only with the tide in ignorance of your plight.

The plan is to confuse you on so many varying fronts of actions that you cannot think. The contradictions will be blatant but--since you have capitulated to the most heinous and obvious delusion of all--it follows in the mental pattern already set that you WILL believe everything they tell you now. It is this way so that "if" you contradict that which is being told to you, say regarding Russia, you would have to contradict your own "wise" decision made regarding all other matters. Most egos cannot bear the confession of being wrong--the consequences of admission will bring such a burden of guilt that you have sentenced millions to death by your foolish conclusions. The plan works very well indeed and always has. You see, the evil

leader does not have to change the story or the actions--the old ones work over and over and over again to perfection.

POISED FOR WHAT?

Let us look at that which IS. Herein you will simply have to believe me when I tell you that there are replacement ones for your top leaders--and hundreds of "not so top" personages. The 28th George Bush was put into the picture on the 12th of January at Camp David. He was tested and "smoothed" on the 13th and presented again to you on the 14th. He did NOT go walk alone this morning (15th) to reflect and commune with God--he went to be alone so the messages from his puppet-masters--right out of Moscow--would not be monitored. I ask that, for the moment, that you accept this which I tell you and then we will discuss how this can be true for, of course, many men have died because they brought this information. But information, none-the-less, has been given to you--the-public as far back as 20 years past--regarding genetic/holographic robotoids which bear identical memory patterns but are subsequently "programmed". I have written of it in one of the more recent Journals but will repeat the information as I have time. Suffice it for now, please accept that which I tell you is not only

possible but is, in fact, utilized in myriads of instances--right now!

There are several places of top-security where these transferences are made and replica holographic information is garnered for necessary multiples. Camp David has been the prime location for transference of top leaders and associates to be later utilized, for it is used as the Presidential Retreat and often social gatherings, such as birthday celebrations, top-level meetings with diplomats, etc., are carried out. This technology has been perfected in the Soviet Union and thus you have the reason that your government seems so indisposed to do anything other than cozy up to Russia.

Now, look at events to bring some level of confirmation to self. Your government/cartel Elite has emptied your own storage elevators of grain--to the communist nations, most especially Russia AND CHINA! Next, look at that which Russia is doing regarding their ally, Iraq. They have mildly stated that they believe Saddam should move out of Kuwait and they voted half-heartedly (after receiving more money and food supplies--\$2 billion worth--recently) and yet at the time declared they would not "fight" if there should be war. Brothers,

they have not even pulled their people out of Iraq! All the supervisors for the utilization of all the weapons, etc., sit right there in security bunkers with the most sophisticated weaponry of any place on your globe. They have beam weapons that penetrate every electronic security shield that you can put about your men, equipment or aircraft--and shoot them to blithereens in the same motion.

Next, look at that which is going on now in the nice states which have sought freedom from the Bear. They have the tanks in the dooryards with bloodied bodies lying about the streets in great numbers. Some of the people, dear ones, as in China--were run over by the tanks themselves. If you actually think Gorbachev did not know, then you are worse off than even I suspected.

WHEN, AMERICA?

I can only give you the outline of the plans as have been laid forth for, as one option is ill-advised, they instantly turn to another of many alternative actions.

The point, of course, was many-fold. First, to cause some type of uprising in a very distant location to insure that there would be no resistance troops remaining to defend domestically as the "New-States/New Constitution", by Executive Order and National Emergency, came into control. This will include taking control of the economic, political, police, etc. It will allow for confiscation of all weapons, money, and property. It will allow a call to forced labor services as indicated as needed by the government--without pay. It will eventually take all property and allot living facilities, etc. Now, firstly, this will appear to be the work and

accomplishment of the Banker's Cartel Elite--however, then the Zionists find a big hardened steel wall in front of them. You will be nicely secured and totally under control--especially if your multitudes of troops are dead and there is nothing left for resistance. Then the Soviets simply take control because they already have infiltrated with communist troops all over the U.S.--from the South and Canada. There will be no one to actually resist and, therefore, it would not likely be necessary to annihilate the land with nuclear radiation. Occupation of the nation is not a problem because your own police forces will attend the orderly transition. Resisters will simply be shot--by your own police and/or incarcerated in the already prepared detention centers. It has all been done, America!! It is already in place and you just allowed the signing of the total action to take place when you allowed the passage of the death sentence upon your military personnel.

"This is insane--you are insane and the whole idea is insane!" you will say? Yes, the idea is total insanity but I am totally sane and this is what the plan for your future is! This, and the reduction of two-thirds of the global population! That, dear ones, is still a lot of bodies to get rid of so you can look for things to be most unpleasant in the months and years which may yet lie ahead.

Who brings disinformation to you? Why would the nice people such as some of the ones of which, I myself, have spoken not have the picture? They do, some of them, and others cannot believe the extent of the circumstances any better than can you! Moreover, many of them are replacements for the purpose of beginning to allow you to see,

bit by bit, that the game is real--the cover-ups real and when the time comes, you will rebel less. The point, of course, is to discount this truth and that of others who have tried to tell you and warn you--but you listened not--*just exactly as it was predicted in the prophecies of the ancient times. Man responds to truth by killing the truth-bringer. So be it.*

Take a short break, Dharma, there is much confusion about.

1/16/91 HATONN

TODAY'S WATCH

Dharma, Commander Hatonn present, please. I have said the "truth will set you free", I have never said that it would not make you sick to your very beingness. There is no time for tears or emotional wallowing and you have done everything you could do to postpone the writing this morning. I am sorry, chela, we must write.

You sit with a letter in your hand from a young youth in Saudi Arabia who had borrowed a Phoenix Journal Express and he is torn for he recognizes the truth and yet desires to discredit the source so that there is naught to confront. I wish to tell you a story which may offset, somewhat, the continuing blow to you ones. You may document this information.

A military person from the service of Korea, and who, by the way, has a son in Saudi Arabia and expectations of himself being sent to Saudi Arabia, had come into the Express and verifies everything we have said regarding Korea and that which is going on in cover-up of military matters--and is helpless to make impact in any manner at all. Now, we shall speak of "freedom" and Constitutional

rights--IT IS FORBIDDEN TO EVEN "HAVE" A COPY OF THE SPOTLIGHT IN YOUR POSSESSION--IF SENT INTO THAT AREA, IT IS CONFISCATED AS ARE A COUPLE OF OTHER PAPERS WHICH PRINT TRUTH. So will the Express soon be forbidden reading by your servicemen. At this point it is the ONLY way to get any information which allows the ones in the Asian sector to have any bits of truth at all. Please send this letter to the Editor of SPOTLIGHT.

Dharma, when you first asked to write you were confronted most personally and told some things of which I will herein remind you. You were told that you would be given information which would mean nothing to you as far as technical information; you would be given proper credentials and the credibility of the information would come to pass in truth of action. You were told, in the presence of at least seven persons of credible reputation, that this would be so.--Has not this, and ever so much more, come to pass? I see that you feel that you cannot be the one to bring more news of lies upon your fellowmen, but chela, how else shall they come into this truth?

Ours is not to interfere nor even intervene in the workings of your political governments--our commission is to bring forth truth for those who would hear as the world moves into confusion and chaos beyond that which Man has ever experienced in this cycle of experience. This, further, is the test of a scribe, chela. Will you write that which I bring or will you deny God along with the other of your species who have strayed so far afield from the circle of light? It matters not how many "accept" YOUR writing as Truth for our mission

is to put it to historical reference that Man may look and see when he becomes ready to seek and find Truth.

THE WAR AT HAND IN THE MIDDLE EAST

I herein block the visions--just write please. It is not a war over Kuwait, nor of Iraq or Saddam Hussein. You are squared off for the most destructive encounter of your imaginings. The wheels have been set into motion and the agony of the current decisions and counter-decisions are all but stressing out of ability to function, the replicas, for a replica has all memory, all observations with a major exception; no basic soul conscience. So, what do we have here? We have ones in effort to gain the top control in a global stand-off having arrived at your "today" by hook or crook, subterfuge and manipulation.

What has happened? A worst scenario case for you "little people of the lie". A counter-point, near "checkmate" of the two major forces of the globe.

You think Russia is your friend? You think you were witness to "freedom" and "democracy" coming to The Soviet Union? No, you watched a manipulation of a world--today tells the story and your government knows it!

As of today--Russian media has fallen into total suppression and censorship by the government. This, of course, is to quell the atrocities coming forth to the foreign press. Let me assure you that what will now take place in the blackout will be heinous indeed.

Now, what are YOU faced with? Well, your government knows you are cornered--you are vulnerable from every di-

rection from an enemy who has set you up magnificently. The Soviets can get you from any direction--but they would prefer to do so without a nuclear war which brings too much devastation to the planet itself.

They are awaiting your actions and thus the hedging and foiling attempts by your government to disallow the Russians knowledge of the planned first strike by the U.S. in an attempt to win first victory. This is not over a little dispute with a dictator, evil or godly.

The plan of the Money Cartel was to gain control by ridding you of the Constitution and coming down in a Socialistic police force manner. The Soviets desired to wait until that was done and order restored to you in the U.S. and then simply move in for the government would already be in total control--so, what has happened? The beast has again confronted differences in who will control what--albeit the plan is to have total control over all people, with the least amount of damage to the globe itself so that the winner will have a playground.

Do you not see, that a first-strike attack against the Soviet Union herself is your only hope of any type of victory? And yet, you do not have the surveillance information necessary nor do you have the ultimate space command to counter retaliation. You are NOT fighting a little three day war in the Arabian Desert--this is the confrontation of confrontations of evil forces for supremacy--you remain the pawns and expendables.

Why did I not tell you before this moment? I did! The strike was well-planned for December 3--the dark of the moon. Now it is simply rescheduled for

now, the dark of the moon--but it is anticipated. Again, the news gets leaked because the ones in the government have no ability to keep the truth away from their own puppet-masters!

So, Hatonn--what will happen? There are a dozen possibilities, suffice it to say--it is indeed serious. I suggest that you ones carefully consider turning in Truth and proper lawfulness again unto God for in this scenario it is the ONLY choice of true survival. When will it happen? There are many possibilities, hence the misinformation being fed forth from every TV and radio broadcast in efforts to cover real intent and action--but I promise you that the Soviet change of attitude in this instant manner was in response to your first-strike against Russia intent. Those have not been love notes passed back and forth nor hot-line heavy breathing on the red phones. What you do in these next few days may well be the decision for instant annihilation or a postponement of some sort. The "chess game" has come to some very crucial final plays, dear ones.

Dharma, I suggest you leave this for it is truly enough to chew this morning and you have other things of equal importance to attend. Do not fear, precious, I stand beside you and we work on the assumption of necessary preparations and no deadlines lest we not do of our proper work. God holds his people in the hollow of His hand and it is most adequate indeed. May He also shed mercy upon this suffering land and humanity.

By the way, you will find most of the communications cut off from the Middle East when you return to the radio. It, too, will be kept from you but phone lines were squelched to the ma-

jor media receivers at approximately the time you came to the computer to write or shortly prior--at any rate, you ones will not be getting other than propaganda for the world is in manipulation. You see, ACCEPTABLE LOSSES have naught to do with Iraq or Saddam Hussein and that may help you ones to better understand the horrendous decisions in the making. The element of surprise needed, is not against Iraq. It could be symbolized perhaps by the vision of a tremendous poison spider confronting a tremendous poison scorpion with each wrong dance-step bringing incredible destruction. Bless each moment given unto you and use it wisely.

Forgive me, I am most occupied and I need to attend my own duties. Thank you for service--all of you, we are now in the fulfilling of our mission purpose--do not become faint of heart for as we stand within God's lighted truth, no harm can come upon us. So be it and Amen.

Go in peace within that we might function according to calm response in properness. You have been trained well for the task at hand and so shall your performance be blessed. Salu and Saalome', I salute you brothers of my Command.

1/17/91 HATONN

TODAY'S WATCH

Hatonn present in the radiance of God Creator. It is time that I reintroduce myself for ones about your place call my scribe and publisher, Satan and servants of Satan. I am Hatonn of Holy God serving in the Galactic Fleet in service as a forerunner (Host) for the return of the Christ Being. I suggest that you read this before forming judgment for this may well be the

most important document you have ever witnessed.

Aboard this craft and directly in charge of this mission is one we call "Sananda", meaning "God/One with God". It is a status recognition of achievement of the totality of perfection. HE returns for the reclamation of the planet and God's people.

I personally am recognized as Gyeorgos Ceres Hatonn, in Command of the PHOENIX ship previously recognized as the BETHLEHEM. Identification has been changed to bring recognition and identification of the mission at hand. The fleet in charge of the Master's return is based, and training of personnel has originated most recently, from that star system you recognize as Pleiades. I care not that which you have heard from any Earth-based human being. What you have heard to the contrary is simply not true. In my higher capacity I am recognized as Aton and I request that you hold that label most carefully in your discernment for it means: The One Light! It is synonymous with "God".

I choose to serve at this time as a Commander more nearly approximate to you of Earth human for I, too, must have some understanding of that which you perceive you are doing and to be more clearly attuned to my base opposition in this conflict who is clever only unto the ways and actions of Man.

How can YOU trust me? You very likely cannot in the beginning with only ignorance as your foundation. You would need be privy to all that we have brought forth in these past months to see that everything (all) that I have projected has come or is in the coming to

pass. I told you months ago that Desert Shield would be called Desert Storm; I told you days ago that the invasion would come in a massive manner at this time--I told you yesterday morning that it would be launched on the yester-afternoon (in your time) but within the days of the dark of the moon--when Satanic beings can work in the darkness which suits them best that their work may be hidden from the masses and the receivers helpless.

You, the U.S., believe you have done a wondrous thing? The young men, itching to bomb targets and become heroes, feel wondrously good about blowing people limb from limb and babies into particulate? Is this your Godly mission to produce freedom and the "American Way!"? So be it for that is what the American Way has become and you saw it not.

You have met far more than your match for "clever" in Mr. Hussein, my friends. So far all you have smashed and destroyed is exactly that which was probable forfeiture--you will note that all of General Hussein's people are quite well, alert and amused at your foolishness. Your war hasn't even begun! He allowed you, the world, to be witness to the most devastating bombing of continuing nature to ever strike any portion of your world. In one raid you dumped more bomb power on Iraq than three Hiroshimas--in just one raid. Does that make you proud? Well, the world saw it all and you tout your pride and you boast your advantage. If there is no retaliation at all, you will find that ultimately you will have LOST THE WAR! No man, woman or child on the face of the Earth will ever again believe your "thrust for freedom and human rights!" You just fell from your status of that

which the world would mimic into the most heinous and deadly destructor and inhumane nation ever to serve on the face of the planet. BUT--THE WAR HASN'T EVEN BEGUN!!

What will be coming forth will be beyond that which you can imagine. Do you actually believe that one, Saddam Hussein, will simply call forth "Uncle Sam" and it will all be finished? Even if he did so and marched out of Kuwait this hour--you are dead ducks in his line of fire--you have not begun to feel the scorpion's sting. You note there is no motion to move from Kuwait!

You have rigged the press so that you do not know that which is going on. Most has been staged for your digestion without a shred of truth. Oh yes, the raids were real for Saddam desired the world to have no delusion that what will come from his sector is retaliation and NOT "FIRST" AGGRESSION. And you haven't the slightest notion of that which Russia is doing for they have blackened all news out of all Russia, also.

Terrorists are taking up their stations all about the U.S.--those not already within the borders will come from both North and South and there will be no place "safe". So shall it be in Europe.

I am pained to tell my beloved friends in New Zealand and Australia that you are not safe, either, for so many of the Elite installations for security are located in your islands. Listen to what this man has said to you: "...the Mother of all Wars has begun!"

You have not touched the REAL facilities and missiles were not launched so that you could not pinpoint locations of the

installations. Iraq has the most sophisticated and well-equipped underground shelter system of anywhere in your world--you inflicted relatively few casualties considering the incredible bombardment you sent forth. They do not need to evacuate to other locations, Baghdad--the people move underground where they have set up supply depots. IF THE "WAR" ENDED THIS MINUTE--YOU WILL NOT HAVE WON FOR, IN ARAB CULTURE, IT WILL NEVER BE ENDED--on the surface, perhaps--really, never!

Why would they sacrifice any advantage by countering your massive attack and lose aircraft and trained personnel when their important installations are untouched and you bear the black eye of aggressor? IT IS AMERICA WHO IS UNPREPARED TO SAVE HER NATION--NOT IRAQ OR RUSSIA--YOU ARE THE ONES WITH NO SHELTERS OR DEFENSE IN YOUR DOORYARDS! There are many ways to bring down a nation and you just left the way wide open, dear ones.

What WILL it be? That depends--it mostly depends on whether or not Russia is ready to take control but I can assure you that the world shall never again be able to rest at night for writhing in the FEAR for you have no ability to fight such an attack.

TERRORISM

Now I shall turn my attention to local matters. You shudder as citizens and denounce terrorism--let me show you right here what REAL terrorism is, and it comes from your own local "Christian Community"!!! As you will read the letter we will reprint herein, please read it with an eye to God and the Christ for whom you label your

"churches" and see if you can believe that the Christ would utter the words and project such evil in any manner what-so-ever! You-the-public be the discernment bearers. This is happening over and over and has been constant for two years. I assure you that both the Master, and God Himself, are getting a bit on the side of annoyed.

This cowardly anonymous person continues to say that America West is some sort of a "cult". There is not even so much as a "group" so how could this one be so foolish? America West is just another business in your community who publishes a very wide range of literature, the Journals and Expresses being only a small portion. Would you denounce Bantam Books for their publications? It seems to me that recently there was great outcry regarding Salmon Rushdie and sentence of the Iranians upon him in death pronouncement--this is THE SAME, ONLY WORSE--THIS IS AGAINST A PUBLISHER OF MANY VARIED MATERIALS AND ATTEMPTS UPON THE LIFE OF THE SCRIBE HAVE ALREADY BEEN BLATANT.

Is this the kind of community you have, Tejas Shape' (Tehachapi)? Is this what you have in store for the Master upon which to set his feet again upon your Earth? You are of the chosen ones--IS THIS WHAT YOU ASK THE MASTER TO AGAIN RETURN UNTO?? So be it. As you read (keeping in mind that this letter is only one of many), ask yourselves whether or not this represents this New America of Christ?? Do you suppose this wondrous Christian who hides truth by destroying the documents to protect you from your selves, examples that

which you offer unto God? Is this the face this beautiful little valley of radiance town wishes to show unto the world as example of freedom and brotherhood?

You will see that this one refers to my expression of "your--this or that" and denounces me. I refer to it as YOURS for it most certainly is NOT MINE! I come forth from the temples of God and your planet is most certainly NOT MY IDEA OF A GODLY PLACE. Furthermore, I make no choice of you above any other and this writer of obscene letters suggests I should go to Cuba. I have also been "accused" of being an Iraqi--so be it, I am! I am ALL and I have love for the Man of Cuba and Iraq as I have for any other creature of God--for God recognizes no colors of skin or language of speech. I suggest this bigoted "brother of Christianity" might well be marching toward a bit of trouble on "Judgment Day"!

I request that the letter of threats from this local person and/or group from Tehachapi against the publisher and business workers of these writings be published right here--next. For I wish to speak to it. For all of you who do not realize it--my scribe and these ones have literally been attempted in assassination and other vile attacks. They have received prior threats from cowardly anonymous threat senders and obscene personalities but it has become serious and I wish to comment regarding contents so that there is no misunderstanding of my rebuttal to these ones who believe themselves gallant and powerful--YOU ARE NAUGHT BUT COWARDS AND DECEIVERS AND AS YOU SAY YOU ARE WATCHING EVERY MOVE OF THESE ONES WHO SERVE GOD--

GOD IS WATCHING YOU!!
DO YOU STILL FEEL SO ALL-FIRED COMFORTED??

This information has gone to the local news press and to the police. It is also sent with a cover letter to every major newspaper in the country and shall be put on every radio station. You believe you have done a clever and "christian" house-cleaning??? You have proven to every brother who reads the documents that you are evil in both person and intent--there is nothing "CHRISTIAN" about your being.

QUOTE: (Exactly as written with no corrections, etc.)

1-10-91

Your phoenix journal express is nothing more than trash. we cannot believe such a screwed up cult exist in this present day and age. you people are so deceived, it boggles the mind. we have yet to find you listed in Walter martin's "Kingdom of The Cults", but we are sure your sect will make the top 10 list of the most misinformed cult of the 80's. you people seem to be in a time warp, you preach like some ignorant hippie's from the late 60's era. you certainly do not know much of those out there in the real world because you sincerely believe we do not know what is going on. you seem to think you have been given all the answers and are the ambassadors of truth. when in truth you are the ones out of touch with reality. we also now for a fact that most of those in charge of your operation are known draft doggers, and fags, along with not having normal family life styles. we are destroying your propaganda when found on public display and will continue to in-

form others of your trash publications. eventually the local christian community will be contacting you. your organization is not of christian origin that is pretty clear to any one who reads your work.

you speak of "our country"(not yours), "our president"(not yours), which tells us that you do not consider yourself to be part of our society and government structure. not good. you should really take your false teaching somewhere else, like maybe Cuba. your office is being watched, we will take action against you, if need be. we will not tolerate such false doctrine being circulated with such treachours ideals against our community & our government. we are not afraid to use force against you.

watch your back, and your property. we are watching your every move.

think about it before you turn that ignition or that light switch on.

you have made your organization to be a live target.

leave this area while you still have the time.

END QUOTING.

What have you to say, Community? Is this the wondrous place for God's return? You believe that which you will but I promise you--I SPEAK TRUTH and the time is at hand and I doubt there IS even one of your "Christian leaders and congregations" who will dispute the time is at hand! How did you think it would happen? To whom did you think the words would be brought forth? WHERE DID YOU THINK GOD WOULD RETURN?? Israel perhaps? Israel is Palestine--"israel" simply is a word meaning "God's Chosen" You had better go and read Ezekiel,

Chapters 38 and 39 for starters. So, where would you guess God would return? Well, I SUGGEST--ANYWHERE HE CHOOSES!

PROPHECIES

Dharma, I ask that you obtain specific documents regarding the scripture of Ezekiel in point. I ask that you utilize a translation by one, George M. Lamsa, from the Holy Bible from the Ancient Eastern Caramaic text. Simply write it herein as translated from that text. Ones can take their own version of translation of the Holy Scriptures as they choose and use for comparison.

I FURTHER SUGGEST THAT AS YOU READ, YOU SIMPLY PLACE "UNITED STATES OF AMERICA" IN THE SPACE WHICH READS "ISRAEL". SO BE IT AND SELAH FOR THE WORD OF GOD IS AT HAND AND SO SHALL THESE THINGS COME TO PASS IN YOUR GENERATION UPON PLANET EARTH. YOU ARE INDEED BLESSED OF GOD TO BE IN THIS MOMENT IN THIS PLACE AND YOU MISS OF IT FOR THE MASTER WAS NOT WELCOME IN HIS OWN VILLAGE AND WAS CRUCIFIED--WHAT WILL THIS LITTLE BLESSED VILLAGE HAVE FOR HIM UPON HIS RETURN?

There is nothing which says He shall come on some moisture fluff--it is told unto you that HE will come as on the clouds--HE WILL COME, BROTHERS, WITHIN THE SILVER SHIPS AS FROM THE CLOUDS AND YOU HAD BEST BE TAKING NOTE OF TRUTH INSTEAD OF SILLINESS. THE HOUR GLASS IS ALL BUT EMPTY!

QUOTE: Ezekiel 38, 39: pgs. 868, 869, 870; HOLY BIBLE from the ANCIENT EASTERN CARAMAIC text.

CHAPTER 38

And the word of the Lord came to me, saying,

2 Son of man, set your face against China, and against the land of Mongolia, the chief prince of Meshech and Tubal, and prophesy against him and say,

3 Thus says the Lord God: Behold I am against you, O China, the chief prince of Meshech and Tubal:

4 I will gather your people together and put a bridle in your jaws, and I will bring you forth out of your country, both you and all your army, horses and horsemen, all of them clothed in armor, a great host with spears and shields, all of them handling swords;

5 Persians, Ethiopians, and Libyans with them, all of them with shields and helmets.

6 Gomar and all her army, the house of Togarmah, and the uttermost parts of the north with all their hosts, and many other people who are with you.

7 Prepare yourself, you and all the people that are assembled with you and be a protection to them.

8 You have been' commanded in former days, and in the later years you shall come against the mountains of Israel and against the land which is at peace and free from the sword, whose people were gathered from many nations, and now all dwell safely in it.

9 And you shall come up like a storm and like a cloud which covers' the land, you and all your army and many people who are with you.

10 Thus says the Lord God: It shall come to pass that in that very day thoughts shall come into your mind and you shall

think an evil thought;

11 And you shall say, I will go up against those who dwell in tranquility, without walls, and having neither bars nor gates.

12 To take captives and to take a spoil; to turn your hand against the desolate places that are now inhabited and against the people who were gathered together out of the nations who have gotten cattle and goods who dwell in the beauty of the land.

13 Sheba and Deran and the merchants of Tarshish and all its villages shall say to you, Are you come to carry off captives and to take a spoil., Have you mobilized your host to take silver and gold, to take away cattle and goods, and to take a great spoil?

14 Therefore, Son of man, prophesy and say to China, Thus says the Lord God: On that day when my people Israel shall dwell in tranquility you shall know it.

15 And you shall come from your place out of the north parts, you and many people with you, all of them riding on horses, a great host and mighty army;

16 And you shall come up against my people Israel, like a cloud to cover the land; it shall be in the later days, and I will bring you again my land, and the nations will know me, when I shall be sanctified through your defeat.

17 Thus says the Lord God: You are he of whom I have spoken in former days by my servants the prophets of Israel, who prophesied in those days and in those years that I would bring you against them.

18 And it shall come to pass at the same time when China shall come against the land of Israel, says the Lord God, that my anger shall be consumed in my fury and zeal.

19 For in the fire of my

wrath have I spoken; surely in that day there shall be a great shaking in the land of Israel.

20 So that even the fish of the sea and the fowls of the air and the beasts of the field and all creeping things that creep upon the earth and all the men that are upon the face of the earth shall shake at my presence, and the mountains shall be thrown down and the towers shall fall and every wall shall tumble to the ground.

21 And I will call for a sword against him throughout all my mountains, says the Lord God; every man's sword shall be against his brother.

22 And I will judge him with pestilence and with blood; and I will rain upon him and upon his princes and upon the many people that are with him, an overflowing rain, and great hailstones, fire, and brimstone.

23 Thus will I magnify myself and sanctify myself in the eyes of many nations, and they shall know that I am the Lord.

CHAPTER 39

And you, O Son of man, prophesy against China and say, Thus says the Lord God: Behold, I am against you, O China, the ruler and the chief prince of Meshech and Tubal;

2 I will subdue you and gather you together, and I will cause you to come up from the north parts, and bring you upon the mountains of Israel;

3 And I will swerve your bow out of your left hand, and will cause your arrows to fall out of your right hand.

4 You shall fall in the open field; for I have spoken it, says the Lord God.

6 And I will send a fire on Mongolia, and on the people who dwell peacefully in the islands; and they shall know that I am the Lord.

7 So I will make my holy name known in the midst of my

people Israel; and I will not let them profane my holy name any more; and the Gentiles shall know that I am the Lord, the Holy One of Israel.

8 Behold, the day of which I have spoken is at hand, says the Lord God;

9 Then the inhabitants of the villages of Israel shall go forth, and shall set on fire and burn the weapons, both the shields and the spears, the bows and arrows and the hand-blades and the lances, and they shall turn them as fuel for seven years;

10 So that they shall not need wood for fuel out of the field or the forest; for they shall burn the weapons with fire, and they shall take captive those who had taken them captive and plunder those who had plundered them, says the Lord God.

11 And it shall come to pass on that day that I will give to China a place there for the burial in the land of Israel, the great valley which is east of the sea; and they shall close off the valley; and there they shall bury China and all his army; and it shall be called the valley of the annihilation of China.

12 And for seven months the house of Israel shall be busy burying them; and then the land shall be cleansed.

13 Yea, all the people of the land shall bury them; and it shall be to them a renowned day when I am glorified, says the Lord.

14 Even seven months after, there shall be men who will travel continually through the land burying those who are left lying on the face of the land, to cleanse it.

15 And every one who passes through the land, and sees a man's bone, then shall he set up a sign by it, till buriers have come and taken it and buried it in the valley of China.

16 And the name of the graveyard shall be, The Mighty

City. Thus shall they cleanse the land.

17 And you, Son of man, say to all the fowls of the air and to every beast of the field, Thus says the Lord God: Assemble yourselves and come; gather yourselves from every place to the great sacrifice that I perform for you upon the mountains of Israel, and you shall eat flesh and drink blood.

18 You shall eat the flesh of the mighty men and drink the blood of the princes of the earth, of rams, of fatlings, of he-goats, of bullocks, and of all the young bullocks of Bashan.

19 And you shall eat flesh till you are filled and drink blood till you are drunk at the great sacrificial feast which I am preparing for you.

20 Thus you shall be filled at my table with the flesh of horses and their riders, and with that of mighty men, and with that of all the men of war, says the Lord God.

21 And I will set my glory among the nations, and all the Gentiles shall see the judgment that I have executed, and the heavy punishment with which I have punished them.

22 So the house of Israel shall know that I am the Lord their God from that day and forward.

23 And the Gentiles shall know that the house of Israel was carried into captivity for their iniquity; because they transgressed against me, therefore I turned away my face from them and delivered them into the hand of those who hate them, and they all fell by the sword.

24 According to their abominations and according to their iniquity have I regarded them; and I turned away my face from them.

25 Therefore thus says the Lord God: Now I will bring back the captivity of Jacob, and have mercy upon all the house of Israel, and will be zealous for

my holy name's sake;

26 After they have borne all their shame and their iniquity whereby they have transgressed against me; when they dwell securely in their own land, with no one to hurt them;

27 When I have gathered them from among the nations and brought them back from the cities of their enemies, and am sanctified by them in the sight of many nations;

28 Then shall they know that I am the Lord their God, who caused them to be carried captive among the nations, and that it is I who gathered them into their own land and have left none of them there any more.

29 Neither will I turn away my face from them; but I will pour out my spirit upon the house of Israel, says the Lord.

END QUOTING

I harken you to recall my previous instructions regarding the Khazar Zionists. Recall that I told you they are not "Jews"--they are of the now referred to, Chinese Mongols/Russian/Nordic tribes, "The Thirteenth Tribe". I will not go into the remaining content of Ezekiel's projections but suffice it to say that there will be some most ugly days ahead in this passage of segment.

I force nothing upon any of you--I bring the messages and you will do that which you will with the outlaying. I remind you that "IF A THING BE OF FORCE--IT IS NOT OF GOD!" You will EACH come into your own opinion and action but I further remind you--that which is evil and against the laws of God and The Creation--will not be brought into the holy places of God. It is a time of returning into Truth within the LAWS of GOD as given forth--that is the price of the ticket on "lift-off" day. No other's spilling of

blood shall get your ticket to some fluffy clouds. If you will ascend it shall most surely be at God's direction and not to a bit of fluffy radioactive clouds! So be it. May God give insight into your understanding. Salu.

MASTER ESU SANANDA "JESUS", THE PALE PROPHET

I have no intention of replaying the thousands of pages of messages, herein. I ask simply that Esu's last two writings through Thomas be herein appended. Then I ask that you give understanding to my need for call to duty for if you fail to note--your planet is set to self-destruct and my command is most busy indeed. I shall be asking for more and more input from Sananda for two reasons. Man must begin to ready himself for that which is coming and, further, to give confirmation that Truth is not coming from only one or two sources but from many. Dharma also receives for Sananda but you of the readers must find your balance and ability to understand that Truth is Truth is Truth and is ever unchanged from one source unto another. It is time that you come up from your cots and open your eyes unto that which IS and cease your pretending for you cast your stones at the wrong "presenters". Why do you not attend properly those ones who have given you false teachings for lo, these many years? May God truly have mercy upon you blind lambs for you are so deceived that you know not Truth when it flows all about thee. You choose to follow the pious pretenders and await some "rapture"? Think about it and then let us discern who may appear to be "mad".

Thank you for your attention. I ask that you continue to read as I bow unto my own Commander

that His voice can begin to be heard throughout the land.

IN GREAT LOVE AND APPRECIATION I SALUTE YOU.

HATONN TO CLEAR AS I MUST ATTEND MY OTHER DUTIES. GOOD DAY.

1/18/91 HATONN

TODAY'S WATCH

Shadows only prove the presence of a brighter light! Do not be weakened by that which comes about you. Hatonn present to serve God, planet and brother--Salu.

Do not be misled by that which is presented unto you by the media. The media is organized to give Saddam Hussein false information in order to hopefully dissuade him from further involvement. It is not working for the only thing it is doing is giving you-the-people false information.

The Iraqi defense system is superb and there were many of your planes lost--into the count of the sixties. The information will be kept from you to prevent further division of the people and more demonstrations for peace.

The Israelis repented to the attack instantly and did not call off their attack. They responded with chemical warheads and were told not to use them when it was found that Saddam had not utilized chemicals. The retaliation was then instantly joined by the U.S. forces in an attempt to hide the Israeli response by sheer numbers of aircraft in the air. The hoopla about no retaliation was false--the response was immediate. This is more cover-up and more attempt to emotionally

disarm Saddam--which, by the way is NOT WORKING. He and his henchmen know exactly that which they do and are masters at the planning--you have hardly just begun this nightmare.

I must tell you that announcement coming back about the number of "Scuds" knocked out in subsequent attacks is false--they have no way to account for the missiles and this is to put you back to sleep.

CAMP DAVID

Oh yes, Mr. President will (MUST) go to Camp David. Remember, he has to be fed instructions and given any necessary attention and realignment. His thought patterns have to have their weekly attitude adjustment. Did you not hear the several spokesmen who said, "Bush does not appear to even be the same man," as he returned from Camp David on the 13th of January? He wasn't! By the way, being "at the residence" instead of the Oval office means that the Elite are in security shelters--just you-the-public have no shelters nor defense.

Funny thing about this scenario: you are sitting ducks and yet Israel, Iraq, etc., have wondrous defense shelters and there are hardly any casualties--from direct bombing. Do you think New York, San Francisco, Chicago and/or Los Angeles will be so fortunate? How about Austin, Texas or Port Arthur? Bakersfield or Omaha? What about St. Louis? Oh yes, there are hundreds of off-shore Canadian and Mexican-based missiles aimed right at your cities. From less than fifty miles across your southern border are elaborate installations along with the enemy tank battalions: The Soviets would

prefer to have you do yourself in and/or fatigue your entire population with this war for "freedom, human rights and democracy" before taking action. You are NOT getting accurate information out of Russia either, dear ones. Do not delude yourselves back again into your stupor and false security.

Pay attention to the Earthquakes of this day in Thailand--the sleeping giants are beginning to stir.

WHILE NO ONE WATCHES

The banks and markets are finding patterns if you but watch however, you will be getting little information and they will appear to fluctuate with no balance or direction. No, they are falling directly into line--especially gold and oil. Good news and the prices of both drop--war news and they both rise. Remember, this is an economic war based on the structuring of the One World Government. You who watch in wisdom can protect yourselves to great extent.

I am continually asked about how the system of creation and destruction of reserves is accomplished. You see, it all goes back to the Federal Reserve (Feds) who literally "loan" your money into existence--"at interest".

Commercial banks create money from *nothing*, based on multiples of their deposits (reserves). This created money is then loaned at interest. The loan debt principal and the money paid thereon go out of existence as the principal is paid down.

The point in question is always misunderstanding regarding destroying money as principal as it

is repaid and what happens when a loan is not repaid, but is lost through default--your immediate and overwhelming problem.

In the former case, the Reserve component on which the loan is based is released and becomes available as the Reserve on which another Fractional Reserve loan can be made (read SPIRAL TO ECONOMIC DISASTER). In the latter case, the lending bank loses the reserve covering the loan, but an amount of money equal to the defaulted loan principal remains in existence and circulating in the economy.

Assuming, let's say, a 12 percent reserve requirement, a deposit of \$1 million in a commercial bank does not limit that bank to making \$1 million in new loans. It can retain \$120,000 as a reserve against lending this \$1 million deposit, and use the remaining \$880,000 as "excess reserves" which it can invest, or use as reserves to lend additional money *into existence*.

The remaining \$880,000 can be re-loaned against the retention of \$105,600 (12% of \$880,000) in reserves, and the remainder--\$774,400--can be re-loaned against 12 percent thereof being retained as a reserve, and on and on and on.

Some have called for the creation of debt-free money in the U.S. directly by the treasury. A limited amount of such money is actually already in circulation, as U.S. notes and cupro-nickel coinage (1, 5, 10, 25 and 50 cents, and the Susan B. Anthony \$1 coin). Now let us consider some ways the "private sector" can introduce debt-free money into the economy:

A bank loan is defaulted upon and is written off by the lending bank.

A successful bank robbery of uncirculated currency which is spent into circulation within the U.S.

The successful introduction of a perfect counterfeit currency which is spent into the U.S. economy.

You actually have more of all three (above) than you might guess.

It would appear, however, that an economy based on loan defaults, bank robberies and counterfeiting could not exactly be expected continually to prosper, never mind that bank robbery and counterfeiting are illegal. [Dharma, write this immediately and pause long enough for us to consider what is going on with the power supply for the input is under tampering. Hold up please, until I check the circumstances.] [Thank you--there has just been a major incident at 7:19; you will want to check it out when you leave the writing.]

Back to the above subject-in-point, please. The fact that "debt-free" money can only come into existence through such dubious means just underlines the strangle-hold the bankers have on the financial system.

Money could be created by the treasury as it now creates U.S. notes and coins. The money so created could be lent to states and communities, interest-free, for the construction of voter-approved infrastructure projects, and to retire existing interest-bearing debt. It could also be lent at a reasonable rate of interest to banks which would then re-lend it to borrowers at a higher rate of interest.

Banks could operate under such a regime; indeed, credit unions already do so. Credit unions are member-owned financial

cooperatives which accept deposits from members and re-lend these deposits to member-borrowers.

A credit union charges a higher rate of interest on loans it makes than it pays on deposits; the credit union's operating expenses and earnings are covered by the "spread" between the interest it pays depositors and the interest it charges borrowers. And credit unions are in better financial shape, as a group, than commercial banks or savings and loan associations.

Banks, however, earn interest on the money they lend into existence and use these earnings to pay operating expenses--salaries, rent, taxes, utilities and such--set aside reserves for bad debts, and then pay dividends to their shareholders. If enough real estate, credit card and Third World loans go belly-up, the bank first charges the loss to profits. If profits are wiped out, they look to their loan loss reserves. If these reserves are wiped out, the bank is technically insolvent.

You operate under a system that requires more and more money be created just to pay interest. When the ultimate impossibility of borrowing \$10 and promising to repay \$11, if the 11th dollars must also be borrowed into existence, is finally recognized, you will either have a drastic monetary reform or experience a financial collapse and I believe you know which to expect!

Let us look at some comparative figures which will be good examples. Beginning in December, 1978, the Federal Reserve Credit was \$124 billion. For August, 1990 the average Federal Reserve Credit was \$280 billion. (These are rounded numbers.)

This represents a steady overall increase in the Reserve Credit which is the basis of your money supply. This steady increase indicates that more and more money must be created to pay increasing taxes and service the increasing national debt in addition to maintaining the Gross National Product.

Federal Reserve Credit is the Fed's loans to commercial banks which use these borrowings as reserves against which much larger sums of money are loaned into existence. The "Fed", like commercial banks, creates money by making loans. But it does not make loans to individuals or corporations the way commercial banks do. It lends only to the U.S. Treasury and to its member banks. It does so by buying bonds, notes and bills issued by the treasury. The Fed can either buy these securities directly from the treasury, or from a bank.

As you can probably quite plainly see, you-the-citizen-taxpayer pay the bill in the ending.

I still tell you that as you effort to figure all this financial wizardry out for investments--it is going to collapse on you either through its own weight or through National Emergency Executive Order Regulations. From this nice new war, creating a National Emergency and bringing into play all the Executive Orders we have discussed, the Government can now close and regulate the banks even unto confiscation of your funds. They can likewise confiscate all gold in any form. I still suggest the safest option for protection is to invest in a foundation, etc., which then borrows against GOLD and LEAVES IT IN THE BANK AS **COLLATERAL**. The bank must be one in which the Cartel deals for the LAST confiscation will be of

their own collateral deposits. *Can they confiscate it? Yes! But I can also assure you that they have plenty of back-up plans to get all your assets--otherwise.*

I hope this did not simply cloud the water and make the subject even more confusing. I make every effort to respond as the questions flow in great quantity--however, in this most crucial time which claims so much of my attention, I must beg patience as I find little time for properly responding to other than immediate emergency situations.

There are not going to be "perfect" methods for you to preserve assets and that which will work this day may very well not work on the morrow--however, if you handle your assets through this investment method and get things out of your "name" and into corporations, you will be provided with much protection which is simply absent otherwise. Keep assets which might be accrued--moving and into other corporations and in use to the maximum for that which is parked in what you consider "safety" is pin-pointed and will be either confiscated, heavily taxed and/or made worthless by total exchange of the money product itself. As a cashless system comes into play and exchange notes are provided--all available assets will be open to the government's documentation and use as the "regulations" are thrust upon you. I simply again lay this information before you for consideration and use, if you so desire. Again, I have no interest in this matter and if you are interested in information about resources--you may inquire of the publisher of this material. I have neither the time nor intent to personally advise anyone. If, however,

you would like to participate in security in God's work and information dispersing, I would offer you resource--what you do is up to you.

I realize that it is difficult for you ones to attend all the myriad of details in such a time of chaos and confusion, but all I can do is present it unto you and you must decide how and which method is suitable to your particular situation. Gold will ultimately go up in price to even more ridiculous prices before it drops out in depression and then it will fall relative to prices, i.e., an ounce of gold now would buy a suit of clothes--in depression, an ounce of gold will still buy a suit--you will not be able to talk dollar for dollar, for that has no longer any "meaning".

I would suggest that if you desire to utilize such a method of preservation of funds that you not tarry too long for already the intent is to shut down the open purchasing of that pretty yellow "stuff". It will not be long in your counting before it is no longer legal to trade in gold--after the Elite get their arrangements in order and the metal into their possession for REAL manipulation. You-the-people have a somewhat brief "window" of opportunity herein but plans are to close these windows very soon. Bush has now been given the power to control these things by force and will do so; after all, it is the intent of the entire scenario unfolding around you.

ANTARCTICA

I have also been petitioned to further discuss, in depth, the technological aspects of the Germans, etc., in Antarctica. I must ask indulgence on this subject. I haven't the time to discuss it herein but you can

find back-up information if you do a bit of research. I cannot spare my scribe the time to do it for you but quite a bit is in publication. Thank you for your inquiry and attention.

DESERT STORM!

I am barraged with inquiries regarding information that I have written and re-written--please, dear ones, read that which has already been given relating to this situation and the past activities bringing you to this point.

You will find that America's military venture into the Middle East was planned in New York City months and months ago. I do not create the "facts", I simply outlay them to you and you miss the entire point of the whole venture.

Precious ones, you have to know you are going to war in a specific location in order to have the hundreds of thousands of uniforms and "*desert*" *camouflage* equipment available on such "short notice".

I remind you of the beginning of this build-up. Your President told you that your Armed Forces were being sent to Saudi Arabia at a terrific expense to an already overburdened budget--"to protect Americans, American interests and safeguard American principles", further, to prevent "aggression into Saudi Arabia". How does this statement equate with the wipe-off-the-globe bombings of Iraq and Kuwait? You have already done ten to a hundred times the damage to Kuwait in one day than in all her history! Is this the way you "PROTECT" the American way, democracy and "SAVE A NATION"? "Blanket bombing", I believe, is the terminology regarding the bombing raids on Kuwait within these current hours. What a quaint

concept of "protection" of those poor, misplaced Kuwaiti citizens. You proclaim atrocities by the Iraqis? What about your blowing to bits these innocent people with your napalm and cluster bombs? "*One nation under God, indivisible---???*" *I think not too likely, dear hearts.*

ANOTHER WARNING

It was the Soviets and their undercover partners of International Zionism (not David's Jews), who cooperated fully in the takeover of Kuwait. Any claims that the Soviets are siding with America against Iraq are nothing but criminal propaganda. Note that the Soviets have not sent even one man to the fray beside the "U.N. troops"; further, the Soviet advisers and workers have never left Iraq nor Kuwait.

Just to give you a bit of clarity of insight, let me point out a little something regarding the ending of the "cold war". While you cut back on military spending in America by around some 12% (meager, but something)--*the Russians increased theirs by over 27% - 35%*. I would like to quote you a little speech made by a Russian, Demitri Manualisky, in 1946 as he projected the future intent of the Soviet Union:

"WE will give unheard of peace concessions, and the capitalist nations, the nations of 'Christendom', stupid and decadent, will leap at the chance to be our friends, they will be willing to cooperate in their own self-destruction. Then when they have gone to sleep, we will SMASH them with our clenched fist." *Your leaders know that the Soviet and Zionist doctrine of world domination has NEVER CHANGED. Even Mr. Gorbachev has told you*

this over and over again. This week the Soviets are proving this point to you in a most blatant manner.

Well, Bush and his mentor, Herr Kissinger, tell the American people that you must go to war, but they have never given even a remotely intelligent reason for so doing.

WORST CASE

Precious citizens of the world--take a good clear look at something you may have missed: *Because President Bush has DONE NOTHING TO GET THE SOVIETS TO REMOVE THEIR MILITARY ADVISORS FROM IRAQ, you must assume that HE IS THE "FRONT MAN" in the Soviet-Trilateral-Zionist conspiracy to AID IRAQ, while claiming they are backing our program in Saudi Arabia.*

GET A BIT OF TRUTHFUL INFORMATION TO CONSIDER

The Soviets and East German scientists have provided Iraq with electronic gear which can be used to jam your AWAC spy planes and disrupt the electronic systems of your attack helicopters and fighter planes. It is one of the reasons Hussein seems to remain so cool when confronted by overwhelming military odds--he knows the difference in truth and propaganda.

It is a known fact in your State Department that Soviet planes have been flying military equipment from Libya into Iraq since the war crisis began in August. Your State Department even allowed, with knowledge, the shipping of a super-computer through an Iraqi front organization in Brazil to Iraq--in August, after the troops were

deployed and in place. Why are these things not told to you through the national media? While the media glibly tells you that Gorbachev is your undying friend and to be trusted, the *London Financial Times* tells you that the Soviets have advanced a \$150 million credit line to Iraq for the purchase of military supplies. All this, while you are contemplating sending the Soviets another couple of billions of dollars worth of food products---oh yes, you are!

The CIA has come right out and told you that the Kuwait invasion had been in the planning stages for months, whether or not you wish to accept the truth of it. The scenario was carried out most carefully by your government, after they tricked Hussein into his military actions. As early as ten days before the Kuwaiti invasion, representatives of your State Department assured Hussein that you had no military treaty with Kuwait and that you really didn't care what he did there. Further, it is openly admitted that it was fully expected that, "Iraq would take a portion of Kuwait in the northern sector but it was not expected that they would take it all!"

You had best be inquiring as to *WHO are the Communists and Zionists cooperating with the U.S. which would cause your media to deliberately lie to the American people! To understand this, it is necessary for you to understand who controls the media in America. It is international Judaism. I make no prejudicial input regarding the fact, but the fact is the fact. Truth remains Truth, even when it is unpleasant and unpalatable. "AM I THEREFORE BECOME YOUR ENEMY, BECAUSE I TELL YOU TRUTH?" So be it!*

HENRY KISSINGER-- AGAIN!

It is KNOWN that Henry Kissinger, the German-Jew who was a KGB agent during World War II, employs a staff of over 50 persons including several dozen geopolitical advisors who have served during different administrations and who can be trusted with carrying out "Henry's" plans for the New World Order (that President Bush is constantly pushing).

As a matter of record, Henry Kissinger gave the order--for you see, Bush is an "order-taker"--not "giver". Neither is he a "decision-maker" and must go forth to Camp David and elsewhere to receive orders. The facts are that the "Kissinger orders" come from much higher than Henry Kissinger!

It appears that these nice advisors, Brent Scowcroft, Bush's National Security Advisor and Lawrence Eagleburger officially the Assistant Secretary of State under James Baker, are in reality supervisors of the President and follow him around wherever he goes, making sure that he adheres to the New Age Order. You will notice these ones are in constant attendance at every new encounter. This assures that the "order givers" know at all times, instantly, what the President is doing and saying. If problems arise, they can immediately take corrective action to see that the President does exactly that which he is told.

PUNCH LINE

Not pleasant to confront, dear ones, but none-the-less it shall be laid forth herein--again: *The Middle East crisis was planned with the Soviet Union primarily in charge, and the Zionists: to subject the American people to*

a parasitic relationship where the Soviet Union and the NON-JEW Israelis can suck the blood from the U.S. and economically bleed her to death. While you go to war and spend, spend, spend--life and resources, the traitors in your own Government are giving away tens of billions of dollars worth of American oil in your own hemisphere to the very enemy which through the years has promised to "bury you!"

Right now, while you fight and slaughter your citizens, over 15 major American corporations have signed contracts with the State Department for the development of Soviet resources, using American taxpayer (yours) money!

Secretary of State, James Baker, in the closing words of his highly censored speech before the U.S. House of Representatives on September 4th, spelled out the real reason American troops are in Saudi Arabia and you can get proof of this statement of fact:

- 1. To achieve a settlement of the Palestine-Israeli conflict*
- 2 To create a new Regional Security Structure, and now (hold your breath)*
- 3 TO IMPOSE THE NEW RULES OF THE "POST COLD WAR INTERNATIONAL ORDER!"*

Saddam Hussein may be a most despicable man but I dare say he is not alone in his despotism. You had best listen up when you hear the "new Christians and leaders" speak of "Z.O.G." Pay attention, chelas, this is the "Zionist Occupation Government", which already controls your country and which is leading you at a terrific pace straight into the New World Order which they plan to totally control.

Allow us closure, please, as I must attend other matters. Thank you for your service. God bless and keep you ones in security within His lighted safety. Good-day. Hatonn to clear, please.

1/16/91 SANANDA

Let us begin Thomas. I Am Esu Immanuel Sananda present in the Radiance of Aton/God. I come in His Service within The Creation which is above ALL. There is weeping in heaven this day for your planet.

You have gone past the artificial deadline established that The Plan may be initiated in its fullness. Soon the killing shall begin in earnest and the ones on the homeshores shall be left guessing..."did my son die, was he hit..." Those initiating such measures care not whether sons die for that IS The Plan...to kill off as many as possible. The Plan is so horrendous that those of the "christian" and "thinking" populace cannot comprehend such evil...yet you ones continually forget that it is Satan himself controlling the very ones who yield the scythe of death. The thoughts race among even mine own precious ones...will there be time...will there be time...what do we do...preparations must be made...how much time???? etc., etc., etc. Ever you ones may do that which you able with that with which you have to use at your disposal...nothing more and nothing less. To sit idly by at this time when the foreknowledge has been offered would be the worst kind of foolishness and one which you yourselves shall experience the consequences of. When the confiscation begins in America, and it shall indeed, the weapons shall be THE FIRST. Always it shall be much sooner than you expect so it is the better part of

wisdom to make your preparations while there is still...time.

What will be the reaction of the American citizenry when the tanks roll in? Will there even be a reaction at all for is there not a lot of troop movement for Desert Shield? Mostly the sleep will continue only to find that when the awakening is upon them they are found bound in the detention centers awaiting the execution...or worse. The plans are devious and dark indeed...for with Satan at the helm you may expect the very worst. And yet for some who "go along" it shall simply be another small adjustment to make...the troops on the corner...the curfews...afterall, you get no news now so the freedom of information won't change much...just more of what they want to show you. The psychopolitics has been far far too effective. We come to offer man his way out...his ticket home unto glory if he will but listen. But alas the sleep has been too deep and all but the tiniest number shall take the path laid forth by the Master Deceiver Himself...like sheep to the slaughter. It will be a long time before the ones who take the left path find their way home unto God...but they shall...eventually, but it shall be a hard and long journey.

Ever is the freedom of choice within the world of man. Yet this day the dye is all but cast...and it shall be red, BLOOD RED. There will be no washing of this blood from the hands of those who sent the beloved and brave men to the slaughter and God weeps for man's ignorance.

Holy Spirit within may I walk in peace this day. May the Spirit touch the many who walk in fear and ignorance that the com-

fort may come upon them in the knowledge of your Presence. Holy Spirit, awaken within man the connection with your Source that he may come into wisdom. Let us be mindful this day of those who shall soon become dust upon your place for the decisions made by you the people. Holy Spirit, let me ever walk the road of red that the journey home be filled with glory in Your Presence.

Let us close this Thomas, walk in peace.

1/17/91 SANANDA

I am no longer Immanuel...I am returned as Sananda. I am come in Radiance and in service unto The Father/God/Aton...and I have returned to fulfill the prophecies of long past for this is the ending of a cycle and it is the dark period of the cycle indeed.

Saddam speaks truth, "The Mother of all wars is now started." Oh, children of the lie, we weep for your ignorance. Blind aggression? What think you of bombing an entire nation? And you see it not, your nation sees it not. So few will walk with us and it is so sad, for the glory in these realms is beyond description. To serve the higher good of man is the greatest of all honors...particularly at the ending of an historical cycle...particularly on this planet. Give great thanks this day for thine participation within this Play for it shall unfold magnificently before you, yet so too I tell thee that there shall be much bloodshed, confusion, chaos, and the path will not be an easy one for the Controllers would have you working in their camps...their prearranged sta-

tions. Will you go without a struggle? Will you serve on the road crews quietly? How many among you will go as the sheep? And so too what merit it to struggle in the face of overwhelming odds only to result in death of the physical body? These questions shall all be answered before all is said and done.

It is a time to gather in food stuffs. To think that such measures may not be required is dreaming...you have entered a dangerous, dangerous time and the net will soon fall all around you...and all straggling fragments shall be gathered in to perfection. These ones do their work extremely well...no matter the loss of life.

Caution, in your efforts to garner supplies that shall indeed be needed at a later time do not diminish all cash reserves for you shall need this too for a time. If you are low on cash reserves, once again rebuild them so that this area also is covered for times of "inactivity" or "shutdown".

For those even among our own grouping who do not listen to the warning we bring, you ones shall be left wondering. Charity shall be ever present in My House and those who abide with me...yet for any to expect it is most foolish indeed. We give great honor to you ones who are responding appropriately to the instructions as given. The preparations shall serve you well and shall be the cornerstone for the rebuilding...for there shall be rebuilding and there shall be the remnant. Let us hope that those who profess service unto us are among the ones serving at that hour.

It is a dark day indeed for your world. The death blows now shall be tit for tat...only the

death counts will not be in the single or double or triple digits. Walk ever within the Light and command the Holy Spirit Presence within to remain ever in alignment with The Laws and with His Will that His Plan may achieve be fulfilled. Walk in peace for the road shall grow most uncertain and strange.

OUR NEWEST JOURNAL

PLEIADES CONNECTION,
RETURN OF THE PHOENIX
By Hatonn

This Journal continues the practice of keeping you updated on major world events while giving you much other information about many topics.

You can learn the truth about the origins of humans upon this planet, our purposes here and why the truth has been hidden from us.

We have help to overcome all of our major difficulties IF we will return to living under the Laws of Creation and God.

Many other topics are covered, such as types of dwellings best for our use from now on (patterned after Pleiadian dwellings). - Future Revelations and Earth changes - The Constitution of the United Nations Industrial Development Organization under which Pres. Bush is operating our country instead of the Constitution of the United States - What TRUE love is - Spacecraft -Types of metal used in them - About 666 and its significance - How the planet Venus got into our solar system and details about its surface (not as some have told us) - The dan-

ger of certain comets in our past and immediate future - The truth about robotoids as our world leaders and MUCH, MUCH MORE.

1/19/91 HATONN

TODAY'S WATCH

Hatonn present in oneness with our Sacred Source that our work may be unblemished by self-perceptions. Amen.

George reports that some of his callers of late denounce him for possibly spreading "fear" and "anxiousness" among readers and listeners. **IF YOU ARE NOT FEARFUL AND ANXIOUS THEN YOU DO NOT UNDERSTAND THE CIRCUMSTANCES IN WHICH YOU HAVE BECOME THE PAWNS!**

God said to fear not, "for I am with you!" Further, if you are not at "right" with God and moving back within his Commandments--you had best be getting scared out of your wits!! So be it. This is a most SERIOUS time and no ones who are in deliberate and intentional breaking of the LAWS of God shall enter into the Holy places. WAR, for instance, will NOT BE BROUGHT INTO THE COSMOS! SELAH!

At this point I wish to please enter a request for more patience from you readers. The publisher's phone lines are continually flooded with calls from you readers who want more and

more information. The publisher and personnel in the office are giving you EXACTLY what they are getting--in order, from the Expresses, etc. Whatever information you will obtain from them is purely conjecture and opinion--THEIRS! I ask that you be patient and, in addition, re-study carefully EACH document which comes into your attention.

Next, I beg indulgence and patience for we are flooded with letters filled to pages of questions piled one upon another regarding things such as "WHEN" and "I find no information regarding that subject", etc. Please understand that there is no human way possible to supply the time in researching for you, these topics. When I tell you that Kuwait was a part of Iraq, for instance, prior to British takeover--it is documented. If, further, I give credit to an author or presenter--you will find the information mostly valid as can be gleaned from Earth information. Please do not ask my scribe to give you these points for you have no imagining as to how busy are these ones. By the way, since I often refer to letters of dissent--please know there is significant reason for choosing those particular letters--they are dangerous in content and public outlay is the only deterrent to terrorists.

For you who feel doubts are yours alone--it would be the exception and only blind ones would feed upon untested food in the midst of the enemy camp. Hold on and Truth will prove of itself. In addition, you feel that the majority of the responses are negative in nature--NO, millions recognize the Truth and are kind enough to share that knowledge and request place to assist possibilities in a constant flow.

We even received a letter of total denouncement from a gentleman who said our material was from Satan and he knew as much because our logo tells it all! "The pyramid around the evil Phoenix is a Satanic sign", he said. Firstly, Satan has no "signs" which were not stolen from God's Truth by which to deny you Truth. Secondly, the pyramid is not--it is a triangle representing a triune of Higher Cause. The "Phoenix" bird is the symbol by which the "tribe" can recognize timing and acknowledge communication for it has always been known that the Master would return under that symbol of rebirth and renewal--it is one of the most sacred of sacred symbols represented in some cultures as the Thunderbird, and others as the Quetzal, etc.

I believe that the ones who pronounce the Journals and Expresses as negative represent

less than 1/10th of one percent. Therefore, prior to announcing your own ignorance of what is happening in your world this day--I suggest you re-read the material with a bit more opened-eyes. Reconsider, please, why ones would pronounce the information as LIES! *Could it be there is purpose in keeping you uninformed and blind?* Surely anyone who can read can associate possibilities that our projections are not nearly as "far-fetched" as that which is applied to your consciousness in ridiculous manner. Is it not more reasonable that God would provide for a human being in a place wherein a human can survive a trip to anywhere? Is it not a bit mystifying and stupefying that HE would simply allow you to be pulled up to some fluffy white cloud possibly saturated with nuclear radiation? I guarantee against anything that you would offer--a physical body would fall right back down and the landing would be most hard indeed. Have you not walked about in the "fog"? Well, fog is a cloud on the ground! YOU think about it before sending any more of the heinous cursing letters to these ones who simply bring the words to print in your format. They are NOT psychic nor fortunetellers, professors nor researchers--they are workers assuming their mission in God's service for the coming events--no more and no less. By your foolish condemning outcries you do not diminish "their" credibility--you totally destroy your own! So be it.

LIES? MIGHT THEY TELL YOU LIES?

In one breath and announcement "they" feed you information which outright tells you that the media output will be monitored, censored and structured. THEY TELL YOU THIS! Then they

go forth and do so and YOU pronounce the announcements as gospel truth! Where is your "reason"? You did not lose some two to seven planes--the coalition has lost hundreds to Iraqi weapons. Even the "Scud" missile they showed being shot down by a "Patriot" missile was staged--to insure acquisition of more which are proving to be pretty inaccurate. Three to five were totally wasted this very day (1/19/91) and blown up on pads and what is claimed? Technical error! Saudi Arabia has sustained numerous direct hits--right on target.

Don't forget a very important point--Russia and Israel are part of the overall plan and, therefore, when you are told the "plan is working exactly as laid forth", that is exactly that which is intended! Spoils of a "little" war can later be divided appropriately--with fewer ones which expect equal distribution of those spoils.

How is it that there will now "be a pre-summit meeting in preparation for a Bush/Gorbachev summit later?" With the impact of Russian military murder and complete forceful control of Lithuania--YOUR PRESIDENT CANCELLED THE SUMMIT! Now, it is back on schedule? The moment by moment confusion is to keep you from clear thinking, citizens! The World Global Control Plan 2000 is underway and great measures will be taken to not allow interference with its continued success. YOU KNOW PRACTICALLY NOTHING OF THAT WHICH IS HAPPENING IN THE MIDDLE EAST--YOU ARE SHOWN PRE-ARRANGED AND PRE-CENSORED PICTURES ACCORDING TO THAT WHICH IS DESIRED FOR YOU-THE-MASSSES TO

BELIEVE!

COULD THERE BE A DOUBLED-UP DOUBLE-CROSS?

Let us consider what is and has occurred here thus far in this altercation over "rights" and "property".

You have, purely and simply, as a people of the world, been set up! Powerful forces of which you are only just now being made aware, have motivated the Council on Foreign Relations, Trilateralist and Skull and Bones traitor George Bush to intervene and dispatch the military might of the U.S. in the over 3000 year old Arab-Arab wars. Does "he" realize what he has done? Yes, but as always with those who work within the realms of greed and control, he, like his colleagues, believes all means justify the planned end. He has become a servant to the ones who would own and control the world. How do we know this? Because he SWORE to uphold your Constitution of the United States and he has openly and blatantly disregarded it. Who are the "hidden hands and minds" operating above the Law of the land? *Will you be forced into a merger with the slave masters of the Soviet Empire?* *Can you save your freedom?* **CAN YOU AVOID THIS "NEW WORLD ORDER" WHICH SOUNDS SO GOOD AND YET WILL ENSLAVE THE WORLD?**

Firstly, you must realize that your enemies are not fools! Note that they push as far as you will allow! When the public cried aloud, during the over-eager "premature" rip-off at the gas pumps, they had sense enough to make immediate restitution. Could it be the American people are beginning

to wake up? With that in mind, what do you perceive might happen when your deceived fighting men begin arriving home in body bags? I think some of those yellow ribbons may yet be blood-smeared. Remember--there is a new order in affect which no longer "allows individual funerals for military personnel"--only those utilized for propaganda purposes will be made public. Why do you think only six pilots have been labeled as dead? What of the other 90 some odd? After a while a dead body can represent one or a hundred for the labels will quit being announced so that they are simply "lost" in the confusion. See, right now, if you can recite correctly the names and places from which those first expressed announcements were outlaid for you! There were only six, come now, can't you remember them? Only the immediate loved ones will take note in all of the confusion and they will only take note of their own. All other bodies "...are to be warehoused and mass services will take place". Why? So you won't ever know the numbers killed and it is expected that in this modern war there will be few remains to bury, at any rate, and identification will be impossible. I didn't fabricate this information--it was publicly announced! They also told you this very morning that in view of losses and technical errors, more Patriot missiles will be brought in--FROM EGYPT! What interesting information!

**ALL BIGOTS DOWN,
PLEASE--I AM GOING
TO SAY "JEWISH":**

Would you flinch if I said Canadian? How about Australian? How would you react to Black? Hispanic? Well, I am going to use the term Jewish, so I therefore suggest you forget anti-semitic, bigot and other nasty

name-calling. I WAS A JEW--THE MASTER SERVED AS AND WAS BIRTHED A JEW--SO STOP YOUR FOOLISH NONSENSE FOR THAT IS PLANNED TO STOP YOU FROM INTELLIGENT FUNCTIONING AND THINKING!

Your entertainment media and broadcast media is predominantly owned and operated by Jewish personages. Most of them have been sucked into organized CFR and Trilateral commissions operated by the Cartel Elite. It simply IS how it IS, so don't get crazy but do stop being made the fool! If one "white man" does something, do you lump all white men into the same mold? Well, surprise America!--the Blacks do! Just as you lump most Blacks into one mold of ungracious characteristics. The Orientals think both of you are a bit less-than-human! Therefore, when I speak of "Jewish", "Zionists", etc., please refrain from remarks--this happens to historically involve Jews, Israel (the little nation in Palestine--not israel (chosen of God)) and Zionists--along with Russians, Communists, etc. Elite is going to be a regularly used term which denotes the Cartel Bankers, etc., who would Rule YOUR (GOD'S, actually) World. Would I call an apple a banana if I be speaking about an apple? And, if I did so, would you not think me an idiot?

**THE IMPENDING PRO-
JEWISH WAR IN
THE MIDDLE-EAST**

It gets very difficult to sort out who is who and what is what for that is the point--to confuse you and mislead you to the extent that there are no "clean-cut" lines of definition by which to define roles. Just LOOK AT WHAT IS and it will begin to make sense to you in its

magnificent outlay of clever puzzle-making--to produce the desired picture in the ending of solution.

There is extensively more treachery in the Jewish overlord movement in the Middle East than is allowed to come into your attention. Clues of happenings flood you but are quickly covered and erased in hopes no one noticed the slips as they occur. The overwhelming majority of Americans (and the world) have been grossly mislead and misinformed through intentional disinformation, false information and false projections, sprinkled throughout with a few bits of truth so as to lull you into belief of the "whole". It is natural that the Jewish people would desire a homeland for their people--just as the Black would desire Africa to be the true homeland of the Blacks and not the misfits of British descent. That is not where the error comes into play--it is through the misinformation and mistaken translations that have "become" accepted as truth when indeed there is no truth in the projections. Calling Palestine, Israel--DOES NOT MAKE THE APPLE A BANANA. Further, having the Americans, French and British proclaim the apple to be a banana--makes it not a banana--nor does it make Palestine, Israel. Neither does it make it a "bad deal" IF the Palestinians were happy about the little maneuver. A banana cares not what it is called. However, in this instance you are mixing, let us say, a beefsteak with an apricot and expecting all to live happily ever after--through force of one over the other. And yet all the force applied from any direction will not make the apricot one iota like the beefsteak.

So, with this in mind, let us

continue with how this "thing" has come upon you and especially you in the U.S. So again, the Jewish-dominated media has seen to it, along with some massive input and pressure from your star administration traitors in the White House, (and advisors) flanked by over 340 of his CFR (Council on Foreign Relations) insurgents, has seen to the imprint of misinformation to you-the-public.

To hear the media tell it, everything was going fine out there in the Arabian desert. They even kept you posted on your own sanctioned actions in smiling brotherhood with Saddam Hussein with whom you shared technology and warm friendship, in truth. Iraq and Saddam Hussein were the best of your buddies, until suddenly, independently and totally without expectation, Saddam had this strange impulse to invade Kuwait. Then in only a matter of minutes the whole situation turned upside down and the benevolent dictator of Iraq instantaneously became the "world's most sinister and dangerous villain". Suddenly your "vital interests" were at stake, your way of life was threatened, Saddam was a dangerous threat to "ALL MANKIND", and not only must be destroyed but also the total Iraqi military machine along with him--not to even mention every man, woman and Iraqi child and building. Surprise! Surprise!

The deception is of incredible proportion and so preposterous that it is amazing that ANY can accept it. Actually, few do accept it until their neighbor explains how bad Saddam is--usually that same neighbor had not the slightest idea where Kuwait is located on the map. It is the "grapevine" gossip mentality and mass hysteria--the individ-

ual ceases to think but instead, recites that which he is given to recite until he believes it for self as if it were his own opinion. It is much as with the Journals--we have yet to have even ONE antagonist who has so much as read all of even one journal. You had better watch the grapes coming from that "grapevine", friends, lest they be laced with cyanide!

Of all the nations of your world--you Americans are the most deceived--the rest of the world laughs at your foolishness, friends. The nations go along with you because their leaders belong to the same Elite Cartel--but the citizens know the truth and despise you "Americans". Yes, it is the American public who is the most deceived, snookered and mislead, of all the parties involved. Like a Hollywood movie script, through conspiracy, deceit and deliberately planned machinations, the Jewish influence in collaboration with the Jews in Israel, has set in motion a military operation to fight Israel's wars with American soldiers. Do these "Jews" know? Of course not--they are more mislead by the Zionists who are actually NOT JEWISH AT ALL--but come from the Mongol, Nordic, Russian Khazars who PROCLAIMED THEMSELVES JEWS in order to "take the world", by their own words! The Jewish people are the ones who always pay the most bitter price for the deception--they are the first to suffer, die and be expended. Why do you think the bombing of Israel landed not on the Elite grounds in Tel Aviv? Because the Jews are expendable and the Zionists will have protection.

Those missiles of the Scud variety--are accurate! They go exactly where they are intended to land!

But you might ask, "Well, if Iraq is a part of the plan, then who will rebuild the nation after this is over?" Guess WHO! I believe I begin to see a flicker of recognition.

PLANNED DESTRUCTION OF IRAQ

Consider some possible puzzle pieces for some good exercise in beginning thought patterns within reason. Let us put some of the individual pieces together and see if they might fit. In the first place, "Rambo to non-wimp" Bush, manipulated by Zionist mentors, was not surprised at all, but was treacherously laying plans for the event to happen for at least a minimum of a year and a half prior to August, 1990, and the "invasion" of Kuwait. As a fact, there was an article dated October 25, 1990, in *The Atlanta Constitution* which detailed the strategy that was hatched with the objective of destroying Iraq. Let's quote it: "Starting in March, 1989, Army Lt. General John Yeosock and his 500 war games, fuel-estimators and other planners sat at a Georgia military base and thought about how they could move over 200,000 troops to Saudi Arabia."

The story goes on "The top-secret work in Building 363 of Atlanta's Fort McPherson spelled out the Army's part of the enterprise. By July, 1990, the cigar-smoking General Yeosock and his three-star and four-star counterparts in the Navy, Marines and Air Force were ready for the test run." No, dear ones, this is not "after the fact"--THIS IS BEFORE THE FACT! Moreover, the sanctions against Iraq were in place, signed and in the proper hands for institution BEFORE August 2nd, 1990.

These names and places will all make sense to Journal readers but may be a bit cloudy to you who are just coming into this information. We have some explicit "James Bond" type reading material when you get rid of the urge to throw the rock mountain at these people.

For around 25 years, Dr. Bull, a Canadian-born space and ballistics genius who has been compared to Dr. Werner von Braun, has been designing super artillery, cannons/rockets. His Canadian-American High Altitude Research Program (HARP) has broken all records for long-range artillery. For some 15 years the Pentagon has turned down Dr. Bull's offers and strenuous efforts to equip U.S. armed forces with the advanced 155 mm and other long range projectiles. The reason for the "turning down" is a different "book" but there was much personal animosity among the top elite of the military in America.

That was some 10 years ago, so let us continue in the meantime. Dr. Bull's Space Research Corp, rebuffed by the U.S., turned its attention and its production of long range artillery to Iraq, who snapped up the opportunity with the great gusto of Saddam Hussein.

Iraq NOW has the capability of delivering poison gas and biological warfare missiles into the very camps of your boys and girls, who are setting ducks in the Arabian desert. What with using rocket boosters equipped with homing devices, Saddam Hussein can also deliver such projectiles directly into Tel Aviv and Jerusalem--hence the mass distribution of gas masks among the populace. That practice is not usual, dear ones, for there is

a real reason for such actions. Oh, by the way, how many of you kept current on affairs and remember that in the beginning there were not enough masks for the Palestinians so they were given none--then, with world opinion against that, there was distribution--for a fee. Only last week did the government of Israel begin to make free distribution to any Palestinians.

Why did the U.S. turn down Dr. Bull and allow him to turn his efforts and genius to the benefit of Iraq? You can't hide your curiosity, can you? Well, since it didn't happen overnight but over a period of a decade, it comes up that it *must have been a planned* and deliberate action on the part of the "**THE HIDDEN HAND**" in your military establishment. A strange puzzle, but this piece, too, fits into the overall picture.

The Zionist overlord influence in your government wanted Iraq and Saddam Hussein to have enough destructive military power to make him *seem a credible threat to world peace*, and also to be able to kill a significant number of prime young American children.

The situation is not unlike Pearl Harbor in 1941 when Roosevelt and the Zionists acted stupid, silent and blind and *knowingly allowed the Japanese to bomb Pearl Harbor, destroying your Pacific fleet, and killing more than 3,000 of your men in one day*. All the while the traitors in the White House and the Pentagon knew MONTHS in advance that the attack was coming. In fact, they were shadowing the Japanese fleet and knew the day and hour when the Japs would strike. It is time you children-of-the-lie wake up and see that which is going on around you before all of you are killed off. The Dr.

Bull episode is a similar case. However, there is ONE MAJOR DIFFERENCE. When the imminent danger to Israel became all too real, on March 22 of 1990 Dr. Gerald V. Bull was assassinated by the MOSSAD! The MOSSAD, for you who are just opening your eyes, is the Israeli Secret Service. Dr. Bull was killed right at his Space Research Center in Brussels, Belgium.

PRETEXT IN ACTION

In July 1990 the "planners" in Atlanta were attending the recent chain of events. They also took action against my scribe with laser weaponry as we began to unfold the facts. She made top list to be silenced in November of 1989 and four major attempts on her life resulted--this list, by the way, is of one, Henry Kissinger. It no longer is of much importance for WE have shielding against the pulse beams and community brotherhood has taken up the sword and prepared the burning stake. Please note that the best workers for the Satanic evil beings are the proclaimed "Goodly of God" in their narrow projections of right and wrong. The attempt is always to deny Truth by killing the truth-bearer. Well, it isn't so easy any more, dear ones--when you sit in God's hands it is harder to do your bloody work. The time is at hand for God promised that Truth would be brought prior to the ending time that man can choose, with knowledge, his own divine path.

The planners needed a dramatic pretext to send all your troops and heavy machinery "over there" into that hot, forsaken Arabian desert where only scorpions and cobras live comfortably. So, how convenient then that on August 2, 1990, Saddam invaded postage stamp-size

Kuwait--go look at your map. It is as if the Western U.S. invaded Sacramento. This most propitious timing was not accidental nor did it "just" happen.

Just days prior to the invasion, stooge tool and CFR Rambo Bush gently took Saddam by the hand, led him by the nose and told him to now go ahead and realize his long-standing ambition of grabbing that most cherished prize--oil Kuwait. The British had been stealing oil through Kuwait by slant drilling into Iraq oil pools and Saddam was ticked off considerably already. He also wanted to get the price of oil to a higher level because he was desirous of more money for his adventures. Mr. Hussein is not exactly head of the class for promotion to head angel of the realm.

On July 25 (one week) prior to the day of invasion, the U.S. ambassador to Iraq, April Glasspie, met with Saddam. A transcript of that meeting is available and proves that Ambassador Glasspie told Saddam that "We have no opinion on the Arab-Arab conflicts like your border dispute with Kuwait." This was directly from your President and the State Department and has never been denied--in fact, it is open knowledge that "...it was expected that Saddam would take the northern bit and islands. We didn't think he would take the whole of Kuwait." That, dear friends, was directly spoken from one, James Baker--your Secretary of State, publicly. "Rambo" even followed this up further with a personal message underlining Ambassador Glasspie's message, with only a gentle smiling hint that it was not "really nice" to use force against a neighbor. ***This position was further waffled by White House spokeswoman Margaret Tutwiler, a few days***

later, stating during a press conference that the U.S. had no commitment to defend Kuwait from invasion. This in turn is why the troops had to be sent into Saudi Arabia under the subterfuge facade of "...preventing invasion of Saudi Arabia". Does anyone remember that was the reason given to you-the-people for the troops to go abroad?

PRE-MEDITATED CARE AND CAUTION

The instant Saddam took the bait all hell broke loose upon those lands. "Kinder, gentler 'Rambo' Bush" immediately became a roaring lion, stating: ***"We draw the line in the sand!" and "This cannot not stand!"*** And these became the cry for the instant screaming for war and moving of troops. Now there was no waffling to be found. The Zionists had written the script for Mr. Bush's speeches (as is always the procedure) a long while before the fact and action. The movement of the troops had been meticulously planned for the prior 18 months (on diagrams and memoranda). The whole maneuver went ***exactly as planned according to the written, prepared script.***

It was a monumental decision to launch a major war in the midst of the Arab nations, the consequences and ramifications of which were extraordinarily far-reaching and totally unpredictable. The American economy was already teetering on the very brink of collapse and other disasters, but George seemed completely indifferent about the tremendous cost of such a war inflicted upon the American people--in terms of money and American lives--**AND CONTINUES TO BE SO! DOESN'T THAT MAKE ANY OF YOU NERVOUS?**

Where was your Congress during this time? Quiet as a little mouse--dickering over budgets and elections and who had participated to the eyes in S&L's. Then--recess! That, too, was obviously in the prearranged scripting. Only Bush seemed now the grand commander-in-chief, making the decisions and calling the shots, while Congress, which ***ALONE by the Constitution is empowered to declare war, stood spinelessly by, presumably supporting a bellicose President.*** The prepared speeches and actions were read and put into action **EXACTLY** as directed. The prepared and prearranged "POLLS" just continued to show all-out support for the insanity. **HOW MANY OF YOU GOT "POLLED"?** NO, and neither did any others of you-the-public.

ADDITIONAL SICKENING ASPECT

There is another element that has been tacitly ignored by the media. A gigantic new and untapped oil field was "discovered", some time ago, in a remote area of the Saudi desert. It is one of the largest accumulations of oil anywhere on the face of the earth. We gave you all of this information prior to this so please bear with us while we make the point about it. This information has now also been brought into public projection by ones who confirmed same. This one pool gives the Saudis enough oil to keep the pumping going well into the 22nd century. Although ones have known about its discovery for some time, the location and existence has been carefully guarded outside the immediate area so as to not bring undue suspicions on the actions of bringing war to the Middle East and the invading and occupation of Saudi Arabia

for Cartel (American/British) interests. Funny thing--George, Jr. just happens to be a prime principal in an Oil Company very close to this location in Bahrain--golly, didn't you know that? You find the Bush family into just about everything, don't you?

So, you might consider it interesting to calculate WHO will control the future of this wondrously huge, strategic asset....the Zionists or the Arabs? With the massive military might of the U.S., Israel and the puppet-government of the Soviet Union Empire firmly in the hands of overlords, only the unraveling of history will make sense of it.

WINNERS AND LOSERS

Despite the tremendous stakes of who will control the oil in the Middle East, the real and paramount issue of the war in the Arabian desert is the protection of Israel and maintaining the control of the world. There are no "bones" made over this intent from any source at all. In the American Civil War, as in World I, and II, and the undeclared wars since, the numbers of people killed, wounded and maimed are always much larger and the wars last much longer than the trigger instigators initially lead you to believe. Hundreds of thousands of your young will be killed in this battle for control--which is exactly the planned intent, dear ones, further, leaving you defenseless and open for take-over in your own country. This one event has allowed your administration to take "one-man" control of your government, military and political arenas through "Executive Orders" brought into availability through "National Emergency" regulations. You have effectively gotten rid of your Constitution and substi-

tuted the New States and the New Constitution under which assumed actions have already taken place.

The Jews of Israel have a REAL problem and one which is constantly growing. There is not placement for the myriad Jews flowing into Israel. They must have land for placement of the brothers who "think" they are coming "home". It is no secret that the Jews of the Zionist Israeli component parts would like to see the neighboring Arab countries such as Iraq, Syria, Jordan, Egypt, etc., destroyed and pounded into the sands, as has already happened to neighboring Lebanon, a once prosperous and peaceful country. The ridiculous alliance with Assad is just another hopeful buy-off which may or may not even hold long enough to count the dead.

Of course you have trouble believing this information for you have been carefully guarded so that you have no way of obtaining this information of truth. But, go see for yourself--there IS information of PROOF available if you stop your focus on ball-games and trivia long enough to SEE IT. THE ONES PUSHING THIS WAR ARE OBVIOUSLY ONES WHO ARE INTERVIEWED AND ARE NOT OVER THERE IN THE BLOODY LINE OF FIRE. There are NO ELITE over in the military. Only two members of all of Congress even have close relatives in the sector. The Elite have just found a way to annihilate the prime future possibility of leaders of merit in the minority groups--especially the Blacks of your nation. If the group is not rendered helplessly lost in Saudi Arabia--the remainder of the prime youth will be taken out when the government police forces take over the youth in

what they will call "clamp-down" of drugs and gun control. You see, dead is dead is dead.

NO PLANS FOR THE FUTURE

Where are the government plans for the future--AFTER THIS "SHORT LITTLE SORTIE"? Think again! How can you "afford" this war? How can you "occupy" a nation over half a world away and alien to everything you recognize as typical living style? Do you realize that your soldiers are sleeping in the sand in that blazing hot and frigid cold place? They have been doing so since August--how long can they bear this treatment?

Note the obvious distancing of the Israelis from this entire scenario--it is noted constantly in your media. They offer no help and yet get billions of dollars in increased funding for all sorts of wondrous things. Do you-the-people not question anything? How are the American forces going to permanently protect them from 150 million hostile Arabs? Saudi Arabia will lose control of its oil and its sovereignty as well--in fact, that has already been arranged through the International Monetary Fund and the World Bank--both branches of the Money/Banking Cartel. This will happen, as well, with Kuwait, Iraq, the Emirates and the rest of the Arabs. Guess where it will go? Right into the Zionist control through Soviet/Cartel puppet-masters.

Where are your leaders? They have left you open for invasion on your own soil--and it WILL HAPPEN. When? As soon as it is convenient and there can be no resistance.

Do you not see that even the races are being pitted one

against the other by the dredging up of old cases--causing hatred to rise in the midst of other chaos--dividing you even further apart as a nation?

Summed up at its best, it looks pretty seriously negative to any observer's perspective.

The press has given all the information to your enemy as to how, where, when, who and why to strike against you as a nation. *You have no protection available from your government. Your military troops are halfway around the world on a mission for Oil Barons and the promoters of One World Government---THE NEW WORLD ORDER! Your National Guard and Reserves are now also dispersed to the same area and the military bases vacated and totally ineffectual if any domestic emergency arises--ALL EXACTLY AS LAID FORTH IN THE PLANNING.*

A REMINDER OF SOMETHING TO PONDER THIS DAY

There over 5000 "KNOWN" Soviet advisers in Mexico with 60 to 70 THOUSAND trained terrorists in the Yucatan Peninsula alone, and there were over 45,000 North Koreans in Baja, California five years ago--guess how many now---! Most of these infiltrators have already crossed over the border into the United States and have been stationed in strategic locations, awaiting instructions for the impending "revolution".

DO NOT DENOUNCE ME OR THE WRITERS OF THIS INFORMATION--LOOK AROUND YOU!! DO YOU NOT HAVE THE "RIGHT" TO KNOW?

Doom and Gloom Hatonn? Bringer of Fear? I suggest you

consider what is about to befall you if you do not soon confront that which IS.

Allow us to close this writing for it grows too long for adequate digestion.

TODAY'S WATCH

In the beauty of this wondrous day, I come to share. We shall walk the path laid forth by God unto our proper growth through His Grace. Hatonn.

Ah, the heart rebels against the isolation caused by the attacks upon your person--Dharma, 'tis the way of it, child. Do not become faint of heart for there are others who also bear this task of bringing forth that which IS and they, too, feel abandoned by brothers and neighbors and it is not theirs to carry this burden alone--any more than it is yours. We shall be strong enough and big enough to meet the task for it is the promise of Creator that we be given no more than we can bear. Do not tarry in worry about GG for there is nothing that YOU can do about it save stop the writing. We will tend of GG and DG and the others if they keep within our shield--YOURS is to write that which is given for the awakening and historical data to be preserved by the written word. The confusion comes ONLY from the CONSCIOUS MIND--not the receiving pulses.

HOW DO YOU FOOL A NATION?

Very, very easily. First you program the masses and then give them a story-line conjured to bring a desired effect. Let us consider recent days and contra-

dictions which are noticed by only a tiny, tiny few--and later, they cannot even be sure that they heard what they thought they heard. You see, slip-ups do occur frequently and then again, your own "reason" and "logic" tell you that what you are receiving cannot be factual. Pay attention and wait and within a few hours to a few days the story will change. **TRUTH NEVER CHANGES!!!**

Let us consider day before yesterday and what was pronounced just prior to a break for advertising, on CNN. (You must understand that all reporters of news and all interviews on CNN are structured from scripts to impact Saddam Hussein and mislead you-the people. They tell you that fact over and over again.) Just prior to break it was announced that in the upcoming segment (after break) there would be pictures of Iraqis "parading" captured U.S. prisoners--through the streets. NEVER AGAIN was it even mentioned, much less, shown. The people at the studio greatly erred. However, to fit the story and make you furious--TODAY came the message that Iranian T.V. had taken pictures of the Iraqis "parading" "blindfolded" U.S. captives in the streets. Well, after much interrogation, so they said, it was such that nothing could be actually identified, etc. But "parading", etc, is against the Geneva treaty for treatment of prisoners--"and we will treat all captives solely by Geneva rules" you proclaim. First you denied there could be any captives and then you pronounce a whole different scenario to cover the first lies.

Then next, in every interview it is stated that the material is "for emotional impact on Iraq". Finally, it came through yesterday that pamphlets were dropped

along with bombs on the Iraqis to "...turn the populace against Hussein". Oh yes, this came from your military leader in the sector!

I tell you, again, that all anchor persons and network owners and managers have instructions to release nothing uncensored nor show any pictures not made available by the government and military as approved. **THE MEDIA IS TOTALLY (100%) CONTROLLED!** But, you can know what IS GOING ON by that which they lie to you about--if you pay attention.

PATRIOT MISSILES IN ISRAEL

In view of "all the bombing by Scuds" in Israel, it has become necessary to offer the Israelis more cover and protections "to keep them from retaliation". So, they tell you that they "...are going to ship in some Patriot missiles for anti-Scud protection". Then, within one hour they are setting up these "incredibly technical launchers which it will take the Israelis weeks to learn to operate" with your military personnel and within another hour these "incredibly technical launchers" are in place and ready for use.

When that story simply did not fly, they came back and said, "Well, the system was already in Israel--in case something like this happened!" By the way, I assume you noticed that Eagleburger and the Undersecretary of Defense (advisors to the President) are in Israel!!!

Did you not also marvel that of six Scud missiles which "...were haphazardly launched and poorly targeted, etc, etc, that death and/or destruction was missing in Israel? In Tel Aviv alone, one landed in an empty apartment "...and must

have carried a weak payload because it did very little damage". Another landed in the street directly in the middle and blew off the fronts of buildings but no one was injured. The deaths which did occur were caused by the Israelis themselves, two of which were children who had suffocated in the gas-masks incorrectly fitted.

Dear ones, Scud missiles are sophisticated and can be directed through an open doorway (from any type of Scud launcher) over fifteen hundred miles away from target. Does not "something" smell of rotten fish in this scenario?

Now, this morning comes "intelligence" information that Iraq has "...at least 140 more Scuds neatly parked deep underground on movable launch pads--mostly aimed at Israel. Where are the SIX "perhaps missed in the massive bombing raids of over 2000 sorties a day"? Oh by the way, the same intelligence source said that Saddam has "KNOWN nuclear facilities with bombs--also deep underground"! P.S. There have been NO missiles sent to any Saudi Arabian city. The Iraqis did knock out a desalinization installation near the Kuwaiti border.

Now, you will also note that the ONLY participants on programs such as interview programs and Larry King are PRO-WAR personalities who rave at "...the brilliant job President Bush is doing!"

EXECUTIVE ORDER ALREADY ACTIVE

This morning came the word that an additional 350,000 reserves would be called up. The same announcement said that this can be done because of the "...signing of the National

Emergency order allowing for same." Dear ones, with the signing of that ONE order, you lost your rights--all of them and I shall prove of it to you.

In this neighborhood of a typical town in Southern California--in the heart of "California oil" go to the Chevron distributor and ask to have, say, a 4000 gallon tank filled with diesel fuel. You will be told that "they", along with "the MAJOR oil producing companies..." are on daily ALLOCATIONS and can not even service their own "old" customers with full loads and are having to make up short-fall with more expensive week-end deliveries--in smaller increments. When asked, "Why?" you will be told that the "companies" are on a "PRODUCT CONTROL PROGRAM AT THE ORDERS OF THE PRESIDENT OF THE UNITED STATES!" So be it.

I tell you right now, that the COMMUNICATIONS MEDIA HAS BEEN TAKEN OVER BY THE ADMINISTRATION! Let us go right down the list now, that have become orders through the Executive Order now in effect, number 11490. Read them and weep, America. I further tell you that the Governor of California said this morning: "The demonstrators will be removed by force, if necessary, from the campus of your State University, UCLA." The edict has come down, moreover, to "STOP THE DEMONSTRATIONS AGAINST THE WAR."

Remember a few writings back I told you that already into effect were orders making transportation, food and medical care priority for military? Read on--

**1: EXECUTIVE ORDER
10995 takes over all com-**

munications media.

- 2: **EXECUTIVE ORDER**
10997 takes over all electric power, petroleum, gas, fuel and minerals.
- 3: **EXECUTIVE ORDER**
10998 takes over all food resources and farms.
- 4: **EXECUTIVE ORDER**
10999 takes over all means of transportation, controls highways and seaports.
- 5: **EXECUTIVE ORDER**
11000 drafts all citizens into work forces under governmental supervision.
- 6: **EXECUTIVE ORDER**
11001 takes over all health, welfare and educational functions.
- 7: **EXECUTIVE ORDER**
11002 empowers the Postmaster General to register all citizens nationwide.
- 8: **EXECUTIVE ORDER**
11003 takes over all airports and aircraft.
- 9: **EXECUTIVE ORDER**
11004 takes over and finance authorities. Housing designated as "unsafe," establishes new locations for populations, relocates communities, builds new housing with public funds.
- 10: **EXECUTIVE ORDER**
11005 takes over all railroads, inland waterways, and public storage facilities.
- 11: **EXECUTIVE ORDER**
11051 designates responsibilities of the Office of Emergency Planning giving authorization to put the above orders into effect in times of increased international tension or economic or financial crisis.

ON JULY 20, 1979, ALL THESE ORDERS WERE COMBINED INTO THE SINGLE EXECUTIVE ORDER 11490. BY THE DECLARATION BY THE PRESIDENT OF ECONOMIC OR POLITICAL EMERGENCY OR CRISIS, ALL THE ABOVE

**EXECUTIVE ORDERS
AUTOMATICALLY COME
INTO EFFECT.**

Don't believe me? Let me quote from John F. Kennedy, speaking at Columbia University in 1963: "The high office of the President has been used to foment a plot to destroy America's freedom and before I leave office, I MUST inform the citizens of their plight." **TEN DAYS LATER, JOHN F. KENNEDY WAS ASSASSINATED!!!!**

**WILL NO ONE
HEAR OR SEE?**

Not only are you facing disaster in Saudi Arabia where your President has gone against everything America stands for to further his New World Order, but the Congress of the U.S. doesn't take action of prevention, either. There are a lot of you angry taxpaying voters out there on the lines but, dear ones, the clamps are coming down hard and swiftly to silence you. Note that the clamps are coming first upon the young who simply do not wish to go and perish for a political war--even though they do not understand the full ramifications of the actions under way.

Strange things have happened, citizens, which might merit some thoughtful pondering. For half a century, your government has told you that they were the ONLY force standing against world communism, and they have milked hundreds of billions (three trillion alone, for your current military arsenal) for "defense against the USSR". Yet, on at least fifteen major occasions made public and dozens never having been made public, the Administration has stepped up and saved that "evil Empire" (I believe the Soviet Union was called by your Presi-

dents) when on the edge of total bankruptcy. It has been YOUR GOVERNMENT which has stepped in and bailed them out while giving billions of dollars into the hands of the corporate Elite.

Next, and this has been going on for the past several years, you give the Soviets two billion dollars worth of "food credits". You had already bargained to give them all the grain in storage in your country--finalized at Gorbachev's visit. Now you speak of giving them another 2 billion "food credit". There is NO food shortage in the Soviet Union, only an inadequate method of distributing it--just as you are headed for, my friends. All the while, there is no cut-back in military buildup nor armed forces increase. The armed forces of the Soviet Union are building faster than at any time in the history of the nation.

You-the-people are told that it is the "humanitarian" thing to do. But you notice there is no humanitarian effort to, say, deduct 50% from the Congressional pay increases to set aside for the humanitarian gifting. Aren't you taxpayers a bit weary of feeding your enemy, housing your enemy and watching your own over 3 million citizens go homeless and countless millions actually in hunger?

Why do you not demand from the Administration and Congress just what mechanics allow the spending of funds, or making gifts of your property, to feed or house your enemies?

The same group of International Gangsters who now have you involved in Saudi Arabia set up the previous wars involving the United States of America. And now, your Congress is

three/quarters in control of the Zionists. The buildup of troops in Saudi Arabia has left your own homeland totally devoid of any defense system what-so-ever. You have NO combat ready troops remaining in your national boundaries and very few ready reserves--they, too, are moving out as quickly as the political facade can arrange.

How was the United States of America set forth and founded? Let me remind you for you, as a nation, have forgotten and abdicated your responsibilities. You, as God's blessed and chosen, were given responsibilities, the exercise of which would bring the promised blessing to the other nations and families of the earth. Let us look at just four of them:

1. You were to provide healing for the sick, the blind, the deaf, and the lame.
2. You were to be God's instrument through which oppression would cease, and prisoners be released.
3. You were to transmit to other nations and peoples the benefits of the righteous Law of God.
4. You were to spread throughout the rest of the world the knowledge of the grace and love of God.

You were sent forth and gifted with a nation set above all other nations that you might fulfill your task as laid forth--further, you were set up and sent forth as "caretakers" for the creation as represented in your wondrous planet. Yet, from the beginning you allowed the evil to come within and eat away your very substance. Now you have given away the wondrous gift of freedom and God blessings into the hands of the manipulators and deceivers. Wrathful God? Well, God speaks for self but if I were in the shoes of the ones

who allowed this and abetted the evil in bringing this upon your blessed nation--I would be most nervous indeed.

You hide your head from Truth and treat facts of Truth as if they are poison. Let us consider just one issue--that of "RACE".

WHAT ABOUT RACE?

Double standards on the question of Race are now so common they no longer evoke surprise. Discrimination has become a mortal sin in this age, but can be perpetrated by anyone, anywhere, and with absolute impunity--as long as it is against Caucasians. Whether or not a "thing" is "deserved" rests solely upon the decision of those making the judgment. Before coming again into the sanctuary of Holy God in HIS kingdom--you will cease this butchering of brother--for God recognizes no race or color!

Look at that which has happened regarding racism. When a white man or woman practices his right to be with other white persons or desires his "own kind", he is immediately labeled as a "Racist monster". When practiced by anyone else, anywhere in the world against the white race, not a single organization, be it Black, Jew, and most churches, will condemn it. Is this not somehow a bit unbalanced? I condemn any inequality practices by any race against that of another--but you of Earth human draw sides and act in deplorable manners. You have, even as a white race (which is no effort on your own part that you are pale and another dark) have literally become brainwashed into feeling guilt and allow being stamped by smear terms, which are part and parcel of the psychological (psychopolitical) warfare whereby millions of white per-

sons are now being intimidated. You have been made prisoners of your own self-induced fears. ALL of you, in all races, allow that which is evil to prevail so as to "...NOT APPEAR PREJUDICED--AGAINST ANYTHING, RIGHT OR WRONG, MORAL OR IMMORAL AND SO FORTH."

"Racist", "anti-Semitic", "Racial discrimination", are three of the worst "smears" used. They are actually never defined, so that the victim has no way of defending himself against the accusations hurled against him. Instead, most "brainwashed" people simply assume automatic condemnation without trial and refrain from again using whatever term brought the blast.

Correctly defined, a "racist" is a person who approves of their own race; who maintains respect for his own kin, and prefers to live among his own kind. It does NOT imply hostility of any kind towards others who differ from them.

According to this "correct definition", most all of humanity are "racist". Yet, what do you find today?

The true racist, who loves what he considers "his own people and cultural uniqueness", is immediately smeared and persecuted for no other reason than that he has the desire to defend his own native kin, and who is determined to follow God's Natural Law according to his own definition of "kind" and practice his cultural traditions. Are the traditional Jews, for instance, not "white"? Are the fair-colored Blacks not "white"? and thus and so? So, what are we actually speaking to in this discussion? *The man-conjured unacceptability of being that which you are in freedom and*

equality!

I speak of this "thing" grown like a cancer upon your societies which pull you apart in every direction because you have fallen prey to the intent of exactly that cause. If I speak the word "Zionism" you instantly thrust back "anti-Semite" at me when I speak not of Jews at all. Is it not interesting that the Mormons also are often called Zionists? Do you begin to understand my point? You believe anything that is fed to you through careful psychopolitical means. You are told that the term Zionist is "racist" and wrong and therefore you are required to stop the usage of the term. And yet, the very ones who instigate the requirement set up their own organizations called World Zionist Organization (W.Z.O.) and Zionist Occupation Government (Z.O.G.), etc., and publicly announce they are Israeli organizations and yet, when another citizen speaks the term--they are cast down as bigots and racists. This is for the sole purpose of causing you to allow the taking over of your own government and placing it in the hands of the ones who began the "trend" in the first place.

Your leaders and advisors base policies of "reform" (and "revolutionary change") on the assumption that racial differences are "skin deep", that races are potentially equal in mental ability, and that belief in racial differences exhibits a superiority complex which is shameful and evil--in other words, it requires self-hatred no matter what color or creed you bear.

All races may be fundamentally the same intellectually if given the identical set of circumstances--but all have differing concepts, needs of societal traditions and cultural uniqueness.

Somehow this is unacceptable and causes one who feels "superior" to murder all that he considers "inferior". The facts are that you have no facts! You do not know of that which you cast forth--for you are not given to know differences in genetic structure which gives discernment regarding race. Perhaps it is not as you suspect--only Creator is in discernment in that matter. You are further inundated by the mass media, as they saturate the gullible public with scientific fraud whose aim is not that of compassion for others, or a search for truth, but for the mongrelization and collectiveness of Mankind. This reduces the individual to a "nothing" state of being which allows for total enslavement of the multitudes.

The question of "racism" boils down to the fundamental right of all peoples, brown, yellow, black, or white, to preserve themselves, and fit themselves into their natural forms of tradition, family life-styles, even nations and specific civilizations. It does not preclude equal respect and justice.

"Race" differences are factual. A man cannot change that which he is, nor should he desire to do so for any reason--the very uniqueness is a wondrous gift of Creator. That which he IS--he IS. To deny Race is to deny self. Race is not merely a kind of popular superstition, it is one of the most crucial, yet least understood subject in your world. It means not equality of soul--it does represent differences in physical presentation. To deny such differences is neither sound nor sane and those who emphasize and press this denial, for the most part, have ulterior motives for so doing and usually intend to somehow gain control over the group in point.

Intellectual dishonesty on the part of your politicians, educators, and most surely the clergy, is fundamental immorality. To ignore the forces of race, nation, family, and the immense powers of tradition, history, civilization, and religion, is to make oneself guilty, not only of intellectual dishonesty, of the worst kind, but of suicidal folly. For, in ignoring these facts, one becomes an instrument of destruction--which of course, is the intent of the ones who train you to think in these patterns.

It is as with the Iraqis and Arabs in general. Seven months ago it was wondrous to be an Iraqi--today the world spits upon the blessed Iraqi and Arabs are shunned and investigated in your own "free" and "beloved" land. How think ye the people? How easily you are duped and trained into the bigoted teachings of your puppet-masters.

Seven months ago Saddam Hussein was a beloved friend of your nation--within one day he somehow became an Arab Madman!

If you cannot see this process being thrust upon you and taking place before your eyes, it is because you have deliberately shut them to the truth!

Your political and religious leaders refuse to recognize publicly that the world-wide campaign against racial discrimination in the halls of tradition and justice comes from deliberate calculation on the part of the Zionist/Communist combine, whose aim it is to arouse anger rather than reason, and to inflame the Black and all people of color against the whites, or any other grouping, for that matter. The ultimate end of eradicating all "races" and nations of the world is in specific intent to bring about the Global

Control. It is again the matter of apples and bananas--they are both fruit of a plant--but they differ. A Black is, at least in appearance, different from a Caucasian. Does that make one superior to the other? No, only different. Calling the "White man" "Oriental" does not change the circumstance or the fact.

This is a most dangerous thing you ones of Earth have going on herein for it sets you against your brother and these are the most heinous wars ever brought forth--race against race.

In this matter of race you ask, "What changed Jesse Jackson into a party-line conformist?"

Just prior to the announcement of his joining the Trilaterals and being appointed to the CFR, he spent a weekend with Bush at Camp David. Does that answer your question?

Pay attention to House Speaker Tom Foley--he and his wife will go to Camp David this very weekend for "attitude adjustment". A lot of leaders are being brought into line.

I will speak more on the "Jackson" change at a later time for he is to be a key person as clamps are tightened around the Black youth but it is a distractor in this writing.

I would have you take notice of something important, herein. It is the Jewish population who scream "anti-Semitism" and "bigots" against those who speak out; yet note, please, it is the Jews who have moved within the Zionist culture (and the Zionists Khazars are not Jews) who are the most racist of all races. They are fanatically race conscious--more so than all other races on your globe or in all of history. That, in itself,

should tell you the truth of the facts. You cannot pronounce yourself a "RACE" if you are not. Jews are a Race, so to speak--Zionist Khazars are not. They are of the lineage of Mongol, Nordic and Russian.

It is further interesting to note that in Talmudic Judaism (not Hebrewism of the Old Testament), these ones are taught that they alone are *human beings*. Isn't it interesting to note that the Native Indians of America were also *pronounced to be non-human*??? Please now, surely you do not think GOD gave forth such a bunch of lies. The spokesman for the Zionists, Samuel Untermyer, most modestly put it to words in the early '30's, "We are the aristocrats of the world!" Their very religion teaches them that they were made by God to rule the world and that all non-Jews will be their servants and slaves! Do you actually believe that God projected such a thing?

Religion and Nation have become so closely fused with Judaism and Zionism, that no one today can say where one ends and the other begins. They are fiercely race conscious for themselves while being just as fiercely against race consciousness in the "goyim". Goyim being anyone who is not Jewish/Zionist.

This is a very difficult subject to discuss in any manner what-so-ever because of the psychopolitics involved and the repulsive and radical supremacy groups who are heinous in the opposition. These are the very things which Man must rise above to move again within the balance and Truth of God's laws. These, however, are the fundamental differences projected upon you as world citizens to divide and, through division, you as a civilization

are captured and lost to freedom. Anyone who controls a man's thoughts and perceptions, controls the man--and you are there, my friends--you have just proven as a nation that you are there. You, as a nation, now commit those very acts which you claim to disallow. You have become, United States of America, the world's most blatant aggressor. The other nations of the world no longer spend much time "laughing" at your ignorance--they now hate you for your villainy and pronounce you "suckers" and "stupid idiots" who are controlled by that very thing you claim to deny. So be it--if the shoes fit, my friends, you are destined to wear them. ACTIONS PRONOUNCE TO THE WORLD THAT WHICH YOU ARE--NOT THE WORDS YOU PROCLAIM FROM BEHIND THE GUN! May God have Mercy upon you blinded lambs who have fallen to the rhetoric and harangue of the puppet-masters. You have been sorely deceived as a world civilization and too late you come to see of it.

We offer our hands in support and assistance--but you must take of them for none shall force another into Truth--that is a path to be taken for self. Salu.

Hatonn to move to stand-by, please. Good day.

1/18/91 SANANDA

Good morning, Thomas, let us begin. Sananda present in Radiance on this dark day for your world. I come in service unto God and to those of mine who shall be the remnant when the madness ends. And end it shall at the closing of the cycle. It is the tunnel unto the ending that shall be most difficult and painful and bloody. Who will walk in my light to the end of

this tunnel? How many will turn to whatever has given comfort in the past when all the world is upside down and inside out? What would you reach to? It shall be a long and painful journey for man has not listened in his ego-filled stupor. And now, as the bombs begin in earnest, will he stop to ask himself what has caused such madness or will he simply load another shell for destruction? Who among the fodder will again turn unto God, the only salvation and hope for man?

It shall be as a giant ping pong game viewed from the heavens...as the bombs bounce back and forth, to and fro...and in the wake of this game set up by Satan himself there shall be untold destruction and desperation. The shroud of death shall cling to the land.

Who wins in such a conflict? No one wins, everybody loses. Satan smiles...

Who will turn to the books of truth to learn what has befallen the land? How many will seek to find answers for all that has gone awry? How many will cling unto the false preachers and prophets only to be sucked into the vacuum of darkness?

When will man, in the midst of such destruction and death, put aside his petty opinions and differences and take his brother's hand to build and defend? Who among you will pull together before the midnight hour to insure some small measure of survival with integrity? Who will be found worthy to stand in God's Presence IN THE FLESH? What excuses will you make unto God and unto self at that hour...should you make it that far?

The bell is tolling for thee, `o-man...it tolls for thee. Hold

fast unto The Laws under God for they and they alone will offer you the direction and the balance and the literal salvation which you seek. Walk in harmony with The Laws even though the world around you flows red with blood of the innocent and the guilty...and you shall again stand in the presence of God and learn great truth. Turn unto the physical and the sentence is destruction of self and a journey home that shall be immeasurably long and painful in the counting.

God shall make His Presence known, as shall I, at the appointed hour. Do not limit nor underestimate that which is possible with God...for there ARE NO LIMITS TO THIS ENERGY. So, too, the destruction shall be played out to its completion for it has long been foretold and man has failed to hear or change behavior to turn the tide...therefore the consequences of such actions shall be experienced directly. THERE SHALL BE A REMNANT...THAT WAS THE PROMISE...THOUGH IT BE SMALL IN NUMBER, THERE SHALL BE THE ONES TO REBUILD FROM THE ASHES THAT WHICH HAS BEEN FOULED AND BLOODIED. WHO AMONG YOU WILL THAT BE? WHO WILL WALK WITH ME IN HONOR? WOULD YOU CHOOSE ANOTHER COURSE OR WOULD YOU CHOSE TO BUILD IN GLORY? All these things remain to be seen for man is ever left with the choices. The hour for deciding, however, is almost closed and beyond that point the die is cast. WHERE WILL YOU ONES FIND YOURSELVES? ARE YOUR DECISIONS OF SUCH INTEGRITY THAT YOU MAY GAZE UPON THE MAGNIFICENCE OF THE CREATOR EYE TO EYE OR

WILL YOU GAZE UPON A LAKE OF FIRE? The old ways have spelled the destruction of man. Cling to the old and die with the old. The Laws offer the only way out. The old has betrayed you...won't man try that one path that has not been walked, the path laid forth for balance???? RETURN UNTO GOD AND TO THE LAWS OF THE CREATION FOR THEREIN IS THAT WHICH YOU SEEK!

Ever measure the words which spew forth from thine lips for they are as living things and they shall bless thee or they shall smite thee. With each passing day each word shall carry greater impact and must be measured in earnest. Great is the power of the spoken word...use it most cautiously and with MY LIGHT and it shall bless thee.

Bring this to a close Thomas. Walk gently and be most kind to thy brethren for each among you carries a heavy load. Go in peace.

Salu

TODAY'S WATCH

This World War in which you find yourself is primarily a heinously atrocious farce through which to gain emotional control of the world people--who continue under the delusion that the world has not changed. You have been warned that the stakes would increase, confusion would be the code word of each new day, terror will be the tactics and lies would be all that is projected on your media presentations. You have been told this--YOU ARE STILL TOLD THIS RIGHT FROM THE MEDIA ITSELF.

Things are planned to come off on "distractor days" involving holidays, Congressional recesses and Super Bowls. The non-news is so saturated with lies that are totally obvious and the intent is to cause you-the-people to cease even watching that which is given forth. Meanwhile all manner of Executive Orders can come into mandate and action and the entire of the population will likely miss it.

Mr. Foley, for instance, is being programmed with and by Mr. Bush this very weekend under the facade of denouncing Iraq for prisoner mistreatment, to bring the House of Representatives under control to back the government clamp-down on you-the-people.

The lies in the war are so obvious that I am embarrassed to hear my informed people pronouncing that which is totally blatant, as even generalized substance. For instance, I told you yesterday morning that there had been no "Scud" missiles aimed and shot at Saudi Arabia. I continue to tell you the same--THERE HAS BEEN NO MAJOR ATTACK AGAINST SAUDI ARABIA FROM IRAQ. The entire scenario is given as a show for the world who watches the screen like a B-grade movie. Do you realize the show would not even be rated as grade A movie plot material?

There was a big and obvious show of "protecting Israel" with missile launchers already in place and now to prove how efficient they are YOU have launched ONLY three missiles over the city in Saudi Arabia, Riyadh. One of them was so poorly aimed as to fall into the ocean. The other two were launched (and they were not Scuds) and then shot down with your 50% failure Patriots. The

numbers of pictures representing different missile destruction were simply photographs of the same interception from many camera locations. This is why every newscast laid it on very heavily that "...and now Israel should feel more secure!" But, on the other hand, there have been at least three times as many missiles into Tel Aviv as reported and the ones they SHOWED YOU BY FILM were not the actual Scud missile explosions caused by Iraq.

Why? Because the Global World Order and World Controllers are gaining total control of the world through the hazy fog and shield of this ridiculous war in which hundreds of thousands will be slain. Even Russia is utilizing the cover to bring all those nice newly free countries right back under the iron fist and prison shackles. You of Earth are into the beginning of Armageddon and you see it not. You are even fighting in the very place of Armageddon and still you refuse to see that which is coming down.

How many of you readers have even bothered to take an atlas or maps and REALLY look at the places under discussion in these days of happenings? Look to Israel and Jordan and other places around Jerusalem and then look to Riyadh and yes, Dharma (city in SA) and really SEE! Do you really think that God would allow his chosen (israel) truth-bearers to perish in the barren deserts of the Middle East? Ah, yes, that is where the battle known as Armageddon shall take place for that is where the anti-Christ shall be in fullest measure. So be it; do not limit nor underestimate God, my friends.

Allow us closure of this for it is sufficient to finish the current Express under formatting. Per-

haps later today we shall have time to discuss a bit of information regarding genetic duplicates and holographic/cellular manifestation of new bodies and the mechanism of programming. The concept is so simple that I am almost embarrassed to discuss it for, as with all things scientific in "nature", you will find total simplicity.

May God walk gently and mercifully with you, through these days of trial, confusion and transition. Salu.

Dear Friends:

We are very pleased to announce that George Green, publisher of the Phoenix Journals, will be a guest speaker at the Global Sciences Conference that is being held in Orlando, Florida on January 31 through February 3, 1991. George will be speaking on the very latest information from the extra-terrestrials concerning our nation and planetary situation. There will be a workshop scheduled with George where specific details will be carefully outlined. All in attendance will be both shocked and fascinated. For details: CALL 303/452-9300.

OUR NEWEST JOURNALS

PLEIADES CONNECTION,
RETURN OF THE
PHOENIX Vol. I
By Hatonn

This Journal continues the practice of keeping you updated on major world events while giving you much other information about many topics.

You can learn the **truth** about the origins of humans upon this planet, our purposes here and why the truth has been hidden from us.

We have help to overcome all of our major difficulties **IF** we will return to living under the Laws of Creation and God.

Many other topics are covered such as types of dwellings best for our use from now on (patterned after Pleiadian dwellings). - Future Revelations and Earth changes - The Constitution of the United Nations Industrial Development Organization under which Pres. Bush is operating our country instead of the Constitution of the United States - What **TRUE** love is - Spacecraft - Types of metal used in them - About 666 and its significance - How the planet Venus got into our solar system and details about its surface (not as some have told us) - The danger of certain comets in our past and **immediate future** - The truth about **robotoids as our world leaders** and **MUCH, MUCH MORE.**

CREATION, THE SACRED UNIVERSE By Gyeorgos Ceres Hatonn

In this latest "JOURNAL" we are given day by day information of important events going on in the world and especially about Russia, Iraq, Israel, the Middle East and the U.S. and how these tie into the major prophecies of the end-times.

We are given information about the history of this planet and origins of the humans here.

We are also given a response to the "Middle East Prayer Alert", put out by many well known "Christian" leaders, by Jesus Sananda. Many other topics are covered

including: Our origins - The moment of "no time" - Cities of Light - Pres. Bush and the "New World Order" and its consequences - The geological processes involved in Vulcanism - Learn how water (Babylon's Achilles' heel) will play a major role in starting of Armageddon - The "Global Agenda" and how oil control is of key importance - More about Noriega - Why doesn't Saddam give up? - Russia's real role with Iraq and the Middle East - Russia's superior weapons determine what we can do in space - The POW's we abandoned - The origin and purpose of the Bird Tribes - Some history of Earth and settlers here 70,000 years ago and the consequences. **AND MORE.**

THE PHOENIX JOURNAL EXPRESS, VOL'S III & IV **\$15 230 PAGES 8 1/2 X 11"**

This book is a compilation of the Phoenix Express Newsletters with **11 pages of indexed headings** (this is great for those who want to find a particular topic).

Many topics are covered including: The Hubble telescope fiasco - privacy - Bolshevik/Thatcher use of the Falklands - John F. Kennedy's murder - the Warren Commission - Jordan's King Hussein's message to George Bush - the Khazars - the Zionist Protocols - Pres. Bush and the New World Order and much more.

TODAY'S WATCH

Hatonn present in the service unto Holy God and brotherhood of Man. Salu.

I am queried as to whether or not this article or that article might be included in the Expresses. I ask that you keep bringing these things unto my attention but I will do a little corrective thinking in this matter. I will write or ask things to be entered INTO the document. My purpose in bringing forth these writings is to bring forth Truth--nothing more and nothing less. What you do with it is up to you, the human, physical participants. If there are others who write and publish, I leave it to the publisher of the Express what will "go with, but not in, the Express" if it is not of my direct choosing.

TREASON AND ACCUSATIONS THEREOF

The ones who commit treason against your nation are in the highest seats of government--but YOU put them there and formed a system which gives them ultimate power over that which your nation becomes. I shall continue to point out these things for it impacts the journey and the choices taken. *I do, however, warn you to have discretion. DO NOT PUT THESE THINGS FORTH "IN THE NAME OF - - -".* I neither tout

action in the form of murder of any method what-so-ever nor do I advocate actions which will only result in the closing down of the writings due to controversial actions of the people involved.

If documents go forth it MUST always be separated in message circulars fully stating that it is "something being done by groups about the country and perhaps you would be interested." We of this place have building to do and Truth to write. If the publisher finds information, and more and more will be coming, do that with it which the publisher feels appropriate--DO NOT ATTACH SUCH TO OUR WRITINGS. I ADVOCATE YOU RISE AND TAKE ACTION FROM FULLY FUNCTIONAL THOUGHT AND SIGHT. WE DO NOT MOVE OFF ON "SOME CAUSE" WHICH CAN ONLY STOP OF OUR INTENDED WORK FOR THE WRITING IS ONLY A SMALL PORTION OF THAT WHICH IS OUR TASK. The "Message from Veterans to the Troops at Fort Saudi Arabia", as a for-instance, might well be shared but NOT through my documents. Perhaps if you desire the public have this information, simply take a whole mailing and send nothing other than copies of material sent to the publisher giving support, actions, contradictions--poison pen letters, etc. WE REPRESENT THE VOICE OF GOD AND THERE SHALL BE NOTHING

WHICH CAN STOP OUR WORK GOING OUT FROM WITHIN.

We come in Truth, in love and not to "overthrow". Ours is to build stability and means for a transition--not to blast one another with beams and nuclear substance. Ours is not to ask defiance except as one chooses within moral self. Each must choose of the journey for self, based upon valid information--we must not turn the blessed Journals and Expresses into fomenting revolutionary material. Simply bringing Truth is dangerous in its whole, as you all have been given to witness and experience. We do not manipulate Truth albeit appearances suggest otherwise; it is simply that Truth is so outrageous in these closing days of chaos that it appears such. We will continue to tell that Truth as it IS and ones must glean from it that which they will. So be it.

NUCLEAR STRIKE!

Be alert and aware in these coming days of heightened military confrontation. Heed that which your Secretary of State and your President have said, watch the outlaying of actions (especially the Soviet Union) and then allow integration with that which I have brought for your consideration. *I warn you, again, that there is most likely to be a horrendous nuclear war--FOR YOUR ADMINISTRATION AND PENTAGON ARE CONSIDERING USE OF "THE BIG*

ONE"--IN THE VERY NEAR FUTURE.

It has been known from onset that Iraq has full nuclear capability and only this week it has been made public that they not only have the capability but have the weapons in deep underground protection. We won't even discuss strike needs and capabilities against Russia at this point of reference.

I REPEAT: YOUR ADMINISTRATION AND PENTAGON FULLY INTEND TO USE NUCLEAR HYDROGEN WEAPONS IN THE NEAR FUTURE! Thus far the war has been based on that which they call PSI-OP. Full barrage of false information, emotional hype and incredibly terroristic maneuvers--*on both sides!!* ***Brothers, you are at war and the rules of the game are not the same as playing on your computer--"as if".***

Hussein has a lot of your military men as prisoners and he will place them in strategic sites to prevent bombing--but it will not do so. Your President, yesterday, said it will make "no difference" in coalition actions.

The U.S. and Mossad are doing some atrocious things to have it appear Iraq is bombing and destroying Holy sites, etc. Come now, the press also says that ALL incoming missiles are being destroyed by your Patriots--along with lots of Patriot missiles being "technically blown up through error". At the least, you should realize that every little false demonstration and misfire of either the Patriot or Tomahawk missile is over a MILLION DOLLARS EACH. So if you launch a missile for "show and tell" and shoot it down with a Patriot for more "show and tell"--TWO MILLION DOLLARS IN PROPAGANDA. I believe you can see how valuable they feel the propaganda episodes are in expectation.

You can also count on any "suggested attempts to bomb and destroy, i.e. the Aswan Dam, is not believed that Iraq will do so, but you can be sure it will be damaged at the hands of the allies. First the seeds of threats are planted and then, when the actions occur, it is immediately announced that Iraq has done it. This is the very point of terrorism and you have the head leader terrorists on YOUR SIDE!!--REMEMBER?

SHAMIR AND EAGLEBURGER

Do you realize that you have a non-elected person in Israel making commitments for you, in Israel. Eagleburger is simply an "advisor" to your President--I suggest you watch your own newscasts at the smiling brotherhood obviously already established long prior to now. ***Who will protect the Palestinians and Lebanese? Who is protecting the Lithuanians and Latvians?***

Well, nothing has changed in my projections unto you--the Soviet Union does not yet want a nuclear war, but I promise you they will give you a lesson beyond all lessons if you drop one of those bombs--anywhere.

Why Camp David every weekend for the President? I told you WHY and further, it requires constant attention to keep the participants in control. And, for my local inquiring minds--yes, we can work nicely with some of their programmed persons. In many ways it is far easier--you ones must keep restraint and avoid argument or outlay of information for they will expound on their own programming plots and not really notice what your intention might be. It is beyond their capability to believe that you would be working with them if you were in opposition to them. Just allow them to talk and talk and talk and you will learn information undreamed of for they

are programmed to "overdo" the point in discussion.

Back to nuclear weapons. They are already setting you up for the kill. They are telling you that you will have smoke "winter" from burning oil fields, etc. At some point you will be "surprised" and the bombing will happen and then you will be told it was "...the only thing left to do to prevent the total destruction of the globe".

You are already being readied--further, you are now being told that there is strong opposition and the war can be very long in duration--EVERY DAY THE STORY CHANGES--just like, "No new taxes; read my lips." But I tell you right now that the confirmation is "leaking" forth from "insiders" as to the intent of utilization of the nuclear attack, so watch out--when the leaks begin to flow to these "proper" parties, such as ones connected hereto--it is important to take note! They want the "word" to go out. Therefore, I suggest you take this under careful consideration for the information of confirmation has come from a most remarkable source very close to the President, himself.

HANDWRITING ON WALLS

On December 23, 1990, Richard Cheney told the international press that he would ***not rule out an "absolutely devastating" chemical or even nuclear attack against Iraq if war should break out.*** Cheney furthermore declared that President Bush "has a full-spectrum of weapons available for hostilities", a fact confirmed by the deployment of nuclear weapons-carrying aircraft carrier groups in the Persian Gulf region. That's right, they are already on board and at-ready.

Further, the Israeli government is at Bush's disposal for detonating a conflict in the region which could also be nuclear, or provide an ex-

cuse for same. Actually, it would be set up so that claims could be made to the "remaining" world that somehow the Iraqis had accidentally detonated their own weapon(s). This would sell because you have already been told they "do not have the expertise capable of successfully using a nuclear bomb". A high school student can and has, years ago in America, built a nuclear bomb as a project--it requires practically no expertise at all. Handling same after creation is a bit different but not unduly difficult. The triggering incident is fully expected to be Israeli-precipitated and the European community is getting prepared. Do you not witness the French stripping the shelves of the markets for preparation while the government says "no danger!" and arrests ones for "hoarding".

You get no news but even in England the nuclear threat by the Bush administration garnered banner headlines and continues to do so day after day. The German press is in constant referral to the threat.

Now, what do you Americans who are nervous about your sons being killed for oil, think about American first use of nuclear weapons, with all the attendant complications with the Soviet Union?

SUPER-POWER CONFRONTATION?

The Soviet technical advisers are still right in Iraq and full service attention. The potential role that these advisers play with Iraqi Soviet-supplied weaponry, as well as the political complications, have been completely down-played and the subject barred from open media discussion.

These Soviet advisers volunteered to remain in Iraq, after negotiations between Moscow and Baghdad were successful in paving the way for their return home. Flimsy excuse fed to you-the-people: "...they

choose to stay in Baghdad because, at worst, there is more food on the Iraqi shelves than in Soviet cities." How could that be? Didn't you just give \$2 billion in food to Russia (Moscow)?

AGAIN--HENRY KISSINGER

Here we go again: Of course, the use of nuclear weapons, including such items in the U.S. arsenal as the neutron bomb, would have broader implications than its effect on Soviet citizens in Iraq. In fact, even the threat of using nuclear weapons shifts the international equation into a situation similar to that of 1973 (does anyone remember?), when Kissinger was also directing the actions of another American President.

Kissinger, of course, tried to make a strategic asset out of the insane threat of nuclear assault--claiming that if a head of state threatened to do something so insane, he could back his opponent down. George Bush fully intends to follow such strategy and follow-through if necessary.

THE ISRAELI CARD

Eagleburger is in Israel setting it up right now! While the Bush administration continues to insist on unconditional retreat by Iraq, the Kissinger-linked forces who control the present Israeli government are carrying out a series of provocations which could easily lead to the detonation of such horrific outcome of nuclear intervention.

Remember, dear ones, Eagleburger is directly from the Kissinger Corporation--literally. Does anyone recall the "China incident" and "followup visits" before the bodies cooled? There is nothing too heinous for these ones who intend to control the world--nothing!

You think this cannot be? Listen up! Throughout the entirety of the 1980's, "black" operations run

jointly by U.S. and Israeli agents with clandestine funding from oil-rich Persian Gulf nations have killed millions of people worldwide and subverted American foreign policy.

The detailed account of how the Mossad, Israel's secret service, working with an inner circle of dual-loyalist Washington bureaucrats and with subservient CIA officials used laundered Arab billions to spread its covert-action network from Panama to Ethiopia is the most anxiously guarded secret inherited by the Bush team from the Reagan administration.

There are identified trouble spots where the Mossad and the CIA launched joint operations with clandestine Arab financial backing.

In Nicaragua and Afghanistan, where Israeli agents were called in by the late William Casey, then serving as CIA director, to supply weapons, training and other support services to anti-communist resistance forces, U.S. strategy was "derailed and frustrated". In Nicaragua, more than a century of U.S. regional hegemony ended when UN troops were brought in to disarm the resistance forces and install a coalition government largely dominated by communists. In Afghanistan, the campaign of the mujahideen freedom fighters was sabotaged and aborted by Israeli agents who feared that an anti-communist victory would lead to the installation of a fundamentalist Islamic regime in this strife-torn nation.

In Africa, where most governments broke diplomatic relations with Israel in the 1960's, the Mossad re-established a broad spectrum of influence by running covert operations, selling arms and training local enforcers from Angola to Zaire. (Please refer to THE MOSSAD CONNECTION, a Phoenix Journal.)

Israeli agents have unleashed horrifying violence and destruction on the dark continent. Just last year one of the bloodiest civil wars in African history was taking place. The turmoil was triggered by the brutal repressive tactics taught to the Liberian army by Israeli instructors brought in at the suggestion of the influential U.S. Embassy. The same scenario is discovered in place after place in such far-flung and formerly peaceable nations as Sri Lanka, Rwanda, Sudan and Guatemala.

This secret information regarding worldwide covert Israeli intervention, sponsored by dual-loyalist U.S. national security officials and often financed with money contributed by wealthy gulf rulers is one of the most important stories of the 1990's, dear ones, and you have yet to note it. Will Congress investigate this? You be the judge--Congress is three-quarters completely controlled by the Israeli Zionists--whose police are the Mossad.

WHAT ABOUT THESE WARS?

Saudi Arabia, Kuwait and other oil-rich gulf states have contributed billions and billions of dollars in deep-cover secret funds to worldwide covert operations run jointly by the CIA and the Mossad--mostly since 1981.

Behind a curtain of blackout secrecy, this clandestine alliance has financed "black" (meaning evil--not color) operations and paramilitary expeditions that triggered regional wars and civil strife around the world with millions of victims. This is **KNOWN** within the higher circles of the United Nations. There is "hard documentation" right in the UN's secret files.

It has also been confirmed, the existence of deeply hidden Arab-Israeli secret service links. They have been traced to the late

William Casey, a most shadowy wheeler-dealer who served as President Reagan's director of CIA until his murder in 1987.

William Casey had intimate contact with Saudi financiers, and of course at the CIA he inherited close ties with the Mossad. Remember that Casey came to the CIA from Wall Street. He was a born dealmaker and he simply merged the two. One of the first things Casey did was to replace the dean of the Arab diplomatic corps with a stooge which could be manipulated--Prince Bandar bin Sultan, an influential member of the Saudi royal clan.

Bandar proved a perfect stooge for Casey for, "back home", he referred to King Fahd as "Uncle" and he immediately attached himself to Casey in the same manner. Arab diplomats have efforted at total security regarding this involvement--however, as with all such evil chārades--leaks do happen. In recent weeks there has been tremendous outbursts over the reports of collaboration with U.S. and Israeli agents and which ultimately triggered the present confrontation. Please, however, do not lose sight of the undeniable fact that it is a part and parcel of the Global 2000 Plan of World Domination--which your President refers to sweetly as peace-building New World Order.

There have never been and continue to be no plans for Iraq to invade Saudi Arabia. Will they invade Saudi Arabia--NO! They may, however, very well set the Saudi oil fields afire, although I see that the Israelis still intend to do that little trick, instead. Remember the scenario which was planned and I laid forth for you: *There "is planned" an Israeli maneuver utilizing Iraqi marked aircraft to drop chemicals on the UN troops in fly-over and ignite some of the major oil centers in Saudi Arabia--in the same mission. The*

point, of course, to blame Hussein and unite the world. This new thing that has been announced yesterday of the people of several of the Islam nations declaring a Jihad against Iraq is propaganda and total fabrication. ***Further, you can KNOW that terrorism in the U.S. will in large measure be attributable to the Mossad in fact, but blamed on Arab terrorists. THERE IS A WORLD DOMINATION AT STAKE HERE--NOT OIL NOR DEMOCRACY.***

I cannot explain each of these points in detail, friends, for I have written at great lengths in prior Journals and I have no intent nor "time" to repeat and repeat--I can only suggest that you get your hands on the prior material and do a bit of homework--I give you nothing which you cannot now go forth and PROVE.

Let us leave this, Dharma, as there is pressing work otherwise to be tended. Keep within our shields, chelas, for the way is indeed tamped full of obstacles and fraud to pull you from your task. Remember that in the ending--God wins and it isn't over until HE does so. Salu.

TODAY'S WATCH

Thank you for clearance, Hatonn present.

Comments on the happenings this day become so foolishly ridiculous that I hesitate to allow you to think that I think you readers to be so trite. However, the hidden may not be so trite.

The people in our publisher's office continue to get calls from objectors to this Truth we bring. Now I am told that a local letter in the paper rebuts "our" documents.

If that is so, friends, then I would correct a few items and I further suggest GG write a note to this paper thusly doing so.

Firstly, there is direct note to "anonymous" material; we are hardly "anonymous" since the material bears my own logo and signature of identification along with phone numbers--recently, full quarter page notice and phone number. The material we have received in return, however, bears no labels what-so-ever. I thank, graciously, the person sending in the "opinion" letter for I most certainly agree with this entity. It IS a time of unlimited and constant support for your loved ones who are pawns and helpless participants in this fiasco called war! Pray constantly to God for their protection and then YOU ONES GET BUSY AND BRING THIS THING TO A HALT. I JOSH YOU NOT--YOUR ADMINISTRATION IS PLANNING ON THE USE OF THE HYDROGEN AND/OR NEUTRON BOMB IN THE NEAR FUTURE!

Further, Iraqi forces are sitting on hundreds of Air/Fuel tipped missiles. This particular bomb explodes above ground at detonation point (completely accurate), forces waves of "butane" gas for some mile and a half and then detonates the gas. First, all oxygen is absorbed, then everything in the path for that diameter is killed by the blast and heat. In many ways it is far worse than nuclear detonation but leaves no radiation. This particular bomb came directly from and through the United States and West Germany. This is only ONE of their arsenal of hideous toys.

For ones about this vicinity--or anywhere, who strive to believe that we do not support the innocent troops in Saudi Arabia, I ask that you avail yourselves of all the information we have produced, take two aspirin and call me in the morning--with suggestions as to

HOW to shut this insanity down--NOW! Your government has fallen into the hands of your enemies. Yes, please, we have urged and urged time upon time--write, call--DEMAND that your elected representatives DO SOMETHING TO STOP THIS MADNESS COME UPON YOUR NATION.

Blessings be unto all of you who turn unto God of Holy Lighted Source and petition for Truth and sanity in this time of chaos--you most certainly owe this debt of service unto your prime youth who are lined up as cannon fodder to test all the toys of destruction man has conjured.

Let me speak of one such weapon, bear with me, regular readers, for I have spoken of it prior to this, but this is a "must" for information. You recently were enthused and greatly pleased in the local area to be getting a partial contract to produce portions of what is called a "cluster bomb". Have you any idea what that might be? It is being used as the prime tip for the air-to-ground missiles carried by your air forces and used on Iraq. The pilots with crews come back in overwhelming joy at striking targets. These are pre-computerized missiles which explode just above ground and scatter other explosive tipped (clusters) of deadly side bursts in every direction for a distance of a quarter to half-mile radius. One such bomb landing near a school would kill every person within that radius.

I repeat that the news is geared to the "new emotional aspect of this war" as labeled by your media--you are getting no accurate news in any manner whatsoever--for the media of your country is completely and totally controlled by the government AND THEY TELL YOU SO, CONSTANTLY, ON THE MONITORS. THE WAY TO SUPPORT YOUR TROOPS AND LOVED ONES IN THIS DEADLY CHARADE, IS FOR YOU AT

HOME TO WAKE UP AND TAKE MEASURES THROUGH YOUR ELECTED OFFICIALS TO STOP THIS THING.

A young soldier from the desert wrote me and said he was there to insure the right of these individuals to have freedom of speech-- No, that is NOT why he is there--he is there to make sure you end up with NO FREEDOMS AT ALL, for through Executive Orders and National Emergency--you have no rights remaining, and certainly the young person in the field of duty HAS LESS! This war is staged and orchestrated to bring about the Global Control by a few Elite would-be dictators who strive for the "New World Order". I suggest you all study up on just what that means--it most certainly does NOT mean an "orderly world". We continue to fight, and die if necessary, for the right of those young people to grow old in their chosen careers and watch their families grow in some semblance of freedom and Truth--that is MY PLEDGE UNTO THEM--WHAT MIGHT YOURS BE? These would-be-Kings know exactly that which they do--'tis only you--the people who are deluded. I further suggest that all ones take a much better look at that which is "being circulated" through public channels and THEN, after careful study of the documentation, get your confirmation and then consider how many stones might be worthy of your throwing.

One last point on this particular matter--for what do you pray to this wondrous Christ God? Do you ask for protection of your own forces in deference to the innocent civilians and children who will be slain by these weapons of destruction? God is a just God and I recognize not this "Christian God" to whom you ask favors of evil success. I travel with the Christed being whom you await and He is sickened by that which is done in His Holy name. So be it. The

time is at hand for coming into Truth and I am sent forth as a precursor and preparer of the way for this very "Christed being" that you claim to adore and await.

Whether or not you like to think there are, or are not, whatever silly thing you might consider a UFO, I am among the fleet members who come in service unto that Christed being on his return unto HIS Kingdom. I come forth as Commander of United Federation Fleet of the Inter-Galactic Federation Command. If you continue to think I jest, I suggest you do some inquiring as to just what are some of the things stashed in the hangers at Edwards Air Force Base! Salu. You of Earth have all but reached the point of no return and you SHALL NOT bring your wars and heinous behavior into the Cosmos nor into the spaces of God of Truth and Justice. If you still feel like laughing at this possibility--I suggest you consider who shall have of the last laugh for you approach the days of Armageddon, little sleepy-heads. How did you think HE would come? Ponder it.

NO ARAB NOTICE IN SAUDI ARABIA

The media is intent upon making fools of you and themselves. Let us consider the "non"-attacks on Riyadh in Saudi Arabia. Dear ones, the Arabs don't react and continue with what they are doing when the sirens sound because they are not kept ignorant as are you! They know that Iraq is NOT attacking Saudi Arabia--much less, Riyadh. They would, however, be wise to take some caution for your own forces, under the tutelage of the Mossad (Israel's secret service), are very apt to blow away half the city in order to blame Saddam. You fire up one of your own missiles and, hopefully, shoot it down with one of your own missiles and call that an attack. Two missiles are filmed in pre-recorded format and shown to you from ev-

ery photographic location on the map. The citizens of the city know what is happening, dear ones; it is just you-the-people paying for this charade with life and money who are lied to--"in this war of emotional 'PSI-OP'"--as your Pentagon tells you. There is no "Holy War" (Jihad) being formed "with" the coalition, friends--you are dealing with the most ruthless and wealthy rulers that the world has ever known. The Emir of Kuwait, which you plan to replace into the "rightful" government of Kuwait, has 80 wives in his harem and untold numbers of black chattel slaves in his household. Is that the freedom and democracy that you ask your children to fight and die for? I thought not and it is past time you-the-people of the lie wake up and look at facts for it is planned that YOU BE THE NEXT BATCH OF SLAVES--TO YOUR OWN ELITE SLAVE-MASTERS. Already you produce the "money" to give unto the world. You pay over a million dollars for every missile--whether it works correctly or is shot "in error". You are in serious trouble, precious children, and still you see it not. It is upon you, this beast of a thousand claws, and you had better read on for I am going to explain about the Russian money exchange!

LESSON IN CURRENCY EXCHANGE

You nice Americans have just given Russia nicely multi-colored minted currency for Russian exchange--right off your lovely presses. The beginning of the money exchange is under way--it was ONLY THAT YOU THOUGHT it would be done in America. No, it is part and parcel of the whole agreement for Global World Plan. Do you see, America, what they have done this day? They locked the banks in Russia and set low limits on the sums which might be withdrawn and then set up exchange limits and centers wherein the currency is

being exchanged for nice multi-colored paper which you will find, when it comes down in the U.S., will match! That good old "one world currency" you have been anticipating. When can you expect it? Pretty soon--when things are so hot that no one will dare take notice and, if they do, there is naught they can do about it. I suggest no one be lax about the handling of your "dollars" for they are destined to be written out of existence--just as soon as the chaos level is sufficient to render you helpless. What is going to happen in America is mirrored in Lithuania, Moscow and Latvia. You have allowed your Constitution to be written off and the full government turned into the hands of a dictator whom you call President--by Executive Order and National Emergency.

WATCH THE PATRIOTS

I speak of missiles. It appears that your Patriot missile system failed good old Israel. No, there simply must be enough incidents to cause the "enforcement of war" and retaliation. You must have some "reason" to present to the world, fact or fiction, to blow away half the globe and two-thirds of her population as given forth in the prophecies. It is being carefully set up and orchestrated right this moment with Eagleburger and Shamir as to what the next step shall be in the terrorist retaliation. How better to arouse a world than to commit atrocities of unspeakable nature and leave documents which blatantly define the culprit as Iraq. The Mossad, dear ones, are the terrorists master-teachers of your world from one corner to the others.

When the anti-Christ meets the anti-Christ--the fur doeth fly, dear world citizens, and the Soviets haven't even shown you their toys, as of yet, and it is full intent on their part to ultimately win the entire game while you wonder what happened to Glasnost. They told

you "we will bury you" and "they (meaning the U.S.) will sell us the rope to hang them"--THEY HAVE CHANGED NOT and have had means of gaining control of your government and your military--without firing a shot!

Is this not dangerous for us the exposers of this information? Not too much so except from your own government--for it is well known in most circles who participate and has been for decades. They have simply and efficiently deceived you-the-people. Henry Kissinger and his entourage call the plays in overall while Gorbachev is the Eastern Director and George Bush is the Western Director. Both are not that which they appear. The rungs on up the ladder are Henry Kissinger for Zionism and David Rockefeller for the Banks and Oil interests. Ah, and WHO MIGHT BE HEADING THE SHOW AND TELL? I THOUGHT YOU MIGHT BEGIN TO SEE THE POSSIBILITIES, AND, IT IS VERY **BIG** INDEED!

How did you think the ending cycle would come about? Would God be sent to attend lesser than the Big Boy himself? You are "in it" beloved children and the sorting is under way along with the choosing of directions.

We are no threat to the top level of players--we are only at risk from those of you deluded people who are the only ones who do not know the facts and continue to function in the programmed manner of robotic behaviors. Our immediate purpose is to bring the word of Truth as commissioned by Higher Authority and prepare passage facilities and that which can be laid forth as foundation for the radiance to come, and, bring a remnant of God's human species through in order to restructure and continue the "play". It is the time of the closing of the cycle for the Planet and as of the midway point between the 14th and 15th day of

February you will move into day 182.5 of year four of the new calendar of the Ancients. This means that as of that date you will have concluded the first 3 and 1/2 years of the important segment of timing! It might serve very well to take special attention unto that which is unfolding about you as related to those prophecies of Revelation, Ezekiel, Daniel and others you honor as truth-bringers.

Perhaps you can listen with new ears and see with new insight the Truth upon you. Perhaps you can see and hear that the place you call Israel is Palestine by any name you choose. Israel means "israel--God's chosen" and has naught whatsoever to do with geographic location. You will find that the ones who occupied the land of Palestine call themselves Jews but are NOT. They come from the Nordic, Mongol, Russian tribe of the Khazars who proclaimed themselves Jews but are NOT! They come from what is known as the "Thirteenth or Lost Tribe of Israel"--they are the anti-Christ. Further, they have infiltrated every fiber of every nation on your globe and have taken control of your very own government in the United States of America which was a blessed and gifted nation for God's children to flourish and give guidance to a world already in trouble. "What have you done with my gifts, oh Israel?" Interesting question, dear ones, *what have you done with HIS gifts?*

None shall escape the cleansing and evolution of this time of transition--but consider how you will measure up when confronted by self and God! In the closing era--how will YOU measure up to the commandments and laws of God or will you say you "thought" it was alright to break them all? Man has strayed far afield but in the ending shall meet face to face the TRUTH and I just ask again, HOW DO YOU MEASURE AGAINST TRUTH AND AC-

TION?

GAS MASKS

I wanted to make a point regarding the facade of the gas masks handed out in places about your world. What are YOU doing? The gas chemicals and bacteriologic substances are invented right in good old America--so what are YOU doing? All it requires is to have a little "accident" nearby and you are dead ducks. So, on the yesterday some of our people went into a place supplying military "stuff". The counter person said funny thing about these supplies they send us,"...as with the gas masks, fine; they come with a canister but there are NO additional replacement canisters and a canister only works for about eleven hours." The same with the masks in Israel, etc. What about the hour twelve? Nobody bothered to tell people they were dead after eleven hours--so be it. Is anyone beginning to get a flicker of the show going on for your benefit of total confusion? Those of you who wish to confirm this in this location--just go into "Uncle Sam's" outlet in Bakersfield and ask for extra canisters for the gas masks.

Patriotic? Oh, beloved brothers, we are so patriotic for America that our very energy flames with it for you are the Chosen--you ARE the precious crown jewel of God and you have forgotten. May the light shine 'round about you that you come into the seeing of it--the remembering of it; for ***HIS IS the Kingdom and the Power and the Glory forever--Amen!***

LOOK AND LISTEN

As you tend to put away the news media-outlays from sheer boredom and rehashment of lies--look beyond and really see and hear that which they DO give you from which to glean facts.

They now tell you that accuracy of

air strikes has not been that which they have given you prior to now and give you endless stupid statements to cover the stories up to now. For lo, they try "too hard" to deceive and cause their own lies to pour out in foolish contradiction and deceit.

You think there are only a pittance of prisoners in Iraq control? No, and Saddam has supplied pictures and interviews with dozens of them--YOUR GOVERNMENT CHOOSES WHICH PICTURES WOULD BE OUTLAID FOR YOUR CONSUMPTION to bring down the emotional craze of Geneva violations. You are at war, people, and war is ugly unto putrid and vile; you are not playing a game of chess for matchsticks--you are about to blow away your planet and civilization!

May I, lastly, in this writing, ask you to pray with me for you have learned only to ask for self and the words from the lips are not attended--the emotional thrust from thine heart is that which is honored by God in Truth and response.

My Spirit and most Holy Source, you are ever present; ever powerful in all things. May your realm be incarnate within me that I may serve my relations who falter and suffer this day for in my service shall I be served.

May your infinite power reveal itself with me, on Earth that I reach out beyond self for that which will serve my brother--as it is in the Heavenly Places of your wondrous promise.

Give me, please, this day that which I need in order to have strength, discernment, judgment and clarity to serve in the way of your Truth and Light according to your Laws and within Thine Commandments--that I may always act for another and not for self--knowing

that as I do and share with "other" I receive a hundred-fold.

Let me, please, recognize my transgressions and errors, for only then can I serve in Truth and forgive all others their transgressions and perceived wrongs against me, in that which I have sent forth and now comes back into my own being.

Lead me, Father, into Truth and from the temptations of self, flesh and personal desires and allow me clarity to recognize Truth from confusion and always witness beyond that which is presented unto me by Man. Deliver me from those errors of choice and personal ego of humanness that I may grow beyond that which binds me to the Earthly plane and sickens and weakens my very soul.

These things I ask, Father, for yours is the realm within me--the temple blest, and the power and the knowledge forever. May I be given to look into the mirror and see a reflection of you in myself for that is the Christ son of Thineself gifted unto me as a fragment of Your Infinite Self.

May I be open and giving in services according to that which you command--in every moment and in every way. Amen. May I be given to walk with Thee in the Power and the Glory and that Knowledge forever that I might be worthy of Thine Radiance upon me.

Saalome'. I salute you of my brothers upon that Blessed, yet painful, land. We come forth only to serve God in Truth and within His Holy Laws--we are the Hosts come to prepare the way--for He went forth and prepared these places for YOU! -- ACCORDING

TO HIS PROMISE UNTO YOU!

JANUARY 1991 VOLUME VII NUMBER 11

1/26/91 HATONN

PLEASE LISTEN TO ME!

"In the beauty of the lilies, Christ was born across the sea. With a glory in His bosom which transfigures you and me." ... No! Christ was birthed in the realms of God and that is the glory which abides within his bosom. His manifested body was brought forth in a land of dust, hate and barren plains--there were no beauteous lilies to decorate of his landscape. He came forth--not to die FOR YOU, He came forth as a teacher to tell you the way it IS and give you directions--YOU SLEW HIM! He later gave the breakdown of how it would come to end, this cycle of infinite destruction and pulling down of human--IT IS NOW UPON YOU!

Hatonn present in that glory, in the presence of that Radiance--in service unto that glorious Presence, to remind you of your outlined journey.

You wish times and places, "who"--with faces--listen-up for it is unfolding before you and most are missing all.

"Wars fought in the dark, between governments both hoping for victory, are gambles; and they enlist the same passions as gambling for money. There is not only avarice, or more probably debt and destitution, but even more prominently there is love of excitement, faith in one's luck, and eagerness to try a system said to work miracles. Such war is barbarous, not only for being cruel and wrathful, but for being hysterical. The herd instinct at work produces frenzy in individuals otherwise sane. There is a rush of a thousand hearts in a vague cause, simply because it has become the common cause. (George Santayana)" Think

upon the words!

A SHORT WAR?

NO! Whatever happens with Iraq, etc., it will NOT be a short war! Listen to your clues and realize that there must be a focus to cause you ones to fall to the slayer without recourse--THERE MUST BE A SEVERAL-YEARS WAR! FURTHER, IT MUST BE HEINOUS!--and so it shall be.

Why and when? You were told there would be clues such as when the Euphrates would be dry; three and a half years and three and a half years; one would come forth and be proclaimed "God"; Israel (not Palestine where this "new" Israel is located) would be in great persecution and its youth scattered afar--oh yes, dear ones, you are IN IT!

Pay attention to the non-news for the clues. On the 13-14th of February next--ends the first three and a half years. Yesterday in the streets of Palestine they proclaimed Arafat a Holy leader and HUSSEIN--GOD! Could it be? I suggest you pay attention most carefully! Now what does it mean from that statement in the timing of war? Some have given you 29 years as a probability worthy of note--it most certainly has not been a "six-day war" thus far. Yesterday was the first attempt of Saddam to actually even send a Scud into Riyadh and Tel Aviv--and you see, they hit marks in spite of your ridiculous Patriot Missiles. You are only in the very tiny opening of the Pandora's box of evil "strike-back" for all up to now is set-forth to get the world behind your own evil slavemasters. This is "PSYCHOPOLITICS" in fine flower, children, and see how well you bite of the poison lies. "They"

actually tell you openly that they are lying to you and still you believe the garbage fed you is worthy of goodness.

ENVIRONMENTAL DISASTER?

Oh, Saddam will clean up that nice big oil slick he has created--where are your memories? He is going to burn it, chelas! He said he would and he will do so. This day--even if you are not told of same--it has been ignited. You see, dear ones, crude oil must be heated to burn and therefore, must have igniters. Now, once burning it heats nicely but a bit slowly but with steady flow of new fuel source it will burn on forever--intensely with inability of anything to pass through the flames from the surface. This is why the moat around Kuwait which will hold burning crude oil is laced with drums of napalm--to instantly ignite the oil trough. Your war has only begun, dear ones--Hell is only a breath away and you turn your eyes and ears unto your leaders who were "liars from the beginning"! You are passively mesmerized by the psychopolitical brainwashing of years of stuporous input from your vidiot boxes. It is intended to accomplish this end so that you focus on distractions while your "real" world comes tumbling down before you and without objection. Soon there will be no objection allowed! VERY SOON!

The one man who could upset the scenario was double-crossed and now the play can go forth as planned by the Global Elite.

I ask that the writing of 11/17/90, NOW LOOK AT WEAPONS, be repeated herein. Then I suggest you go back and read other portions of writings wherein I have described the mis-

sile system, etc., in more extensive detail. I SUGGEST ALL OF YOU READERS STOP THROWING ROCKS AT MY SCRIBE AND CO-WORKERS AND START LISTENING, FOR YOU ARE A SET-UP READY FOR DESTRUCTION--RIGHT IN THE UNITED STATES OF AMERICA--STARTING WITH YOUR MILLION TROOPS IN SAUDI ARABIA!

NOW LOOK AT WEAPONS

Look at that which the U.S. is doing and sending into the Saudi sector. You had better be getting very, very nervous, chelas, for what is planned is heinous and a lot of people are going to get maimed and killed.

I want you to especially pay attention to the defense capabilities of Iraq: I ask Dharma to copy the article published this week in SPOTLIGHT as given to Oberli. I will further remind you that Iraq HAS ATOMIC WEAPONS AND ALL MANNER OF "DOUBTS OF SAME" AS PRESENTED BY YOUR MEDIA IS NULL AND VOID--YOUR CIA HAS CONFIRMED THE WEAPONS IN STOCKPILE. YOU ALL KNOW THAT ISRAEL HAS A STOCKPILE OF ATOMIC WEAPONS AND IS POISED AND READY FOR USE THEREOF.

Quote:

Iraqi military strategists have built a complex system of trench defenses along the Kuwaiti border with Saudi Arabia, reminiscent of those built by France at "bloody Verdun" during World War I.

Declaring "they shall not pass," French Gen. Henri Philippe Petain built a series of trench and other earthwork defenses along the infamous salient of Verdun. Numerically superior German forces hoped to bleed the French army dry at the Verdun defenses, but the battle continued for months with the eventual loss of a million killed and wounded from both sides.

Now, 75 years later, military analysts are predicting that something like the mass slaughter at Verdun could be repeated in the sandy desert wastes along the Saudi Kuwaiti border.

After the tragedy of Vietnam, with

55,000 American dead and the trauma of that war still causing the nation pain, the American people are not ready for the repeat of Verdun, with all its horrors--massive artillery barrages, bloody charges over barbed wire defenses, poison gas attacks by the enemy, etc. But this is just what they will witness should war break out.

FORMIDABLE DEFENSES

From a variety of sources, SPOTLIGHT has pieced together what American troops will be facing if the administration of President George Bush, currently seeking an excuse for war, orders the U.S. military to invade Iraqi-occupied Kuwait.

First, there is a line of razor wire, backed up by three parallel rows of minefields, each of which is several hundred yards deep and covered with buried anti-personnel and anti-tank mines, which the Iraqi government has obtained from Red China, the Soviet Union and France.

Between the minefields are anti-tank ditches, each about 12 feet deep and up to 10 feet wide. They were dug with earth-movers and bulldozers obtained by Iraq from Japan.

In these ditches, the Iraqis have placed 55-gallon drums of deadly napalm and have piped in crude from Kuwait's oil fields.

Oil-laden tankers, ready to be set ablaze, creating a sea of fire, await invading U.S. Marines off Kuwait's shores. This tactic alone would result in the worst man-made environmental catastrophe in history.

According to British intelligence sources, behind the "obstacle belt" of oil and napalm-filled ditches, designed to slow down or stop American armor, are Iraqi infantry, dug into deep trenches reinforced with concrete-coated wire mesh.

This first echelon of Iraqi forces is intended to further slow attacking troops. A second echelon, according to

the British sources, is strung out in a line that starts south of Kuwait City and extends west-northwest to the Kuwaiti border with Iraq and extends for some distance into Iraq itself. This second echelon consists of highly mobile mechanized armored units and is designed to penetrate and disrupt the attacking forces.

A third echelon consists of a cluster of heavily armored units north of Kuwait City. It is intended to be used in a counterattack.

Finally, farther north and on both sides of the Iraqi-Kuwaiti border is a large reserve force, according to the British sources. It is intended as Iraq's primary force to defend the Iraqi homeland in the event that all of the other defensive lines fail.

FACE WALL OF FIRE

IN THE "OBSTACLE BELT" DITCHES, WHICH ARE FILLED WITH THE DRUMS OF NAPALM AND WILL BE FLOWING WITH CRUDE OIL, THE IRAQIS WILL TOUCH OFF A WALL OF FIRE BY REMOTE CONTROL. THIS WILL DESTROY THE EFFECTIVENESS OF AMERICAN ABRAMS M-1 TANKS' TARGET-ACQUISITION RADAR, WHICH CANNOT PENETRATE FLAMES AND SMOKE.

IT ALSO PROVIDES A "KILLING ZONE" FOR IRAQI ARTILLERY, WHICH IS IN PLACE BEHIND IRAQ'S FIRST ECHELON OF TROOPS.

Iraqi forces have also deployed hundreds of fortified artillery pieces, ranging from 81-millimeter mortars to an awesome array of at least 300 155-mm howitzers.

The howitzers, which were largely responsible for decimating Iranian infantry and armor during the eight-year Iran-Iraq War are the best in the world.

NEW TYPE WEAPON

Iraq has also developed, with German and U.S. technology, a new type of high-explosive weapon, which, according to Pentagon officials, is capable of

delivering a blast similar to a small nuclear explosion over an area several miles wide.

Known as a fuel-air explosive, or FAE, it would be particularly effective against air bases, oil fields or troops in open terrain.

The bomb or missile warhead contains either propane gas or ethylene oxide. An initial explosion disperses the gas in the air, and a second, time-delayed detonation ignites the mixture of fuel and air, creating a huge fireball and shock wave.

Iraq reportedly can deliver the FAEs by aircraft-carried bombs or guided missiles.

U.S. forces will also face Iraq's probable use of poison gas weapons. The Iraqis are known to have blistering agent-type gases, as well as the more deadly nerve gases.

It is questionable if U.S. troops have adequate protective wear to counter such weapons, which the Iraqis can deliver either by guided missile or aircraft bombs.

Few military experts would disagree that American forces, primarily due to vastly superior air and naval power, will win a confrontation with Iraq. They will also not disagree that such a victory will not be without high cost.

As Iraq's brutal leader, President Saddam Hussein, has said, "We are not Panama."

END OF QUOTE.

I have already discussed, at length, the types of cannon capability and missile power Iraq has ready and aimed. I have also told you that state-of-the-art Soviet surveillance and intercept equipment is available and aimed--**YOU CANNOT HAVE AIR SUPREMACY. FURTHER, ALL OF THESE ABOVE NAMED WEAPONS CAN BE LAUNCHED TO ANYWHERE IN THE AREA AT PINPOINT ACCURACY, INCLUDING CHEMICAL AND ATOMIC, TO OVER 5,000 MILES FROM ORIGIN.**

YOUR WORLD IS IN SERIOUS, SERIOUS TROUBLE!

GRAB FOR POWER

This, too, is a reminder of something upon which I wrote extensively in prior segments so I shall only briefly remind you and ask that you follow-up for self.

You cannot, as Americans, understand that which is happening and you stand strong for that which you have been "told", afraid to speak out and appear bigoted or "against" anything regardless of how heinous the actions. Why? Because you are at the point of open warfare in the form of Psychological actions called "brainwashing" and the citizens of a government run by robotoid humanoids programmed to do exactly that which they are doing.

You have never gotten a "real" answer as to why you are in Saudi Arabia! You get mush and idealistic double-speak but no reasons for the REASONS are totally unacceptable to you, in concept--but, as time goes on and the brainwashing lies continue, you take sides and come forth in favor of "patriotism as conceived by the Elite" and push into war, WAR, WAR!! Why? Because the Global Plan 2000 is closing the loop--around the world's neck. You are just now looking at the possibilities that some of the ones you considered your "best friends" are your deadly enemies.

The two major malefactors in an American war with Iraq--Israel and the Soviet Union--are already reaping incredible rewards right from you-the people. Israel will pick up at least another 15 billion dollars and you are "giving" to the Soviet Union as rapidly as it can be handed out. They, further, have explicit plans in place for seizing the oil-rich Middle East for themselves--and they actually "love" Saddam Hussein and will fully share with him after he locks in the "winner number".

ISRAEL (PALESTINE) IS NO FRIEND

Israel, in cooperation with the Soviet Union, is positioning itself to seize the great Saudi Arabian oil fields in the aftermath of this bloody confrontation which the Israelis were totally prepared to ignite themselves--if it had become necessary (they always have at least four alternative plans for any accomplished goal).

You see, a few well-placed fires and detonations has brought the world to defend Israel and offer money and magic weapons and, and, and ad nauseam--and you bite on it like the starving dogs to a bone.

Let there be no mistake about it, the Israelis of PALESTINE are not friends of the United States and have no qualms about killing young American servicemen.

They have displayed their treachery on two glaring occasions in recent history at which you can look and see for self.

During the Six-Day War of 1967, Israeli Air and Naval Forces knowingly attacked the American reconnaissance ship, the USS Liberty, in international waters. Thirty-four American sailors were sent to their graves and more than a hundred others were injured and maimed after being bombed, machine-gunned, torpedoed and napalmed. (Perhaps the segment I wrote on this subject should be included herein). Israeli gunners even shot up their life rafts--you must refresh your memories or find out facts, for most of you were not looking or hearing other than the ball games and missed of the event.

The treachery of these ones continued and proof came forth that the Mossad bosses all knew of and participated in the barracks bombing of the U.S. Marines in Beirut. That was in October of 1983--surely you can remember that little news item. BUT--nothing was done in either event even after facts were proven to pin-point these ones and even after full disclosure admission of both. Dear ones, the U.S.A. nation and families, friends and lovers lost 241 young American Marines who were simply blown away.

Why? TO HARM U.S.-ARAB RELATIONS AND THUS MOVE ONE STEP CLOSER TO THIS VERY DAY!

I also told you that the Mossad has an active spy operation, known as "EI", in place in America to steal U.S. secrets and create clandestine activities which appear to be acts of others, depending upon WHO is the target for voiding.

EASY TO START WAR

Remember the scenario which I asked

you to envision? This is only ONE of several already planned and prepared for action.

Let us say a group of Palestinian or Iraqi terrorists, or a group POSING as Palestinian terrorists, crosses into Israel from Jordan and perpetrates some terrorist act in Israel. The Israelis react by invading Jordan to attack the terrorist camps. Iraqi President Saddam Hussein moves to aid Jordan, and the U.S. reacts by moving against Iraq from Saudi Arabia.

While U.S. forces are pinned down by Iraqi defenses along the Saudi-Kuwaiti border, Israeli armored forces plunge through Jordan and deep into Saudi Arabia from the west, pushing ultimately to the sea.

Meanwhile, U.S. forces are held back and severely mauled by Iraqi defenses, including their use of chemical and biological warfare weapons.

America's current Arab allies on the front lines would quickly pull out of the fight, considering Israel's attack into Saudi Arabia a far worse danger than Iraq.

Meanwhile U.S. forces are being horribly cut up and burned up by Iraqi forces, who are still being supplied and trained by the Soviet's more than 3,000 advisers training Iraqis in the use of sophisticated Soviet-supplied weapons. Making matters even worse, America's supposed Arab allies, such as Egypt and Syria, defect from the "multi-national force" (which they will as soon as they see this scenario unfolding) due to the Israeli intrusion. The Soviets now have several options or windows of opportunity.

As weak as the Soviet Union is internally (or so you think), its army is still numerically superior to the remaining Western forces in all of Europe--they have never ceased arms buildup or military troops increasing. The Soviets no longer need to consider any danger from the NATO forces for YOU dismantled NATO by taking all your people to Saudi Arabia along with armor and weapons. The Soviets have non-aggression pacts and various peace pacts signed with European NATO countries, particularly Germany and France. Shudder now, for it gets worse and worse.

The Soviets now have freedom to

move against Iran and its rich oil fields, which they have long coveted. OR, they could treacherously attack Iraq from the rear, seizing Iraqi and possibly the Kuwaiti disputed oil fields--but they don't need to do that because they are already in control from within. Just as within the U.S. they have governmental control and a defenseless nation which is only left the need to "occupy" in some manner--through your own police departments now trained by the Soviets in methods and allegiance.

This scenario might end with Israel and the Soviet Union sharing the great Middle East oil fields. The American Army is effectively destroyed, and the Soviets win their ultimate victory in their decades-long struggle with the United States, without firing a shot in anger at U.S. forces. In fact, all the while they will have been collecting mammoth sums of money and assistance. Israel realizes the "Zionist dream" of Eretz Yisrael, with a hammerlock on the Western World's major producing oil reserves. The Soviets, already the world's largest oil producer, realize even greater fortunes and monopolistic power from Middle East oil and achieve their long-sought desire to be linked by land to the Persian Gulf.

And the U.S., its military wrecked in the Middle East, its economy in a shambles, and its major source of badly needed foreign oil cut off, is no longer a major world power.

Congress, completely dominated by the Israeli lobby, is already in place and on line and will not raise so much as a whimper in protest--just as they are continually doing before your eyes. The President, already on "their" side and controlled by Henry Kissinger and his henchmen, won't so much as challenge the resulting status-quo. He will simply go on the airwaves with his "Lips" and you will bow and scrape at his feet on some pretext or another. Then the ultimate, the media will actually discount all costs and deaths and will CONGRATULATE ISRAEL ON ITS "STUNNING VICTORY"

The scenario is to be coordinated with a terrorist campaign within your country--it will have a mortal effect on the U.S. dollar, spelling the end of America's leading role in the world's financial community, and economic and civil chaos will reign supreme. But, as

it comes down around you, the President will invoke all Executive Orders in line with National Emergencies of all sorts and you will come into total enslavement, without recourse.

If you STILL miss the point, wait up--it is intended that you, the American taxpayer, will also be forced to pay foreign aid to rebuild the devastated nations in the Middle East!

You had better look at this scenario for these are the shoes which will go upon your feet in America for the times to come--planned, orchestrated and under way! Fear-bringer Hatonn? Accept it any way you choose and deny it if you will but, in so doing, you only close the final door upon self and nation--it is in your choice--I but bring the truth as laid forth on the planning tables--already drawn and the action under way. My only service is unto Holy Father God of Source, Truth-bringer, and Way-shower--to prepare a place for the Highest of the Heavenly realms to come. I, further, am assigned to bring a remnant through the time of chaos and into survival and rebuilding in transition. No more and no less. No one has to listen nor believe--ours is to put the truth to historical record--yours, EACH, is to do that which you will. Amen.

Dharma, close this for with the material added as requested, we shall overflow our length limitations.

