

WHITE NATIONALIST

POSITION STATEMENTS

POSITION STATEMENT **ZERO**

CONCERNING THE DEFINITION OF "WHITE" AND "WHITE NATIONALIST"

PROPOSITION ZERO: A White person is a human being of solely native European ancestry; or a human being who, if they have non-European antecedents, is nonetheless of a physical and genetic makeup that is within the range typical of people of solely European ancestry; or, the child of two Whites.

PROPOSITION ONE: A White Nationalist is a White person who is, by their actions and their voluntary public declaration, politically committed to the welfare of Whites, and to their continuing survival as a distinct and reproductively isolated group of human beings.

POSITION STATEMENT **ONE**

CONCERNING WHITE HOMELANDS

PROPOSITION ZERO: White Homelands are living spaces controlled by White Nationalists and dedicated to the habitation of White people.

PROPOSITION ONE: Only White people may reside in a White Homeland.

PROPOSITION TWO: Attempts to introduce non-whites into White Homelands, as family members, sex partners, employees, or for any other reason, shall be cause for loss of civil rights within the Homeland and banishment.

PROPOSITION THREE: White Homelands shall offer comfort, aid and succour to other White Homelands, and to White Diasporas.

PROPOSITION FOUR: Notwithstanding proposition three, a White Homeland may unilaterally refuse the entry of any White or group of Whites without cause being required to be shown.

PROPOSITION FIVE: White Homelands may be of any size or configuration.

PROPOSITION SIX: The forms of government within each White Homeland are not to be specified.

PROPOSITION SEVEN: White Homelands may from time to time fuse together into larger Homelands, or fission into smaller Homelands. Fusion of Homelands shall only take place by mutual consent: however, there shall be a unilateral Right of Secession of any Homeland or part of a Homeland from the larger entity that shall not require that larger entity's consent.

POSITION STATEMENT **Two**

ON THE CONDITION OF WHITE DIASPORA

PROPOSITION ZERO: A White Diaspora is a group of White Nationalists living elsewhere than in a White Homeland, and therefore not in political control of their living space.

PROPOSITION ONE: White Diasporas shall stay reproductively separate from non-whites.

PROPOSITION TWO: White Diasporas shall stay culturally separate from non-whites. This shall require the exclusion of cultural memes that oppose White Nationalism.

PROPOSITION THREE: White Diasporas shall help and protect Whites who live in the same area as them, and shall attempt to guide these Whites toward an awakening to White Nationalism.

PROPOSITION FOUR: White Diasporas shall strive to create White Homelands by all practical means, including the consensual division of shared living spaces into racial Homelands. Established White Homelands shall aid White Diasporas in this work.

PROPOSITION FIVE: White Diasporas may have economic relationships with non-whites, and shall not indulge in gratuitous aggression against non-whites.

POSITION STATEMENT **THREE**

CONCERNING THE COLLECTIVE DUTIES OF WHITE NATIONALISTS

PROPOSITION ZERO: White Nationalists shall form an ethnic group that behaves as an evolutionary unit.

PROPOSITION ONE: White Nationalists shall enforce reproductive separation between White Nationalists and others.

PROPOSITION TWO: White Nationalists may recruit from Whites. White Nationalists may freely marry Whites who are not White Nationalists, but are obliged to strive to bring up their children as White Nationalists.

PROPOSITION THREE: White Nationalists shall collectively beget, bear and rear children in sufficient numbers to maintain the group's population and increase it where possible. Those who do not reproduce or cannot find a suitable mate shall use a reasonable portion of their resources to aid those who have children.

PROPOSITION FOUR: White Nationalists shall live by a rule of mutual altruism. They shall favour each other economically whenever legally possible, and they shall deal with each other honestly.

PROPOSITION FIVE: White Nationalists shall strive to avoid or resolve internal conflicts, and shall work to deescalate conflicts which they are involved in.

PROPOSITION SIX: White Nationalist organisations and individuals shall charitably aid poor and needy White Nationalists in their community, and shall extend charity to Whites if possible.

PROPOSITION SEVEN: White Nationalists in good financial health shall contribute a substantial fraction of their income to collective projects dedicated to the welfare of White Nationalism as a whole.

POSITION STATEMENT FOUR

CONCERNING WHITE NATIONALIST STRATEGY TOWARD OTHER RACES

PROPOSITION ZERO: White Nationalists intend to coexist peacefully with, and separately from, other races.

PROPOSITION ONE: Members of other races shall not be permitted to reside in White Homelands, even peacefully. Persistent incursions shall be considered an act of war.

PROPOSITION TWO: White Nationalists shall not encroach upon the Homelands of other races.

PROPOSITION THREE: White Nationalists may trade knowledge and goods with other races, or may refuse to so trade, as they see fit.

PROPOSITION FOUR: Other races that do not encroach upon White Homelands shall be treated with justice and courtesy.

PROPOSITION FIVE: White Nationalists shall strive to avoid or resolve conflicts between Whites and other races, so long as those conflicts are not caused by incursion upon White Homelands.

PROPOSITION SIX: All White Nationalists everywhere are obliged to aid in the expulsion of other races from a White Homeland, even if they do not reside in that Homeland.

POSITION STATEMENT FIVE

CONCERNING THE STATUS RELATIONSHIP OF MEN AND WOMEN
WITHIN WHITE NATIONALISM

PROPOSITION ZERO: There is no built in hierarchy of sexes.

PROPOSITION ONE: Men and women have the same civil rights.

PROPOSITION TWO: There shall be no legislation to artificially equalise or otherwise mandate the relative status or the relative numbers of men and women within any profession or occupation including government, and there shall be no arbitrary prohibitions laid upon the types of work that either sex may perform.

PROPOSITION THREE: Marriage is a contract freely entered into. There shall be no forced marriage or forced breeding. Breaking the marriage contract (e.g. by adultery) shall entail penalties sufficient to compensate the innocent partner.

PROPOSITION FOUR: Heterosexual monogamy shall be the normal form of marriage.

PROPOSITION FIVE: Women shall not be drafted for the military defence of White Homelands, though they may fight voluntarily.