One last thought--If you ones would cease and desist scattering "yellow" ribbons about the trees in "memory" of your dead children and begin to attend unto God in petition with intent of proper cause, you would find miracles happening, dearly beloved. Will you do it? Probably not for you are too busy denying God. Support your troops? If you had not allowed their being sent to that foreign death field, you would support them in your arms and hearts--alive and living their lives with loved ones. Yellow is not the color of God's army--yellow is the color of chosen cowardice and surrender unto that cowardice. So be it and selah.

I ask that you ponder these things for the time is indeed short--bless every gifted day for there are few remaining in a world as you knew it to be. The cycle is all but full and the hour-glass run out!

I salute you, who will hear and see and "give God a chance to be heard". I am in your service,

TODAY'S WATCH

May we walk in light, Truth and understanding within His Holy Presence; I am Hatonn.

Blessings upon the massive flood of truthful information which is now springing forth upon your senses. It is not and never was intended that Truth be brought from a single source and there are now myriads of ones writing from factual documentation of these things--from your plane of function. Even WE are not first in most instances of information outlay--but man was not ready to see and hear, much less take action in his own behalf. I cannot list all the wondrous publications which would confirm Truth nor would you read them if I so did. However, I do urge you to read the Journals for we have covered dozens of facets of information which allow background and unfoldment in such a manner as to allow for understanding of "how you got to here".

CEASAR'S WORLD?

Firstly, Caesar has no world. God has a world which means that YOU have a world--anything that "Caesar" or your puppet governments and rulers have--is STOLEN FROM YOU!

Another thrust at the validity of these writings is that, "God would not speak or participate in such things of Man's world!" Oh, how foolish a concept! God dwells in His temple within EACH AND EVERY ONE!--REMEMBER? God shall dwell wherein He chooses and within wherever His temple abides. Are YOU proud of the places in which you take God? Are you in every moment pleased with that which you cause Holy God to participate? Are you pleased with the thoughts and actions of self which are NEVER HIDDEN FROM GOD? SO BE IT.

BANKERS AND POLITICIANS

One of the most "telling" statements was recently made by a public spokesman--"...people are now lumping Bankers in the same corrupt barrel with politicians." And yet you allow the same politicians that have caused you years upon years of comic cartoons and helplessness to control their antics, to again send your loved ones off to die in a foreign land for the purpose of further enslaving a world. Is there true logic in that which you do and allow? You not only carry these politicians as monarchs but you lay your sons and daughters upon the altar that they might walk upon their bodies instead of in the pools of blood. Does that make your hands less bloodied?

Mrs. Bush is "...concerned that the children must watch all this war horror on the TV!" Why do you object? This is that which you teach your children from birth! But you see, evil likes to hide behind cover-up and hidden curtains so that the truth cannot be discerned. If you have not read my dissertation on Psychopolitics, I request that you do so--immediately. You imprison ones who demonstrate and speak out against war--you label them non-patriotic. Where in the world are your minds? Ones who speak out to bring your loved ones home from this terrible aggression in behalf of a dictator/monarch are labeled "non-patriotic"! WHO, ACTUALLY, ARE THE NON-PATRIOTIC ONES? ARE NOT YOU WHO ALLOW THIS HORRENDOUS TREASON TO BE VISITED UPON YOUR NATION THE NON-PATRIOTS?

PERHAPS YOU WILL
TAKE NOTE WHEN
THE BANKS CLOSE

You may feel God has no place in the marketplace and yet the petitions from the masses are: "Help me know what to do with my assets!" and, "I hear all these terrible things and I see it coming, what shall I do?" Dear ones, if you have asked in sincere intent of response, you will receive response--whether or not you heed the instructions is of your own choosing.

If you have read the past recent information you will find that you are "all but 'had'" for that is the full intent--to glean and capture all of everyone's assets. There is full intent to

close the banks and reorganize same under the World Banking Cartel guidelines, confiscate what personal asset you have garnered under Executive Order and "National Emergency Regulations" and change the currency into the One World Currency, etc. The plan is further to confiscate precious metals--i.e. specifically gold, from private holdings. They can seize, under these regulations, all deposit boxes and contents thereof. They can seize all assets stored within your homes and so on and so forth--GET YOUR CONFIRMATION; FOR I GIVE YOU TRUTH AND YOU CAN FIND IT IN THE REGULATIONS AND STATED INTENT OF THE CONTROLLERS.

Well, you say that I have told you that you can invest in, let us say, the Institute and use gold as collateral for notes against money which can - - - - . Indeed I have, for it is one of the last maneuvers I see to help you. That action along with Nevada Corporations where there is not yet integration with the Federal IRS police force. Will it come? Probably, but each day bought is a day toward survival and protection for the evil-mongers will continue to write-in their own protection network of loopholes. On both of these measures you can gain information from America West Publishers. They can tell you who to contact to get more information.

I repeat--Russia is a mirror for that which is headed your way even if there were no war to consider. The money being exchanged right this day is from U.S. printing presses right out of Fort Worth, Texas. Except for language it represents Universal World Currency as will come forth as soon as you are in total chaos and the government can handle the load of exchange and seizure.

Why would they not just seize the gold held against the notes? They can--BUT, to seize same would mean that they must seize assets of collateral from their own banking Cartel. And further, in a note of human/God relationship--there would be investment in information dispersment. IT IS PAST TIME TO GET YOUR PREPARATIONS MADE AND HIDDEN!

One, Rousas Rushdoony said it very well and you might take note: "Politics for the most part now means promising more and more to the people, while

taking more power and wealth from them to concentrate power in the state. Wars are fought in the name of the people. Modern tyrannies rule in the name of the people." And see and hear this quote from H.L. Mencken: "No government is ever in favor of freedom of the individual. It invariably seeks to limit that freedom, if not by overt denial, then by seeking constantly to widen its own functions....All governments, of course, are against liberty....Elections are sort of advance auctions of stolen goods."

RECESSION? NO, DEPRESSION!

By whatever label you wish to call it--America is in a dismal, disastrous, deflationary, depressionary decline which is irreversible! *You are NOT in an "inflationary recession" as the economists will tell you.*

The White House and Wall Street have finally acknowledged that you are in a slight recession. The White House, however, maintains that the recession will simply be a typical post-World War II downturn, except shorter and milder, with a recovery well underway by the second half of '91. *These are the SAME PEOPLE who, six months ago, said there would be no recession.*

This is the same Administration "Lips" who said you were sending troops to protect American lives, interests and prevent invasion of Saudi Arabia. "Naked Aggression" would not be tolerated--"...we will insure return of this little nation to its rightful rulers!" Funny thing--for these rulers, you are obliterating Iraq AND Kuwait. You are murdering mass numbers of innocent citizens and destroying every asset of both nations. This is "...the American Way", you are told. Here again I can quote: (Machiavelli): "But the great majority of mankind is satisfied with appearances, as though they were realities...and they're often more influenced by things unseen, than by those that are."

You are experiencing the accelerating IMPLOSION of America's \$14 TRILION (AND GROWING AT BILLIONS PER DAY) debt pyramid. This is totally decimating the banks, S&L's, insurance companies, real estate and bond markets--JUST AS PLANNED. "You are absurd, Hatonn, it is ridiculous that anyone in their right mind would do such a

thing!" Ah so--right! This is set up for one purpose--to bring Global Control unto the Elite Cartel and One World Dictatorship by the most heinous beings ever to walk your plane.

You are further entrapped by the Cartel Banks getting free of all debts through bankruptcy and non-requirement of restitution at any measure. You MUST take that which they dish out to you for you have lost all your Constitutional rights--the Executive Order calls in Emergency Regulations and it becomes mandatory and lawful to do whatever they will with your precious assets--including your very lives.

HOW DID THE BANKING MESS COME TO BE?

Perhaps it is worthy of brief repetition for the new readers but I ask that follow-up details be gathered from prior writings, say, SPIRAL TO ECONOMIC DISASTER, a Phoenix Journal.

The modern banking system manufactures money out of nothing. The process is perhaps the most astounding piece of sleight-of-hand ever invented. Banking was conceived in iniquity and born in sin...Bankers own the earth. Take it away from them but leave them the power to create money, and with a flick of the pen, they will create enough money to buy it back again. Take this great power away from them and all great fortunes like yours will disappear. And they ought to disappear, for then this would be a better and happier world to live in...But if you want to continue to be the slaves of the bankers and pay the cost of your own slavery, then let bankers continue to create money and control credit. Hatonn brilliance? No, directly from quoted material from Sir Josia Stamp, former president of the BANK OF ENGLAND.

Your nation, and the world, faces an unprecedented situation in having even your largest banks operating on, or conceivably, over-the-edge of insolvency.

Tens of billions of dollars in leveraged buy-out loans floated by America's largest banks, and backed by you-the-taxpayer, are now coming apart as dozens of huge corporations go bankrupt. Worse news: your own guide, Moody's Investors Services ex-

pects a minimum of 25% of all leveraged buy-out loans (LBO) to default. Before it is over--it will be 100%. Your own House Banking Subcommittee says that most of the nation's largest banks are now teetering on the brink of insolvency.

Following a \$1 billion bank run, the Bank of New England (Boston), one of America's largest banks with over \$13 BILLION in assets, was declared insolvent and closed on January 6. That was only the beginning--and moreover, ask yourselves WHY THERE WAS A BILLION DOLLAR "RUN"? Strange thing, though, is that the Bank of Harlem folded and the government simply allowed the businessmen and depositors to lose their assets--not so with New England--YOU WILL BAIL IT OUT FOR THOSE WEALTHY DEPOSITORS. This was only the tip of the beginning as the dominoes fall according to the plans of the Elite Global Planners. What was the reasoning for such biased behavior? Well, W. Seidman said that "the decision was made to protect all depositors because of the fragility of the New England economy, and worries about neighboring Rhode Island, where 45 banks and credit unions were forced to close down on January 1." Point: At the Bank of New England alone, there are over \$2 billion in deposits over the \$100,000 limit covered by FDIC (WHICH IS ALSO BANKRUPT).

HOLD-UP FOR THE PUNCH LINE: this bailout of ALL deposits, large and small, is because the Bush Administration had deposited over \$1 BILLION in U.S. government funds in the Bank of New England--"to help prop up the failing bank," and those funds would have been lost without a 100% bailout. NOW, consider another point herein--as this was being structured, dozens of individuals deposited massive amounts of money in the same bank--representatives of the Bush family assets for one major point in fact.

BANK RUNS

Let me now tell you why you have very, very little time to tend your banking and why the Emergency Banking Regulations WILL come to pass--soon.

One of the most sobering images of the 20th century is that of a run on the

bank. Scared into the national consciousness is the sight, the sound, even the smell of fear as panicked customers crowd the teller windows demanding their money--there is even a nice regularly shown Holiday movie, It's a Wonderful Life, depicting this. Hollywood has made dozens of pictures on these subjects. Almost unheard of since the days of the Great Depression, the specter of a run on the bank is now confronting you--in imminent sequence. The New England situation is only a mirror reflection of that which would happen--AND, THE GOVERNMENT DOES NOT INTEND ALLOWING IT TO GO THAT FAR!

The better-informed American quietly began moving to cash in 1990 as evidenced by ever increasing numbers of forms to be filed for withdrawals, with an increase in cash held in all 12 months. The growth of currency in circulation grew to an astounding 17% in late '90, up from a modest 3-4% money growth in prior years. The cash component of the money supply is outside the direct control of the Fed--the Fed simply prints notes to meet the demand for those notes. The increase in currency in circulation is a mirror image of the decrease in bank and S&L deposits. This is being quietly done to hopefully draw no attention but the impact is notable and the Global Cartel will not much longer tolerate the outflow. Well, where is this money going? Some into money market funds; some into U.S. Treasury paper; some into foreign government paper--but very little, if any, is going into the U.S. or foreign STOCK MARKETS or the REAL ESTATE MARKET.

Your Fed figures indicate that there were net withdrawals from the banks in 1990 of over \$35 billion and an increase in cash in circulation of \$21 billion. So, 60% of bank withdrawals appear to have gone into cash. So, people are wising up and expecting a bank run, bank holiday, and/or total financial crisis. Wouldn't it be nice if you are one of these thoughtful cash-holders? Well, but now looms another blockage in the maze--if you have many assets in cash what can you do with it? The Elite Cartel knows what THEY plan to do with it! Take away all "large" bills and make you turn them in for other denominations--and they WILL set upper limits on the exchange (JUST AS THEY ARE DOING THIS VERY DAY IN RUSSIA). Then, when things are totally chaotic

and you are distracted by a little extended war in Saudi Arabia, etc., you will get a new one sprung on you--all currency will be exchanged for these worthless colored notes--just as in Russia today--your notes are all printed too! Just waiting the proper moment and your President continues to tell you that "things are right on schedule".

This is the same President that told you this would be a "short war" and nothing like Viet Nam--at onset. Yesterday, he denounced you-the-people, "...who somehow think this will not be a long war!" What is with these "Lips"? It is now your fault that you were "foolish" enough to believe what you were told. They are brainwashing you with the TV and media blitz and preparing you for anything which may come down and you will stand forth and proclaim it "necessary"!

How do you know the new currency, etc., will come to be? Listen-up! It must be remembered that the government, the Treasury, and the IRS HATE cash! They consider all large quantities of cash to be untaxed and hence fair game for taxation or confiscation, and they consider anyone with large amounts of cash a criminal, a money launderer, a drug dealer or all of the above. They ARE PROSECUTING AND JAILING U.S. citizens, stock brokers, coin dealers or anyone violating their myriad of cash handling/reporting requirements or privacy laws. (Ask your banker, accountant or attorney.)

The ultimate goal is to push America into a cashless society where all transactions are run through the computerized/trackable banking or credit card system. People wishing to raise cash as a hedge against a coming financial crisis should NOT violate any of the IRS cash reporting requirements--for if you are caught, they will prosecute and jail you like any common criminal. It is happening to hundreds of Americans at this writing. Your bank or S&L WILL REPORT YOU for any violations or suspicious behavior lest they be jailed themselves. Dear ones, there is no "perfect way to avoid that which is coming" there are only the few ways I give you to perhaps be able to keep something a bit longer.

There are blatant evidences of this coming new currency if you but watch and listen to that which is before you:

1) There are denials from high officials and Administration sources; 2) There is a tremendous quantity of old, worn out, faded Federal Reserve notes now in circulation without replacement. These are usually removed from circulation as they pass through the banks and replaced with new ones. That doesn't seem to have been happening over the past year.

If you are concerned about this banking system and wish to diversify your assets, consider gold or U.S. Treasury paper instead of cash. Or, you can investigate the method we have pointed out as a possibility--but I assure you, there will be no laws broken by anyone in the group handling MY suggestions for it is only a service to you and we will not jeopardize our mission with any even remotely shady activities. The things we offer are totally lawful and useable--but probably will become rapidly a less viable shelter as time passes. Now, it is most viable and totally lawful--and private.

Mr. Seidman says the FDIC lost \$4 billion in 1990 and will lose \$5 billion in 1991--that is blatant insult to your intelligence for you can see that it lost that much in the Bank of New England.

So, you are "little" and haven't enough to deal with over \$100,000 so you are safe? No, the FDIC is bankrupt! "Well then," you say, "I certainly don't have enough to form a corporation and invest and cover it with gold and notes and, or, and, or - - -". Then what precludes you from joining with others of your friends, forming a Nevada corporation, pooling assets and putting it into gold with the contracts for amounts worked out within your new corporation? There are as many creative ways to manage these things as there are individuals on your globe--legal and workable. I TELL YOU AGAIN: THE GOVERNMENT IS GOING TO STOP THE WELFARE STATE AND THEY ARE NOT GOING TO FIX ANYTHING FOR YOU--THEY PLAN TO "FIX YOU"!

"WELL, I'LL BUY REAL ESTATE!"

Oops! That one has already been destroyed as the Resolution Trust Corporation (private enterprise) has taken control of what happens to property. You are IN a real estate depression and

property grab by the Big Boys.

Real estate is the achilles heel of the U.S. economy. As it collapses across the country, it's taking with it the banks, S&L's, insurance companies, credit unions and pension funds. First, the real estate depression struck in Texas, the Southwestern U.S. and Alaska—associated initially with that good old bug-a-boo, OIL. Next it ran rampant through the farm states as far back as the mid-'80's with the onset of an agricultural depression. Next, in the latter half of the '80's it moved to the Northeastern U.S., in the wake of the stock market crash of '87, where it is now decimating banks, S&L's, and credit unions. Next, it began to spread down the Eastern seaboard, into the Southeast and into Florida. Now it has jumped, like a wild forest fire out of control, to the western U.S., (California, Oregon, Washington, and Hawaii). Over 90% of the U.S. is now in a generalized real estate depression which should last at least until—who knows when, before it worsens.

Real estate is caught in the giant downward spiral with the economy, the banks, the S&L's, insurance companies and accelerating private and corporate bankruptcies. Each of these areas is feeding on the other. Meanwhile, lending for commercial properties is drying up, and the scarcity of financing for real estate purchases can create a vicious cycle: illiquidity in the market drives down values; that causes bankers to set up bigger loss reserves; and that further crimps their lending.

Ones who can qualify for a loan, even in this ridiculous time segment must anticipate the value inputted against the loss at foreclosure or bank closure. **DO NOT PURCHASE A HOME, FOR INSTANCE, AS INVESTMENT. IF YOU CAN INCREASE YOUR LIVING STANDARD IN THE INTERIM—THEN DO SO—IF YOU KNOW THAT YOU ARE VERY APT TO LOSE THE INVESTED FUNDS. YOU MUST STUDY THE SITUATION ON A ONE BY ONE BASIS.** For instance, in one instance familiar to the local writers, there is a young family needing to vacate present rental facilities. The young man is an engineer working toward his Master's degree and has a fine job with the Utilities system of Los Angeles. Water and Power facilities will be forever necessary and thus he can be considered to have a fairly stable position—if

such a thing now exists at all. He can qualify for a mortgage at about the same expense monthly as the increase in rental required for a move—due to income tax regulations. His down payment can be balanced out in savings over a period of time against that income tax deduction and if and when the job is lost the forfeiture of the property will be no more than the expense which would have accrued at any rate for increased rental necessities. You must simply look carefully at individual cases and make intelligent decisions. The point of the government is to gain control and ownership of all property in the ultimate scenario. All you can do is handle your affairs to extend your assets as far and well as possible against that day.

In summation of the above points, I can only again urge you to "get liquid", get out of debt if you can for whatever you owe on can be captured, reduce all exposure to banks, S&L's and insurance companies (while you are reducing that involvement, make sure you are in a quality institution), avoid the stock and corporate bond markets; avoid all money market funds except those in U.S. Treasury bills, bonds or notes; dramatically **REDUCE YOUR REAL ESTATE HOLDING** (to a maximum of 25% of your net worth—remembering also, that what you owe and own can also allow for tracking of You-the Owner!), and pay down the debt on same as possible; establish a second source of income for your family via some sort of "cottage" business corporation; develop food self-sufficiency via gardening, farming OR A RESERVE STORAGE PROGRAM—KEPT PRIVATELY LOCATED, avoid purchases of any **ILLIQUID** investments such as partnerships, real estate or insurance annuities; acquire at least one pistol, rifle and shotgun for hunting and/or home protection; develop three or four alternate (non-establishment) sources of information; and get yourselves into balance with GOD so that you can receive wisdom, guidance and perspective on these incredible times of transition—for he who asks in intent of service—shall receive guidance for "THE CALL COMPELS THE ANSWER".

I am herein responding to the myriad calls for this information so if you have not asked, please understand that we write for a planet with over 6 billion people and you will learn to abide

your brother's needs and you too, may learn from the information asked by another.

Dharma, allow us closure of this segment for I have other work for you to attend in preparation. I ask that this simply be given into the tending of others that you may get at your other task at hand. I ask that ones of the publisher's staff give me a status report as to what and where we are in pages for the present Express. Thank you.

I move to stand-by and offer you my hand in friendship,

TODAY'S WATCH

As the flood of material confirmation pours back upon you, it becomes difficult to cover it all in sequence for one thing means much to one and something else unto another. We shall simply deal with attention-getting variety.

Please note that the media presenters of current events are now in rebellion at the "fixed" and fabricated "news" and the controls placed upon freedom of speech and press. Heed their call to you-the-people for help in this fiasco of conjured and deceitful dis-information flowing through the airwaves.

Dharma, there are some other things which have flowed through which should now be put forth to the public who will take time and effort to read the material. Go through and print the material "for internal use" regarding what the "Fourth Estate" is saying about air and space.

QUOTE:

"Spy Satellite Could be Best Iraqi War Tool"

A radar spy satellite capable of seeing through cloud cover and penetrating the top few feet of the Iraqi desert may be the best bet for locating hidden Scud missile

launchers that threaten Israel and Saudi Arabia, a space expert said.

The UPI reports that William Burrows, author of "Deep Black, Space Espionage and National Security", said Friday only one such "LaCrosse" satellite is known to be in orbit and it only passes over the Middle East every few days.

The story quotes Burrows as saying "radar is their only bet if there's a cloud cover. The problem is, they've got one satellite and it comes over every couple of days."

The story further quotes Burrows, "everybody's always known trying to find cruise missiles and mobile missiles was going to be very difficult. And it's turning out to be very difficult. That's the nature of the game. This guy has come up with a camouflage system to try and thwart our satellites and that is something we have lived with since the dawn of the space age."

The story says that among the arsenal of observation equipment the U.S. has brought to bear on the Iraqi war are photo-reconnaissance satellites equipped with large mirrors and infrared sensors, extremely advanced optical telescopes believed capable of photographing objects as small as three-inches across, radar satellites capable of piercing up to ten-feet into the desert sands, electrical signal interception satellites capable of eaves-

dropping, and missile plume detector satellites capable of observing the launch of rockets.

END OF QUOTING FROM THIS DOCUMENT

That which is relative to the "arsenal of observation equipment...." is confirmation in its most blatant, but unsuspecting, form. I have told you repeatedly about the seriousness of launching and maintaining the appropriate satellite equipment. This whole scenario happening in the Middle East proves to all that the satellites having been launched are NOT FUNCTIONAL--THEREFORE YOU NOW HAVE CONFIRMATION THAT THE RUSSIANS TOOK THEM OUT! You don't know where Saddam has his missiles! The top players in this game may all be in some semblance of "cahoots" but allow me to remind you that, through blackmail and double-crossing, the players are dead set on making the other side quite literally dead. And now I am going to require that you pay attention to that which Israel demands of you-the-people this day: (Again, I shall first ask that you type the information from the document, Dharma, and then we can analyze it a bit more in-depth.)

(This transmission was interrupted at this point. The document referred to indicated that Israel has requested an additional grant of

\$15 Billion from the U.S. plus \$8 Billion from other members of the "Coalition".)

1/27/91 HATONN

TODAY'S WATCH

Hatonn present in Light, Dharma, thank you. Firstly, my direct and urgent request is that you do nothing which prevents monitoring that which you call Super Bowl. There is a large incident planned to bring attention to just how vulnerable you as citizens actually are in this game of pawns. **It will not be an Iraqi incident!** There are "in-house" factions efforting to prevent an incident and at this moment the point of incident is NOT within the bowl itself. There is a large alien community in Miami and yet, the terrorists are of your own citizenry!!! "Paid mercenary terrorists", I believe you call them. At any rate, your task is to monitor this afternoon, please. The point of the incident is, at this time, not to damage too many people but rather to unify the non-thinking masses into fury and outrage--there are carefully placed rabble rousers in appropriate locations to incite riot and mass hysteria.

It is a Mossad led and structured incident and will be well structured with massive cover-up facade already well in place. It DOES require large numbers of "security agents and personnel" to cooperate and hence the problems for these ones are coming from the American "goodly" people.

Oberli, allow this document to follow on immediately adjacent to the writing begun on the 23rd. I do want it correctly dated however, for I am giving information which I want noted as to dateline (Sunday, 1/27/91).

WAR ON OIL SPILL?

How do you have a "MILITARY ACTION" against an oil spill?

That is what Cheney tells you this day--"We have taken military action against the oil spill deliberately perpetrated by Saddam Hussein." Further, WHY would there be an allied action regarding same? **BECAUSE THE ALLIES CAUSED THE OIL SPILL AND IT HAS BACKFIRED!!** The heinous act was done to bring more backing from the Saudis in both backing by means of morale and financing. It is a direct action of the Israeli Mossad and you ones had better start listening to truth as it seeps through.

There are clues to learning truth--and then, await leaks of information through underground routing. Now, you can simply take my word that we monitor every incident through a magnifying glass even prior to action; ours is to monitor planning.

CLUES? Oh yes, the "mouths" are telling you exactly that which has been done--always look for the denials (for no reason) and the cover-up actions and pronouncements.

Firstly, "We must do all to keep the oil from the water reclamation facilities," and "booms" are already in place and somehow anticipation of need was present for many months now. Next, the CBS crew is missing for several days as they headed for the Kuwaiti border--they knew the actions were planned and that they would be restricted from bringing you the truth. The media reporters are completely boggled by the restrictions on the news and confused by the happenings at your own hands.

Next, listen to the pronouncements being made regarding the oil--"...the allies had nothing to do with this oil spill--I repeat, the allies had nothing to do with this oil spill"...this, from your General Schwarzkopf. Next, they tell you that it has been decided that in

spite of all other expectations, it will now require a ground assault to route the Iraqis from Kuwait. Schwarzkopf further states that the oil will make no difference in assault from the sea. Yes it will, because the Iraqis will have that crude oil detonated and aflame with a nice air/fuel missile.

What happened was that the bombing raids of the past weeks hit several filled tankers locked in offshore in the gulf. Then by bombing them along with the loading docks you have released these mammoth quantities of devastating tar into the water supply, destroying untold quantities of fish and wildlife of all types. It is good politics to blame Iraq but the important fact overlooked is that **YOU CANNOT FOOL GOD AND MOTHER NATURE!** Remember the old saw: "It is not nice to try and fool Mother Nature!?" When the Israeli Zionists tell the world that "We have our methods and ways of retaliation"--they mean it! But they take any and all dastardly means they choose. Further, is this the way you go about "...saving a nation?" America, what are you doing?

Another clue: The Americans are sending a crew of environmentalists to see what can be done about the oil spill--WHY? Because too many of your "allies" know that you caused it! Listen again to what Schwarzkopf tells you--for he gives you the exact date and hour of the incident!

By the way, the Iraqis also gave you the exact date and hour that you did it and said at the time and all the while since--that they had nothing to do with the oil spill, that you had bombed the ships and the dock!

YOUR WORLD IS AT SELF-DESTRUCT, CITIZENS OF EARTH--WHO WILL SEE AND HEAR?

You had best watch Russia with

the magnifying glass for your government is now telling you of the danger recurring from them and the loss of power of that good old ally--Gorbachev! The Soviet Union is under total control as in the "bad old days" and they are out to "get you" and they are openly telling you so, if you could but get the news through your own censors! But news leaks through if you listen and watch carefully through the eye/ear deep sludge of you know what.

REMEMBER THE DEATH RAY I DESCRIBED PRIOR TO THIS?

Let us speak again about that "Death Ray". There are two sides to such weapons--not the least of which is that if misdirected it will blind your own troops and yes, your military nit-wits fully plan to use this murderous weapon which is a thousand-fold worse than chemicals--very soon.

POOR ARAB INFANTRYMEN ON BOTH SIDES: their first look at advancing American troops will prove the last one. Behind a smoke screen of denials, the U.S. Army has begun deploying against Iraq the first working (hopefully) ones of the dreaded secret weapon: a portable laser beam that will destroy the eyesight of ground troops, enemy or ally.

The Pentagon has repeatedly denied that it was even experimenting with a battlefield laser system that blinds people. But it is now openly touted that there has been a crash program to perfect such a weapon and now it is available and deployed and thusly--"the ground war can begin". Are any of you feeling a bit sick at this point? God weeps, dear friends, for you are in deep trouble.

Your beloved ones have no notion about these weapons and are totally untrained in the use thereof--giving you further "proof" of the intent to

rid the earth of your troop's presence upon the planet.

The laser gun sweeps advancing enemy troops and all in the adjacent path with a beam intense enough to puncture and destroy their eyeballs -- *even when they are not looking directly at the light source.* Defense Advanced Research Projects (DARPA), the Pentagon's leading science unit, has announced that the first "trial" testing is deployed!

This "toy", code-named "Project AOC" (Army Optical Countermeasures), has a nice portable laser unit that "would easily fit into your ordinary station wagon and not be noticed", reports Senior army scientists. The research is classified "several grades above top-secret" with threat of death warnings against disclosure. Therefore, disclosure of public nature has been awhile in leaking out. This toy is called the "death-ray laser" and it has now "gone to war".

Since 1987 this has been your most-funded, crash project in hopes of beating the enemy to the "goodies". Oops! *Didn't work--Russia has already perfected this little "death-ray laser" and your enemy already has it!* You see, *beloved ones, you continually miss the point of this war. It is not to conserve life--it is to annihilate all personnel who might get in the way of the Elite plan for World Domination and you start with massive annihilation of the troops who could defend against attack.*

Let us look at the mechanism of this "weapon". It is made to incinerate a human eye. A high-frequency laser gun pulsing 10 joules of beam power 100 times per second will incinerate a human eye, I can assure you. A joule is a term used to quantify energy. One joule equals 10 million ergs. Ten joules equals the work required to accelerate a quarter-pound weight

to 100 feet per second. This is for information for you who may not know or understand a "joule".

This new "solid-state" compact power generator for the battlefield laser can now be taken into combat on an ordinary little Army jeep and, of course, in helicopters.

Let us look at what your beloved Congressional (oh yes, Congress knows--at least the ones in Congress who are controlled by Zionists) staffers say about this machinery. "They want this inhuman and terrifying weapon to hit the enemy with the force of a shattering surprise. There are psychological and psychopolitical studies indicating that the sudden terror of losing one's eyesight will panic troops more quickly than the deadliest gunfire or chemical weapon."

The fact that battlefield use of a blinding laser beam is in violation of international treaties on the conduct of military operations is beside the point, of course, for violations of such treaties are only valid as objections against your enemy, it would appear.

"Oh, but we would have heard about it if it were true!" No, you would not have heard about it for who would tell you? A fact or two right here might be appropriate: A 30-second anti-war commercial paid for by the Military Families Support Network, has been refused for airing by all the major networks and by all Cable News Networks. The ones involved in the filming have been refused interviews or further discussion regarding the matter. HOW "FREE" DO YOU REALLY FEEL?

HOW ABOUT TROOPS AND RIGHTS AND PANAMA?

Managed war? Try this one on for "short" point. President Bush has still not issued an executive order

designating Panama as a combat zone during "Operation Just Cause" nor to officially "oust Noriega". By refusing to recognize Panama as a combat zone, Bush is denying the troops who fought there the rights and benefits bestowed on combat veterans, including U.S. citizenship for foreign nationals who fought for the U.S., exempting troops' pay from income tax for the time served in which they served in a combat zone, and numerous others I will leave you to research. And, yes, there are prisoners of war from your U.S. ranks in Viet Nam and Korean POW's in Korea and in Russia. But not to worry, for the good old representative who runs your government's drug business in that sector was just sent as a special ambassador to represent the U.S., to Jordan--that would be Richard Armitage (I suggest you get Beau Gritz' book which will tell you all about this criminal in your system). Do you suppose he is looking out after the "drug rights" of the U.S. in the Middle East? Some of the best "hash hish" and now, cocaine, not to mention opium, comes right from the Middle East.

OH, YOU WANT "HOME NEWS" AND WHAT ABOUT TERRORISTS?

Before we cover that subject, we are going to talk about:

CASUALTIES IN ATTACK ON BAGHDAD

Your Western news sources tell you that there is only bombing of military targets, etc. Strange things, now proven, that before 2 P.M. local time on Jan. 17, there had been a minimum of 15,000 to 20,000 casualties in the attack by the United States--of civilians! NOW HOLD YOUR BREATH: THE WESTERN REGION OF IRAQ WAS ATTACKED BY ISRAELI JETS FLYING

THROUGH THE SYRIAN AIRSPACE!!!!**

In the occupied West Bank and Gaza Strip, the Israeli forces had, in addition, shot and killed at least 100 Palestinians in the early hours of January 17. Israeli military commanders clamped a total curfew on those areas. All Arab residents are confined to their houses, and violators are shot and killed without hesitation. You who want to prove this can find out by watching the Ophra Winfrey show of some three days ago when a relative of a West Bank person said these ones aren't even allowed out for food or water.

This, dear ones, qualifies as one of the biggest massacres of Palestinians in the blood-soaked history of the Israeli occupation--and YOU ARE GOING TO GIVE THE MURDERERS ANOTHER 15 BILLION DOLLARS IN MONEY AND ALREADY PAY FOR ALL THE MILITARY AND "PATRIOTS" IN THE AREA.

SADDAM HUSSEIN WAS SURPRISED!

He was definitely surprised by the attack because the Mossad working within BAGHDAD misled him--he had been told that Israel would not be involved in the early attack and that the initial strike would not take place until the 19th. Oh, are you getting nervous that this war is rigged and set up and all sides (except you) are in the KNOW? Yes, that is exactly that which is happening--right before your blinded eyes and deafened ears. So be it, I have tried to alert you and you simply shoot at my scribes and publishers. So be it, indeed!

The background on this incredible coup for the Trilateral Commission and the Zionists goes back all the way into the late 1950's--and you would know all this if you had read the Journals--when Iraqi Gen.

Karim Kassem seized power from King Faisal. Kassem expelled 16,000 Jewish citizens of Iraq. When Saddam launched his war against Iran in 1980, at the urging of the United States, he was told by U.S. officials that he would win U.S. support only if he readmitted those expelled 22 years earlier, which he did.

It was from this group that Saddam formed an intelligence network, which purposely misled him about the date of the planned attack and the Israeli participation. You see, it ends up, dear friends, that Saddam is the one showing restraint in not totally destroying Israel in retaliation, not dear, sweet Shamir. Truth hurts a bit, perhaps?

NOW BACK TO THE TERRORISTS

Yes, you will be seeing a lot of terrorism--again, mostly set up and orchestrated right through your own system with instructions by Mossad trainers for most beautiful impact on your senses.

Why? To allow for the next step in counterterrorist strategy set up by your administration--the so-called "*decapitation strikes*"--that is, the *assassination of foreign leaders who support or encourage anti-U.S. violence. This will be spearheaded by the Bush administration's counterterrorists--you see, this is WHY all the denials that you are out to kill Saddam. There is an international law against assassination of the enemy leader--there is no law against assassination of terrorist leaders!!!*

Under a secret (always secret) White House contingency plan, small U.S. commando teams will follow the tactics of Israel's notorious hit squads to "immobilize" (officialese for "murder") key figures linked to Middle Eastern violence and war in general. But you

must remember--Saddam is not a target for you must have the man alive lest the war fold--so your great protectors are protecting none other than Saddam Hussein to keep him nicely alive and well.

If you are under the delusion that a major government could not order its soldiers to stage terrorists raids in an attempt to pre-empt similar attacks from abroad, let me assure you that that is exactly what Israel has done for decades. The result: it ended up as a pariah among nations--a despised *Kriminalstaat* (criminal state) torn by compulsive violence.

SAUCE FOR THE GOOSE AND THE GANDER

Your government is secretly aiding and abetting the same terrorist tactics that is condemned in public. State-of-the-art security technology offers you the best weapons against alien saboteurs and raiders, not murder missions, and the Pentagon is up to its neck in the show-and-tell.

You have every type of surveillance technology available to keep tabs on, and command through, the terrorists. As an example, today's hidden microphones are multi-functional for, powered by micro-mini lithium cells, they transmit in encrypted bursts, making interception or interference just about impossible. We have this technology attached to this very location in several places--to the computer, the answering machine, even the light switches. I don't mean that "we place the devices", I mean that "everything in this location is monitored by several sources". We simply are not in any way involved in subversive nor anti-anything activities--we just bring the truth and lay it out for you and suggest you go get the proof for it will be found available in proper resource material. We do try to slow up the flow back to source so as to assure as much safety as possible.

THE BIG EAR

At Fort Meade, Maryland (and elsewhere but this installation is most visible), the giant satellite dishes and supercomputers of the National Security Agency routinely listen in on the phone calls and message traffic of every foreign diplomatic and commercial outpost in America.

Another advancing technology, known as Access Control Encryption (ACE), has revolutionized building security procedures. To control admission to a protected facility, employees are issued cards that contain a sub-miniature, wafer-thin lithium battery. Looking like the usual credit cards, these plastic devices function like tiny security computers. It is just about impossible to use them in any manner that is not specifically authorized. But, you must know something disquieting--even though these security devices are available and working--in key areas bureaucratic infighting, political interference--*and the ubiquitous influence of Israeli counter-terrorist advisers HAS HALTED THE PROGRESS OF SUCH DEVICES.*

YOU ARE NO SAFER TODAY

You are no better protected today than a decade ago--all the increased intelligence and security is simply hoopla to aid the psychopolitical propaganda. There is a new instrument for screening baggage and passengers; it combines so-called molecular interrogation with an artificial intelligence computer--*but it is not being made available until at least 1993! It is a part of the planned control of the masses AFTER the population comes under government and police control.*

So, will you have terrorism? Indeed you will!

ODD AND ENDS

For you who might be concerned about the welfare of the Bush Boys, please relax. Bill Walters, Neil Bush's partner in the failed Silverado S&L, deposited over \$20 MILLION in a British offshore bank before filing for bankruptcy. He defaulted on \$100 million in loans from that failed Denver thrift. Oh well, it is only costing you-the-people a bit over a BILLION DOLLARS for that one little slip-up but rest well, for Neil will split that little nest-egg at least 50-50.

It is your own fault, they will tell you--it must be your fault that all these institutions have failed for you are the ones paying the debt. No wonder "they" are wealthy and you are not--Far-West Savings ranks among the largest thrifts in Southern California. It is owned by the fabulously wealthy Canadian Belzberg brothers (we have written extensively about these brothers). Good old U.S.A. taxpayers--over \$500 million this failure will cost you but the Belzberg's won't pay a dime.

And what of Columbia Savings? Now the "great pretenders" are suggesting "open ended funding" for these failures because, there is no way to begin to estimate costs involved.

IS GUN CONTROL A SERIOUS MATTER?

Of course--it is YOUR gun which is controlled. A Los Angeles man was convicted of selling over 1,000 guns illegally to gang members--guns that showed up at numerous crime scenes (no way to count the unfound ones) and he was given a year's sentence with time off for incarceration prior to conviction and a portion of the sentence allocated to probation.

The gangs and young drug dealers have been intentionally armed for

political purposes--and, when the arm of force comes down there will be the bloodiest battle in your streets with the children's blood running in the gutters. Several minority groups, but most especially the blacks, will lose a whole generation to the drug/gang wars and the military operations under way.

AND WHY DID CONGRESS CLAIM TO VOTE FOR WAR?

They claim it was a vote for peace! "The only way to prevent war is to force Saddam to realize we are prepared for war!" the resolution reads. Oops, guess they overlooked something, again. They also claim that "...we don't want to undermine the foundation of the **New World Order**". Peace? New World Order? Now, you shall never again have either!!

ISRAEL/CHINA--GET READY!

Ideology, especially false ideology for public consumption, is easily conquered by money deals.

When it comes to making money, the government of Israel never lets a little ideology interfere. So it is that Red China has taken Iran's place as the Mideast minstate's most important clandestine arms customer. Sweat, sweat--remember what I have told you about the ending and China?

This comes even as Israel protests the sale of Chinese ballistic missiles to Saudi Arabia, coupled with threats to destroy the missiles unless they are removed. That threat is currently being held in abeyance pending the outcome of President Bush's military adventures in the region, aided and abetted by Israel's direct, but secret, involvement.

The absence of diplomatic relations between Red China and Israel has been no bar to an export business that has been worth billions of dollars to the Zionist state over the

past few years--it has even assisted in keeping the operation under cover.

There are over a hundred joint ventures with the giant Asian dictatorship now under negotiation and/or under way and functional, from agriculture to textiles and chemicals. The Reds are most anxious to benefit from Israel's scientific expertise--and just where does Israel get its money for these expenditures and all this technical expertise? I thought you might insight better understanding if we point out--from your pocketbook!

THIRD PARTIES

Business has been previously conducted almost exclusively through third parties based in Hong Kong, Singapore and Western Europe. Dummy companies and "cutouts" would be set up to handle the paperwork, and Jews with foreign passports would be used to travel to (Red) China for meetings with government officials.

Hundreds of Israeli technicians are working in Red China at all times. Even telephone links, set up two years ago without any press notice from either Peking or Tel Aviv, are available to ease contacts and reduce the need for Hong Kong offices of Israeli trading companies.

Check on it, America--Saul Eisenberg, a multi-millionaire whose specialty is arms, and David Buxbaum, a Canton-based American commercial lawyer, are two of the very biggest names in Israeli-Red Chinese trade. However, the most well-known regular travelers and business personalities are, of course, Henry Kissinger, Eagleberger and Scowcroft.

Israel's expertise lay in upgrading outdated weapons--just what the People's Liberation Army needed. Subsequently the Israelis agreed to upgrade Red China's Soviet-made

T-69 tanks with a 105-mm gun originally manufactured by the state-owned Israel Military Industries (IMI) under license from the British Royal Ordnance Factory.

MORE HELP

Other "updates" done for the Red Chinese include night-fighting devices, laser sights, fire-control systems and new add-on armor protection. The provision by Israel of tungsten-headed shells capable of penetrating the frontal armor of Soviet T-72 tanks also comes into the picture. *By the way, America, these are now on all the tanks which are hidden across your southern border in Mexico, poised and waiting orders to move into the U.S.*

The Israelis have also sold the Red Chinese armed forces 60-mm hypervelocity guns suitable for mounting on armored vehicles or for towing--these, too, are tucked away in the Mexican border installations.

Strange thing here, there was a canceled Israeli contract in which IAI (Israel Aircraft Industries), a state-owned conglomerate, received multi-millions of dollars from you U.S. taxpayers wherein you poured the funds in like water to the Lavi project before cancellation. And now, following cancellation, this same IAI is in joint venture (with that technology and equipment) with Red China to finish developing a new and incredibly advanced combat aircraft. (Lavi is the project label.)

More by-the-way: Yitzhak Rabin, former Israeli defense minister, co-operated in the field of ground-to-ground missiles, an advanced version of the CSS-2 intermediate-range missile Red China recently delivered to Saudi Arabia.

Proof? You want proof? Well, read on and you will certainly get some confirmation of possibilities:

Red China actually got in trouble with its clandestine trading partner just months ago when it copied the famous Israeli Uzi machine gun--without license or permission from Israel. Then the colors showed through in transforming brilliance--they "sued" the Red Chinese dealer, Norinco, the giant arms maker charged with the Uzi "NO-NO". The funny part? Norinco is Israel's principal partner in the defense and weapons sector.

Both parties seem to be thriving on this new love-affair and, in the meanwhile, the southern army in Mexico is being well-outfitted at your own expense--cycled, of course, through all this direct aid to Israel.

Dharma, go please, as we move on towards time for the pre-game broadcasts and I want you there from beginning to end for the intent is now changing every ten minutes as last minute plans are being thwarted and alternatives inserted--I shall be very busy for a while so will keep frequency silence unless summoned. Thank you, chela--you may as well go enjoy the ball game.

Hatonn to stand-by status.

1/28/91 SANANDA

I am here, Thomas, let us begin. Sananda present in wondrous Radiance and Service unto God. I come in Light for the Father is the Source of ALL LIGHT WITHIN THE WONDROUS CREATION, WHICH IS ABOVE ALL. Blessings unto the valley of radiance this day for the world is gone mad and men thirst for the taste of blood as the escalation to destruction continues.

You ones are nearing a most important time sequence...that of the ending of the first three and a half year cycle. When we enter the beginning of the next cycle it

shall be clear WHO IS FOR US OR WHO IS AGAINST US! The going shall indeed get rough in the ensuing cycle for has it not been said. So, too, the workers of God's kingdom must be most productive and busy at being about the accomplishment of that which has been laid forth under prior instruction. The projects shall begin in earnest under the cloak of privacy...not secrecy such as the secret societies...but security that the very projects which shall insure survival shall not be halted by those working against us, yea even closer to home than most ones realize at the present time. You are entering a time when great cautions must be taken to insure that each have some small measure of privacy at a time when each shall be placed under the largest of magnifying glasses...honor one another's privacy and desire to remain quiet...do not chide and tease and poke fun about secret societies...know you not that it is God's work we are accomplishing, yea, even amidst the chiding and teasing and poking fun??? The time for teasing and childish ways are long behind us now. You may call our workers most serious indeed...for we would have it no other way. Think you that death of a civilization is not deadly serious business??? Think you that the wiping out of an entire planet's population is not a deadly serious affair??? It is a time of great seasoning of the wine that has remained in the barrels long enough...the time of maturity is at hand and shall be expected among all who work with us. To dabble in childishness and those aspects which only serve to distract my workers is an error...one which shall return unto self when the time for regrets will be past. Linger not on self but on the work before thee. You don't know what that is??? Well then I tell you...all ones...you have not been listening for Hatonn, myself, and others among my crew are continually offering guidance and nudging,

yea, unto the point of pushing you to take action. If you hear not the nudges and the pushes and the guidance then I suggest you are in the service of the wrong master. Ponder it.

It is a time of action. Action means to constructively bring into fruition those various aspects which shall be required to complete our mission. Our mission is to awaken mankind and bring a remnant through the transition of this planet. It is not just about putting forth of some books. That is a significant part of the mission, but a part none-the-less. Let us work individually at honing those aspects of self which shall serve the greater good but, to linger in self pity, self examination, self guilt and self illness is the greatest of all distractions and not appropriate at this time. We need action, constructive action...yesterday is soon enough thank you.

Thomas, this is for all ones working with us, not you. Write what I give you elst how else will others among your group receive instruction?? If they hear no voices nor receive not the nudgings, wherein will they receive insight??

Hatonn is extremely busy at this time. The crews are working ceaselessly. Give them the greatest appreciation and honor them, as we honor you ones. You are in a most dense and dark world. We come to bring light unto that place...after the ashes, the Phoenix shall rise...but it shall get much much worse before it get better...and it shall be a long haul indeed, particularly for those who chose to play rather than prepare at this time. Hear what is being offered unto you ones for your highest and best good. What harm is there in putting aside stores that you not be caught without? What harm is there in purchasing some gold or silver or having some cash reserves

on hand that you not be found wanting??? There is no perfection short of God...but God and I come to once again show the way through...who among you will walk with us?

Be ever mindful of words and deeds...for they return multiplied. Go in peace.

OUR NEWEST JOURNALS

**PLEIADES CONNECTION,
RETURN OF THE
PHOENIX Vo. I**
By Hatonn

This Journal continues the practice of keeping you updated on major world events while giving you much other information about many topics.

You can learn the truth about the origins of humans upon this planet, our purposes here and why the truth has been hidden from us.

We have help to overcome all of our major difficulties IF we will return to living under the Laws of Creation and God.

Many other topics are covered such as types of dwellings best for our use from now on (patterned after Pleiadian dwellings). - Future Revelations and Earth changes - The Constitution of the United Nations Industrial Development Organization under which Pres. Bush is operating our country instead of the Constitution of the United States - What **TRUE** love is - Spacecraft - Types of metal used in them - About 666 and its significance -

How the planet Venus got into our solar system and details about its surface (not as some have told us) - The danger of certain comets in our past and immediate future - The truth about robotoids as our world leaders and **MUCH, MUCH MORE.**

FEBRUARY 1991 VOLUME VIII NUMBER 1

2/1/91 ATON

This Express is dedicated to SFC THEODORE BRUTON who resides in the desert of Saudi Arabia--lonely, frightened and expecting to die for that which he understands not. There are others, nameless for many reasons, whom we honor equally but we herein acknowledge this young man and his mates and so shall it come to pass as this transition of a blessed planet comes to fruition. I HONOR MY CHILDREN WHO HAVE GONE FORTH TO BEAR THE BANNER OF TRUTH EVEN UNTO THE PLACES OF HELL AND SO SHALL THEY COME INTO THE SECURITY AND SAFETY OF MINE ARMY AGAINST WHICH NONE CAN PREVAIL.

Patriotic? Beyond your ability to measure! He is sent forth in service to his country and will serve to the best of his ability for as long as he can do so. He wants to come home so that he can bring truth to a blind populace.

I have news for this young man--he is come to Earth for purpose and, albeit a strange place to find Truth--where better? How could you be sent from Higher Cause into a nightmare to serve? Where better than where truth is even more hidden from thine eyes? Contribution to God is wondrous experience indeed.

I AM ATON AND THAT WHICH I DECREE SHALL BE THAT WHICH WILL COME TO PASS IN THE ULTIMATE PLAY AND EXPERI-

ENCE. MINE SHALL BE SHELTERED WITHIN MY WINGS AS THE TRUMPET SOUNDS. FEAR NOT FOR I BE WITH YOU EVEN INTO THE DARKEST SHADOWS--WALK WITH ME IN THE SAFETY OF INFINITE SERVICE AND YE SHALL FEAR NO EVIL AGAINST YOU.

I speak to you and you will be tempted to disbelieve for you have been given into the lie for so long. I am that being named as the "Father" and again the "Master Son" shall present upon your planet that balance can again prevail. I send forth the Hosts of my Armies to bear Truth and understanding in preparation for that coming again. Do not struggle with the perplexity of this message--simply know that measured against that which is perceived "real and physical about you", it is not nearly as incredible.

Gyeorgos Ceres Hatonn, Cmdr., is sent in MY service--most recently from the placement known to you as Pleiades. He is responsible for the reclamation and preparations for the return of the "Phoenix" (Christos now fulfilled as God). He is one of your cosmic space brothers and serves in the United Federation Fleet as Commander, under the authorization and auspices of the Inter-Galactic Federation Command and the United Federation Council. Sounds like Star Trek? So be it for if you will but go within into your place of knowledge you will recognize of the Truth of that which I bring for your consideration.

Dharma, put to print a letter received yesterday from a young man in Saudi Arabia that others might find solace in the petitions coming back into my attention for I wish to then give instructions for passage through the veil of Hell in which the youth find themselves in that place of madness. Why do I choose one name from the many to honor? Because I desire that he, and all be protected in security and yet, I must have ONE to which a physical message can be directed. I protect the sender of this forthcoming letter--let it be known to all who censor and discredit Truth hereof.

Dear Sir, or Mam,

First of all, I would like to thank you for the information I got from you. It is always good for me to 'hear the truth. The world we live in is not at all fair to the little people. It is for the people that have the big money, that can play with the lives of we little men.

I read the paper I got from you, and I tried to find a lie in it, but it all came together. I wish I could have gotten your papers a long time ago. The truth is all I want to know, and with that, my life could have been better. I would pay for the information you gave me, it was that good.

I am over here, about to go to war, and at this time, I can do nothing about it. It looks like I was not told the full story, until I got your paper.

You have opened my mind to the truth about the world we live in. It is sad that most people don't, and won't, ever know the real story about the war games and all the other games the big boys play with our lives.

If I make it out of here with my life, I would like very much to be a member of your paper. The truth is all I want to read about.

It won't be too long, as you already know, before the very big boy says "let the dying begin". All I can do now is hope for the best. I'm a part of the little people.

I don't know how you got my name but, I'm glad you did.

I want to thank you again for telling me all about Saddam, and what we really face. I can not tell others of what I am reading in your paper because it will upset them, as it did me.

I hope I will get the chance to read more of the turth in today's life time. You are the best in what you do, and that is a fact! Your information is the best I have ever read.

Please send me the cost of the paper so I can get more while I have life in my body.

Thank you for the truth,

XXXXXX

P.S. You have opened my eyes, and my mind.

* * * * *

Now, I shall respond to this particular inquiry for it is inclusive to all my Sons and Daughters upon your placement.

Do not ponder too heavily upon HOW you might be found to receive of the information. The ones who scribe and send the word in my service, know not

why I choose to send to specific ones. It is the "call" and it is the very purpose of the writings themselves. The word shall fall upon the eyes and ears of the populace of the world but some must have their call "up front" so that the miracles of the truth of the presentation can begin to unfold. It matters not that any about you know or do not know for--as it unfolds--all will come into the truth of my beingness.

It has been written that if you follow in my Truth and hear my instructions--you will prevail, and you, my workers are placed all about within and upon this wondrous Creation of that planet called Earth. It is said that you may be in the fields and to the left one will fall and to the right, another will fall and you shall be untouched. Keep my lighted shield about you and you shall not be harmed--DO YOU HEAR ME? YOU SHALL NOT BE HARMED IF YE STAY WITHIN MY TRUTH AND SHIELD! It is a time of instructions for you who serve--most of you knowing it not. You would say to me, I curse, I sin, I forget, I blunder--"I cannot be of God!"--REALLY! Ah, but those who set themselves up as my speakers in the churches and synagogues of MAN are blasphemous and teachers of the lies. I WANT NO PIOUS, BILIOUS FOOLS ABOARD MY SHIPS OF SILVER RADIANCE. 'TIS NOT THOSE WHO WORK IN THE SERVICE OF EVIL WHO WILL COME ABOARD MY CRAFT OF "TOMORROW"--MUCH LESS IN THE PHYSICAL FORMAT. YE STAY IN MY CONTACT AND YE SHALL BE GATHERED UP INTO THE CLOUDS (THE SILVER CLOUDS) SO THAT YOU CAN LATER FINISH THINE WORK IN THE SERVICE OF YOUR BROTHER IN TRUTH IN GROWTH AS YOU FULFILL YOUR MISSION COMMITTED TO UPON THAT WONDROUS CREATION. You are not given to know all, for you would not understand the need for the type of service that only I CAN PRESENT and it is the child in darkness that needs your guidance--there are no atheists in foxholes. Your flag is a Heavenly Banner and your nation a

chosen and blessed place which will again come into balance in service unto God and Man. Do not lessen Truth by pious presentation--tell your men to hold to God and Truth and they will be given into passage. No matter how it may appear unto your physical eyes--I SHALL GUIDE MY CHILDREN INTO WONDROUS PASSAGE FOR A REMNANT OF MY PEOPLE WILL BE THAT WHICH WILL PREVAIL!

As you go into the fray, no matter what might be thrown against you, as you may be attacked, put your face into the scooped out sand, wrap mine light shield about you and the holocaust shall pass you by for I speak and as I speak, so shall it come to be--ye ones of mine own shall represent the miracles of the final days of change back unto the laws of Truth and Balance upon a rebirthed planet brought into Higher Status in her rightful glory. WE want no "heros"--I need your lives in full measure to bring MY PEOPLE HOME.

You who hear MY CALL, hear it because you are sent of Me and are intended to hear of it. Know beyond all doubt:

IT IS NOT OVER UNTIL
I WIN!

FOR I AM! .

2/1/91 HATONN

Dharma, do not be confused--the information (DEDICATION) just written will be found for it is nicely tucked away--when Aton is through writing, he means it!

Let us continue. I request that the DEDICATION be forwarded immediately to TB and, under separate cover, a copy of PLEIADES CONNECTION. Father is calling his "miracles" to attention.

TODAY'S WATCH

As the confusion of that which is happening this day in the Saudi Desert

Storm continues ad nauseam--know that Father watches and take to heart that which unfolds for hidden within is also HIS PURPOSE toward Truth.

I am queried this day on "...why doesn't the U.S. Air Force take out the convoy of armored equipment headed for the border?" They are trying to do so but, you see, all those lovely missiles of pin-point accuracy--are exactly that--pin-point, so each "head" can only take out its single target at best--AND YOU, DEAR ONES, ARE RUNNING LOW ON SUCH AMMUNITION! YOU WERE SO SURE OF VICTORY IN THE AIR THAT YOU USED SO MANY BACKUP MISSILES THAT YOU NOW RUN LOW. It is exactly that upon which Saddam depended--such a barrage in the first two weeks that you would cease to have cover of adequate weaponry to continue the barrage on the ground forces.

The Cruise missiles continue to land with deadly accuracy--ON CIVILIAN TARGETS! The U.S. is going to attempt to pull CNN's reporter out of Iraq and Saddam knows it--that is why others are being allowed within. A journalist cannot be present as this heinous pounding of the populace and innocent citizenry takes place without seeing it for that which it is--HELL INTENDED! The "Chemical Plant" as you describe it, in Iraq, was exactly that which it said--"A BABY FORMULAE FACTORY". THIS is why the journalist is attempting to get "some" truth through to you-the-people for you are destroying the very communities where the people of innocence, dwell. You are not building a desire to retreat; you are building a hate beyond that which can long be contained.

MENTAL HEALTH AMONG YOUR U.S. TROOPS

I give you information from OPERATION DESERT STORM which will, I hope, shock your populace into attention. You somehow think this is a lark for your men in uniform. No, they are sleeping in the sands--cooked

and then frozen. They are getting eaten by sand fleas, isolated from "real" information (your Pentagon says "sequestered") and they do not understand what in the world they are doing there. There have been DOZENS of intended suicides by your U.S. servicemen, along with officers who cannot send their men into this fray as it is coming down. The field hospitals are full of injured by self-infliction wounds and attempted suicides. The suicide method of choice is, of course, gunshot but also overdosing.

We have received confirmation of this information straight from the Desert Storm front lines with the request to "Please, please publish this in the Phoenix Express! The madness must somehow be brought to a stop!"

I have, further, received much back-up material in conjunction with the above request. I acknowledge and will get it to you-the-people as quickly as possible.

MONEY, ECONOMY AND SUBTERFUGE

What we have received in great measure is backup information regarding the Soviet Economic Debacle! Right from Moscow! You must understand that you in the U.S. get censored press and that which makes it to the media is tampered and colored. None-the-less enough seeps through to make the point of truth.

At response to request I will ask Dharma to copy, please, the news story of Jan. 25, 1991, *Ruble Decree Continues to Cause Economic Upheaval*.

**SOVIET UNION: CRITICS
CITE PAYDAYS WITH NO PAY, A
LOSS OF SAVINGS THAT COULD
AFFECT SHOPPERS AND LOST
CONFIDENCE IN BANKS.**

MOSCOW: "First, there was nothing to buy, and now there is no money to buy it with."

Uri Zubkov managed an ironic

smile, shrugged and added: "In the Soviet Union, this is called economic reform."

The mood of those around him in a crowd outside a bank in central Moscow was unmistakably angry, however, and there was a bitter sense of betrayal and often a deep rage. The life savings of many were virtually wiped out by governmental decrees this week withdrawing large-dominant bills from circulation and virtually freezing savings accounts for six months.

President Mikhail S. Gorbachev's twin goals had been to strip the country's powerful black marketers of their operating capital, driving as many as possible out of business, and to reduce inflation, which has been running at perhaps 80% a year on the open market.

But so far the blow appears to be falling most heavily on the elderly who traditionally have kept their savings in a drawer, on farmers who believe that banks are for city folks, on emerging entrepreneurs who operate on cash-and-carry basis and on the middle class which keeps much of its money handy in case there is a once-in-a-lifetime bargain.

"Am I a criminal because I bought a new stereo and sold my old one?" Zubkov, an electrical engineer, asked as he sought to exchange 2,000 rubles, about \$3,700 at the official rate of exchange but only \$100 on the black market.

So strong are the feelings across the country that Georgy Matiukhin, the chairman of the Russian Federation's Central Bank, warned that "serious social upheavals are possible" as a result of the monetary reform, and police reported near-riots outside banks in a number of cities.

The economic upheaval, however, was already apparent.

The government's decision to

withdraw 50- and 100-ruble bank notes, the two largest denominations, has dramatized the disintegration of the Soviet economy and the government's inability to halt it.

So much currency had been printed over the last two years--more than 70 billion rubles worth--that it had become almost worthless. There were nowhere near enough goods to satisfy the demand and the prices of those available was soaring.

Soviet economists are speaking of a "double theft" in which workers were paid with devalued rubles that often were useless to consumers but that have now been effectively confiscated by the government.

At the same time, the principal means of exchange used by the economy's growing "informal sector"--tightly packed "bricks" of green 50-ruble or brown 100-ruble notes--has been wiped out and with it a large part of the working capital of self-employed businessmen.

The economy as a whole now may be in serious trouble as a result of the measure, critics argued. Matiukhin said that there already have been payless paydays in a number of major cities, that the loss of savings would destroy the market for major consumer purchases and that the overall loss of confidence would result in a massive decline in bank deposits, which in turn would prevent new investment.

"In coming days, a riot will start at the banks," liberal economist Igor Nit said, predicting a full run on Soviet banks and their effective closure as a result of the measure. "Confidence in the banks has been destroyed. Not a ruble will go in and every ruble will come out until the government totally freezes every account."

And those who appear to have been hurt the least were the intended (or so they touted) targets--the black market dealers who have thrived on the inability of the government to meet the

needs of consumers. Anticipating monetary reform, most reportedly had moved their money to 10-ruble notes, switched to U.S. dollars or German marks or invested heavily in goods of all sorts.

"The black marketeers will hardly suffer," said Prof. Alexei Sergeyev, a prominent conservative economist and leading advocate of monetary reform. "Our Mafiosi have always regarded tenners as the only reliable bills and the same applies to Western buyers of Soviet currency. But ordinary people will suffer beyond doubt--first of all the peasants who have a long tradition of keeping their money at home in large denominations."

Politically, Gorbachev's decree was quickly seen as evidence of his shift to the right, attempting to increase government control of the economy rather than move toward greater reliance on the market forces of supply and demand.

"This struggle against the 'black economy' increasingly substitutes for the movement toward market relations," the radical newspaper Komsomolskays Pravda said. And Sergei Alexashenko, a pro-market economist, told the paper in an interview: "We can view this decree as part of the overall slide to the right by our president."

To those who found themselves accused of being part of a new bourgeoisie and losing their savings as a result, there were strong elements of Stalinist economics present in the government decree and its assumption that any cash savings beyond a month's pay, perhaps 270-rubles or roughly \$500 at the official exchange rate, must be ill-gotten and confiscated.

The decree moreover re-establishes "workers' control" by establishing committees of co-workers to examine everyone's holdings and organizing teams of tax collectors, KGB agents and fraud squad detectives to investigate those with more than

1,000 rubles in cash.

"A law-governed state does not have the right to make such decisions," Vazgen Manukian, the prime minister of Armenia, commented in Yerevan. "These are the characteristics only of totalitarian socialist countries!"

A new market quickly sprang up at railway stations as speculators, gamblers and others with large denomination bills paid as much as 20 times the normal fare for train tickets that they hoped to redeem later for cash with travelers willing to take the chance that they will be able to exchange the bank notes once they return home.

And Col. Alexander Gurov, chief of the organized crime branch at the Soviet Interior Ministry, said that the move had "wiped out" an estimated 12 billion rubles in Soviet currency smuggled out of the country.

But police had to double their deployments around the major banks in Moscow and other cities around the country on Thursday as the crowds grew angrier.

END OF THIS QUOTATION

EXCERPTS FROM ANOTHER PRESS RELEASE: also, Jan. 24, 1991, Moscow:

"In a word, it is stealing people's hard labor and then crushing their hopes for a better life. The target may be the Mafia, the black marketeers, but the real victims will be little people, ordinary workers who kept their limited savings in cash." (No, it is exactly the "little people" being targeted--exactly as set up in America. The entire scheme and the very printing of the money notes came from the Cartel (World Bank) right in the United States of America, including the gracious and "free" printing of the notes and the instructions of exactly how to pull the entire maneuver off. AMERICA--YOU ARE RIGHT IN LINE VERY SOON!)

"The utter immorality of this decree is bound to cost the central government what little confidence people still have in it," Ruslan Dhasbulatov, vice president of the Russian Federation, the country's largest republic, said in an interview. "Over the past two years, more than 70 billion of worthless rubles have been pumped into the economy by the government, and now the government is virtually confiscating this counterfeit money."

Police were summoned to maintain order at thousands of banks throughout the country as people sought to exchange their 50- and 100-ruble notes, withdrawn from circulation by Gorbachev, and grew angry when they were turned away by bank officials.

"Chaos ensued at railway stations and airline terminals as travelers were told that their large-denomination notes would not be accepted. Tens of thousands of travelers were likely to be stranded in Moscow alone, unable to buy tickets home."

"Commerce in Moscow, and probably most other large cities, will come to a standstill until this exchange is worked out. Uri Luzhkov, the chairman of the Moscow City Council's executive committee, said."

At major telegraph offices, however, some holders of the outlawed bills managed to buy postal money orders with the money, sending it across town, or even around the block, as a way of getting small-denomination bills for big.

And black market currency dealers, who normally buy and sell foreign currencies, started taking rubles, big notes for small ones, often at less than half the face value, betting that with such a profit margin they would be able to pay the bribes necessary to get the bills exchanged.

"The government, which said it had spent a year preparing the measure but clearly had not anticipated its impact, appealed to people not to panic, but officials of the State Bank,

assigned to carry out the directive, admitted they could give no firm assurances to those worried that their savings would be lost."

On the contrary, the full regulations published Wednesday made clear that those workers who wanted to exchange more than a month's pay, a maximum of 1,000 rubles, would have to explain the origins of their money and why they kept it in cash, not in a savings bank. Committees would assess each case, and tax collectors and the KGB security police would investigate.

For most people, it will be impossible to produce written records on the source of a lifetime's savings, which many keep at home rather than in banks, or of legal transactions in the country's new small businesses, which operate on a cash-and-carry basis.

"The government has also restricted withdrawals from people's savings accounts to 500 rubles monthly in an effort to keep money from flowing back into the overheated economy. This is almost twice the average monthly salary of 270 rubles, but only slightly more than it costs to buy a pair of fashionable imported sneakers at free-market prices."

At the official rate of exchange, 100 rubles is worth about \$185 dollars, but its value on the street is about \$4 or \$5; at the new commercial rate of exchange, 100 rubles is worth \$55 and at the tourist rate about \$18.50. Converted into highly sought consumer goods, \$1 might buy about 50 rubles in a further devaluation.

Rumors have recurred frequently that the government was planning such a monetary reform, but only last week Prime Minister Valentin S. Pavlov, the former finance minister, had denied it!

Around the country, parliaments in the Baltic republics as well as in Georgia responded angrily to the measure, and legislators called on the governments to ease the burden on people

there.

Long lines had formed at banks in Moscow, Leningrad, Kiev and in other cities by dawn on Wednesday as people came to cash in their high-denomination notes. (Note: This is why it was necessary to move troops into the Baltic States and seize the media--so there could be no counter to the measures being instigated--it will be worse in the United States, I can promise you!)

"Comrades! Citizens! Do not panic!" Valentina S. Dravchenko, the manager of a neighborhood bank in central Moscow, shouted as a crowd of 400 threatened to break through the bank's iron grill. "Tomorrow, we will have money, and then you will have your money . . ."

"Please, comrades, killing us will not bring your savings back. If you must, march on the Kremlin, but don't break our doors down so we will be able to work tomorrow."

Kravchenko's promise of money today or Friday satisfied a few, but many more, whose cash holdings were greater than the limit allowed by the decree, were clearly outraged.

"I'm wiped out," Timofei B. Opolinsky, a retired truck driver who now does odd jobs, said, "I have 3,000 rubles, but as a pensioner I can only turn in 200. But this money is most of our savings, and now it is just so much confetti. I can't even get money out of our account now."

END OF THIS PARTICULAR QUOTATION.

Dharma, just a portion of one more and we will leave it to the pondering--for America, YOU ARE NEXT! YOUR GOVERNMENT AND FEDS HAVE SET THIS UP AND YOUR TURN IS COMING!

Moscow: 1/24/91: GORBACHEV MONEY DECREE STIRS PANIC AMONG SAVERS. SOVIET UNION: Large-denomination ruble

bills are declared worthless. Besieged banks refuse to open.

Angry crowds, afraid that most of their savings would be lost under a government monetary reform, besieged banks across the Soviet Union on Wednesday in a new panic threatening the country's fragile economy.

With wads of bank notes clutched in their hands, they pounded on the doors and windows of neighborhood savings banks, demanding that the money, large-denomination bills declared worthless the night before, be replaced with smaller bills.

But the banks, caught unawares by President Mikhail S. Gorbachev's decree, refused to open although customers had begun lining up before dawn. Most banks had no instructions on how to carry out the exchange--the decree said only limited amounts of large bills could be exchanged without question--and no cash to do so.

Gorbachev's decree had been intended to strengthen the ruble, or so was given the reasoning, the Soviet currency, to dampen inflation and, above all, to drain all available cash from the black market, but in the first day the measure appeared to have accelerated the disintegration of the country's economy etc. etc. as quoted in prior notation.

What think ye, America? I shall repeat once more that there are only a few possibilities of saving ANY of your assets which you might have felt safe and secure tucked away and/or invested in banks, etc. YOU SHALL LOSE OF IT FOR IT IS INTENDED THAT YOU DO SO. WE PROVIDE YOU WITH SOME WORKING PLAN WHEREBY YOU MIGHT SAVE A PORTION OR AT LEAST SECURE SOME MEASURE OF POSSIBLE SAFETY FOR A PORTION--I SUGGEST YOU GET IN TOUCH WITH GG OF AMERICA WEST AND INVESTIGATE

POSSIBILITIES. THE TIME IS AT HAND AND THE SUBSTITUTION OF IDENTICAL FORMAT AS ABOVE, IS UPON YOU--WITH JUST SUCH SURPRISE AND SUPPRESSION OF YOU-THE-PEOPLE. The Executive Orders are in place and this can happen to you as quickly as this very day! You are NOT in a war for the Hell of it--you are in a massive distraction to steal your entire world away from you and you had best be in the seeing of it or acknowledge that you will lose it all. The PLAN is in protection of the criminal and evil elements of your world--no more and no less. That which you do with this information is totally up to you but God provides "loop-holes" if you will but be attentive. What you do with the information, I repeat, is totally up to you!

Oh, by the way--the above quotations? No, they didn't come in as propaganda from abroad--they came right out of the LOS ANGELES TIMES! What happened in Russia was a trigger in timing so that the ones in charge can begin their own count-down! I suggest that whatever you do differently than that which you are doing--DO IT IMMEDIATELY FOR THE CURTAIN IS FALLING! SO BE IT.

Dharma, pull this from the machine and get Oberli to send it post-haste to GG; the people to whom he speaks are all but out of time and I have promised to serve in Truth as best I can according to probabilities as presented to me. So be it and blessings upon you ones of lighted searchers for soon the whole will be revealed. God does not break promises!

In honor, I salute you,

2/3/91 HATONN

HOW IT REALLY IS TODAY!

Blessed be the young men and women sent into the fray for their's is the bearing of the price of evil wars upon

mankind. Man has forgotten his way and knows no other way in these days of chaos.

I have witnessed the revulsion of the masses as George Bush bows in his pretense of thanking God--for it is indeed blasphemous unto the very essence of Truth. He tells the people to be thankful for the dead are now in a place of perfection with the Father of Perfection! So be it, perhaps it may be a "kinder and gentler placement" than the "Father of your nation" provides--for he provides Hell and you applaud him! You watch as a young wife thanks Bush for killing her husband. Oh, you think that is not what she does? Think again--"...and we are so touched and appreciative that this humble man would bother to come to us and shake our hands in sympathy..." AMERICA, WHERE ARE YOU?

DEMONSTRATIONS

What would YOU do? Note that there seems to be no way to support your sons and daughters without showing the support of a war??? If you wave your flag and show your yellow balloons and ribbons in support of your men and women--you, through the press and media, also seem to be supporting the WAR! How can this be that you in America have reached a point of claiming that one who is against the war is also against your troops? WHO is the group wishing to bring the sons and daughters home ALIVE?

This is representation in its finest measure of how you have given away your Constitution and now demonstrate in favor of that which is 100% unConstitutional!

You have also made your point to the world of intent--you have appointed another Israeli to the Council who confirms the intent of expelling Palestinians from occupied territory--and the media then shows you pictures of happy Israelis (coming into new trust with America). I remind you--the West Bank Palestinians are under cur-

few with orders to the soldiers to shoot to kill ones who break curfew. They are not allowed out of their homes to either seek safety or gather food and water--is this YOUR FREEDOM, AMERICA?

Oh, Mr. Shamir is happy--by the way, chelas, what think ye a "little gray alien" looks like? Ponder it most carefully for you are about to be "had" by them! Remember something most important--Satan never does his own dirty work--he always has his henchmen do the work for him and he remains looking very good and loving unto you. Also remember, it is now "the ones on your placement"--Earth-bound--who are your enemies in truth and your friends in destruction! So be it.

NOW FOR SADDAM

I have no particular comment regarding Saddam other than that he has rallied Iraqis willing to forfeit life in order to use up your ammunition. Further, he is not taking tranquilizers to maintain sanity and all those other things you are being told. He is calculating and cunning and he takes nothing--it is against the laws to do so. Tranquilizers and drugs are those things of the Western Culture and you ones should know these truths without my having to tell you.

Now what of those missile bunkers that are being "so-called" blown up? Again, he is allowing you to use up your "smart" weapons on minor targets while he continues to hide his arsenal of "real" weaponry. Further, you are losing it, America--you are truly bombing innocent centers and living communities and the hate is building whereby there are thousands of volunteers to die in suicide squads to balance the score--you are truly dealing with eye for eye life, my friends. WHY do you think that none of his major technical weapons have been yet utilized? Your war touters of false projections are making fools of you--the people and cannon fodder of your sons and daughters--this man will not go down easily and now his entire populace is

more solidly with him than ever before as you bomb their women and children who are held in total reverence. Am I on Saddam's side? No, but neither am I on the side of the American military war machine nor your corrupted government! I have but one purpose--the bringing home into Truth and justice the souls of mankind--any Man--anywhere!

Support your troops? Of course, for you forget--the "troops" are NOT "the war". The "troops" are the individual children who would be learning a skill and career and have been trapped into war! I abhor and despise such manipulation of the innocent at the hands of the radicals who will rule your world. You will both pay in money the cost of your own incarceration and insure the control in the name of the Cartel Elite after they have taken your world. It would appear to me that your conjecture that "God supports you" might very well be erroneous indeed.

Who does God support? Any ONE who will come again into his laws with intent through love and Godness! God, friends, does not support "groups"--God supports individuals--wherever they may be and whatever color, race or creed. If YOU have lied to your sons and daughters, I would be getting things squared away with God right away for you are getting into deeper and more serious "soul" danger every passing hour. It will not be ME PLEADING FOR MERCY that will cut it with God--YOU WILL PLEAD FOR MERCY AND TURN INTO TRUTH IF YE WOULD SAVE THINE SOULS--EACH AND EVERY ONE! I can no longer plead in behalf of you in ignorance--for we are bringing forth Truth and if you decline to come into Truth--so be it, for none will force of Truth upon you! The awakening is coming and rising above the noise of the crowds and "fixed" voices of your media enemies--the voice of America shall rise again--I only ask God that it be heard in time for the world is already past the point of "no return" if action is not overwhelming toward Truth very quickly.

All things regarding your freedoms now rest in the hands of the puppet, Bush, at the hands and instruction of his puppet-masters--they are the intended slave-masters and you are the intended slaves. You had best look very closely at this statement, with open mind and clarity of vision.

When the masters tell you that things are going beautifully and right on schedule--believe it! But it is not "your schedule for freedom"; it is the Global Plan 2000 coming down in total perfection against you. If you read no other Journals please read SPACE GATE, SPIRAL TO ECONOMIC DISASTER, SKELETONS IN THE CLOSET, RAPE, RAVAGE, PILLAGE AND PLUNDER OF THE PHOENIX, RAPE OF THE CONSTITUTION, and YOU CAN SLAY THE DRAGON. *If you remain uninformed about Truth of your circumstance--there is not a hope for your finding balance again upon this planet. Open your eyes, ears and minds and you can yet turn it about!*

I can only plead with you to wave your heavenly banners and support your troops to your last breath--DEMAND THAT THIS WAR STOP AND THEY BE ALLOWED TO COME HOME TO TEND OF THEIR OWN COUNTRY AND FAMILIES WHO ARE IN PITEOUS CIRCUMSTANCE! "DEFENDING AMERICA AND THE AMERICAN WAY?" NO--THEY ARE DEFENDING EVIL AND THE SUPPRESSION OF THE GLOBE BY THE ELITE. THE MEDIA AND PRESS ARE INTENTIONALLY CONTROLLED AND SET UP AS MIS/DIS-INFORMATION CENTERS WHICH "THEY" WILL LATER TELL YOU WAS INTENTIONAL TO MISLEAD SADDAM. NO! IT IS STRUCTURED TO MESMERIZE THE POPULACE OF BLESSED AMERICA AND THOSE WHO ARE ABOUT TO PERISH IN THE NAME OF THE LIE. SO BE IT, MAY GOD SHOW MERCY UPON THE INNOCENT.

COSMIC CODES AND PLEIADES CONNECTIONS

To you who plead with me to continue with that subject and postpone the current writings, of which the most recent goes to press this week, BURNT OFFERINGS AND BLOODSTAINED SANDS, I must remind you--if you do not get your world into control, cosmic codes and Pleiades connections will mean nothing except to the few who journey in service unto God and brotherhood of Truth and Light. It is that simple in explanation of "how it is". God will walk every step with you, give you instructions for assistance even with your most worldly perceptions and assets in hopes of you finding the Truth in confirmation--beyond that you will face it quite alone in the judgment by God and self. There ARE ways to protect yourselves and your assets--and you heed them not in general mass; what expect ye of God? God does not force, HE provides the way and the Truth and you will do that which you will. So be it and selah--for the word is given and the word IS GOD!

If I might give one thought for this given day in passage, it would be to "get informed immediately", not yesterday or tomorrow--RIGHT NOW! And, further, if you would hope to move with assets and ability to remain able to function--adhere to the instructions for help as given and TURN AGAIN UNTO GOD AND HIS LAWS WITHIN BALANCE AND HARMONY OF THE CREATION--FOR NAUGHT ELSE WILL SEE YOU INTO A RETURN TO BALANCE. We are sent forth and come forth in love and bearing instructions--it is all that we can do for, until things worsen to the point of annihilation of the planet herself, we will not INTERVENE! Ours is to bring Truth and instructions through and to that which is immortal--your immortal minds and souls--what you will do with that Truth in your consciously physical actions is purely up to you. God has sent forth ones to bravely pronounce "how it is" and ye slay them--others willingly come and you

effort to silence them, also--but Truth will stand into infinity for ye cannot slay Truth and to slay the "Truth-bringers" only merits thee demerits in your written records of God's book of life. Ponder it most carefully for ye teeter on the edge of the abyss most precariously. AHO!

Dharma, take this from the machine and give it unto Oberli to forward to GG--I can really offer no more this morning and I must place a stop to this emotional blockage with the writings of others in God's and Sananda's name. There is willful misunderstanding which is being intentionally fostered and accepted--I care not how emotional individuals react--GOD's words shall NOT go forth until they are truly GOD's words and not those of Earth individuals. Hard?? So be it--but anything to do with physical is of Earth--God's intent for soul awakening is of God--if written as his own words and separation of the two must be made. If ones feel put-upon or wounded, then they must look within at "WHY"! If you write FOR God as his scribe--you have no input as to the message--good or bad in your perception. If you write of your own perceptions, right or wrong, it must be put to your own label and presented as such. The very toying going on regarding Sananda's expression is ably pointing out the fact that it cannot be wholly of God and nothing LESSER is acceptable in HIS NAME! In this statement, I speak on behalf of ATON and not Commander Hatonn. So be it. Ones involved will come into balance and separation from the emotional attachments to self ego and wounded "pride" or move aside that the Truth may be brought forth through another.

Man is pleading for instruction and information on "how" the churches fell into decline at the hands of "democratic voting"--and not more "New Age" material. If that is not accomplished then other resource of bringing forth that documentation and historical material shall be appointed. ARE YOU THERE TO DO GOD'S WORK OR THINE OWN? IT IS INDEED A SIMPLE QUESTION AND

QUITE EASY TO DISCERN BY THE WORDS SPRINGING FORTH FROM THINE OWN MOUTHS. MAN MUST FIRST HEAR TRUTH AND THEN HE CAN BE GIVEN THAT WHICH HELP HIM TO FIND THE BALANCE WITHIN THAT TRUTH--OUT OF SEQUENCE IT ONLY CAUSES PAIN AND MORE CONFUSION.

Good-day and I ask that peace be your solace within,

Gyeorgos C. Hatonn, Cmdr.

2/5/91 HATONN

TODAY'S WATCH

Hatonn present in the total source of ALL, in presence with Source that our journey home might be in perfection. Let us tarry a moment in communion for your burden is heavy and some of it I can bear--most of it must be borne alone, chela.

Each thing that must be set aside while urgent messages are translated are painful for the queries and responses are ones of "neglect". These ones forget that there are six billion plus people on this planet and the messages are for ALL--if ones ONLY perceive themselves as important enough to disallow those six billion individuals to receive their life-saving instructions in order to prove something or another to self--then I suggest "self" is not looking within for Truth but is, instead, searching for that which there is no "self intention" of finding. I request that you print the letter from BLT, Pittsburgh, that we might use it for discussion. I hold this child in great compassion and caring love. I do suggest that she get busy and read all of the material and do her own homework. I would ask if you would expect Foreign Minister Bessmertnykh to sit and pen you a personal letter regarding their status to suit your satisfaction.

I am a Commander in the Federation Fleet. I am in Command of Shan (Earth) transition. I function as a multi-dimensional being (restricted to not higher than fourth) to better relate to you of density two, third dimension manifestation. I am Aton of Highest Source, the One Light as described through the ancient lineage of Deity. I serve with this group from Pleiades for

this is the heritage of most Earth humans, no more and no less.

Earth has reached the time of transition--the age of Kali (chaos) just prior to the ending of an era of the major cycle (ending times) of perception and graduation. Your peoples have gained knowledge which can and shall destroy your planet if not put into check--you show no probability of so-doing. You have learned to reduce soul essence to death and that is unacceptable. You have been sent as caretakers to a wondrous creation upon which to experience and you have destroyed her--THAT, also, will not be tolerated. As of August 17, 1987 your ancient calendars ENDED--THAT MEANS SOMETHING, WORLD! It now means that you are at (on the 13th/14th of this month of February, 1991, the ending point of the year 4 (exactly 3 and 1/2 years into the cycle of ending). How will it end? You be the judge--where are you headed?

I, Hatonn, serve as a Commander in house with Sananda (who was recognized as A Christed being upon your placement). He was a messenger--A TEACHER! He has attained his level of progression into the oneness with God Perfection and he went forth as a Host to prepare a placement for each and all of you who would come home to Source. He perfected His portion--however, YOU were to prepare a place for his return in that which you call "second coming"--YOU HAVE NOT DONE YOUR PORTION! Instead, you have projected through the lies of the false teachers that you would not need do anything save sit and wait and somehow just to believe HE existed that you would be scooped into the clouds and escape all confrontation with the truth of your actions--BAD NEWS!--IT WON'T BE THUSLY

SO!

I, Hatonn, come as Commander of those Hosts to prepare receivers for that "Coming" for it is so that the Kingdom of God, Creation of/by God shall be reclaimed. I Command from a starship of massive size, alongside Sananda (Jesus/Buddha/The Cristos) for he is both MY son and myself. He is not yet upon your Earth in any form of manifestation as you would recognize and you have not prepared his placement. The name of the starship Command is the Phoenix for it is the symbol of the rebirth and the renewal of the tribes of winged beings--the Cosmic races who travel through space. My LOGO, if you will, is the symbol of the Phoenix within a triangle--representing the triune of existence and infinity thereof.

I am labeled Commander of the United Federation Fleet/Inter-Galactic Federation Command in direct reporting to the Federation Higher Council of Intra-Planetary Constellations. I am hampered by time, restricting how much my scribe can produce in Earthly time limitations. When you demand response from me--YOU DEMAND THAT THIS SCRIBE GET NO REST WHATSOEVER FOR WRITING IS ONLY A PITTANCE MEASURE OF HER TASKS IN PREPARATION FOR THE "RETURN".

How do I know that you do not do your homework? Because I respond to each and every inquiry or if it be for another entity, it is accepted and given response--YOU DO NOT HEAR IT! What you do, as in this instance, is expect very Earthly response so what, actually, do you expect? Dharma does not claim anything save fatigue at a task beyond description--YOU WANT GOD TO BE YOUR OWN REFLEC-

TION AND YET YOU ONES CAN-
NOT BEAR IT IF GOD TURNS OUT
TO BE THAT REFLECTION--YOU
ONES HAD BEST GO PONDER
THIS POINT! I, Hatonn, Com-
mander, do not even pretend to cover
all resources--it is my job to bring
forth the "Truth" according to God's
LAST AND FINAL PROMISE! YOU
WILL DO WITH IT THAT WHICH
YOU WILL.

As we print this letter from BLT, I
would ask that all be quite kind for this
is a youth, searching for something
called Truth, from the garbage of that
which has been given unto her. She
has received lengthy information from
the staff herein, but demands response
from "Hatton". This in itself, proves
she reads not all the material for my
name is Hatonn. I am a Commander
with a great task--not a nursemaid to
those who would quibble and harass.
All inquiries will be attended but most
likely not from my scribe through this
mode of transmission. May we please
come into understanding of that which
is at hand.

Quote:

Dear Hatton, (Tuesday, J/29/91)

*I hope that you are going to write
me. This is XXXX XXXX AGAIN. I
will not bother you further after this.*

*My previous letter & its contents
are very important TO ME. God is
very important TO ME. Living life
correctly, though I do not always, is
very important TO ME. So, your re-
sponse is also very, very important (TO
ME).*

*Now, if this is some human, with a
twisted, creative nevertheless, mind
who is using a deceptive gimmick to
obtain money for books, then I hope
that you get what you deserve. And
you will. But kindly do not play this
game. Just have enough integrity to
write me back & even lie if you must.
I will see straight thru it anyway.*

*But if this is truly Hatton, alien to
me because I do not know who or what
you are, please do not play a game
with me either. If you don't want to be
bothered, just say so. But write back
your rejection. But I assume that you
care & I assume that you will respond,
since you are a part of CCET; the
Earth representative, Commander-in-
Chief.*

How do I know? I don't know.

*Thank you for your time, once
again.*

Emphatically & Sincerely,

XXXXXXXXXX

*P.S. I hope this letter does not offend
you, if this is truly Hatton. If this is
someone else, then I don't really care.*

END QUOTE

Precious, have you ones not been lied
to quite often and long enough? If you
can see through lies--why can you not
see Truth which is all about you in ev-
ery breath that you take, every thing
that is thrust upon you to deceive you?
Please do not think for even a moment
that you have just obtained some sort
of private Guru to attend your every
whim. If you wish spiritual guidance
beyond all understanding--turn unto
God and your Master Teacher and lis-
ten! I fly a spacecraft and direct
Operation Shan. Should I perhaps call
it "OPERATION SHAN-STORM?"
It, further, is my commission that
Truth be put to print as historical data
through the hands of human to be uti-
lized by humanity and then placed in
security as historical documentation of
a changing time in akashic record-
keeping so that Truth be balanced
against the lies already present upon
your placement in full bloom.

Precious BLT, you have already said it
far better than I can reproduce your
words but I shall rephrase your com-
ment. The decision as to myself and
my status is solely within your own
discernment for you have even invited
me to lie unto you, child, if necessary,
if only I will respond. WORLD! IS
THIS WHAT YOU HAVE AT-
TAINED? DO YOU REALIZE
THAT THE WORLD IS SO FILLED
WITH LIES THAT YOUR CHIL-
DREN MUST ASK "EVEN FOR
LIES" JUST TO BE HEARD?
SHAME UPON THE HUMAN
SPECIES HAVING REACHED
SUCH A STATE OF DEGRADA-
TION AS TO GIVE FEASTS OF
NAUGHT BUT LIES UNTO YOUR
BABES AND THEN SEND THEM
UNTO THEIR DEATH IN A FOR-
EIGN AND DISTANT DESERT
WHILST YOU WAVE YELLOW
RIBBONS AND THEIR BLOOD
SOAKS THE DESERT SANDS? IS
THIS WHAT YE HAVE COME TO

REPRESENT? AH, YES INDEED,
EVEN UNTO THE REST OF THE
WORLD THIS IS WHAT YE
AMERICANS HAVE COME TO
REPRESENT!

BLT, be patient child, and Truth will
come into thine perception for ye actu-
ally desire a Commander and leader--
not some pious mush-mouth to feed
you on sugar water and more lies. The
false teachers overflow the lands just
as were told unto you. I do not walk
your land nor does the Master Teacher
nor the Deity in physical format--
THAT is one of the very clues you
should be seeing herein. GO READ
YOUR HOMEWORK!!! I, further,
can fragment my attention--but not to
the same given extent of Sananda, for
instance. I am restricted in dimen-
sional form so that I can better func-
tion as you must function so that un-
derstanding can be balanced--so be it.
Rest in peace for ye are precious unto
me and I thank you for your efforts
and attention for so few care enough to
even think about it and blindly accept
that which is fed them from the silver
spoons of evil liars--be it from the
streets or the pulpits of your churches.
AHO.

TODAY

Listen up because the confirmations
are now beginning to flood back upon
you as to that which I have been pre-
sented. Dharma, please now, type the
letter of January 31, 1991, from Alan
F. Don't concern with resource, for it
is valid and I care not that you look it
up for clarification for I have scanned
the material and it is accurate to the
point in attention. It came not to me,
Hatonn, but rather, to GG of America
West. A "fax" has been forwarded to
this location for information for
Dharma who must wait confirmation
as it flows back along the flow-stream.
However, if things are confirmation to
her consciousness--they must be
confirmation for ye who read the doc-
uments we send forth. After we
reprint the letter, we shall speak more
in-depth regarding Israeli participation
from onset of this war, even unto the
first bombing of Iraq, for it is now
publicly documented as far back as the
17th of January as to bombing mis-
sions into Iraq of the Israeli Air Force.

QUOTE: (Dharma, just the headline
portions please.)

IS U.S. SENDING SOLDIERS TO THE PERSIAN GULF IN CHAINS?

Last fall, Nancy Spannus, the only Democratic candidate to challenge Republican John Warner for his seat as U.S. Senator from Virginia, was told during her campaign by a source in the U.S. military that some Americans in uniform who expressed their reluctance to go to war against Iraq, were being clapped in the brig and shipped to Saudi Arabia in chains. Now similar reports have surfaced in Europe, notably in the Italian press, indicating a serious morale problem.

"U.S. Soldiers are Condemned," forced to go to the Gulf, "in some cases loaded on the airplanes with their hands and feet tied together," reported the Jan. 8, Corriere della Sera. Is the U.S. military shipping its war resisters out to die?

HOSTAGE TO BAKER: WHERE IS AMBASSADOR GLASPIE NOW?
by Scott Thompson, journalist.

JAN. 15 (EIRNS)—As the world teeters on the brink of war, this reporter tried to get the U.S. State Department to do as Iraqi President Saddam Hussein has already done, namely, release its hostages. The hostage in question, U.S. Ambassador to Iraq April Glaspie, who is being held incommunicado, is a witness to how Secretary of State James Baker lured Iraq to invade Kuwait.

No wonder that, with President Bush ranting that "Saddam Hussein is worse than Adolf Hitler," he wants to silence an ambassador who can tell first-hand how his administration helped rig the Iraqi invasion.

HAUNTING THE STATE DEPARTMENT

Assuming those at the State Department's Near East Affairs Bureau are not lying (like press spokesman David Good, who claims to have seen Glaspie—he called her the "gray ghost"—wandering somewhere around the corridors of the State Department), she has fared much better than a dozen-odd witnesses to Bush's ROLE IN IRAN-GATE, WHO SEEM TO HAVE DIED UNDER MYSTERIOUS CIRCUMSTANCES. Still, her "ghost" haunting State should be a lesson to employees who carry out the treacher-

ous policies of the administration.

This reporter has tried to make contact with the U.S. Ambassador to Iraq for over three months, since her role as the siren helping to lure Iraq to invade Kuwait became known. Aides to her boss, Assistant Secretary for the Near East John Kelly, would say that she was somewhere in Europe, while others would claim they had seen her that morning. Yesterday, a staffer at the Iraq desk blurted: "We've been ordered not to talk about her."

Press spokesman Good used "Foggy Bottom Bafflogab" to say Glaspie was "under consultation in the building," but said he could provide no further details. Asked about the text Iraq released of Glaspie's July 25th meeting with Iraqi President Saddam Hussein, in which Glaspie told Saddam that, "We have no opinion on the Arab-Arab conflicts like your border dispute with Kuwait," Good added: "I cannot get into the substance, but on background I can say that the Iraqi account was inaccurate and incomplete...I can neither confirm nor deny that the State Department said Iraqi action against Kuwait would be seen as an inter-Arab affair."

It is not just reporters who've had trouble reaching Glaspie. Congressmen report that President Bush, himself, blocked their ability to subpoena her, so Congress could get to the bottom of how the Persian Gulf crisis was rigged, when Bush exempted executive branch personnel from testimony. It would have taken a major constitutional fight to get Glaspie under oath.

WHAT IS BAKER HIDING?

As New Federalist has documented, the Anglo-American Establishment, with the aid of Israel, waged economic and psychological warfare against Iraq, denying it reconstruction after the 1988 end of the Iran-Iraq War. British-influenced Kuwait played a role by denying Iraq development credit and by driving oil prices through the floor, so that Iraq could barely maintain debt service on its war debt, let alone fund new projects.

On the eve of the Iraqi invasion, Glaspie met Saddam Hussein. The text of their discussion, released by Iraq, was printed by the NEW YORK TIMES on Sept. 23. Not only did Glaspie tell

Saddam that James Baker had emphasized that the U.S. would treat Iraq's dispute with Kuwait as an "Arab-Arab conflict," but Glaspie said: "Mr. President, not only do I want to say that President Bush wants better and deeper relations with Iraq, but he also wants an Iraqi contribution to peace and prosperity in the Middle East."

Certainly, Glaspi's remarks to Saddam reflect the position taken initially by Bush, who refused to send troops to the Gulf until after he had been brainwashed by Britain's then Prime Minister Thatcher. It seems the administration, through Baker, is holding Glaspie hostage to cover for having lured Iraq into Kuwait. It's time Baker does what Saddam did, and let his hostage go.

END OF QUOTE FROM LETTER

Thank you Alan, for your input and documentation. We do not need the document but I trust you will keep it on record for reference for any desiring source.

Now, we are going to have a discussion regarding some other things I have told you and I wish to reiterate several points. Firstly, those of you who labor under the delusion that prime community centers are not targeted in Iraq, had best look again—the toll in death is now into the tens and tens of thousands—does this make you proud, America? The truth and proof is now hitting the isolated presses of truthful reporting and the European presses. Here is one:

BAGDAD; (Dateline Jan. 29 and obviously obsolete in numbers) The 10,000 U.S.-led air raid sorties over Iraq (they now claim over 46,000 sorties by today's claim) have so far dropped the equivalent of 46 Hiroshima bombs on that country.

The censorship and disinformation enforced by Secretary of Defense Richard Cheney has embargoed the news that the bombings have resulted in large numbers of civilian casualties. The continual emphasis by U.S. officials on describing the missions as surgical bombing being conducted with "high precision," allegedly directed solely against "strategic targets", is designed to cover up the huge civilian casualties among the general Iraq population.

(These civilian casualties are euphemistically referred to by U.S. officials as "collateral losses".) (Hatonn: Does it rather remind you readers of "Other Losses"?) Reports from Palestinian and Lebanese refugees streaming out of Iraq describe mass panic, general chaos and great loss of life, in direct contradiction to official U.S. releases.

In direct violation of the UN resolution authorizing the use of force solely to dislodge Iraqi troops from Kuwait, the Bush administration has instead followed a course to totally destroy Iraq.

According to experts on saturation bombing, huge civilian casualties are unavoidable when population centers are hit by such massive tonnage of explosives.

Most of the so-called strategic targets were located in the middle of Baghdad, a densely populated city of 4.5 million people. Although underground shelters had been dug in the days preceding the January 16 surprise attack, there was no way that U.S. commanders could ensure that civilians would be spared through "precision bombing."

Bush's cover-up of massive civilian deaths among Iraqis is actually aided by an Arab cultural trait, which, in fact is similar to almost all other cultures. Arabs feel shame when they complain about catastrophes befalling them. Iraqis in particular have been fighting invaders for the last 5,000 years and would rather die than let the world know they were severely hit. It would also, they believe, simply invite the enemy to strike harder.

END OF QUOTE.

Now, I would like one of your own scientific "experts" to explain to me just how you can "bomb a chemical/biological factory in such a way as to offer NO HAZARD TO THE PUBLIC"? That is what is pouring from your own military leader's mouth! Also, I believe that if you are watching the disinformation news you are now witnessing EXACTLY that layout I described for you of burms, mine-fields, trenches etc., between you and your ground enemy. Of course the diagrams are fairly accurate but there is no mention of burning crude oil, fuel-air bombs, napalm, etc., in those trenches--you are told that you will

simply carry with you, folding bridges, flop them across the trenches and move in without objection following air strikes with "smart weapons"--the same type smart weapon that blew up your own tank by your own hands!!! Oops, well, the men's families will just have to accept errors from time to time and surely the men "are with a kinder and gentler Father". Where are you, America?

How about Israel's bombing of Lebanon TODAY? Oh, well, you just can't keep up with everything, can you? And what of the West Bank and the Palestinians? They are still restricted to their homes under penalty of death--with constant patrols and less than one gas-mask per ten persons. No food and no water and loss of all jobs. Where are you, America?

Let us consider this headline as presented in a major news-press: ISRAELI PLANES ATTACK IRAQ, SECRET CORRIDOR IN SYRIA.

Despite its claims to "non-belligerent" status, Israel has been at war with Iraq since January 17. This has been learned from highly placed diplomatic and military sources. Its actions follow the pattern of "undeclared wars" which it has employed in the past.

Allowed to use a secret air corridor over Syria, Israeli F-14 and F-16 attack jets have joined the air battle in the gulf with a priority mission to track down strongman Saddam Hussein and other top Iraqi leaders, then "terminate" them with so-called "smart" bombs.

One of the key targets assaulted by Israeli fighter-bombers has been the small town of Tikrit (AND AGAIN TODAY) in Northern Iraq. Known as the birthplace of Saddam Hussein and several of his senior aides, Tikrit is reported to have been "obliterated" by the mini-state's raids, with more than half of its 24,000 civilian inhabitants killed in the aerial holocaust. These have been women, children and old men. All the younger men are in the army.

Now, please weep for history and evil destruction as you read on: The ancient town of Nineveh has been bombed, as well as Mosul and Kirkuk, bringing heavy loss of life of women and children. This is widely published news coming out of Jordan, which also re-

ported the destruction of St. Toma Cathedral in Nineveh. St. Toma, built in the first century, is reputed to be the oldest Christian church in the world. (Is this what a REAL HOLY POPULACE DOES TO THE MOST HOLY OF HOLY SITES OF GOD?)

The Israeli air offensive, coordinated with the Bush administration at the very highest level, has been spearheaded by U.S.-supplied all-weather fighter-bombers. Some of the aircraft bore deceptive U.S. Air Force markings (while others were unmarked) well-informed sources on the military staff of the UN Security Council have revealed.

AERIAL ASSASSIN

Since the first days of August, Israel has been "pushing hard" behind the scenes to be granted the role of "aerial assassin" tasked with eliminating Iraq's leadership, this knowledgeable source asserted.

"The Israelis claimed that they had the best 'intelligence assets'--that is, teams of spies and saboteurs--on the ground in Iraq," related one experienced official, who asked not to be identified, "They boasted that they succeeded in destroying Iraq's nuclear research station in 1981 with a single bombing run because operatives of the Mossad guided the attack aircraft to their target with high-tech beacons."

Moreover, the Israelis argued that tracking down Saddam Hussein and killing him with a "tele-guided" bomb would "end the war before it really began," and save lives as well as costs, these sources related. (So, you can see that death and expense are built into the plan. Further, as soon as we finish quoting from this article I ask that Dharma copy the portions of the article on pending plans in the works, by Israel, as was in the Bakersfield Californian two days ago.)

In an unforeseen side effect; planning for the covert raids flown by Israeli war jets appears to have been the hidden trigger that precipitated the firing of Gen. Michael Duggan, the U.S. Air Force commander in the gulf last November.

Reports reaching the White House--that the outspoken combat aviator had not only outlined the administration's bombing strategy to reporters, but also

told CBS defense correspondent David Martin of the closely guarded plan to liquidate Saddam Hussein from the air--led to demands for Duggan's immediate dismissal by national security bureaucrats.

Martin subsequently revealed the aerial assassination tactics used against the Iraqi strongman in a network broadcast on January 21, but failed to mention the role played by disguised Israeli warplanes.

Nor did he mention the destruction by U.S. bombing of yet another ancient Chaldean, or Nestorian, Christian cathedral in the Old City of Bagdad.

According to Anwar Halimi, an Egyptian journalist who has recently returned to New York from the gulf front: "That church was a cherished cultural treasure of all mankind.

"It has now been smashed to bits, along with the abodes, possessions and simple lives of more than 100,000 Iraqi civilians in those areas. If there will actually be war crimes trials in the aftermath of this war, the wanton bombing of Iraq's population and priceless cultural treasures may well form the most searing indictment."

END OF QUOTATION. AND WHERE ARE YOU, AMERICA?

WAR PLAN

ISRAELIS PONDER WAR PLAN: Impatient Leaders May Target Scuds, etc.: WASHINGTON (AP)--Israel's military is considering a plan to use commandos to destroy Scud launchers and other targets in western Iraq, informed sources say. But Israel is telegraphing conflicting signals and deliberate ambiguity about its willingness to try such a daring raid.

Top Israeli defense officials indicate they are impatient with the restraint urged on them by the United States, which hopes to hold off an Israeli attack by finding and destroying the Scud launchers itself. . . . (Enough, people can research the article if they wish.)

Now just why do you think the U.S. "targets (TODAY, 2/5/91)--TIKRIT?" Let us quote another article from prominent press source:

ISRAEL: 'VENGEANCE IS MINE'

On January 17, before the Iraq Scud attacks on Tel Aviv, Israel had already exacted "eye for an eye" vengeance on Iraq. This is true despite what is being reported on American television, radio and in the press.

Israel carried out its own mission on the innocent residents of Saddam Hussein's hometown.

On January 18, Pentagon briefers let slip that the Iraqi town of Tikrit, had been "wiped out". With a population of 24,000, Tikrit is located on the Tigris River north of Bagdad. It has never been a strategic or military center.

Its only claim to fame is that it is the hometown of Iraq's leader Saddam Hussein and his family. He is known in his own country as Saddam Hussein at-Takriti, meaning Saddam Hussein from Tikrit.

Confirmation from eyewitnesses who have supplied reliable information in the past verified that the town had, in fact, been wiped out along with a majority of its population. (So why this attack again on this date? Do you suppose the "allies" are covering-up again?)

The decision to destroy Tikrit was made at the urging of Mossad, Israel's secret service "advisers" in Saudi Arabia. There are reportedly at present 862 Israeli "advisers" in Saudi Arabia, telling the U.S. command how to run the war. All are members of the Mossad.

They advise the Americans as experts on Arab custom, strengths and weaknesses, and also relay their interpretation of intelligence received from Iraqi Jews inside Iraq. The Israelis argued that the destruction of Tikrit would deal a mortal blow to Saddam Hussein because it was his birthplace.

Whether this will have the desired impact remains to be seen. Reports from Baghdad, however, indicate that the massive bombings have not thrown the population into terror and submission, but have instead enraged them and solidified their resolve to fight to the death. END QUOTE.

I REPEAT TO YOU WHO WILL LISTEN IN TIME TO STOP THIS

INSANITY: YOU MUST PAY ATTENTION TO GATHERINGS OF MOSLEMS, ETC. SUCH AS WERE SEEN IN MOROCCO ON SUNDAY LAST--HUNDREDS OF THOUSANDS IN UPRISING AGAINST YOU--YOU! AMERICANS!

PLEASE HEAR MY PETITION--THERE IS A HOLY WAR BREWING MORE HEINOUS THAN ANYTHING WITNESSED ON THE FACE OF YOUR EARTH AND YOU MARCH BLINDLY INTO THE FRAY WAVING YOUR BANNERS AND TOUTING LONG LIVE BUSH, EVEN TO NOMINATING THIS DICTATOR FOR THE NOBEL PEACE PRIZE. WHERE ARE YOU, AMERICA? I HEREIN TELL YOU AGAIN--YOU ARE DEALING, NOT WITH JEWS OR ZIONISTS OR ANY OTHER SAVE THE ANTI-CHRIST, SATAN, HIMSELF!! YE WHO HAVE EARS TO HEAR HAD BETTER LISTEN-UP AND YE WHO CAN SEE MUST TURN INTO SEEING THAT WHICH IS--FOR THE TIME OF THE CONFRONTATION CALLED BY YE ONES AS ARMAGEDDON IS AT HAND, OH YE PEOPLE OF ISRAEL. I REFER NOT TO PALESTINE WHERE YE SEEM TO BELIEVE THE PEOPLE OF ISRAEL ABIDE. NAY, NAY--NOT SO FOR YE LOOK WITHIN THE WRONG PLACES FOR THE ISRAELIS OF GOD.

Dharma, allow us to print another article from another press which I will dictate unto you: this one bears a dateline of January 29, 1991, BAGHDAD:

Israeli Prime Minister Yitzhak Shamir (little gray alien) ordered his air force to bomb Iraqi targets using Saudi and Syrian airspace at the moment Bush started bombing Iraq, contrary to Establishment news reports that Israel has stayed out of the conflict.

Israel's participation has been kept top secret by the U.S. government and an obedient media.

The Israeli military has a very low opinion of American war performance and felt it necessary to add their bombs to the U.S.-led effort.

The panic which the first Iraqi Scud missile attack on Israel created among the allies reportedly amazed even Shamir, who saw his opportunity to demand an additional \$13 billion from

the U.S. treasury in return for keeping a "low profile." He also received batteries of Patriot air defense missiles, manned by U.S. military personnel, to protect Israeli cities.

The oil sheiks and potentates who face mounting opposition within their respective countries to their participation in the destruction of Iraq have also offered billions to Israel. Shamir will ask for additional money after each Scud attack, or he will "officially" bomb Iraq.

According to our sources, Israel received \$2.25 billion from Saudi Arabia, \$1 billion in secret CIA funds, \$600 million from the British, and \$500 million from the French for its forbearance.

The Israeli Cabinet scoffs at Bush's fears that open Israeli participation will break up the coalition arrayed against Saddam Hussein. After all, it was the best coalition that money could attain—YOUR MONEY! Israel would welcome the chance to destroy the coalition, thereby inviting open hostilities with Syria and Jordan. This would give Israel the opportunity to conquer both countries and seize their lands—both of which are claimed by Israel as part of Eretz Israel (Greater Israel), which extends from the Nile to the Euphrates Rivers.

Thus, Israel's agenda is very different from the official objectives of the Western-Arab coalition against Iraq.

END QUOTE

Enough? I have ample documentation from your own placement to go on ad nauseam! But one more little one—where it might just get your attention. Your sons and daughters dying don't seem to touch you but what about your pocket books?

PAYING THE PIPER: Israeli Finance Minister Yitzhak Modai submitted Israel's request for an additional \$13 billion in U.S. tax dollars over the next three years. Of this amount, \$3 billion is for property damage Israel says it sustained so far in the Persian Gulf war (from those bombs that never landed because of Patriot interceptors). The remaining \$10 billion is for the resettlement of Soviet Jews in Israel. Modai also said he would ask the European Community for \$10 billion. Israel's U.S. ambassador, Zal-

man Shoval, insists the \$23 billion "request" is not a bill for Israel maintaining a low profile in the Gulf War. . . .

HONOR TO EDITOR

I ask that you reprint the "EDITORIAL--PERSONAL" which I will give to you, from the journal called "SPOTLIGHT" for it says it in wondrous, brave, blunt and forceful words—exactly how it is and allows you to know exactly on which platform stands truth. I applaud this man, that paper and the service given unto you as a people. Once upon a time you had a paper which stood for truth and then, as now, the publishers stood against assault after assault—it was called the *LIBERATOR*. Ones work again in the shadow of death at the hands of the irate and misinformed but you of America are fortunate beyond measure for there are still those brave patriots who are true to America and that for which she *STOOD*—and would still say—"Give me liberty or give me death." **I BOW IN HONOR AND SALUTE UNTO YOU ONES WHO BEAR THIS HEAVENLY BANNER UNTO TRUTH FOR THE WAY IS STORMY AND, FRAUGHT WITH HAZARDS TO YOUR VERY BEINGS FOR PEOPLE SIMPLY DO NOT YET SEE THE TRUTH AS IT LAYS BEFORE THEM BUT, RATHER, STILL LIVE THE DREAM AS THEY "WOULD HAVE IT BE".**

I will let the quoted word speak for itself, please:

PERSONAL...FROM THE EDITOR

Our position on the war currently raging in the the Middle East is clear and has been stated twice now in full-page editorials, the first one in the issue of January 21 and the second one in the current issue on the back page (WE WILL REPRINT IT HEREIN).

The destruction of an ancient civilization, the enormous cost to the United States in both blood and treasure (\$1 billion a day, a few billion here and there in the form of bribes to corrupt leaders, \$13 billion for Israel's "cooperation," \$7 billion in loan forgiveness for the Egyptians and hundreds of billions more for the permanent occupation by U.S. forces of the region after the war), the threat of continual terrorist reprisals inside the

United States and looming economic ruination—these all signal the end of the American era.

We are reprinting the editorials on two sides of a single sheet of paper to make them available for wide distribution. They will be the same size as *THE SPOTLIGHT* and are available from our offices at 300 Independence Ave. SE, Washington, D.C. 20003; 50 copies for \$4; 500 or more, 7 cents each; postpaid (subject to change).

There is no question that the greatest number of American people oppose this war, and even more would join the opposition if the "news" permitted them was truthful. That is why we have reprinted our editorials, since they summarize the numerous articles we have run containing information that has been blacked out by the obedient Establishment media.

The editorials also summarize the point *THE SPOTLIGHT* has been making through out its 15 years of publication, and which its publisher, Liberty Lobby, has been espousing since its founding 35 years ago. That is, simply—America First. We have wasted millions of lives and trillions of dollars enforcing the dictates of the international elite, the bankers and Big Money interests across the globe through out the century. Our country would be a paradise now, rather than a teetering, hollow giant, were our leaders inclined to follow the advice of our Founding Fathers.

SUPPORT OUR TROOPS. GET US OUT OF THE MIDDLE EAST!

EDITORIAL. FEB. 4, 1991

THIS IS ANOTHER NO-WIN WAR

BUSH'S WAR IS WORSE THAN VIETNAM BECAUSE WE HAVE ALREADY LOST IT. IT'S ANOTHER NO-WIN WAR.

Thoughtful American taxpayers and citizens should look beyond the initial euphoria caused by the mass slaughter in Iraq (more than 100,000 civilian casualties in Bagdad as of January 20) and consider the future, even if such an exercise may diminish their enthusiasm for all the gore.

The great pundits and intellectuals

who are bringing this "extravaganda" (extravaganza/propaganda) into our homes via the magic of TV never tire of assuring us that "This will not be another Vietnam," and "We are fighting to win this time."

The two statements are not necessarily compatible. The master strategists who brought us the bitter cup of defeat in Vietnam fought a no-win war, meaning that they tried to lose.

(Incidentally, during the Vietnam War they all lied, denying that they were deliberately fighting to lose. Now they admit it. So you now believe that they're telling you the truth about this war?)

Contrary to Vietnam, the present war will not be fought to lose.

It will be fought to win. But because it is impossible to win this war, we will inevitably lose it. Thus, THIS IS ANOTHER NO-WIN WAR and our defeat will be far, far greater than that in Vietnam.

Why is this war a loser? Why can't we win it? Here are some of the reasons:

* The absolute minimum cost of this war will be a trillion dollars and the cost will drag on for years and years. The American economy, in its weak condition (created mainly by the same free-trade theorists who are directing the war) cannot support this loss on top of everything else. The cost of the war will complete the devastation of the economy.

* Even if we win the battles quickly and conquer Iraq, the cost of providing minimum sustenance for the subjugated civilians and trying to repair enough of the devastated country to get the country functioning again will be astronomical.

* Even if we win the battles and kill Saddam's troops by the hundreds of thousands, our troops will have to remain in the area indefinitely. Perpetual guerrilla warfare against our troops and continuing casualties are to be expected. The annual cost in lives and dollars cannot be estimated.

The war will--and already is--turning all of the Moslem and Third World people around the world against us. It is a total public relations disaster for America--once the world's bea-

con of hope. Our destruction of Baghdad and the Israeli pulverizing of Tikrit cannot be approved by any decent person.

* Terrorism inside America is to be expected indefinitely, and thanks to the lunatics who have made our national borders as porous as a sieve, terrorism could get serious.

* The Bill of Rights is certain to be set aside if terrorism becomes a problem. If the war continues, critics are likely to be thrown into concentration camps with real or imagined terrorists. (*Hatonn: I want it herein noted that on the demonstrators as the most massive anti-war rally (San Francisco, January 27) there were police patrols who directed MILITARY HELICOPTERS TO THE AREA AND DUMPED "ROTTEN-EGG" GAS ON THE DEMONSTRATORS AND THEN CLAMPED A LID ON THE PRESS AND DISALLOWED MEDIA ACKNOWLEDGMENT. IS THIS AMERICA? IS THIS PEACEFUL DEMONSTRATION? WHERE ARE YOU, AMERICA? WHO ACTUALLY SUPPORTS THE TROOPS?--YOU WHO PROCLAIM WAR AT ALL COSTS OR THOSE WHO DEMAND BRINGING HOME THE TROOPS AND NO WAR--WHICH IS TRULY PATRIOTISM, AMERICA?*)

* If (when) the war escalates to a ground war and American casualties mount, social upheaval is to be expected, especially among minorities.

* War always destabilizes the social order, and is felt in a million ways. The effects of the Vietnam misadventure created tremendous changes in the way America thinks, acts and looks, and none were to the good. Respect for America and the American system will further erode, especially among youth, which will identify the criminal brutality of this "kinder and gentler" war as the American system.

* War upsets all business plans, projections and calculations. It will bankrupt millions and make fortunes for the dregs of society, the sleazy crooks, con men and profiteers who always surface during war.

* War always increases the size and power of the government. Expect more socialism, more bureaucracy, more corruption, more government interference, more restrictions on the

law-abiding public.

* The war channels attention toward itself, and away from the really important things that are happening in America and the rest of the world. It thus paralyzes attempts to cure our own ills as we insanely try to cure the ills of others.

* The fact is, there is absolutely nothing of any value whatsoever that the American people can derive from this war. This is not to say that no one will profit from it. Many will, but not the people who are supposed to be running this onetime Republic.

* Most importantly, this is a no-win war because there is no legitimate war aim--a war aim visualizing an attainable goal in the interest of the United States that will justify the cost. The reasons that Bush has given for this war are pathetic but the best he can come up with. Because there is no legitimate war aim, we lost the war the instant it started.

* The real purposes of the war are to destroy an enemy of Israel, to perpetuate the Trilateral monopoly on Mideast oil, to further move America toward a world government (Bush's "New World Order"), and to distract attention from the corruption of the crooks in the federal government. These will be the winners of the war; everybody else, except the Arabian and Kuwaiti oiligarchs, will be the losers.

So not everyone will lose the war.

Only the people who have to fight and pay for it.

That's why--THIS IS ANOTHER NO-WIN WAR.

**SUPPORT OUR TROOPS--GET
OUT OF THE MIDEAST
AND IMPEACH BUSH!**

And so, there you have truth from the mouths of neighborly mortals. America,--yea, WORLD, if ye cannot see that which IS, plead for mercy for ye shall receive that which ye sow--even if it be sown in ignorance for the harvest shall always be in "kind". These ones emphatically say: "America First!" Nay, nay, nay--friends; **I MOST SURELY SUGGEST THAT YE PLACE "GOD" FIRST!!!!** And, *so be it!* For that which has been prophesied for lo, the eons--are at

hand--in this very generation upon your placement! Ye had best be looking most carefully unto that which ye petition from God for thine "so-called" enemy is NOT your enemy and ye are asking for prevailing of evil which does not mix in Godly sanction just as oil and blood do not mix but forever remain in separation one from the other. Ponder it!

REVELATION: 5:5--:

But one of the twenty-four Elders said to me, "Stop crying, for look! The Lion of the tribe of Judah, the Root of David, has conquered, and proved himself worthy to open the scroll and to break its seven seals."

I looked and saw a Lamb standing there before the twenty-four Elders, in front of the throne and the Living Beings, and on the Lamb were wounds that once had caused his death. He had seven horns and seven eyes which represent the seven-fold Spirit of God, sent out into every part of the world. He stepped forward and took the scroll from the right hand of the one sitting upon the throne. And as he took the scroll, the twenty-four Elders fell down before the Lamb, each with a harp and golden vials filled with incense--the prayers of God's people!

Dear ones, the Lamb is at hand and the breaking of the seventh seal is upon you. It is not mine to do other than tell you of truth for the apocalypse has begun and you seem to see it not. May the hand of the one upon the throne, God of Creation, please bear a "kinder and gentler" confrontation for ye who bring destruction unto His other wondrous Creations than I would suspect in the garnering of justice at time of judgment. Where are you, citizen of the Earth? The time is at hand for the deciding! Salu.

OUR NEWEST JOURNAL

**BURNT OFFERINGS AND
BLOODSTAINED SANDS
PSYCHOPOLITICS AND THE**

SACRIFICE OF THE PHOENIX BY Gyeorgos Ceres Hatonn

This is the 24th book in the *Phoenix Journal* series that has been published in the last eighteen months. They include detailed topics from all walks of life, including current information on the Middle East War as of January 28, 1991.

These books, which are entered into a computer by "Dharma", ARE THE WORDS OF TRUTH WHICH GOD PROMISED HE WOULD SEND FORTH AT THE ENDTIMES TO GIVE MAN ONE LAST CHANCE TO CHOOSE TRUTH OVER THE LIE.

Hatonn gives us an excellent background coverage of why the world is on the downward path to ONE WORLD GOVERNMENT, the "NEW WORLD ORDER" that President Bush mentions many times and how the present Middle East War is the beginning of the Battle of Armageddon, the greatest battle to ever be fought on this planet. This is the battle that has been predicted for several thousand years and THE TIME IS NOW HERE.

He gives us details of what hardships even the Americans must be prepared for (INCLUDING INVASION, DESTRUCTION OF OUR TROOPS, STARVATION, TERRORISTS AND EVEN CONCENTRATION CAMPS HERE IN THE UNITED STATES) if we do not DEMAND that our Constitution be restored and start living under the LAWS OF GOD VERY SOON.

TODAY'S WATCH

ALERT! Watch what is being said to Congressional hearings this day, by Baker. He is speaking of things like "after war" occupation with men and money, rebuilding costs of all damaged nations including rebuilding Iraq and Kuwait FOR the damaged parties and "collateral losses" (of which we spoke yesterday)! Also, more aid for Israel who "continues in irreproachably innocent restraint during this mad dictator's attacks....". He also speaks of this "New World Order headed and orchestrated by the major UN nations of the world and how you, as the most affluent nation, must bear the damages which YOU have committed. Good luck, America, for you surely need it.

Further, do you not find it awkward that they cannot get their lies coordinated from one branch of a network into the other? First, you are told that three Iraqi planes took off to run hide and defect to Iran and the other channel of the same network said, within two minutes, that three Iraqi planes were airborne and they "think" at least two might have been shot down! THERE IS A FUNNY AND UNIQUE THING ABOUT TRUTH: IT NEVER VARIES! LIES HARDLY EVER ARE IDENTICAL IN THE TELLING

FROM ONE MINUTE INTO THE NEXT!

Bear with us, brothers, for Dharma is about to fragment for we are working on three Journals and an almost daily Express without being relieved of any of the physical tasks of preparation, etc. We are still efforting to finish Vol. II of Pleiades Connections (Cosmic Code, Universal History, Frequencies of the Universe and Relativity Explained). Unfortunately, a war interrupted our work and is very capable of blowing away your world and rendering you enslaved so that which is most imminent must take precedent. We also are working at a Journal which will explain and give insight into the wondrous prophecies of John in Revelation, as well as Daniel's projections along with Ezekiel's. So please, you who write to me, know that I cherish your input and communications and I am most sincerely grateful for backup information which flows forth from several of you. It is highly valued for the physical boost it gives our publisher, etc. It is hard to work with such controversial material which is constantly under attack and the confirmation is immeasurably precious. Thank you very much, indeed.

BURNT OFFERINGS AND BLOODSTAINED SANDS

Today goes off to press the above titled book. I believe it is one of

the most useful tools for understanding the mechanism by which this world has been put into sleep and brainwashed. I have much more information to give on the matter regarding the ancient Khazar projection of world control as well as the Vatican/Papal intent of world domination. Yes, you read what you thought you did! Dear ones, there is **NOTHING ON YOUR GLOBE LEFT UNTOUCHED BY THE HAND OF WORLDLY GREED, DESIRE FOR POWER AND YES, EVIL!** Once Mankind understands that fact, then and only then, can he begin to set things to right. As he breaks out of the blob of blindness he will be able to sort that which is in goodness from that which would only control and use him. Then he can reach out into freedom in intelligent actions of response to the cause and not simple and/or violent reaction to that which strikes him.

Even in this war, as example, if you understand even one thing which was priorly not known to you, you **MUST** look differently at that which is coming down on your heads. For instance, you must remember something which most of you knew not: *Your own U.S.A. sold and allowed sales of bacteria, hi-tech items in unlimited abundance to Iraq, Syria and all other hostile and terroristic nations--thus, your own troops go off to face death in the Gulf at the wrong end of all those weapons which you supplied to your enemy.*

I remind you--AFTER THE AUGUST 2ND INVASION AND TROOP PLACEMENT IN SAUDI ARABIA THE DEPARTMENT OF THE COMMERCE OF THE U.S. ALLOWED SHIPMENT OF A CRAY SUPER-COMPUTER TO IRAQ. THROUGH BRAZIL, WHICH IS ONLY USED FOR THE PERFECTION OF HYDROGEN BOMBS! Further, do not anger at me--I do not make the news; I simply tell you that which IS! AND, YOU GO LOOK IT UP! At any rate, I would suggest that you check with America West for the Journal mentioned herein should be available in about two and a half to three weeks. If you don't know what is being done TO YOU, you can't have any way to counter it for if you have no goal toward which to work--you cannot even begin proper journey.

MONEY, TAXES AND GOVERNMENT DEBT

This is perhaps the hardest human puzzle for individuals to understand for the wrong ideas have been foisted upon you for so long that you must retrain your entire thought processes regarding the above issues. I get hundreds of requests to "simplify it" again and again. Further, ones ponder how to integrate God, Cosmic Beings and human money exchange--THAT IS EASIEST OF ALL TO SIMPLIFY: GOD RESPONDS TO THAT WHICH YOU REQUEST AND REQUIRE AND CAESAR HAS NOTHING SAVE THAT WHICH HE HAS STOLEN FROM GOD--THEREFORE, YOU WILL ALWAYS FIND GOD WHERE YOU ARE! Now, as to the other subjects, we have covered them in great detail in the Journals dealing with these specific issues and I can only urge you to investigate them and study them carefully. However, thousands of new readers are coming forth and time is in great shortage for actions so I must give you a bit of input in repetition. Perhaps I can even de-

fine more clearly for our "old" participants.

You are totally blasted and mind-boggled daily by the media and pulse beamed at night while you sleep--relentlessly. Part of the bombardment is total confusion regarding the subject of taxes and government debt. If you people understood money, despotism could not reign as legitimate government, as you have allowed to occur.

You MUST realize that there are *TWO* kinds of what you recognize as "money". We will stick to the U.S. operation but the same is applicable all over the globe for the intention and actions are underway, now, bringing into the marketplace the one-world currency until such time as a totally cashless society is perfected through this "New World Order" of which Mr. Bush speaks so often.

There is what is recognized as "Constitutional money" which is measured in weights of gold and silver brought into existence by human production and used as a medium of exchange and a store of value. It no longer exists in a constitutional capacity!

Then there is "modern money" which is *created out of nothing in unlimited amounts by the Federal Reserve (which is NOT a Federal agency but rather, a private bank corporation) along with other commercial banks.* As a carryover from "Constitutional money", the people *assume that modern money is also a medium of exchange and a store of wealth.* The tip-off that modern money had a sinister purpose came when the people were forced to accept it via legal tender laws. The second clue came when Gresham's Law worked perfectly, that is bad money (new money) drove Constitutional money (gold and silver) out of circulation. And it only took a few months for gold and silver money to disappear after

1964.

Simply stated then, Constitutional money as described in Article I Section 10 is *production* out of the precious metals of the earth, whereas modern money is *non-production* created by a monopoly oligarchy to regulate and own all human action and production. In other words, modern money has one central purpose. It is used to expropriate wealth. Dictionary definition of "expropriate" is "to take or transfer the ownership (of wealth) from one owner to another". The conclusion is that modern governments, whether communist or democratic, use modern money (non-production) to expropriate or steal your production and your savings. Yes, the same money system operates the world over.

The dollars that you have in your pocket were created at no cost. Their sole purpose is to take your production and savings *without payment.*

Please blank your mind and forget everything else and answer this question. If the government and its bankers or the bankers and their government (non-producers of wealth) can take your labor and your savings without payment, Who is your master??? Modern money expropriates wealth.

Dear ones, it is a great illusion to contemplate freedom under a world slave system where all production and wealth flows to the money creators. The reason that the *illusion* of freedom works decade after decade is because of government police power to *REGULATE.* Governments and central bankers create economic cycles pumping "money" (credit) and then withdrawing so that the money creators don't self-destruct. And essential to the survival of the system is the police power to reduce consumption, i.e. "income tax".

Then what conclusions can be established?

Government gets all wealth and production for nothing because it "pays" with money (credit) that costs nothing. "Of all the contrivances for cheating the working classes of mankind, perhaps none is so effectual as that which deludes them with paper money." Quoted from your own Daniel Webster and projects wisdom.

This means that government deficits DO NOT and CANNOT EXIST! Another quote: "The Federal Reserve in cooperation with the federal government has the inherent power to create money--almost any amount of it. This power makes technical bankruptcy out of the question". (*The National Debt*, published by the Federal Reserve of Philadelphia.)

This in turn means that there is no money of account in the United States. No government official, including the IRS, will answer the question, "What is current as money"? They refuse because there is no money of account, only a credit system. The Federal Reserve System works only with credit!

This means, then, that the income tax system (which is Constitutionally unlawful at best) was not designed to collect taxes. In a credit system there can be no money going to Washington as taxes. What you think of as taxes is not money--but credit. Therefore, when the IRS reduces your credit in your bank account it goes out of existence. IT DOES NOT GO TO WASHINGTON to support the government or pay its bills. Why would government need your credit when it can create any amount? What then is the so-called income tax system for?

Let us have a little hint of truth from one, Beardsley Ruml, speaking to the American Bar As-

sociation in 1946. Mr. Ruml, by the way, was Chairman of the Federal Reserve Bank of New York. He stated that "taxes for revenue are obsolete". His thesis was that "...given 1. control of a central banking system and 2. an inconvertible currency, a sovereign national government is finally free of money worries and need no longer levy taxes for the purpose of providing itself with revenue". (Please read this last statement as many as five times and then again if you didn't "get it"!)

In that same speech Mr. Ruml outlined the purpose of "taxes". Please remember that modern taxation is a system of reducing consumption by reducing credit. It is NOT a system to support government.

Quoting further from Mr. Ruml: "Federal taxes can be made to serve four principal purposes of a *social* and economic character. They are:

"1. As an instrument of fiscal policy to help stabilize the purchasing power of the dollar;"

Note please: How does one stabilize a unit of credit, the dollar? By reducing credit by reducing consumption and calling it income tax! Therefore, the purpose of the IRS is to help stabilize or regulate the credit system. The credit system would not work without regulation, and the IRS is the regulator. Hence, friends, its awesome power!

"2. To express public policy in the distribution of wealth and of income, as in the case of the progressive income and estate taxes;" (This should be most painfully clear as to its intent.)

"3. To express public policy in subsidizing or in penalizing various industries and economic groups;

"4. To isolate and assess directly

the costs of certain national benefits, such as highways and social security."

The conclusion must be that income taxes or any other taxes do not have anything to do with paying government expenses, but is a system of credit distribution as determined by government. Does this not make all the recent income tax hocus in Washington one big charade? Do you get the picture? Are you so intellectually dead that you cannot understand and decipher government propaganda? What is really going on in Washington is that the politicians and bureaucrats are bickering over how to regulate consumption with the credit system, under pretense of how to pay government expenses and reduce government debt with more income taxes. Can you see that if governments should refrain from regulation (of your consumption and their counterfeit) the worthlessness of the money would become apparent and the fraud upon the public could not be longer concealed?

This means that the volume of money (credit) regulates its value. Whoever controls the volume of money (credit) in any country is absolute master of all commerce and industry. And who do you think controls it all in YOUR country?

Well, the Federal Reserve Bank of Chicago said that the "actual control rests with the Central Bank (the Federal Reserve)!" And so it does--the Banker Cartel Elite!

This in turn means that the central banks of the world are counterfeiting and you are forced to take it by the force of legal tender laws. The Federal Reserve is an omnipotent, benevolent counterfeiter--no more and no less.

Which means that no matter what a national government calls itself, either communist or capitalist, all

have the same money system, i.e. credit system, which guarantees a world economic slave system of production for use and not for profit, meaning that the credit money system limits production for profit as far as the people are concerned. Amassing of wealth is limited by the "income tax" system and inheritance taxes.

This means that as more and more production and wealth is transferred to the government and bankers via "money", *there must be greater restriction of consumption.* Money (credit) would keep its value if there were fewer people bidding against each other. This brings up a most relevant and important point:

Quite simply, the Fed wants you dead and they plan for you to expire when you retire so as to cut consumption. There is much to help with that task in point; there is poison fluoridated and chlorinated water and cancer, AIDS, etc., to eliminate you (and your consumption). If all people lived to be 100 on your placement, a government banker counterfeiting system would collapse from too much non-production and consumption. *It cannot and will not be ALLOWED!* If you understood money you would know why government funds research and controls and limits disease and cancer cures. Consumption of the people is a major problem for the money creators. The greedier the money creators get, the greater their problem of regulating consumption. They can only reduce consumption so much. This is, further, why the same Cartel money-creators and regulators also regulate the judicial system of injustice and the medical/pharmaceutical systems of legal murder. Oh yes, you will find the same names flowing throughout the daily listings of corporations and government management.

Now, at some point with the above

in view, the underground barter takes over. Which means that government propaganda must resort to class and racial conflict to divert attention from the system. In the current government deficit income tax charade you have witnessed classic politics of envy in "soak the rich" syndrome. But the classification of "rich" is a bit more obscure than politicians would wish you to note.

How can you even talk about freedom and Constitutional government and completely ignore this system of slavery at the hands of the money creators? The distinction between free men and slaves is whether or not they are paid for their labor. There is no provision in the United States code for paying either debts or taxes with legal tender (government counterfeit). The sole function of legal tender (modern money) *is to get both labor and wealth without payment!*

And so, what do you have remaining with which to work? Very little! Very little, indeed. Therefore, if you would preserve any of your assets you must work within their own rules of management and even at that you might very well have it confiscated. *IT WILL BE CONFISCATED JUST AS QUICKLY AS THE BLINK OF AN EYE--ANY DAY NOW.*

I can only repeat that which I have given you prior to this, in detail. All of the Executive Orders are now in place and active--awaiting appropriate timing to pounce and garner--FROM YOU! I am not in the business of giving fortunes and business strategies except as requested by ones asking, "What in the world do we do now?" with the intent of survival for purposes of service to fellow-man and God.

I can only suggest that you consider placing your assets through something like the established Phoenix Institute whereby gold can be purchased, borrowed against

and held for collateral by one of these central banks for they will be last to have confiscation of collateral--although even that is possible. Gold will be confiscated probably, even from safe-deposit boxes just as in 1933. Your assets will be completely controlled as to bank withdrawals and money (currency) exchanges, etc. There is no perfection remaining, chelas, it is a matter of possibly saving something and perhaps ALL. If you handle it through Nevada Corporations and get it out of your name and into one or more (as appropriate) of your own corporations, you might very well save it all but the sword is coming down heavy and very, very soon! If you can at all be represented as "wealthy"--your assets will become worthless almost instantly!

Please, understand, I can only tell you how it is and allow you insight as to methods we have studied and found practical and workable. Please see PRIVACY IN THE FISHBOWL and SPIRAL TO ECONOMIC DISASTER. *You must understand that you are now into the time of chaos and the changing of all that you recognize as freedom. The beast is upon you and protection is all but nil. We can only make suggestions; what ye do with them is totally up to your own discretion and choosing. However, I must remind you that whatever you do--YOU MUST KEEP SILENT LEST YOU GIVE AWAY YOUR OWN STORES AND ABILITY TO FUNCTION. A WAGGING TONGUE WILL BE THE MOST COSTLY WEAPON USED UPON SELF IN THESE TIMES OF LIVING UNDER THE MAGNIFYING GLASS AND GUN. IF YOU HAVE IT--THEY WILL TAKE IT--DEPEND UPON IT!*

Again, if you are interested in this information, I will ask that ones at America West direct your calls pertaining to same. As purely a favor unto me, ones will outline a

plan for you--but these ones are not in business to tend of YOUR business and take this time in order to serve as best they can in this time of transition and change. My blessings and appreciation unto them for they do great service for the avenues of protection of assets is being closed hour by hour upon you blessed people who have remained in trust of a system which has been corrupted and totally destroyed while the treacherous leaders have played their games of world conquering while you have paid for it in so many ways they defy the counting. May you find some measure of assistance in these suggestions.

INSANITY AND SCHIZOPHRENIA

Let us speak to the subject of the advancement toward the cashless society now under planning and action.

The Establishment's inexorable march toward this cashless society is full of contradictions that border on schizophrenia as diagnosed by the wondrous medical profession. It is even confusing to the psychopolitical participants. This is especially true of that increasingly popular substitute for cash in everyday transactions, that wondrous "credit" card.

Do you realize that about 40% of you nice American do not have a credit card (and remember, some 3 million of you are homeless to boot). But of the 60% remaining who do, most have multiple cards. Including bank cards like your Visa and MasterCard, travel and entertainment cards like American Express and Diners Club, and department store, gasoline company, airline and telephone credit cards, the typical American with a credit card has at least 7-8 cards in his wallet or purse.

Those adult Americans without credit cards are mainly the poor,

the very elderly, young adults just out of high school or college, the incarcerated and those wise and discriminating individuals who prefer to deal in cash or barter, for reasons of patriotism, religion or common sense, or to protect their privacy or avoid harassment.

Bankers and others in the credit industry refer to the credit card market as a mature market. But banks must grow or die, and, in their absolute need to lend more money into existence, seek to gain an increased "market share" of the credit card industry by marketing their plastic money to those they think are a good credit risk, most of whom already have plenty of plastic rectangles.

PRESCREENING

And herein, everything that you consider private is no more! Creditmongers are enamored of a device called prescreening. If you own an expensive, late-model car, live in a nice neighborhood, have an account with a major brokerage house, are a doctor, lawyer, engineer or even a teacher, some purveyor of plastic money may have rented a mailing list with your name on it, checked your name against a credit bureau file for loan delinquencies and other derogatory information and, if you "passed", asked you to apply for one of the wondrous new rectangles of power already reserved in your name.

When the prospect (YOU) replies, the creditmonger then buys a full credit report on the applicant. The prescreening process is so accurate that 95 percent of those who respond are accepted--but there is a hitch in the get-along.

Responding to concerns about the invasion of privacy, the wondrous and thoughtful Federal Trade Commission (FTC) ruled that, under the Fair Credit Reporting Act (FCRA), "A prescreen represents a series of consumer reports obtained

for the purpose of extending credit, a permissible purpose under the FCRA for outsiders to see the consumers' credit reports."

So when the issuer does a prescreen, says the FTC, it is forced to extend credit to everyone who survives the screen--after all, that was the purpose for which the screen was supposedly performed. Any further credit review would run counter to the act.

So, always with clever manipulation and loopholes in mind, the industry is responding by renting lists screened against demographic data shown to have a high correlation with ability to pay bills, and doing credit checks only after the customer has applied for a card.

Now, you are wondering why Hattori would dawdle about in such trivia as credit cards--well, chelas, it is like this, every time you ask "how to manage", we must give thought to all of the consequences. One consequence of credit and buying in any form or market is that you leave a paper trail of exactness beyond the recognized. For instance, when ones bought luxury items prior to year end to cut tax costs, the information was fed directly into the revenue collector's data banks and now that money will be needed in major sums to facilitate this nice new war--THE BIG BOYS KNOW EXACTLY WHERE TO GO FIRST TO COLLECT THOSE NICE SUR-TAXES! The government now knows who has money and will be after it shortly--you can place bets on it.

CONTRADICTIONS OF THE SYSTEM

You are moving into a cashless society and therefore many details appear to be overlooked in the issuing of credit and it is not for me to tell you how to manage your bankruptcies and such; but, don't overlook corporations and strate-

gies for that which is touted is not necessarily so.

More and more heavy credit users are going bankrupt which would seem a great disservice to obtaining more credit and to those banks which extend credit with those dandy plastic pieces. Not so, foolish chela who uses "logic".

If a person owes on one credit card, he may well owe on others. Thus, creditors step up high-pressure collection efforts. Only so much blood can be squeezed from the stone of the typical overextended consumer so the all-out war begins to get the payments. But not to worry--more and more consumers are filing for bankruptcy year after year.

Propaganda put forth by credit-mongers would have you believe that you will never again be able to get a credit card, a car loan or a mortgage, or even rent an apartment, if you go bankrupt. **THE TRUTH IS EXACTLY THE OPPOSITE!**

Many, many bankrupts obtain one or more new credit cards within weeks of filing bankruptcy.

How? Simple logic--having had his bad debts discharged and yet probably still having a nice secure job, a bankrupt can't file a new bankruptcy petition for seven years.

So in this respect bankrupts are a better risk than the just-laid-off advertising executive who had a six-figure salary and credit card balances to match but is now unable to pay his bills. Remember the creditmonger still must extend new loans, or he will go bankrupt himself.

I use this as example of the endless circle of chase-the-tail and allow you to look at the total obsession with credit and how you will be absorbed into the system even

without your realizing it. You must play the game better than the others if you are to gain some measure of security and it is harder and harder to manage--I can only give you that which appears workable in practical application.

Dharma, close this chela, for it grows long for digesting.

Thank you for your attention and you, Dharma, for your service.

Hatonn to clear, please.

2/5/91 SANANDA

Sananda present in Radiance, Thomas...my craft is stationed elsewhere than you are used to seeing, concern not over it. I come in service unto God that a remnant may survive the destruction which appears all too imminent upon your place. May your few remaining days of freedom be lived in joyous gratitude of service rather than in the tearing down from within. So be it.

Has it not been said that none shall escape the sorting of the wheat from the chaff? Has it not been said that none shall remain unaffected? Who among you has been unaffected by shifting energies that intensify where you are? Who among you is even with the board? None! None among you. And so shall it be. The bombardment shall increase and those workers in my fields shall become most expert at protecting themselves within my lighted shield, for therein is your only protection. For in the days before you the dark ones shall grow ever more aggressive in the desperation to remain dug-in. Yet none shall remain dug-in who do not belong among the ones chosen to complete the task of God's Plan. So be it.

At what point will any among you confront evil? How far must you be driven in any given situation before you say, enough? What form

will your stand take?

We are most compassionate indeed as we witness the turbulence and struggle, yea, even among our very own. It is the better part of wisdom to come to us in sincere petition to resolve such matters, for it is from the higher vantage point that proper resolution may come. Man has efforted for too long to instigate his own solutions only to find himself in deeper and deeper and deeper, yea, unto the point of drowning.

Your world is at the point of all out war among all nations...the entire Middle East is a hotbed ready to EXPLODE with nuclear devices...can you not see the direness of your straits? Can you not see the freedom as it is sucked from your very blood? Can you not see the government taking full and total control of your very lives under the DISGUSTING, DECEITFUL, AND SHAMEFUL PLAN NAMED THE NEW WORLD ORDER? Have you no passion left in you? Why do you wait? Will you write letters from your detention centers to be read by the jailors and sent nowhere? Will barbed wire be your only horizon upon which to fix your gaze? Will the blackened smoke from the fires of destruction be the air which you breathe for the next generations? Will the once wondrous forests stand naked, stripped...as bare hillsides...a tombstone of tree stumps in memorial to what once was? What has happened to you? What has happened to you?

Do you think that Hatonn and I come to tell you to prepare for what is nigh at thy doorstep because we have naught better else to do? Will you ask yourself why you did not put aside some farder when the very mouse running across your floor looks like a good dinner to you?

2/7/91 SANANDA

I am here Thomas, let us begin,
 please. I Am Sananda and I
 come in service unto God/Aton
 and I come in His Radiance...let
 there be no mistake about who I
 am and in whose service I ever
 dwell.

You are correct, Thomas, in
 your observation last eve that
 the number is few who radiate
 light and understanding with
 that which occurring upon your
 placement...few indeed.
 Almost all are caught in the
 tangled web of confusion spun
 by the master deceiver himself.
 Most know not that they may
 ask for help in finding their way
 free from such entanglements,
 such confusion and pain. Most
 know not that The Father not
 only is a real being but hears all
that is said, and not said. When
 I continually tell you ones that
 we stand ever ready to receive
 thine petitions...I MEAN IT!
 Why are ones so eager to follow
 the darkened pathway without
 so much as a second glance or
 thought, and yet the lighted
 pathway stands in full view
 awaiting all who will seek it?
 Why do you ones put me and
 mine scribes through literal hell
 in the interrogation and
 throwing of stones and hear not
 what is being said unto thee?
 You have discerning
 capabilities...use them! Always
 man wants his food spoon fed
 unto him...and then chewed as
well. Well the time for us

spoon feeding and chewing your
 food is past for you ones had
 best be in the rapid learning of
 not only getting and storing
 your food and the cooking
 thereof...but the growing
 thereof. So be it and selah.

With each passing day the
 ticking grows louder and louder
 in our ears...tick, tick,
 tick...like a time bomb waiting
 to explode. Such is the plight
 that has befallen beloved Earth,
 Shan, Terra...the Mother who
 has served you with honor. Her
 pain is deep and it is the
 Father's promise unto her that
she shall be healed. So be it.

The blood is running,
 beloved...it is running through
 the sands into the beloved
 Mother. And as it filters down
 through the sand it finds its way
 unto the huge underground
 pools of oil...and, indeed, they
 do not mix...blood and oil. The
 blood floats to the top of the oil
 and reflects back the exploding
 bombs that preceded. The
 blood reflects back the pain of
 family who will never know of
 their beloved's departure from
 that place. The blood stains the
 hands of all the ones partaking
 in the destruction of the
 innocent, the children, the
 women, the elderly...and these
 stains shall not be washed clean
 but shall serve as the reminder,
 lo, for untold years in your
 counting, that such destruction
 serves not My Name, nor My
 Father's Name...but serves
 Satan...and it is in Satan's
 presence that these stains shall
 serve as the reminder that the
 experience not be forgotten. So
 be it and selah.

Satan sits 'on his throne in
 glee...man is falling for it...he
 is taking the bait and biting
 hard. For with Satan there is no
 spoon feeding required, no
 chewing of food
 required...rather, he needs only

to toss the hook in your direction and all ones lunge at the opportunity to take the bait...and then the entanglement amidst the web is all but complete, yea unto death.

Where is your honor? Where is your integrity? Where is your freedom that you proclaim to fight for? Where is your Constitution? Who are these evil men who make the decisions to take the lives of those you hold most dear? Why do you blindly accept all that is dished out for you to consume? Why do you not demand clear communications from your media and newspresses?

The pits will be large and deep as the bodies are piled one upon another in the mass graves that shall soon be upon you. All ones will die with their boots on and each among them will wonder why. All will go nameless for the graves of the hundreds shall be unmarked in the ending for there shall not be time to concern for the dead for even the living shall be as the dead. Yea, though you walk through the valley of shadows I am ever with thee. Who among you will turn from Me? Who among you would turn from the Father and **ALL LIGHT** at the final bell toll? What will you fix your gaze upon in the countless years before you? Will the darkness and world's without light be your dwelling places?

AWAKE! AWAKE! AWAKE!
THE CALL IS GONE FORTH.
WHO AMONG YOU WILL HEAR? RETURN UNTO THE FATHER...RETURN UNTO THE WAYS OF GOD...THE WAY SHOWN UNTO THEE.
RETURN UNTO THE LIGHT WHICH I AM. RETURN UNTO THE LAWS OF GOD AND THE CREATION, DEARLY BELOVED, WHILE THERE IS YET TIME. THE

TIME IS AT HAND. THE KINGDOM OF GOD IS AT HAND. TURN YOUR FACE FROM EVIL AND WALK IN MINE LIGHT THAT YOU MAY COME TO KNOW THE KINGDOM AND THE POWER AND THE GLORY. SO BE IT.

BURNT OFFERINGS AND BLOODSTAINED SANDS PSYCHOPOLITICS AND THE SACRIFICE OF THE PHOENIX BY Gyeorgos Ceres Hatonn

This is the 24th book in the *Phoenix Journal* series that has been published in the last eighteen months. They include detailed topics from all walks of life, including current information on the Middle East War as of January 28, 1991.

These books, which are entered into a computer by "Dharma", ARE THE WORDS OF TRUTH WHICH GOD PROMISED HE WOULD SEND FORTH AT THE ENDTIMES TO GIVE MAN ONE LAST CHANCE TO CHOOSE TRUTH OVER THE LIE.

Hatonn gives us an excellent background coverage of why the world is on the downward path to ONE WORLD GOVERNMENT, the "NEW WORLD ORDER" that President Bush mentions many times and how the present Middle East War is the beginning of the Battle of Armageddon, the greatest battle to ever be fought on this planet. This is the battle that has been predicted for several thousand years and **THE TIME IS NOW HERE.**

He gives us details of what hardships even the Americans must be prepared for (INCLUDING INVASION, DESTRUCTION OF OUR TROOPS, STARVATION, TERRORISTS AND EVEN CONCENTRATION CAMPS HERE IN THE UNITED STATES) if we do not DEMAND that our Consti-

tution be restored and start living under the **LAWS OF GOD VERY SOON.**

SUPREME COURT TAX RULING OF JANUARY 8, 1991

I have had many inquiries for explanation regarding this tax ruling for it is impactful indeed. There is more pressing and urgent material which I must cover before handling that subject in great depth; however, I will touch on some highlights in the interim.

This is indeed a ticklish case in point with several outstanding observations.

Prior to the non-filing, Mr. John Cheek HAD filed tax forms which automatically put him in the status of a "voluntary" taxpayer and on the active rolls of the IRS. This is exactly where most of you ones will find yourselves--usually. In addition, there will be visible funds garnered for self by failure to report and file the "agreed upon" proportion of taxes.

In this instance the ONLY obvious factor is that you no longer have Common Law courts but rather, Admiralty rulings. Therefore, the secret word, if you will, is "civil" vs. "criminal" proceedings. To "legally" try the man in any manner whatsoever, required that he be tried as a "criminal"--which he, indeed, was not. Once brought before a "criminal" court the man was entitled to a jury hearing, etc.

Now, please note that in rendering the court decision (Supreme Court) the following is put to record:

While the Supreme Court held that Cheek was entitled to his day in court, and that a trial judge had no right to, in effect, prejudice a jury or refuse to allow it to consider all evidence, Cheek's claim that the income tax law is un-Constitutional was "unsound". In fact, the court's brief listed several arguments sometimes used which the panel said "have not been, or ever will be, considered objectively reasonable". (Hatonn: note the words "unsound" (not unlawful) and "objectively reasonable"--(not incorrect or unconstitutional!) and herein lies a most important point in discussion--Mr. Cheek was being considered on the basis of incarceration of a criminal offense and actually the income tax reasonability or Constitutionality was not that which was under consideration. The latter statements and the seven points given forth in the brief were opinions of personal interpretation and did not, in fact, bear on the case in point--which was "criminal incarceration" for Mr. Cheek's action or inaction.)

1. The belief that the 16th Amendment to the Constitution was improperly ratified and therefore never came into being.

2. The belief that the 16th Amendment is un-Constitutional generally;

3. The belief that the income tax violates the 'taking clause' of the Fifth Amendment;

4. The belief that the tax laws are un-Constitutional.

5. The belief that wages are not income and therefore are not subject to federal income tax laws;

6. The belief that filing a tax return violates the Fifth Amendment privilege against self-incrimination; and

7. The belief that Federal Reserve notes do not constitute cash or income.

AGAIN, TAKE CAREFUL NOTE TO THE NEXT: *However, the Supreme Court did not say that the internal revenue code could not be challenged on these grounds, even though it characterized them as being "frivolous". Nor did the court say that one cannot be a non-taxpayer.*

The court noted that Cheek was free to pay income taxes and then utilize the mechanisms provided by Congress to present his claims of invalidity to the courts.

In short, the justices ruled that while a defendant's views on the validity of tax statutes were not relevant to a criminal charge of willfully attempting to evade payment, it was wrong for a trial judge to instruct a jury to disre-

guard a defendant's reasoning for such avoidance.

Now the reasonable thing to do is--as I have told you over and over again--to use discretion and use it properly. The prime point to remember in a confrontation over Legislative and Constitutional laws is that the one with the gun gets to make the laws and they become LEGAL even if UNLAWFUL!

The facts are that Mr. Cheek had no alternative in retrospect other than to pay the taxes with penalties and THEN, HE CAN PRESS IT INTO FURTHER LITIGATION IF HE CHOOSES. THE FACTS OF THE MATTER ARE THAT MR. CHEEK WON ON THE CASE WHICH WAS ACTUALLY BROUGHT BEFORE THE SUPREME COURT AND THAT WAS WHETHER OR NOT IT WAS LEGAL TO INCARCERATE HIM FOR NON-PAYMENT OF TAXES.

All of the flowery presentation of the seven points are to scare you into following the rules as laid forth by the Cartel Controllers. Whether a case can now be won on other grounds is strictly according to how the case is put into presentation and who has the biggest gun to the head on the day of hearing. You call that "highway robbery with gun to head"? Yes, exactly--but you see, you no longer have a "justice" system. You will note that the "deciders" of his fate did not dare push too far. They could intimidate him into causing him to fork over the funds but still had to admit that he has still a right to hearing on the merits of the case in point regarding legality, etc., of the income tax laws.

I have further urged you to be most careful in your own intent. If all you wish to do is avoid taxes, there is quite a difference in avoiding and evading--like 15 years! You had better really believe in what you are doing on

Constitutional grounds and KNOW that which you do and speak and then you won't end up in such blunders.

I believe if you ponder the case carefully you will be able to see that it was truly a "victory" and not a lost case as it at first appears. Now, however, that the Executive Orders overriding your Constitution are in place, you will have to take care to simply "have no income" for them to rob.

When it is stated: "*Cheek said he now agrees he was required to pay federal income taxes, and he has now paid these assessments, along with substantial penalties. But Cheek maintained that he should not have been prosecuted as a criminal*". It means exactly that--he realized he is "required" (right, wrong, or indifferent--he is required!) and thusly did so or be in contempt of court.

The secret is out when you read the careful wording of the response in point: "Cheek's attorney said that the court's opinion confirms the fundamental idea that even though his beliefs may appear ridiculous to a judge, Mr. Cheek is entitled to have a jury decide whether or not he believed it'."

For you who wonder what in the name of law are we talking about, let me briefly explain. A January 8 ruling handed down by the U.S. Supreme Court is viewed as at least a partial victory by those critical of the Internal Revenue Code and the way it is applied to the vast majority of citizens and taxpayers.

The high court, by a 6-2 margin, found that a defendant in a dispute over payment of income taxes has the right to expect that a jury will consider evidence whether the defendant "had a good-faith belief that he was not violating any of the provisions of the tax law."

This is a vital ruling, because many federal courts have held that failure to pay all taxes demanded by the government is "bad faith or evil intent"--this despite Supreme Court decisions over the past 20 years that have defined criminal intent as the "*voluntary, intentional violation of a known legal duty*".

This ruling stems from a case, *Cheek vs United States*. John L. Cheek, a 48-year-old pilot with American Airlines, was convicted in 1988 of six counts of willfully failing to file a federal income tax return and of three counts of willfully attempting to evade income taxes.

You see, the government must PROVE WILLFULNESS if it is to win criminal prosecution. However, typical of your injustice system, during Cheek's trial the judge issued several instructions to the jury which essentially steered jurors into finding Cheek guilty.

The pilot repeated to the Supreme Court what he had told the lower court:

- * He had not acted "willfully;
- * After long study of the internal revenue code and discussions with groups opposed to the income tax system he believed that his wages were not "income"; and, thus,
- * He was not a "taxpayer" within the meaning of the code.

- * He said to the court: "This country is founded on certain beliefs; and just because you disagree with the IRS on interpretation of the law does not make you a criminal."

The Supreme Court held that the trial judge in Cheek's case had erred when he instructed the jury to "*disregard evidence*" of Cheek's understanding that, within the meaning of the tax laws, he was not a person required to file a return or to pay income taxes and that wages are not taxable income.

(This latter statement comes from one of your inalienable rights to earn by your own labor, etc.)

This entire matter only provides you with guidelines as to where you are in total destruction of your Constitution and Bill of Rights. Justice is no longer an issue for you no longer have a court system of "justice". The very wording of the opinion rendered, however, indicates a total conspiracy to bring you under control through total brute police force and casting aside the Constitution which has protected your rights as free men. Further, it is all but impossible to pull away from the "elected" system if you have a regular job with all of the constraints of actual police force upon you in every reporting format available for their use against you. Would it not be wise to join with the groups who are working to regain your rights and repeal the 16th Amendment? Surprisingly enough, you are making headway--for instance, some of the states who had voted in favor of a Constitutional Congress have rescinded so the nation is blinking a bit awake. Hold fast and act with wisdom. Handle assets wisely and through the use of Corporations with intent to do business with integrity, you can find some measure of protection within the laws of the land according to your "rulers". Remember that "Big Brother" has the big stick and you must really do some homework. So be it and thank you for your inquiries.

* * * * *

Now, Dharma, may we turn our attention to a topic of such great importance that we shall do very little other work until we have gotten the information out in segments as quickly as possible.

I am going to utilize material as confirmation of that which I have already given forth for your consideration and receive denial upon

denial. Perhaps through the mouths of ones upon your place who have lived the horror, you can begin to hear truth of circumstance of the anti-Christ upon your doorsteps.

I shall simply utilize second person language and then urge America West to make available the book in point for your availability. The material in reprint herein is directly from a book written by Jack Bernstein, an American Jew who emigrated from the U.S. to the promised land of Israel following the Six-Day War in 1967. After 6 1/2 years of living there, he married and, much the wiser, returned to America.

He has left forever what he refers to as the "Marxist, racist" land and is forcibly separated from his wife and children. Mr. Bernstein relates the shocking truth of how Israel has become, in his words, a land of terrorism and violence. You who continue to confuse and call as ONE the Zionist Khazars with the Jews of God's people are in great error. Further, the most blatantly sad point of all is that it will always be the Jews of God who will pay the highest penalty and suffer the most greatly from the deception.

I can only present it as given for I do intend to give you a historical background on the Thirteenth Tribe who called themselves "Jews" but this is so much more timely and important for you who continue to deny my information and actually take physical violent action against my scribe and publisher. These ones were, in God's own words, "...deceivers and liars from the beginning and there is no truth in them". You cannot fix that which you fail to see is wrong. I can only present it to you again, in a different format from human input and pray that you will see and hear before the curtain falls forever upon your prison.

Before you who have already decided not to read this material cast it aside, I ask that you read this following note from Mr. Bernstein regarding the Association of Pro-American Jews: *"In America, nearly all Sephardic Jews and a large portion of the Ashkenazi Jews deplore the subversive acts of the Zionists. But, fear of the vicious Zionist Jews has kept most decent Jews silent."*

"Because Zionist meddling in America's internal and external affairs has become so great, we pro-American Jews cannot sit idly by and allow these Zionist Jews to destroy America--the country that has given us freedom and opportunity. We pro-American Jews must unite and help stop our Zionist brethren."

"United, we pro-American Jews can be an effective force in stopping the Zionist destruction of America."

"Write or call me and add your support. All communications will be held confidential. Jack Bernstein, Chairman, Association of Pro-American Jews, P.O. Box 825, Fairfax, VA 22030"

"The Zionist network and the Zionist oriented Jewish International Bankers have had, and still have, such a great influence on world affairs and the economic and political affairs of America that a continuing source of information about their activities is necessary."

"There are many good publications available which expose Zionist past and present involvement in world and in America's affairs. But the youth of America, their parents and grandparents, are too busy to read anything lengthy, especially when it comes to politics. So, we have started issuing a very short, easy to read, easy to reproduce, letter that is sure to interest all concerned Americans."

"To receive copies of the BEHIND THE ZIONIST CURTAIN letter, just send a self-addressed, stamped envelope to our Washington office: LETTER, P.O. BOX 825, FAIR5 FAX, VA 22030."

The book in point is called THE LIFE OF AN AMERICAN JEW IN RACIST MARXIST ISRAEL, by Jack Bernstein as told to Len Martin, The Noontide Press, Publishers, P.O. Box 1248, Torrance, CA 90505, ISBN:0-939482-01-0. I herein ask that Mr. Green do whatever is required to get these books available to you readers. Remember that the material was written in 1984 and I do not take the time herein to check into validity of addresses, etc. As you might know, the information and book have been squelched and all manners of means have been attempted to stop the information from reaching you-the-public!. Well, the wrongdoers are right up against God now, and the battle may get quite a bit rougher before the final trumpet blows. Count on it!

And so in honor to Mr. Bernstein:

Before Israel became a state in 1948, Jews world-wide were filled with Zionist propaganda that Israel would be a homeland for all Jews, a refuge for persecuted Jews, a democratic country and the fulfillment of biblical prophecy.

Jack is an Ashkenazi Jew who spent the first 25 years of his life in the United States, the country that has given all Jews freedom and the opportunity to prosper--and prosper they did, to the point that one portion of the Jews (the Zionists) gained a position of political and economic dominance in the U.S. and control two-thirds of your Congress. Remember that this material was written in 1984--and how much farther do you think things might have worsened in the intervening seven years between then and now?

To fully understand the story, it is important that you understand what Zionism really is. Zionist propaganda has led the American people to believe that Zionism and Judaism are one and the same and that they are religious in nature. This is a blatant lie. Judaism is a religion; but Zionism is a political movement started mainly by East European (Ashkenazi) Jews who for centuries have been the main force behind communism/-socialism. The ultimate goal of the Zionists is one-world government under the control of the Zionists and the Zionist-oriented Jewish International Bankers. Communism/-socialism are merely tools to help them accomplish their goal.

Bernstein was a victim of Zionist propaganda. After the 1967 War, the Jews were filled with pride that "our homeland" had become so powerful and successful. Then too, they had been filled with the false propaganda that Jews in America were being persecuted. So, between 1967 and 1970, approximately 50,000 American Jews fell for this Zionist propaganda and migrated to Israel. Bernstein was one of those suckers, as he put it.

After being filled with all that false Zionist propaganda, he felt that he would have a better chance to succeed in the new Jewish state. There was an added enticement--the spirit and challenge of pioneering and of helping his fellow Jews.

DUAL CITIZENSHIP

He had no emotional conflict with leaving the U.S. because he was still able to keep his U.S. citizenship and could return to the U.S. at any time. You see, Jews are allowed to be citizens of both Israel and some countries--the U.S. is one of those countries. The U.S. government allows a Jew to be a citizen of both the U.S. and Israel.

German Americans cannot be citi-

zens of both the U.S. and Germany. Italian Americans cannot be citizens of both the U.S. and Italy. Egyptian Americans cannot be citizens of both the U.S. and Egypt...BUT a Jewish American can be a citizen of both Israel and the U.S. THIS IS A GOOD EXAMPLE OF THE POWER THE ZIONIST JEWS HAVE OVER THE U.S. GOVERNMENT.

ARRIVAL IN THE "JEWISH PARADISE"

Before leaving for Israel, a Jewish friend of Jack's had made arrangements for him to stay a few days with her sister and aunt.

After arriving at Lod Airport just outside of Tel Aviv, he took a bus to the home of this person. When he saw the young lady, Fawzia Daboul, it was love at first sight. He began calling her 'Ziva' which was her Hebrew name.

Ziva is a Sephardic Jewess from Iraq who, like himself, had fallen for the Zionist propaganda and had migrated to Israel. She was employed as a hairdresser.

THE KIBBUTZ

After visiting with Ziva and her aunt for two days, he left to spend 6 months at Kibbutz "Ein Hashofet", one of the well over 150 such communes then operating in Israel. Since then, many more have been started--especially in the territory taken from the Palestinian Arabs. A kibbutz is a farming and sometimes industrial venture.

It is important to explain that Israel's Kibbutz system is a Marxist idea brought to Israel by the Ashkenazi Jews who migrated to Israel mainly from Poland and Russia. These Jews are part of that bunch of Jews known as the Bolsheviks. Before 1917, they were the force that laid the foundation for the Bolshevik Revolution of 1917 in Russia and the start

of communism. (Russia is now known as the Union of Soviet Socialist Republics.)

Again, he wants to point out, even emphasize, that IT IS SOME OF THAT SAME BUNCH OF (ASHKENAZI) COMMUNIST-/SOCIALIST JEWS (Bolshevik) JEWS WHO MIGRATED TO ISRAEL, GAINED CONTROL OF THE ZIONIST MOVEMENT AND HAVE DOMINATED THE GOVERNMENT OF ISRAEL SINCE ITS BEGINNING IN 1948.

Now, back to the Kibbutz--

Prior to 1967, most of the work of the Kibbutzim was done by Jews, but, since the 1967 War, the work has been done by Arabs who are paid a very low wage, and by volunteers from overseas. Members of the kibbutz (all Jews) share all things equally. They receive clothing, food and a small allowance. All profits from the venture go into the kibbutz account for future use. EACH OF THESE KIBBUTZ ARE AFFILIATED WITH ONE OF ISRAEL'S MARXIST PARTIES ranging from SOCIALIST TO HARD-CORE COMMUNIST.

The kibbutz Jack was in was not hard-core communist. Yet, he was happy to leave after four months--two months earlier than originally planned.

During the time he was working on the kibbutz, he carried on a courtship with Ziva. She was one of the reasons he left the kibbutz after only four months--they were to be married.

MARRIAGE CREATED PROBLEMS

The marriage ceremony was held in the Sephardic Synagogue. The ceremony was simple but beautiful. Ziva and Jack were very happy, but their marriage created serious

problems. You see, Ziva is a Sephardic Jewess and Jack is an Ashkenazi Jew. For an Ashkenazi Jew to marry a Sephardic Jew is frowned upon in Israel by the ruling Ashkenazis. To understand why this is the case, you must realize the difference between the Sephardic and Ashkenazi Jews.

The powerful Zionist propaganda machine has led the American people to believe that a Jew is a Jew--one race of people and that they are "God's Chosen People". We will deal with the "God's Chosen People" lie later. First, it is important for you to understand that Jews are NOT one race of people.

There are two distinct groups of Jews in the world and they come from two different areas of the world--the Sephardic Jews from the Middle East and North Africa and the Ashkenazi Jews from Eastern Europe.

The Sephardic is the oldest group and it is they, if any, who are the Jews described in the Bible because they lived in the area described in the Bible. They are blood relatives to the Arabs--the only difference between them is religion.

The Ashkenazi Jews, who now comprise over 90% of the Jews in the world, had a rather strange beginning. According to historians, many of them Jewish, the Ashkenazi Jews came into existence about 1200 years ago. It happened this way:

At the eastern edge of Europe, there lived a tribe of people known as the Khazars. About the year 740 A.D., the Khazar king and his court decided they should adopt a religion for their people. So, representatives of the three major religions, Christianity, Islam and Judaism, were invited to present their religious doctrines. The Khazars chose Judaism, but it was not for religious reasons. If the Khazars had chosen Islam, they would have

angered the strong Christian world. If they had chosen Christianity, they would have angered the strong Islamic world. So, they played it safe--they chose Judaism. Now, I want you to understand that I, Hatton, am presenting this as Jack relays it and there are some exceptions I take with the tale but it matters not in content of perception. It wasn't for religious reasons the Khazars chose Judaism; it was for political reasons.

Sometime during the 13th century the Khazars were driven from their land and they migrated westward with most of them settling in Poland and Russia. These Khazars are now known as Ashkenazi Jews. Because these Khazar (Ashkenazi) Jews merely chose Judaism, they are not really Jews--at least not blood Jews.

Throughout their history, these Polish and Russian Ashkenazi Jews practiced communism/socialism and worked to have their ideas implemented in these countries. Now remember that these Khazars were originally Nordic, Mongol and Russian in blood-line. By the late 1800's significant numbers of these communist/socialist Jews were found in Germany, the Balkans and eventually all over Europe.

Because of their interference in the social and governmental affairs of Russia, they became the target of persecution by the Czars. Because of this, migration of these communist/socialist oriented Jews began. Some went to Palestine, some went to Central and South America and a large number of them moved to the U.S.

POLITICAL ZIONISM IS BORN

In 1897, the First Zionist Congress was held in Basil, Switzerland. At this Congress, it was decided to work toward the establishment of a Jewish state and a search for land on which to build this Jewish state

began.

Great Britain offered the Zionists land in Africa. This the Zionists rejected--they wanted Palestine!

At the time, Palestine was inhabited by a half a million Palestinian Arabs and a few Palestinian Jews who are blood related and who had lived together in peace for centuries.

With Palestine as their choice for a homeland, European Ashkenazi Jews began migrating to Palestine. As was explained earlier, most were communist/socialist oriented with some of them being radical Bolshevik communists whose aim is world domination. So when you think of Jews, especially as related to Israel, keep in mind that there is a great difference between Sephardic and Ashkenazi Jews. They are not one united people. They are divided socially, politically and especially, racially. Now, back to Ziva, a Sephardic Jewess and Jack, an Ashkenazi Jew, and their lives in the so-called democratic country of Israel.

SEPHARDIC JEWS--SECOND CLASS CITIZENS

For the first three years of their marriage, it was necessary for them to live with Ziva's aunt. This was because of the critical housing shortage in Israel and because of racism. Housing is allocated as follows:

* Ashkenazi Jews who have lived in Israel for many years are given first choice.

* Second in line are Ashkenazi Jews from Europe--especially if they are married or marry and Israeli-born Ashkenazi Jew.

* The next favored are Ashkenazi Jews from the U.S.--especially if they marry an Israeli-born Ashkenazi.

* Sephardic Jews have the next choice of whatever housing is left.

* At the bottom of the list are Moslems, Druze and Christians.

Opportunities for employment follow the same pattern: Ashkenazi Jews get the choicest jobs, Sephardic Jews next, and Moslem, Druze and Christians fill the menial jobs with a great many unemployed.

Even though Jack was an Ashkenazi Jew from the U.S., he was placed lower on the list for housing because he had married a Sephardic Jewess.

Being denied housing was his second experience of the intense racism that exists in Israel. From the very beginning of his arrival in Israel, many slurs were yelled at him. The American Jews are merely being *tolerated*.

Because Israel, to survive, must depend on gifts of American Taxpayer's money, donations from American Jews and sale of worthless Israeli Bonds in America, there is jealousy among the elite Israeli Ashkenazi Jews toward American Jews, even if the American Jews are Ashkenazi. Many times Jack was told, "Go home!" and, "We want your money, but not you."

However, there was a portion of the American Jews who were welcome and given favored treatment. They were the card-carrying communist Jews.

Of the 50,000 American Jews who, like Jack, had migrated to Israel between 1967 and 1970, about 20% (10,000) of them were Marxist oriented with a great number of them actual card-carrying communists. They were welcomed by the Israeli authorities and local Ashkenazi and were given favored treatment--housing, jobs and social life. It must be noted that, besides com-

ing from the U.S., a great number of communist Jews were migrating to Israel from Chile, Argentina and South Africa.

Of the 50,000 who had migrated during that time, 80% of them eventually returned to the U.S. The 20% who remained were those who were card-carrying communists, or sympathetic to Marxism.

THREE FACES OF ISRAEL

From what you have been told thus far, you must have the idea that Israel is a Marxist (socialist/communist) country. This would be correct. But, Israel has three faces: communism, fascism and democracy.

The Ashkenazi Jews who migrated to Israel from Russia brought with them the ideology of socialism/communism and have put into practice much of that ideology.

The Ashkenazi Jews who migrated to Israel from Germany, while sympathetic to communism and support it, tend to favor the practices of Nazi-style fascism. During World War II, in Germany these elite Zionist Ashkenazi Jews worked closely with Hitler's Gestapo in persecuting the lower class German Jews and delivering them to concentration camps. Now living in Israel, these elite Zionist Jews, who were well-trained in Nazi-style fascism and favor it, have imposed many facets of fascism on Israel.

To give the impression that Israel is a democracy, members of the Knesset (Israel's Congress) are elected--an odd type of election. This is where Israel's so-called democracy stops. It doesn't make any difference which party wins an election, the LIKUD or Labor, the elite Zionist Jews rule in a dictatorial manner--giving favors to the elite clique and brutally suppressing any dissent.

In the Zionist/communist scheme of world domination, it is Israel's role to continually stir up trouble in the Mideast. Since wars are a big part of this scheme of aggression, it is only natural that, from early childhood on, Israeli youth are trained mentally and physically for war. For instance:

Israel has its equivalent of Hitler's youth group. It is the Gadna; and all high school and junior high students are required to participate--boys and girls. Like Hitler's youth group, the youth in Israel's Gadna are dressed in khaki uniforms. They take training and engage in para-military exercises.

Even at play, guns and thoughts of war are present. When on a picnic, instead of taking along baseball or soccer equipment, they take sub-machine guns and assault rifles and practice shooting and playing military games.

Once graduated from high school, all young boys are required to serve 3 years in the army (2 years for girls) or 4 years in the navy or air force (3 for girls). Ultra-orthodox religious Jews are exempt from military service.

Once out of the service, a number of the ex-service people join the Shin Bet, the equivalent of Hitler's Gestapo. Like the Gestapo, they engage in repressing anyone who acts or speaks out against the Marxist/Fascist government of Zionist dominated Israel.

Like the Nazi Germany, all people in Israel are required to carry identity booklets called "Teudat Zehut" in Hebrew.

One day Jack changed jackets and forgot to take out his ID booklet when he went down town in Tel Aviv. A police officer approached him and asked for the "Teudat Zehut". He was told that it had been left in the other jacket.

Because he didn't have his ID booklet with him, he was taken to the police station.

At the police station, the desk sergeant informed him that for not having his ID booklet with him, he could be jailed for up to 16 days without even being taken before a judge. All that was necessary was for the police Lieutenant to sign a "Remand Order".

Jack asked permission to make a telephone call to his wife and tell her to bring the ID booklet to the station. The Sergeant allowed him two hours to have the "Teudat Zehut" produced. Jack called his wife and she brought it--arriving just minutes before the 2 hour deadline expired. If she had been late in arriving, he would have been jailed for 16 days for simply not having his ID booklet on his person.

This is only one indication that Israel is a "Police State" and not a democracy--and you are next, America.

Concerning Nazism/Fascism, please let us clear up a point. Germans are an admirable people--even to greatness. But in Germany, the general population were victims of the Nazis who, through cunning and brutality, gained power.

In Germany, the average Jews were victims of the Zionist Elite who worked hand in hand with the Nazis. Many of those same Zionist Jews who, in Germany, had worked with the Nazis, moved to Israel and joined hands with the Zionist/Communist Jews from Poland and Russia. It is the two faces of communism and Nazi-style fascism that rule Israel. Democracy is merely an illusion.

Regarding the tie between the elite Ashkenazi Jews and the Nazis, *take a look at the word "Ashkenazi"--look again--"Ashke-*

NAZI". Don't you think that is somewhat coincidental, to say the very least?

There is great confusion regarding the relationship of fascism to communism.

Fascism is NATIONAL socialism.

Communism is INTERNATIONAL socialism.

ECONOMY OF ISRAEL

Economically, Israel has long been bankrupt. Of course, this could have been predicted because Israel's economic structure is based on socialism. Whenever a government of a state and its citizens spend more money than the value of the goods produced, economic bankruptcy will result.

If it were not for aid from America, Israel's economy would have collapsed long before now. Israel is a "welfare state" in every sense of the word--it is America's most favored welfare recipient at the cost of even your own.

While America's farmers, small businessmen and laborers are struggling to survive, the U.S. Government, dominated by Zionist Jews, is draining the pockets and purses of American taxpayers to support Israel's socialist economy and war machine.

Since the Israeli government knows, and the favored Zionists know, that the Zionist pressure in America will ensure that America will keep sending them massive amounts of money, the Israeli government spends money like the proverbial "drunken sailors". This practice leads to inflation and eventually to an economic collapse.

Comparing Israel to drunken sailors is unfair--to sailors. Sailors spend their own money--Israel spends money it gets from America.

Because Israel is a welfare state depending mainly on American aid for survival, it is on a down-hill slide. In 1982, Israel's inflation rate was 130%. In 1983, it was 200%, and in 1984 (the year Jack penned the book) it was expected to exceed 400%, and did so. That means a hamburger that cost \$1.00 the prior January would have risen to \$5.00 by the end of December. History shows that no nation mired in economic problems as Israel has become, has ever avoided an economic collapse--harken up America.

Only with a massive increase in American financial aid can an economic collapse be averted--even then, this solution would only be temporary. Nonetheless--you continue to pour in billions and billions in dollars and more in every known weapon and side adventure.

Regarding the destructive tendencies of socialism, there are circumstances that allow a country to successfully provide social programs to help its people.

It is possible in a country that has sufficient financial resource and where its citizens are deeply religious and considerate of their fellowmen. None of this exists in Israel.

Even in countries where conditions are ideal there lingers a danger. Since the government of the country provides for the needs of its citizens, most of these citizens have a tendency to lose incentive to work hard; and a country with a complacent citizenry is easily conquered.

VISITORS TO ISRAEL

Tourism is one of Israel's main sources of income. The largest group of visitors are American Jews. But, there are also many American Christians who want to visit the holy shrines and to see the land of God's Chosen People.

These Christians come away very impressed and filled with religious fervor.

While in Israel, Jews and Gentiles alike are carefully watched so that they do not stray and happen to see the sordid side of Israel--the true Israel. Like in Soviet Russia and other communist countries, visitors to Israel are taken on carefully planned guided tours. They are shown the religious sites, the universities, the lush orchards, the technical accomplishments, the arts, and to stir sympathy, they are taken to visit the Holocaust Museum.

But, kept from the eyes of the tourists are the ghettos, the prisons where political prisoners, mostly Arabs and Sephardic Jews, are subjected to the most inhumane forms of torture. The tourists do not see the widespread criminal activities and the corruption and cooperation between organized crime bosses and government and police officials. The tourists do not learn of the true inner workings of Israel's Marxist/Fascist government; nor do they see Israel's racism.

Jack relates one story of an American tourist who couldn't help telling about the wonderful religious feeling she had from just being in Israel--the Holy Land. He remarked to her, "Just try giving a Bible to a local Jew and you will see how much religion and religious freedom there is in Israel. If seen by the police doing so, you will be immediately arrested."

Regarding the Holocaust Museum, Jack comments that he could not help but comment: "The Holocaust may not have happened--IF--(and here grows the seeds of truth from the mire of lies):

1. If the Zionist leadership in Germany had not cooperated with the Nazis.

2. If the Zionists, world-wide, had not persuaded various countries to refuse to accept Jews from Germany. The Zionists in America persuaded President Roosevelt to shut the door and not allow Jewish refugees into America before the war when there was still a chance for Jews to leave Germany. It must be added that many people, including Jews, question whether the Holocaust happened as portrayed by the Zionist propagandists--at least not to the extent the Zionists claim. I can most certainly assure that it DID NOT!

Dharma, it has been such a long time of writing this day that we must give you some rest. Allow us to close at this point and we shall take up the subject of religion in Israel when we sit to write again.

Please, readers, I can only plead with you to read this information in relationship with the writings we have presented prior to this and many, many things will come into focus for you. I honor all of you for your efforts at finding Truth.

Good evening, Hatonn to stand-by, please.

2/8/91 HATONN

TODAY'S WATCH

There is only one thing I will take time to point out to you in Today's Watch--which may or may not elude your attention. Note that because King Hussein of Jordan has made a statement against the war and total destruction of Iraq, YOU are planning to withdraw the promised aid to Jordan to assist with refugee costs and the added burden of your own allies swarming into that little country. Can this possibly make you proud as Americans? You spend billions and billions to beef up everyone in the world with weapons of death and destruction in unthinkable manner and now you would cut food aid to ones who have pro-

tected your own endangered people. WHY? LET ME SHOCK YOU A WHOLE BUNCH!! THIS WAR IS TO BE TURNED INTO AN ENTIRE MIDDLE EASTERN HOLOCAUST AND COME UNDER CONTROL OF THE ZIONIST IRON CLAWS. THE ZIONISTS DO NOT ONLY DESIRE A BIT OF WEST BANK PALESTINE OR A BIT OF LEBANON, DEAR ONES, THEY INTEND TO BEGIN BY BRINGING ALL OF THE ARAB WORLD FROM THE RED SEA TO THE PERSIAN GULF AND NORTH TO THE TIGRIS/EUPHRATES RIVERS AND WORK THEIR WAY ACROSS THE WORLD. SURPRISED TO FIND THEY ALREADY HAVE YOUR "NEW WORLD" AND NOW YOU WILL BE COMING UNDER THE IRON RULE OF THE "NEW WORLD ORDER"? SO BE IT-- YOU WHO LAUGH NOW WILL MOST CERTAINLY STOP LAUGHING AND RIDICULING VERY, VERY SHORTLY!

The intent is to cause uprising of the Holy Lands into an all out war which cannot be won with sticks and slings--then, when all is in total chaos, the entire mess is planned to be brought under total, widespread control by the nuclear weapons and death weapons of massive destruction so that NONE DARE RISE AGAIN AGAINST THE BEAST! Mark these words for you will see it come to pass if you allow this horror to continue--and, further, there is NO ATTEMPT BEING MADE AT ANY LEVEL OF POWER TO STOP IT! I TELL YOU NOW THAT THE SOVIET/ZIONISTS/COMMUNIST SOCIALISTS HAVE TAKEN CONTROL OF YOUR WORLD, YOUR GOVERNMENT AND YOUR NATION, AMERICA. AND, AS AMERICA FALLS--SO SHALL THE WORLD! YOU CAN WATCH IT UNFOLD AND ENSNARE YOU IN THE WEB OR YOU CAN RAISE YOUR VOICE AND

YOUR DEMAND THAT IT STOP--IT IS UP TO YOU FOR YOU HAVE NOW BEEN TOLD AND SHOWN THAT WHICH IS COMING UPON YOU AND FEW HEAR AND SEE THE TOTALITY OF THE BEAST PLAYING WITH YOU AS A TIGER PLAYS WITH A MOUSE.

You say, "...but there was to be one 'slain' only to rise again and call himself God and THEN we would know by the sign." There is no way to slay the leaders, dear ones, they are replicas of the originals and there are dozens to take their places and you will never know. You killed Ronald Reagan and yet, you know not that he was dead! All the signs were there, including the running of your important and critical government by astrologers and still, you missed of it.

Dharma a prophet? No, indeed no. She is emotionally in agony for the information which is poured through her hands--she knows not more than any in the reading--in her consciousness. BUT "I" CAN TELL YOU HOW IT WILL BE AND THEREFORE YOU MAY CALL ME, HATONN, A PROPHET, IF YOU WISH, FOR ALWAYS THERE WILL BE THE PROPHET WHO COMES BEFORE THE CHRISTED MASTER SENT FORTH FROM THE SEAT OF GOD. THE TRUE MARK OF A PROPHET IS THAT 100% OF THE TIME THE UNFOLDMENT COMES AS PRESENTED--YE SHALL SEE IT HAPPEN NOW, BEFORE THINE EYES UNLESS YE TAKE ACTION AND CHANGE OF THE PROJECTION. WILL YE DO SO? I SEE NO PROBABILITY OF SUCH. IS IT POSSIBLE? OF COURSE--ALL IS POSSIBLE WITH GOD!

Dharma, allow us to continue now with the unfoldment of Jack Bernstein's story and the truth of that which you face, now, in power throughout your world.

RELIGION IN THE "HOLY LAND"

The land on which the present state of Israel has been built, formerly Palestine, was once walked upon by Moses, Jesus and Mohammed.

Since Palestine was the site of many religious events and has many religious sites, it is rightfully referred to as the HOLY LAND. So, one would think that Palestine, now Israel, would tend to have an air of holiness about it. (You see, brothers, evil always usurps that which is most Godly in representation in order to make fools of the masses.) The ungodly Satan even calls himself "Satan" to confuse you with God, the "Sananda" of Egyptian lineage of verbiage. (Editors Note: Had Immanuel (Jesus) Christ been born in Egypt, He would have been called Sananda.) He (Satan) takes his then recognized label and infiltrates the most holy time of celebration, Christmas, with one he labels "Santa" S-A-T-A-N/S-A-N-T-A (same letters, even) to confuse you and give your children from tiny infant the cause to expect something worldly and wondrous for nothing and eager to have, have, have of worldly, physical "things". Oh, dear ones, it has been most subtle and deceitfully disguised in colors of goodness and charade of Godness.

When Palestinian Moslems and Palestinian Jews occupied Palestine, there was a religious aura. But, since the Zionists took over the area and set up the state of Israel, it is one of the most sinful nations in the world where only less than 5% of the Jews are religious. It is interesting to note that those who are strongly religious are Arab Moslems and Arab Christians who make up only a small minority in Israel.

ISRAELI LAWS SUPPRESS ALL RELIGION--For instance, it is against the law to try and convert a

Jew to another religion even if the Jew is an atheist or humanist.

A Christian is permitted to preach the gospel in a church building, but for the clergy or anyone to even tell anyone about teachings in the Bible outside the church building will bring a FIVE-YEAR PRISON SENTENCE.

For a Christian to give a Bible or other religious article to a Jew will also bring a five-year sentence. Even an act of kindness by a Christian toward a Jew, such as giving a gift of food, can be interpreted as trying to convert the Jew to Christianity and can bring a five year prison sentence.

This same law of religious suppression applies to those of the Islamic faith who in an act of kindness give a gift of any kind to a Jew. A five-year prison sentence can result.

The treatment of religious Jews is touchy for the ruling Zionists. World-wide, Jews and non-Jews view Israel as a land where Jews may practice their religion without persecution. Therefore, the Zionists do not dare risk suppressing Judaism for fear of arousing world opinion against them. So, the ruling Zionists merely tolerate the religious practices of the small minority of Jews in Israel.

GOD'S CHOSEN PEOPLE

The American people have been led to believe that Jews are "God's Chosen People". This myth was begun by a small group of Jews. A few Jewish leaders took excerpts from the Bible and interpreted them to mean that God designated them as "Chosen People". But, isn't it odd that it is not the religious Jews who claim to be "God's Chosen People". It is the atheistic, non-believing Jews who claim that honor. It is the true religious Jews who take up the Journals which we project and bear them to the pre-

cious altars, hiding them beneath floorboards and in hollows in the fields. It is the Jewish community of believers in this nation of the U.S. who give the most gracious comfort and encouragement unto my people. Likewise, it is the Zionist, non-believing Jews who work hardest and violently to destroy the word we bring. "God's Chosen People" no longer reside in the "Holy Land", dear ones who receive the lie and now dwell in God's CHOSEN land, the last bastion of freedom on the globe!

Leading the cry, "We are God's Chosen People" are the Zionist/Marxist (Ashkenazi) Jews who for political purposes chose Judaism and who don't have a drop of biblical Jewish blood in them.

One Israeli religious Jew said it well, "At one time we Jews were chosen by God to be his messengers. But, long ago we forfeited that right."

Anyone who has read the Bible with an open mind knows that God gave Jews of that time special favors. But, it was in the form of covenants. In these covenants were conditions--the conditions were that God demanded the Jews obey His word. Time after time the Jews broke the covenants. They rejected God and turned to adoring Mammon. It doesn't take a biblical scholar to realize that long ago even the real Jews gave up the right of being God's chosen people.

In comparing the degree to which the followers of the three major religions practice their beliefs, Jack makes this observation:

Judaism--Few Jews, Sephardic or Ashkenazi, are religious. This is true in America, in Israel and world-wide.

Christianity--The Christian religion has felt the influence of Jewish meddling - and infiltration

(especially in America) resulting in confusion and bickering between the various Christian denominations. This has led to a "luke-warm" attitude among most Christians toward their religion. There is evidence to prove that Jews, or one of their many fronts, have started many of the Christian denominations and thus dominate doctrine.

Islam--Moslems, who follow the teachings of Islam, are by far the most fervent of the three major religions in following their religious beliefs.

The Judeo-Christian ethic we hear so much about in America is a big joke--the result of an intense Zionist propaganda campaign.

YOU MIGHT WELL CONSIDER THIS: GOD SAID, "BEWARE OF THOSE WHO CALL THEMSELVES JEWS AND ARE NOT, FOR THEY LIE." *Could it be, victims of the lie, that the Ashkenazi (Zionist Khazars) Jews are the people to whom God was referring? I suggest you continue to think about this most diligently.*

I would like to give unto one of my most beloved friends and scribes, JOY, this input herein. THIS is the information we required regarding religion, churches and awakening of the minds into service. Now, precious, your material can be utilized in worthiness of its content. Once awakened to Truth MAN must have a means to contact his own guidance within. May your heart come to peace, chela, for it has been burdened in feelings of unworthiness which you could not bring into understanding. Blessings are upon you, precious, for all things must come in proper sequence that Truth be accepted lest Man reject of it. Further, you and my beloved N.B., shall have plenty of uses for all those years of researching data for backing up this presentation in FACT AS

RECOGNIZED BY EARTH HISTORIANS! So be it and blessings and benediction be upon the Truth and Light.

ISRAEL STIRS PERPETUAL WAR

In the Holy Land, it would seem that there would be peace if peace would be found anywhere on the planet. Not so, instead, war and preparation for war is ever present and constant.

The Israeli military machine is recognized as the fourth most powerful in the world. From the standpoint of the amount of its planes, tanks and other fighting equipment, plus the fact that they are of the latest U.S. design, along with nuclear stockpiles directly given by you in the U.S. along with others hidden from your attention, such as the Soviet Union in great amounts, does make the military machine of Israel very powerful. But, in the army, serious weaknesses have developed.

Before exploring the weaknesses of Israel's army, let us briefly review each of the wars in which Israel has been involved--an average of one every eight years since it became a state in 1948.

1948 War: Just after Israel had declared itself a state, Palestinians and other Arabs attacked the Israeli Army which had been formed out of the terrorist groups, the Irgun and Stern Gang. The reason for the attack by the Palestinians was to try and regain their homes which, through murder and terrorism, the Zionists had confiscated. The Palestinians had been a peaceful people and were not trained in the art of warfare, while the Ashkenazi Zionist Jews who had migrated from Soviet Russia, Poland and Germany had more knowledge of tactical warfare.

In addition, Zionists had built up a large amount of arms which they

had purchased from the U.S. and communist countries and had illegally smuggled into the area. The Arabs were defeated and in the process, Israel conquered more Palestinian territory.

1956 War: Egypt owned the land through which the Suez Canal flows. Egypt's President Nasser declared his intention of taking over operation of the canal from England. This would have hurt England's colonial empire. So England, along with France and Israel, conspired to attack Egypt.

With Egypt nearly subdued, America's President Eisenhower stepped in and ordered England, France and Israel to withdraw. At the time, the United States was still militarily strong enough to back up Eisenhower's order, so England, France and Israel did withdraw. This was the ONLY time during U.S.-Israeli relations that a U.S. president put the interests of America ahead of Israel's interests.

1967 War: Tension was mounting between Egypt and Israel over territory located between the two countries--the Sinai and Gaza Strip.

To help Israel get an unfair advantage, the Soviet Union resorted to trickery: Soviet diplomats in Egypt told President Nasser to threaten war but not attack. This act of treachery enabled Israel to attack while Egypt was "off-guard" and destroy Egypt's military capacity in six days. Thus this became known as the Six Days War. Further, if it had not ended on the Sixth day the Israelis had nuclear weapons already aboard planes and publicly stated to the world that they would be used!

It is known openly that it has been the goal of Israel's leaders to take over all the land between the Nile and Euphrates Rivers. Besides the Sinai and Gaza Strip which Israel intended to take from Egypt during

the war, they desired the West Bank which was part of Jordan, and the Golan Heights which was part of Syria. So during the 1967 War, Israel resorted to trickery.

Israel had the technical equipment to intercept radio messages and change these messages (boil them) and then send them on to their destination. During the war, Israel intercepted messages from Egypt to Jordan and Syria and changed the messages, tricking Jordan and Syria into entering the war. The Arab countries were defeated and Israel took a big step toward its goal of conquest by occupying the Golan Heights and West Bank as well as the Sinai and Gaza Strip.

Even though Israel's attack on Egypt is called the 1967 War and often referred to as the Six-Day War, it can hardly be called a war. Egypt, the most powerful Arab nation at that time, didn't have a chance to even get into the fight. Trickery on the part of the Soviet Union and Israel as has been explained, rendered the so-called 1967 War nothing more than a treacherous act of terrorism for which the Soviets and Israel are famous.

Now, look closely, chelas, at the trickery involved with, Saddam Hussein and perhaps you can pull into focus, the events relative to this war you are in at the moment. Hussein was told by your State Department that it was time and a fine time to take a portion of northern Kuwait--even the Kuwaiti rulers were in tune with the action. But you see, it was intended that the trickery work and Saddam was double-crossed and now you end up in the very war that will accomplish exactly that which the Zionists/Soviet Union, etc. desire to have happen. Your "in-cahoots" leadership sent all your troops into Saudi Arabia, leaving your own country wide open for invasion or whatever else is planned--i.e. usurpation and destruction of your

Constitutional system of government without recourse of you-the-people and no POWER to defend selves. Your own so-called servant, THE PRESIDENT, *has told you exactly how it will be--he will dictate, henceforth, all matters and decisions. Further, you-the-people will pay for the adventure in every manner imaginable, including death of your sons and daughters. THE HANDWRITING IS CLEAR AND DECISIVE--READ IT!*

I have written at length about the following incident but you MUST HEAR IT AGAIN!

ISRAEL'S ATTACK ON THE U.S.S. LIBERTY

During the Six-Day War, one of the most daring acts of treachery was committed. It was the attack on an American ship, the U.S.S. Liberty (and you can verify this yourselves, citizens) by America's so-called friend, Israel.

During Israel's treacherous attack on Egypt, the U.S.S. LIBERTY, an American surveillance ship, was cruising off the coast of Israel monitoring the progress of the attack.

Realizing the U.S.S. LIBERTY was learning and recording Israel's acts of treachery, Israeli leaders decided to "get rid" of the evidence. Israeli planes and torpedo boats attacked LIBERTY with obvious intent of sinking it. If the ship was sunk, thus destroying the evidence, Israel then could blame Egypt for the attack--and the Zionist controlled news-media in America would have given the LIE as FACT with the intent of turning the American people against Egypt. But bravery on the part of the LIBERTY crew kept the ship afloat. Israel failed in its act of treachery against America, its ally, but during the attack, Israel killed 34 crew members of the LIBERTY and severely wounded over 170.

Israel claimed the attack on the LIBERTY was a case of "mistaken identity". But reports by the surviving crew and other evidence prove that the attack by Israel was intentional. I suggest that we not spend more time on the incident at this time for details, including the efforts to silence the surviving crew, are documented in a prior Journal.

Facts about the attack on the U.S.S. LIBERTY were omitted by the Zionist-controlled American news-media. All that the Zionists told the American people was that Israel had sunk an American ship, but that it was a case of mistaken identity.

An investigation by the U.S. Government was silenced and the matter quickly removed from all news sources. This, dear ones, is an excellent example of the tremendous influence the Zionists have over the U.S. Government!

The identical thing is taking place before your own eyes in every news broadcast you receive and is shown on your vidiot boxes--***and THEY tell you they are doing so! YOU GET NO NEWS WHATSOEVER AS TO WHAT IS ACTUALLY HAPPENING IN THE MIDDLE EAST--THE FACADE IS UNIMAGINABLE TO YOU WHO THINK YOU SUPPORT TRUTH AND JUSTICE! I TELL YOU AGAIN, THERE ARE NO LENGTHS THE ANTI-CHRIST WILL NOT PASS ON IN ORDER TO GAIN CONTROL OF YOUR WORLD! SUPPORT THE TROOPS? OH, INDEED, INDEED!! FOR THEY ARE THE FIRST PAWNS TO BE SACRIFICED TO THIS BEAST OF SATAN--YOU ARE THE NEXT!***

1973 War: The treachery on the part of Zionist Israel and the Soviets that led to the 1967 War embittered the Arab people and immediately they began arming with the intent of retaliating for this Is-

raeli treachery and to try and take back the land that Israel had taken from them. By 1973 they were prepared.

Even though several Arab countries were preparing militarily, they were trying to peacefully work out a solution with Israel. But, Israel was assured that their Zionist brethren in America would use their power over the U.S. Government to make sure that the U.S. would support Israel. So, Israel's leaders continued to maintain a belligerent attitude.

Realizing the hopelessness of further negotiating with Israel's leaders, Egypt, along with Jordan, Syria and Iraq, attacked Israel--and they were winning.

With Israel facing defeat, the powerful Zionists in America pulled the strings of their power over the U.S. Government and the U.S. Government officials obeyed their Zionists masters. Massive amounts of U.S. military equipment and arms were airlifted at taxpayer's expense to Israel to bolster the retreating Israeli forces.

This U.S. aid enabled Israel to turn the tide and emerge victorious. Yes, Israel was saved, but so much U.S. military equipment was airlifted to Israel at that time that the U.S. Armed Forces were left in short supply and in a most weakened position.

U.S. Government officials are so much under the influence of the Zionists that they had alerted the 82nd Airborne Division (near and dear to your hearts?) stationed at Ft. Bragg, N.C. and U.S. troops stationed in Germany for the purpose of being sent to aid Israel, if necessary.

It is pretty sad that to please the Zionist power in America, U.S. Government officials are willing to sacrifice the lives of American boys to save Zionist/Marxist Is-

rael.

Young men already in the U.S. Armed Forces and their parents, grandparents, brothers and sisters ARE NOW PAYING THE PRICE FOR THAT BIT OF TREACHERY DELIBERATELY DUMPED ON YOUR UNSUSPECTING BACKS. Dear ones, you can find proof of all these things for it is known throughout your world to all save YOU.

Israel precipitated wars and attempts to involve the U.S. in these wars, because if necessary, to save Israel in one of their acts of aggression, the U.S. Government will bow to the American Zionists and send American boys into sure death through combat--*the youngsters have no choice but to fight on the side of Zionist/Marxist Israel and thusly directly for the benefit of the Soviet Union!*

NOW, WHEN YOUR BOYS AND GIRLS DIE IN THIS MIDEAST WAR, YOU MUST KNOW THAT THOSE RESPONSIBLE ARE THE ZIONIST JEWS IN AMERICA AND THE WEAK-SPINED POLITICIANS IN WASHINGTON, D.C. WHO BOW TO THEIR ZIONIST LORDS--LOOK IT UP AND PROVE IT TO YOURSELVES FOR IT IS NO LONGER A SECRET FOR THE BEAST LOVES TO BOAST OF HIS CONQUESTS!

NEW YORK/MOSCOW/TEL AVIV TRIANGLE

Of the things which I have written prior to this, one of the most tenacious objections has been to my presentation of this triangle of power. It is time you look at it through another perspective and then, GO LOOK IT UP FOR PROOF EXISTS EVEN THOUGH EFFORTS TO HIDE SAME FROM YOU ARE RAMPANT!

In Jack's words: At this point, you may be confused, Israel and the

Soviets are ideological allies--both follow the ideas of Karl Marx, so both are communist/socialist. Yet, the Soviets supplied military equipment to the Arabs--Israel's enemies, and at the same time, the Soviet Union's enemy, the United States, was arming Israel. I, Hatton, told you at onset of these Journals in writing, that you have long been a brother ally to the Soviet Union and the masses simply tried to assassinate my scribe--you had best put the stones down and get yourselves prepared for that which is now coming down upon your heads.

To understand the treachery of which Zionist/Bolshevik Jews are capable and to understand the treachery which took place before and during the 1973 War, we must explain the New York/Moscow/Tel Aviv Triangle. To do so, it is necessary to go back a few years in history.

A heavy migration of Jews from Russia to America started in 1831. Most of these were communist Jews. So many of these communist/Bolshevik Jews settled in New York City that New York has been referred to as "Moscow on the Hudson".

It has been pointed out, and with good reason, that decisions regarding communist policies come NOT FROM MOSCOW, BUT FROM NEW YORK CITY. The important point herein is the fact that there is a close-unbroken tie between the Zionist/Bolshevik Jews in New York City and the Zionist/Bolshevik Jews in Moscow, and extending to include the Zionist/Bolshevik Jews who dominate Israel's government. For goodness sakes, America, the elite government officials stood by and WATCHED the Soviets placing missiles off-shore along your coastlines. Those missiles are still in place and aimed at your cities--yes--YOU, AMERICA!

The Zionist power over the U.S. Government in Washington, D.C. stems from the Zionist/Bolsheviks centered in New York City. It is from New York that orders go out to the vast Zionist network all over the U.S.--a network that influences the economic and political affairs of not only our federal government, but nearly all, if not all, state governments, and to a great extent the governments of the larger and even medium sized cities. This power of the Zionist/Bolshevik Jews over the U.S. makes the New York leg of the New York/Moscow/Tel Aviv Triangle a tremendous influence over communist policies.

In viewing the 1973 War, most people, and it seems most Arabs, are of the impression that since Soviet Russia sold equipment to Egypt and other Arab countries, the Soviets were in support of the Arabs in the 1973 War. This is a false impression. To understand that this is the result of more deceit on the part of Israel and the Soviet Union, you must be aware of the Golda Meir--Stalin/Kaganovich Pact.

Golda Meir had been born in Russia, grew up in Milwaukee, Wisconsin and in 1921 migrated to Israel. In 1949, Golda Meir became Israel's first ambassador to the Soviet Union.

Representing Israel, Ambassador Golda Meir, a Bolshevik Jewess, met with two representatives of the Soviet Union: Kaganovich, a Bolshevik Jew and Stalin who had married a Bolshevik Jewess. They made a secret agreement--a pact.

ISRAEL'S PART OF THE PACT

1. Israel would NOT allow any Western country, especially the U.S., to build military bases on Israeli territory.
2. Israel would allow an official

communist party to function freely in Israel.

3. Israel would NOT make any agreement to solve the Palestinian problem.

4. Israel would influence world Jewry, especially in the U.S., to have Western powers adopt a policy of favoring Israel over the Arabs.

5. Israel was to continue its Marxist economic policies and prevent any free-enterprise tendencies.

SOVIET UNION'S PART OF THE PACT

1. The Soviets would institute a pro-Arab policy solely as a camouflage for its true intentions which was to furnish aid to the Arabs, but never enough to enable the Arabs to destroy Israel.

2. The Soviets would open the gates of Soviet satellite countries to Jewish immigration to Israel. Should this be insufficient, Soviet Russia then would open its own gates to "emigration".

3. The Soviets would absolutely guarantee the security of Israel.

****Both** the Soviet Union and Israel would exchange intelligence reports!!!

From the terms of this pact, you can see it was, and still is, the aim of the Soviet Union and Zionist/Marxist Israel to prevent peace between the Arab countries and Israel until all the Arab countries are forced to adopt socialism under Soviet leadership.

In the conduct of the 1973 War you can also see part of this deceitful agreement being utilized--in particular the part about the Soviet Union helping the Arabs--but not helping enough to defeat Israel.

In planning the 1967 War, Israel was aware that the Arab countries bordering Israel were buying equipment from the Soviets, an Israeli ally. But, because of the Golda Meir-Stalin/Kaganovich Pact, Israeli leaders knew the Soviets would not help the Arabs enough to defeat Israel--that the aid the Soviets were giving the Arabs was only "bait" to draw the Arab countries into the Soviet trap. Also, Israeli leaders knew that their American Zionist brethren were making sure the U.S. Government was supplying enough arms to stop the Arabs and would send more equipment, even troops if necessary.

When the 1973 War started, Jordan, Egypt, Syria and Iraq surprised Israel with their improved fighting capability.

The Egyptian Army faced what would seem an impossible task in its attempt to penetrate Israeli territory.

First, there was the water barrier, the Suez Canal, to cross. Then, they would face a high wall of sand and fine dust which was erected by Israel. Behind that wall was a third barrier--a line of Israeli fortification. These fortifications were stronger than the Maginot Line erected by France before World War II to stop any German invasion of France.

Yet, by ingenuity, the Egyptian Army crossed the Suez Canal, went over the sand and dust barrier and broke through the heavy fortifications in a matter of a few hours.

Israel was in trouble; the Arabs were winning the war.

But, as pre-planned--if necessary, the U.S. airlifted huge amounts of military equipment and supplies to Israel and, as mentioned before, the U.S. Airborne Division at Ft. Bragg, N.C. and U.S. troops sta-

tioned in Germany were placed on alert and would have been sent to help the Israeli forces if it became necessary to help Israel win the war. Fortunately for America, American troops weren't needed to help Israel survive. The additional arms were enough. However, the Arab forces were strong enough to stop Israel from taking over more Arab land. In fact, Egypt was able to take back part of the Sinai.

Egypt's President Sadat realized that the Soviets had no intention of helping the Arabs win the war; that the Soviets in selling them some equipment were only trying to trap Egypt in the Soviet net. So, Sadat kicked Soviet military advisors and civilian technicians out of Egypt.

1982 INVASION OF LEBANON

In Israel, most Jews have become tired of Israel's involvement in war and aggressive acts and want peace. It is only the communist faction that wants war. Sadly, it is these communists who are in power in Israel.

The 1982 attack into Lebanon by Israel further divided the Jewish population of Israel--even within the more militant Zionist Jews there is a split.

The reason given by Israeli leaders for the attack into Lebanon was "to root out the Palestine Liberation Army (PLO) and stop their terrorist attacks into Israel. Many Israeli's have dared speak out and condemn this reason as false. They have pointed out that in an effort to achieve peace with Israel, the P.L.O. had for some eleven months refrained from making any attacks on Israel.

The real reasons for Israel's attack into Lebanon were:

1. It is the intention of Israel's Zionist/Marxist leaders to carry on perpetual war. The attack into

Lebanon was merely another phase of Israel's "wars of aggression" policy.

2. Water is scarce in the Mideast, especially in Israel. Ever since Israel became a state, it has wanted the waters of the Litani River for use in Israel, and the only way they could get it was to go in and take it militarily.

Israeli leaders and the general population figured the war would last only a few days. But, the Palestinian and other Arabs fought heroically against the Israeli invaders who had far superior equipment. As the months passed without victory, and as more Israeli soldiers were brought home and buried, dissent within Israel spread. In the Israeli military forces, many members resigned or refused to carry out orders because it would have meant killing innocent civilians.

The death of the 250 marines serving in Lebanon has been blamed on the Arabs. This is as it had been reported by the Zionist-controlled news-media in America. But, this is not the case, dear ones! In fact, the American Marine base attack was **PLANNED BY ISRAELI MILITARY PERSONNEL (THE MOSSAD)**. In that case, however, who actually carried out the attack becomes totally immaterial--Israeli personnel planned and instigated the attack. It is common practice for the Zionist/Marxists to plan a covert act and then get someone else to do the dirty work, if at all possible, in order to have no slip-ups in the "blaming".

By instigating the attack on the Marine base, the Israeli "War Hawks" had hoped the attack would turn the American people against the Arabs and that America could be drawn into the war and further help Israel in its aggression against the Arabs. Fortunately, for once, the American people didn't fall for the trap--BUT NO SANC-

TIONS CAME DOWN AGAINST THE ENEMY, EITHER, YOU MUST REMEMBER.

A good example of how the Zionists will commit an act of terrorism with the thought of someone else being blamed is the Lavon Affair. In 1954 a group of Israelis set off a series of bombings of American institutions in Egypt including the American Embassy. They expected that Egypt would be blamed for the bombings and cause a break in the U.S.-Egyptian relations.

Fortunately, Egyptian authorities caught the Israeli agents in the act of setting one of the bombs and the whole Israeli plot was exposed.

Most Americans are not even aware of the treacherous Lavon Affair because the Zionist-controlled U.S. news-media were prevented from making any reference to it; just as they somehow failed to report any facts surrounding the Israeli shelling of the U.S.S. LIBERTY.

And you think you are getting news this day, February 8, 1991? You get nothing but propaganda while they build you into a frenzy of blood-thirsty masses.

Well, Israel has stirred up the war of wars for you ones and you have fallen for the bait, hook, line, sinker and rotten fish. **YOU WILL PAY FOR THIS HEINOUS WAR IN EVERY WAY POSSIBLE--DEATH TO TAXES! AT SOME POINT YOU WILL NO LONGER BE ABLE TO TELL THE DIFFERENCE--OR, IS IT ALREADY TOO LATE?**

Let us leave this writing for there is other for you to do, Dharma. I suggest that the ones coming into availability of this information sit and carefully consider the contents. You in the community who call yourselves the "Christian Community" who attempt to drive away the publisher had best reconsider

your stance--for you show the one **WHOM YOU SERVE AND IT IS NOT THE MASTER CHRIST NOR GOD!** You, who attack relentlessly these ones who serve God, note that there shall come a day very soon now when the Community shall rise up against you who threaten and effort to prevent Truth from flowing--for Man is not stupid, Man is simply uninformed of the truth of things and when he finds the truth of it there is nothing that shall stop Him in his clearing of the dregs of evil from the places of leadership--be it government or pulpit. **YOU WILL REMEMBER, YOU OF THE PERVERTERS OF TRUTH INTO THE SORDID SERVICE OF SATAN--MAN IS A FRAGMENT AND REFLECTION OF GOD CREATOR AND HE WILL COME INTO REMEMBERING. YOUR DAY OF LIES SHALL BE ENDED FOR TRUTH SHALL BE THE TOOL THAT WILL GIVE MAN AGAIN HIS FREEDOM. YOU CAN BEGIN YOUR COUNTDOWN, SATAN, FOR YOUR DAYS OF RULE UPON THE PLANET ARE NUMBERED ON THE HANDS OF GOD AND EVIL SHALL NOT PREVAIL.**

So be it and the word is given forth that Man can again find of his balance and truth of journey and purpose. May the Light give forth vision and not blindness. Salu.

2/9/91 HATONN

TODAY'S WATCH

Good morning, Hatonn present to continue with our subject under discussion.

I shall relinquish war comment other than to remind you that you get NO NEWS and that which you are seeing is indeed not what is happening--YOU are being softened for the kill, not Saddam.

I have inquiries regarding information published recently regarding my response as to what to do with assets NOW. I must ask you ones to read CAREFULLY that which I give you and do not take things out of context. I ask Dharma to repeat that which I gave you for consideration (the key word is "consideration") for there are no actions of perfection in this ~~game plan as the nose tightens.~~ However, ones have responded by saying that I indicated it is alright and prudent to be in "mutual funds which are in U.S. Treasury Bills". Number one, that is NOT THAT WHICH I SAID. I QUOTE:

"In summation of the above points, I can only again urge you to 'get liquid'; get out of debt if you can for whatever you owe on can be captured; reduce all exposure to banks, S&L's and insurance companies (while you are reducing that involvement, make sure you are in a quality institution); avoid the

stock and corporate bond markets; avoid all money market funds except those in U.S. Treasury Bills."

We are speaking herein of "market funds" which deal only in U.S. Treasury Bills and this is applicable WHILE YOU ARE PHASING OUT OF ALL SUCH INVOLVEMENTS. I have told you from onset that probably the U.S. Treasuries will be the last to fold and can be utilized as temporary shifting modalities--I do not wish to indicate that perfection will be achieved through heavy investing in such. You are headed for a collapse of the monetary system and with it will come whatever the government desires to do with those funds--remember that the government can legally do anything it wishes under Executive Emergency Regulations and, at best, you will likely not be returned "money" in a cash-in situation when the boom comes down. ~~You ones must realize~~ that there are no GOOD turns to insure even keeping anything for the Elite have worked for over a century to bind you into this corner. Further, I can only give you some possible avenues of assistance and Treasury Bills should, but may not be, as valid as any paper you can have.

I can further assure you that there will be a time when gold is confiscated and that which is "loose" will be taken. Therefore, I can only repeat that which I see as a possibility of some measure of safety--NOTHING WILL BE SAFE!

Gold in amounts which can be "hidden" on or about your property--not safe-deposit boxes, etc., may be safe if not located--but at some point it may well become illegal to be caught with any gold at all. Therefore, I go back to the only possibly advantageous route of saving anything--invest in gold through a valid organization where money can be borrowed against the asset of the gold itself. This should be done through one of the Cartel banks because the government will delay taking collateral from its own resource up front! Get the funds you have into service while there is still opportunity. Allow use of that money NOW, in order to have some investment in good product if and when the call comes. I repeat: THE PLAN IS TO RENDER THE PUBLIC TOTALLY DEFENSELESS AND WITHOUT ASSETS IN ANY FORM OF WEALTH--YOU CAN SEE IT HAPPENING 'IN EVERYTHING THEY DO; WATCH AS THEY DEAL WITH THE UPCOMING BUDGET PROPOSALS. YOUR PRESIDENT IS ASKING FOR SOME \$15 BILLION FOR THE WAR. DEAR ONES, IT IS ALREADY COSTING YOU OVER A BILLION PER DAY AND, THEREFORE, THAT ADDS UP TO A MINIMUM OF \$365 BILLION ANY WAY I ADD IT. FURTHER, HE TELLS YOU THAT IT WILL BE A "LONG WAR". THE "SHORT" WAR LEFT TWO WEEKS AFTER CONGRESS

AGREED TO SUPPORT THE WAR.

There has been most careful planning as to how to separate you from anything you have so, please, do not expect to "clean up" in this situation as you may be being told by investment brokers--YOU WILL NOT! HOWEVER, SOME OF YOU WHO TAKE CARE AND FOLLOW ALONG IN UTILIZATION OF YOUR FUNDS INTO GOLD AS COLLATERAL FOR OPERATING MONEY FOR BUILDING AND GOOD PROJECTS MAY WELL KEEP YOUR ASSETS AND EVEN GAIN FROM THE INVESTMENT. IT IS SIMPLY THE BEST THAT WE CAN GIVE YOU AS POSSIBILITY.

I must further clarify something--I highly recommended John King, Sr. and his approach to this depression of deflationary circumstance and his urging certain steps to cover and protect assets, etc. Do not interpret my sanction of his work with that of any other now dealing with the estate of that great man. I must personally tell you, that I DISAGREE with a major portion of that which is being presented in the *Future Economic Trends* and give no sanction to its contents nor to the group now publishing same. It is my opinion that the information is both misleading and biased to give business to the producers of the material.

THE ULTIMATE REMINDER WHICH I CAN GIVE UNTO YOU IS THE FOLLOWING: *YOU ARE IN THE TIME OF CHAOS AND THERE IS NO PERFECTION LEFT IN THAT WORLD IN WHICH YOU DWELL. I CAN ONLY OFFER, TO THE BEST OF MY ABILITY, THAT WHICH PROJECTS TO BE A GOOD COURSE OF ACTION. KEEP IN MIND THAT WHICH I GAVE YOU A FEW DAYS PAST ON CREDIT VS. MONEY. YOU HAVE NO AS-*

SETS OTHER THAN THAT WHICH THE GOVERNMENT ALLOWS THROUGH THE PRIVATE FEDERAL RESERVE CENTRAL BANK AND IT IS ALL CREDIT AND DEBIT--THERE IS NO BACKING FOR "MONEY". THEREFORE, YOU ONLY HAVE WHATEVER YOU HAVE THROUGH THE GOOD GRACES OF THAT WHICH THEY ALLOW YOU TO HOLD AS CREDIT. WHEN THEY WISH TO CLOSE THAT CREDIT DOWN, THEY WILL DO IT IN THE BLINK OF AN EYE AND, OBJECT AS YOU WILL, THERE WILL BE NOTHING YOU CAN DO ABOUT IT. I CAN ONLY SUGGEST THAT YOU PUT YOUR CREDIT AND ASSETS TO WORK AS QUICKLY AS POSSIBLE. THE INTENT IS STILL TO RUN THE MARKET UP TO 30-35 HUNDRED AND GOLD TO A MINIMUM OF \$1,000 PER OUNCE BEFORE THE FINAL DROPPING OUT. WILL THEY PULL IT OFF? PROBABLY--BUT CHANGES OCCUR DAILY AND POSSIBLY IT WILL NOT HAPPEN. WHAT HAVE YE NOW WITH WHICH TO WORK?? THINGS ARE SO MANIPULATED THAT THE ONLY HOPE YOU HAVE IS TO UTILIZE THE METHODS BEING UTILIZED BY THE ELITE TO HOLD ON TO THEIR ASSETS THROUGH LEGAL MEANS BEFORE THEY CLOSE THE LEGAL MEANS--WHICH WILL BE SOON NOW. IF YOU ACT NOW AS I SUGGEST YOU WILL PROBABLY SAVE YOUR ASSETS IN FULL AND MAKE GAINS--IF YOU SIMPLY SIT ON IT IN PAPER OR FEDERAL RESERVE NOTES--YOU WILL LOSE IT! THERE ARE NO GUARANTEES AND NO SIMPLISTIC ANSWERS--WE CAN ONLY GIVE YOU THAT WHICH IS THE BEST CALCULATED ACTION IN THIS CIRCUMSTANCE. THE BEST THAT CAN HAPPEN IS THAT THE WORLD STRAIGHTENS OUT,

THE MARKETS STABILIZE AND GROW AND YOU MAKE BUNDLES IN WHATEVER YOU HAVE IN MIND--IF SO, BY TAKING THE ACTION I HAVE OUTLAID FOR YOU, YOU CAN ONLY WIN-WIN! THE GOVERNMENT INTENDS YOU-THE-PEOPLE TO LOSE-LOSE, NO MORE AND CERTAINLY NO LESS--LOOK AT THAT WHICH THEY DO! So be it Dharma, allow us to move on to the subject in point; "Zionist Israel".

WEAKNESS IN ISRAEL'S MILITARY

I wish to finish this portion of writing at this sitting if at all possible, Dharma, for we are so pressed in our duties. I do not wish to slight any inquiry but I must move on lest we end up without giving forth urgent information in this critical time. I believe that ones reading and studying carefully that which we give, you will find that things will fall into properness. Please, readers, do not take things "out of context" or bend the statements to fit that which is your business adventure for you will be doing a great disservice unto your clients.

Further, for you readers--Mr. Green of America West is the publisher of this material. He is in the same circumstance in which you find yourselves. He is perhaps better informed than are you, but not so if you have studied all the Journals. He, and the staff at America West are overworked and burdened in unquestionable manner. They publish much material which has naught to do with the Phoenix Journals and they do the best they can to answer your inquiries, provide you with backup material resources which I request be made available for you and will refer you to persons who can assist you with that which I suggest. They publish and distribute some materials with which I take great exception and pronounce total

fraud in information--would you expect the management of Bantam Books or the Smithsonian Library to be fluent in all information in all publications? Please, readers, use intelligent discretion. They can HELP YOU--they may well give you incorrect assumptions according to their own perception of the material and, frankly, even Mr. Green has not read all of the material so cannot possibly speak as last or total authority nor would he wish the responsibility of your believing that to be fact. Mr. Green has been an extremely successful business person in many facets of production and thusly he was chosen to publish and represent this material--no more and no less. YOU MUST FIND YOUR OWN TRUTH WITHIN THE PAGES AND REALIZE THAT ANYONE YOU SPEAK WITH AT THE AMERICA WEST OFFICES CAN ONLY OFFER YOU THEIR OPINION AND PERCEPTION OF THE MATERIAL. THANK YOU.

Now, back to Israel. There is no doubt that Israel has a powerful military for it is the best and most technical that America can offer and buy and build. The base of Israel's military power is the massive amounts of the latest equipment supplied by the U.S. and paid for by you, the American taxpayer and contributor.

However, some serious weaknesses are noted in Israel's military. It is in the makeup of the personnel that weaknesses emerge. This is due to several reasons:

Because Israel has continuously been involved in war or preparing for war, the cream of Israel's youth are leaving Israel or they find some excuse to not serve in the armed forces beyond the required.

The Israeli Army is so short of manpower that it is openly recruiting anyone who will serve and is

making a concerted effort to enlist homosexuals who are openly accepted in Israel. The open acceptance of homosexual and homosexual behavior (there is a great difference) also makes it a desirable place for Jews practicing these habits to seek citizenship. As far back as 1976 an Israeli army officer testifying before the Knesset (Israel's Congress) said, in effect, "If we do not recruit homosexuals, we will not have enough manpower to fill the ranks." Is Hatonn a bigot against homosexuals? No, I care not what your sexual preference might be--I AM AGAINST THE PHYSICAL ASPECTS OF HOMOSEXUAL BEHAVIOR! WHAT MAN DOES WITH HIS DEVIANT DESIRES IS THE TEST OF THE MAN. IT IS NOT LUST WHICH DAMAGES A HUMAN BUT THAT ACTION TAKEN REGARDING THE LUST. Ask any homosexual person what it is they ACTUALLY petition for? They will tell you it is the "right to practice the same physical privileges as heterosexuals". Well, I have bad news for the lot of you--YOU PRACTICE ALMOST TOTALLY INCORRECT HETEROSEXUAL ACTIVITIES, ALSO! HETEROSEXUALITY VS HOMOSEXUALITY IS NOT THE POINT IN DISCUSSION HEREIN.

Also, Israel has had to resort to hiring foreign mercenaries for the ranks and many, many for the intelligence service.

Another weak point is the growing ill-feeling between Ashkenazi Jews and Sephardic Jews in the Israeli Army. This has developed because nearly all of the officers are Ashkenazi Jews and most of the lower ranks who must do the fighting and dirty work are the Sephardic Jews. Due to the shabby treatment of Sephardic Jews by the Ashkenazi Jews in the Army, a mutiny by Sephardic Jews is a strong possibility if the heavy iron fist ever weakens. It is fur-

ther reason that a major war could not be postponed for much longer.

A WARNING

The Marxist Zionists who rule Israel and the Marxist Zionists in America have been trying to trick the U.S. into a Mideast war on the side of Israel and they have now done it in a major way. They almost succeeded when U.S. Marines were sent to Lebanon in 1982. The blood of the 250 American Marines who died in Lebanon is dripping from the hands of the Israeli and American Zionists. But, you must recall from prior information given you that also, in 1982, the Zionists/Bolshevik element in your American government and military planned to execute a first strike nuclear war against the State of Russia on the 17th of September. The Mideast crisis was set up as a distraction which didn't come off as planned and, now, you are back at it with the Soviet Union still having the power to cut you to shreds and plan to do so when it is convenient and appropriate.

If more Americans are not made aware of the truth about Zionist/Marxist Israel, you can be sure that, sooner or later, these atheists who claim to be God's Chosen people will trick the U.S. into a Mideast war against the Arabs which cannot be reversed as already appears to be the case. In the past the Arabs have been America's best friends and yet, now, more American citizens will die because of these clever, murderous Zionists, WHO, incidentally, have been responsible for pushing America into World War I, World War II, the Korean War and the Vietnam War.

While Zionist International Bankers and other Zionist Jews were busy counting their profits from those wars, American mothers and fathers, brothers and sisters were mourning the loss of their

sons and brothers. ARE YOU AMONG THE ONES WHO WILL NOW BE MOURNING THE LOSS OF YOUR OWN DEAR ONES? THIS, BECAUSE OF ZIONIST TREACHERY. DO YOU SIMPLY CLOSE YOUR EYES AND MINDS MORE TIGHTLY AT THESE WORDS? SO BE IT FOR IT IS YOUR CHOICE--BUT WHAT CHOICE DOES YOUR BELOVED ONE HAVE IN THE DESERT OF SAUDI ARABIA? PONDER IT WHILE YOU HANG RIBBONS AND PROCLAIM "WORTHY DEATH" DECREES--DEATH FOR WHO? ANYONE AT HOME HANGING THE RIBBON IS OBVIOUSLY NOT THE ONE WHO PLANS TO DIE FOR ANYTHING--AND CERTAINLY NOT THE ONES WHO STAGED THIS WAR IN THE WHITE HOUSE, CONGRESS AND MILITARY. THIS WAR IS AGAINST "YOU"!

CRIME IN ISRAEL

Since Israel (Palestine formerly) is the land where Moses, Jesus and Mohammed once walked, it would seem the inhabitants of this land would have respect for this Holy Land and for the religious sites that exist.

Nearly all Arab Moslems and Arab Christians do have respect, even reverence, toward the holiness of the land; but, only a very tiny minority of the Jews have this same respect. Ninety-five percent of the Jewish population are atheists or secular humanists and are not held back by the ten commandments or any other restraint on sinful human behavior.

When the Zionist/Bolshevik Jews won control of the "Holy Land", every form of "sin" began seeping into that land. Within a few short decades this holy land became a modern-day Sodom and Gomorrah. Drug trade, drug abuse, illegal weapons sales, prostitution, gam-

bling, labor racketeering, murder, extortion, blackmail, insurance fraud, loan sharking and corruption of government officials and police.

Israel has a highly organized crime syndicate headquartered in Bat-Yam near Tel Aviv. Many members of the crime syndicate are ex-convicts and ex-commandos from the Israeli Army and they are highly skilled in the use of weapons and explosives.

The crime syndicate in Israel operates openly because of corruption in government and police circles. Some of the police and government officials are "paid-off" by the crime syndicate and some officials are actively associated with the crime operation.

The average American has no way to hear of this, the real, side of Israel because the Zionist controlled press, radio and TV in America keeps silent about it. But, in Israel some newspapers report the fact--for a while until they are silenced. For instance: Right in the middle of page one of one of the Hebrew language newspapers in 1982 (believe me, it doesn't slip through these days) was an article that said in effect, "What the Italian mafia couldn't accomplish in 40 years, the Israeli mafia accomplished in 5 years. It has developed the largest illegal drug exporting ring in the Mideast, selling drugs mainly to Germany and the U.S. They have even set up a distribution network within Germany and the U.S."

Except for a few religious Jews who have emotional religious ties to the holy sites in Israel, and lower class Jews who can't afford to leave, all other decent Jews have left or are planning to leave. One big reason is the "sin" permeating virtually every phase of Israeli society is too much for decent Jews to endure. Oh yes, the "big" confrontation will be at the approximate location of Armageddon for it has become the very seat of

evil. You didn't know that? Of course not! Satan and his workers make very, very sure that YOU DO NOT KNOW THAT! ***THEY WILL EFFORT TO KILL EVERY GOD-BEING IN ORDER TO KEEP YOU FROM KNOWING THIS INFORMATION.***

ISRAEL'S ARMS INDUSTRY

Since terrorism, violence and war is the way of life in Israel, it is only natural that manufacturing of military equipment and arms has become Israel's main industry and export.

During the first few years of its existence, Israel acquired its military needs from the U.S. and from communist countries. But gradually, with U.S. assistance, Israel developed its own arms industry.

ZIONIST DOMINATION OF THE U.S. GOVERNMENT HAS LED TO AN "ISRAEL FIRST" POLICY. THIS "ISRAEL FIRST" POLICY HAS SEVERELY CRIPPLED THE U.S. ECONOMY AND UNDERMINED ALL STABILITY WITHIN THE NATION.

Instead of manufacturing certain military materials in the U.S. and thus providing jobs for American workers, factories were set up in Israel with U.S. financing and technical assistance to manufacture these products.

The U.S. has also helped Israel set up factories to produce electronic equipment, pharmaceuticals, chemicals, home appliances, etc., all products that could have been produced in the U.S.

While Israel profits from these "Help Israel" ventures, American workers are left standing in unemployment lines and this is worsening this day, my friends. The actual sword of death swings above all of your industry this day, America--even the automobile industry faces total shut-down--TO-

DAY!

Manufacturing of certain war materials has become so great that it has become Israel's main export. This war-threatening country which has been portrayed as "the only barrier to communism in the Mideast" sells its war products to anyone who has the money--including repressive dictatorships--FASCIST or COMMUNIST--just as does the same element in the U.S., Germany, etc.

Israel not only sells weapons made in Israel, but also sells weapons supplied to Israel by the U.S. Your military troops in Saudi Arabia don't even know who is the enemy because basically you have supplied all the equipment through this route to everyone!

It is well known publicly that weapons used by Soviet forces in Afghanistan were MADE IN AMERICA and you paid for and built, for the Soviets, the roads and highways upon which to run the equipment. This is not even efforted at secret-keeping any longer--they just now tell you there were secret negotiations going on toward peace and glasnost and it was done to further the cause of peace and they wanted no blundering in the efforts for world order.

Most of the miserable weapons of horror were made in the U.S. and ~~reached~~ destinations through Israel.

Also, it is now known that weapons used by Cuban forces in Angola were MADE IN AMERICA and shipped through Israel.

It is ironic that the U.S. is in a life and death struggle against "the spread of communism". This, too, becomes an obvious lie for secretly your Zionist-dominated U.S. Government intentionally allows military equipment to be shipped to communist forces via Israel in a constant flow--remember Iran-gate???

ISRAEL'S RACIST POLICIES

You will recall that Jack Bernstein's real trouble began in Israel when he, an Ashkenazi Jew, married a Sephardic Jewess. Anti-Sephardic treatment by Ashkenazi Jews is even official government policy. This racism runs very deep in Israel and sharply divides the Jewish population.

As a for instance, he tells this story, "One day, I entered a cafe in Tel Aviv. The place was crowded and I sat down on the only seat available. Also sitting at this table were five Sephardic Jews from Morocco. They learned that I was studying the Hebrew language, so they were helping me with my studies when a blue-eyed, Nazi-type Israeli police officer walked into the cafe.

"He ordered me to 'Get away from those Kooshim'. Kooshim in Hebrew means 'Niggers'. I replied, 'After I finish eating.' The officer drew his service revolver and said, 'You move NOW!' 'You had better listen to him,' the cafe owner advised. So, I got up.

"Standing close to me, the officer pointed his gun right at my face and ordered, 'Throw your coffee and pastry on the floor.'

"With a gun pointed at me, I didn't argue, I threw the coffee and pastry on the floor. Then he said, 'Get out of here and don't come back.'

"Later, I learned that I was lucky. He could have arrested me if he had wished; and he could have even shot me under vague Israeli laws."

The Sephardic Jews were then ordered under the gun to clean up the mess on the floor.

In the U.S., if anyone complains of police brutality or misconduct there is an investigation, but not in Is-

rael. The person registering a complaint can expect police reprisal in the form of a beating, at the least. **AMERICA--IT IS CHANGING INTO EXACTLY THAT TYPE OF POLICE FORCE IN AMERICA!** You are simply in the early stages of complete Police control--the Police are under a crash training course for their jobs ahead and they LOVE IT!

Besides being denied decent housing and decent employment because of marriage to a Sephardic Jewess, ones involved in such relationships are targets of the most offensive of racial slurs in a constant barrage. It is as bad or even worse than the earlier days of America when there were interracial marriages. There are open attacks of physical violence simply because an Ashkenazi Jew marries a Sephardic Jew and you see, there is perceptually no difference in race. Of course, there is difference, but you are not allowed that information. However, it is most obvious to anyone in the setting and circumstance--the Zionists know exactly what they are doing.

Another quote from Bernstein:

"I was born in the United States, attended public schools, worked in various parts of the U.S. and served two years in the U.S. Army. Not even once was I persecuted or had racist remarks made to me because I was a Jew. It is ironic that, once in Israel, the so-called 'Paradise for ALL Jews', I, A JEW, suffered because of racism."

The Zionist-controlled news-media in America has kept from the American people the news that Israel is intensely racist. Most Ashkenazi Jews in America are not aware of the racism in Israel. In fact, few Americans even dare express their own objection to the Zionist factor controlling your every facet of life. You refuse to

speak out because you fear being labeled "anti-Semitic" and you do not even know that which is meant by the term. Even those Jews who have visited Israel are not aware because they are carefully kept from witnessing racist incidents.

However, Sephardic Jews in America, bless them, have spread the truth about the practice of racism against the Sephardic Jews in Israel. Knowing of this, Sephardic Jews have not been among those Jews who migrated to Israel from America!

You must, by now, realize that few Jews practice Judaism. Most Jews are atheists or they follow humanism which is an anti-God religion. So the portrayal that Jews are a religious people who look to Israel as a fulfillment of biblical prophecy is a myth--as projected! They most certainly are THE MAJOR PLAYERS IN THE FULFILLMENT OF BIBLICAL PROPHECY BUT IT ISN'T THAT WHICH THEY PROJECT UNTO YOU THE BLIND LAMBS TO THE SLAUGHTER.

COMMUNISM IN ISRAEL

The Zionist controlled news-media in the U.S. has led the American people to believe that Israel is the only barrier holding back communism in the Mideast. This would be humorous if it did not have such serious implications for the United States.

From what has been said so far, you should now realize that Israel is basically a Marxist country mixed with some Nazi-type fascism. In addition, Israel is the only country in the Mideast that allows communist parties to operate--there are three. Ironically, it is the Arab countries which forbid communist parties to operate. (The exception is North Yemen which, through treachery, was taken over by the communists. Remember also, that Yemen was the

outstanding nation on the U.N. Council to vote against this war! Funny thing--they were about the only ones who could not be bought off with Zionist promises of YOUR money!)

Some of the Arab countries buy military equipment from communist countries because they can't get enough from elsewhere to offset the huge amounts the U.S. provides Israel--but that is about as far as the connection goes. But watch out--China loves to do business with these nice Arabs and China practices a different type of communism--it would behoove you to pay attention to that difference for the prophecies say, "...when the 'Chinese' armed armies reach 200 million--the cycle is closing'." The Chinese as referred to, now have over 500 million!! Hummmm?

The Soviet Union began to allow a good number of Jews to leave if they would promise to go to Israel and Israel welcomes these communist-oriented Jews. It is wide open now and you Americans are paying additional BILLIONS OF DOLLARS to house them in Israel--in the land of the Palestinians. A funny thing has been happening, however, prior to now--it must be noted that once out of the Soviet Union, many, if not most, Soviet Jews go directly to the U.S. instead of Israel--do you not find that interesting?

It must further be noted that hundreds of thousands of Jews have left Israel since its founding; some sources put the number at over a million. Some of those Jews requested to go back to the Soviet Union rather than live in Israel. Life for these Jews is far better in Soviet Russia!!

The latest scientific developments that the U.S. provides Israel is channeled right on through to the Soviet Union to hide the flow. The main center through which this

scientific information passes is Israel's Weizman Institute in the town of Rehovot about 40 kilometers south of Tel Aviv--we have written about this sweet little enterprise prior to this. (Perhaps I should suggest, and herein do so, that you get a copy of the Journal, THE MOSSAD CONNECTION!)

Around a third of the Knesset belong to one of Israel's communist, socialist or other Marxist oriented parties.

THAT, DEAR ONES, SHOULD PUT TO REST THE LIE ABOUT ISRAEL BEING THE ONLY BARRIER AGAINST COMMUNISM IN THE MIDEAST--THEY ARE THE BASTION OF COMMUNISM IN THE MIDEAST! ONLY YOU WHO PAY THE BILLS DO NOT KNOW THIS!

THE FACT IS, IT IS THE ARAB COUNTRIES THAT FORM THE BARRIER THAT HAS STOPPED THE SPREAD OF COMMUNISM IN THE MIDEAST. THIS IS NO LONGER TRUE OF THE RULING ARABS IN THE COALITION FOR THEY HAVE BEEN DULY PURCHASED AND ARE NOW UNDER CONTROL OF THE ZIONISTS/U.S. BANKERS.

ISRAEL IS ONE LEG OF THE NEW YORK/MOSCOW/TEL AVIV TRIANGLE WHICH IS BEHIND THE COMMUNIST MOVEMENT WORLDWIDE AND THEY PLAN TO TAKE THE WORLD!

TERRORISM AND VIOLENCE

At the First Zionist Congress which was held in 1897 in Basel, Switzerland, one of the goals set was to create a Jewish state in the land of Palestine. At that time, only a few Jews were living in Palestine and they were nearly all native Sephardic Jews who are blood-related to the Arabs. These Palestinian (Sephardic) Jews and the Palestinian Arabs were living

in peace as they had for centuries.

After the Zionist Congress in 1897, European Ashkenazi Jews began migrating to Palestine and buying land wherever they could. Yet, by 1920 Jews owned only 2% of Palestine.

By 1948 when Israel declared itself a state, these invading Jews had increased their land ownership; but, it was still less than 6%.

To accommodate the increasing European Jewish migration, the Jews needed more land, but the Palestinian Arabs refused to sell. So, to get more land from the Palestinians, these communist-oriented European (Ashkenazi) Jews resorted to the one thing at which they are most adept--TERRORISM.

Their first major act of terrorism against the Palestinians was at the Palestinian village of Deir Yassin. During the night of April 9, 1948, two Zionist terrorist gangs, the Irgun and the Stern Gang attacked and massacred over 250 men, women and children.

Menachem Begin, leader of the attack on Deir Yassin and later Prime Minister of Israel, had this to say, "The massacre was not only justified, but there would not have been a state of Israel without the 'victory' at Deir Yassin."

The massacre at Deir Yassin caused other Palestinians to flee their homes in fear. Zionist terrorists drove trucks with loudspeakers through the streets and over the roads of Palestine warning Palestinians that what happened at Deir Yassin would happen to them if they didn't leave. These Zionist terrorists were not bluffing. For example:

They killed 60 Palestinians at Balad Esseh Sheikh.

They blew up 20 homes in Sa'sa',

killing over 60 women and children.

They killed a large number of women who were working in Saint Simon monastery in Jerusalem.

They massacred 250 at Lydda.

They killed 200, mostly old people, in the village mosque in Ed-Dawayimeh.

They killed 51 workers as they returned from their fields at Kafr Qasem.

Christian inhabitants of Kaba Bir'im were expelled from the village and the village destroyed. The village cemetery was desecrated, including the smashing of 73 crosses.

During the few months when these and other acts of terrorism were taking place, 300,000 Palestinian Christians and Moslems were forced to leave their homes or be killed by the terrorist groups which were made up of European, communist-oriented Jews. It was these same Marxist-oriented Jews who were soon to become the ruling elite of the State of Israel. From the beginning, and to the present, these terrorists Marxist-oriented Zionists have ruled Israel.

After Israel declared itself a State on May 14, 1948, Israeli terrorism continued in an effort to push more Palestinians from their homes.

Since 1948 over 400 Christian churches and Moslem mosques have been destroyed by these Zionist terrorists and it continues to this hour.

At this point, Americans, it behooves you to take note that in the United States, the destruction of religion by the Zionist Jews is well underway. In Israel it has been accomplished. This includes all Christians, Jews, Moslems and whatever God truth you hold pre-

cious.

ZIONISTS SIMPLY ELIMINATE OPPOSITION

To accomplish their goals, the Zionists will let no one stand in their way. During World War II, the Zionist leadership cooperated with the Nazis by delivering lower class Jews to the concentration camps. So, it is not surprising that they sank the ship "Patria" carrying 252 Jewish immigrants whom the Zionists feared would oppose Zionism in its blossoming stage. In another incident, 760 Jewish lives were lost when the Zionists sank the ship "Struma" for the very same reason. Innocent Jews of blooded truth are the first and most heinously devastated in every instance.

Even well-known world figures are not immune to Zionist terrorism and violence. In 1948, in an effort to bring about a peaceful settlement in the Israeli/Palestine area, the United Nations sent Count Folke Bernadotte of Sweden to mediate. Count Bernadotte favored a partition of the area--a portion of the land for Jews and a portion for Palestinians. This angered the Zionists who wanted all the land. In a brazen show of disregard for diplomacy, justice and common decency, the Zionists "eliminated" Count Bernadotte and I have previously told you of this murder. He and his driver were assassinated while riding down the streets of Jerusalem--killed by none other than Begin and his gang of terrorists.

Tens of millions of people have been killed since the Zionist/Bolshevik Jews, backed by the Zionist-oriented Jewish International Bankers, took over Russia. In the Mideast, these same Zionist/Bolshevik Jews use the very same tactic: To route the Arabs from their land they have killed untold thousands of Arabs and rendered hundreds of thou-

sands homeless.

The question always arises: How many Arabs will they kill when the Zionist/Bolsheviks gain control over the Mideast and when they gain physical control over America? You are just about to find out that answer, America. They already have control of almost every phase of American life. WHEN the Zionists succeed in imposing gun control, which is in the near and immediate plans, on the American people, there will be nothing to stop them from complete takeover of all America and right now you sit defenseless as a duck stuck in a mud slick.

DISASTER AHEAD

What will happen? Well, you see what is happening! However, Israel cannot continue as is, either. Israel's Marxist/Fascist policies, wars of aggression plus racism has led Israel to the brink of disaster in many ways.

So, in anticipation of Israel's collapse, corrupt Israeli leaders and other Jews in positions of power have already been charged with embezzling mammoth amounts of American taxpayer money given to Israel and Jewish donations, and deposited this money into foreign accounts. Further, they have very clever methods or reinvesting these criminal funds through the banking manipulations. They have made billions of dollars off the S&L and banking fiascos which you, in addition, pay for.

It must be kept in mind that because of Israel's policies, the free countries of the world have turned against Israel and against the U.S. for supporting it. This has hurt Israel and especially the U.S.

If Israel as it now exists simply collapsed and ceased to exist, the world might somehow survive the operating disaster. Unfortunately the New York/Moscow/Tel Aviv

Triangle will not allow Israel to die quietly nor quickly. As the collapse of Israel draws near, in one way or another one of two courses of action by the New York/Moscow/Tel Aviv Triangle was and is necessary:

Israel would trigger a large scale Mideast war, (ah ha!), a large war which Israel could not win alone. Then the New York leg of the New York/Moscow/Tel Aviv Triangle would and is using its power over the U.S. Government to send U.S. Military forces to tend and protect Israeli interests.

It has not been expected that the Moscow leg of the triangle would become militarily involved for it would ruin the rest of the charade being played upon the world. Moscow would merely sit back and allow the U.S. to weaken itself in helping Israel fight the Arabs--watching for opportunity to knock as all defenses are withdrawn from national U.S.

Just as planned, and as is now under way, the intent is at some point during the war, when the U.S. military is deeply involved and the U.S. citizens demoralized and defenseless, the Zionist-oriented Jewish International Bankers will make their move. **THAT IS IN THE IMMEDIATE FUTURE, AMERICA! YOU ARE PLANNING THE MOST HEINOUS GROUND WAR EVER WITNESSED UPON YOUR EARTH AND WITH IT WILL COME THE DOOMSDAY MACHINE DOWN UPON YOUR HEADS.**

These Zionist Bankers, bad news aside, own the Class A Stock of the U.S. Federal Reserve operations and the Central Bank. In this position of power, these Zionists bankers can, and will, trigger an economic collapse of total devastation in America--it is going to be worse than the crash of 1929 by any measure you choose--and you are already in it! These same ones

deliberately caused the '29 crash and the depression which followed.

Since the money system currently used in the U.S. is backed by nothing, the paper dollars and tin coins now in use will be totally worthless.

In the resulting state of confusion and in an effort to obtain food and other necessities, the American people will accept the "New States Constitution" which has already been written and is now in practice in every manner--"as if". This will place the American people under the dictates of One-World Government run by the Zionist-oriented International Bankers and Zionists/Bolshevik Jews and they announce it to you and you simply bow and applaud this "New World Order".

The direction planned for the war in the Mideast is carefully planned, orchestrated and the outcome known and assured by the New York/Moscow/Tel Aviv Triangle of the anti-Christ. You are in for some very hard times, America and World! This is not a selective beast--it intends to eat you all and destroy all that it cannot use. Some of you, like the Americans and the Americas are just plums for the eating.

So who will the main losers be? The world, of course. The American people. The Arab people. The Sephardic Jews and that portion of Ashkenazi Jews who are for justice and freedom. The winners would be: the Zionist International Bankers and the Zionist/Bolshevik (communist/socialist) Jews.

The other course of action is a back-up plan in case the American taxpayers would say, "That's enough!" But you haven't and you are even succumbing to the thrust to stop your demonstrations against the war.

The cost of supporting bankrupt Is-

rael is draining increasing amounts of money from the American taxpayers. You even up-the-anti to pay the Israelis every time they shoot down one of their own missiles sent up for your benefit and sympathy! Yes, that is exactly what I said! You are being made the fool and you are allowing it to pour all over you like the muck from the swamplands.

What can you do in America to stop this? I honestly do not know for you missed your opportunity to turn it around--you just shouted that I am of Satan and tried to kill my scribe. Many have worked around the clock for months and months to awaken you in time to stop this madness and you have ridiculed and put them down and continue to blindly move as the horde of blinded sheep to slaughter. Just since we began to put this document to paper there have been renewed attempts to silence this word--but I assure you, it is no longer so easy to simply annihilate God's hands. Mostly we, further, protect her from the knowledge of the attempts and simply keep her under close surveillance within our shields and restrict all activities and comings and goings of even close friends who become the unwitting dupes of the assassins. The "CHRISTIAN" "COMMUNITY" WHERE SHE DWELLS THREATENS HER LIFE AND THAT OF HER FAMILY. IN THE TOWN WHERE OUR PUBLISHER HAS HIS BUSINESS, THE "CHRISTIAN COMMUNITY" THREATEN THEIR LIVES IF HE PRINTS ONE MORE WORD OF THIS MATERIAL--WHERE ARE YOU AMERICA? WHERE HAVE YOU COME ON YOUR ROAD OF GODLY TRUTH, AMERICA? SO BE IT FOR IT IS CERTAINLY NOT OVER, MY FRIENDS, UNTIL GOD WINS!

STAKES IN THE GAME-- FREEDOM OR SLAVERY

In deciding the course of action to be taken to stop the Zionist/Bolshevik "War Lords" two points are the keys for consideration and will be restated and emphasized one more time:

One leg of the Zionist/Bolshevik Jews is based in New York City. It was from this base that financial and organizational aid was given to carry out the Bolshevik Revolution in Russia. No, I shall not go into all that history at this point--I have given it in detail in the prior Journals, item by item. My responsibility to God and Brother is give the information--YOURS IS TO TEND OF IT.

This revolution enabled the establishment of the second leg of the Zionist/communist power--Moscow.

If it were not for the continued support by the New York Zionist/Bolshevik Jews and their nation-wide network, communism would have collapsed long ago. But, the various facets of power held by these Zionists in America have enabled them to trick the American people into supporting communism.

Please don't tell me about the United Nations and resolutions and all that other deception. You bought at great price the votes of the councils in the amount of billions of dollars. The United Nations is the one major tool of operation for the One World Control Group of PLAN 2000. There will be no international rule through the U.N.--you will simply be suppressed by total Police Force through that entity.

Communism would not have gotten a start and most problems faced by you Americans today would not have developed if the news-media would have kept the American

people informed about the actions of the Zionist/Bolsheviks. However these Zionist/Bolshevik (communist) Jews are clever and know that information and truth is the ultimate weapon against them. Before they began their acts of subversion in America, they gained total control of the major newspapers and especially the news services which supply national and international news to the smaller daily newspapers. Since they controlled, and still control, the major news-media outlets, including radio and television, they have been able to distort or omit the truth about their subversive acts. They also control all major publishers and any who object are simply shut down--the bookstores are in their final days prior to total closure; they are going bankrupt by the thousands and material such as these Journals are forbidden--but I promise you--TRUTH WILL FIND ITS RIVER AND FLOW LIKE A BREATH OF FRESH AIR ACROSS THIS WORLD FOR IT IS THE PROMISE OF GOD THAT MAN WOULD COME INTO KNOWING OF THIS WHICH HAS COME UPON HIM AND ALLOW HIM TO COME BACK AGAIN INTO TRUTH AND FAITHFULNESS TO GOD AND GIVE HIM KNOWLEDGE FROM WHICH TO CHOOSE HIS DIVINE DESTINY. SO BE IT.

EXPOSURE OF TRUTH IS THE ONLY SOLUTION REMAINING TO YOU

Henry Ford, Sr., who also got caught up in the entanglement of this movement, wrote in 1920: "If the American people ever become aware of the truth about this co-terie of Jews, it would be the solution." What he meant was that if the American people ever learned the truth, they would take whatever action necessary to stop this bunch of Zionist/Bolsheviks.

Many individuals and groups are in

the process of doing all in their power to inform the American people about these Zionists and the danger they present to America and to the free-world nations, but it is far too little to be effective and misinformers and disinformation projectors are put into every group to confuse the issue. It is necessary that every person become aware and quietly and energetically help to spread the information. Who might these be? Starting of course, would be YOU! Then, obviously, every average American who wishes to preserve his freedom and save the lives of his loved ones involved on the wrong end of the guns in a foreign land, Arab Americans who wish to remove the thorn of oppression in the Mideast, people from the captive nations of Europe who wish to rid their homelands of the Bolshevik scourge, Ethiopian Americans and other Afro-Americans who have seen their homelands taken over by the Bolshevik/communists and Chinese Americans, Vietnamese Americans, Korean Americans and other Oriental Americans who have felt the heavy hand of communist oppression.

Now for some shockers if you haven't been reading the Journals--ALL OF THE NATIONS OF GREAT BRITAIN, i.e. Canada, Australia, New Zealand, etc. You are in it and more tightly bound than even the Americans--in fact the only place for the impact to be effective in any measure at all--is through America and it is on the brink of collapse.

Since all of you are fighting the same destructive enemy, it would be more effective if all joined hands in a cooperative effort and quit quibbling and saying, "I just don't believe it could happen to me, here." It has happened to You--THERE!

The ones who will individually suffer the most will, as always throughout history, be the Jewish

people wherever they are.

WHY DO I AGAIN GIVE FORTH THIS INFORMATION?

Because you are in the closing time of the prophecies and desperation upon your planet. UNLESS THE CAUSE OF THE PROBLEMS HAS BEEN IDENTIFIED, THE PROBLEMS CANNOT BE CONFRONTED AND MUCH LESS, SOLVED. YOUR PROBLEM, WORLD, IS THAT YOU ARE UP AGAINST THE ANTI-CHRIST AND YOU MISSED OF HIS IDENTIFICATION FOR HE ACTED IN DECEIT AND LIES. WILL YOU AWAKEN NOW? IT REMAINS TO BE SEEN, DOESN'T IT?

IN CLOSING I GIVE HONOR

This is not new information nor did one, Jack Bernstein, by any means bring it forth first. He did, however, dare to speak out against what could be considered "his own people" and then he did a most daring thing which I would share with you readers.

I will simply ask that the "CHALLENGE" laid down by Jack Bernstein be reprinted herein:

QUOTE:

THE CONTENTS OF THIS WORK (HIS STORY) ARE EXPECTED TO BRING A STRONG REACTION FROM THE ZIONIST JEWS.

I am well aware of the tactics that you, my Zionist brethren, use to quiet anyone who attempts to expose any of your subversive acts.

If the person is a Gentile, you cry, "You're anti-Semitic" which is nothing more than a smokescreen to hide your actions.

But, if a Jew is the person doing the exposing, you resort to other tactics:

* *First, you ignore the charges, hoping the information will not be given widespread distribution.*

* *If the information starts reaching too many people, you ridicule the information and the person or persons giving the information.*

* *If that doesn't work, your next step is character assassination. If the author or speaker hasn't been involved in sufficient scandal, you are adept at fabricating scandal against the person or persons.*

* *If none of these are effective, you are known to resort to physical attacks.*

But, NEVER do you try to prove the information wrong.

So, before you start your efforts to quiet me, I OFFER THIS CHALLENGE:

YOU ZIONISTS ASSEMBLE A NUMBER OF ZIONIST JEWS AND WITNESSES TO SUPPORT YOUR POSITION; AND I WILL ASSEMBLE A LIKE NUMBER OF ANTI-ZIONIST, PRO-AMERICAN JEWS AND WITNESSES.

Then, THE ZIONISTS AND ANTI-ZIONISTS WILL STATE THEIR POSITION AND DEBATE THE MATERIAL IN THIS MATERIAL AS WELL AS RELATED MATERIAL--THE DEBATE TO BE HELD ON PUBLIC TELEVISION.

Let's explore the information and let the American people decide for themselves if the information is true or false.

ISN'T THAT A FAIR CHALLENGE?

Certainly, you will willingly accept the challenge if what I have written is false.

But, if you resort to crying, "Lies, all lies", and refuse to debate the material, you will, in effect, be

telling the American people that what I have written are the true facts.

Jack Bernstein

I think you readers can guess the way it has gone since 1984. Attempts against his life, shutdown of the publication, ridicule, accusations and all the things listed above.

I come with the Seal of God to tell you--I, Hatonn, that this is truth and it is you of the nations and citizens of the world who will pay the price for the heinous enslavement of your world and species.

WE GO THROUGH THE SAME THREATS AND ATTEMPTS

Herein, prior to closing, I give unto my own receivers some truths which have brought pain in incredible measure unto them from ones who claimed to be their greatest supporters. It has again surfaced and ones at ASSK have sent forth more letters and discountings of our information. Now, note, that none there have read the information and it is most foolish, but they claim plagiarism of other's material. There is interesting content in this simple accusation--if you disclaim "truth" as plagiarism, does it not stand to reason that that which was "plagiarized" is somehow a "lie"?

I can further assure these ones who tout such that God needs not plagiarize, especially from his adversaries.

The ones at ASSK and Sister The-dra tell you, again and again, that they have naught to do with these Phoenix Journals--this directly through Sanat Kumara and sananda. If they have not read the documents--how can they project "untruth"? Further, perhaps we need a more discerning reader's

audience--the one closest "authority" who writes the most flowerful forewords to the publications of that group is one, Donald Keyes, who was an original organizer and avid projector of the One World Government and United Nations.

To set the minds of the ones at ASSK to rest, I, in the name of Sananda of God, Aton--God, and the Command of Hosts--we very gratefully ask that you readers not annoy ASSK with any more petitions as to information whereby you might find Truth for there is no Truth within them.

Any of our materials which still bear reference is from early time when these ones wished to publish the Journals themselves, and they then broke their contracts and agreements. We apologize to any who have been offended for the information has since been removed as reference.

Now, I have a last word on the incident--beware. Our material has also been removed from many of the "New Age Channels" "allowed reading lists". God never asks you to do other than read everything you can get your eyes on--for HIS TRUTH WILL STAND ALONE--FOREVER! INTO INFINITY WILL IT STAND. BEWARE OF THOSE WHO CLAIM LIES AND PLAGIARISM OF "THEIR" WORK--FOR THEY TELL THE TRUTH OF IT IN THE ACCUSATION--TRUTH CANNOT BE PLAGIARIZED! IT IS THAT SIMPLE! TRUTH IS TRUTH IS TRUTH AND IN THESE CLOSING DAYS OF CHAOS AND TRANSITION IN READINESS FOR THE COMING AGAIN OF GOD--ANY WHO WITH-HOLD TRUTH FROM HIS FELLOW MAN TO GARNER UNTO SELF IS NOT IN THE SERVICE OF GOD OF DIVINE CREATION!

WE PLEAD WITH YOU TO
COPY, SHARE, SEND AND

SHOUT THIS WORD FROM
THE ROOFTOPS FOR WE ARE
COME IN ADVANCE TO PRE-
PARE A PLACE FOR THE COM-
ING AGAIN OF GOD UPON
YOUR PLACE AND FULFILL
HIS PROMISE UNTO YOU AS A
PLANET AND SPECIES. BE-
WARE THE FALSE PROPHETS
WHO WOULD DENY YOU
TRUTH FOR THEY SHALL
REAP A PAINFUL REWARD.
GOD IS NOT IN HUMAN FOR-
MAT AT THIS TIME UPON
YOUR GLOBE--HE IS IN YOUR
GALAXY, HOWEVER, AND WE
ARE COME TO PREPARE HIS
ARRIVAL. NO ONE IN THIS
PLACE NOR IN SERVICE UNTO
HIS COMMAND AT THIS TIME
CLAIMS TO BE THE CHRIS-
TOS--OURS IS TO BRING THE
WORD AS PROMISED BY GOD--
NO MORE AND NO LESS. SO
BE IT AND MAY TRUTH BE
THE LIGHT WHICH ILLU-
MINES THINE PATH IN HIS
HOLY PRESENCE.

Dharma, the path is filled with obstacles and testing and painful disappointments as slings and arrows are shot with deadly accuracy at thine heartplace. Others in this work are even more pained by the truth of that which comes to the front in confrontation. The ones in the service of the Dark Brotherhood always must show their colors and wear the clue as required by higher Law! The clues are abundant so do not turn of thine head for a moment lest ye be sucked in by these ones who are actually thine enemy and the enemy of God and Truth. What they shout at you in accusation is merely a reflection of that which they know themselves to be. TRUTH WILL STAND ITS OWN TESTING! SALU.

TODAY'S WATCH

In the beauty of the morning I come to commune--who would tarry with me? Who will deny me? I come again in humble cause to gather our Father's people unto the security of HIS wings. I am the Son of Man as called in the ancient days. That means not the son of Earth Human--I come from Higher Universal--Man; Creator of human. I am again sent to your placement to gather that remnant of human who turns unto the laws and covenants of the Great Spirit who experiences within each and all. I come again as representative from the Source of Creation to reclaim that which is in destruction--I am "Sananda". May the Light of Creation/Creator shine 'round about you in this day of chaos and wallowing in the blood of nations--for only through coming again into the balance and harmony of God, Wakan Tanka/Tunkanshila--God/Creation will you be lifted up out of the mire of the destruction you bring upon selves in your blindness. The moment of evil is upon your place and has seeped into thine very joints to eat away your very beings. I have been called by many names--Jesus (given unto Emmanuel of Galilee by one you called Paul), Christ (which is only a designation of beingness), The Pale Prophet (given by those natives who labeled that which was "seen") and lo, many others--but MY CREATOR CALLS ME SANANDA! (ONE WITH GOD) and I await to witness that which you will do in this time of transition for the preparation is underway and the time nigh at hand for the confrontation and reclamation of God's Kingdom and people. Beware--the sorting is underway and that which ye choose this day may well be thy last choice! Beware, also, the darkness of the moon on this transition of the day into that which ye label Ash Wednesday for

ye are lost in the lies projected unto you and miss of the signs which trumpet God's coming! Behold the Light and ye shall be given into radiance of understanding. Fear not, ye of MY flock, for no harm shall come upon thee. Amen. I AM SANANDA AND I AM NIGH, LO, EVEN UNTO THINE DOORSTEP! SALU.

HEAR ME, OH YE WITH HANDS THAT SERVE OUR FATHER IN TRUTH--ALTHOUGH YE TREMBLE, HOLD FAST UNTO THE LIFELINE AND YE SHALL BE LIFTED UP WITH THE WINGS OF EAGLES AND THE PHOENIX OF GOD'S REALMS--BEND THINE HEARTS AND MINDS UNTO TRUTH AND YE SHALL BE SECURED. I AM COME TO BRING YOUR BEINGS HOME TO SOURCE AND SHOW THE WAY OF THE JOURNEY. WE MUST BEND THE BACKS UNTO THE TASK AND SILENCE THINE LIPS FROM ALL THAT IS UNHOLY AND GIVE JUSTNESS UNTO BROTHER FOR IT IS NOT TO BE THAT ALL WILL BE LIFTED UP. THOSE ONES AND THINGS OF EVIL SHALL NOT BE BROUGHT INTO THE KINGDOM OF GOD'S HOLY PLACES. AND YOU DO NOT KNOW THAT WHICH IS HOLY! I AM SANANDA AND I COME NIGH TO BRING YOU HOME! I REST MY HAND UPON MY CHILDREN AND HOLD YOU IN THAT HOLLOW WHICH SHALL SEE YOUR JOURNEY THROUGH THIS EXPERIENCE OF LEARNING THAT WHICH IS GODLY AND BALANCED WITH AND WITHIN CREATION--HOW MANY WILL GRADUATE INTO THE FATHER'S LODGES? WE SHALL SEE--AND MOST SHORT SHALL IT BE UNTIL THE TRUMPET SOUNDS UPON THE LANDS.

SOON, THE BLOOD SHALL POUR FORTH UPON THE SANDS AND STAIN THE HOUR-GLASS IN PASSING AND MY PEOPLE SHALL WITNESS TRUTH. MAY THE GLORY THAT IS YOUR HERITAGE NOT BE LOST IN THE MOMENT OF THAT TRUTH FOR YOU WHO STAND STRONG IN GOD SHALL NOT FAINT BY THE WAY. SO BE IT AND MAY PEACE REST WITHIN THINE HEARTS.

TO MY BELOVED LITTLE CROW, IS IT NOT TIME, SON, FOR YOUR PRESENCE AND WORDS TO BEGIN TO COME FORTH? OUR LITTLE FLEDGLINGS NEED THE SUPPORT OF THE VOICE OF THE ANCIENTS FOR THIS LITTLE GOLDEN EAGLE, OUR SPARROW WHO SINGS THE WORD IN THE MIDST OF THE FRAY--IS WEARY AND SORELY TESTED IN HUMAN BOMBARDMENT. MY TRIBE HAS STOOD THE TESTING, THEY WHO SERVE MY HOSTS WHO COME ON SILVER CLOUDS. WE SOON ENTER THE TIME OF DARKNESS AS THE SEASON CHANGES INTO THE NEXT SEGMENT AND THE PAIN OF THE CONFRONTATION BEFALLS HUMANITY. THE BEAST IS CLEVER AND CHANGES MOMENT TO MOMENT BUT HE SOON REACHES THE POINT OF NO RETURN AND THE BATTLE SHALL BE ENGAGED.

THE WORLD IS INHABITED BY REPRODUCTIONS OF PROGRAMMED EVIL WITH DENSITY OF DARKNESS AND NO LIGHTED SOULS TO TRAVERSE THE HEAVENS FOR THEY ARE BIRTHED OF THE WHORE OF BABYLON WHO RESTS HER FEET UPON THE HEADS OF GOD'S PRECIOUS CREATION/CREATIONS AND LAUGHS AT THE BLINDNESS OF THE LAMBS. MAN REAL-

IZES NOT THAT HE WALKS AND SERVES THAT WHICH BEARS NO SOUL ESSENCE WITHIN THE BREASTS--HE FOLLOWS REPRODUCTIONS OF GENETIC FABRICATIONS IN BLINDNESS. HE REALIZES NOT THAT SIMPLY THROUGH TRUTH AND CONFRONTATION WITH THAT TRUTH SHALL THE EVIL REPLICAS FALL TO THE WAYSIDE. SO BE IT FOR THE PLAY MUST BE FINISHED AND HUMAN MUST CHOOSE THE PATH HE WILL TREAD AND THAT WHICH HE WILL FOLLOW. WILL HE OPEN HIS EYES AND SEE--HIS EARS AND HEAR? WE SHALL SEE. CREATOR AWAITS THE CHOOSING--BUT NOT MUCH LONGER IN THE WAYS OF YOUR COUNTING THE PASSING OF PERCEIVED "TIME". YE CAN NOT PURCHASE OF THINE PASSAGE--YE MUST RECOGNIZE OF THE "TICKET" AND ACCEPT THE GIFT AND MOST WILL FIND IT TOO OBSCURE TO BE SEEN AS THEY CONTINUE TO AWAIT THAT WHICH IS NOT! SO BE IT AND SELAH FOR THE WORD IS GIVEN, THE TRUTH PRESENTED AND YE SHALL BE GIVEN SOON INTO THE FINAL CHOOSING--HAVE YE SERVED THINE OWN CREATIONS OF THINE LOINS AND WOMBS IN TRUTH, JUSTICE AND GODNESS--OR DO YOU LEAVE THEM TO PERISH IN THE BLOODBATH AND FIRESTORM OF BABYLON? WE SHALL SEE.

* * *

I humbly thank you and bow to the wisdom of your message for ye have learned well your lessons, oh chela and SON OF HIGHEST SUN/MAN. I, and mine, serve you in humble respect and reverence for that which you are and have become in the perfection of your experience. May our service be honorable and our task be filled

in perfection of that which we have been sent forth to fulfill. I, Hattonn, bow in humble honor of service and as your teacher, may I bestow a Father's adoration of recognized attainment unto the bench of "justice". Saalome' We no longer meet the enemy in ignorance for we see that which he is, and he is but a sham filled with lies from the beginning and he shall be smitten down by the word of Truth which you bring forth upon the lands and the flocks of Creator. THAT WHICH IS "PERCEIVED" BY THE EYE IS, AFTER ALL, ONLY "LIGHT" REFLECTED IN GLORY OF PERCEPTION. YEA, THE TRUTH SHALL MOST SURELY BRING FREEDOM UPON THE LANDS FOR THE EVIL CANNOT TOUCH THE SOUL OF MAN-ONLY THAT WHICH IS OF "HUMAN MECHANISM". So be it and so shall it be in the passing of experience. I bend my knees unto your perfection in behalf of tribes from the seven tribes of the UNIVERSE. You shall stand tall and strong as the BEAR and radiant as the sun and the beast shall be caused to inhabit the abyss of his own construction. So shall it come to pass and we only ask that our service be in as near perfection as that which is possible upon this dense and limited placement. Hattonn in service.

Allow us, scribe, to place the pointer of insight upon the lies which pour forth through that conduit of lies, the media.

The lies become so blatant that it astounds that even the dense of dense cannot see--but in many ways the entire masses have been mesmerized by the hypnotic repetition of the robotoids who have been placed in your command to control you.

Much is measured as to action by that which is projected unto you and accepted by the masses--then the next and more heinous action is

lodged against you and slowly you accept the poison and sword without exception and you bring the suicide and murder upon self and silence the Godly for standing against the evil. And so it has come to pass thusly, upon your place. Do you not see that the pit is filled and it is the removing of the Godly that is left to fulfill? Do you not see that only the ending is at hand and ye were misled as to how it would be experienced? Do you not see that you have created your own "PIT"? We are now in readiness to reclaim all who would change into Truth and leave the pit of thine own digging. However, the remainder of the play shall be accomplished for so is it written and you are most determined to experience all of it as you have been given to perceive it.

As we move along through the shroud of lies, however, many will open their eyes in wonderment that they had missed of it for so long--and we welcome them aboard. You can change of it if ye will! So be it and selah.

Look at that which the evil-mongers give you to feed upon today as example. Do you all recall the first Scud missiles which supposedly fell on Tel Aviv? Remember one, which was non-intercepted, fell into the street and only injured some two people and one man died of heart failure? Do you clearly remember? Then, chelas, how is it that a Scud came to Tel Aviv (on the Sephardic section of Tel Aviv) last night, supposedly "from Iraq", was intercepted and simple "debris" caused destruction of 500 (five hundred) homes and destroyed an international "center" as well. The lies are so blatant and tremendous that you cannot fail to accept them for your minds will no longer hold relative comparison--you are being constantly and hideously hypnotized from the bombardment of repetition from those projected waves of pulsed radiation.

How do you counter this barrage? You ask God to keep his shield about you for, as in any exorcism, the beast will not stand in the confrontation of Christed perfection. KNOWLEDGE WILL INSURE YOUR FREEDOM--NO MATTER HOW MUCH YOU STARE AT THE VERY MECHANISM WHICH WOULD ENTRAP YOU. IF YOU LOOK WITH EYES OF TRUTH THROUGH GOD, YOU SEE THAT WHICH THEY DO NOT TELL AND SHOW, MORE CLEARLY THAN ANY HUMAN BEING COULD CONJURE FOR YOUR PERCEPTION.

Saddam Hussein has sat solidly upon his missiles while you have squandered your own. To make issue and point, the Zionist/Bolsheviks--ANTI-CHRIST--have given you visions of destruction (always upon the ones they choose to annihilate anyhow--the Jews of Godness) to garner your sympathy and your money and laugh at you as you stumble in confusion, clinging to any bait they toss at you--EVEN WHILE TELLING YOU EXACTLY THAT WHICH THEY DO!

Your top military leaders go forth to the "front"? They basically go no-where. How is it that your military hierarchy are still in Washington in the war room? They cannot get very far from Camp David is "WHY". Look at the evil cover-up--even calling the Camp of Evil replication, "DAVID". Ah, you of the lie, must awaken soon lest you pain and scar your souls in agony for that which will come upon your blinded insight.

Do you not see, even, why they have placed a black in the slot of military leader? To mesmerize the blacks into believing they are not the expendables in first order. The Zionists hate the Negroid races with a passion beyond reason. You of the minority groups have been targeted for forfeiture on the

sands and the battlegrounds of the city streets to insure "THE PURE ELITE SURVIVAL". I suggest you all go back and read the early Journals regarding the PLAN 2000 and if you want confirmation--read the book THE PLAN, ETC. We have given at least a dozen titles prior to now.

Even a robotoid who comes within the lighted places of God Truth, shall be given soul by that Grace abounding. An awakened humanity can SEE the robotic replicas as produced by Satanic instruction. For instance--compare that one Cheney and that one, Powell--as they meet with their brother, the 30th replica of Bush on the morrow. All have been wined, dined and exchanged at Camp David whilst you believed them to be "studying the military situation" in Saudi Arabia. The flaws in the replicas are so obvious that you do not even have to look carefully. These ones are programmed to tell you exactly that which will pull you into the beast's claws as dead-ahead as a machine can move.

Every day in every speech the facts become seen as you are gradually mesmerized into the violence you will face. Every day they give you a bit more to expect of the increased expectation of bloodshed. They tell you truth in the very face of the lies when the Defense Secretary tells you now that "...the size of Saddam's army was underestimated and 'also' the quantity and quality of his weaponry". You see it in all the publicity and charade of over 56,000 "sorties" (Can you imagine that many bombs? 50 thousand!) And still, they tell you that Iraq is about as strong as in the beginning! This is to ready you for the most massive destruction and death scene ever brought upon your planet at the hands of your own allowance. Beloved ones, these men you perceive to be leading you are replicas and incapable of either compassion or

change of programming--they have ONE GOAL IN SIGHT AND ARE PROGRAMMED TO MOVE UNFALTERING TO THAT GOAL EVEN IF FREQUENT REPLACEMENT IS REQUIRED--THE GLOBAL CONTROL OF YOUR PLANET, IN PLACE AND OPERABLE, BY THE TURN OF THE MILLENNIUM. THESE ROBOTOIDS HAVE NO MANNER OF CONTROL BY WHICH TO FUNCTION DIFFERENTLY AND UNLESS YOU STOP THEIR MARCH TO DOOM, SO SHALL IT COME TO BE!

DOUBLES, ROBOTOIDS AND REPLICAS

How is it that you find this difficult to accept? These "genetic/holographic" DNA/RNA replicas have been in the perfecting for well over four decades. All that is required is a holographic fragment (literally, one cell) and a replica can be reproduced. Then all that is required is down-loading of the memory data and programming of the manufactured entity. I have spoken of this procedure prior to this and will not take precious time to repeat and repeat for those who simply do not wish to go back and effort at gaining the information. You see, I, Hatonn, care not in the least whether or not you believe me nor if you understand the mechanism by which it works. You are "willing victims" of the lie and YOU will awaken or sleep on--it is up to you. Our commission is to outlay the Truth unto you--YOURS IS TO CONFIRM AND ACKNOWLEDGE--OR NOT, AS YOU WISH. There are technical advances upon your planet, already in use by the Elite, which would boggle your senses--robotoids are simplistic in relative comparison. They are comprised totally of physical "matter" manifested into what you perceive as physical coalition of these physical matter particles coalesced according to the DNA/RNA

holographic blueprint whereby the re-creation will be a projection of that which is being copied at the time of replication.

The most obvious clue to replication is that the "new" entity will always be fresh and more youthful than that which you will have seen just prior to replacement. This is why you must have control of all your media in order to pull off the subterfuge. Even under strict control of photography and make-up technicians--the replication will often differ--usually in reversal of character habits or muscle actions--i.e., there will be a reversal of a "lop-sided" smile--thusly, "talking out of the other side of the face", so to speak. The reversal of these traits is all but impossible to eliminate. So, too, are features which do not respond to stress changes as will a "haggard" or fatigued face pattern. Therefore, the structure and location of the ears, nose foundation and eye socket location must be perfected from viewing to viewing through cosmetic illusion and can never be EXACTLY duplicated. The whole ability to fool the public is the absolutely accepted "absurdity" of such a possibility of scientific achievement and your lack of attention. Do you not note that often, even as with Bush, that Barbara is programmed to note that "...the reason George appears different and weary is that he is getting very little rest as he must ponder" You ones pick it up, give sympathy to poor Mr. Bush and beat his drum more loudly for all his pressures. No, the replica simply showed the deviations from the prior entity.

The replicas become weaker with each reproduction and do not stand up under stress. Further, any outstanding negative traits of personality in the original will become exaggerated and unpredictable in actions. There will be wide memory gaps and erratic personality projections. If you ones would pay attention, you could rapidly bring

this subterfuge to a halt and the truth would flow across the land like a blinding light. However, you ones prefer to persecute the bringers of the Truth of it and allow the replicas to continue to hold your very existence in their mechanical hands.

Your most effective block to insight is that which is thrust upon you from the pulpits of the churches who tell you to turn away from "this or that" material for it is of Satan. Phoo! They have just effectively caused you to be allowed no insight to the truth of it. You react like obedient puppets and cast stones at the Truth-bringers and bow unto the puppet-master who just insured your allegiance to his continued evil projections.

All you really have to do is listen to what those so-called teachers of Christ and God tell you about the ten commandments laid forth as Laws. Refresh your minds--for instance--"thou shalt not kill"--that, dear ones, does not mean thou shalt kill only sometimes, etc. "Thou shalt not commit adultery"--that doesn't mean that thou shall do so if your hormones tingle and lust strikes you. "Thou shall have no other Gods before ME" doesn't mean on Sunday morning when you must decide whether or not to contribute to the preacher! and have all other gods before thee except God all the rest of the time--!! and so on it goes. You have allowed the rewriting of the Laws and accepted them and, when you are told that Cosmic brothers come in service to Satan and you are going to be whisked away through the suffering of a "savior" with no consequence for your own behaviors, you lap it up like the starving beast at the water trough. GOD GAVE YOU THE GRACEFUL GIFT OF THOUGHT AND REASON THROUGH FREEDOM OF CHOICE--YOU "FOLLOW" LIKE PUPPETS TIED UPON THE STRINGS, TO BE MA-

NIPULATED AND DANGLED AS THE WORM UPON THE HOOK.

Ah ye who feel smug as ye cast down your brother and neighbor had best bend in pleading for forgiveness of that one you damage for the Truth is at hand and ye shall reap that which ye sow.

Blessed be the black man, and brown man and red man, who stand against these enemies for IN GOD'S HOUSES THERE IS NO SUCH THING AS JUDGMENT OF SKIN FOR THAT IS OF THE PHYSICAL AND SUCH DOES NOT EXIST IN THE HIGHER EXPERIENCE OF GOD'S KINGDOMS OF LIGHT. PHYSICAL MAN HAS PRONOUNCED THESE LIMITS UPON YOU OF VARIOUS GROUPS AND YOU HAVE ALLOWED OF IT THROUGH THE GENERATIONS--AH, THERE IS A REVIVAL COMING, BROTHERS OF ALL COLORS, AND IT IS COMING SOON, INDEED. GOD CREATED ALL IN EQUALITY--MAN HAS PRONOUNCED THE INEQUALITY AND YOU HAVE BELIEVED HIM IN HIS EVIL MISINFORMATION.

YE SHALL NOT SLAY GOD'S REPRESENTATIVE AGAIN, OH MAN OF EARTH. YOU ARE AT THE GATE OF CHOICE--THE TIME OF CONFRONTATION AND YOU WILL BE IN THE CHOOSING FOR NONE SHALL ESCAPE OF IT.

Stand to the side, Dharma, so we will leave this now, for man to ponder carefully for the crimes upon man are about to begin in fullness. I petition for mercy that you might be given into the seeing and hearing for I KNOW OF THAT WHICH IS NIGH AND IF YE CHANGE IT NOT, IT IS WORSE THAN ANY CAN CONJURE FOR YOUR NIGHTMARES.

To clear, please. Good morning.

2/10/91 SANANDA

Peace, Thomas, let us begin please. I Am Sananda and I come in radiance and in wondrous service unto the most high and holy God/Aton. All stand in awe within His presence. Let each among you ponder the wonder of serving His Plan in fullness. Give thanks for the blessings are beyond measure.

Always it is the same...man wishes to hear only that which man wishes to hear. Tell me nice things, kind things, things which stroke my ego, soothe my hurt feelings, make me feel important. Man has grown so accustomed to the lies fed unto him by Satan...the master deceiver himself...that when the Truth is finally spoken it seems too harsh, too blunt, too shocking to be real...and yet, most, when pondering what is really being said, realize that yes, indeed, 'tis truth. Truth will set man free. Man must awaken to realize that All THAT HAS BEEN GIVEN TO HIM HAS BEEN A LIE...YES, IT IS SHOCKING; IT IS STARTLING...NOW WHAT ARE YOU GOING TO DO ABOUT IT??? ARE YOU WILLING TO BECOME INFORMED NOW THAT YOU KNOW THE TRUTH OF IT IS AVAILABLE TO YOU? OR DO YOU CHOOSE SLEEP...PERPETUAL SLUMBER??? Let those who have ears hear what spirit says unto spirit.

This is why the so-called New Age Movement is so dangerous unto you...you may sit and just be if you so choose...but all will most certainly not be alright. If you sit and just be in the wondrous accepting of that which God IS, you shall be taken away to the detention centers with the rest of the sleeping populace. If you sit and

just be, in the ending you will sit and just starve for you will not have taken responsibility to prepare for that which is at your very doorstep. YES, GOD IS A WONDROUS, MAGNIFICENT ENERGY...BUT I TELL THEE SURELY THAT GOD HAS GIVEN UNTO MAN FREE WILL CHOICES AND A WONDROUS REASONING MIND WITH WHICH TO FUNCTION. IT IS UP TO MAN TO USE THAT WONDROUS REASONING MIND TO TAKE RESPONSIBILITY AND PUT FORTH RESPONSIBLE ACTION THAT SHALL INSURE HIS VERY SURVIVAL DURING TIMES OF GREAT TURMOIL AND TRIBULATION...THAT WHICH YOU ARE ENTERING AT THIS VERY MOMENT. Let spirit hear that which is being said unto spirit. So be it.

I may come forth and tell each and all that you are indeed a wondrous radiant fragment of God/Creator. You are beautiful beyond any measure of imagining. You are wondrously complex and radiant and have at your disposal the infinite possibilities within The Creation. Know that you know these things, does this help you? When the truck is bearing down upon you, is it not most wise indeed to take some very rapid and physical measures to insure that the truck will not run you down? Would you have us who may see clearly the roadway before you ignore that which is surely coming upon you? Would you feel safer and more secure within your ignorance? Would you then come to us in petition at the final hour and plead and scream and yell...why didn't you tell us? Why did you only tell us that we are wondrous beings? Why didn't you tell us we would need food and shelter and supplies????

God allows. Always God allows. How else may man come into his own understanding of that WHICH

IS? Clearly the decisions made to this point by man have been in error...for you have overpopulated your planet to the tune of almost 7 billion people (no that is not an error)...and all of this only through the disobedience of but one of your Laws. Return unto the Laws, beloved, return. The magnificent kingdoms of Light hold many adventures of fulfillment to those who will enter into responsibility. Won't you join me? Won't you come to sit with Aton and speak with him? Come...come...come into the Kingdom.

All the yellow ribbons in the world will not change a hair of it. You must take action to bring your beloved home.

And the fury which shall be unleashed upon the world shall be as none ever seen. Death shall raise its head to gaze upon all but a tiny fragment...who among you will remain? Who among you will be part of God's remnant?

Ponder these things and pull yourselves together...for the road ahead is long indeed and filled with hardship. How painful and difficult it is for you depends entirely on that which you are willing to do. So be it.

TODAY'S WATCH

Good morning in the Light of another gifted day upon your world--enjoy them, chelas, for the explosions of the generations shall mar the silence of the Universe and yet, we must work on until Man understands how, who and why his world has been turned topsy-turvy.

A couple of brief references to things I have said and which have been rebutted, should lead off and then I shall not make comment on the day's non-news for we have more urgent information and confirmation of that which I have already given unto you.

First, I would like to quote something to you and thank readers who send confirmations where and when they come into attention. It is through this sharing of truth, logic, and proof of same that Man shall come into his consciousness of that which IS.

HANDWRITING ON THE WALL

"We are taxed in our bread and our wine, in our incomes and our investments, on our land and on our property not only for base creatures who do not deserve the name of men, but for foreign nations, compliant nations who will bow to us and accept our largesse and promise us to assist in the keeping of the peace--these mendicant nations who will destroy us when we show a moment of weakness or our treasure is bare, and surely it is becoming bare! We are taxed to maintain legions on their soil, in

the name of law and order by the 'Pax Romana', a document which will fall into dust when it pleases our allies and our vassals. We ~~keep them in precarious balance~~ only with our Gold. Is the heart-blood of our nation worth these? Were they bound to us with ties of love, they would not ask our gold. They take our very flesh, and they hate and despise us. And who shall say we are worthy of more? .

When a government becomes powerful it is destructive, extravagant and violent; it is a usurer which takes bread from innocent mouths and deprives honorable men of their substance, for votes with which to perpetuate itself." So be it! I know you know who wrote this? Horacio Hornblower? Benjamin Franklin? Patrick Henry? Neville Chamberlain? Nope--Cicero--in 54 B.C.!!

How about this one? This is from *The Canadian Intelligence Service, Flesherton, Ontario, Canada*, regarding A RACIAL PROGRAM FOR THE TWENTIETH CENTURY (Setting Forth the Communist Policy). "An extract from Israel Cohen's 1912 book" entered into the U.S. Congressional Record for June 7, 1957 (page 7653)

"We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mold them to the program of the Communist party. In America, we will aim for subtle victory. While inflaming the Negro minority against the Whites, we will endeavor to instill in the Whites a

guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our cause."

and:

"A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and he carries his banners openly. But the traitor moves among those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears no traitor; he speaks in the accents familiar to his victims, and he wears their face and their garments, and he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation; he works secretly and unknown in the night to undermine the pillars of a city; he infects the body politic so that it can no longer resist. A murderer is less to be feared." And also less than the terrorists for when you reach the point whereat a parent will murder his child--you have reached beyond the limits of even the evil. The traitors of America and of you--the people ARE WITHIN!

Now, this too, was written by Cicero in 54. A.D. Was Cicero a prophet? No--he observed, just as we are doing herein--the fall of a great people and empire--he only saw beyond the lies!

Let us turn to the biggest rebuttal of current denial back unto our workers--"There is no such thing as robotoids and gene splicing is really just a rumor and we denounce you for what you are, Hattonn--a liar!"

Dharma, reprint the documents regarding same, please.

PRESIDENT'S COMMISSION
FOR THE STUDY OF ETHICAL
PROBLEMS IN MEDICINE AND
BIOMEDICAL AND BE-
HAVIORAL RESEARCH
Suite 555, 2000 K Street, N.W.,
Washington, DC 20006
(202) 653-8051

November 16, 1982

The Honorable George Bush
President (President's Commission)
United States Senate
Washington, D.C.

Dear Mr. President:

On behalf of the President's Commission for the Study of Ethical Problems in Medicine and Biomedical and Behavioral Research, I am pleased to transmit Splicing Life, our Report on the social and ethical issues of genetic engineering with human beings. This study, which was not within the Commission's legislative mandate, was prompted by a letter to the President in July 1980 from Jewish, Catholic, and Protestant church associations. We embarked upon it, pursuant to subheading 1802(a)(2) of our statute, at the urging of the President's Science Advisor.

Some people have suggested that developing the capability to splice human genes opens a Pandora's box, releasing mischief and harm far greater than the benefits for biomedical science. The Commission has not found this to be the case. The laboratory risks in this field have received careful attention from the scientific community and governmental bodies. The therapeutic applications now being planned are analogous to other forms of novel therapy and can be judged by general ethical standards and procedures, informed by an awareness of the particular risks and benefits that accompany each

attempt at gene splicing.

Other, still hypothetical uses of gene splicing in human beings hold the potential for great benefit, such as heretofore impossible forms of treatment, as well as raising fundamental new ethical concerns. The Commission believes that it would be wise to have engaged in careful prior thought about steps such as treatments that can lead to heritable changes in human beings or those intended to enhance human abilities rather than simply correct deficiencies caused by well-defined genetic disorders. In light of a detailed analysis of the ethical and social issues of this subject--issues beyond the purview of existing mechanisms for Federal oversight--the Commission suggests several possible means, in the private as well as the public sector, through which these important matters can receive the necessary advance consideration.

The Commission is pleased to have had an opportunity to participate in the consideration of this issue of public concern and importance.

Respectfully,

Morris B. Abram, Chairman

Morris B. Abram is one of the most influential and highest ranking members of the American Zionists ranks. He is even more influential than are the direct speakers in your Congress such as Solarz, Lantos, Lugar, Biden, etc., of the "Israel First" and mandatory and instant WAR IN THE MIDDLE EAST. You ones just don't have any way to know that which goes on and when a study is finished it is usually marked "Top-Secret" and buried or simply buried and never allowed mention again. If it comes up again it is always discarded as having been "...already investigated."

How many of you, for instance, are aware of the Keating Five? OK, what has been decided? Alright, so all EXCEPT CRANSTON, will get a letter of reprimand. What about Cranston? Oh, well, he is going to get further

reprimand--in spite of his "convenient" cancer of his prostate--well, let us just say that Cranston has a convenient set of salegs (I'll leave you to look that up). NOW, HOW MANY OF YOU REALIZE THAT CRANSTON WAS ONE OF THE HIGH RANKING MEMBERS OF THE BANKING, HOUSING AND URBAN AFFAIRS COMMITTEE? HE WAS EVEN "CHAIRMAN" OF THE SECURITIES SUBCOMMITTEE!! How better to rip off you-the-people than to "chair" the very committee which bears all information and makes the rules! Mr. Keating knew exactly where and to whom to go for his massive crime for WHICH YOU-THE-PEOPLE WILL PAY THE BILL! Mr. Cranston, it seems, in deference to new illness had to resign his position and didn't even have to testify at the hearings regarding misadventures. Where are you, America?

Robotoids and genetic doubles, I REPEAT, have been around and steadily being perfected for four decades of public use right before your eyes. They are a product of the Soviet Zionists and have been your puppet masters for a long, long time--a new twist of sick humor perhaps--"the puppet pulling the human's strings!"

Now, get ready for the REALLY BAD NEWS. You claim that I mislead you--that "...the President only spoke of rendering Executive Order Power in order to do something for Mr. Cheney regarding reserves, etc., but it never was actually put into action..."

Dharma, another "copy" job please:

EXECUTIVE ORDER

NATIONAL SECURITY INDUS-
TRIAL RESPONSIVENESS

THE WHITE HOUSE

Office of the Press Secretary

EXECUTIVE ORDER

NATIONAL SECURITY INDUSTRIAL RESPONSIVENESS

(Hatonn: And this is just a "little one".)

For Immediate Release
January 9, 1991

By the authority vested in me as President by the Constitution and the laws of the United States of America, including 50 U.S.C. App. 468, 10 U.S.C. 4501 and 9501, and 50 U.S.C. 82, it is hereby ordered as follows:

Section 101. Policy. The United States must have the capability to rapidly mobilize its resources in the interest of national security. Therefore, to achieve prompt delivery of articles, products, and materials to meet national security requirements, the Government may place orders and require priority performance of these orders.

(Hatonn: Now what you will probably miss is that this represents a Press Release for public consumption and these are the "new U.S.C. numbers which are simply a follow-on in the 'record' for invoking Executive Order number 11490." The point is to allow you-the-public to fail to note that anything took place and feed it to you in bits and pieces through official press releases as the proper time arrives. Did you not hear your President Bush, this morning, tell the press in response to questions of intent--"I will take the proper action when I deem it proper--solely and without exception." and, "I will inform you as I deem it appropriate for you to be given information." So be it.)

Sec. 102. Delegation of Authority under 50 U.S.C. App. 468.

(a) Subject to paragraph (b) of this section, the authorities vested in the President, under 50 U.S.C. App. 468, with respect to the placing of orders for prompt delivery of articles or materials, except for the taking authority under 50 U.S.C. App. 468(c), are hereby delegated to:

- (1) the Secretary of Agriculture with respect to ALL food resources;
- (2) the Secretary of Energy with respect to ALL forms of energy;
- (3) the Secretary of Transportation with respect to all forms of civil transportation; and
- (4) the Secretary of Commerce with respect to all other articles and materials, including construction materials

(b) The authorities delegated by paragraph (a) of this section shall be exercised only after:

- (1) a determination by the Secretary of Defense that prompt delivery of the articles or materials for the exclusive use of the armed forces of the United States is in the interest of national security, or
- (2) a determination by the Secretary of Energy that the prompt delivery of the articles or materials for the Department of Energy's atomic energy programs is in the interest of national security.

(c) All determinations of the type described in paragraph (b) of this section and all delegations--made prior to the effective date of this order under the Defense Production Act of 1950, as amended, and under its implementing rules and regulations--shall be continued in effect, including but not limited to approved programs listed under the Defense Priorities and Allocations System (15 CFR (COUNCIL OF FOREIGN RELATIONS) Part 700).

- (2) the Secretary of Energy with respect to all forms of energy;
- (3) The Secretary of Transportation with respect to all forms of civil transportation; and
- (4) the Secretary of Commerce

with respect to all other products and materials, including construction materials.

(b) The authorities delegated in paragraph (a) of this section may be exercised only after the President has made the statutorily required determination.

Sec. 103. Delegation of Authority under 10 U.S.C. 4501 and 9501, and 50 U.S.C. 82.

(a) Subject to paragraph (b) of this section, the authorities vested in the President under 10 U.S.C. 4501 and 9501 with respect to the placing of orders for necessary products or materials, and under 50 U.S.C. 82 with respect to the placing of orders for ships or war materials, except for the taking authority vested in the President by these acts, are hereby delegated to:

(1) The secretary of Agriculture with respect to all food resources;

(2) the Secretary of Energy with respect to all forms of energy;

(3) the Secretary of Transportation with respect to all forms of civil transportation; and

(4) the Secretary of Commerce with respect to all other products and materials, including construction materials.

(b) The authorities delegated in paragraph (a) of this section may be exercised only after the President has made the statutorily required determination.

Sec. 104. Implementation. (a) The authorities delegated under sections 102 and 103 of this order shall include the power to redelegate such authorities, to departments and agencies, officers, and employees of the Government. The authorities delegated in this order may be implemented by regulations promulgated and administered by the Secretaries of Agriculture, Defense, Energy, Transportation, and Commerce, and the Director of the Federal Emergency Management Agency,

as appropriate.

(B) All departments and agencies delegated authority under this order are hereby directed to amend their rules and regulations as necessary to reflect the new authorities delegated herein that are to be relied upon to carry out their function. To the extent authorized by law, including 50 U.S.C. App. 486, 10 U.S.C. 4501 and 9501, and 50 U.S.C. 82, all rules and regulations issued under the Defense Production Act of 1950, as amended, with respect to the placing of priority orders for articles, products, ships, and materials, including war materials, shall be deemed, where appropriate, to implement the authorities delegated by sections 102 and 103 of this order and shall remain in effect until amended or revoked by the respective Secretary. All orders, regulations, and other forms of administrative actions purported to have been issued, taken, or continued in effect pursuant to the Defense Production Act of 1950, as amended, shall, until amended or revoked by the respective Secretaries or the Director of the Federal Emergency Management Agency, as appropriate, remain in full force and effect, to the extent supported by any law or any authority delegated to the respective Secretary or the Director pursuant to this order.

(c) Upon the request of the Secretary of Defense with respect to particular articles, products, or materials that are determined to be needed to meet national security requirements, any other official receiving a delegation of authority under this Executive order to place orders or to enforce precedence of such orders, shall exercise such authority within ten calendar days of the receipt of the request; provided, that if the head of any department or agency having delegated responsibilities hereunder disagrees with a request of Secretary of Defense, such department or agency head shall, within 10 calendar days from the

receipt of the request, refer the issue to the Assistant to the President for National Security Affairs, who shall ensure expeditious resolution of the issue.

(d) Proposed department and agency regulations and procedures to implement the delegated authority under this order, and any new determinations made under sections 102(b)(1) or (2), shall be coordinated by the Director of the Federal Emergency Management Agency with all appropriate departments and agencies.

Sec. 105. Judicial Review. This order is intended to improve the internal management of the executive branch and is not intended to create any right or benefit, substantive or procedural, enforceable at law by a party against the United States, its agencies, its officers, or any person. (Hatonn: "...and the check is in the mail..." "...and we will just make a correction or two in the Constitution at the Constitutional Convention!")

PROTOCOLS OF THE MEETINGS OF THE LEARNED ELDERS OF ZION

One more time, chelas. I don't know how to get this information across to you but you WILL GET IT ONE WAY OR ANOTHER OR YOU ARE NOT GOING TO PULL YOURSELVES OUT OF THIS QUAGMIRE!

Dharma, we are going to take a break and then we will begin the tedious task of dictating the "PROTOCOLS" (again), but this time in full, exactly as translated from start to finish by Victor E. Marsden--FROM THE RUSSIAN SCRIPTS. This man became a victim of this "Revolution" and spent time in prison for his efforts to inform the people. So it goes with the ones who have given all to

give you Truth. I give great honor to this man.

Marsden lived in Russia for many years and was married to a Russian lady. As Russian correspondent to the *Morning Post*, his fearless description of the events in 1917 incurred the anger of the Soviets. He was arrested and thrown into the Peter-Paul Prison. When he was finally allowed to return to England after two years, his health had been seriously affected. One of his first tasks as soon as he was able was this translation of the **PROTOCOLS**, which necessitated many hours' work at the British Museum. He later became the *Morning Post* special correspondent in the suite of H.R.H., the Prince of Wales, on his Empire tour.

But within a few days of his return from the tour, he died after a brief illness (undisclosed, of course).

PROFESSOR NILUS

This is the person to remember:

Professor Sergyei Nilus was a priest in the Orthodox Church in Russia. He published the first Russian language edition in 1905. In his introduction he says that a manuscript had been handed to him about four years before by a friend, who vouched that it was a true translation of an original document stolen by a woman from one of the most influential and highly initiated leaders of Freemasonry, at the end of a meeting of the initiated in France, "that nest of Jewish Masonic conspiracy." Nilus adds that the Protocols are not exactly minutes of meetings, but a report, with a part apparently missing, made by some very powerful persons.

In January, 1917, Nilus had prepared a second edition but before it could be put on the market the revolution of March 1917 had taken place and Kerenski ordered the whole edition to be destroyed. Later Nilus was arrested by the Bolshevik Cheka, imprisoned and tortured. He was exiled and died in Vladimir on 13th January, 1929.

So be it and, again, may ye be

given into the hearing and understanding of that which is being given unto you for it is the direct PROTOCOLS as given forth from the ANTI-CHRIST TO HIS PEOPLE FOR THE FINAL TAKING CONTROL OF PLANET EARTH! IF YE KNOW NOT THINE ENEMY, HOW CAN YE STAND AGAINST HIM? SALU.

Hatonn to stand-by, summon me when you are ready to continue. Thank you.

VICTOR E. MARSDEN

As preface to this segment regarding the Protocols, let us speak of the translator, Victor E. Marsden.

The author of this translation of the famous PROTOCOLS was himself a victim of the Revolution. He had lived for many years in Russia and was married to a Russian lady. Among his other activities in Russia he had been, for a number of years, Russian Correspondent of the *Morning Post*, a position which he occupied when the Revolution broke out, and his vivid descriptions of events in Russia will still be in the recollection of many of the readers of that journal. Naturally, he was singled out for the anger of the Soviets. On the day that Captain Cromie was murdered by Jews, Victor Marsden was arrested and thrown into the Peter-Paul Prison, expecting every day to have his name called out for execution. This, however, he escaped, and eventually he was allowed to return to England, very much of a wreck in bodily health. However, he recovered under treatment and the devoted care of his wife and friends. One of the first things he undertook as soon as he was able was this translation of the Protocols. Mr. Marsden was eminently well-qualified for the work. His intimate acquaintance with Russia, Russian life and the Russian language on the one hand, and his mastery of a terse literary English style on the other, placed him in a position of advantage which few others could claim. The consequence is that you have in his

an eminently readable work and though the subject-matter is somewhat formless, Mr. Marsden's literary touch reveals the thread running through the twenty-four Protocols. The Summary placed at the head of each is Mr. Marsden's own, and will be found very useful in acquiring a comprehensive view of its scope.

It may be said with truth that this work was carried out at the cost of Mr. Marsden's own life's blood. He told the writer of the Preface that he could not stand more than an hour at a time of his work on it in the British Museum, as the diabolical spirit of the matter which he was obliged to turn into English made him positively ill.

Mr. Marsden's connection with the *Morning Post* was not severed by his return to England, and he was well enough to accept the post of special correspondent of that journal in the suite of H.R.H., The Prince of Wales, on his Empire tour. From this he returned with the Prince, apparently in much better health, but within a few days of his landing he was taken suddenly ill, and died after a very brief illness.

May this work be his crowning monument! In it he has performed an immense service to the English-speaking world, and there can be little doubt that it will take its place in the first rank of the English versions of "The Protocols of the Meetings of the Learned Elders of Zion."

I remind all of you readers that if you simply sit down and consider this "Jewish" material, you are grossly in error for the Zionists have all but destroyed the very substance of the Jews. If you are not aware of this information--be patient for it was NEVER INTENDED that any of you have this information but the time is at hand for the pressing of information upon you ones who have been subject to lies projected year after endless year and it is time for the unveiling of the prophecies and the "players" put into perspective.

We will present the "INTRODUCTION" as given (1922) for it is most explanatory.

Of the Protocols themselves little need be said in the way of introduction. The book in which they are embodied was published by Sergyei Nilus in Russia in 1905. A copy of this is in the British Museum bearing the date of its reception August 10, 1906, so I suggest you not allow anyone to tell you this is a hoax and that this group or the Protocols "do not exist"! All copies that were known to exist in Russia *were destroyed in the Kerensky regime*, and under his successors the possession of copy by anyone in Sovietland was a crime sufficient to ensure the owners being shot on sight! That fact is in itself sufficient proof of the genuineness of the Protocols. The Jewish journals, of course, say that they are a forgery, leaving it to be understood that Professor Nilus, who embodied them in a work of his own, had concocted them for his own purposes.

Mr. Henry Ford, in an interview published in the *New York World*, February 17, 1921, put the case for Nilus tersely and convincingly thus:

"The only statement I care to make about the PROTOCOLS is that they fit in with what is going on. They are sixteen years old, and they have fitted the world situation up to this time. THEY FIT IT NOW."

And, indeed, they still do--with more direct impact than ever before.

The word "Protocol" signifies a precis gummed on to the front of a document, a draft of a document, minutes of proceedings. In this instance "Protocol" means "minutes of the proceedings" of the Meetings of the Learned Elders of Zion. These Protocols give the substance of addresses delivered to the innermost circle of the Rulers of Zion. They reveal the concerted plan of action of the Jewish Nation developed through the ages and edited by the Elders themselves up to date. Parts and summaries of the plan have been published from time to time during the centuries as the secrets of the Elders have leaked out. The claim of the Jews that the Protocols are forgeries is in itself an admission of their

genuineness, for they *never attempt to answer the facts* corresponding to the *threats* which the Protocols contain, and, indeed, the correspondence between prophecy and fulfillment is too glaring to be set aside or obscured. This the Jews well know and therefore evade.

The presumption is strong that the Protocols were issued, or re-issued, at the First Zionist Congress held in Basle in 1897 under the presidency of the Father of Modern Zionism, the late Theodore Herzl.

There has been published a volume of Herzl's "Diaries," a translation of some passages of which appeared in the *Jewish Chronicle* of July 14, 1922. Herzl gives an account of his first visit to England in 1895, and his conversation with Colonel Goldsmid, a Jew brought up as a Christian, an Officer in the English Army, and at heart a Jew nationalist all the time. Goldsmid suggested to Herzl that the best way of expropriating the English Aristocracy and so destroying their power to protect the people of England against Jew domination, was to put excessive taxes on the land. Herzl thought this an excellent idea, and it is now to be found definitely embodied in Protocol VI!

The above extract from Herzl's *Diary* then is an extremely significant bit of evidence bearing on the existence of the Jew World Plot and authenticity of the Protocols, but any reader of intelligence will be able from his own knowledge of recent history and from his own experience to confirm the genuineness of every line of them, and it is in the light of this *living* comment that all readers are invited to study Mr. Marsden's translation of this terribly inhuman document.

And here is another very significant circumstance. The successor to Herzl as leader of the Zionist movement (1922), Dr. Weizmann, quoted one of these sayings at the send-off banquet given to Chief Rabbi Herzl on October 6, 1920. The Chief Rabbi was at the point of leaving for his Empire tour—a sort of Jewish answer to the Empire tour of H.R.H. the Prince of Wales. And this is the "saying" of the Sages which Dr. Weizmann quoted: "A beneficent protection

which God has instituted in the life of the Jew is that He has dispersed him all over the world." (*Jewish Guardian*, Oct. 8, 1920.)

Now compare this with the last clause but one of Protocol XI, "God has granted to us, His Chosen People, the gift of dispersion, and from this, which appears to all eyes to be our weakness, has come forth all our strength, which has now brought us to the threshold of sovereignty over all the world."

The remarkable correspondence between these passages proves several things. It proves that the Learned Elders exist. It proves that Dr. Weizmann knows all about them. It proves that the desire for a "National Home" in Palestine is only camouflage and an infinitesimal part of the Jew's real object. It proves that the Jews of the world have no intention of settling in Palestine or any separate country, and that their annual prayer that they may all meet "Next Year in Jerusalem" is merely a piece of their characteristic make-believe. It also demonstrates that the Jews are a world menace, and that the Aryan races will have to domicile them permanently out of Europe.

WHO ARE THE ELDERS?

This is a secret which has not been revealed (remember, this is written in 1922). They are the Hidden Hand. They are not the "Board of Deputies" (the Jewish Parliament in England) or the "Universal Israelite Alliance" which sit in Paris. But the late Walter Rathenau of the Allgemeiner Electricitaets Gesellschaft has thrown a little light on the subject and doubtless he was in possession of their names, being, in all likelihood, one of the chief leaders himself. Writing in the *Wiener Freie Presse*, December 24, 1912, he said:

"Three hundred men, each of whom knows all the others, govern the fate of the European continent, and they elect their successors from their entourage." Shudder now, chelas, for it adds up does it not? Yea, even unto the numbering!

A FIFTEENTH CENTURY "PROTOCOL"

The principles and morality of these latter-day Protocols are as old as the tribe. Here is one from the Fifteenth Century which Jews can hardly pronounce a forgery, seeing that it is taken from a Rothschild (ouch) journal.

The *Revue des etudes Juives*, financed by James de Rothschild, published in 1889 two documents which showed how true the Protocols are in saying that the Learned Elders of Zion have been carrying on their plan for centuries. On January 13, 1489, Chemor, Jewish Rabbi of Arles in Provence, wrote to the Grand Sanhedrim, which had its seat in Constantinople, for advice, as the people of Arles were threatening the synagogues. What should the Jews do? This was the reply:

"Dear beloved brethren in Moses, we have received your letter in which you tell us of the anxieties and misfortunes which you are enduring. We are pierced by as great pain to hear it as yourselves.

"The advice of the Grand Satraps and Rabbis is the following:

"1. As for what you say that the King of France obliges you become Christians: do it, since you cannot do otherwise, but let the law of Moses be kept in your hearts.

"2. As for what you say about the command to despoil you of your goods" (the law was that on becoming converted, Jews gave up their possessions); "make your sons merchants, that little by little they may despoil the Christians of theirs.

"3. As for what you say about their making attempts on your lives: make your sons doctors and apothecaries, that they may take away Christians' lives.

"4. As for what you say of their destroying your synagogues: make your sons canons and clerics in order that they

may destroy their churches.

"5. As for the many other vexations you complain of: arrange that your sons become advocates and lawyers, and see that they always mix themselves up with the affairs of State, in order that by putting Christians under your yoke you may dominate the world and be avenged on them.

"6. Do not swerve from this order that we give you, because you will find by experience that, humiliated as you are, you will reach the actuality of power.

"Signed V.S.S.V.F.F.,
Prince of the Jews, 21st Caslue
(November), 1489"

In the year 1844, on the eve of the Jewish Revolution of 1848, Benjamin Disraeli, whose real name was Israel, and who was a "damped," or baptized Jew, published his novel, *Coningsby*, in which occurs this ominous passage:

"The world is governed by very different personages from what is imagined by those who are not behind the scenes."

And he went on to show that these personages were all Jews.

Now that Providence has brought to the light of day these secret Protocols all men may clearly see the hidden personages specified by Disraeli at work "behind the scenes" of all the Governments. This revelation entails on all white peoples the grave responsibility of examining and revising *au fond* their attitude towards the Race and nation which boasts of its survival over all Empires.

NOTES

I.--"Agentur" and "The Political."

There are two words in this translation which are unusual, the work "Agentur" and "political" used as a substantive. Agentur appears to be a word adopted from the original and it means the whole body of agents and agencies made use of by the Elders, whether members of

the tribe or their Gentile tools.

By "the Political" Mr. Marsden means, not exactly the "body politic" but the entire machinery of politics. And dear ones, it is so stated in the prophecies of Revelation that the anti-Christ would spring from this "vast sea" (of Politics).

II.--The Symbolic Snake of Judaism

Protocol III opens with a reference to the Symbolic Snake of Judaism. In his Epilogue to the 1905 Edition of the Protocols Nilus gives the following interesting account of this symbol:

According to the records of secret Jewish Zionism, Solomon and other Jewish learned men already, in 929 B.C., thought out a scheme in theory for a peaceful conquest of the whole universe by Zion.

As history developed, this scheme was worked out in detail and completed by men who were subsequently initiated in this question. These learned men decided by peaceful means to conquer the world for Zion with the slyness of the Symbolic Snake, whose head was to represent those who have been initiated into the plans of the Jewish administration, and the body of the Snake to represent the Jewish people--the administration was always kept secret, *even from the Jewish nation itself*. As this Snake penetrated into the hearts of the nations which it encountered, it undermined and devoured all the non-Jewish power of these States. It is foretold that the Snake has still to finish its work, strictly adhering to the designed plan, until the course which it has to run is closed by the return of its head to Zion and until, by this means, the Snake has completed its round of Europe and has encircled it--and until, by dint of enchaining Europe, it has encompassed the whole world. This it is to accomplish by using every endeavor to subdue the other countries by an *economic* conquest.

The return of the head of the Snake to Zion can only be accomplished after the power of all the Sovereigns of Europe has been laid

low, that is to say, when by means of economic crises and wholesale destruction effected everywhere, there shall have been brought about a spiritual demoralization and a moral corruption, chiefly with the assistance of Jewish women masquerading as French, Italians, etc. These are the surest spreaders of licentiousness into the lives of the leading men at the heads of nations.

A map of the course of the Symbolic Snake is shown as follows: Its first stage in Europe was in 429 B.C. in Greece, where, about the time of Pericles, the Snake first started eating into the power of that country. The second stage was in Rome in the time of Augustus, about 69 B.C. The third in Madrid in the time of Charles V., in A.D. 1552. The fourth in Paris about 1790, in the time of Louis XVI. The fifth in London from 1814 onwards (after the downfall of Napoleon). The sixth in Berlin in 1871 after the Franco-Prussian war. The seventh in St. Petersburg, over which is drawn the head of the Snake under the date of 1881.

All these states which the Snake traversed have had the foundations of their constitutions shaken; Germany, with its apparent power, forming no exception to the rule. In economic conditions Russia is accomplished by the Snake, on which at present (i.e. 1905) all its efforts are concentrated. The further course of the Snake is not shown on this map, but arrows indicate its next movement towards Moscow, Kieff, and Odessa.

It is now well known to us to what extent the latter cities form the centers of the militant Jewish race. Constantinople is shown as the last stage of the Snake's course before it reaches Jerusalem. (This map was drawn years before the occurrence of the "Young Turk"--i.e. Jewish--Revolution in Turkey.)

III.--The term "Goyim" meaning Gentiles or non-Jews, is used throughout the Protocols and is retained by Mr. Marsden.

PROTOCOL NO. 1

Right lies in Might. Freedom--an idea only. Liberalism. Gold. Faith. Self-Government. Despotism of Capital. The Internal Foe. The Mob. Anarchy. Politics versus Morals. The Right of the Strong. The Invincibility of Jew-Masonic authority. End justifies Means. The Mob a Blind Man. Political A.B.C. party Discord. Most satisfactory form of rule--Despotism. Alcohol. Classicism. Corruption. Principles and rules of the Jew-Masonic Government. Terror. "Liberty, Equality, Fraternity." Principle of Dynastic Rule. Annihilation of the privileges of the Goy-Aristocracy (i.e., non-Jew). The New Aristocracy. The Psychological Calculation. Abstractness of "Liberty". Power of Removal of Representatives of the People.

Putting aside the fine phrases we shall speak of the significance of each thought: by comparisons and deductions we shall throw light upon surrounding facts.

What I am about to set forth, then, is our system from the two points of view, that of ourselves and that of the *goyim*, i.e. non-Jews).

It must be noted that men with bad instincts are more in number than the good, and therefore the best results in governing them are attained by violence and terrorization, and not by academic discussions. Every man aims at power, everyone would like to become a dictator if only he could, and rare indeed are the men who would not be willing to sacrifice the welfare of all for the sake of securing their own welfare.

What has restrained the beasts of prey who are called men? What has served for their guidance hitherto?

In the beginnings of the structure of society they were subjected to

brutal and blind force; afterwards--to Law, which is the same force, only disguised. I draw the conclusion that by the law of nature right lies in force.

Political freedom is an idea but not a fact. This idea one must know how to apply whenever it appears necessary with this bait of an idea to attract the masses of the people to one's party for the purpose of crushing another who is in authority. This task is rendered easier if the opponent has himself been infected with the idea of freedom, so-called liberalism, and, for the sake of an idea, is willing to yield some of his power. It is precisely here that the triumph of our theory appears; the slackened reins of government are immediately, by the law of life, caught up and gathered together by a new hand, because the blind might of the nation cannot for one single day exist without guidance, and the new authority merely fits into the place of the old already weakened by liberalism.

In our day the power which has replaced that of the rulers who were liberal is the power of Gold. Time was when Faith ruled. The idea of freedom is impossible of realization because no one knows how to use it with moderation. It is enough to hand over a people to self-government for a certain length of time for that people to be turned into a disorganized mob. From that moment on we get internecine strife which soon develops into battles between classes, in the midst of which States burn down and their importance is reduced to that of a heap of ashes.

Whether a State exhausts itself in its own convulsions, whether its internal discord brings it under the power of external foes--in any case it can be accounted irretrievably lost; *it is in our power*. The despotism of Capital, which is entirely in our hands, reaches out to it a straw that the State, willy-nilly, must take hold of: if not--it goes to the bottom.

Should anyone of a liberal mind say that such reflections as the above are immoral I would put the following questions: If every State has two foes and if in regard to the

external foe it is allowed and not considered immoral to use every manner and art of conflict, as for example to keep the enemy in ignorance of plans of attack and defence, to attack him by night or in superior numbers, then in what way can the same means in regard to a worse foe, the destroyer of the structure of society and the commonwealth, be called immoral and not permissible?

Is it possible for any sound logical mind to hope with any success to guide crowds by the aid of reasonable counsels and arguments, when any objection or contradiction, senseless though it may be, can be made and when such objection may find more favor with the people, whose powers of reasoning are superficial? Men in masses and the men of the masses, being guided solely by petty passions, paltry beliefs, customs, traditions and sentimental theories, fall a prey to party dissension, which hinders any kind of agreement even on the basis of a perfectly reasonable argument. Every resolution of a crowd depends upon a chance or packed majority, which, in its ignorance of political secrets, puts forth some ridiculous resolution that lays in the administration a seed of anarchy.

The political has nothing in common with the moral. The ruler who is governed by the moral is not a skilled politician, and is therefore unstable on his throne. He who wishes to rule must have recourse both to cunning and to make-believe. Great national qualities, like frankness and honesty, are vices in politics, for they bring down rulers from their thrones more effectively and more certainly than the most powerful enemy. Such qualities must be the attributes of the kingdoms of the *goyim*, but we must in no wise be guided by them.

Our right lies in force. The word "right" is an abstract thought and proved by nothing. The word means no more than: Give me what I want in order that thereby I may have a proof that I am stronger than you.

Where does right begin? Where does it end?

In any State in which there is a bad organization of authority, an impersonality of laws and of the rulers who have lost their personality amid the flood of rights ever multiplying out of liberalism, I find a new right—to attack by the right of the strong, and to scatter to the winds all existing forces of order and regulation, to reconstruct all institutions and to become the sovereign lord of those who have left to us the rights of their power by laying them down voluntarily in their liberalism.

Our power in the present tottering condition of all forms of power will be more invincible than any other, because it will remain invisible until the moment when it has gained such strength that no cunning can any longer undermine it.

Out of the temporary evil we are now compelled to commit will emerge the good of an unshakable rule, which will restore the regular course of the machinery of the national life, brought to naught by liberalism. The result justifies the means. Let us, however, in our plans, direct our attention not so much to what is good and moral as to what is necessary and useful.

Before us is a plan in which is laid down strategically the line from which we cannot deviate without running the risk of seeing the labour of many centuries brought to naught.

In order to elaborate satisfactory forms of action it is necessary to have regard to the rascality, the slackness, the instability of the mob, its lack of capacity to understand and respect the conditions of its own life, or its own welfare. It must be understood that the might of a mob is blind, senseless and unreasoning force ever at the mercy of a suggestion from any side. The blind cannot lead the blind without bringing them into the abyss; consequently, members of the mob, upstarts from the people even though they should be as a genius for wisdom, yet having no understanding of the political, cannot come forward as leaders of the mob without bringing the whole nation to ruin.

Only one trained from childhood

for independent rule can have understanding of the words that can be made up of the political alphabet.

A people left to itself, i.e., to upstarts from its midst, brings itself to ruin by party dissensions excited by the pursuit of power and honors and the disorders arising therefrom. Is it possible for the masses of the people calmly and without petty jealousies to form judgments, to deal with the affairs of the country, which cannot be mixed up with personal interests? Can they defend themselves from an external foe? It is unthinkable, for a plan broken up into as many parts as there are heads in the mob, loses all homogeneity, and thereby becomes unintelligible and impossible of execution.

It is only with a despotic ruler that plans can be elaborated extensively and clearly in such a way as to distribute the whole property among the several parts of the machinery of the state; from this the conclusion is inevitable that a satisfactory form of government for any country is one that concentrates in the hands of one responsible person. Without an absolute despotism there can be no existence for civilization which is carried on not by the masses but by their guide, whosoever that person may be. The mob is a savage and displays its savagery at every opportunity. The moment the mob seizes freedom in its hands it quickly turns to anarchy, which in itself is the highest degree of savagery.

Behold the alcoholized animals, bemused with drink, the right to an immoderate use of which comes along with freedom. It is not for us and ours to walk that road. The peoples of the *goyim* are bemused with alcoholic liquors; their youth has grown stupid on classicism and from early immorality, into which it has been inducted by our special agents—by tutors, lackeys, governesses in the houses of the wealthy, by clerks and others, by our women in the places of dissipation frequented by the *goyim*. In the number of these last I count also the so-called "society ladies", voluntary followers of the others in corruption and luxury.

Our countersign is—Force and Make-believe. Only force conquers in political affairs, especially if it be concealed in the talents essential to statesmen. Violence must be the principle, and cunning the make-believe the rule for governments which do not want to lay down their crowns at the feet of agents of some new power. This evil is the one and only means to attain the end, the good. Therefore we must not stop at bribery, deceit and treachery when they should serve towards the attainment of our end. In politics one must know how to seize the property of others without hesitation if by it we secure submission and sovereignty.

Our State, marching along the path of peaceful conquest, has the right to replace the horrors of war by less noticeable and more satisfactory sentences of death, necessary to maintain the terror which tends to produce blind submission. Just but merciless severity is the greatest factor of strength in the State; not only for the sake of gain but also in the name of duty, for the sake of victory, we must keep the programme of violence and make-believe. The doctrine of squaring accounts is precisely as strong as the means of which it makes use. Therefore it is not so much by the means themselves as by the doctrine of severity that we shall triumph and bring all governments into subjection to our super-government. It is enough for them to know that we are merciless for all disobedience to cease.

Far back in ancient times we were the first to cry among the masses of people the words "Liberty, Equality, Fraternity," words many times repeated since those days by stupid poll-parrots who from all sides round flew down upon these baits and with them carried away the well-being of the world, true freedom of the individual, formerly so well guarded against the pressure of the mob. The would-be wise men of the *goyim*, the intellectuals, could not make anything out of the uttered words in their abstractness; did not see that in nature there is no equality, cannot be freedom; that Nature herself has established inequality of minds, of characters, and capacities, just as immutably as she has established

subordination to her laws; never stopped to think that the mob is a blind thing, that upstarts elected from among it to bear rule are, in regard to the political, the same blind men as the mob itself, that the adept, though he be a fool, can yet rule, whereas the non-adept, even if he were a genius, understands nothing in the political--to all these things the *goyim* paid no regard; yet all the time it was based upon these things that dynastic rule rested; the father passed on to the son a knowledge of the course of political affairs in such wise that none should know it but members of the dynasty and none would betray it to the governed. As time went on the meaning of the dynastic transference of the true position of affairs in the political was lost, and this aided the success of our cause.

In all corners of the earth the words "Liberty, Equality, Fraternity" brought to our ranks, thanks to our blind agents, whole legions who bore our banners with enthusiasm. And all the time these words were canker-worms at work boring into the well-being of the *goyim*, putting an end everywhere to peace, quiet, solidarity and destroying all the foundations of the *goya States*. As you will see later, this helped us to our triumph; it gave us the possibility, among other things, of getting into our hands the master card--the destruction of the privileges, or in other words of the very existence of the aristocracy of the *goyim*, that class which was the only defence peoples and countries had against us. On the ruins of the natural and genealogical aristocracy of the *goyim* we have set up the aristocracy of our educated class headed by the aristocracy of money. The qualifications for this aristocracy we have established in wealth, which is dependent upon us, and in knowledge, for which our learned elders provide the motive force.

Our triumph has been rendered easier by the fact that in our relations with the men whom we wanted to have always worked upon the most sensitive chords of the human mind, upon the cash account, upon the cupidity, upon the insatiability for material needs of man; and

each one of the human weaknesses, taken alone, is sufficient to paralyze initiative, for it hands over the will of men to the disposition of him who has bought their activities.

The abstraction of freedom has enabled us to persuade the mob in all countries that their government is nothing but the steward of the people who are the owners of the country, and that the steward may be replaced like a worn-out glove.

It is this possibility of replacing the representative of the people which has placed them at our disposal, and, as it were, given us the power of appointment.

Now, I am going to close this segment at this point but I ask that you who discount this, and/or are Jews, pay attention. Do you know these things? Do YOU have a ticket on the Zionist train to glory and wealth?--OR ARE YOU PERHAPS LISTED AMONG THE GOYIM WHO WILL LOSE IT ALL UNTO THE CLEVER MANIPULATORS?? PONDER IT FOR THE CURTAIN IS FALLING AND FEW ARE COUNTED AMONG THE ATTENDEES AT THE FINAL POINT OF WORLD CONTROL--IF YOU HAVEN'T BEEN A PART OF THE PLANNING TO THIS POINT--I SUGGEST YOU LISTEN TO THESE MESSAGES MOST OPEN-MINDEDLY, INDEED.

Good evening. Thank you for your service.

Hatonn to stand-by. Clearing, please. Salu.

2/12/91 HATONN

TODAY'S WATCH

OK, dear ones, Hatonn present to tell you to start holding your breath because fireworks are upon you IF Primakov takes back to Russia that which is in his portfolio. The allied military has played the hand given them freely to limit its unacceptable by even the most Godless. I remind you of something herein--RUSSIA despises be-

yond all sanity the Elite Khazars, the Zionists and Zionist West (YOU) and loathes that which the Soviet Union has become.

Oh, there will be smiles and hand-shaking and other notable media-fed charades but it is but to ready you for the "big bang"--herein, the "big bang" theory is appropriate.

The coalition forces have targeted and destroyed hundreds of thousands of innocent people and destroyed ancient churches and mosques which are irreplaceable--beyond that which any Russian has ever considered allowable. You see, it has been the Zionist control over the Russians which has brought them to their knees. This is NOT going to be a NICE REPORT going home to Russia.

I'll tell you something else which might incense you a bit--when the "enemy" marches into your nation, they will pronounce it "liberation". If some balance is not brought into play immediately, this is a week to watch, indeed. You are coming upon the three and a half year cross-over and by the end of the week you will be at the most evil point of the moon cycle--the dark of the moon when forces move into battle to gain cover from darkness. You will, further, please be patient with my lack of personal attention unto you ones in this location for I am most occupied--you see, I will be retrieving into safety many of my own people off that battle-field. When man petitions unto God in sincere petition--HE WILL BE REMOVED INTO SAFETY!

There was a bit of refreshing truth on today's facade of foolish kibitzing--a reporter stupidly asked a Marine what he was thinking as a shell blew up right in front of this squad. He calmly said, "I was thinking that I should have gone to college!" You have allowed your evil leaders to both take your country and send your babies off to do the work of Satan himself--little comfort in that sandpile, I can most assure you.

So be it, I ask that my ones continue steadily (without panic) to do your preparations as best you can for God does not give you a pathway and no way to travel it. That

will be accomplished which is intended and you will "wait upon the Lord" for you cannot see the situation as can be observed from this distance viewing both ends of the journey. Relax--get your comforts along with your necessities for if you have coffee and no cream and it was truly the cream you liked--you will not enjoy of the coffee. If you can be in the affording of same, depending upon use of appliances, etc.--get good ones which will last the duration. Oberli, I urge you to not wait too long to replace furniture, for instance, for although it will be a while before you cannot get it--you will find that as we settle into a pattern for the long-haul, we will need to again utilize the dwelling for groups larger even, than you have previously gathered.

That is for "later", however, for there are several reasons that we are having no meetings at this time--Dharma is in constant danger as is the dwelling. And, ones must come into balance without my presence for the sorting is hard and strength must be the coping mechanism. My presence is in the written word and if ones do not avail themselves of the word--they are not intended to participate--purely and simply fact. This is not a place of "being" for in simply "being" there is no adequate contribution and thus there is slowing of the load to be carried. Usually those who will "just be" are not of the training in specific technology to fill the roles attendant to the various projects. Participants? Yes, directors--usually not. I do appreciate beyond measure those who understand, even if not on the surface of it, the purpose, and are willing to continue and serve as necessary while we are in the preparations--I speak directly to Audrey, for our most precious need will be a placement for our beloved ones who need care and ONLY GOD knows exactly how things will go once the collapse of the house of cards comes down.

Neither is there longer time to have ones simply flow into this place in drifting effort to find shelter and participation. Addictions and other habits which prevent the following of God's laws with full intent will not be acceptable for this is not a

"hospital" for the healing and caretaking of "seekers". Can they participate? Of course, but not a moment must be given into their care from the ones who bear the load of this transition and projection of the word of Truth--for we are all but out of time in your manifestation as it is this day.

EUSTACE MULLINS' WORKS

As collateral reading, I ask that Mullins' RAPE OF JUSTICE, MURDER BY INJECTION and THE CURSE OF CAANAN be available and offered by America West--these books go hand in hand with the Journals in Truth and historical value unto the moment. I do not wish Dharma to need put duplication to print for we are overworked to the point of exhaustion. I salute all of Eustace's books but the above are the ones which will support this particular Journal to the fullest extent. I honor this man for his willingness to serve for he understands not that his was truly a directed journey of writing. Ones who serve in the most giving manner rarely realize that they are so chosen and are most humble in the spotlight of their service. Each feels himself to be too human and too unworthy to directly serve God and yet, if you were not human you could not serve in this mission at all! Ponder it.

As to other material--GET THE ENTIRE LISTING OF THE JOURNALS--THERE IS NO MORE ADVANTAGEOUS WAY TO PLACE YOUR FUNDS--FOR YOU WILL LOSE OF THE FUNDS AT ANY RATE. OR, MAKE A DEMAND THAT YOUR LIBRARY GET SEVERAL SETS SO THAT THEY CAN BE SHARED. I REALIZE IT IS HARD TO CONVINCE YOUR NEIGHBOR OF TRUTH--BUT THAT WILL GET EASIER AND EASIER AS THIS HORRENDOUS PRISON CELL COMES DOWN ON YOU--THE-PEOPLE. Don't worry about it--if you are informed, you are doing that which is asked of you and the river will take its proper course in the flowing.

Let us now continue on with the PROTOCOLS. Please realize as

you read these that they are being copied from a presentation three quarters of a century past and more than hundreds of years in the constant updating--THESE ARE THE GUIDELINES (BLUEPRINTS) OF SATAN FOR HIS PEOPLE AGAINST YOU OF GOD'S PEOPLE. THEY ARE THE INSTRUCTION FOR THE ANTI-CHRIST FORCES UNTO THE DAY OF ARMAGEDDON. IT IS NIGH UNTO THE TIME OF THE CONCLUSION OF THIS PLAY IN WHICH YOU PARTICIPATE AND THERE ARE MYRIADS OF SURPRISES AWAITING YOU--*NOTHING OF EVIL SHALL PASS INTO THE PLACES OF GOD--THAT MAY WELL MEAN, DEAR ONES, THAT THAT WHICH IS OF GOD SHALL BE LIFTED OUT OF THE PITS OF EVIL AND THE EVIL BE LEFT TO DEVOUR ITSELF UPON THE CARCASS OF THAT WHICH IS LIMITED, OPPRESSIVE AND ALREADY IN A STATE OF "HELL". GOD AND YE OF GOD, DO NOT NEED NOR DESIRE THAT WHICH IS OF EVIL AND YOU WILL TRUST IN CREATOR TO SORT AND TEND OF HIS FLOCKS. SO BE IT AND SELAH.*

Prior to the next writing regarding the Protocols, however, I will take opportunity to enlighten my people on that which is taking place in the market and with gold since that is the subject next undertaken.

The reason I have urged you ones who would tend of God's stores, to invest in something like our Phoenix Institute in a "loan" circumstance instead of contribution is that it is the ONLY way we see that a portion of any assets can be somewhat secured. I remind you of the PLAN--that is to raise the markets--yours to at least 3500 and then collapse it after you have foolishly invested in efforts to make bundles of money in profit. It is now a game set up for payoff only to the Elite. Any who garner anything within the populace, they have other mafners for claiming it.

Gold is not rising and even though oil fluctuates on the market--the prices are dropping at your pumps--beware, this is a confusion factor

at work.

Gold, however, is different. Elite ones are selling gold right now as are many of the involved nations such as Saudi Arabia, the Soviets, etc., so the price is deliberately kept at relatively low prices. Then it will shoot up--again under total manipulation. The reason, however, that the ones who usually convert to gold are already informed that the gold acquisitions will probably be confiscated by the government and therefore it is not a good investment. Further, it can be ASSUMED that at some point anyone caught trading in gold will be prosecuted. Therefore--your best investment is in commodities for barter and the use of gold as "collateral" for loans whereby projects can be undertaken for production of goods, housing, building and frankly--media productions in "privately controlled studios".

I repeat, the last gold to be stolen by the government will be the gold held within the Cartel banks--AS COLLATERAL. At least that is the plan at present. If too many participate then the plan will simply be changed to benefit the Elite. At present, however, it is secure and the "big boys of Satan" need the facade of "business as usual" to continue to delude you--I can only give you that which is "best" at the moment and it is up to you that which you do. However, I note many of you sitting on large sums of wealth which is intended to be reduced to worthless at any moment. They now have the governmental authority to confiscate EVERYTHING!

Do not be naive to the point of thinking that the Elite do not know that which they allow Phoenix to accomplish--for you see, in many ways you serve their needs by utilizing their laws. They must have the appearance of business as usual and, dear ones, they need the production and projects as badly as do you. They will simply take the projects at appropriate time for their further use but you are no great problem to them at present and are, in fact, an asset. They are perfectly happy to allow you ones to build and point at you with pride and say, "Look, we allow you to flourish!" WELL, GOD HAS HIS

PLANS, ALSO, AND YOU WHO PARTICIPATE IN GOD'S PLANS SHALL FIND IT WORKING MOST EFFECTIVELY AS WE MOVE ALONG. BUT YOU HAVEN'T MUCH MORE TIME TO BE IN DECISION FOR THERE COMES A POINT BEYOND WHICH THE INFLOW IS OF NO VALUE TO OUR PEOPLE AND ONLY BECOMES A PROBLEM IN THE HANDLING OF THE ASSETS. BE PREPARED, YOU WHO WOULD HOARD YOUR GOVERNMENT-ALLOWED ASSETS TO BE DECLINED SECURED CONTRIBUTIONS IN THE NOT-TOO-DISTANT FUTURE. YOU CAN HOPEFULLY SECURE SOME OF YOUR ASSETS OR YOU CAN PLAN TO LOSE THEM--THE CHOICE IS UP TO YOU--WE CAN ONLY OFFER THAT WHICH IS GIVEN UNTO US TO SHARE.

PROTOCOL NO. 2

Economic Wars--the foundation of the Jewish predominance. Figure-head government and "secret advisers." Successes of destructive doctrines. Adaptability in politics. Part played by the Press. Cost of gold and value of Jewish sacrifice.

It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains; war will thus be brought on to the economic ground, where the nations will not fail to perceive in the assistance we give the strength of our predominance, and this state of things will put both sides at the mercy of our international *agentur*; which possesses millions of eyes ever on the wealth and unhampered by any limitations whatsoever. Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rule the relations of their subjects among themselves.

The administrators, whom we shall choose from among the public, with strict regard to their capacities for servile obedience, will not be persons trained in the arts of government, and will therefore easily become pawns in our game in the

hands of men of learning and genius who will be their advisers, specialists bred and reared from early childhood to rule the affairs of the whole world. As is well known to you, these specialists of ours have been drawing to fit them for rule the information they need from our political plans from the lessons of history, from observations made in the events of every moment as it passes. The *goyim* are not guided by practical use of unprejudiced historical observation, but by theoretical routine without any critical regard for consequent results. We need not, therefore, take any account of them--let them amuse themselves until the hour strikes, or live on hopes of new forms of enterprising pastime, or on the memories of all they have enjoyed. For them let that play the principal part which we have persuaded them to accept as the dictates of science (theory). It is with this object in view that we are constantly, by means of our press, arousing a blind confidence in these theories. The intellectuals of the *goyim* will puff themselves up with their knowledge and without any logical verification of them will put into effect all the information available from science, which our *agentur* specialists have cunningly pieced together for the purpose of educating their minds in the direction we want.

Do not suppose for a moment that these statements are empty words: think carefully of the successes we arranged for Darwinism, Marxism, Nietzsche-ism. To us Jews, at any rate, it should be plain to see what a disintegrating importance these directives have had upon the minds of the *goyim*.

It is indispensable for us to take account of the thoughts, characters, tendencies of the nations in order to avoid making slips in the political and in the direction of administrative affairs. The triumph of our system, of which the component parts of the machinery may be variously disposed according to the temperament of the peoples met on our way, will fail of success if the practical application of it be not based upon a summing up of the lessons of the past in the light of the present.

In the hands of the States of today there is a great force that creates the movement of thought in the people, and that is the Press. The part played by the Press is to keep pointing out requirements supposed to be indispensable, to give voice to the complaints of the people, to express and to create discontent. It is in the Press that the triumph of freedom of speech finds its incarnation. But the *goyim* States have not known how to make use of this force; and it has fallen into our hands. Through the Press we have gained the power to influence while remaining ourselves in the shade; thanks to the Press we have got the *gold* in our hands, notwithstanding that we have had to gather it out of oceans of blood and tears. But it has paid us, though we have sacrificed many of our people. Each victim on our side is worth in the sight of God a thousand *goyim*.

(Hatonn: Oh, dear Dharma, I understand your weakness and desire to leave this document--please, chela, we must go on for we are finally coming to the ability to present this to hearing ears for the first time upon your planet! God shall give you that tenacity necessary to give forth our Word. I stand present with you and I protect you with the shield of Light that cannot be penetrated by anything of the "physical".)

PROTOCOL NO. 3

The symbolic Snake and its significance. The instability of the constitutional scales. Terror in the palaces. Power and ambition. Parliaments "talkeries," pamphlets. Abuse of power. Economic slavery. "People's Rights." Monopolist system and the aristocracy. The Army of Mason-Jewry. Decrescence of the *Goyim*. Hunger and rights of capital. The mob and the coronation of "The Sovereign Lord of all the World." The fundamental precept in the programme of the future masonic national schools. The secret of the science of the structure of society. Universal economic crisis. Security of "ours" (i.e., our people, Jews). The

despotism of Masonry--the kingdom of reason. Loss of the guide. masonry and the great French Revolution. The King-Despot of the blood of Zion. Causes of the invincibility of Masonry. Part played by secret Masonic agents. Freedom.

Today I may tell you that our goal is now only a few steps off. There remains a small space to cross and the whole long path we have trodden is ready now to close its cycle of the Symbolic Snake, by which we symbolize our people. When this ring closes, all the State of Europe will be locked in its coil as in a powerful vise. (Hatonn: If you cannot see it, chelas, then I pity you as a people beyond that which is comprehensible.)

The constitution scales of these days will shortly break down, for we have established them with a certain lack of accurate balance in order that they may oscillate incessantly until they wear through the pivot on which they turn. The *goyim* are under the impression that they have welded them sufficiently strong and they have all along kept on expecting that the scales would come into equilibrium. But the pivots--the kings on their thrones--are hemmed in by their representatives, who play the fool, distraught with their own uncontrolled and irresponsible power. This power they owe to the terror which has been breathed into the palaces. As they have no means of getting at their people, into their very midst, the kings on their thrones are no longer able to come to terms with them and so strengthen themselves against seekers after power. We have made a gulf between the far-seeing Sovereign Power and the blind force of the people so that both have lost all meaning, for like the blind man and his stick, both are powerless apart.

In order to incite seekers after power to a misuse of power we have set all forces in opposition one to another, breaking up their liberal tendencies towards independence. To this end we have stirred up every form of enterprise, we have armed all parties, we have set up authority as a target for every

ambition. Of States we have made gladiatorial arenas where a host of confused issues contend. . . A little more, and disorders and bankruptcy will be universal. . .

Babblers inexhaustible have turned into oratorical contests the sittings of Parliament and Administrative Boards. Bold journalists and unscrupulous pamphleteers daily fall upon executive officials. Abuses of power will put the final touch in preparing all institutions for their overthrow and everything will fly skyward under the blows of the maddened mob.

All people are chained down to heavy toil by poverty more firmly than ever they were chained by slavery and serfdom; from these, one way and another, they might free themselves, these could be settled with, but from want they will never get away. We have included in the constitution such rights as to the masses appear fictitious and not actual rights. All these so-called "People's Rights" can exist only in idea, an idea which can never be realized in practical life. What is it to the proletariat labourer, bowed double over his heavy toil, crushed by his lot in life, if talkers get the right to babble, if journalists get the right to scribble any nonsense side by side with good stuff, once the proletariat has no other profit out of the constitution save only those pitiful crumbs which we fling them from our table in return for their voting in favour of what we dictate, in favour of the men we place in power, the servants of our *agentur*. . . Republican rights for a poor man are no more than a bitter piece of irony, for the necessity he is under of toiling almost all day gives him no present use of them, but on the other hand robs him of all guarantee of regular and certain earnings by making him dependent on strikes by his comrades or lockouts by his masters.

The people under our guidance have annihilated the aristocracy, who were their one and only defence and foster-mother for the sake of their own advantage which is inseparably bound up with the well-being of the people. Nowadays, with the destruction of the aristocracy, the people have fallen

into the grips of merciless money-grinding scoundrels who have laid a pitiless and cruel yoke upon the necks of the workers.

We appear on the scene as alleged saviours of the worker from this oppression when we propose to him to enter the ranks of our fighting forces--Socialists, Anarchists, Communists--to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our *social masonry*. The aristocracy, which enjoyed by law the labour of the workers, was interested in seeing that the workers were well fed, healthy and strong. We are interested in just the opposite--in the diminution, the *killing out of the GOYIM*. Our power is in the chronic shortness of food and physical weakness of the worker because by all that this implies he is made the slave of our will, and he will not find in his own authorities either strength or energy to set against our will. Hunger creates the right of capital to rule the worker more surely than it was given to the aristocracy by the legal authority of kings.

By want and the envy and hatred which it engenders we shall move the mobs and with their hands we shall wipe out all those who hinder us on our way.

WHEN THE HOUR STRIKES FOR OUR SOVEREIGN LORD OF ALL THE WORLD (SATAN) TO BE CROWNED IT IS THESE SAME HANDS WHICH WILL SWEEP AWAY EVERYTHING THAT MIGHT BE A HINDRANCE THERETO.

The *goyim* have lost the habit of thinking unless prompted by the suggestions of our specialists. Therefore they do not see the urgent necessity of what we, when our kingdom comes shall adopt at once, namely this, that *it is essential to teach in national schools one simple, true piece of knowledge--the knowledge of the structure of human life, of social existence, which requires division of labour, and, consequently, the division of men into classes and conditions.* It is essential for all to know that *owing to difference in the objects*

of human activity there cannot be any equality, that he who by any act of his compromises a whole class cannot be equally responsible before the law with him who affects no one but only his own honor. The true knowledge of the structure of society, into the secrets of which we do not admit the *goyim*, would demonstrate to all men that the positions and work must be kept within a certain circle, that they may not become a source of human suffering, arising from an education which does not correspond with the work which individuals are called upon not to correspond with the work which individuals are called upon to do. After a thorough study of this knowledge the peoples will voluntarily submit to authority and accept such position as is appointed them in the State. In the present state of knowledge and the direction we have given to its development the people, blindly believing things in print--cherishes--thanks to promptings intended to mislead and to its own ignorance--a blind hatred towards all conditions which it considers above itself, for it has no understanding of the meaning of class and condition.

This hatred will be still further magnified by the effects of an *economic crisis*, which will stop dealings on the exchanges and bring industry to a standstill. We shall create by all the secret subterranean methods open to us and with the aid of gold, which is all in our hands, a *universal economic crisis whereby we shall throw upon the streets whole mobs of workers simultaneously in all the countries of Europe.* (Hatonn:

You see, dear ones, your country is still considered a country run and controlled by Europe--and so it is----the State of Great Britain! But moreover, understand and don't allow forgetting--these Protocols are translated from writings of the fourteen hundreds (the fifteenth century) when there was no America known. Recall further, that the Nilus translation was 1905 and this from which we present this material was 1922. Does it begin to come clear why the Russians have so efforted to suppress the "Jews/Zionists" within Russia? You see, Russia has no desire to prevail against American people--

but they will go to all lengths to stop the Zionists who have taken control of America in total. So be it, let us continue.) These mobs will rush delightedly to shed the blood of those whom, in the simplicity of their ignorance, they have envied from their cradles, and whose property they will then be able to loot.

"Ours" they will not touch, because the moment of attack will be known to us and we shall take measure to protect our own.

We have demonstrated that progress will bring all the *goyim* to the sovereignty of reason. Our despotism will be precisely that; for it will be known how by wise severities to pacificate all unrest, to cauterize liberalism out of all institutions.

When the populace has seen that all sorts of concessions and indulgences are yielded it in the name of freedom it has imagined itself to be sovereign lord and has stormed its way to power, but naturally, like every other blind man it has come upon a host of stumbling blocks, *it has rushed to find a guide, it has never had the sense to return to the former state* and it has laid down its pleni-potentiary powers at *our feet*. Remember the French Revolution, to which it was we who gave the name of "Great": the secrets of its preparations are well known to us for it was wholly the work of our hands.

Ever since that time we have been leading the peoples from one disenchantment to another, so that in the end they should turn also from us in favour of that *King-Despot of the blood of Zion, whom we are preparing for the world.*

At the present day we are, as an international force, invincible, because if attacked by some we are supported by other States. It is the bottomless rascality of the *goyim* people, who crawl on their bellies to force, but are merciless towards weakness, unsparing to faults and indulgent to crimes, unwilling to bear the contradictions of a free social system but patient unto martyrdom under the violence of a bold despotism--it is those qualities which are aiding us to indepen-

dence. From the premier-dictators of the present day the *goyim* peoples suffer patiently and bear such abuses as for the least of them they would have beheaded twenty kings. What is the explanation of this phenomenon, this curious inconsequence of the masses of the peoples in their attitude towards what would appear to be events of the same order?

It is explained by the fact that these dictators whisper to the peoples through their agents that through these abuses they are inflicting injury on the States with the highest purpose—to secure the welfare of the peoples, the international brotherhood of them all, their solidarity and equality of rights. Naturally they do not tell the peoples that this unification must be accomplished only under our sovereign rule.

And thus the people condemn the upright and acquit the guilty, persuaded ever more and more that it can do whatsoever it wishes. Thanks to this state of things the people are destroying every kind of stability and creating disorders at every step.

The word "freedom" brings out the communities of men to fight against every kind of force, against every kind of authority, even against God and the laws of nature. For this reason we, when we come into our kingdom, shall have to erase this word from the lexicon of life as implying a principle of brute force which turns mobs into bloodthirsty beasts.

These beasts, it is true, fall asleep again every time when they have drunk their fill of blood, and at such times can easily be riveted into their chains. But if they be not given blood they will not sleep and continue to struggle.

Stop here, Dharma, and we will take up Protocol No. 4 when we resume. I do, however, have comments for clearing understanding for some of you who have felt great pain at attacks upon our work. Number one, you knew it would be near impossible to bring the word forth and yet, we have done so! Next, it must become clear that all efforts would be

brought to bear against you and the touting "...throw the Phoenix Journals in the trash for they are of evil and they are only 'plagiarisms'..." I believe you begin to see the picture taking form. Satan does not leave anything to chance and will utilize all manners of works to prevent this Truth from reaching out unto God's creations for the Truth will destroy him and his workers as well as the lies given forth since the beginning.

Our work will stand, chelas. You who have worked so hard and seemingly against such great odds—see this day—our work shall sweep the lands for the evil itself has given away its own intent and methods of attainment and thusly, **THE TRUTH IS THE WAY TO REGAIN FREEDOM. WILL MAN ACCEPT THE TRUTH "IN TIME"?—WELL, IT IS NOT FOR ME TO PROJECT—ALL IS POSSIBLE WITH GOD! ALL!** So be it and selah. May the Truth within the scrolls of the seventh seal sour upon your stomachs as it did with John, and then perhaps we can vomit out the vile and eat again of the sweetness of God's purpose for his most blessed of all HIS CREATIONS. **THE TRUTH UPON THE SEVENTH SEAL ARE HEREIN BEING REVEALED TO YOU—WHO WILL SEE AND HEAR? SO BE IT AND SALU!**

2/13/91 SANANDA

Be at peace, beloved of mine, for I Am Sananda come again in radiance and service unto God/Aton who is returned with me. Give joyful thanks that His presence shall see you through the darkest hours before man...beginning this very day.

The dark of the moon of this cycle portends evil in its most vile manifestation. Great destruction and effective measures for dishing out death are carefully pondered...and soon shall be implemented. Have not the destructive measures of death already been implemented in the Gulf region? Yes...and no. The means for eliminating life have only just begin to be seen. Do you not find it interesting that suddenly

the Americans change their stance and decide that Saddam's television and communications centers really should be targets, and therefore, now, have been. IT IS BECAUSE THE AMERICAN MILITARY PLANNERS DO NOT WANT THE WORLD TO SEE THE UNTOLD AND BLATANT DESTRUCTION OF THE CIVILIAN POPULATION OF IRAQ. THEY DO NOT WANT THOSE PICTURES SENT OUT! AND FURTHER, THEY DO NOT WANT THE PICTURES TO GO OUT FOR WHAT THEY HAVE PLANNED NEXT!!! So, too, I tell thee that it is Saddam Hussein who has the tricks up his sleeve and the death and surprises shall come from his side, not the Americans. And the brave young men and women of the American forces who have no notion of that which they do or why, they shall simply and plainly be sacrificed. More and more young children, women, old men shall be blown to tiny bits by the American bombs...gone in to defend little Kuwait from Saddam's atrocities. The greatest atrocity of all is that the American people do not see and recognize the lie for what it is. We in the higher realms grow outraged in our perception of man's total blindness. God and those in His presence would never grow outraged??? Who taught you this? Do you think that God and ones who serve with Him are not passionate beyond your measure in our call for balance and harmony and LIFE?

As this first three and a half year cycle closes, go within. Go within and command the lighted shield...not for self, but for all your ones you hold dear...and it shall automatically be given unto self...such is the nature of things. The dark ones shall soon show all colors fully. The terrible death shall hang over you like the red and black shroud that it is...and the blood shall flow likened unto a mighty river. And we shall weep for you.

And God shall begin to take His ones unto Him in safety, away from the madness that shall befall the land. For such IS the promise. One will go and one will stay. Two will be working in the field and one will go and one will be

left. It matters not where on the planet you are, the sorting shall proceed. Is it not better to serve God in honor than to serve Satan? Is there not greater reward in bringing truth unto man than in satisfying fleshly needs? Is there not great humility in the understanding that you are the hands and feet of God? OH, BELOVED OF MINE, I TELL THEE...YOU ARE BLESSED ABOVE ALL IN THE UNIVERSE IN COUNTING AT THIS TIME IN HISTORICAL CYCLE. RAISE YOUR HEADS UP AND WALK TALL...NOT IN FALSE PRIDE FOR SUCH IS OF EGO...BUT IN THE KNOWLEDGE THAT GOD WALKS EVER WITH THEE AND IN HIS LIGHT, THE LIGHT WHICH I AM, ALL IS POSSIBLE. LET US SERVE OUR BROTHERS AND SISTERS WITH HONOR AND INTEGRITY AND SET THE EXAMPLE THAT OTHERS SEEKING TO FIND BALANCE AND TRUTH MAY KNOW THAT WHAT WE BRING IS THE WAY OF IT. GIVE THANKS FOR THE BLESSINGS ARE BEYOND YOUR ABILITY TO COMPREHEND. LINGER NOT UPON IT. PUT THY MINDS AND HANDS TO THE TASK BEFORE YOU AND EVER ASK FOR THE GUIDANCE WHICH ONLY THE FATHER CAN OFFER UNTO YOU. WALK WITHIN MINE LIGHT FOR I AM COME TO TEND MY PEOPLE AND TO DO BATTLE WITH SATAN HIMSELF. EVIL SHALL BE REMOVED FROM THAT PLACEMENT THAT THE RETURN OF THE RULE OF GOD MAY FIND ITS FULFILLMENT UPON THAT WONDROUS ORB...THE ORB SHALL HAVE HER REBIRTHING SOON NOW IN YOUR COUNTING. LET US GIVE THANKS.

There shall be an endless stream of souls leaving the planet. The death that shall reign upon the land shall be as nothing ever witnessed. Know that the souls leaving shall be tended, each according to their own lifestream decisions and service. Concern not over it...release them. All that you ones need to tend is the job that you have agreed to do and with the help of the Brotherhood of Light it shall be

completed. Do not think to understand in what manner the completion may come, for God's plan rarely follows outlines laid forth by man. It shall be as God wishes it to be...and those who serve Him in honor shall walk with Him...and Me...and together we shall share great lessons and the learning shall be as nothing dreamed. Be at peace though you walk through the valley of shadows.

LET THERE BE LIGHT!

I Am Sananda

TODAY'S WATCH

**CURSE OF CANAAN
AND OTHER DEMONS**

Dharma, it shall worsen, chela, so do not become faint of heart for we have only begun to get to the contents of the scrolls beyond the "SEVENTH SEAL". You would not be sitting to the board if ye were not worthy.

Watch what they do as this window of darkness expends itself. As the Russians enter again into the picture and there is talk of peace, the heinous attacks will worsen against the Iraqis--you have now seen it for yourselves. On this day the coalition troops bombed a downtown Baghdad shelter for the people and have killed a thousand or more women and children. This is the one thing the Iraqis cannot tolerate for they honor both their women and their children beyond all. It was a dead-on strike which could not have been an error. I remind you again, and again: The Israeli Zionists MUST have a massive and heinous war to accomplish that which they intend.

I am degraded, denied and my scribe attacked and attacked and yet, ye must have the truth of it for ye have not listened as the bearers of Truth have previously brought it unto you! Will you hear it this time? Mostly not. But some will

hear and see for it ceases to be easily hidden.

Further, dear ones--you simply ASSUME that that which was written and sealed within the seventh sealing has not been in accomplishment for the lies are so great from the cursed of Canaan that you would have no way to sort Truth from the lies.

The events must be heinous indeed to service the need of the Zionists in the war for as talk of peace erupts so does their chance of "world domination face possible postponement" and that is not intended to occur for, to fill the protocols, it requires control by the year 2000. Mr. Shamir has already told you the war will NOT be ended nor interrupted--"...if avengement is not attained, we will strike." he says and, "...at any rate we will have our eye for eye and the strike in revenge will be sudden and in our own time of planning." What more do you need?

What does Canaan have to do with anything? You thought Canaan was a Biblical place of wondrous and Godly placement where Jesus walked and taught? How interesting at how little history ye ones have been given for do ye not know that Noah placed the Curse upon Canaan? Why? Who was Canaan? Well, I shall ask you, Dharma, to do that which I now suggest all you readers do--get the book, CURSE OF CANAAN, and

historically find the truth of it. I shall quote here and there so you might get the trend of thought and then later, after the protocols are outlaid for you, I shall give you more insight to the fact the "JEWS" and "JUDEANS" are not synonymous by any measure whatsoever. Further, you might believe that the Talmud is the book of truth and instructions for the Judeans. No--they are the most hate-filled volume of teachings against the Christed path on the Earth at any time.

YIDDISH

Ah, you think that this is Jewish language? Not so. Since the conquest of the Khazars by the Russians and the disappearance of the Khazar Kingdom, the language of the Khazars is known as Yiddish. For about six centuries the so-called or self-styled "Jews", of eastern Europe have referred to themselves, while still resident in their native eastern European countries, as "Yiddish" by nationality. They identified themselves as "Yiddish" rather than as Russian, Polish, Galician, Lithuanian, Rumanian, Hungarian or by the nation of which they were citizens. They referred to the common language they all spoke as "Yiddish", also. Note that today in your own American cities there are available newspapers referred to as "Yiddish", "Yiddish" theaters, and many other cultural organizations of so-called or self-styled "Jews"

from eastern Europe which are identified publicly by the word "Yiddish" in their title. You see, that which you do is confuse and transpose that which you THINK to be HEBREW--into acceptance that it indicates "YIDDISH".

But back to Canaan. Canaan, grandson of Noah, was of mixed blood and the Zionists, dear ones, hate the Negroid races with a great passion.

The Curse of Canaan was extended to the land which was named after him, the Land of Canaan. The Canaanites themselves, the people of this land, became the greatest curse upon humanity, and so they remain to this day. Not only did they originate the practices of demon-worship, occult rites, child sacrifice, and cannibalism, but as they went abroad, they brought these obscene practices into every land which they entered. Not only did they bring their demonic cult to Egypt, but, known by their later name, the Phoenicians (and perhaps you ones will better relate to this term), as they were called after 1200 B.C., they became the demonizers of civilization through successive epoches, being known in medieval history as the "Venetians", who destroyed the great Byzantine Christian civilization, and later as "the black nobility", which infiltrated the nations of Europe and gradually assumed power through trickery, revolution, and financial legerdemain.

Ah yes, the reputation of Canaan is to be found in many, many ancient records if you ones will but investigate, although its foul history has been carefully expunged from even more of the historic archives and libraries than were allowed to remain--but you can easily find the historical information--or, you can turn to others' research and satisfy yourselves. In 1225 B.C., the Pharaoh Merneptah, who, because of his victories in the Canaanite region, was known as "Binder of

Gezer", set up a stele to commemorate his successes. Among the inscriptions placed thereon was this:

*"Plundered is the Canaan,
with every evil;
All lands are united and
pacified."*

This inscription did not mean that Merneptah had used every evil to plunder the Canaan; it meant that he had in his sojourn there encountered every evil practiced by this notorious tribe.

Now, let us see about "racism" and who is racist to whom. Ham, father of Canaan, had four sons: Cush, who founded the land of Ethiopia; Mizraim, who founded Egypt; Put, who founded Libya; and CANAAN, WHO FOUNDED THE LAND OF THE CANAANITES. THE AREA NOW IN CONTENTION AS THE STATE OF ISRAEL.

It gets more bigoted so hold on before you toss this writing aside--In talmudic (the Talmud being the unholy book of these self-styled "Jews") Cush always means a black person of the Negro race. Cushite is synonymous with black (Yar Me'ed Katan 16B).

Stranger yet, is that the "Bible", as presently translated, makes no reference to Cush's color. Reference to his descendants, the Cushites, appears only in Numbers and in Samuel, Book Two. Numbers 12:1 reveals that "Miriam and Aaron spoke against Moses because of the Cushite woman he had married, for he had married a Cushite woman." Here again, no explanation is given as to why Miriam and Aaron turned against Moses, yet the matter is obviously of some importance, because the same verse emphasized by repetition that he had married a Cushite woman. Ah so, if you turn to the Talmud, it tells you that Cushite always means "black". Further, Second Samuel contains seven ref-

erences to "Cushites", but again, no descriptions are given.

I am not herein going to give much more history on the subject other than to confirm the differences in Jews and Judaism. You see, those who feel I speak against what you accept as the "Jew" of David's lineage are in error for I walked, also, among the places of Judea as did the Master Teacher of Christed perfection. The "Jews" of the Zionist tribe are not "Jews" of Judea--they come from the recognized 13th Tribe of the Khazars and there was no "Jewish" (as you define the term) blood in them--nor was there any truth in them "from the beginning".

As we move along after the "PROTOCOLS", if there is room in this volume, I shall give you a historical document written to one Dr. David Goldstein, LL.D., of Boston, Mass. by Benjamin H. Freedman of New York City, dated October 10, 1954 in which "facts are facts" and the historic facts revealed provide incontestable evidence that their continued suppression will prove inimical to the security of the nation, the peace of the world, the welfare of humanity, and the progress of civilization. Dr. Goldstein was a convert to Catholicism. I believe you will find it one of the most interesting and comprehensive piece of literature ever read. You will find that, according to the Jewish Encyclopaedia, Jews are recognized as Chazars (Khazars): "...the historic importance of so-called or self-styled 'Jews' in eastern Europe in the 10th century, then still known as Khazars (Chazars), prior to the conquest of the Khazar Kingdom by the Russians in the 11th-13th centuries. (See pages 39 to 47). The rise and fall of the Khazar Kingdom between the 1st century B.C. and the 13th century A.D. is the "key" to the solution of the world's 20th century international problems inimical to the Nation's security." And so be it for this

moment.

A LETTER FROM A MOTHER TO A DAUGHTER

This will serve, please, as response to one of my beloved chelas who is tormented as to directions for her spouse and her parents stand in judgment of Hatonn and yet, know nothing of Hatonn save a few Expresses taken totally out of context. I am going to reprint the letter herein, observing privacy, but you the public must understand the attacks under which we come and, through ignorance, YOU-THE-PEOPLE shall continue in blindness. It matters not what this child actually does regarding Hatonn--it does greatly matter that which she does regarding Sananda (Jesus) and Aton (God).

From her mother: "...I truly believe you've got to ask yourself a lot of questions. Even if XXX isn't involved, I hope & pray you'll get into counseling. I have been reading the newsletters from Hatonn and the more I read, the more concerned I become about your ability to judge fact from fiction and absolute lunatic rantings. Besides the hate messages (Zionist, Christianity) this jerk insults the intelligence and is a source of evil. He encourages financial contributions, cleverly disguising them as gold investment. The only way gold is an investment against the disaster he's actually promoting is if you personally have the gold in your possession. A certificate is worthless paper. I've taken time to read all this crap (several issues) and my first reaction was this started out as a tongue in cheek diatribe that found a following. I am so appalled that you believe and continue to read his books. To me this is poisonous hatred similar to the KKK. Similar to Hitler, anti-semitism hate! If Hatonn is one person, he may be an Arab. Outer Space, ---and all the enlightened far out peaceful, God fearing whatever---Susan this isn't

moderate, in the middle (you said your friends feel you are that way) this is quite radical thinking. So were crystals, etc.

The biggest joke of all is that this may be a scam to suck people into sending money to him. He's getting rich--similar to Tammy and Jim Baker, Jerry Falwell, scaring people to death by using bits of information gleaned from the news and contorted to his needs. Clever brain washing. Honey, draw back--put this on hold. Oh I know, it is so imminent (according to H) that it may be to late. Great scare tactics. And, too, all history is lies so you can't learn from that. And the news is all lies so you can't trust that. And you may have to go against those you love because they aren't "enlightened" so you wall yourself into Hatonn and his (its) message of fear and hate. Words--the power they hold for good or evil. Take a step back.

You've told me XXX has to agree with you or there is no way you can stay together. I don't agree with you! Dad doesn't! How many people you've talked to about this do agree with you? You've told me you just stop talking to people who won't listen. I'm not talking about the CFR--I'm talking about Hatonn. I have concerns about the CFR & One World Order & I'm investigating that & have taken some action. Concerns about that we share. Where we split is the books and newsletter of this lunatic (no, very shrewd, manipulator and all his spokespeople (Geo. Green?) who are actually promoting activity to cause banks to fail or be in crisis. If you don't at least listen to the people who love and care about you, your husband, family, friends, if you shut off all but this dangerous, evil 'source'. You have to live with that day in, day....." and that is the end of the material sent to me.

Precious, I do not take offense at this writing--it is the concern of a

parent for a child perceived to be acting in foolish rashness. It is truly the response of ones misinformed.

I claim to be naught save that which I am--a prurunner with the Hosts sent in preparation for the coming again of the Master Teacher upon your placement.

I have no interest in your banks, nor your life-styles for that matter, except to the extent they serve against God's laws and have brought destruction upon a wondrous creation of perfection. I most certainly have no need of your material goods and yet, in response to requests of "how to manage" even that which is of the world--God will respond if the intent be in sincerity.

Lunatic rantings? Ah, and so it was said about the Master Emmanuel. Fear and hate? Oh, please reread the messages--I am sent forth of the total LOVE of the Universe--in service only unto Holy God of Creation. And dear one, if you wish to hold gold, in or without possession--do so. I understand not why it appears some sort of coercion or force for all serving within my reaches are burdened to the limits without serving any such thing as monetary holdings for persons.

I am sorry for you ones, for I would wish that these things I give unto you were not so. I can only suggest that ones who discount the words of these documents would research their own truth for they will find mine to be Truth. For instance, in the case of the fear instilled regarding the lies given you by your military regarding your troops--try as recently as this week, an article by Jack Anderson and Dale Van Atta entitled: ALLIED GROUND FORCES TO FACE UNTOLD HORRORS NEAR THE KUWAITI BORDER. "Ground war has come a long way since the 'Charge of the Light

Brigade': If only the allied forces had nothing more potent than 'cannon to the right of them, cannon to the left of them'.

"The kind of breach that American soldiers must make in Iraqi defenses makes the British Light Brigade's suicidal charge look like a game of Pac Man.

"An awesome array of millions of mines, barbed wire, deep trenches filled with flaming oil and radio-detonated napalm bombs awaits them. And that's not counting the possible use of chemical and biological agents or the pounding from more than 7,000 Iraqi tanks and artillery pieces, or the guns of hundreds of thousands of foot soldiers.

"....military officers in the region estimate that Saddam Hussein has sown more than 500,000 mines in belts 2 kilometers wide along virtually the entire Saudi-Kuwaiti border.....

"...intelligence sources estimate that Saddam has a stockpile of 20 million mines purchased in recent years from France, the Soviet Union, China and even the United States and Kuwait." This is a syndicated column so you will be able to find it in many resources.

I further suggest you obtain a copy of last evening's Frontline on the Public Broadcasting Service (Network) regarding the guns of G. Bull and about the murder of Bull by the Mossad. What does it take for you Americans to recognize truth? If you do not recognize it from the truth-bringers of your citizenry, nor from God--who shall ye believe? Perhaps thine enemy who is ready to destroy you? I think you might begin to give thought unto this truth!

My commission is not to spoon-feed ye individuals. My entire commission is to put the word of

Truth to print as promised by God unto the ones of the transition as are noted in the prophecies, to reveal the Truth from the seventh seal, as you like to call it, through the one called the "Lamb", and get a remnant through the tribulation to rebuild the Kingdom of God. We use no intervention nor force for neither is of God. You will take information and do with it that which you will for you are gifted with free-will choices. I ask not for your worldly goods nor do I need reap rewards of physical matter for I serve not in physical dimension and have no use thereof. How do ye ones expect God to respond to you as you ask direction and instructions to "save self and thine goods?" Perhaps ones had best be giving thought unto these things for the hour-glass is empty and upon its side awaiting the turning by God in the time of newness. So be it.

Do not be distraught if ones will not "hear" nor "see" that which is given in love and Truth. It is for each to discern--and it is for each who "gives" to release that which is denied by another. Ye must realize that sometimes the greatest LOVE is to release that "other" unto their own path that they might grow in their own lessons, into Truth.

I shall be most unrelenting in my mission and ones may partake of the Truth which is now in total confirmation upon your placement--or, ye may turn it aside for to give it unto you is my task--yours is to do that which you will with it. I do suggest that you act with great caution and fullness of openness to the fact that lies have been your food-pot for lo, since the beginning--just as God said unto you--"...and they were liars from the beginning." If you KNEW this information, most certainly it would be unnecessary to give it forth again at this time. God so stated and promised that "...before the ending of the great cycle the truth

would be brought forth unto the four corners of the Earth that each human who would have eyes to see would see and ears to hear would hear--and he could then decide his divine course of journey." My job, and that of my people upon your place, is to put the word to print--no more and no less regarding the word. Further, then, is the task of building that which will allow a remnant to pass through the tribulation--ye shall EACH decide of your path for NONE CAN DO IT FOR ANOTHER--IF, HOWEVER, YOU PULL YOUR BROTHER FROM THE PATH OF TRUTH, IT WILL PERHAPS BODE ILL FOR YOUR OWN SELF-JUDGMENT WHEN THE TIME IS AT HAND FOR THE SELF-EVALUATION. THAT, TOO, IS YOUR OWN SEPARATE BUSINESS AND NONE OF MINE, HATONN. SO BE IT AND MAY GOD REST HIS HAND UPON YOUR HEADS, CHELAS, FOR NONE HAVE SAID IT SHALL BE AN EASY JOURNEY. IT IS ONLY PROMISED THAT IF YE ABIDE IN THE PLACES AND TRUTH OF GOD AND IN BALANCE WITH THAT OF THE CREATION YE SHALL BE LIFTED UP AS ON WINGS OF EAGLES--I HEREBY PROMISE YOU--THE WINGS ARE SILVER AND SHALL COME FROM THE CLOUDS. SALU.

I care not that which any man pronounces against me or my people--it changes not one iota of the truth of it. Rest easy and walk in peace for thine truth must be thine own!

Back to the PROTOCOLS, Dharma, for the days swiftly pass and limit our time of projection of that which must again be told unto the people of the Earth. And, it must be given in proper sequence that Man can be brought into the Truth and understanding of that which IS.

The following is a continuation of

the copying of the PROTOCOLS OF ZION, and we shall begin at this writing with PROTOCOL NO. 4.

PROTOCOL NO. 4

Stages of a Republic. Gentile masonry. Freedom and Faith. International Industrial Competition. Role of Speculation. Cult of Gold.

Every republic passes through several stages. The first of these is comprised in the early days of mad raging by the blind mob, tossed hither and thither, right and left; the second is demagoguery, from which is born anarchy, and that leads inevitably to despotism—not any longer legal and overt, and therefore responsible despotism, but to unseen and secretly hidden, yet nevertheless sensibly felt despotism in the hands of some secret organization or other, whose acts are the most unscrupulous inasmuch as it works behind a screen, behind the backs of all sorts of agents, the changing of whom not only does not infuriously affect but actually aids the secret force by saving it, thanks to continual changes, from the necessity of expending its resources on the rewarding of long services.

Who and what is in a position to overthrow an invisible force? And this is precisely what our force is. *Gentile* masonry, blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people an unknown mystery.

But even freedom might be harmless and have its place in the State economy without injury to the well-being of the peoples if it rested upon the foundation of faith in God, upon the brotherhood of humanity, unconnected with the conception of equality, which is negated by the very laws of creation, for they have established

subordination. With such a faith as this a people might be governed by a wardship of parishes, and would walk contentedly and humbly under the guiding hand of its spiritual pastor submitting to the dispositions of God upon earth. This is the reason *why it is indispensable for us to undermine all faith, to tear out of the minds of the goyim the very principle of Godhead, and the spirit, and to put in its place arithmetical calculations and material needs.*

In order to give the *goyim* no time to think and take note, their minds **must be diverted towards industry and trade.** Thus, all the nations will be **swallowed up in the pursuit of gain and in the trade** for it will not take note of their common foe. But again, in order that freedom may once and for all disintegrate and ruin the communities of the *goyim*, we must put industry on a speculative basis: the result of this will be that what is withdrawn from the land by industry will slip through the hands and pass into speculation, that is, to our classes.

The intensified struggle for superiority and shocks delivered to economic life will create, nay, have already created, disenchanted, cold and heartless communities. Such communities will foster a strong aversion towards the higher political and towards religion. Their only guide is gain, that is Gold, which they will erect into a veritable cult, for the sake of those material delights which it can give. Then will the hour strike when, not for the sake of attaining the good, not even to win wealth, but solely out of hatred towards the privileged, the lower classes of the *goyim* will follow our lead against our rivals for power, the intellectuals of the *goyim*.

PROTOCOL NO. 5

Creation of an intensified centralization of government.

Methods of seizing power by masonry. Causes of the impossibility of agreement between States. The state of "predestination" of the Jews. Gold—the engine of the machinery of States. Significance of criticism. "Show" institutions. Weariness from word-spinning. How to take a grip of public opinion. Significance of personal initiative. The Super-Government.

What form of administrative rule can be given to communities in which corruption has penetrated everywhere, communities where riches are attained only by the clever surprise tactics of semi-swindling tricks; where looseness reigns; where morality is maintained by penal measures and harsh laws but not by voluntarily accepted principles; where the feelings towards faith and country are obliterated by cosmopolitan convictions? What form of rule is to be given to these communities if not that despotism which I shall describe to you later? We shall create an intensified centralization of government in order to grip in our hands all the forces of the community. We shall regulate mechanically all the actions of the political life of our subjects by new laws. These laws will withdraw one by one all the indulgences and liberties which have been permitted by the *goyim*, and our kingdom will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any *goyim* who oppose us by deed or word.

We shall be told that such a despotism as I speak of is not consistent with the progress of these days, but I will prove to you that it is.

In the times when the peoples looked upon kings on their thrones as on a pure manifestation of the will of God, they submitted with-

out a murmur to the despotic power of kings; but from the day when we insinuated into their minds the conception of their own rights they began to regard the occupants of thrones as mere ordinary mortals. The holy unction of the Lord's Anointed has fallen from the heads of kings in the eyes of the people, and when we also robbed them of their faith in God the might of power was flung upon the streets into the place of public proprietorship and was seized by us.

Moreover, the art of directing masses and individuals by means of cleverly manipulated theory and verbiage, by regulations of life in common and all sorts of other quirks, in all which the *goyim* understand nothing, belongs likewise to the specialists of our administrative brain. Reared on analysis, observation, on delicacies of fine calculation in this species of skill we have no rivals, any more than we have either in the drawing up of plans of political actions and solidarity. In this respect the Jesuits alone might have compared with us, but we have contrived to discredit them in the eyes of the unthinking mob as an overt organization, while we ourselves all the while have kept our secret organization in the shade. However, it is probably all the same to the world who is its sovereign lord, whether the head of Catholicism or our despot of the blood of Zion! But to us, the Chosen People, it is very far from being a matter of indifference.

For a time perhaps we might be successfully dealt with by a coalition of the goyim of all the world: but from this danger we are secured by the discord existing among them whose roots are so deeply seated that they can never now be plucked up. We have set one against another the personal and national reckonings of the *goyim*, religious--and race hatreds, which we have fostered into a huge

growth in the course of the past twenty centuries. This is the reason why there is not one State which would anywhere receive support if it were to raise its arm, for every one of them must bear in mind that any agreement against us would be unprofitable to itself. We are too strong--there is no evading our power. *The nations can not come to even an inconsiderable private agreement without our secretly having a hand in it.*

Per Me reges regnant. "It is through me that Kings reign." And it was said by the prophets that we were chosen by God Himself to rule over the whole earth. God has endowed us with genius that we may be equal to our task. Were genius in the opposite camp it would still struggle against us, but even so a newcomer is no match for the old-established settler; the struggle would be merciless between us, such a fight as the world has never yet seen. Aye, and the genius on their side would have arrived too late. All the wheels of the machinery of all States go by the force of the engine, which is in our hands, and that engine of the machinery of States is--Gold. The science of political economy invented by our learned elders has for long past been giving royal prestige to capital.

Capital, if it is to cooperate untrammelled, must be free to establish a monopoly of industry and trade; this is already being put in execution by an unseen hand in all quarters of the world. This freedom will give political force to those engaged in industry, and that will help to oppress the people. Nowadays it is more important to disarm the peoples than to lead them into war; more important to use for our advantage the passions which have burst into flames than to quench their fire; more important to catch up and interpret the ideas of others to suit ourselves than to eradicate them. *The prin-*

cipal object of our directorate consists in this: to debilitate the public mind by criticism; to lead it away from serious reflections calculated to arouse resistance; to distract the forces of the mind towards a sham fight of empty eloquence.

In all ages the peoples of the world, equally with individuals, have accepted works for deeds, for they are content with a show and rarely pause to note, in the public arena, whether promises are followed by performance. Therefore we shall establish show institutions which will give eloquent proof of their benefit to progress.

We shall assume to ourselves the liberal physiognomy of all parties, of all directions, and we shall give that physiognomy a voice in orators who will speak so much that they will exhaust the patience of their hearers and produce an abhorrence of oratory.

In order to put public opinion into our hands we must bring it into a state of bewilderment by giving expression from all sides to so many contradictory opinions and for such length of time as will suffice to make the goyim lose their heads in the labyrinth and come to see the best thing is to have no opinion of any kind in matters, political, which it is not given to the public to understand, because they are understood only by him who guides the public. This is the first secret.

The second secret requisite for the success of our government is comprised of the following: To multiply to such an extent national failings, habits, passions, conditions of civil life, that it will be impossible for anyone to know where he is in the resulting chaos, so that the people in consequence will fail to understand one another. This measure will also serve us in another way, namely, to sow discord in all parties, to dislocate all collective forces which are still unwilling to

submit to us, and to discourage any kind of personal initiative which might in any degree hinder our affair. *There is nothing more dangerous than personal initiative*; if it has genius behind it, such initiative can do more than can be done by millions of people among whom we have sown discord. We must so direct the education of the *goyim* communities that whenever they come upon a matter requiring initiative they may drop their hands in despairing impotence. The strain which results from freedom of action saps the forces when it meets with the freedom of another. From this collision arise grave moral shocks, disenchantments, failures. *By all these means we shall so wear down the goyim that they will be compelled to offer us international power of a nature that by its position will enable us without any violence gradually to absorb all the State forces of the world and to form a Super-Government.* In place of the rulers of today we shall set up a bogey which will be called the Super-Government Administration. Its hands will reach out in all directions like nippers and its organization will be of such colossal dimensions that it cannot fail to subdue all the nations of the world.

* * * * *

And will the next phrase be: **"AND SO IT CAME TO PASS UPON THE LANDS THAT ALL MEN BECAME IMPRISONED UNTO THE BEAST FOR THEY WERE GIVEN INTO BLINDNESS AND NO LONGER COULD DISCERN ONE THING FROM ANOTHER--AND IT CAME TO PASS THAT ALL PERISHED AT THE HANDS OF THE BEAST FOR THEY PRONOUNCED THE TRUTH TO BE LIE AND GREAT SORROW FELL UPON THE LANDS...."**?

If you cannot see the reflection of self, nation and world in that which is being given forth as the blueprint, then I pity ye as a people

for ye shall be given into the hands of this beast which has deceived you.

We will take up at PROTOCOL NO. 6 at our return. May you begin to walk in understanding that you may turn about and slay the beast for he cannot stand against truth and the sword of Light. So be it.

PROTOCOL NO. 6

Monopolies; upon them depend the fortunes of the *goyim*. Taking of the land out of the hands of the aristocracy. Trade, Industry and Speculation. Usury. Rise of wages and increase of price in the articles of primary necessity. Anarchism and drunkenness. Secret meaning of the propaganda of economic theories.

We shall soon begin to establish huge monopolies, reservoirs of colossal riches, upon which even large fortunes of the *goyim* will depend to such an extent that they will go to the bottom together with the credit of the States on the day after the political smash...

You gentlemen here present who are economists, just strike an estimate of the significance of this combination!

In every possible way we must develop the significance of our Super-Government by representing it as the Protector and Benefactor of all those who voluntarily submit to us.

The aristocracy of the *goyim* as a political force, is dead--we need not take it into account; but as landed proprietors they can still be harmful to us from the fact that they are self-sufficing in the re-

sources upon which they live. It is essential, therefore, for us at whatever cost to deprive them of their land. This object will be best attained by increasing the burdens upon landed property--in loading lands with debts. These measures will check land-holding and keep it in a state of humble and unconditional submission.

The aristocrats of the *goyim* we shall bring to the assistance of speculation the luxury which we have developed among the *goyim*, that greedy demand for luxury which is swallowing up everything. *We shall raise the rate of wages which, however, will not bring any advantage to the workers, for, at the same time, we shall produce a rise in prices of the first necessities of life, alleging that it arises from the decline of agriculture and cattle-breeding: we shall further undermine artfully and deeply sources of production, by accustoming the workers to anarchy and to drunkenness and side by side therewith taking all measure to extirpate from the face of the earth all the educated forces of the goyim.*

In order that the true meaning of things may not strike the goyim before the proper time we shall mask it under an alleged ardent desire to serve the working classes and the great principles of political economy about which our economic theories are carrying on an energetic propaganda.

(Hatonn: Is there truly any doubt that this has been accomplished?)

PROTOCOL NO. 7

Object of the intensification of armaments. Ferments, discords and hostility all over the world. Checking the opposition of the *goyim* by wars and by a universal war. Secrecy means success in the political. The Press and public opinion. The guns of

America, China and Japan.

The intensification of armaments, the increase of police forces—are all essential for the completion of the aforementioned plans. What we have to get at is that there should be in all the States of the world, besides ourselves, only the massing of the proletariat, a few millionaires devoted to our interests, police and soldiers.

Throughout all Europe, and by means of relations with Europe, in other continents also, we must create ferments, discords and hostility. Therein we gain a double advantage. In the first place, we keep in check all countries, for they well know that we have the power whenever we like to create disorders or to restore order. All these countries are accustomed to see in us an indispensable force of coercion. In the second place, by our intrigues we shall tangle up all the threads which we have stretched into the cabinets of all States by means of the political, by economic treaties, or loan obligations. In order to succeed in this we must use great cunning and penetration during negotiations and agreements, but, as regards what is called the "official language", we shall keep to the opposite tactics and assume the mask of honesty and compliancy. In this way the peoples and governments of the *goyim*, whom we have taught to look only at the outside whatever we present to their notice, will still continue to accept us as the benefactors and saviours of the human race.

We must be in a position to respond to every act of opposition by war with the neighbors of that country which dares to oppose us; but if these neighbors should also venture to stand collectively together against us, then we must offer resistance by a universal war.

The principal factor of success in the political is the secrecy of its

undertakings; the word should not agree with the deeds of the diplomat.

We must compel the governments of the *goyim* to take action in the direction favoured by our widely-conceived plan, already approaching and desired consummation, by what we shall represent as public opinion, secretly prompted by us through the means of that so-called "Great Power"—the *Press*, which, with a few exceptions that may be disregarded, is already entirely in our hands.

In a word, to sum up our system of keeping the governments of the *goyim* in Europe in check, we shall show our strength to one of them by terrorist attempts and to all, if we allow the possibility of a general rising against us, we shall respond with the guns of America or China or Japan.

(Hatonn: Everybody together so far? Please keep in mind that these Protocols were and are in continual update according to time and sequence. As continents and nations came into "being" the plan was immediately altered to encompass the contribution and structure from onset so as to never allow total freedom in which to function outside the actual blueprint of the Protocols. Although America did not exist in the attention of the Zionists in the original times of writings, it most certainly did by the time of Nilus in the ongoing updated versions, addendum's and amendments.)

PROTOCOL NO. 8

Ambiguous employment of juridical rights. Assistants of the masonic directorate. Special schools and super-educational training. Economists and millionaires. To whom to entrust responsible posts in the government.

We must arm ourselves with all the

weapons which our opponents might employ against us. We must search out in the very finest shades of expression and the knotty points of the lexicon of law justification for those cases where we shall have to pronounce judgments that might appear abnormally audacious and unjust, for it is important that these resolutions should be set forth in expressions that shall seem to be the most exalted moral principles cast into legal form. Our directorate must surround itself with all these forces of civilization among which it will have to work. It will surround itself with publicists, practical jurists, administrators, diplomats and, finally, with persons prepared by a special super-educational training in our special schools. These persons will have cognizance of all the secrets of the social structure, they will know all the languages that can be made up by political alphabets and words; they will be made acquainted with the whole underside of human nature, with all its sensitive chords on which they will have to play. These chords are the cast of mind of the *goyim*, their tendencies, shortcomings, vices and qualities, the particularities of classes and conditions. Needless to say that the talented assistants of authority, of whom I speak, will be taken not from among the *goyim*, who are accustomed to perform their administrative work without giving themselves the trouble to think what its aim is, and never consider what it is needed for. The administrators of the *goyim* sign papers without reading them, and they serve either for mercenary reasons or from ambition. (Hatonn: Anyone wish to take exception to the foregoing?)

We shall surround our government with a whole world of economists. That is the reason why economic sciences form the principal subject of the teaching given to the Jews. Around us again will be a whole constellation of bankers, industrialists, capitalists and—the main

thing-millionaires, because in substance everything will be settled by the question of figures.

For a time, until there will no longer be any risk in entrusting responsible posts in our States to our brother-Jews, we shall put them in the hands of persons whose past and reputation are such that between them and the people lies an abyss, persons who, in case of disobedience to our instructions, must face criminal charges or disappear-this in order to make them defend our interest to their last gasp.

PROTOCOL NO. 9

Application of masonic principles in the matter of re-educating the peoples. Masonic watchword. Meaning of Anti-Semitism. Dictatorship of masonry. Terror. Who are the servants of masonry. Meaning of the "clear-sighted" and the "blind" forces of the *goyim* States. Communion between authority and mob. License of liberalism. Seizure of education and training. False theories. Interpretation of laws. The "undergrounds" (metropolitans).

In applying our principles let attention be paid to the character of the people in whose country you live and act; a general, identical application of them, until such time as the people shall have been re-educated to our pattern, cannot have success. But by approaching their application cautiously you will see that not a decade will pass before the most stubborn character will change and we shall add a new people to the ranks of those already subdued by us.

The words of the liberal, which are in effect the words of our masonic watchword, namely, "Liberty, Equality, Fraternity", will, when we come into our kingdom, be changed by us into words no

longer of a watchword, but only an expression of idealism, namely, into: "The right of liberty, the duty of equality, the ideal of brotherhood." That is how we shall put it--and so we shall catch the bull by the horns. . . . *De facto* we have already wiped out every kind of rule except our own, although *de jure* there still remain a good many of them. Nowadays, if any States raise a protest against us it is only *pro forma* at our discretion and by our direction, for *their anti-Semitism is indispensable to us for the management of our lesser brethren*. I will not enter into further explanations, for this matter has formed the subject of repeated discussions amongst us.

For us there are no checks to limit the range of our activity. Our Super-Government subsists in extra-legal conditions which are described in the accepted terminology by the energetic and forcible word-Dictatorship. I am in a position to tell you with a clear conscience that at the proper time we, the lawgivers, shall execute judgment and sentence, we shall slay and we shall spare, we, as head of all our troops, are mounted on the steed of will, because in our hands are the fragments of a once powerful party, now vanquished by us. *And the weapons in our hands are limitless ambitions, burning in greediness, merciless vengeance, hatreds and malice.*

It is from us that the all-engulfing terror proceeds. We have in our service persons of all opinions, of all doctrines, restoring monarchists, demagogues, socialists, communists, and utopian dreamers of every kind. We have harnessed them all to the task: each one of them on his own account is boring away at the last remnants of authority, is striving to overthrow all established form of order. By these acts all States are in torture; they exhort to tranquility, are ready to sacrifice everything for

peace; but we will not give them peace until they openly acknowledge our international Super-Government, and with submissive-ness.

The people have raised a howl about the necessity of settling the question of Socialism by way of an international agreement. *Division into fractional parties has given them into our hands, for, in order to carry on a contested struggle one must have money, and the money is all in our hands.*

We might have reason to apprehend a union between the "clear-sighted" force of the *goy* kings on their thrones and the "blind" force of the *goy* mobs, but we have taken all the needful measures against any such possibility; between the one and the other force we have erected a bulwark in the shape of a mutual terror between them. In this way the blind force of the people remains our support and we, and we only, shall provide them with a leader and, of course, direct them along the road that leads to our goal.

In order that the hand of the blind mob may not free itself from our guiding hand, we must every now and then enter into close communion with it, if not actually in person, at any rate through some of the most trusty of our brethren. When we are acknowledged as the only authority we shall discuss with the people personally in the market places, and we shall instruct them on questions of the political in such wise as may turn them in the direction that suits us.

Who is going to verify what is taught in the village schools? But what an envoy of the government or a king on his throne himself may say cannot but become immediately known to the whole State, for it will be spread abroad by the voice of the people.

In order not to annihilate the insti-

tutions of the *goyim* before it is time we have touched them with craft and delicacy, and have taken hold of the ends of the strings which move their mechanism. These strings lay in a strict but just sense of order; we have replaced them by the chaotic license of liberalism. We have got our hands into the administration of the law, into the conduct of elections, into the press, into liberty of the person, *but principally into education and training as being the cornerstones of a free existence.*

We have fooled, bemused and corrupted the youth of the goyim by rearing them in principles and theories which are known to us to be false although it is by us that they have been inculcated.

Above the existing laws without substantially altering them, and by merely twisting them into contradictions of interpretations, we have erected something grandiose in the way of results. These results found expression first in the fact that the *interpretations masked the laws*: afterwards they entirely hid them from the eyes of the governments owing to the impossibility of making anything out of the tangled web of legislation.

This is the origin of the theory, of course, of arbitration.

You may say that the *goyim* will rise upon us, arms in hand, if they guess what is going on before the time comes; but in the West we have against this a manoeuvre of such appalling terror that the very stoutest hearts quail--the undergrounds, metropolitans, those subterranean corridors which, before the time comes, will be driven under all the capitals and from whence those capitals will be blown into the air with all their organization and archives.

(Hatonn: GO BACK AND REREAD THE LAST PARAGRAPH--NOW!!! I'm sorry

chelas, this is exactly that which they mean--they plan to blow you to the ethers if you resist when they are settled for the death blow. You are in it, beloved ones. There is not one major city in your nations which does not sit atop this underground network--all laid with capability of blowing the cities apart--NOW! IT MAKES A LITTLE 10 POINT EARTHQUAKE LOOK INNOCENT, DOES IT NOT?)

PROTOCOL NO. 10

The outside appearances in the political. The "genius" of rascality. What is promised by a Masonic coup d'etat? Universal suffrage. Self-importance. Leaders of Masonry. The genius who is guide of Masonry. Institutions and their functions. The poison of liberalism. Constitution--a school of party discords. Era of republics. Presidents--"Pana-ma." Part played by chamber of deputies and president. masonry--the legislative force. New republican constitution. Transition to masonic "despotism." Moment for the proclamation of "The Lord is all the World." Inoculation of diseases and other wiles of Masonry.

Today I begin with a repetition of what I said before, and *I beg you to bear in mind that governments and peoples are content in the political with outside appearances.* And how, indeed, are the *goyim* to perceive the underlying meaning of things when their representatives give the best of their energies to enjoying themselves? For our policy it is of the greatest importance to take cognizance of this detail; it will be of assistance to us when we come to consider the division of authority, freedom of speech, of the press, of religion (faith), of the law of association, of equality before the law, of the in-

violability of property, of the dwelling, of taxation (the idea of concealed taxes), of the reflex force of the laws. All these questions are such as ought not to be touched upon directly and openly before the people. In cases where it is indispensable to touch upon them they must not be categorically named, it must merely be declared without detailed exposition that the principles of contemporary law are acknowledged by us. The reason of keeping silence in this respect is that by not naming a principle we leave ourselves freedom of action, to drop this or that out of it without attracting notice; if they were all categorically named they would all appear to have been already given.

The mob cherishes a special affection and respect for the geniuses of political power and accepts all their deeds of violence with the admiring response: "rascally, well, yes, it is rascally, but it's clever!...a trick, if you like, but how craftily played, how magnificently done, what impudent audacity!"

We count upon attracting all nations to the task of erecting the new fundamental structure, the project for which has been drawn up by us. This is why, before everything, it is indispensable for us to arm ourselves and to store up in ourselves that absolutely reckless audacity and irresistible might of the spirit which in the person of our active workers will break down all hindrances in our way.

When we have accomplished our coup d'etat we shall say then to the various peoples: "Everything has gone terribly badly, all have been worn out with sufferings. We are destroying the causes of your torment--nationalities, frontiers, differences of coinages. You are at liberty, of course, to pronounce sentence upon us, but can it possibly be a just one if it is confirmed by you before you make any trial of what we are offering you."...Then

will the mob exalt us and bear us up in their hands in a unanimous triumph of hopes and expectations. Voting, which we have made the instrument which will set us on the throne of the world by teaching even the very smallest units of members of the human race to vote by means of meetings and agreements by groups, will then have served its purposes and will play its part then for the last time by a unanimity of desire to make close acquaintance with us before condemning us.

To secure this we must have everybody vote without distinction of classes and qualifications, in order to establish an absolute majority, which cannot be got from the educated propertied classes. In this way, by inculcating in all a sense of self-importance, we shall destroy among the goyim the importance of the family and its educational value and remove the possibility of individual minds splitting off, for the mob, handled by us, will not let them come to the front nor even give them a hearing; it is accustomed to listen to us only who pay it for obedience and attention. In this way we shall create a blind, mighty force which will never be in a position to move in any direction without the guidance of our agents set at its head by us as leaders of the mob. The people will submit to this regime because it will know that upon these leaders will depend its earnings, gratifications and the receipt of all kinds of benefits.

A scheme of government should come ready-made from one brain, because it will never be clinched firmly if it is allowed to be split into fractional parts in the minds of many. It is allowable, therefore, for us to have cognizance of the scheme of action but not to discuss it lest we disturb its artfulness, the inter-dependence of its component parts, the practical force of the secret meaning of each clause. To discuss and make alterations in a

labor of this kind by means of numerous votings is to impress upon it the stamp of all ratiocinations and misunderstandings which have failed to penetrate the depth and nexus of its plottings. We want our schemes to be forcible and suitably concocted. Therefore, **WE OUGHT NOT TO FLING THE WORK OF GENIUS OF OUR GUIDE** to the fangs of the mob or even of a select company.

These schemes will not turn existing institutions upside down just yet. They will only effect changes in their economy and consequently in the whole combined movement of their progress, which will thus be directed along the paths laid down in our schemes.

Under various names there exists in all countries approximately one and the same thing. Representation, Ministry, Senate, State Council, Legislative and Executive Corps. I need not explain to you the mechanism of the relation of these institutions to one another, because you are aware of all that; only take note of the fact that each of the above-named institutions corresponds to some important function of the State, and I would beg you to remark that the word "important" I apply not to the institution but to the function, consequently it is not the institutions which are important but their functions. These institutions have divided up among themselves all the functions of government--administrative, legislative, executive, wherefore they have come to operate as do the organs in the human body. If we injure one part in the machinery of State, the State falls sick, like a human body, and...will die.

When we introduced into the State organism the poison of Liberalism its whole political complexion underwent a change. States have been seized with a mortal illness--blood-poisoning. All that remains is to await the end of their death

agony.

Liberalism produced Constitutional States, which took the place of what was the only safeguard of the goyim, namely, Despotism; and a constitution, as you well know, is nothing else but a school of discords, misunderstandings, quarrels, disagreements, fruitless party agitations, party whims--in a word, a school of everything that serves to destroy the personality of State activity. The tribune of the "talkeries" has, no less effectively than the Press, condemned the rulers to inactivity and impotence, and thereby rendered them useless and superfluous, for which reason indeed they have been in many countries deposed. Then it was that the era of republics became possible of realization; and then it was that we replaced the ruler by a caricature of a government--by a president, taken from the mob, from the midst of our puppet creatures, our slaves. This was the foundation of the mine which we have laid under the goy people, I should rather say, under the goy peoples.

In the near future we shall establish the responsibility of presidents.

(Hatonn: Feeling a bit sickened yet?)

By that time we shall be in a position to disregard forms in carrying through matters for which our impersonal puppet will be responsible. What do we care if the ranks of those striving for power should be thinned, if there should arise a deadlock from the impossibility of finding presidents, a deadlock which will finally disorganize the country?

In order that our scheme may produce this result we shall arrange elections in favor of such presidents as have in their past some dark, undiscovered stain, some "Panama" or other--then they will be trustworthy agents for the ac-

complishment of our plans out of fear of revelations and from the natural desire of everyone who has attained power, namely, the retention of the privileges, advantages and honor connected with the office of president. The chamber of deputies will provide cover for, will protect, will elect presidents, but we shall take from it the right to propose new, or make changes in existing laws, for this right will be given by us to the responsible president, a puppet in our hands. Naturally, the authority of the president will then become a target for every possible form of attack, but we shall provide him with a means of self-defense in the right of an appeal to the people, for the decision of the people over the heads of their representatives, that is to say, an appeal to that same blind slave of ours--the majority of the mob. Independently of this we shall invest the president with the right of declaring a state of war (Hatonn: LISTEN-UP!) We shall justify this last right on the ground that the president as chief of the whole army of the country must have it at his disposal, in case of need for the defense of the new republican constitution, the right to defend which will belong to him as the responsible representative of this constitution.

It is easy to understand that in these conditions the key of the shrine will lie in our hands, and no one outside ourselves will any longer direct the force of legislation.

Besides this we shall, with the introduction of the new republican constitution, take from the Chamber the right of interpellation on government measures, on the pretext of preserving political secrecy, and, further, we shall by the new constitution reduce the number of representatives to a minimum, thereby proportionately reducing political passions and the passion for politics. If, however, they should, which is hardly to be ex-

pected, burst into flame, even in this minimum, we shall nullify them by a stirring appeal and a reference to the majority of the whole people...Upon the president will depend the appointment of presidents and vice-president of the Chamber and the Senate. Instead of constant sessions of Parliaments we shall reduce their sittings to a few months. Moreover, the president, as chief of the executive power, will have the right to summon and dissolve Parliament, and, in the latter case, to prolong the time for the appointment of a new parliamentary assembly. But in order that the consequences of all these acts which in substance are illegal, should not, prematurely for our plans, fall upon the responsibility established by us of the president, *we shall instigate ministers and other officials of the higher administration about the president to evade his dispositions by taking measures of their own*, for doing which they will be made the scapegoats in his place...This part we especially recommend to be given to be played by the Senate, the Council of State, or the Council of Ministers, but not to an individual official.

The president will, at our discretion, interpret the sense of such of the existing laws as admit of various interpretations; he will further annul them when we indicate to him the necessity to do so, besides this, he will have the right to propose temporary laws, and even new departures in the government constitutional working, the pretext both for the one and the other being the requirements for the supreme welfare of the State.

By such measures we shall obtain the power of destroying little by little, step by step, all that at the outset when we enter on our rights, we are compelled to introduce into the constitutions of States to prepare for the transition to an imperceptible abolition of every kind of constitution, and then the time is

come to turn every form of government into *our despotism*.

The recognition of our despot may also come before the destruction of the constitution; the moment for this recognition will come when the people, utterly wearied by the irregularities and incompetence--a matter which we shall arrange for--of their rulers, will clamor: "Away with them and give us one king over all the earth who will unite us and annihilate the causes of discords--frontiers, nationalities, religions, State debts--who will give us peace and quiet, which we cannot find under our rulers and representatives."

But you yourselves perfectly well know that *to produce the possibility of the expression of such wishes by all the nations it is indispensable to trouble in all countries the people's relations with their governments so as to utterly exhaust humanity with dissension, hatred, struggle, envy and even by the use of torture, by starvation, BY THE INOCULATION OF DISEASES*, by want so that the *goyim* see no other issue than to take refuge in our complete sovereignty in money and in all else.

But if we give the nations of the world a breathing space the moment we long for is hardly likely ever to arrive.

(Hatonn: How much more confirmation do you require? Ok, let us continue for there are 24 of these well laid forth blueprints covering the entirety of your experiences as people.)

PROTOCOL NO. 11

Programme of the new constitution. Certain details of the proposed revolution. The *goyim*--a pack of sheep. Secret masonry and its "show" lodges.

The State Council has been, as it

were, the emphatic expression of the authority of the ruler: it will be, as the "show" part of the Legislative Corps, what may be called the editorial committee of the laws and decrees of the ruler.

This, then, is the programme of the new constitution. We shall make Law, Right and Justice (1) in the guise of proposals to the Legislative Corps, (2) by decrees of the president under the guise of general regulations, of orders of the Senate and of resolutions of the State Council in the guise of ministerial orders, (3) and in case a suitable occasion should arise--in the form of a revolution in the State.

Having established approximately the *modus agendi* we will occupy ourselves with details of those combinations by which we have still to complete the revolution in the course of the machinery of State in the direction already indicated. By these combinations I mean the freedom of the Press, the right of association, freedom of conscience, the voting principle, and many another that must disappear forever from the memory of man, or undergo a radical alteration the day after the promulgation of the new constitution. It is only at that moment that we shall be able at once to announce all our orders, for, afterwards, every noticeable alteration will be dangerous, for the following reasons: if this alteration be brought in with harsh severity and in a sense of severity and limitations, it may lead to a feeling of despair caused by fear of new alterations in the same direction; if, on the other hand, it be brought in a sense of further indulgences it will be said that we have recognized our own wrongdoing and this will destroy the prestige of the infallibility of our authority, or else it will be said that we have become alarmed and are compelled to show a yielding disposition, for which we shall get no thanks because it will be sup-

posed to be compulsory.

...Both the one and the other are injurious to the prestige of the new constitution. What we want is that from the first moment of its promulgation, while the peoples of the world are still stunned by the accomplished fact of the revolution, still in a condition of terror and uncertainty, they should recognize once for all that we are so strong, so inexpugnable, so super-abundantly filled with power, that in no case shall we take any account of them, and so far from paying any attention to their opinions or wishes, we are ready and able to crush with irresistible power all expression or manifestation thereof at every moment and in every place, that we have seized at once everything we wanted and shall in no case divide our power with them...Then in fear and trembling they will close their eyes to everything, and be content to await what will be the end of it all.

The *goyim* are a flock of sheep, and we are their wolves. And you know what happens when the wolves get hold of the flock?...

There is another reason also why they will close their eyes: for we shall keep promising them to give back all the liberties we have taken away as soon as we have quelled the enemies of peace and tamed all parties....

It is not worth while to say anything about how long a time they will be kept waiting for this return of their liberties....

For what purpose then have we invented this whole policy and insinuated it into the minds of the goys without giving them any chance to examine its underlying meaning? For what, indeed, if not in order to obtain in a roundabout way what is for our scattered tribe unattainable by the direct road? It is this which has served as the basis for our organization of **SECRET MASONRY**

WHICH IS NOT KNOWN TO, AND AIMS WHICH ARE NOT EVEN SO MUCH AS SUSPECTED BY, THESE GOY CATTLE, ATTRACTED BY US INTO THE "SHOW" ARMY OF LODGES IN ORDER TO THROW DUST IN THE EYES OF THEIR FELLOWS.

God has granted to us, His Chosen People, the gift of the dispersion, and in this which appears in all eyes to be our weakness, has come forth all our strength, which has now brought us to the threshold of sovereignty over all the world.

There now remains not much more for us to build up upon the foundation we have laid.

Can you now see how the masses of humanity has fallen quite willingly and unknowingly into the trap? Blame has no place in this exercise for there is not time for casting blame and shouting objections--that time is past--now, there requires massive acknowledgement of the truth of the "game" and demand that it halt. It is totally up to you as a people for it becomes foolish to say, "I simply can't see it and these are all lies," for you KNOW that they are NOT! It is fine to be in awe and shock but then, you must put aside the stunned inaction and shake up your neighbor just a bit perhaps. You can see that you have followed the plan to the tiny-most detail in every manner laid forth.

Dharma, you are extremely weary, scribe, so allow us rest.

This Journal shall be titled: **SHROUDS OF THE SEVENTH SEAL--THE ANTI-CHRIST WHORE OF BABYLON!** For this formidable prostitute of all truth sits atop your world and awaits the total devouring of you and herself as well. So be it for it was so written and so is coming to pass. I

give you this now for your preparation of material for as quickly as we finish the 24 PROTOCOLS this must be put to binding and distribution--as every day past is a day lost to mankind in this time of transition and pending devastation upon the battlefields in the place of Babylon. Go in peace.

PROTOCOL NO. 12

Masonic interpretation of the word "freedom". Future of the press in the masonic kingdom. Control of the press. Correspondence agencies. What is progress as understood by masonry? More about the press. Masonic solidarity in the press of today. The arousing of "public" demands in the provinces. Infallibility of the new regime.

The word "freedom", which can be interpreted in various ways, is defined by us as follows:

Freedom is the right to do that which the law allows. This interpretation of the word will at the proper time be of service to us, because all freedom will thus be in our hands, since the laws will abolish or create only that which is desirable for us according to the aforesaid programme.

We shall deal with the press in the following way: What is the part played by the press today? It serves to excite and inflame those passions which are needed for our purpose or else it serves selfish ends of parties. It is often vapid, unjust, mendacious, and the majority of the public have not the slightest idea what ends the press really serves. We shall saddle and bridle it with a tight curb: we shall do the same also with all produc-

tions of the printing press, for where would be the sense of getting rid of the attacks of the press if we remain targets for pamphlets and books. The produce of publicity, which nowadays is a source of heavy expense owing to the necessity of censoring it, will be turned by us into a very lucrative source of income to our State: we shall lay on it a special stamp tax and require deposits of caution-money before permitting the establishment of any organ of the press or of printing office; these will then have to guarantee our government against any kind of attack on the part of the press. For any attempt to attack us, if such still be possible, we shall inflict fines without mercy. Such measures as stamp tax, deposit of caution-money and fines secured by these deposits, will bring in a huge income to the government. It is true that party organs might not spare money for the sake of publicity, but these we shall shut up at the second attack upon us. No one shall with impunity lay a finger on the aureole of our government infallibility. The pretext for stopping any publication will be the alleged plea that it is agitating the public mind without occasion or justification. *I beg you to note that among those making attacks upon us will also be organs established by us, but they will attack exclusively points that we have pre-determined to alter.*

Not a single announcement will reach the public without our control. Even now this is already being attained by us inasmuch as all news items are received by a few agencies, in whose offices they are focused from all parts of the world. These agencies will then be already entirely ours and will give publicity only to what we dictate to them.

If already now we have contrived to possess ourselves of the minds of the *goy* communities to such an extent that they all come near

looking upon the events of the world through the coloured glasses of those spectacles we are setting astride their noses: if already now there is not a single State where there exist for us any barriers to admittance into what *goy* stupidity calls State secrets: what will our position be then, when we shall be acknowledged supreme lords of the world in the person of our king of all the world....

Let us turn again to the future of the printing press. Every one desirous of being a publisher, librarian, or printer, will be obliged to provide himself with the diploma instituted therefor, which, in case of any fault, will be immediately impounded. With such measures the *instrument of thought will become an educative means in the hands of our government, which will no longer allow the mass of the nation to be led astray in by-ways and fantasies about the blessings of progress.* Is there any one of us who does not know that the phantom blessings are the direct roads to foolish imaginings which give birth to anarchical relations of men among themselves and towards authority, because progress or rather the idea of progress, has introduced the conception of every kind of emancipation, but has failed to establish its limits....All the so-called liberals are anarchists, if not in fact, at any rate in thought. Every one of them is hunting after phantoms of freedom, and falling exclusively into license, that is, into the anarchy of protest for the sake of protest...

We turn to the periodical press. We shall impose on it, as on all printed matter, stamp taxes per sheet and deposits of caution-money, and books of less than 30 sheets will pay double. We shall reckon them as pamphlets in order, on the one hand, to reduce the number of magazines, which are the worst form of printed poison, and, on the other, in order that this measure may force writers into

such lengthy productions that they will be little read, especially as they will be costly. At the same time what we shall publish ourselves to influence mental development in the direction laid down for our profit will be cheap and will be read voraciously. The tax will bring vapid literary ambitions within bounds and the liability to penalties will make literary men dependent upon us. And if there should be any found who are desirous of writing against us, they will not find any person eager to print their productions. Before accepting any production for publication in print the publisher or printer will have to apply to the authorities for permission to do so. Thus we shall know beforehand of all tricks preparing against us and shall nullify them by getting ahead with explanations on the subject treated of.

(Hatonn: Please note this is a "window" in which we are able to print our material--just before the silencing of the presses and yet having the capability of quantity discourse on computer discing. It has been a most tiresome activity at best with the monitors always in surveillance and as we work the information is flowing into two other central computer systems of your government. Our leading question is always as to how just one scribe could present this much work without other than a small computer keyboard, etc. It has taken uncounted hours and hours and backup from faithful readers and a very blessed person who spends more hours in layout--he who was, in fact, a dentist. Then the work is passed on and ones tend it as necessary--all night if need be to get it to you-the-readers as quickly as possible to insure receiving as timely as is humanly possible. This will come to a screeching halt or be moved totally "underground" for the government, etc., try at every turn to stop the word from going forth. The information is stopped by censors now, at many

locations and somehow people "just don't seem to get their mail--!"

The publisher is under attack by anonymous ones who threaten his life and the lives and property of those who work with him. He is warned to stop placing any of this information into local papers--even advertising mediums. Well, it is a risk one has to take if one desires to regain what freedoms there were and maintain the ones still available for as long as they are available. These Journals and Expresses are being destroyed and removed from shelves as quickly as the investigators can locate them--I suggest that if you have copies, you share them and then guard them well for they are on the endangered species list--just doesn't sound like your America, does it? Well, you have a CIA trained by the KGB and Mossad and these ones put the Nazi SS troops in the shadows.)

Literature and journalism are two of the most important educative forces, and therefore our government will become proprietor of the majority of the journals. This will neutralize the injurious influence of the privately-owned press and will put us in possession of a tremendous influence upon the public mind....If we give permits for ten journals, we shall ourselves found thirty, and so on in the same proportion. This, however, must in no wise be suspected by the public. For which reason all journals published by us will be the most opposite, in appearance, tendencies and opinions, thereby creating confidence in us and bringing over to us our quite unsuspecting opponents, who will thus fall into our trap and be rendered harmless.

In the front rank will stand organs of an official character. They will always stand guard over our interests, and therefore their influence will be comparatively insignificant.

In the second rank will be the semi-official organs, whose part it will be to attract the tepid and indifferent.

In the third rank we shall set up our own, to all appearance, opposition, which, in at least one of its organs, will present what looks like the very antipodes to us. Our real opponents at heart will accept this simulated opposition as their own and will show us their cards.

All our newspapers will be of all possible complexions--aristocratic, republican, revolutionary, even anarchical--for so long, of course, as the constitution exists...Like the Indian idol Vishnu they will have a hundred hands, and every one of them will have a finger on any one of the public opinions as required. When a pulse quickens these hands will lead opinion in the direction of our aims, for an excited patient loses all power of judgment and easily yields to suggestion. Those fools who will think they are repeating the opinion of a newspaper of their own camp will be repeating our opinion or any opinion that seems desirable for us. In the vain belief that they are following the organ of their party they will in fact follow the flag which we hand out for them.

In order to direct our newspaper militia in this sense we must take especial and minute care in organizing this material. Under the title of central department of the press we shall institute literary gatherings at which our agents will without attracting attention issue the orders and watchwords of the day. By discussing and controverting, but always superficially, without touching the essence of the matter, our organs will carry on a sham fight fusillade with the official newspapers solely for the purpose of giving occasion for us to express ourselves more fully than could well be done from the outset in official announcements, whenever, of course, that is to our ad-

vantage.

These attacks upon us will also serve another purpose, namely, that our subjects will be convinced of the existence of full freedom of speech and so give our agents an occasion to affirm that all organs which oppose us are empty babblers, since they are incapable of finding any substantial objections to our orders.

Methods of organization like these, imperceptible to the public eye but absolutely sure, are the best calculated to succeed in bringing the attention and the confidence of the public to the side of our government. Thanks to such methods we shall be in a position as from time to time may be required, to excite or to tranquilize the public mind on political questions, to persuade or to confuse, printing now truth, now lies, facts or their contradictions, according as they may be well or ill received, always very cautiously feeling our ground before stepping upon it....We shall have a sure triumph over our opponents since they will not have at their disposition organs of the press in which they can give full and final expression to their views owing to the aforesaid methods of dealing with the press. We shall not even need to refute them except very superficially.

Trial shots like these, fired by us in the third rank of our press, in case of need, will be energetically refuted by us in our semi-official organs.

Even nowadays, already, to take only the French press, there are forms which reveal masonic solidarity in acting on the watchword: all organs of the press are bound together by professional secrecy; like the augurs of old, not one of their numbers will give away the secret of his sources of information unless it be resolved to make announcement of them. Not one journalist will venture to betray

this secret, for not one of them is ever admitted to practice literature unless his whole past has some disgraceful sore or other....These sores would be immediately revealed. So long as they remain the secret of a few the prestige of the journalist attracts the majority of the country--the mob follow after him with enthusiasm.

Our calculations are especially extended to the provinces. It is indispensable for us to inflame there those hopes and impulses with which we could at any moment fall upon the capital, and we shall represent to the capitals that these expressions are the independent hopes and impulses of the provinces. Naturally, the source of them will be always one and the same--ours. *What we need is that, until such times as we are in the plenitude of power, the capitals should find themselves stifled by the provincial opinion of the nations, i.e., of a majority arranged by our agentur.* What we need is that at the psychological moment the capitals should not be in a position to discuss an accomplished fact for the simple reason, if for no other, that it has been accepted by the public opinion of a majority in the provinces.

When we are in the period of the new regime transitional to that of our assumption of full sovereignty we must not admit any revelations by the press of any form of public dishonesty; it is necessary that the new regime should be thought to have so perfectly contented everybody that even criminality has disappeared....Cases of the manifestation of criminality should remain known only to their victims and to chance witnesses--no more.

Allow us closure of this document for this sitting for the hour grows late and there is need for digestion of the material as we outlay it. These are hard truths to accept for

the game has been played with such clever adeptness. May you who partake be given to understanding. I salute you for reaching beyond and into the unpleasant that you might see and KNOW.

Hatonn to stand-by, good evening.

TODAY'S WATCH

Ah, 'tis Cupid's Day? Guess who originated this wondrous holiday to insure your misbehaviors? What has become the point of this particular day--is it simply an expression of love for your mate? Nay, it is a time of bribing and teasing and utilizing sexual innuendo and blatant "pay off" with same. Just has become the carnival celebration of Lent! A time of corruption, evil, games and degradation "in preparation of a time of penance"--in other words--"it is the time of gorging because the diet begins tomorrow!" So be it.

This is the most important three or four days of your historical stream of events and experience. It is so important that even your President is creating stupid diversions to distract you. Look at the headline in the paper this day! Does it speak of saving your troops? Does it speak of murder of innocent women and children? No, it speaks of Mr. Bush's "transit" plans for this "new" nation of yours--three digit Billions (unto the hundreds) of dollars for the highways and roadways, etc. YOUR CHILDREN ARE BEING SET UP FOR SACRIFICE AND YOU CARE MORE FOR YOUR CONFOUNDED ROADS????

IF YOU CANNOT SEE THE RELATIONSHIP AND TRUTH OF THIS WHICH WE BRING FOR YOU--I PITY THIS WORLD FOR THE FUTURE IS INDEED DANK AND FILLED WITH PAIN AND DESTRUCTION! EVERY SENTENCE IN THAT WHICH WE BRING WOULD MERIT TEN JOURNALS IN EXAMPLES WHICH YOU KNOW IS TRUE!

You who belong to the Order of Masons--stop getting crazy over this material and do not cast it aside saying it is not truth--YOU DO NOT KNOW! IT IS OBVIOUS THAT YOU DO NOT KNOW! JUST AS THE SAYING GOES: "THE WIFE IS ALWAYS THE LAST TO KNOW--BUT, SHE IS ALWAYS THE FIRST TO SUSPECT!"

Anything set up to be acted in secrecy and in secret orders are not of God. Does that mean that all projected is not of God--of course not, else you would not be sucked into the situation in the first place. I care not whether you are a member of the Masonic Lodges or the Elks or the foot-dancers--I ONLY CARE WHETHER OR NOT YOU contribute knowingly into the evil of the ones who set up the traps for you.

Do you caring, sharing and hard working Masons realize that, for instance, the Zionist lawyers and physicians wear the Masonic label visibly in order to garner special concessions from corrupt Judges, etc. It is like the sign of the beast. Of course, you-the people do not realize it--THE POINT IS THAT YOU DO NOT REALIZE IT. THINGS BIRTHED IN GOODNESS HAVE BECOME CORRUPTED TO SUIT THE NEEDS OF THE DENIGRATORS. SO BE IT.

Note on this day that somehow mass murder in Iraq is now turned about and becomes deliberate murder on the part of Saddam. Well, perhaps he is guilty of that which he is accused, but who is worse, if there be worse? Do you think the U.S. military would refrain from storing their planes within the pyramid of Giza if it protected them? Come now--the destruction still comes from the bomb--not the plane stored therein. Further, what are you doing

in Iraq at any rate? You claimed you went to Saudi Arabia to stop aggression of Iraq into Saudi Arabia--then your resolution was to get some re-order and recovery in peace of Kuwait. By the time you finish there will be no Kuwait nor Iraq if you continue--and STILL YOU WILL NOT GET AT SADDAM'S MAJOR WEAPONS NOR WILL YOU OUTSMART HIM WHETHER HIS ACTS BE GOODNESS OR EVIL. FOR IT IS NOT INTENDED IN THE ELITE PLAN.

Look at that which they do--a UN Security Council meeting in seclusion--so you-the people have no knowledge as to that which they decide and then they will argue in confusion, claim unification and pull one more heinous set of chains about your nation and people. AND WORSE, YOU--YES, YOU, SACRIFICE YOUR CHILDREN TO THIS BEAST IN HOPES HE WILL ALLOW YOU TO SOMEHOW SURVIVE! BELOVED ONES--THAT IS THE WORK OF THE DEVIL HIMSELF WHO REQUIRES SACRIFICE OF LIVING CREATIONS, MOST ESPECIALLY THE INNOCENT OF YOUR BABIES, UNTO HIS BLOOD-GLUTTED EGO--AND IT IS YOU THE BLIND WHO PUT THE SACRIFICE, BOUND AND HELPLESS, UPON THE ALTAR! OH GOD WEEPS, BELOVED ONES--GOD WEEPS!

I cannot leave this without giving you the next set of their dastardly plans for it is for the immediate timing. That, in fact, is why the closed meeting of the council.

The "so-called--ground war" is set to begin NOW, IN CONJUNCTION WITH THE DARK OF THE MOON FOR COVER. It is, in fact, already well under way while even your chil-

dren think they are practicing and training. The smokescreens they show you are covering their steady move to the "front". Your enemy knows it and the soldiers defecting are partially decoys in this "war of propaganda" as stated by your media. The "ground-war" has been entered and underway. If the council is not able to stall it the encounter will come within minutes, or hours at most. All the exterior veneer of meetings, etc., is to mislead you for certainly your "supposed" enemy is not fooled nor even hoodwinked--it is simply flim-flam to fool, mostly, the troops who face sure annihilation within these next few days--in other words--they will BE IN THE BATTLE while they believe they are in training and it will be too late to take any action other than to move into the wall of flame laid out for them.

Well, I have told the youngsters who will listen--and you who tie yellow ribbons had best hear me and if you have opportunity--reinforce this message. Ones will be taken from the left and to the right and some will remain untouched. I tell them to ask God's shielding, fall into the sands and hold tightly unto God and he will allow no harm to touch thee. "There shall be two in the field and one will go and one will be left!" Those who follow our instructions will be gathered up into the craft and into safety--and yes, YOU WILL SEE THEM AGAIN MUCH MORE QUICKLY THAN YOU CAN GUESS. AT LEAST, YE WHO WILL ALSO FOLLOW OUR INSTRUCTIONS AND COME ABOARD ALSO INTO THE PLACE PREPARED FOR YOUR SECURITY IN THIS TIME OF HOLOCAUST.

You think we are of Satan? Your sons and daughters know otherwise for they are there now and your own government and military dare not allow them to return lest the truth be known. BUT, HE WHO WILL FOLLOW WITH GOD IN TRUTH--WILL BE SPARED AND THE HOLOCAUST WILL PASS HIM OVER FOR THE TIME OF GOD'S MARTYRS ARE FINISHED.

Can you not see your manipulation at the hands of the controllers--your prison masters!? Do you not see how "they" have arranged it so that you have no public manner to support your sons and daughters and denounce the war itself? Do you not see it? They have arranged it so that if you de-

nounce the war you simultaneously, somehow, sever support for your loved ones in the fray! The concept is so foolish that it would appear anyone would see the tactics and refuse to play the game--but you continue the game just as programmed according to these very PROTOCOLS as helpless as the puppets they have carved you to be.

Do you not see now, that Truth is all that will regain your freedom--for if you have knowledge you simply stop being blind to the manipulations and string-pulling and the game MUST END for the evil puppet-masters who would take and enslave your planet. They will continue to beat and shout--"in the name of God"--ah, but the god they serve is not the God of Truth and Light! YOUR PRESIDENT'S FAMILY--HIS FATHER AND HIMSELF, SERVED OPENLY AND BLATANTLY--LUCIFER. THEY HEADED THE VERY SOCIETY OF THE SKULL AND BONES--THIS MAN OPENLY DEFIES YOU TO DO ANYTHING ABOUT THAT WHICH HE PRONOUNCES AND YOU APPLAUD AND LAVISH PRAISE UPON HIM--OR DO YOU?

The manipulators give you running rhetoric of lies and false "polls" to mislead you--and further, tell you that they are false--"to mislead Saddam", and you eat the lies up like honey-soaked cookies by starving children. Your preachers hang flags and yellow ribbons on the pulpits and "let us support the President and our nation!" flows like wine upon the lands and into your heads--but, you are NOT SUPPORTING YOUR NATION NOR YOUR TROOPS. YOU SEND THEM BOTH TO SURE DESTRUCTION AND COVER YOUR OWN HEADS TO HIDE THE SHAME OF IT. YOUR PAPERS REFUSE TO PRINT THE REBUTTALS IN CONTROL OF THE PRESSES AND TO KEEP YOU FROM HEARING AND SEEING TRUTH. YOU ARE THE PERFECTION OF GOD'S FINEST CREATION AND YOU ACCEPT IT NOT--YOU JUST ALLOW EVIL TO CONSUME THAT PERFECTION. SO BE IT FOR IT IS ONLY FOR ME TO BRING THE TRUTH OF IT UNTO YOU. MOST OF YOUR MASSES HAVE BECOME ACTIVE TROOPS IN THE ARMY OF SATAN AND YOU THINK IT TO BE OF GOD! OH YES, GOD WEEPS FOR THE PERFECTION OF HIS WONDEROUS CREATIONS WHO WOULD

COMMIT THEMSELVES BLINDLY INTO DESTRUCTION--AND SATAN LAUGHS AT YOU WHO SERVE HIM FOR HE IS THE MASTER DECEIVER AND HAS PLAYED HIS HAND TO "ALMOST" ULTIMATE PERFECTION--BUT THERE IS NO PERFECTION SHORT OF GOD AND THIS DOES NOT END, NO MATTER HOW BAD YOU PERCEIVE IT TO BECOME--UNTIL GOD OF HOLY SPIRIT AND CREATION--WINS! THE JOURNEY TO THAT END MAY BE TERRIBLE TO BEHOLD AND CERTAINLY WORSE TO EXPERIENCE--BUT THAT CHOICE IS ALSO YOURS TO MAKE--EACH AND ALL AS INDIVIDUALS! YOU HAD BETTER BE NOW TAKING TO HEART THAT WHICH THE MASTER TEACHER, RETURNED, IS GIVING UNTO YOU FOR WE ARE NOW INCLUDING IT--AND IF YOU CARE NOT FOR HATONN NOR DHARMA--THIS COMES DIRECTLY FROM "JESUS" SANANDA OR WHOEVER YOU CALLED THE SACRED CIRCLE OF CHRISTNESS--AND THROUGH THOMAS SO THAT YOU CANNOT SIMPLY CAST OUT THE RECEIVER! WHO WILL SEE AND HEAR? THAT IS UP TO YOU! ENTIRELY AND TOTALLY UP TO YOU.

PROTOCOL NO. 13

The need for daily bread. Questions of the Political. Questions of industry. Amusements. People's Palaces. "Truth is One." The great problems.

The need for daily bread forces the *goyim* to keep silence and be our humble servants. Agents taken on to our press from among the *goyim* will at our orders discuss anything which it is inconvenient for us to issue directly in official documents, and we meanwhile, quietly amid the din of the discussion so raised, shall simply take and carry through such measures as we wish and then offer them to the public as an accomplished fact. No one will dare to demand the abrogation of a matter once settled, all the more so as it will be represented as an improvement.... And immediately the press will distract the current of thought towards new questions (have we not trained people always to be seeking something new?). Into the discussion of these

new questions will throw themselves those of the brainless dispensers of fortunes who are not able even now to understand that they have not the remotest conception about the matters which they undertake to discuss. Questions of the political are unattainable for any save those who have guided it already for many ages, the creators.

From all this you will see that in securing the opinion of the mob we are only facilitating the working of our machinery and you may remark that it is not for actions but for words issued by us on this or that question that we seem to seek approval. We are constantly making public declaration that we are guided in all our undertakings by the hope, joined to the conviction, that we are serving the common weal.

In order to distract people who may be too troublesome from discussions of questions of the political we are now putting forward what we allege to be the new questions of the political, namely, questions of industry. In this sphere let them discuss themselves silly! The masses are agreed to remain inactive, to take a rest from what they suppose to be political activity (which we trained them to in order to use them as a means of combating the *goy* governments) only on condition of being found new employments, in which we are prescribing them something that looks like the same political object. In order that the masses themselves may not guess what they are about *we further distract them with amusements, games, pastimes, passions, people's palaces....Soon we shall begin through the press to propose competitions in art, in sport of all kinds:* these interests will finally distract their minds from questions in which we should find ourselves compelled to oppose them. Growing more and more disaccustomed to reflect and form any opinions of their own, people will begin to talk in the same tone as we, because we alone shall be offering them new directions for thought...of course through such persons as will not be suspected of solidarity with us.

The part played by the liberals, utopian dreamers, will be finally played out when our government is acknowledged. Till such time they will continue to do us good service. Therefore we shall continue to direct their minds to all sorts of vain conceptions of fantastic theories, new and appar-

ently progressive: for have we not with complete success turned the brainless heads of the *goyim* with progress, till there is not among the *goyim* one mind able to perceive that under this word lies a departure from truth in all cases where it is not a question of material inventions, for truth is one, and in it there is no place for progress. Progress, like a fallacious idea, serves to obscure truth so that none may know it except us, the Chosen of God, its guardians.

When we come into our kingdom our orators will expound great problems which have turned humanity upside down in order to bring it at the end under our beneficent rule.

Who will ever suspect then that ALL THESE PEOPLES WERE STAGE-MANAGED BY US ACCORDING TO A POLITICAL PLAN WHICH NO ONE HAS SO MUCH AS GUESSED AT IN THE COURSE OF MANY CENTURIES?

(Hatonn: Right from the "horse's mouth", dear ones--these have been written and updated constantly to suit the changing times--but the intent and the methods have never varied one iota and this Anti-Christ has duped the world! This information is DIRECTLY QUOTED FROM HIS OWN SET OF GUIDELINES--IF YOU, THE PEOPLE, DO NOT SEE THIS, THEN I SEE LITTLE HOPE OF EVER REACHING UNDERSTANDING OF YOUR SITUATION. PROTOCOL NO. 14

The religion of the future. Future conditions of serfdom. Inaccessibility of knowledge regarding the nation of the future. Pornography and the printed matter of the future.

When we come into our kingdom it will be undesirable for us that there should exist any other religion than ours of the One God with whom our destiny is bound up by our position as the Chosen People and through whom our same destiny is united with the destinies of the world. We must therefore sweep away all other forms of belief. If this gives birth to the atheists

whom we see today, it will not, being a transitional stage, interfere with our views, but will serve as a warning for those generations which will hearken to our preaching of the religion of Moses, that, by its stable and thoroughly elaborated system has brought all the peoples of the world into subjection to us. Therein we shall emphasize its mystical right, on which, as we shall say, all its educative power is based...Then at every possible opportunity we shall publish articles in which we shall make comparisons between our beneficent rule and those of past ages. The blessings of tranquility, though it be a tranquility forcibly brought about by centuries of agitation, will throw into higher relief the benefits to which we shall point. The errors of the *goyim* governments will be depicted by us in the most vivid hues. We shall implant such an abhorrence of them that the peoples will prefer tranquility in a state of serfdom to those rights of vaunted freedom which have tortured humanity and exhausted the very sources of human existence, sources which have been exploited by a mob of rascally adventurers who know not what they do....*** *Use goyim when we were undermining their state structures, will have so wearied the peoples by that time that they will prefer to suffer anything under us rather than run the risk of enduring again all the agitations and miseries they have gone through.*

At the same time we shall not omit to emphasize the historical mistakes of the *goy* governments which have tormented humanity for so many centuries by their lack of understanding of everything that constitutes the true good of humanity in their chase after fantastic schemes of social blessings, and have never noticed that these schemes kept on producing a worse and never a better state of the universal relations which are the basis of human life.

The whole force of our principles and methods will lie in the fact that we shall present them and expound them as a splendid contrast to the dead and decomposed old order of things in social life.

Our philosophers will discuss all the shortcomings of the various beliefs of the *goyim*, BUT NO ONE WILL EVER BRING UNDER DISCUSSION OUR FAITH FROM ITS TRUE POINT OF VIEW SINCE THIS WILL

BE FULLY LEARNED BY NONE
SAVE OURS, WHO WILL NEVER
DARE TO BETRAY ITS SECRETS.

In countries known as progressive and enlightened we have created a senseless, filthy, abominable literature. For some time after our entrance to power we shall continue to encourage its existence in order to provide a telling relief by contrast to the speeches, party programme, which will be distributed from exalted quarters of ours. Our wise men, trained to be the leaders of the goyim, will compose speeches, projects, memoirs, articles, which will be used by us to influence the minds of the goyim, directing them towards such understanding and forms of knowledge as have been determined by us.

Dharma, enough for a few minutes. I measure the intake by that which is happening to you as you write and you are quite physically ill. Go and take time-out to recoup for when Truth comes into comprehension it becomes, indeed, systemic overload. This is information which outlays the entire plan of control of man and planet since before the creation of your globe. If you accept this as "light" reading--there is truly not yet understanding in even a fractional manner--but, dear ones, continue to struggle your way through and then read again--and again--and again, until it settles for it is thine escape from the trap--KNOWING!

"Well, where has this information been all this time, if it is true?" Hidden under threat of death to any who would project it! And yet, there has been copies hereof in multitudes of libraries and hidden corners. It has been presented to public press and still smothered. Now it is time for it to be put forth unto the understanding public--but I shall insult you further in their perceptions. The beast is so sure of the perfection of his works that he will not do more than annoy us and selectively destroy a few (but not too many lest he prove the truth of it by his attention to the matter.) He is so sure of his total control that he is now testing you with allowance of this material to flow forth for he is convinced by his swaggering egotistical pride that you-the-people will continue to sleep and simply get rid of the nuisance and annoyance of the scribe and projectors of the Truth. After all, they have every

base covered in the controlling facets of your existence--THEY THINK! I remind you of something most important, friends (or enemies); this beast of a million claws will promise and then desert you while he laughs at your plight--GOD OF LIGHT AND CREATION WILL NEVER DESERT YOU EVEN UNTO THE 12TH HOUR AND THEREIN IS THE SECRET OF THE BATTLE--THE BEAST WILL END UP DEVOURING HIMSELF FOR HE IS A PRIDEFUL BEING AND WILL DESTROY HIMSELF IN HIS BLOWN-UP BELIEF THAT GOD WILL ACTUALLY TAKE LEAVE OF HIS OWN--DEAR ONES, THERE WILL BE VERY, VERY FEW GODLESS ATHEISTS IN THE SAUDI DESERT IN A MERE FEW DAYS! IT WILL NOT BE THE SATANIC GOD UNTO WHOM THOSE CHILDREN WILL CALL FORTH--IT WILL BE UNTO CREATOR GOD TO WHOM THEY WILL AGAIN TURN FOR SALVATION--THE BEAST, AT SOME POINT, BETRAYS HIMSELF! SO BE IT AND SELAH.

We will take up again with PROTOCOL NO. 15, which is too lengthy to include in this writing, so please begin a new section when we return. Thank you.

Let me, prior to leaving this, tell you something which I believe the masses are "missing". "Mason" as a word meant something quite different than the publicly accepted group of good-doing lodge folk. It was the secret code of the secret places and activities. Just as with all other facets of your life-projections, it was another good way to suck you in, just as prevailing lies upon the commandments of God in order to mislead you into the depths of the abyss. Satan toys with you as the kitten with the mouse and at some point you respond as the mouse--helpless and trapped and ultimately will simply die rather than continue to struggle for your safety. Even if a person comes to release the mouse from the trap, it will run to the cat again for you will appear the larger threat. This is the lie of lies--just as "they" will tell you to throw away these words for "they" know these words are the key to your freedom from their trap--AND MOST OF YOU WILL DO SO!! INDEED, HOW SAD IT IS!

Gyeorgos Ceres Hatonn, Keeper of the

Records, in service unto the Bringer of Truth. Just how did you think "IT" would happen, my beloved friends? Would you ask pleadingly for the news and instructions and then as it flows from your radio--turn the radio off and smash it to bits? I think you might wish to ponder this point a bit in careful consideration. HOW DID YOU THINK GOD WOULD REACH THROUGH TO YOU IN A MANNER WHICH YOU CAN UNDERSTAND? YOU DID NOT REALLY BELIEVE IT WOULD BE THROUGH A FLOATING CLOUD AT THE TOUTING OF THE EVANGELIST WHO IS ALREADY IN TOTAL SERVICE UNTO THAT WHICH IS BOUNDED BY THE PROTOCOLS AND ALREADY FLOUNDERING IN THE SERVICE OF SATAN HIMSELF. YOU ARE PERFECTION FOR GOD ONLY CREATES PERFECTION AND YOU ARE MOST CAPABLE OF COMPREHENSION AND SELF-UNDERSTANDING. YOU WHOM THEY WOULD DISCOUNT AS RED-NECKS, BLUE-NECKS AND STUPID ILLITERATES WILL RISE UP, YE LEARNED BROTHERS--AND SNUFF OUT THEIR LIES. This is exactly why they keep you wallowing in your assumption that there is nothing YOU can do about it. YOU CAN DO EVERYTHING ABOUT IT ONCE YOU DECIDE TO DO SO!

2/14/91 HATONN

CLARITY

Yes, clarity flows as quickly as the rushing spring snowmelt when Truth becomes the obvious and they can no longer fool you with their lies. And, yes, it goes all the way back into the times of the ancient bible myths foisted forth to fool you through the ages of time. Let us take Moses, for this is where Dharma has gotten a very large "ah ha!".

It has always been foisted upon you that Moses, in punishment from God, was not allowed to pass into the "Holy Promised Land!" The truth of that lie becomes obvious when you consider that the "Promised Land" for a God's person would not be of physical manifestation and therefore anything of physical "stuff" or "things" would not be THE PROMISED land. So you have been duped again by the magician of deceit. Who gives forth "physical,

human, fleshly" promises? Ah so...! Ponder this a moment: If you average only seventy some odd years in human flesh and must leave it all behind at death of that flesh--AND, EVERYONE DOES DIE AS IS ACCEPTED--what have ye gained even if ye GET ALL HE PROMISES? You get a few years, possibly, of "having"--you see, most don't even "have it". Even in the midst of what is perceived as the power and wealth and control--what have ye? Mostly terror at losing that which you have garnered, having to guard it, unhappiness and continued searching for that elusive substance always just out of reach--the PROMISED "LAND", the PROMISED "STUFF", the PROMISED "THINGS", POWER, CONTROL AND ON AND ON--JUST OUT OF REACH. BELIEVE ME, BELOVED ONES, WHEN THE "TOOL" IS NO LONGER USEFUL TO THE ELITE IN SERVICE OF SATAN'S PROMISES--THE TOOL IS DESTROYED OR CAST OUT JUST AS ARE THE SERVANTS WHO HAVE SOLD THEIR SOULS AND GENERATIONS UNTO THE BEAST! SO BE IT AND MAY YOU COME TO SEE IT IN TIME TO TURN IT ABOUT.

WHY, FURTHER, DOES IT CONCERN YOU SO MUCH WHO MIGHT BE ONE, HATONN? IF I SPEAK TRUTH AND TRUTH IS TRUTH AND I COME IN SERVICE UNTO HOLY CREATOR GOD, WHAT DIFFERENCE DOES IT MAKE IF I BE A BIRD, A PLANE OR SUPERMAN? THE FACT THAT I "EXIST" IN "REALITY" IS A NICE FROSTING FOR THE CAKE, PERHAPS. Life is a strange experience, for if ye go unto the Devil's schoolroom and ye are wise enough to take only Truth or discern the Truth from the fiction--do you see, ye shall still end up in the presence of God? The Master Teacher was recognized and called, "The King of Wisdom" and ah, so it is! Was He supernatural at the time? No--he was simply wise and discerned and taught the difference between the lies and the Truth and practiced Truth in all he did and said. Another strange phenomenon--if a man lies and knows that he lies, there is still hope for him. If he is convinced the lie is Truth--he shall surely fall into the trap and be swallowed up. Further, if he foolishly pronounces loudly that the lie is Truth--the lie is more quickly seen by others

and he becomes the jester to be laughed at in full deserving thereof. An ignorant babblers who proclaims great wisdom is the biggest fool of all.

PROTOCOL NO. 15

One-day coup d'etat (revolution) over all the world. Executions. Future lot of goyim-masons. Mysticism of authority. Multiplication of masonic lodges. Central governing board of masonic elders. The "Azev-tactics." Masonry as leader and guide of all secret societies. Significance of public applause. Collectivism. Victims. Executions of masons. Fall of the prestige of laws and authority. Our position as the Chosen People. Brevity and clarity of the laws of the kingdom of the future. Obedience to orders. Measures against abuse of authority. Severity of penalties. Age-limit for judges. Liberalism of judges and authorities. The money of all the world. Absolutism of masonry. Right of appeal. Patriarchal "outside appearance" of the power of the future "ruler". Apotheosis of the ruler. The right of the strong as the one and only right. The King of Israel. Patriarch of all the world.

When we at last definitely come into our kingdom by the aid of coups d'etat prepared everywhere for one and the same day, after the worthlessness of all existing forms of government has been definitely acknowledged (and not a little time will pass before that comes about, perhaps even a whole century), we shall make it our task to see that against us such things as plots shall no longer exist. With this purpose we shall slay without mercy all who take arms (in hand) to oppose our coming into our kingdom. Every kind of new institution of anything like a secret society will also be punished with death; those of them which are now in existence, are known to us, serve us and have served us, we shall disband and send into exile to continents far removed from Europe. *In this way we shall proceed with those goy masons who know too much; such of these as we may for some reason spare will be kept in constant fear of exile. We shall promulgate a law making all former members of secret societies liable to exile from Europe as the centre of our rule.*

Resolutions of our government will be final, without appeal.

In the goy societies, in which we have planted and deeply rooted discord and protestantism, the only possible way of restoring order is to employ merciless measures that prove the direct force of authority: no regard must be paid to the victims who fall, they suffer for the well-being of the future. The attainment of that well-being, even at the expense of sacrifices, is the duty of and kind of government that acknowledges as justification for its existence not only its privileges but its obligations. The principal guarantee of stability of rule is to confirm the aureole of power, and this aureole is attained only by such a majestic inflexibility of might as shall carry on its face the emblems of inviolability from mystical causes--from the choice of God. *Such was, until recent times, the Russian autocracy, the one and only serious foe we had in the world, without counting the Papacy.* Bear in mind the example when Italy, drenched with blood, never touched a hair of the head of Sulla who had poured forth that blood; Sulla enjoyed an apotheosis for his might in the eyes of the people, though they had been torn in pieces by him, but his intrepid return to Italy ringed him round with inviolability. The people do not lay a finger on him who hypnotizes them by his daring and strength of mind.

Meantime, however, until we come into our kingdom, we shall act in the contrary way; we shall create and multiply free masonic lodges in all the countries of the world, absorb into them all who may become or who are prominent in public activity, for in these lodges we shall find our principal intelligence office and means of influence. All these lodges we shall bring under one central administration, known to us alone and to all others absolutely unknown, which will be composed of our learned elders. The lodges will have their representatives who will serve to screen the above-mentioned administration of masonry and from whom will issue the watchword and programme. In these lodges we shall tie together the knot which binds together all revolutionary and liberal elements. Their composition will be made up of all strata of society. The most secret political plots will be known to us and will fall under our guiding hands on the very day of their conception. *Among the members of*

these lodges will be almost all the agents of international and national police since their service is for us irreplaceable in the respect that the police is in a position not only to use its own particular measures with the insubordinate, but also to screen our activities and provide pretexts for discontents, *et cetera*.

The class of people who most willingly enter into secret societies are those who live by their wits, careerists, and in general people, mostly light-minded, with whom we shall have no difficulty in dealing and in using to wind up the mechanism of the machine devised by us. If this world grows agitated the meaning of that will be that we have had to stir up in order to break up its too great solidarity. *But if there should arise in its midst a plot, then at the head of that plot will be no other than one of our most trusted servants.* It is natural that we and no other should lead masonic activities, for we know whither we are leading, we know the final goal of every form of activity whereas the *goyim* have knowledge of nothing, not even of the immediate effect of action: they put before themselves, usually, the momentary reckoning of the satisfaction of their self-opinion in the accomplishment of their thought without even remarking that the very conception never belonged to their initiative but to our instigation of their thought. . .

The *goyim* enter the lodges out of curiosity or in the hope by their means to get a nibble at the public pie, and some of them in order to obtain a hearing before the public for their impracticable and groundless fantasies: they thirst for the emotion of success and applause, of which we are remarkably generous. And the reason why we give them this success is to make use of the high conceit of themselves to which it gives birth, for that insensibly disposes them to assimilate our suggestions without being on their guard against them in the fullness of their confidence that it is their own infallibility which is giving utterance to their own thoughts and that it is impossible for them to borrow those of others....You cannot imagine to what extent the wisest of the *goyim* can be brought to a state of unconscious naivete in the presence of this condition of high conceit of themselves, and at the same time how easy it is to take the heart out of them by the slightest

ill-success, though it be nothing more than the stoppage of the applause they had, and to reduce them to a slavish submission for the sake of winning a renewal of success....*By so much as ours disregard success if only they can carry through their plans, by so much the goyim are willing to sacrifice any plans only to have success.* This psychology of theirs materially facilitates for us the task of setting them in the required direction. These tigers in appearance have the souls of sheep and the wind blows freely through their heads. We have set them on the hobby-horse of an idea about the absorption of individuality by the symbolic unit of *collectivism*....They have never yet and they never will have the sense to reflect that this hobby-horse is a manifest violation of the most important laws of nature, which has established from the very creation of the world one unit unlike another and precisely for the purpose of instituting individuality. . . .

If we have been able to bring them to such a pitch of stupid blindness is it not a proof, and an amazingly clear proof, of the degree to which the mind of the *goyim* is undeveloped in comparison with our mind? This it is, mainly, which guarantees our success.

And how far-seeing were our learned elders in ancient times when they said that to attain a serious end it behoves not to stop at any means or to count the victims sacrificed for the sake of that end. . . We have not counted the victims of the seed of the *goy* cattle, though we have sacrificed many of our own, but for that we have now already given them such a position on the earth as they could not even have dreamed of. The comparatively small numbers of the victims from the number of ours have preserved our nationality from destruction.

Death is the inevitable end for all. It is better to bring that end nearer to those who hinder our affairs than to *ourselves, to the founder of this affair.* *We execute masons in such wise that none save the brotherhood can ever have suspicion of it, not even the victims themselves of our death sentence, they all die when required as if from a normal kind of illness.* . . .Knowing that even the brotherhood in its turn dare not protest. By such methods we have plucked out of the midst of masonry the very root of protest against our disposition. While preaching lib-

eralism to the *goyim* we at the same time keep our own people and our agents in a state of unquestioning submission.

Under our influence the execution of the laws of the *goyim* has been reduced to a minimum. The prestige of the law has been exploded by the liberal interpretations introduced into this sphere. In the most important and fundamental affairs and questions judges decide as we dictate to them, see matters in the light wherewith we enfold them for the administration of the *goyim*, of course, through persons who are our tools though we do not appear to have anything in common with them—by newspaper opinion or by other means. . . Even senators and the higher administration accept our counsels. The purely brute mind of the *goyim* is incapable of use for analysis and observation, and still more for the foreseeing whither a certain manner of setting a question may tend.

In this difference in capacity for thought between the *goyim* and ourselves may be clearly discerned the seal of our position on the Chosen People and of our higher quality of humanness, in contradistinction to the brute mind of the *goyim*. Their eyes are open, but see nothing before them and do not invent (unless, perhaps, material things). From this it is plain that nature herself has destined us to guide and rule the world.

When comes the time of our overt rule, the time to manifest its blessings, we shall remake all legislatures, all our laws will be brief, plain, stable, without any kind of interpretations, so that anyone will be in a position to know them perfectly. The main feature which will run right through them is submission to orders, and this principle will be carried to a grandiose height. Every abuse will then disappear in consequence of the responsibility of all down to the lowest unit before the higher authority of the representative of power. Abuses of power subordinate to this last instance will be so mercilessly punished that none will be found anxious to try experiments with their own powers. We shall follow up jealously every action of the administration on which depends the smooth running of the machinery of the State, for slackness in this produces slackness everywhere; not a single case of illegality or abuse of power will be left without exemplary punishment.

Concealment of guilt, connivance between those in the service of the administration--all this kind of evil will disappear after the very first examples of severe punishment. The aureole of our power demands suitable, that is, cruel, punishments for the slightest infringement, for the sake of gain, of its supreme prestige. The sufferer, though his punishment may exceed his fault, will count as a soldier falling on the administrative field of battle in the interest of authority, principle and law, which do not permit that any of those who hold the reins of the public coach should turn aside from the public highway to their own private paths. *For example: our judges will know that whenever they feel disposed to plume themselves on foolish clemency they are violating the law of justice* which is instituted for the exemplary edification of men by penalties for lapses and not for display of the spiritual qualities of the judge....Such qualities it is proper to show in private life, but not in a public square which is the educational basis of human life.

Our legal staff will serve not beyond the age of 55, firstly because old men more obstinately hold to prejudiced opinions, and are less capable of submitting to new directions, and secondly because this will give us the possibility by this measure of securing elasticity in the changing of staff, which will thus the more easily bend under our pressure: he who wishes to keep his place will have to give blind obedience to deserve it. In general, our judges will be elected by us only from among those who thoroughly understand that the part they have to play is to punish and apply laws and not to dream about the manifestations of liberalism at the expense of the educational scheme of the State, as the *goyim* in these days imagine it to be. . . This method of shuffling the staff will serve also to explode any collective solidarity of those in the same service and will bind all to the interests of the government upon which their fate will depend. The young generation of judges will be trained in certain views regarding the inadmissibility of any abuses that might disturb the established order of our subjects among themselves.

In these days the judges of the *goyim* create indulgences to every kind of crimes, not having a just understanding of the office, because the rulers of the present age in appointing judges to of-

fice take no care to inculcate in them a sense of duty and consciousness of the matter which is demanded of them. As a brute beast lets out its young in search of prey, so do the *goyim* give their subjects places of profit without thinking to make clear for them what purpose such place was created. This is the reason why their governments are being ruined by their own forces through the acts of their own administration.

Let us borrow from the example of the results of these actions yet another lesson for our government.

We shall root our liberalism from all the important strategic posts of our government on which depends the training of subordinates for our State structure. Such posts will fall exclusively to those who have been trained by us for administrative rule. To the possible objection that the retirement of old servants will cost the Treasury heavily, I reply, firstly, they will be provided with some private service in place of what they lose, and, secondly, I have remarked that all the money in the world will be concentrated in our hands, consequently it is not our government that has to fear expense.

Our absolutism will in all things be logically consecutive and therefore in each one of its decrees our supreme will will be respected and unquestionably fulfilled: it will ignore all murmurs, all discontents of every kind and will destroy to the root every kind of manifestation of them in act by punishment of an exemplary character.

We shall abolish the right of cassation, which will be transferred exclusively to our disposal--to the cognizance of him who rules, for we must not allow the conception among the people of a thought that there could be such a thing as a decision that is not right of judges set up by us. If, however, anything like this should occur, we shall ourselves cassate the decision, but inflict therewith such exemplary punishment on the judge for lack of understanding of his duty and the purposes of his appointment as will prevent a repetition of such cases. . . I repeat that it must be borne in mind that we shall know every step of our administration which only needs to be closely watched for the people to be content with us, for it has the right to demand from a good government a good official.

Our government will have the appearance of a patriarchal paternal guardianship on the part of our ruler. Our own nation and our subjects will discern in his person a father caring for their every need, their every act, their every inter-relation as subjects one with another, as well as their relations to the ruler. They will then be so thoroughly imbued with the thought that it is impossible for them to dispense with this wardship and guidance, if they wish to live in peace and quiet, *that they will acknowledge the autocracy of our ruler with a devotion bordering on APOTHEOSIS*, especially when they are convinced that those whom we set up do not put their own in place of his authority, but only blindly execute his dictates. They will be rejoiced that we have regulated everything in their lives as is done by wise parents who desire to train their children in the cause of duty and submission. For the peoples of the world in regard to the secrets of our policy are ever through the ages only children under age, precisely as are also their governments.

As you see, I found our despotism on right and duty; the right to compel the execution of duty is the direct obligation of a government which is a father for its subjects. It has the right of the strong that it may use it for the benefit of directing humanity towards that order which is defined by nature, namely, submission. Everything in the world is in a state of submission, if not to man, then to circumstance or its own inner character, in all cases, to what is stronger. And so shall we be this something stronger for the sake of good.

WE are obliged without hesitation to sacrifice individuals, who commit a breach of established order, for in the exemplary punishment of evil lies a great educational problem.

When the King of Israel sets upon his sacred head the crown offered him by Europe he will become patriarch of the world. The indispensable victims offered by him in consequence of their suitability will never reach the number of victims offered in the course of centuries by the mania of magnificence, the emulation between the *goy* governments.

Our King will be in constant communion with the peoples, making to them from the tribune speeches which

fame will in that same hour distribute over all the world.

(Hatonn: at exactly 2:11 P.M. you received a warning of warnings--do not be foolish enough to toss it to the side as a sonic boom from one of your sky-toys. You get these every time you are about to overstep Soviet bounds as set forth. You ones play with total world destruction as if it were a game of ping-pong! We have much work to do, Dharma, and we will serve until there is no breath left with which to serve--so be it, so please, just keep writing. Sananda will be happy to give unto Thomas the information you ones seek and you will put it from your consciousness for I cannot spare you the time for part of it was another strike against your being which went awry and there is no need to ponder that which is past. So be it.)

Let us close this portion as a chapter for it was indeed a long PROTOCOL and the reading is easier if broken into chewable segments.

Hatonn to await clearing of the board.

2/14/91 HATONN

The next protocol is extremely important for it is through the molding of the mind that success is truly garnered. Once an idea is thoroughly instilled it is almost impossible to change the concept. It is true, however, that Satan always presents a flaw which he must hide most carefully--that is the fact that God can overcome any and all his tricks so the point is to keep you-the masses separated from the Truth of God. However, once revealed in its clarity--Truth cannot be suppressed and thereby comes the fact that "Truth shall set ye free!"

PROTOCOL NO. 16

Emasculation of the universities. Substitute for classicism. Training and calling. Advertisement of the authority of "the ruler" in the schools. Abolition of freedom of instruction. New Theories. Independence of thought. Teaching by object lessons.

In order to effect the destruction of all collective forces except ours we shall emasculate the first stage of collectivism--the *universities*, by re-educating them in a new direction. *Their of-*

ficials and professors will be prepared for their business by detailed secret programmes of action from which they will not with immunity diverge, not by one iota. They will be appointed with especial precaution, and will be so placed as to be wholly dependent upon the Government.

We shall exclude from the course of instruction State Law as also all that concerns the political question. These subjects will be taught to a few dozen of persons chosen for their pre-eminent capacities from among the number of the initiated. *The universities must no longer send out from their halls mild-sops concocting plans for a constitution, like a comedy or a tragedy, burying themselves with questions of policy in which even their own fathers never had any power of thought.*

The ill-guided acquaintances of a large number of persons with questions of polity creates utopian dreamers and bad subjects, as you can see for yourselves from the example of the universal education in this direction of the *goyim*. We must introduce into their education all those principles which have so brilliantly broken up their order. But when we are in power we shall remove every kind of disturbing subject from the course of education and shall make out of the youth obedient children of authority, loving him who rules as the support and hope of peace and quiet.

Classicism, as also any form of study of ancient history, in which there are more bad than good examples, we shall replace with the study of the programme of the future. We shall erase from the memory of men all facts of previous centuries which are undesirable to us, and leave only those which depict all the errors of the government of the *goyim*. The study of practical life, of the obligations of order, of the relations of people one to another, of avoiding bad and selfish examples, which spread the infection of evil, and similar questions of an educative nature, will stand in the forefront of the teaching programme, which will be drawn up on a separate plan for each calling or state of life, in no wise generalizing the teaching. This treatment of the question has special importance.

Each state of life must be trained within strict limits corresponding to its destination and work in life. *The occasional genius has always managed*

and always will manage to slip through into other states of life, but it is the most perfect folly for the sake of this rare occasional genius to let through into ranks foreign to them the untalented who thus rob of their places those who belong to those ranks by birth or employment. You know yourselves in what all this has ended for the goyim who allowed this crying absurdity.

In order that he who rules may be seated firmly in the hearts and minds of his subjects it is necessary to instruct the whole nation in the schools and on the market places about his meaning and his acts and all his beneficent initiatives.

We shall abolish every kind of freedom of instruction. Learners of all ages will have the right to assemble together with their parents in the educational establishments as if it were in a club; during these assemblies, on holidays, teachers will read what will pass as free lectures on questions of human relations, of the laws of examples, of the limitations which are born of unconscious relations, and, finally, of the philosophy of new theories not yet declared to the world. These theories will be raised by us to the stage of a dogma of faith as a transitional stage towards our faith. On the completion of this exposition of our programme of action in the present and the future I will read you the principles of these theories.

In a word, knowing by the experience of many centuries that people live and are guided by ideas, that these ideas are imbibed by people only by the aid of education provided with equal success for all ages of growth, but of course by varying methods, we shall swallow up and confiscate to our own use the last scintilla of independence of thought, which we have for long past been directing towards subjects and ideas useful for us. The system of bridling thought is already at work in the so-called system of teaching by *object lessons*, the purpose of which is to turn the *goyim* into unthinking submissive brutes waiting for things to be presented before their eyes in order to form an idea of them. . . . In France, one of our best agents, Bourgeois, has already made public a new programme of teaching by object lessons.

PROTOCOL NO. 17

Advocacy. Influence of the priesthood of the goyim. Freedom of conscience. Papal Court. King of the Jews as Patriarch-Pope. How to fight the existing Church. Function of contemporary press. Organization of police. Volunteer police. Espionage on the pattern of the kabal espionage. Abuses of authority.

The practice of advocacy produces men cold, cruel, persistent, unprincipled, who in all cases take up an impersonal, purely legal standpoint. They have the inveterate habit to refer everything to its value for the defence and not to the public welfare of its results. They do not usually decline to undertake any defence whatever, they strive for an acquittal at all costs, cavilling over every petty crux of jurisprudence and thereby they demoralize justice. For this reason we shall set this profession into narrow frames which will keep it inside this sphere of executive public service. Advocates, equally with judges, will be deprived of the right of communications with litigants; they will receive business only from the court and will study it by notes of report and documents, defending their clients after they have been interrogated in the court on facts that have appeared. They will receive an honorarium without regard to the quality of the defence. This will render them mere reporters on law-business in the interest of justice and as counterpoise to the proctor who will be the reporter in the interests of prosecution; this will shorten business before the courts. In this way will be established a practice of honest unprejudiced defence conducted not from personal interest but by conviction. This will also, by the way, remove the present practice of corrupt bargain between advocates to agree only to let that side win which pays most.

We have long past taken care to discredit the priesthood of the goyim, and thereby to ruin their mission on earth which in these days might still be a great hindrance to us. Day by day its influence on the peoples of the world is falling lower. Freedom of conscience has been declared everywhere, so that now only years divide us from the moment of the complete wrecking of that Christian religion: as to other religions we shall have still less diffi-

culty in dealing with them, but it would be premature to speak of this now. We shall set clericalism and clericals into such narrow frames as to make their influence move in retrogressive proportion to its former progress.

When the time comes finally to destroy the papal court the finger of an invisible hand will point the nations towards this court. When, however, the nations fling themselves upon it, we shall come forward in the guise of its defenders as if to save excessive bloodshed. By this diversion we shall penetrate to its very bowels and be sure we shall never come out again until we have gnawed through the entire strength of this place.

The King of the Jews will be the real Pope of the Universe, the patriarch of an international Church.

(Hatonn: Go right back and read that last sentence!!!!)

But, in the meantime, while we are re-educating youth in new traditional religions and afterwards in ours, we shall not overtly lay a finger on existing churches, but we shall fight against them by criticism calculated to produce schism.

In general, then, our contemporary press will continue to convict State affairs, religions, incapacities of the goyim, always using the most unprincipled expressions in order by every means to lower their prestige in the manner which can only be practiced by the genius of our gifted tribe.

Our kingdom will be an apologia of the divinity Vishnu, in whom is found its personification—in our hundred hands will be, one in each, the springs of the machinery of social life. We shall see everything without the aid of official police which, in that scope of its rights which we elaborated for the use of the goyim, hinders governments from seeing. In our programme one-third of our subjects will keep the rest under observation from a sense of duty, on the principle of volunteer service to the State. It will then be no disgrace to be a spy and informer, but a merit: unfounded denunciations, however, will be cruelly punished that there may be no development of abuses of this right.

Our agents will be taken from the

higher as well as the lower ranks of society, from among the administrative class who spend their time in amusements, editors, printers and publishers, bookseller, clerks, and salesmen, workmen, coachmen, lackeys, etcetera. This body, having no rights and not being empowered to take any action on their own account, and consequently a police without any power, will only witness and report: verification of their reports and arrests will depend upon a responsible group of controllers of police affairs, while the actual act of arrest will be performed by the gendarmerie and the municipal police. Any person not denouncing anything seen or heard concerning questions of polity will also be charged with and made responsible for concealment, if it be proved that he is guilty of this crime.

Just as nowadays our brethren are obliged at their own risk to denounce to the kabal apostates of their own family or members who have been noticed doing anything in opposition to the kabal, so in our kingdom over all the world it will be obligatory for all our subjects to observe the duty of service to the State in this direction.

Such an organization will extirpate abuses of authority, of force, of bribery, everything in fact which we by our counsels, by our theories of the superhuman rights of man, have introduced into the customs of the goyim. . . But how else were we to procure that increase of causes predisposing to disorders in the midst of their administration? . . . Among the number of those methods one of the most important is—agents for the restoration of order, so placed as to have the opportunity in their disintegrating activity of developing and displaying their evil inclinations—obstinate self-conceit, irresponsible exercise of authority, and, first and foremost, venality.

PROTOCOL NO. 18

Measures of secret defense. Observation of conspiracies from the inside. Overt secret defense—the ruin of authority. Secret defense of the King of the Jews. Mystical prestige of authority. Arrest on the first suspicion.

When it becomes necessary for us to strengthen the strict measures of the secret defence (the most fatal poison for the prestige of authority) we shall

arrange a simulation of disorders or some manifestation of discontents finding expression through the cooperation of good speakers. Round the speaker will assemble all who are sympathetic to his utterances. This will give us the pretext for domiciliary perquisitions and surveillance on the part of our servants from among the number of the *goyim* police.

As the majority of conspirators act out of love for the game, for the sake of talking, so, until they commit some overt act we shall not lay a finger on them but only introduce into their midst observation elements. . . . It must be remembered that the prestige of authority is lessened if it frequently discovers conspiracies against itself: this implies a presumption of consciousness of weakness, or, what is still worse, of injustice. You are aware that we have broken through our agents, blind sheep of our flock, who are easily moved by a few liberal phrases to crimes provided only they be painted in political colours. *We have compelled the rulers to acknowledge their weakness in advertising overt measures of secret defence and thereby we shall bring the promise of authority to destruction.*

Our ruler will be secretly protected only by the most insignificant guard, because we shall not admit so much as a thought that there could exist against him any sedition with which he is not strong enough to contend and is compelled to hide from it.

If we should admit this thought, as the *goyim* have done and are doing, we should *ipso facto* be signing a death sentence, if not for our ruler, at any rate for his dynasty, at no distant date.

According to strictly enforced outward appearances our ruler will employ his power only for the advantage of the nation and in no wise for his own or dynastic profits. Therefore, with the observance of this decorum, his authority will be respected and guarded by the subjects themselves, it will receive an apotheosis in the admission that with it is bound up the well-being of every citizen of the State, for upon it will depend all order in the common life of the pack.

Overt defence of the kind argues weakness in the organization of his strength.

Our ruler will always among the people be surrounded by a mob of apparently curious men and women, who will occupy the front ranks about him, to all appearance by chance, and will restrain the ranks of the rest out of respect as it will appear for good order. This will sow an example of restraint also in others. If a petitioner appears among the people trying to hand a petition and forcing his way through the ranks, the first ranks must receive the petition and before the eyes of the petitioner pass it to the ruler, so that all may know that what is handed in reaches its destination, that, consequently, there exists a control of the ruler himself. The aureole of power requires for its existence that the people may be able to say: "If the king knew of this," or: "the king will hear of it."

*With the establishment of official secret defence the mystical prestige of authority disappears given a certain audacity, and everyone counts himself master of it, the sedition-monger is conscious of his strength, and when occasion serves watches for the moment to make an attempt upon authority. . . . For the *goyim* we have been preaching something else, but by that very fact we are enabled to see what measures of overt defence have brought them to.*

Criminals with us will be arrested at the first more or less well grounded suspicion; it cannot be allowed that out of fear of a possible mistake an opportunity should be given of escape to persons suspected of a political lapse or crime, for in these matters we shall be literally merciless. If it is still possible, by stretching a point, to admit a reconsideration of the motive causes in simple crimes, there is no possibility of excuse for persons occupying themselves with questions in which nobody except the government can understand anything. . . . And it is not all governments that understand true policy.

PROTOCOL NO. 19

The right of presenting petitions and projects. Sedition. Indictment of political crimes. Advertising of political crimes.

If we do not permit any independent dabbling in the political we shall on the other hand encourage every kind of report or petition, with proposals for

the government to examine into all kinds of projects for the amelioration of the condition of the people; this will reveal to us the defects or else the fantasies of our subjects, to which we shall respond either by accomplishing them or by a wise rebutment to prove the short-sightedness of one who judges wrongly.

Sedition-mongering is nothing more than the yapping of a lap-dog at an elephant. For a government well organized, not from the police but from the public point of view, the lap-dog yaps at the elephant in entire unconsciousness of its strength and importance. It needs no more than to take a good example to show the relative importance of both and the lap-dogs will cease to yap and will wag their tails the moment they set eyes on an elephant.

In order to destroy the prestige of heroism for political crime we shall send it for trial in the category of thieving, murder, and every kind of abominable and filthy crime. Public opinion will then confuse in its conception this category of crime with the disgrace attaching to every other and will brand it with the same contempt.

We have done our best, and I hope we have succeeded, to obtain that the *goyim* should not arrive at this means of contending with sedition. It was for this reason that through the Press and in speeches, indirectly--in cleverly compiled schoolbooks on history we have advertised the martyrdom alleged to have been accepted by sedition-mongers for the idea of the commonweal. (E.J.--good word, meaning common good--for general good) This advertisement has increased the contingent of liberals and has brought thousands of *goyim* into the ranks of our livestock cattle.

Dharma, let us break the chapter at this point for if we move on too quickly there is not time for even brief digestion of contents. This is most "heavy" material albeit obvious and unmistakable in Truth--that does not, however, make it any the easier to accept. Just go on and change the numbering and we will continue. Blessings, chela, and thank you for your continuing work for the hours do grow so long at the work and you, too, must come into the confrontation of that which has come down upon your species. God is ever gentle in His

healing, however, if ye but stay the course and hold to His hand always enclosing you in security if you but accept of it. Saalome'

PROTOCOL NO. 20

FINANCIAL PROGRAMME. Progressive tax. Stamp progressive taxation. Exchequer, interest-bearing papers and stagnation of currency. Method of accounting. Abolition of ceremonial displays. Stagnation of capital. Currency issue. Gold standard. Standard of cost of working man power. Budget. State loans. One per cent. Interest series. Industrial shares. Rulers of the goyim: courtiers and favoritism, masonic agents.

(Hatonn: If this one doesn't get to you--there is probably nothing that will do so! Please study this PROTOCOL most carefully and meticulously.)

Today we shall touch upon the financial programme, which I put off to the end of my report as being the most difficult, the crowning and the decisive point of our plans. Before entering upon it I will remind you that I have already spoken before by way of a hint when I said that the sum total of our actions is settled by the question of figures.

When we come into our kingdom our autocratic government will avoid, from a principle of self-preservation, sensibly burdening the masses of the people with taxes, remembering that it plays the part of father and protector. But as State organizations cost dear it is necessary nevertheless to obtain the funds required for it. I will, therefore, elaborate with particular precaution the question of equilibrium in this matter.

Our rule, in which the king will enjoy the legal fiction that everything in his State belongs to him (which may easily be translated into fact), will be enabled to resort to the lawful confiscation of all sums of every kind for the regulation of their circulation in the State. From this follows that taxation will best be covered by a progressive tax on property. In this manner the dues will be paid without straitening or ruining anybody in the form of a percentage of the amount of property. The rich

must be aware that it is their DUTY to place a part of their superfluities at the disposal of the State since the State guarantees them security of possession of the REST OF THEIR PROPERTY AND THE RIGHT OF HONEST GAINS. I SAY "HONEST", FOR THE CONTROL OVER PROPERTY WILL DO AWAY WITH ROBBERY ON A LEGAL BASIS.

This social reform must come from above, for the time is ripe for it--it is indispensable as a pledge of peace.

(Hatonn: Do not misread the above, ye who are "rich" and think you are excepted from this confiscation somehow. The plan is to extract by requirement that which is in holding while allowing continued earnings ON A PORTION OF THE PROPERTY LEFT IN THEIR POSSESSION. For you who can't make up your minds what to do with sums in possession at present--there you have it in black and white EXACTLY that which they plan to do to get your assets in holding.)

The tax upon the poor man is a seed of revolution and works to the detriment of the state which in hunting after the trifling is missing the big. Quite apart from this, a tax on capitalists diminishes the growth of wealth in private hands in which we have in these days concentrated it as a counterpoise to the government strength of the goyim--their State finances.

A tax increasing in a percentage ratio to capital will give a much larger revenue than the present individual or property tax, which is useful to us now for the sole reason that it excites trouble and discontent among the goyim.

The force upon which our king will rest consists in the equilibrium and the guarantee of peace, for the sake of which things it is indispensable that the capitalists should yield up a portion of their incomes for the sake of the secure working of the machinery of the State. State needs must be paid by those who will not feel the burden and have enough to take from.

(Hatonn: Now, how do you know whether or not you are in the group which will be protected and tended? If you don't know all about this plan unfolding herein--YOU ARE NOT AMONG THE CHOSEN FEW TO PROSPER AND SURVIVE IN THE

SECURITY SHELTERS--PURELY AND SIMPLY PUT! YOUR ASSETS WILL SIMPLY BE CONFISCATED AND THAT WILL BE THAT!)

Such a measure will destroy the hatred of the poor man for the rich, in whom he will see a necessary financial support for the State, will see in him the organizer of peace and well-being since he will see that it is the rich man who is paying the necessary means to attain these things.

(Hatonn: Now hold your breath for this next hooker....)

In order that payers of the educated classes should not too much distress themselves over the new payments they will have full accounts given them of the destination of those payments, WITH THE EXCEPTION OF SUCH SUMS AS WILL BE APPROPRIATED FOR THE NEEDS OF THE THRONE AND THE ADMINISTRATIVE INSTITUTIONS.

He who reigns will not have any properties of his own once all in the State represents his patrimony, or else the one would be in contradiction to the other; the fact of holding private means would destroy the right of property in the common possession of all.

Relatives of him who reigns, his heirs excepted, who will be maintained by the resources of the state, must enter the ranks of servants of the state or must work to obtain the right to property; the privilege of royal blood must not serve for the spoiling of the treasury. (Hatonn: Go back, the magic phrase is "his heirs excepted"--i.e., all the Bush criminals in this given instance. Except Mr. Bush is NOT INTENDED TO BE THE KING--HE JUST THINKS SO!)

Purchase, receipt of money or inheritance will be subject to the payment of a stamp progressive tax. Any transfer of property, whether money or other, without evidence of payment of this tax which will be strictly registered by names, will render the former holder liable to pay interest on the tax from the moment of transfer of these sums up to the discovery of his evasion of declaration of the transfer. Transfer documents must be presented weekly at the local treasury office with notifications of the name, surname and permanent place of residence of the former and the new holder of the property.

This transfer with register of names must begin from a definite sum which exceeds the ordinary expenses of buying and selling of necessities, and these will be subject to payment only by a stamp impost of a definite percentage of the unit.

Just strike an estimate of how many times such taxes as these will cover the revenue of the *goyim* States.

The State exchequer will have to maintain a definite complement of reserve sums, and all that is collected above that complement must be returned into circulation. On these sums will be organized public works. The initiative in works of this kind, proceeding from State sources, will bind the working class firmly to the interests of the State and to those who reign. From these same sums also a part will be set aside as rewards of inventiveness and productiveness.

On no account should so much as a single unit above the definite and freely estimated sums be retained in the state treasury, for money exists to be circulated and any kind of stagnation of money acts ruinously on the running of the State machinery, for which it is the lubricant; a stagnation of the lubricant may stop the regular working of the mechanism.

The substitution of interest-bearing paper for a part of the token of exchange has produced exactly this stagnation. The consequences of this circumstance are already sufficiently noticeable.

A court of account will also be instituted by us and in it the ruler will find at any moment a full accounting for State income and expenditure, with the exception of the current monthly account, not yet made up, and that of the preceding month, which will not yet have been delivered.

The one and only person who will have no interest in robbing the State is its owner, the ruler. This is why the personal control will remove the possibility of leakages of extravagances.

The representative function of the ruler at receptions for the sake of etiquette, which absorbs so much invaluable time, will be abolished in order that the ruler may have time for control and consideration. His power will not then be split up into fractional parts among time-serving favourites who surround

the throne for its pomp and splendour, and are interested only in their own and not in the common interests of the State.

Economic crises have been produced by us for the *goyim* by no other means than the withdrawal of money from circulation. Huge capitals have stagnated, withdrawing money from States, which were constantly obliged to apply to those same stagnant capitals for loans. These loans burdened the finances of the State with the payment of interest and made them the bond slaves of these capitals. . . . The concentration of industry in the hands of capitalists out of the hands of small masters has drained away all the juices of the peoples and with them also of the States.

The present issue of money in general does not correspond with the requirements per head, and cannot therefore satisfy all the needs of the workers. The issue of money ought to correspond with the growth of population and thereby children also must absolutely be reckoned as consumers of currency from the day of their birth. The revision of issue is a material question for the whole world.

You are aware that the gold standard has been the ruin of the States which adopted it, for it has not been able to satisfy the demands for money, the more so that we have removed gold from circulation as far as possible. (Hatonn: Go back and re-read that portion. I warn you again that gold will be confiscated so it is better to have a bit for trade but best to have it as collateral--YOU SEE, DEAR ONES, THEY PLAN TO HAVE IT ALL AT ANY RATE! IT IS SIMPLY A MATTER OF TIMING. YOU MIGHT BETTER HAVE THE ASSETS WORKING ON SOMETHING PRODUCTIVE IN THE INTERIM WHICH MAY BOTH PROTECT SOME OF YOUR ASSETS AND, AT WORST, GIVE YOU BARTER ABILITY FOR THE INVESTMENT.)

With us the standard that must be introduced is the cost of working-man power, whether it be reckoned in paper or in wood. We shall make the issue of money in accordance with the normal requirements of each subject, adding to the quantity with every birth and subtracting with every death.

The accounts will be managed by each

department (the French administrative division for instance), each circle.

In order that there may be no delays in the paying out of money for State needs the sums and terms of such payments will be fixed by decree of the ruler; this will do away with the protection by a ministry of one institution to the detriment of others.

The budgets of income and expenditure will be carried out side by side that they may not be obscured by distance one to another.

The reforms projected by us in the financial institutions and principles of the *goyim* will be clothed by us in such forms as will alarm nobody. We shall point out the necessity of reforms in consequence of the disorderly darkness into which the *goyim* by their irregularities have plunged the finances. The first irregularity, as we shall point out, consists in their beginning with drawing up a single budget which year after year grows owing to the following cause: this budget is dragged out to half the year, then they demand a budget to put things right, and this they expend in three months, after which they ask for a supplementary budget, and all this ends with a liquidation budget. But, as the budget of the following year is drawn up in accordance with the sum of the total addition, the annual departure from the normal reaches as much as 50 per cent in a year, and so the annual budget is trebled in ten years. Thanks to such methods, allowed by the carelessness of the *goy* States, their treasuries are empty. The period of loans supervenes, and that has swallowed up remainders and brought all the *goy States* to bankruptcy.

You understand perfectly that economic arrangements of this kind, which have been suggested to the *goyim* by us, cannot be carried on by us.

Every kind of loan proves infirmity in the State and a want of understanding of the rights of the State. Loans hang like a sword of Damocles over the heads of rulers, who, instead of taking from their subjects by a temporary tax, come begging with outstretched palm of our bankers. Foreign loans are leeches which there is no possibility of removing from the body of the State until they fall off of themselves or the State flings them off. But the *goy*

States do not tear them off; they go on in persisting in putting more on to themselves so that they must inevitably perish, drained by voluntary blood-letting.

What also indeed is, in substance, a loan, especially a foreign loan? A loan is--an issue of government bill of exchange containing a percentage obligation commensurate to the sum of the loan capital. If the loan bears a charge of 5 per cent., then in twenty years the State vainly pays away in interest a sum equal to the loan borrowed, in forty years it is paying a double sum, in sixty--treble, and all the while the debt remains an unpaid debt.

From this calculation it is obvious that with any form of taxation per head the State is bailing out the last coppers of the poor taxpayers in order to settle accounts with wealthy foreigners, from whom it has borrowed money instead of collecting these coppers for its own needs without the additional interest.

So long as loans were internal the *goyim* only shuffled the money from the pockets of the poor to those of the rich, but when we bought up the necessary persons in order to transfer loans into the external sphere all the wealth of States flowed into our cash-boxes and all the *goyim* began to pay us the tribute of subjects. (Hatonn: Still laughing at that extra \$13 billion to Israel???)

If the superficiality of *goy* kings on their thrones in regard to State affairs and the venality of ministers or the want of understanding of financial matters on the part of other ruling persons have made their countries debtors of our treasuries to amounts quite impossible to pay it has not been accomplished without on our part heavy expenditure of trouble and money.

Stagnation of money will not be allowed by us and therefore there will be no State interest-bearing paper, except a one-per-cent series, so that there will be no payment of interest to leeches that suck all the strength out of the State. (Hatonn: Might this also tell you exactly that which they plan to do with State bonds, bills and State backed "funds"? Those investments are now on "borrowed" time, friends--not just borrowed money--and they will be dissolved at some point, suddenly, with surprise.) The right to issue interest-bearing paper will be given

exclusively to industrial companies who will find no difficulty in paying interest out of profits, whereas the State does not make interest on borrowed money like these companies, for the State borrows to spend and not to use in operations. (Hatonn: So, in fact, at some point these nice little corporations set up in good public products and projects might just even qualify for State loans--how about that? We haven't been too shabby in our teaching either, chelas--we go with that which they use for their own protection under their own laws and we will get through this transition of a remnant--with integrity and within the bounds of Caesar's rules.)

Industrial papers will be bought also by the government which from being as now a payer of tribute by loan operations will be transformed into a lender of money at a profit. This measure will stop the stagnation of money, parasitic profits and idleness, all of which were useful for us among the *goyim* so long as they were independent but are not desirable under our rule.

How clear is the undeveloped power of thought of the purely brute brains of the *goyim*, as expressed in the fact that they have been borrowing from us with payment of interest without ever thinking that all the same these very moneys plus an addition for payment of interest must be got by them from their own State pockets in order to settle up with us. What could have been simpler than to take the money they wanted from their own people?

But it is a proof of the genius of our chosen mind that we have contrived to present the matter of loans to them in such a light that they have even seen in them an advantage for themselves.

Our accounts, which we shall present when the time comes, in the light of centuries of experience gained by experiments made by us on the *goy* States, will be distinguished by clearness and definite--and will show at a glance to all men the advantage of our innovations. They will put an end to those abuses to which we owe our mastery over the *goyim*, but which cannot be allowed in our kingdom.

We shall so hedge about our system of accounting that neither the ruler nor the most insignificant public servant will be in a position to divert even the smallest sum from its destination with-

out detection or to direct it in another direction except that which will be once fixed in a definite plan of action.

And without a definite plan it is impossible to rule. Marching along an undetermined road and with undetermined resources brings to ruin by the way heroes and demi-gods.

The goy rulers, whom we once upon a time advised should be distracted from State occupations by representative receptions, observances of etiquette, entertainments, were only screens for our rule. The accounts of favourite courtiers who replaced them in the sphere of affairs were drawn up for them by our agents, and every time gave satisfaction to short-sighted minds by promises that in the future economies and improvements were foreseen. . . Economies from what? From new taxes?--were questions that might have been but were not asked by those who read our accounts and projects.

You know to what they have been brought by this carelessness, to what a pitch of financial disorder they have arrived, notwithstanding the astonishing industry of their peoples.

PROTOCOL NO. 21

Internal loans. Debit and taxes. Conversions. Bankruptcy. Savings banks and rents. Abolition of money markets. Regulation of industrial values.

To what I reported to you at the last meeting I shall now add a detailed explanation of internal loans. Of foreign loans I shall say nothing more, because they have fed us with the national moneys of the *goyim*, but for our State there will be no foreigners, that is, nothing external.

We have taken advantage of the venality of administrators and the slackness of rulers to get our money twice, thrice and more times over, by lending to the *goy* governments moneys which were not at all needed by the States. Could anyone do the like in regard to us? Therefore I shall only deal with the details of internal loans.

States announce that such a loan is to be concluded and open subscriptions for their own bills of exchange, that is, for their interest-bearing paper. That they may be within the reach of all the

price is determined at from a hundred to a thousand; and a discount is made for the earliest subscribers. Next day by artificial means the price of them goes up, the alleged reason being that everyone is rushing to buy them. In a few days the treasury safes are as they say overflowing and there's more money than they can do with (why then take it?). The subscription, it is alleged, covers many times over the issue total of the loan; in this lies the whole stage effect--look you, they say, what confidence is shown in the government's bills of exchange.

But when the comedy is played out there emerges the fact that a debit and an exceedingly burdensome debit has been created. For the payment of interest it becomes necessary to have recourse to new loans which do not swallow up but only add to the capital debt. And when this credit is exhausted it becomes necessary by new taxes to cover, not the loan, but only the interest on it. These taxes are a debit employed to cover a debt.

Later comes the time for conversions, but they diminish the payment of interest without covering the debt, and besides they cannot be made without the consent of the lenders; on announcing a conversion a proposal is made to return the money to those who are not willing to convert their paper. If everybody expressed his unwillingness and demanded his money back, the government would be hooked on their own flies and would be found insolvent and unable to pay the proposed sums. By good luck the subjects of the *goy* governments, knowing nothing about financial affairs, have always preferred losses on exchange and diminution of interest to the risk of new investments of their moneys, and have thereby many a time enabled these governments to throw off their shoulders a debit of several millions.

Nowadays, with external loans, these tricks cannot be played by the *goyim* for they know that we shall demand all our moneys back.

In this way and acknowledged bankruptcy will best prove to the various countries the absence of any means between the interests of the peoples and of those who rule them.

I beg you to concentrate your particular attention upon this point and upon the following: nowadays all in-

ternal loans are consolidated by so-called flying loans, that is, such as have terms of payment more or less near. These debts consist of moneys paid into the savings banks and reserve funds. If left for long at the disposition of a government these funds evaporate in the payment of interest on foreign loans, and are replaced by the deposit of equivalent amounts of *rentes*. (*EJ--good word: Income or revenue in general; annuity.*)

And these last it is which patch up all the leaks in the State treasuries of the *goyim*.

When we ascend the throne of the world all these financial and similar shifts, as being not in accord with our interest, will be swept away so as not to leave a trace, as also will be destroyed all money markets, since we shall not allow the prestige of our power to be shaken by fluctuations of prices set upon our values, which we shall announce by law at the price which represents their full worth without any possibility of lowering or raising. (Raising gives the pretext for lowering, which indeed was where we made a beginning in relation to the values of the *goyim*.)

We shall replace the money markets by grandiose government credit institutions, the object of which will be to fix the price of industrial values in accordance with government views. The institutions will be in a position to fling upon the market five hundred millions of industrial paper in one day, or to buy up of the same amount. In this way all industrial undertakings will come into dependence upon us. You may imagine for yourselves what immense power we shall thereby secure for ourselves.

(Hatonn: Yes, yes, I know that if you just read and understand this outlay of planning you can see exactly where you are in the PLAN and what and when to expect that which is coming *and the following is the most important information of all, chelas, so read on, please.*)

PROTOCOL NO. 22

The secret of what is coming. The evil of many centuries as the foundation of future well-being. The aureole of power and its mystical worship.

In all that has so far been reported by me to you, I have endeavoured to depict with care the secret of what is coming, of what is past, and of what is going on now, rushing into the flood of the great events coming already in the near future, the secret of our relations to the *goyim* and of financial operations. On this subject there remains still a little for me to add.

In our hands is the greatest power of our day--gold: in two days we can procure from our storehouses any quantity we may please.

Surely there is no need to seek further proof that our rule is predestined by God? Surely we shall not fail with such wealth to prove that all that evil which for so many centuries we have had to commit has served at the end of ends the cause of true well-being--the bringing of everything into order? Though it be even by the exercise of some violence, yet all the same it will be established. We shall contrive to prove that we are benefactors who have restored to the rent and mangled earth the true good and also freedom of the person, and therewith we shall enable it to be enjoyed in peace and quiet, with proper dignity of relations, on the condition, of course, of strict observance of the laws established by us. We shall make plain therewith that freedom does not consist in dissipation and in the right of unbridled license any more than the dignity and force of a man do not consist in the right of everyone to promulgate destructive principles in the nature of freedom of conscience, equality and the like, that freedom of the person in no wise consists in the right to agitate oneself and others by abominable speeches before disorderly mobs, and that true freedom consists in the inviolability of the person who honourably and strictly observes all the laws of life in common, that human dignity is wrapped up in consciousness of the rights and also of the absence of rights of each, and not wholly and solely in fantastic imaginings about the subject of one's ego.

Our authority will be glorious because it will be all-powerful, will rule and guide, and not muddle along after leaders and orators shrieking themselves hoarse with senseless works which they call great principles and which are nothing else, to speak honestly, but utopian. Our authority will be the crown of order, and in that is included the whole happiness of man.

The aureole of this authority will inspire a mystical bowing of the knee before it and a reverent fear before it of all the peoples. True force makes no terms with any right, not even with that of God: none dare come near to it so as to take so much as a span from it away.

(Hatonn: I cannot pass this point without speaking to you of refusing cooperation with the "Beast". This is the lie of lies for the sorting of the troublemakers away from the placid "acceptors" and "be-ers". Don't fall for this hogwash for it infers that you have no power to exist on the same planet with this cursed beast without falling into the traps. Once in knowledge, ye have not to fall into any trap. God is reclaiming that which is His and birthing that which is battered into higher status and translation. Why would you "fight" and squander thine precious and valuable service and life by such foolishness? Follow your given rules in your physical and bear ever the goal of God within and you cannot be imprisoned. The beast knows that Truth is promised upon and throughout the lands--he simply feels it no longer a threat of any great extent and would actually prefer the idiots in his service stop shooting at Dharma and Thomas. We need to get a remnant through who wish to come in the service and Truth of God-ness into the kingdom of HIS sacred places--willingly and of free-will. The evil will be left to devour itself for evil cannot exist in the Light of Truth and he wishes not to come into the Kingdom of Light at any cause whatsoever. We are not speaking of force on the part of God for God is not in the forcing of anything nor anyone--by this very fact God always wins and your Satanic adversary knows as much. You who serve God are most certainly not desired among Satan's people and neither does he desire the ire of God if he slays ye ones about the work of awakening His people and rebirthing this planet into higher understanding and Truth. The place has become Satan's Kingdom and that which ye must have a goal is the accomplishment of survival through the days of tribulation while Satan brings his own into order and servitude. If ye do not rankle him, he shall probably even assist you in the gathering and help you. God wins wars by the very lack of warring behavior--Truth will give unto you your freedom and His children. Ah yes, the ones coming home aboard our

craft shall likely be relatively few in number--BUT ALL HAVE A PLACEMENT PREPARED JUST AS PROMISED AND IF ALL WOULD COME THERE WOULD BE MUCH GLORIOUS REJOICING IN THE HEAVENS.

Then, after the destruction is finished and the old is in the renewal--so shall those intended to rebuild will be brought again unto the wondrous place for the reclamation in fullness for by then the Earth's face will be renewed from the seas and the lands in agony will be put to rest and renew in the blankets of the seas and the renewal of the waters (life blood) of the planet herself.

It simply shall not be as you have been told for you were not given to know and the adversary brought lies to cause you to wither in fear and speculation. Ye who believe on God and the Christed path of the Sacred Circle of Infinity and choose the laws of The Creation and that wondrous Creator/Creation--Mother/Father shall again soar with the Eagles having served and graduated. Ah, the glory and joy of it is beyond the imaginings. But those who do not recognize of that which has been sent to lift them up, they shall be left of their own accord and that shall be none of your business. But any who come with us, shall leave the things of fleshly destruction and lawlessness in the pit from which ye shall be lifted--so be it!)

PROTOCOL NO. 23

Reduction of the manufacture of articles of luxury. Small master production. Unemployment. Prohibition of drunkenness. Killing out of the old society and its resurrection in a new form. The chosen one of God.

That the peoples may become accustomed to obedience it is necessary to inculcate lessons of humility and therefore to reduce the production of articles of luxury. By this we shall improve morals which have been debased by emulation in the sphere of luxury. We shall re-establish small master production which will mean laying a mine under the private capital of manufacturers. This is indispensable also for the reason that manufacturers on the grand scale often move, though not always consciously, the thoughts of the masses in directions

against the government. A people of small masters knows nothing of unemployment and this binds him closely with existing order, and consequently with the firmness of authority. Unemployment is a most perilous thing for a government. For us its part will have been played out the moment authority is transferred into our hands. Drunkenness also will be prohibited by law and punishable as a crime against the humanness of man who is turned into a brute under the influence of alcohol.

Subjects, I repeat once more, give blind obedience only to the strong hand which is absolutely independent of them, for in it they feel the sword of defence and support against social scourges. . . . What do they want with an angelic spirit in a king? What they have to see in him is the personification of force and power.

The supreme lord who will replace all now existing rulers, dragging on their existence among societies demoralized by us, societies that have denied even the authority of God, from whose midst breaks out on all sides the fire of anarchy, must first of all proceed to quench this all-devouring flame. Therefore he will be obliged to kill off those existing societies, though he should drench them with his own blood, that he may resurrect them again in the form of regularly organized troops fighting consciously with every kind of infection that may cover the body of the State with sores.

This Chosen One of God is chosen from above to demolish the senseless forces moved by instinct and not reason, by brutishness and not humanness. These forces now triumph in manifestations of robbery and rights. They have overthrown all forms of social order to erect on the ruins the throne of the King of the Jews; but their part will be played out the moment he enters into his kingdom. Then it will be necessary to sweep them away from his path, on which must be left no knot, no splinter.

Then will it be possible for us to say to the peoples of the world: "Give thanks to God and bow the knee before him who bears on his front the seal of the predestination of man, to which God himself has led his star that none other but Him might free us from all the before-mentioned forces and evils"

(Hatonn: Well, they have planned their

King and they have called him God and their Kingdom is the physical realm of matter which endures not past the short span of man's short experience at any one time. But do you see--in order to control and rule--this bunch of wardens and rulers will first have to, through total force, undo that which they have done to bring you down--for they will tolerate no deviations in behavior, no crime, no disease--all of the infected shall be annihilated along with the base and degraded for they are considered a necessary expendable. All homosexuals and deviants of other sexual manners will be slain--through their own methods of extermination. Funny thing about Satan--he has pulled you down and now he must turn you back into the laws of Holy God to bear to live with you--life is a most strange experience, is it not?)

PROTOCOL NO. 24

Confirming the roots of King David (?). Training of the King. Setting aside of direct heirs. The king and three of his sponsors. The king is fate. Irreproachability of exterior morality of the King of the Jews.

I pass now to the method of confirming the dynastic roots of King David to the last strata of the earth.

This confirmation will first and foremost be included in that in which to this day has rested the force of conservatism by our learned elders of the conduct of all the affairs of the world, in the directing of the education of the thought of all humanity.

Certain members of the seed of David will prepare the kings and their heirs, selecting not by right of heritage but by eminent capacities, inducting them into the most secret mysteries of the political, into schemes of government, but providing always that none may come to knowledge of the secrets. The object of this mode of action is that all may know that government cannot be entrusted to those who have not been inducted into the secret places of its art.

To these persons only will be taught the practical application of the aforementioned plans by comparison of the experiences of many centuries, all the observations on the politico-economic moves and social sciences--in a word, all the spirit of laws which have been

unshakably established by nature herself for the regulation of the relations of humanity.

Direct heirs will often be set aside from ascending the throne if in their time of training they exhibit frivolity, softness and other qualities that are the ruin of authority, which render them incapable of governing and in themselves dangerous for kingly office.

Only those who are unconditionally capable for firm, even if it be to cruelty, direct rule will receive the reins of rule from our learned elders.

In case of falling sick with weakness of will or other form of incapacity, kings must by law hand over the reins of rule to new and capable hands.

The king's plans of action for the current moment, and all the more so for the future, will be unknown, even to those who are called his closest counsellors.

Only the king and the three who stood sponsor for him will know what is coming.

In the person of the king who with unbending will is master of himself and of humanity all will discern as it were fate with its mysterious ways. None will know what the king wishes to attain by his dispositions, and therefore none will dare to stand across an unknown path.

It is understood that the brain reservoir of the king must correspond in capacity to the plan of government it has to contain. It is for this reason that he will ascend the throne not otherwise than after examination of his mind by the aforesaid learned elders.

That the people may know and love their king it is indispensable for him to converse in the market-places with his people. This insures the necessary clinching of the two forces which are now divided one from another by us by the terror.

This terror was indispensable for us till the time comes for both these forces separately to fall under our influence.

The King of the Jews must not be at the mercy of his passions, and especially of sensuality; on no side of his character must he give brute instincts power over his mind. Sensuality

worse than all else disorganizes the capacities of the mind and clearness of views, distracting the thoughts to the worst and most brutal side of human activity.

The prop of humanity in the person of the supreme lord of all the world of the holy seed of David must sacrifice to his people all personal inclinations.

Our supreme lord must be of an exemplary irreproachability.

(Hatonn: Anybody seen any little gray aliens lately? You had better be looking again--right on your vidiot boxes!)

Dharma, cut this off here please and then we will finish with some other documents which you will find both confirming and most interesting, indeed. Thank you.

FEBRUARY 1991 VOLUME IX NUMBER 1

2/14/91 HATONN

Please understand that I am pushing us tonight so that you can be away from this place by mid-morning tomorrow. Not to frighten but you have had to be on alternate power of our provision since early afternoon this day and all the electronics must be cleared--I need Dharma away from the hill because of the frequencies we will have to utilize and I ask that you neither use the telephone past mid-morning.

I shall write a brief "Introduction" in the morning and allow closure of the Journal for, without further editing, it must go into Ranos' hands and be gotten to the printer no later than Monday, even if edits are not made at all. I ask that you please honor my request and not dawdle on the morrow, Oberli, for I am indeed serious for I have a most serious problem which must be tended. Thank you for your attention.

Allow us to continue, Dharma, with appropriate material.

LORD SYDENHAM ON THE "PROTOCOLS"

[The following letter appeared in the *Spectator* of August 27, 1921, and the late Lord Sydenham kindly consented to its reproduction.]

Sir--When the *Protocols* first appeared in English it was pointed

out that they embodied a forgery perpetrated by the Tsar's police with the idea of promoting pogroms. It now appears that they are adapted from a "pamphlet of 1865 attacking the Second Empire." This is most interesting, but it explains nothing. As you point out, Mrs. Webster had shown the *Protocols* to be full of plagiarisms which she effectively explained by the use of parallel columns, and before her most able book appeared Mr. Lucien Wolfe had traced other similarities. As the *Protocols* were obviously a compilation this was to be expected, and further resemblances may be discovered. The importance of the most sinister compilation that has ever appeared resides in the subject matter. The *Protocols* explain in almost laborious detail the objects of Bolshevism and the methods of carrying it into effect. Those methods were in operation in 1901, when Nilus said that he received the documents, but Bolshevism was then Marxian Communism, and the time had not come for applying it by military force. Nothing that was written in 1865 can have any bearing upon the deadly accuracy of the forecasts in the *Protocols* most of which have since been fulfilled to the letter. Moreover the principles they enunciate correspond closely with the recorded statements of Jewish authorities. If you will read the American edition, with its valuable annexes, you will understand this and the confirmatory quotations there given

can be multiplied. Even the "Jewish world despotism," which you described as "a piece of malignant lunacy," is not obscurely hinted at. Take this one quotation from the *Jewish State*, by Theodore Herzl: "When we sink we become a revolutionary proletariat, the subordinate officers of the revolutionary party; when we rise, there rises also our terrible power of the purse." Compare this ominous statement with those of the *Protocols*, of which it is plainly an echo.

I note with thankfulness that you say that the discovery of the French pamphlet "does not clear up the whole mystery." Indeed it does not, and if you will carefully read Mr. Ford's amazing disclosures you will wish for more light. The main point is, of course, the source from which Nilus obtained the *Protocols*. The Russians who knew Nilus and his writings, cannot all have been exterminated by the Bolsheviks. His book, in which the *Protocols* only form one chapter, has not been translated; though it would give some idea of the man. He was, I have been told by a Russian lady, absolutely incapable either of writing any portion of the *Protocols* or of being a party to a fraud.

What is the most striking characteristic of the *Protocols*? The answer is *knowledge* of a rare kind, embracing the widest field. The solution of the "mystery", if it is

one, is to be found by ascertaining where this uncanny knowledge, on which prophecies now literally fulfilled are based, can be shown to reside.---I am, Sir, &c.,
SYDENHAM

* * *

Now is it not strange that I find no "mystery" in the origin of this material whatsoever? God always makes sure you get the facts, Mam and Sir--if you but look and listen. So be it.

STARTLING NEW DOCUMENTS

The manifesto of Adolphe Cremieux, addressed to the National of Jewry on the occasion of the founding of the Universal Israelite Alliance. This has been pronounced a forgery, and something much less committal--especially written for Gentile consumption--has been produced as the "real" thing. The unfortunate part of the business is that the "forgery" corresponds infinitely more closely with the *facts* of history than that which is claimed to be genuine! It proclaims three incontrovertible truths: (1) that the Jewish Nation is the enemy of all nations; (2) that Jews claim that they are a people "Chosen" to dominate the whole earth, and take possession of all the riches of all peoples; (3) that the power of all nations is already in their hands, and that Jews think they are on the eve of their complete conquest of the rest of the human race. The date of this Protocol, No. 2 of our series, is 1860

A PROTOCOL OF 1860

We take this Protocol from the *Morning Post* of September 6th, 1920:

"A correspondent writing in reference to the hidden perils draws attention to a Manifesto issued in 1860 to the 'Jews of the Universe,' by Adolphe Cremieux,

the founder of the Alliance Israelite Universelle, and the well-known member of the Provisional Government of 1871. Adolphe Cremieux, while Grand Master of the French Masonic Lodges, offered 1,000,000 francs for the head of William I of Germany. On his tomb he requested the following sole inscription to be inscribed:

"Here lies Adolphe Cremieux, the founder of the *Alliance Israelite Universelle*."

THE MANIFESTO

Emblem: On top--the tablets of Moses, a little lower--two extended hands clasping each other, and as basis of the whole--the globe of the earth.

Motto: "All Jews for one, and one for all."

The union which we desire to found will not be a French, English, Irish, or German union, but a Jewish one, a Universal one.

Other peoples and races are divided into nationalities; we alone have not co-citizens, but exclusively co-religionaries.

A Jew will under no circumstances become the friend of a Christian or a Moslem before the moment arrives when the light of the Jewish Faith, the only religion of reason, will shine all over the world.

Scattered amongst other nations, who from time immemorial were hostile to our rights and interests, we desire primarily to be and to remain immutably Jews.

Our nationality is the religion of our fathers, and we recognize no other nationality.

We are living in foreign lands, and cannot trouble about the mutable ambitions of countries entirely alien to us, while our own moral

and material problems are endangered.

The Jewish teaching must cover the whole earth. Israelites! no matter where fate should lead--though scattered all over the earth, you must always consider yourselves members of a Chosen Race.

If you realize that the Faith of your forefathers is your only patriotism--

--If you recognize that, notwithstanding the nationalities you have embraced, you always remain and everywhere form *one* and *only* nation--

--If you are convinced of this, you, Israelites of the Universe--

--then come and give ear to our appeal and prove to us your consent!

Our cause is great and holy, and its success is guaranteed. Catholicism, our immemorial enemy, is lying in the dust, mortally wounded in the head.

The net which Israel is throwing over the globe of the earth is widening and spreading daily, and the momentous prophecies of our holy books are at last to be realized.

The time is near when Jerusalem will become the house of prayer for all nations and peoples, and the banner of Jewish mono-deity will be unfurled and hoisted on the most distant shores.

Let us avail ourselves of all circumstances.

Our might is immense--learn to adopt this might for our cause.

What have you to be afraid of?

The day is not distant when all the riches and treasures of the earth will become the property of the Children of Israel."

More than sixty years have

elapsed since this Protocol was written, and the riches of the earth are now almost entirely in the possession or under the control of the Children of Israel. The Torah, said the Jew poet, Heine, is the Jews' "portable Fatherland." Cremieux says practically the same thing--"the faith of our fathers is your only patriotism." The Jew regards all non-Jews as foreigners, and he is an alien everywhere.

* * *

Hatonn: Please always be in the remembering at every writing that these are the false "Jews" often referred to as the imitation Jews of the Khazar choosing. And, again, it will always be the Jews of God of Divine Source who will pay most dearly for the subterfuge for they will be the first expended to defend and protect the heinous lies. Oh, these ones are the "Chosen Ones" alright--and they are most certainly chosen of god--but I think you would not care for this god of force and murder, rape and pillage--ye have come face to face with the anti-christ whore of Babylon, dear ones and ye saw it not. Oh, yes, it is the time of the unshrouding of the Seventh Seal for it was not hidden by God from the disclosure--for the contents of the scroll have long been unsealed and revealed--the anti-christ himself sealed it from your eyes that you would not know! Further, this incredible beast would destroy, completely, this entire orb rather than forfeit an inch of it. He will blow into dust the entire globe to complete his plan and so it has come to confrontation time and it resides in God's hands to know when it shall be brought to a close and HOW! We wait upon His deciding--at ready, prepared!

FUNERAL ORATION

THE FATAL DISCOURSE OF RABBI REICHHORN

Appended to the prophecies of the

Protocol we have put a few of the events which have happened in fulfillment. It will be seen that there is a close correspondence between this Protocol, the Cremieux Manifesto, and the epistle emanating from the "Prince of the Jews" in 1489 A.D., and published in a Rothschild magazine. It is probable that when the latter was published it was not imagined that any Gentile would ever think of connecting it with other documents emanating from Jewry, or with modern happenings.

[In its issue of 21 October, 1920 (No. 195) *La Vieille France* published an extremely important Russian document in which the following passage occurs:

"There is a striking analogy between the *Protocols of the Elders of Zion* and the discourse of the Rabbi Reichhorn, pronounced in Prague in 1869 over the tomb of the Grand Rabbi Simeon-ben-Ihuda, and published by Readcliffe, who paid with his life for the divulgation; Sonol, who had taken Readcliffe to hear Reichhorn, was killed in a duel some time afterwards. The general ideas formulated by the Rabbi are found fully developed in the *Protocols*."

In its issue of 10 March, 1921 (No. 214) *La Vieille France* gives the version of this funeral oration which was published in *La Russie Juive*. It is perfectly clear that the funeral oration and the *Protocols of the Elders of Zion* come from one and the same mint. Both are prophetic; and the power which made the prophecies has been able to bring about their fulfillment. This oration is so important that we append to it an account of the fulfillment of each of the sections. There can no longer be any doubt as to whose is the power which is disturbing the world, creating World Unrest, and at the same time reaping all the profits. Jewry is enslaving all Christian peoples of the earth. There IS a Jew

World Plot and it now stands finally and completely unmasked. (H: 1921, friends!)

1.. *Every hundred years, We, the Sages of Israel*, have been accustomed to meet in Sanhedrin in order to examine our progress towards the domination of the world which Jehovah has promised us, and our conquests over the enemy--Christianity. (H: The very word (label) "Jehovah" should tell it all!)

2. This year, united over the tomb of our reverend Simeon-ben-Ihuda, we can state with pride that the past century has brought us very near to our goal, and that this goal will be very soon attained.

3. GOLD always has been and always will be the irresistible power. Handled by expert hands it will always be the most useful lever for those who possess it, and the object of envy for those who do not. With gold we can buy the most rebellious consciences, can fix the rate of all values, the current price of all products, can subsidize all State loans, and thereafter hold the states at our mercy.

4. Already the principal banks, the exchanges of the entire world, the credits of all the governments, are in our hands.

5. The other great power is THE PRESS. By repeating without cessation certain ideas, the Press succeeds in the end in having them accepted as actualities. The Theatre renders us analogous services. Everywhere the Press and the Theatre obey our orders.

6. By the ceaseless praise of DEMOCRATIC RULE we shall divide the Christian into political parties, we shall destroy the unity of their nations, we shall sow discord everywhere. Reduced to impotence, they will bow before the LAW OF OUR BANK, *always* united, and *always* devoted to our Cause.

7. We shall force the Christian into wars by exploiting their pride and their stupidity. They will massacre each other, and clear the ground for us to put our own people into.

8. The possession of the land has always brought influence and power. In the name of social Justice and Equality we shall parcel out the great estates; we shall give the fragments to the peasants who covet them with all their powers, and who will soon be in debt to us by the expense of cultivating them. Our capital will make us their masters. We in our turn shall become the great proprietors, and the possession of the land will assure the power to us.

9. Let us try to replace the circulation of gold with paper money; our chests will absorb the gold, and we shall regulate the value of the paper which will make us masters of all the positions.

10. We count among us plenty of orators capable of feigning enthusiasm and of persuading mobs. We shall spread them among the people to announce changes which should secure the happiness of the human race. By gold and by flattery we shall gain the proletariat which will charge itself with annihilating *Christian capitalism*. We shall promise workmen salaries of which they have never dared to dream, but we shall also raise the price of necessities so that *our profits will be greater still*.

11. In this manner we shall prepare Revolutions which *the Christians will make themselves* and of which we shall reap fruit.

12. By our mockeries and our attacks upon them we shall make their priests ridiculous then odious, and their religion as ridiculous and as odious as their clergy. Then we shall be masters of their *souls*. For our pious at-

tachment to our own religion, to our own worship, will prove the superiority of our religion and the superiority of our souls.

13. We have already established our own men in all important positions. We must endeavor to provide the *Goyim* with lawyers and doctors; the lawyers are *au courant* with all interests; doctors, once in the house, become confessors and directors of consciences.

14. But above all let us monopolize Education. By this means *we spread ideas that are useful to us*, and shape the children's brains as suits us.

15. If one of our people should unhappily fall into the hands of justice amongst the Christians, we must rush to help him; find as many witnesses as he needs to save him from his judges, until we become judges ourselves.

16. The monarchs of the Christian world, swollen with ambition and vanity, surround themselves with luxury and with numerous armies. *We shall furnish them with all the money their folly demands--and so shall keep them in leash*.

17. Let us take care not to hinder the marriage of our men with Christian girls, for through them we shall get our foot into the most closely locked circles. If our daughters marry *Goyim* they will be no less useful, for *the children of a Jewish mother are ours*. Let us foster the idea of free love, that we may destroy among Christian women attachment to the principles and practices of their religion.

18. For ages past the sons of Israel, despised and persecuted, have been working to open up a path to power. They are hitting the mark. *They control the economic life of the accursed Christians*; their influence preponderates

over politics and over manners.

19. At the wished for hour, fixed in advance, *we shall let loose the Revolution*, which by ruining all classes of Christianity will *definitely enslave the Christians to US*. **THUS WILL BE ACCOMPLISHED THE PROMISE OF GOD MADE TO HIS PEOPLE.**

A PROTOCOL OF 1919

A Russian newspaper, *Prizyv*, of 5th February, 1920, published in Berlin, contained an interesting document in *Hebrew*, dated December, 1919, which was found in the pocket of the dead Jew Zunder, the Bolshevik Commander of the 11th Sharp-shooter Battalion, throwing light on the secret organizations of Jewry in Russia.

This Protocol has, like the first, never been called in question by the Nation of Jewry. It reveals identically the same plans and purposes of the Jews for World domination and revenge which pervade them all. This one especially gloats over the Jew conquest and enslavement of Russia.

In extenso it ran as follows:

SECRET--To the representatives of all the branches of the *Israelite International League*.

Sons of Israel! The hour of our ultimate victory is near. We stand on the threshold to the command of the world. That which we could only dream of before us is about to be realized. Only quite recently feeble and powerless, we can now, thanks to the world's catastrophe, raise our heads with pride.

We must, however, be careful. It can surely be prophesied that after we have marched over ruined and broken altars and thrones, we shall advance further on the same indicated path.

The authority of the, to us, alien religions and doctrines of faith we have through very successful propaganda, subjected to a merciless criticism and mockery. We have brought the culture, civilization, traditions and thrones of the Christian nations to stagger. We have done everything to bring the Russian people under the yoke of the Jewish power, and ultimately compelled them to fall on their knees before us.

We have nearly completed all this but we must all the same be very cautious, **because the oppressed Russia is our arch-enemy.** The victory over Russia, gained through our intellectual superiority, may in the future, in a new generation, turn against us.

Russia is conquered and brought to the ground. Russia is in the agony of death under our heel, but do not forget--not even for a moment--that we must be careful! The holy care for our safety does not allow us to show either pity or mercy. At last we have been allowed to behold the bitter need of the Russian people, and to see it in tears! By taking from them their property, their gold, we have reduced this people to helpless slaves.

Be cautious and silent! *We ought to have no mercy for our enemy. We must make an end of the best and leading elements of the Russian people, so that vanquished Russia may not find any leader! Thereby every possibility will vanish for them to resist our power. We must excite hatred and disputes between workers and peasants. War and class-struggle will destroy all treasures and culture created by the Christian people. But be cautious, Sons of Israel! Our victory is near, because our political and economic power and influence upon the masses are in rapid progress. We buy up Government loans and gold, and thereby we have controlling power*

over the world's exchanges. The power is in our hands, but be careful--place no faith in traitorous shady powers!

Bronstein (Trotsky), Apfelbaum (Zinovieff), Rosenfeld (Kamaneff), Steinberg--all of them are like unto thousands of other true sons of Israel. Our power in Russia is unlimited. In the towns, the Commissariats and Commissions of Food, House commissions, etc., are dominated by our people. But do not let victory intoxicate you. Be careful, cautious, because no one except yourselves will protect us!

Signed, The Central Committee of the Petersburg Branch of the Israelite International League.

***It will be noted that the above was found in *Hebrew*, as the original of the Protocols of the Elders of Zion and all the secret documents of the Jews are. There are plenty of manifestoes in Christian languages that are *intended for the goyim to read*. Of these we need take no account. "Israelite International League" can be none other than l'Alliance Israelite Universelle founded by Cremieux and headed by Rothschild.

All the Protocols tell the same tale of malice, revenge, cupidity and murderous hate against Christian and Christianity. Judaism as practiced by the Zionist Khazars who call themselves Jews is Satanism; and no amount of ritual and kabalistic camouflage can hide this fact.

I would remind you of the Jewish race of Holy God of Source--ye are in great and grave danger for ye are the first to be targeted that ye not cross the path of these ones. IF this information is heinous unto you and ye know of the intent--then ye are in even more grave danger for ye are, not of the insid-

ers who will participate in this "grand new world order" for you represent the very anathema execration unto these Zionists who have stolen your heritage. I can only offer my hand in loving brotherhood and ask that ye join us in our journey into the safety of the travels to thine homeland for which ye are so long in the searching. Saalome'

This Journal shall herein end for the material to follow is too lengthy for this volume. It will be good if you come into balance regarding the great unfoldment lest you become overburdened. I am, Gyeorgos Ceres Hatonn, Cmdr. United Federation Fleet Inter-Galactic Federation Command

WE ARE SENT FORTH TO PREPARE THE WAY AND GIVE OF THE INSTRUCTIONS IN PREPARATION FOR THE COMING AGAIN TO BRING YOU HOME, YE WHO WOULD COME AGAIN UNTO OUR CREATOR AND INTO THAT WONDROUS PLACE PREPARED FOR YOU IN HIS HOLY PLACES. BLESSINGS OF THE FATHER UPON HIS CHILDREN THAT YOU MIGHT FIND THE LIGHTED PATH.

2/15/91 ATON

I AM ATON

You have now witnessed Truth, even though it comes from behind the shroud of dishonesty and deception. Saddam Hussein has asked that you stop the bombing and--with minor pleadings for negotiations on Middle East peace follow-up--he has said he would move out of "Kuwait" (a first time reference to Kuwait as independent from the 19th Province).

This offer was categorically denied and refused consideration by your nation and the pro-

nouncement was made to you, the public, from your President puppet at a meeting wherein he was giving great honor to the most Elite of the Zionist scientists. He proclaimed the plea to stop the slaughter--to be "**a cruel HOAX**". **And the nations applaud this lie in the hypnosis by the whore.** Support your troops? You sacrifice them unto this god of destruction and bow to the god while he laughs at you and drinks of the blood of your babies. There is very little GODNESS left within you and ye who wouldst live by the sword shall surely die by the sword. **AND I SHALL BRING MY PEOPLE HOME! WHEN THIS BEAST GOES DOWN, YOU CANNOT IMAGINE THE NUMBERS OF YOU WHO HAVE BEEN DUPED, WHO WILL GO WITH HIM INTO THE BINDINGS OF THE GENERATIONS FOR I SHALL WIN! THAT WHICH HAS BEEN CREATED CAN BE UNCREATED BY THAT WHICH CREATED! PONDER IT FOR THINE TIME GROWS SHORT INDEED! I PRO- NOUNCE THIS BENEDIC- TION FOR MY PROMISES ARE KEPT WITHOUT EX- CEPTION AND JUSTICE SHALL PREVAIL--NO EVIL SHALL BE BROUGHT WITHIN MY KINGDOM AND THOSE WHO CANNOT SEP- ARATE THEREFROM SHALL BE IN THE REMAINING WITH IT AND FOREVER- MORE THERE SHALL BE NO PEACE WITHIN THE BE- INGS OF DARKNESS IN SEPARATION FROM LIGHT- ED PLACES AND DEVOID OF GODNESS--YE HAVE JUST RE-CREATED HELL!**

He spoke of joy and then despair and all the mush- mouthed condescending words to peace. He claimed great joy took place in Iraq and soldiers

were exuberant and shot weapons into the air in celebration as the news first broke. Ah, not so--they shot into the air in protest, dear ones, for you have killed their women and children and the men have naught left to celebrate. The world, and the coalition as it is called, is coming apart--first is Spain who pronounces the bombing un- civilised and heinous. The hidden council meeting at the United Nations erupted into bedlam and chaos--YOU ARE WITNESS TO THE ZIONIST POWER IN FULL CONTROL OF YOUR GOVERNMENT. **I did not use the term "Jewish"; I said "Zionist".**

IF THIS WAR CONTINUES UNABATED, THERE WILL BE A HOLY WAR TO END ALL WARS--"THE MOTHER OF WARS"! THERE WILL BE PARTICLE-BEAMS AND ATOMIC HOLOCAUST UN- LEASHED--AND YOU SAW WITH YOUR OWN EYES, YOUR ADMINISTRATION REFUSING TO CONSIDER THE PEACE TALKS! Will the refusal hold past the Monday meeting between Aziz and Gor- bachev? Well, it is uncertain, for the Zionists must have this war to gain world dominance but they are also clever enough to know that the Americans may well stand up against the Ad- ministration and the Zionist stranglehold on that administra- tion.

It is a most tedious sequence of hours, beloved ones, for this turn of events causes your en- emy--your Zionist Administration--to have to act rashly in order to quickly bring the pot to higher boil and preclude a stop to the fighting. Quit listening to the words of honey which flow from Bush's mouth and LOOK AT HIM--he is robotic in his demeanor,

unbending in his drive into destruction and conquest and there is no humanitarian compassion in the entity. Ye can only perceive a "dead" man, for without the soul of life there is no life.

Saddam has said that he would comply with the UN resolution and get out of Kuwait! This is EXACTLY that which the UN resolution demanded! The United States has pushed in unlimited manner beyond all possible interpretation of the resolutions, with total disregard for any opinion or pleading to stop this insanity--and yet you push on and on, murdering more and more and feasting on the blood--now you will spill the blood of your own upon the sands of that place of Babylon for the anti-christ whore set upon your world. There is no way to miss of it, America, yea--WORLD, if you but see and hear! You enter a dark period in the history of MAN this day--if you do not demand a turn- about. You can mark it in blood upon your calendars AND THROUGH THE ACTIONS OF THE UNITED STATES OF AMERICA, SO SHALL FALL THE WORLD--ARE YOU LIS- TENING, WORLD? YE OF THE NATIONS ELSE-WHERE CAN STOP OF IT IF YE BUT **WILL!** SO BE IT!

Read this book or throw of it away--I care not which for THE COMMISSIONS GIVEN UN- TO MY SERVANTS HAVE BEEN FULFILLED, to present Truth unto you at the risk of death by my own people--in the face of attack after attack upon their beings. You can stop this thing come upon you but I tell you now, it appears that you will not do so and you will continue to march to the Satan's Drummers as laid forth for the marching from the anti-christ himself--the Zionist Khazars

who are not allowed in any of the lighted places of the Cosmos within your Universe. They are birthed and thrive on the evil energies manifested from the "physical" limitations of Creator's perfection. Perfection and balance cannot be maintained in the presence of this manner of "control" for it is only of the "physical" dimension and feeds only on itself. This is the time of the shadows in the valley!

You who deny of this Truth--deny it only with thine consciousness of physical projection and through thine physical mouths--for you KNOW WITHIN IN THINE GODSELF THAT WHAT I GIVE UNTO YOU BE TRUTH! THE ACTIONS ARE SO BLATANTLY OBVIOUS THAT ANY MAN CAN SEE--IT NO LONGER REQUIRES DISCERNMENT--AND THAT, DEAR ONES, IS THE MARK OF THE BEAST WHO FEELS TOTAL CONTROL OF THIS PREY!

IS IT FINISHED? NOT UNTIL THE 12TH HOUR IS FINISHED IS IT FINISHED!

The Beast Prostitute took from you the Truth of God, Creator so that you would lose of your way and come willingly into his trap--and so it is--but YOU are not given to see that which is the battle of battles, and THAT, dear ones, is the imprisonment of this bastard whore within the pits of the chaotic hell of the physical manifestation without reprieve. THE WORLD OF THE PHYSICAL IS BUT A PASSING BLINK OF AN EYE AND THESE ONES WHO FOLLOW THIS BEAST SHALL BE GIVEN TO PERISH WITHIN THAT BEAST. FOR THE PROJECTIONS OF GOD CREATOR, THE WONDROUS

AND GLORIOUS JOURNEY HAS ONLY JUST BEGUN IN ITS EXPERIENCE IN THE TRUE FREEDOM OF THE COSMOS AND UNIVERSE, SO IT IS COMING TO PASS IN THESE DAYS UPON YOUR PLACEMENT, THAT GOD SHALL SEPARATE THE GOOD WHEAT FROM THE CHAFF AND THAT WHICH IS BLIGHTED SHALL BE LEFT TO THE BLIGHT! SAALOME'

YOU MAY DESTROY THE BOOKS AND YOU MAY PERCEIVE THAT YOU DESTROY THE TRUTH-BRINGERS AND TURN AWAY THE COSMIC HOSTS--BUT YE DESTROY NAUGHT BUT SELVES FOR THE TRUTH SHALL NEVER FALL INTO DESTRUCTION AND WILL STAND FOREVER IN THE ANNALS AND ARCHIVES OF EXISTENCE INTO INFINITY AND SO BE IT! ARMAGEDDON IS AT HAND!

I AM ATON

IF YE KNOW NOT WHO IS ATON--I BELIEVE IT MIGHT BE GREAT WISDOM TO BE IN THE IMMEDIATE FINDING OUT!

2/19/91 SANANDA

I am here, Thomas. Sananda in radiance and service unto God. Your heart grows heavy as you understand the extent of the Lie...you grow weary of your journey upon that placement. We have far to go, and I shall give you the strength you need to carry on. For with our work all things are possible under the direction of the Father, who holds His own in the shelter of his broad wings. Be not troubled, Thomas. We shall take it a day at a time and thusly shall see results. The total of the picture is too much to bear, so focus thine attention on that which is imme-

diately afore thee. Never lose sight of thine goal, else the journey be led in the wrong direction. Ask ever for my guidance and protection, ask ever for the Father's guidance and protection. Yea, they are one and the same.

How much longer will The Word be allowed to go forth? How much longer will America wait before all-out madness begins in Iraq? Has all-out madness not already begun in Iraq? For what reason do the Russians delay and stall further action in the Gulf...what have they up their sleeve? Will your Puppet Pres continue to dance on his jogging strings, yelling to the press frantically trying to keep up..."no comment, no comment...strictly r & r"? What has happened to your nation? So far you have fallen...so far.

Concentrate Thomas, I have all but lost you to the images upon awakening. Yes, there shall be the homeless and violent ones wandering the streets taking what they want from whomever they choose...it shall be chaos. Has it not been said and often so? You have naught to fear...for you are in the shelter of God's wings and they are sufficient unto thee. It is not so much that you fear for self as the clear realization of how it shall be that is so startling to the conscious mind. Yes, it shall be terrible, particularly in the cities. Has it not been said that it is only through the protection with the small communities banded together as brothers and friends in caring concern that ones shall make it through? Has it not often been said? It is when the visual image takes hold that the realization becomes all too clear to ignore. Release it, Thomas.

It is a week of great, great tension. For the Russians are playing a most clever and dangerous game. Your nation is the pawn and you dare not take action which would result in unleashing Mother

Russia's anger upon you...for you would be destroyed. And Mother Russia does not wish to destroy you, for Mother Russia wishes to use all of your nice real estate and goods...it would be contrary to their goals to blow apart everything they'd like to one day use. And so the game of cat and mouse continues as Russia toys with your country at whim.

All ones want to know how much longer they can shore up the financial markets...as long as need be until they are ready to collapse it! It is barely able to withstand the pressures already existing...and yet they are not fully ready to implement their plans. Be most grateful for each passing day brings us closer to having that which we shall need to fulfill God's Plan...for in His Plan a remnant shall make it through this transition. And in God's Plan those making it through shall do so with a measure of comfort and technology intact. So be it, give thanks for each day for the blessing that it truly is. Give thanks with each passing day for those things which you take for granted that soon shall be a distant memory. Give thanks for the little things.

Bring this to a close while you come into balance.

by Gyeorgos Ceres Hatonn

This book is **MUST** reading for anyone who desires to know the **TRUTH** about the causes of the war in the Middle East and what the **DRASTIC "HELL ON EARTH"** results will be if the

peoples of the world do not put a stop to it **VERY SOON**.

We are given information on the following very important topics: Mental health among your U.S. troops -- Is U.S. sending soldiers to the Persian Gulf in chains? -- What is Baker hiding? -- This is another **NO-WIN WAR**. -- Israel: 'Vengeance is mine' -- Support our troops--get us out of the Middle East! -- Political Zionism is born -- Weakness in Israel's military -- Israel's racists policies and arms industry -- The role of Communism in Israel -- Zionists simply eliminate opposition -- Doubles, robotoids and replicas -- Executive Orders and The Protocols--how they are already controlling our lives today -- **Blood and destruction behind the curtain of American sponsored censorship.**

BURNT OFFERINGS AND BLOODSTAINED SANDS PSYCHOPOLITICS AND THE SACRIFICE OF THE PHOENIX

BY Gyeorgos Ceres Hatonn

This is the 24th book in the *Phoenix Journal* series that has been published in the last eighteen months. They include detailed topics from all walks of life, including current information on the Middle East War as of January 28, 1991.

These books, which are entered into a computer by "Dharma", **ARE THE WORDS OF TRUTH WHICH GOD PROMISED HE WOULD SEND FORTH AT THE ENDTIMES TO GIVE MAN ONE LAST CHANCE TO CHOOSE TRUTH OVER THE LIE.**

Hatonn, in this book, gives us an excellent background coverage of why the world is on the downward path to **ONE WORLD GOVERNMENT**, the "NEW WORLD ORDER" that President Bush mentions many times and how the present Middle East War is the beginning of the Battle of Armageddon, the greatest battle to ever be fought on this planet. This is the battle that has been predicted

for several thousand years and **THE TIME IS NOW HERE.**

He gives us details of what hardships even the Americans must be prepared for (**INCLUDING INVASION, DESTRUCTION OF OUR TROOPS, STARVATION, TERRORISTS AND EVEN CONCENTRATION CAMPS HERE IN THE UNITED STATES**) if we do not **DEMAND** that our Constitution be restored and start living under the **LAWS OF GOD VERY SOON.**

TODAY'S WATCH

Do not concern, Dharma, over the computer--the Father's words are remaining within the master-brain. The conscious mind is a strange element of experience--when the higher consciousness is present the manifestations of thought within the physical dimension is dulled and your computers are tampered with in order to remove all at any and every opportunity in efforts to dissuade you and other scribes from their work. NONE SHALL AGAIN SILENCE GOD! SO BE IT!

Because I have spoken of the Zionists in the churches calling themselves "Christian", do not think that I finish with the subject of corrupted religious institutions. I do not, however, wish to withdraw or sidetrack from my subject of how the element has seeped into the very fiber of your being--as documented on your place by your people in your time of counting and experience.

The best way to do this is to unfold unto you ones that which has been taken from the shelves and destroyed or remains only through preservation against this day of revelation. It is better if you ones can take the information and go forth and prove of the accounts to your own satisfaction wherein lies cannot prevail in the light of confrontation of Truth. If you cannot come to recognize the anti-Christ within--how can you know Truth?

I shall postpone "TODAY'S WATCH" for I have many segments to show you regarding that which is happening in front of you and yet I have bogged my publisher with five "double" Expresses

and I will not burden him further this day. He is giving you a compilation of our last several writings which might well be the most informative and valuable information you will ever experience in this life journey. I urge you readers of this information to obtain the prior publishing if you have not done so. We are taking the infiltration and corruption by the anti-Christ upon your place, one step at a time according to that which has come down in America--and thusly, the world.

Today we will take up AMERICAN FREEDOM & ZIONIST POWER. No, you will not like the information but I urge you to continue to read of it for in these writings are the REVELATIONS being revealed.

In utilizing this information, I honor gratefully, one Pitman Buck, Jr. for in his material he has done a splendid job and has displayed insight and writing skills of greatness. Mr. Buck claimed no affiliation with any organization and expressed his own views with great insight and wisdom and documentation of great importance.

At the time of the writing which I shall share with you, Mr. Buck lived in Texas City, Texas, and had been employed for twenty-five years as a technician with a leading chemical firm, with a special interest in the fields of mass spectrometry and infrared spectroscopy. This is a field of utmost importance to you in this transitioning world. I shall, however, protect all further information regarding this man for in these days of peril, persons who speak out and those one's families are in grave danger at every turn--most especially when their great contributions are unveiled by God that his children might gain insight.

Mr. Buck noted that in a speech given on March 26, 1977, before the annual Jefferson-Jackson Day Dinner in Denver, Colorado, United States Senator James Abourezk stated that "...we now see a foreign country, Israel, wrapping itself in its state religion so that criticism of the state or its policies is perceived as a form of racism"--anti-Semitism. He further stated, "In this country it is much easier to criticize our own government than it is to criticize Israel!"

The information I shall give you was written and published in your year, 1977, without reference to publisher--I honor his integrity.

You have arrived at a time in historical passage wherein an ethnocentric, religious group which comprises less than three percent of the population has become THE leading factor in America's destiny. You have had over a decade to become deeper mired in the quicksand and have seen it not--whether or not ye perish is resting upon a tiny reed of hope. For you see, the shrouded workers have pulled the Constitution into the darkness and taken--through actions" "as if"--and compromised, then destroyed the foundation of your "BILL OF RIGHTS" AS A NATION UNDER GOD, INDIVISIBLE, WITH LIBERTY AND JUSTICE FOR ALL. YOU ARE NOT A NATION UNDER GOD LAW OF TRUTH, YOU ARE DIVIDED AND SERVE ONLY THE MASTER OF GREED AND SELF-ATTAINMENT, YOU ARE TOTALLY DIVISIBLE AND YOU HAVE ONLY "SHAM" LIBERTY AS THE MASTER-PUPPETEERS ALLOW YOU AND THERE IS "JUSTICE" FOR NONE AND YET LAWS GIVING UNTO THE USURPERS OF THE LAWS OF

JUSTICE. YOU ARE VICTIMS OF THE HOAX.

Dharma, we shall do as prior work and print from the document provided. I shall comment as we go if appropriate and designate such. I feel it more appropriate for readers to hear it from the mouths of earth brother so they cannot toss it aside as super-natural "gibberish and ravings from an insane mind".

Later, we shall move right inside the secret archives of the Vatican and you will see that all of this has been a long time in the coming.

QUOTE:

THE NEWS, JEWS AND GENERAL BROWN

FREE SPEECH AND DISCUSSION on the topic of this pamphlet is so inhibited that even the Chairman of the Joint Chiefs of Staff cannot freely speak his mind on a college campus (the traditional site of intellectual inquiry) without being made to apologize to the Jewish community by none other than the President himself.

On October 10, 1974, General George S. Brown appeared before a Duke University Law School forum and in responding to a question he spoke of the strong Jewish lobby in this country whose chief interest is Israel. (In a recent article Joseph Kraft, who is Jewish, wrote of "Jews who cared chiefly about Israel..." during the 1976 presidential election.) General Brown warned the law students of the serious danger to America that unlimited support of Israel entails. For these remarks the general was called "anti-Semitic" by Zionists and pro-Zionists and was told to apologize by a president sworn to uphold the Constitution and the national defense of America.

General Brown made the following remarks to the student forum: "We have the Israelis coming to us for equipment. We say we can't possibly get the Congress to support a program like that. They say, 'Don't worry about the Congress. We'll take care of the Congress.' Now this is somebody from another country. But *they can do it*." A *Commentary* article (referred to below) depicts Israel's United Nations Ambassador Simcha Dinitz and an Israeli military attaché *inside* the Pentagon demanding of Secretary of Defense James Schlesinger full United

States military logistical supporting equipment during the height of the 1973 Yom Kippur War. When both Secretary of State Henry Kissinger and Schlesinger demurred, Dinitz threatened to call in several unnamed United States senators to force the issue. After President Nixon received calls from a number of influential supporters of Israel (again unnamed) from both inside and *outside* the United States, the *Commentary* article states, the President then personally intervened on Israel's behalf and ordered the full logistical support of Israel, "...being keenly aware of the possible political consequences of a further delay." No doubt this power to dictate is what the general meant when he said, "*But they can do it*."

Of course, the network television news managers decided to spare the American public such details concerning the Jewish lobby which would have confirmed exactly what General Brown had told the students about that lobby, namely, "It is so strong you wouldn't believe now." The network managers preferred instead to concentrate on the "technical" error made by the general when he said, "They own, you know, the banks in this country, the newspapers." Had the general used the word control instead of the word own, he would have been home free.

For an enlightening article about the matters of which General Brown spoke—the huge Israeli draw-down of United States military equipment during the Yom Kippur War, as well as the astonishing strength and operational effectiveness of the Jewish lobby—the reader is referred to the article, "Kissinger & the Yom Kippur War," in *Commentary* (September 1974). *Commentary* is published by the American Jewish Committee.

Morris J. Amitay, a Zionist lobbyist and former staff aid to Senator Abraham Ribicoff, told *Washington Post* journalist Stephen Isaacs that Jewish legislative staff members keep their Jewishness in mind when "aiding" their legislative bosses. (As reported by Leonard J. Davis, also a Zionist lobbyist, in *The Cleveland Jewish News*, January 24, 1975, p.20.)

There is ample evidence that many Jewish journalists also keep their Jewishness in mind when "reporting" the news. This evidence is not just a hypothetical parallel drawn from Morris

J. Amitay's comments. Jewish writers themselves confirm this bias in Jewish literature. Naomi Ben-Asher wrote: "The question of Jewish identity...is no stranger to the writer whose Jewishness is largely a biological accident....For the non-writer...Jewishness can be a negligible factor of life...This irrelevance of a man's Jewishness to his work rarely applies to the Jew who is a writer." One is hereby well-advised to keep in mind that for propagandic purposes some news may be given national coverage while other news is directed only toward the Jewish community.

In another incident involving General Brown, the American public learned through a leak to the Israeli press—just two weeks before the 1976 United States presidential and national election date—that Ranan Lurie, a Jewish columnist, had interviewed General Brown six months earlier. In response to a question in that interview on April 12, 1976, the general had stated his honest conviction that Israel and her armed forces were "a burden" to the United States. The conveniently timed news leak of the general's remarks, duly reported by all three major American media networks, had the expected effect of embarrassing Republican candidate Ford in the American Jewish community. President Ford swiftly issued a statement that he did not agree with "the general's poor choice of words" and that he considered the matter closed. Thirty-two Jewish organizations immediately announced a special meeting to consider the situation. The next day the Jewish groups replied with one voice that, "The Jewish community does not consider the matter of General Brown to be closed."

The news-handling of this latest Brown incident was seen by many as another example of Jewish control and manipulation of news stories in order to gain the greatest propagandic effect upon the American people for the sole benefit of Israel. Although Mr. Lurie disclaimed any conspiracy concerning the timing of the news leak, he was quick to recommend (on ABC television news) that President Ford fire General Brown for expressing his view that Israel is a burden to the United States. (Mr. Lurie lived in Israel for years and presumably holds Israeli citizenship.)

As Chairman of the Joint Chiefs of Staff, General Brown is in a most fa-

avorable position to know how much of a military and economic burden Israel really is to the United States. *The Houston Post* reported that "defense officials said that the vital United States tank reserve in Europe was cut back in 1973 to replace Israel's losses in the Yom Kippur War." That paper further reported Pentagon sources as saying "...the tanks were rushed to Israel...leaving the United States army with less than 50 percent of the tanks it believed it needed to meet any thrust by the Soviet Union's vastly greater armored forces." An authoritative Pentagon source (reported by the *Middle East Perspective*, October 1976) declared that the "depletion of United States arsenal for benefit of Israel during the October War left our country without a single combat-ready division anywhere." Any American president who places the survival of another nation above the national interests of his own country should be tried for treason and run out of the country.

Every day Jewish power affects the life and pocket-book of each American citizen and taxpayer. Through the control of the national impact media of radio and television and, to a lesser degree, through the handling of national and international wire services and their dispatches, Jewish influence determines what will or will not be on national television, what the voters will know about political candidates and what tomorrow's press headlines will be. At the time of General Brown's appearance before the student forum at Duke University, *Time* magazine, in reporting the Brown incident in its November 25 edition, stated, "According to *Washington Post* Correspondent Stephen D. Isaacs' recently published book, *Jews and American Politics*, Jews head the corporations that own all three national television networks."

When, on November 13, 1969, former Vice-President Spiro Agnew spoke of "a tiny enclosed fraternity of privileged men" in the television news medium who enjoy "a monopoly sanctioned and licensed by government," he incurred the wrath of a small group of men more powerful than he had imagined. If the vice-president of the United States had hopes of remaining in political life, those hopes would have been better served with an announcement to lead a "Bonds for Israel" drive.

Not only are the private corporations of the electronic news media under Jewish control but Jews hold many of the government's most sensitive informational outlets to the public. President Ford and First Lady Betty Ford both found it useful to employ Jewish press secretaries. From the level of Department of State on down through the various executive branch agencies, whether it be Attorney General Levi's office, the Securities and Exchange Commission or the United States Information Agency, one is apt to find that the chief press spokesman or his assistant is either a Jew or works for one. If a private citizen wants to voice a complaint about the religiously biased, controlled broadcast media, he can contact the Federal Communications Commission which is charged by law with the regulation of the broadcast industry that uses the public's airwaves. A perusal of the 1976 *Congressional Staff Directory* indicates THAT MANY, IF NOT MOST, OF THE TOP OFFICIALS OF THE FCC ARE JEWISH!

In 1969 the Senate Communications Subcommittee conducted hearings on Senate Bill 2004. The bill would have granted almost automatic license renewals for stations of the broadcast media. All three network presidents were there to testify. So was Nicholas Johnson, a former FCC commissioner but not with the National Citizens Committee for Broadcasting, a group concerned about single points of view and conflicts of interest. When the hearings began, the network moguls testified enthusiastically for S.2004 which would have allowed them to forget the public's interest and concentrate totally on making money and propaganda. The networks simply do not want restraints placed upon them by the public. Nicholas Johnson, a man who is not possessed by a mean, forensic disposition, gave a fifty-page statement to the subcommittee and testified thus: "The broadcaster in America today is, without question, the single most powerful man civilization has ever permitted to roam wild. We have used a very long thread to tether a dinosaur. He finds it restricting and asks that it be removed."

One would think that newspapers, all newspapers, would defend the right of free speech and press as a right of every American--to be exercised more particularly by those who have the official responsibility to defend the

Constitution. But not *The New York Times*, owned by Arthur Ochs Sulzberger. On October 22, 1976, this prestigious newspaper called the Chairman of the Joint Chiefs of Staff "a general who talks too much." The writer would put several questions to the *Times*: what are the armed forces defending, if not the constitutional right to freedom of speech and press? During his superb thirty-five year military career, and now as America's chief military officer, General Brown has defended with his life the right of free speech and press for others, including the *Times*. and now the *Times* criticizes the general for exercising the very right he has helped to preserve for Mr. Sulzberger and his editor, A. M. Rosenthal. How unfair and ungrateful can a newspaper be?

If the *Times* were to interview General Brown, would he be expected to reply to questions about Israel honestly and according to his convictions? Obviously not, since that is what the general did in the case of the Lurie interview and the *Times* condemned him for doing so. The *Times* and other media ought to refrain from asking public officials for press interviews if they do not want or expect honest answers.

(Hatonn: It is most difficult to not interrupt at every sentence and make comment of irate objection to the thing that is pulling you down. In this very day--this very moment--you have been led into the pits of Hell in the burning desert and the lies grown bigger and bigger and mislead you into complacency. You are told that Iraqi forces are weak and worn away--the barrage of lies pouring forth would gag the maggots which feast upon the carcasses of the damned. You feast upon the lies WHILST THEY ARE TELLING YOU THAT THEY ARE TELLING YOU LIES--STRATEGY, THEY CALL IT! I AM OVERWHELMED WITH IRATE PROTEST IN YOUR BEHALF AND IN BEHALF OF THE CHILDREN YOU HAVE SENT TO BE SACRIFICED ON THE ALTAR OF EVIL.)

In an unusually courageous editorial, *The Wall Street Journal* (October 20, 1976) spoke to this issue: "It looks to us as if General Brown's real sin is excessive candor, which leaves us confused, since we thought everyone agreed our leaders needed to be more candid, not less so." The *Journal* then concluded its editorial by obliquely

suggesting to pro-Zionist backers of Governor Carter that they might be better satisfied with press interview answers given by the Carter administration officials who had been lobotomized.

In his Lurie interview, General Brown also had a few things to say about other nations besides Israel. Concerning Britain, he said that England "is no longer a world power--all they have got are generals and admirals and bands." Unlike the *Times* which wrote that the general "talks too much," the *Manchester Guardian Weekly* (October 31, 1976) of England wrote, with obvious regard for the truth, that "The General need not apologize. He should tell us more."

The author has concentrated on the General Brown story because in many ways it is typical of Jewish influence exercised through the control of major news organs. This manipulating, filtering and censoring of information--done daily to a lesser or larger extent--depends upon how the media perceive the factual happenings as affecting the Jewish community here and abroad. One other example will be given.

END QUOTING FOR THIS SEGMENT

Allow us a rest-break and then we will take up the subject of THE NEWS, ISRAELIS AND THE U.S.S. LIBERTY. There is no way to tell it to you often enough, for you do not wish to believe it could happen--not to you and certainly not to America or the world. Why? You have had the prophecies since the beginning of Genesis--well, friends, it isn't over until GOD WINS! I care not how many of you choose to believe otherwise and think us to be bigots and wimps! GOD IS NEITHER AND TRUTH SHALL AGAIN PREVAIL UPON YOUR PLACE JUST AS WRITTEN AND THE JOURNEY THROUGH THE LIES WILL BE UNPLEASANT INDEED. SO BE IT.

To stand-by, please.

2/21/91 JESUS
SANANDA/HATONN

Dharma, your Brother Esu is present, chela. Let us look into the moment before we move forward for each has a

journey--a purpose--and all must integrate into the other with precision lest the clock not tick properly.

You ones must not take of your portion and DEMAND too much of another lest you not understand their confusion. It is rare that we would expect of you ones to begin, for instance, a great project at the ending of a day. I witness that you write more quantity when the whip-lash is causing pain elsewhere. We cannot stop of the writing for time and action are mandatory--however, it is not to panic the support group. Further, by the reaction of the support group comes the pressure upon your senses which effort to stop you and allow time for other forms of living "catch-up". Man has waited too long and now wishes to have it all in the 11th hour--which we effort to bring as much as possible within those moments but he, too, must turn within and LISTEN to the Truth as it unfolds.

For instance, on this morning and you will hear it in full later--Saddam has said that he has given a REASONABLE response to Russia and further "...if it is unacceptable *he intends to tell the world why the U.S. constructed and carries forth with this war.*" Well, chelas, it will indeed be revealing! The only hope the United States has for popular support is that the lies from your media have been strong enough to continue to hide truth and hundreds of thousands will perish in the interim, if the REAL TRUTH is pushed forth. It will also cause an intensification of effort to assassinate Saddam to silence him--oh sad is your state upon your planet. Sad indeed.

The subject upon which Hatonn expounds is the central core of Truth which ye ones must have lest you move into the transition without facts and Truth--so it must be pulled together in a document which will outline Truth and then the brothers can glean the deeper information from the books already written. Therefore, Dharma, YOURS IS TO WRITE AND WRITE AND WRITE AS WE GIVE IT UNTO YOU. ALSO, IT IS TO DISCERN OTHER'S INPUT WHICH WOULD CAUSE DISCOUNTING OF OUR WORK IF YOU DISCERN INCORRECTLY--IT IS MOST CRITICAL THAT YOU AND THOMAS DO NOT ERR IN DECIPHERING THAT WHICH GIVES DELUSION IN THE MIDST OF ITS

BEAUTY FOR THAT, INDEED, IS THE WAY OF THE MASTER-DECEIVER. THE "TOOLS" WILL NOT REALIZE THEY HAVE BEEN USED. AND YOU MUST USE ALL THE CLUES AND TOOLS GIVEN FOR YOUR GARNERING OF THE TRUTH--ALL. For example, in the document which cost you hours of time on the yesterday--you discerned with the one word title but it is necessary that you familiarize yourselves with projections, for the masses will do so and they will cling to that which allows them continuation in the defaults.

"Jews" as a description and "title" of a Book given in the context that the man gave--as "the first and last" speaker sent by God (which makes him by obvious intent--THE giver of Truth which is the Messiah)--cannot be correct. Number one, "Jew", as you found within the week is a term only most recently applied to the ones of Judea--as in this term (title) JEW--THE CALLED, indicates (whether or not the writer realizes it) means "ZIONISTS--THE CHOSEN" which is not revealed actually until the last paragraph.

You ones wish to cling to the mystical and find cities of crystal diamonds and colored lights and thus and so--as from prior to the beginning--and believe that God began his "creating" just for earth and earth man! Bubble bursting time again. Earth is a place for human Man to experience and there was creation before and there is almost "relative" creation beyond in a very little differing dimension. There are and have been many great and Christed teachers, I among them and some of you, among them--but not the "only one". Therefore, you must study your lessons well, chelas who write and project data--for we shall give forth no dreamy-eyed information to deceive longer, the people. YOU ARE MANIFESTED INTO PHYSICAL REALITY AND ALL ABOUT YOUR EXPERIENCE WILL BE AS SUCH--AND WONDROUS INDEED IT IS. FOR ALL YOU MUST LEARN IS THAT YOU CAN CREATE FROM THIS DENSITY IN WHICH YOU EXPERIENCE--THAT WHICH YOU NEED TO CHANGE OF CIRCUMSTANCE. AH, IT IS A GREAT RESPONSIBILITY YOU ONES BEAR BUT YOU ARE EQUAL TO THE TASK.

Ones project that which they are given and unless the Holy God sources have trained them, there is no way in which they can know of Truth vs. delusion and yet man must come up out of the dream-world and into the "dream-world" of greatness and truth of manifestation for a physical experience IS one of manifestation and creation--either for furtherance of that which you label good or evil.

The young man in Korea in the military shall get my answer in the physical manner he can see and hear--for he already hears me, he only "desires" the physical contact--as do ye all, for that is your only perception of reality. If his ONLY purpose in this journey is to give support to, let us say, Dharma--then would not his journey be grand indeed? And, yet, as purpose is desired--it grows beyond all bindings and limits--how wondrous is the journey.

For you who do not know, the slings and arrows are striking my scribes from every direction of the physical and the bombardment is hard and expensive. The neighbors, in their hatred, and the local Community Services District has reported a dozen things to EVERY possible police agency and daily come the police enforcers. But you ones must know; and to experience is to learn. Until you understand that you are already in a position of having no longer "community" and no longer have freedom of even that which you perceive is "property" you cannot confront and change of it. But, Dharma, your first commitment, chela, is to write for a very, very busy commander who sets aside time for this projection to meet the needs of your cycles--I can only ask that you do not lose sight of the trees for the entanglement of the forest. Precious, I care not that ones call me Jesus for it is indeed a fine label and more ones upon your place have called me that than any other--labels matter not for it is Truth and Godliness, order out of chaos, peace out of restlessness which is sought, and I hold of the key and the way. Rest easy, little one, for you can only offer unto Man that which is the gift and then, release him for he must accept and take of it or it is, indeed, no gift. So be it.

You must further discern in that which is given in portions of which understanding can be gleaned. This is why you must access ALL, as with the

writing of "JEWS" to discern whether or not the term is simply utilized for current understanding of subject matter or indeed is used as a "term in fact". You MUST be given that which can be understood by all levels of progress. This is WHY the Journals are written--so that ones can, in the conclusion of material, know the subject in point--having grown through the lessons and into knowledge. But neither can there be naught but the repetition of the lessons time after time lest ye never get to the true subject and much less into the wisdom with which to utilize the knowledge.

I rest my hand upon your heads in blessings for in you ones, I am so well-pleased and I cherish and appreciate you without measure. We are doing of our work and the Word is pure so that man can see--if he chooses to cover his eyes and ears--so be it for that, then, is of his choosing and not of your failure.

Commander, thank you for allowing me a brief communion for our troops are getting a bit frazzled and emotionally tattered working in the desolate bunkers of this battlefield of experience. I speak not to the ONE, but to the ALL for there is no separation but if ye make projections that your hand is my hand in service--make very, very sure it is MY hand you hold and serve for the evil brother has a million hands to tempt you and glorious stories to soothe you and great parables to lift your egos upon the imitation marble platforms which will collapse with the most tiny prick of the needle. Do not "follow me"--come in the equality and responsibility given unto you--and move beside me, in front of me but never feel unworthy and drag behind me for if ye listen, you will know the way from any position on the path. However, I caution you--if you feel YOURS IS THE ONLY WAY--ye shall be put behind for there is no leader of greatness who discounts another's values nor possibility of a "better way". Ponder it! The child in learning MUST recognize the teacher who has learned and bow to higher judgment and discernment--the student, however, will always be constantly tested by the teacher if the teacher be in any wise worthy and the teacher shall always, if he has achieved wisdom, bow at the very feet of the student for the perfection gained in the knowledge of Truth. Take my hand, when ye have "tried" me for blessed of

the fold--I know the way for I come from that Greatest of all wondrous spirits only to serve--even unto the very least.

Thank you for attending me and I shall relinquish the printing pen unto my brother, that you might continue in thine work. It is glorious work for it gives us opportunity to honor ones who passed before and left Truth and wisdom through knowledge and the possibility for your standing upon their shoulders that your journey can be in more perfection and understanding for the place is far better for them having passed this way. It is for Man in the physical to learn in measured steps of understanding--total knowledge and revelation of the whole is that which is of another dimension of experience--beware of the one who pronounces total vision while in thine dimension for he lies! Insight is one thing--claim of total knowledge is another. This is why we of the returning teachers and hosts are NOT MANIFEST IN HUMAN FORMAT upon your placement--so that you can KNOW that ones who claim such position are NOT THAT WHICH THEY CLAIM TO BE. Note further that I did NOT say that there are not returned workers and higher beings among you and some of you are the manifested proof of same--but the higher HOSTS of GOD are NOT IN THE PHYSICAL FORMAT. If there are visits to and from--then it is perception of holographic dimension--sometimes quite "physical" in perception. You ones continually ask for "proof" to your physicalness in a physical manner--which can be most easily duplicated by tricksters.

IT IS THAT WHICH IS BEYOND THE PHYSICAL UNTO WHICH YOU MUST LOOK AND YOU WILL RECOGNIZE IT ONLY WITH THE ADVANCED "KNOWING" OF THAT CONNECTION WITHIN ON YOUR LEVEL OF ABILITY TO RECOGNIZE. Until the day when that is understood we continue with that which IS suitable in its proper sequence.

For you who cannot "see the craft" in the heavens--you simply do not know that for which to look. On any given night when you would see the "stars" you can look into any direction and see the craft. As you connect with frequencies the brothers will give recognition--either through movement and certainly, no less, than the strobing of

"colored" lights pulsed deliberately for your viewing. Massive craft are in your viewing range in these days and orbit in the same patterns as the stars--and yes, the astronomers DO KNOW and are simply forbidden to divulge the information unto you--keep attention for they 'SLIP' with their tongues most regularly. If you see great motion of "light" from/to locations and the light be brilliant and leave no "trail", the craft is without your near atmosphere. If there is a long glowing "tail", then the craft is moving rapidly within your atmosphere thus heating the air particles which leaves the "tail". Enjoy your communion with your brothers in the cosmos for they, too, are weary of thine tending and long for their own "home" placements.

It is honor to serve you and we give freely of selves unto your needs--but as any upon human placement--thine brothers like contact and recognition for that which they are and do. And the greatest service of all, beloved chelas, is to give grateful appreciation unto GOD for that which you give appreciation allows the Great Spirit of your Creator to see your level of understanding and growth is great when a Truth is "grown-into" to such extent that a child only asks in behalf of "another" and for the "greater good" and not for self. So be it. Do not toy greatly with the orifice called "mouth" and the "tongue" within--for God hears the energy projections of the soul within and from that projection does HE make value judgment. Adonai.

I am Jesus Sananda, to bow to Command. Thank you.

Please allow me to give appreciation unto my own "Commander-in-Chief", in whose service I come on this journey.

There is something I am going to relay to all of you ones at this point. Stop the nonsense of Christian vs. everything or anything! You ones have long since confused the term unto its demise. ALL ONES WHO MOVE IN TRUTH UNTO LIGHTED GOD/CREATOR ARE CHRISTIANS--I CARE NOT THAT WHICH YOU LABEL SELF. THE CHRISTED PATH IS THE ONLY PATH THAT REACHES UNTO THE SOURCE FOR "CHRIST" IS A STATE OF BEING--NOT A MAN'S LABEL--NOR

THAT OF A GOD OF SOME SORT--IT IS AN "ACHIEVEMENT" LEVEL OF PERFECTION. IT MATTERS NOT IF YE BE NATIVE AMERICAN, ESKIMO, HINDU, BUDHIST, ISLAMIC--IT MATTERS NOT "WHAT" IF YE ARE HEADED FOR THE LIGHTED TRUTH IN THE HIGHER DIMENSIONAL KINGDOMS VS. THE DARK PLACES OF THE PHYSICAL RULED BY THE DARK BROTHERHOOD, YE MUST TREAD THE "CHRISTED" PATH WHICH THE NATIVE CALLS THE SACRED CIRCLE OF INFINITY--NO END AND NO BEGINNING--INFINITE AND ALWAYS IN MOTION TO OR FROM PERFECTION--ULTIMATELY ENDING IN TOTAL PERFECTION--AFTER THE LESSONS ARE LEARNED! This is most important for you who single out this one or that one to denounce or favor as a group--be sure you know of that which you speak for if you understand Truth--you will not longer speak of separation so that which you speak, labels your level of ignorance louder than you realize.

Back to the subject of AMERICAN FREEDOM & ZIONIST POWER, by Pitman Buck as we are projecting herein regarding the incident of the American ship, U.S.S. Liberty.

THE NEWS, ISRAELIS AND U.S.S. LIBERTY

Dharma, before we begin this writing, get Oberli to remove the disc from the computer--it is giving false information which indicates tampering with the equipment. Just have him remove it please and then we will continue.

QUOTE:

ON JUNE 8, 1967, DURING the 1967 Middle East War, Israeli jet aircraft and torpedo-carrying gunboats attacked an American vessel, the U.S.S. *Liberty*, while it was cruising in international waters off the Sinai Peninsula. The *Liberty* was a highly sophisticated communications vessel operated by the United States Navy and a sister ship to the U.S.S. *Pueblo* which was captured by North Korea in 1968. Both ships were operated by the Navy for the Central Intelligence Agency and the National Security Agency. The *Liberty* was on an intelligence gathering mission when attacked by Israel as was the *Pueblo* when captured by the North

Koreans. Thirty-four Americans died in the Israeli attack on the *Liberty*. One American died during the attack upon and capture of the *Pueblo*.

The news media that later gave very extensive coverage to the *Pueblo* affair displayed no interest in seeking for the public the answer to *Time* magazine's question, "Why did the Israelis go out of their way to attack a neutral ship?" Apparently, no investigative reporters were assigned to the *Liberty* story. News media that appear all too anxious to embarrass American public officials (whether they be presidents or generals) with the Jewish community are very reluctant to uncover and report any evidence to the American public and would embarrass the Jewish State of Israel. Any time a foreign nation is responsible for the deaths of thirty-four Americans, one-hundred and sixty-four others wounded and the ultimate loss of a United States naval vessel, the American people have a right to know something about the "why's" and "wherefore's." The *Liberty* affair should have been given widespread publicity. In view of the serious nature of the incident, one can conclude only that a conspiracy operated at the highest levels to keep the matter closed to an inquiring public. Such a conspiracy would find the Jewish controlled news media only too willing to cooperate in this case.

In a brief literature survey this writer found five books on the *Pueblo* incident listed in the 1975 edition of *Subject Guide to Books in Print*. In addition, the writer examined two other books on the *Pueblo* affair, including one by the captain of the *Pueblo*, Commander Lloyd M. Bucher. The other one was written by Rear Admiral Daniel V. Gallery, Ret., entitled *The Pueblo Incident*.

In his literature survey on the *Liberty* affair, the writer was unable to find listed anywhere a single book about Israel's attack on the *Liberty*. Not one! Furthermore, a lengthy search has turned up only two in-depth articles in national publications about the Israeli attack on the *Liberty*. One was James J. Kilpatrick's "June 8, at 1400 hours" (*National Review* (Hatonn: which is reason enough not to believe much of it at any rate, being edited and projected by one of the most Zionistic entities on your planet.), Sept. 5, 1967, pp. 952-958). Nine years after the *Liberty* incident Anthony Pearson, a

Canadian journalist, published the results of his investigation into the *Liberty* affair.

Mr. Pearson spent several years and crossed three continents chasing down leads and information for his *Liberty* story. His findings indicate that a conspiracy had existed between the United States government (President Johnson, CIA and NSA) and Israel which would allow Israel to capture certain Arab lands up to predetermined boundaries. The *Liberty* was on station off Sinai to monitor the war's activities. Because of the initial success and advances of Israel's so-called preemptive attack on Egypt, Jordan and Syria, the Israelis decided to advance beyond the predetermined lines and take additional Arab lands not agreed upon by Johnson. Through the *Liberty's* intelligence surveillance and reports to the CIA (monitored by the Israelis), it was learned that Israel intended to break the agreement with her co-conspirator. Israel decided that the *Liberty* had to be sunk. Israeli jet planes were sent out to do the job and were later joined by motor torpedo boats. Thus, one of the most cold-blooded acts of treachery in recent warfare was carried out against a friendly nation, the United States, without whom Israel could not exist.

On January 20, 1969, a public naval Court of Inquiry was convened in San Diego, California to investigate North Korea's seizure of the *Pueblo*. It was attended by at least a dozen news journalists who, by their affiliations with many segments of both print and electronic media, assured the public of widespread coverage of evidence developed by the Court of Inquiry.

The Court found evidence of negligence starting with the *Pueblo* chain of command and extending right up through higher echelons of the Navy. Among many other recommendations, the Court of Inquiry recommended that Commander Bucher and a subordinate stand trial by general court-martial. The Court's Convening Authority, Admiral John J. Hyland, rejected the Court's recommendations on court-martials because of the extenuating circumstances and Secretary of the Navy John H. Chafee concurred with the admiral's opinion. Meanwhile, thanks to the news media, Commander Bucher's name became a household word and automobiles driven all over the country bore bumper stickers re-

minding the public to "Remember the *Pueblo*."

In contrast to the pervasive news coverage given to the North Korean capture of the *Pueblo* and its attendant Court of Inquiry hearings, the best public relations that tender loving care could provide accompanied news reports about Israel's attack on the *U.S.S. Liberty*. In this endeavor the United States government had the anxious cooperation of the Jewish-controlled American news media. Accordingly, on June 11, 1967, a secret naval Court of Inquiry convened in London, England, to investigate Israel's attack on the *U.S.S. Liberty*. As far as this writer can ascertain, no newsman put up a squawk concerning the public's right to know more about Israel's attack on the American ship. Newsmen who went to great efforts and traveled long distances to get seats at the *Pueblo* hearings would rather not complain about the secret *LIBERTY* hearings in London.

According to Mr. Kilpatrick's *National Review* article, the Court of Inquiry developed evidence "that the Israeli armed forces had ample opportunity to identify *Liberty* correctly," but the Court "had insufficient information before it to make a judgment on the reasons for the decision by Israeli aircraft and motor torpedo boats to attack." Of course, the Court did not know of the secret agreement between Israel and the United States concerning the Israeli-coveted Arab lands and the CIA and the NSA were not about to tell it. Without this knowledge the Court had no way of knowing the true purpose behind the *Liberty* mission; and without knowing that purpose, the Court had no way of knowing that *Liberty's* intelligence had discovered Israel's violation of a top secret agreement. (Three civilian communications experts manned the *Liberty's* "inner sanctum" which housed the electronic communications gear and not even Commander McGonagle was allowed into those quarters of the ship.) It is doubtful if the Court's Convening Authority, Admiral John S. McCain, Jr., knew why the Court hearings were ordered to be held in secret, though he may have suspected it had something to do with the government's fear of public reaction to an act of infamy. But the government need not have worried about that reaction; even if the London Court hearings had been public--the American

news media would have seen to that.

Anthony Pearson reported in his *Penthouse* (June 1976) article that out of secret hearings that Congress held on the *Liberty* affair, a leak revealed that two of the Israeli planes that had attacked the *Liberty* were piloted by Americans--ex-navy pilots--who had immigrated to Israel. Since the hearings were secret, this leak could be neither publicly confirmed nor disproved. Now the news media have been notorious co-operators with leak purveyors, but this leak about ex-U.S. navy pilots attacking the *U.S.S. Liberty* while flying for Israel was one leak that the news media *definitely* did not want to broadcast! And they did not, as far as this writer can determine. Again, it may be observed that for the same reason that some legislative staff employees keep their Jewishness in mind when working on Capitol Hill, it is apparent that some journalists keep their Jewishness in mind when reporting, or not reporting, the news. Biased news reporting--especially with regard to the Arab-Israeli Conflict or other areas of Jewish interests--reflects the basic philosophy of a handful of men who control the broadcast media and who ultimately influence the news judgments of their paid editors and producers.

The State of Israel called its attack on the *Liberty* "a mistake" and paid a paltry total indemnity of \$6.9 million to *Liberty's* crew casualties and family survivors, but only after an international law suit was filed against Israel in the World Court at The Hague by family members of the crew (Hatonn: And, of course, you American taxpayers put up the funds to pay the "fine"). Israeli aircraft had reconnoitered the *Liberty* for five hours before attacking her. If the attack were truly "a mistake," it was a mistake that took the Israelis five hours to decide to make. It was also "a mistake" for which no one in Israel ever stood trial. Zionist Israel faced the dilemma of investigating a case of jet pilots and torpedo boat commanders who obviously had not acted on their own in a decision to attack an American naval vessel. A public and thorough investigation of the facts in this case would have opened a bag of worms that even Israel could not have stomachached. So nothing was done that could have led to a court-martial or trial of anyone.

The writer has just learned (1977) that

the American Palestine Committee has obtained, under the Freedom of Information Act, the Court of Inquiry documents covering the 1967 *Liberty* case. The United States Navy file, now mostly declassified, "...contains numerous photographs of Israeli planes and torpedo boats attacking the ship while it was plainly flying a huge 13-foot American flag (in clear weather). There is also testimony that the attackers engaged in 'jamming' to prevent the ship's calls for help from reaching the U.S. Sixth Fleet." Since the United States State Department has not yet declassified its files on the *Liberty* tragedy, The American Palestine Committee has stated its intention "...to pursue the matter until we have all the answers." (Hatonn: More wishful thinking, especially in more current times--the Freedom of Information Act provides you with NOTHING. You cannot get information not wished for you to have under ANY CIRCUMSTANCES. This is one of the best clues to truth or lies. If "secret" and "top-secret" files are revealed under this act, i.e. MJ-12 U.F.O. material, etc. is legible--it is false! YOU CANNOT GET ORIGINAL DOCUMENTS FROM THE GOVERNMENT!) For further developments on the *Liberty* the concerned reader should contact The American Palestine Committee and should also write his congressman urging a full and open congressional hearing on the case. (Hatonn: Case in point--how many of you in the interim 19 years have heard of any inquiry into this matter? I thought not! I can further tell you that a lot of the disclosers of information regarding Zionists' activities and cover-ups etc., are DEAD--i.e. Jack Bernstein, whom we quoted only a few days past in THE LIFE OF AN AMERICAN JEW IN RACIST MARXIST ISRAEL. And, of course, John King, Sr., and on and on goes the list. The ones remaining alive have come within our circle of protection where we can literally protect (shield) them from the pulse beams and barrage of everything from chemical to biological introduction within their systems. I remind you that you are dealing with the "big bad boy" himself and you actually have only ONE protection--God of Holy Light.)

Incidentally, the *Liberty's* captain, Commander William L. McGonagle, was recommended for his country's highest award for service above and beyond the call of duty and his crew

was recommended for presidential citations. Commander McGonagle received his Congressional Medal of Honor and the *Liberty's* crew (those that survived) received their presidential citations. (Hatonn: Does it not remind you of the passing out of "medals" to the survivors of the Panama "invasion"?)

In contrast to all the publicity given the *Pueblo* case, there were no car bumper stickers traversing the country exhorting the people to "Remember the *Liberty*." As far as the American people at large were concerned these brave men may as well have received their country's highest honors anonymously--thanks to the American news media which tippy-toed through the whole *Liberty* affair knowing that keeping the American public uninformed would be in Israel's best interest.

(Hatonn: We covered this story quite thoroughly in SKELETONS IN THE CLOSET, I believe was the title--out of some 25 Journals now, I too, get a bit forgetful of singular contents. An important point I must make again herein, however, is that the men, following the incident--were forbidden under sentence of death 'from your government' from divulging information regarding the *Liberty*!)

END OF QUOTING FOR THIS SEGMENT.

I only have one more point of immediate attention to point out to you. You will all be having access to "Nostradamus" via television during the next few weeks--it aired in Southern California last evening. It is changed from a two-hour motion picture featuring Orson Welles in an hour's propaganda hosted by Charlton Heston. It is a direct updating to give you the viewers the DIRECT PERCEPTION that Saddam Hussein is the ANTI-CHRIST. This is a ploy to distract you from the fact that the State of Israel and the Zionist KHAZARS are the ANTI-CHRIST. I suggest you be most discerning in your value judgments for this is leaving you with perception which is total lie. The FACT THAT THE PROGRAM IS BEING AIRED RIGHT NOW AT THE TIME OF HOLY CELEBRATIONS OF ONE SORT AND ANOTHER--PROVES TO YOU THAT THAT WHICH WE ARE GIV-

ING YOU IS INDEED, TRUTH! BE CAUTIOUS INDEED LEST YOU BE SUCKED EVEN MORE DEEPLY INTO THE DECEPTION. SAALOME'

YOU WILL AGAIN BE FLOODED WITH THE ANNUAL "HOLOCAUST" BARRAGE IN ADDITION--I SUGGEST THAT YOU BEGIN TO TAKE RESPONSIBILITY FOR GETTING YOURSELF INFORMED FOR THE LIE IS GOING TO FALL FOR THE ENEMIES OF HOLY CREATOR, GOD, ARE GOING TO BE REVEALED INTO THE LIGHT OF TRUTH.

Allow us closure of this segment for I need your presence elsewhere. Thank you for your service. God is ever in your presence--so I trust ye shall keep of it in mind in your every action, thought and deed. So be it.

TODAY'S WONDROUS GAME

In the Radiance of Light I come this morning filled to overflow with questions--in fact, my file runneth over! Therefore, I would put some of the inquiries back into thine hands for ye have enough under-cover information to pretty well analyze that which is going on and coming down. I intend to respond, so please stay with me but let us become quiet and see what wondrous information flows as I repeat the inquiries. First, I will give you some questions which are not asked by other than a minute few which bear more information on the whole than does anyone else.

Who and what has stalled out the shuttles? Who is delineating the U.S. response to the Russian proposal? Who is structuring the response? Where is Henry Kissinger? Eagleburger? Scowcroft? Has Iraq actually shot any missiles whatsoever at anyone? What kind of tanks were at Khafji? What level of Iraqi warrior was at Khafji? Why are your military now downgrading the value of all the recently captured EPO's after the big flap about them? What are you learning from the "grapevine" about the "dug-in" bunkers?

What does the U.S. military REALLY say about military capability--off the vidiot propaganda

boxes? Has the Russian/Soviets let up on military buildup? Why do they have the final "blackmail-say" about what comes down--especially in America?

What of the markets about the world? What of the money exchange? What of the price of gold? What is going to happen to gold? Why is Saddam so angry but will continue the game? Why is America between the hardest place on the planet and the rock of inflexibility? What will Israel do? Why are your top advisers back in Israel? (Oh yes they are!) Will the war be extended? Does it matter in the least? How many people control that which the U.S. does? Saddam's "scorched earth" plan? Why does the U.S. now denounce the Soviet's position on the Security Council? Why does the U.S. continue to have to take heed of that which the Soviets project? Let us look at a few of these things in perspective of objectivity in light of that which we have been providing you from the "underground" circuits of Truth instead of propaganda filled lies.

I repeat and repeat--the Soviets and Bush had an agreement that there would be no nuclear war in the Middle East until 1992. That agreement was drawn and consummated at Malta. If there is a major out-of-control war in Kuwait, etc., there will be nuclear weapons utilized. Israel would desire that to happen to gain her ob-

jectives of land acquisition prior to the Soviet segment who despises Israeli Zionists gaining control.

There is still no one on the Earth to match the space capability of the Soviets and to do a reasonably good job in this war you MUST have better surveillance and space capability--hence the need for the "defense/military shuttle trips". The Soviets have said they will simply take them out if they are launched. So, you have some unexpected cracks in the fuel tank doors or something equally as foolish on multi-billion dollar toys--all of them. Your administration has, further, been warned that if this "thing" doesn't come under control that the Soviets will make sure it does--that means there will either be devastating weather upheavals and/or major earthquakes in the U.S. and elsewhere and/or military action against domestic America from across your borders. Now, what is "under control"?

Under control means that "there will be no nuclear war" and Israel has her nuclear weapons poised and aimed in her little "retaliation" mode of action. In the bombing of the nuclear facilities in Iraq, the "allies" have already released a lot of radiation into the atmosphere and now citizens are being brought down with the poisoning--beyond those who died instantly from either the attack and/or the immediate radiation.

The Soviets have already told the U.S. that the desired accomplishments from the war have been attained and "enough already". The price of oil is up and basically the U.S. through the U.N. can keep the Royal Highnesses under the thumb for a while longer--in other words, total chaos in the Middle East.

Another coup against Hussein is under the gathering and being presented to the world as a method of bringing Saddam under fire and topple the government of Iraq after the Kuwait withdrawal. Oh yes there is--there has already been one such attempt thwarted and reported (not by your papers or media but strangely enough, out of Nigeria, W. Africa). Perhaps I can just read it to you. The coup itself occurred on or about the 18th of January 1991 and you heard about it--as a notice that Hussein had begun to kill his own officers who disagreed with him.

"A desperate attempt to sack the government of Iraqi strongman Saddam Hussein and end the raging imbroglio in the Persian Gulf has cost seven lives, two of them members of the ruling Iraqi Baath Party, it was claimed in London on Wednesday.

"The seven were allegedly *caught and killed* by security personnel who had uncovered plans by the "dissidents" to *seize Baghdad's main television station to broadcast a call for the ouster of Saddam and end of the war with American-led allied forces.*

"The British newspaper, *The Guardian*, reported in London on Wednesday that the attempt was perpetrated last Friday (18th) and *was thwarted by fate--a power failure at the station at the time of the plot.* (No comment)

"Mr. Sayyid Abdul Aziz Al-Hakim, a prominent member of the Shi'ite Muslim persuasion and se-

nior opposition leader in Iraq was reported by the London newspaper to have blown the lid off the botched plan and killings, when he met with a British foreign office official in London on Wednesday (23rd.)

"Hakim, a conspicuous figure of the Organization for Human Rights in Iraq, was said to have met separately in London also on Monday with British under-secretary of state for Middle-East affairs David Gore-Booth, in the company of another Saddam Hussein opponent and Kurdish minority leader Sami Abdulahman.

"Whereas neither Hakim nor Abdulahman claimed to have witnessed the killings in Baghdad, the newspaper reported that it relied on Hakim's impeccable sources in Iraq.

"According to the newspaper report, 'The men planned to broadcast a message to the Iraqi nation, blaming President Hussein for starting another war and urging a general uprising. A power failure prevented the broadcast and they were caught and killed by security forces.' Now, this article came from the *Daily Champion*, Nigeria, W. Africa, 1/25/91 in which there was also a widespread plea for the Moslems to remain calm and not protest."

Now we will comment about the power failure. You see, secrets are a funny thing--if you tell the one you think to be your friend it is very likely to work out like this one did. Under orders to stop bombing the military installations in Iraq--it was issued orders to "suddenly" take out the power plant to the television center--and to insure that the TV communications center would be helpless to broadcast, demolitions squads went in and personally shut it down and the perpetrators of the coup were "tattled on" and thusly "caught"! Dear ones, you don't have any-

thing going on in that sector for the purposes given to you nor in the manner projected to you. ISRAEL DOES NOT WANT THE GOVERNMENT REPLACED--THEY WANT THE MIDDLE-EAST FOR OCCUPATION--STARTING WITH DEMOLISHING IRAQ AND MOVING ACROSS THE LANDS IN ACQUISITION.

If any of you were witness to the CNN program last evening on which Henry Kissinger appeared--you know who is formulating the response to the Soviets. Mr. Kissinger said "He" would demand immediate removal from Kuwait on overnight notice (today that was in Mr. Bush's response). In fact, Mr. Bush responded verbatim to that which Kissinger had projected only hours prior.

Mr. Bush has also been told that if he does not get this "Peace" shut down post-haste that Israel will take this as the time to retaliate in massive force (which means nuclear weapons, friends). There are several things at stake here, not the least of which is that so far Iraq has launched almost no missiles at Israel and is simply waiting for Israel to begin the holocaust and then the response will be equally as devastating. So far the entire show has been put on by Israel and U.S. intelligence to propagandize the world into supporting this heinous atrocity of devastation to a nation and innocent people.

How can you believe that Hussein is helpless? He hasn't even utilized any of the really devastating weapons in his arsenal! The Soviets advisers have never left Iraq and neither has the supply of weapons and parts coming from the Soviets. Who is kidding who?

Let me reprint a couple of articles from the February 11, 1991 *ARMY TIMES* (That, dear ones, is the U.S. Army *TIMES*):

"Gulf war leaves U.S. vulnerable to Soviet storm:"

"The United States is in a strategic situation that brings its very existence into question.

"Beginning with the explosion of the first Soviet nuclear device in 1949, the United States recognized that it faced a power that could destroy it in a matter of minutes, and thus built a countervailing nuclear arsenal. From the early 1960's we accepted the idea that nuclear war might be averted if we were to build conventional forces to a level that could bring the existence of the Soviet Union or any other nuclear adversary into question.

"In the late 1980's we threw caution to the wind. Based almost solely on our *faith in Soviet President Mikhail Gorbachev*, we stopped modernizing strategic nuclear forces and reduced a promising anti-nuclear defense system to the status of a research project. Then in the midst of planning to drastically reduce our conventional forces, we deployed nearly the total combat power remaining into a strategic cul-de-sac in the Persian Gulf. What may be even more ominous, we have strained our logistic capability to, and possibly beyond, its limits to support the Persian Gulf war.

"Meanwhile, despite problems of morale and partial withdrawal from Eastern Europe, the Soviet conventional forces remain intact and in position to move in any direction.

"We recently were warned by the Soviet Foreign Minister that Soviet democratization is at an end. Yet we are engaged in a war in the Persian Gulf that could tie up our conventional forces indefinitely, but not tie down one single Soviet soldier.

"The identification of military cargo aboard a Soviet freighter

headed for Iraq on Jan. 8 coincides with the resurgence of KGB and military power in Moscow and the murder of unarmed Lithuanians seeking independence.

"We have permitted Iraq to occupy the full strength of the American armed forces, other than strategic nuclear forces. Yet a fraction of the air and naval forces now in the Persian Gulf region could protect the only major interest we have there--the Saudi Arabian oil fields--and enforce a 100 percent blockade of Iraqi oil exports for as long as it takes to break Iraq's economic and military power.

"By becoming trapped in this secondary theater we have opened the way for reassertion of centralized, totalitarian rule in Russia and thereby lost an opportunity to break apart the Soviet Union.

"We had the tools needed--political, military and economic--to have made good our long-standing moral commitment to independence for Latvia, Lithuania and Estonia. Our firm support for freedom there almost certainly would have led to independence for Armenia, Georgia and possibly the Ukraine. Without the Ukraine the Soviets would not be able to wage war, nuclear or conventional, against the United States.

"Now we are faced with the worst of all possible outcomes: What was already an inherently unstable Soviet political system has been undermined by economic collapse. Unwilling or unable to shift to a market economy that might have had some slim chance of success, the Soviet regime can now be saved, for a time, by the only pillars of stability left--the KGB and the military. The emerging Soviet chieftains are the most dangerous stewards imaginable for a nuclear arsenal that not only remains intact but has continued on a course of steady modernization.

"It has taken months to commit our active Army and Marine Corps into the Saudi trap. The Marines can be deployed fairly quickly, but it will take months to get the Army out with its heavy equipment in time to meet an emergency elsewhere.

"We have been in the eye of a hurricane concerning our relations with the Soviet Union and mistook it for everlasting peace. We do not know what lies ahead but the storm gathering in the Soviet Union tells us that we had better do the best we can to regain the equilibrium and freedom of action our foolish optimism has cost us." I shall protect the source herein because the "big boys" are really playing a dirty game these days.

I wish to give a statement to you people. George is going on the air in just a few brief moments and I cannot get a full message to cover all these inquiries in time to be of value so allow me interruption to give you example of the subterfuge perpetrated against your children in uniform.

I fully intend to report the second article from this paper for it has to do with the lopsided weapons power--lopsided in favor of Iraq and documented. I have already given you a complete breakdown of that power--but look what is being fed to your children: By the way, the average age of the troops in Saudi Arabia (U.S.) is 23-years. Do any of you remember your level of knowledge at 23? They are sequestered in the desert sands and the only access to news and information comes from CNN!!!!

Example of that which is given unto them: When questioned about facing such odds of being outnumbered with weapons of cannon variety, the young man (less than 23 by some 4 years) replied, "Well, yeah, but we aim better and I see it like this, if somebody throws a whole bunch of rocks at me and I

only have to throw one at him, because I aim better—I win!" Does it not stand to reason that if the Iraqis have better, bigger and more technologically advanced cannons and the Russians who have perfected them to guide the equipment—that "poor aim" is not likely to be inclusive in this scenario? "Mother of Wars!" may go down in infamy as a statement—but understated as a fact!.

Dharma, give this much into Oberli's hands and fax to George please and then we will continue and fax until we run out of time. Thank you.

Briefly: points of interest.

This scenario of Peace offer and Iraqi withdrawal from Kuwait is being orchestrated so that the world will KNOW BEYOND A SHADOW OF A DOUBT that the U.S., if it doesn't "play ball", is to blame and intends destruction unilaterally. You see, Saddam Hussein has absolutely nothing to lose further and everything to gain from war. Even the Jordanians KNOW of the awesome power remaining with Saddam. The leader of the religious element in the Middle East (throughout the region) is calling for immediate backing of the "People" into Saddam's support.

Now that Saddam has agreed to the resolutions, the U.S. will be hanging out a mile if you refuse to cooperate. It is a really nasty predicament in which to find selves. Your military is all over everywhere else except where the REAL THREAT ACTUALLY IS IN PLACE TO YOUR NATION. YOU CANNOT DEPEND ON A SINGLE MIDDLE-EAST NATION BECAUSE EVEN THE ROYAL DICTATORS OF THE OIL NATIONS ARE LOSING THEIR MONEY HAND OVER FIST TO YOUR BANKERS AND

WHEN THE ODDS GET WORSE THE SUPPORT WILL SHIFT AS THE OIL FIELDS GO UP IN SMOKE AND ISRAEL FULLY PLANS TO SEE TO IT THAT THEY DO.

RUSSIA DOES NOT NEED EITHER THE OIL AND NOW, THE GOLD—THEY HAVE ABUNDANT NEW FIELDS OF BOTH!

The bankers are shoring up the markets in hopes of sucking everyone who will invest into the show—and then if and when it hits about 3500, the collapse will happen.

Gold is dropping—a good time to invest if using for collateral. Gold is sluggish because of the "confiscation" factor—but for collateral purposes in Cartel banks will be stable for quite a while.

While Rome burns, the Feds are merging the Big banks and please note today, the New Hampshire banks are in collapse—one down and the rest toppling. Your entire economy is falling apart.

Big notes will soon be called and phased out—very soon and then will come the money recall—it is the only way the Feds can corner the old and replace it with the colored notes and then all will be recalled and moved to a debit card system and money in any form will simply be phased out.

What about the "scorched earth" plan? Bush says it is under way in Kuwait. Well, Saddam told you he would do it—but moreover, he had done nothing about it until after Bush said it was already under way—your own military has bombed many of the oil installations this day and set the fields afire to turn world opinion. This does not mean that Saddam will not intensify the action for he will. If the ground war goes into effect in a major way, the world will appear to all be burning! But it will

be the Israelis who will blow up and set fire to the Saudi Fields first—to swing public attention. I tell you, ISRAEL FULLY INTENDS ALL-OUT WAR—YOU JUST GAVE HER 400 MILLION IN BUILDING GUARANTEES AND DID, IN FACT, REMOVE THE RESTRICTIONS AS TO BUILDING ON THE WEST BANK—BECAUSE SHE APPLIED SO MUCH PRESSURE YOU DIDN'T MAKE HER SIGN A CONTRACT! WORSE, WITH THE (ALL VOWS) PLEDGE, A VOW MEANS NOT A THING AT ANY RATE. (THAT IS THE ANNUAL "KOL NEDRI" WHEREIN THEY VOW THAT ALL VOWS TAKEN OR MADE WITHIN THE YEAR ARE NOT HONORED!) IT IS PAST TIME THE WORLD CATCHES UP WITH THE ZIONISTS FOR THEY ARE WAY OUT THERE AHEAD OF YOU!

And, so, how many people run your country? How many Zionists are there? It seems like all the speakers, news people and political participants have sir-names of Judean origin—ah so, to prove the point as to the accumulation and thrust for there are actually only less than some 2% in your population. So be it.

Who is actually pulling the strings as to final word? The Soviets against the Zionists. The Soviets have the power and the Zionists have control of the U.S.—no more and no less but, ah, the Soviets actually have control of, and superiority to, the U.S. military and space command. It shall be a most interesting and busy few days, my friends—be cautious for that which you pray because you really do not wish that for which you are massively praying at the moment! Believe me, it is NOT THAT WHICH YOU PERCEIVE IT TO BE. GOD, PLEASE HAVE MERCY AND TEND OF THE CHILDREN SENT INTO THIS HEINOUS HOLOCAUST FOR

THEY ARE THE PAWNS AND THERE APPEARS LITTLE HOPE FOR TRUTH AND JUSTICE BEFORE THEIR BLOOD IS SHED.

2/22/91 HATONN

Let us continue with the printing of the second article from the Feb. 11, 1991, *Army Times*.

"With artillery, Iraq can make war, headway: Aerial bombardment continues to take its toll during the allied air campaign against Iraq, but another kind of bombardment is yet to come. 'It is with artillery that war is made,' said Napoleon Bonaparte, and casualty figures from America's most recent wars still bear him out.

"In World War II fragments from exploding artillery shells caused 53 percent of U.S. battle deaths and 62 percent of wounds. In Korea, shrapnel caused 59 percent of the deaths and 61 percent of the wounds. Even in the close-quarter fighting in the jungles of Vietnam, where enemy rifle and machine-gun fire caused the majority of deaths, enemy shell fragments still caused 36 percent of the deaths and 65 percent of the wounds.

"And a ground war in the Persian Gulf could yield even more casualties, because the military has allowed itself to become both outgunned and outranged in field artillery.

"In Vietnam, the United States, despite its superior in-field artillery, found itself outranged by the North Vietnamese Army's Soviet-supplied 130 mm guns. The range, more than 30 kilometers, or approximately 18 miles, supposedly was matched by the U.S. Army's M107 175mm guns, but enemy guns were far more accurate than their U.S. counterparts.

"The Soviets have supplied these guns to Iraq as well. That's bad

news for the two U.S. Marine divisions in Saudi Arabia, as well as the Army's 82nd Airborne Division and 101st Airborne Division (Air Assault). They still are armed with towed 105mm howitzers with a range of 11.5 to 18 kilometers, about 7 to 11 miles, as their direct support artillery, still far short of the Iraqis' 130mm guns, with a range of more than 30 kilometers. And even the general-support 155mm howitzers are not quite in range.

"The Army's armored and mechanized divisions are in somewhat better shape. Their principal direct support, the self-propelled 155mm howitzer, has a range of 18 to 23.5 kilometers, approximately 11 to 14 miles, and their multiple-launch rocket systems, or MLRSs, with standard 227mm missiles, have a range of more than 30 kilometers and can be fitted with an army tactical missile system, or ATACMS, rocket that has a range of more than 100 kilometers, approximately 60 miles.

"The most accurate howitzer in the U.S. inventory is the 8-inch self-propelled howitzer that can extend its 22.5-kilometer range to 30 kilometers when firing a rocket-assisted projectile. These are in short supply and, to make matters worse, the 8-inch battalion that normally supports the 3d Armored Division, now deployed in the gulf, is being demobilized in Germany.

"What causes allied artillerymen the most concern, however, is not the Soviet-supplied 130mm gun but the *approximately 300 South African- and Austrian-supplied G-5 and GH N-45 gun-howitzers*. Firing a particularly effective high-fragmentation shell that can produce a shrapnel shower, it has a range of 45 kilometers, far exceeding that of any U.S. or allied tube artillery.

"There is the prospect of U.S.

troops pinned down by enemy artillery fire, with their own artillery outranged and unable to silence enemy guns. And what makes it even worse, Iraqi artillery not only outranges but also outnumbers the allied artillery. With more than 3,700 guns, howitzers and multiple rocket launchers deployed in support of its maneuver forces, Iraq more than doubles the allied artillery. And Iraq can put chemical shells on its larger artillery.

"How did the United States get in such a fix? Instead of concentrating on conventional artillery, the U.S. Army became enamored with nuclear weaponry, putting its time and money into nuclear rounds for its 155mm and 8-inch howitzers and developing its nuclear missile systems. Only recently did it come to its senses and begin the howitzer-improvement program—but too late to do any good in the Persian Gulf.

"Iraq, on the other hand, has been working on improving its conventional artillery for a long time. According to *The Toronto Globe and Mail*, beginning ten years ago, Iraqi President Saddam Hussein took advantage of the genius of Canadian arms designer *Gerald Bull, who reportedly had been rebuffed by the U.S. military. Iraq not only acquired some 300 Bull-designed G-5 and GH N-45 155mm gun-howitzers, but also two new Bull-designed guns, the 210mm Al Fao, rated as the most powerful artillery piece in the world, with a range of 45 kilometers, and the smaller 155mm Majnoon, which has a 30-kilometer range. The Al Fao is the only self-propelled system of its caliber in the world.*

"The United States traditionally has compensated for its lack of long-range artillery through battlefield air interdiction and close-air support. Thus Iraqi artillery is one of the major targets of the ongoing allied air campaign and will

remain a priority air target during the ground campaign.

"Suppressing enemy artillery will not be an easy task, for as the British Tornado fighter-bombers found in their low-level attacks on Iraqi airfields, the Iraqis have a formidable machine-gun and cannon anti-aircraft-artillery air defense system. But it is a job that will have to be done, for when it comes to land battle, it is still true, as Napoleon reputedly said, that "God fights on the side *with the best artillery.*"

And perhaps that is a good observation. Oh my, dear ones, you who keep talking about those SS-12's--indeed, indeed.

Then why is Saddam playing ball now? Because the Russian Big Boys have told him to--or else. He is *angry* about it because as Yemen and Jordan leaders have said, "It will be the ground war in which Saddam's forces will show their might and have the chance of winning the conflict!" At which time, in addition, the Middle Eastern nations will join the fray.

I josh you not--the Soviet Union is calling the shots and they mean business. If you ones can't shut this "thing" down, it is indeed going to be terrible.

Only you ones of the "free-world" are fooled. The rest of the people, and especially in the Middle-East, know that Saddam did not blow up his own Churches. Regardless of the man's ruthless and bloody nature--**HE WILL NOT OFFEND GOD DELIBERATELY BY DOING SUCH A THING.** He would never damage his own people for it is simply not in the limits of that which his "religion" would allow. These stories are LIES! And again, "ALL THOSE TROOPS WHO JUST TURNED THEMSELVES OVER TO THE U.S." Where are they? In the hands of the Saudis? Come now, you

haven't produced any of them--the entire scenario is to cause, hopefully, Saddam to think his troops are deserting! You found nothing of value in your raids--and "dummies" on the berms. You just can't imagine how close you are to devastation. You see, you had an agreement with Saddam and you black-mailed him through double-cross and he is angry indeed--and so are his allies. You will never be trusted in an agreement again in all your days as a nation for you are now lumped right into the same pot as the liars and cheats of Israel. Anti-Semitic? Spare me the drivel. Even the atrocities in Kuwait have been set up and filmed by Public-Relations companies, for best "Photographic impact" was, I believe, the exact phrase utilized.

Is Saddam pure in heart? I doubt it! Were there atrocities in Kuwait?--oh yes, for war brings out the very most vile nature of mankind and after a saturation point there is mass psychology which takes over and there is nothing too vile to be perpetrated. Two wrongs DO NOT EVEN BEGIN TO START TO MAKE A RIGHT.

GOD AND MAN IN TIMES OF WAR

Who do you choose as your respected source of authority? Who do you believe as they give you information? Well try this short writing in the U.S. NEWS AND WORLD REPORT, Feb. 25, 1991, by the above title by David Whitman:

Whenever man is most ungodlike, he beseeches the Lord for a little divine affirmation. Shortly before Moses died, he told his Hebrew followers: "God will go with you to fight your enemy for you and give you the victory." Ever since, prophets and presidents have designated the Deity as their principal ally when sending soldiers off to maim and slay others. In

the gulf war, the charge to the altar started within hours of the first bombing raid. As telecasts showed Saddam Hussein unctuously bowing on a prayer mat, George Bush intently listened to the Rev. Billy Graham tell a prayer service at Fort Myer, Va. "We must fight for peace." Soon, Bush set aside a national day of prayer and declared the American-led coalition was "overwhelmingly on the side of God." And now, even as Radio Baghdad airs peace proposals, Hussein and his advisers insist Iraq has "triumphed because it upheld the spiritual principles and values emanating from its true religion."

When politicians call the Lord as their witness, the first temptation is to scoff. What king, after all, ever vowed to consign men to their deaths for an ignoble cause? It's no coincidence that all sides in the gulf controversy, from Saudi King Fahd to antiwar protesters in the U.S., share the conviction that God is their corner-man. Inevitably, such sudden shows of zeal have the whiff of a foxhole conversion. Hussein, who gassed his own countrymen and pillaged a near-defenseless neighbor, is far from a model Muslim. And George Bush has scrupulously avoided parading his "born again" Episcopalianism--UNTIL NOW (and has actively lied straight into your waiting faces on every subject thus far). When Chinese autocrats slaughtered the innocents of Tiananmen Square, Bush felt NO DIVINE OBLIGATION TO STOP THEM OR EVEN TO RESCIND CHINA'S FAVORED TRADE STATUS.

Still, behind the recent religious sallies lies a more genuine, if plaintive, spiritual stirring. Just like the prospect of a hanging, war--to paraphrase Samuel Johnson--concentrates a man's mind wonderfully. It transforms the world into a kind of madhouse

where soldiers and civilians alike must rediscover the purpose of their lives. Surreal TV newscasts now amplify this madhouse effect, showing just about everything except battlefield carnage. Cormorants struggle to flap oil-tarred wings and bloodied civilians lie motionless on stretchers outside a Baghdad bunker--all amidst golden sunsets and palms that sweetly rustle. Yet no one can be immune to the silent agitation that something humbling and horrible is conspiring.

In previous eras, that trepidation and attendant search for meaning were vented in daily church services. Now, when months and years seem clogged with pursuit of condos, cars and college tuitions, the presumption that life is a spiritual quest has faded. War, ironically, revived that ageless calling, sending near-record numbers of Americans to pray at synagogues and churches. Yet after the last mortar is fired, piety and compassion will likely play only bit parts in the New World Order. If truth is the first casualty of war, the last may be man's sputtering attempt to sanctify his world.

AH YES, OUR FATHER WEEPS AND YOU WILL NOT "UNDERSTAND" WHY ONES DIE--YOUR SONS, YOUR LOVED ONES. WELL, CHELAS--THERE ARE SONS AND LOVED ONES ON THE OTHER SIDE, ALSO--IS YOUR CAUSE MORE WORTHY? IS YOUR HEART MORE WORTHY? WHAT HAVE YOU DONE TO EXPECT GOD TO SERVE YOUR DESIRES? WHO HAS SERVED GOD? WHO HAS KEPT HIS COMMANDMENTS? WHO HAS NOT BROKEN HIS LAWS?

I SERVE ONLY GOD AND GOD'S CREATURES AND I KNOW MY PLACE IN THIS UNIVERSE AND HAVE MARKED MY PLACE WITHIN

THE LIGHTED KINGDOM OF TRUTH--AH YES, I KNOW WHO I AM---WHO MIGHT YOU BE? WHAT HAVE YOU DONE TO BE WORTHY? HOW MANY MEN WILL YE CRUCIFY BY MURDER IN YOUR SEARCH OF GLORY WITH NO EFFORT SAVE ANOTHER'S SHEDDING OF THEIR BLOOD? WHAT HAVE "YOU" DONE TO BE WORTHY?

How do you judge a man's religious worthiness? Saddam, it is said, began to pray three or so times a day--and the Saudi soldier laughs and says, "Ah, but he is NOT sincere for he should, and we do, pray 5 times a day!" What have you done to be worthy? "Warriors for God!"??? I think NOT! Worse yet, in this conflict--there is no understanding at all as for that which the young ones die. NONE!

I am going to tell you what GOD hears with every fiber of his being. Here is a letter to God sent to Dharma to petition the Hosts and God for, although he prays, he, blessed one, is pronouncing publicly his devotion and petition to serve; from a young soldier serving in your military:

13 Feb. '91

"Dear Dharma,

"Please inquire of the Most Holy One the following request of his servant, M.J., who is the soul of M.J. and what is his earthly mission at this most critical point of time?

"I have always felt in my deepest being of a higher calling. I have been persecuted since a child for my always searching for the truth. He has given me a very keen intellect coupled with a crystal clear understanding of the world the way it is and should be. I have been all over the world and He has protected me since my birth of April

6, 1953 in Pennsylvania. I have witnessed spirits actually flee when I come in their presence (I can see them). They have also many times attempted to harm me....but to no avail.

"My heart is bursting with this very writing and the tears are flowing. I saw the poor little Iraqi girl on TV bloodied and bandaged. Please oh Great One, I have searched and prepared my whole life. I am ready, I am yours. Use me mightily, give me direction. I do have some unique abilities as you know and I do have the name of Michael by no accident. The gathering is now--Thou knows my heart!"

All know that Dharma does not have super-power--but just as do all, she most certainly has the ear of God and can lay a petition at His feet on the altar of Truth.

I will also relay portions of the other letter which was directed to America West. The letter was in appreciation for the Journals and Expresses which had been forwarded to him as a gift from a friend in Texas. I would like to share this with you readers for it is an expression from a heart level beyond that which is often seen.

"...Today I received the Feb. 91 (Vol 8 #1) of the Phoenix Journal Express. My heart again rejoiced as I read of the "Truth" and the coming world battle (finally) against the "evil one". As you know I am here in XXXXX in the Army and the propaganda is sickening. If that weren't enough there are almost daily demonstrations occurring all over XXXXX (by mostly college students, but also regular citizens!) calling for the U.S. and XXXXX to get out of the Persian Gulf! There have been almost daily threats to blow up the bases and/or kill G.I.'s, also. The gates are closed almost every day from 6 P.M. to 6 A.M. We are virtual prisoners! Security is so

light it now borders on fanaticism. If what we are doing is so "just" and God is on our side, then what are they so worried about? I guess they want to keep us alive and healthy until they can also send us to "Desert Slaughter (as we call it here)!" Many soldiers have been sent from XXXXX to Saudi directly, already. The rumors have it that many more units are going..... One of my friends who is over there (someone "mysteriously" reported it to me) has gone blind because he observed a patriot (?) hitting an oncoming Scud (Liberator) missile. Only 19 years old and for what? Nonetheless he will be avenged! Much information is starting to come and I believe HE is using me for HIS Glory! The TV Desert Slaughter reports are full of such lies. If you listen carefully you can catch the out-right lies and propaganda. . . . Most of the men here are only concerned about going downtown to get drunk or catch AIDS-VD! I pray for them all--but they are lost it seems."

".....truth IS getting through in these last days just as HE said it would! I must close for now but before I go I wish to express my soulful appreciation to the lady from Texas who sent me the first Phoenix. HIS light is shining on her, also!.....In HIS NAME AND SERVICE, I AM- - - -"

Then he asks humbly if and when he gets "leave" might he come to visit? Ah so--indeed, indeed.

I am going to remind you who serve in the battle-fields. If ye ask God in Truth for your protection, so shall it be given and though ones fall to the right and to the left, ye shall be lifted up and shall not be damaged. Call upon God, scoop a place for your face in the Earth and ask God for His lighted shield--and so it shall be given. But do not bargain with God to simply effort at "getting through" for therein is the Truth of it--you

shall ask in Truth and it shall be given in Truth and the commitment is accepted in Truth. Who might you be and are you worthy? It takes nothing save your humble and sincere petition in Truth.

I care not how you label the guardians, Angels--Hosts, it matters not but the Guardians are present and each being accounted for in the fabric of the records--God's hand is as close as thine own thoughts and the Hosts are available and waiting to get you out of that earthly predicament, if ye but call--just be not predisposed as to HOW HE CHOOSES TO RESPOND but a lot of the youngsters in that desert are going to have some wondrous little trips into our security nets. Most will not remember in the consciousness but they will later say--"God must have wanted me for something else." And so HE DOES!!

Enough, Dharma, the hour is late. Blessings be upon you ones during these days of shadows upon the land for know that God has the ultimate and better way. Salu.

**BURNT OFFERINGS AND
BLOODSTAINED SANDS
PSYCHOPOLITICS AND THE
SACRIFICE OF THE
PHOENIX
BY Gyeorgos Ceres Hatonn**

This is the 24th book in the *Phoenix Journal* series that has been published in the last eighteen months. They include detailed topics from all walks of life, including current information on the

Middle East War as of January 28, 1991.

These books, which are entered into a computer by "Dharma", ARE THE WORDS OF TRUTH WHICH GOD PROMISED HE WOULD SEND FORTH AT THE ENDTIMES TO GIVE MAN ONE LAST CHANCE TO CHOOSE TRUTH OVER THE LIE.

Hatonn, in this book, gives us an excellent background coverage of why the world is on the downward path to ONE WORLD GOVERNMENT, the "NEW WORLD ORDER" that President Bush mentions many times and how the present Middle East War is the beginning of the Battle of Armageddon, the greatest battle to ever be fought on this planet. This is the battle that has been predicted for several thousand years and THE TIME IS NOW HERE.

He gives us details of what hardships even the Americans must be prepared for (INCLUDING INVASION, DESTRUCTION OF OUR TROOPS, STARVATION, TERRORISTS AND EVEN CONCENTRATION CAMPS HERE IN THE UNITED STATES) if we do not DEMAND that our Constitution be restored and start living under the LAWS OF GOD VERY SOON.

TODAY'S WATCH

That which goes forth this day shall live in the history of your planet as a day of infamy beyond any known.

Your President Bush has sentenced to death thousands of your children and you bow in his presence and hail his name while you turn away from God and all that is Godly. May that same God have mercy upon you ones and may your children pass into other dimensions without leaving their curses upon you as a nation and a people.

Your Zionist-controlled media has announced in one breath that the oil fields and oil drainage ditches are fired and that Saddam has a "scorched Earth" proclamation. NO--and you can now prove for yourselves the Truth of my words and theirs. In the very next segment it is shown YOUR OWN MILITARY MEN LOADING NAPALM CANNISTERS ABOARD AIRCRAFT AND YOUR OWN MILITARY SPOKESMAN SAYING THAT THE NAPALM "AT THIS TIME IS ONLY USED BY THE MARINES FOR FIRING THE OIL-FILLED TRENCHES!" I have given you great detail about weapons and the way you start crude-oil fires and set to flame oil centers of crude is with napalm. It is a heinous thing being done and

the rewards of such destruction shall be visited back upon the ones who instigate such lies and destruction.

On the very night before withdrawal came the heaviest bombing of a civilian city in history--Baghdad. Your own "Lips" says there will be no cease-fire while Saddam's troops pull out and move back into Iraq. Then, someone tell me why they would come out of protection to be shot and bombed, burned and slain?

Meanwhile--at the same conference of announcing this heinous verdict upon a world, the representative of Thailand stands with the "Lips" and announces a coup of overthrow of the Thailand government setting the government into the hands of a MONARCH! Not democracy and freedom, friends--A MONARCHY. And there is jubilation and congratulations in abundance. I care not who runs Thailand for Thailand should decide--but what is this double standard which you foist off upon a world in confusion and death throes?

Then the conference must end for the "overworked" President has to have his weekend holiday. Indeed he does, to get his programming refreshed and instruction-channels corrected. The Zionists dare not even leave the entity in the presence of the nation's people for fear he will be recognized for that which he is; all social functions are

totally orchestrated and controlled and you ones turn your heads and bow to the serpent. You as a nation are ready to stain, forever, your heavenly symbol, the flag, with the blood of your prime generation and the yellow ribbons will be soaked in the blood of your babies. And still, you ask God to give you victory? You had better look upon your world in gracious gratitude every minute remaining in the beauty of the cycles called days for you have just limited them unless sanity prevails on one side or the other. There is great shame upon the lands this day!

A.S.S.K.

Dharma, I am sorry to require that you attend this subject one more time and then we shall ask ones to do that which they will with further counterings from that center.

Again, I must respond to the many who inquire in like manner to Mr. Prust, author of the letter reprinted herein. I must respond for it needs no "defense" but, as in this case, a man is humbly asking for insight and honest inquiry compels response.

"14 Feb. 91
"Dear America West,

"I received from A.S.S.K. Vol 57, "CALL TO ARMS", which I'm sending the page.

"Sister Thedra claims your

Sananda and Hatonn are frauds.

"Since I read this page, I've lost faith in the material from Sister Thedra and America West. How can two groups claim authorship from the same Sananda and Hatonn and then Sister Thedra calls your Sananda and Hatonn frauds?

"I've now lost faith in the integrity of your material and in Sister Thedra. Now I don't want to read anything from either of your two groups.

"Is there anything you can say to restore my faith in your material? If there is anything you can do to help me please let me know.

"Sincerely, C.E. Prust.

* * *

Peace be unto you, son, for your inquiry merits response and your call is heard in the Truth and honor in which you ask input.

I would answer with a question for you: Is God selective to self-appointed "speakers" and the possession of ONE? Is TRUTH a plagiarisable commodity? "Because I tell you Truth, does that make me less your friend?"--or a fraud?

Because you ones petition unto God for answers to serve you through the most heinous time upon a planet and He sends us to give responses and instructions--does that make us servants of Caesar as accused?

Now to some facts, please. I care not what ASSK claims nor disclaims--that is for your own inspection. I do tell you this. America West is a publishing company who publishes many books and distributes dozens upon dozens of books--NOT ONLY THE JOURNALS!

Ones at the location in Sedona have not read more than two of the pieces of documentation sent from even this source--so how can any

pronounce "fraud" against God and HIS HOSTS?? If you have not partaken of the information how can any pronounce judgment? Dharma has scribed over 25 full books on as many subjects and four full volumes published of Expresses--that is a lot of material to pronounce such judgments as "fraud"! You see, TRUTH IS TRUTH AND STANDS ALONE--INTO INFINITY--AND WE HAVE YET TO HAVE ANYONE FIND A LIE IN OUR PROJECTIONS UNTO THE PUBLIC.

It is said these ones make great amounts of money from the publications--nay, they have invested thousands upon thousands of dollars into the ability for you ones to have the Truth from our source--AND THEY REMAIN GREATLY "IN-THE-HOLE" as you refer to it--income does not begin to equal the expenditures of such constant publishing with great discounts in pricing for ones from California, Colorado, etc., unto the East Coast, New Zealand, South Africa and Norway just to name a few. Have you any imaginings of what it costs to give unto the world--Truth?

These scribes, and Dharma is not the only one--in fact, Sananda writes volumes of work through Thomas--do they discount his "Sananda", also? Does Sananda, Christ, Aton belong to some-ONE?

Group? Two groups? Perhaps there is a group in Sedona. There is no "group" in this place of publication. We have no gatherings for pay or profit--just small meetings for instruction and work dispersement. Further, we do not force nor demand anyone do anything with the work--our commission is to put the WORD OF GOD, AS INSTRUCTED, TO PAPER AND THAT, SIR, IS EXACTLY THAT WHICH WE DO.

No one in this place claims to be "priestess" or "only" or "honored by secret mystery schools". In God's places there are no secret mystical places--including mystery schools. God is not SECRET--God is Truth and Light and NON-SECRET--for all to hold and share and be from which attended--unto the very tiny creature of the winged, eight-legged, two-legged--even unto the tiny one-celled life-form--which is all. There is no wondrous physical prestige of "Orders of Melchizedek or Emerald Crosses"--there are only humble servants striving to do their committed task of giving forth final instructions for a time of chaos and tribulation. There are only the willing hands who, hour after tedious back-breaking hour, put the "untold" to paper so that the lies behind the facade and veil can be revealed in the light of openness. If this be fraud, my friends--then so be it and ye shall be required to do your own discerning.

You ones do not bow unto GOD and ask if there is going to be a "great explosion" or "earthquake" or "war"--you KNOW that there will be such--YOU ASK GOD WHAT TO DO WITH EVERYTHING FROM YOUR FAVORITE MONEY HORDE TO YOUR PRIVATE RELATIONSHIP WITH YOUR MATE! HE ATTEMPTS TO GIVE RESPONSE AND YE MOST OFTEN HEAR IT NOT--so the time is at hand where Truth must flow to ALL and please note that the ones most consistently and unceasingly attacked and called frauds are the ones bringing forth the Truth which is desired by the dark brotherhood to be silenced. This scribe has literally been KILLED on four occasions within the past three years--THERE ARE BULLET HOLES IN THEIR DWELLING--DOES THIS SOUND AS IF "FRAUDULENT" MATERIAL IS SLIPPING THROUGH THIS RESOURCE? NO-ONE BOTHERS TO KICK A

DEAD DOG, SIR.

God's wondrous creation of Earth stands on the brink of destruction and ones quibble over "whose truth is whose!" Sir, Truth belongs to no-one--noONE! If one would deny his brother from having Truth to garner for self a "SPECIAL" place or status--then that one loves his brother very little indeed.

God always encourages you to read, study and read some more--HE DOES NOT LIMIT ANYTHING THAT IS PUT TO PRINT--READ, READ, READ AND THEN READ AGAIN--TRUTH WILL STAND THE TESTING OF ALL TIME--INTO INFINITY. Further, "OUR" Sananda, Hatonn, Aton--will meet personally, and have done so, with these denouncers and the energies who proclaim to be "THEIR" special speakers. I find nothing further to say regarding the matter. If you find no balance, I know not what else to offer unto you, friend. I would suggest you continue to read BOTH and see for yourself which gives that which ones ask of God in response and that which repeats and repeats that which is of the mysterious mystical projection. I have nothing else to offer except that which we share with all. I especially do not wish you to accept any such thing as fact that "Sananda" or "God" would be claimed in Truth by anyone--SIR, REACH OUT AND CLAIM GOD FOR SELF!! FOR HE IS NOT "OURS" OR "THEIRS"--GOD IS YOURS! AND YE ARE HIS! THAT, SIR, IS THE TRUTH UPON WHICH TO STAND--NOTHING LESSER IS ACCEPTABLE.

Blessings be upon you for penning your inquiry for you bless your brother who has hesitated to write. God holds ye all and sends we of His Hosts to tend of the fragments in these trying times and prepare a place for His return and all the lessons have been taken and given

in error and you are lost in the chaos of the maze--without direction nor mapping for the journey. We come with the map and the WAYSHOWER for God has sent us that you might know the way home unto HIS prepared place for you--no more and no less--GOD KEEPS HIS PROMISES! HE HAS PROMISED THAT MAN WOULD HAVE THE FINAL TRUTH LAID FORTH AS THE WORD--GOD IS TRUTH; GOD IS THE WORD AND NO WORDS OF ANY MAN OR WOMAN OF HUMAN FLESH SHALL CHANGE ONE IOTA OF THAT TRUTH. SO BE IT AND SAALOME!

* * * * *

Rest in peace, chela, for I hope, too, that we shall not need attend the matter any further. It is painful to be denounced and attacked by those who used of thine friendship and trust to effort to pull you down--but lessons must be accepted, learned, and your work continued for Man ultimately answers for EACH, HIS OWN--just naked Truth in confrontation between God and Self--there is no more and no less and 'tis Glory to stand before God in radiance as he tells you, "Well-done, child, you are blessed in MY sight." And so it is, Dharma--for you are blessed in His sight--the way of the world is hard indeed but none walks alone. So be it.

Let us return to the book, AMERICAN FREEDOM & ZIONIST POWER.

THE MAJORITY OF SEVENTY

QUOTE:

IT IS CERTAINLY LEGITIMATE to inquire further how the extraordinary Jewish power in American politics could have come

about in a democracy whose Constitution was designed to ensure that members of governmental bodies would express and represent the free will of a majority of the people whole protecting the basic constitutional rights of all. The free will of the majority of the electorate has been, it seems, more often ignored than expressed or more often frustrated than carried out. The defeat and frustration of America's best interests is continually being initiated, aided and abetted by special interest political activists whose views are often more representative of the American Israel Public Affairs Committee (AIPAC) than of the broad American body politic. The AIPAC is the chief Zionist lobby registered in Washington, D.C. It publishes the *Near East Report* and sends it to all congressmen as well as to many State Department and White House staff members.

Former United States Senator J. William Fulbright, who for many years served on the Senate Foreign Relations Committee, has stated that during his tenure in office there were no less than seventy senators ready to vote the bidding of the American Jewish community on any given issue affecting Israel. Understanding this inordinate and skillful Jewish influence is basic to an understanding of the American political predicament. There are two principal reasons for this extraordinary influence. One reason is the predominant role that Jewish mythology has played in shaping Western culture and religious ethos. The other reason is the large role that Jewish money plays in America's interrelated economic and political systems.

THE MYTHIC POWER

In his four volume monumental work, *The Masks of God*, Professor Joseph Campbell observed that the primary purpose of popular religion is not, and never was, to discover "Truth", but to propagate

a sentimental philosophy for maintaining a unified social order which would support the institutions of men. Since time immemorial, strong and widespread belief in popular religions has been utilized by political leaders to rally the common folk around some favored cause—be it the conquering of territories or the establishment of kingdoms. History is replete with examples of the use of religion for gaining political power. Some of the more notorious examples have been the Judaic Kingdom of David and the Holy Roman Empire.

In this age of scientific enlightenment, the art of manipulating men's minds has blossomed anew with the establishment and expansion of the Zionist State of Israel. In this enterprise Judaism has enjoyed the unique advantage which antiquity provides, aided by an offspring religion, Christianity. America's interest in Israel has been described variously as "sentimental" or "emotional". Even Senator Fulbright, of scholarly fame, has expressed a willingness to commit this nation to a holy war over Israel. From the floor of the United States Senate Senator Fulbright stated, "We have a strong emotional interest in Israel and, as I said in a speech in 1970, I accept the validity of that interest and would go so far as to base a military commitment upon it." (Hatonn: Well, beloved readers, the United States of America this day has pronounced willingness to annihilate your entire army of troops and the whole of the Middle East for this false and evil master masquerading as God's Chosen. They are "chosen" but not of Holy God and they are deceivers and liars from the beginning and it is a sad thing which Man is about to do in the name of Satan, while calling it the "Name of God.") Senator Fulbright was referring to his speech entitled "Old Myths and New Realities--II" which he delivered to the Senate on August 31,

1970. In that speech, the senator said that the United States should frankly recognize its "sentimental and cultural bonds" with Israel. The senator further stated that "there is nothing wrong with a policy based on sentimental attachments." While on a trip abroad, Secretary of State Henry Kissinger used the words "emotional ties" in explaining America's support of Israel during the 1973 Yom Kippur War.

The United States Constitution totally and emphatically rejects the idea that American military commitment to Israel or any other nation can be constitutionally carried out when based upon "emotional" and "sentimental" interests; these are mere substitute terms used to soften and make more acceptable the real reason for such commitment, namely, the *religious* affiliation with Judaism of a small but influential group of Americans. In his farewell address, George Washington urged all citizens to observe good faith and justice towards all nations and noted that a passionate attachment to another nation, among other evils, facilitates the illusion of an imaginary common interest in cases where no real common interest exists. And later, Woodrow Wilson warned the Congress that only free people can hold their purpose and their honor to a common end, and prefer the interests of mankind to any narrow interest of their own. The present theme of national support for Zionism leaves the rationalist, who *feels* no emotional ties to Israel, stranded in a sea of irrationality. He is stripped of constitutional rights, taxed to support a theology he rejects, faces the possibility of being forced or drafted to fight a religious war alien to his nature and stands in social jeopardy of his peers. Somehow, the lessons of the Crusades and a thousand other years of holy wars have escaped even this generation of enlightened Americans.

It is clear that Judaism has benefited from the protective mentality which shields an established or accepted religion from scientific or intellectual criticism. This protective mentality has been especially true in "Christian" America where the child *Christianity* is loathe to criticize its parent, *Judaism*. Judaism in America has also gained from the reluctance of Americans to examine critically the beliefs and actions of a people that has borne an unusual amount of bias and abuse, for whatever reason, through the centuries.

Sometimes the reluctance to speak out against excessive Jewish political power stems from fearing the defamatory label of "anti-Semitic" which Jews readily and liberally ascribe to anyone who would dare question, investigate or otherwise examine critically the practices of Judaism, Zionism and Jewish exclusivism as these practices affect others. This use of emotional blackmail has effectively deprived many Americans of their First Amendment rights of free speech and free press. This subtle suppression of constitutional rights deserves exposure and the condemnation of all who cherish truth and fairness.

The political exploitation of Judaism and the Bible is clearly illustrated in the 1976 presidential campaign of Jimmy Carter. Mr. Carter's chief issues advisor, Stuart Eizenstat, who is Jewish, said of Jimmy Carter: "...he sees Israel's future as a moral and religious matter of deep personal concern. The Governor believes in the Bible. He believes that Israel is not just supposed to exist, but that it must exist as a Jewish State." Furthermore, Mr. Carter was quoted as telling a group of Jewish leaders (note the selectivity of audience) in Atlanta, Georgia that, if elected president, his administration would give Israel "undeviating, unequivocal" support. In his evangelical quest for

the most powerful office in the land, if not the world, political candidate Carter continued: "This is not just a political statement. As a Christian myself, I think that the fulfillment of Israel, the coming of that nation, is a fulfillment of Biblical prophecy." Someone must tell Mr. Carter, before it is too late, that religion or the fulfillment of biblical prophecy is NOT a proper concern of any United States Government!

President Ford also allowed the use of emotionalism conjured up by biblical belief during his presidential campaign. Three days before the election date, this writer received official President Ford Committee campaign literature citing a specific chapter and verse from the Old Testament as a reason for returning the president to office. The letter was addressed to "Dear Fellow Christians" and began with the words, "I have urged the President Ford Committee to send you this material. Never before has the Bible believing Christian community played such a central role in a Presidential election." The letter was signed by "A.C. Janney, D.D."

The United States Supreme Court declared in a 1971 decision that "Political division along religious lines was one of the principal evils against which the First Amendment was intended to protect." The appeal by political candidates and office holders for votes based along the religious lines of their constituencies is a throwback to the politics of the Dark Ages. In the words of the historian Edward Frank Humphrey, "Such an irresponsible and potentially dangerous policy may win an election, but it may also make the country ungovernable." Any candidate who seeks political office in America on a sectarian basis deserves not the vote but the contempt of the people.

A president-elect is required to

swear an oath to defend the United States Constitution. As president, he is not permitted by the Constitution to take governmental measures in order to fulfill personal or popular beliefs in biblical prophecy. (It is, therefore, unethical for a candidate to campaign on that promise.) In the context of the on-going Middle East Conflict it is rather frightening to hear or read of a presidential contender promising Jewish voters that, if elected, he will conduct American foreign policy in such a way as to fulfill his or their private concept of biblical belief. One can only hope that Carter, as president, or anyone else here or abroad, will not *feel* the compulsion to push the nuclear button in order to implement a private or popular interpretation of the ***biblical Battle of Armageddon! (Hatonn: Is it possible that on this very day--that has actually been placed into play?) Strong popular belief in a mythical prophecy may result in the self-fulfillment. *Time* magazine (October 4, 1976) states that a late Gallup poll indicates that 40% of all Americans "believe that the Bible 'is to be taken literally.'" From an Associated Press dispatch *The Houston Post* (Nov. 4, 1976) reported that, "Former Israeli Defense Minister Moshe Dayan said Carter's 'religious, almost messianic' attitude toward Israel reflected the feelings of the American people." Again, one can only be thankful that Jimmy Carter was not elected by a landslide as a result of this evangelical crusade for The White House.

The scene of presidential candidates Carter and Ford groveling for Jewish support during their second television debate was so demoralizing and pathetic that *Time* described it thus: "Ford and Carter fell all over themselves in wooing the Jewish vote by vowing all-out support of Israel." *Time* reported that "Jerusalem is relishing the spectacle of both candidates trying to outdo each other in public sup-

port for Israel." *Time* quoted Israel Foreign Minister Yigal Allon (who had watched the TV spectacle in New York) as saying, "I don't know if Ford or Carter won. All I know is that Israel won."

It is most certain that America did not win that debate. On February 3, 1948, former Secretary of Defense James V. Forrestal spoke to Franklin D. Roosevelt, Jr., who was then worried that the Democrats might lose the election to Tom Dewey if they did not strongly support the Zionist position on partitioning Palestine. Secretary Forrestal pointedly told Roosevelt it was "about time that somebody should pay some consideration to whether we might lose the United States." That was twenty-nine years ago. (Hatonn: now 43-years ago.) In the interim, four Arab-Jewish wars have been fought and tens of thousands of precious lives lost--sacrificed at the altars of ignorance and greed. A substantial amount of this killing and dying was paid for by billions of dollars extracted from United States taxpayers who have suffered the ravages of run-away inflation and oil shortages precipitated by a short-sighted Middle East policy of power-seeking politicians who refused to follow the advice of their own Department of State.

Now (1977) the United States has two-hundred technicians in the Sinai Desert stationed between the combatants. Several American presidents have pronounced the Middle East Conflict the gravest threat to peace confronting the world today. That conflict had its inception with the rise of Zionism and became a full-fledged war upon the declaration of Israel as a national ***unity. In the context of these facts, one would have to be out of touch with reality to suggest that Israel has not been a burden to the United States and the world community.

The Israel-first policy followed by

every American president since Harry Truman, with the exception of Eisenhower, is a policy of treason. The television picture of American sovereignty being held hostage by a small pro-Zionist clique which owes its first allegiance to a foreign nation is a debasing and scandalous sight. America needs no more such debates if the highlight of their greatest contention is to see which candidate can promise Israel the most.

David Ben-Gurion, the first prime minister of Israel, is quoted as saying, "A Jew is a Jew first; his allegiance to the state of his abode is the allegiance of a stranger in a host country." Because of their strong political support of Israel most Jews of the world seem to be pro-Zionists if not actual Zionists. There are signs, however, that Israel's appeal to world Jewry may be declining.

Zionist Israel has historically based her emotional appeal to various countries to "Let my people go!" on the supposition that they would flee to Israel from the alleged persecutions in their native lands. Now that the record indicates that most Jews who choose to leave Russia are beginning to "flee" to nations other than Israel, the Israeli Zionists have decided to close the emigration center in Austria and to cut off economic assistance to them--economic assistance given to Israel by American taxpayers for the specific purpose of helping these Russian emigrants. The 94th Congress passed Public Law 94-330 (H.R. 12203 of June 30, 1976) which granted \$15,000,000 for assistance in the resettlement of refugees from the Soviet Union and other communist countries in eastern Europe. Most of these refugees are Jews. (See also the *American Jewish Year Book*, Vol. 75, p.178.)

A New York News Service dispatch from Jerusalem reported that "Up to 62 percent of the average

1,000 Soviet Jews granted visas for Israel monthly have switched to other countries during proceedings in an Austrian reception center..." The dispatch states that in an obvious move "to block these record defections by Soviet Jewish emigres, Israel has decided to eliminate processing in Austria..." (The reader should know that when Austrian Chancellor Bruno Kreisky, himself a Jew, threatened to close down the center several years ago, he was denounced by Israeli Zionist as an "anti-Semitic" Jew.) The dispatch concludes that this decision by Israel "would, in effect, prevent Jews leaving the Soviet Union from choosing destinations other than Israel when they arrive by train from Moscow." It is evident from this mean trick by Israeli Zionists that their much publicized and patronized concern for other Jews is not strictly humanitarian. Israel needs more soldiers and settlers to occupy captured Arab lands that it has announced it will not relinquish peacefully. Russia represents the best national prospect for a source of recruits. But Israel has not hesitated to throw a stumbling-block in the path of those emigrant Jews from Russia who refuse to choose Israel in their search for a better land. (Data from the Austrian emigration center show that the great majority of those who decide against going to Israel come to the United States.) In spite of this harsh turn by Israel, stubborn pro-Zionists continue to lobby for "unequivocal" support for the Zionist state. The Congress should demand that Israel return any monies granted her for settlement of refugees who decided to settle elsewhere.

END QUOTING FOR THIS
SEGMENT

Thank you for your service and you, readers, for your attention. We honor the daring speakers of

Truth who have brought forth information only to be denounced and mostly, now, end up quite dead at the hands of your so-called closest ally. God desires no more martyrs, beloved children, and honor will be given those who dared so that your nation might have and retain its freedoms under your Constitution. How many are worthy of that contribution of the ultimate gift unto you for "no man hath greater love than to lay down his life for his brother."

Salu, may you ponder these Truths most carefully.

TODAY'S WATCH

Salu, on this day God has given unto us in which to make our mark. Neither be "surprised" at that which is told unto you by those who do battle--why do you believe anything they say? Do they have a history of telling you truth? Oh, how so? This day a new "surprise" was laid at your doorstep in gleeful smugness. While all had you praying to whoever you ones pray unto--it is now told unto you that the day and hour of the war were set for weeks past and "the peace talks were set as subterfuge to distract the enemy and were a 'hoax' by the allied coalition to gain advantage!" This comes from your own leaders so I am not in joshing. So be it--for no one was fooled except you of the citizens who do the fighting and dying and mourning.

Now they tell you that all is going wonderfully well--and so it appears. What do they count for you? Over 5,000 enemies captured and "single digit" for your side are slain? Why do you believe the false projectors? Is it true or is it false--it matters not for it is what will come and is planned that

should be given your attention.

At any rate, whatever happens in Kuwait is gratis for the battle--to be settled later. If you win Saddam would be out of Kuwait at any counting. If Saddam wins he shall march right back into Kuwait which must now be rebuilt under any circumstance. You ones who have been reasoning maneuvers from the couch in front of the television--what would do if you were you in charge? Well, I think I would mislead all of you all of the time--because, as they openly tell you--they are playing to Saddam and his troops and rallying citizen support for anything that comes. You are being set up at this very moment for the time when and if the battle does not go well--"Well, look how it 'was'--how could we suspect that - -!" What would you do? Let us play some war games.

Next, I would most certainly have taken in all this prior information--you can know by that which IS known that you are either lied to OR your military DID NOT hit the fortified enforcements for there were no mentions of mine-fields nor burning oil trenches--AND THERE ARE! In fact, the reason that the allied coalition bombed and set afire the Kuwaiti oil wells, etc., was in an effort to stop oil from pouring into the trenches--which WILL be encountered at some point.

If I were the allies I would probably do the same as yours are doing--If I were Saddam, I would do the same as he is doing. He is rallying his terrorist friends and rousing up support for the real encounters and the minute you march across Kuwait and scatter your own forces and use much of your ammunition--I would be waiting, complete dug in with everything at ready to meet you--scattered and short of supplies--the very same circumstance in which Iraqi soldiers found themselves as you

crossed the border.

It doesn't matter--you will be told that which you are supposed to hear in order to continue support for your administration who is being ordered about right out of Tel Aviv. Do you actually believe the Israelis would watch centuries of planning and working go down on a "peace treaty"? Come now--they are telling you this even on your closed news. THIS WAR HASN'T EVEN YET BEGUN! AND WORSE, ON THIS WONDROUS SUNDAY MORNING WHILE THE SUN HAS TURNED TO BLOOD AS IT IS CLOUDED BY THE SMOKE FROM CARBON FIRES (significant in its own right, dear ones) YOU PRAY FOR "VICTORY"--NO LONGER FOR "PEACE". VICTORY FOR WHOM? WHO SHALL HAVE VICTORY? SATAN IS THE ONLY ONE WHO SHALL EXPERIENCE VICTORY THROUGH THESE NEXT HOURS, DAYS, MONTHS AND THEN?? AH, BUT THERE SHALL BE INDIVIDUAL VICTORIES AND AFTER THIS CONFLAGRATION--MANY WILL RETURN TO THEIR "NORMAL LIVES" CHANGED AND IN SERVICE UNTO PEACE AND GOD FOR THEY WILL HAVE WALKED IN THE SHADOWS AND WILL HAVE SEEN THE TRUTH OF IT. So be it. Hold to your prayers and Truth, beloved ones, do not slacken your petitions for a skirmish does not a war make. Plead for mercy and insight and reason among men for there is no right in war--only pain, death and loss. Battle in anything other than absolute defense is not of Godness. Support your loved ones in that sector and ask special protection under your heavenly banner that you might again attain the glory with which America began.

Please do not slacken of your attention unto that which is happen-

ing domestically behind the shroud of silence of a war in the media playing. How much are you learning about your domestic conflicts and problems while the news is 99% war disinformation? Your entire government could be replaced and only a handful of citizens would be the wiser. What is going on that will affect your lives after this conflict? Since there are few programs for post-war actions outlaid for you and yet you know that they lay plans far, far in advance--what do you think they might have in mind for you next?

SHOES THAT PINCH

Dharma, I am sorry, chela, that you understood not why I wrote on the matter of A.S.S.K. other than to respond to our correspondent. I shall do that which has been demanded and you shall continue with your work, please--this is between Sanat Kumara, Sananda and ASSK--it is not your problem and the earlier you realize it the better we shall all be for you readers for it has been demanded by law that we inform you of the following.

A.S.S.K. has acquired a lawyer and plans to bring suit against Dharma and America West because some readers still call and "annoy" and "cause undue expenses" in responding to calls asking for address and phone numbers where you can get Survival information. I believe the "Godliness" of this attitude speaks for itself as a world, by their own projections, is in the pits of agony--but nonetheless, we shall ask again, that you who know both refrain from mentioning our name unto ASSK for it annoys them greatly.

The problem seems to stem from a perception that somehow profits are being made from Sister's work. If Sister has been in Service unto God--I would suggest that all such work is God's--Dharma makes no claim to Truth as HERS.

However, to set the record to unmistakable right: The publisher and these ones sat and find that with all the expenses of publications, etc., expenses outweigh all assets by well over \$20,000 PER MONTH!

Their lawyer did acknowledge that we were obviously good business people and seem to be "judgment proof" so for you who wonder about the feasibility of our instructions--take notice! I bring up these two points because we have been remanded to announce this information regarding the cease and desist with anything even remotely mentioning A.S.S.K. in all writings and do hereby do so. I DO HAVE A SUGGESTION TO ALL WHO READ THIS, ESPECIALLY THOSE OF YOU AT A.S.S.K.: I WOULD SPEND A BIT MORE TIME ON THINE KNEES UNTO GOD FOR THIS WHICH YOU INFER AND DO, FOR LAWSUITS AGAINST THINE BRETHREN ARE NOT OF GOD! I BELIEVE THAT YOU, YOURSELF, GIVE AWAY THE TRUTH OF THE SITUATION AND WHO MIGHT BE GIVING FALSE INFORMATION UNTO WHOM! SO BE IT AND IF YOU FEEL YOU HAVE A CORNER ON SANANDA AND SANAT KUMORA--I SUGGEST YOU INQUIRE IMMEDIATELY ABOUT WHO IS ON YOUR LINE! TO PRONOUNCE GOD A FRAUD FOR BRINGING TRUTH IS QUITE RISKY, DEAR ONES. QUITE RISKY INDEED--FOR THAT WHICH YOU SEND OUT WILL COME BACK AS SURELY AS THE CYCLES OF THE UNIVERSE.

WE UNDERSTAND NOT WHY YE ARE SO INCENSED ABOUT SUPPOSED VIOLATIONS OF "YOUR MATERIAL". DO YOU PRONOUNCE THAT THAT WHICH WAS GIVEN BY "GOD" UNTO YOU IS NOT, AFTER ALL, TRUTH? OR DO YOU BELIEVE THAT TRUTH BE-

LONGS ONLY UNTO YOU TO BE KEPT IN THE BUSHEL THAT NONE OTHERS MIGHT HAVE IT? IF GOD CAN PRESENT IT TO THEE--CAN HE NOT REMEMBER LONG ENOUGH TO PRESENT IT UNTO ANOTHER????? WHO MIGHT LIMIT GOD? WHETHER OR NOT ANYONE LIKES OF IT--THE TRUTH IS COMING FORTH AND IF SOMETHING YE HAVE WRITTEN IS OF TRUTH AND IS UTILIZED BY HIM--I FIND A GREAT LOSS IN THE FACT THAT YE WOULD NOT REJOICE TO HAVE ANOTHER KNOW OF SAME. ALL AUTHORS, EXCEPT BILL COOPER, HAVE REJOICED AND SENT MORE INFORMATION FOR US TO PUSH FORWARD. EITHER WAY, DEAR ONES--TRUTH IS COMING FORTH AND YE SHALL NOT STOP OF IT!

It is indeed painful to long-time friends to find who have been workers for the dark brotherhood in total ignorance. God overlooks that which is done in ignorance, however. HE DOES NOT OVERLOOK THAT WHICH IS DONE IN DELIBERATE ATTACK ON THIS MISSION TO BRING TRUTH UNTO A SICK AND BATTERED PLANET AND PEOPLE OF HIS LOVING CREATION. SO BE IT. Would the revealing of the intent of one, Donald Keyes, as one of the founders of the United Nations one World Global Controllers have something to do with this attack? So be it for the veils are going to come off and ye who have hidden behind those veils in ignorance or intent shall be uncovered. And so shall it be.

TODAY'S WATCH

Today we shall leave the news and non-news to the projectors and speculators for we will turn our attention unto that which is truly important--YOU and YOUR SOUL in relationship to GOD and HOW you can discern that which IS Truth and abiding "right-ness". Believe me, it is NOT: "...If it feels good do it!" nor is it: "...if it doesn't hurt anyone else, do it!" These may even be acceptable under the laws of the land but either one can be most destructive to soul truth, balance and simply, "self".

For you who say I identify not myself--you will find within the multiple thousands of pages of print and thousands of hours of personal audio-tapings--I identify myself every time I come. Even, our speakers and scribes do not allow us into their presence without thorough identification and clearance for they are sent forth after years and years of stringent discipline. They are not acceptable as scribes until they have learned "in this consciousness" to separate self ego of your dimension from the circuits of clear receivers. That is a point which must be determined by the Master who utilizes the service so freely and humbly granted. And, dear ones, believe me--by the time an entity becomes a scribe he/she is totally humble, clear of personal ego as relates to the writings, sepa-

rated from the personal claim and in total awe to the point of sometimes refusing to go on with the service.

Anything that you read as stated given forth by one which will appear in these Journals or Expresses--and I clearly speak of that which is directly given from higher beings of more comprehensive knowledge, they are cleared. I do not go through all of the introduction and boredom of Dharma's clearance, for instance, every time we write for often we write some six or eight times in a given day--AND YOU THE PEOPLE WRITE AND OBJECT AND SAY THINGS LIKE: "WHO ARE WE TRYING TO FOOL WITH ALL THE NONSENSE". But at this point I will give you the truth of it--it matters not whether or not Dharma is clear when she writes as far as the reader is concerned!! It is up to the reader to read, study and clear of his own space and ask for discernment and clarity in the name of the Holy God of Light and make sure it is THE Holy God of Light, by whatever name you call him, who is in attendance at your reading.

The next barrage of argument is, "How can you commend, honor and denounce other ones' material at one and the same time?" and usually, I get William Cooper thrown into the fray. Because, and this is very, very important: Everything written by any ONE is

truth! It is not very often the TRUTH OF HOLY GOD OF LIGHT/CREATOR.

Let us stop here and look into this particular situation. Mr. Cooper took, in his human ego, research which appeared to him to be interesting and perhaps, or perhaps not, even factual. But he checked out the information and presented unto you ones that which he found and some which he did not find. But with discernment, the TRUTH can be gleaned from the circumstance itself. He stated that he was in the service of Jesus Christ and God and simply wanted to bring Truth unto a lied-to world. So, he worked with other would-be writers and speakers of truths, lies and interesting fantasy and pronounced unacceptable conclusions from that which they dug up, reported clearly or in fabrication and then, when their own workings were laid bare by ME, they rose in anger, got totally untruthful, i.e. "...stole and plagiarized 50 pages of my work.." when there were only 26 pages of his "work", and thus and so. There is also a clue which is never absent and heed this well: IF AN AUTHOR GIVES FORTH TRUTH AND HE KNOWS IT TO BE TRUTH AND PRONOUNCES IT TO BE TRUTH--HE NEVER OBJECTS TO HIS WORDS BEING REPEATED--NEVER!!! IF HE DOES, IN FACT, KNOW THEM TO BE FABRICATIONS OR PARTIAL FABRICATION--HE WILL SHOUT AND CALL NAMES.

FRAUD, PLAGIARISM AND OTHER THINGS SUCH AS "THIEF", "SLIMY PUKES", etc. AND THREATEN TO, OR DO SO, FILE LAWSUITS. If I tell you the world is round does that give Columbus or Erikson or Copernicus cause to sue me for plagiarism?

Next clue, is that ones such as this when queried about that of another--flail about in accusations even unto and in return unto the inquirer. I have a copy of a letter brought to my attention by one who knows Mr. Cooper and did in fact take time to write him a letter concerning some points in question regarding his information, America West, George Green, etc. The letter was returned with scribbling along all margins calling the man an "Ass", stupid--among other defining degradations and called George a disinformation bearer in service to the CIA.

At this point I wish to tell all of you something. YOU tend to get hung up on who is in the CIA and who isn't, etc. I do not care if George Green is in, or has been in, the CIA. George Green publishes BOOKS! He distributes BOOKS! He even distributes some books with which I take great and total exception to the contents--but America West publishes and distributes BOOKS. Further, the Greens have spent hundreds of thousands of dollars, now, on the publication and distribution of the Phoenix Journals and Expresses and there is not limitation to my gratitude or that of the Hosts preparing to join you on your planet. That is the TRUTH of it--what a man WAS is of no interest to me whatsoever--what a man IS is that which is of importance! And further, I make no speculation for your picking in either direction regarding George Green for it is not of my business nor yours.

I can promise you without equivocation, however, that any who treat their readers and honest inquiries

of Mr. Cooper and receive response in the manner just outlaid for you--is NOT RECEIVING THE REPLY FROM ONE WHO TRULY WORKS IN SERVICE UNTO HOLY JESUS CHRIST FOR THE ACTIONS THEMSELVES ARE ANYTHING BUT THAT OF THE TEACHINGS OR ACTIONS OF ONE, JESUS CHRIST.

Do I judge Mr. Cooper? Absolutely not--BUT I CAN DISCERN THAT HIS PROJECTIONS AND ACTIONS ARE NOT ACCORDING TO THE LAWS OF GOD AS GIVEN FORTH THROUGH JESUS CHRIST, AS YOU LABEL CHRIST. GOD SAID "JUDGE NOT THAT YE BE NOT JUDGED" HE DID NOT SUGGEST THAT YOU NOT JUDGE ACTIONS AND JUDGE THEM IN CLARITY--EVERY TIME!

Further, I gave Mr. Cooper a Book (Journal) dedication for I honor him for that which he HAS DONE. He has presented unto you the LIE and he did it pretty well. His conclusions were incorrect and I have often stated same. Further, I have offered time and time again to share with him, Truth, and he declines through more insulting shouting and accusing than the time before. He has done well, along with the works of others, from which he took his own material and which, I might add, he could be liable for it is not TRUTH. It is only the truth of the lies having been projected for your disinformation for many years.

Documents were presented to you as truth and to substantiate the projections--but the documents are lies. Does that make the work into TRUTH? No, it only substantiates the lies.

Now, for the other side of this coin. If I could give unto all of you the confirmations and valid documents and letters and input

which pour forth from readers I could not do another thing save reprint them--and they come with rejoicing and confirmation and pleas to print them for all to see. We are already giving forth all thirteen issues of the Express in some two weeks instead of the quarter-year and our ones cannot afford to carry the burden alone for the additional publications--and we cannot ask more of the readers for all are limited in resources--as we grow in the institute, we shall not concern about expenses and will just put it out there in great abundance--but for now we must keep our material as short as possible, timely as possible to the problems confronting on a daily-living basis and all, in unity, move as rapidly and lovingly as we can--in service unto God, the Christed one of Infinity and our heritage unto that Great Spirit from which we come. We are in council on a constant basis as to how to bring TRUTH and living contribution to get you through in a human-physical transition while responding to those things of human needs which are thrust upon you while you come into knowing of Truth and that which has been given in great dishonesty unto you for the eons of time past. TRUTH OF HOW IT IS, IS THE SWORD AND BUCKLER WITHIN THE WORD WHICH SHALL PREVAIL AND KNOWLEDGE IS DIFFICULT TO FACE, CONFRONT AND ACCEPT IN TRUTH FOR THE CONSCIOUSNESS IS BROUGHT INTO AGONY OF THE SUBTERFUGE IT HAS BEEN GIVEN IN ORDER TO SEPARATE YOU FROM GOD.

I, Gyeorgos Ceres Hatonn, come from the highest state of Grace, choosing to serve in Command of the bringing of the Truth and Record Keeper of the Council of God. I am personally known to hundreds of receivers upon your very placement as Hatonn and many there were who received from me and received from me in

Truth--until the going got rough and that which was a "game and toy" became overwhelming and the flesh becomes weaker than the soul strength at the given moment. This is why it is said that there will be many in the offset and yet few, indeed, in the ending. For as the speaker or writer becomes a threat unto the dark adversary, the impact of human ego temptations are thrust forth and the ego folds unto that of perceived reality and falls into the trap of service unto that which is in physical manifestation--the energy form which rules the kingdom of flesh and ego consciousness. Does it make their contribution unto truth--less? No, but it does require that they on an individual basis sort that which has been taught in Truth from that which they have now conjured from the physical. That becomes difficult to do for the ego fed by the temptations and stroking of Satan himself, becomes defensive indeed and the war within is on, peace is absent, the entity becomes harsh, bold, worldly-oriented and serves the negative cause by doing things in darkness--i.e., suing through the injustice courts instead of picking up the phone and coming into loving communion. You see, the brother of darkness sends unsigned documents, hiding from light in anonymity, no return addresses in the painful thrusts of words of accusations, sends denouncements to ones who could not care less and will always try to use third party enforcers and will refuse to confront the LIGHT at all cost. I stand ready to speak with any who have anything to say to me--good or bad and where we show the Truth of it--I speak with any energy who utilizes a human through which to commune. I have most often found, however, that with the ones who do the loudest speaking and instructing--that when I confront that energy of great touting, they leave their speaker soundless and give of themselves away--for evil will not long confront the Light and will

desert the speaker almost immediately. Ones who come into my presence bearing false speakers never come again--do you not find that interesting?

Does it not occur to you readers that some who claim righteousness because they have spoken "for" one they claim to be a higher energy for 40 years or 80 years or ten minutes--might just be speaking for the servant of the wrong God? Why does their denouncement of say, Dharma's Sananda, be given honor? Dharma claims no corner on Sananda, Hatonn, Aton nor any other and ones who do make such singular claims are acting from HUMAN, PHYSICAL ASPECT--FOR SUCH CLAIMS CANNOT BE OF HIGHER DIMENSION FOR THERE ARE NO SUCH STATUS LEVELS IN HIGHER REALMS OF SINGULAR ACQUISITION. Further, TRUTH IS ONE COMMODITY WHICH CANNOT BE PLAGIARIZED FOR IN THE ONENESS OF ALL IT IS THE RIGHT OF POSSESSION OF ALL--NO SECRETS--ONLY THAT WHICH IS AWAITING THE LEARNING AND UNFOLDING.

I, Hatonn, am serving as a Commander at this time of transition. And I am in Command of a fleet of wondrous starships which we like to call the Silver Wings or Silver Clouds. Most of the accompanying brothers in service with my immediate command are from Pleiades Constellation for they are most nearly like you in human form. We have, and are, efforting to give you all this information as quickly as the fingers can put it to document. We come as Hosts to bring Truth and prepare a "landing place" for the Master who has been preparing a place for you through these eons and now is coming again to a troubled planet in the throes of devastation and then renewal--a wondrous place for experiencing the physical aspect of Man. We come to assist and fulfill

the Commandment of God that the Truth shall be given unto Man and the WORD written for all to have and hold that the lies be revealed and the perpetrators of evil be unveiled. What you do with the information is between each of you and God--it is not my business as a Commander, nor Dharma's as a scribe--nor George's as a publisher nor Oberli's who efforts to correct Dharma's typographical errors.

I have walked upon your lands as many various nationalities and I have no bigotry nor racism for that is of human physical and I am not of that dimension--I give forth Truth as it is found--and because I tell you Truth does that make me less your friend--or perhaps more?

If I reveal the Nazis for the heinous acts and projections they thrust upon humanity--does that mean I denounce those calling themselves Germans? If I uncover the veils of the Klu Klux Klan, does that mean I hate the white races? THEN, WHY DO YOU DENOUNCE ME AS ANTI-SEMITES WHEN EVEN THE WORD HAS NO MEANING EXCEPT FOR A FEW OF YOUR YEARS? I CANNOT BE ANTI-JEW FOR THE TERM HAS ONLY BEEN CREATED WITHIN THE PAST FEW OF YOUR YEARS, IN COUNTING--IT HAS NO MEANING, IN FACT, UNDER ANY CIRCUMSTANCES. WHEN I TELL YOU THAT THE ZIONIST KHAZARS ARE YOUR ENEMY AND WISH TO CONTROL YOUR WORLD--WHY DO YOU CALL ME ANTI-SEMITES? COULD IT BE THAT KNOWLEDGE IS LACKING? COULD IT BE THAT TRUTH HAS BEEN DISTORTED AND, IF IT IS DISTORTED IN THIS DAY OF INSTANT COMMUNICATION, IS IT NOT POSSIBLE THAT IT HAS BEEN DISTORTED TO SERVE THE FEW FOR THE THOUSANDS OF YEARS OF PERCEIVED LIFE-FORM UPON THIS ORB?

Is it possible that, in fact, ones in your books of lineage misrepresent the Truth to protect their power? Is it possible that ones are taught that all Men coming from Space, and aboard that which you foolishly call UFO's, are EVIL is to prevent your insight and loving joy at this day when God would send again His Light upon your place? Could the projection of horrid little aliens who mutilate cows and suck human flesh and blood be lies to terrify you and keep you locked in the dark prison of the Head Deceiver against this day when God would return and set things to right again? WHILE YOU DENOUNCE ME AND EFFORT TO LITERALLY KILL MY SCRIBE--AGAIN ON SATURDAY NIGHT, LAST--COULD IT BE THAT YE, YOU, THEE MIGHT BE HOLDING WRONG INFORMATION? So be it for the time is at hand to be finding out.

Why do you not give us a chance--would it not be wondrous to find there is balance and justice in the Universe--in the Cosmos? What makes you think "Star Trek" is a fantasy?--the information was originally pulled right off military interception computers and parables written and projected to give you insight unto that which is coming. I suggest you give more attention unto possibilities and Truth will come into focus and balance.

Chela, start another program, please, for they have tampered with your computer program and you will lose all this input if we go further on this writing. Please tend it now.

2/25/91 HATONN

I spend time in this current circumstance on matters of very human detail for it is your human experience in which you are functioning. But you must have input and truthful correct insight into that which is higher dimensional knowledge in

order to make your graduation. You must come into the sorting of the wheat from the chaff so that you can honor the being of perfection which you are and which has been hidden from your own perception--for Man is that which he is "trained" to be and yet at a level of Oneness with God--in that infinite energy essence--he KNOWS! MAN KNOWS! MAN JUST PRETENDS TO NOT KNOW FOR HE PERCEIVES THE FUN AND GAMES AND EGO TRIPS OF THE PHYSICAL PLANE OF PERCEPTION IS GREAT AND HE FEARS THAT WHICH HE CANNOT SEEM TO SEE OR TOUCH. AS THIS MISPERCEPTION OF EXISTENCE IS REINFORCED AND REINFORCED, MAN STUMBLES AND CANNOT FIND BRAVERY ENOUGH TO COUNTER THE BEAST EVEN IF GOD HOLDS HIS HAND FORTH--FOR HE "THINKS" HE CAN SEE THAT WHICH IS ABOUT HIM AND FAILS TO WITNESS THE HAND OF GOD. EITHER WAY, FRIENDS, THE BEING WHICH YE CALL "SELF" HAS TO MAKE THE DECISION AND THE JOURNEY AND SINCE YE ALWAYS TURN UNTO THE UNSEEN GOD WHEN "THE CHIPS ARE DOWN", WHY DO YE NOT TURN UNTO THE TRUTH OF THINE OWN GOOD AND PERFECT JUDGMENT PRIOR TO THE LAST MOMENT OF TRUTH?

Why would you denounce these writings as evil on the basis of another's opinions? Is another brighter or greater than thee? If you answer "Yes" then you disappoint me for all Men are created equal in the sight of God and since you will make that journey for "self"--why would you give your destiny into the hands of ANY OTHER? The other is an "authority"? and Expert? By whose pronouncement? Ponder it.

HOW CAN YOU KNOW TRUTH?

First I will again introduce some new, to some, insight. "Christ" is a state of being--not a name. Emmanuel, Immanuel, Esu, Jesus, Hatonn--are names just as John, Paul, George (in fact that is English for Greek, Gyeorgos (my) name). Christ is represented as the INFINITE SACRED CIRCLE WITHOUT BEGINNING OR END. "Sananda" is a state of being--not a name. Sananda is the state of grace and attainment as one with God. Aton is a state of being and in addition, is an accepted label for "God--One Light" and at the time of experience when the "One God" and "Oneness of All" was being recognized was the label utilized for it was the term used to designate the great central sun and source of life. There is nothing of mysticism nor "charting" about this nor is it revelation of secret societies. If it is a "mystery" it is only that YOU do not know this information--but now that you do, there is no mystery at all. God is not of mysticism, ritual or secret orders--GOD IS TRUTH, THE WORD, ALL KNOWING AND, WHAT GOD IS SO CAN YOU BE, AS THE MYSTERIES ARE OPENED INTO KNOWLEDGE AND THE MYSTICISMS AND 'SECRET PRONOUNCEMENTS WHICH SHACKLE YOU ARE PEELED AWAY IN THE LIGHT OF THAT KNOWLEDGE.

Let me example--if to focus attention on a given thing--say, tie a yellow ribbon on the tree to remind you each time that you see it, of your beloved friend or loved one in the military, it is a valid and wondrous tool for each time you see it if you will stop, focus and send love and energy, it is a marvelous tool. If, however, the ribbon becomes considered some magic artifact which holds the "magic of manifestation", it is empty and worthless--for you have given into the "thing" your "power". The

ribbon is nothing save a ribbon--it is the value of the focus of YOUR energy which is the "power". Just as the super-drug does not heal the body--but only is a tool to assist the body, YOU, to heal. You must cure, the pill is a tool and nothing more just as the ribbon is a ribbon and nothing more. YOU, YOU WONDROUS FRAGMENT OF GOD POWER AND ONENESS, ARE THE POWER AND THE CREATOR AND THE ONE WHO MANIFESTS AND, MOREOVER, YOU CAN UTILIZE THAT WONDROUS GIFT FOR GOOD OR EVIL. ALWAYS GOD SHALL ALLOW YOU THE CHOOSING OF WHICH IT SHALL BE THAT YOUR EXPERIENCE CAN BE VALID, FULL AND THE LESSONS OF PROGRESS OF THE SOUL INTO MATURITY BE ROUNDED AND, FINALLY, INTO TOTAL ABILITY TO FUNCTION WITHIN THE LIGHT ITSELF AS TOTAL KNOWLEDGE WITH WISDOM AND PEACE BEYOND THAT WHICH IS GIVEN UNTO HUMAN ASPECT OF EXPERIENCE TO UNDERSTAND. Once that understanding is attained--YOU will no longer be in the present dimension of limitation.

Well, you might say, "So you've got Dharma trained and she parrots or arranges that which SHE believes and tosses it off on YOU." Let us look at that for a minute. We chuckle a lot at the very fact that she often tells me that, "My opinion does not seem to always represent the opinion of the Management." In human aspect ones have opinions and they are colored by impact of physical experience and not total objectivity and she may have all the opinions she wants in the physical experience. If, however, she writes for me, she may not input her opinion unless so stated, any more than would an efficient secretary who takes dictation for the "boss'" signature. That is an agreement which is

never breached and if it is, it is so stated and we lose zillions of exceptional scribes who choose to make the writings their own opinions instead of that one for whom they scribe. In many ways we become inseparable but an honorable scribe does not have a problem with confusing the two--in fact, the opinions become one in the same, but to present Truth unto the masses is indeed overwhelming, to speak at minimum about it. But then, one can take the work and represent it with interpretation and opinion--as long as they so state that it is their Perception and Interpretation of the meaning.

In other words, George can say that "...in my opinion, this is what Hatonn means." But it may or may not be exactly what Hatonn means for it is colored with the opinion of George. This is, further, why you ones are so easily duped regarding your Bible, etc. If to join a "Church club" you must declare that you believe the Bible to be total Truth in all its content and outlay, you have just been made the fool. Man has written and translated and erred in those translations according to his perception even unto the translation of a given word to mean such and such a thing, say, from Latin or Arabic into Greek and then German and finally into English for the English-speaking people. If you cannot take an English word and always have it mean the same, i.e. pare, pair, peer, pier, etc., etc.,--THEN HOW CAN YOU NOT KNOW THAT THERE ARE PROBABLY ERRORS, AT BEST? But if you are allowing self to be so narrowly tunneled at the requirement of another who insists YOU function according to HIS PERCEPTION--you have released your power and self-authority unto another.

Let us take that further a bit. Say you have a child who attends a given "Church" with you. Now, you didn't REALLY mean you ac-

cepted every word but said so in order to be a participant in the club--fine for you, but what about the child who sees the rules and sees you swear to the rules, etc. Do I make my point? Then how can you suppose that total Truth would make it through the generations without erred input since Genesis and Alpha unto the present even if not by ill intent to tamper? This, dear ones, is called using your God-given gift of choice and reason. Reason being the only thing that sets you aside in the Godness of creation of beings. Further, to reason well--you must have knowledge--both good and bad--in perceptions to measure one against the other to reach valid decisions.

When you are told to not partake of certain information--why might that be? It is because the limiter is efforting to prevent you from learning something which may lessen HIS POWER OR CONTROL OVER YOU. God always says--read it ALL--ALL--and study it well for TRUTH WILL STAND THE TESTING OF INFINITY AND THAT WHICH IS UNTRUE WILL FALL ON ITS ASSETS SOONER OR LATER IF BROUGHT INTO THE LIGHT OF OPEN REASON AND LOGIC. In the light of Truth and revealed mysteries--the hidden is opened and the mysticism peeled away like the chaff in the winds at harvest. We further say--copy, share, tell, give, "plagiarize" and present that which we write to all who will hear and see--hopefully without YOUR opinion to PUSH them into your opinion but to allow them to see and hear for selves the logic, reason and unfolding of that which is sent of God for your knowledge and growth and it shall stand--into infinity. You need not defend anything we bring you--it needs no "defense" for Man is given reason as that wondrous portion of His creation--and in time he shall come into the Truth of that which IS!

Now, in order to disallow you from giving all credit and/or "blame" unto Dharma, I herein ask that Sananda (Jesus Christed) allow Druthea, our beloved student and humble servant to share a lesson of lessons for you who would seek for Truth of actions and understanding of the commandments of God in the light of discernment of Truth. This child is humble and perceives self to be unready and thereby comes the ability of the teacher to see that His student is most surely ready. The responsibility rests most heavily on those who serve in Truth and the fear is always that somehow the scribe will inadvertently misrepresent the speaker. That is why the speaker forms great communion with the scribe and the clearance is pure and critical--every time--and the information coming from this place is edited by God, not a set of editors at the bookstore.

First, you must know how it IS and learn to find and isolate Truth and recognize it. Then you can be helped in your searching by ways which help others in finding the channels within self for discerning and communion--i.e., the utilization of the yellow ribbon, let us say, to focus a bit of energy unto another. Moreover, you must learn truly how to commune with self, higher self and beyond WITHOUT THE MYSTICAL CHARADE AS GIVEN BY MOST SELF-APPOINTED GURUS. THERE IS NO GURU GREATER THAN SELF! You must come into the realization that all things flow and become only ONE and if you don't understand that then I suggest the book, AND THEY CALLED HIS NAME IMMANUEL. THERE IS ONLY ONE--IN ALL THINGS THERE IS ONLY ONENESS AND IT IS FROM THE SEPARATION AND DIVISION THAT YOU HAVE COME INTO CHAOS AND DISORDER FOR YOU HAVE FORGOTTEN THAT WHICH YOU ONCE KNEW.

Then, I ask that Sananda (Jesus Christos) give you input through Thomas. I would then have Joy to pen for Him but she is distant to such extent that the writing would not be timely to this location and it is the value of that very fact that is worthy of note. You will find that Truth never varies--only the presentation thereof. Further, you will, hopefully, be able to see that "I knew/know that!" and "There is nothing new in that!" I certainly hope so! If you do not see it, then you have given your wondrous and greatest gift of all--your God power--away, and believe me it will come into reasonableness when I say--to someone lesser than you for if another would accept your power from you--HE IS NOT OF GODNESS AND IS FAR LESSER THAN BE YOU.

I shall relinquish this forum herein unto my brother that you might see the fact that Truth when given in that total light of Truth is in sameness and yet, often given in differing perspective is most valuable indeed, in the touching of a chord of recognition in memory. May you be given into seeing that which is offered unto you. Saalome' In love and honor, I salute you and stand guard with the Guardians and Hosts in His service and humble service unto you for in God we are but ONE and as there comes into our perception an ending of some sort or another--KNOW THAT IT IS ONLY THE MOST WONDEROUS AND GLORIOUS OF THE BEGINNING!

2/24/91 SANANDA

Peace, peace, peace be unto thee Thomas. Though the days be filled with confusion and turmoil let the example of light and even behavior be emulated that others may come into their balance. So be it. I Am Esu Immanuel Sananda present in service and in radiance before The Father, for it is in His Service that I Am Come. The blessings are before thee, be-

side thee, behind thee...let us ever count the many blessings gifted of The Father that we may continue our work through the chaos and whirlwinds that circle all about thee. Each day is a gift beyond measure for your world teeters on the very precipice of destruction by the soulless ones.

The choices are made for reasons known only to self and unto God. None may know the path another walks, therefore it is the greater part of wisdom to not judge that other but to, rather, have compassion for the pain that manifests itself in aberrated behavior patterns. The stress and pressures are great on all of our beloved workers, and none has a job greater or lesser than another, only different. (Oh, come on Sananda, surely Dharma's job is greater)...Well, perhaps, yes, but do not miss the point of my point, please.

That which is inner shall manifest itself in the outer. That which is outer shall reflect the true nature of self. Has it not been said? The signs that each one wears shall be evident for all to see. Do you note the signs you wear? Do you note the signs of others around you? Do you ever judge and thrust your opinion to and fro and never cease the wagging mouth to hear what another's view of world is? If this be the case, perhaps the sign you wear is dark indeed. Let us each, beloved Father, strive to wear signs of the lighted radiance which I Am, which you are. The slings and arrows shall only serve to cause the wounds that separate to fester...never healing, always dividing. It is a united house that we need to bring forth the lighted example unto man. Can not each of our ones come into sufficient balance to hear what I am saying that examination of self may manifest itself in evenness? Ponder it please, each of you.

Beloved Al, you must bring your anger under control for it is only

serving to divide you from all ones within our group. You must come into your own balance that the interactions you have be not based on rightness but on even exchange of views and understanding. There is no longer time for the sort of confrontations that have been taking place between you ones and it must be brought under control. I plead with you to hear what I am saying unto you.

Each of you are beloved of us, for we have great respect for that which you are doing against tremendous odds. There is not time to slack off during this critical period in Earth history, for the door for information dispersal may soon close. If we do our job well it shall remain open unto the ending of all time...

Give great HONOR AND RESPECT AND RECOGNITION TO YOUR BELOVED COMMANDER HATONN, FOR I TELL THEE YOU KNOW NOT WHAT STRESS IS UNTIL YOU HAVE WALKED IN THAT MASTER'S SHOES...HE HEARS YOU AND TO HONOR AND RECOGNIZE HIS WORK IS THE GREATER PART OF WISDOM. LET US BE WORTHY TO SERVE IN HIS COMMAND FOR YOU OF THE GROUND CREW MUST REFLECT THE LIGHTED EXAMPLE. IF MAN IS GIVEN ONLY CONFLICT AND SEPARATION AS THE REPRESENTATION THEN IT SHALL SERVE ONLY AS CONTINUATION OF THE LIE THAT HE IS SICKENED UNTO DEATH OF. RAISE ABOVE WHAT YOU PERCEIVE TO BE PERSONAL AFFRONT AND PUT YOUR EGOS TO THE SIDE LONG ENOUGH THAT THE WORD CAN GO FORTH WITH HONOR AND WITH THE EVEN BEHAVIOR OF THE LIGHTED WAY...FOR TOO LONG MAN HAS WALKED THE ROAD OF BLACK...AND YOU ONES MUST NOT FALL INTO THE

TRAPS LAID BY THE DECEIVER HIMSELF TO SEPARATE THE VERY SERVANTS OF GOD AT THE MOST CRITICAL TIME IN HISTORICAL SEQUENCE IN THIS PART OF THE GALAXY. LET HIM OR HER WHO HAS EARS...HEAR WHAT I AM SAYING TO YOU FOR THE TIME FOR CHILDISH BEHAVIORS AND FOOLISHNESS IS LONG PAST AND WILL NO LONGER BE TOLERATED! SO BE IT AND SELAH.

2/25/91 SANANDA

Sananda present in radiance. Greetings, Thomas, I am pleased to see you walk the mountains of the red man that you may have a feeling for what his experience consisted of in the days not long past. There shall be other walks in other areas that shall equally interest you. Indeed, you are at the beginning of many wondrous discoveries. That which shall be required of you shall be continued discipline under my direction and the direction of our beloved Commander Hatonn...each of our grouping shall come into balance. Again, let us count the blessings for America shall soon enter the worse financial depression ever seen on this planet and there shall be many wandering and hungry and homeless ones. It is the better part of wisdom for ones having wander lust to remain put and begin the preparations. I am well pleased with you of our grouping who have listened and taken action. Do not grow complacent but continue in your garnering as you are able to do so...not in panic buying, but rather in careful preparation for that which is surely to come upon you. Think ever to the exchange and barter possibilities.

The atrocities shall begin to filter their way into the media...be most observant and perhaps you among

our group could scan newspapers from time to time...for little will be stated in the television. The surrenders are great, yes. But the battle has yet to begin. The numbers of soldiers dug-in and ready with the sophisticated weaponry at Saddam's disposal are great indeed and they shall do battle to avenge the death of their women and children. Mostly, you ones will not be given to know that which has taken place. But it shall be horrendous indeed and the bloodshed shall stain America's name into eternity.

Welcome, Thomas, those who come into America West...for they are searching for the Truth and the example. As ones come, in properness, as Michael Javick shall, be most kind and helpful to these ones for they shall be the workers beyond price and measure. It is the few beloved ones who will awaken and go forth in service that shall make the difference. Let us assist them whenever and wherever possible, please.

Let us unite and work as one toward a common goal...that of awakening mankind. It is an honorable and worthy goal. It is a goal of common purpose, under God. Let us be His example in His sight that He find us worthy to serve Him in His Magnificence. All are humbled by His Presence. Let us be humbled by His Presence sufficiently that we may work together in unison to the accomplishment and fulfillment of HIS PLAN. We may not know consciously that which is His Plan. It is a return to Godness and Godly behavior that we seek to bring. Let us walk the lighted way that others may see it is indeed the better way, the way unto balance. Be at peace but be not slack in thy peace, put purposeful and productive. We have far to go on this journey and it is best to be prepared in many ways.

TODAY'S WATCH

Let us pray, Dharma, for what is witnessed by God this day in the lands of that which were once Holy is indeed telling of the human insanity of Man against brother. It was stated so well last evening on your Larry King program--"There are no winners in this war and America shall lose the most even if the military adventure is overwhelming victory and suppression." When asked how long it would take to bring good relationships with the PEOPLE of the Arab nations, the Arab (an elderly man with many years of experience) said "...not less than until 2030 or '40; the people of these nations despise both their own wealthy, greedy royal rulers and the United States--the PEOPLE WILL RISE AGAINST YOU ALL FOR YOU CANNOT SUPPRESS THEM FOREVER!" This was a man of peace, having lived into his shadow years.

What is happening here is that which brought the most destruction to the tribes of Africa. Shaka Zulu came and rose to power through blood and hatred. The tribes had "codes of war"--they brought their spears and arrows and dressed in their war costumes and confronted the "enemy" tribe whereat they stopped a measured number of feet from one another and danced and shouted and "counted coup" on one

another and yet blood did not flow and in the "formal" wars it was an accident if one was killed. Shaka came and marched across the line and killed everyone who moved and the tribes have mourned ever since. I comment not about renegades nor the rightness of the circumstance--it simply was how it was.

Look closely at that which you have become as a people--you feast on 100,000 air attacks against civilian centers and slaughter in the thousands like Roman Royalty at the gladiator shows and, now that the enemy is beaten and ashamed, you shame him further and put your thumbs downward and slay him even as he tries to surrender.

Now YOU ACCUSE ME AND MY SCRIBE OF BEING ANTI-AMERICAN AND UNPATRIOTIC. Well, my scribe is shattered with that which is happening for she, having come into truth of the life journey, cannot adjust to the death and persecution. I, on the other hand, am not on your place and I witness hatred and thirst for blood which surpasses Rambo in the U.S. and British troops. Note that when the Iraqis surrender to the Turks or other of the Arabs, there is embracing and love of brother for brother and the war represents control of a heinous leader and NOT the cause of the "brother".

You will do that which you will do

but you must understand that killing and force to obtain that which was and is not yours to take is not of Godliness and the grim reaper shall ultimately set the price of the actions--on both "sides". There are NO WINNERS IN WAR! THE ONES WHO WILL GAIN THE MOST IN THE ULTIMATE COUNTING--OUT THERE IN THE FUTURE, IS ISRAEL AND THE SOVIETS. I REMIND YOU OF THAT WHICH YOU DO NOT SEE--THE SOVIETS ARE CALLING THE PLAYS IN TRUTH ON BOTH SIDES OF THIS IRAQI SQUABBLE. SURELY THERE CAN BE NO PRIDE FOR MASSIVE MURDER OF A THIRD-RATE THIRD WORLD COUNTRY BY THE MOST ADVANCED NATIONS IN THE WORLD. YOU PROVE NOT PROWESS--YOU ONLY PROVE ABILITY TO SMASH AND SUPPRESS AS YOU TAKE THIS FURTHER AND FURTHER.

Do not the Iraqis, in the ending here, have the right to choose and bring justice against the evil intent of any rulers and, with protection from the United Nations, call for elections, etc.? Who has pronounced one nation GOD over all others? Please go back and read "Psychopolitics" and see that which has happened. Your troops were caused to wait in unknowing, scorching heat, freezing cold and misery until they were ready to go unto death just to end the boredom

and imprisonment of themselves in a horrid placement. Through the blood-letting and POWER they can now see that they might go home and the killing and smashing represents freedom. But it actually does not—it only represents the lessening of human goodness in a most subtle manner. So be it for these are the things that bring nations down and press the unseeing into enslavement. This war was a test-run to set the pieces in place for the next segment of world domination.

When I speak of the One World Government and ones who have brought about the plight you face, do I strike out at the persons of ones such as Donald Keyes? No, for like all of you-the-people, they sought after world peace and understanding, government on a global scale that would protect, justly, all places from the tiny section of Africa to the giant forces. What happens, precious ones, is that the dream is stolen by the Elite Sadist Powers and set up by those powers and now you see the beginning of the results. You are not now tending of the world "rights" through a united council--you are witnessing "behind closed doors" power pronouncements and coalitions being formed out of the Elite and dictatorial and monarchical RULERS the control through massive force of the rest of the citizens and nations of the world. The show of power against Iraq is but piddling to the lesson your government is giving to you-the-people! You believe those soldiers are YOUR protection--no, they are a controlled machine which will now suppress YOU and ultimately end your freedom and few will recognize it until it is too late.

We are accused of being "Political Activists". All we do is tell you the truth of it and you will find NONE of our workers being activists as you suggest. If truth causes others to see and desire activism then that is of their decision-

-ours is to bring the uncovering of the lies. If we were of force, we would be present with our technical power and that would be the end of freedom for all of you for we have the power to annihilate your planet instantly. Dear ones, power is not the name of the game of life progression--the point is to come into balance with Godness and have power and control over one entity--self. When that is attained there is no longer even desire to control or overpower another. You have forgotten that which "freedom" really IS.

Do you think God is going to come forth and somehow "blast" everyone into submission? Nay, it will not be necessary for the Evil will devour itself for it cannot exist in the presence and within that which is Godly and Lighted by goodness.

I do not pray for "victory" over my brother—I pray that I not be tempted into the places of evil and Godlessness. I pray that My Spirit, which is omnipotent and Omnipresent, hear my petition and remain in attendance to my every attention. May YOUR SPIRIT, Great Spirit Creator, be incarnate in me. May Your power reveal itself within me and may it shine constantly "without" me--wherever I might find experience of my greater and immortal being as I journey through my experience which has been granted through Your Grace, unto me.

Please give unto me this day, that which I need to better serve You, Creator, and that which is The Creation--ultimately, my fellow-being in whatever experience in whatever dimension in which I am allowed that experience. May I ever allow that other fragment as my relations to experience without my intervention or suppression. Let me always bow unto Your other creations and treat them as if I truly understand that which they are--Yourself in manifested testing of my own growth into perfection

of Self in Your expression. Show me that I might recognize the truth of myself and, in that, may I always bring forth into radiance, Truth and reverence for all things of Your Creation that I might come into the total realization that it is MY creation that is manifested before myself and is a reflection of myself. Let me always consider the reflection of that mirror of self before me and judge it most carefully as to whether or not it reflects God or Evil.

Grant me strength of Spirit that I always attend my brother and fall not into the temptations offered by humanness of flesh and physical projection for it is but a fleeting moment in my journey. As I do unto others I know my actions and intent shall be returned unto me in like kind for as the seed is sowed so shall the harvest be in kind. If we live by the sword, so shall we die by the sword and if we live by Light so shall we rise within the Light--show us the way to bring unto our brothers TRUTH in thine own perfected radiance and harm no man nor creature for our commission is to bring truth and force no man for we shall always be given into respect and allowance of another's choice and passage. May we always be given into reverence to another for we are not given to know of another's journey.

Please allow me clarity and perception, tolerance and above all, mercy and love for within the Light of LOVE nothing of evil can sustain.

I ask these things in guidance and direction for Yours is the realm and it is within ME and EACH and ALL IS ONE, AND THUS WITHIN ALL--grant us the Grace of REMEMBERING. And may the KNOWLEDGE of the Truth and Your true Power be within me forever that I serve truly and infinitely in peace and brotherhood with ALL THINGS WITHIN THINE GLORIOUS BEINGNESS.

I give gratitude for EVERY experience gifted unto me that I may learn and through the lessons learned by experiences, positive and negative, rise unto and into the perfection that is GOD! I ask these things that I may serve in Godness and not in Selfness but that so, too, Self will discipline my path in the true realization that there is only ONENESS. Amen, and amen.

Dharma, we will please now write that which is presented through the hands of our beloved little sparrow, Dru for there is joy in the heavens these days as the fledglings recognize their ability to fly and take to the Cosmos with the wings of Godness.

HOW TO RECOGNIZE THE ANTI-CHRIST (THAT WHICH IS AGAINST GOD) WITHIN

Monitor your thoughts, words, deeds and actions for the following clues:

1. INFERIORITY OR SUPERIORITY THOUGHTS AND FEELINGS:

Feelings of inferiority or superiority over others will most often manifest as a two-edged sword, meaning both feelings may exist simultaneously in One who feels inferior, perhaps in his performance of some action or deed, may feel inferior because he has failed to be superior in his own eyes. Somewhere within his ALTERED EGO exists the Anti-Christ setting for him levels of performance perhaps beyond his current capabilities. He then will fight for the rightful superiority he is given to believe he has over others and thus continues to set himself up for failure in his own eyes. This is where the term "Competition" defined as striving against another or others for some object has been distorted in society in such a way where one's personal worth as a human

being is measured against his performance against others or rather than perfecting his "**personal best**", which is striving in personal ability beyond self-imposed limits.

And so it goes that one who is chided by the Anti-Christ within to feel superior to others will draw from his feelings of not wanting to be inferior, which often times translates to him as rejection of his beingness and unworthiness. This is where fear enters the picture and brings us to our next point.

2. THE ANTI-CHRIST ROBS YOU OF THE "NOW" OR PRESENT MOMENT:

It is very simple how this is done. The Anti-Christ keeps your altered ego in PAST-GUILT ORIENTATION or FUTURE-FEAR ORIENTATION. This is how your reality manifestation abilities are controlled.

As you wallow around in your past, re-living experiences with regret and self-pity, you cannot work in the present moment to change or create more desirable circumstances. This is why many of you may have heard the great wisdom of FORGIVENESS and RELEASE of all past emotional and physical thoughts, words and deeds. One must forgive self and all others. (Remember that this does not mean that you don't garner the wisdom of knowledge in Truth from the lessons of the experience, because that is why you created the experience in the first place--to grow in your awareness of THE TRUTH. The same rule about past-orientation is true for those who SPEND COUNTLESS hours in re-living pleasant past memories of the experience of living in and creating the "now". A rather appropriate cliché along this line says, "It's alright to look back, just don't stare".

Now, Future-Fear orientation is a big stumbling block for most all of humanity. Fear, in itself is a

great separator of the human creature from his Creator. Fear is the biggest tool of the Anti-Christ within. Since the Highest Command of The Creation is to "**Achieve the wisdom of knowledge inasmuch as this will enable you to wisely follow all the laws of The Creation**", then it stands to reason that recognizing the Truth in all things, including your IMMORTAL connection with God, will vanquish from your being any fear of some future experience, since you as an immortal-soul God Fragment ARE the MASTER of your destiny. You see, fear paralyzes the senses and only can manifest within the being if he sees himself as separate from his creator rather than a fragment of the ONE. It is this ILLUSION of being separate from the ONE that has trapped humans within the false bondage of fear. If one recognizes the Truth and is willing to see the manifested illusion as it really is, one will see the natural balance and inner peace that is achieved by TRUSTING the Father within, and wisely following the Laws of balance given by God and The Creation.

This now brings us to the point of remembering and understanding THE LAW OF ONE. All beings and creations are equal in the reflection of God, only each is different in abilities, talents and beingness as an expression of the ONE. You see, there cannot exist any separation, all come from the ONE great source of all, THE CREATION and all will return to our source, THE ONE. Humans exist as individual fragments of the whole, a fragment of and, if you will, seeded with all unlimited potential of God-awareness and wisdom. When we LOVE the essence of Spirit within all there is no longer any illusion of separation. We are simply honoring GOD within ourselves and all others. We no longer are separated by our fears and unworthiness. We are God's expressions of LIFE, we ARE the SPIRIT OF LIFE IT-

SELF.

3. THE ANTI-CHRIST TELLS YOU, "IT'S NOT YOUR FAULT":

For example, it is not your fault that your husband is an alcoholic and beats you, or that your parents abandoned you, or that you were fired from your job, or that your government leaders are corrupt, or that we have gone to war and on and on and on.

What the Anti-Christ within is actually telling YOU is that you are not responsible for the experiences in your manifested reality. This false belief causes you to cast BLAME on another or others and not take **personal responsibility** for YOU creating the manifested experience through the influence of the Anti-Christ within you.

Ones will often times argue with this truth and say, "Well, I cannot control the free-will of another who chooses to be angry with me, or steal from me, how can I be responsible for the behavior or actions of another?" It is true YOU are not responsible for the free-will behavior of another, BUT you ARE responsible for "buying into" THEIR games and making yourself a VICTIM to it. YOU choose how you will RESPOND in ALL circumstances. Remember THE LAW OF ONE? The Anti-Christ within THEM is the same Anti-Christ that YOU choose to allow to exist within you. The Anti-Christ is looking for a place to reflect itself, and YOU choose whether or not you will reflect back the Anti-Christ or whether you will recognize the trap and instead reflect back the Divine Love of the Father Within which therefore leaves the Anti-Christ nowhere to roost within YOUR temple of GOD.

Here is a portion of a most wondrous prayer by Hatonn which

is helpful to remember in your daily communion with God and in times when you feel you could be lured into the Anti-Christ drama of another. "Father, let me always allow YOUR will to manifest through me that I stand in judgment of no man and yet wisely judge that which is given in action against YOUR HOLY PRESENCE."

(Hatonn: Oh yes, I hear you--"...if YOUR higher self is God, Hatonn--then how can you speak and say how to speak to God?" Simple--because I, therefore, know that which God hears and honors--just as so should YOU! Let us put it this way "...if the message of the horse comes directly from that horse's mouth.....!!?")

You see, whether you are aware of it or not, you are unconsciously manifesting ALL within your scope of reality mostly with your "altered" ego. The beautiful thing about this truth is that when it is realized, one can become a conscious creator of a truly balanced manifested experience by **surrendering his altered ego to the loving Divine God within him** and so thereby balancing all of his creation within the Laws of God and The Creation.

4. THE ANTI-CHRIST ENCOURAGES SELF-PUNISHMENT:

Of course, you know by now self-punishment is encouraged for "past" sins (errors). Which is really your altered ego unworthiness (inferiority/superiority) which we discussed earlier, expressing itself in the following ways: Criticism of self and others, greed, lust, jealousy, envy, guilt, shame, self-doubt, depression, helplessness, anger, hatred, resentment, impatience which leads to frustration, illnesses and diseases which lead to the death wish of the body. Self-punishment is the effect of the cause of believing the lies of the

Anti-Christ. This may continue, life-time after life-time, the poor immortal soul becomes self-locked onto the wheel of reincarnations (*Hatonn: Oh yes there IS! And if you believe otherwise, so be it for it is you who are the misinformed. Reincarnation does not necessarily mean that you return to this placement, even--but if you do not believe in reincarnation (re-experience of the soul in manifestation--somewhere) then by deductions taken further--you DO NOT BELIEVE IN GOD'S HEAVENLY REALMS, EITHER. You cannot have one without the other and because this is such a powerful Truth, it was deliberately removed from the books you, as humans, would call your Holy Books in the form of the Holy Bible as you label it. The fact remains in the ancient teachings and you ones, this day, are facing an enemy who DOES know of life experience after this one and KNOWS this is but a passing experience.*) and seeks to punish himself for his perceived sins of the past in hopes of redeeming himself to his Creator God. If he just understood the power and importance of forgiveness and release of his "past" and adhering to the laws set forth by God and The Creation, he would be free of his bondage in an instant.

Yes, God created "Cause and Effect" so that each soul could grow in his awareness and become empowered with the true responsibility he has of his thoughts, words, deeds and actions. In other words, so that he could recognize his power and the importance of responsible God-Balanced manifestation.

5. THE ANTI-CHRIST ENCOURAGES ONE TO BREAK THE LAWS OF GOD AND THE CREATION GIVEN FORTH FOR BALANCE:

For example, the law of God which says, "THOU SHALT NOT

KILL". This means in your THOUGHTS as well as your deeds you shall not wish death upon another human being of God. This rule does not mean you cannot defend yourself if your life is threatened, because that is suicide and also against the laws of God.

This also means that by becoming pregnant, which is being the vehicle of one of God's new creations, and having an abortion because of YOUR irresponsible sexual behavior, it is still MURDER any way you look at it. Remember "personal responsibility!". There are definitely many possibly undesirable "effects" to illicit and wanton lustful sexual activity. Pregnancy and disease are two obvious results which do and have occurred more often than not.

6. THE ANTI-CHRIST RULES YOU BY YOUR DESIRES:

Your desires for those things and "possessions" of the material world include not only physical manifested "things" of the material world, such as a television, house, car and money, but also emotional desires such as sexual conquest, marriage, children, friendship, acceptance, recognition and worship. The Anti-Christ within will keep you always seeking outside yourself for the false promise of fulfillment with more, bigger and better "things". And as the poor soul readily jumps on the treadmill of unfulfilling work to make the money he now needs to fulfill his desires, his soul pines away for something more, something just beyond his reach--if only he had more, money, a more prestigious job position, a bigger home, a newer car, more vacations--more, bigger, better. The false promise is never enough and it will not fulfill the cry of the soul to recognize and connect with the immortal spark of his Creator within. So the Anti-Christ will tell you to forget your problems, have some fun, relax, have a few drinks, take some

drugs, you deserve it and can afford it now.... and before long the dear God Fragment is shrouded in the darkness of addiction and misery.

So does this mean it is wrong to have things of the material world which you manifested? Not at all; God is abundance in all Kingdoms, but the catch is you cannot become attached to things of the material world and to your emotional desires. You are borrowing this wondrous physical body and all of the "things" of the manifested world will NOT go with you when you leave your body in whatever sort of transition you earn. It is ONLY YOUR IMMORTAL SOUL THAT IS REAL IN THIS JOURNEY TO ONENESS WITHIN. All else is manifested illusion. However lovely and precious it is, it remains as the props and the backdrops for the players remaining. This is just ONE drama of billions fed by the Breath of Life from God and The Creation. And then again, it is really just ONE drama and we are but co-creators in the play of life unfolding.

So the key to releasing yourself from bondage to the material plane is to become DETACHED from it which is to disconnect from your attachments to "things" and emotional attachments as well. To become detached emotionally one must forgive and release (see #4) all perceived transgressions upon self and others. This is not to say you have no care or compassion or Love--you absolutely DO and MUST have unconditional love of all beings and creations of GOD--(that IS their essences as existing as a part of the ONE)--but you must detach from all manifested illusions and emotions which weigh you down in vibration much like wet wool garments on your body.

7. Now there is one more point to ponder because many of you will

and do ask. "WHAT DIFFERENCE DOES IT MAKE TO THE REST OF THE WORLD IF I CAST OUT THE ANTI-CHRIST WITHIN ME AND THE REST OF HUMANITY REFUSES TO DO SO?":

It DOES MAKE A DIFFERENCE! Because again, remember THE LAW OF ONE? Humanity and the creations of God are all related as a part of the ONE. Your manifested world is a DIRECT reflection of what exists within each of you. You each are a part of the pool of mass consciousness, which means you each are responsible for your portion of the whole. For example, a comparison can be made between the pollution which exists in the air, water and ground of this wondrous planet and the pollution of the Anti-Christ which YOU each support within yourselves. So for each one of you who recognizes and casts out the Anti-Christ within, you are essentially healing a portion of the disease of mass consciousness. YOU make a BIG difference by committing your will to the knowledge and wisdom of TRUTH in God's Kingdom. YOU become a part of the solution for healing the cesspool of darkness in mass consciousness, rather than remaining as a part of the problem. You see, you will then carry the Light of Truth and Wisdom of our Father within you and others are attracted to it, because it is the joy of the Spirit of LIFE itself and YOU become the vehicle for offering it to them. May YOUR candle of Love, Truth and Light deliver the Divine Spark of Understanding to ALL who await their call from HOLY GOD OF THE LIGHT AND OF THE CREATION! AMEN.

* * * * *

Well done, chela, well done indeed. And for you who would have more of the directed teachings and explanations of that which has

been given and then corrupted by Man,--"straight from the Horse's mouth"--I suggest you stay tuned! Master Esu "Jesus" Sananda intends to give this chela direct and literal instructions as to that which you call the "COMMANDMENTS"--you may be surprised to find that there may not even be TEN of them, but that is not for me. For that which you will receive will come directly from Emmanuel Sananda (Jesus), Lord Michael and Germain. You are going to witness a world in transition and transmutation and there is rejoicing in the Houses and Councils of God. Amen.

We know and understand that this is **THE** information for which most of you readers long for and have awaited--but all things must flow in proper sequence and again, I remind you--if you know not the problems and uncover the lies, you cannot recognize of the cure for the diseases which have been created to keep you blinded.

I am going to ask closure of this portion following addition of Sananda's message via Thomeros Efi (Thomas) for the name itself (Thomas) is "Communion, Twin within the Light and bringer of "Communication"). Dru is our loving term for Druthea (Binger of strength through the teachings and Gift of God). We are grateful indeed, to share in the service unto Man and God.

These writings will be placed to print in their own volumes as we move along but we will adhere to necessary sequence for optimum speed of acceptance and fullness of understanding. Our beloved Joy's word is into and finishing the second volume of three books and will soon be available as the material is almost ready for publication--awaiting the final format. The cover will bear a reflection of Sananda and the term "Joy" needs no explanation! As other scribes are introduced we shall rejoice

also, at the graduation into unity of purpose. Oh yes, and Dharma shouts, HALLELUJAH! (She "thinks" she will get a rest! let us not burst of her bubble.) I get another funny reaction--When Little Crow was sent to tell Dharma that she would write at least three more volumes (some 10 volumes past), it has been laughed about greatly by one who kept saying "when are we going to have done enough"? Little was their realization that God always has plans for ones who effort to limit--he makes of them the scribes so that they, too, can produce in unlimitedness!

Keep your sense of humor, chelas, for the journey is an experience to be accepted in fullness and joy--not with thine faces long and thine spirits down--**IF YE WALK WITH GOD OF TRUTH THROUGH THIS JOURNEY IT CAN BE NAUGHT BUT JOY!** Ye must release that which is perceived as "bad" form thine possession of it--for it is **NOT YOURS TO POSSESS! PONDER IT.**

IN LOVE BEYOND THE DISCIPLINE,

I am Hatonn, to close and stand aside while you take opportunity to think upon these things. Salu and Adonai.

2/27/91 SANANDA

Peace and blessings, Thomas, I am with thee. I am Esu (Jesus the Christed One) Immanuel Sananda in the lighted radiance of The Holy Father/God/Aton, in whose Service I Come. The lighted radiance is available unto all of mankind and it is given freely and in full openness. Does the sun hide its radiance from those of darkness and ill intent? The sun is fearless in its giving forth light unto man...and thus is it with God.

FEAR

For lo the eons man has been held

capitive, locked within his own cell unable to break free...and it is fear that has been thine shackles. Tear away the imaginary shackles that keep you powerless still and come forth in the clear light of day to breathe freely within the Lighted Radiance of The ONE. Do not cower in the darkened corners unable to speak, unable to act, for it is the Lie that tells you you are powerless, bound. Make the conscious choice for change and freedom...only then may you begin to see clearly that which has kept you in your slumber.

FACE YOUR ENEMIES

"But they will harm me..." Naught will harm you if you openly choose to make your stand with the LIGHT and speak truth unto your brother who walks and speaks in darkness. Even those who are of evil intent on some level conscious or unconscious desire to know and hear Tuth. If you do not have the courage to speak the lighted Truth in frank, honest exchange...then who shall? Why do you choose to remain in the corner? Always mankind will take what he perceives to be the easy way out...and yet, it is this so-called easy way that has kept him bound and in darkness in a realm of Radiance. Evil is real, darkness is real. Just because you live in a world where these are present does not mean that you must become a part thereof. In the ending'ALL IS ONE. During this time, however, there is a separation of the Radiance from the darkness...and, as if by some huge unseen magnet, those attracted to radiance will be drawn ever closer together for these are the ones who shall serve in God's Kingdom. Those ones making the choices for darkness shall simply have a longer journey back unto the Oneness, with many painful lessons to be fully learned along the way. Each has free will choice and none may ever do it for another. You may ever petition on your brother's behalf and such is

wise indeed, for in the ending you are petitioning for self in the Oneness of the All. There shall not be completion until the All once again return unto the One.

SELFLESS COURAGE

In order to move ahead in your understanding of that which has been the Great Lie, you must realize that it is you who must take action. It is you who must decide. And when you are ready for movement, then shall the courage be mustered to go forth to effect change. There needn't be great ego-filled expectations and self-aggrandizement schemes in the journey into radiance and service unto God. None are greater before God, for all of His Creations are precious. Most do not realize that there must be an effort put forth to effect change. It will come to you. You must consciously and clearly desire change for change to occur. If you are ever walking in self-doubt and self-pity the shackles shall keep you bound within the darkened corners for generation upon generation of counting. You are the screenwriter of the drama you are playing. Are you happy with the play thus far? Always remember, however, that God is the Great Director and if you choose to be in His Service then you must walk the SELFLESS PATH.

TRUST

Do you trust in God? Do you trust in yourself? Most, when asked these two key questions, will simply shirk them off with a simple response. Now, go back slowly and reread the first question. If the answer to this question is yes, then there is nothing to fear, nothing to gain for self, only service for your brother who remains in darkness. If the answer to the first question is no, then stop right there and examine that most carefully indeed. Do you trust in yourself? If you say no, and most truly do not, then stop there and take a long, slow,

careful look at it. Why do you not trust in self? Are you not worthy? Why are you not worthy? Have you done some horrible thing at some point in the now non-existent past which you may change not a hair of? Do you whip and flog and beat yourself into a guilt frenzy for choices made in error? Can you not release them for the lessons that they are? Why can you not release them, for it serves you not to cling to them like some old and tattered rags. Strip yourself of these garments that you drag along with you and don a new garment that you may come forth into radiance with self-worth, selflessly, and have the courage to move within the light into the realms that are yet unknown to you. There is naught to fear, only ignorance and the unknown. Within God's light there is only new discovery and service unto man. Won't you choose this pathway?

A STATE OF GRACE

When you make the correct choices, consciously, to move within alignment to the lighted example, you shall move as if in a state of grace. I say, as if, for to be fully in a state of grace you must be gifted of the Father. But I may share something of a secret with you. When you make the choice to live according to the Laws of God/The Creation, you shall be walking and living in a perpetual state of grace.

IN THE PHYSICAL, NOT OF IT

Always the tempter comes along and whispers in your ear..."sure would feel good...how about a little of this...what about a little of that..." Always the lure dangles directly in front of you for your lessons to see what decisions you will make. Has it not been said, and often so, that Earth is a classroom? Well, as you know, school is closing. It is time to walk courageously, selflessly, in har-

mony with the Laws, in a state of grace, AND THEREIN YOU SHALL SEE AND PERFORM MIRACLES. GREATER THINGS THAN THESE YE SHALL DO...WAS IT NOT SAID? YOU ARE ENTERING THE TIME, BELOVED, WHEN YOU SHALL BE WITNESS TO THAT WHICH WAS SPOKEN. SO BE IT.

DEATH OF THE EGO

As you make the choice to come forth from the places of darkness in the clear light of day, as you make the choice to cast away the old and embrace the good Red Road of Light, the ego will fall away like the onion skin...it shall simply peel off layer upon layer until, eventually, you shall simply walk in a state of godliness.

RESISTENCE

When you walk in a state of Godliness or Grace, there is no resistance. There is an almost fluid movement, gentle. What are you resisting? Are your movements fluid, within grace, or is there great resistance and struggle? What are you struggling with? Self? Why? Why do you cling unto your last gasping breath onto something that is only dragging you down? Release it! Do not misunderstand me; living in a state of godliness does not mean passively accepting all the slings and arrows that come your way, for it is in this state (godliness) that evil will always be openly confronted. And when evil is openly confronted, evil withdraws...every time. To do this serves The One...for lessons offered to ones living in ignorance and/or darkness serve the Greater Good.

The world is sickened unto death with preachers who pronounce their truth and their perceptions and their lies unto the accepting, misled masses. Each thinking it is they who are offering the lessons

to those living in ignorance. Well, the lessons are for ALL. And, if it be against even ONE of THE LAWS OF GOD AND THE CREATION, THEN IT IS OF DARKNESS AND NOT OF GOD...AND THEREFORE, IT IS IN ERROR. It matters not how many say it is otherwise. THE LAWS OF GOD WERE GIVEN FORTH SO THAT MAN WOULD LIVE IN HARMONY AND BALANCE WITH THE EARTH AND PROSPER. YOU HAVE NOT FOLLOWED THAT WHICH WAS GIVEN FOR YOUR GREATER GOOD AND YOU ARE WITNESSING THE RESULTS THEREOF.

GOLDEN RULE

How many trespasses are you responsible for this day? How may little abuses do you dish out with your sharp and forked tongues? Do you think that you must physically hit a man to trespass against him? Whose will do you follow? How willful are you? If it causes pain to your brother then I would strongly suggest it is not of God. If your actions are not of God then it is my further suggestion that you examine it most carefully, indeed.

If you travel to a foreign land and enter a native house, how would you wish to be treated? Would you be welcomed and given comfort? Would you be met with open hostility and refused entry? (Perhaps not a good example, for most Americans would be most unwelcome guests in foreign lands this day.)

If you trespass against your brother and realize it, do you make it right? Do you go to your brother and resolve the matter quickly and openly? Or do you, in false pride, internalize the anger or frustration or guilt and move on? Think on these things for therein are great lessons if you will but hear what is being said.

WORDS ARE THINGS

Has it not been said? Take great care of that which comes forth from your mouth, for it may come back as lunch.

Measure intent...examine it. Do you speak with ill intent with desire to manipulate or control? Is your speech designed to clarify? Punish? Communicate and share, or dominate and control? Is there an evenness to your communication or do you resort to histrionics to make your point? If the method of communicating is to always speak louder than your brother, then I might suggest to you that to close your mouth and listen to your brother would be the wiser approach. Words spoken of Truth carry...they needn't be spoken loudly.

Do you, as some accuse us of doing, take a page to say that which may be said in a sentence? Why?

The spoken word carries great impact and man uses it most carelessly. When you walk in the selfless service within the light of The One, speech is clear, to the point and there is little room for misunderstanding.

CHOICES

Always man has been left to his choices. The maps are being laid forth to find your way out of the maze of darkness and confusion and into the lighted radiance where we dwell. Will you not make the clear and conscious choice to walk with courage in the selfless service unto your brother who yet walks in darkened ignorance? Will you not reach out your hand unto your brother as he struggles to understand amidst the chaos and confusion? Will you offer unto your brother a bowl of soup when the food is scarce and the many are homeless? Will you make the choice to live according to the Laws given forth for your greatest

and highest good that you may restore grace to your daily lives? The guidance of God is present for all who will but ask in earnest petition. Won't you ask of us? Won't you walk with us? Come...I have shown you the way...I have prepared a place. Come with me that you may experience within that new place in the Radiance of The One. Return, beloved of Earth, return unto God's way...for HIS IS THE WAY.

Blessings are upon you all who hear the message we bring. There are none that we do not know and hear. Think not that you are carefully tucked away into some place, for there will be no corner upon the Earth hidden from our sight. Won't you walk with us? Peace...peace...peace be unto you in the day of confusion that lie ahead.

TODAY'S WATCH

Please stay alert! Rejoice that the conflagration in Kuwait is possible to be ended shortly--IF, everyone keeps a cool head. But don't be lulled into a nap while the "fiddling" goes on for "Rome" is still afire.

For instance, now Hussein says, "I'll pay reparation and restoration contributions, etc., etc., etc." How will you enforce that he do so? You have nation after nation promising to pay you--the American-taxpayer for holding a war for them--they hardly even came to the war--AND, FURTHERMORE, OF ALL THE BILLIONS PROMISED--LESS THAN 5% OF THE FUNDS HAVE COME THROUGH! How do you expect to enforce payments following a war? How do you expect an army of "brothers" to enforce anything?

America--you may be given an opportunity (break) in here whereby you can make an impact on your government to regain some segment of control back into your hands as a nation under God with government slowly coming back to "we the people, of the people and for the people". I petition unto you--do not let this opportunity pass you by.

SHUTTLE LAUNCH

Why do you think the "shuttle trip for military purposes" is now being considered for launch--in spite of the cracked hatches? Do you actually think that the Soviets will al-

low a military weapon into "their" space?

YOU THINK THE SOVIETS ARE IN BAD PLIGHT MILITARILY?

Not so! You can go look up this next tid-bit: The Soviet Union has doubled its defense budget for 1991! This puts the Soviets on a "war footing", brothers. A doubling of military materiel is tantamount to WAR! WITH WHOM ARE THEY PLANNING TO GO TO WAR? NOT US IN THE COSMOS--REGARDLESS OF THAT WHICH THEY MIGHT SAY! Of course, an alternative to preparing to go to war themselves, could they be working up a better defense system--against you and Israel??? They have just mediated a war and set limits beyond which they cannot yet tell if you will go, so you have and are experiencing a "dry run" for military strategy planning.

Do you actually believe the Soviets and Iraqis would allow themselves to "get caught" if Saddam had not originally planned and expected big guns from the Soviets to handle the war more effectively? And what of "after"--you would rather have a second dictator AND IRAN in charge of the Middle East? Remember the 52 hostages? Peace will be more difficult than the war and will drain away your resources at a tremendous rate any way the war ends.

PAY FOR COST

Who will pay for the Soviet buildup? You just saw it--the hand quicker than the eye. While all

eyes were distracted the "hand" (Kremlin) decreed a draconian devaluation of the ruble last month--in expectation of exactly that which the U.S. will do quite soon to pay for your war! The move actually means that the ruling Communist Party simply stole the money from the people of the USSR to cover the new military costs.

Prior to the latest increase it is known that a minimum of 25% of the Soviet Union's total gross national product was going into the arms buildup--as I have told you over and over prior to this--the Soviets have never stopped the buildup--and frankly, neither have you. Now--somewhere between 40 and perhaps over 60% is immediately swinging into military use.

BUT AMERICA IS DIFFERENT?

Are you? Do you have any idea, at all, what the cost of this war might be? How can you know? Oh, the media! Let us look at the media: The national press, with all its polls and fact checkers, can't get the first facts straight about the war--Feb. 4 issue of *Newsweek*, says the cost of an M1A1 Abrams tank, as a good example, is *quoted* to be \$4.4 million. *Time* magazine *quoted* the price at \$2 million each. Dear ones, that is more than a 100 percent difference--one of them, obviously, has got to be wrong. The facts are that both are wrong and the \$4.4 million is more nearly correct and you can judge the "high" projections against things like over \$11 million for one attack helicopter. The cost estimates depend on the "political situation" and what the controllers want you-

the-people to know. Every time a patriot missile was shot off in error, or intent, over a million dollars burned. But, not to worry--"your politicians wouldn't lie to you-the-people!"

WHAT OF MILITARY DRAFT?

Oh, I see, especially now that the war is nearly over we wouldn't have need for a draft? Wouldn't "we"? Peace is going to require almost as many men as war and the volunteers are a little more reluctant, I would expect, to sign up again. So in spite of all the political denials--the foundation of such is under way full blast--"...just in case the need arises!" "There would need to be a smooth flow if there would be such need!"--you are told.

SO BE IT!

How does this description hit you? "Boy, it is fantastic, we fire off one of these zingers and it hits a tank and then there is an explosion and then another one or two and then the 'tin can' glows white hot--it is fantastic?" No--not your enemy--one of your "Big Red One" crews, a young son of some 18-19 years. "We just kill the tanks, bam, bam, bam!" **HOW MANY HUMAN BEINGS DIE EVERY TIME A "TANK" IS KILLED? DOES THIS DO NOTHING TO THE SOUL OF THE "KILLER"? OR, IS DEATH IN WAR NOT DEATH? I HAVE TERRIBLE NEWS FOR EVERYONE--YOU CANNOT "KILL" A TANK, YOU JUST STOP IT FROM FURTHER OPERATION (PERMANENTLY OR TEMPORARILY DEPENDING ON ABILITY TO RECONSTRUCT)--YOU "KILL" HUMAN BODIES--PERMANENTLY!**

Dharma, enough of "watching" for we are going to return to our subject of the current Journal, this current segment concerning AMERICAN FREEDOM & ZIONIST POWER--I did NOT say Judaian power. The most precious gift I can offer you is insight and knowledge in a manner which you can now research for self. I strongly suggest that you do not turn your backs to anyone of which

we speak while you wave your flags and ribbons in celebration--you will have only won a "skirmish" and the battles in front of you are many and varied--the war is long from being won by you-the-people of the world.

Some of you look disgruntled and shout, "You were and are wrong, Hatonn!" No, I am not and I ask that you carefully read again that which has been given unto you. You ones seek error from higher vision (and all I have to do is look at "their" plans on their boards). World domination is being accomplished steadily at your expense and right on schedule as Mr. Lips tells you. You just don't recognize your enemy nor the war at hand--it has very, very little to do with one Saddam Hussein for he was your "friend" and you supplied him with weapons to fight and kill yourselves. He is still holding his massive destruction weapons. Haven't you noted that only TWO Silk-worm missiles have been utilized? Haven't you noted that until today there have been no chemical or biological warheads? Haven't you noted that the ONLY intended real Scud target was hit dead-on! Where are the nuclear warheads which have now been established (in surprise) by your own government and the Pentagon? Tell me WHEN all those "Russians" went home? I only ask that you be cautious in perceptions for things are changed on you "slowly" so that you agree to the poison bit by bit and then are too weak to finally fight the lethal dose if you note it at all.

I have a little true story to tell you. As with one of my scribes, I periodically have to put her/him to fast and it is most annoying--but as pulse beams are changed sometimes they are geared to the very mineral particulate in the body and to counter the impact the body must be immediately altered in composition of cellular structure. That change can sometimes be more rapidly effective than to counter the beams electronically and harder for your Earth people to measure. Remember something very important indeed--God knows of every sparrow of the field and has counted every hair of your heads--He overlooks nothing and

he abides within EACH so He has first-hand knowledge! So be it.

Now to return to AMERICAN FREEDOM & ZIONIST POWER

QUOTE:

THE MONEY POWER

A MAJOR REASON FOR THE disproportionate "Jewish" influence in the Congress stems from the disproportionate amount of money that Jews give to large numbers of American senators and representatives and the political parties. There can be no doubt that much of this money comes from Zionist and pro-Zionist sources as deliberate bribes to influence American foreign policy. In a greedy and imperfect society, Jews have learned well that economic power is political power. Stephen Isaacs observed in his *Jews and American Politics* (p.128), that "bribery has been an essential part of Jewish history".

Former Secretary of Defense Forrestal (and this gentleman got murdered for his sharing with you-the-people) recorded in his diary dated 3 December, 1947, that he realized that a substantial part of the Democratic funds came from Zionist sources inclined to ask in return for "a lien upon this part (the Palestine question) of our national policy". In a diary entry dated 26 November, 1947, Forrestal wrote that the chairman of the National Democratic Committee had told him, "Jewish sources were responsible for a substantial part of the contributions to the National Democratic Committee, and many of the contributions were made with a distinct view that they would have an opportunity to express their views, and have them seriously considered, on the Palestine problem."

The speaking engagements of the most pro-Israel politicians, and the flattering awards, plaques and honoraria received by them from pro-Israel groups attest to this deplorable fact of political life. United States public officials--such as Senators Hubert Humphrey, Clifford Case, Henry Jackson and others--hungrily seek out and accept speaking engagements before

Zionist groups such as the AIPAC where they grub for the Jewish vote and shekel by promising Israel everything but the American sky. The reader can consult sources such as the *Congressional Quarterly*, Federal Election Commission reports and reports filed with the clerks of both houses of Congress for specific documentation of contributions. They are too numerous even to begin to list here but all such reports must be considered as incomplete for the years reported.

Few men or women seeking public office seem able to resist the blandishments offered by the affluent Jewish community. *The Houston Post* describes Senator Lloyd Bentsen's effort to garner Jewish support as follows: "Bentsen, who is testing the waters for a bid for the Democratic presidential nomination in 1976, has begun making appearances before national Jewish groups, many of whose members have been major contributors to Democratic campaigns in the past. Two weeks ago the senator addressed the American Zionist Federation in Miami and last Monday he spoke to the American Israel Public Affairs Committee in Washington." (Senator Bentsen is a Texas oil and gas and insurance multi-millionaire who obviously does not need money; it is expanded political power he seeks with help from the Jewish community.)

Political candidates attempt to make these speaking engagements as profitable as possible by sweet-talking the Jews with laudatory comments about Israel. What better way than to compare Israel with America. So, at these functions there is always the inevitable, favorable comparison. The national interests of both countries are usually described as "common," "mutual" or "parallel" if not exactly the same. In the aforementioned case of Bentsen, the *Post* quotes his glowing praise of Israel to the Zionist lobby group of AIPAC: "...Bentsen described Israel as the United States' 'sister democracy,' a nation that symbolizes to all mankind 'the breaking of the chains of human bondage--it must not be allowed to perish.'" At another such function, former HEW Secretary Elliot Richardson

told 2,000 delegates attending a Jewish War Veterans convention in Houston: "The president sees no need to distinguish in the Middle East between the interest of Israel and the interest of the United States."

For a fully documented treatise on Israeli democracy and how it compares with democracy in America, the reader is referred to a massive text, *The Golden Calf*. The twenty-fifth chapter of this documentary is devoted to the entitled subject. "Democracy in Israel" and is available in pamphlet form from the American Palestine Committee. This book will inform its reader of more truth and facts about Israel than he will learn from the electronic news media in a lifetime.

Israel has become our fifty-first state in all but name. Based upon fiscal year data, Israel is now the annual recipient of more United States aid than all the states of the union combined under the federal government's program of revenue sharing with the states. (Hatonn: It *should* shock you. Know that it *has been suggested that Israel be annexed as a State--this was rejected soundly by Israel for doing so would cut benefits currently flowing to Israel!!!!* In addition it was pointed out at the Israeli council regarding the matter--that more control and influence is retained for impact in the U.S. government by 'acting in separation'.) According to *Business Week* (December 15, 1975), about a third of "\$6 billion a year goes to the 50 states..." under the October 1972 Revenue Sharing Act. That is \$2 billion distributed among the fifty states. United States aid to Israel in fiscal 1974 easily surpassed that amount when on December 26, 1973, President Nixon signed the Foreign Assistance Act giving \$2.2 billion to Israel. (Hatonn: Surely you must recall that you now give over \$3 BILLION IN CASH and an additional \$9 Billion in other aid--having just handed over \$400 million as a down payment in credits for housing for Soviet emigres. Worse than that, the entanglement over those funds got so testy that it was somehow neglected to get full assurance that the money would not

go for housing in the West Bank--which is already under massive construction! But where is your U.N.? You had best start looking very, very closely at these magical hands and calculators! Please keep uppermost in mind that the document which I am utilizing was presented in early 1977 and is totally obsolete as to current figures.) In each subsequent year, the Congress has appropriated similar amounts for Israel and the end is not yet in sight. For verification of dollar amounts of these and various other appropriations for Israel, the reader should consult the governmental documents, "Foreign Assistance and Related Programs Appropriations Act, 1976," 22 USC 2346, 7 USE 1701, and the note on 22 USE 2751 concerning the "Foreign Military Credit Sales" for 1976. The reader is referred to the *Congressional Record* (December 11, 1973, pp. H 11073-H 11102) for an interesting debate on H.R. 11088 which resulted in the \$2.2 billion aid to Israel.

Leonard J. Davis wrote an article entitled "The 'Jewish Lobby' in Washington" which was published in *The Cleveland Jewish News* on January 24, 1975. Mr. Davis is a staff writer for the *Near East Report*, the AIPAC lobby sheet. Mr. Davis acknowledges that "the Jewish vote is frequently identifiable as a bloc," and refers to Stephen Isaac's book, *Jews and American Politics*, to confirm that not only the ballot but "the contribution plays a major role in securing congressional support" for pro-Zionist legislation. He then explains from the same source: "Jews give more money to campaigns than any other American group, far beyond their 3 percent population figure would suggest. When the time comes for a congressman to decide which way to vote on a controversial issue, he may just remember which side of the 'bread' is buttered."

In a dialogue with Eric Severied, George F. Kennan, a former United States ambassador to Russia and Yugoslavia, noted author (two Pulitzer prizes) and foremost educator in foreign affairs was asked about the Middle East Conflict. Mr. Kennan promptly replied that before the Mideast conflict can be

solved, the Congress must divorce itself from the Zionist lobbyists in Washington. (Mr. Severied just as promptly dropped the subject, evidently preferring not to pursue the matter any further.) In its *Near East Report* issue of September 17, 1975, the AIPAC attacked Ambassador Kennan for making his revealing, straight-forward statement. According to AIPAC logic, it is evidently fine for one of its own staff writers to devote an entire article to "The 'Jewish Lobby' in Washington" as long as it is printed in a selected medium such as *The Cleveland Jewish News*; however, a noted public servant such as Ambassador Kennan must never tell the American people at large of these sordid matters. General Brown and Ambassador Kennan are not alone; the facts and truths of these matters testify with them and will sustain their positions in the pages of history long after the Zionist State of Israel ceases to exist.

The congress has made only feeble attempts to regulate lobbies and to monitor their lobbying activities. The Federal Election Campaign Act of 1971 was a step in the right direction. More recently, the House in the 94th Congress passed the "Public Disclosure of Lobbying Act of 1976" which would have required all lobbies to file quarterly reports on the exact nature of their business with congressmen as well as to report total money spent with respect to lobbying efforts. However, the Senate "majority of seventy" failed to act on this much needed legislation. It is possible that the Senate was too busy being lobbied to have time to consider it. Unfortunately, with human nature being what it is, there appears to be no easy solution to the problem. But the problem is a fact and a national disgrace. If the Congress continues to apply ethnic diplomacy in foreign affairs instead of considering the nation's interest as a whole, the future of this country is grim indeed.

On NBC's "Meet the Press" (July 27, 1975) the following colloquy occurred between NBC's Bill Monroe and Senator Mike Mansfield:

Mr. Monroe: "Another subject involving Congressional action--Greek-Americans influenced the House vote against arms for Turkey; Jewish-Americans have been lobbying against the idea of missiles to Jordan. Are we getting too far into a foreign policy made by Congress responsive to domestic political issues?"

Senator Mansfield: "Ethnicity does have its effect."

Mr. Monroe: "You are worried about this tendency?"

Senator Mansfield: "Yes, because I can only give my loyalty to one country, and that happens to be the United States of America. My father and mother were immigrants from Ireland, but my loyalty isn't to Ireland; it is to this country, no question."

The risks of ethnic diplomacy involve the dragging of a nation into wars unrelated to its national interests. Furthermore, the prostitution of the nation's laws by the Congress to narrow, separatist groups in order to gain special religio-ethnic results in a foreign land is a far more serious breach of the Constitution than a president's cover-up of a second-rate burglary.

BIGOTRY OR EXCLUSIVISM?

JEWS HAVE MASTERFULLY exploited the economic and political values of religious unity in all ages, but nowhere has this been more evident than in twentieth-century America where they have taken extraordinary advantage of certain freedoms and rights which they sometimes deny to others.

These exploitations have gained them virtual monopolies in the motion picture industry, television news and programming, merchandise chain-retailing, institutional investment banking and stock brokerage, certain domestic and foreign commodity markets linked to their control of gold and uranium mining in South Africa and, of course, the diamond industry which Jews control worldwide from production to retail distribution. It would be difficult for

even a casual observer to escape the conclusion that this hegemonic, oligarchic control by a single ethnocentric group could have occurred except by conscious, deliberate and conspiratorial efforts nourished from generation to generation by a religious ideology that teaches not so much the equality and brotherhood of mankind as preoccupation with its own greatness. Jews thus exemplify themselves as a self-worshipping people* (a fact which would be related to much of the persecution they have experienced). The practice of *stick-togetherness*, when carried out by non-Jews, is known as bigotry; when practiced by Jews it is politely called *exclusivism*.

* In his *Occidental Mythology* (p. 138), Joseph Campbell astutely observed that the hero in the biblical myth of descent and return is the Jewish people. This is in stark contrast to other ancient myths of this order wherein the hero or god is an *individual*!. The psychological implications for the Jew who believes in the myth of the Chosen People have been investigated by many, including Sigmund Freud. Some of the suggested implications fall within the bounds of human experience delineated by schizophrenia. This schizophrenic attitude is examined by both Jew and Arab in the excellent articles, "We and the Gentiles" by Rubinstein and "They and the Gentiles" by Mehdi in the July/August 1971 issue of *Atlas* magazine. The literature on this theme is practically inexhaustible and its central point seems best expressed by the Jewish-French writer Rabi: "Judaism is essentially a self-assumed tragedy" and "Anti-Semitism is a part of ourselves, of our being and our life." But as Mazrui has pointed out, "Israel's ethnic exclusivity, tied directly to the political logic of establishing a Jewish state, is the moral problem which many Western intellectuals have been psychologically unable to acknowledge."

(Hatonn: Please keep uppermost in your minds that the term "JEW" did not appear in literature nor in any language until the 18th century. Even at that it is a "corrupted" English word for the 4th century Latin "Iudaeus".

Further, keep in mind that the so-called or self-styled "Jews" in eastern Europe were NEVER Semites, are NOT Semites now, nor can they ever be regarded as "Semites" at any future time by any stretch of the imagination. Therefore, to claim Anti-Semitism to this group of people is absurd for it has no meaning in relationship to them, whatsoever. The assumption is likewise absurd and impossible, that these "Jews" could be the "Chosen People" for they come from the Khazar lineage. Now, the wondrous question is HOW and WHY the origin and the history of the Khazars and Khazar Kingdom was so well concealed from the world for so many centuries? It surely exists and existed and historically is documented. Could it be by the same deceptions which capture the world now in erroneous information such as "Jews", "anti-Semite" and "Zionists"? By evidence of the (All Vows Vow) Kol Nidre, the self-labeled "JEWS" vow to keep no vows and swear on the Talmud to lie to all Goys--which is about everyone other than the self-styled or so-called self-appointed "JEWS". Anything you doubt herein--go look for yourselves for it is all written and documented!)

Imagine, if one can, an entire industry under control of a single Gentile or Protestant group, say the Baptists. How long would it take the American Civil Liberties Union to file a legal suit against such a monopoly, charging violations of various governmental laws which prohibit racial and religious discrimination?

While lashing out at the Arab oil cartel, Jewish groups seem little concerned about the Jewish diamond cartel or the oligarchic, Jewish control of the national television networks--ABC, CBS, NBC (and CNN)--whose newscasts and other programs are used daily to propagandize and brainwash the American people on almost any topic from abortion to Zionism.

A recent and blatant example of pro-Zionist propaganda was telecast by CBS on August 26, 1976 under the title "The Tenth Level." This program depicted

Jews and blacks as the few persecuted ones while WASPS (White Anglo-Saxon Protestants) were depicted as the ever-present persecutors. The PLO (Palestine Liberation Organization) was referred to as a "dedicated terrorist group", while no mention was made of the half-million Arabs who fled their homes in Palestine because of Jewish terrorist organizations such as the Hagana (the former military arm of the Jewish Agency), the Stern Gang and the Irgun Group which, on the night of April 9, 1948, ambushed the Arab village of Deir Yassin and massacred two-hundred and fifty-four of its inhabitants, many of whom were old men, women and children.

Some of these Jewish terrorists were later rewarded with election to Israel's parliament, the Knesset. A former head of the Irgun terrorist gang, Menachem Begin, remains in the Knesset where he has convinced Israel it should never deal with the PLO because it is a terrorist group!*

* On May 17, 1977, Menachem Begin's extremist right-wing party, the Likud, was victorious in Israel's national elections. The victory will elevate Begin to the position of prime minister of Israel (Hatonn: I believe that is borne out.) When Prime Minister Begin comes calling on Washington for aid, as his predecessors have done before him, President Carter's White House welcome to "the Butcher of Deir Yassin" promises to explode the president's human rights issue. Millions of human beings, along with their leaders, will see the president's human rights campaign as nothing more than a political sham. (Hatonn: Alas, by that time everyone had gone back to sleep--mesmerized by other distractions.)

Scores of movies have been produced about Nazi atrocities in World War II, but the Jewish-controlled film industry has yet to produce a single movie about Zionist terrorism during the violent period of 1943-1948 which led to the reestablishment of the "Holy Land." The film makers decided long ago that, to the American audience at least, one "Victory at

Entebbe" is worth more than one "Massacre at Deir Yassin."

Jews are good script writers, good image makers and good actors. And because a credulous Western world has accepted their created imagery, that world, so falsely led, is now faced with the enigma of reality. So confronted, Judaism has caused its adherents--particularly those in Israel--to be victimized by its own inventions. Truth and Reason are not moldable as putty nor will these fit into a house of fantasy.

Unprecedented social and economic crises exist in Israel today. The *Jewish Frontier* (October 1976, p.8) contains an advertisement placed by the Development Corporation for Israel. The following quotes are excerpts from that ad: "As we begin the new year, the people of Israel face tremendous economic burdens which will require a far greater measure of support from the Israel Bond Organization than ever before....The Israelis are making sacrifices. Taxes are the highest in the world, amounting to about 70%. The Government has been forced to cut back on health, education, and other social services....Israel is in urgent need of increased income...." The ad ends with a plea to the American Jew to strengthen his "*Bond with Israel with an Israel Bond.*"

THE UNHOLY ALLIANCE

THE FORTUNES OF ISRAEL AND America have been allowed to become so entangled by monetary, political and emotional ties as to be inextricably bound together in an unholy alliance (some would say Holy Alliance). This strange alliance with Israel, developed over the past twenty-nine years, has brought this country--and the world--to the very brink of disaster. During the 1973 Yom Kippur War all United States armed forces were placed on world-wide alert, to come to Israel's rescue if necessary. The existence of this situation is itself *prima facie* evidence of the extent of Jewish power. There need be no further documentation of this fact.

Mr. Fagan Dickson, an Austin, Texas attorney, has made two trips to the Supreme Court to test the question of whether Israel is an establishment of religion within the meaning of the First Amendment. In the first case, the court side-stepped the issue on procedural grounds. In the second case, it passed the "buck" to the Congress and the Executive Departments and, without saying so, relied on the Nixon Doctrine of "Reasons of State".

A Pennsylvania businessman, Michael J. Bennett, filed a lawsuit to halt United States aid to Israel until Israel separates religion from state matters. According to *Church and State* (September 1975), "Bennett lived and studied in Jerusalem, where he met his wife, who is Jewish and a native of Israel. They had to be married in the United States, Bennett told reporters, because Israeli law does not allow religiously mixed marriages."

In keeping with an apparent policy to protect Israel from public embarrassment, the nationally televised news programs never informed the American public of Mr. Dickson's Supreme Court challenges to the fundamental issue of American support of Israel in the Middle East religious conflict nor through such media was the public told of the Bennett case as far as this writer can determine.

Our founding forefathers wisely forbade governmental establishment of religion or the union of church and state in any form or endeavor, whether it be called Zionism or just *ism*. Thomas Jefferson wrote, "...to compel a man to furnish contributions of money for the propagation of religious opinions which he disbelieves, is sinful and tyrannical." In Washington, D.C., these immortal words are engraved in the stone of the Jefferson Memorial: "I have sworn upon the altar of God, eternal hostility against every form of tyranny over the mind of man." No free intellect can do less and remain free. It is indeed ironic that the success and fate of the theocratic State of Israel—where religion and politics are wedded—depend upon the military power of

the United States whose Constitution requires the separation of church and state.

It now seems more than chance that determined that the ascendancy of America's post-World War II power should coincide with the establishment of the State of Israel. That Israel was established at a time when America had no military peer bespeaks volumes about Zionist influence and manipulation of American foreign policy.

EPILOGUE—A LARGER PERSPECTIVE

A GREAT SAGA, CONCEIVED in mythic fantasy, is being acted out in the real world and, as each scene is played, it becomes part of the historical setting for what is to follow. The script for that story was finished by the Temple Jews about 400 B.C. with the Book of Ezra. For other Jews and converted Gentiles (Christians) the script was not completed until about 96 A.D.

Both scripts have been studied and the lines, although not always agreed upon, have been well learned. The rehearsals are over. The curtains are open. We are late as the play unfolds before us. The paramount question is, "When will the play-acting end?" That, of course, will depend upon which script is followed, and for how long, and which scene Reason will interrupt.

THE DECLINE OF THE WEST

The 1973 Yom Kippur War, with its attendant Arab oil embargo against those nations helping Israel, marks the end of a period of global, strategic hegemony of the Western nations, led by the United States. The worm has turned or is turning. The beginning of the decline of Western, cultic imperialism has begun. Before this generation ends, the blacks who mine the gold and diamond riches in South Africa will tear down the fences which the cults of *bigotry and exclusivism* have erected.

A comparison of *apartheid* and *Zionism* shows enough similarities that an overt, conscious effort is

required to avoid the conclusion that both derive from a form of racism. For comparison purposes and examination of some of the issues involved, one should read the following articles in *Foreign Affairs*: "Black Africa and the Arabs" (July 1975), "Inside the Laager: White Power in South Africa" (Oct. 1976) and "The Anti-Zionist Resolution" (Oct 1976). Other comparative examinations of Zionism and racism can be found in *The Link* (Vol.8, No.5, Winter 1975-6) and in the "Report on the Relations Between Israel and South Africa" released by the United Nations Special Committee Against *Apartheid*. It may well be that the decline of the West, aided by an intransigent Israel, will bring the social salvation of mankind. A spark of hope lies with the youth and anti-clericalists of the Jewish community. Often more sensitive and alert to social injustices than their elders, many young "Jews" openly condemn the racist capitalism which contains some of the seeds that perpetuate the historic "Jewish" problem.

Compare the writings of young Jewish authors such as those who wrote *The Class Nature of Israel* with those of the old traditionalists such as Rabbi Stanley A. Ringer. Rabbi Ringer, writing in the *Jewish Frontier* (March 1972), stated: "First of all we need a strategic base. That is to say, Jews must establish their own 'conditions' of production to be able to build a group structure based on mutual cooperation, ethnic self-interest and cultural and ethical integrity." If this statement by Rabbi Ringer does not advocate economic racism then the English language has no meaning.

The rabbi's advocacy of a Jewish economic system is racism of the rankest kind—a racism dependent upon religious bigotry. It is the kind of racism that has plagued the Jewish people throughout their history. What the world Jewish community needs is more Noam Chomskys, Moshe Machovers, Akiva Orrs, Israel Shahaks and Felicia Langers; these are people concerned about the *brotherhood of mankind*.

WHO IS A JEW?

Few seem to recognize that the solution to the Jewish problem lies in the answer to the question, "Who is a Jew?". The author hesitates to use mystical arguments to answer a question which Judaism raises, but the question itself is cloaked with mysticism and, therefore, seemingly would exclude itself from logical or intellectual inquiry. Many years of study have convinced the author that any serious attempt to solve the Judaic dilemma (exemplified by the Arab-Israeli Conflict) must address itself to the temporal Jew's belief in his unique relationship with God. The spiritual analogue of that relationship is beautifully explained in the New Testament where the answer to the central question was given long before the Israeli Keneset ever sat in council to debate the issue:

For he is not a Jew, which is one outwardly; neither is that circumcision, which is outward in the flesh:

But he is a Jew, which is one inwardly; and circumcision is that of the heart, in the spirit, and not in the letter; whose praise is not of men, but of God. -Romans 2:28,29.

(Hatonn: and even in this writing is the total fabrication and mis-translation by usage of a word "Jew" which was non-existent prior to the 18th Century!)

The author could not resist giving the King James translation of this passage because of its poetic symmetry, but for his exegetic purpose *The Living Bible Paraphrased* is best rendered:

For you are not real Jews just because you were born of Jewish parents or because you have gone through the Jewish initiation ceremony of circumcision.

No, a real Jew is anyone whose heart is right with God. For God is not looking for those who cut their bodies in actual circumcision, but he is looking for those with changed hearts and minds. Whoever has that kind of

change in his life will get his praise from God, if not from you.

The tropology of Scriptural language is here so clearly explained by the Apostle as to preclude any preference for the *natural* Jew unless, of course, one is intent on justifying certain ethnic attitudes and practices upon biblical or religious grounds. These grounds can and have been used by unreasonable and predisposed minds to justify anything.

It would be obvious that the efficacy of a wholly *spiritual* relationship cannot depend upon, nor relate to, the question of one's ethnic heritage. And clearly, societal discrimination should be on a higher plane such as ethics and not upon a basis of ethnocentrism. In the words of Dr. John Nicholls Booth, an eminent minister and educator, "Experience has shown that religion or ethnicism as the bases of nations are Neanderthal structures inconsistent with enlightened and beneficial political entities." The recognition and acceptance by man of his common genesis will not lead him into a system of theology or philosophy which is rooted in racism.

In Israel, the question of "Who is a Jew?" has caused deep family and social disruptions created by state efforts to define the question legally. Any illegitimate child born in Israel of Jewish parents is not permitted to marry there because of the state rabbinate's monopoly on marriage. The rabbinical courts in Israel interpret the Bible to say that *mamzerim*--Hebrew for bastards--cannot be regarded as Jews. These *mamzerim* are forced to wed outside Israel because of the rabbinate's refusal to allow their marriage. Even then their marriage is not recognized in Israel and the children born of *mamzerim* are also classified as bastards. In 1971, there was an estimated 40,000 Israelis whose social and family statuses were affected by Israel's biblical marriage laws. Dr. George Tamarin, an Israeli psychologist and anti-clericalist, has stated: "When India became independent, it did away with the untouchable caste. When Israel became independent, it introduced

it." To dramatize their struggle in this area, anti-clericalists have set aside November 9th in Israel and declared it to be "National Bastard Day."

The Legend of the Chosen People is a product of the art of manipulating men--a prime example of mythic inflation. The Chosen People concept of Judaism is repugnant to Reason from which derived the principle of the dignity and equality of mankind. When followed in practice, it leads to violations of the Universal Declaration on Human Rights and the United Nations Charter. Moreover, Christianity rejects the Judaic concept of ethnocentrism and Paul rebuked Peter for his hypocrisy in this matter.

The Chosen People concept is the bedrock of doctrinal racism. It is the founding rule of Jewish nationalism promulgated by modern Zionists under color and the supposed protection of religion. Historically, the concept has acted to deter the unity of mankind and the peace of nations. In this generation alone, four wars have been fought over it and a fifth is in the offing but has to wait while the nations involved take time out to rearm themselves. One wonders if the flames of passion against the *goyim* (other nations) are rekindled when the biblical exploits of King Saul are read by the "chosen people".

The United Nations debate on Zionism brought the following response from the Synagogue Council of America which represents the Reform, Orthodox and Conservative branches of Judaism in the United States: "Zionism is the liberation movement of the Jewish people in modern times....But Zionism is more than a political phenomenon. It is an expression of Jewish religious belief and hope, for it witnesses to the most distinctive aspects of Jewish faith. Specifically, it is a profoundly spiritual expression of Jewish fidelity to the Biblical covenant which links a people, faith, and a land in an indissoluble religious unity. It is that unity which is most characteristic and distinctive of Jewish spirituality." It is noteworthy that Zionism is more than

just politics or "a political phenomenon". It is essentially espoused to be a religion of biblical origin. The union of politics with religion has bedeviled the Jewish people throughout their history. It has caused perpetual strife not only within the Jewish community itself but between it and its neighbors, whoever these neighbors have been.

There can be no truthful denial that the Arab-Jewish conflict has grown from theological roots. Israel's own ambassador to the United Nations, Chaim Herzog, again confirmed this during the United Nations debate on Zionism when he stated that Zionism is the name of the national movement of the Jewish people as established in the Bible and is an integral part of the Jewish religion. After interviewing Israel's Prime Minister Ben-Gurion in 1956, the Jewish columnist Joseph Alsop wrote an article for the now defunct *New York Post Dispatch* (June 13, 1956): "In these days, the Old Testament is hardly news. Yet every Western policymaker and every Arab leader ought to study it prayerfully, for there is no other way to understand the spirit of David Ben-Gurion, which is also in large measure the priority of his people. That spirit is a cardinal fact in the Middle East; and if you do not take it as fact, you are bound to make the wildest misjudgments and nourish the most idiotic false hopes."

Because of the theological nature of the Middle East Conflict, it is unlikely that the diplomatic or military forces of the United States, or of other nations, can solve the dispute. That dispute is the result of belief in Jewish mythology and it will end when men quit their beliefs in mythic folly. That dispute will end when man learns that in *creedal*, formal religions symbols are created to fill the void of man's ignorance or to stand in place of the ineffable. But God will not be mocked by any definition of creed or limitation of symbolism.

"Like the Nyanga tribesman...[who] shares a 'psychic identity' with the animal--an identity that exists in there

realm of myth and symbolism," the Christian fundamentalist shares a psychic association or "mystical participation" with the natural Jew who claims to be the "chosen" of God. Unfortunately, Zionists and other zealous fundamentalists have concerned themselves with the symbols (such as the temporal "Holy Land" or the temporal "Holy City") rather than the realization of a spiritual relationship with their Creator. So while the natural Jew fights his symbolic war with murderous weapons supplied by the United States government, his spiritual counterpart will be attempting to follow the Golden Rule.

END OF QUOTING

So be it and may God place His seal and blessing upon the Word of Truth. You who proclaim yourselves to be "Jews" and say, "...I am Jewish and I should know--that it is certainly not this way!" I suggest you look again for you are most grossly misinformed and that disinformation and misperception will lead you FIRST down the "primrose path" into the briar-patch. You of the "Godly Jews" who have given of time and money toward that which you understood to be the "Chosen place and people of God" are deceived and what you have done is contribute to the downfall of your very origin and heritage and placed it into the hands of the infidels and deceivers of Truth. I ask only that you stop the denial long enough to find the Truth of this which we are giving unto you for it is now passed in years long enough to have your proof of these statements--but you shall have to look where the answers have been hidden and suppressed for deceivers continue harder and more violently to cover the lies. So be it and I close now that this segment may be added unto the Journal.

TODAY'S WATCH

To you gentlemen who removed the entropy to places unknown but out of the sight of my scribe, I am indeed grateful beyond expression. Dharma has offered to give up her seat on the ship and that of Oberli, George, Desiree', Patricia, John, Al and Eleanor in exchange. I suggested it might not be suitable but she insisted that we must begin to run this outfit like an American/Bush liberation process--wherein ONE decides the fate of the many. Well, I have a place for ALL OF YOU for we almost lost our scribe on the yesterday. It was far more serious than having the adversary destroy three hours and 14 pages of instructions to the local personages--they about got her too!

We will run for a period on alternate power source (hence the REAL need for that generator and drum of diesel). This stops some of the impact coming directly from the computer electronics system.

TO THE WAR FRONT

The blast coming back here is incredible and, I find, without much introspection or thought to the whole. I am told to "stick it up - - -" and "you A-H-- are wrong--not many allied soldiers died so it wasn't much of a holocaust and certainly not World War III". Didn't they? Was I wrong? No Holocaust???

Firstly, there were far more "allied" deaths than given unto your attention and, frankly, the ones which were hardest to "cover" and "hide" were the ones created by your own allies in error (friendly fire?).

Do you think that Iraq, and now Kuwait, will find it was not a holocaust? Further, it would not be over at the moment if it were not for your REAL enemy--the Soviets. You slaughtered hundreds of thousands of people--most of them civilians--women and children.

Now for Kuwait and atrocities. The greatest atrocities occurred on the road back to Iraq. Have you looked at the pictures of that highway strewn with bodies and "killed" vehicles--thousand and thousands of slain people blown apart by your aircraft. Oh, I see, well they were retreating and could damage ground forces. Well, what of those 5 to 40 thousand Kuwaitis that the Iraqi forces took from Kuwait and hauled off to "somewhere"? I thought you might get the drift!

What has happened is that you have now gotten rid of the Iraqi insurrection AND the best of the Kuwaiti resistance people (the young and their families). So be it, children, for God counts an Iraqi as dearly as he counts a Brit! He loves a Kuwaiti as dearly as he loves the most tiny American. This just happens to be the way it IS--I did not make it up to spoil your celebration for I tell you this, the celebration you see on your TV will be dampened considerably as the dead are mourned. Man, however, is strange indeed--no matter how the person dies in a war, or why, the mourners are greatly soothed by the fact that "he gave his/her life for country!" I wonder - - -!

World War III? War on Drugs? War on Crime? While you pretend to fight your battles you-the-people lose of the war of God Truth. You fight your way right into the very planned helplessness and denounce and attempt to take-out any who appear to disagree. You continue to shout "anti-Semitic"

at my people and unto ME and there is no such actual term for the "Jew" you shout to protect is no "Jew" at all, least of all a Judean! By your very shouting you prove to the world that in actuality **YOU ARE THE "ANTI-SEMITIC" FOR YOU KNOW NOT WHAT A "JEW" IS NOR WHAT ONE OF JUDEAN DESCENT IS! YOU ARE FOLLOWING A PARTY-LINE MADE AND SET-UP TO CAUSE YOU TO BE THE FOOL. YOU HAVE JUST DRIVEN ONE MORE NAIL INTO THE COFFIN OF FREEDOM AND BROUGHT ONE MORE SEGMENT OF DIS-AGREEMENT IN THE MIDDLE EAST INTO THE CONTROL OF THE MONARCHS AND ELITE RULERS.** Do you ACTUALLY BELIEVE those nice royal families who own the Middle East are going to let those peasants run the government? Come now--they spit on the laborers for they have a CASTE system and the lowly are not worthy to own--they are considered only worthy to "serve"!

Oh yes, you WILL pay for the cost of restitution and rebuilding. They don't, however, need your money or taxes to do so--although you will get mammoth taxes and they will confiscate your funds. Remember the lesson I gave on the printing of money? All "money" is "credit" and so it goes. The taking of your perceived assets is to bring you to your knees without telling you the truth of it.

Daily you gauge the state of affairs by what CNN tells you and the market is up and then down and then flourishing and then "off just a little"--look beyond--you are in a depression and there are millions out of work and no probability of growth to give them work. Indeed, when the "big boys" tell you the plans are going according

to schedule--THEY CERTAINLY MEAN EVERY WORD OF IT--EVERY WORD! Worse, they will now change their attention unto you-the people so you might begin to get nervous.

By the way, have you noticed that, as the war wound down and Saddam was told not to launch those madman weapons, your shuttle suddenly got cracks worthy of notice? Please, dear ones, at least hear us and then see how the pieces fit as you move one day into the next with their false projections. An informed public is a secure public. If you can get your loved ones home now, treasure them, cherish them and stop this thing coming down upon you. Bow in gracious appreciation unto God for another opportunity to salvage some remnant of your Constitution.

Is the Constitution God inspired? Well, it was structured by some elite men in the U.S.--in secret! At that "convention" the entire prior rules of order were totally scrapped and replaced--just as would happen this day if a Convention is called and allowed. It is not that perfection is present--indeed, it is that that which would come down would insure enslavement at the hands of this particular New World Order Elite Puppet-Masters. For this time there is no question as to the validity of "God inspired". It is inspired and demanded by the order of the "Skull and Bones" of which Mr. Bush is a very active credited leader, as was his father.

There is even humor as to the Skull and Bones Society--the women of America keep botching all the plans of the "boys"--have you taken note, men of the world--the women now are demanding opportunity to membership in that Society! What is your old cliché? "...never underestimate the power of a woman scorned?" You may yet find the Skull & Bones reduced to bone-meal.

Next I wish to share with you a letter which was sent to our beloved Wally G. and he has sent it on to be shared. It is from one who is not familiar with our work even, so we honor him for some insightful thought--there are thousands of clear-headed, clear-thinking, individuals--we are only efforting to bring information together in a lump so that you might glean the advantage of the many. I have no particular attention to be given unto "Hemp", for

instance, which is the subject of the letter--but the points are well taken. Please note that this "illegal" plant was grown for government use in World War II in Texas, for example, and the bar-ditches still bear the reseeding of natural cycle. Laws change according to the desires of the Elite, dear ones--"smoking pot" is the least of your worries, although it has been pushed into becoming a "problem" also. For thousands of years hemp was just a most totally useful plant in so many ways it could have been called the "miracle" plant. Let us share this document, please.

QUOTE:

W.G.
18 FEB 91

Dear Wally,

It was a pleasure talking with you. Sorry to hear you're not feeling too great, but glad to hear you're still working and gladder still to hear you're doing an environmental script.

It seems to be time for a movie equivalent of Rachel Carson's SILENT SPRING, and in fact much of my recent thinking has been focused on the local-global consequences of our current environmental policies and how we might adjust them into more intelligent directions. I've centered it around our current center world stage event:

U Thant said, "World War III will be the battle to save the earth from environmental ruin." He was right and it's here now: This is not the Persian Gulf War; this is the Battle of the Persian Gulf, opening gambit of World War III. (Hatonn: And you had better take note of this truth!)

Remember, they didn't call it World War II when it first started either, so we better get used to the idea that we're in World War III--and that the environmental ruin we face goes far beyond the scope of Saddam's oil slick and the burning Kuwaiti oil fields.

The nature of the ruin is local-global: Ecosystem destruction that kills each life and all life; and liberty destruction, which destroys each human freedom and all human freedom.

One ravages the planet; the other, the human soul, and they are interrelated

patterns, not discrete phenomena, and their common root lies in our addiction to petrochemical oil and our prohibition of hemp.

Hemp was prohibited in the United States during the 1930's, just as a new machine for bringing the plants' processing into the 20th century came on line. Its prohibition was achieved in significant part through the price fixing and/or lobbying efforts of: a) petrochemical companies who would have faced profit-threatening competition from hemp-based products, and 2) the police state bureaucracy that had grown up around alcohol prohibition and was in danger of extinction after its repeal. (Hatonn: For you of the younger generation who may not realize it--all your nylon, dacron etc., for ropes and fabrics, plastics for bowls instead of woven baskets, etc., are carbon fuel-based products.)

The prohibition of hemp deprived the people and Earth of their best protein source, paper source, fiber source, energy source and therapeutic substance. Essentially every subsistence level of human need for food, fuel, fiber and medicine can be manufactured from the hemp plant at considerably less monetary, environmental, and governmental cost than from any other raw material. (Hatonn: He is correct and worse, as you ones effort to come into self-sufficiency--you have no replacement for that plant. It is arranged that way for to simply have a "rope" for tethering your cow--you must now go to the cartel for acquisition.)

Consequently, the prohibition of hemp is having the same effect on the people of the Earth as the U.S. Federal Government's slaughter of buffalo had on North America's native peoples: It is depriving us of our sustenance and making us dependent upon governments that strip us of our culture, dignity, property, freedom and health and tell us we'd better like it or die.

Governments achieve this as a direct consequence of our addiction to petrochemical oil as an energy source: The prohibition of hemp deprives the people of the Earth of a healthy, renewable, decentralized energy source and forces them to become dependent upon a toxic, finite, chokepoint-vulnerable resource.

The prohibition of hemp is: a) A petrochemical price support system

that concentrates power and wealth in the hands of those who control it and impoverishes those who must buy it to survive; and b) an environmental disaster of dangerous proportions because half the trees on the planet have been cut down since it was banned and all the cars are running on toxic petrochemical oil instead of benign biomass-based fuel oil.

The socioeconomic conflict resulting from petrochemical addiction and hemp prohibition regularly results in violence, which then gives governments whose operational premise is "protecting the general welfare" an excuse to: a) Attack each other's people through warfare; and b) attack their own people through the construction of police states, which are as toxic to liberty and prosperity as petrochemical oil addiction is to world peace and ecosystem health.

Our petrochemical dependency is addiction in the classical sense of being an obsessive-compulsive need for something that is counter-productive to our health. Policywise, it brings to mind a writing of the Catholic theologian Thomas Merton: "We rely on the sane people of the world to preserve it from barbarian madness and destruction. Now it begins to dawn upon us that it is precisely THE SANE ONES who are the most dangerous."

We simply can't keep living this way--and we just as simply don't have to. We took a wrong turn back in the 1930's that set us on the path to petrochemical addiction and its attendant socioeconomic-environmental destruction, but we can get back on the right road by returning to our roots--our hemp roots.

By immediately ending the prohibition against hemp cultivation, possession and use, we open the biomass door to a global environmental policy of "Conservation through Conversion," to a worldwide transition from unhealthy energy dependence based on toxic, finite petrochemicals to a healthy energy independence based on a renewable, environmentally-sound plant whose decentralized production and manufacturing will create economies of location rather than scale and thus further reduce energy needs. (Hatonn: Now before you laugh yourselves silly--the man is absolutely correct. You youth who have no relationship to anything other than "pot"

"weed" smoking--ask your parents if they are old enough to remember when hemp made the finest cloth, the finest and strongest ropes and bindings, the finest fiber-rich food supplement and so on. God provided you with a plant of great benefit and you have been trained now to only abuse it as substance which disallows all other uses in addition.)

At the same time, we could radically reduce the exponentially growing threat of the worldwide police state organization created by hemp prohibition because not only would they no longer be chasing hemp producers and consumers, they'd have to do away with regard to the other prohibited plants, too.

The reason is crop substitution. In many areas of the world, opium poppies and coca plants are grown by native peoples who get next to nothing for their labor in relations to the finished product price but who nevertheless make more money from opium and coca than from any of the other "substitute" crops government tries to push off on them. If these people had the choice of growing hemp instead of opium or coca, most would enthusiastically do it because not only could they sell a portion of their crop for cash, the rest of their crop could directly provide them and their communities with food, fuel, fiber and medicine.

Repealing hemp prohibition is therefore the means by which we can: a) Better feed, clothe and feed the people of the world; and b) better starve the police state apparatus on its totalitarian vine instead of fattening it on the freedom of We-The-People.

Equally important, the repeal of hemp prohibition will radically reduce the likelihood of war being fought over finite, chokepoint-vulnerable energy source because the primary food/shelter/fuel resource would be growing in everybody's back yard, window ledge or living room.

Of course, Texas oilmen and the rest of the predatory petrochemical/pharmaceutical dope pushers won't like it but if we are to save the earth from environmental ruin we must ensure that the opening battle of World War III is the spark which ignites a peaceful plant revolution, not a chorus of multiple thermonuclear detonations.

WHEW! That's been inside for a long time, Wally; thanks for being the impetus for getting it out.

Hope you enjoy the material produced by others; etc, etc,. Best Regards, R.H.

(Hatonn: And you thought the only good of hemp was for smoking and "mind-blowing" experience--no, that was fostered by the Elite to entrap you and allow removal of one more stepping stone to freedom and lock-in to their products. I hope some of you are totally aggravated over this thoughtful perspective given in truth--it is a good example of thousands of things of like matter brought against you unsuspecting peoples of this world. Hemp will grow ANYWHERE. IT IS ONE OF THE WONDROUS PLANTS PROVIDED TO SUPPLY A FLEDGLING HUMANITY WITH "TOOLS"--LET US SAY, IN THE GARDEN OF EDEN FOR LACK OF BETTER DESCRIPTION--JUST AS ARE SOME OF THE WONDROUS AND FORBIDDEN PLANTS OF THE NATIVE CULTURES. YOU HAVE A GREAT BIG BUNCH OF THINGS TO UNDO, PRECIOUS CHILDREN--A GREAT BIG BUNCH!)

R.H. then jotted down what he labeled:

A CURRENT EVENTS QUIZ

1. How many SCUD's could Saddam shoot at Israel if oil was a buck a barrel?
2. How many F-15's could King Faud buy to threaten Israel with if oil were a buck a barrel?
3. How big would Syria's petrochemical-supported Army and Air Force be if oil was a buck a barrel?
4. How large would be the threat level of all the Arab armies and Iran if oil was a buck a barrel?
5. What would the investment portfolios of Texas oilmen look like if oil were a buck a barrel?
6. Which two Texas oilmen wield enormous power in the geopolitical arena?
7. Which of those Texas oilmen assured Saddam Hussein that the United

States didn't give a rat's ass whether he invaded Kuwait or not?

8. Which plant's prohibition props up the price of oil at twenty dollar-plus levels?

9. What Texas oilman is hell-bent upon enforcing this plant's prohibition?

10. Which plant's prohibition deprives the people of planet earth of their safest therapeutic substance?

11. Which Texas Oilman AND former board member of a major pharmaceutical company is totally hell-bent on enforcing this plant's prohibition?

12. Whose father got this Texas oilman appointed to the board of directors of that pharmaceutical company?

13. Which plant's prohibition deprives the people of planet earth of their best protein source?

15. How many trees are cut down each year to make paper grocery bags for the U.S.?

16. How many trees would have to be cut down each year to make paper grocery bags if we restarted making paper from hemp?

17. From what plant's fiber was the flag sown by Betsy Ross made?

18. The paper from what plant's fiber allowed Benjamin Franklin to open the first American printing plant independent of British suppliers?

END OF QUOTING

Now, see how many question you can make up dealing with the same entities as related to oil companies, off shore drilling rigs, fish-meal importation and so on--I alone, have given you several volumes of material from which to research your listings. I urge you ones to give the thoughtful sharing of such information great appreciation and thoughtful reasoning with logic and proper "awakened" perceptions. The WORLD extends beyond *Sports Illustrated* sneaker-phones and swim-suits and TV couch-potato growing. Tunnel vision will cost you your existence and freedom--very, very shortly if you fail to wake up and smell the "hemp" burning!

Dharma, enough for this writing for you are still queasy and I desire you away from this place again this day.

Just appreciate the drink for Mother as being given and simply enjoy it for it has been indeed long for Southern California. Don't over-look the fact that within this very month--the earth has split open at Edwards Air Force Base with cracks over three feet deep running linearly some distance in "miles". So much ground water has been removed that even if there were not cracks--there is sinking of up to three feet in the runway areas. It is serious indeed. You have been prevented from having the rain right from your own dimension and you might wish to ponder why the Soviets have allowed you this rainfall! Yes, I suggest you ones get busy smelling the "hemp" burning!

I remove to stand-by. Thank you for your service and for your attention. Thank you RH for sharing and please, Wally, make sure he receives a copy of this. Perhaps you ones will send an extra copy so that Wally has it available. Welcome aboard, son--we need you, not as activist for we do not "activist" as is expected--we simply bring Truth which will ultimately allow Man to take his firm stand--"fighting" and "weapons" will only bring more police force--TRUTH BY THE WORD SHALL OFFER YOU MEANS OF GAINING FREEDOM. BLESSINGS UPON YOU ONES FOR GOD IS WITH YOU AT EVERY STEP--EVERY BREATH AND EV-

ERY THOUGHT--SO PLEASE, MAKE THOSE THINGS WORTHY OF HIS PRESENCE.

Salu,

TODAY'S WATCH

Hatonn present and ready for a great deal of work this day--thank you for I must ask of you to do a lot of very tedious scribing.

THE PERSIAN GULF "WAR"

If you get hung-up on this massacre in the Middle East you are going to miss the other segments of preparation which continues World War III! I cannot, in Earth timing, get all the facets of information unto you and also give historic input which, if you have it not, simply brings denial, discarding of the Journals and ignorance is sustained. Things are NOT as they were given unto you from onset of historical tom-foolery. For instance, *and this will be especially important to you ones who have read CURSE OF CANAAN and a few other documents--you will find that "Samjaza" is referred to as Satan. And so it is. Just as JUDAS ISCARIOTH is a total misrepresentation of the betrayer of Immanuel (Jesus) who was actually one labeled JUDA IHARIOTH--so are names changed "very, very slightly" in order to deceive you. Samjaza (Satan) is NOT Semjasa the heavenly son and guardian angel of God, the great ruler of those who traveled from afar through the space of the universe and from whom springs the lineage of the entity you would recognize as Adam.*

We are dealing with such deadly information that mere unfoldment of same is overwhelming to you who have been taught and misled, lied to and misled, and flat mis-disinformation fed until we hardly know where to start in setting the records to correct.

I know not how to get you to read that which is already beautifully done and is the most accurate history of the demonic descension unto Earth that has been compiled and documented to tiny

details, THE CURSE OF CANAAN, by Eustace Mullins. You will find a revelation beyond that which is credible to your "blown minds". Now, you can either get that book and read it--beautifully done--or you are going to sit and read it verbatim through my scribe--it contains the most important information on your planet. However, as with "Sanjaza/Semjasa", I cannot just allow misinterpretations to remain unchallenged for you are going to end up seeing a wrong scenario from onset and conclusions will be ill-drawn. Biblical stories were written in such a way and then twisted to allow for misinterpretation to the extent that you will simply be discouraged and totally confused. Darkness will always deceive--it is their very creed and vow--and just as a good warrior, they have deceived until you accept the writings for face value--or less; you listen to a speaker and know not anything first hand. If I had the most wondrous gift of all, it would be that you would sit with these documents, the Bible, the Cabal, Talmud, etc., and the true historical research documents and compare them word for word--YOU HAVE BEEN LIED TO FROM THE BEGINNING BY THOSE WHO "ARE LIARS FROM THE BEGINNING!"

In most cases in the English translations the deceit is not going to be as easy to see as is Sanjaza/Semjasa or Satan/Sananda. These are set from the start to deceive you into the wrong path. Then, following misrepresentation, the Orders of Darkness go into "SECRET" AND HIDDEN ACTIVITIES AND YOU ARE NOT ALLOWED TO KNOW TRUTH--but rather, finally accept that which you are told. Worse, millions come into the "Orders" and NEVER know that they are not of God. The trick is to get the Elite who would dominate--train them--and the rest of you simply do that which THEY tell you to do. For instance, if you join the Masonic Order you will end up with a password recognized by all Masons, TUBAL CAIN.

Cain celebrated the first "Black Mass", or Satanic Mass, on earth--therefore, you might now assume that Cain is a pretty nasty character. Now where do you find the use of "Cain" most utilized today? In the order of Freemasonry. No, I didn't say that all Masons are evil--why don't we look at history and Truth and stop the bigoted

defense of one's false knowledge? IT IS THAT WHICH YOU DO NOT KNOW THAT IS DESTROYING YOU AS A SPECIES OF GODLY BEINGS. ALL "SECRET" SOCIETIES ARE NOT OF GOD OF DIVINE TRUTH AND LIGHT. And we can show you as much if you simply read and research the literature available unto you--including those Holy Books you tout and flash at me in almost continual flag-waving--perceiving that which you say is of God Lighted, when, in fact, it is fabricated and pronounced upon you and unto you by Satan HIMSELF through his offspring on your planet. Few, including ME, SANANDA "JESUS", AND GOD ON HIGH, expect you to know this information--THAT is precisely why we are unfolding it for your enlightened consumption. Oh, a great number of you will not believe it at any rate--FOR YOU DO NOT WISH TO CHANGE ATTITUDES, ACTIONS NOR OPINIONS. THAT, however, changes NOT ONE IOTA of the facts.

I did not--nor do I care about--write nor sanction the rules of the Masons. I DO HOWEVER, KNOW ABOUT CAIN! And, the name of Cain survives today in Freemasonry in two forms, which are integral to the most crucial tenets of this association. First of all, murder, the threat of murder, and the constant re-enactment in one form or another, of murder--are basic to the most important Masonic rituals--simply look at them again, if you are a Mason, with a little imagination and truth. Thus a direct link to the first murderer, Cain, is established through the rituals. Now, you modern Masons will say about this proclamation that all this is total bunk and that the pledges, etc., that we recite don't REALLY MEAN this or that--oh YES THEY DO! You are just told they don't and further, MOST OF YOU would not participate if they did so. So, habits are formed and careful attention is paid as to WHO will know truth and who will be excluded from the true inner-sanctum. The Society worships Satan while you-the-member thinks you are worshiping goodness and light. I ask especially that you members think about a few things and "words" as I outlay just a brief description herein.

Speaking of murder (above)--which it, of course, is not actually called except in the Mafia/Cosa Nostra organizations

based on Freemasonry rituals--has a direct link to the first murderer, Cain, and is established by the rituals. The importance of the Cain legend to Freemasonry is also revealed by the fact that Cain slew his brother. IF YOU ARE ASKED TO ACT AGAINST YOUR OWN BROTHER IN BEHALF OF A FELLOW-MASON, YOU MUST DO SO, UNDER PAIN OF DEATH. Now, let us take that a bit further into the "humor" of the court system wherein almost all lawyers and judges are Masons! Guess what--you are going to get a much more impressive hearing if you flash a Masonic emblem or ring and wear your Fez to court. There are many instances where a man (non-Mason) who was pursuing a lawsuit against a Mason was astounded to have his own brother, who would be a Mason, come into court and commit perjury against him to help his brother Mason. This custom survives in other organizations to an even higher degree, i.e. La Cosa Nostra, wherein leaders often request a member to actually murder a close relative upon whom the death sentence has been passed, as the ultimate test of his loyalty.

The name of Cain also survives in a second important element of Freemasonry--THAT SECRET PASSWORD--"Tubal Cain". Tubal Cain, a descendant of Cain, was the son of Lamech, the father of Noah, who had two wives, Adah and Zillah. "Zillah bore Tubal Cain; he was the forger of all instruments of bronze and iron. The sister of Tubal Cain was Naamah" (Genesis 4:22) (Sorry about that!). Naamah's revelries with her blood relative, Ham, resulted in the actual "curse" of Canaan; she is recorded, also, as the person who brought human sacrifice and cannibalism (a word derived directly from "Cain" and "cabala", or kaballa (ouch!)) into the world. Tubal Cain, grandson of Methosalah by Lamech, was the line of Cain, hence his name. He is known as the father of witchcraft and sorcery, hence his importance to Freemasonry and their use of his name as their password.

AH HA! HATONN IS OFF THE TRACK OF KHAZARS AND JEWS!

Wait up--I have only just begun and so have you, Brothers seeking Truth and Light. For this wild bunch of the roost became the Khazars who decided

to call themselves "Jews" and the true "anti-Semite" is in fact the "Jew" himself!

Now, how could that be? Well, I am trying to whet your appetite for MORE information; for it is fascinating to see how the deceiving came to pass. You see, the "good guys" were the ones who descended from Shem, who were highly creative and productive--THEY WERE KNOWN AS SEMITES. On the opposing side were the "cursed Canaanites", who historically were the anti-Semites, the foes of the tall, fair-haired, and blue-eyed descendants of that one, Shem. But the Semites were also recognized as great warriors and they very deftly defeated the Canaanites in every conflict and military encounter--they usually waited until attacked, however, they very often just drove the Canaanites right out of the territory according to the "instructions of God" which they interpreted as meaning to destroy them utterly. But, those "anti-Semites" had great staying power; when driven out of one country, they appeared in another to continue their same type of corruption and betrayal--very flexible, deceitful and willing to corrupt everything and everyone.

While the nice Semites were busily establishing one great empire after another, Asshur's building the Assyrian Empire, Cyrus the Great building the Persian Empire, and Shem himself creating the great Egyptian civilization, the anti-Semites were developing their own talents. *These lovely talents included a great talent for trade and commerce, for travel, for making themselves at home in any country, and among any race of people--and ultimately taking over.* Generally, they established their trading colonies along the seacoasts, for they lacked the courage to venture into the great wildernesses of Europe, where the Semites always made themselves at home. They always took that which was established and absorbed and merged within it. *The Canaanites always remained true to the precepts of the Will of Canaan; they were (and still are) true to EACH OTHER, REGARDLESS OF THE CIRCUMSTANCES;* they are constant in their love of robbery even if they have to distort and corrupt the laws into their own favoring, their love of lewdness, and their hatred of the masters, that is, anyone who tried, or tries, to interfere with their corrupt way of life. *They*

always refused to tell the truth and do, in fact, annually take a vow called Kol Nidre (All Vows) at the time of "Atonement" which says that "all vows taken are null and void according to this vow". In other words: annually the vow is reaffirmed that "all vows are invalid". THEY DID AND DO, REFUSE TO TELL THE TRUTH EVEN IF IT WOULD BETTER SERVE THEIR CAUSE AND YOU CAN SEE IT IN ACTION IN EVERY COURTROOM IN THE NATIONS. (Go back and refer to the "PROTOCOLS".) By remaining loyal to these unchanged precepts, the anti-Semites had at their disposal vital weapons for their war against the people of Shem.

The "Shemites", on the other hand, being fiercely individualistic, never hesitated to pit their empires against each other, or even family against family, their overweening pride always taking precedence before any racial or historical imperative. Now, didn't you just have a whole bunch of dastardly personages? Ah yes, I believe you see that we all have a great many blunders to set to correct to come again into total perfection of Godliness--whichever path you trudged. These overzealous Shemites (Semites) went about "crusading" and remained invincible for hundreds of years. Meanwhile and simultaneously, the anti-Semites were busily *expanding trade routes, and amassing their profits from trade (and to this day, the British aristocracy professes total disdain for anyone who sullies his hands with trade, this being from the ancient prejudice against the Canaanites); with these profits, they eventually became BANKERS TO THE WORLD! (IMPORTANT!!).*

While these Semite (later "Christian") crusaders went about crusading and opening up trade routes throughout the known world, they also opened up new avenues for graft and corruption. The Canaanites cleaned up during the Crusades and they amassed ever greater profits from each adventure.

When the "Christian Knights" departed for the Crusades, dedicating themselves to the service of Christ (God forbid)--dead or alive--the Canaanites, *who stayed prudently at home awaiting opportunity to knock--recognized it when it did and perfected various schemes to rob the knights of their money and property while they were away "protecting freedom for all and*

goodness and light whether anyone wanted it or not".

TEUTONIC KNIGHTS

Strange things always happen in the middle of Crusades and wars and hence it held true back then, also. Some of those Crusaders found shelter and protections at the hands of the Teutonic Knights, who were engaged in looking up the *frauds perpetrated by the rapacious MONKS and CLERGY, who had forged title deeds and mortgages upon lands and property of absent Crusaders or those who had fallen in defense of the Cross in the Holy Land (oh, pain and agony).* Time for reflection and study of the causes of the Crusades at home and abroad, when it is the scum of Europe settled upon its dregs and the best people had been almost entirely obliterated from the face of the continent--and now it is under way again! The rapacity of the popes and clergy down to the lowest monks was appalling to those self-sacrificing, stalwart warriors of the Cross, who had returned and found utter strangers in the places and homes of their kindred, and upon investigation it was discovered that frauds, forgeries of title deeds, and confiscations under pretexts of heresy had despoiled their kindred, and the meagre few who had survived were beggars upon the highways and lanes, perishing as tramps by the wayside.

The Knights of the Teutonic Order built the city of Riga in Latvia in 1201; they conquered Estonia in 1220. They conquered Prussia in 1293, establishing a military tradition there which ended only after World War II. Although they were disbanded in 1809, the Teutonic Knights remained the *inspiration of the GERMAN MILITARY ESTABLISHMENT* which guided Germany through two World Wars. It was Hitler himself who wrote "finis" to their proud traditions, when he concluded the Molotov-Ribbentrop Pact in 1939. Ah, hold up, the plot thickens up herein - - -

Not only did that pact cede the nations of Estonia, Latvia, and Lithuania, the ancient strongholds of the Teutonic Order, to the COMMUNISTS or Canaanites, but subsequently, all of the great estates of the last heirs of the Prussian tradition, the last survivors of the Teutonic Order, fell into the hands of the onrushing Soviet hordes.

Confused? It all becomes simplistic--the "Semites" are REALLY the "anti-Semites" or Canaanites, the heirs of the Curse of Canaan, whose corrupt acts are dictated by the Will of Canaan; the true Semites are the fair-haired warriors who built one great civilization after another. Then how do you recognize these various forces in today's world? **"BY THEIR DEEDS YE SHALL KNOW THEM"**. *Those who are engaged in murderous conspiracies, those whose only loyalty is to secret international organizations, those who promote the use of drugs, bizarre sexual practices, loose morals, and criminal undertakings, in short, those who continue the rebellion against God, these are the Canaanites, the anti-Semites.* So, in a great surprise of a thought-controlled turn-around the very ones who remain true to the Christ path are the "Semites". Despite great and horrendous calamities and the sweep of powerful historical forces, the genetic pools of the original people of Shem, as well as those of Cain, the Canaanites, remain fairly consistent.

How do you recognize the one group from the other? You should have no problem in looking about and deciding who are the true descendants of Shem. They are often represented (but of course, as race/color enters the picture the outline is a bit clouded)--but, for brevity, you will often find fair-haired, fair-skinned, predominantly blue-eyed, (simply from genetic lineage so don't get crazy) healthy, productive, proud, disdaining to engage in any dishonest activity, and always fiercely individualistic--these are the people who remain true to the tradition of the people of Shem.

The Canaanites, on the other hand, are generally shorter, darker, more furtive, and almost always are engaged in some type of criminal, underhanded or semi-criminal activity, usually with special government approval or license.

The writer Roget equates "license" with "anarchy, interregnum, mob rule, mob law, lynch law, nihilism, reign of violence", in other words, the acts of the Canaanites; yet in your United States today, you have imposed (accepted) on the citizens requirements for "license" to do many of the things

free men would not be licensed to do; to drive or own a car, to engage in a profession, and many other intrusions into the individuality of the people of Shem. "License", which does NOT appear in the Constitution written by and for the people of Shem, means setting up requirements that only the Canaanites can meet, or license which only the secret clubs of the Canaanites will grant to their own; no others need apply.

This is the cohesiveness required by the Will of Canaan in everything they do, socialistic and communistic, the individual submerged in the mass, and committed to conspiratorial social and business practices. They are also frequently involved, or advocating freedom of, all sorts of extra-curricular sexual activities which can be traced directly back to the orgies of old Baal, human sacrifice, and obscene sexual rites. **AT THE SAME TIME, THESE "ANTI-SEMITES" WILL GO TO GREAT LENGTHS TO CONCEAL THEIR TRUE IDENTITY AND THEIR REAL LOYALTIES.**

Now hold your breath--*they are very often to be found in communities as the leaders and in activities advertised to the populace as "compassionate" and "caring"; they are often to be found in government offices, in the media, and in the educational institutions. In these areas, they ruthlessly promote the interests of their own kind, while presenting a solid wall of opposition to any one of the individualistic descendants of Shem who enter these professions.*

THE ONE GREAT ASSET

The great asset of the Canaanites (Khazars, Self-styled so-called Jews, Zionists) is that the people of Shem (others) have no idea what is going on; they rarely find success in a profession despite their great natural talents and appetite for hard work. Throughout their careers, they are oppressed and "luck" seems to pass them by more readily--worse, the harder these ones strive to bring goodness and Truth--the worse they fare.

FACE THE FACTS, LITTLE SHEMITES

TIME GROWETH SHORT INDEED!
History will not allow the people of Shem additional centuries, or even many more decades, to come into

their (your) senses and realize just what is and has been going on. Just as they have been victims of massacre and genocide for centuries, the people of Shem now face the determination of the Zionist Canaanites to exterminate them utterly and finally, a goal which they hope to achieve BY THE YEAR 2,000--THE END OF THIS MILLENNIUM AND THE PLAN IS IN PLACE AND UNWINDING "RIGHT ON SCHEDULE".
Oops--Hatonn said it again!

LET'S US TALK ABOUT THE KREMLIN

Lighten up? Let us then turn to speaking of the Kremlin and those old Khazars. Boring, boring. You simply cannot understand current events without knowing about the past seven-plus decades of struggle for control of the Kremlin. But that struggle in turn is part of an even bigger historical picture. What you are witnessing today is the climax of a war of more than a thousand years between the two most bitter enemies on earth. It is the war between RUSSIA and "those old KHAZARS".

Little refresher: The kingdom of the Khazars vanished from the map of the world many centuries ago. Where did it go?

The Khazars were the Canaanites--and the Canaanites re-labeled themselves Phoenicians and later, Venetians and sort of intentionally "lost themselves" as they pronounced themselves followers of Judaism and later--IN THE 18TH CENTURY--someone called them "Jews". The Canaanite political parties were the Pharisees, Sadducees, Zealots, Sessions, Assassins, Herodians, and Scribes. A later group, the Edomites, descended from Esau and later intermarried with the Turks, producing a Turco-Edomite mixture **WHICH LATER BECAME KNOWN AS THE CHAZARS (KHAZARS), THE PRESENT OCCUPANTS OF ISRAEL (FORMERLY PALESTINE).**
Ah so - - -?

The Canaanites were divided into the Amorites, Hittites, Moabites, Midianites, Philistines, Ammonites, Edomites, Zidonians, Sepharvaims, Perizzites, and affiliated tribes, *all of which are routinely denounced in that Good-book you call the Bible--right from "Genesis" on through.* Isn't this fun?

Today, except from a few of us "mouths", most people have never even heard of the Khazars, yet, in its day, the Khazar kingdom was a MAJOR power indeed, holding sway over a large empire of subjugated peoples. It had to be reckoned with by the two neighboring superpowers of that day. To the south and west of Khazaria the Byzantine Empire was in full flower with its Eastern Orthodox Christian civilization. To the southeast, the Khazar kingdom bordered on the expanding Moslem Empire of the Arab Caliphs. The Khazars influenced the histories of both of these other empires but, far more importantly, the Khazar kingdom occupied what was later to become a southern portion of Russia between the Black and Caspian Seas. As a result, the historical destinies of the Russian and the Khazars became intertwined in ways which have persisted down to the present day.

History records that the Khazars were derived from a mixture of Mongols, Turks, and Nordics (Finns). As early as the 3rd Century, the Khazars were among the devastating hordes of Attila, the Hun. Around 550 A.D., the nomadic Khazars began settling themselves in the area around the northern Caucasus between the Black and Caspian Seas. The Khazar capital of Itil was established at the mouth of the Volga River where it emptied into the Caspian, in order to control the river traffic. The Khazars then exacted a toll of 10% on any and all cargo which passed Itil on the River. Those who refused were simply wiped out.

With their kingdom firmly established in the Caucasus, the Khazars gradually began to create an empire of subjugated peoples. More and more Slavonic tribes, who were peaceful compared to the Khazars, were attacked and conquered. They became parts of the Khazar Empire, required to pay tribute continually to the Khazar kingdom. Tribute by conquered peoples has always been a feature of empires, of course, but not in the fashion of Khazars. The so-called "great empires" of the world always gave something in return for the tribute they exacted. Rome, for example, made citizens of those they conquered; and in return for the taxes they levied, they brought civilization, order and protection against attack from would-be invaders. But not so in the Khazar Empire. The peoples who were subject to the Khazars received only one thing in

return for their payments of tribute, and that was a very shaky promise: the Khazars would refrain from further attacks and pillage so long as the tributes were paid. I think you might note that ones just recently "agreed to hold off retaliation in exchange for a whole bunch of money from you nice people who pay taxes". Now they have taken the "Vow" to be the ones to take-out Saddam for the world-through terroristic murder and they pronounce it right through the very lips of your Congressman, Solarz--you ones had better get those heads cleared and eyes opened.

The subjects of the Khazar Empire, therefore, were nothing more than the victims of the giant protection racket. The Khazar overlords were therefore resented universally and bitterly throughout their domain, but they were also feared because of the merciless way in which they dealt with anyone who stood up to them. And so the Khazar Empire expanded until it occupied large areas of what is now Russia and southeastern Europe. By the 8th Century, the Khazar Empire extended northward to Kiev and westward to include the Magyars, the ancestors of modern Hungary.

Let us have a break, for this is indeed tedious writing and I ask that all study it very intently for there are so many threads to unweave.

Now, I have been swamped by inquiries as to what happened to the weapons, etc., of Saddam Hussein. And, "...what would Saddam perceive he did wrong?" In reverse order--he would, today, have instantly loosed the heavy-duty weapons and created massive destruction head-on and up-front. The horrendous weapons are being contained in security and some are and have been--and will be--moved to the super-power protection of the Soviets. YOU HAVE HARDLY EVEN BEGUN THIS MOTHER OF ALL WARS. THERE ARE MANY WAYS TO GO TO WAR AND THE ZIONISTS PLAN TO RULE YOUR WORLD SO YOU CAN KNOW THAT YOU ARE HARDLY BEGUN.

Salu,

Gyeorgos Ceres Hatonn, Cmdr.

MARCH 1991 VOLUME IX NUMBER 9

3/3/91 HATONN

Let us commune, chela, for your heart is indeed heavy and the impact of the adversary great. This is something which should please be shared with the co-workers--both for their own self-security and explanation of differences of work loads.

The massive attack continues to be directed at you, Dharma, for several reasons which I may as well give you for you are seeing the truth and you must face it clearly in consciousness, also. If you had, say, diagnosed "terminal" cancer--you would perceive the possibility of death of the body and yet, hopefully, continue to function and heal of self. You see that at some point herein there can be such an attack on you with these pulse beams which are coming almost daily and in far greater impact than prior to now that there may come a time when revival is not possible. I can only tell you, precious, that were that a possibility, the attacks would not stop even if you stopped the revelations as given by me. I witness nothing other than relief at the possibility of transition so that is not the problem--as with truth-bringers of all times, the continuation of journey in the face of the adversaries is the difficult portion. Also the responsibility to those who experience as a part of your very work and being is impacted so very greatly--so escape becomes out of the question--therefore, we keep on keeping on for as long as is required--which in this instance of historical unfolding--will continue right on into the reaches of the Cosmos--for we represent the teachers of the ancients and, al-

ways, we will be the ones with higher knowledge and responsibility to bring truth unto whichever dimension we might find ourselves.

For you who ponder the contents of this message--I shall give brief explanation. Within the week we have written that which is equivalent to over half a Journal--only to have the computer tampered and the circuits interrupted and all of the work lost to the entire system--gone--and the time irretrievable. Each time this happens there is such an energy instant shift that the impact causes great interruption in the heart rhythm and the pulse impact within the dwelling is incredible at all times. Worse yet, the "homing pulse transmitters" are inadvertently exchanged and brought in from outside sources in total ignorance. They, however, are short-lived for as we locate them we can neutralize them. They are, to this point, set to personal frequency impact on Dharma and thus far, all others within the spaces are quite safe as there has been, to this point, no need to actually remove anyone else.

WHY THE SELECTIVE "SCRIBE" IMPACT?

There are others now writing and bringing forth wondrous truth and instructions--but they are bringing forth that which is considered, on your place, undocumented spiritual input to humanity which will be totally discarded if the work and information we are bringing forth can be stopped or brought into discredit. This is an entirely different type of exposure.

Let me example that which happens when you have a good scribe/receiver of truth whereby a great following is attached. Let us use the newly Guruized Swami Paramananda Saraswatti. Who is that? Well, it is your old friend Penny Torres-Rubin and I believe you might find great interest in the newly outlaid sur-name. Was Penny/Mafu credible? I am not here to comment on such as that--but you had better look very closely at ones coming into a gifted situation and turning it into a circus--having been "ordained a Hindu monk last year in India". Now *The Foundation for Self-Realization Beyond the Human Potential* announced last week that it is buying a 40-acre "Camp Dove" from *Faith Tabernacle, Inc.*, changing its name to "**PARAMANTMAN DHARMA**" meaning "*the way of the supreme spirit*".

'HER' (whatever happened to good old Mafu?) group "...needed a place to hold retreats, etc., for its many followers after Jackson County turned down petitions to develop residential property outside Eagle Point," Saraswatti said.

She said she realized her group could be seen by outsiders as another Rajneeshpuram, the city built by followers of Indian guru Bhagwan Shree Rajneesh that overwhelmed the little town of Antelope in Eastern Oregon.

"We are not disciples of Rajneeshes but do place some credit on his work," she said.

Saraswatti said she was raised in the Catholic church and most of

her followers came from conventional religions.

"We are an organization of non-denominational spiritual beliefs," said Saraswatti.

WHERE IS GOD?
WHERE IS GOD?
WHERE IS GOD?
WHERE IS GOD?

For you who can't wait to join a "commune" and follow a 31 year-old duped "NEW AGE" servant of Gurued nonsense--you will find them setting up shop in ASHLAND, OREGON--in their million dollar-plus additional millions land acquisition. May Holy God of Light have mercy upon the deceived for they cannot know that which they do and worse, project on ones who blindly follow into no-God's of Light Land.

To Wally G., my most beloved friend and brother, I am sorry to unfold this for at one time you queried me most hard on why I did not follow Penny's path and have Dharma dance about and have a bit more theatrics! Wally traveled with this person and filmed, etc. PLEASE HEAR MY PETITION, MAN OF EARTH--IT WILL BE **TRUTH WHICH SHALL SET YE FROM YOUR BONDS--NOT SWAMI PARAMANDA SARASWATTIS. AND IT SHALL BE THROUGH THE GRACE OF LIGHTED CREATOR GOD WHO SHALL DEMAND YOU COME INTO THE CHRISTED PATH OF GOODNESS IN TOTAL SIMPLICITY THROUGH OPEN UNDERSTANDING--THROUGH SIMPLE OUTLAY OF TRUTH AND CASTING ASIDE OF ALL GURU SWAMI SELF-ACCLAIMED PROFESSORS.**

For you who continue to ask me about "my brothers" Mafu and Ramtha, Lazarus and others--may you please accept the above as my response--and YOU shall have to discern for I shall give no more time to the debate. God and Christed energies of the Higher Realms, along with the Hosts sent as revealers of Truth are quite sufficient. Note that all of these self-proclaimed truth-bringers do bring Truth--always enough to hook you and then sink you! The evil ele-

ment has no mercy when it comes to the destruction of the unseeing servant.

Further, for those who continue to query me regarding Adamsky and other projectors of Spacecraft interchange from Adamsky to Lob-sang Rampa--please use your own discernment--for I have no intentions of side-tracking into personalized interpretations of that which is almost ALL junk and fabrication. Have there been sightings? Indeed there have! Have there been contacts? Indeed there have--but when the impact in any portion begins to "show through" in dress, in proclaimed "authority" from the human's mouth--be highly suspicious. You have enough problems to clear from the pathway home to God without piddling around in "stuff" of delusion and/or illusion.

I am not come to judge--I am come to outlay Truth of that which IS and give assistance in areas wherein you can help self to function and come into that Truth. Mine is not to play games with "someone's special Sananda" or alien space-cadet. I will meet personally in public grouping with any energy form who will confront me through his/her speaker. I can guarantee you that the take-ups of that offer will be few indeed--from and Anka to Torres and JZ. These ones not only will not confront me--they now, as in the case of Knight, refuse to even allow the Journals or Expresses in their bookstore or gatherings--what might that tell you perceptive ones?

We bring no trinkets of "golden rams' heads" nor retreats to balance the "inner self and open chakras"--we give you Ttruth and a way in which to deal with that Truth to the best of our ability in your given Earth-bound situations--NO MORE AND NO LESS! I serve as your friend and brother higher-universal-Man in a Commander's "jumpsuit"--right beside Jesus Christ--in a Commander's jumpsuit--and we both serve the HIGHER SOURCE--GOD OF LIGHT CREATOR/CREATION--no more and no less. We will give you, hopefully, methods which will be most earthly in possible ways of working "through" this system in order to better find your own way

back into service and intent of God. Our offerings are not to make anything save building a transition point for any who would participate and allow salvaging that which you have, to the best possible advantage, while the Elite make their continuing and constant police-enforced methods to deprive you and strip you of all assets--in this thing constantly thrown at us--"Caesar's world". Funny thing about those who disclaim "Caesar's" as being evil on our part to share with you ones of God's world--which is everything there is in Creation. They are the very first to attack and then follow the instructions to try and bypass us and outsmart the sharing. We offer that which we see that can buffer to some extent even the things of worldly acquisition for it also requires that type of asset-management to get the remnant through, doesn't it?

Ours is a commission to bring you Truth of how you have come to be in your present negative circumstances and uncover that which is deceit and of evil origins. Note I do not say "satan's origin" for "satan" is a simple descriptive word which only means "adversary"--therefore God can well be concluded to be satanic--for all things evil are those things which cause God to be the adversary thereof! Consequently I, Hatonn, am most certainly satanic--I am an adversary of almost everything happening and all those in power and intended upon your destruction upon your placement.

God produced a "lighted star 'light'" in a wondrous and perfect form who turned out to be a most disagreeable and horrid energy--YOU and your Biblical translators called him Lucifer and later when he got his rear-end booted out of the Heavenly (meaning only "high places" and places of Holy God's (Creator) place of power and authority--the highest authority) your deceivers got even more clever and deceitful and labeled him Satan (which means nothing more in translation than "adversary") and you made him some sort of super "fallen angel". This "evil god" actually exists only in the bemused minds of victims of religious brainwashing. Human is the

"satan of Holy God" (adversary of Holy God) and "devils" really do walk the earth today, just as in the time of King David. They are no longer "spooks" for they have taken the form of physical beings--like you, and Bush, and Kissinger, and Bakker, and Baker, etc. The adversary of Truth infects and bloats and then condemns the bearer of his energy presence. They are human indeed, who wipe out a computer program bearing Truth of Godness (goodness) and unfolding of the evil plans to enslave you and capture you into the places of damaged soul forms and prevent your progress from outside the morass of physical density.

We force not any of you to change a hair of that which you are doing--but I implore and petition you on bended knee to consider that which you choose most carefully.

Dharma is, for instance, at risk when others are not for we are unfolding the truth of the deceivers from the beginning of taking the Holy Truth and instructions of God for you blessed creations called humanity and unto this very day--and laying it out for all to see. The satans and the devils do not like it very much for this would be their world of horror and hell wherein the desire was to entrap ALL human beings and souls--they have done an incredibly remarkable job, dear ones.

Ours is to outlay in truth with as few errors, even in wording, as is possible working with your level of knowledge and our use of words for translation--to not form more contradictory input. We are stymied at times for as we use a simple term "Jew" it brings down the house. We are forced to use the term at times, incorrectly, lest there be no definitive meaning other than that which has been drummed and sold into your heads. The satans and devils in human form on your place DO NOT LIKE IT. We are not giving you rules for tiddle-de-winks, beloved ones--we are revealing the secrets of the inner secret societies that have foisted total lies, half-lies and evil power and enslavement upon God's creations and creation. THE SATANS AND DEVILS DO NOT LIKE IT!

Are we the only ones--today, valid etc.? Hogwash! Of course not, and that is more of the confounded and confounding lie. There are many who have brought forth Truth--very few survive physically, but some do and some succumb to the overload and fear and move away from the service. Often Truth came from one of one generation and as the younger came to take the place of the removed elder--the work is corrupted and thusly portions of the original work, by association, fall in credibility. IT IS A HARD JOB, BROTHERS--PLEASE BE KIND. It is a job which can only be accomplished with the direct assistance of Higher Source--please be kind and gentle in your bashing!

TERMINOLOGY

I tell you that we are also trapped into using words such as "Jew" while knowing they are incorrect but they have "assumed" definition and we have naught else which YOU understand to utilize without lengthy discussion and WE ARE RUNNING-----

(And the computer locked up again. Fortunately Dharma had "saved" frequently so we could recover this much.)

3/3/91 HATONN

Dharma, we shall simply try again until we outsmart the bugs. For you readers--we just had the computer eat and destroy a portion of the prior writing. Sorry, adversary, we will print it again and again and I hereby suggest you cease and desist for you, sir, are not winning.

After this break for reprogramming and rebalancing of the scribe we are going right on with the subject at hand and, herein, at the first of a writing is good opportunity to break down definitions which are used constantly--according to the "controlled" meaning as used today through incorrect interpretation and that which is the true meaning of given terms.

Perhaps this section should also be placed in part at the beginning of all Journals bearing discussion of

these points under current revelations. Thank you.

TERMINOLOGY: MIND CONTROL/FACTUAL DEFINITIONS

CM:= CONTROLLED MEANING.

TM:= TRUE MEANING

We will only handle a dozen or so falsely used terms so as not to overload and will add to the dictionary as we move along and find it necessary.

1. CHURCH

CM: A building or organization used by Christians (pre-dominantly, so as not be confused with synagogue or temple) to meet together regularly to sing, pray and worship according to denominational doctrines.

TM: The English word "Church," the Scottish word "Kirk" and the German word "Kirche" all originate from the Greek word "KURIOKOS" which means pertaining to the THE LORD.

The "Judeo-Christian" (oh pain and agony on us all) use of this word carries with it an enigma that defies all logic and reason. The English Bible translators substituted the word "church" KURIOKOS for the Greek word "ECCLESIA".

2. ECCLESIA

A Christian ECCLESIA is "A CALLED (convoked) CIVIL BODY": a local Christian assembly of elders (Christian Civil Government). The word "church" should not even appear in the English New Testament. It is a mistranslation. "KURIOKOS" is not "ECCLESIA"! The words are totally different; the institutions are different. No where in the Bible do you find a kuriokos. There is only "the called-out (elect)" ecclesia which unfortunately was mistranslated into "church", transforming it (in English) from Christian government to superstitious and ritualistic Baal Worship.

"In the New Testament, ecclesia, signifying 'convocation', is the only single word used (trans-lated) for 'church'. It was the name given to the governmental assembly of the citizens of ATHENS (NOW GREECE), duly convoked (called out) by proper officers, and possessing all political power, including even juridical functions."

Let us discuss each of these terms in context of examples, please. **Jesus the Christ NEVER established a church on earth.** Neither did he in "latter" days nor in "former" days. "Churches are man-made organizations that are, in most cases, creations of the "State" laws of incorporation or non-taxable organizations. There are no exceptions I can think of off hand. By following the State rules the President or minister or whoever falls under the official laws of the State and ceases to follow the total instructions of Jesus Christ or God Divine.

During Jesus' mortal experience he directed his Apostles to establish ecclesias, not churches, among the Israelite people (Israel: a people chosen by God and this does not mean even Judean nor Palestinian. It is a description, not the name of a state.) He commissioned them to preach the good news of the Reign (influence) of Christ (ideal type of humanity through right actions, thoughts and deeds). That does not say Jesus or Yeahoo--it says: preach the good news of the influence of the teacher giving forth the ideal type of instructions to humanity! Neither does it say to go forth and give your opinion as to what you *desire* to believe but project that which was given forth by the Christed teacher (messiah) messenger. **ANY TRUE PROPHET OF GOD--knows this and would not sway the meaning nor mistranslate the words chosen for the "modern" translations of truth--GOD DOES NOT MAKE ERRORS IN PROJECTIONS OF**

DIRECT PROPHETIC DIALOGUE. ESPECIALLY WHEN GIVING FORTH "ORIGINAL" PROJECTIONS AND INSTRUCTIONS--A GOOD CLUE AS TO WHERE "YOUR" FAVORITE PREACHER OR PROPHET MIGHT BE CATEGORIZED.

3. SATAN

CM: The Arch-Fallen Angel. An evil being so powerful as to rival God himself. Originally he was "perfect" in every way, but his pride led him to organize a heavenly insurrection among the angels in which one-third of "the heavenly host" revolted against God. God managed to retain his throne, and the rebels were banned from heaven and sent to earth. Earth, a lesser dominion than Heaven, became the kingdom of Satan--"the god of this world". He is the cause of all evil upon the earth, leads men astray and causes them to sin against God.

TM: ANY adversary or opponent! God was a "satan" (adversary) to King David at one point (compare second Sam. 24:1 and first Chron. 21:1). If the English translators had been consistent, Bible readers would have known that an angel of the Lord was "a satan" (adversary) to Balaam (Nu. 22:22). In first Sam. 29:4, Philistines called a Hebrew a "satan" (adversary). The sons of Zeruijah were "satans" (adversaries) to David in second Sam 19:22. David wrote about other "satans" in first Kings 5:4, 11:14, 23 & 25; Ps 38:20, 71:13, 109:4, 20, 29. In these scriptures, "adversary" is the same Hebrew word that is translated "Satan" in other passages.

The super "fallen angel" (Satan) of the churches is an impossible myth. This "evil god" exists only in the minds of victims of religious brainwashing. Human "satans" and "devils" walk the earth today, just as in the time of King David. Fear and preoccupation with spooks

make people unable to see their real enemies.

This "Hebrew" word was never translated into its English equivalent as it should properly have been. The only change the rapists made was to capitalize the first letter, thus attempting to turn it into a name and not a definitive "active verb" word. Any true prophet of God would not place such a word as Satan in one of the original documents for God would not make such a direct error. Further, if the translators had been accurate the word would never appear anywhere in any Bible of any denomination.

The so-called super "fallen angel" (Satan) of the churches is an impossible myth. This evil "god" exists only in the minds of people that have fallen victim to religious ideologies. Now, I too, have utilized the term from many references for you have conjured up something which does exist in your "REALITY" and therefore, it DOES EXIST. It did not, however, exist and was NOT A PORTION OF ANY ORIGINAL DOCUMENTED INSTRUCTION OF GOD. If the word appears--it has been given new meaning from that originally intended and is a true "EARTH" given word.

Had that very descriptive word "satan" been correctly translated, the English word "adversary" or "opponent" would have been used in all the places where the word "satan" appears in the Old Testament, New Testament, Book of Mormon, Doctrine and Covenants, Talmud and all inclusive of all "so-called" Holy Books of instruction. I am forced to use the terms you utilize in my outlaying of the truth from the lies for you have no other background against which to find relativity and definition.

4. DEVIL

CM: Here is a dandy one: Synonymous with "Satan". The supernatural arch-demon who fell from heaven and now, with his legions of demons, reigns over the earth. God's arch-enemy who spoils God's plans for mankind and destroys people by his power over them.

It is assumed that Man does not have the ability to resist "The Devil". Therefore, you are somehow helpless against his nasty old power--except when God chooses, periodically, to help you fight him. Mankind is generally under the control of this supernatural "spirit-being" who is immortal, omnipresent, and apparently a rival to God Himself.

Let us look at the BIBLICAL MEANING:

In the Old Testament this word is found four times--only in the plural (devils). Twice from the Hebrew word "shade", and twice from "saweer".

1. SHADE: One who rises up against you (with insolence).

2. SAWEER: A he-goat (related to mythological "satyr"--half man, half goat).

Neither of these definitions from the Old Testament indicate anything supernatural or angelic. "Shade" simply means someone (anyone) who wants to hurt you. "Saweer" is a reference to a goat-type idol of the pagans.

The New Testament Greek "devil" is "DIABOLOS": One who "thrusts through" (as with a sword)--no indication of supernatural power.

(DIA--through, and BOLOS--to thrust.)

A "diabolos" (a devil) is something, or someone, who intends to hurt or destroy you. A "devil" can be a person, a group, or an organization that seeks your demise. To find a supernatural "devil" in the Scriptures, he must be read in by prejudice and presupposition on the part of translators and readers.

Therefore, the words "devil" and "Lucifer" are two words the "church" uses falsely and synonymously with "Satan". Neither of the Hebrew words translated devils indicate anything supernatural or angelic.

In the New Testament the Greek word "diabolos" was translated "devil". Diabolos simply means one who thrusts through (as with a sword). No indication here that

you have a supernatural spirit-being. Here again, beloved ones, no true prophet of God would misuse the word "devil" in the way it's used in the Holy Bibles or any "directly given" Scriptures" from God on High. I care not what the "church" or "denomination" calls itself. Certainly all are incorrect but translated from the Judeo-Christian in the King James Bible was totally wrong as we shall see in a minute because Judeo-Christian has no meaning as such--these are two mutually exclusive terms and NEVER the twain can meet for they are in opposition one to the other.

The word "Lucifer" as a proper name is simply not found in the Hebrew or Greek Bibles. That probably shocks a lot of you nice people, since everyone assumes it is, but the fact remains it's not. The Hebrew word translated "Lucifer" in the King James Bible is "heyel" which means "brightness".

The New World translation uses "shining one", another translation uses "shining star" and the Revised Version uses "day star" for the Hebrew word "heyel". I further suggest that probably in Lakota Sioux the term heyoka (a sacred clown) would also fit in there somewhere.

Lucifer, meaning "light-bringer" is a name given to the planet Venus when it appears above the eastern horizon before sunrise. Venus being now a quite "dead" and ungracious-to-life planet is possibly quite suitably dubbed Lucifer. It is also a term stolen by the dark brotherhood of energy projections that Lucifer and Satan refer to themselves as the Prince of Light--and befitting their vow to lie, cheat, steal and corrupt--it sounds better than the Prince of Darkness which is the correct term for the energy forms inhabiting the humans bearing these energies.

Next, let us look into:

JUDEO-CHRISTIANITY:

5. JUDEO-CHRISTIAN

CM: The religion of Jesus which branched out of Judaism at the time of the early church. Both Chris-

tianity and Judaism have the same origins and the same God. (Oh, God forbid!)

TM: A religion created for the purpose of destroying Christianity by watering down Christian ideals and neutralizing Christians. Also, designed to promote and protect Jews and Judaism in the Zionist sense of the definition of those misused and created terms.

Note: "Judeo-Christianity" is an oxymoron: (a moron dumb as an ox?) No--a word combination of two directly opposite things or ideas which are mutually exclusive as I just stated, thus defying all reason and logic.) Thus you can be sure anyone, any evangelist, any preacher, any monk, Saraswatti or other ill-informed human being using the term as a true term--is not projecting God but rather, ignorance at best, intended deceit at worst, upon your tender ears and/or eyes.

6. HEAVEN

MYTHOLOGICAL DEFINITION: A literal place somewhere in outer space where good people go to live when they are dead. The location where Jesus lives until He can return to Earth and rapture a select few people to take back to heaven from somewhere on fluffy clouds. A city is there which has gates literally made of huge one-piece pearls, streets of transparent gold and walls of sapphires, emeralds, topaz, jasper and other precious stones. The devil came from there, got kicked out (which he did), but he cannot go back (which he can't)--nor can anyone in the service thereof.

CORRECT DEFINITION: Usually plural ("heavens") in the Greek, meaning "high places"--in terms of: 1. Elevation, or 2. Power and authority (jurisdiction). In the Biblical sense it is usually "God's government" (the highest authority); government under Jesus whose purity and righteousness is symbolized by pure and precious stones.

This term is so tossed around by all the denominations of self-appointed "churches" as to nauseate quite thoroughly. It designates a physical place somewhere "out

there" in the outer limits. This is such a false teaching as to even go beyond nausea and into anger. The word "heaven" actually means "high level" as in power and authority (jurisdiction). In that good old King James version of the Bible, the word "heaven" usually refers to God's position of power: His government. In other words, the highest place of rule. No place in the King James Bible does it refer to "heaven" as a physical place the good people ascend to or inhabit after they die.

7. HOLY SPIRIT

CM: A person or personage of God; either a third person in the Trinity or a third god in a council or godhead. This person is separate from the Father and the Son and has separate and different functions to perform in a believer. In some cases this "third person" can "possess" an individual so that he or she supposedly has no control over actions or words. Sometimes referred to as the "Holy Ghost".

This one gets us into all sorts of trouble for now even we of Cosmic brotherhood have to explain our use of the triangle points (vortices and interconnectors) of the triangle which we refer to as the "triune" of total connection enclosing the infinite circle of sacred beingness--without beginning and without ending but inclusive of all that IS! In our Command our symbol includes the Phoenix for it is representative of the infinite beginning again (rebirthing) from that of the old ashes of that which WAS. Further it represents the connection of the "winged" or Cosmic brotherhood coming (or sent) forth at this time of renewal and transition in preparation for the coming of the "Greater".

TM: Holy Spirit is not a separate person or separate "god". The English word "spirit" is translated from the Hebrew Old Testament word "RUWACH" (roo'akh) and from the Greek New Scriptures, the word is "PNEUMA" (panyew'mah). In both cases the words literally mean "AIR IN MOTION" (and in this wondrous day and age--usually "hot air" in a lot of forced motions from between the lips in the lower hole in the

face.) Spirit is a desire; a feeling or disposition which compels us to move or act. Holy Spirit is God's wondrous and beautiful motivation in your/our lives and experiences to do "His Will" and obey "Him" according to His laws and those of The Creation. The word "ghost" (Holy Ghost as often used instead of Holy Spirit) comes from the German word "geist", and means a disembodied spirit of a dead person (another myth). It has no appropriate application or association in any manner whatsoever to Scripture.

This term represents a power; motivation--not some person or singular third party in a triune triangle. It is, however, common for the term to be mistranslated from the Hebrew and Greek words for "Spirit" as Ghost. But most of the time it was translated correctly as "spirit". The word "ghost" comes from "geist" as I said: an old German word--etc.

8. GENTILE

CM: Anyone who is not a Jew, and thus a potential "anti-Semite".

TM: From the Latin word "gentilis", meaning "of the same gens, clan or race". In the Bible, the word "gentile" is a mistranslation of the Old Testament Hebrew word "goy", and the Greek New Testament words "ethnos"--both meaning "NATION OR PEOPLE" (ANY nation or people) and should have been translated as such. It does not mean "non-Jewish!" BUT--YOU BETTER WATCH OUT BECAUSE IN THE "PROTOCOLS OF THE ZIONIST ELDERS OF WISDOM--IT MEANS ANYONE NOT A "ZIONIST 'JEW'". A modern version and mistranslation to be sure--but a deadly definition, at any rate.

You can, however, always tell a FALSE prophet by his/her use of this term. This term would not have been in any of the books for it is a mistranslation of the Old Testament Hebrew word "goy". In the New Testament, it comes from the Greek word "ethnos". Both of these words as I said, mean "nation" or "people", (any nation or people) and should have been translated as such--any way you cut

it, it DID NOT COME DOWN AS A WORD DIRECTLY FROM GOD ON HIGH--IN THE HEAVENS! It *does NOT* mean "non-Jewish" as we have to utilize the word for clarity but most churches misuse the term and never realize they have incorrectly spread false teachings. This is a new "media" word to further disinform you. It was planted in the Bible to get a very specific response in this day, my friends.

9. DOCTRINE

CM: Non-essential beliefs, personal eccentricities and inflexible tenets which create differences between churches and destroy fellowship and unity.

TM: Doctrine is a teaching; a principle; a studied conclusion or position. Sometimes called "dogma" (German for "doctrine"). II Timothy 3:16 says that Scripture is doctrine. Isaiah 29:24 says that the people who are in error will be able to understand the truth when they learn "doctrine".

There are NO "non-essential" truths! NONE are expendable! None can be discarded or ignored! Truth stated as a principle is doctrine.

Without doctrine it is impossible to teach or arrive at an opinion. Discernment, judgment and correction would be impossible.

"Judeo-Christians" sometimes display an "anti-doctrine" attitude: a symptom of ignorance and total confusion. Some claim to have a position "against" doctrine (which is doctrine in itself), or one of neutrality concerning it. This is utter nonsense! Such a position, itself, as I just stated, is a most "absolute" form of projecting "doctrine". An anti-doctrine position exposes an ulterior antipathy for learning and wisdom.

When a person learns true doctrine and then considers it non-essential and chooses to set it aside, he contracts chronic spiritual blindness of the worst kind. (Try 2 Thess. 2:10-12).

Unfortunately by misuse of the words, the word "soul" and "immortal soul" get lumped into

the chaos of the lies. As used mostly, "immortal soul" is pure heresy. The Hebrew and Greek words translated "soul" in many places in the English Bibles, were correctly translated "life" in many other places. Not too many years ago, friends (in your counting), it was not uncommon to say or read that "so many 'souls' were lost at sea", naturally, meaning so many "lives" were lost. Therefore, you assume that the soul is always IMMORTAL AND NEVER CAN NOR WILL DIE! WRONG AGAIN! There is a portion of each manifestation which is "soul"; it is the portion of God-self within and therefore will be immortal--UNLESS--the entity remains in a state of intentional "sin" and then, dear ones, that good old Book tells you that "...the soul that sinneth, it shall die". Ez 18:4. Oops! a bit hard to swallow???

The point of this dissertation is to allow you ones to look squarely at the truth of it--there is no magic blood-sipping in memory, of or flesh-eating in memory of--for it does not commemorate memory of anything a Christed teacher said or did--for Jesus, as you called him--**BROKE BREAD AT THE TABLE AND SAID: EAT THIS IN COMMEMORATION OF ME AND POURED WINE AND SAID, DRINK THIS IN COMMEMORATION OF ME. HE NEVER SAID DRINK MY BLOOD AND EAT MY FLESH IN COMMEMORATION OF ANYTHING--THAT IS AN EVIL, "SATANIC" PRACTICE TO CAUSE YOU TO ACT IN BEHALF OF THE ADVERSARY.**

I further tell you that ANY person going through any place of teaching in preparation to minister unto "God's lambs" **SHOULD KNOW THESE THINGS--THEREFORE, THE OBVIOUS FACTS ARE THAT IT IS INTENDED THAT NONE OF YOU COME INTO THE TRUTH OF THESE FACTS.**

10. JEW

CM: AN ISRAELITE. THE SEED OF ABRAHAM. THE CHOSEN PEOPLE OF THE BIBLE. JEWS ARE PERPETUALLY PERSECUTED BY ALL OTHER PEOPLE ON EARTH. SOMEONE WHO PRACTICES

THE RELIGION OF THE OLD TESTAMENT, WHICH IS CALLED JUDAISM. GOD JUDGES THE NATIONS PRIMARILY BY MEASURING EACH NATION'S RELATIONSHIP WITH THE JEWS. GOD BLESSES THE NATIONS WHICH SUPPORT THE JEWS, BUT HE CURSES THE NATIONS WHICH DO NOT SUPPORT THE JEWS. THE CHRISTIAN FAITH OWES ITS EXISTENCE TO THE JEWISH CULTURE FROM WHENCE IT WAS SPAWNED. (WHAT ROT!)

INTENT: To bribe and prejudice Bible-ignorant "JUDEO-CHRISTIANS" into passively granting the Jews a carte-blanche to do anything they please with total impunity--and to get you to hop in there and help them.

TM: The word "Jew" did not appear in actual use until over 1000 years after the crucifixion of one called Jesus. It means someone who adheres to the religion of Judaism (modern Pharisaism according to the Talmud), or in some way considers himself (self-claimed, so-called) a part of "Jewish culture". For the modern "Jew" it has ABSOLUTELY NO RACIAL SIGNIFICANCE. "Jews" are some of the most racially mixed people on earth due to their multinational history, their practice of interracial marriages, as well as their contemporary international bias. Down through the ages, they have moved from nation to nation as they were rejected (due to their immoral religion) by every land they have inhabited. Over 90% of "Jews" today are descended from the ancient Khazars--a racially non-Semitic bunch of anti-Semites in the true sense of definition as I have pointed out to you as regarded the passage of Canaan, etc. These non-Semitic people were from East Europe. It is estimated by your own historian's counting that, of those who claim to be "Jews", less than 5 percent have even the slightest claim to the blood line of Abraham.

In your English translations of the Bible, the word "Jew" was incorrectly used to **REPLACE**:

1. "**JUDAHITE**" in the *Old Scriptures*, which referred to someone from the tribe of Judah, or a citizen of the land of Judah, and

2. "**JUDEAN**" in the *New Scriptures* which meant a resident of Judea, or a follower of the corrupted Babylonian religion of that area.

Since, then, there were NO "Jews" nor "Jewish religion" at the time of the writing of the Scriptures, these names should never have appeared in the English translations, nor in the Books of any Doctrine of any "church". The word "Jew" or "Jewish" did not exist as words nor appear in actual use until over 1000 years AFTER THE RESURRECTION of JESUS. In ALL cases the word "Jew" was incorrectly used in your English translations of ALL of the Bibles to replace the true word "Judahite" in the Old Scriptures and "Judean" in the New Scriptures. No true Prophet of God would even accidentally utilize these terms for any text DIRECTLY GIVEN FROM GOD. The terms are most ignorantly utilized and in ALL instances of use indicate either false writings or changes at the hands of "translators". There can be no other "divine" reason. This goes for any "church" anywhere.

Now you might begin to see just why "YOUR PREACHER" of your typical "DOCTRINED CHURCH" who tells you what to do and what is right or wrong and decides your fate for you--JUST MIGHT NOT WISH YOU TO READ THE PHOENIX JOURNALS OR EXPRESSES WHERE YOU MIGHT FIND OUT THE TRUTH IN WHAT I HAVE JUST OUTLAID TO YOU.

One more, Dharma, and we shall take a break, please.

11. ANTI-SEMITISM

CM: A disparaging or antagonistic attitude, or hostile act toward a Jewish person, Jewish organization or the religion of Judaism.

COVERT INTENT: Used to disarm, intimidate and confuse Christians and others into submission to

Jews at the expense and eventual destruction of Christianity and all other belief systems based on anything other than the Zionist Talmud.

ACTUAL MEANING: Opposition toward people of Semitic (Shemitic) origin--**WHICH BY FACT INDICATES ANTAGONISM AND HOSTILITY ON THE PART OF THE "JEWS" TOWARD THE GOD-REVERING PEOPLE.** Note: Most people who call themselves Jews are NOT Semitic in origin (Descendents of Shem), but are in fact, come from the lineage of Cain and birthed through the Curse of Canaan moving forward as Phoenicians, Venusians, Pharisees and Khazars into imitation "Jews". Shemitism (Semitism) has nothing to do with Jews, Jewish organization or Judaism--**JUST FOR YOUR INFORMATION.**

SO WHAT CAN YOU DO ABOUT IT?

Demand that people who confront you, give you their definition of words, terms and phrases. If you carelessly acquiesce to meaning "changes" in the war of words scattered at you from the "Bible" then you will remain a totally "thought-controlled" person and people.

People are continually controlled by introduced "thoughts". Since words are what conjure meaning and bear definitions, in physical form, they become manipulative tools for controlling thoughts in massive manner and thereby change the way people think about certain things. To accomplish this, the controller need only to change the MEANINGS of important words to fit their particular religious and/or political view, and invent NEW EMOTIONALLY-CHARGED TERMS to keep you confused and ignorant.

Eventually, all important words said by anyone will automatically convey the controllers' biased political/religious view and he will not even know difference. At this point it will become increasingly difficult for the opposition to construct an effective opposing argu-

ment because the words being used have been so effectively changed, defused, and/or made unpopular.

I can only urge you to bear these things in mind as we move along here for it is the foundation upon which the lie is based and there can be no truth found in the confusion of the lie--and when the confusion becomes too great for response--you are told to "accept it on faith". **BS! DO NOT TAKE SUCH STUPID ADVICE--THIS IS YOUR SOUL DESTINY AT STAKE HEREIN AND IT IS TIME YOU TAKE YOUR DESTINY BACK INTO YOUR OWN HANDS FOR YOU ARE BEING SOLD A BILL OF GOODS AT THE END OF A PRIMROSE PATH.**

Salu, thank you for your service and for your attention.

WHERE ARE WE?

In the pickle pot, in a dilemma, in a mess, in confusion and muddling through the first skirmish of the "Mother of all Wars"! You are in a deflationary depression regardless of what your Earth brother broker will tell you. No? Oh I see, your "inflationary" *EXPERTS* say it has to be inflationary? Why? Undoubtedly the prices of some things will continue to climb for a while--but you must look to the banking/Federal Reserve system for your clues.

The Fed must initially make reserves available to the banking system. The Fed does this mostly by buying government paper assets--treasury bills, notes, and bonds from the banking system and crediting their accounts accordingly. Then, in your fractional reserve system, the banks can make new loans and create new deposits for their customers up to several times their new reserves. It is, in reality, a legalized confidence game (scam). As long as the banks are willing to make loans, the Fed can expand deposits and currency and, hence, debt, and also the purchasing (spending) rate. The Fed has nightmares, however; what if the banks run out of "credit-worthy" borrowers who refuse to use the re-

serves that the Fed makes available to them to make new loans?

The Fed is locked into this continuing credit expansion. It cannot stop. If ever bank lending slows, then the game is over and a scramble for liquidity begins. Banks and thrifts and other creditors will rush to salvage what they can from their nonperforming loan portfolios. Remember, if debts are not repaid by the borrowers, the creditors will rush to salvage what they can from their nonperforming loan portfolios.

This is debunked by the "inflationists" by saying that the Fed can always create more and more and more money--and I have told you that they can do this, as well as telling you that there is ONLY credit--no MONEY. So far, then, the argument holds up--BUT--they somehow fail to understand the essential second step in the credit expansion process, namely that the banks must use the reserves created by the Fed to make new loans. If they don't, then the Fed is merely pushing on a string--a wet one at that--and is helpless to continue the expansion. The Fed found itself in this precise mess in the 1930's. Banks had huge excess reserves but refused to use them to make loans. The banks were scared to death to make new loans. After all, you

lost some 40%--some 10,000 of your 25,000 banks! This was between 1930 and the "bank closings" under Roosevelt in 1933. The banks were petrified they were so scared. The economic climate of the 1930's was highly uncertain. You still had some 9 million people out of work by 1939 and your population ratio had a much more pronounced percentage of unemployed--that was about 17-18 percent of the work force. Therefore, it required over a decade to pull you out of the depression and required a war, in addition. World War II saved the "bacon" by allowing banks to have enough confidence to make loans related to war materiel. These, further, were secured by government spending--it is a spiral that eventually gets totally out of control.

DEMISE OF GOLD STANDARD

You must remember, as we discuss this situation of then vs. now, that the BIG difference was the demise of the gold standard. The main constraint on credit expansion in today's circumstance is high interest rates. You are going to see the credit expansion stretched to the outer limits of this interest constraint and, as with a rubberband, it will reach its capacity to stretch and snap.

Don't be misled by the prattling or the little perturbations and ups and downs as things fluctuate. Remember that all existing commercial loans and now over 50% of home mortgages have **VARIABLE** interest rates. As rates rise, many companies and individuals will simply not be able to meet the increases because their profits and salaries will not keep pace with the rising burden. This, in turn, is referred to as a liquidity squeeze.

Two items should be watched with the microscope and be prepared to move rapidly. One is called Total Fed Credit and the other is Total Reserves.

Total Fed Credit is essentially the Fed's total assets on paper. These are mostly securities purchased by the Fed and are an accurate measure of Fed Credit Expansion. The total now is somewhere around \$263 Billion. That is a mammoth number. The Fed is locked into creating even MORE reserves for the banking system.

Are the banks using these reserves to make new loans? Well now, you have to turn and look at the total reserves, which are liabilities of the Fed. Total reserves are mostly deposits at the Fed that banks are required to keep against their outstanding loan levels. If total reserves are rising, then bank loans are expanding. There was a sharp rise in total reserves beginning back in February of 1985, for instance, just at the point where the dollar turned **WEAK AND GOLD BEGAN TO RISE**. Then in 1987, total reserves leveled off at around \$60 Billion and have remained at about that level since. This is evidence, friends, that bank loans are **NO LONGER EXPANDING, AND THE CREDIT EXPANSION PROCESS HAS PEAKED**.

ARE THE FEDS ALL-POWERFUL?

Pretty nearly--but as with all things--there are flaws and holes. The Fed can control its assets but not its liabilities. It can buy all the government securities it wants, to create reserves for the banks, but it can not control either the demand for currency in circulation or bank loans. People decide on how many reserve bank notes they want to carry around, and banks themselves decide on whether or not to make new loans. So when you hear people say "the government will never permit another deflationary depression", they simply don't recognize the facts nor how important those constraints are on the power of the Fed. In short, without other intervention of some kind from the Powers that Be, the Fed would be powerless to stop a deflationary collapse once it starts the snowball course.

Once a "run on the dollar" begins, people of the world over will scramble to get rid of dollars and return to their own currency. You know that foreigners hold hundreds of billions of dollar assets in the U.S. A drop in the stock, bond, or real estate markets would easily trigger a flight from these assets--**AND IS NOW UNDER WAY!!**

PULLING OUT

While you have been distracted by contracted manipulations in Desert Shield/Storm, flag-waving and killing, another storm with greater "long-term" consequence rages out of control within your own borders--unspoken of on the controlled media and the hype goes on ad nauseam.

Money funds are pulling out of CD's and dumping bank

commercial paper. Foreign investors are letting their U.S. CD's expire. Depositors with multiple accounts of \$100,000 fear they will soon be limited to a total of \$100,000 in insurance at best so they are beginning to pull their money out.

The mass withdrawals from the Bank of New England, the largest in recent memory, left the authorities so shocked that they decided to do something they had hoped would NEVER BE NEEDED AGAIN--PAY OFF ALL UNINSURED DEPOSITORS IN FULL--you see, they had some "very important" investors. Further, this was supposed to inspire confidence in the banking system--but it has continued its slump anyhow and, like a landslide, it will zip downward.

What you may not realize, however, is that when they say that the recession will be over by mid-year, they may very well mean it--again, to suck you in for they can print enough new money to stall this thing until the Elite are safely into gold--(OUT OF THE NATION). Surprise: the reason the Bush son is set up in Bahrain is to receive and stash gold bought without going through the banking system and keep the dealings out of the U.S. as far as public "eye" is concerned. This is a rigged deal set up and orchestrated with private contracts between George Bush and the "Royal" Sabahs of Kuwait.

Now are you really surprised to learn that the agreements were drawn, orchestrated and the outcome set prior to this little fiasco in the Middle East? Sic, Sic. Even I told you that over and over again. Moreover, look at the oil wells burning--isn't that just a real sight? Don't you just drool in horror at all that black smoke and pollution?

They tell you "5-6 years to get those oil fires out!" That is the biggest lie thus far--they set at least half those fires and, yes, Saddam's group set the rest. However, just as they started them with napalm--they can as quickly extinguish them with one air/fuel explosion at each site--through "smart weapons". You see, it requires oxygen to allow burning. Fuel/air explosives use all the oxygen and when the explosion is over so would be the fire.

SO WHAT DO WE DO?

Well, if you are a personal friend of the Sabah's or George Bush, I would suggest you put your millions into "underground", unreported gold and get it into something of security placement in Bahrain. If you don't know them or don't have enough assets to do such--then you need to be awfully careful. If you hoard gold in bullion or extensive stashes in banks it will simply be confiscated--and the foreigners know it. However, "...you scratch my back, George, and I'll set you up, friend"--says Mr. Sabah.

I can only give you information about that which IS and that which is planned--and they plan to get all the assets; that is the plan for world domination, my brothers. There is a big brick wall at the end of every maze tunnel.

Then you say, "I'll just get a lot of cash, then, and bury it!" Good idea, except it will be worthless--that, too, is well-planned.

They may or may not pull \$50's and \$100's prior to exchange of currency--but it looks more and more like probably NOT. Why? Because the ones they

have set up to pretend to trap are now predominantly utilizing \$20's and \$10's. You can be prepared within the week for Mr. Bush to again turn his attention to the major drug problem and increase in crime and murders--and make a play for the guns. All the while he will have his henchmen arranging for his assets to be turned into gold and moved out of the country--along with all those other Elite Cartel "advisors" and "buddies".

The next few serious moves along those lines will have to be subtle indeed, for Clark Clifford's and the Arab's bank, Bank of Credit and Commerce International, is now found to be the world's major money-laundering facility and is in direct working relationship with Clifford's bank, First American....etc. That will hit the public eye so maneuvers must be very, very subtle here for awhile while banks are being absorbed into other banks and then into the Central Bank--where none of the Elite want their assets to be captured. This is a REAL game of charades where the "little guy" is "had".

Let me give you a hint, if you think you can stash a little gold privately--get circulated coins and pay the premium--not that this is necessarily a great way to go--BUT IT IS THE WAY THE MAJOR FEDERAL RESERVE BOARD MEMBERS ARE DOING IT!! Of course, they have inside pull in the ability to cash them in LATER. The other way they are covering assets is to use gold as collateral and take money which they then put into private projects, etc., hoping the collateral will hold safe. And with "them" using the tool, it will last as long or longer than any other approach.

Depending on how much you have to lose or invest--get adequate corporations set up in Nevada and get diversified and the money, gold and everything OUT of your personal name.

You ones want the magic of perfection so you win, win and make money. Well, this way there is the possibility. Setting firmly atop your stack of money either in paper or notes will surely cost you the assets. You either move with the security of the paths the Elite take or your assets will fall to them for this plan has been laid against this day for eons.

To get your verification just look at the banks and what they are doing (let me spell out a bit of it for you). Let us move on from the Bank of New England and the Harlem Bank where they DID NOT bail it out as with the Bank of New England, and look at another situation or two for relative evaluation.

You know now about bank holidays, etc., as in Rhode Island. The banking collapse in New Hampshire is underway and the large majority of the money-center banks, including Chase, Chemical and even Morgan Guaranty, have *less than five percent (5%) in capital per dollar of assets. Another decline of 1 percentage point in this key indicator will cause them to fall below the bare bones capital levels needed to survive a more severe recession--and that is exactly the way it is planned--so that all assets of property and credit eventually end up in the ONE WORLD GOVERNMENT--ONE WORLD CURRENCY/BANKING CARTEL.* These major banks are all working together to make sure this happens--it is not an accident, brothers.

But watch the events of the great front page item, the most shocking of all to depositors and regulators alike--the crisis at Citicorp. Although Citicorp is not necessarily the weakest of the New York banks, it is certainly the largest among those which are in grave danger of total disaster. Citicorp is laying off a big bunch of employees and depositors are starting to tremble.

Citibank is Citicorp's main subsidiary and it has significantly more capital, as a percent of assets, than Bank of New England had in its final months: some 4.8% vs. 0.8%. It is NOT enough to survive more than a very slight recession. Citicorp is already buried in spoiled, worthless real estate loans.

Here is where you get your clue as to the intent vs. the "accidentally being caught" picture. Once it became obvious that real estate values were collapsing, you would think Citicorp would have cut back sharply, especially in the high-risk areas. Instead, in 1990, the bank lent over \$12 billion to developers for commercial real estate projects--more than six times the amount loaned in 1980--and the highest for the past decade. Rotten apples somewhere in the barrel, perhaps?

The vacancy rates zoomed upward, loan payments to Citicorp became indeed sparse. Property values dropped, sinking below the amount that the holding company, as well as other banks, lent to developers.

However, the pain and agony does not stop there. Citicorp carries a delinquency rate on residential mortgages five times as high as the national average. They have other problems, too, as other customer loan delin-

quencies are also HUGE. Until recently, Citicorp management--from Wriston to Reed--thought that it could protect the bank from the ravages of big loan defaults by leaning heavily toward the consumer loan business. "Safety in numbers" was their motto, based on the assumption that large numbers of small consumers would not default. They were WRONG. Their loan defaults are mind-blowing and surging. There is no way to stop the thing--there is only knowing that it IS coming and gauging your activities accordingly.

Look at that which you have in just this ONE bank: There is no other bank large enough to buy Citibank; the resources for a government bailout, which were abundantly available in the mid-1980's, are now gone; the economy, rather than enjoying a prolonged boom, is now plunging, and, most important, even if money could be *created* on the "printing presses", the resulting bulge in the federal deficits would torpedo the bond market, dragging down the government itself right along with it.

Some think the FDIC can pull a trick off--forget it. Others believe the Treasury Department will come on the white horse. That is what happened in December when the Bank of New England went under and it was decided to cover all losses. At that time the Treasury made a \$1 BILLION cash injection directly but it was simply a gamble that has proven to have failed. The extra \$1 BILLION didn't stop the run. It did not prevent the failure. All it did was increase the size of the federal deficit (for you-the-people). If the Treasury tried to do the same for all large banks in trouble, the surging federal deficit would sink the bond markets.

That leaves only one group to pay for the big losses at the banks--the depositors! No matter how shocking this may be, it is an event that is dead ahead. It is going to be a total financial shock. Brothers, check it out and if your deposits are in a sick bank that cannot be restored to financial health, you will lose: Direct access to your funds before and after a bank holiday; all or most of the interest income over the next several years and, at minimum, as much as 50% of your principal at the very best.

Remember that Rhode Island "bank holiday" the Governor ordered? The order closed the state-chartered banks and credit unions--on January 2. There were over 300,000 accounts involved. BUT, BUT, BUT--*with all but 14 institutions open again for business, there are still 300,000 accounts frozen! What happened was that the original estimate was grossly understated--as with all bad news as it hits you the public--slow poison so you don't know right off that you are dead.*

Two months later--these depositors are still locked out of their money. Under the current "proposal" from the governor's office, the best they can hope for is non-interest bearing script which will mature in four years.

What if you are one of the ones stuck in such a situation--in any state, for it is coming to ALL--with all this "funny" non-money. All you can do is do without or hope you can find someone who will take it off your hands and a good estimate of exchange value would be a HIGH of 15-20 cents per dollar.

Hold your breath now, for you are going to be able to evaluate how bad it might be for you in

similar circumstances if you do not reside in Rhode Island. The private Rhode Island insurance fund had **MORE BACKING PER \$100 OF INSURED DEPOSITS THAN THE FDIC!** And, it is true that the FDIC has the backing of the Treasury--however, the Treasury Department itself will run out of funds because of the declining investors. The Treasury's only option will come to be to abandon the banks and abort any ongoing rescue operations. There is nothing I can do for you, friends, except lay it before you and possibly urge you, again, to find out about both investments using gold as collateral and utilizing corporations properly. I do not have time to go through this again and again--if you have interest in some measure of protection--see if you can get help through America West. I simply have no "human" means to tend each of your investments nor plan of salvation.

WHAT ABOUT THAT MONEY EXCHANGE?

The Fort Worth branch of the Bureau of Engraving and Printing has been printing up a storm. They printed up all the exchange currency for the Soviets and are now working around the clock on "anti-counterfeiting" notes with all this micro-printing, etc. Be prepared, for when they "introduce" this mess of confusion upon you, it can go in a myriad directions but you can be sure you will lose in the deal.

It will be sudden and, just as with the Soviets, there will be **LOW--HIGH-LIMITS**. There will probably be a 10 for one ratio in exchange. You will have piles of papers to fill out and if you try to exchange too much cash beyond that which you would have from, say, three pay periods--you will forfeit a

bunch. If you have big bills you will be held responsible and if "THEY" decide you might have garnered the funds illicitly--they will confiscate it. You will definitely be asked to come up with documentation of WHY you hold cash in large amounts--and yet, if you fail to exchange it, the old will be like the confederate money--**WORTHLESS. IT IS ALREADY WORTHLESS FOR A BILL REPRESENTS ONLY A CREDIT NOTE AND NOT MONEY AT ALL.**

You think it can't happen? Yugoslavia is having a 10,000 to one currency devaluation effective 1991. France will replace the 20 franc note (about \$4 U.S.) with a new coin in 1992. The British Royal Mint has been minting Iraq's circulating coins for several years, including 1990.

And watch out because the IRS has acknowledged that electronically transmitted returns are **NOT PROCESSED THROUGH IRS' NORMAL PROCESSING PIPELINE, WHICH INCLUDES GRADING AND SCORING FOR AUDIT POTENTIAL--INSTANTLY.** In fact, you only have nine states where you can file electronically with returns that have "balances due" this year. All taxpayers that are due a refund, however, can file electronically, regardless of his/her state. Good luck!

THE ORDER!

I am going to leave this subject as such and turn to "THE ORDER". You just experienced how the "ORDER" creates war and revolution. Now it is important that you listen to me for this is important to your confirmation of fact.

President George Bush is a high-ranking member of the

Skull and Bones ("The Order"). The Cheney family (Richard Cheney, Sec. Def.) is also prominent in Skull & Bones and involved, all through and about, is Danny Quayle's family. Cheney's family were active in "The Order" even before the first Bush member, Prescott).

As the attack on Iraq happened so did the shoe drop in the Soviet Union. The Leninists moved one step back and glasnost and perestroika were brought to an instant halt as the troops moved on the Baltic States. Gorbachev claimed "no knowledge", etc., but we all know it was not so.

However, perhaps you missed the fact that of the **ONE BILLION** dollar credits granted to the Soviet Union by your Congress and the Administration (and then supposedly held up because of the nasty behavior of the Soviet troops)--"9""0"--90 (NINETY) PERCENT had already been drawn down!--the cargo holds were already fully loaded with your grain before the police move was made.

Now, in the madness and distraction--after the troops began to move out and now that you had all "that help" from the Soviets with Iraq--the Soviets now get an additional credit line which **YOU THINK** was the original \$1 billion amount. Ah, the hand is surely quicker than the eye when the eyes are wrapped in rose-colored paper and the visions--shown as with a movie scenario--exactly that which they want to show you.

You still think this was a little war? Ask the families of the over 100,000 (70,000 of which were but children) slain Iraqis in Baghdad. Ask about the additional 30,000 to 50,000 slain persons on the roads back to Iraq. Ask the families of the

over 2 million slain Iraqis who were bombed in their homes all over Iraq--civilians! It was a total bloodbath and as your own pilots giggled and strutted and told you, regarding the roadway massacre--"...it was just like shooting fish in a barrel!"

ARMAGEDDON? WORLD WAR III?

This was not the start of that touted great battle of battles at Armageddon--but the beginning of the set-up for same. The handwriting is there on the wall, brothers--in pure and simple English--you just don't know the definitions of the words.

Where all of your seer-projectioneers are off, is that they still sit twiddling while believing that "Israel" is that new place in Palestine--when God comes for HIS PEOPLE, He is coming for His "i"sraelites. His chosen. The big ANTI-CHRIST has moved in and occupies that little portion called Israel as self-proclaimed by some men in the United Nations in concert with the Khazar Zionists who are so-called, self-styled "Jews"--the term "Jew", remember, only appeared FOR THE FIRST TIME IN RELATIONSHIP TO THESE NON-JUDEANS, IN THE 1700's.

What will happen then? Oh, there will be a period of euphoria and a great "go for peace"--a total pseudopeace. The world will be whooop-dee-doo and willing to submit to a new kind of world federation. BUT THIS WILL BE EXPLODED IN THE FUTURE WHEN THE COMBINED ARAB ARMIES UNITE AGAIN--AND GO FOR ISRAEL'S THROAT. Now, the leopard will show his spots and the Soviets will end up joined with the Arabs and THAT will be the big beginning of that wondrous battle called

Armageddon. Check carefully to see who signs treaty agreements guaranteeing Israel's security.

America is referred to as Israel West already, so guess which losing side you are going to be on, America! After that dandy treaty is signed in Arab blood and the Bushes and accomplices get their assets into offshore gold, etc., there should be some 3 and 1/2 years to square around your choices and see if you can get this reversal off its dime--because you are then on the path to that great war. That next "beginning of Armageddon" war will itself (if not stopped) last another approximately 3 and 1/2 years, WITH RUSSIA ALLIED WITH THE ARAB NATIONS AGAINST ISRAEL, THE WESTERN FEDERATION AND GUESS WHO--CHINA!

It will NOT be like your Bible Evangelists tell you, however, for the Zionists are the Anti-Christ and when GOD COMES TO GET HIS CHOSEN ONES--IT WILL NOT BE FOR THE ZIONIST "JEWS" OF A STATE OF ISRAEL--BUT RATHER FOR HIS "i"SRaelITES (HIS CHOSEN CHILDREN) AND THEY "AIN'T IN PALESTINE (ISRAEL)".

So what are you going to do? It does NOT have to go according to "their" plan but it will if you do not, as a nation and world, wake up to the probabilities as laid forth. The plan is to have your world in total Rule by the Global One World Government and operable by year 2,000. You don't have much time, do you? YOU CAN CHANGE IT IF YOU WANT TO! It is totally up to you. Ours is to bring Truth--assist in any way we can, those who ask and allow and move into the Godly path of Light. When God comes for

HIS people, I remind you--there will be no evil brought within the places of the God places. At this point in historical evolution--YOU HAVE DELIVERED YOURSELVES INTO THE HANDS OF THE ADVERSARY OF GOD. IT WAS A MOST REGRETTABLE CHOICE INDEED. ON THE OTHER HAND, YOU WERE THE TARGET OF THE MOST CLEVER TRICKSTER OF THE UNIVERSE AND AS VICTIMS OF A CONTROLLED MIND-CONTROL SYSTEM OF VISION AND LIES--YOU KNOW NOT ELSE.

Some say, "Well, I don't want to know because what I don't know can't hurt me..."! WRONG! IT WILL ENSLAVE YOU! FURTHER THE PRISON IS NOT GOING TO BE EITHER GENTLE NOR COMFORTABLE.

Let us close this, please. If there is additional room on this document--please give forth information for obtaining more detailed information regarding the Kuwait/Sabah/Bush, etc., material and any other that we have to assist our brothers. Dear ones, you have reached the time where "perfection" and "cleaning-up" as they say in the economist's circles is probably not going to happen. The best we can hope for is some measure of safety and ability to hold on to some of your assets while it is turned into projects which can grow and give you return--it is a tight-rope walk at best. You are very far behind in countering the game so well planned by your adversaries. I stand ready to help for it is all I can offer--knowledge and Truth; but it IS enough! Salu.

Greetings Thomas, I am Sananda in radiance and service unto God/The Father. Be at peace for though you grow weary, I shall give you strength. Our journey just begins, so let us shore up that in thine preparations the journey may be filled with joy and new discovery and a glad and light heart. To be in service unto God and man during this time is the greatest of all honors and it is one that also is to be experienced in gratitude, humbleness, joy, and please, let us not forget laughter. For laughter heals the heart and mends the wounds and changes the literal vibration within an organism. Together the journey will be made, together the jobs will be completed, and together you shall enter in my realms...the Father's realms...the realms of light wherein all wounds will be healed and the fountain of life shall flow unto you, renewing and revitalizing the essence of light within. Give thanks.

Has it not been said that each shall struggle with self during this period? You are witness to it. Each judges, finds fault, casts forth the stones...none, seemingly, looking back unto self as the source of all confusion, misery and imbalance. When ones begin to look to self rather than the projections onto another, then one small step forward will have been made. Until that time it is like the hamster and the wheel...round and round and round it goes...getting nowhere.

Our ones must hold strong, for you are not given to know the effect of God's Word on Satan's plan. There has been much that has transpired in the Gulf of which you know nothing, and indeed, shall never know. Do you not think the pressures on

Saddam were not beyond anything that has ever been placed upon a human...or certainly great, indeed? Was it not the better part of wisdom to go down in defeat than to unleash unbridled death and destruction? What makes you think that perhaps God has not spoken to Saddam? Are you not greatly pleased that there will be troops coming back to the home front where they are truly needed? God works in mysterious ways His wonders to perform...mysterious only in that it remains unknown to you. It is not over, yet. If you are given reprieve where you may have a period of relative peace and stability on the home front...TAKE THE OPPORTUNITY TO REGAIN SOME MEASURE OF INDEPENDENCE UNDER YOUR CONSTITUTION. IF GOD GIVES YOU AN OPEN WINDOW THROUGH WHICH YOU MAY DO FUTHER WORK AND YOU DO IT NOT...IT SHALL BE ONLY YOURSELVES TO BLAME IN THE ENDING.

Give thanks that the destruction is coming to an end. KEEP YOUR EYES UPON THE EU-PHRATES, BELOVED.

What we project to you are probabilities and possibilities. The probabilities are ever in a state of flux. Within God's realms ALL THINGS ARE POSSIBLE. This includes, beloved, evil ones changing their minds!

Let us close this, Thomas.

I Am Sananda

Peace. I Am Sananda, Thomas, and I come in radiance and service unto God.

Last evening you heard your President speak to America in triumph. Wherein was this victory? There were no standing ovations in Heaven! Do you count the senseless slaughter of untold thousands of Kuwaiti citizens, women, children, elderly on a road...leaving to what they perceived to be safety...do you count this as a wondrous victory? God shakes His head in dismay and disgust at that which has taken place. For God hears the cry of the ones as they are torn to pieces, the agony of being ripped suddenly from their physical forms. The shock of the sudden transition. No, there were no standing ovations in heaven.

And now the ground work shall be carefully and skillfully laid for you to willingly surrender unto this New World Order plan. Why is it, do you suppose, that transportation and crime are next on his dubious agenda? You as citizens must rapidly come into your understanding that it is the Constitution that they wish to remove from their way...and it shall be done to perfection without so much as a shot unless you, YES YOU, awaken and take action to prevent it. Do I advocate REVOLUTION? The revolution, as always, begins with the individual mind. You have a wondrous document that, if followed, would restore balance to your nation, and then the world would truly have an example which to follow. But as portions of this wondrous document are set aside and the dictator Bush does what he pleases under the auspices of Alliance...then you lose a part of yourselves with each action, each bill which is passed. And soon they shall ban guns...gradually at first. But guns shall be first on their agenda, for they may not physically control the masses if they are armed. And then they

shall restrict freedom of movement. For if they control your movements they may contain you in isolated regions...or should I, perhaps, more properly refer to them as New States...for this is their plan to redive the United States of America into New region States...nine of them. Will you allow it? If you do not make your feelings known, who shall? Do you think that your individual STATE government is powerless? Nay...the hope lies with your individual state governments if they will merely see it and pass such measures as the **23rd Amendment** presented in California to restore your **CONSTITUTION**...it is a wondrous model for the entire nation. Hear what I am saying for the hourglass is empty and on its side...will you take action before the glass is turned? Or shall the final countdown be one in which you continue to watch your freedoms escape from you...one at a time...until finally it matters not...just one more freedom gone...we'll never miss it. Won't you?

TODAY'S WATCH

Instead of bantering about with the non-news this day, we are going to get down to nitty-gritty discussion regarding the Middle East War/Kuwait/-Sabah-Family/Bush connection, etc. Chelas, this is hard medicine to swallow but you MUST come into acknowledgement that I am not simply feeding you "far-side" information. You can go check this out from documentation from many sources but I suggest you begin proving-up in easy-to-understand sequence.

I am going to ask Dharma to print herein, a brief summary of the secret underground regarding things like the Global Regime of Interdependence--the REAL name for Bush's New World Order. Then, I suggest you get the "White Papers" which will be given reference from KC&associates, 13510-A Aurora Ave. North, Seattle, WA 98133.

This will deal with "why Bush had to have a war" and I am most grateful to one who has put it succinctly into focus. You will find nothing new from that which I have given you but I find that if you glean information as backup from Earth source--you tend to come into believing. I honor Craig B. Hulet of KC&associates for this valuable research and presentation. What I will give you is not comprehensive for it is taken from a radio interview of limited time allowance--so please, follow up. America West is getting information so that if you call them, they can either supply you with the "papers" or tell you where to obtain them--should you prefer to contact A.W. Thank you.

Dharma, just roughly transcribe the

tape, please. I will monitor and make comments, if deemed necessary, but mostly I simply want you citizens to hear it from "ground 0". I also request that our "Editors" not try too hard to turn the conversational English into perfect prose.

TRANSCRIPTION

Craig B. Hulet:

This is a brief discussion of the orchestration of the entire event (Iraq/Kuwait/U.S. war) for political reasons that have been completely unknown to the American people. They were laid out long before August 2nd (1990) as a political objective.

The objectives we were given throughout the period between August 2nd and somewhere around the first of January (1991) were COMPLETE MYTHS WITH NO BASIS WHATSOEVER--things like Saddam Hussein's military strength being a "million-man" army was a complete fabrication for he only had 475 thousand well-trained troops, 7,500 Reservists and the remainder are a "People's Army"--some as young as 11-years and as old as 80-years--so can hardly be considered as part of his military.

In each stage of the war after August second, George Bush gave us a different political objective upon which to focus, like "*defending Saudi Arabia*", when the facts were that Hussein never had the industrial capacity nor the offensive capability of going any further than Kuwait, *and everybody in the Pentagon and the White House knew that*. However, they had to convince the American people of some reason to send the initial 200,000 troops over there and so they told us it was to defend Saudi Arabia.

We were also told that Hussein was about to take over and control 20-50% of all of the oil in the region, which was and is an utter myth. He couldn't have controlled the oil and he couldn't even have threatened control of the oil during the month of August because the nations that were aligned against him on August 2nd, the Arab states, were Saudi Arabia, Syria, Israel, and of course, Iran on the East and Turkey on the North, so it is totally absurd to believe that one little country such as Iraq could have dictated, through military power, to the combined forces in the Middle East, including Egypt, which outnumbered him at least 10 to 1 in every single category of military capability. (Hatonn: Now take this information as absolute minimum for Craig is giving you that which was "known" and documented where he and his researchers could ferret out the information. It is understated, brothers--for Soviets (and you) had supplied Saddam with heinous weapons--but YOU had the same weapons with the exception of Bull's cannons, etc. Please wait until you have read all of this before you stop and start comparisons to disprove one or the other of us. Please stop the nit-picking for you are in serious circumstances if you could remove even nine-tenths of the facts.)

Saddam simply would not determine that he could be successful in going further than Kuwait in offensive. He did not ever intend nor feel capable of controlling the oil supply of the Middle East--that would be a totally fabricated lie served to we-the-people.

This war was NEVER about oil--it was simply never about any of those things given to you. When George Bush told you that it was "NAKED AGGRESSION", he lied again because if it was

seriously about "naked aggression" and we weren't using some selective moral indignation over Saddam Hussein's actions, would we have hardly been aligned with Assad of Syria, who killed thirty thousand of his own people, annexed Northern Lebanon and installed a puppet regime which was responsible for killing a hundred and seventy thousand Lebanese? Yet, we are supposed to believe that, in this instance, naked aggression so offended the U.S. administration that we would send half a million, or more, troops to stop it. That is another of the "great" myths--being a total lie. (*Hatonn: You must understand the definition of "myth"--a myth is not necessarily "false" but Craig is using the word as representing "lie".*) This is really what I see as the kind of problems that are of such a magnitude that you can safely say that the American government is so out-of-hand that **THEY TELL THE TRUTH ALMOST NEVER!--TO THE AMERICAN PEOPLE.** In one instance, where George Bush did tell the truth--nobody even understood what he really MEANT. That is when he said, "The U.N. Security Council would be used to enhance the New World Order"--that IS THE ONLY STATEMENT OF TRUTH GEORGE BUSH HAS SAID SINCE AUGUST 2ND--**BUT NOBODY UNDERSTOOD HIM.**

Question from Interviewer: "One of the questions that I had is why Hussein allowed the U.S. military forces to build up to the capacity that it has--to a level where he could, apparently, no longer crush it through his military?"

Saddam Hussein had no choice, really, but to sit back and watch the build-up because Saddam's military does not have an offensive capability to make a move of that magnitude. He is a "counter-puncher" and he has powerful "defensive" capability. He defeated the country of Iran in the last four months of the war, where he could not defeat Iran offensively throughout the seven and a half years of that war. But when he suckered and brought Iran into Iraqi territory and brought their troops to him, he fought defensively, which is completely and entirely a different tactic. That is where he excels and that is where his greatest ability stands.

The real question, rather than, "Why did Hussein allow our troops to build-up, where I don't believe he had a

choice but to sit back, because at that point after August 2nd, he knew that he had been "suckered" into Kuwait. Let me explain what I mean by "suckered-in".

Prior to August 2nd--one week prior--the American Government, the Administration and National Security Council, the CIA--the entire intelligence apparatus, had been informing President Bush and Baker that an invasion was imminent, into Kuwait. Up to seven days prior to August 2nd, the invasion was so imminent that there were serious "red alert" type memos and memoranda. Yet during that exact period of time, April Glaspie, our Ambassador to Iraq, told Saddam Hussein that we did not get involved in "Arab to Arab issues over border disputes". Now, she was attacked for having said that because it gave the green light to Hussein, to his way of thinking, to go into Kuwait. Baker chastised her publicly and said it was a "blunder". But in fact, Baker lied. Undersecretary of State John Kelly told the Senate Subcommittee **EXACTLY THE SAME THING A WEEK BEFORE THE INVASION** and he went even further as he said, "...we would do NOTHING to defend Kuwait because we have no defense treaty with Kuwait and this is an Arab to Arab issue." Under questioning then, Margaret Tutwiler, a spokeswoman for James Baker's State Department, held a Press Conference and she said exactly the same thing as Undersecretary Kelly--"...we have no defense treaty and it is an Arab to Arab issue". So it was entirely corroborated that the Administration's position on Iraq taking Kuwait was a "green light" for Iraq to take Kuwait. Hussein believed he had the sanction and the approval of our Administration, or at least the auspices that gave what he believed was the right to go in and take Kuwait.

Now then, on August 2nd George Bush screamed that he was surprised and shocked by this activity and called Hussein a "Hitler" and accused him of "Naked Aggression". Of course, that was totally feigned surprise and "naked aggression" was a total myth. **BUSH KNEW HUSSEIN WAS "GOING IN"**. The question is--why would George Bush want Saddam Hussein to take Kuwait?

Question: Wasn't Iraq already in Kuwait, working in the area around

the sea?

Well, Saddam Hussein has a perfectly legitimate claim to the Ramallian Oil fields region where the Sabah family has been slant drilling and stealing oil from him. And the Bubyian and Warbyian Islands, which is the area you ask about, is where Saddam Hussein wants a deep-water port. The fact is, that for the past two years he has already been dredging that area and the Kuwaitis have even helped finance the dredging of the area so Iraq could develop that deep-water port. Therefore, it is implied, in Kuwaiti activity, that the area was already considered Iraqi territory. Those are the only two things that he asked to be remaining in his possession--and he agreed to totally pull out of Kuwait as long as those things were left to him--which were already his. Every nation in the world said they would go with that agreement and it was acceptable. The only people who found it unacceptable was President Bush and James Baker.

Question: And why would they find it unacceptable?

Because they have a "political agenda"--a political objective--that goes all the way back to April of 1990, and fully six months prior to that, during a study group session on the Middle East. The original political objective was much, much different than what we have been told. In April of 1990 there was a conference, an internationally led conference, at the White House--George Bush chaired it. Fitzgerald, the former Prime Minister of Ireland, authored the "white paper", the task force report, on the subject of the Middle East that came out of that April, 1990, conference. The political philosophy and the International Community's view of the Middle East was forever changed at that point in history. They thought that, because the Soviet Union was no longer a player in the Middle East, the Western Powers--Germany, England, France, Japan, Canada and the United States (the International Community of Western Powers), thought it was then time for them to move in and politically influence the Middle East in a greater degree than ever before. The first thing on the Agenda, they felt that they should control the region because of its natural resources and would stabilize the region by eliminating the military components of Iraq, Syria and, eventually, even Israel and Libya--eliminating them and totally dis-

arming them militarily--unilaterally, if necessary. That they would use the United Nations Security Council as the means, if necessary, was called for in April of 1990.

This political objective, that was stated in April of 1990, was corroborated again by a different source and that was Terik Aziz in his press conference after the Baker/Aziz meeting. Aziz stated that Bob Dole, and three or four other senators, paid Hussein a visit in April of 1990 and gave him an ultimatum of a disarmament scenario where Hussein would disarm chemical, biological, conventional weapons and ballistic missiles. To do so he would receive credits and be allowed to be a player in the New World Order.

NO TO NEW WORLD ORDER

(Hatonn: Now this is on record that Hussein refused to go along with this New World Order.)

Of course Hussein said emphatically, "No--at least NOT UNTIL ISRAEL REMOVES THEIR CHEMICAL-BIOLOGICAL WEAPONS AND THEIR 100 NUCLEAR WARHEADS FROM THE REGION." So the forced unilateral diplomatic approach failed and they had to resort to the United Nations Security Council as the means to disarm Iraq and the rest of the Middle East. That is, and always was, the political objective. That explains "why" it was needed for Saddam Hussein to go into Kuwait and take it forcefully, as the provocation necessary to draw the UN Security Council and the U.S. forces into attacking Saddam Hussein.

I have been saying, for over five months in interviews throughout the country, "This isn't about Kuwait--this is about taking out Baghdad and destroying the industrial-military complex of Baghdad." Nobody believed me for five months--everybody said, "No, this is about Kuwait because Hussein invaded Kuwait." Wrong! As soon as the bombing started, where did Bush send the fliers? Straight to Baghdad!

QUESTION: *What about the resources, the phosphates and sulfates, that Iraq has? How might that play into any of this scenario?*

Well, on August 20, 1988, the *London Economist* reported that James Baker,

in what is known as the "Baker Initiative for the Middle East", paid a visit to Hussein. This was prior to the above mentioned conference of April, 1990. He suggested to Hussein that he would receive "no further credits from the West, from Saudi Arabia or Kuwait"--they had already made that clear--"unless he was prepared" (and he needed these credits to service his debt from the Iran/Iraq War. He had borrowed a tremendous amount of money, including 26 billion dollars from Western banks--Chase, J.P. Morgan--all the six big ones) "he would receive no further credits to service that debt unless he gave up his sulfur, phosphates--his oil and other raw materials in perpetuity as collateral." Of course Saddam Hussein is extremely "nationalistic"--he is an Arab Socialist--and he strongly believes in Iraq as a nation-state. He said, "Absolutely no," he wouldn't even consider such a thing. He knew it was giving up his national sovereignty--his people's sovereignty and so he absolutely refused to do such a thing. *(Hatonn: Please refer back to the Cartel Plans and HOW they managed to suck all the third-world nations into the banking system through this perpetual resource for collateral sleight-of-hand.)* That was the first beginnings of the Middle East being drawn into this so-called New World Order concept, because *it is an economic regime and it is about "raw materials and monetary policy"*. It is being demanded of ALL THIRD-WORLD AND LESSER DEVELOPED COUNTRIES THAT THEY GIVE UP THEIR NATURAL RESOURCES IN MANY DIFFERING WAYS: DEBT TO EQUITY SWAP, ETC. BUT TO PUT IT BLUNTLY, THE WEST, THE INDUSTRIALIZED POWERS, OUR MULTI-NATIONAL CORPORATIONS WHICH ARE, AT LEAST A HUNDRED OR SO OF THEM, ARE DEFENSE CONTRACTORS, AND THE "CORPORATE STATE CORPORATIONS" OF THE SOVIET UNION (POLAND, WEST GERMANY--THEY ARE STATE CORPORATIONS BUT THEY ARE STILL MULTI-NATIONAL) INCLUDING THE KUWAITI REGIME. THE KUWAITI GOVERNMENT IS SIMPLY ONE BIG MULTI-NATIONAL CORPORATION(S) OWNED BY THE ROYAL FAMILY OF SABAH. Those countries and companies that "play ball" get to play in the "Global arena". If they don't, they are targeted for elimination.

THIS IS WHY SADDAM HUSSEIN IS BEING ELIMINATED!

QUESTION: *Now, the Sabah family has a great many holdings in the United States and so does Saudi Arabia, do they not?*

That was the key that guaranteed the International Community would line up behind George Bush, and it is a total lie that "he lined up the U.N. votes so quickly because of his tremendous 'ability' on the telephone". "Telephone Diplomacy" we were fed by the press. That is a complete myth (lie), they already knew what the political objective was for Iraq and Kuwait back in April of 1990 at the conference at the White House. They already knew that Iraq was being targeted to be disarmed and if Hussein didn't cooperate diplomatically, he would be dealt with forcibly through the UN Security Council. So when the orchestration took place all the world leaders of the Western countries at the UN Security Council level all already knew exactly what was going on--it was a simple task to line up the votes and get resolutions against Hussein. The "fix" was already in place, to put it bluntly.

The key, however, that made it all "work" and why, when Libya took Chad recently in a sponsored coup in Chad when Syria took Lebanon and installed their regime--when the Soviets moved into the Baltics and used force, or into Afghanistan, etc., or the Vietnamese went into Cambodia--none of those countries mattered in the least. Nobody gave aid to these people and we certainly didn't send troops to stop the "Naked Aggression" against those legitimate regimes. *This was due to one thing and one thing only: the guarantee that the UN and the U.S. and everybody would get in line and we would actually "have this war" to put Sabah back in his "pink palace" in Kuwait--that is the simple fact; that the Sabah family took the petro-dollars profit and invested in U.S. multi-national corporations--hundreds of billions of dollars off-shore and in our banking system with Chase, Morgan Guarantee, Morgan Brothers--\$52 BILLION in T-Bills and Bonds (U.S. Gov't) and the interlock is so intense and so incestuous that the Sabah family has actually had a wholly owned corporation in the U.S.--still own it--Kuwait Petroleum owns*

Sante Fe International out of Los Angeles. They have had on the BOARD of Santa Fe International--of this Kuwaiti owned corporation--FORMER PRESIDENT GERALD FORD, who put George Bush in power as CIA Director, BRENT SCOWCROFT, who was an aide to Gerald Ford and is now the National Security Advisor to President Bush, AND RODERICK HILL, CARLA HILL'S HUSBAND--she is now the Trade Representative of the Bush Administration and she was HUD Secretary under Gerald Ford. So you will note that the Sabah family has used their tremendous petro-dollars to PURCHASE POLITICAL INFLUENCE WITH THIS ADMINISTRATION AND GOING ALL THE WAY BACK TO THE NIXON AND FORD ADMINISTRATIONS. THAT IS THE KIND OF POLITICAL CLOUT THAT GUARANTEED THAT THE UN COALITION WOULD BACK THE USE OF ANY KIND OF FORCE AGAINST HUSSEIN AFTER HE WAS BROUGHT INTO KUWAIT TO BEGIN WITH.

QUESTION: *Would you talk briefly about how Kuwait is so closely tied to the American companies?*

The Kuwaiti regime is unique in that it is very much like the Saudi regime, and that's why the Saudis and the Sabah family are working so closely, and always have. Being a Royal Monarchy, they do not operate the way Hussein or Qudafi, Assad or Mubarak, operate in their countries. When they sell oil on the global market--they don't "consume" their own production--they allow the Eastern Europeans to consume and they buy into things, i.e., they own a whole chain of gas stations, they own five percent of Texaco, they own a chain of gas stations in Europe but, more than that, fifty percent of everything that is taken in on those sales goes directly to the Sabah Royal family. The only one that can sign the checks--is Sabah, himself. Fifty percent of the profits goes to the Kuwait government which is also Sabah but is used, in addition, to disburse funds elsewhere and help control the population of Kuwait. The population is only about 600,000 actual citizens and the rest of the population is not made up of "citizens" and they are not allowed to "vote". The first 50% of profits, however, goes directly to Sabah! Kuwait is a total feudalistic, non-militaristic despotic State--according to our

own State Department. They have simply been able to wisely invest their money in the West, particularly in the U.S.--because they do have a fear of Islamic Fundamentalism and the Soviet Union.

When you buy this much U.S. Corporate power, for instance, when you own 3, 4, and 5 percent of a Corporation such as General Electric and defense contractors and the people on the Boards of those defense contractors you have real clout. The Board members of those "defense contractors" are also Chairmen of the Joint Chiefs of Staff, Secretary of State, and Secretary of Defense and boy, you have bought considerable political clout and THEY KNOW IT! It is purely and simply a protection racket, in a sense, but more than that, it makes them a key player in the new GLOBAL REGIME that George Bush keeps talking about.

QUESTION: *Do they not also own some 5% in McDonalds, Penneys, etc.?*

Oh yes, there is a long list of holdings that all of the citizens would easily recognize. The ones I focus on, such as IBM, Dow Chemical, Westinghouse, G.E., Atlantic Richfield, General Motors--those are all listed on the one hundred top (dollar amount) defense contractors in the U.S. You could say that they have purchased some stock in almost ALL of our major U.S. corporations. They never buy more than 5% of the class-A voting stock *because if they did so it would force disclosure to the S.E.C. as to "who" is buying up America.*

DISCLOSURE ISSUE AND INVESTMENT HOLDINGS

They purchase government T-bills and bonds and what they have done is purchase a "deficit"--a "growing" deficit--of the United States. That gives them very close linkage to the banking industry and the Federal Reserve System which is basically a "private banker's" bank which loans us our medium of exchange called the "federal reserve notes". That is a very powerful thing to purchase if you are looking for strong political clout and influence within the U.S. Government.

Ben Rosenthal of New York found out all of this described and found it extremely disturbing--between 1979 and through 1983. He filed suit to stop the

ownership of Santa Fe International by the Kuwaiti Government. However, after his death it fell to the wayside and no one, to this day, has dared to bring it up again because people get dead over such issues. He had also filed a House Bill which would force the disclosure of foreign nationals' holdings in U.S. multi-national corporations and in the banking industry because he felt that they would be buying political influence and could, therefore, influence more affairs of the U.S. Government by having this kind of wealth. That act did pass (The Financial Disclosure Act) in 1982, but pressure was brought to bear through Charles Percy, a senator and whose daughter married into the Rockefeller family, on President Reagan and also Vice President Bush, at the time to veto that financial disclosure act. The threat was, at that time in 1982, as documented by Ben Rosenthal (and now you might know why Rosenthal died) was that if they were to disclose financial holdings of the Saudi regime and the Sabah family along with Kuwaiti holdings in the U.S. banking industry--they would shift their assets to Euro-dollars, Yen, Marks, etc. This would cause an immediate banking crisis in New York which would include ALL of the Six Major Banks. The threat held strong and the Financial Disclosure Act was vetoed by President Reagan and to this day it is illegal for the U.S. Government to tell the American people how much financial influence Sabah has in the U.S.

There is a new kind of "disclosure" act in the Senate but it is pre-approved that Bush will certainly veto it. The reason Bush is concerned is that Bush is a "global operator". Bush sits on the Boards of Texas Gulf, Eli Lilly, Purolator--and a whole host of other multi-national corporations; but most importantly, the Interstate Bank of London, Dallas and Houston an international banking family. There is no question that Kuwait has major dollars in that bank. George Bush is a large-scale Global Player. Bush has actually taken a perceived "step down" in his political career by becoming President of the U.S. His real political career had been as a Global Globetrotter, if you will. It has been entirely a net-work of multi-national corporations who have widespread Global interests. In fact, take Texas Gulf, it is not even a U.S. Corporation and it does not operate in Texas or in

the Gulf states--it is a French "holding company" and it mines phosphate and sulfur (coincidentally, Iraq's raw materials that were requested) and turns it into fertilizers. George Bush is definitely a big player in the Global Regime.

This is why he continues to bring up and push the subject of the New World Order, over and over again. That really is the political objective of George Bush by being President. He doesn't care whether or not he is re-elected if this war would go bad--he has stated as much openly and publicly--even in the *Los Angeles Times*.

You see, all these holdings of Bush can be covered by placing the holdings in a 'Blind Trust' and when he became President he did this for the first time in his career. He never did that prior to this--not even when he was CIA Director. He refused to place any of his financial holdings in a "Blind Trust". He has, to some degree, done so now. His blind trust is somewhere around a million dollars which doesn't even represent a drop in the bucket to his assets as of the day he took office as President. All his other holdings are in multinational, international, etc., corporations where he is covered in secrecy. He does continue to receive what is called deferred compensation from the Zapata Oil which is a completely Bush-owned oil operation for off-shore drilling, where coincidentally, the first oil rig set up offshore--WAS IN KUWAIT. He also sits on the board and still receives "deferred compensation" from this. Deferred compensation is where the check is written but it goes into the "Trust Fund" and he can't spend it until after he is no longer President.

There are a lot of ways to get around that "Conflict of Interest", especially when you are the President. You don't have to get rid of your stock--you just temporarily cease to sit on the active Board of those corporations.

One of the most interesting companies on which he sits, actually he is a Limited Partner, with JAMES A. BAKER, III, in a corporation called Hollywood LPG II. It is a Houston, Texas, based company. The reason that it is so interesting is that in George Bush's "State of the Union" address, he suggested that because of this problem with Kuwait and Iraq with crude oil, that we must start

looking, as a nation, to other means and other resources--specifically liquid petroleum gas. (That is what "LPG" stands for--i.e., Hollywood LPG II, is a Liquid Petroleum Gas tanker fleet.)

FERTILIZER?

Bush sits on the board, and owns stock in, Eli Lilly. Eli Lilly is a MAJOR world producer of fertilizers and herbicides. The New World Order, to which "they" refer, isn't something that will enhance the opulence of Third World nations, in fact it will reduce countries like Iraq, Syria, Iran, Jordan, and Libya back to pre-1979 forms of feudalism and poverty. At the same time, you don't want to reduce a population such as those to complete poverty for they need to be fed in some manner--and that means feeding the tremendous numbers of poor in the Third World countries. Just to accomplish this gigantic task will REQUIRE A LOT OF FERTILIZER! George Bush is heavily invested in Texas Gulf which mines sulfur and phosphates which, without them, you cannot make fertilizer. Eli Lilly, which makes fertilizer--and of course, when you are going to constantly fertilize the ground to grow crops like soy beans, you will have problems with the soil--and you have to seek other places and that is where herbicides--also produced by this company--come in.

The interesting thing about this connection of Bush to Eli Lilly is that there was planned--for the Latin America Drug War--a shooting war in Latin America. That is, in part, what took place when we invaded Panama--with setting up an anti-drug force for Latin America to invade Latin American companies. (Hatonn: Yes, indeed, I have told you all this--but you need to hear it again so please, just keep reading.) Bolivia and Peru were definitely targeted. Part of the scenario for invading those countries in this so-called Drug War, was to use massive amounts of herbicides on the Coca crops and it was experimented on and the major portion of the experiments just ended in March of 1989-1990. At that point the product was approved for use to destroy the hundreds of thousands of hectares of Coca crops in Latin America. That product is called "Spike" and it comes from a Division of Elanco--a corporation of Eli Lilly. (Hatonn: This herbicide is deadly--re-

member a while back when it was used on the "Hemp" (marijuana) crops in Mexico, etc., and just happened to kill a bunch of workers and users? Brothers, I remind you--the drug trade is controlled right out of the Bush Administration! We are not talking of New World Order--we are talking about World (Global) total domination!)

I remind you again, that Bush is on the Board of Eli Lilly and owns stock in that company.

NEW WORLD ORDER! NO-GLOBAL REGIME OF INTERDEPENDENCE

The New World Order is a term that is considered totally passe' by all the Elite and Elite Think-Tanks--and I haven't used the word myself in over a decade in any of my analytical work or research papers, even when I was with the Institute. THE PROPER TERMINOLOGY IS: "THE GLOBAL REGIME OF INTERDEPENDENCE" but if George Bush had used THAT terminology, people would have begun to understand right off that it was "economic" New World Order. It was absolutely necessary that the American people believe that the New World Order, when mentioned, would somehow have only to do with "Peace and Security" throughout the world through the use of the United Nations--or some nebulous attachment to moral rightness. THIS IS A TOTAL LIE IN ITS MOST CONTEMPTIBLE PRESENTATION AND USURPATION OF YOUR TRUST AND FAITH. THE NEW WORLD ORDER HAS NEVER BEEN ANYTHING ABOUT PEACE AND SECURITY--IT HAS BEEN ABOUT ONE THING AND ONE THING ONLY--IT IS A GLOBAL REGIME, A REGIME WHICH ALREADY EXISTS AND WE ARE IN THE TRANSITION STAGES OF IT--OF INTERDEPENDENCE. INTERDEPENDENCE ISN'T SOMETHING THAT COMES ABOUT THROUGH EVOLUTION OF FREE-TRADE LIKE SO MANY LIGHT-WEIGHT UNIVERSITY PROFESSORS--WHO PROJECT IT AS SOMETHING OF A UTOPIAN VISION THAT ALL THE WORLD BEGINS TRADING WITH EACH OTHER AND SOMEHOW ALL WAR WILL CEASE AND PEACE WILL JUST WASH OVER THE GLOBE. It simply is not even a PART OF THE

STRATEGY.

Inter-dependence IS A STRATEGY. It was outlined in 1961 by Vincent Rock, a defense analyst of over 20 years, for the beginnings of it. He published a book called THE STRATEGY OF INTERDEPENDENCE which was initially used by the Kennedy Administration, and McNamara in the Johnson Administration. The strategy has been adopted ever since.

The strategy works in every field of endeavor, for instance, South Africa. We are wholly dependent on South Africa for the "platinum group" metals, chromium and commercial grade gold. It is for "strategic" war materials. This is well published and well known--that we are dependent on South Africa; therefore, the Globalist thinkers of the world future society, who are utopian, would say, "See, there is the interdependence," so we can have a lot of influence with South Africa and South Africa will work with us and we can bring about changes. *The fact is that we have enough chromite, chromium and platinum-group metals, in the LARGEST DEPOSITS KNOWN ON EARTH, IN THE STILLWATER COMPLEX BETWEEN THE BORDER OF MONTANA AND THE BORDER OF WYOMING.* It is a tremendously large complex and there is an almost unlimited supply of these strategic raw materials. Based on the analysis of 1961, however, done by Vincent Rock, the strategy of interdependence is as follows: *We shut down the mills and operation of the Stillwaters facilities and since 1963 it hasn't been mined. THEY WANT THE AMERICAN PEOPLE, AND THE AMERICAN CORPORATIONS WILL GO ALONG WITH THIS, BECAUSE THEY PASS THE COSTS TO US ANYWAY, IN THEIR PRODUCTION FACILITIES--BUT THEY WANT THE AMERICAN PEOPLE TO "BELIEVE" THAT WE ARE DEPENDENT UPON SOUTH AFRICA (interdependent or mutually-dependent).*

THE REAL REASON IS SO THEY CAN GET CHEAP LABOR FOR THERE ARE NO LABOR UNIONS AND THUS NO LABOR PROBLEMS AND IN FACT, EVEN IF IT COSTS MORE, THE PERCEPTION OF THE "INTERDEPENDENCE" IS A PERCEPTION AS OPPOSED TO A

REALITY. THE "PERCEPTION" IS USED TO MANIPULATE OUR POPULATION, THE SOUTH AFRICAN POPULATION AND THE GOVERNMENTS ARE WORKING TOGETHER "KNOWING" THAT THERE IS ABSOLUTELY NO NEED FOR THE DEPENDENCE.

This is EXACTLY that which is going on in the Middle East right now. They are going to create the PERCEPTION that without Kuwait's oil production and a free Kuwait under the Sabah family, there will be an insurmountable oil crisis. That is WHY we have to go to war and get this awful regime back into Government. We have now been taught, erroneously, to believe that we are totally dependent on Kuwait for oil--a total lie.

CONTINUING ON WITH TAPED TRANSCRIPTION:

PLAYERS (CHARACTERS)

QUESTION: Who were some of the players in this Global Regime of Interdependence?

What we are talking about comes in two layers and when you talk about the U.S. multi-national corporations you can refer to a study done through the 1976 Senate, under Lee Metcalf. He is now, too, strangely deceased and became deceased before the study was completed. They produced a study called Interlocking Directorate Among Major U.S. Multi-National Corporations. It is demonstrated that there were no more than 3,500, mostly white-male Americans--Anglo-Saxon--and they sat on the boards of ALL the multi-national corporations and the major banks and foundations and a separate study, which was produced on the Federal Reserve System, showed that the same thing existed within the Federal Reserve System and ALL interlocking with the corporations, whereby one man such as William Webster (now head of the CIA and was with the FBI) sat on the Boards of as many as TWENTY MAJOR U.S. MULTI-NATIONAL CORPORATIONS, DEFENSE CONTRACTORS, BANKS--AND WHEN YOU CROSS-DIRECTORSHIP, ONE MAN SITTING ON THE BOARD OF, FOR INSTANCE, CHASE, WILL THEN ALSO SIT ON THE BOARD OF EXXON AND WILL BE SITTING

NEXT TO A BOARD MEMBER OF CHASE, ALSO, WHO SITS ON THE BOARD, SAY, OF MOBIL OIL. THAT IS HOW THEY "BEAT" THE F.T.C. RULES DEALING WITH THE "CONFLICT OF INTEREST" AND "FREE-TRADE".

They ALL sit on each other's Boards and there are at most 3,500 or less people involved. One man, alone, may own as many as 50-80 hats and interests in corporations, foundations, the Aspen Institute for Humanistic Studies, The Council on Foreign Relations--a complete network which is extremely small when you consider what they are doing. This was considered by the deceased Lee Metcalf as a threat to our very way of life if we believe in "free-trade". He felt it would cause the kind of political influence, and he was right, that it ultimately has caused--such as in the case of George Shultz who now sits on the Board of Boeing--after eight years in the State Department where he was the single most influential man in the State Department. He opened up trade with Red China and now the trade is wide-open to Red China, which is a major, major victory to Shultz who, as Secretary of State, moved to increase trade with Red China to the point where Boeing Corporation now has RECORD SALES HERE IN SEATTLE AND THROUGHOUT THE U.S. NORTH-WEST. OF COURSE GEORGE SHULTZ IS NOW REAPING THE REWARDS OF HIS ACTIVITIES WITHIN THE STATE DEPARTMENT--HE IS ON THE BOARD OF DIRECTORS WITH BOEING CORPORATION.

What about Great Britain? What about Germany? What about all those others who are now petitioned and have agreed to give the U.S. money?

Every single one of the countries, including Japan, are represented in exactly the same scenario as just described. They are all players and they have institutionalized their ideology into groups that the far right and the far left tried to consider them some sort of Global Conspiracy--such as is the Trilateral Commission. The make-up of the "Trilateral Commission, which is no more than 300 individuals at any given time, is a make-up of Europeans, West Germans, British, Japanese, Canadians and Americans. The same thing holds true and that's why when they refer to the Global

Regime. they aren't thinking in terms of Imperialism the way the far-left used to think the U.S. was operating--that kind-of neocolonialism--it is far beyond that. That implies a nation-State trying to reach out and control the globe and still retain its nation-State status. These men don't even consider the United States as a nation-State, they consider the nation-State as Exxon, Chase, IBM, ITT, etc. That is who they believe are now the "nation-State" and that is where they put all the cards.

Being the President of the United States is a grand vehicle through which to accomplish the dynamics of the "New World Order", or, "Global Regime of Interdependence". That is why I have said it is a step down for George Bush but a most important step.

The ones who will be in charge of the New World Order or "Regime" are the same men who are in charge right now. They make up the cabinet, multi-national corporations, defense contractors, the leading bankers for they also sit on the boards of IBM, ATT, etc. They already are in charge and they have agreed to agree on that first premise. It isn't a regime such as the "Christian Fundamentalist" "thing" with a world dictator, etc., it is too well planned to ever have the appearance of such. It is a kind of feudalistic cooperation between the "princes" of the "district". Those "princes" being the C.E.O.'s and Directors--the "districts" being the interlocking or intertwined regions where the multi-national corporation crosses over all country borders.

They no longer see nation-States. They operate in every country and they truly believe, and here I have a book called **PEACE AND AFFLUENCE THROUGH MULTI-NATIONAL CORPORATIONS** by Herbert Mertz, which goes so far as to say that the Regime is already in place and it is just a matter of making average layman aware of it. They go so far as to think that we should vote for our political rights no longer through Congress and nation-State Governmental apparatuses but through the multi-national political apparatus. Mertz is a Director of The World's Ecocracy.

One thing I learned while I was with the multi-national corporations as a consultant, is that one thing totally de-

void in the thinking is the welfare of the people, themselves. I have had it stated to me very clearly that "as they create the Regime and move-in and eliminate regions and first employ people and then throw them out of work and move an operation to a foreign place--however they transmit it--wherever there is disruption and the people are hurt by it, their attitude is simplistically stated and the words are: "When the sheep are fleeced--they bleat".

FEUDALISM

The Regime is clearly a feudalistic operation. I know well, some of the gentlemen who run some of these major corporations and they are, indeed, feudalistic in their thinking. I would go so far as to say that they are behavioral-social-Darwinists with a nasty stripe of Nietzsche.

HOW DOES EXTREME RIGHT AND LEFT AGREE?

There are many similarities, in fact, years ago I spoke with a newspaper reporter on that very topic. There is a loose merger between the radical right and the lunatic left and that is because they have a lot of the same enemies--for instance, Henry Kissinger. The John Birch society did a lot of research into the multi-national corporations and they are interpreted to mean that David Rockefeller was therefore, a Communist, because he was also working with the Soviet Union. The far left always looks at it as a kind of monopoly capitol with a Marxist flavor in trying to install a kind of capitalist Regime throughout the world. Forget free-anything however, for that is the very LAST thing on the minds of these men in point.

G.E., for instance, is a feudalist-State that has more in common with a socialist dictator such as Noreiga or the Saudi regime than they will ever have with the "free-market".

You must think back a bit to what the Sabah's threat was and then the Saudis' threat if there was any disclosure of financial holdings in 1982. The threat was that they would go to yen or marks, or whatever it would take to cause a banking crisis. In 1982 we were under a recession and there were tremendous bank failures and the large banks were also in trouble due to the Latin American debt along with the

Third World debt. That threat was very REAL and so, think about the threat today if we didn't put Sabah back into his "Pink Palace" with his 70+ wives. What would Sabah do?

WHAT OF THE MIDDLE EAST WAR RIGHT NOW?

It is about making an example of Hussein and totally DESTROYING his military-industrial complex if possible by actually bombing him back into the stone age. Then they look to Assad of Syria and it is clear that the message is that "...now you will disarm--right?"

As we move along here we find that Iraq is only the first major piece to the overall puzzle. This is a new dynamic and the reason it came about so quickly is because Soviet influence left the Middle East as a major "front". Because the Soviet Union appeared to no longer be a major influential player in that area, the Western Powers of the Global Regime could rush in and fill the void and create the dynamic which in the first instance is Iraq falling as a military power. (Hatonn: Here is where the information is now comprehensive enough to validly understand that the Soviets ARE STILL THE MAJOR MILITARY AND TECHNOLOGY-CAPABLE FORERUNNER. This is something that simply no-one has been allowed to know outside of the tiny handful of key players such as Kissinger, etc. It IS through the Soviets that the war was brought to a handy and abrupt halt with Hussein's toys intact and both sides were required to make a cease and desist peace "deal"--"or else!")

Using Iraq as an example they could go on until Syria and Libya and the rest of the countries would disarm unilaterally or the same fate would befall them. For instance, Baker recently went to Jordan and put out the "Olive Branch of Peace" to King Hussein and said "...we want you to be a part of the New World Order". The press was told that that was what was offered, however, what was told to King Hussein was considerably different for there was a strong implied threat that "...when we are through with Saddam--you guys are next!" They are taking the entire Middle East back to pre-1979 when there was a Shah of Iran, no military conflict between Iran and Iraq, Libya and Syria were not a military power to be reckoned with--they want to go back to where there were

non-military despots running those Middle Eastern countries with a SECRET POLICE POWERFUL ENOUGH TO KEEP THE PEOPLE, THAT ARE IN POVERTY, AT BAY AND CONTROL THEM SO THEY DON'T GET OUT OF LINE NOR CAUSE ANY RIFFLES IN THE WATERS TO ANNOY ISRAEL. Then, too, all of the natural resources of the Middle East will simply be exported through the corporate network into those regions where they want to industrialize like Poland, Czechoslovakia and Hungary. It is a constant pattern of controlling one's resources and who gets it and who sends it to which companies and who gets the proceeds from it. How it works best, according to their thinking, is with feudalistic regimes such as the Saudi and Kuwaiti Regimes.

Countries like Iraq and Syria that claim national identity and have a strong military defense to back it up have to be removed from power. That's because their concern with Peace in the Middle East or protecting Israel from the Arabs--it is only a front to major extent, especially the "Peace" reasoning. Israel is an entirely different matter and is totally absorbed into the Global Elite system. It is boiled down, unfortunately, because the Exxon/Chase--the cabinet that makes up those very same Boards--can't then go to Syria and dictate economic policy. If you try to do so, they get their back up, like Hussein, and basically tell the West to "go to hell".

There are some real flaws remaining with ones, for instance, like Libya. The problem is that the West will push the thing until they very well might pull off the Global plan but there is always the probability that these objectors will get together and get their backs up and have some kind of terrible confrontation. The Arabs know what is under planning and they are split as far as leaders--but the Arab people are united.

The facts are that no matter how the war turns out--Hussein has won a tremendous victory in a political reference for it only has presented the obvious--that a tremendously powerful nation like the U.S. can and will simply move over and pulverize any lesser power who crosses its path in disagreement. The Arabs are totally united in two things--their total hatred of Israel and their total hatred of the

United States of America.

END OF QUOTED TRANSCRIPTION

Thank you Dharma, we will just close this off at this point for we are out of space. However, I just want to request that you ones obtain the "White Papers" and get informed. We have spoken at length on this subject and fleshed out that which these authors have not seen and the "whole" is a massive picture, indeed. You readers get your bearings, confirm to selves the truth--and then ponder what might be done to reverse this plague upon the world.

Remember what I told you yesterday--there will be a coalition of all Arab nations joined by the Soviet Union and then, brothers, the fur will fly and a bunch of chickens are going to get thoroughly plucked. I believe you can see why it is not as simple, either, as simply bringing "the boys" home--the Middle East is a boiling cauldron right now and will remain so--you have just made enemies under the surface with almost every nation in the world. So be it.

Thank you for your service and thank you for your attention. the only portion we did not cover is nuclear capability and we have already covered that quite thoroughly so I choose not to run over on this document.

3/8/91 HATONN

Hopeless? Dharma, (sic, sic), that is exactly the response expected and worked for--to make you who are working around the clock to bring light--stop and give up. We cannot do that, chelas. God has no intentions of forfeiting the world, Earth.

You ones should be asking at this point, "What is wrong with Dharma--what is the big occasion of distress?" Just bunches and bunches of little things for, when you come into Truth, you see all that is NOT given unto you and you glean truth from the lies and then the circuits of compassion and distress overwhelm the human emotions. She is exhausted and yet, we need to write 10 times a day and still cannot cover it all. You have been in the dark so very long, beloved ones. And no, Thomas, JOY, and Dru cannot help for theirs is a different penning task--to set the messages of the Christed presence to paper--those messages which bring again unto you the TRUE, JUST AND CORRECT directions for life, balance, the laws, etc. Dru has now put to paper the commandments almost in entirety in brief explanation, and will now put to print "the deadly 'sins'". You have to know, ultimately, how to pull your "whole" selves out of the muck into which you have been pushed.

What would be in the news this day that would distress? You would guess that there is only wondrous good-news with soldiers coming home and the frenzy at peak--no, look behind that which is hardly mentioned. At any rate, I must give her some time for I have made the load too great day after day after day. I will attempt to keep this to a minimum of time this morning.

TODAY'S WATCH

Homecoming! Rejoice and then, let us face the truth again. Welcome the children and loved ones but don't turn your eyes away in thinking the monster is gone--he has just had his feast of blood and will go, momentarily, for a rest. Don't expect those returning ones to know as much as you do, for they have been in a desert with even more restricted input of knowledge. They will, however, have heard of the numbers of suicides from your own beloved ones who became too distressed in that place. You appear to have a strong group returning and in many ways--you do; but in the ending they are only stronger in the fact that they are part of a "machine" from which they cannot extract themselves.

NEWS MEDIA PERSONNEL

How is it that there are OVER FORTY news people "going to be released" in Baghdad? You were told of only three from one network and two, last week, from CNN! I can promise you--the people that they will be silenced and that which comes out will be censored in its entirety--"for National Security". If you ones can ever break the press away from their shackles you will win this "secret" war against the people of the world.

POLICE BRUTALITY

While the world is in shock over an incident of the beating in Los Angeles by the Police Department of a black suspect being taken into custody. This is what has really pulled Dharma down, for one of her own children, now dead of "suicide", was treated to a dose of the L.A. Sheriff's Dept. He was just a sixteen year-old who had just gotten off work, on Halloween

night, and on his way home was dragged from his parent's automobile--through the window, by his hair, beaten and cuffed so tightly that it took six weeks to regain full use of his right hand. When objections were entered, the "forms" (for you have to ask the County Supervisors for permission to bring charges) reached the Board of Supervisors--8 hours too late to be filed. How many of you know these rules?

Dharma was employed at Children's Hospital of L.A. for some 10 years. The battered children, especially blacks from the ghetto areas, were brought in EVERY NIGHT to emergency. At one point, one child lost an eye at the Police's hands and it was simply too much for the young doctors on service. They brought charges--GUESS WHO LOST THEIR JOBS?

Now, they will tell you that this incident--captured by a witness from his apartment balcony--on film, is isolated and "just never happens". Phooey, it happens regularly and is the "rule" and not the exception to the rule. THEY ARE IN TRAINING TO BRING YOU--THE-PEOPLE INTO TOTAL POLICE CONTROL FOR THE REGIME COMING DOWN ON YOU--PLANNED AND UNDER WAY! The hospital incident above is only one of a hundred just she could give and she was nowhere near Emergency Room--and worse for the situation--it was 15 years past--how think ye it is this day??

KUWAITIS

Have any of you readers witnessed the hundreds of Kuwaiti citizens crossing the border and now WALKING to Kuwait City? They are angry and hungry after first being disallowed en-

try to their own country and totally ignored. They scream "war" (NOW THAT IT IS TOO LATE) against the Sabahs for "...no government should treat its own people like this--like dogs and worse--we are starving and they do nothing.....!" There are hundreds upon hundreds at the border and the Kuwaitis won't let them re-enter their own country!

DEATH TO HUSSEIN

Now the big flash is that *"...the Arab nations are putting up a big reward for removing their 'fellow Arab' Hussein from power, by death if necessary!"* And, of course, that is the way it will have to be. NO! The "Arab Conspirators" who are in the loop of the One World Regime are trying to take him out before the people can rise up against them. America and World: KNOW that the plans are too well laid to allow survival of anyone who can fight back. You see, your world is controlled totally by those original 13 to 14 families with a few old line ball-players allowed to play for awhile, while it is convenient to utilize them and their resources. YOU HAVE NOT LIBERATED KUWAIT--YOU HAVE REINSTALLED THE DESPOT OF DESPOTS BACK INTO HIS IVORY AND PINK PALACE. YOU ARE IN GRAVE TROUBLE, WORLD--INDEED, VERY, VERY GRAVE AND YOU CONTINUE TO WHOOP AND BOW TO WONDEROUS BUSH WHO LAUGHS AT YOU AND DROOLS OVER THE CARCASS OF THAT WHICH HE HAS PULLED INTO DESTRUCTION. HE IS ONE OF THE HEAD MACHINISTS AT THE TOOL SHOP. **BE WARNED: FOR HE IS ONLY A ROBOTOID REPLICA--THE BIG BOY IS STILL OUT THERE PULLING HIS STRINGS WHILE YOU WATCH AND APPLAUD THE PUPPET SHOW. BY FAR, THE WORST IS YET TO COME.**

REPETITION AND EMPHASIS

No matter what we give unto you, you are stunned and put it aside thinking "this one" might be incorrect--so we will keep right on keeping on.

Let us go back to an interesting old story from your "Good Book" that might be well worth looking at again this day. Let me just outlay a very impressive message from the

"FOREWORD" of a booklet entitled, THE GREAT CONSPIRACY on the subject of WHO'S STOMPING ON CHRISTIAN CIVILIZATION? This is compiled by Brig. Gen. Gordon "Jack" Mohr, C.P.D.L.

Isaiah 22:25--*"There is a conspiracy of her prophets (leaders) in the midst thereof, like a roaring lion ravaging the prey; they have devoured souls; they have taken the treasure and precious things; they have made her many widows in the midst thereof."*

In Psalm 2:2-4, you can read these words: "Why do the heathen rage, and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together against the Lord, and against His Anointed, saying, 'Let us break their band asunder, and cast away their cords from us, He that sitteth in the heavens shall laugh; the Lord shall have them in derision.'" (Or contempt.)

Off and on you will hear about the "Conspiratorial Theory of History." This is certainly in line with the words spoken by the Psalmist and they echo those spoken by President F.D. Roosevelt when he said: *"Nothing in politics happens by accident; it was all planned somewhere, in some smoke-filled room."*

But if you mention a conspiracy today--a conspiracy to control the world and make men and women slaves--the Elite of the world, the sophisticated, the educated, laugh knowingly, tap their heads and declare you to be a "looney kook" of some kind.

Yet many Americans know that there was a conspiracy to kill President John Kennedy. They know it was not the work of one slightly demented man. Even when the Warren Commission said one man did it, intelligent Americans said: "Why then, did you seal your findings for decades? Who are you protecting?"

Now consider today--March 8, 1991--the ones in charge of the Book Depository from which the "so-called" assassin fired his death bullet has decreed that Oliver Stone may film a motion picture from the site--BUT NOT USE THE SIXTH FLOOR THEREOF!! *Of course not, for it would be uncovered before all the world THAT IT COULD NOT HAVE*

BEEEN THE WAY IT WAS GIVEN FORTH TO ALL OF YOU!

When something unusual happens, which does not appear to be by accident, people have the right to ask: "Who did it? Why did they do it? Were there more than one of them? Who financed them? Who benefitted by the death of President John Kennedy? Did the man who replaced him have any debts which he paid off?" Is it not even more proper, in fact, to DEMAND these answers?

Where are you, children? Even your Bible--which you continually tout to me in your anger at my bringing Truth--tells you beyond any shadow of a doubt that there is a long-range conspiracy against God and His people of all faiths. Herein are references from THAT BOOK that can confirm this conspiracy, three of which are in Psalm 2. In Isaiah 14, you can read about a very powerful arch angel named LUCIFER, who tried to arrange a conspiracy in heaven, TO KICK GOD OFF HIS THRONE AND USURP THE THRONE. *It went so far that he seduced 1/3rd of the angelic hosts to join with him in the conspiracy. And, if you study the Bible a bit more carefully, you will see that this great conspiracy HAS BEEN IN OPERATION SINCE THE DAY THAT GOD PLACED YOUR FOREFATHER "AU-DAUM" (Auld Dum-de-Dumb Dumb) in the beautiful "Garden of Eden".*

To identify a conspiracy, you MUST KNOW WHO is being conspired against. The Bible tells you that this great conspiracy is against God and His People. Not the people you call "Jews" today, who are the very ones your Teacher in Rev. 2:9 referred to when He spoke about: *"Those who say they are Jews (JUDEANS) and are NOT; BUT ARE OF THE SYNAGOGUE OF SATAN."* We are speaking here, about God's TRUE "israel" people, who we know are not those who call themselves "chosen people" from Palestine (Israel). I am going to take a bit of an exception to some of the material in this booklet for I refuse emphatically to give you information which will pit you against brother. For terms are used which would tend to isolate the "chosen" of God into nationalities and lineages which can not be completely accurate. Most especially, through the evolution of "time", I shall most certainly

not allow my readers to slip into bigoted, race-isolated stance. The "REFLECTION OF GOD'S IMAGE" bears no color nor race as such--only the energy (spirit) of God which is (LIGHT) and is all comprehensive from all "colors" and therefore could broadly be considered "white". It is factual that ones of this generation have come forth from mixtures of those who originally came from ancestry of various "colored" beings as to skin, etc. But the color of the skin had nothing to do with the actions of the evil perpetrators who worked against God. As a matter of fact--those beings might well be the very ones who will now set the record to straight for **YOU ARE NOT GIVEN TO KNOW THAT WHICH GOD ALLOWS TO COME FULL FLOWER. IT IS NOT MYSTIC, IT IS SIMPLY NOT YET REVEALED FROM THE "MYSTERY".**

We are going to utilize some exceptionally good information--for the most part--which came out publicly in about year 1988. It is about the Great Conspiracy. I am going to utilize this time period for it brings into focus, within your time perceptions of recognition and memory, that which was well under way. We have to make these connections again and again for few will retain much "total" recall from prior writings. Sometimes parables must be presented in several ways to meld the point and focus the point.

ABOUT THE GREAT CONSPIRACY

As we speak of this in a setting of the late 1980's you must, up front, realize that most information and background came from 30-50, or more, years prior to that. We have to go back, again, to the Illuminati of the Elite One Worlders. You will again see how it all connects, frankly, all the way back to the beginning of your human experience on your planet.

These One-Worlders, known as the Illuminati, fully planned and are now ready to take over your world. You, as a world, are coming apart and you deserve to know **WHY AND HOW! WHAT YOU WILL DO WITH THAT INFORMATION IS TOTALLY UP TO YOU-THE-PEOPLE. I REPEAT--MINE IS GIVE YOU THE TRUTH; I CANNOT "DO IT" FOR YOU!**

These writings herein are about a Great

Conspiracy; in fact, an ages-old conspiracy to enslave ALL peoples of the world under a one-world system controlled by a totalitarian dictatorship. This is defined by your dictionary as: "A combination of men for an evil purpose; and agreement between two or more persons, to commit some crime in concert, particularly, a combination to commit treason, or incite sedition or insurrection against the government of a state."

Because this conspiracy has been a "Jewish" (Refer to the "DEFINITIONS" which I have given you prior to this writing for I MUST utilize accepted terms as presented to you for you no longer have the proper terminology suitable to make clarity. Thank you.) plot from the very beginning, the media has been very careful to poke fun at anyone who believes in what they call "The Conspiratorial Theory of History". They will admit to many other conspiracies in the 6,000 years of "written" world history, but say they do not believe one is going on now. I am going to prove to you, little ones, beyond the shadow of any reasonable doubt, that there is and has been such a conspiracy underway to enslave you and destroy Godly civilization everywhere on your globe.

This plot remains generally unknown to the majority of your people and when ones speak out about it, they are apt to be received with worse than scorn, contempt, and most often even hatred and abhorrent violence. There can be no doubt that we are labeled as "anti-Semites" but that is getting to be quite "passe" so check your "definitions". I cannot help it if the ones who have set this thing into operation now call themselves "Jews" and I am very sorry, indeed, for the Judeans who have allowed that to take place. The reason for this plot not being generally recognized is because the plotters have total control of the media of the land. They control the newspapers, magazines, radio, TV and the Motion Picture outlets, (anything that might promote their ideas and shush yours). This is proven and "they" are quite egotistic and proud of having accomplished this against you-the-people. It is not secret any longer--they boast about it constantly and you STILL hang on their presentations like addicts to the poison drugs.

In recent decades, television and the movies have been in the forefront of

this "brainwashing" process. These are almost totally controlled by International Jewish interests. This control has been so exaggerated and misused that it has affected your political and religious leaders, as well as your major educators, to the point where they believe they have the right to tell the people what they want them to hear, rather than what is truth.

Your National leaders tout that they have received this power from their "positions in government", although your Constitution Republic was set up to be the "servant of the people, rather than its master". Today your leaders, while ostensibly in power, are controlled by shadow figures who lurk in the background, ever becoming more and more open, pulling the strings of government, no matter what political party "is in power". This is why you see little change in economics or foreign policy when there is a change of administration. But with this last change to George Bush, you have married into the big league of puppet-masters. You have not had an "American Government in Washington" in three quarters of a century--and then, it wasn't worth speaking of as non-manipulated. You have been infected and pushed around by the alien figures of the International Zionist Bankers, who now control your total economy and thus the country.

The idea of those ruling Elite is to so change the thinking of you good, patriotic Americans so that you can be *peacefully merged with the nations of the Third-world and Communist states.*

During the Korean War, 1950-53 (and surely you dear ones must realize that you still have military personnel in Korea and American POW's in Russia), when your armed forces came under United Nations control for the first time, you saw your boys murdered by the tens of thousands in a war your leaders never intended to win, while your national wealth went into the pockets of the International gangsters who were totally responsible for it. This was all part and parcel of the plan to weaken and divide America. You saw its horrible aftermath in Vietnam. BOTH of these "no win--no plan to win" wars were part of the world-wide conspiracy which has already destroyed much of your world. In every instance, although Americans have been brainwashed into believing your

government was anti-Communist, it was your tax dollars and aid which kept this enemy of mankind alive and well and killing YOU. "Communism" is just a convenient "word"--don't get yourselves hung-up on it for it doesn't mean anything--it will now shift to something like the New World Order or some other meaningless term.

It is vitally important for you mothers and fathers, whose loved ones died in those wars, to know the truth about this betrayal for it continues on and on and gets worse and worse all over your planet. You in America see that which IS in places like Panama, South America, Central America and the Saudi desert--but you don't get much on South Africa as it really is, nor other places like China where you get a distorted picture which, in fact, could not be buried because of its size--and Satan must always wear a blood-stained clue of the players actually involved, i.e. Bush, Scowcroft, Kissinger, etc.--never interrupting "business" with Red China and glad to have the trouble-makers out of the way at any cost--including death by tank-squashing.

It is more important still for you to understand that, standing behind the traitors in government, there is a comparatively SMALL group of men, whose SOLE PURPOSE IN LIFE IS THE ENSLAVEMENT OF THE WORLD AND TO ENRICH THOSE WHO PROCLAIM THEMSELVES AS THE ONLY ONES CAPABLE OF RULING YOUR COMPLEX WORLD.

In order to get a more clearly visible view of this evil plot, it is necessary to go back to a time in Europe, to its modern beginning. "Modern" is the chosen word because the underlying plot was hatched too many centuries ago to cover herein, long before the time of the Teacher called Jesus the Christed, in the dusty streets and in-nards of Babylon.

I am going to tell you about the man that resurrected this ancient plot in 1776 and who was the architect of the modern conspiracy that you erroneously call "communism". Then I will bring you again to the more recent times and show you how the conspiracy remained and grew in operation. Many of you, if you are not familiar with the prior Phoenix material--or similar information--will be shocked

and you will first deny and refuse belief. This is Truth and the facts are now down in your own ability to read them and garner proof if you but take the time to look for them.

You continue to use terms which are totally without meaning other than accepted and conjured erroneously so we will need more definitions as we move along. One term which must be defined before we move on is what is meant when one is referred to as a "LIBERAL". Webster's Dictionary defines liberal as: 1. of a free heart; munificent; bountiful; generous; a liberal donor. 2. generous, as a 'liberal donation'; 3. not selfish, narrow or contracted; embracing interests other than ones own; 4. embracing literature and sciences generally, as a liberal education; 5. open; candid, as 'liberal communication of thoughts'; 6. large; profuse, as a liberal discharge of matter; 7. free; 8. not mean, low in birth or mind; 9. licentious; free to excess.

So you can see, this commonly used word covers a very large range of thoughts from the good to the despotic. But the world conspirators seized on this word and used it as a pivot on which to build their activities. In itself, it sounds innocent and humanitarian (another mark of the beast). But you must use exceeding care, for the term "liberal" is also used to describe someone or their activities, who are *actually subversive in nature*. Most of the agents of the world conspiracy, come from the ranks of those who consider and call themselves, "liberals".

The satanic plot to control all of mankind was launched in the 1760's under the organized name of the IL-LUMINATI. This subversive organization was organized by a Zionist named Adam Weishaupt, who had been converted to Catholicism, became a Jesuit priest and then became an agent for the Jewish house of Rothschild.

It was the Rothschild wealth that financed this venture. They also planned and financed every major war and revolution beginning with the French Revolution. They worked under various "guises" and names, but it was for the same purpose and backed by the same men.

Dharma, let us leave this writing. I ask that you get out of this location as

quickly as conveniently possible. The others are behind, at best, and I need you out of here for a while, please. There is much on this subject and we will keep at it so allow us respite.

Hatonn to stand-by, thank you.

TODAY'S WATCH

I shall bring up only one matter as far as that of TODAY'S WATCH. It deals with that which we write in every manner possible for we come in the service of higher intelligence and, therefore, everything you have experienced and been taught comes from that which you call Bibles, Talmuds, etc.

For the whole of this month and last, a great denial and revelation seems to be sweeping your religious halls. It is quite amusing to witness the ways in which people are reacting to the news that everything said in the Bible credited to the one, Jesus--was not said by Jesus.

Your researchers and scholars as well as archaeologists have unearthed scrolls and artifacts which are disproving that which some churches demand you testify to believe in absolute verbatim pronouncement--of that book. Perhaps AND THEY CALLED HIS NAME IMMANUEL will not much longer be so denied. Rejoice that light can be shed upon the fact that instructions and teachings have been sorely altered and adulterated to suit the needs of those who would control you.

KNOW that in efforts to interpret the Bible, even the Revelations of John and the circumstances of "Cain" have been adjusted to produce an end result whereby evil controllers would be able to control through the WORD. We have come to set the WORD to straight.

With the very subject under discussion in the present Journal, the assumption, from the analyzing of the portions just given unto you yesterday and through the lineage of "Cain", it would appear that the "good guys" are--of necessity and deduction--Anglo-Saxon "white guys". Surely enough, Cain, through Cush, etc., cavorted about with some women and people of "color"--so what? You have "some" historical data which can give ancestry and some lines of integration--BUT YOU OF

EARTH ACTUALLY KNOW SO LITTLE THAT IT IS STARTLING, AND WORSE, AS TRUTH IS UNFOLDED UNTO YOU, YOU DENY IT AS QUICKLY AS YOU CAN.

How do you think all those marriages and bad habits of sexual intermingling could happen if there was only Adam and Eve? Would it not be most incestuous, in deductions with logic, that you cannot have four if there were only two? Unless you stop the silly mysticism and unto death defending of that which is totally absurd, you will never bring your world to right direction.

By the way, I note that much of the "proof" of Jesus' words being said or not said are exemplified from a movie called *The Last Temptation of Christ*, or something equally as stupid. I ask any of you men, even those of you who pronounce yourselves to be totally macho--do you ACTUALLY think that if you were hanging on a cross with your life blood flowing out, nails in hands, wrists and feet--with all the weight of a tall man's body hanging--that you would be pondering a roll in the hayloft with an ex-prostitute? Blasphemous? Heretic? Don't be absurd, why would you "picket" and "protest" such incredible garbage? You lessen the stupidity of the picture as well as degrade the Master Teacher by giving one iota of mention or attention to such trash. Why do you ones not LIVE ACCORDING TO HIS TEACHINGS INSTEAD OF TROMPING AROUND WITH PLACARDS TRYING TO GET THE PICTURE-MAKERS TO SHUT DOWN? YOU JUST CAUSE ALL OF THE CHEAP-MINDED PEOPLE TO GO WITNESS THE PICTURE--OF COURSE, "JUST TO SEE HOW BAD IT IS AND JUDGE IT." No, it is a hype and it gets exactly the reaction planned and you, again, like sheep to the pasture--one after--another rise up in righteous anger and allow your babies to be sent to kill and be killed in the Middle East. So be it! Until YOU (YOU) come into Truth and alignment with the Laws of God and The Creation--YOU are the one at cause of the downfall of your planet--for if each of the YOU'S get yourselves into control, the matter of evil and destruction would be indeed moot.

The evil false teachers and scribes (how do you think they got to be called Scribes and Pharisees?) gave

you a bill of goods to keep control in the hands of the Elite and subjugate you--the-people of all generations and sequence upon your globe. The entire scenario from the first words of Genesis is orchestrated to cause you to lose control of self. But you don't WANT THE TRUTH AND, THUS, YOU SIMPLY PROCEED TO KILL THE MESSENGERS. WELL, I SUGGEST THE WORLD DID NOT BEGIN WITH A "BIG BANG" BUT I CAN ALMOST PROMISE YOU THAT IT WILL END WITH ONE.

WHO WILL BE "SAVED"? AT THE RATE YOU ONES CONTINUE TO WALLOW IN THE LIES--NOT TOO MANY BECAUSE YOU DON'T HAVE THE FOGGIEST NOTION OF WHO OR HOW YOU GET OFF THAT PLACE, SHOULD IT DESTRICT. THEREFORE, THOSE WHO WOULD CONTINUE TO KEEP YOU PLACATED COME UP WITH THE DANGEST STORIES AND YOU FALL ALL OVER YOURSELVES TO GET IN LINE--SAY--FOR A CLOUD SWOOPING WITH RAPTURE AND SINGING ANGELS AND HARP-PLAYERS--USE YOUR BRAINS, FOR GOODNESS SAKE! USE THOSE WONDEROUS BRAINS GOD GAVE YOU AS THE ONLY UNIQUE GIFT AS HIS CREATION! TRUTH IS SO MUCH MORE WONDROUS AND GRAND; WHY DO YOU REMAIN IN THE MUD-WALLOW WHEN YOU COULD SOAR IN THE PERFECTION OF THE COSMOS? OH, YOU DON'T KNOW ANY BETTER? THEN WHY DON'T YOU LEARN BETTER?

I have bad news for you who wait for nonsense and mystical ghosts to gather you up--it is NOT going to come off! Furthermore, our commission, as the Hosts come to bring the Truth, only allows us to present the Truth--we force nothing and, therefore, it appears on any good "war day" that there will be very few we have to worry about hosting on the trip home. We literally witness ones grinning and joking and hoping they die in bed with a "good sex partner". Well, I hope you enjoy elicit experience for a very long, long duration for that which you attend now is that which will be carried with you--except the "partners" of neither sex will go with you! It is going to be a long time of learning those lessons of proper human actions--UNTIL YOU LEARN THEM. YOU WHO THINK

THIS IS "IT" AND "SO WHAT" ARE WRONG--THERE IS INFINITY LEFT TO LEARN THOSE LESSONS OF GOD, FRIENDS--INFINITY. AND YOU WILL LEARN THEM. So be it. Allow us to turn to our work, please.

You see, I care not what man did or did not, do or do not think about what the Master Teacher said or didn't say. HE IS RIGHT NOW IN THE PROCESS OF SAYING IT ALL-DIRECTLY-AT THIS VERY TIME. WE HAVE SCRIBES PUTTING IT TO WRITING EXACTLY AS WE ARE UNFOLDING AND UNRAVELING THESE TRUTHS--WE CARE NOT ABOUT THAT WHICH WAS PRESENTED BEFORE BECAUSE YOU HAVE PROVEN IT TO BE FALSE, IN GREAT MEASURE--WITH ENOUGH TRUTH TO ALLOW YOU TO FLAUNT IT OR WORSHIP IT--BUT IT IS NOT THE INSTRUCTIONS OF GOD NOR THE HISTORY OF HOW YOU CAME TO BE.

Now, Dharma, allow us to get on with some REAL Truth which will give you background so that you CAN KNOW your enemy and change your plight. History writers have betrayed you, in most part, to allow the deceiving without confrontation--so, you had better attend the Truth we are compiling and displaying for your information. It is available now, and can be documented and many have done so--get off your duffs, open your eyes and minds and find out what you are about and what has happened to you--STOP BEING PURELY PUPPETS TRYING TO GET BY THIS MANIFESTED EXPERIENCE WITHOUT BEING "ALIVE". STOP BEING DEAD, BROTHERS--LIFE, TRUTH, LOVE, PEACE AND BALANCE AWAIT YOU SIMPLY FOR THE TAKING OF IT AS GIFTED UNTO YOU, AND YOU AND YOU--IT IS NOT THERE FOR THE EVIL CONTROLLERS AND WOULD-BE FEUDAL-MASTERS--PULL THE CONFOUNDED SHROUD FROM OFF THINE HEADS!

Oh, I startle you with harsh language? Does it startle you when Swartzkopf says, "Let's kick ass?". I am a Commander of the largest fleet you will ever imagine if you live to be 2,000-years--and I SAY IT IS TIME TO "KICK ASS!" Does it shock you when

your President Bush says he is going to "kick Hussein's ass?" Does it startle you when he sends off your loved ones to slaughter like "fish in a barrel" God's other children? Well, it angers me to fever heat--and I think it is time you wake up and do a bit of reverse kicking! You do it by knowing Truth and simply snipping your puppet strings and standing on your own knowledge. Ignorance and deceit are the ONLY REAL BINDINGS THAT YOUR ENEMY HAS--YOU GIVE HIM ALL THE REST OF THE TOOLS TO CONTROL YOU.

WE WERE SPEAKING OF THE ROTHSCHILDS

I also used the word "guises", because when the Illuminati became too notorious, the Rothschilds and other international Jewish bankers began to operate under different names--this always covers in confusion (just as several good Nevada Corporations cover your privacy). In the United States, immediately following World War I, the conspirators set up an organization which today goes under the name of the COUNCIL OF FOREIGN RELATIONS (CFR). Yes, I certainly do realize that I am repeating from information in some of the very first Journals--but most of you have not read the first Journals and, therefore, it must be briefly covered again and brought into connection. The CFR is actually the modern branch of the Illuminati, furthering Illuminati goals in the Twentieth Century. Its hierarchy, the Master-Minds in control of the CFR, are in a very real sense the descendants of the original Illuminati conspiracy.

To conceal this fact, most of them have changed their original Jewish (Hebrew/Judean--then Yiddish) names to more commonly accepted so-called "American-sounding" names. For example, the family name of Clarence Dillon, once Secretary of the Treasury and very high on the totem pole of the conspiracy, was LAPOUSKI. There are many others and I will mention them as we move along.

In England, we find an establishment similar to the CFR which goes under the name of the British Institute of International Affairs. For all intents and purposes it is for the same purpose as the CFR. There are similar secret organizations in every major country, including the Communist nations, all operating under different names, but

all tied to the central conspiracy.

While they operate under different names, all these international organizations, including the CFR, continuously set up subsidiaries--front organizations, if you will--which are infiltrated into every phase of national affairs.

At all times, these operations are controlled by the international bankers, who are in turn controlled by the House of Rothschild. The means by which they set up these various organizations are too numerous to go into in this particular message.

It would be well for us at this point to go back to the original purpose of the founders of the Illuminati. One branch of the Rothschild family financed Napoleon during the Napoleonic Wars, while the other branch financed Britain, France and Germany and others opposed to Napoleon's internationalist aims. Immediately following the Napoleonic Wars, the Illuminati assumed that all the nations of Europe, who had been involved, were so destitute and worn out from the long fighting, so heavily in debt, that they would do anything and grab at any solution which would lead them out of their dilemma.

So the Rothschild stooges set up what they called the CONGRESS OF VIENNA, and at that meeting tried to create the first League of Nations. This was their first open attempt at a one-world government and was attempted on the theory that, since all the crowned heads of Europe were so deeply indebted to them--the International Jewish bankers--they would either willingly, or unwillingly, serve as their prostitutes.

Unfortunately for them, the Czar of Russia saw right through their scheme and completely blasted it. This so enraged Nathan Rothschild, then head of the family, that he vowed that some day, either he or one of his descendants would wipe out the entire family of the Czar. His descendants finally accomplished that in 1917, when the Czar and his entire family were brutally murdered by Jewish assassins. (Don't ever underestimate that enduring hatred and I warn you that there is no one group who can hold hatred and gain revenge--if it takes all of many generations--than the Zionist Israeli self-proclaimed, self-styled and so-

called "Jews" become "Yiddish". They would happily blast an entire nation with all people thereof into oblivion and not blink an eye in remorse. Further, they fully intend to do so and this is WHY you and Russia will be at war, my good American friends.

Keep in mind that the Illuminati was not set up as a "short range" operation. Normal conspiracies are set up on the basis of achieving their aims during the lifetime of the conspirators. But that of the Illuminati, which went back to 500 B.C., was based on the infinite patience of men who meant to be successful, no matter how many ages it took to accomplish their purpose. Strangely enough, this is the same thinking that permeates world Zionism. The reason being, they are one and the same conspiracy.

Here is where we might again take note of the so-called Holy Books such as the Bible, Talmud, etc. These books do not actually give the sequence of God's intent--but rather give magnificent proof of the historical sequence of history as it actually was. If you call it the "Word of Lighted God of Truth" you sucker-in all the beautiful, loving people who know nothing other than that which they are taught by Earth teachers and demanded through laws set forth by the Conspirators.

As a result of the above thinking, the descendants of the Illuminati are dedicated to keeping the plot in operation until one day they believe they will be successful and, in the words of the Jewish Talmud, "Every Jew will have 2,000 'goyim' slaves." The Chief Rabbi in France, in 1859, a Rabbi Reichorn, stated this when he said: "Wars are the Jews' harvest, for with them we wipe out the Christians and get control of their gold. We have already killed 100 million of them, and the end is not yet." This was before the Civil War and the two great World Wars. Many other Jewish writers confirm this Jewish thinking.

TRIUMPH OVER ALL OTHERS

Goldwin Smith, Jewish Professor of Modern History at Oxford University, was quoted in October, 1981 as saying: "We Jews regard our race as superior to all humanity, and look forward, not to its ultimate union with other races, but to its triumph over them."

On page 155 of his book, **YOU GENTILES**, Jewish author Maurice Samuels writes: *"We Jews, we are the destroyers and will remain the destroyers. Nothing you can do will meet our demands and needs. We will forever destroy because we want a world of our own."* (And ALL of it under their control.)

On Feb. 17, 1950, the Jewish banker, Paul Warburg, testifying before the U.S. Senate, contemptuously stated: *"We will have a world government whether you like it or not. The only question is whether that government will be achieved by conquest or consent."*

That this idea is still in existence can be seen from this letter which was sent to an Identity pastor by a Jew from Spokane, Washington (1988). He wrote: *"Your people are so paranoid, it is obvious we can no longer permit you to exist. We cannot allow you to spread your filthy, immoral, Christian beliefs to the rest of the world. Naturally, you oppose World Government, unless it is under your Fascist-Christian control. Who are you to proclaim that your Christian-American way is the best? It is obvious you have never been exposed to the communist system."*

"When nationalism is finally smashed in America, I will personally be there to fire-bomb your church, burn your Bibles, confiscate your firearms and take your children away. We will send them to Eastern Bloc schools and re-educate them to become the future leaders of One-World Government, and to run our Socialist Republic of America. We're taking over the world and there is nothing you can do to stop us. (UNQ.)" This from one of those people who is constantly screaming that Christians spread "hatred and anti-Semitism."

Well, WE have gotten some dandy "deadly missiles", too, and a few of them against my scribe have been right out of the end of a rifle, along with poison pen letters from the very loving "Christian" community within our own lovely little village. I warn you, chelas, you are in dire circumstances for your adversaries do not bend--THEY KNOW WHERE THEY WANT TO GO AND TRUST THAT YOU WILL NOT HAVE GOALS TO INTERFERE; CERTAINLY NEVER GOALS OF GODLINESS.

This, my friends, is the spirit of Zionist-Communism, which has been promulgated by the Illuminati plot.

Going back to the beginning of the modern plot, you find the Jew, Weishaupt, who was trained in Canon Law by the Jesuits at Englestadt University which was the basis of his Luciferian theories. It was in 1770 that the Rothschilds set out to revise this "age old" plan of Jewish conquest.

This plot was designed to give "the synagogue of Satan", so designated by one of those erroneous statements in Revelation 2:9, 3:9 (you know because there is a capital letter S which designates a person's name and satan only means "adversary". See how wondrous it is to have some proper definitions to use for proper discernment? It suffices, however, as information regarding the point in discussion.), *complete control of the world and impose its Luciferian philosophy on the entire human race who were fortunate enough to survive the social cataclysm they would bring to pass.* As in "...and a new religion would sweep across the lands..."

Weishaupt completed his plans on May 1, 1776. (Now you know why May Day is so important in communist countries.) It was on this day that the Illuminati was officially organized and put their plan for world control into operation.

This diabolical plan called for the destruction of all known forms of government and religions, with their special target, Christianity, among other Godly religious groupings who teach Godly actions.

This plan was to become successful, as the masses of mankind, whom Weishaupt called "Goyim", (a Yiddish word which literally means to the Jew, "non-Jew animal") were to be divided into opposing camps on social, political, economic and religious issues.

These are the exact situations which are continuing to tear your world apart. The opposing sides were to be armed and incidents created, which would lead to violent confrontations. One of the best examples comes to mind in the present and continuing trouble in Northern Ireland. It has been pictured by the media as mainly a Protestant vs. Catholic problem, but it is not. It is a deliberate attempt, by

the conspirators, to set one religious group against another, with the purpose of ultimately weakening them, and the United Kingdom, to an extent whereby they can be absolutely controlled.

This was the essence of the preaching of the Civil Rights leader, Dr. Martin Luther King, Jr., a few years back, when he led his people and white liberals in so-called "peaceful" Civil Rights demonstrations. His theory was, and often verbally expressed by him, that when Blacks marched peacefully in an all-white area, it would cause confrontation with some whites who would be radical and thus ensure government intervention and bring about civil Rights laws which would benefit the Blacks. He was right. His masters knew exactly what would happen. Unfortunately, too often the Neo-Nazi types and the KKK played right into his hands, they being even more damaging than the initial perpetrators.

Radical demonstrations of any type can very well end up in terrible violence. This is why it will only be through truthful KNOWLEDGE of how it actually IS, that you can prevail--for otherwise you are considered troublemakers and silenced. This is why the WORD OF TRUTH IS SO POWERFUL--THE PEN IS TRULY MIGHTIER THAN THE SWORD IF YOU CAN GET THE PEOPLE TO SEE AND HEAR. This is why the press and media are totally controlled and the publication of books is censored and material such as these Journals, literally removed from shelves, hidden and destroyed. You who hold these Journals hold the Truth of the world in your hands and because of the functioning of the "system of the conspiracy" it will be you who will have to see to their distribution. It has ever been thus--remember the sign of the "fish" drawn in the sands?

You witnessed this same plan as above come into operation again during the Vietnam War when war protestors, paid for by the conspiracy, fought with police and caused all sorts of civil disturbances. The plan then, as now, was to so weaken and divide America that they would eventually destroy the Republic. They have been so successful that, within the lifetime of many of you, you have seen the United States go from a Constitutional Republic into a Socialist Democracy, and

you are actually standing at totalitarian Communist dictatorship. Sorry about that but it is the way it is.

If you look closely at the actions within all the nations, but predominantly in the U.S. for this message, you can see the enemies' efforts to discount and destroy the influences of Christianity and other Godly belief systems, and you will find the activities will be financed by the select few and are Zionist-led-right to the war in Iraq against the Islamic people. You see, Islam is a cross between Christ teachings and Moslem faith. This is also why the Native Indians are pronounced and labeled "PAGAN" so that it distracts and discounts their total belief in God Creator/Creation and Balance of Mother Earth from which all spring.

It should be of interest to you to note that the program of the Illuminati, follows step by step, the blueprint for world conquest laid down in the PROTOCOLS OF THE LEARNED ELDERS OF ZION, which was first unearthed about 1898 as we have given you in print on at least three or four instances. I realize that both Jewish leaders and their Christian "stooges" have proclaimed these to be counterfeit. But I call to your attention the fact that, in order to have a counterfeit, you must *first have an original*. The counterfeit follows the original. THE IMPORTANT THING TO NOTE IS THAT THE CONSPIRATORS ARE FOLLOWING THE PROTOCOLS EXACTLY AS THEY WOULD A BLUEPRINT.

ADOLF HITLER

Now here is real irony personified. It is interesting to note that Adolf Hitler, the man the Jews say they hate most, next to Jesus Christ, was financed in his rise to power, and during World War II, by the Rothschild's, the Kennedy's and the Warburg's and the Zionists stated in Article II, Par. 5 of their "counterfeit Protocols", "We have the gold of the world in our hands, not withstanding we had to gather it out of the oceans of blood and tears. But it has paid us, even though we have sacrificed thousands of our own people." ANY NICE AMERICAN WHO HAS LABELED HIMSELF A JEW WHO READS THIS MUST TAKE NOTE--FOR YOU ARE THE FIRST TO BE TARGETED FOR SACRIFICE FOR THIS

NEW WORLD ORDER.

International Zionism has never hesitated for a moment to slaughter hundreds of thousands of their "lesser brethren" if it would aid their plan for world conquest. You can see this in Russia this day, as the persecution against Jews is carried out UNDER JEWISH LEADERSHIP!

Dharma, might we break this chapter off at this point and we will pick up the subject of Russian/Zionist persecution as we sit to write on the next occasion. Thank you. I shall move to stand-by until we are ready to resume our work.

3/10/91 HATONN

No, Dharma, as I come into recognition of your thoughts--HE was not super-human, just as you ones are not super-human. The very act of manifestation in the physical form requires that you not be super-human. You may be able, under certain circumstances, to do that which is perceived as "super-human"--it is NOT. It is within the capability of the human through whatever resources utilized, to function in any capacity. This is the TRUTH of physical manifestation in your density/compression of manifested experience. If your experience deviates from that which is required within your experiencing manifestation--you are instantly within another experience for all circumstances are likewise changed. Just as, let us say, you are on a journey headed in the direction of direct North. You change your mind, reverse your direction, turn about and go to the direct South--YOU ARE NO LONGER GOING NORTH!

You must always look forward to another experience in another dimension--BUT, your purpose and accepted task of experience is to perfect and function within that dimension in which you manifest in the current moment. Stop the dallying with the changing of dimensions for that comes instantly and, of necessity, the moment you stop functioning within the one of present experience. Come into communion and integrity with God--and you need not waste this experience dallying with the PERCEIVED NEXT.

TODAY'S WATCH

I have only one comment regarding the world today. Pay attention to that which they are giving forth about chemical weapons Saddam is using on his people to bring them into line. Whether or not it is true, is of one point--it is not for the reason you might perceive, that they TELL you of it. At this point the only "chemical" utilized is "tear gas" and I believe your police find that quite acceptable a manner in which to torture dissenters. Saddam Hussein and his henchmen are simply not very nice people, dear ones--that was a point which was never in contention.

What this big newsworthy spread of propaganda at this time is doing, however, is setting you up for the NEED to keep troops, etc., in the Middle East indefinitely to "protect" something or other. And, still giving forth in perception of integrity and need to do the heinous things which your people perpetrated against the Iraqis. A "worse" evil does not make the "lesser" evil somehow better. You ones bombed hundreds of thousands into oblivion and all the "chemicals" used afterward does not make that right in the eyes of God. So be it.

The situation in Kuwait is so vile that I do not even wish to comment on it--if you can't see it for itself and the political mish-mash of "women's votes" (totally against their Constitution) and/or this or that is total rot--Baker is simply into the "next phase" of global control--ON HIS WAY TO ISRAEL TO GET NEW ORDERS AND GIVE AWAY SOME MORE

OF YOUR NATION AND MONEY. YOU HAVE ALL BEEN SUCKERED-IN AGAIN AMIDST THE FANFARE OF HOMECOMING.

Let us return to our subject in point, Dharma.

INTERNATIONAL ZIONISM

In 1983, when Mr. Andropov was head of the Soviet Union, 21 of the 23 men making up the Comintern (the Soviet ruling body) were "Jews". Every one of the top military and police commanders in the Soviet Union were Jews. This meant that, in spite of all the stories coming out of the USSR concerning Jewish persecution, it was being carried out with the permission of Jewish authorities for their own ulterior motives. You see, that is what was intended--destroy that which you have usurped and of which you have taken the place--stolen identity! The point is that it becomes a necessity to get rid of the rightful people so as not to uncover the lie and cause the thieves to become accountable for their dastardly deeds. The persecution, of course, generates a tremendous amount of sympathy for "Jews" in the Christian world and adds to the wealth flowing into Jewish coffers. Whenever persecution of Jews slacks off, the money flow becomes a trickle, so Jews invite persecution to keep their people in line and line their pockets with gentile gold. You ones might well be feeling quite foolish by this time in your insight-gaining.

The conspirators chose the word "ILLUMINATI" for their satanic plot, because it means "holder of

the light". Weishaupt's idea was to pick men of great mental ability and wealth to govern the world and prevent future wars. Using the slogan "Peace on earth!" The same slogan the conspirators used to get you involved in World War I and II. You must remember, World War I was the "war to end all wars!" World War II, the "War to make the world safe for democracy". Your presidents in both wars, both Democrats, assured the people that their sons would never be sent to fight on foreign soil. While Woodrow Wilson was parroting this Illuminati phrase, he and Churchill were drawing up the plan for the sinking of the liner Lusitania, to get America involved in World War I. Many of you surely can remember F.D.R. and his fireside chats before World War II when he said: "I say again, and again, and again, I will never send American boys to fight on fawn soil. Never! Never! Never!" Yet while he was making these remarks, a plan was being drawn up in your State Department, which was to pressure Japan into attacking you, and thus Pearl Harbor. When it came, your leaders deliberately withheld information from your Pacific fleet, until it was too late. World War II was never fought for the safety and benefit of the Western World, but once again, for the world Jewry to make sure they would reap a homeland, Israel, out of Palestine.

So Weishaupt's idea was to enroll the most intelligent people of the world and he used the masonic lodges of Europe and America, Lodges of the Grand Orient, as recruiting headquarters. Of course 99.9 percent of all Masons never dreamed of such a thing--before, during or after. During all this, he was acting under orders from the Rothschilds.

The Rothschild plan called for the Illuminati to accomplish the following points:

1. Use monetary and sex bribery to control men already in high places in various levels of government. Once these men fell to temptation, they were to be kept in perpetual bondage to the Illuminati through threat of exposure and out-

right threats of violence against them and their families. Those who refused to "play ball" were often eliminated. There is much proof that this was true with Sen. McCarthy, Rep. Larry McDonald, Sen. Taft and many others who died most mysteriously and who government agencies refused to give any investigation.

There is ample hard evidence available now that the drug traffic which is raising so much hell among your youth could be reduced to a trickle but for the fact that powerful men, high in your national government, are protecting, subsidizing and profiting from it. Yet, when men of courage offer substantiating evidence to prove this, they are either harassed by government or mysteriously die. (For those of you who would like more evidence of this--look into the sojourn of one Col. "Bo" Gritz.)

2. The Illuminati, through the faculties of colleges and universities, have cultivated students of exceptional mental ability, who are recommended for scholarships in Illuminati centers of learning. Foremost among these are the Rhodes Scholarships, which trained such liberals as the ultra-liberal Senator from Arkansas, William J. Fulbright.

The main idea is to indoctrinate these young men and women with the idea that only a one-world government can stop the world from being destroyed by a nuclear holocaust.

This was essentially the argument which was used to erect the spy center called the United Nations, on American soil. It is subsidized primarily by American dollars and you can keep absolute tabs on that which is done through that organization.

The Illuminati rationale seems to be that only the very intelligent elite of the world are capable of ruling the world and that the rest of you poor, ignorant suckers don't know what is best for you--from your money investment habits and retirement programs to your sexual behaviors. Of course this idea always results in great profit and

control for the Elite.

In addition to the Rhodes Scholarships, the Illuminati operate three known schools: one in Gordontown, Scotland, another in Salem, Germany and the third in Greece.

While Karl Marx was busy writing the Communist Manifesto, under the careful guidance of one group of Illuminists, a Professor Karl Ritter from Frankfurt, Germany was writing the antithesis under the direction of another group. The idea was that those who direct the conspiracy would use differences to enable them to divide and conquer. They would divide the human races into conflicting camps and brainwash them into fighting and destroying each other, all political parties, and all religions, especially Christianity.

The work Ritter started was continued after his death and was completed by a German Jew named Frederick Wilhelm Nietzsche, the founder of Nietzscheism. This idea was later developed into the philosophy of Fascism, then Nazism and was used to foment World War II.

In 1844, the Italian revolutionary leader Mazzini was selected by the Illuminati to direct the world revolutionary program. He served in this capacity until his death in 1872. During this time, Mazzini met a Confederate General named Albert Pike and found him to be a willing student of Illuminism.

Pike was fascinated by the idea of a one-world government and in time became the head of this conspiracy. Between 1861 and 1871 he worked out a blueprint for three world wars, which he felt would be necessary for the world takeover and for various revolutions which would condition the people to accept Illuminist control within the Twentieth Century.

Pike did most of his work from his home in Little Rock, Arkansas. A few years later, when the Illuminist Lodges of the masonic Grand Orient became suspect because of revolutionary activity, Pike organized what he called the NEW REFORMED PALLADIUM RITES.

He set up three supreme councils, one in Charleston, S.C., one in Rome, Italy and the third in Berlin. It was about this time that he began work on a mammoth literary work called DOGMA AND DOCTRINE, which was to become the "Bible" of Masonry.

He established 23 subordinate councils in strategic locations throughout the world. These have been the secret headquarters for world revolution ever since.

The First World War was to be fought to allow the Rothschild's to destroy the Czar of Russia and to transfer Russia from a Christian country into the stronghold of world atheism and Zionist Communism.

Political differences stirred up by agents provocateur were to be used to foment this war. After the war, communism was to be used to destroy other governments and weaken and ultimately destroy Christianity. One of its leaders boasted: "We will sweep God from the skies". Now this is a pleasant thought, I am sure, for you who feel your nation is built on one nation--under God!

WORLD WAR II NECESSITY

World War II would become necessary if the conspirators could not take over world control at the end of WW-I. This war would be brought about by a controversy between Fascism and political Zionism. Here we note again that Hitler was financed before and during the war by the Jewish Krupp family, the Warburg's, Rothschild's and other International Jewish banking groups. The supposed slaughter of six million Jews, which any intelligent, thinking person can see was an impossibility, did not bother the International Jews in the slightest, since they have always been willing to sacrifice their own people if it would help them gain political control.

The "myth of the holocaust" was necessary to create worldwide hatred for the German people and thus bring about a war against them. The conspirators knew that in order to be successful, three

great Christian nations would have to be destroyed, Russia and Germany on the European continent, and the United States in North America. It should be of interest to note that World Zionism had already built up a war chest of some \$2-billion to be used against Germany, as early as 1902.

During World War II, International Communism was to be built up to where they would be equal in strength with United Christendom. Of course, this became possible, as traitors in both the British and American governments gave, or sold, your atomic secrets to the enemy. During this period, the men in the CFR did everything possible to build up the strength of the Soviets, while hindering the military strength of the U.S. and Britain. Men in your government such as Dean Rusk, Gen. George Marshall, Dean Acheson, Henry Kissinger, Zbigniew Brzezinski, and many others, all members of the CFR, were acting in the category of traitors against the United States, while Britain had their own in full operation also.

When Communism reached a par with Christendom in military strength, then political Zionism was to step in and contain them until the time they were needed for the final thrust which would bring about world control.

Any honest student of history can see how Stalin and President F.D.R. worked "hand in glove" to bring all of Eastern Europe into the Communist camp and how this treachery was aided and abetted by the Zionist Eisenhower. This resulted in the murder of one of your top generals, George Patton, who unfortunately saw through the plot and made an effort to stop it.

Eisenhower was paid off by the conspirators with the Presidency of the United States when his major competitor, Sen. Taft of Ohio, was literally eliminated before the election. Eisenhower refused to allow Patton to move his troops to the eastern border of Germany, and Patton was forced by Eisenhower's orders to hold them on the border of Western Germany until the Communist forces came in and took control of the area.

Earlier in the war, both General Patton and British General Montgomery wanted to invade Europe through the soft underbelly of Italy. This would have shortened the war by at least two years and would have saved millions of lives and billions of dollars. But Churchill, F.D.R. and Stalin held out for a later landing in Normandy and, while this was going on, the Soviet forces moved into Eastern Europe and took over complete control of the area. When Patton, in frustration, brashly announced that he intended to blow the whistle on Churchill, F.D.R. and Eisenhower when he returned to the states, he signed his death warrant for he was too much of a threat to them to be left alive.

Every President since F.D.R. has followed the treasonous policy of "giving aid and comfort to the enemy". Even the great conservative "showman", Ronald Reagan, while pontificating against the Soviet "evil empire" had signed legislation which was indeed most beneficial to them directly.

For years, the American people have been told by their government that it was the United States who was holding back the tides of Communism when the truth, as any fool can plainly see, is that whenever this enemy of mankind has been on the verge of economic bankruptcy, it has been your government, using your tax money, which has kept them on their feet and the operations only pick up in regularity and amounts.

WORLD WAR III

World War III was to be held in abeyance until needed and would be finally fomented between political Zionism and its prostitute (the U.S.) and the Arab world which was anti-Communist and once your staunch friends. Under American foreign policy since the first World War it has become very dangerous to be your friends for you have always "stabbed them in the back" while aiding and abetting your enemies. This of course, was part of the conspirator's scenario. With a little honest insight, you can see them at work in Washington at fever pitch at the present moment.

Their plan, of course, is to so weaken and fractionalize you that your people will sue for "peace at any price", even that of Zionist-Communist slavery. By the time the world has fought itself into exhaustion, the conspirators believe they will be able to step in and take control.

Can any intelligent person look at that which is happening in the Middle East, the Far East, South Africa, Central America, and right there in the U.S., Australia, New Zealand and back to Canada, and believe these things are taking place by accident? Certainly the things you see being done by the Zionist and Communist world are not for the purpose of peace, no matter how many Summit talks you see between the leaders of America and the Soviet Union. These meetings do not come as a plan to "stop war", but to simply hasten your surrender to Zionist designs.

3. The students who received special training, plus other agents, were to be placed in special branches of governments as experts and specialists, so that they would advise top executives to adopt policies that would, in the long run, serve the conspiratorial plans and bring about the ultimate destruction of government and religion.

ENTER PSYCHOPOLITICS

In 1933, a group of 47 American university students were sent to Moscow to study at the Lenin School of Psychological Warfare, University of Moscow. 45 of these students were young Jews. They were to be taught the essentials which caused the campus riots you saw during the Vietnam War. They were addressed on arrival by Laventria Beria, then head of the KGB. Among other things he said to them: "Use the courts, use the judges, use the Constitution of the country, use its medical societies and its laws to further our ends. Do not stint in your labor in this direction. And when you have succeeded you will discover that you can now effect your own legislation at will and you can, by careful organization, by constant campaigns about the terrors of society, by pretense as to your effectiveness, make your capitalist him-

self, by his own appropriations, finance a large portion of the quiet Communist conquest of that nation." (p. 8, COMMUNIST TEXTBOOK ON PSYCHOPOLITICS. See prior Journal.)

Your news media was filled with accounts about a few men, fourteen I believe, all of them poor financially, who were accused of sedition, plotting to overthrow the government of the United States. They were all found innocent in a court of law. But while the media made "much ado about nothing", they completely neglected to tell the American people about the large number of Communist agents who the FBI admitted they knew were in the U.S. Of course, some of you understand that this is what media control is all about--hide and seek--cover and run.

Look at some of the CFR conspirators who have operated in your government: Dean Rusk, as Secretary of State; Robert McNamara, Secretary of Defense; Gen. George Marshall, the man who sold China into the hands of the Communists; Hubert Humphrey, the one-world senator from Minnesota; Alan Cranston, the CFR traitor from California--convicted of indiscretions in the S&L debacle, Henry Kissinger, the top Jewish double agent from World War II, who has consistently sold out American interests to those of the Zionists and Communists; Zbigniew Brzezinski, a university professor who has been heavily into the conspiracy. Then came George Schultz, your Communist-Zionist-leaning Secretary of State and a CFR member and of course, Vice President and now, President, George Bush, who from a teenager has been trained by the conspirators. Then, let's see, there is Frank Carlucci, who was your Secretary of Defense, James Bales, Secretary of the Treasury and over 80 other appointed men in Ronald Reagan's "conservative" government. There were at that time some 38 U.S. Senators and Reps. who were active members of the CFR; 12 in the Federal Reserve; 12 in the U.S. Treasury Dept.; 16 in the State Dept. and 40 who were U.S. Ambassadors. I don't think you even want to know how many there are at this present moment for with the

change of Administrations it was "open swearing-in time!" Even good old "Brother" Jesse Jackson bit the bullet.

In your banking system, at the time, Chase-Manhattan had 19 board members who were outstanding members of the CFR; Bankers Trust has 9; Morgan Guaranty 14. In the media, CBS has 12; NBC 11; ABC 6; Associated Press 4; *New York Times* 24; *Times*, Inc., 7; *Newsweek/Washington Post* 22; Dow Jones 6 and the U.S. military is riddled with them until every top commander, in every branch of your military service, is a member of the CFR. Try CNN now, who fell with Ted Turner and guess what, Gen. Powell and on and on and on and on.

At the top, as Chairman of the North American branch, and very near the top of the world Illuminist hierarchy, you find David Rockefeller!

Dharma, the computer is in trouble--close this now and we will consider the problems at hand. I would have you leave the area if at all possible for the dwelling is targeted. Don't panic, just quietly leave for a while so that we might counter some of the pulses. Thank you, chela, I know it gets hard to be under constant attack and have our work ruined but we shall prevail--and it is known that we shall prevail--it is annoying and we must not give in to the bombardment. Go in Peace and enjoy a respite. Salu.

We will pick up at No. 4 when we write again.

TODAY'S WATCH

Now, I believe, you ones can see that which was planned in the igniting of the fires in all the oil wells. Listen to that which is NOT said along with that which IS. Firstly, with great shock they announce that it "...appeared as if the demolition and ignition material was planned 'months' in advance

rather than at the last minute." I personally told you months and months ago that it was thoroughly "planned" and set up--and your "coalition" watched and waited while the Iraqis did it. Then the wells that were not detonated by Iraq were ignited by your planes with the use of napalm.

This was all done with full knowledge of Kuwait. Why? Because the other oil producing nations could increase their output, raise the price and a goodly deal was made with Kuwait while her wells were burning. This allows some other nations to make some money while the production appears to be needed---WATCH THE OPEC CONFERENCE AND LISTEN!

How many of you got your confirmation squared away with 60 MINUTES last evening? Assad, as I told you, wiped out thousands and thousands of Lebanese AFTER the agreement with the U.S. & Coalition over Iraq. In addition, added onto the 800,000 million dollars to Assad personally, there is an additional \$3 BILLION going to Assad and Syria.

Next, did you hear Baker and his spokesmen? The announcement is: "...it appears we will have long term occupation of the area because of the heinous use of force by Hussein on his own country." I told you yesterday that the stories coming forth are a cover for you ones "being forced to not allow your troops to come home".

GREEN BERETS

Confirmation of another fact, please: I told you that there are groups of your men in Iraq and Kuwait who are missing and many more of your people killed than you can possibly know. You had to admit the deaths as your own "friendly fire" slew them--but it is now "*being denied*" that a whole group of Green Beret forces are not accounted for after they went into Kuwait and some into Iraq. You must stay alert or you will miss bunches of very important information.

I warn you--Saddam is being sabotaged and some very criminal and inhuman things are being done by

terrorists to make it appear Saddam is perpetrating them--to cause continued civil war in the region--you are witnessing evil in full flower! A lot of those "sweet and innocent" Kurds come right out of the original bloodlines of the Khazars and you have many who were brought out into Europe and into the U.S. under the auspices of Israel. Iraq is totally infiltrated with Mossad terrorists and you are witnessing "retaliation" in most heinous form. So be it, for in this time of chaos, it will be filled with unrest and brother against brother. So be it.

Dharma, allow us to please continue with our Journal subject. I believe we have straightened out your computer but I would appreciate it if you would check your options, etc. now, before we begin. Thank you--for you see they have tampered with the programming so that the saving mechanism is non-functional. I believe we are fine now.

We will begin with No. 4 of Accomplishment Plans of the Rothschilds and Illuminati.

No. 4

At the time of Weishaupt, one of the most critical issues was to take control of the press, since this was the only means of communication at this time. Now we have the added burden of books, magazines, the radio and of course, TV. You don't have to be extremely brilliant to see how these elements can be used in brainwashing a people. It is through the elements of the media that people are convinced that only through one-world government can you expect to escape the horrors of a nuclear war and the problems associated with food, poverty and disease.

I'm sure that many of you who will read this information know who controls the press in America. For those of you who do not, here are some facts for you to recognize. Almost a thousand (1,000) major newspapers, with a daily readership of over 47-million--are Jewish owned and/or controlled completely; over 48 top weekly magazines with a weekly readership of over 79-million are Jewish owned

and/or controlled; magazines such as *Ladies Home Journal*, *Readers Digest*, *U.S. News and World Report*, *Newsweek*, *Time* and *TV News*.

For a while T. Turner had kept CNN pretty clean and separate and then, he too, succumbed and in return became THE channel which would be allowed to cover the world of the Middle East and feed disinformation to you and to Saddam during this conflict. How do you know "when" he became such a top banana? Remember Gorbachev's visit to obtain your wheat and make a "friendly tourist trip about the U.S."? Well, next, do you remember who joined the Gorbachev's and Bush's at a White House dinner and were dining "mates"? Ah so--yes indeed, your old dissident friend who had been all but banned, Jane Fonda and her lover, Ted Turner! Watch constantly or you miss the fun clues. Turner broadcasting has made millions and millions off this little "war deal". First, you are sucked in to get any kind of "news" and then when the world is tuned in to CNN--you get the BS by the buckets full. This is brainwashing and training at its easiest.

All the major TV networks are Jewish Zionist controlled as are all the major movie studios with the possible exception of maybe one or two who are not allowed to deviate much from the programming prescribed lest they go under.

With such a control, you can see why government leaders believe they have the right to lie to "you-the-people", and why you are among the worst brainwashed peoples in the world, the Soviet Union notwithstanding.

It has finally reached the point where your CFR controlled government can lie with impunity to the American people and they will be believed by the majority, even when it has been proven over and over again that they are liars! They even tell you that they are lying to you--for a purpose--and you believe that which they tell you is the lie. They told you on CNN, for instance, that this was a war of emotional misinformation "...to throw off Hussein", and

what do you do--thrive on the 24 hours-a-day disinformation as if they hadn't even told you that was exactly that which they were doing. They made those announcements at station breaks, etc., so that in the Middle East no-one would know. It was an exceptional way to keep your troops totally misinformed also. IT WORKED!

Now, look at the wondrous parties and overdone frenzy for your returning troops from Saudi. No-one even notes the return of bunches of troops from Liberia and yet the world goes mad as ones come back from Saudi Arabia. It is almost pathetic for as some of the soldiers put it--"...we waited around for months and only got to 'work' less than one day and it was kind'a disappointing." You have no idea how many of your precious loved ones perished, some at their own hands of suicide, during those months of waiting and then in action of which you were denied information. The general assumption is that if you are scattered about the country and an announcement is made that a hundred men are killed, your loved one would be assumed to be one of the hundred. The only time you got a fairly accurate count was when many came from the same base and had to be acknowledged for their loss would be noted. Also, please note that some were given as dead--with obituaries--and were alive; that would tell you that the military was PREPARED with the proper disinformation stats.

And what of those ones in pain from their return from Vietnam. In your efforts to not repeat the homecoming fiasco--you have distorted this homecoming and the big boys have had you again--there are hardly any who would not now go right back to "defend" and "patrol" for they are now heroes for killing off hundreds of thousands of innocent people. You move like the swarms of birds or schools of fish at the orchestration of your dictators.

Do I discount the value of each returning life? By Grace, no--I cherish each one who makes it through the veil of darkness in any measure of "intact" but am appalled at what will happen to those

returning ones within the month when they effort to relocate and adjust and now face the problems of making up for lost income, lost associations, etc. Believe me, the government has tremendous war plans in front of you and you ARE the Coalition.

A lot of newspaper men know this is true and some of them have great twinges of conscience because of it. There were some, beginning back in World War I, who when asked for a toast before the New York Press Club on occasions of public gatherings have said, in the words of one specific spokesman, "There is no such thing at this date as an independent press. You know it and I know it! There is not one of you who dares to write his honest opinions, and if you did, you know before hand that it would never appear in print. I am paid a good salary for keeping my honest opinion out of the paper I am connected with. Others of you are paid similar salaries for similar things, and any of you would be foolish to write honest opinions, since you would be out on the street, looking for another job...if I allowed my honest opinions to appear in one issue of my paper, before twenty-four hours my occupation would be gone. The business of the journalist is to destroy the truth; to lie outrightly; to pervert; to vilify; to fawn at the feet of mammon, and sell his country and his race for his daily bread. You know it and I know it!...We are the tools of the rich men behind the scenes. We are jumping jacks...they pull the strings and we dance. Our talents and our lives are all the property of other men...we are intellectual prostitutes." (This, the sad comments of an honest journalist on retirement before the New York Press Club, John Swinton, and one of the most recognized press men during that period of time.

LOOKING BACK-- REVOLUTIONARY WAR

Let us take another look back to the first days of the Illuminati. Because Britain and France were the greatest nations in the world at this time, in the latter years of the 18th Century, Weishaupt was ordered to foment colonial wars, in-

cluding your own Revolutionary War. Their purpose was to weaken France and England. The French Revolution was scheduled to start in 1789, but in 1784 an act of God upset the timetable of the conspirators. This act proved to the Bavarian Government that there was indeed a conspiracy and that the Illuminati were at the head of it. The evidence they received could have spared France and saved that nation from its bloody revolution, but the French leaders refused to believe the evidence, much as most of the American people refuse to believe it today.

(Dharma, check the options for they have just removed your "autosave" command. Thank you.)

In 1774, when Weishaupt issued his orders, which were in manuscript form, a copy was sent to Bospierre, who was to head the French Revolution. The courier who was carrying this manuscript was struck by lightning as he rode through a heavy thunderstorm somewhere between Frankfurt, Germany and Paris (or so the story went). The Bavarian police found the manuscript, which was immediately turned over to the Bavarian officials. These promptly ordered raids on the newly organized Lodges of the Masonic Grand Orient and the homes of Weishaupt and his most influential associates. Enough additional evidence was found in these raids that the authorities were convinced of the authenticity of the manuscript.

In 1785, the Bavarian Government outlawed the Illuminati and they were forced to go underground: all lodges of the grand Orient in Bavaria were closed. Then in 1786, the Bavarian Government published details of the plot. If this had happened in 1988, they would have probably sealed this information for at least fifty years, much as they did evidence on the assassinations of John Kennedy and Martin Luther King, Jr.

Copies of this conspiratorial document were sent to the heads of all European countries, but such was the power of the Illuminati in these governments--and of course this refers to the power of the Jewish Rothschild's, that it was univer-

sally ignored and the French Revolution took place as scheduled in 1789.

At this time, 1786, Weishaupt ordered his agents to infiltrate the lodges and form secret societies inside secret societies. Only Masons who were Internationalists, or those who were especially approved by the Illuminati were allowed to join these new organizations. One of the qualifications was that they must renounce God and accept the leadership of Lucifer (pain and agony indeed). While they carried out their subversive activities, they carefully camouflaged them under humanitarian and philanthropic acts, which concealed their revolutionary and subversive intents.

In order to infiltrate the Masonic Lodges (Dharma, autosave is gone again--please write the document. We will check out the computer at break.) of Britain, Weishaupt invited a man named John Robinson to Europe. Robinson was a very high ranking Mason in the Scottish rites. He was a professor of Natural History at the University of Edinburgh. Robinson did not fall for the trickery of the Illuminati, to form what they called a "benevolent dictatorship". But he kept his reactions to himself so well that he was entrusted with a copy of Weishaupt's Constitution.

Because the heads of both church and State ignored the warnings given them by Robinson, the French Revolution was soon in full swing, drenching that country in the blood of innocent Frenchmen.

In order to alert other governments which might be affected, Robinson published a book in 1798 titled **PROOFS OF A CONSPIRACY TO DESTROY ALL GOVERNMENTS AND RELIGIONS**. Once again, his warning fell on deaf ears, exactly as you see happening this very day in America.

While many Americans are most touchy about believing this, there is ample proof that your own Thomas Jefferson and Alexander Hamilton were avid students of Weishaupt. Jefferson became one of Weishaupt's staunchest defenders in the New World and it was

Jefferson who introduced the Illuminati to the newly organized Masonic Lodges of the Scottish rites in America, over the protest of Gen. George Washington.

It was men like Thomas Paine and St. Germain who tried to bring these things to your attention and you rebuffed them. They summed it up as being such as to "SPIT AGAINST THE WIND".

In 1789, Robinson warned all Masonic leaders in America that the Illuminati had infiltrated their lodges and on July 19, 1789, the President of Harvard University, himself a high ranking Mason, issued the same warning to the graduating class, lecturing them on the influences the Illuminati had on American religion and politics. To top this all off, John Quincy Adams, who had helped organize the New England Masonic Lodges, issued a similar warning. He wrote three letters to top American Masonic leaders in which he outlined how Jefferson was using his influence in the Lodges for the benefit of the Illuminati. Those three letters are now in the Whittenberg Library in Philadelphia. In short, whether or not you wish to accept it, Thomas Jefferson, the founder of the Democratic Party, was a member of the Illuminati. This, of course, had influence in establishing a "liberal" image.

Realizing that they could not seduce the Russian Czar, the Rothschilds began a new attack against the money systems of the European nations and the United States. They used a very tricky method to gain control of the English Banking System. During the Battle of Waterloo, in 1815, the Rothschilds were able to falsify a report of the battle, so that the English people believed that Napoleon had won. (Shades of Iraq? Who did really win the Kuwait/Iraq conflict, chelas? How do you know??) The British Stock Market plummeted and shares fell to rock bottom. Who was there to buy them up at a few cents on the dollar? You guessed it--Mr. Rothschild's agents--and who do you think is there to establish millions from the oil debacle this day?? You guessed it! When the true news came that Napoleon had been defeated, the

stocks went sky high and the Rothschilds cleared millions of pounds in profits and ended by controlling the economy of both England and the Continent. (Care to give a full dissertation on the facts of this Middle East conflict? Funny thing--Saddam Hussein also "claimed victory". Would "lips" Bush ever lie to you?? Are you just a bit uncomfortable? I certainly do hope so!! Where did all those nice Republican Guards go? Where are all those really lethal and dastardly weapons of Saddam's? What exactly, are you-the people given to back up anything they tell you? I suggest you be very selective in that which you believe to be shown "before your very eyes"!)

Rothschild forced Britain to set up a new bank of England, which he totally controlled. This was similar to a later criminal activity, when a group of International gangsters led by Jacob Schiff had the Federal Reserve Act passed in 1913. (Schiff? Oh, yes, the same--pharmaceutical magnate! Try reading MURDER BY INJECTION and RAPE OF JUSTICE, both by Eustace Mullins. I prefer to not require Dharma do all that extra work of re-giving you facts when it is so beautifully available and researched superbly. Contact America West for I have asked that they carry these books for your confirmation. I greatly honor Eustace Mullins, among others who have braved the enemy and continued to serve their fellow-men.)

At this point, I think it might be good for us to look at the activity of the Illuminati in the United States.

ILLUMINATI IN THE U.S.

In 1826, one Capt. William Morgan, a high ranking Mason, decided it was his duty to inform all American Masons how their lodges had been infiltrated by the Illuminati. The Illuminati, through the Masonic Lodge, tried Morgan in "absentia", and sentenced him to death. Morgan was warned and fled to Canada. But the executioner, an English Mason named Richard Howard, caught up with him near Niagara Falls and killed him. This was verified in court

through sworn statements and by a thorough police investigation--at a time when such could still be considered somewhat valid. The testimony of the trial is on record in the New York City archives if you wish to peruse them and can get someone to allow you to examine them.

Very few members of the Masonic Lodge or the general public know any of this, nor that the public disapproval of this act was so general that it closed down over half of the Masonic Lodges in the Northern Jurisdiction of North America.

In the early 1850's, the Illuminati held a secret meeting in New York which was addressed by a British Illuminist named Wright. Those in attendance were told that the Illuminists were organizing Nihilists, atheists and other subversive groups into an International organization which was to become known as "Communism". It was intended to be the supreme weapon of terror which would eventually control the world.

COMMUNISM ENTERS THE SCENE

Communism was to be used to foment wars and revolutions. Quentin Roosevelt, an ancestor of F.D.R., Horace Greeley, a well-known newspaper publisher, and Charles Daner were appointed to head a commission to raise funds for this new venture. Of course, most of these funds came from the Rothschild's. It was this fund that financed Karl Marx and Frederick Engels, when they wrote "DAS KAPITAL", and "THE COMMUNIST MANIFESTO".

OUR NEWEST JOURNAL

THE BITTER COMMUNION
"ALTARS OF HEMLOCK
"...AND A NEW RELIGION
SHALL SWEEP ACROSS THE
LANDS AND THE PEOPLE
WILL BE DECEIVED...."

HATONN:

The subject of this Journal is an ongoing outlaying of that which has come upon you--it is our "commission" given forth by God Creator and our commitment unto Him and that unto Creation to set the records to straight so that the truth is known in the final days. But oh, blessed brothers--it needs not be the "final days" for that is the BIGGEST LIE OF ALL AGAINST YOU DECEIVED ONES OF INNOCENCE--YE WHO HAVE TRIED TO FOLLOW THAT WHICH YOU PERCEIVED AND ACCEPTED AS TRUTH FROM YOUR TEACHERS AND LEADERS--HOW COULD YOU KNOW THAT THEY WERE DISINFORMED FROM EVIL SOURCES? MAY GOD GIVE HELP TO ALLOW YOUR VISION TO CLEAR THAT WE MIGHT WALK TOGETHER IN TURNING ABOUT THIS BEAST AND CLEAR IT FROM THE LANDS. AHO!

ATON:

...AND YE HAVE GIVEN HEM-LOCK UNTO MY CHILDREN IN THINE COMMUNION CUPS--IN MY NAME HAVE YE CORRUPTED THE LAWS OF GOD. AND IN THAT CORRUPTION SHALL YE BE GIVEN TO KNOW THAT WHICH YE HAVE DONE FOR YE HAVE DEFILED MY NAME AND SHED BLOOD OF THE INNOCENT UPON MY PATH OF GODNESS AND THEN YE ASK GOD TO ALLOW YOU TO PREVAIL. YE HAVE STOLEN THE CHALICE OF GOD AND FILLED IT WITH THE BITTER POISON AND GIVEN IT UNTO MY CREATIONS--AND THIS YE HAVE DONE IN MY NAME. GREAT SORROW SHALL PREVAIL UPON THE LANDS IN THE FINAL DAYS OF THE CLEANSING.

WHO WILL COME WITH ME?
WHO WILL WALK WITH ME?
WHO WILL SHARE OF THE SWEET COMMUNION WITH ME? YOU WHO HAVE PATIENTLY OBEYED THE LAWS OF GOD DESPITE THE PERSECUTION, THEREFORE WILL

YOU BE PROTECTED BY ME, FROM THE TIME OF GREAT TRIBULATION AND TEMPTATION, WHICH WILL COME UPON THE WORLD TO TEST EVERYONE ALIVE. LOOK, I AM COMING, SO YE OF LIGHTED TRUTH HOLD TIGHTLY TO THE LITTLE STRENGTH YOU HAVE--SO THAT NO ONE WILL TAKE AWAY YOUR CROWN.

TODAY'S WATCH

Hold up for just a minute, Dharma--let me finish checking out this equipment for it has really been worked over in order to destroy our work. Thank you.

Check your options, please. You see, all your "save" orders are wiped out so we shall have to be most careful and check frequently.

I have a stack of correspondence needing response and there are many subjects of great current value to allow you to see that which I have been expounding upon for these last days, but I must have this scribe elsewhere for a portion of this morning, therefore, I shall stick to the Journal subject for the most part and later we will put together a special Express in order to unfold response to these inquiries as each is of great importance--especially the one on cloning and robotoid duplicates.

I also have a barrage of inquiries regarding a new release by Donald S. McAlvany. I honor Mr. McAlvany for his insightful work--however, I take exception to his conclusions in many instances. He is absolutely correct regarding the "threat" to the U.S. from the Soviets. However, he is incorrect in his perception of the Anti-Christ and the role of Zionists ("Jews") of the current day in relationship to "Israel" (the nation which was Palestine). I would like to enlarge upon that greatly and this is an excellent Journal to handle the subject. Please bear with me and we will discuss these things as he presents them to you, and have discussion regarding current status.

I herein need to make a correction to an Express which has gone forth from here for I believe it does not express my attitude and further, I ask that anything added to Expresses or Journals by another of human input state as much for we are finding that what HATONN IS SUPPOSED TO HAVE SAID DOES NOT IN ALL INSTANCES EXPRESS THE INTENT OF HATONN.

There was a recent statement expressing the fact that in the events as they stand in the Middle East, that there is a possible window open for participation in some kind of investment against gold. I further expressed that our friends herein, are willing and able to assist but I was projected as saying the window is quickly "closing". If I left that impression or mispoke, I greatly apologize. I feel it is merely misinterpretations of the group who put the messages to final print. The window may very well be slamming shut at this very second--but the way the expression comes across is that we somehow are soliciting and we are NOT. Remember please, that I have to also work with "probabilities" and although I can see in many instances "exactly" that which is, from planning boards and meetings, etc., I cannot and do not interfere with free-will choice nor interject definitive time limits which can easily be changed by events and impacted by alternative possibilities.

The time IS SHORT for availability of changing out investments but I request that no further limits be placed on my instructions by any of my people. If there appears to be some limitations placed, please inquire of me prior to any printing or additions. We make available, if we can, that which is needed and offers possibilities with

some measure of safety. We are in NO business of metals nor any other substance other than the written WORD. America West, however, is in the publishing business and presents many publications other than the Journals, etc., as I have said in prior writings--some of which I take great exception. However, it is HIS business and none of mine--except where my work is involved.

He is an astute business man and works with ones who are totally reputable and able to institute our suggestions--nothing more and nothing less. If you are dealing with ones who sell investments in the market, or metals on the market--they have primary interest in their investment business therefore, we go to ones who check out in total integrity and have no vested interest what-so-ever.

I, too, believe the window of "investment against gold" to be very short-lived, but on the other hand, if things do not go as the conspirators desire, there may be a bit more time.

We are not mystical "fortune tellers", we are working with probabilities through a much more sophisticated projection system and we know the intended plans and the intended outcome of the plans. This gives us vision of both ends of the road but the journey to the distant end is covered with perturbations. If your intent is to do that which is of pure intent in the service unto God--ye shall not be given to blunder. If ye act for selfish reasons to somehow, "clean up" in a miserable world situation--please take your business somewhere else. We are pleased to be of service and all should do very well, but I remind you--our business is to get through this period of time in as much wholeness as is

possible in a world of total chaos. I can guarantee you of but one thing--THE INTENT OF THE ELITE IS TO GARNER ALL OF YOUR ASSETS IN ONE MANNER OR ANOTHER--THE METHODS ARE IN PLACE AND AWAITING PROPER MOMENT TO INSTIGATE SAME--WITH TOTAL SURPRISE IN THAT THE HONEST MAN HAS NO TIME TO COVER HIS ASSETS NOR SECURITY CACHES AND/OR INVENTORY. THE PLAN IS TO TAKE ALL CASH AND RENDER THAT WHICH YOU HAVE, WORTHLESS AS SOON AS FEASIBLE. PROBABLY, ALSO, GOLD IN SAFE-DEPOSIT BOXES AND KNOWN STORES WILL BE CONFISCATED JUST AS IN 1932/33. As I study the probabilities, I still come up with the best mode of operation is to get collateral bought against notes with your assets. Note that even the foreign investors are PULLING OUT OF T-BILL's, CD's etc. YOU HAVE A MULTI-BILLION, MOVING ON TO A TRILION DOLLAR, WAR TO PAY FOR AND YOU HAVEN'T EVEN BEGUN THE REAL WAR--YOU HAVE ONLY PLAYED AROUND IN THE DESERT MAKING A PLATFORM FROM WHICH THE ELITE CONSPIRATORS FOR GLOBAL DOMINATION CAN PERFORM.

WHAT ARE SOME OF THE PROJECTS TO WHICH I REFER?

Thank you for inquiring: A motion picture complex of the most advanced holographic filming equipment (unknown yet to full service of man), in a domed complex which will withstand winds of minimum 150 mph without sustaining damage. The motion picture complex will be complimented with domes housing international television broadcasting facilities. Motion pictures and Television productions will be advanced in interest and TRUTH--the first film is almost ready to begin shooting--SIPAPU ODYSSEY.

Then we have a plant for creating and perfecting machinery for compressed earth (ShanStone) building material. We have a particle cement (molded housing of cement) facility.

We have organic, hydroponic and aerobic gardening in underground or earth-compressed material for high-

yield food production and reclamation of water and nutrients. We have a biomass operation planned, along with solar capability installations and "free energy production" as we can safely give it unto you. And of course, the WORD shall continue to flow in print as well as put to audio tapes to facilitate convenience for those who either have no time, inclination or lack reading capability (blind, etc.)--there is a whole variety of life-sustaining (with comfort and beauty) projects ready for the groundbreaking--some already well underway.

We have no "commune" facilities and actually have not even a "group" for there is full intent to NEVER GIVE OUR ENEMY ADVANTAGE BY LOOPING US INTO SOME "CULT" SITUATION TO BE BROUGHT DOWN BY SAME. We do have a "little" gathering which we call the Holy Light Network for the benefit of gathering and discussing actions and possibilities and where I can commune personally. Mostly we work in exactly this manner--presenting the Truth to print with anticipation of full physical integration as it becomes safe for you and for our teams.

As for ones outside our very limited number of "placed" receivers--I have no comment. Ones believe themselves to be valid when actually they are set-up to later discredit the work from this place. IF YOU FEEL YOU ARE SELECTED--YOU WOULD NEVER WRITE TO MY SCRIBE OR THE PUBLISHER ASKING CLARANCE. That usually indicates that you are writing something that YOU WISH PUBLISHED and it may or may not be from the Lighted Brotherhood--usually not, unless you are well-learned in clearing of space and recognizing "speakers"--there is no need for questioning if your speakers are VALID IN GOD'S SERVICE. THERE WILL ALWAYS BE QUESTION IF THE MESSAGES ARE COMING FROM GOD'S ADVERSARY. This does not mean that there won't be "doubts" if you write for God Almighty Creator--it is just that you will know how to identify and require identification and there will be no "hedging". Further, you continue to ask my input--I have no right to interpret nor interfere with another's scribes--good or ill-intended. Much exceptional information comes from ones who simply study very well the Journals and/or other valid information

and I have no right to deny ones any right--and do, in fact, plead with you ones to extend the reach of Truth as freely as possible--Truth should be copied, reprinted and shared to the fullest possible extent. We are so pressed for time in the human format that I cannot ask insight on every piece of material written. I evaluate that which is known to me as valid and consider any sent unto me for consideration, but we receive piles of writings asking verification as to validity in everything from "time justification" to astrological numerology. My scribe simply does not have time for human life and I cannot ask her for more until we get our basic information unto you--the-people.

If you are writing now, and have cleared your space--demanding withdrawal of all dark energies in THE NAME OF HOLY GOD OF LIGHTED CREATION with full intent of meaning of that statement in love and service unto God--then keep writing and it will evolve properly--please don't simply hop on a good-looking bandwagon for time is too short in your counting of "remaining time" to play games. Become discerning and glean that which is Truth of God from writings and learn that which is NOT and cast it aside--you shall learn to be most discerning and TRUTH WILL STAND ALL TESTING, PROVING AND INTEGRITY.

Dharma, take care--the save mechanism is gone again and the machine just cut off this instant for it is set by our adversary to wipe out the program when you hit the "write/save" cue. We have saved it each time but be alert for we will lose a lot of work if we are not most cautious.

Let us just turn from this discussion and see if we can get a bit of our original subject to print. If the equipment is in too bad a state of tampering, we shall simply have to give it up for today.

We were speaking of the start-up of Communism, so let us begin herein at that point where we left off yesterday's discussion.

COMMUNISM

Communism was not to be an ideology, but a secret weapon, a "boogie-man word", to serve the ulterior purposes of the Illuminati. "World War II

was a Zionist plot to make way for the foundation of the Jewish State in Palestine. Zionist and Nazi leaders collaborated on Jewish immigration from Russia to Palestine and the United States. Testifying at the trial of Ernst Zundel, an anti-Zionist "Jew" who was an outstanding personality of the time in point, testified in Toronto, Canada in March 1988, "Zionism was willing to sacrifice the whole of European Jewry for a Zionist State. Everything was done to create a state of Israel and that was only possible through a world war. Wall Street and Jewish large bankers aided the war effort on both sides.

"Zionists are also to blame for provoking growing hatred for Jews in 1988." (Taken from *THE TORONTO STAR*, March 31, 1988).

Weishaupt died in 1830, but prior to his death, he prepared a revised version of the age-old conspiracy which, under various facades, was to control all the international subversive organizations, by working their agents into executive positions at the top of governments.

In the United States you have seen such men as President Woodrow Wilson, Franklin Delano Roosevelt, Lyndon Johnson and Jimmy Carter, and other high-ranking officials such as Henry Kissinger, Zbigniew Brzezinski, George Schultz, Gen. George Marshall, Owen Lattimore, Vice-President George Bush, and many more, who were stooges of the conspiracy. Now you can add dozens to the listing as you move into deeper involvement in war and gun controls, dissolving of your Constitution, etc. They will represent direct participants, not stooges "for".

World War II was to finally be fomented between political Zionism and their "yes" man, the United States and your one-time staunch anti-Communist friends, the Arab states. The conspiratorial agents are even now hard at work setting up more outreaching war and it has reached the explosion point in the Near East as well. Even as we write, the United States is still exchanging gunfire with the Iraqi Moslem state and heinous terrorist attacks are under way in that area which are called the responsibility of Saddam's government while the unrest and attacks are staged and orchestrated literally, by the Israeli Mossad who is

totally infiltrated within Iraq and all the Middle East nations.

The final great war is planned to so weaken the nations of the Free World that they will become fractionalized and will be ready for "peace at any price, even that of slavery", while the Elite continue to grow stronger and stronger. The conspirators believe the nations who fight this war will have fought themselves into a state of complete exhaustion and economic bankruptcy, so that they can step in and pick up the pieces and thus achieve world control. How many millions of people die is totally immaterial to them.

Can any intelligent person see what has happened in the Near East, Middle East and Central America and parts of South America and continue to be so naive as to actually believe it has happened by accident?

It is so bad, and I shall cover this probably tomorrow, that Israel has been and continues to sell American high-tech defense secrets to everyone--anywhere. Your government set up "laws" preventing your own companies from doing business with certain ones--so, Israel takes up the vacant places, works out deals and goes full-bore ahead while your little companies, now deprived of their livelihood, collapse. The big business cycles around and comes right back to roost in the laps of the big boy Elitists.

Even the information regarding these transactions makes it back into the U.S. through very devious and around-about measures--usually through blundering of press and media who let the truth slip through occasionally. For instance, between 1984, when Israel struck a secret deal with China for the sale of over \$3 BILLION worth of high-tech tank equipment, and the end of 1989, the mini-state supplied the giant communist nations with a very broad sampling of sophisticated weapons systems and advanced defense designs right off the U.S. drawing boards and some in totally fabricated form. How can this happen? Easily--right through the sanctions and with the blessings of the government of Corazon Aquino in the Philippines.

Using the Philippines as a secret base and transshipment point, Israel sold the Chinese: missile technology, anti-tank and naval weapons, armor-piercing

sabot shells, laser targeting instruments, sophisticated avionics, electronic surveillance and command systems, hypervelocity artillery and numerous other products of the most advanced American military technology. Then, as a secret maneuver, as the Saudis came to the U.S. and Britain to buy long-range missiles--the U.S. refused to sell, the British sold some but most limited at the demands of Israel, and so, the Saudis went to China and China very cooperatively dismantled and re-setup the missiles in Saudi Arabia. Thus, the full circle was completed to the point there is no way to tell one missile from another, one tank from another, etc. It is impossible not to "kill by friendly fire"--everything looks like, and is like, everything else.

Please note again--at the first confrontation on the ground in this present war--the tanks which were plentiful were of the worst calibre possible and so were the fighting troops of Iraq--it was intended that the tanks not operate well and the troops be captured. It was a total testing of your abilities with the least possible loss to the Iraqis. The tanks were CHINESE and ones which the Chinese do no longer use. Your army NEVER encountered the Elite Republican Guard nor the advanced divisions of Soviet armor. This should make you so nervous that the old stomach ulcers are intensely painful at this point of whatever they are doing in the Middle East----for it is NOT THAT WHICH THEY ARE TELLING YOU!!!!

TODAY'S WATCH

How can you not see? God, please grant me words with which to reach the hearts and minds for the acceleration of the evil Conspiracy sweeps across the lands like uncontrolled fires. Friends, please be patient while I speak with my scribe and ones in this vicinity of service. But I wish you all to see and hear for the way is filled with turbulence and hazards.

Charles, yes, the helicopter which blasted the leaves from the trees in the front of this dwelling is the CIA's and came in from Edwards. The reason it came is that, on the night prior, the electronic equipment of the surveil-

lance group was set to blow out the entire computer system and Dharma along with it. Much of the work is, of necessity, set up at the pole-line terminals. We warned them not to do it; they continued as ordered. We sent shuttle craft, encountered them--they still refused to remove the signals and we simply took out all their pole-line electronics signal system. I believe you shan't have much problem with the computer system this day. What was already programmed into the computers for annoyance, of course, remained and is for the most part, tampered with through wireless remote controlled signals. It will obviously become an endless, ever-increasing problem and one serious to them as they are obviously intent enough to be witnessed in action.

It is our uncovering of the current things in the Middle East which brings the discomfort for if we can show you what happens in such a manner that you can see the unfolding, then they are in gross trouble--for the information we bring at this time, regarding the lineage of the Illuminati, ties into current activities hand-in-glove.

Be prepared for instant response to command--but do not panic. If you feel need for great quantities of water or cessation of food intake--respond immediately, please, as an effort is under way to again match Dharma's frequency in order to blow it out. We, further, expect another attempt to take out the dwelling. We are in constant presence but I ask that you ones be most aware and remain cognizant of our presence that we do not slip up in communications. Dharma will be more "blah" than usual--allow her freedom to "withdraw" for we are receiving much interference and it boggles the "thinking" portion of the mind to some extent--mostly due to distraction from other physical discomforts. Abide with us and it will be fine, keep your eyes open for strangers in the vicinity and note them. Yesterday's helicopter intrusion below tree and house altitude was a scare tactic instigated to "call our hand". It did and I believe we have an understanding; however, understanding seems to only run one direction in your present world. So be it--walk peacefully, chela, for you sit in the palm of God's hand and He shall not take lightly, this bombardment.

I do not believe that under any set of

Earth circumstances, you will find that we come from a place of pious wimps or nerds as you refer to those you do not like. Many, many are simply going to find themselves experiencing in other dimensions--fully intact and somewhat uncomfortable--"It is not nice to try and fool Mother Nature!" I believe is one of your advertising terms for misbehavior! There are always the ones who will effort to override higher command in any circumstance, regardless of who is the higher command.

WATCH THE CLUES

Alright, quiz time. How many of you noted that James Baker attended a burial memorial for some women killed in Israel--wherein he laid flowers? **HOW MANY OF YOU NOTED HE WAS WEARING THE HEAD-GEAR (CAP) OF THE ZIONIST?** Brothers, any way you look at "Judaism" or Judaism, that which is represented by that particular head-gear indicates a disbelief in that one you called Christ. **YOUR SECRETARY OF STATE JUST STATED BY ACTIONS THAT YOUR NATION IS A PART AND PARCEL OF THE ANTI-CHRIST MOVEMENT.** You might say, "...well, he was just honoring and respecting their tradition!" **NO, he was not.** Would you walk into a "Satanic" service and murder in black robes and burnt offerings to "honor a tradition"? **YOUR PRESIDENT BUSH HAS ALSO BEEN SEEN ADORNED IN THE SAME HEAD-GEAR.** It is not honoring anything; it is showing alliance as a brotherhood of Global control. George Bush and James Baker both belong to five notable anti-Christ/God organizations and if you ones don't come into balance of knowledge regarding these organizations, there is little hope of saving your freedom as a nation.

This is what is incorrect about McAlvaney's book of which you inquired recently. You will find he protects the Israelis and discounts any who speak out against the Zionists. Not blatantly is it done, but with most subtle notations regarding other groups. He "thinks" he is serving the Jesus Christos in born-again magnificence through evangelism. He nails the Communist lie quite nicely but refuses to even mention the Zionists as such. Well, you cannot have one without the other--for **AS I WROTE ONLY YES-**

TERDAY, COMMUNISM WAS STRUCTURED WITH NO "MEANING" TO THE TERM AT ALL FOR IT IS TOTAL GOVERNMENT DICTATORSHIP (NOT COMMUNISM) AND IT WAS CREATED BY A BRITISH ILLUMINIST NAMED WRIGHT. *At the meeting where it was presented those in attendance were told that the Illuminists were organizing Nihilists, atheists and other subversive groups into an international organization which was to become known as "Communism". It was intended to be the supreme weapon of terror, which would eventually control the world. Communism was to be used to foment wars and revolutions and would be infiltrated by the group of so-called self-styled "Jews" (which term was conjured up in the 18th Century to fool the world). Remember that the "Jews" of self-appointed Talmud writers--were the Khazars of Russian, Nordic and Mongol lineage. They, further, were self-proclaimed "ANTI-CHRISTIANS" AND "ANTI-MOSLEM (ISLAMIC)". We are speaking here, about diametrically opposed factions of mankind. When your leaders join the self-proclaimed "ANTI-CHRIST", "ANTI-GOD" faction--what does that make you as a nation to be? Ponder it carefully for that is where you find yourselves today.*

ONE NATION UNDER GOD...

The United States of America stated that it was founded as "One Nation Under God"--that did not say, "One Nation Under Jesus"--It did, however, by fact, assume that it would be "One Nation Under Christ-ness" (which is ultimately Godliness). Many "religions" fall into that category. Unfortunately, the ones who proclaim themselves to be solely under Christ (Christianity) are truly "anti-Christ" in behavior while they pull away from all Godly teachings and proclaim that which is evil to be correct behavior. But herein, I do not wish to preach spiritual lessons that you can discount as kooky fanaticism--we will speak of very worldly, physical things. Let us look at the decline of your American society--and this holds true for every nation in your world so do not giggle and say you are left out!

You no longer have respect of young toward elders.

You have blatant treason in high places

with no notice.

You have created a welfare state of dependency on State.

A physician or lawyer asks not what is your problem but rather, do you have insurance or a hefty bank-account?

You KNOW that almost all you read in your controlled press is filled with misinformation and you can trust none of it.

The courts no longer protect society nor is a man innocent until PROVEN guilty--a man must PROVE himself somehow innocent and that, without any assistance.

"Charity" has become the biggest one business around, over \$30 BILLION a year to the organizers of various organizations--as only a portion ever reaches the needy.

Your "money" is based on nothing--"Sound as a *dollar*" passed with the gold standard.

Long ago you gave up churches where you could find a preacher who really believed in the divinity of Christ and preached from truth instead of according to doctrines set for a "MODERN" SOCIETY. We shall look at that "modern society" in a minute.

You used to have "prayers" in schools--now you offer pornography and how to have safe sex and teach that homosexuality is the "way to go". It is simply not even a reasonable approach to the continuation of life forms. I don't care how gay a man may be, he cannot bear children and extend his creation through only the use of the sexual act.

Problems in school used to be from lack of completed homework, spitballs and talking in class. Now it is gun-carrying students and knife-wielding children who stab, shoot and murder. You have children running in mad gangs shooting at random--anyone!

You offer nothing for your children to emulate--you feed them on violence of Miami Vice and pornographic jokes on Saturday Night Live, Playboy Channel and Rambo--then you wonder what has happened to the children of today!

RISE AND FALL OF CIVILIZATIONS

I like the description which has been given to this subject. The rise and fall of any civilization ALWAYS revolves as follows: *From bondage comes spiritual faith, and from spiritual faith comes courage. From courage comes liberty, and from liberty comes abundance.From abundance comes complacency, and from complacency comes apathy. From apathy comes dependency, and from dependency comes bondage.... Where does this leave YOU?*

You in the United States, for instance (and this is the nation of which we are speaking--some other nations are farther ahead and few are "behind" in the cycle. If you are behind, you are catching up right fast as you follow Western ways), you are LATE IN THE CYCLE. You fall somewhere in the apathy/dependency--already moved out of the "abundance" stage, thanks to your government--and are rapidly descending down a secular humanistic, socialistic path full-bore ahead. As you demand more government controls in all aspects of your lives, and as you decline in all different areas of perception and action, you can and probably will lose most, if not all, of your freedoms before the decade of the 1990's passes mid-way.

TRIANGLE

You will note that this cycle as described has taken somewhere around two hundred, or so, years. The United States is in severe decline as is Canada, as she floats between England and the U.S. impact of "America". This decline is seen: politically, financially, socially, morally, and spiritually. A useful illustration can be likened to a triangle. Let us make the left side of the triangle to be the "monetary/economic" decline of the Western world. This decline is basically a result of all things which focus on the false premise that you can create wealth out of nothing. For decades your government has continually printed paper "notes" which you call money, and created debts beyond the counting as well as continuing inflation. Don't, however, feel alone, America--all other nations have done this as well. America's debt pyramid quadrupled from some \$3 TRILLION in 1980 TO OVER \$14 TRILLION IN 1990 AND RISING. With this new

little war to include--it is likened to a new atomic-powered skyrocket! This pyramid is based upon quicksand and is beginning to swallow the pyramid and there can only be one of two choices, a major recession or a total devastating depression. The latter appears to already be in place. You are already into massive decline.

Now, the right side of this triangle represents the "political/social" decline--which is somehow based on a false premise that "all men are created equal" or something similar in projection. This will "give equality" if it kills everyone or you steal from one at gun-point to give to another. The idea is to redistribute wealth and control the "greedy businessmen" whom, you are told, cannot be trusted.

In the past some three decades you have had full-steam ahead accelerating socialism. "Communism" (as described above) has seized well over 40 percent of the world's land mass and population and *killed more than 130 million people outright!* You are swinging right ahead into that Global Government called, innocently enough, New World Order. Well, hold your breath for when we first began to write, I am constantly reminded that I said it will be associated with the "New Age" groups that downfall shall come. Ah so--and so it is. Once again, terms have been used incorrectly to the extent that "New Age" does not mean, any longer, the New Age of God--it indicates mysticism, beingness, do your own thing, live any way that grabs you and "...let us check out the star-signs".

Unfortunately, the "New Agers" have succumbed to the United Nations perception of function--idealistically and blindly without realizing the impact. They promise you, also, a global government of utopian dreams by 2000 A.D. *The Communists (as described above--Zionists/socialists) also plan global domination of the world by this "Zionism/communism"--by year 2000.* This includes the banking cartel, etc.

Now, the base of the triangle in point, and the problem which has actually created all the other problems--is the spiritual and moral decline. *The United States has moved AWAY FROM GOD.* It no longer has a Christ-centered foundation. Your country's beginnings were based on the principles of a majority of Christ's

teachings as principles of living. You have completely moved away from that type of society. Even your "religious" organizations are no longer based on the principles of God's laws--but rather, have been rewritten to include "it's alright to do" anything at all--against the Laws of God AND MAN--and call it "modernization". **YOU CANNOT "MODERNIZE" GOD'S LAWS--"GOD'S LAWS" AND "MODERNIZED GOD'S LAWS" ARE MUTUALLY EXCLUSIVE TERMS AND MODERNIZATION ONLY IS IN OPPOSITION OF GOD'S LAWS AND CHANGES NOT ONE IOTA OF THE TRUTH OF THE LAWS IN ORIGINAL FORM.** I did not say "Biblical presentation" of the Laws for that has already been rewritten to suit the Elite. You have a lot of people returning to the "churches" seeking truth but you have no depth in your spiritual foundation and people are now merely attending "clubs" touting "do nothing for your own responsible selves--but rather, believe Jesus did it all for you. In this way you will be whisked off to some glorious haven in the clouds, etc., etc., etc." NO, NO, NO--YOU WILL ANSWER TO SELF AND GOD FOR EVERYTHING YE DO AGAINST GOD AND FELLOW-MAN--WHICH INCLUDES FIRST ON THE LIST, SELF. Acts against the Laws of "right-ness" are acts of heinous nature against SELF and it will be SELF who falls into the abyss of despair and slavery unto the puppet masters.

Alexander Solzhenitsyn was asked, "Why did the Russian people lose their freedom?" He replied, "**BECAUSE WE FORGOT GOD!**" This has now happened in the United States and almost all other nations on your globe. God blessed America incredibly. You have been given uninterrupted prosperity and you have become sedated and lazy. You have no ability to function if the times really get tough--and they will. You can't even cope with interruptions in your Television transmission during soap opera pornography or the Monday night football. You are angered even if a "Special Report" interrupts for brief segments to keep you updated on who is killing who in the war. You hang a few more yellow ribbons, bow your head and hope for no annihilation of the stadium during half-time and go on in your incredible blindness--ever tightening the blinders so as to protect your tunnel

vision. You dear ones have become soft marshmallows who are overfed on poison junk, alcohol and drugs--to great extent. (I do not intend discredit or dishonor to those of you who are working around the clock "as THE clock--ringing your alarms".) You do not go to gyms to gain health but a physical prowess even to the extent of damage to the body in the process. You are obsessed with it--when painting your house or scrubbing your floors and walls would give the same exercise--FREE! Furthermore--you must have the proper designer-shoes and leotards to show off those beautiful bank accounts and muscles. You are driven in your search for inner peace and loving quiet and you find it not until the apogee and crescendo bash you about until your ears ring and you robotically keep running--running--running, faster and faster--away from the goal of peace and more quickly into the cycle of chaos--away from God.

Dear ones, in the United States you now hold titles in being the most: you are leader in homosexuality, pornography, promiscuity, drug use, alcoholism, and violent crime. This moral decline is a direct result of your spiritual decline, and the spiritual decline, in turn, has contributed to total political and social decline as well as destruction of your economic stability. Your children simply do not know which way to turn or that which to believe--for the parents do not know and this is due to the total moral decline of family.

MORAL DECLINE

The decline of morals is locked together inseparably with spiritual decline which is the basis for ALL the other areas of function. You have forgotten your spiritual, I DID NOT SAY RELIGIOUS, foundations from where you originated. The moral decline in your country in such a short period of time is totally amazing. The U.S. is the per capita leader in the Western world for drug consumption--intended and deliberately inflicted upon you. You now produce as much or more drug substance as is shipped in from elsewhere.

You are also the leader in the Western world in teenage pregnancies, although Russia is the leader in abortions which we will speak of later. Russia is not a "Western" nation, at any rate. Your

teenage suicide and divorce rates top the lists of all. Your divorce rate is incredible. America publishes more pornography than any other country in the world. In the past, pornography was shipped into the U.S. mostly from the "free-love" places of Scandinavia. Now, in places as remote as New Zealand, South Africa, etc., pornographic movies made and published in America top the list of best-sellers--this includes horrible child-sex abuse and snuff films.

You have witnessed and experienced the breakup of the family and increasing problems for teenagers run out of control. The family is tuned out and turned away in all social aspects. You teach "safe sex" in your kindergarten when a child hardly realizes there is sex difference. Sex education is taught in schools and youngsters and teenagers are taught how to have safe sex so they won't contract AIDS--when your leaders know that there is no such thing as "safe-sex" on any account, especially prevention of AIDS and other diseases. Your motion pictures and television programs are thoroughly saturated with sex and anti-family, anti-traditional values. Violence and sex in television is increasing and that which was unacceptable a decade ago, for adults on late viewing of "X" (by the way, that is the Satanic symbol) rated material is now shown at dinner-time prime-time WHERE IT IS KNOWN THE CHILDREN WILL BE VIEWING. There are NO ACCIDENTS IN PROGRAMMING!

Much of the rock music promotes total violence and certainly, rebellion, depression, suicide, sex and drugs if nothing else.

Oh yes, your culture is almost to the pits in decline. Anyone over forty years of age can look back with the visions fresh in your mind and cringe at the view. According to your own records of a recent in-depth study about Satanism as a "named" cult, it was found that over 25% of teenagers in high schools in Denver, Colorado, are said by officials to be involved in "Satanism".

America's decline and plunge headlong toward slavery continues to proliferate at compounding speed. Your children have great confusion as to moral behavior and participate in activities destined to, at the least, give

them fatal disease and emotional confusion. Across America it is found that over 70 percent of teenagers said that premarital sex is fine, 56% said they approve of "living together in trial marriages", 9 percent of these children have had at least one abortion and most of these, more than one; 15 % of the men knew that at least "one of their sexual partners" had had an abortion--thanks to them; 51 percent said they approved of abortion as a means of contraception; over half of the students reported having had more than one sex partner, and some 24 percent had had five or more partners with no checking for disease possibility; and half said they have sex at random and 26 percent participate regularly. Now, brothers, if this is not breaking the Commandments of God--then perhaps you will tell me that which does! And YOU have taught your babies that this behavior is not only acceptable but the "way to go".

When Lenin came to power in the Soviet Union, one of the first things he (and later, Stalin) determined to do was to destroy and restructure the family. Easy, no-fault-type, divorce was instituted, sexual immorality was encouraged and abortion became totally acceptable. THE FAMILY BROKE DOWN AND SO DID THE ENTIRE RUSSIAN SOCIETY. ALERT!

It isn't just your children trying on these sports for entertainment, your government houses are hotbeds of total evil activities. The illicit heterosexual escapades of all the Kennedy "boys" is giggled about and emulated and all will remember the Wilbur Mills, John Tower, Lyndon Johnson, Gary Hart and myriads of others, who romped about and cavorted with everything from secretaries to prostitutes. Your own evangelical movement has fallen into the pits due to this illicit behavior of your very "teachers of God's truth?". One representative from Ohio was recently convicted of having sex with a child--again.

And what about homosexuals in your houses of leadership? Sexual preference? Dear ones, what in the world are you talking about? I don't care what you think about it--homosexual behavior is amongst the most immoral and deviate behavior, and the government is a critical aspect of the nation's health.

Publicly announced (so you have no idea of the depth or extent of this behavior) most recently, have been three prominent homosexual Washingtonians who have contracted and died of AIDS from homosexual contacts. Terry Dolan, head of the National Conservative Political Action Committee; Dan J. Bradley, head of the leftist Legal Services Corp.; and Rep. Stuart McKinney (R-CT). McKinney had two gay lovers who died of AIDS and lived with a third for five years on Capitol Hill. A former congressman from Maryland, a gay who was forced from office in the early '80s when caught "cruising" for teenage boys, says that at that time there were at least a dozen closet, and active, gays in the Congress and somehow this was supposed to make his behavior acceptable. Since then, a congressman was ruined by a gay scandal involving murder; another was caught having sex in a Capitol Hill men's room; and another has been caught with his male lover running a call boy/call girl ring from his apartment.

This last representative, Barney Frank (D-MA), a long-time homosexual, answered an ad in Washington's *Gay Blade* newspaper in 1985. The male prostitute who placed the ad, and who was convicted in 1975 of cocaine distribution, and in 1982 on four counts of production of obscene items involving a juvenile, possession of obscene materials, oral sodomy (for you innocents--mouth to anus copulation), possession, sale and use of cocaine--moved in with Congressman Frank. For some two years, Representative Frank had him on his payroll at \$20,000 per year (thank you, taxpayers), while the prostitute used the representative's apartment as a homosexual/heterosexual sex-for-hire whorehouse.

LIBERALS TO THE DEFENSE

After this story became public, liberal politicians have risen to the aid and defense of Barney Frank. Some of them are literally calling this despot "one of America's top congressmen", "...a great American leader", etc. The Congressional Ethics Committee gave him a very minor tap on the wrist for his behavior and getting caught, and he has continued as a powerful liberal leader in Congress. What does upset you citizens?

Meanwhile, this man's homosexual

call-boy-lover is beginning to talk about other Congressmen and Senators who have been his customers for both male and female prostitutes at this Capitol Hill "best little whorehouse in Washington".

Gay activist leaders in Washington estimate that there are at least thirty homosexual congressmen who are active participants. And you-the-people have given ample tax-money aid to obscene art displays. Even though the most contagious method of the spread of AIDS is through saliva, on July 11, 1990, the U.S. Senate voted to force restaurant owners to hire AIDS-infected homosexuals as food-handlers.

Please keep in mind that AIDS is deadly, incurable and most uncomfortable. Would it not appear that the top leaders who set up the downfall and the global plan--do not give any attention to AIDS? Why would that be? Because they planned it this way and they abhor the deviate behavior of the puppets and plan to annihilate them through this means of murder. There is cure/antidote for AIDS, plus the fact that these top leader elite participate in no activities which would incur the disease. They are immoral--not stupid. They also have available, the antidote--which by the way, was created prior to the intentional infestation of the world population.

RELIGION BROUGHT TO TASK

The Federal Government is now pushing churches to "...adjust their teaching on homosexuality". A very recent report from the Department of Health and Human Services states: Religion presents another risk factor...Many traditional fundamentalist faiths still portray homosexuality as morally wrong. Religion needs to reassess homosexuality in a positive context within their belief systems.

And, indeed, government and private legal action is now being taken against churches and businesses for "alleged" discrimination against homosexuals. In New York, former Mayor Ed Koch issued an Executive Order granting "bereavement leave rights" to homosexuals whose "domestic partners" die. As local, state, and federal governments have come to accept and push as well as protect, the homosexual sodomite movement, the public is forced by law and the gun at the head, to also accept this form of behavior as

acceptable among the populace. Again, I must repeat myself: there is preference of company of another human and there is "illicit behavior" integrated within the relationship--IT IS THE "BEHAVIOR" WHICH IS ABHORRENT, NOT THE FRIENDSHIP BETWEEN TWO INDIVIDUAL HUMAN BEINGS. You can object all you wish, people--but this behavior and attitude is against the Laws of God AND The Creation and all the rewriting of the rules and passing of human laws WILL NOT CHANGE ONE IOTA OF THE TRUTH OF IT. IT IS WRONG!!! IT IS AGAINST THE LAWS OF GOD OF LIGHTED CREATION! IT IS TOTALLY WITHIN THE WRITTEN LAWS OF THE SATANIC BROTHERHOOD! YOU CHECK IT OUT FOR IT IS ALL DOCUMENTED AND AVAILABLE FOR YOUR CONFIRMATION.

ART?

One last comment here and we shall close this segment and take a respite.

The moral decline including the "homosexual revolution" is evident on your art gallery walls. The good U.S. taxpayer-funded National Endowment for the Arts reflects the moral plunge in Washington and the influence of homosexuality and other liberal moral standards. Now, for you who have also accused us of being unpatriotic, etc., I would note to you that homosexuality is NOT acceptable in the military services and great problems have been caused as it is efforted to make it so. You cannot have it BOTH ways, friends. In the summer of 1990 a most despicable showing of art works were passed about your country. The objections for expenditures for this "art" was overruled and remains in place--thanks to your wondrously "moral" congress.

One of the works displayed was Robert Mapplethorpe's "celebration of homosexuality", an exhibition which portrayed such poignant sights as a man urinating into another's mouth and the artist, himself, posing with the "long end" of a bullwhip dangling from a well-known, well-labeled body cavity, pronounced "Booo-sh" in Arabic. Another display was a "work" entitled "Piss Christ", a large photograph of a crucifix immersed in the artist's most recent "medium", his own urine.

When asked by the press, since he worked with urine, what his next medium would be, Serrano replied: "Semen". The Mapplethorpe and Serrano works both got money from the taxpayer-funded National Endowment for the Arts and one Senator, Jesse Helms, efforted to see that it didn't get repeated but here he stood alone--he was simply laughed at, called a religious bigot, and accused of "violating our First Amendment right of free expression". Even President Bush has refused to condemn THE FEDERALLY FUNDED "PROGRESSIVE ART" AND HAS NOW CALLED FOR ADDITIONAL TAXPAYER FUNDING--WHICH WILL CONTINUE.

You might be happy to note that business is not far behind--Seattle First National Bank, whose parent bank is Bank of America, has agreed to offer a "gay affinity" MasterCard for homosexuals throughout Washington, Oregon, Idaho, Montana, and Alaska. The card is intended and designed to help raise funds for gay and lesbian groups throughout the Pacific Northwest as a trial and then extended outward.

Congressman Dannemeyer of California gives the following information in a recently released publication, "Homosexuals are now insisting that young people be taught how to perform homosexual acts as well as heterosexual acts. They demand that such instruction be mandatory in our public schools and that the courses also teach that homosexuality is a normal and desirable appetite. Many schools have instituted such sex education."

TRY THE COMMUNIST INTENT AT THIS POINT

The communists recognize that a country in moral decline is an easy, easy target. In 1960 they told their cadres in America:

"Eliminate all laws governing obscenity by calling them 'censorship' and violation of 'free speech' and 'free press'. Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio, and TV. Present homosexuality, degeneracy, and

promiscuity as 'normal, natural, and healthy'."

Dear ones, even the tampered Bible pronounces that of all human behavior besides that of murder, homosexuality is the most severely condemned *behavior of human*. It further states that no society can survive the widespread practices and acceptance of homosexuality. Likewise in opposition, the Talmud and other Manifestos urge their participants to institute decline and weakening of the nations and people through the deviate behaviors by pronouncing them acceptable and pushing therefore, the behaviors.

There is, also, the promise that the nations, people and planets of those who fall into the practices of such behaviors and actions will reap the reward of perishing and the people shall be separated away from God--in their own free-will of choosing! So be it and Amen.

Allow us a rest, please.

REVOLUTIONS

Let us shift back now, to the subject of Illuminati and intent toward Global control. The preceding chapter fits in integration far better than you might, at first glance, realize. It all boils down to a single "Christ-ness" and a single "Anti-Christ-ness". This is whether you like of it or do not. Background will help you understand the NOW.

Every revolutionary effort since the French Revolution has been financed by the International Jewish bankers, who have profited by backing both sides and they love to boast about it. As far back as 1928 they were boasting about it. In that year in *Century Magazine*, Jewish writer Marcus Eli Ravage wrote: *"We Jews are at the bottom of nearly all your wars; not only of the Russian, but of every other revolution in your history...we did it solely with the irresistible might of our spirit, with ideas and propaganda."* Now dear ones, you can cast stones at our words if you so choose--the preceding was out of the mouth and pen of a self-proclaimed "Jew".

The Jewish writer, Oscar Levy, in the preface to his book THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION, wrote: "*There is scarcely an event in modern history that cannot be traced to the Jews. We Jews today, are nothing else but the world's seducers, its destroyers, its incendiaries.*"

You are supposed to believe, today, that the International *Pharisees, like the Pharisees of Christ's time*, are only tools or agents of the Great Conspiracy, when they are the "heart and soul" of the conspiracy itself. Whether or not you wish to accept this, whether or not your Pastor is honest enough to accept it--does not matter a whit. When you back "them", you are backing the enemies of God, His Son, your Lord, His Hosts, and His "church". They hate for anyone to expose them and will do most anything to silence the speaker. That is why many of your pastors are scared into silence, even though the truth is known.

Why do you suppose the average American has been brainwashed into believing that communism is a movement of the working class, when it is controlled by the International Zionist Bankers? The movement to control the world is not a movement of workers, striving to better themselves, but of the International Elite who, led by Zionist money and power, are seeking world control at any cost. The Jewish bankers control the world's economy and thus its people. Like the "money changers" of Christ's time, who received His most violent denunciations, they are the power behind the move to destroy Christianity and Godly civilization. The Bible tells you: "Where the Spirit of the Lord is, there is liberty!" (2 Corinthians 3:17). The conspirators know this truth, so they seek to stamp it out and that is their major target.

The headquarters for this world conspiracy in the late 1700's was Frankfurt, Germany, where the House of Rothschild's (known as the Red Shield) was formed by a Jewish banker who adopted the name Rothschild and linked up with other international Jewish bankers who had quite literally "sold their souls to the devil". Remember that the 1700's is labeled the 18th Century. This all occurred as the term "Jew" was originated to designate this grouping of Elite out of the Khaz-

ars.

After the Bavarian government's exposure in 1786, the conspirators moved their headquarters to Switzerland, then London, and finally only after World War II, to New York City, where it is located today.

The Rockefellers, original proteges of Jacob Schiff, have taken over the manipulation of the North American area and David Rockefeller, dead or robotoid, acts as head of the clan--this entity remains one of the most influential men in the world this day.

In its final stages, the world conspiracy calls for a king/dictator, a United Nations and a few subordinate organizations such as the CFR, a few billionaires, such as the late Armand Hammer and some top scientists, economists and educators who have proven their loyalty to the conspiracy. The rest of the world is to become a mixed-up mass of mongrelized humanity, who for all intents and purposes will be slaves of the world system. This is quite literally taught in the Jewish religious book, the Babylonian *TALMUD*, where it states that in the Jewish World Government, "Every Jew will have 2,000 goyim slaves".

At this point, we should look at how the American government and its people have been literally tricked by this one-world plot. Always keep in mind that the United Nations, which is found on American soil in New York City, was created to be the housing for the conspiracy.

FOUNDATION OF PLOT

The REAL foundation of the plot to take over America was laid during the Civil War, by Rothschild agents who had been planted in the United States as far back as the Revolutionary War. They have been preparing this country for ultimate takeover ever since.

Your first President, George Washington, was more than a match for the Illuminist agents and on several occasions he wrote letters to leading Masonic leaders, warning them of the attempt to infiltrate the Masonic Lodges of America--furthermore, evidence proves that, although Washington was himself a member of the Masonic lodge, he was rather inactive and seldom attended their meetings. Again showing you that most members of

such lodges have no idea of that which is the foundation of the organization. Most members and initiates think the rituals amusing and a "bit of a lark"--certainly NOT to be taken seriously.

It was not, however, until the time of the Civil War that the conspirators launched their first concrete effort to control your economy. You can know from history that the chief advisor to President Jefferson Davis of the Confederacy was a Jew named Judah Benjamin, a noted Illuminist. You can also know that the Lincoln Administration was riddled with Rothschild agents, much as they control your present government through the CFR. These agents attempted to steer President Lincoln into a financial deal with the International Jewish bankers. But old "Honest Abe" saw enough "light" through their schemes and bluntly rejected them, thereby incurring their wrath, just as the Czar of Russia did a bit later when he torpedoed the first League of Nations. Sic, Sic--and you thought Lincoln was slain for freeing slaves.

For insults, both real and imagined, both the Czar and your Abraham Lincoln paid with their lives. Investigation into the assassination of Lincoln shows that the assassin, John Wilkes Booth, was not a Southern sympathizer as your history books aver, but was a member of a secret conspiratorial group *which was controlled by the Illuminati*. THE NAME OF THIS GROUP HAS NOT BEEN REVEALED AND THE EVIDENCE WAS IMMEDIATELY COVERED FOR MANY YEARS, JUST AS THE EVIDENCE HAS BEEN HIDDEN MOST DILIGENTLY IN THE LATER ASSASSINATION OF JACK KENNEDY!

The ending of the Civil War temporarily destroyed chances for the House of Rothschild to gain control of your money. They already controlled the economy of Britain, France, and most of the European countries. This was only a temporary set-back for them. But in the United States they had to start from the beginning. Shortly after the Civil War, a young Jewish immigrant from Germany, named Jacob Schiff, arrived in the United States. His mission was to gain control of the American money system for his master--the *Rothschilds*.

Schiff was the son of a Rabbi and had

been especially trained for his mission in Frankfurt, Germany.

It is not necessary for us to go deeply into Schiff's background for we have done so previously, but it suffices to say that Rothschild recognized in him, not only a potential "money worker", but more important, recognized in him the ideal agent for the conspiracy. He saw the latent Machievillian qualities which would turn Schiff into one of the most important agents in the world conspiracy.

CONTROL OF MONEY

Schiff became the primary cog in the plan to control the American money system. He came to New York with orders to buy into a banking house which would be the "springboard" into acquiring ultimate control of your economy. He had several primary assignments:

1. The most important was to acquire control of the American economy,
2. He was to find men in important government and business positions in your country who would be willing to serve as "front men" for the conspiracy,
3. He was to create minority group strife, particularly between Blacks and Whites, and,
4. He was to create a movement which would eventually destroy Christianity in America.

Let us trace the trail of Schiff's actions as he set out to accomplish challenge #1, control of the American Money System.

His first step was to buy into a banking house, using Rothchild money. It had to be a house over which he would have complete control. After carefully scouting around, Schiff bought a partnership in a New York firm called Kuehn and Loeb. Like Schiff, both Kuehn and Loeb were German Jews who had immigrated to the U.S. in the 1840's from the ghettos of Germany. Both of them started their business careers as itinerant peddlers. In the mid 1840's, they pooled their interests and purchased a merchandising store in Lafayette, Indiana under the name of Kuehn-Loeb. They serviced covered wagons heading west. In a few years, they had a string of stores in Cincinnati and St. Louis. Then they added "pawn brokering" to their pursuits. By the time Schiff arrived on the

scene, Kuehn and Loeb were well-known bankers in the U.S.

Shortly after Jacob bought into the firm, he married Loeb's daughter, Theresa. Then he bought out Kuehn's interest and the firm, headquartered in New York City became known as Kuehn, Loeb *and Company*, International Bankers. By this time, Schiff was in complete control of the firm.

From the very beginning this agent of an adversarial conspiracy posed as a great philanthropist and a man of great religious holiness. But under his pious exterior, he carried out the satanic policies of his masters with nothing short of brilliance.

To achieve control of the U.S. Money System, Schiff had to get cooperation from the Big Banking elements in your country. In those days, Wall Street was the heart of the American Money Mart. J.P. Morgan was its unchallenged dictator. Next in line were Biddle and Drexel, two great banks from Philadelphia. All the money interests in America danced to the beat these three banks played, with Morgan always in the drummer's lead.

At first, these banks treated the little bewhiskered Jew from Germany with contempt. But Jacob knew how to overcome that. He threw them a few Rothschild bones consisting of the distribution of European stocks and bonds which master Rothschild controlled.

But he had an even more potent weapon available. Following the Civil War, American industries had a phenomenal growth. The world had never seen anything like it. You had great railroad systems to build; oil was discovered; your mines were producing untold wealth; steel and textile industries were bursting out of the seams. All this called for vast financing and of course, most of this financing came from abroad, where it was controlled by the Rothschild interests. Schiff, playing a crafty game, became the "patron saint" of such men as John D. Rockefeller, Edward Harriman and Andrew Carnegie. He financed Standard Oil for "Rocky"; the railroad empire for Harriman and the steel industry for Carnegie. Now wouldn't you all like a nice "sugar daddy" like that one?

Next, he opened the money doors of the Rothschild's to Morgan, Biddle

and Drexel, as he arranged for them to set up branches of their banks in major European cities. Cleverly arranged, these banks were always in a partnership with the Rothschild interests and subordinate to them. Each partner was expected to "pay his pound of flesh" to the Rothschilds. It was clear to the "Big Three" from the beginning that Schiff was the boss and they simply swallowed their pride and accepted it. After all, "business comes first!"

By the turn of the century, Schiff had tight control over the banking fraternity of America. This included the Lehman Brothers; Goldwin-Sachs and other International banks, plus the "Big three of Morgan, Biddle and Drexel".

With full control of the American Banking System in his pocket, Schiff was now ready for the giant step which would gain full control of America's money system. Under your Constitutional system, all control of your money was to remain under the control of Congress (does anyone remember?). So Schiff's task was to seduce Congress into betraying the Constitutional edict by surrendering that control to the hierarchy of the Illuminati. In order to legalize this surrender, it would be necessary for Congress to enact special legislation. To accomplish this, Schiff had to infiltrate Rothschild stooges into both houses of Congress and even more important, *he would have to have a Rothschild stooge in the PRESIDENCY*, a man without moral scruples or integrity, who would obey every order that came to him from the Rothschild's and sign this legislation into law. To accomplish this, he had to gain control over one of the major political parties with intent to control all political parties as the plan would move along. I believe you can see that that has been magnificently accomplished.

The Democratic Party seemed to be the more vulnerable at the time, since it was the hungrier of the two. With the exception of Grover Cleveland, they had been unable to place their man in the White House since before the Civil War. There were two major reasons for this. First, the Democrat party was a poor party and secondly, there were considerably more Republican voters than there were Democrats. This obviously had to be changed.

The poverty matter was not of great concern, since Schiff had access to the Rothschild wealth. The voter problem was a bit of a different story. Remember now, we are dealing with an extremely clever operator in Jacob Schiff. Here is how he went about solving the voter problem. The solution shows how the Jewish leaders care very little for their own people and will sacrifice the "little Jews" if it will bring them into power.

About 1890, there were a series of "pogroms" (an organized massacre of a group of people) in Russia and Central Europe against the Jews, in which thousands of men, women and children were ruthlessly slaughtered. These "pogroms" were masterminded by those nice Rothschild agents, working on the dislike for Jews, which had been built up in these countries over the years because of unscrupulous "Jewish" business practices. Their plan was to force hundreds of thousands of Jews to flee Russia and Central Europe and find homes in either Palestine or the United States. Palestine was not a very good choice in those days, so the vast majority flocked into the United States.

These immigrants were aided by self-styled humanitarian organizations, using Rothschild money, which were set up by Schiff. While the vast majority of Jews arriving in the United States settled in New York City, many were shipped to other large cities such as Chicago, Los Angeles, Detroit and Philadelphia. Within thirty years, these people had become citizens and had been taught to vote a straight Democrat ticket, no matter what!

This Jewish minority was then joined by Blacks, who had also been recruited by Schiff's efforts for Civil Rights. This became a major voting bloc for the Democratic party. By 1910, these minority voters had become a vital factor in the political life of America. This was the plan Schiff used to plant such men as Senator Nelson Aldrich in the Senate and Woodrow Wilson in the White House.

At this point let's digress for a bit and go back and look at another important point in Schiff's scheme to control America. I am now referring to his plot to destroy the unity of the Ameri-

can people by creating minority groups and engendering racial strife. By forcing Jews to leave their homeland in Russia, Schiff had a ready made minority group who would do his bidding. But the Jewish people themselves, frightened by the violence they had seen in Russia, could not be counted on to produce the violence necessary for Schiff's plan. So he turned to a sleeping minority in America which was much more numerous than the Jews. I am speaking about the Blacks, and such men as Martin Luther King, Jr., Stokely Carmichael and others, who carried out their so-called peaceful demonstrations under the guise of Civil Rights and always under the firm direction of Rothschild agents. I'm sorry, chelas, in political stakes as high as these, God is rarely actually invited into participation and it is one reason that ones of great impact must be eliminated when they become troublesome and while they can still be utilized as "martyrs". Next, all that was necessary to bring about rioting, looting, rape and murder, was to arouse the baser members of the Black race, who were always looking for some excuse to get even for the evil the white people had brought against them.

Working together, under Schiff's control, these two minority groups, the Ashkenazi Jews and the American Blacks, began to produce the rioting which would tear America asunder.

You will find that while Schiff was laying his plans for the takeover of the money system, he was also working on the plans for the chaos they hoped would destroy the unity of the American people.

While this racial holocaust has never been fully realized, the enemy agents are still working on it and you can see the terrible potential which was seen in the race riots which destroyed vast areas of your great cities a few years ago. It is still boiling under the surface, waiting for the proper spark to set it off. Your streets are rampant with unrest and drugs, assault weapons, disease and hatred. This explosive situation will erupt one of the days into the worst tragedy that has ever hit your continent. There will be police force slaughter of the kids in the gangs as gun control and confiscation is brought into law--the children of the gangs will simply be shot. Worse for the masses of warm, goodly human

beings--because the military consists of so many blacks and minorities--the enforcement will fall to the brothers of the same group being exterminated. THE SAME PEOPLE WHO PUSHED THIS IN THE PAST ARE PUSHING IT TODAY.

This potential for racial violence has grown with the vast immigration of legal and illegal Asiatics and Hispanics into your country in the past half century. Almost without fail the immigration laws were changed by the liberals in Congress to pave the road for this very holocaust and, almost without fail, they came from the Democratic party. Don't get bent-out-of-shape about immigration of aliens into your country--there are proper ways to handle immigration in a humane and fair manner with brotherhood--not this hatred fostered by your foolish laws.

At present there is evidence that in Los Angeles alone there are over 100,000 armed gang members who are constantly fighting among themselves and the slaughter is evident every weekend. This would be bad enough, except that now they are spilling over with their warfare into the suburban areas which are not on "home turf". In frequent recent attempts to control this situation as many as 1,000 combat-gearred policemen have efforted to bring these gangs into control--without success. The problem worsens daily. The price of this crime has risen into the hundreds of millions of dollars each year.

The liberal policy has been expounded to the point where anti-American radicals, both professors and students, have been given a haven of refuge on your college campuses. In 1985, for instance, F.B.I. sources stated that there were estimated to be a minimum of 45,000 Marxist Professors teaching in your institutions of higher learning--and the number rising annually by leaps and bounds. On many of these once conservative campuses, conservative speakers are shouted into silence by a few radicals, who are among the most vociferous when demanding their own right to "freedom of speech"--then the demands are backed up by police intervention.

I do not make the rules nor the story--but you will find that in every radical group there will be a leader claiming to be "Jewish" and coming from the most wealthy of the Jewish families.

In the recent past these few radicals all but ran the colleges and universities and the administrators were helplessly afraid of them.

The same Zionist Jewish control can easily be seen by anyone who will look at the problem openly without shouting or hiding from "anti-Semitism" nonsense. Look at EVERY issue which is being used to destroy America, and behind it, financing it and often actually outright and publicly controlling it, will be a self-acclaimed Jewish racist. I do not mean "racist against Jews"--I said "Jewish racist". The Jews are the most racist of all groups of persons.

Look carefully at every effort to take Christian principles out of the public schools and Christ out of Christmas--and Christian symbols out of the schools, parks and now, the Christian churches. Oh no, this is true and it is NOT amusing. You will find a "Jewish 'movement' and person behind it" with non-bending intent of accomplishment of the task at hand. Look carefully at every effort to knock the stand which is being taken by Christian Patriots and you will find the Jewish A.D.L. (Anti-Defamation League) and W.Z.O. (World Zionist Organization) at the lead against whatever it might be.

As you further study this conspiracy, you will find that it took infinite planning and patience to be successful. So let us take a few minutes and look at documentary proof as to how they set about to destroy God/Christ America. Dharma, allow us a break, please, and we will then take up the methods for destruction of the U.S. as planned and orchestrated against you-the-people. We have already spoken of destruction of the family and because I used the term "communist", forget any difference for there is NONE. These terms of "Jews", "Zionists" and "Communists" were originated to bring into power the Globalist Elite Conspirators.

I will move to stand-by and go over this computer while you have a rest--please leave the room as we need to always take caution. As we wrote, I believe you heard the efforts to access the circuits--but I believe we have it pretty well under control today. Thank you. I shall stand aside.

DOCUMENTARY PROOF:
DESTRUCTION OF
CHRISTIAN AMERICA

First it is necessary for "them" to create the leadership and organizations necessary to brainwash millions of dupes, both Jewish AND Christian--or whichever group is under attack. Blacks and other minorities received prime attention for they would be the most advantageous "tools" in the game of charades. These were the ones who would do the rioting and suffer the casualties, while the Zionist overlords ran the show from sheltered places. In 1909, Schiff set up and organized the NATIONAL ASSOCIATION FOR THE ADVANCEMENT OF COLORED PEOPLE. Now wouldn't that frost you--wouldn't you have thought this organization would have been started by a "colored" person or group? The Presidents and directors from its inception have been JEWISH. Jews appointed by Schiff while he was still alive and later by his successors who ran these organizations. In 1914, a real doozie came forth, birthed in total intent of take-over. Schiff came up with the ANTI-DEFAMATION LEAGUE, of the Jewish Masonic Lodge, B'nai B'rith--you can't get more direct than that, chelas. It was to serve as a Jewish KGB, keeping its own people in line and harassing anyone who dared to tell the truth about International Jewry/Zionism. It is the largest and most complete private intelligence gathering apparatus and lie instigator known to human. It is actually an AGENT of a FOREIGN COUNTRY, operating illegally, without a license on American soil--yet such is the power of the Zionist Lobby in Washington, it has for all intents and purposes become an advisory branch of the United States Justice Department--with freedom from taxes for all.

Some non-Jews look on the ADL as primarily a "spy outfit", skilled in tapping telephones, infiltrating patriotic groups and meetings, tapping into computers and phone lines of my scribes and attacking anyone who does not follow the straight Zionist line. It is all that and ever so much more!

It is also a "sleazy, money-raising" operation which pressures Jews to give and when money does not come in fast enough, it will create problems for

Jews, which they say they are fighting against. For instance, the leader of the neo-Nazi group which invaded Skokie, Illinois a few of your years back and caused a great furor, was a "Jew" from the Chicago ADL and so stated. This incident scared the dickens out of Chicago Jews and they shelled out much money for the ADL coffers.

The operating head of the ADL at this time is one Arnold Forster, a veteran troublemaker and a skillful money-raiser. He says the ADL is merely a Jewish Defense Group and Political Action Committee, which spends its time and money "fighting racial bigotry", as it pursues its goal of "democracy", and "world brotherhood". If you believe this, my friends, you need to go to Palestine and ask the Arabs who are being murdered there about Jewish Democracy. By the way, do you remember after the so-called, (but isn't) cease fire--the Israelis said they lifted the curfew on the Palestinians? They haven't--for all purposes and intent the Palestinians are still under Martial Law controls and total curfews--even as Baker dons his beanie this day. Well, yesterday it was--for today he is wining and dining and making proposals and payoffs to your old buddy--Assad in Syria. You have really developed some endearing friends, America--the chief terrorist trainers and the chief terrorists of the world.

When there is no anti-Semitism available, Forster and his cronies create some and this enables him to blackmail Jewish merchants for the alleged purpose of "saving them from goyim persecution". This scam has worked for years and Forster is paid a huge salary for doing it. He has been in this game for more than thirty years and has used smear and blackmail tactics, and even created "nazi" groups in New York to deface Jewish tombstones and paint swastikas on the walls of Jewish synagogues. The scare stories he managed to raise in New York called for a Congressional investigation. Of course the ADL was NEVER investigated, only those old "bad" other people--EVEN AFTER THE PROOF OF INCIDENT, AND PERPETRATORS WERE EXPOSED AND CONFIRMED BY THE SYNAGOGUES THEMSELVES AND THE ADL OWNED UP TO THE LITTLE "CHARADE".

In 1986, the National Council of

Churches in America, seeking information on the Christian Identity Movement in America, went to a Jew, Leonard Zeskind (strange resource), of the CENTER FOR DEMOCRATIC RENEWAL, an extremely "left-wing" organization. They made no attempt to go to any Identity leader for information, but instead went to this atheist, Christ-hating Jewish center. He wrote a "scurrilous" account of the Christian Patriotic movement which has been swallowed completely by the National Council of Churches leadership. Out of this, however, came some incredible dossiers on innocent people living "normal" American lives.

This sinister Zionist KGB maintains over 2,000 agencies across your nation. They advise and control every action of the NAACP, the URBAN LEAGUE, and many other so-called Black political activist organization, including Jesse Jackson's SOUTHERN LEADERSHIP CONFERENCE--which becomes indeed interesting now that Mr. Jackson has become a member of the CFR and is in with the really "Big Boys" of politics. They controlled Black leaders such as Martin Luther King, Stokely Carmichael, Ralph Abernathy, Julian Bond and the man I just mentioned, Jesse Jackson.

In addition, the ADL acquired absolute control over the advertising budgets of many nationally known department stores, hotel chains and key radio and TV sponsors, also the advertising agencies which serviced them--along with public relations corporations who do such in-depth work as for the Emir Sabah of Kuwait and produce such documents as the false testifying before Congressional Subcommittees with horrendous pictures of atrocities and phoney participants weeping and working in total safety far from the streets of Kuwait. And you, as a nation, bought it. By these means, for all intents and purposes, the mass media of the United States of America is totally under Zionist control and woe be unto the politician or reporter who fails to remember this. There have been several Senators in the past who tried to buck the Zionist Lobby in Washington and were out on their ear in the very next election, i.e. Percy of Illinois, Fullbright of Arkansas, Rep. Finley of Illinois, etc.

NEWS TAKE-OVER

This means fully that all of the major news that America hears is slanted or falsified in the direction of the Zionist overlords, as they desire it to be presented. Your own beloved Walter Cronkite stated: "Our task is not to tell the truth; we are opinion molders".

One of their major purposes is to sway sympathy for Black rioters and criminals, no matter where they are or what they do. This can be vividly illustrated by many incidents but one especially is clear. This incident took place in the nation's capitol a few months ago. Now, before you read this I wish you to know that I believe the Klu Klux Klan to be a totally evil organization as indicated by the secrecy and hood-wearing anonymous offenders--but that has nothing to do with the story--for you have "freedoms", do you not? The KKK had received permission from the Washington police for a peaceful march in your capitol. But the Blacks, agitated by agents provocateur from within, tried to disturb this "lawful parade" (as was certainly planned and anticipated) and were stopped by the Washington police, as they should have been. But the Blacks went on a rampage, burning cars, breaking store windows and looting stores--just as instructed and paid-off to do. The next day, a white correspondent with the Washington Post gave this explanation for the riot: "The Blacks rioted because their civil rights to confront the KKK purveyors of hate had been denied". NOW WHO DO YOU ACTUALLY BELIEVE WERE THE PURVEYORS OF HATE? ACTUALLY--NEITHER GROUP BUT RATHER, BOTH GROUPS WERE USED TO ACCOMPLISH THE AIMS OF THE THIRD AND MOST POWERFUL GROUP.

BOTH AGAINST THE MIDDLE

A prime mode of operation which gets the innocent "Jew" of Judean descent into horrendous circumstances is that he is always set up as one of the radical participants. For instance, in 1910, a Jewish playwright wrote a play titled THE MELTING POT. It was sheer communist propaganda designed to incite BOTH Blacks and Jews. The play was supposed to visualize how the American Whites were discriminating against both Jews and Blacks. At that

time, no one seemed to care that this was propaganda because it seemed quite possible of truth. It was cleverly written and the propaganda was wrapped very well in the entertainment offered by the play--it became a big Broadway hit.

In those days, the famous Diamond Jim Brady would often hold fabulous banquets at the famous Delmonico's restaurant in New York, after the opening of a successful Broadway play. The author, plus cast and selected political and Broadway celebrities, were invited.

Myron Fagan, a well-known Hollywood playwright, who actually initiated some of this very information given you now, was invited to attend that party. There he met the English socialist George Bernard Shaw and a Jewish writer named Israel Cohen. Both Shaw and Cohen had worked together in London, with a Jew named Karl Mordecai Marx. Remember, at this time Marxism and Communism were just emerging and very few people paid any attention to what they were trying to do. No one suspected the propaganda which permeated the writings of either Shaw or Cohen. At that banquet, Cohen told Fagan that he was engaged in writing a book, which would be titled A RADICAL PROGRAM FOR THE TWENTIETH CENTURY.

Fagan at that time knew nothing at all about Communism or its connection with World Zionism; he was totally wrapped up in his work as a Hollywood writer--just as all of you are wrapped up in everything else except that which is destroying your very nation and people. But he was shocked when he received a clipping from the Washington Evening Star, several years later in May of 1957. It was a verbatim excerpt from Cohen's book: "We must realize that our party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races, that for centuries they have been oppressed by whites, we can mold them into the program of the Communist Party. In America, we aim for several victories. While inflaming the Negro minorities against the whites, we will instill in the whites a guilt-complex for their exploitation of the Negroes. We will aid the Blacks to rise to prominence in every walk of life and in the world of sports and entertainment. With this prestige,

the Negro will be able to inter-marry with the whites and will begin the process which will deliver America to our cause!" I have given this excerpt prior to this but it bore the repeating BECAUSE IT WAS ENTERED INTO "THE CONGRESSIONAL RECORD" OF JUNE 7, 1957, BY REP. THOMAS ABERNATHY.

At that time, of course Fagan could only wonder if the official policy of the Communist Party was simply the same as that of Cohen, or was this merely the thinking of one man? But in an official pamphlet, published by the New York Communist Party in 1935, titled "THE NEGRO IN A SOVIET AMERICA", he found that it urged Blacks to rise up and form a separate Black nation in the South and apply for admission to the Soviet Union. A firm pledge was made by the communist leaders that, if this happened, the Blacks would receive firm backing from communists everywhere, including the might of the Soviet Union. On p. 48 of this pamphlet was this pledge to the Blacks, "Any act of discrimination or prejudice against the Negro, by a white, will become a crime under revolutionary law."

I guess you need a little proof, at this point, that the Communist regimes, both in Europe and on the American Continent, are under the full control of the Rothschild agents, which means The Illuminati?

CONTROL BY ROTHSCHILD/ILLUMINATI

The communist end of this world conspiracy was created by the "master minds" who were "capitalists". You should also note that both the Rothschild's, the Schiff's and the Warburg's planned and financed the Russian Revolution, after they had murdered the Czar and his family. We have written of this but for you who come newly into the writings, it bears repetition. Jacob Schiff alone, gave \$20-million (and that was a lot of money in the very early years of the 1900's) to a man named Trotsky, who was on his way to Russia with 247 of the dregs of the Jewish East Side of New York City, the kind of Jews the Jews themselves call "kikes". They were stopped in Newfoundland by Canadian Customs and then released under pressure from the U.S. State Department, with the money that made the Revolution a success.

The Jewish/Zionist involvement is easily proven from statements made by Jewish leaders at that time. The Jewish Chronicle, the largest Jewish Newspaper in New York, in its April 4, 1918 issue stated: "...there is much in the fact of Bolshevism itself. In the fact that so many Jews are Bolsheviks. In the fact that the ideals of Bolshevism are consonant (in agreement) with the finest ideals of Judaism."

In 1918, Count Mensdorf, the Jewish Ambassador from Austria to London was quoted as saying: "Israel won the war (WWI); we made it; we thrived on it; we profited from it. It was our supreme revenge on Christianity." Notice that it is Jews who are making these statements!

There is absolutely no doubt that Lenin, Trotsky and Stalin took their marching orders directly from that little American Zionist, Jacob Schiff of New York City--so how does that make you citizens feel about the probability that your nation and banking industry are completely controlled also?

CIVIL RIGHTS ACT OF 1954

Can you begin to understand why your Congress, your Supreme Court, and your Justice System was beaten into issuing the infamous Civil Rights Act of 1954 and subsequent unconstitutional legislation which has disenfranchised White people whose ancestors built your country--BUT ALSO BROUGHT THE BLACKS AND MINORITIES INTO TOTAL AGITATION AND UNREST. It is not that there should not be equality of opportunity and no man has rights to have superior position to another because of any race or color--but to bring the confusion of enforcement into the already churning peoples can only bring more hatred and contempt--which, of course, is the total intent.

Perhaps you can better understand why your Supreme Court, under pressure from the Zionists, and sometimes with Zionists sitting in the august group, have banned prayer in public schools, Bible reading in schools, anything to do with the Christian/God celebration of Christmas? Can you understand why, in almost every case, it has been a Jew who has brought suit against school boards and municipalities. These are totally outspoken atheists. The Jewish-run ACLU which has

pushed for the destruction of these Christian symbols also fits within this grouping. Today, they are laying the ground work for the removal of all town and city names which have a religious connotation: St. Paul, Los Angeles, San Francisco, Corpus Christi and thus and so....ridiculous? Well, none-the-less that is that which is under way! The head of the ACLU has openly gone on record in the boasting that "by the end of 1992, there will be no more Christian symbolism in any public place!"

Perhaps now, in view of this information and control--it might be a bit easier for you to understand why your President Eisenhower, in direct violation of your Constitution, ordered Federal troops into Little Rock, Arkansas a few years back to enforce Federal integration laws?

Can you understand why President Johnson and 66 U.S. Senators, in spite of protests from 90% of the American public, voted for the pro-Communist Council Treaty which opened the U.S. wide to Communist agents and saboteurs, even when your FBI publicly acknowledged that they KNEW there were thousands of them already in your country? Can you understand better why many of these same traitors in Washington, voted at a later date to give away your Canal in Panama to a Communist dictator, even though they knew it was dangerous to the very defense of your country? Funny thing about how that worked out, isn't it? You have agreements and contracts for drugs and money laundering and by golly, he was going to "nationalize" the Bush family resort property--so, the Panama invasion to suppress Noriega--an old ally and friendly criminal brother.

These acts, dear ones, and the thousands more, can be named only as TREASON, according to your Constitution of the United States, Article III, Section 3. This section, written in words any school child can understand, defined treason as: "Treason shall consist only of, levying war against them (the U.S.) adhering to their enemies, giving them aid and comfort". Notice nothing was said about it being necessary to be at war with a country--but your blessed government, military and administration has done that, too. Yet they turn about and call the precious few who speak out--the treasonists and non-pa-

triotic, effort to kill them and bring ruin unto them while the nation is distracted by the lies. Well, that which goes forth shall come back in kind, a hundred-fold--it is the Cosmic Law of universal cycles of "that which ye plant--so shall ye reap in kind".

My scribe and others who scribe directly for the Master Teacher and we of the Hosts sent directly from God, are accused of being Satanic--well, in the true sense of the definition of "satan", I certainly hope so--for they are very definitely "adversaries" of evil. But it is amusing, none-the-less that they who are in direct communication are the ones accused of the falseness, and not the total bigots who threaten their very lives in the name of the "Christian community" (oh pain and agony upon all).

Why have not the American people risen up in indignation to demand that the traitors in Washington, D.C. and in your State Houses be accused, tried, convicted, and tended as traitors which they are? Why instead, do you see them being elected into office term after term after term with known indiscretions to their credit as in the case, say, of Alan Cranston of California who has cost you taxpayers BILLIONS of your dollars through illegal and criminal practices? Perhaps it could be that the statement of a well-known historian was true when he said: "TREASON prospers, what's the reason. For when TREASON prospers--NONE DARE CALL IT TREASON!" Have you regressed so far from the "faith of your fathers", which raised your country to international prominence, that you no longer care when traitors run rampant in the halls of government and trample on your Constitution and practice all manners of vile, immoral acts?

The time has come, Americans, when you must insist that an immediate, in-depth investigation and revelation be made of the Council on Foreign Relations and the Zionist-Americans in Washington who seek to run your country. These MUST be brought to account along with the alien FEDERAL RESERVE SYSTEM, which has robbed America for over 75 years. You must insist that all finding be made public and that the conspirators be brought before the American people they have so woefully wronged and receive the just punishment for their treason. The time has come when you

MUST take up the scalpel of truth and remove the malignant cancer apathy has allowed to grow on your body politic and within your religious halls and places of teaching. You can no longer sit idly by and allow corrupt government to further sell you out. For you see, your freedom will not be lost on that day when a man with a red star on his helmet and an assault weapon in his arms hauls you off to the "concentration camps", or the "liquidation centers". Your freedom is lost when you see things happen in local government, in your town, in your local churches, you know are wrong, and you sit back before your TV sets and say: "I'm just one individual, you know, everyone knows you can't buck city hall." Is that day already here? You have all but killed your own beloved America. You will haul her to the burial place, bury her, and over her grave erect a headstone with this epitaph, perhaps: "AMERICA DIED, BECAUSE THE GOOD PEOPLE OF AMERICA DIDN'T WANT TO BE BOTHERED!"

WARNING!

If you ever get up your "guts" enough to take this necessary step to stop this cancer, then there will surely be a cry of "witch hunts" and "a return to McCarthyism" and "anti-Semites" and other colorful and despicable accusations. This will come from the liberals who take down your money in massive amounts and from the so-called "Judeo-Christian" (oh, nausea) so-called "churches". But you MUST realize that the founders of your Republic and the writers of your Constitution, even if imperfect, recognized historical fact. They knew that when a government turns from being the servant of the people, to try and master them, then it became the right of the people, THEIR DUTY, to change that form of government and so preserve their God-given inalienable rights!

Every unconstitutional act of your leaders in modern times, whether by Presidents Wilson, FDR, Truman, Eisenhower, Johnson, Kennedy, Nixon, Ford, Carter, Reagan, or Bush, were in line with the plans of the International Conspirators. Every unconstitutional decision which has been issued by your Supreme Court, whether under the liberal Earl Warren, or at this present time, has furthered this alien control over your America. Every traitorous decision by your

elected Congress since 1913, has been to further the strangle-hold these aliens have on the American people--and I do NOT refer to little gray aliens from somewhere out there!

You had best remember this: traitorous acts by your leaders, whether it be the President, Congress, the Supreme Court, or whatever, never happen by any form of ACCIDENT. They have all been planned by the over-all blueprint for your destruction as a free people.

You can bet anything you wish that the 70-plus Senators who "vote the straight Zionist ticket" (over two-thirds of your Congress) are under direct orders from the Conspiracy. They are, whether or not they will admit it to you-the-people. They have been bought and paid for and the blackmail comes down heavy indeed.

Haven't you ever pondered just HOW a man can go into the U.S. Congress (when the Constitution gives the most power to the State representatives) and then come out in a few years as a multi-millionaire? Why do these men spend eight to ten million dollars to get elected to a job that pays a rather (proclaimed by the participants) meager salary? It might look good to you Joe, Tom, Dick or Harry but to those men who had to have a big raise--it must be small indeed.

It really doesn't add up, does it? Especially, when they show by their actions and their voting records that they are not all that much interested in the welfare of the people who just put them into office. Do you think they spend all that money just for the prestige it brings them? Don't be stupid, America! There are very few men in your government today who are free from the "taint of treason and therefore keep silent".

This is a good place to close this segment. We shall take up how Jacob Schiff entrapped the American people and the effect it has had on your "American Way of Life", which at one time was the shining light unto the entire world. I feel you need a bit more background prior to dealing with all that is under way this day. I am efforting to pull it together into a bit of a bundle whereby you can look at it a bit more closely and perhaps better understand why the thrust must be NOW if you are to reverse this monster which

is consuming you as a nation and a people.

May God rest His hand upon your beings that you might be given into the seeing of that which is upon you. Salu.

Hatonn to clear, please.

OUR NEWEST JOURNAL

THE BITTER COMMUNION
ALTARS OF HEMLOCK
"...AND A NEW RELIGION
SHALL SWEEP ACROSS THE
LANDS AND THE PEOPLE WILL
BE DECEIVED...."

HATONN:

The subject of this Journal is an ongoing outlaying of that which has come upon you--it is our "commission" given forth by God Creator and our commitment unto Him and that unto Creation to set the records to straight so that the truth is known in the final days. But oh, blessed brothers--it needs not be the "final days" for that is the BIGGEST LIE OF ALL AGAINST YOU DECEIVED ONES OF INNOCENCE--YE WHO HAVE TRIED TO FOLLOW THAT WHICH YOU PERCEIVED AND ACCEPTED AS TRUTH FROM YOUR TEACHERS AND LEADERS--HOW COULD YOU KNOW THAT THEY WERE DISINFORMED FROM EVIL SOURCES? MAY GOD GIVE HELP TO ALLOW YOUR VISION TO CLEAR THAT WE MIGHT WALK TOGETHER IN TURNING ABOUT THIS BEAST AND CLEAR IT FROM THE LANDS. AHO!

ATON:

...AND YE HAVE GIVEN HEMLOCK UNTO MY CHILDREN IN THINE COMMUNION CUPS--IN MY NAME HAVE YE CORRUPTED THE LAWS OF GOD. AND IN THAT CORRUPTION SHALL YE BE GIVEN TO KNOW THAT WHICH YE HAVE DONE FOR YE HAVE DEFILED MY NAME AND SHED BLOOD OF THE INNOCENT UPON MY PATH OF GODNESS AND THEN YE ASK GOD TO ALLOW YOU TO PREVAIL. YE HAVE STOLEN THE CHALICE OF GOD AND FILLED IT WITH THE BIT-

TER POISON AND GIVEN IT UNTO MY CREATIONS--AND THIS YE HAVE DONE IN MY NAME. GREAT SORROW SHALL PREVAIL UPON THE LANDS IN THE FINAL DAYS OF THE CLEANSING.

WHO WILL COME WITH ME?
WHO WILL WALK WITH ME?
WHO WILL SHARE OF THE SWEET COMMUNION WITH ME?
YOU WHO HAVE PATIENTLY OBEYED THE LAWS OF GOD DESPITE THE PERSECUTION, THEREFORE WILL YOU BE PROTECTED BY ME, FROM THE TIME OF GREAT TRIBULATION AND TEMPTATION, WHICH WILL COME UPON THE WORLD TO TEST EVERYONE ALIVE. LOOK, I AM COMING, SO YE OF LIGHTED TRUTH HOLD TIGHTLY TO THE LITTLE STRENGTH YOU HAVE--SO THAT NO ONE WILL TAKE AWAY YOUR CROWN.

Do you know what the 1st AMENDMENT to our Constitution was really all about? The Peter Zinger Case in 1735 when Zinger exposed the corruption in government and was thrown in jail for printing the truth. But the Jury came to his rescue and NULIFIED a BAD LAW by voting NOT GUILTY. They decided both the LAW and facts. This is self government.

TODAY'S WATCH

Great blessings rest upon you ones who share with us, for it is the way we can KNOW that which is concerning your conscious mind. I feel that this is a good opportunity to respond to a few notes of REAL VALUE to ALL of you. I have one from J.M. which I wish to take item by item but it fills two pages and I have attempted to respond to his questions in the aggregate of our writing or in prose, as we have moved along. Yes, Dharma, I like to give you symbols you do not use for it keeps you alert, chela. And remember, most blessed are ye who stay alert! Readers, the egg comes on the Cosmic face, however, when I misuse a quite traditional term. All of you must keep in mind that my language is of the Universal and I, too, have to learn your languages. I believe I have a pretty good vocabulary according to my scribe's proficiency--grammar as to punctuation and spelling are quite another matter and you ones please forgive our errors. I ask that editors not tamper and please know, you in the public, that much of which I do and say annoys them greatly. I KNOW most of your "rules" but some of them are totally absurd and "remove" meaning from a sentence--which, of course, is why

the ridiculous placement of punctuation. It matters greatly whether or not Esu might have said to the hanging man to his right--"Today I say, you shall be with me in Paradise". or "Today, I say, you will be with me in Paradise", or "Today: I say you will be with me in Paradise". Please understand that we are NOT writing books for Journalistic excellence--WE ARE BRINGING THE TRUTH UNTO YOU AS FAST AND AS SIMPLY AS WE KNOW HOW TO DO SO.

We expect to win no awards from Pulitzer nor the Nobel Peace Prize--for you must be a member of the Elite or a tool thereof and useful in some manner to the Elite--to get such awards. Besides, I feel we would fall into higher company than we could stand--for one of the Zionist Senators has come forth to nominate George Bush for the Peace prize right after he ordered the murder by bombing of some 130,000 Iraqis. This, by the way, introduces the first piece of correspondence. This is given in such love and trust that I wish you to accept it as it is given for it is such a great example.

I ask that you read it first as, say, an American and/or "Coalition" person--then, read it as an Iraqi who has lost everything, including home, family,

business and all in his life--caught in hell with no place to turn for escape.

Dharma, leave out the business portion for that is private; begin with the second paragraph please.

"March 8, 1991

".....While I have your ear, I'd like to say I'm puzzled by the lack of an explanation in the Expresses for what is a very different Allied war outcome than was projected by Hatonn. There should be no blaming of Hatonn for being "wrong"..he saw what was coming and simply reported it. What does need to be addressed is that SOMETHING changed that projection and we need to acknowledge the tremendous difference an outpouring of prayer and Love can have on a negative situation. We have just witnessed a miracle of sorts and there is no mention of it! Instead of hundreds of thousands of our troops dead, they are coming home.

"Negativity can be reversed in thought and your readers need to understand this most powerful Truth. Understanding this, they will have something positive with

which to work. I think some of the messages can be so overwhelming in import that they have had an adverse effect on some readers who become fearful and hopeless thinking there is nothing they can do. It's my opinion that the import of the messages need to be balanced with what readers can do to change these projections with their mind energies. They need to understand the unlimited power of Thought which is backed by Love.

"There are many more snakes in the woodpile. It would be wonderful to have an informed readership actively reversing in thought, with the power of Love, all the insidious plans and activities of those who would enslave mankind. That would truly be an example of God in action and make your newsletter not only an important source of information, but a most worthy tool for accomplishing the mission of saving this planet not only for a remnant but for a real harvest!

"Thank you for listening. And may the arms of the Infinite surround and protect us All forever and eternally. (L.F.)"

Thank you Linda. I believe with the more recent writings I have given you insight into what happened in the Iraqi massacre. Pure and simply--the Russians shut the holocaust down to save for yet another day.

Since this goes along with our Journal material I shall take time out for discussion of this point. It is not JUST military power supremacy--it is real confrontation time in the Soviet Union. Gorbachev has led his

people into the entrapment of the Elite One Global Government headed by the Zionist Khazars who call themselves anything convenient to deceive the world. Gorbachev was given orders to stop the war for nuclear bombs were perched and aimed at each other, by both Iraq and Israel. The AGREEMENT was to have no NUCLEAR WAR before 1992--in the Middle East.

I care not what the media tells you--over 2 MILLION Iraqis perished in your bombing raids. Some of the most wondrous churches which have stood nine times longer than the United States has been a nation, were destroyed. You were told it was at the hands of Saddam--no; it was from the bombs directly targeted upon those ancient and sacred structures. The evidence is not public so you can get your hands on it for it has been gathered and buried as quickly as it is released. However, I ask now that information be written herein which will give you cause to "remember" that which was told to you--BEFORE THE STORY REVERSED.

On or about February 4 you were told that a church--some 1,900 years old and claimed by many to be the oldest church in existence--was heavily damaged in air raids.

The story was ignored by the Establishment media and only came forth from underground papers and word of mouth. The media was ordered to hold the story. But you see, these things are precious within the Arab world and the news was a shock to the Arabs and it made the news of the day. Headlines in Jordan screamed objection that St. Toma (Thomas) Cathedral in the ancient city of Nineveh was destroyed. Nineveh was a remarkable city associated with

the walking of the one you called Christ--and prior.

The story has now been confirmed by the Vatican. The church was some nine times older than the United States and there is much anguish for now there are pictures and the destruction is awesome. Vatican spokesmen stated: *"Iraq's oldest Christian church was severely damaged by an allied bombing raid in late January. St. Thomas Church near the northern city of Mosul (across the Tigris River from the ancient city of Nineveh) was practically destroyed by bombing."* You can check it for yourself, the spokesman was Joaquin Navarro-Valls of the Vatican reporting to the Catholic News Service.

The U.S. Pentagon remained mum as reports streamed back about St. Thomas Church, along with Islamic (Christian/Moslem) shrines in other Iraqi cities, being destroyed or badly damaged in targeted raids.

Navarro-Valls said the Vatican was able to confirm through its own channels that the church was bombed. He said the roof was blown away and massive destruction was throughout the structure which remained standing.

This one church in focus herein is located in ancient Nineveh, the ruins of an ancient capital of Assyria, about 120 miles north of Baghdad (about 140 miles north of ancient Babylon). The site is near Mosul, a major trading center and birthplace of Iraq's Chaldean Catholic Patriarch Raphael I. Bidawid.

Your California State Senator, Wadie P. Deddeh, a Chaldean Iraqi-American, told a local Catholic newspaper, *"We don't know how many people are be-*

ing maimed, injured and killed in the bombings. I pray to God that someone with Christian compassion will start to speak out as they (the Iraqi people) begin to bury their dead ones. But I don't see any compassion."

The most "telling" portion of this story is that which was given unto you-the-public. You were told that Saddam had ordered the bombing himself. You were told a whole bunch of garbage and I become irate at the acceptance of such as if you had one-track vision. It was the bombing of the Holy places which caused the Iraqis to hold the really destructive weapons. It was felt that it would become evident that they were NOT sending all the Scuds which were being fired--but alas, the media is more powerful than the truth.

In "holding off retaliation" Israel demanded the bombing of certain sites--those of the shrines and churches. I warn you ones again--the Anti-Christ will wipe every sign of Christian belief from the planet if possible--and by any means possible. Are these the precious Judeans of God? Of course not--they have no blood connection to anyone remotely referred to as Judean.

There is no such thing as "right" in war but to blow away an ancient nation and the civilians therein is heinous beyond anything I can imagine. Saddam Hussein is ONE man--no more and no less, and to slaughter men, women and children under the guise of "getting Saddam" half a world away from you and no threat unto America in any manner what-so-ever is beyond heinous; you simply have no words for the truth of it.

Precious Linda, do you see, dearest one--that it is hard for

me to respond to your "miracle" through Love and Prayer? Do you see where God is placed by man? Who shall die and who shall live? Your sons or theirs? Is it a "miracle" of "Godness" to the grieving and still dying nation of Iraq? **THERE ARE NO WINNERS IN WAR--WAR IS EVIL AND THERE IS NEVER JUST CAUSE FOR WAR--DEFENSE IN FACE OF DEATH IS HONORABLE--ALL WAR IS EVIL.**

The Soviets stopped the war (in response to your inquiry) and you had to agree for you have not the military power of the Soviets, who, like you, have only continued massive increase in weaponry and space power. You could not even get your shuttle off the ground--remember? But yes, there is nothing more powerful than Prayer through honorable and selfless intent, through Love. It will be that which salvages your planet--through confrontation and recognition of TRUTH of how it IS. If you do not come up from out of the lies, you have no notion for that which you petition unto God.

My being is laden down with pain as I bring these messages unto you, my brothers and sisters. We write until Dharma's heart is bursting and the keyboard wet from our sorrow--but it is our commitment and our mission for it is ordained by God that you shall be brought into knowing. I, too, often plead to have this cup lifted from me for I see that which lies ahead and man awakens so slowly and often--when awake--cares not in the least.

As for your troops coming home, hold up your rejoicing for the ribbons and flags will be tattered and torn before these sons and daughters of your America all come home again.

SOME of your loved ones are coming home. You knew not how many were sent--over a million when you were told half as many. How many have returned? You see, you know not for in the great distraction and reveling there is no notice.

Where is Saddam? Is he really? Where are the weapons? You know that Baker has just been dealing and giving away more of your property and making concessions to Israel and now Assad in Syria. They are now pulling the most powerful terrorists together in order to control you who will object when you open your eyes, into forceful surrender.

As is coming in the Arab nations--there comes a time when the poverty and very lives in the living become so negative in oppression that death is preferred. That is when the world shall quake in her tracks for the people will ultimately rise against the offender and oppressor--remember: "From bondage comes spirituality, etc." You are in the Reign of Evil upon your planet. It was written thus and yes, you must act and act with intelligence--but you cannot act if you know not what against nor who is your enemy and refuse to accept same.

Yes, I am aware that our messages are of such magnificent and overwhelming import that they have an adverse effect on some readers--through fear and hopelessness. However, I must continue to give forth unto the strong and allow the weak to gain strength in their own time for the moment is at hand for the unveiling and so shall it come to be that Truth be laid bare and the beast revealed for he has all but devoured your civilization and destroyed the wondrous Mother Planet as well in his greed and need for blood

and destruction. I shall not back away in order to offend no one--I shall continue to pour forth Truth until the cup of lies is emptied.

My brother, whom you have called Pale Prophet, Jesus, Esu, etc., (the Christos now Sananda), travels in my presence upon the craft of the golden wings of the Phoenix craft and he is giving forth explanation of the commandments as originally presented in truth, as well as setting the words to right which have been changed by the deceivers. That will come forth to you as it is readied for the printing. It shall come from another scribe so that you ones can better find balance of acceptance and Dharma cannot bear this burden alone--the load is too heavy in your trap of "time".

As to your "business", Linda. Do not think that anything has changed greatly in the "business" world. They plan to take it all from you-the-people and I cannot project that which will be by July nor would I make projection if I could. The shackles are tightening daily behind the distractions. You are getting ready to be dumped on again--an additional \$30 BILLION was just poured into the S&L RTC. Your banks are being shifted to central banking under the claws of the "Big One"--the entire thrust is to structure the entire world (and it is under way from Employee/Pension benefits to Health Insurance) under one form of operation. The plan is to move out of the U.S. in massive evacuation to places where labor is cheap and no problem, leaving America to pay the price and be reduced to willingness to come under the PLAN. This is all set to be in place and operational by year 2000. So you see, time is running on the clock

and windows of opportunity are likely to be brief at best. You must each take that which we can share with you and then go with that which seems right in action--I can do no more and certainly my human counterparts who take this additional load unto themselves in service unto you readers, can do no more than offer and serve.

May I, herein, take opportunity to give a humble "thank-you" to one who has gifted our publisher with funds to send volumes of information unto some 170 legislators in the state of North Carolina. He has asked for silence as to resource but we of the brotherhood of Hosts, thank you most gratefully. I ask that California State Senator, Wadie P. Deddeh get as much information personally, as you can send to him--immediately! George, will you see to it, son? You ones tend to forget that the Iraqis, too, are your brothers and fellow-citizens and the pain is beyond belief for these brothers for they have not been pulled away so completely from family and tradition as have the generations of Americans under constant attack and deceiving.

How can it be that the most wondrous nation in the world has come to be the most feared and abhorred? The rest of the nations can see that which has come to be and hold only love for you-the-people and feel great sorrow for you for the veil has not been drawn so tightly as to blind others as has been done unto you.

Be aware of that which is coming in getting you prepared--every day now, they are telling you NOT to expect the rest of all your loved ones home for this or that reason, in Iraq. They are telling you openly that it will be a long time before you can have your loved ones back--

LISTEN TO THAT WHICH THEY SAY TO YOU!

EXPLOSIONS, CRASHES AND DISASTERS IN THE U.S.

Think you that all the mysterious crashes and petro/chemical company explosions are accidental acts of nature? Come, come, beloved ones--do not tie the yellow ribbons into blindfolds--you are under attack in a most insidious manner and the facts are instantly covered to insure no panic while the "Elite" come to understanding. You are getting some follow-up lessons of hand-slapping for launching a Vandenberg missile and an Arian French rocket with your military satellite aboard last week. The government knew EXACTLY where the retaliation would be to the place and minute. The enemy you do not yet perceive has incredible abilities at command.

Now, Dharma, print the second letter please, the one asking anonymity within the press, from Dr. C.J.M.

"March 10, '91

"Dear Hatonn,

"I want to confirm your allegation that the news media is completely controlled. I was "shocked" when this happened on commercial TV, but it just confirms what you said and if there are deletions and manipulations of facts on this one incident, then I can imagine what goes on on a large scale. A few weeks ago, right after the ground war started, there was a plane crash at Los Angeles International Airport. RIGHT AWAY WITHIN MINUTES, ON THE SPOT, reporters were there talking

to witnesses, live in person and witnesses over the phone. At least five witnesses said that they heard a "POP", an explosion and there were large flames engulfing the tail section 10 - 20 miles away from the airport from where people were watching from their apartments. Later on--on the "regular" news hour and the days following, nothing was ever mentioned about this and it was blamed tally on airport controllers and the congested traffic. Sincerely, CJM."

I believe this speaks clearly for truth in reporting. I can give you more personal information. On the following day from that "crash" my scribe was in L.A. and "happened" to bump into a young reporter from one of the L.A. TV channels, who is a friend of Scribe's son. He had been on "duty" all night from the moment of the crash and never left the site until 20 minutes before the encounter. He said that all information was censored and "no-one" could "or would" say what happened but it appeared the smaller plane underneath was NOT in the flight path but actually off to the side of the runway--so something was badly amiss and reporters were simply not being given information. I believe we all know what happened! Dear ones, if you allow yourselves to be sedated--then I hope you sleep well for you are in the midst of it--you are losing your nation and your freedom. So be it.

I need my Scribe elsewhere so we shall bring this to a close. When we write again, we will pick up with the Journal, Dharma, but I needed to respond publicly to these two writers. Thank you.

I wish to acknowledge some incredibly interesting information which continues to flow from a group who has done great research into these adversary groups of which we are writing, and in addition, are unearthing great control having been inserted from the Vatican/Papal source. Indeed, dear ones, we will get there also, for do you not see? It is all of the same. Evil has usurped every place of Godness and is now bringing into final unification, the Elite Plan. Dear ones, I cannot speak strongly enough--you are in grave circumstance and I plead with you to see and hear for the time is at hand for that which you have been expecting for lo, these generations. The time has come for the revelations.

Salu,

Gyeorgos Hatonn

3/14/91 HATONN

Dharma, who told you the road would be easy and the rose without thorns? Precious, the thrust of spears and arrows can only confirm that our work is Truth. Would we quit when the gossip pains? How else can we give Truth without repeating that which is already told in Truth? Are we evil for using the dates on a calendar? Please, can you not see of the humor in this latest tattle telling? Yesterday you were in pain for they denounced us as "anti-Semitic" and now, today, from Florida comes the news that we are considered "Jews" and untrustworthy? Don't you understand that one does not kick the dead dog--Truth is reaching its mark and we have a job to do. Ours is to bring the word and build that which we can in the time given us through Grace. Ours is to serve God of Holy Light, Mother/Father Creator and what humans--who believe themselves

to somehow be Judge and Jury, having not even read our work--think and say shall not cause us to stumble.

If we offer the "way" to better manage in this time of chaos and usurpation of your Constitutional freedoms and offer ways of protecting selves--then we are greatly serving according to the needs of God's people. We petition hearing, we force nothing on anyone and we offer all that we have unto anyone who will partake--beyond that we solicit nothing and therefore, chela, you must rise above the prattling. I further suggest that if the person in Florida is having great difficulty in deciding that which to do with her funds of great size--hold them if she wishes and, further, I suggest that you decline to take them for whatever reason.

You ones who would offer services as requested must realize that ones who search and ask of every man his/her opinion is self-unfulfilled and at great confusion about Truth. Do you not see that ones would prefer to play at games with magical tokens than deal with the dreary truth of God's actual coming again upon your wondrous place? It remains far easier, still, for the camel to pass through the eye of the needle than for the rich man to find his way into God's kingdom wherein riches are not of empty Federal Reserve Notes. And YOU must remember that that which you did not ask nor accept--is not a gift nor a bonding. Therefore, what is the problem? Those who offer and then take back and hold and play games are not acting in truth but in indecision and false projections. GOD DOES NOT TEASE WITH HIS GIFTS, GRACE, TRUTH OR LOVE and lesser from a fellow being, Dharma, is not a gift worth the holding for

the price of the "free" gift is far too expensive. Bless these ones who cast the spears for theirs is simply an inability to see clearly through the muddle of circumstance.

We bless ones for their original generosity of spirit and then we go about our work. A person who befriends and acclaims you on one side and then denounces you in secret behind thine backside--is not a friend, chela. It does not mean that we deny the honor and respect of that which they accomplish in worthy work to fellow-man. All are precious in our Father's eyes and the intent was meant well in the beginning but that which was not even solicited, but rather, offered and then withheld is nothing from onset--do you see? You are simply weary and the blows are a bit heavier but I ask that you release it unto me for I have very broad shoulders and I can carry the both of us without huff or puff--so be it.

I ask that George relax, one BC has been at his work and you are only having a replay of "slimy pukes", "Zionists unmentionables", "they are in collusion with the little gray aliens," of which they know there are NONE, and, "GG is with the CIA", etc., etc. It is simply a rerun--nothing more. TRUTH WILL STAND ALL TESTS AND ALL TIME WITHOUT DEFENSE OR QUARREL.

The quarrel with ME is not of using another's material--in all cases thus far (both) are in a state of fury because I denounced both as presenting false information. Both in point claimed others had stolen their material long before I came upon their little program. It is the "gray men" who are the problem to you ones--not little gray aliens from out there some-

where--the evil is already well settled in upon your place and in full control and moving full-steam ahead. The other information which has fallen to question was presented to bring the ones into the open--there are no great secret anythings ("orders", etc.) in God's Holy places and no select ONE to speak for God.

Now, if you turn from your commitment unto God and cast back his gift unto you of the receiving of his Word--are you not worse than thine enemy who calls you false? Let us think on these things together--later, for now we must move on with our work. Thank you.

We honor without hesitation those who have given unto their fellow-man that which they have to offer in truth and I bow in appreciation. We are not playing games of tiddle-de-winks, beloved children--you are in the final days of decision. It simply is the way it is and all the bantering and objections shall not change an iota of the fact. Further, we shall wait upon God until HE says the time is correct and not one moment before. Salu!

SPEAKING OF LIES - -

No one likes their lies uncovered, chela, and in that position now sits Mr. Cheney who expounded on the information of the bombing of the sacred places by Saddam's own orders. We were rushed this morning and there is a bit more I need to add to that dissertation.

Along with "proving" the self-bombing of the sacred places came simultaneous "proof" of this fact by showing you planes which Saddam had "parked" by the ancient pyramid at Ur. Now, let's look at the truth of the situation--now presented by

an archaeology professor who was asked as an "expert witness" on Mesopotamia in a National Public Radio interview on Feb. 14. He exposed the lies of U.S. Secretary of Defense Richard Cheney on the ancient ziggurat (pyramid) at Ur. He reported that the aircraft allegedly placed at the site of the pyramid by Saddam Hussein to prevent the U.S. from bombing them were actually located on an airbase which has been there for 30 years, built by the British Royal Air Force.

As to Mr. Cheney's claim that the ziggurat had been continually occupied for thousands of years, he noted that the site had been abandoned by humans since before the birth of Christ.

Cheney's description of the ziggurat, an archaeological treasure dating from about 2200 B.C., as a model for the Egyptian pyramids of the First Kingdom, presents a slight problem, since the Egyptian pyramids were constructed 4,500 years before the Mesopotamian ziggurat.

He also said that if any first-year archaeological student ever turned in a paper containing this nonsense, it would have been passed around the department for laughs and the student would have "flunked".

Let us turn to work on the Journal for a while this evening for the historical data must be put forth before we can handle today's muddle very well. I shall not fail you, chela, and it shall all be made clear in its proper time. Blessings, too, unto our precious little sister who pens for the Master Teacher and unto our brother who serves Him also, for the journey is hard, too, for them but God shall see unto the rewards and you ones stand worthy in His sight and,

therefore, none else can touch of you.

ROTHSCHILD'S MONEY

Jacob Schiff had been chosen by the Rothschild interests to come to America with several objectives, the major one of which was to control your Money System. The Rothschilds knew the importance of this and at one time, Meyer Rothschild, the head of the clan, was reported to have said: "Give me control of the money of a country and I care not who makes the laws."

In 1908, Schiff decided that the time was ripe to take charge of America's economy. His chief agent for this seizure was a man named Colonel Edward Mandel House who was a close friend of Woodrow Wilson and who would later become his Presidential advisor. House had spent his entire adult life as an agent and courier of the Schiff enterprises and had worked closely with Bernard Baruch and Herbert Lehman, two more of the most influential of the conspirators. In the fall of 1908, these conspirators met at the Jekyll Island Hunt Club, located on Jekyll Island, Georgia, and owned by J. P. Morgan. This was to be a "top secret" meeting in which they would lay the final plans for the money takeover.

Among those present were J. P. Morgan, John D. Rockefeller, Col. House, Senator Nelson Aldrich, Jacob Schiff, the heads of the New York City International Banks, Eugene Meyers, Herbert Lehman and Paul Warburg--in short, all the important International Bankers in the United States all of whom were also in the Illuminati hierarchy. So secret was this meeting that the regular employees of the Hunt Club were dismissed during the meeting, and cooks,

waiters, butlers, security personnel, in fact all help, were people who were trusted by the conspirators.

After a week of business and revelry, they emerged with a plan which they called THE FEDERAL RESERVE SYSTEM. Senator Aldrich had the honor of being picked as the "stooge" who would "railroad" the Act through Congress. They held up on putting this plan into immediate action for one reason. First, they had to plant one of their men in the White House. He had to be a man who would be completely subservient to their desires. This was necessary so that he could sign the Federal Reserve Act into law. They knew that even if the Congress passed it, the President would have to sign it and that if the President were to veto it, there was too much chance of their plans for money control being revealed.

They found their man in a 67 year-old Democrat from the State of Virginia. Woodrow Wilson became President in 1912 and immediately after his inauguration, Senator Aldrich began the process which would make the FEDERAL RESERVE ACT into law. Wilson waited impatiently in the wings to do the bidding of his masters and sign the bill. On December 23, 1913, when most of the Congress were home for the holidays (sound familiar?), the few remaining, mostly those who had been "hand picked" for the purpose, passed this treasonous bill which has become the "greatest money scam in the world's history".

To give you an idea of how heinous this act really was you must understand that your Founding Fathers realized the power of money. They knew that whoever held this power

would control the country so they were extremely careful when writing the Constitution to set forth in writing that only the elected representatives of the people would have the power to coin the nation's money.

The Constitutional language was brief and concise. It was plain enough so that the average citizen could understand it without the interpretation of some lawyer. In Article II, Sec. 8, par. 5, you can read--and this defines the power of Congress: "to coin money, regulate the value thereof, and of foreign coin, and standards of weights and measures".

On that tragic day in December, 1913, a Day of Infamy much greater than anything the Japanese could do to Pearl Harbor, the men you sent to Washington to protect the Constitution from all enemies, without and within, delivered the economic destiny of America into the hands of International aliens (gray men) who hate you and everything you as Americans stand for.

Today, almost 80 years after this act of treason, most Americans believe that THE FEDERAL RESERVE SYSTEM is part of the American Government. They have no idea that it is governed by Federal Banks, whose heads are aliens, who are members of the International Illuminati conspiracy.

Who are these bankers? According to sources who are quite reliable, in Switzerland, the following banks hold the controlling interest in THE FEDERAL RESERVE SYSTEM. They are all Jewish owned and/or controlled. In their order of importance they are:

1. Rothschild Bank of London and Berlin.

2. Lazard Brothers Bank of Paris.
3. Israel Moses Seif Bank of Italy.
4. Warburg Bank of Amsterdam and Hamburg.
5. Lehman Brothers of New York City.
6. Kuehn-Loeb Bank of New York City.
7. Chase-Manhattan Bank of New York City (David Rockefeller)
8. Goldman, Sachs Bank of New York City.

PLEASE TAKE NOTE THAT THE FIRST FOUR BANKS ARE ALL FOREIGN BANKS IN LOCATION AS WELL AS ORIGIN AND OWNERSHIP.

Approximately 300 people who are closely associated, many by marriage, own and control this system by holding stock or shares in the system. They control an interlocking, international banking cartel of wealth beyond comparison, most of which has been stolen from the working man of America through their Federal Reserve System.

How does it work?

First, the U.S. needs, say, a billion dollars to pay bills. Secondly, it notifies the U.S. Bureau of engraving to print one billion dollars in U.S. Bonds; Thirdly, the U.S. Government delivers the bonds to the Federal Reserve Bank as Promissory Notes. The U.S. Government promises to pay for these, its own Bonds, when they mature; Fourthly, the Federal Reserve Bank deposits these bonds, for which they paid nothing, with the Comptroller of Currency; and then, the Federal Reserve then receives one billion dollars in Federal Reserve notes, the currency you now use, in various denominations--thinking it to be "money". THEN, NOTE

HOW YOU GET "HAD":

The Federal Reserve Bank retains ownership of the one billion dollars in bonds, which it received free of charge.

The Federal Reserve notes are now distributed to member banks, so they have money available to pay the bills of government, cash government checks, cash checks citizens have received, make loans to citizens, etc. (Please note that under present banking laws, member banks can loan out some twenty times the amount they have on deposit--over and over and over - - -.)

Then the Federal Reserve Bank receives interest on its bonds, for which they paid nothing, note now how they laid it on you good people!

First the Federal Reserve got a billion dollars for nothing. In the meantime they get interest on the bonds they got for nothing and when they eventually cash them they get the money again. Now we are speaking of a mere "billion"--your government now deals in "trillions". For example, you borrow tremendous amounts each year so that you can give it away in foreign loans--mostly to nations that despise you.

It has been said before, most wisely: "It will only be as decent people in America, who are concerned for the well-being of our nation and our offspring, and wake up from this 'near fatal sleep', into which the conspirators have hypnotized us. Can these powerful conspirator's be smashed? It will only come through the HELP of Almighty God, and the repentance of His people, so that He will, once again show mercy to us." Thank you, Jack.

If you believe these conspirators are content with the control of your money, you are miserably in error, and you are in for additional shock after shock after shock.

Here is where the real rub comes into play. While the Federal Reserve could control America's money, there was no way it could touch the earnings of the American worker, because your Constitution expressly forbids it--BUT---**SNAKES IN THE WOOD-PILE!**--you simply got stabbed with a plank out of the communist Manifesto--IT WAS CALLED THE "GRADUATED PROGRESSIVE INCOME TAX". This would lead eventually to the *complete confiscation of all private property in the nation and the complete control of each individual's earning power*. However, such a tax could not be brought about without an amendment to the Constitution.

BUT, as they had done with the Federal Reserve Act, these same traitors, with the same President, arranged for the 16th Amendment to become the law of the land and they "hoodwinked" the American people into accepting this absolute control over their earning power.

A little research will show you that most of the Congressmen who voted for the 16th Amendment knew very little about it because only two had even bothered to read it before they voted it into law.

MAIN EFFECT OF 16TH 'AMENDMENT

The main effects of this Amendment--which was never supposed to rise above 2%, or so the American people were told--went into effect during World

War II, when President F.D.R. applied a 20% withholding tax on all small wage earners, and up to 90% tax on higher earners. Of course, the conspirators had planned for this and were protected in their Tax Free Foundations. F.D.R. promised faithfully (read his lips) that the tax would be lifted when the war ended, but his promise had no truth behind it any more than the promise he made that he would "...never send American boys to die on foreign soil".

It gets worse, so don't go away. The 16th Amendment never touched the earnings of the immensely rich. This is why a few ears back you saw Nelson Rockefeller, with yearly earnings of somewhere around \$26-million, pay an annual tax of \$216.00.

The conspirators protect their wealth while they rob you of yours. These foundations, which were supposed to have been set up of humanitarian purposes, became the "hot beds" of sedition and radical communist activity. The disobedience of the Vietnam War era was funded by the Foundations who gave "aid and comfort" to those who were trying to tear apart your Republic. This was all a part of the Master PLAN.

These Foundations funded civil disobedience, the rights to spread pornography; the rights of doctors to murder millions of unborn babies; the rights of homosexuals and promiscuous persons to spread deadly diseases--and the list is too long to list herein and we would simply again be called bigots.

A good example of Foundation funding is the Ford Foundation which finances the CENTER FOR DEMOCRATIC INSTITUTIONS in Santa Barbara, California. This is commonly

referred to as "Moscow West". They have organized the "New States" and the "New Constitution".

Those are the Foundations--but what happens to the billions of dollars (credit) which are confiscated from the pockets of you hard working Americans? The major bottomless pit is your Foreign Aid, which now goes directly to your proclaimed enemy as well as the other old stand-by "friends". The largest lump goes to finance Israel. Where does it come from? Your government "borrows" annually multi-billions of dollars from the foreign banks, paying a high rate of interest, so that they can turn around and give it away to nations who do not even like you nice people.

BETTER LISTEN-UP TO THIS NEXT

Do you realize that you nice American taxpayers footed the bill when your military left Vietnam *and left the naval base at Camhran Bay INTACT? Over \$2-BILLION worth of your most sophisticated military equipment was left behind for the communists. Do you think this sort of thing happened by accident--without even disabling it? Your fighter pilots had to watch their buddies shot down by your own weapons and technology which YOU had GIVEN to the Soviets. Further, they were ORDERED to dump their bombs in a rice paddy, when they were given ORDERS NOT TO HIT AN ENEMY SUPPLY DUMP.*

There is simply rotten and sordid play afoot, dear ones.

These are things that must be considered if you are to understand the decline of your nation. As you watch family decline it moves from one facet into the

next with hardly a notice. Look at that which has happened to your judicial system. Justice? You no longer have anything that resembles a "Justice" system. You have Admiralty law with little recourse, run almost entirely by Zionist lawyers and Judges. Again, I can only suggest you re-read the Zionist Protocols. I suppose I should ask the staff to reprint the Protocols for it is so difficult to comprehend that which has come down on you. As America, and the world, has plunged ever deeper into moral decay and moved further from the TRUTH of GOD and away from HIS laws, it has become common to see the legal system used for legal plunder, whereby millions of Americans sue millions of other Americans over some small perceived legal technicality or imagined offense, simply in order to plunder the financial wealth of the lawsuit's target.

Tens of thousands of laws on the books and a myriad of legal interpretations have made this legal plunder by greedy individuals and lawyers, one of America's top economic realities. Virtually all economic, social and human endeavors in America are predicated on "what is the potential for a lawsuit". Every doctor, lawyer, accountant, businessman and person of any financial means must live with the constant fear of a lawsuit that will decimate his finances. It is part of your socialist, something-for-nothing mentality in your nation today, that someone, anyone, must protect you from all physical and financial harm. So, suing people has become your top growth industry, and hundreds of thousands of lawyers exist primarily to encourage, exacerbate and facilitate this process. A bit of comparison might give you cause to ponder: America graduates one hundred times

more lawyers than does Japan, and Japan graduates one hundred times more engineers than America--which country is doing better at the "drawing boards"?

Decades ago, liberals, secular humanists and communists/zionists began to move into your nation's law schools in order to socialize and move the country to the political "left". Today, most law school graduates are liberal and it is all but impossible to find a conservative law school, lawyer, or judge in America. The thrust of these judges and the vast majority of your politicians have one primary goal--to pass more laws and change the face and character of America and move it into the PLAN.

The result of this liberalization is a completely broken-down criminal justice system and one which encourages crime and harasses businessmen, conservatives, Christians and the producers of your country. This thrust has resulted in tens of thousands of man-drafted laws being placed on the books which harass and restrict the average American, curtail his freedoms on an accelerating basis and have become the foundation of a government bureaucracy which wants to control and dictate every aspect of your lives--and does so to great, great extent.

Dharma, it is well past midnight--please let us close this segment and we shall take up with more on the legal system when next we write. Thank you, chela, for your long hours and I am humbly appreciative of all of you ones who get this work on to your brethren. If we walk in love and giving, we shall complete our journey together in wholeness. Let us not be bent by the attackers for if we hold our truth and unto one

another the shield shall not be pierced! In the shelter of HIS ALMIGHTY WINGS SHALL WE DWELL FOREVER AND EVER, AMEN.

Hatonn to clear, please. Walk in peace and KNOW that we are knowing of the "way" and so shall it be that we shall find the way cleared as we have need thereof.

3/15/91 HATONN

HONOR AND BEAUTY

Hatonn in communion on this blessed day given us in which to work at our task. Let us turn from that which is ugly and hurtful and unto the beauty which is God's gift of precious gems beyond all price. Look upon the wondrous shield of snow about the trees and fields and see the budding flowers thirsting for drink for they have long been without water.

Enjoy the parent birds and fledglings as they feast upon the seeds Oberli has spread about for as you serve unto the least of "...mine, shall ye have served unto me". Listen to the sound of the shovel upon the walk that ones might come and go in safety--all of these things, dear ones, which seem so trite and small ARE THE THINGS OF GOD'S PERFECTION. ***Bless thine eyes given that you might see and the ears given that ye might hear--do not miss the fragrance of the rose as ye are paused to see its beauty.*** And then, turn to the wondrous perfection of MAN and let us reach out together to hold the hands and heal the minds that Man again function in that original perfection--for he knows not that which he does.

A MESSAGE FOR EUSTACE

I honor one, Eustace Mullins,

for in the tattlings come the need to pause and confront that which we say and do. If we are not called to look within then we become lax and perhaps sloppy from the frustration of the slings and arrows. Always know that that which can be considered "criticism", be it true or false--is the greatest of blessings for it brings us to attention and if we accept it with Grace and seeking of Truth, we have been given a gift beyond measure. Walk easy, friend, for the Hosts of God are not easily dissuaded nor turned aside and quite readily see beyond that which is spattered about by frivolous words. Do not, either, bend in your accepted task for the masses do not yet understand their plight and it requires all of us scribbling and shouting and then the few who see and hear shall turn into the many. You would not be doing your elected job in truth if there were not those who would silence you!

Take attention, EM, for you are the targeted prize of ones who might well not be in your planning. Hold to your own wise counsel and tread gently for quicksand appears as any other sand--only softer and finer.

AND T.D.

Next I would attend T.D., my friend from so long past that I would shock the readers--and still we disagree on some intents and purposes. Do not be so blind as to believe that the higher beings who come and go are devoid of passion or thought nor holding of ALL answers--for those must ultimately come from within self. T.D. and I have debated the question of the Akashic records since times long forgotten. I do intend to "pull rank" for as ones upon your placement know, I am given into the Cosmic task of

overseeing the "records". The records in point are the prana data recordings of EVERY energy within the Universe. After moving into density of such compression as is Earth, for instance, the perceptions become but tunnel vision and yet, knowing that you know but unable to grasp the whole, the being finds frustration. For you who dabble in this subject material, you will better recognize the subject by "Akashia" or Akashic Records.

T.D., you debate in that "one of greater importance than you" had your record removed from the Akashic records. Please do not continue with this delusion. You might well have been removed from the accessible records for universal access--but NONE--NO-THING--is removed from the records of life streams--except at one time in the cycles of universal sequence--in the Seventh period of Life Creation--the resting of the cycle. This "twilight sleep" of the creation LASTS THROUGH SEVEN PERIODS/GREATTIMES (See THE PLEIADES CONNECTION). This period last about 311,040,000,000,000 years as you of the Earth human would count the annual rotations. In the twilight state of CREATION all life and the whole universe simply cease for this moment in "time". You can equate it to the simple deletion of both time and space--a brief void of total rest. It is a time of no-thing, as all simply lies sleeping within the infinite bosom of the CREATION and null-time. While no creating thought exists there is no force, no time, and no space--there is only duration in a nameless state of total rest.

From this sleep comes the awakening and beginning of creating in the Creation AS CREATION, during the on-

coming seven periods. Then the creating of living forms, the Creating of new Spirit in improvement of the CREATION, the Creating of great Spirit within the CREATION and then the true "life" AS spirit in self-creating, etc. Then finally, again, the great separation but highest improvement of and during the seventh period.

Many have been called again into service for various reasons, from this state of rest to serve again in various capacities at the time of great transitions for moving into this "Greattime" is when the spirit is gained perfection and the records are begun anew.

Please do not consider that you have ACTUALLY been removed from the records of Universal All--for that would indeed be ignoble and a most heinously unacceptable act if it were at any time, possible. It is a matter of fact that ones, for various reasons, of God's choosing, can and are removed from that which is referred to as God's Book of Life. That, too, is a most terrible circumstance.

I know that you know these things for you debate in secrecy. You do not pronounce WHO tells you this thing and only state that "you know, Hatonn". Do I? Why would I? There are billions upon billions of spirit forms about the Universe. Next, you continuously ask my opinion of things, persons and writings--If you were comfortable with the total Truth as given unto you--would you inquire of me? What think I of this or that "channel" who speaks and writes for Enoch? If it be Truth, I commend it--if it be false, I do not. I found the information you sent mostly accurate and I shall take it a bit further at another writing, for it is totally without understanding

as it is stated for it is only intended that specific ones understand such grid systems. Now, to place within the equation, the frequency resonance at proper arcs, etc., you have a major puzzle piece to fit within your tapestry--but do not push the river for it is all but flowing too fast at present and technology has outrun the masses who must survive within the chaos. I do not mind "...coming down from my soapbox", but I do have passion and I do enjoy a good debate--I did not say argument--I SAID DEBATE. You, elder brother, ARE quite special--why would you take offense? So be it.

AND BELOVED WALLY G & MARGARET

I shall now turn to Wally Gentleman, a beloved friend and tireless worker in great negative circumstance of health. He has sent more of Sipapu Odyssey in draft and we are exuberant over the production as it unfolds. Equally are we warmed as contacts and wondrous friends are brought forth to share talents and beauty. He brings to our attention Barbara Harris who has done tremendous work in Near Death Experiences. This is a most worthy responsibility to undertake for through the lessening of the terror of the transition will come the allowance of the beauty of growth and immortality. This work is indeed blessed.

Then he shares with us his visit with Mel Bucholtz, a psychotherapist of excellent repute--as a trans-induction mind therapist. This is where it is AT, beloved ones. Within the mind lies the wonders and miracles of the Universe--all there for your taking, the gift of gifts.

Wally sends a copy of a message of truth penned by this

beloved and gifted person. We shall share it with all of you in just a moment. First I wish to tell Wally, that ones will be at work in acquiring the material you need and listed for you must have credible resources for our production must bear that which reaches, with reality through mental acceptability, into and becomes one within, the beings of each who witness the visual experience. The presentation WILL be accepted as a Divine solace for the searching and restless spirit of man, and as it is written and presented in such Love and Brotherhood of Godness and Truth--shall the fantasy become reality. God rests His hand upon thine work, friend.

Dharma, please print the beautiful and thoughtful sharing of the spirit of Mel Bucholtz that our brothers might pause and take respite from the dregs of that which we MUST present for there is such GREAT TRUTH within these passages:

THE BODY IS THE LANDSCAPE OF THE MIND

*The body is the landscape
of the mind;
where the dramas of our
early life
are still happening
or have become a kind of
rich preparatory engen-
dering compost--
the vastnesses remembered
as the fruitful fields, val-
leys, marshes,
and desert of wisdom
standing behind us as we
are here now
present in this way
in the moment of our lives.*

*It is a land
where the placid and awe-
some features
of the yet undiscovered
wilderness*

*are wildly flowering from
within themselves
for our unexpected future
explorations.*

*And as we grow
out of our more infantile
and fearful selves,
we wander into these un-
known landscapes,
transformed into those
sleek, feathered, scaly and
wooly animals
we really are,
the ones we are both able
and needed to be
to live in those wilder, more
ancient,
unknown future parts of
that farther
uncharted dancing, tin-
gling, glowing,
purple thunderous, gentle
and softly rivered terrain of
ourselves.*

MEL BUCHOLTZ

Oh, would that things were in perfection that I could take nothing from the troublesome of experiences and personalities and share one with another, only the wondrous appreciation and joy gleaned from our brotherhood. I would rejoice if I were given time to speak of nothing negative or painful--but only of the joys ahead and the glory awaiting--but alas, that is not given unto me at this sequence for I am given task to alert you to how it IS. I do take respite to give unto all of you who commune and communicate with us--my humble appreciation and gratitude. You cannot know how precious is the thoughtful piece of art of a heart and two doves sent quietly and without label, to Dharma and the personal silent sharing when most often they are sent and there is no way to respond. The handstitched notebook is cherished and I shall tell of her se-

cret for you deserve to know, ye who share with her. As things are painful she gathers the precious things and sits for a while with them in presence with the lovely flowers given and renews again into balance. No-thing great or tiny is passed lightly by--the rainbow pin, the flag with its bit of yellow ribbon--these are the stitches in time that save the robe from falling apart.

There is no way suitable to give appreciation to you who send confirming information, books and observations--along with very dangerous material, such as a most daring young man just sent unto this place--the inner working manual of the Masonic Order. This to give confirmation that that which we project is Truth and can be found in great confirmation--it is difficult for a scribe, for they work in the silence of ignorance just as do you readers.

It is not easy for a young and beautiful child to write of the Commandments of God, when her cup is as filled with sorrow and dismay as is all of your cups. There is no magic to receiving such information--for these ones would rather play in the ignorance of that which is abundant income, beautiful "things", luxury and participate in that which is touted to be so much "fun". The human rebels at Truth for it represents limits and depravation of that which is **touted** to be so grand. But you will find spirits at peace and abundance of soul that reaches beyond all understanding of Earth limitations. When God has shared His Love and energy within thine being--there is **NO GREATER+NOTHING WHICH YOU CAN KNOW THAT CAN TOUCH IT--NOTHING, NO EXPERIENCE.** If you linger with God for long enough to share of His total giving and Love--ye shall never

again turn about--IF YE BUT ALWAYS REMEMBER! Ah, brothers, it IS the time of REMEMBERING HOW IT TRULY IS! AS THE TRUTH SHINES FORTH AND THE DECEITFUL IS BROUGHT FORTH INTO THAT LIGHT--SO SHALL THE EVIL AND DECEIT MELT WITHIN THAT LIGHT--UNCOVERED AND UNABLE TO SUSTAIN ITSELF. AS THE DARK CORNERS ARE ILLUMINATED BY LIGHT SO SHALL THEY DIMINISH UNTIL THEY ARE NO MORE--THE BEAST SHALL SIMPLY DEVOUR ITSELF. WHEREIN THERE IS BUT ONE TINY SPARK OF LIGHT--THERE IS NO LONGER DARKNESS! NEITHER CAN ONE WHO COMES INTO KNOWLEDGE MOVE BACK INTO IGNORANCE. HE CAN TURN DELIBERATELY AWAY--BUT HE CAN NEVER MOVE AGAIN INTO INNOCENT IGNORANCE. SO BE IT AND SO SHALL LIGHT COME FORTH UPON THE LANDS THAT MAN MIGHT MAKE INFORMED DECISIONS FOR SO IS IT PROMISED THAT IT SHALL BE THUS.

Most of your lives are about proving something, either to yourselves or to someone else. Perhaps if you cease so hard at the efforts of "proof" and allow the unfolding of Truth, it will come to pass in ease through the "allowing". Dear ones, that which you are trying so hard to avoid will NOT go away until you confront it and always, with God, you are stronger than anything which can confront you.

You have this moment--THIS MOMENT! IF YOU SPEND YOUR PRECIOUS MOMENTS IN WORRY ABOUT WHAT MIGHT COME TO BE, AND WONDER WHAT MIGHT

HAVE BEEN--YOU WILL IGNORE THAT WHICH IS. But, again, I must bring facts into your confrontation--Before you can break out of prison, you must first realize you are locked up and recognize who has locked you therein. A most funny thing happens as you become aware and conscious of that which IS--if you acknowledge you are unconscious, you are no longer unconscious. Ponder it.

And for you who persist in sticking your head in the sand-pot, one thing is for sure--you will get your rear kicked! You see, if you don't know what direction to take and continue in the sand-pot, you have not acknowledged where you are. AND MOST IMPORTANT: THERE ARE NO VICTIMS, ONLY VOLUNTEERS!

As a nation and as a people--if you are constantly being deceived and mistreated--then know, you are cooperating with the treatment. Ponder this greatly and see if you are cooperating with the adversary!

Dharma, I do not wish to take further writing on this morning. You have duty elsewhere and I would rest the souls a bit for the battering has been great. There are many very positive avenues of action in this time of confusion and force upon you--stop and regroup, re-read the possibilities of action, seek the avenues of privacy we have offered and the possibilities of actions within the system which can work in your behalf--we need stable, durable stanchions and that comes from a solid foundation of knowledge--if you know that something is wrong but ye know not "what"--how can it be corrected?

Blessed be this day given unto us for our work.

Salu,

Hatonn to clear, please. May the peace of God abide within, that we might serve with "out".

3/1/91 SANANDA

Greetings Thomas, Sananda present in radiance and service unto God. Let us continue with our instruction.

MUST DO

LET ME CLARIFY SOMETHING RIGHT HERE AND NOW. WHEN I USE, OR MY BROTHER GERMAIN USES, THE TERM YOU MUST OR MAN MUST, DO NOT MISPERCEIVE WHAT IS BEING SAID. MAN IS GIVEN FREE WILL CHOICE, NOW AND ALWAYS. HOWEVER, WHAT IS BEING OFFERED FOR YOUR GREATER GOOD ARE INSTRUCTIONS FOR RETURNING TO LIVING WITHIN THE REALMS OF LIGHT. IN ORDER FOR THIS TO TAKE PLACE, CERTAIN THINGS OR ACTIONS OR WAYS OF BEING 'MUST' OCCUR...AND THE PRIMARY ASPECT WHICH MUST BE GLEANED FULLY BY MANKIND IS THE RETURN TO LIVING UNDER THE LAWS OF GOD. Now that we are clear on that point, let us proceed.

NO AMBIGUITY

With God there IS NO ambiguity. To live in harmony and accordance with His Plan and His Laws is very clear. Always man wants to change these old and dusty Laws that no longer apply in the modern times in which we live. Oh yes, we in the realms of light can see how far you have come as we watch a once great nation of freedom bomb to smithereens a little sandy piece of land known as

Kuwait. Oh yes, we of the realms of light can see how far you have come when brother makes love with brother in the vilest of fashions, usually spreading disease therein; when married men and women sleep around on the sly to boost fragile ego needs to feel good enough about themselves to face another day...only to find that it doesn't work, doesn't fulfill, doesn't help bring greater union with the once loved spouse. Oh yes, we see how far you have come by rewriting God's Laws. THE ONE THING THAT MAN HAS NOT TRIED IS LIVING BY THEM!!!

TRUE FROM THE FALSE

Man must, yes, there is that word again, come into discernment of the true from the false. Is there ambiguity in what I am telling you? Is this difficult to understand? How so? It is a time when man shall come to know the true from the false and therein shall be great joy. To follow our instruction is the greater part of wisdom for what we offer is the ticket home. But most will sabotage themselves so that, for some inexplicable reason, they just can't make it...not worthy, too much guilt, too many sins...whatever. Always the list of reasons for not fully walking in God's Presence is endless. Fear and lack of self-worth do it, every time. It needn't be that way, beloved, it needn't be that way. Lend an ear. Sit for a while and hear what I am telling you. Look around you. What do you see? Is this the reality to choose for yourself? Is this the world you choose to experience in? If the answer is NO, then change it! If you seek to change it in the willful way of ego/self, it shall remain unfulfilling in the ending. But if you change it within the lighted Presence and Guidance of GOD, in accordance

with His Laws...you shall be blessed beyond measure. So be it.

FALSE PRIDE

PRIDE GOETH BEFORE THE FALL...EVERY TIME. FALSE PRIDE IS SATAN'S WEAPON TO BRING DOWN GOD'S WORKERS WHO ARE PROGRESSING. PUT AN END TO THE PRIDEFUL WAYS ELST THE LESSONS NOT BE FULLY LEARNED. THERE IS NO PARTIAL LEARNING IN GOD'S KINGDOMS...ALL LESSONS ARE LEARNED COMPLETELY BEFORE THE NEXT IS OFFERED. LET ME USE GERMAIN'S EXAMPLE HEREIN. TAKE A DAY, ANY DAY WILL DO, AND FROM THE BEGINNING TO THE ENDING OF THAT DAY, MONITOR...HONESTLY NOW, FOR THERE IS NO CHEATING IN GOD'S REALMS EITHER...YOUR PRIDEFUL WAYS. IF SOMEONE TELLS YOU SOMETHING, ARE YOU IMMEDIATELY DEFENSIVE? DO YOU IMMEDIATELY BRUSH IT OFF AS HIS OR HER OPINION, AND THEREFORE INVALID? DO YOU CHOOSE TO NOT GIVE A SECOND THOUGHT TO ANY FEEDBACK WHICH COMES YOUR WAY THINKING THAT YOU KNOW BEST? IF THE ANSWER TO ANY OF THESE THROUGHTS YOUR DAY IS "YES", THEN I WOULD SERIOUSLY AND STRONGLY SUGGEST TO YOU THAT YOU TEAR DOWN YOUR PRIDE AND OPEN YOUR HEART FOR GOD IS TELLING YOU SOMETHING AND YOU ARE NOT LISTENING. TO CONTINUE TO IGNORE INSTRUCTION IS FOOLHARDLY INDEED, FOR IN THE ENDING IT IS YOU WHO SHALL BE DRAWN

AWAY...FOR THOSE WHO WALK IN THE LIGHTED WAYS ARE NOT PUFFED UP IN THE WAYS OF PRIDE. LET THOSE WHO HAVE EARS HEAR WHAT SPIRIT IS SAYING UNTO SPIRIT. I AM SPEAKING NOW, THOMAS, UNTO ALL OF MANKIND...AND THOSE WITHIN CLOSER EAR SHOT MIGHT ALSO FIND A LESSON HEREIN. SO BE IT.

A MATTER OF DEGREE

You ones don't seem to be aware of something which is very important. Keep in mind that each of you is a spark of God beingness. You each carry within you the Silent Watcher, that energy which records for all eternity every action, thought, every word spoken, etc. While there certainly is not ambiguity in the realms of God, there are in the realms of man many shades of grey. There are degrees by which man obeys or disobeys the Laws of God. If you do not commit adultery but you certainly are desirous of your friend's wife, this is noted. If you do not break into your neighbor's home and steal all of his possessions, but you take home paper clips from the office, this is noted. There are degrees of compliance, if you will, for lack of a better descriptive means, within the Laws of God/The Creation. To fully and totally, with perfection of intent follow the Laws, that is worthy of careful thought, discipline, and attention. There is no perfection in the realms of man, for there is no perfection short of God. However, man for eons has used this poor excuse to remain undisciplined and, essentially, run wild doing whatever his willful intent deemed exciting within the moment. And now man is having to face the consequences of such reckless abandon...for now a planet is at

stake. And we have come to assist not only mankind, but the planet Herself.

Before the building can occur man must come into his full and complete understanding of his own downfall. You may pass all the new and exciting laws you like in all the churches in the realm...it changes not a hair of it...except perhaps in that it removes you further from God's Presence. Although, in actuality, God is Omnipresent, Omnipotent...it is man that is perpetually pushing God away so that God will not witness this one more act of degradation in an effort to find the ever illusive sense of fulfillment. Well it shall remain elusive lifetime after lifetime after lifetime until that path of light is walked in full and complete understanding...in harmony with God's Will.

Let us close this, Thomas. Thank you.

3/14/91 SANANDA

Peace, peace, peace be upon you, Thomas. Sananda here in radiance and in service unto The Father/God/Aton.

When I walked upon your place as Immanuel ones looked at me as speaking with a strange and foreign tongue. I spoke concepts that were new unto them and yet familiar. Love ye one another. Honor one another. Treat another as ye would be treated. They looked upon me in shock, horror often. Who is this man who comes to speak of such things. The lessons I spoke of then by way of the parable are as valid today as the day they were spoken. Some have seen this to be true and have changed their path accord-

ingly. Others simply cast the words aside as more religious fanaticism. It matters not to me one way or the other except that I came and do come to bring as many with me as are willing to live in accordance with God's Laws and the Laws of The Creation.

These are not abstract rules set forth for man's frustration and downfall. These are rules for behavior. These are very reasonable guidelines to allow you to live life as it is in accordance with Divine Law...Divine Will. Free will always efforts to struggle with compliance with what is perceived to be another's instructions...even if it God's. And yet, for those with ears to hear, the instructions were brought forth to eliminate suffering...or to certainly greatly reduce suffering as you come into your knowledge of who you are as Earth Human and how your life is to be lived. Countless lifestreams have come from that place to experience the pain of self-judgment...each realizing too late the wisdom that was there for the sharing but too often ignored. Will you feel the pain of willful actions taken against the Laws in the ego-centered perception that your way is the better way? It is the wise one indeed who recognizes the greater wisdom and lives according to the outline laid forth for your highest benefit.

It is the behavioral addictions that present the greatest barrier to your true fulfillment...for within the addiction you are blinded to the truth of it. You are not addicted? No? Each among you is addicted to a certain degree to something...for most ones it is either to drugs of one kind or another or to sex. When behavioral patterns have long been established it often

seems impossible to break free from them...and indeed, most have no true desire to break free but rather to continue and continue and continue...never finding satisfaction, never finding fulfillment, ever seeking the momentary escape that masquerades as peace but comes back to haunt you again, and again, and again. Break free from these bindings...for man is about to break free when he but realizes that there is another way, there is an alternative to the perpetuation of the pattern you have chosen to establish for self.

Fulfillment does not come from the brief sexual release. Fulfillment does not come from the needle in the arm or the smoke from various drugs. Fulfillment comes from knowing God. Fulfillment comes from helping your fellow man. Fulfillment comes from obeying the Laws of God from the heart place. Put self to the side and focus your attentions on that which your brother needs. You may not do it for your brother...for each must be responsible for self-actions...but you certainly may help your brother when he is in need of it. And in the times that lie before you your brothers and sisters shall need a great deal of help for there shall be chaos upon the land and it is through the willing cooperation one with another that you shall see it through with integrity and fulfillment. So be it.

If ones would channel the energy depleted from sexual acts onto building creatively with alignment to God, you would have a new world. But mostly ones struggle on your place for mere survival...one more meal, one more sexual act, one more dollar...and so the spiral appears endless.

Man has become sickened by

the world he has been witness to. The frustration is manifested all around you within the American cities. The violence shall simply escalate as ones lash out against anyone, anything that appears to be in their way in the moment. There is a better way. There is a better path if man will simply make the choice for self to walk it. Most perceive that it requires "giving up too much" to be with God. Well, GOD HAS GIVEN YOU ALL...ALL!...WHAT ARE YOU WILLING TO GIVE GOD? Always it is the intent that God hears...your lips may flap in the breeze all day long, but it is the intent, the essence within that God listens to. What is your intent? Your essence? What do you ask of God? Give me this? Give me that? Or do you ask, "Father, how may I be of service unto my brother?" Think on these things, beloved.

OUR NEWEST JOURNAL

THE BITTER COMMUNION
ALTARS OF HEMLOCK
"...AND A NEW RELIGION
SHALL SWEEP ACROSS THE
LANDS AND THE PEOPLE
WILL BE DECEIVED...."

HATONN:

The subject of this Journal is an ongoing outlaying of that which has come upon you--it is our "commission" given forth by God Creator and our commitment unto Him and that unto Creation to set the records to straight so that the truth is known in the final days. But oh, blessed brothers--it needs not be the "final days" for that is the BIGGEST LIE OF ALL AGAINST YOU DECEIVED ONES OF INNOCENCE--YE WHO HAVE TRIED TO FOLLOW THAT WHICH YOU

PERCEIVED AND ACCEPTED AS TRUTH FROM YOUR TEACHERS AND LEADERS--HOW COULD YOU KNOW THAT THEY WERE DISINFORMED FROM EVIL SOURCES? MAY GOD GIVE HELP TO ALLOW YOUR VISION TO CLEAR THAT WE MIGHT WALK TOGETHER IN TURNING ABOUT THIS BEAST AND CLEAR IT FROM THE LANDS. AHO!

ATON:

...AND YE HAVE GIVEN HEMLOCK UNTO MY CHILDREN IN THINE COMMUNION CUPS--IN MY NAME HAVE YE CORRUPTED THE LAWS OF GOD. AND IN THAT CORRUPTION SHALL YE BE GIVEN TO KNOW THAT WHICH YE HAVE DONE FOR YE HAVE DEFILED MY NAME AND SHED BLOOD OF THE INNOCENT UPON MY PATH OF GODNESS AND THEN YE ASK GOD TO ALLOW YOU TO PREVAIL. YE HAVE STOLEN THE CHALICE OF GOD AND FILLED IT WITH THE BITTER POISON AND GIVEN IT UNTO MY CREATIONS--AND THIS YE HAVE DONE IN MY NAME. GREAT SORROW SHALL PREVAIL UPON THE LANDS IN THE FINAL DAYS OF THE CLEANSING.

WHO WILL COME WITH ME? WHO WILL WALK WITH ME? WHO WILL SHARE OF THE SWEET COMMUNION WITH ME? YOU WHO HAVE PATIENTLY OBEYED THE LAWS OF GOD DESPITE THE PERSECUTION, THEREFORE WILL YOU BE PROTECTED BY ME, FROM THE TIME OF GREAT TRIBULATION AND TEMPTATION, WHICH WILL COME UPON THE WORLD TO TEST EVERYONE ALIVE. LOOK, I AM COMING, SO YE OF LIGHTED TRUTH HOLD TIGHTLY TO THE LITTLE STRENGTH YOU HAVE--SO THAT NO ONE

WILL TAKE AWAY YOUR CROWN.

ODDS AND ENDS-- AND--ODD ENDS

No, Dharma, we shall not just write another nice message today. However, we will respond to some inquiries which seem to fit with all and who present the questions asked by many.

So often the inquiry comes to me as to "How" do you quiet yourself and "How" do you cause yourself to "remember"? Then comes the inquiries of, "How do I explain to my children?" "How do I speak to other people about this wondrous new information and point out the errors of the society as is?" is constant unto me. First, and this will at first sound contradictory to that which I nag you about on a daily basis, you wait upon the Lord! You must understand that the Journals and Expresses are written for over 6 1/2 billion individuals, but with a thrust from this location, to the Americans who can make the largest impact on the planet society and governments by bringing their own back within control. If the United States can regain control then they will remain the strongest nation for it is from the United States that the greatest assault on "freedom" is being thrust.

If you, as Norma Z. who writes

in great pleading for help, are pushed, seemingly beyond reasonable expectations, then you most likely have a specific task awaiting its unfoldment. That will come into your recognition as you remain ready and continue your input of information. Everyone begins with self--there is no other way. One must come into mastery of self before being qualified to teach another.

You ones must come off and ease up as you desire to "convince" others of your information for, unless they have been introduced quite slowly, they will rebel and you will have only lost ground.

To "silence your thoughts" at first seems impossible, but like all else--that which you focus on becomes that which is achieved and if you work to "empty" your mind it shall only become more filled with the mere thought of becoming empty. In this instance, I shall ask that a "quieting and receiving" tape be sent to you for you are working far too hard at "meditation" and the tendency is to follow all of the so-called "channeling teachers", etc. Stop it. The point is to totally relax and "allow" and while you relax allow the thoughts to flow as they will without stopping to ponder them. Put the thought up front which you wish to ponder and,

whether or not you realize it, the mind will accept the input if you repeat the intent many times. You will not realize, always, just what the response IS. Be patient, for it will rarely come as YOU expect; this allows WISDOM to temper and organize and allow vision of "the best way" to achieve your goal.

Aside, for all of you readers, please, may I ask your input? In the America West catalogue you will find a set of "Self Esteem/Weight Loss Program" (Dimensional Life Programs) available. That set was done by Dharma in 1985/86 for a most specific assignment. I sat with her after the loss, to suicide, of her son for whom the set was being completed for his teaching use--and I have no interest in the weight loss portion of the set, other than for those of you who struggle with weight control and wish to utilize it for same. The set was made years prior to Dharma's realization that we were in participation, or that there was a higher purpose for her training. The value of the tapes is in the thorough covering of the subject of hypnosis, how to get into a state of relaxation, etc. That set of tapes is not the point in focus herein, however.

My inquiry deals with whether or not you as the readers would

wish the same introductory tape so that you have information about WHAT YOU ARE EFFORTING TO ACHIEVE, and some relaxation tapes as follow-on. I cannot ask America West to carry one more load as the expenses are tremendous as is, but if you ones would desire such material we can keep cost to absolute minimum, delete the pretty packaging, etc., and give you ones some basic personal material with which to work. I CAN SHOW YOU HOW AND, WITH DHARMA, WALK YOU THROUGH THE EXPERIENCE--I DO NOT FIND THAT TELLING YOU HOW ON PAPER DOES VERY MUCH. WOULD YOU ONES WHO WOULD LIKE TO PARTICIPATE IN SUCH A LITTLE PROGRAM, LET DHARMA KNOW AND WE WOULD ARRANGE TO PUT ONE TOGETHER FOR YOU. WE ALREADY HAVE THE BASIC TAPES MADE FOR WE MADE TAPES IN ORDER TO ALLOW DHARMA TO COME INTO THE "QUIET" COMMUNION PRIOR TO OUR DIRECT CONTACT AND STILL, WHEN SHE IS "DOWN" OR HARRASSED GREATLY--SHE GOES INTO THE QUIET WITH US FOR A HALF HOUR OR SO. The ones structured for her own use would not be "as professional" as one professionally made--but I promise you they do the job.

Also, she made a tape several years back to help her restless grandchildren fall to sleep. Some were going through traumatic experiences and insecurity. The tape is simply a wondrous journey into the wonderland of a space-ship journey allowing a child to fall to sleep with the wonders of the cosmos and renew his own wondrous dreams. She called it the "Fairly Grandmother" tape because it stresses and re-stresses that the

child is LOVED--ABOVE ALL, THE CHILD IS LOVED. She also put together another tape to quiet the children and allow them to come into rest in the daytime with the thrust to building the desire to better do school activities and integrate more easily with others. These have never been available except as simply sharing. These two, of course, are for the young child--except the space-craft journey and that one is a joy for every age, but geared to the little child. I would ask Oberli and George to look into these possibilities of availability if enough of you wish. Dharma was a gifted therapist and it is a loss to keep her to the computer constantly for healing comes through the mind--JUST AS DOES NEGATIVE BRAIN-WASHING. AS A MATTER OF FACT, IT IS ONLY THROUGH REPLACING THOSE NEGATIVE DATA BANKS THAT YOU CAN TRULY CHANGE YOUR IDEAS AND HEREIN LIES THE GREAT BARRIER FOR HUMANITY--THE EVIL INPUTTERS HAVE BURIED YOU AND YOU HAVE NO SEEMING RECOURSE. YOU DO, OF COURSE, BUT YOU ARE ALSO TAUGHT THAT THE METHODS ARE EVIL. DO YOU NOW SEE HOW YOU HAVE BEEN DUPED? "THEY" HAVE USED ALL THE WONDROUS TOOLS FROM GOD TO HOLD YOU HOSTAGE. WE HAVE A WONDROUS SAYING REGARDING MOVING INTO AND WITHIN THE MIND THROUGH RELAXATION AND GUIDANCE--"UNLOCK YOUR MIND AND BE FREE!"

Each problem or thought has a counter thought--each and every word and thought provokes reaction and thought-conditioned response. If I say "red, white

and blue" what is your first thought? Well, it won't be the U.S. Flag--in South Africa.

Norma Z. asks for information and a separate document with instructions for children so that they can be brought into understanding--believe me, they will come into understanding instantly--far faster than we "old folk"! They are sent for specific reasons of bringing you ones home. So simply guide by giving them PERMISSION to not accept the limitations of bigoted religions, let them know that YOU KNOW THEY SEE THROUGH THE DRIVEL and encourage them to dream of positive things and come into brotherhood. They KNOW we are out here and they know they are there--for some purpose beyond the lies they see each day of their lives--but, they also must live through it in reasonable compliance UNTIL THE ADULTS DO SOMETHING TO RECLAIM THAT WHICH YOU WERE SENT TO DO--CARETAKERS FOR THE PLANET AND CARETAKERS OF THE "LAWS".

The "Journals" are new--less than two years for these first loads of bombs and information--give time for digestion and as clarity comes as to the facts of that which IS--then shall come the opportunity to begin to regain control. You must begin to understand, know and live Truth--then actions will follow as surely as night follows day. YOU must become a KINDER/GENTLER individual and then the light shall be quite contagious. As you stop efforting to measure up to all the ridiculous' projections thrust upon you, from sexual habits of performance to any other response to the lies--YOU WILL COME INTO BALANCE AND SELF-STRENGTH. AS ONE TURNS WITHIN AND INTO

BALANCE WITH THE TRUTH AND WITHIN THE TRUTH OF THE COMMANDMENTS (SIMPLE-REASONABLE LAWS OF GOD AND BALANCE OF THE CREATION'S LAWS OF NATURE), others will find their way. If "other" demands YOU break the laws in any area of experience--then YOU MUST STAND STRONG--not in argument nor thrusting nor blaming--just stand within Truth for no man, woman or child has right to pull another into that which is incorrect and against God. If you deliberately thrust against the laws of God--knowingly, the one who has pulled you down will be in worse condition for he will know your capitulation and despise you for it.

Will you err? Constantly! God does not demand perfection--He demands that you constantly effort toward perfection as the created perfection of that which you ARE. God created you in HIS image--that, dear ones, is PERFECTION! Further, He is within and there is no strength in the Universe which can stand against the power of God of Light. You hold this magnificent power in shackles when you fail to recognize that wondrous self within--when you are faint and weary--HE CAN CARRY YOU TO THE COSMOS WITHOUT EFFORT--AND THAT IS THE TRUTH WHICH MUST BE REMEMBERED. *Stop trying to remember everything; when you come into the remembering of your wondrous connection with God--all the rest shall be added unto you. I didn't say go down to the local church, by any label, and be "born again", whatever is meant by that. Usually it means to go to the club-house and pronounce something or other according to whatever doctrine is dumped*

upon your searching beings and through that HUMAN "authority" you do something else, like sip symbolic blood and eat symbolic flesh and/or dip your head in water. IT IS THE SOUL WITHIN WHICH MUST BE REBORN IN RECOGNITION OF CREATOR/CREATION, FATHER/MOTHER.

CHILDREN

As your children see the contradictions of actions, i.e., that evil lies are projected from the church pulpits and false fundamental truths are lived for only an hour once a week--they are laden with fear of transgression, etc. A parent must be strong and tell the children that it is "wrong", that adults make errors. A child is punished and told not to "lie" and yet, everything in his life is a "lie" and the child will invariably "follow the example", not the word. Precious ones, you do not have an easy path to set things to right again and bring balance again with soul and physical being. God never promised you it would be easy--it is MAN WHO DECEIVES AND SAYS YOU CAN DUMP IT ALL ON THE BACK AND BLOOD OF ONE MAN LONG BEFORE YOUR BEING. NO, EACH WILL CONFRONT SELF AND GOD AND YE WILL JUDGE SELF FOR GOD IS JUST AND JUDGES NOT IN THE SENSE WHICH YOU EXPECT.

Allow the children to SEE the contradictions and all you can do is tell them to be patient and together we can bring balance back into this place. The things of the "moment", such as their savings, etc., and massive social affairs are beyond their understanding so you must just guide and it is wondrous for a parent to say to the child, "Precious, I

love you dearly, but Mommy/Daddy just don't yet know either, but together we will find out the truth of it." A child can deal with his feelings of total inadequacy if he can see that his significant "parent figures" are capable of erring and "not knowing" either--and oh, it becomes ever so much easier for the parents. As parents--forgive yourselves first and then you can forgive your children for the reflection which they ARE--of you! Then move within and love and give honor to self, forgive self, encourage self--and it will wash over the children like waters upon the thirsty shores.

Dear ones, the first intent to gain control of the world by the Elite was to pull the family units asunder and corrupt the relationships. It has been accomplished so it will not be easy to set it to right--but the reversal again into Truth, love and unity must be accomplished, as tedious and painful as it may seem--you are experiencing in a time of total chaos and "tough love" is all that will see you through this journey. Force will do nothing except cause more rebellion so you are in difficult circumstances, but a child demands discipline and limitations given within loving/sharing and then he deserves that his roots be deep but his wings unfolded that he may dream and fly.

How do you tell children about spacemen? You tell them that the Loving God the Father always sends ones before Him to prepare the way. Tell them that Earth Man is afraid of the unknown and especially the unknown power of ones unseen. Tell them that there are billions (beyond the counting) of places in the great heavens where other beings live and LET THEM DREAM. Tell them that the foolish stories from outer space are foolish tales to frighten and

scare them. Tell them that there are different people "out there" just as there are "different" people which they see every day. Then, dear ones, insist that they watch that TV every time "Star Trek" is on and they are available. There will be great errors in Star Trek, too, but the original information from which the story was based was piped into military computers from "transmissions" from "out here"! The original series was based on costuming, craft-functioning, appearances, etc., from data which was assembled exactly as they simultaneously tape every word in this dwelling, every word as it is typed into the computer, etc.

All that we write here at this moment is flowing into computer terminals at the CIA, the military base near-by, and other surveillance groups. WE have come into a pretty workable relationship with the surveillance teams. The "Elite" know we are here and we meet with them and remind them of limits beyond which we will be allowed intervention, etc.

As for the major question asked by Norma Z. regarding speaking of reincarnation. Why speak of it at all? You ones go to funerals and listen to the mouths blather about "a better place", "...they are now in Heaven with a 'better Father'..." Use REASON--if that be Truth, then does it not stand to simple reason that there is MORE than this physical body? And if there is MORE, then allow them to simply realize that God is ALL--without limitations and therefore, ALL is possible. If the moment is lived in Truth--the future shall evolve very nicely on its own behalf. The Catholic Church is responsible for removing the portions of the scriptures which spoke of reincarnation and immortality, for

that very FACT OF TRUTH REMOVES ALL POWER AND CONTROL FROM THOSE SELF-APPOINTED GODS OF YOUR LIFE. IF YOU REMOVE "FEAR" OF DEATH YOU HAVE REMOVED FEAR FROM EVERYTHING--AND LIKEWISE POWER OF ANOTHER OVER YOUR BEING!

Mainly, with children--tell them Truth. Tell them they don't have to "perform" as adults, let them hold to their innocence--and TELL THEM THERE IS NO SUCH THING AS SAFE SEX. DEAR ONES, THERE IS NOT! This is the most abused, misused, and dastardly tool ever perpetrated upon the masses. Expectations from the act itself cannot be fulfilled and it is known to be so to cause further confusion and breakdown of moral interchange. I'm sorry, but these things given unto you and thrust upon you are lies and against the laws of God and nothing will change of it. The proof is all about you. The proof this very day is the Mayor of New York City marching in a St. Patrick's Day parade with the homosexual Gays instead of his proper place at the head of the parade. At any rate, the Mayor is black--that means he is NOT IRISH, in the first place and his actions sanction homosexual BEHAVIOR which is immoral. Why would he not wear a placard and march with the HETEROSEXUALS? Could it be that Satanic practices have saturated to the point that that which is against the Godly laws are the things to be practiced? Does it not indicate that your political leaders are less than that which they spout from twixt their teeth? They have succumbed to the lie itself for personal security and gain--and you as a nation, allow it, sanction it, bless it and continue to bring the

lie upon your children. THESE THINGS AGAINST GOD ARE NOT ALRIGHT!

I can tell you now, that AIDS will destroy your people on the planet if this thing is not stopped; it is the curse of Man upon himself--set forth, created, infections started with full intent of depopulizing the globe and only the Elite who are intended to rule have the antidote. The ANTIDOTE to AIDS was created before the virus was loosed. It was introduced into the very communities intended for destruction and "if a few million innocent people perish--so be it" is the full intent. The Elite fully plan to get rid of the undesirable elements which burden their society as planned and homosexuality is not an acceptable life-style to the would-be kings. They are as the drug-lord. Most ones who grow, produce and market drugs at the highest cartel level DO NOT USE DRUGS!

This concept is one which would take a full Journal just in the discussion. It is up to you parents to tell your children TRUTH. AIDS is spread primarily through blood contamination--then hold your breath--through saliva and airborne spittle, etc., contaminating, say, a scratch or abrasion--it is not intercourse per se that gives infection; it is the type of excretion moving through tears and wounds to the private parts in an area (as with the homosexual male of sodomy--anal intercourse) where infected semen or blood is introduced into those abrasions.

As we carefully outlaid in AIDS, THE LAST GREAT PLAGUE, the virus was introduced so as to have no cure and you would be set up so that the disease would move rampantly through the populations. You

would be totally astounded if you knew the numbers of your physicians now infected. It matters not, any longer, what group is the beginning risk group, for as it spread out it takes all in its path. Just as with an avalanche of snow--first, it will likely take the skiers in the path on the slopes, but as it breaks loose in massive assault it will bury the ski village halfway down the mountain and on to the bottom of the mountain and take everything out within the radius of the path. **THERE IS NO SUCH THING AS SAFE SEX. THE CONDOMS ARE WORTHLESS AS FAR AS THE H-IV-VIRUS IS CONCERNED FOR THE VERY PORES IN THE RUBBER MATERIAL ARE LARGE ENOUGH JUST IN MANUFACTURING, TO ALLOW EASY PASSAGE OF THE VIRUS RIGHT THROUGH THE MATERIAL. THIS IS TRUE, YOU SEE--FOR SURGEONS RUBBER HAND GLOVES AS WELL. THIS FACT PUTS SURGEONS, DENTISTS, ETC., AT EVEN GREATER RISK THAN ANY OTHER ONE GROUP OF PEOPLE. THE VIRUS MOVES "BOTH DIRECTIONS". THERE NO LONGER IS SUCH A THING AS "SAFE SEX", EVEN IN THE MARRIAGE BED--ALTHOUGH MUCH LESS LIKELY OF CONTAMINATION--ESPECIALLY HANDLED WITH CARE AND MORE ACCEPTABLE ACTIVITIES. I HEREIN WARN YOU ONES--THIS I SAY HAS NAUGHT TO DO WITH "PREFERENCE" NOR PRUDISHNESS--SODOMY IS DEADLY FOR THE ACT ITSELF UTILIZES THE MOST CONTAMINATED PART OF THE HUMAN BODY AS A RECEPTACLE FOR THE MOST SENSITIVE AND OPEN-FOR-INFECTION**

PORTION OF THE HUMAN BODY--ON EITHER END. BEFORE THIS DISEASE IS PUT TO REST MAN WILL AGONIZE OVER HIS FAILURE TO SIMPLY HONOR THE LAWS AND COMMANDMENTS AS GIVEN FORTH FOR YOUR GUIDELINES OF BEHAVIOR.

CHANGE OF SUBJECT

Norma Z. also asks about "Jesus" vs. "Sananda" and what do you tell your children? Tell them that Jesus represents that which is called "Christ"--which is not a NAME but a state of accomplishment--just like a child goes through the grades and finally gets a diploma from, say, high school. Then when he graduates from College, he gets another award and then he becomes a Master, a PhD., etc., and is called "Doctor", or whatever. "Sananda" represents an ancient "label/name" meaning achievement and growth--into that which is the perfection of "ONE AS/WITH GOD". If the child is familiar with "Jesus", leave it be and allow him to understand the higher title. God knows to whom the heart speaks and names are not necessary. With a child you can explain it much as you speak reverently as in "Mrs./Mr. Jones"--i.e. Sananda Jesus or Jesus Sananda for in traditional "Christian" circles "Jesus" has long been the recognized title for that particular Master Teacher of human experience. For Hindus it is different; for Buddhists it is different; for Mohammadans it is Mohammad; for the Native American Indians it is Wakan Tanka, Pale Prophet, etc. ALL refer to that "Christed" beingness of Godness of Light and Truth of perfection--the Sacred Circle of Infinity.

Do not confuse the child with great dissertations, simply ex-

plain that God, too, has other labels just as do people in other languages use other words for things, i.e. "pollo" in Spanish is "chicken" in English. "Aton" is "God" in another language. Wakan Tanka is God in native Sioux.

GOODNESS WITHIN WHICH RADIATES WITHOUT

Norma asks how she might become one who radiates that which she sees sometimes in others--a sense that some people are just "very good inside". **KNOW, NUMBER ONE, THAT THEY HAVE THEIR BAD TIMES TOO!** Further, **YOU CANNOT PERCEIVE** that which others see in **YOU**. As one gains into the being of goodness it just happens--further, I can promise you, precious one, that you radiate that light and love. Even if I could not see it--I can know it is there, for you care enough to write me pages of loving, searching questions in truth of desire to "find", not to just present me with a boggling bunch of time-consuming testings of MY knowledge or stature.

And lastly, now, and then Norma, we shall move on--**DO NOT STRUGGLE TO RID YOURSELF OF 39 YEARS OF CATHOLIC TEACHINGS.** As you recognize the Truth against the lie, you will know that which is valid as to the goodness of God as taught, but you will be free of the limitations pronounced upon you for with God's Truth as your shield--you simply become free and you see that which IS--as it is and cease to believe 'it simply because some "authority" told you thus or so.

I DO NOT WANT ANY OF YOU TO GO FORTH AND PRACTICE YOUR LIVES

AND ACTIONS BECAUSE SOME "HATONN" SAID SO. TEST MY WORDS, REASON WITH THIS WHICH I GIVE--AND THEN TURN WITHIN UNTO GOD AND KNOW YOUR TRUTH--GOD IS TOTAL SIMPLICITY--NO SECRETS, NO RITUALS, NO MYSTICAL HOOPLA. GOD IS OPEN, OPEN, OPEN AND THE ONLY THING "SECRET" IS SIMPLY A MYSTERY TO BE OPENED FOR IT IS NOT "KEPT" SECRET--ONLY THAT "YOU" MAY NOT HAVE SEEN WITHIN THE MYSTERY. GOD NEEDS ONLY YOU AND HIM--NO MIDDLE MEN TO MUDDLE THE CONNECTION--JUST YOU AND HIM AND DESIRE FROM YOUR HEART TO SHARE WITH HIM. HE LISTENS NOT TO YOUR LIPS--FOR YOU NOW KNOW THAT "LIPS" MAY SAY ONE THING AND MEAN ANOTHER--HE HEARS YOUR HEART PETITION, GOOD OR BAD IN PERCEPTION, AND UNTO THAT DOES HE RESPOND. You need no "priced ticket" to God, for God Truth is without price--it cannot be "bought" nor can it be "sold". The gift God awaits is the silent gift of self and self-will placed back into His hands that He might again give it back to thee.

A petition in Truth is instant--instant everything: forgiveness, love, acceptance, allowance--everything. For if a petition is given in Truth--then the being WILL CHANGE, if not, then naught will happen for the petition was false. If the heart, in Truth, pleads unto God, it is instant!

LASTLY, AND THIS IS FOR ALL OF YOU: DO NOT PRESENT ME AS GOD, NOR TREAT ME AS SUCH--THERE SHALL BE NO

OTHER GODS BEFORE "ME" SAITH THE LORD THY GOD. As Hatonn, I am a Commander of a ship, in charge of a very big Command. YOU must not err in holding any short of GOD HIMSELF as your perfection--I AM YOUR FRIEND; I AM YOUR BROTHER; I AM A TEACHER AND I HAPPEN TO KNOW THE WAY. MY HIGHER EXPERIENCE IS ATON BUT I CHOOSE TO SERVE AS HATONN THAT WE MIGHT FIND OUR WAY TOGETHER. IT IS PERFECTION WE SEEK. IT IS A SETTING AGAIN TO "RIGHT" THAT WHICH HAS BEEN TORN ASUNDER--IT IS THE COMING AGAIN INTO LIGHT AND TRUTH AND RECEIVING THE BROTHERHOOD OF LIGHT AGAIN UNTO A DARKEND WORLD IN PAIN AND AGONY. WE MUST SERVE TOGETHER AND, DEAR ONES, IF YE GET ON YOUR KNEES TO ME AS A SIMPLE BROTHER--THEN I MUST TRY TO DO MY WORK ON MY KNEES ALSO--DO YOU SEE? GOD DOES NOT WANT YOU ON YOUR KNEES NOR ON YOUR DUFF--HE WANTS YOU TO STAND AS THE PERFECTION WHICH HE CREATED--ON YOUR FOUNDATION OF TRUTH (FOR PHYSICAL FEET HAVE NAUGHT TO DO WITH ANYTHING)--BE HIS HANDS, HIS FEET--HIS VOICE, THE REFLECTION AND EXAMPLE OF HIMSELF. HE WANTS YOU TO COME FROM OUT THE DARK PLACES AND INTO THE LIGHT SO THAT ALL CAN SEE THE PERFECTION OF HIS CREATION REFLECTED THERE.

THE BROTHERS COMING ON THE WONDROUS SIL-

VER WINGS FROM THE COSMOS--ARE EXACTLY THAT; YOUR FELLOW-BEINGS, NO MORE AND NO LESS--DO NOT FORGET THAT FOR ONE MOMENT FOR THEY ARE INSULTED THAT YOU WOULD THINK OF THEM IN ANY OTHER MANNER. HONOR THEM, APPRECIATE THEM FOR THEY HAVE WAITED AND SERVED LONG--BUT DO NOT INSULT THEM THROUGH MISPERCEPTIONS. THEY BEAR NO ROYAL TITLES AND IF ONES TELL YOU OTHERWISE, TURN FROM THOSE ONES FOR THERE IS NO "ROYALTY" NOR "SECRETS" AMONG THE BROTHERS BRINGING THE HOSTS OF GOD'S PLACES. THERE IS ONLY REVERENCE, LOVE, SERVICE AND COMMITMENT. NONE CAN GIVE ME GREATER HONOR NOR ACCOLADE THAN TO SIMPLY CALL ME "FRIEND".

Dharma, allow us to close this for we have written far more than intended but we must respond as we can for the awakening is sometimes difficult indeed. Blessings are upon you precious ones and together, we shall do it, brothers and sisters--for this "thing" is not over until "GOD WINS"! HOLD THAT EVERMOST IN YOUR CONSCIOUSNESS--THE REST SHALL TAKE ITS PROPER WAY. GOD WINS, CHELAS! SO BE IT.

Gyeorgos, in friendship and brotherhood, to clear. Saalome'

A MOMENT'S VISIT

As the time of "Ramadam" quiets the boiling cauldron--on the surface, while men of evil work

in dark places, let us turn to our own moment in "time". Dharma cries out from the burden and pleads for answers--"How can we do it all?" The answer is simply: "We cannot nor shall we effort for same."

We have petitions, accusations, personal inquiries, demand for more, demand for less and frankly, we shall leave it unto God to make decision as to that which He shall give unto his lambs who have lost their way. If there is but one path home and it is blocked--then we shall simply remove the barriers for the alternatives to become clear and tell you the truth of your predicament and then you can stall-out or move right through the roadblocks.

I am constantly reminded of the story of the man and his donkey, actually two stories about asses which bear repeating. One, is the man who set off to market with his produce and products for the sales. He loaded his donkey, climbed on also, and began his journey. First he met people upon the road who demanded he unburden his ass. So, he got off and walked--wherein he met others who demanded the ass was still too loaded, so he removed the burden and put it on his own back. Then, he met persons who demanded that the ass do his job and therefore, he placed some of the burden back on the ass; then he met persons who noted the ass was lame and demanded the man stop his journey--whereupon he finally discarded his items for market and picked up the donkey and carried him.

At this point he had tied the burden back upon the beast so that he could carry all that remained and the load was very top heavy so the man chose to set up his place of sales right

there in the road--but people came and produced the laws which disallowed selling anywhere other than the market already established; whereon he re-loaded his donkey, again picked up the ass and off he stumbled on to come upon a narrow bridge crossing a wide gorge. In the path came a caravan of camel drivers who demanded he make room on the bridge for their passage--*whereupon the man, donkey and goods all fell into the abyss and all was lost. You cannot please all of the people all of the time--nor should you try to do so.*

Next story: There was a man who had an ass which was the talk of the village. As others complained about the cost of hay for their own beasts of burden, this man simply proclaimed that he had found the perfect beast--every week he was able to feed it less and less and save great sums of money. Then one day the man came to town bearing his own produce and his friends asked with shock, "Where is your ass?" and the man looked around, shook his head and remarked, "Son of a gun, I finally trained that ass not to eat anything and he up and died on me!!" Where are YOU America? Where are YOU, World? Is it possible that the "ass is on the wrong foot"?

COLD FUSION

How strange that the scientific community in Salt Lake City cannot repeat the cold fusion process. It most surely will work, beloved ones, for all it actually requires is cosmic energy of which you are overflooded each and every moment of your existence.

Oberli, ask GM to find those men of research who first did the project and begin a relationship--we do not need to reinvent

the wheel, so to speak. Thank you, for we can instantly find out if they do, in fact, have a proper approach to energy production.

When a whole community of "experts" come out of the halls of great authority and pronounce doom upon a project--be quite sure that the project has great portent for success. This is known as the "theory of Expert stupidity!" It is proof that the intent is to have NO FREE ENERGY RUNNING AROUND FOR YOU PEASANTS TO ENJOY--WITHOUT PURCHASING IT FROM THE ELITE.

If you ones are locked into carbon-based fuels which are destroying you, your freedoms, and your world's balance, then must we go to the cave or shall we walk the middle of the roadway right through them? I prefer the roadway rather than the abyss.

ORGANIZATION FOR "RIGHTS"

Oh, you say, "We will just get an organization to stand up and fight for 'our rights'!" Will you? Who will you get? Let us look at one or two of those which run about hither and yon, protecting the "rights" of you-the-people.

The National Lawyers Guild: This is a legal communist front and for many decades has been a defender of communist causes in America. It is headed by Elite Zionists and has been as basic in the destruction of the judicial system as any group could possibly be.

The Legal Services Corp.: This is a government/taxpayer-funded legal organization used by the political "left" to push leftist social causes in America,

and

The American Civil Liberties Union (ACLU): This is the number one legal purveyor and defender of leftist causes in America and has counterparts in every nation in the world.

Let us look at what one of your more outstanding lawyers, Jack Schroeder, says about the ACLU. What, indeed, does the ACLU stand for and has pushed for over thirty years in your legal system!?

Legalization of drugs.

Abolition of the death penalty.

Fines as a preferred form of criminal penalty.

Abolition of tax benefits for churches and other religious groups.

(So far it sounds pretty good?)

Abolition of all laws restraining obscenity, indecency, and pornography; including child pornography.

Abolition of all restraints and discrimination against homosexuals; and, legalization of gay marriages, all rights and benefits of heterosexual couples--including child custody and adoption rights.

Legalization of prostitution and elimination of all legal restraints on homosexual activities--e.g., abolition of all state sodomy laws.

Elimination of "under God" from the Pledge of Allegiance.

Removal of "in God we trust" from all U.S. coinage.

Registration and confiscation

of all guns by abolition of American gun ownership.

At first glance it all seems quite proper and suitable because man-made laws seem to only restrict and cause more criminality than to be without them. They would be of total non-necessity if man would simply follow the laws of God and The Creation--but alas--"man surely knows more than out-of-date God!"

Let us look at a few selected targets of this group for those, too, are so filled with corruption that somebody could possibly target them and bring some positive changes. The brunt of their activities include businesses, conservative and Christian individuals, leaders, and groups. Examples of such leftist legal attacks are legion and often are quite positive in their results. However, anything taken to extremes is destructive and causes the entire donkey to fall into the abyss. In October of 1989, a Georgia judge sentenced anti-abortion activist and Operation Rescue leader Randall Terry to two years in jail for criminal trespassing and unlawful assembly related to a sit-in in front of an abortion clinic. The very same week in Atlanta, a drug dealer convicted of killing another drug dealer (by shooting him some fifty-eight times and thoroughly killing him quite dead) received a one-year jail sentence with time off for "time already spent awaiting trial".

Is this not a bit incredible? The American legal system has facilitated and sanctioned the murder of over 25 MILLION babies, and yet if ones speak out or "sit-in" in objection against the slaughter and carnage--they can be jailed and fined more severely than drug dealers, murderers, rapists, extortionists, and burglars? Can this be a "justice" system?

Let's read on a bit and see how ridiculous this can get. On October 10, 1989, the U.S. Supreme Court ruled that a federal anti-racketeering law (RICO--the Racketeering Influenced and Corrupt Organizations Act), originally passed to help the government fight organized crime, ***can now be used against anti-abortion protestors. Twenty-six Philadelphia anti-abortion protestors were convicted under the RICO racketeering law and fined \$108,000. A RICO conviction allows triple damages to the plaintiff if they can prove "a pattern of illegal activities."***

So now, you have formed an unholy alliance of abortion clinics and liberal Admiralty Court Zionist/Socialist judges who have combined to label any "anti" demonstrators as "criminal racketeers". Similar RICO lawsuits have been filed against pro-life activists by abortionists in Pittsburgh, Chicago, and various other cities. And so, what would the women's groups have to say about these indiscretions? Plenty: Molly Yard in her delicate soft-spoken voice that you can hear all the way to you-know-where and has reached the age of the hills to which she might well return for, she does no child-bearing-aged woman favors, screeched that, **"Militant anti-abortion protestors are in the same league with gangsters and racketeers, so 'we' shall treat them that way."**

I ask you: Since when did your lack of any type of responsibility in the sexual participation--which results in pregnancy--give you the right to murder? Why does man and woman continue to compound their sins? There is no misunderstanding of the laws of God, chelas--this is deliberate evil and the consequences are great indeed.

"Those who participate only in the things of the flesh shall surely die by things of the flesh and there shall be found no peace within the being of that one." Thus has said the Lord thy God.

Even if these activities and practices did not include the subject of "murder" they most certainly violate the Americans' First Amendment rights of free speech. I remind you that in San Francisco, the "rotten egg gas" was NOT dropped on the pro-war demonstrators but rather, on the ones who demanded a stop to the insanity of a Middle East war. Moreover, do not the rights of 25 million unborn babies carry any legal or moral right in this world today? It becomes quite obvious to God that the answer is a resounding "NO"!

AND IN RUSSIA?

Russia set the stage and wrote the book on family destruction--beginning and flourishing with "abortion". Russia leads the world in abortions which are offered free and are utilized as contraceptives in order to not interfere with the lust of men. Women are given no respect in the predominant society structure.

But how do the "laws" compare? In the U.S.S.R. there is a nice "catch-all" law against "hooliganism" which justifies the Soviet authorities arresting, convicting and jailing Soviet citizens for virtually anything. The RICO statutes in the U.S. are being used in the same way more and more to curtail the "undesirable" activities of citizens who cannot be convicted on any other existing statutes.

Remember what the target goal of the Zionist/Communist (both inaccurate in definition) IS!

"Destroy the family, and the society WILL COLLAPSE."
(Lenin)

So, forget murder--let's look to holidays for this particular nation "under God". It matters not that which I think about Christian vs. any other kind of holiday--it is the traditional values attached to same which are under the death penalty. There is a concerted, planned, blueprinted-for-action, layout of attack by these named groups that the target, through the courts, will be to attack religious holidays--such as Christmas, Easter, etc. A coalition of leftist religious and educational groups, including the National Education Association, the National Council of Churches, etc., is targeting the holiday and other Christmas activities (e.g., pageants, creches, songs, decorations and so forth) in schools, the work place, government facilities, and you name it--. Multitudes of lawsuits are planned in order to make it not worth-while to argue about the matter.

This becomes a "legal" attack against Christianity, brothers, and your "One nation under God" for you will become a neutered populace of zombie-like existors.

WHERE DO YOU-THE-PEOPLE FIT INTO THIS?

I speak herein about "Christians" in an all inclusive sense--not the so-called Christian churches or people. I speak of those who believe in goodly truth, honesty and integrity desiring freedom through your rightful constitutional process. If you have not read Eustace Mullins' book on RAPE OF JUSTICE, I suggest you do so. Dharma, you will get your chance when we finish our own work for I weary of attacks of

"plagiarism" regarding "truth". You have, at best, experienced first-hand the most despicable form of this "injustice" system with your own property at the hands of evil conspiracy--but we fully intend to WIN. There are some still surviving within the system which was once good, and as they get a bit more brave and/or incensed at the rot being brought down, they will take a worthy stand--until the last breath is drawn, there is hope.

The **AMERICAN BAR ASSOCIATION HAS DECLARED WAR ON CHRISTIANITY**. The Judicial system is based upon the Kabalistic/Talmudic instructions of the Protocols. You have long since ceased having a "justice" system, if in fact, you ever had a worthy one. The American Bar Association has literally declared war on Christianity--they even call it by that very name stating that the "Christians" have defiled the populace in their "quest to rule".

On May 4-5, 1989, the ABA hosted a seminar in San Francisco *on how the legal profession can effectively sue Christians and Christian organizations (using tort law) because of religious fraud and the detrimental impact, emotional, financial, and civil rights-wise, of religion and religious beliefs on American society*. Dear ones, this is the American Bar Association--not even the ACLU!

Topics and specific lectures of the seminar included: "Expanding Use of Tort Law Against Religions"; "Tort Law As An Ideological Weapon"; "Tort Law As Essential Restraint On Religious Abuses"; "Liability of Clergy and Spiritual Counselors"; "Tort Liability For Fraud, Emotional Distress, and Harm to Reputation Arising

From Religiously Motivated Conduct"; "Tort Liability for Brainwashing"; "Liability Arising Out Of the Employment Relationship"; Institutional Liability For Negligent Hiring/Retention"; "Piercing the Corporate Veil--Liabilities of Religious Bodies and Affiliated Organizations"; and many, many more as much, or more ridiculous.

Oh, you ask, "*What in the world is a 'tort'?*" *Well it is not a multilayer cake of chocolate goodies.* A tort is a private or civil wrong or injury, independent of contract. Suits involving personal injuries, wrongful death, or defamation are tort suits. A tort claim usually has three elements:

1. *A legal duty to others.*
2. *A breach of that duty.*
3. *Damages as a result of that breach of duty.*

An excellent example is the cease and desist order (with threat of major lawsuit for "damages") from the Sister Thedra group, ASSK, against America West and Dharma for mention of their name, "defaming" Sr. Thedra, use of "Sananda, Sanat Kumara and/or Hatonn". But, I ask you readers: *Who might be the ones with the proper lawsuit in this instance?* Who and which might be on the side of truth according to God and who might be acting in a most worldly, greedy and evil manner as balanced action relative to God's laws and the "do unto others" law of The Creation? WHO MIGHT BE EFFORTING DILIGENTLY TO KEEP YOU--THE-PEOPLE IGNORANT AND BLIND? Years and years of service mean NOTHING, save perhaps the service is unto the clever master of deceit. Me, Hatonn, angry? FURY would be the better term--for I abhor

and despise the adversary who would USE A PRECIOUS BEING AND SEND EVIL ONES TO SURROUND AND CAPTURE A DEVOTED SERVANT UNTO STRANGLING DESTRUCTION OF THAT ONE WHOM MANY FOLLOWED IN BLINDNESS. I LOATHE THE EVIL DECEIVERS WHO HAVE DUPED THAT ONE FROM THE BEGINNING FOR SHE HAS WORKED LO, THESE MORE THAN 40 YEARS IN THE SERVICE OF ONE SHE THOUGHT TO BE HOLY GOD OF LIGHT. DO I DESPISE THAT TINY BEING? NAY, I ADORE AND REVERE THAT TINY LADY--BUT IT DOES NOT MAKE THE CIRCUMSTANCE "RIGHT" NOR DOES IT CHANGE AN IOTA OF THE TRUTH OF IT. THE REAPER SHALL SEE TO THE HARVEST OF THE USERS WHO HAVE LED THAT ONE INTO THE MORASS OF CONFUSION AND HELD HER IN BONDAGE THROUGH THESE MANY CYCLES OF THE CALENDAR, FOR GOD IS, AND HE IS OPEN AND FOR EACH AND ALL IS HIS TRUTH AND LIGHT.

Liberal judges in recent decades have been creating new duties based on what they perceive to be societal norms. Thus, as society becomes more antagonistic to Christianity, the courts will create new duties and become more receptive to litigation against Christians and Christian organizations. Did James Bakker deserve payment of his debts gained through his misbehavior? Oh indeed--but does he deserve 50 years of prison--while the criminals who have robbed you ones of trillions of dollars, murdered and plundered millions of you--go forth with at the most, a spanking and a vacation in "Club Fed"? As in some

cases I can name, like Silverado, you can bet the Bush boys won't even end up with the slap to the fingers. Both are incorrect but your system has lost all balance and integrity.

The ABA seminar (and by the way, another of these seminars on the same "updated" subject was held again in 1990) holds dire implications for Americans. For example, there can be tort liability for brainwashing, coercive persuasion, or mind control--whether or not any of the accusations are, or are not, true in the slightest degree--for anyone can sue anyone for anything, did you not know that? In the end the one who bribes and has the largest bank account will prevail. Justice enters not the equation.

In California, the Supreme Court has already ruled that there is a compelling state interest in preventing its citizens from unknowingly being subjected by religious organizations to coercive persuasion, brainwashing, or mind control. The court wrote that "where a person is subjected to coercive persuasion without his knowledge or consent," the state has a duty to intervene and entertain corrective litigation.

Psychiatrists now describe coercive persuasion as involving guilt manipulation, indoctrination, fear inducement, and peer pressure. By the way, for you who have light-bulbs for brains--Dharma has **ABSOLUTELY NO ASSETS, NO VEILS TO BE PIERCED AND CARES NOT WHO READS OR THROWS OUT THESE JOURNALS--SÓ WE RATHER WELCOME LAWSUITS FOR LAWSUITS ONLY DENOUNCE ONES WHO BRING THEM AGAINST BROTHER AND PULL THE WORMS FROM THE CARCASS AND**

ROTTING FOUNDATIONS. The courts go further, *voluntary* exposure to the persuasion by the listener/victim in no way alleviates the guilt of the perpetrator. By this definition, Billy Graham and every other evangelistic crusader in America, and a large portion of the teachings of American fundamental/evangelical religious denominations and churches, can be construed to be in total violation of tort law. So be it.

Psychiatric testimony, according to one outstanding lawyer, Barry Fisher, in his presentation, "Tort Law As An Ideological Weapon", (note, he did not say defense or justice or - - *he said "weapon"*) is now the most powerful and persuasive force in the courtroom on the issues of acceptable behavior. *Thus, a genuine Christian conversion/salvation or whatever you might call (a perceived return unto Christ teachings) experience is now being redefined by America's legal left as the result of guilt manipulation, indoctrination, fear inducement, and peer pressure.* The evangelist, pastor, parachurch organization responsible for such brainwashing or manipulation will be construed to be guilty of committing a tort.

A second implication is that the making of "allegedly" false statements is considered fraud. Now, you have something of which almost every "church" in the world is guilty--not to even mention politics, social leaders and such. "Unprovable" religious doctrines such as eternal security and concepts of Heaven and Hell can be considered to be fraud. Stanley Leak, a personal injury lawyer, maintained in his lecture that when a religious organization fails to disclose accurately its identity and *what it teaches BEFORE a person at-*

tends any of its functions, fraud has already occurred. For those "annual Easter Christians" this is a bit more difficult, I would guess.

Under this concept, liability is predicated on *what is NOT said* as opposed to making false statements. Before you say that this would never stand up in court, the ruling should be noted regarding a Maryland real estate promoter, who simply omitted "black" from his advertisement and was *found guilty of discrimination based on what he "didn't" say.*

INTENTIONAL INFLICTION OF EMOTIONAL DISTRESS

A third implication is that intentional infliction of emotional stress, as per a ruling by the California Supreme Court, is legally construed to be a tort. The elements of this emotional distress are: outrageous conduct or *intention* to cause emotional distress or suffering. An anti-Christian legal system will surely find a Sunday school teacher giving a lesson to young children on Jesus' teachings on Hell and eternal separation to be guilty of causing emotional distress. People who hear the preaching of the gospel of Jesus Christ, and/or go to the Indian "Balance of Nature" lessons often do come under emotional stress--I certainly do hope so! Therefore, this concept, like brainwashing, coercive persuasion, mind-control, and fraud, can be used to strike at the core of orthodox Christianity.

By the same, but opposite approach, it is perfectly alright for the IRS to intimidate and the police to harass--all against the laws of the Constitution--but it is NOT alright for a preacher to tell Truth unto the voluntary ears of those who might become distressed over Truth. Can you

not see the evil at work?

LIABILITY OF CLERGY AS COUNSELORS

There is also a serious concern about the liability of clergy as spiritual counselors. (Well, I have trouble with this one for it is so obviously the blind leading the blind that it becomes quite absurd--none-the-less, there is Constitutional freedom granted thereto which is the point in focus.)

Listen-up, you devoted counselors: the California Supreme Court ruled *against* John Mac Arthur's Grace Community Church (not just John Mac Arthur), which gave spiritual counseling to a man who later committed suicide. The spiritual counseling was deemed to be the cause of the suicide and held to be inferior to secular counseling. The Supreme Court held that by counseling the man on the biblical doctrine of eternal security, (failed to note the same counselling of unacceptability of suicide), that the church contributed to his suicide *"by committing outrageous conduct"*, which led to a tort. The ruling was later reversed by a higher court, but it shows the direction the U.S. legal system is moving ever and ever more madly--by the way, the costs incurred by these court cases is absolutely astronomical. Dharma and Oberli have now paid somewhere around \$150,000 to defend property wherein a "no public sale" has actually been proven--and still the case is starting again in original sequence. We shall need to write an entire Journal covering this one case in point for it is the epitome of that which has come upon you people at the hands of the conspirators. I have, however, preferred to keep my scribe ALIVE a bit longer for I can assure you

that every effort to "discredit" these ones has been presented, taunted and thrust at them. Every effort has been made to run them out of funds, give up and in to the constant barrage of insults and inability to live as on a permanent basis--threats, secret plottings and actual attacks of "dirty tricks", etc., and cause them to simply "give up". Well, brothers, God just doesn't "give up".

I can only warn you that this concept will lead to the courts controlling the spiritual/biblical content of counseling, just as other concepts advocated by the ABA will control the content of what pastors and evangelists can say from their platforms or pulpits.

INTERESTING SIDE NOTE ON CHINA

Along these lines of discussion let us look at China. Red China now claims to have "religious freedom"; however, *it is illegal to mention the biblical doctrines of sin or the second advent in religious services.* NOW TELL ME, HOW DOES THIS NEWEST U.S. LEGAL ATTACK AGAINST CHRISTIANITY DIFFER FROM THEIR SIMILAR RELIGIOUS CENSORSHIP IN COMMUNIST/ZIONIST COUNTRIES?

Additionally, the ABA seminars argue that when there is sexual misconduct by a member of the clergy, *the entire church organization, or denomination, is guilty of a tort.* Funny thing, it is all but accepted that a professional Psychiatrist can be intimate or actually rape a "patient" with impunity. Courts are now beginning to rule this way, friends, with giganti; potential financial liabilities for church/para-church organizations. Throughout the seminars, speakers kept referring to going

for the "deep pockets" in litigation involving religious organizations (e.g., after the parent organization, or denomination with larger financial assets than the individual accused. This is why there is absolutely no connection between these Journals and the activities of others who practice business. America West is a book publisher, for instance, and further, they publish some books by some authors which are totally incorrect in content--but they publish books; they are not the moral nor ethical conscience of you-the-people--although they represent total integrity in that which they effort to share with you. If they are given lies then the problem is with the one who lies or deceives and the publisher cannot be "blamed" for another's indiscretion. By the way, America West has no assets to plunder either. Not only have they utilized business assets for the publication of these Journals but their owner's private funds as well. In any event, as things become of different circumstance they also listen to advice the same as we share with you ones--for protection to the best of physical ability within the laws given. You, too, can do it if you want to. Even ASSK stated that it would be "stupid" to go through a long lawsuit for there are no assets to plunder. Rejoice over these incidents which at first seem quite negative--for they tell you that you have credible information pouring forth which is both workable and within the laws written for the protection of the Elite themselves.

Trial lawyers are urged to examine the assets of the individual who has committed the wrong conduct, then look at the assets of the organization, and finally, look at the assets of individuals who are responsible for the organization (e.g., direc-

tors, elders, deacons, officers, etc.) in order to obtain the largest possible monetary settlements. Another wrinkle advocated by the ABA seminars is the extension of liability beyond an individual to a group that is associated with the group to which the individual belongs. California courts have already ruled that major denominations (i.e., the United Methodist Church) are legally liable for the actions of a pastor or employee way down the line in a local church. In one case this was ruled due to the firing of a homosexual employee in a local church.

Why do I so often use California as example? Because this is where my scribe resides and confirmation and back-up material is readily available (for security).

Let us summarize a bit and then draw this session to a close. There is a rapidly accelerating attack, war actually, by the liberal left-dominated legal system in America on conservative and Christian individuals of any creed and on organizations. Like the pro-abortion, disarmament, nuclear freeze, anti-apartheid movements; this onslaught is not spontaneous nor accidental in nature. It is well orchestrated and organized by the political left. The legal system in America, with its leftist law schools, hundreds of thousands of parasitic lawyers, thousands of liberal lenient judges, a panoply of people-controlling laws, rules and regulations, and millions of lawsuits is like a cancer eating away at America's financial/religious and total rights under your Constitution.

You, America, along with the myriads of world nations, are now taking that giant step toward a Soviet-type, Zionist-

controlled, Talmudic-based, legal system which is designed to stifle political and religious dissent and generally remove all freedoms of action from you-the-people. It is all a beautifully and intentionally orchestrated plan to bring you into bondage unto the masters who pull your strings. Patriotic Americans and complacent, apathetic Christians must awaken and realize that the noose is all but closed to lethal loop. You are reacting like the frog placed into the soothing tepid water but has now been brought to the lethal boiling temperature--and you are just noticing that the water is hot. *Have you also noted--in any measure whatsoever--that the pot also has a tight fitting lid with clamps atop it?*

The present thrust of the legal system in America to attack and neutralize the religious aspects and churches is the most dangerous signal to you people--for your nation, you claimed, was founded for the basic right of every individual to worship in freedom, his choice thereof.

Today tort law is "civil". But there is a trend in the U.S. legal system to criminalize civil violations. So count on it--before the 1990's are over, many religious freedoms and activities which you take for granted in America and around the "New World" (for all will be brought under Global Law) will become illegal and subject to severe civil or criminal penalties. It is full intent to stop all Godly/Christian activities just as has been done to the Christians of Red China and the Soviet Union this day.

Please note, chelas, that NO NEW LAWS NEED TO BE PASSED TO IMPLEMENT THIS ABA/LEGAL BROADSIDE AGAINST CHRISTIAN-

ITY. There is an army of liberal lawyers and judges set and waiting to go on the attack. The existing laws all bear "interpretation". The attack has already begun!

The moral decline can also be observed in the patriotic decline. Waving flags and wearing ribbons is NOT patriotism--that is organized control of the people left with nothing else to do, by your government.

You are also witnessing a massively irreversible decline in your educational system values. Only some 7 percent of American--seventeen-year-olds are ready for college math--and considering college "beginning math"--that is terrifying. Twenty-one percent of adult Americans believe the sun goes around the earth; 17 percent think the earth orbits around the sun in one day; 78 percent cannot name a single member of Bush's Cabinet; only 10 percent of Americans know that the U.S. Secretary of State is James Baker (and that, with his presence daily before the cameras); 40 percent of U.S. college students cannot locate Japan on a map; only 1,300 out of 70,000 U.S. high schools have a global education component in their curriculum; by far the majority of all Americans--DID NOT KNOW WHERE OR WHAT WAS IRAQ, MUCH LESS KUWAIT!!!--EVEN AFTER BEING SENT TO THE SAUDI DESERT! Most service personnel could not tell the Mojave Desert from that of the Saudi Desert!

Additionally, the U.S. Supreme Court has ruled, and your government and people have acquiesced, that 25 million or more babies could be murdered in their mother's wombs, that prayer in school is illegal, but that pornography in school, in

the galleries and on television in your living rooms or anywhere else, is legal and part of "your free speech". They recently even ruled that prayers before high school sports events are now illegal. But, on the other hand, in 1988 (far worse today but figures are valid for '88), one out of every four households in America was the target of a violent crime or theft--but in the Western U.S. it was 30.3 percent. This occurs as judges release more and more criminals, or hand out minimal sentences while more and more "freedoms" are taken from you-the-people.

The prosperous, complacent, apathetic, well-entertained people (including most Christians) barely take notice that their way of life, their traditions, and their freedoms are eroding out from under them so fast that before the '90's are history, they will be slaves and will have lost it all.

It has happened in every major empire in history. They begin humble, poor, but strong in character and spiritual faith; they become prosperous; they forget their principles, values, AND GOD; they lose their morality and vision; and they descend right back into slavery. This is where you find your world today. So be it.

Let us close this segment. Thank you for your attention and for your kind service. God watches and waits--what will your decision be, people of the world?

Salu,

Hatonn to clear, please.

3/17/91 SANANDA

I am here Thomas, peace. Yes, I Am Sananda and I come in

radiance. I come in Light...the Light which I AM...the Light of The Father, in whose service I AM. I do not mind identification for in the realms of God there is no reluctance nor hesitation to respond to such a query. Evil will always hedge, hesitate, be evasive and vague or deceptive and vague...or, or, or... Ever be wary of identification bearing the title WE if there are no specific names of identification attached to the "we".

It is good for the soul to get away and view the world around you...for the grass is green for the first time since long in your perceived memory...the sky was magnificent in its clarity on the yesterday. There are innumerable things about you to give thanks for. Ones who come in service unto God shall not be found wanting. There is no need to enter the imbalance of materialistic focus...for with service unto God the needs shall be tended. This does not mean that God shall tend them, but rather you shall be nudged most explicitly by God to tend that which needs tending...yea, unto the smallest details. It is always the attachment to the materialistic world that has tripped man up. Within God's service there is no attachment to the worldly things, merely recognition of beauty and function. Each must be able to leave it all on a moment's notice without so much as a second thought. Who among you would be able to do this?

When your houses are tended and in order...I do not mean particularly immaculate but rather supplied...then you may put aside thoughts of these things which pull at you in the conscious or subconscious mind. These things detract from full attention within the now and thereby diminish full possibili-

ties within the productive expression of the now. There is much work that is to be done before you and each shall be given to know what must be done. There are no two jobs which are identical and to tend of your own job is the better part of wisdom. To always be concerned over what another is doing, where they are going, where they have been, did they do this or that to your specifications when, in fact, it has naught to do with you...these are trespasses of error and should be avoided most consciously within our group. These are the things that cause separation and alienation when it needn't be thus. To deny looking at such things for self is violation of self. None among our group need look to another for the meaning of this message...it serves ALL.

There are many things taking place with our ones...it is literally not important for another to know what one is doing. Tend you own job and your own business!

I herein wish to express my great appreciation to the tireless efforts of the volunteer "crew" who do the folding and the stuffing of the volumes of material that pour through America West...as fast as Hatonn can get Dharma's fingers to work. Thank you, beloved, your efforts do not go unnoticed, for God is ever present in thine spaces and knows all thoughts, all deeds, and all INTENT. So, too, the crew who serve with me work tirelessly at their posts and they are most pleased when they witness the smooth functioning among the ground crew. Perhaps tireless is the incorrect word, for you of the ground crew do grow weary. But the weariness you ones are experiencing is at a soul level, for the density of that placement weighs

heavily upon you. Give your burdens unto me, beloved, I can carry you. Offer your burdens unto God, for He shall lighten the load that you may see your way through the darkness and confusion and conflict. Keep thine light shields intact by constant petitioning for the impact is great and the danger real and present.

Give thanks for all that is about you. You are doing your jobs and the Word of God is going to the Four Corners of the Earth...as promised. Blessings and light unto you ones for though you seem to think that we know not the difficulty of your daily lives...I know...the Father knows. Be at peace for the journey is long...and for those who work in accordance with The Laws the journey is in the first second of counting.

3/18/91 SANANDA

Good morning, Thomas, Sananda present in radiance and service unto God.

Man may not turn away to return unto ignorance once faced with the truth of it. The Laws are most explicit and clear. There shall be none who shall again return to walking the path of darkness for they shall carry with them the knowledge of TRUTH. Many will read The Laws and the description thereof and turn to the side thinking it just another document, just another doctrine. 'Tis a pity. Do The Laws not make the most reasonable and logical sense? Remember, it is the return unto balance out of chaos that we bring, that The Father brings. Man may second-guess if he chooses, and many will, but it changes nothing. The gay and lesbian marchers that you wit-

nessed on the news last evening may march and march and march with all the banners in the realm and all it does is serve to pull more ones away from the lighted truth of God. And so it goes.

The old ways and patterns are difficult for man to set to the side for they have become a part of his very being. It is just that man must be taught as the little child that there is a different way, a better way, and that better way shall return you...nay, bring you, to new and wondrous discovery. Pray unto God for light and guidance, then listen and follow the guidance we bring for it is for your greatest and highest good and you shall find peace and fulfillment therein.

Always man thinks that God shall do it for him. No, no, no! God will always work with you, not for you. It is man that must come into his sense of responsible behavior and thereby take constructive action that shall serve the whole. I speak not here of some communist concept; I speak of the lighted places of Divine Will...for when you act responsibly according to The Laws of God...and you pray and ask for guidance...you become the literal hands and feet of God bringing into manifestation the very Will of God. It is not a difficult concept; it is just that man tends to complicate everything to such an extent that it becomes as the tangled web. We come to untangle the strings that keep you bound.

Man shall read The Laws and the cry shall come forth..."Oh, no, this is not truth...in God's world I MAY DO AS I PLEASE AND HAVE SEX WITH WHOM I PLEASE...GOD ALLOWS...THIS MUST BE A

LIE." Always God allows man his choices. In actual point of fact, most ones acting in such a fashion do not truly believe in God or the Hosts of Heaven. 'Tis sad. But before their soul journey is complete they shall believe in God and they shall see the error of their choices for the journey back unto the lighted realms shall be long and painful indeed. So be it.

You are dearly loved. Can you not feel it?

Look about you and give thanks. Each who reads these words has much to be thankful for. Concern not over the ones that do not read, that will not hear. They shall come to see the concepts brought to the motion picture screens and their imagination shall be captured. They shall be transfixed and transformed. And they shall seek to know. So be it.

Always it is man who shuts God out, who pushes God away, who closes the door. I come at the doorway and except through me you shall not enter the Kingdom of God for I AM THE WAY AND THE LIFE. HAS IT NOT BEEN SAID AND OFTEN SO. I GAVE THE EXAMPLE...I DID NOT DIE FOR YOUR SINS...I SHOWED THE WAY. RETURN UNTO LIVING ACCORDING TO THE LAWS OF GOD AND THEREIN YOU SHALL FIND SAFE PASSAGE INTO THE FATHER'S REALMS OF LIGHT WHEREIN I DWELL.

Many shall come to you inquiring of America West and they shall make jokes and laugh and hang-up...concern yourself not over such matters. Man is desperate to know. Ones shall call back...for they shall be pulled to find out. Seeds are being planted in places you know not

and they shall begin to germinate and grow and therein the truth shall reach unto hidden places throughout the world. Be most kind to one another for the bombardment is great indeed.

I rest my hand upon you. Walk gently and speak carefully that your words carry truth and proper meaning to your thoughts. Many shall come...let us turn none to the side through careless comments...let us welcome ALL that they may come to know TRUTH.

Salu

THE BITTER COMMUNION
ALTARS OF HEMLOCK
"...AND A NEW RELIGION
SHALL SWEEP ACROSS THE
LANDS AND THE PEOPLE
WILL BE DECEIVED...."

HATONN:

The subject of this Journal is an ongoing outlaying of that which has come upon you--it is our "commission" given forth by God Creator and our commitment unto Him and that unto Creation to set the records to straight so that the truth is known in the final days. But oh, blessed brothers--it needs not be the "final days" for that is the BIGGEST LIE OF ALL AGAINST YOU DECEIVED ONES OF INNOCENCE--YE WHO HAVE TRIED TO FOLLOW THAT WHICH YOU PERCEIVED AND ACCEPTED AS TRUTH FROM YOUR TEACHERS' AND LEADERS--HOW COULD YOU KNOW THAT THEY WERE DISINFORMED FROM EVIL SOURCES? MAY GOD GIVE HELP TO ALLOW YOUR VISION TO CLEAR THAT WE MIGHT WALK TOGETHER IN TURNING ABOUT THIS BEAST AND CLEAR IT FROM THE

ATON:

...AND YE HAVE GIVEN
HEMLOCK UNTO MY CHILDREN
IN THINE COMMUNION CUPS--IN MY NAME
HAVE YE CORRUPTED THE
LAWS OF GOD. AND IN
THAT CORRUPTION SHALL
YE BE GIVEN TO KNOW
THAT WHICH YE HAVE
DONE FOR YE HAVE DEFILED
MY NAME AND SHED BLOOD
OF THE INNOCENT UPON MY
PATH OF GODNESS AND THEN
YE ASK GOD TO ALLOW YOU TO
PREVAIL. YE HAVE STOLEN
THE CHALICE OF GOD AND
FILLED IT WITH THE BITTER
POISON AND GIVEN IT UNTO
MY CREATIONS--AND THIS
YE HAVE DONE IN MY NAME.
GREAT SORROW SHALL
PREVAIL UPON THE LANDS
IN THE FINAL DAYS OF
THE CLEANSING.

WHO WILL COME WITH ME?
WHO WILL WALK WITH ME?
WHO WILL SHARE OF THE SWEET
COMMUNION WITH ME?
YOU WHO HAVE PATIENTLY
OBEYED THE LAWS OF GOD
DESPITE THE PERSECUTION,
THEREFORE WILL YOU BE
PROTECTED BY ME, FROM THE
TIME OF GREAT TRIBULATION
AND TEMPTATION, WHICH
WILL COME UPON THE WORLD
TO TEST EVERYONE ALIVE.
LOOK, I AM COMING, SO
YE OF LIGHTED TRUTH
HOLD TIGHTLY TO THE
LITTLE STRENGTH YOU
HAVE--SO THAT NO ONE
WILL TAKE AWAY YOUR
CROWN.

SHROUDS OF THE SEVENTH SEAL--THE ANTI-CHRIST WHORE OF BABYLON

by Gyeorgos Ceres Hatonn

This book is MUST reading for anyone who desires to know the TRUTH about the causes of the war in the Middle East and what the DRASTIC "HELL ON

EARTH" results will be if the peoples of the world do not put a stop to it VERY SOON.

We are given information on the following very important topics: Mental health among your U.S. troops -- Is U.S. sending soldiers to the Persian Gulf in chains? -- What is Baker hiding? -- This is another NO-WIN WAR. -- Israel: 'Vengeance is mine' -- Support our troops--get us out of the Middle East! -- Political Zionism is born -- Weakness in Israel's military -- Israel's racist policies and arms industry -- The role of Communism in Israel -- Zionists simply eliminate opposition -- Doubles, robotoids and replicas -- Executive Orders and The Protocols--how they are already controlling our lives today -- Blood and destruction behind the curtain of American sponsored censorship.

MARCH 1991 VOLUME X NUMBER 7

3/18/91 HATONN

JUST A LETTER TO MY FRIENDS IN THIS JOURNEY

There is so little time for the sharing of the hearts in this struggle to give the hidden dangers ready to devour you, as a civilization, that our own exchanges of love, queries, nurturing and simple gracious manners--must, of necessity, be put to the side. For a while we met every few days and then daily and then--almost never, only some three times since your Thanksgiving, except when personal conference was necessary. You deserve explanation, and then I shall respond to Wally Gentleman's latest correspondence along with a few other personal items if we have the time.

TO DHARMA

Firstly, Dharma is weary, her home in total confusion of clutter and inattention which brings the level of stress to overflow. All who work within our group are likewise worked to overload--at the store and in the office. We keep pushing through the documents for there is nothing which can put your world to right until Truth flows in magnitude large enough that you ones have that which you need to form the picture of that which IS. If we await the cleaned corners and tidy bed covers, you shall lose of your Constitutional freedoms--IT IS THAT SERIOUS AND IMMINENT!

One day, perhaps there can be help for doing of those things, such as the washing of walls, windows and floors--today we must write, write and write some more and the funds available must be measured diligently and there is not plenty for those little measures of comfort and assistance.

Now--as to the dwelling itself--it has been under almost constant attack from electronic pulse systems to literally bombing by laser pulses--bunches of you were present when the first major assault came. We simply cannot have regularly "planned" gatherings at this location for the adversary makes his plans to coincide with those times when the most damage can be inflicted. This is why, even the meetings held elsewhere have been sudden and with no advance notice nor location announced until time of the meeting. You ones still do not comprehend the dangers even though you experience them.

And all of you MUST remember--messages, inquiries and other communication to me--COMING TO ME THROUGH DHARMA MUST BE ANSWERED IN LIKE MANNER. YOU DO NOT HEAR MY RESPONSE FOR IF YOU INQUIRE THROUGH HER YOU ARE EXPECTING A WRITTEN RESPONSE FROM (THROUGH) HER OR YOU WOULD COME TO ME DIRECTLY.

We are honored in either event--but we must ask indulgence in timed responses for there is work of which none save Dharma and Oberli are aware and they are surviving with almost no rest. The ones who help them are blessed indeed for our appreciation is without measure and our gratitude is abundant. So, you might ask, "...then where are those other scribes you speak about?" Working as diligently but on different material for other speakers--and in training--for it takes a long, long time to come into balance with speakers and set self aside. There is no magic elixir which allows clarity in receiving and eliminates personal input into documents--AND YOU ONES NEED NO MORE TAMPERED, HUMAN-DEFINED DOCUMENTS WHICH YOU

CALL "GOD'S" DIRECT PRO-
NOUNCEMENTS--YOU HAVE
HUNDREDS OF THOUSANDS OF
THOSE OPINIONATED DOCUMENTS TO BURY TRUTH. There is truth in all but you have not yet become discerning enough to determine the fact from the personal human fiction. How do I know? Because, I can look around, and see the problems which flourish in your societal structures, political nightmares and WAR--which is not of God in any measure what-so-ever--NEVER! Who WINS a war is only important to marginal degree for it is the WAR WHICH IS EVIL--ALWAYS! Further, in this present time sequence, the wars are to further "global control/enslavement" and yet, we see the masses rushing to push selves into destruction. Acceleration of these actions shall be rushing upon you like a tidal wave for the plan is to be operational by year 2000 and as your President Bush has told you over and over again--they are "right on schedule".

Dharma says, "...but Hatonn, I shall be seventy years of age and the dust shall be very deep indeed!" So be it, and what else would thee complain of this day? I promise you that if we do not our work--you do not have to concern about dust upon your precious "things", nor will there be brethren to take note of it, if indeed it remains. No, Dharma, we shall continue in our work--FIRST--until and as long as it is required and we are sustained in ability to produce same.

TO DRUTHEA

Now, I have wondrous news for you ones who desire definitive writings and explanations regarding God's Commandments and those of THE CREATION. They were given in AND

THEY CALLED HIS NAME IM-MANUEL and yet most have missed them. They differ not from the genuine writings of your teachings but your teachings have been so altered that you no longer feel need to attend them. YES, YOU DO! THE ONLY WAY BACK HOME WITHIN GOD'S RADIANCE IS THROUGH THE PATH OF CHRISTED RIGHTNESS. You were given LAWS through the practice of which would allow you to remain in total balance upon your planet, thrive, experience in abundance and honor fellow-beings. You have abandoned THEM ALL.

But the teachings within the places wherein the laws should be given forth have been pulled down by the desires and egos of man. Therefore, God is giving them forth again in succinct lay-out along with explanation and examples. Dru is finishing the information at the present time and she and God, Aton, are just about ready to hand it into your hands, after which, Dru will continue writing as directed by God, until there is no misunderstanding regarding the LAWS OF GOD AND/OR THE CREATION. You claim to not understand--oh yes, you understand, it is simply that you DESIRE TO FOLLOW THAT WHICH IS INTERPRETED AND GIVEN FORTH BY MAN IN INTERPRETATION ACCORDING TO THE TAMPERING OF THE ADVERSARY OF GOD. YOU MAY ACCEPT THAT WHICH YOU DESIRE TO ACCEPT AND LIVE ACCORDINGLY--I TELL YOU, THIS DAY, THAT IF YOU DO NOT COME AGAIN WITHIN THE LAWS OF GOD AND THE CREATION THAT YOU WILL NOT BE WITH GOD IN PARADISE--IT IS THAT BLUNT AND THAT SIMPLE. YOU WILL NOT FIND IT ACCEPTABLE TO SIMPLY CAST YOUR SINS AND DELIBERATE MISBEHAVIORS UPON THE CROSS OF ANOTHER AND CALL YOUR JOB DONE. YOUR JOB MAY BE DONE, BUT YOU WILL NOT BE IN PARADISE WITH GOD IN THE ENDING OF THIS PARTICULAR CYCLE! YOU CAN DO ANYTHING YOU WISH UNTO YOUR HUMAN PHYSICAL BODY, EAT AND DRINK ANYTHING YOU CHOOSE. WEAR ROBES OF SAFRON OR ROYAL PURPLE, KEEP IT PURE OR CONTAMINATE IT WITH EVIL--AND IT WILL MAKE NO DIFFERENCE--FOR GOD SEES WITHIN THE VERY BEING OF

SOUL ESSENCE AND INTENT AND UPON THAT WHICH HE FINDS "THERE" SHALL THE JUDGMENT BE MADE, WITH "YOU" IN ACTIVE PARTICIPATION. NOTHING MORE AND NOTHING LESS.

TO JOY

To Joy, who would give more and accept more, I must remind her to wait upon the Lord. It is only your perception, dear one, that you do not serve well and would choose to receive as does Dharma or Dru or, or, or. It is only perception for if in building the elephant, all worked only on the tail, where would be the value of the elephant? Do not concern about "implants", etc. Who informed you, for instance, that you have none? Do not effort to measure your value or contribution by that of another lest you miss the wondrous fulfillment of thine own contribution. Do not slight God's wisdom for giving unto each that which each has given commitment in desire for service. If it appears that your contribution falls short--then you must consider upon what you base your judgment! IF a man is told to go within and find his instructions--how shall he do this? His mind has been filled with impractical, mystical and magical nonsense and he can never find balance within without help.

Further, if a man has not enough valid information with which to work once he goes within--he is still at loss. Do not push the river, children, for all MUST come in sequence which gives fullness to the accounting. I remind you that ALL jobs are absolutely necessary and sequence of contribution is mandatory in exactness--no job is "MORE IMPORTANT THAN THAT OF ANOTHER, ONLY DIFFERENT" AND NECESSARY AT VARYING TIMES OF PRESENTATION. WITHOUT THE ONE WHO WRAPS THE JOURNALS AND PUTS THEM INTO THE POSTAL SYSTEM--THE WORDS WOULD BE VALUELESS FOR NONE WOULD RECEIVE OF THEM. DO NOT MEASURE YOUR CONTRIBUTION BY THE SERVICE OF ANOTHER LEST YOU CEASE IN YOUR OWN COMMITMENT! GOD IS QUITE CAPABLE OF MAKING THOSE DISCERNMENTS AND THE BEST YOU CAN DO AND SERVE--IS THAT WHICH YOU ARE GIVEN AND THEN TEND OF THAT BUSINESS WELL AND

LEAVE ANOTHER'S SERVICE ABSENT YOUR NOSE.

Some of you work at great distance from this particular location--that puts you no farther from God and perhaps, dear ones, even closer for you will be tended even more diligently because of the seeming detriment of distance. There is no time or space in the higher KINGDOMS.

Some of you work without support of significant others who care not, believe not, and/or all manner of other "disadvantages". Well, you chose those hamperings and/or continue to cling unto them and, therefore, you have "made your own pallet upon which to lie". I do not intend harshness, I do expect discernment of own actions and inactions--for God will allow all that you will heap upon self and LOVE YOU FOR IT. Stop efforting so hard to cause another to believe your opinion--for no amount of force can cause another to really change--he/she must move into understanding through self cause. Example is the best teacher and if the TRUTH BE MADE AVAILABLE, then you must release that other and bless them if they choose to turn away for you have done that which is asked of God that you do. Most often the lesson is intended for YOU (the self) in that you must allow another his journey--be it positive or negative in your perception. However, if you turn away from Truth--to please that other, you have erred in the greater measure for you have lied and negated God and allowed the other to cause deeper wounds in his own burden of debt. IT IS YOUR DUTY TO GOD TO EVALUATE THAT WHICH YOU DO AS REGARDS THAT ONE WHO WOULD TURN YOU AWAY FROM TRUTH. IF, SAY, A HUSBAND DEMANDS YOU TURN FROM GOD'S COMMANDMENTS TO PLEASE AND GRATIFY HIS PERSONAL EGOTISTICAL DEMANDS AND YOU DO SO IN ORDER TO "HOLD HIM"--WHO HAS ERRED THE GREATER? YOU HAD BETTER THINK MOST CAREFULLY UPON THAT POINT FOR THIS IS THE PRÉDOMINANT CONFRONTATION IN INDIVIDUAL LIVES AT THIS TIME IN HISTORY. THE PHYSICAL EXPERIENCE IS BUT A PASSING MOMENT OF EXPERIENCE--THE TRUTH OF SOUL JOURNEY IS LONG INDEED UNTO INFINITY.

PONDER IT MOST CAREFULLY AND RE-READ THE COMMANDMENTS AS THE PROPER DEFINITIONS OF TERMINOLOGY IS GIVEN UNTO YOU FOR BETTER DISCERNMENT.

I now ask that the information of the laws as put to paper be now put to Journal--AS QUICKLY AS CAN BE DONE. I care not how many pages for we MUST have that information available in print for our thrust will turn more and more to the direction of MAN as a being and he must have the guidelines lest he continue to claim IGNORANCE.

Dru, turn not away from the truth of it--God speaks through you, child, AND YOU ARE INDEED MOST WORTHY! HE WOULD SEND NO LESSER TO BRING FORTH HIS PRONOUNCEMENTS AND HE NEEDS NONE TO INTERCEDE. THAT YOU ONES CANNOT STAND OPENLY IN COMMUNICATION BECAUSE THE "LIGHT IS TOO BRIGHT" ETC., IS TOTAL FABRICATION. WOULD A FATHER BLIND HIS CHILD--NO, HE WOULD SIMPLY TURN DOWN THE LAMP AND SPEAK MORE SOFTLY INTO THE HEART. THE MESSAGE OF THE TRUTHFUL PATH BACK INTO HIS FOLD WOULD ONLY BE GIVEN FORTH BY HE WHO GUARDS THE FOLD AND MAKES THE RULES OF BECOMING ONE WITHIN HIS BEING. GOD HOLDS THEE, CHILD, WITHIN THE HOLLOW OF HIS HANDS AND BOWS UNTO YOU IN HUMBLE GRATITUDE THAT YOU HAVE GROWN AND RAISE OF THINE ABILITY UNTO SERVICE. I HONOR THEE, CHELA.

AND TO WALLY G
